**1:1993-20B.**

I, FRANK KEATING, Governor of the State of Oklahoma, by virtue of the power and authority vested in me by law, hereby amend Executive Order 1993-20 which established the Oklahoma Developmental Disabilities Council, and named the Department of Human Services as its designated state agency.

The Federal Developmental Disabilities Assistance and Bill of Rights Act, P.L. 106-402 and as subsequently renumbered, establishes State Councils on Developmental Disabilities and provides payments to states to assist in the development of a comprehensive and coordinated system of services for persons with developmental disabilities.

The State of Oklahoma is required, as a condition of receiving such federal assistance, to conduct appropriate planning and coordination, encompassing administrative activities, federally-defined areas of emphasis, and state priority areas.

The ultimate objective of these activities is to enable persons with developmental disabilities to achieve their maximum potential through increased independence, productivity, and integration and inclusion into the community.

To obtain such financial assistance, the State of Oklahoma must establish a State Council on Developmental Disabilities. This Council is required to develop a plan, approved by the U.S. Secretary for Health and Human Services, which promotes a comprehensive array of services and support for Oklahomans who have developmental disabilities.

Members of the State Council on Developmental Disabilities are appointed by the Governor from among Oklahoma residents in a manner consistent with federal law. The Governor of the State of Oklahoma must make appropriate provisions for membership rotation of the State Council on Developmental Disabilities.

Federal law provides for the Governor to designate a state agency to assist in the administration of the available federal grants and such designation is to be made following consideration of comments of the general public and the non-state agency members of the State Council on Developmental Disabilities, and after the Governor has made an independent assessment of the impact that the designation of such agency has on the ability of the State Council on Developmental Disabilities to serve as an advocate for persons with developmental disabilities.

The following terms and conditions shall apply to the Oklahoma Developmental Disabilities Council:

1. Membership of the Council and rotation of membership shall meet the guidelines established in the Developmental Disabilities Assistance and Bill of Rights Act. All members serve at the Governor's pleasure. Except for mandated agency representatives, all members of the Council shall serve terms no longer than four years. No member shall serve more than eight consecutive years.
2. The Governor shall appoint the Council Chair.
3. The Council shall cease to exist upon the enactment of federal legislation abolishing its necessity.

The Oklahoma Developmental Disabilities Council shall prepare and submit, in conjunction with the Oklahoma Department of Human Services, a State Plan for Developmental Disabilities in compliance with the Developmental Disabilities Assistance and Bill of Rights Act.

IN WITNESS THEREOF, I hereunto set my hand and caused the Seal of the State of Oklahoma to be affixed this 5th day of September, 2002.

THE GOVERNOR OF THE STATE OF OKLAHOMA  
Frank Keating

ATTEST:

**1:2015-9.**

Nationwide and in Oklahoma, the AMBER Alert program has been extremely successful in locating and recovering missing and abducted children, through the collaborative efforts of state and federal law enforcement and transportation partners, broadcasters, and the National Center for Missing and Exploited Children. Oklahoma implemented our State's AMBER Plan over ten years ago by means of Executive Order, and since that time, Oklahoma has been at the forefront of developing initiatives to rescue vulnerable, lost members of our communities. In fact, Oklahoma was one of the first states to devise a plan, similar to the AMBER Plan, to locate missing seniors. Pursuant to Section 1-1990.4 of Title 63 of the Oklahoma Statutes, the Oklahoma Legislature authorized the Commissioner of Public Safety (Commissioner) to develop and implement a Silver Alert System to identify and recover senior citizens who are missing and at risk of harm.

Accordingly, I, Mary Fallin, Governor of the State of Oklahoma, pursuant to the authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, hereby establish a new and streamlined Oklahoma AMBER Alert Committee (Committee), and direct it to coordinate its initiatives with any other state program established by Oklahoma law, like the Silver Alert System, whose mission it is to quickly locate and recover missing citizens. The Committee shall be authorized to apply for, receive, and dispense to the appropriate Oklahoma state entity all federal funding available to state AMBER Plans, including, but not limited to, funding available through the PROTECT Act of 2003 (codified at 42 U.S.C. § 5791 (2013)), subject to the review and approval of the Commissioner.

The Commissioner shall appoint members to the Committee, which shall be comprised of appropriate local, state, federal, and private sector representatives, including at least one representative from the Oklahoma Department of Public Safety (Public Safety). The Commissioner shall also designate a Public Safety representative from the Committee to serve as the Chair of the Committee. The Committee shall select and designate its Vice-Chair. The Committee shall meet at such times and places as it deems appropriate.

Committee members shall serve at the pleasure of the Commissioner, and may be reappointed at his or her discretion. Each Committee member shall continue to serve until a new appointment has been made for his or her position. Administrative support for the Committee, including personnel necessary to ensure the proper performance of its duties and responsibilities as established by this Order, shall be provided by Public Safety.

This Executive Order shall be distributed to the Cabinet Secretary of Safety and Security and the Commissioner, who shall cause the provisions of this Order to be implemented.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 2nd day of March, 2015.

THE GOVERNOR OF THE STATE OF OKLAHOMA

## Mary Fallin

**1:2015-35.**

Yesterday in Chattanooga, Tennessee, a terrorist opened fire on a military recruiting center and a Navy Operational Support Center and Marine Corps Reserve Center. Four Marines were murdered by this depraved and cowardly killer. Unfortunately, this kind of targeted, violent attack against our military personnel is becoming increasingly common; there have been at least eight major assaults on military sites since 2009. We must take every action to ensure that our servicemen and women are appropriately protected from potential assailants.

Accordingly, I, Mary Fallin, Governor of the State of Oklahoma, by the authority vested in me pursuant to Sections 2 and 6 of Article VI of the Oklahoma Constitution, hereby authorize the State Adjutant General to arm certain full-time military personnel on military installations throughout Oklahoma with weaponry as he deems necessary to adequately provide for the security of the facilities and their occupants. Such installations shall include, but not be limited to, military recruiting offices.

This Executive Order shall be distributed to the State Adjutant General, who shall cause the provisions of this Order to be implemented.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 17th day of July, 2015.

THE GOVERNOR OF THE STATE OF OKLAHOMA

Mary Fallin

ATTEST:

Acting Assistant Secretary of State

I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, hereby order:

1. Effective immediately, except as set forth in paragraph 2 below, a moratorium is hereby placed on all non-essential travel to the State of California for all employees and officers of agencies that is paid for, in whole or in part, by the State of Oklahoma. This moratorium shall apply to all travel expenses not already incurred as of the date of this Order. Essential travel is expressly limited to travel that is: necessary to maintain professional accreditation that is only available in California, and not otherwise available within Oklahoma or another state; critical to the performance of core agency functions; or required by the federal government or necessary to secure or maintain federal funding.

2. The Order in paragraph 1 above shall not apply to (i) travel by employees and officers of agencies within the Department of Commerce where such travel is undertaken for business development or business recruiting, (ii) travel by athletic teams and support personnel representing a college or university within

the State's higher education system for the purpose of engaging in scheduled competition, or (iii) travel by middle school, high school, or college groups, such as bands, athletic teams, or other teams, and accompanying teachers or support personnel, to participate in programs, events, or competitions taking place in California.

Copies of this Executive Order shall be distributed to all Cabinet Secretaries and to the Chief Administrative Officers of all State agencies for immediate implementation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 23rd day of January, 2020.

**1:2020-3.**

The public has a right to a concise and easily understood overview of the tangible impacts, costs and benefits of any proposed state agency rule. However, the 2019 Oklahoma Administrative Code contains 16,430 pages, roughly 35,000 active sections<sup>1</sup>, 145,296 restrictive phrases and 9.3 million words. That would take an individual about 515 hours - or almost 13 forty hour work weeks - to read.

Accountability, transparency and efficiency have been critical principles of my administration since taking office in January of 2019. Furthermore, I believe it is in the best interests of the State, its government, and its citizens to reduce regulatory burden whenever and wherever possible, while continuing to protect public health and public safety.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, by the authority vested in me pursuant to Sections 1 and 2 of Article VI of the Oklahoma Constitution, hereby direct and order as follows:

1. All "state agencies," as defined by 75 O.S. § 250.3, are to undertake a critical and comprehensive review of the agency's administrative rules to identify costly, ineffective, duplicative, and outdated regulations, and to issue a report thereon. The report shall include a list of all unnecessary regulatory restrictions and all other costly, ineffective, unnecessary, and outdated regulations. The report of each agency's findings shall be submitted to the Governor, the President Pro Tempore of the Oklahoma Senate and the Speaker of the Oklahoma House of Representatives on or before August 1, 2020.

2. Unless prohibited by law, whenever an agency proposes one (1) new regulatory restriction through the permanent rulemaking process, it shall identify at least two (2) existing regulatory restrictions to be revoked (1-in-2-out) until the total number of regulatory restrictions is 25% percent below the regulatory baseline. For purposes of this executive order, a regulatory restriction is any agency rule that includes the words "shall," "must," "require," "shall not," "may not," and "prohibit." The 1-in-2-out requirement shall take effect for any permanent rules proposed after February 15, 2020.

3. The Secretary of State shall produce an annual report on or before December 31 each year to the Governor's office outlining progress made in eliminating burdensome regulations and streamlining state government.

Copies of this Executive Order shall be distributed to all members of the Governor's Executive Cabinet and the chief executives of all state agencies, who shall cause the provisions of this Order to be implemented.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 3rd day of February, 2020.

**1:2021-16.**

For over a year, the COVID-19 pandemic has affected the lives of all four million Oklahomans. Due to the fortitude of our people and the diligence of our medical professionals, our state is now in a position where every Oklahoman who wants a vaccine has had the ability to undergo a complete cycle. It is time to return to normal. In Oklahoma, the standard for normal is freedom. Today, I have signed Senate Bill 658, ensuring the right of Oklahomans access to education regardless of vaccine status or mask wearing. This Bill is important and has my full support, yet more is to be done. Every Oklahoman must have access to all government services whether or not they choose to be vaccinated or wear a mask.

In view of the foregoing, I, J. Kevin Stitt, Governor of the State of Oklahoma, by the authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution hereby direct all "state agencies," as defined by 61 O.S. § 327(A), as follows:

1. On or before June 1, 2021, all buildings and office space, owned or leased by the State of Oklahoma and open to the public shall rescind any mandate for the wearing of masks in order to receive government services.
2. By the terms of this Executive Order, all state agencies are hereby prohibited from requiring a vaccination against COVID-19 as a condition of admittance to any public building.
3. This Executive Order shall not apply to employees and buildings of state agencies primarily involved in medical patient-facing activities including research participant areas and facilities where patient care is the primary function.
4. Nothing in this Executive Order shall be construed to restrict an individual's right to wear a mask in a state or public building.

Copies of this Executive Order shall be distributed to all Cabinet Secretaries, the Director of Emergency Management, the Oklahoma State Health Commissioner, the Commissioner of the Department of Public Safety, and the Director of the Office of Management and Enterprise Services who shall cause the provisions of this Order to be implemented by all appropriate agencies of State government.

**IN WITNESS WHEREOF**, I have set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, this 28<sup>th</sup> day of May, 2021.

BY THE GOVERNOR OF THE STATE OF OKLAHOMA

J. Kevin Stitt

**1:2022-13.**

In view of recent mass violence, I have tasked my administration to conduct a thorough review of the procedures in place and resources available to determine what action, if any, may be necessary to secure and safeguard our schools. Upon reviewing the recommendations made to me by the state's top law enforcement officials, I have determined the state is underutilizing existing resources and law enforcement should enhance its current training and standards. I will take immediate action to strengthen the state's response in this regard by implementing Mission: Secure Oklahoma Schools (S.O.S.). Children deserve to be safe in school. School personnel deserve to be safe in school. Parents and guardians deserve to know their child is safe in school. As a father of six, I, too, have a personal and vested interest in protecting our schools and keeping our kids safe.

Oklahomans know too well the pain and suffering inflicted by mass violence as experienced on April 19, 1995, a day which forever altered our state and this nation. Although no law can eradicate the evil that inevitably exists in this world, recent events have shown a lack of evolving preparation can have disastrous effects. As leaders, we have a duty to learn lessons from the past and find solutions for a safe and prosperous future.

As governor, I will do everything in my power and to the best of my ability prevent mass violence in our great state. That begins with planning, preparation, training, and providing law enforcement and schools with the tools needed to effectively do their job and keep our communities and schools safe.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent permitted under Oklahoma law, hereby direct Mission S.O.S. as follows:

#### Law Enforcement Active Shooter Emergency Response Training

1. All State Troopers of the Department of Public Safety ("DPS") shall successfully complete DPS-approved and CLEET-accredited law enforcement active shooter emergency response training by January 1, 2023.
2. All other CLEET-certified law enforcement officers shall be offered the aforementioned law enforcement active shooter emergency response training by July 1, 2023.
3. All CLEET-certified basic academies shall include the aforementioned law enforcement active shooter emergency response training by January 1, 2023.

#### Threat Assessments and Alerts

4. The Oklahoma School Security Institute ("OSSI"), in coordination with DPS, shall make available to every public and private primary and secondary school a risk and vulnerability assessment ("assessment"), which shall include recommendations to increase security. Annual assessment reviews shall also be made available. Both the assessment and review shall be provided at no cost to the school or school district.
5. Behavioral Threat Assessment and Management ("BTAM") training shall be offered by OSSI to every education professional by July 1, 2023.
6. Every school district shall implement the use of the Rave Panic Button by September 1, 2022. Such implementation shall be

focused on ensuring immediate notification to, and timely response by, law enforcement.

7. The State Board of Education shall take any and all actions necessary to implement the requirements of paragraphs 4, 5, and 6 herein.

Copies of this Executive Order shall be distributed to the Department of Public Safety, the Department of Emergency Management, and State Board of Education who shall cause the provisions of this Executive Order to be implemented.

IN WITNESS WHEREOF, I have set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma this 22<sup>nd</sup> day of June, 2022.

Consistent with the State's Constitution and current federal law, it is time to protect Oklahoma's school district employees' First Amendment rights.

Article XXIII, § 1A(C) of the Oklahoma Constitution states that "[i]t shall be unlawful to deduct from the wages, earnings, or compensation of an employee any union dues, fees, assessments, or other charges to be held for, transferred to, or paid over to a labor organization unless the employee has first authorized such deduction." In 2002, this constitutional provision was challenged in federal court. *Local 514, Transport Workers Union of America v. Keating*, 212 F.Supp.2d 1319 (E.D. Okla. 2002). In that case, the District Court found that, with respect to *private* sector employees, the regulation of payroll check-off in connection with union dues was preempted by the Labor Management Relations Act. *Id.* at 1324. However, no such preemption exists with respect to *public* sector employees. Accordingly, Oklahoma's constitutional authorization requirement remains binding on public sector employees in the State of Oklahoma.

The United States Supreme Court confirmed the legitimacy of states' right-to-work laws, like Oklahoma's authorization requirement, in *Janus v. AFSCME*, 138 S. Ct. 2448 (2018). In *Janus*, the Supreme Court addressed a union's right to collect payments from public sector employees, holding that although public employees may authorize dues deductions, *they must first know and waive their First Amendment rights.* *Id.* at 2486 (emphasis added). The basis for this holding is that a waiver of an employee's First Amendment rights "cannot be presumed" and, in order to be effective, "must be freely given and shown by 'clear and compelling' evidence." *Id.* (citations omitted).

In view of the foregoing, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power vested in me by Section 2 of Article VI of the Oklahoma Constitution, hereby urge the Oklahoma State Board of Education (SBOE), which has "supervision of the public school system of Oklahoma," 70 O.S. § 3-104, to take action to the fullest extent permitted by applicable law to ensure that employee organization payroll deductions meet the requirements of state and federal law and that school district employees are fully informed of their First Amendment rights-including their right to refuse to pay employee organization dues as well as their right not to associate with the employee organization. I

further urge the SBOE to make certain that the requirements of state and federal law regarding school district employees' First Amendment rights are satisfied annually.

This Order takes effect immediately and remains in effect until it is modified or rescinded.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, on this 19th day of August, 2022.

I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the authority vested in me by Sections 1 and 2 of Article VI the Oklahoma Constitution and the Oklahoma Homeland Security Act, 74 O.S. § 51, *et. seq.*, hereby direct and order as follows:

Pursuant to Executive Order 2007-41, the Oklahoma Information Fusion Center ("OIFC") was formed in March 2008 to foster and facilitate the sharing of information among Oklahoma's law enforcement agencies and public safety agencies and to further empower those agencies to protect the citizens of Oklahoma. The OIFC was created to serve as the focal point for the collection, assessment, analysis, and dissemination of terrorism intelligence and other criminal activity information that may impact Oklahoma.

The Oklahoma Office of Homeland Security ("OOHS") is charged with establishing a governing board for the OIFC to provide strategic direction and ensure objectives are achieved, risks are managed appropriately, and resources are used responsibly. No later than January 3, 2023, the Department of Public Safety ("DPS") will manage the daily operations of the OIFC, and OIFC resources will be made available to all participating agencies in accordance with the OIFC's policies and procedures. OOHS and DPS will work together to ensure OIFC meets criteria set by the United States Department of Homeland Security for state fusion centers.

No later than March 1, 2023, all records, vehicles, equipment, property, software and software licenses, matters pending, grants, and obligations of the OIFC, as well as all monies due, held, budgeted, assigned, or allocated for OIFC, shall be transferred to DPS pursuant to the provisions of this Order. Further, all state-employed intelligence analysts assigned to OIFC on a full-time basis as of the date of this Order shall be transferred to DPS. All state agencies, boards and commissions are directed to cooperate and comply with OOHS and DPS in transitioning the OIFC to DPS management.

This Executive Order shall be forwarded to all members of the Governor's Cabinet, the Director of the Oklahoma Office of Homeland Security, and the Commissioner of Public Safety who shall cause the provisions of this order to be implemented by all appropriate agencies of state government.

Whereas, maintaining the cybersecurity of Oklahoma State government is necessary to continue to serve and protect Oklahoma citizens; and,

Whereas, the social media platform TikTok has more than one (1) billion global users, with over 135 million users in the United States and is owned by Chinese company ByteDance; and,

Whereas, ByteDance may gain control of crucial user information stored on mobile devices through TikTok's broad data collection policies, including internet browsing data, keystrokes, and location information, and FBI Director Christopher Wray warned these practices may be used to influence Americans or control or compromise software on millions of devices; and,

Whereas, the Chinese Communist Party ("CCP") may attain this personal information because ByteDance is headquartered in China and Chinese national security laws compel companies operating in China to share their data with the government upon request; and,

Whereas, ByteDance previously refused to cease this data flow to the Chinese government despite the United States Committee on Foreign Investment's request to do so and the CCP may use Americans' user information for sensitive intelligence gathering, intellectual property theft, and other illicit purposes; and,

Whereas, several government entities, including the United States Military and the Transportation Security Administration, and other States, have banned downloading or using the TikTok application or visiting the TikTok website on government-issued devices; Federal Communications Commission officials and a bipartisan coalition of United States Senators support a complete ban on TikTok due to its unique national security risks; and,

Whereas, permitting the downloading or use of the TikTok application or visiting the TikTok website on government issued cellphones, computers, or any other device capable of internet connectivity would be contrary to the interests of the State of Oklahoma and its citizens;

NOW, THEREFORE, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the full extent of the law, do hereby order and direct that no executive branch employee or agency of the State of Oklahoma shall download or use the TikTok application or visit the TikTok website on government networks or government-issued devices, including State-issued cellphones, computers, or any other device capable of internet connectivity, and that TikTok shall be blacklisted from State networks and State-managed devices.

Moreover, to the fullest extent of the law, no person or entity who contracts with the State of Oklahoma, including but not limited to any State agency, board, commission, or authority and agents thereof, shall download or use the TikTok application or visit the TikTok website on government networks or other State-owned or State-leased equipment.

**1:2023-1.**

One of a state's most important responsibilities is to protect the lives and safety of its citizens. Paramount among these, is protecting and enhancing the lives of our children. Some of the hardest and most difficult work that any state does is in child welfare. We must continue to meet this challenge head on. As Governor I am committed to protecting our youngest and future generations.

When Oklahoma first began implementing the Pinnacle Plan, our state's child welfare situation was a disaster. While the Pinnacle Plan has served to improve our child welfare system, we must seek continued and ongoing improvement in this area. Currently 6.89 out of every 1,000 Oklahoma children are in an out-of-home placement, which is slightly above the national average of 6 per 1,000. This is a 17 percent decrease since I took office on January 14, 2019. We need to decrease this to 4 per 1,000 children to achieve Top 10 status. Additionally, Oklahoma has made progress improving many of its permanency and re-entry programs, but we need to continue to make improvements ensuring that our state achieves timely and safe permanency for children in the child welfare system. Simply put, we have made great progress in the area of child welfare in Oklahoma, but our work here is not yet done.

Not only must we work to improve our child welfare system, but the best way to address these problems are to ensure children never end up in the system in the first place. The best environment for a child is having their two, biological parents living in the same household. I recently created a HELP Task Force to study and address at-risk pregnancies. But Oklahoma must continue to address problems that

occur once children are born. Oklahoma's fathers must do their part as well. Paternal absence is the single greatest risk factor in teen pregnancy for girls. And young men who grew up with their biological father are more than twice as likely to graduate college and less likely to go to jail. To be clear, we cannot leave children in unsafe environments, whether with their biological family or not. But as a state we must do all that we can to provide proper resources to ensure that all our citizens can provide a safe, healthy, and happy home for their children. Our future depends upon it. Improving Oklahoma's child welfare system is not the only challenge; reducing the amount of children in the system is even more critical.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent permitted under Oklahoma law, hereby order the formation of a Child Welfare Task Force ("Task Force").

The Task Force shall study, evaluate, and make recommendations regarding policies, programs and proposed legislation that will:

1. Further reduce the time to permanency in the foster care system;
2. Further reduce the amount of re-entries to foster care after discharge to permanency;
3. Identify risk factors that lead to the removal of children from their biological parents' home; and
4. Identify and propose areas of support for biological parents.

The Task Force shall submit to the Governor, the President Pro Tempore of the Oklahoma Senate, and the Speaker of the Oklahoma House of Representatives, a report on or before October 1, 2023, detailing its findings and recommendations.

The Task Force shall be composed of twelve (12) members determined as follows:

1. The Speaker of the House or his designee;
2. The President Pro Tempore of the Senate or his designee; and
3. 2 designees of the Director of the Oklahoma Department of Human Services.

The Governor shall appoint eight (8) members to be determined as follows:

1. 2 members of the Oklahoma state court system;

2. 1 representative from an organization involved in the foster care system;
3. 1 representative from a non-profit or faith-based organization;
4. 1 person with experience advocating for biological families; and
5. 3 at-large members.

The Governor shall select, from the appointed members, a Chair of the Task Force who shall have the authority to create committees and name committee chairs to facilitate the work of the Task Force and shall have the authority to appoint Task Force members and non-members to serve on committees. The Task Force shall meet as often as deemed necessary by the Chair allowing for timely completion of its work. A majority of the members shall constitute a quorum for the purpose of conducting the business of the Task Force. Members, including those appointed to committees who are not members of the Task Force, shall serve without compensation.

The Oklahoma Department of Human Services shall provide staff and administrative support for the Task Force. All Executive departments, officers, agencies, and employees of the State shall cooperate with the Task Force, including providing any information, data, records, and reports as may be requested.

**1:2023-4.**

It is my intention that state agencies strictly comply with the Central Purchasing Act ("CPA"), which requires-with some legislatively created exceptions-that "[a]ll activities of any state agency, department, or institution relating to purchasing shall be under the direction of the [Central] Purchasing Division" within the Office of Management and Enterprise Services (hereafter "Central Purchasing"). 74 O.S. §§ 85.3(A), (D). In fiscal year 2022, Central Purchasing provided oversight of approximately \$839 million in state contracts. The Central Purchasing team provides integral guidance to state agencies as they ensure each agency complies with the CPA.

Starting in the Spring of 2020, COVID-19 posed a serious public health emergency to our state. As part of our efforts to effectively respond to the pandemic, pursuant to my powers under the Oklahoma Constitution, the Oklahoma Emergency Management Act of 2003, and the Catastrophic Health Emergency Powers Act, certain provisions of the CPA were waived if those purchases were necessary to respond to the COVID-19 public health emergency. All Such purchases were limited to a monetary threshold and subject to audit. A number of our state agencies undoubtedly utilized these emergency provisions to assist in their responses to the COVID-19 pandemic. However, it is no longer necessary to exempt these agencies from the CPA. I want to ensure that our state agencies are not continuing these emergency practices moving forward.

Additionally, I have instructed my administration to review the CPA, its implementation, and ways to improve it. As Governor, I am committed to transparent operations that allow for a level playing field for vendors desiring to win the State's business and create a more efficient government. Along with other measures, reduction in the availability of exceptions to the CPA will be a meaningful step to accomplish these goals. We are prepared to work with the legislature toward that end.

In order to help ensure that state agencies are complying with the CPA, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, Section 61.3 of Title 74 of the Oklahoma Statutes, and to

the fullest extent of Oklahoma law, do hereby direct Central Purchasing to take the following actions:

1. The State Purchasing Director shall conduct agency purchasing audits, pursuant to 74 O.S. § 85.5(C)(12) & OAC 260:115-5-19, of all state agencies by December 31, 2023;
2. Barring exigent circumstances that far exceed the statutory bar, the State Purchasing Director shall cease granting exceptions, pursuant to § 85.5(N), of the CPA;
3. Evaluate agency purchasing procedures that have been submitted pursuant to § 85.39 of the CPA and work with each relevant agency on ways to improve their procedures;
4. The State Purchasing Director shall create a small fraud protection unit within the Central Purchasing Division for the purpose of minimizing fraudulent activity;
5. The Central Purchasing Division shall coordinate with agencies that are not currently using Peoplesoft to convert to the state's unified financial platform;
6. The Central Purchasing Division shall create and begin issuing a monthly report showing a listing of transactions using direct purchase orders-by agency and dollar amount. The first report shall be issued to my Office on or before June 1, 2023;
7. The State Purchasing Director shall create a plan and policy to eliminate the use of direct purchase orders. The State Purchasing Director shall begin working with state agencies to implement this plan on or before January 1, 2024;
8. The Central Purchasing Division shall create and begin issuing a monthly report showing a listing of all sole source contracts-by agency and dollar amount. The first report shall be issued to my Office on or before June 1, 2023;
9. The State Purchasing Director shall form an advisory committee, pursuant to § 85.3A(B) of the CPA. The Committee shall "consist[] of representatives from entities exempted from the provisions of the Oklahoma Central Purchasing Act. The purpose of the committee shall be to allow committee members to provide input into the development of shared state purchasing contracts, collaboratively participate in the integration of their purchasing platforms or electronic purchasing catalogs, analyze solutions that may be used by state government to meet the purchasing needs of the entities . . . ." 74 O.S. § 85.3A(B).

Additionally, in order to continue government efficiency measures that were implemented in Executive Order 2019-13, I hereby order the

following directives remain in effect:

1. Advance written notification must be given for any of the following: (1) agency, State, and public employee or officer membership(s) in any private or public organization, if said membership(s) collectively total over \$500; (2) non-essential out-of-state travel for agency employees and officers that is wholly paid for by an entity other than the State; and (3) non-emergency purchase(s)<sup>1</sup> that exceed \$25,000.00 (collectively, "proposed expense").

a. Notification shall contain: 1) a brief description of the proposed expense, including its cost, the reason for its necessity, and the costs (if any) that could attach to the State if the request is denied; and 2) any deadlines for receiving approval.

b. Notification shall be submitted to the agency's Cabinet Secretary by the agency's Chief Administrative Officer.

c. If the Cabinet Secretary denies a proposed expense or fails to provide the agency with an approval by the requested deadline, the agency may submit the notification as established in subsection (a), above, to the Governor designee at the Office of the Governor for consideration.

d. In the event the Cabinet Secretary is not available to review a proposed expense in a timely manner, the Governor designates the State Chief Operating Officer to perform the review and approval function described herein.

e. Written approval as provided in subsections (b) or (c), above, must be obtained prior to incurring any legal obligation to pay a proposed expense.

2. A moratorium shall continue on non-essential out-of-state travel for all employees and officers of agencies that is paid for, in whole or in part, by the State of Oklahoma. Essential travel is expressly limited to travel that is: necessary to maintain professional accreditation that is otherwise unavailable within Oklahoma; critical to the performance of core agency functions; or required by the federal government or necessary to secure or maintain federal funding.

Copies of this Executive Order shall be distributed to all Cabinet Secretaries, the State Chief Operating Officer, and to the Chief Administrative Officers of all State agencies for immediate implementation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 28<sup>th</sup> day of February, 2023.

<sup>1</sup>**Footnote:** Emergency purchases are only those purchases that: 1) are unanticipated, with less than fourteen (14) calendar days' advance notice of a need for acquisition; 2) are necessary for the agency to fulfill its primary responsibilities as established by statute; and 3) without such purchase, would incur a definite, articulable, and significant detriment to the public interest. Notification of any emergency purchase must be made in writing to the agency's Cabinet Secretary within five (5) business days of the expenditure. Such notification shall include the specific reason or reasons the purchase qualified as an emergency.

**1:2023-11.**

Throughout the COVID-19 pandemic, federal grants and other non-recurring money funded several new positions within state government. While the new positions were necessary during the pandemic, many of those positions were designed to be temporary. I have deep respect for the great people serving our state in various capacities, but I take seriously my commitment to reduce the size of government, streamline processes, and return to taxpayers their hard-earned money that isn't

necessary for government to function as designed. To that end, I am acting to evaluate the necessity of executive branch positions created since March 1, 2020.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent permitted under Oklahoma law, hereby order as follows:

1. No later than June 30, 2023, all state agency heads shall provide to the Secretary of Operations and Government Efficiency a list of positions created since March 2020. The list should include the job title, the job description, the method of funding (*e.g.*, federal grants or grants otherwise), whether the position was a refill of an existing position or a new position, and a detailed description of ongoing need, if any, associated with each position created since March 1, 2020. Where a position has been funded by a grant, the list should identify the source of funds that will be utilized to fund any such position, if not terminated at the conclusion of grant funding.
2. For all positions funded in whole or in part by a grant of any kind, the agency head shall provide to the Secretary of Operations and Government Efficiency the date on which the grant funding is scheduled to terminate. If a grant associated with any such position has already terminated, the date on which the grant terminated should also be provided. Regardless of whether grant funding has already terminated, the agency head shall also provide the source of funds that was being utilized and/or will be utilized to fund any such position created since March 1, 2020.
3. Until ordered otherwise, and within thirty (30) days of the termination of a grant funding an executive branch position, the state agency head to whom the position reports, directly or indirectly, shall provide to the Secretary of Operations and Government Efficiency the job title(s) associated with the grant(s), the job description(s), method(s) of funding, the date on which the grant funding terminated, a detailed description of ongoing need, if any, associated with any such position, and the source of funds that will be utilized to fund any such position, if not terminated at the conclusion of grant funding.

This Executive Order shall be distributed to all members of the Governor's Executive Cabinet and the administrative heads and chief executives of all state agencies, who shall cause the provisions of this Order to be implemented forthwith.

I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution and to the fullest extent permitted by Oklahoma law, hereby direct and order:

Essential travel is expressly limited to travel that is: necessary to maintain professional accreditation that is otherwise unavailable within Oklahoma; critical to the performance of core agency functions; or required by the federal government or necessary to secure or maintain federal funding.

2. Further, advance written notification must be given for any proposed: agency, State, and public employee or officer membership(s) in any private or public organization, if said membership(s) collectively total over \$10,000.00; non-essential out-of-state travel for agency employees and officers that is wholly paid for by an entity other than the State; and non-emergency purchase(s)<sup>1</sup> that exceed \$25,000.00 (collectively, "proposed expense").

a. Notification shall contain: 1) a brief description of the proposed expense, including its cost, the reason for its necessity, and the costs (if any) that could attach to the State if the request is denied; and 2) any deadlines for receiving approval.

b. The agency's Chief Administrative Officer shall submit the notification to the agency's Cabinet Secretary, with whom the Chief Administrative Officer shall consult prior to deciding whether to approve an applicable expenditure.

c. In the event the Cabinet Secretary is not available to review a proposed expense in a timely manner, the

I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution and to the fullest extent permitted by Oklahoma law, hereby order all state licensing boards or commissions on which a controlling number of members are market participants in the occupation the board or commission regulates ("Qualifying Boards") to immediately adopt and implement the procedures described herein.

### Background

On July 6, 2015, former Attorney General Scott Pruitt issued a letter to then-Governor Mary Fallin recommending reform of certain practices of Qualifying Boards in light of the opinion of the United States Supreme Court in *North Carolina State Board of Dental Examiners v.*

*Federal Trade Commission*, 135 S.Ct. 1101 (2015) ("*N.C. Dental*"). The letter stated that under *N.C. Dental*, Qualifying Boards are unable to claim state-action immunity in defense of federal anti-trust claims unless the challenged action by the board is (i) enforcing a clearly articulated and affirmatively expressed state policy, and (ii) actively supervised by the state. Accordingly, the letter advised Governor Fallin to implement procedures to ensure that substantive non-rulemaking decisions of Qualifying Boards are subject to active supervision by a politically accountable state actor with the power to review, veto, and modify such decisions. On July 17, 2015, Governor Fallin issued Executive Order 2015-33, which required Qualifying Boards to submit all proposed licensure or prohibition actions to the Office of the Attorney General "for review and written analysis of possible violation of law." After having reviewed guidance issued by the Federal Trade Commission, I later issued Executive Order 2019-17, which has since expired and is being replaced with this Executive Order.

#### Attorney General Review of Qualifying Board Actions

All Qualifying Boards-as defined herein-proposing to take non-rulemaking action that has anticompetitive effects shall submit such proposed action to the Office of the Attorney General for review and confirmation that the action is enforcing a clearly articulated and affirmatively expressed state policy. Proposed actions that must be submitted for review include, but are not limited to, (i) actions affecting a class or category of individuals, (ii) actions contested by the respondent, (iii) actions based on alleged conduct not admitted by the respondent, (iv) revocation or suspension of a license, (v) actions stemming from a complaint filed by a competitor of the respondent, and (vi) actions that are purely discretionary by the Board, collectively referred to as "proposed qualifying actions." Qualifying Boards shall comply with the following procedures for all such proposed qualifying actions:

1. All proposed qualifying actions with potential anticompetitive effects shall be fully submitted to the Office of the Attorney General for a substantive review and a written determination of whether the proposed qualifying action accords with state policy.  
1
2. Upon receipt of the written determination from the Office of the Attorney General, the Qualifying Board shall abide by the Attorney General's recommendation, if any.

Notwithstanding the aforementioned procedures, Qualifying Boards need not submit for review proposed actions that do not carry anti-trust implications. Such actions include, but are not limited to, (i) actions to which the respondent consents or agrees, (ii) actions resulting from a criminal conviction in a court of competent jurisdiction, (iii) actions in which the Board has performed the ministerial, non-discretionary task of implementing a mandatory statute, (iv) actions that impose only a fine or a requirement for additional education, and (v)

actions that do not affect the status of the license or otherwise prevent the licensee from continuing to participate in the occupation. Qualifying Boards may contact the Attorney General to seek a determination whether a specific action is subject to the requirements of this Order.

Copies of this Executive Order shall be distributed to all Cabinet Secretaries and to the Chief Administrative Officers of all Qualifying Boards for immediate implementation.

### **1:2023-14.**

In February 2020, just prior to the COVID-19 pandemic, I issued Executive Order 2020-04, to address the surplus of vehicles owned by the State. While the pandemic necessarily shifted focus from certain efforts—perhaps including the charge of Executive Order 2020-04—the State has reinitiated an aggressive push to downsize the state fleet, after it was brought back to my attention that at least hundreds of state-owned vehicles were being underutilized and were unnecessary to the performance of government functions. Since January 1, 2023, the State has downsized its fleet of vehicles by more than 350 vehicles, and I am confident there is more work to be done in this context.

Therefore, to have additional facts necessary to make an informed decision regarding the State's remaining vehicle fleet, I, J. Kevin Stitt, Governor of the State of Oklahoma, by the authority vested in me pursuant to Sections 1 and 2 of Article VI of the Oklahoma Constitution and to the fullest extent permitted by Oklahoma law, hereby direct and order as follows:

In order to more accurately track the use of all State vehicles, the administrative head of every "state agency" (as that term is defined in 61 O.S. § 327(A)) will take all necessary actions to

insure that all vehicles owned by the State and under the control of the state agency have been scheduled with OMES Fleet Management, no later than June 30<sup>th</sup>, 2023, to be equipped with an automatic vehicle locator (AVL) and placed on the Fleet Management M5 System. To schedule the installation of the AVL and to schedule implementation of the M5 System, agency heads should contact OMES Fleet Management at [fleet.system@omes.ok.gov](mailto:fleet.system@omes.ok.gov). Any exception to this process must be approved by the Director of OMES.

This Executive Order shall be distributed to all members of the Governor's Executive Cabinet and the administrative heads and chief executives of all state agencies, who shall cause the provisions of this Order to be implemented forthwith.

Based on the foregoing, 63 O.S. §§ 683.1 *et seq.*, and pursuant to 49 C.F.R. Part 390.23, I hereby declare that there is a State of Emergency continuing in the State of Oklahoma.

The 19<sup>th</sup> Amendment guaranteed women across the country the right to vote one hundred and three years ago this month. Fifty-one years ago this summer, a Democratic Congress passed and a Republican President signed, the groundbreaking law popularly known as Title IX to promote opportunities for women in education programs and activities funded by the federal government. Fifty years ago this month, President Nixon proclaimed August 26<sup>th</sup> to be Women's Equality Day, celebrating women's suffrage and the vital contributions women make to our economy and our nation. Each of these events, championed by leaders from both political parties, made great strides for the dignity and equality of women in America.

Today, radical gender ideologues threaten the hard-fought progress won by women and girls in our society, and the federal government is surrendering to their demands. In Oklahoma, we have led the pushback in restoring reality to discourse surrounding gender, not least through last year's enactment of the Save Women's Sports Act. But more remains to be done to counter the regression of women's rights in this country. There are definitional, practical, and material differences between the sexes that have implications for our law in Oklahoma. To settle the unfounded confusion surrounding such basic questions as "What is a woman?", this Order is intended to provide clarity, certainty, and uniformity to administrative actions and rules.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent permitted by law, hereby order as follows:

1. In the promulgation of administrative rules, enforcement of administrative decisions, and the adjudication of disputes by administrative agencies, boards, and commissions, all state agencies, boards, and commissions when using the following words shall, to the fullest extent permitted by law, define them as follows:

- a. "female" when used in reference to a natural person shall be defined as such a person whose biological reproductive system is designed to produce ova.
- b. "male" when used in reference to a natural person shall be defined as such a person whose biological reproductive system is designed to fertilize the ova of a female.
- c. "woman" and "girl" shall refer to natural persons who are female.
- d. "man" and "boy" shall refer to natural persons who are male.
- e. "mother" shall be defined as a female parent of a child or children as defined in 25 O.S. § 7.
- f. "father" shall be defined as a male parent of a child or children as defined in 25 O.S. § 7.
- g. "sex" when used in reference to a natural person shall be defined as that natural person's biological sex, either male or female at birth.
- h. "natural person" shall be defined as only those "persons" defined in 25 O.S. § 16 who are human beings, to the exclusion of bodies politic or corporate.

2. Any public school, public school district, and any other agency, department, or subdivision of the State, that collects vital statistics for the purpose of complying with anti-discrimination laws or for the purpose of gathering accurate public health, crime, economic, or other data shall, to the fullest extent allowed by law, identify each natural person who is part of the collected data set as either male or female as defined in this Order. Compliance with this Order shall not prevent provision of other data points as well.

3. When otherwise allowed by law, agencies are authorized, where practical, to provide governmental services in single-sex environments where biology, privacy, and personal dignity are implicated. As illustrative, non-exhaustive examples, prisons and other correctional facilities are directed to provide dedicated

facilities for men and women respectively. Likewise, schools are directed to provide dedicated restrooms and locker room facilities for boys and girls, respectively.

This Executive Order shall be distributed to all members of the Governor's Executive Cabinet and the administrative heads and chief executives of all state agencies, who shall cause the provisions of this Order to be implemented as herein directed.

Artificial intelligence (AI) and generative artificial intelligence (GenAI) are here to stay. Properly harnessed and deployed, these emerging technologies offer tremendous benefits to Oklahomans, their government, and the state's economy.

I'm proud to report that executive branch operations and IT leaders within OMES, along with their data services and science teams, already responsibly utilize AI and GenAI to help executive branch agencies achieve business solutions. From case management to constituent services, these technologies have improved operations, increased efficiency, and resolved problems.

Despite these achievements, more work needs to be done. As we embrace these emerging technologies, we need to identify risks and prepare for potential harms before deploying AI and GenAI throughout state government architecture. We need to ask more questions; seek answers from experts; and decide what, when, where, and how to consume and/or regulate these technologies.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent authorized by law, hereby order the creation of the Governor's Task Force on Emerging Technologies (the Task Force) until December 31, 2023:

The Task Force shall study, evaluate, and develop policy and administrative recommendations related to the responsible deployment of AI and GenAI. Specific areas of inquiry should include, but need not be limited to:

1. Developing a set of principles and values that will guide the development and use of AI and GenAI within state government;
2. Developing and implementing a governance framework that outlines the policies, procedures, and processes for the development, deployment, and use of AI and GenAI, with special attention paid to: (1) *data management* (outlining how AI data will be collected, stored, used, and shared); (2) *model development* (outlining the process for developing, testing, and deploying AI models); (3) *model monitoring* (outlining how AI models will be monitored for performance, bias, and security vulnerabilities); and (4) *human oversight* (outlining the role of humans in the oversight and control of AI systems);
3. Determining how to educate, train, and upskill current and future workers in the use of AI and GenAI;
4. Improving government services; and
5. Improving government efficiencies.

The Task Force shall submit to the Governor, the President Pro Tempore of the Oklahoma Senate, and the Speaker of the Oklahoma House of Representatives, a report on or before December 31, 2023, detailing its findings and recommendations.

The Task Force shall be composed of eleven (11) members determined as follows:

1. Joe McIntosh, State Chief Information Officer; who shall serve as Chair;
2. Matt Pinnell, Lieutenant Governor and Secretary of Workforce and Economic Development;
3. John Suter, Secretary of Operations and Government Efficiency, or designee;
4. Hopper Smith, Interim Executive Director of Commerce, or designee;
5. Jennifer McGrail, Executive Director of the Center for the Advancement of Science & Technology, or designee;
6. Allison Garrett, Chancellor of the State System of Higher Education, or designee;

7. The President Pro Tempore of the Senate, or designee;

8. The Speaker of the House, or designee; and

The Governor shall appoint three (3) at-large members, each of whom should have expertise in matters relating to business, workforce development, emerging technologies, privacy, or ethics.

Joe McIntosh, Chair of the Task Force, shall have the authority to create committees and name committee chairs to facilitate the work of the Task Force and shall have the authority to appoint Task Force members and/or non-member subject matter experts to serve on committees. Among others, if any, the Chair sees fit to create, there shall be one committee whose focus shall be the intersection of AI and GenAI and education and another committee whose focus shall be the intersection of AI and GenAI and commerce/workforce development. The Task Force shall meet as often as deemed necessary by the Chair allowing for timely completion of its work. Six (6) or more members shall constitute a quorum for the purpose of conducting the business of the Task Force. Task Force members and non-members appointed to serve on committees shall serve without compensation.

The Office of Management and Enterprise Services shall provide staff, technical, and administrative support for the Task Force. All Executive departments, officers, agencies, and employees of the State shall cooperate with the Task Force, including providing any information, data, records, and reports as may be requested.

In conjunction with the creation of the Governor's Task Force on Emerging Technologies, I further order the directors of all state agencies and departments subject to my authority to charge one person on their team with becoming an AI and GenAI expert. Names of those persons so charged shall be submitted to the appropriate cabinet secretary on or before November 1, 2023.

This Executive Order shall be distributed to each member of the Task Force, all cabinet secretaries, and the directors of all state agencies and departments subject to my authority.

**1:2023-29.**

One of the few pillars of our system of government that continues to enjoy broad consensus is that elections should be decided by American citizens free from interference. Oklahoma's Constitution could not be clearer: "All elections shall be free and equal."

But elections are only as free and equal as the processes used to finance campaigns and count votes. Although federal law already prohibits contributions, donations, expenditures, and disbursements by foreign nationals to any federal, state, or local election, the State of Oklahoma may need additional clarity and/or legal safeguards to ensure our state election, initiative, and referendum processes are as free and equal as possible.

That said, I am proud to report that Oklahoma is a national leader in election security. Our state and county election boards are best in class. Oklahomans should know the ballots cast and counted in Oklahoma are legitimate. But we must not rest on our laurels. Instead, we must ensure that our elections and political processes are not tainted by other

governments' investment and/or interference.

In short, political outcomes in Oklahoma should be products of Oklahomans exercising their individual political judgment freed from coercive influence. That's why I'm calling on the Legislature, and in particular the Senate Rules and House Election and Ethics Committees, to introduce legislation that would get governments' money and influence out of state elections once and for all-perhaps as soon as the next regular session.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent authorized by law, hereby order the creation of the Governor's Task Force on Campaign Finance and Election Threats (the Task Force) until January 15, 2024:

The Task Force shall study, evaluate, and develop policy and administrative recommendations related to campaign finance and foreign investment and/or interference in Oklahoma elections. Specific areas of inquiry should include, but need not be limited to:

1. Identifying the ways in which Oklahoma is leading the nation in election security;
2. Identifying any campaign finance loopholes that need to be closed and identifying the nature of any government interference in state elections;
3. Designing, for the Legislature's benefit as it considers drafting common-sense legislation to curtail any interference in our politics, a mechanism or process by which the state can detect the covert distribution of propaganda and disinformation against the peace and dignity of the State of Oklahoma.

The Task Force shall submit to the Governor, the President Pro Tempore of the Oklahoma Senate, and the Speaker of the Oklahoma House of Representatives, a report on or before January 15, 2024, detailing its findings and recommendations.

The Task Force shall be composed of nine (9) members determined as follows:

1. The Chair, selected by the Governor;
2. Paul Ziriaux, Secretary of the State Election Board;
3. Josh Cockroft, Secretary of State;
4. A county election board member from a county with a population of 50,000 or more, selected by the Chair;

5. A county election board member from a county with a population of 49,999 or less, selected by the Chair;
6. The President Pro Tempore of the Senate, or designee;
7. The Speaker of the House, or designee; and

The Governor shall appoint two (2) at-large members, each of whom should have expertise in matters relating to campaign finance, elections, privacy, or ethics.

The Chair of the Task Force, shall have the authority to create committees and name committee chairs to facilitate the work of the Task Force and shall have the authority to appoint Task Force members and/or non-member subject matter experts to serve on committees. The Task Force shall meet as often as deemed necessary by the Chair allowing for timely completion of its work. Five (5) or more members shall constitute a quorum for the purpose of conducting the business of the Task Force. Task Force members and non-members appointed to serve on committees shall serve without compensation.

All Executive departments, officers, agencies, and employees of the State shall cooperate with the Task Force, including providing any information, data, records, and reports as may be requested.

**1:2023-29A.**

One of the few pillars of our system of government that continues to enjoy broad consensus is that elections should be decided by American citizens free from interference. Oklahoma's Constitution could not be clearer: "All elections shall be free and equal."

But elections are only as free and equal as the processes used to finance campaigns and count votes. Although federal law already prohibits contributions, donations, expenditures, and disbursements by foreign nationals to any federal, state, or local election, the State of Oklahoma may need additional clarity and/or legal safeguards to ensure our state election, initiative, and referendum processes are as free and equal as possible.

That said, I am proud to report that Oklahoma is a national leader in election security. Our state and county election boards are best in class. Oklahomans should know the ballots cast and counted in Oklahoma are legitimate. But we must not rest on our laurels. Instead, we must ensure that our elections and political processes are not tainted by other governments' investment and/or interference.

In short, political outcomes in Oklahoma should be products of Oklahomans exercising their individual political judgment freed from coercive influence. That's why I'm calling on the Legislature, and in particular the Senate Rules and House Election and Ethics Committees, to introduce legislation that would get governments' money and influence out of state elections once and for all—perhaps as soon as the next regular session.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent authorized by law, hereby order the creation of the Governor's Task Force on Campaign Finance and Election Threats (the Task Force) until March 31, 2024:

The Task Force shall study, evaluate, and develop policy and administrative recommendations related to campaign finance and foreign investment and/or interference in Oklahoma elections. Specific areas of inquiry should include, but need not be limited to:

1. Identifying the ways in which Oklahoma is leading the nation in election security;
2. Identifying any campaign finance loopholes that need to be closed and identifying the nature of any government interference in state elections;
3. Designing, for the Legislature's benefit as it considers drafting common-sense legislation to curtail any interference in our politics, a mechanism or process by which the state can detect the

covert distribution of propaganda and disinformation against the peace and dignity of the State of Oklahoma.

The Task Force shall submit to the Governor, the President Pro Tempore of the Oklahoma Senate, and the Speaker of the Oklahoma House of Representatives, a report on or before March 31, 2024, detailing its findings and recommendations.

The Task Force shall be composed of nine (9) members determined as follows:

1. The Chair, selected by the Governor;
2. Paul Ziriaux, Secretary of the State Election Board;
3. Josh Cockroft, Secretary of State;
4. A county election board member from a county with a population of 50,000 or more, selected by the Chair;
5. A county election board member from a county with a population of 49,999 or less, selected by the Chair;
6. The President Pro Tempore of the Senate, or designee;
7. The Speaker of the House, or designee; and

The Governor shall appoint two (2) at-large members, each of whom should have expertise in matters relating to campaign finance, elections, privacy, or ethics.

The Chair of the Task Force, shall have the authority to create committees and name committee chairs to facilitate the work of the Task Force and shall have the authority to appoint Task Force members and/or non-member subject matter experts to serve on committees. The Task Force shall meet as often as deemed necessary by the Chair allowing for timely completion of its work. Five (5) or more members shall constitute a quorum for the purpose of conducting the business of the Task Force. Task Force members and non-members appointed to serve on committees shall serve without compensation.

The Office of Management and Enterprise Services shall provide staff, technical, and administrative support for the Task Force. All Executive departments, officers, agencies, and employees of the State shall cooperate with the Task Force, including providing any information, data, records, and reports as may be requested.

This Executive Order shall be distributed to each member of the Task Force, all state and county election boards, and all cabinet secretaries.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, on this 11<sup>th</sup> day of December, 2023.

**1:2023-30.**

In 2019, I issued Executive Order 2019-29, which prohibited all state agencies, as defined by 61 O.S. § 327(A), from entering into any new, or renewing any existing, contract or any other agreement with a Lobbyist for the purpose of Lobbying without first securing the express, written approval of the appropriate Cabinet Secretary. Just as I determined when that Executive Order was entered, I maintain that it is not a proper use of state funds for any state agency, board, or commission to expend taxpayers' money on the hiring of outside lobbyists to lobby the State's legislators on behalf of any state agency, board, or commission.

Therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, by the authority vested in me pursuant to Sections 1 and 2 of Article VI of the Oklahoma Constitution, hereby continue to prohibit all state agencies, as defined by 61 O.S. § 327(A), from entering into any new, or renewing any existing, contract or any other agreement with a Lobbyist for the purpose of Lobbying without first securing the express authorization of the Governor's Office, as indicated in writing by the appropriate Cabinet Secretary. For purposes of this Executive Order, the terms Lobbyist and Lobbying shall include Executive Lobbyists and Legislative Lobbyists as such terms are defined in 74 O.S. Chapter 62, Appendix I, Rule 5.2.

Copies of this Executive Order shall be distributed to the chief executives of every State agency, board, and commission for immediate implementation. Copies of this Executive Order shall also be supplied to each Cabinet Secretary.

IN WITNESS WHEREOF, I have set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma this 11<sup>th</sup> day of December, 2023.

WHEREAS, the Equal Protection Clause contained within the Fourteenth Amendment to the United States Constitution provides: "No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of laws."; and

WHEREAS, the United States Supreme Court examined the Equal Protection Clause and its meaning regarding the college admission process in *Students for Fair Admissions, Inc. v. President and Fellows of Harvard College*, 143 S.Ct. 2141 (June 29, 2023); and

WHEREAS, the Supreme Court explained that "[e]liminating racial discrimination means eliminating all of it. And the Equal Protection Clause, we have accordingly held, applies 'without regard to any differences of race, of color, or of nationality'-it is 'universal in [its] application.'"; and

WHEREAS, likewise, the State of Oklahoma's Constitution was amended in 2012, Okla. Const. art. II, § 36A, to prohibit the state from granting "preferential treatment to, or discriminat[ing] against, any individual or group on the basis of race, color, sex, ethnicity or national origin in the operation of public employment, public education or public contracting," with limited exceptions; and

WHEREAS, to the extent education theories of diversity, equity, and inclusion have led state entities to grant preferential treatment to, or discriminate against, a person based on his or her race, color, sex, ethnicity, or national origin, this Executive Order clarifies the legal prohibition against such treatment.

NOW THEREFORE, I, J. Kevin Stitt, Governor of the State of Oklahoma pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent permitted by law, hereby order as follows:

Executive state agencies shall not utilize state funds, property, or resources to:

1. Grant or support diversity, equity, and inclusion positions, departments, activities, procedures, or programs to the extent they grant preferential treatment based on one person's particular race, color, ethnicity, or national origin over another's;
2. Mandate any person to participate in, listen to, or receive any education, training, activities, procedures, or programming to the extent such education, training, activity, or procedure grants preferences based on one person's particular race, color, sex,

ethnicity, or national origin over another's;

3. mandate any person swear, certify, or agree to any loyalty oath that favors or prefers one particular race, color, sex, ethnicity, or national origin over another's;

4. mandate any person to certify or declare agreement with, recognition of, or adherence to, any particular political, philosophical, religious, or other ideological viewpoint;

5. mandate any applicant for employment provide a diversity, equity, and inclusion statement or give any applicant for employment preferential consideration based on the provision of such a diversity, equity, and inclusion statement; or

6. mandate any person to disclose their pronouns.

Further, executive state agencies, including institutions of higher education, shall initiate a review of diversity, equity, and inclusion positions, departments, activities, procedures, and programs and, if deemed necessary, restructure and/or eliminate functions that are not necessary for compliance, accreditation, or student and employee support services intended to support success broadly.

Notwithstanding the limitations and mandates set forth above, nothing in this Executive Order may be construed to limit or prohibit institutions of higher education, including executive state agencies supporting those institutions' work, from applying for a grant or complying with the accreditation requirements by an accrediting or licensing agency, including, but not limited to, submitting to the grantor or accreditation agency a statement that:

1. highlights the agency's work in supporting:

- a. first-generation college students, or
- b. students from low-income families, or
- c. students with unique abilities, or
- d. underserved student populations; or

2. certifies compliance with applicable anti-discrimination laws, rules, and regulations.

Furthermore, this Executive Order shall not be construed to apply to institutions of higher education with respect to the following:

1. a policy, practice, procedure, program, class, or activity required for compliance with state or federal laws, rules, or regulations for obtaining or retaining institutional, academic, or discipline-specific accreditation or licensure;

2. academic course instruction; *i.e.*, the academic freedom of any individual faculty member to direct the instruction within his or her own course;
3. scholarly research or creative work by an institution of higher education's students, faculty, or other research personnel, or the dissemination of that research or work;
4. an activity of a student organization registered with or recognized by an institution of higher education;
5. guest speakers or performances on short-term engagements;
6. academic support, tutoring, and career services and student success centers, so long as the programming is designed and implemented without regard to race, sex, color, national origin, or ethnicity;
7. data collection; or
8. access programs for military, veterans, Pell Grant recipients, first generation college students, students from low-income families, students with unique abilities, or underserved student populations.

Executive state agencies shall become fully compliant with this Executive Order as soon as practicable, but in no event later than May 31, 2024. Prior to that date, all executive state agencies, including institutions of higher education, shall provide, through their senior administrative officials, a certificate of compliance to the Governor, the Speaker of the House, and the President Pro Tempore. In addition to the certificate of compliance, executive state agencies shall submit a report to the Governor, the Speaker of the House, and the President Pro Tempore. The report, which shall be submitted no later than May 31, 2024, shall include a description of the diversity, equity, and inclusion positions, departments, activities, procedures, and programs then in existence and identify what functions, if any, were restructured and/or eliminated after the issuance of this Executive Order. The Secretary of Education shall compile a list of those agencies that fail to comply with this Executive Order and transmit the list to the appropriations, budget, and finance committees with jurisdiction over agency appropriations no later than September 1, 2024.

Nothing in this Executive Order should be construed to prohibit the promotion of civil discourse and debate or speech that is protected by the First Amendment to the U.S. Constitution. On the contrary, civil discourse, viewpoint diversity, intellectual rigor, and evidence-based approaches to history and education and merit-based considerations in employment should be encouraged rather than unconstitutional preferential treatment.

WHEREAS, the United States Supreme Court's ruling in *McGirt v. Oklahoma* caused uncertainty and continues to wreak havoc in nearly half of the State of Oklahoma; and

WHEREAS, the Supreme Court remedied some of the uncertainty in *Oklahoma v. Castro-Huerta*; and

WHEREAS, while the Oklahoma Court of Criminal Appeals has repeatedly acknowledged and done its part to ameliorate the post-*McGirt* and its' progeny havoc, it is clear that the impacts of *McGirt* are still being realized; and

WHEREAS, after a dispute concerning whether the Creek Nation Light Horse could book a suspect at Okmulgee County Jail, Creek Nation Light Horse surrounded the jail and attempted to arrest a detention officer they said assaulted a Light Horse officer. The lack of clarity about the authority that each law enforcement entity possesses, along with heightened tensions, creates the perfect storm for a dangerous escalation. It is essential that Oklahomans know what law enforcement entity has jurisdiction and that respective law enforcement entities know where their authority begins and ends. It is incumbent upon state and tribal leaders to come to an agreement for the safety of our law enforcement officers and the citizens they protect; and

WHEREAS, the future remains uncertain as the potential for cost and conflict around jurisdiction boundaries continues. While Congress has remained silent as to these issues, the current patchwork attempts to resolve problems through non-uniform cross-deputization and jail agreements have been, and continue to be, elusive; and

WHEREAS, the need for uniform agreements has never been clearer. Uniform agreements must address ambiguity in areas of liability,

immunity waivers, and jurisdictional authority. Law enforcement experts, tribal representatives, and legislative leaders must come together to discuss and recommend uniform, lasting change.

THEREFORE, I, J. Kevin Stitt, Governor of the State of Oklahoma pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent permitted by law, hereby order as follows:

A. There is hereby created the Oklahoma Organized Retail Crime Task Force until December 31, 2024. The purpose of the task force shall be to provide the Governor, the Legislature, law enforcement officers, and Tribal leaders with uniform cross-deputization agreements, jail agreements, and state and federal legislative action.

B. The task force shall consist of ten (10) members as follows:

1. The Governor or designee;
2. The Speaker of the Oklahoma House of Representatives or designee;
3. The President Pro Tempore of the Oklahoma Senate or designee;
4. The Attorney General or designee;
5. One member appointed by the District Attorneys Council;
6. One member appointed by the Okmulgee County jail trust;
7. One member appointed by the Office of Juvenile Affairs;
8. One member appointed by the Tulsa County Sheriff's Office;
9. One member appointed by the Oklahoma Highway Patrol;
10. One member appointed from each *McGirt* affected tribes' law enforcement;

C. Quorum for official business of the task force shall be eight members. A chairperson and a vice chairperson shall be elected by a majority vote of the members of the task force.

D. Appointments to the task force shall be made by the appointing authority no later than sixty (60) days after the effective date of this act. Appointed members shall, to the greatest extent

practicable, have by education or experience, knowledge of State-Tribal law enforcement relations. The chair shall hold the first meeting of the task force no later than ninety (90) days after the effective date of this act. Any vacancies in the membership of the task force shall be filled in the same manner provided for in the initial appointment.

E. The members of the task force shall receive no compensation but shall receive travel reimbursement for necessary travel expenses incurred in the performance of their duties in accordance with the State Travel Reimbursement Act. The task force shall be staffed by the Office of Management and Enterprise Services.

F. The task force may consult with any organization, government entity, or person in the development of its recommendations required pursuant to the provisions of subsection G of this section.

G. On or before December 15, 2024, the task force shall electronically submit to the Governor, the President Pro Tempore of the Oklahoma State Senate, the Oklahoma Speaker of the House of Representatives, and the chairs of the House and Senate committees that oversee public safety, the Oklahoma Congressional delegation, a recommendation containing, but not limited to, the following information based on available data:

1. Updated, uniform-cross-deputization agreements.
2. Updated, uniform-jail agreements.
3. Whether state and/or federal
