"Program coordinator" means a person employed by a DDS residential or group home contract provider agency who supervises, coordinates, and monitors the contract agency's service provision to a service recipient.

"Program manager" means a person employed by a DDS employment contract provider agency who supervises, coordinates, and monitors the contract agency's service provision to a service recipient.

"Psychotropic medication" means a pharmacological drug used to treat a mental disorder, or any drug prescribed to stabilize or improve mood, mental status, or behavior.

"Punishment" means the intentional application of something undesirable or unpleasant, or the removal of something desirable or pleasant, in response to a behavior deemed unacceptable.

"Punitive" means inflicting or involving punishment.

"QIDP" means a qualified ID professional who meets ICF/IID regulations per Section 483.430 of Title 42 of the Code of Federal Regulations (42 C.F.R. § 483.430). A QIDP must have a baccalaureate degree in a human services field, in addition to one year of experience serving persons with ID.

"Related condition" means a severe chronic disability, per 42 C.F.R. § 435.1010 that:

(A) is attributable to:

(i) cerebral palsy;

(ii) epilepsy; or

(iii) other condition except mental illness (MI) that is closely related to ID as it results in impairment of general intellectual functioning or adaptive

behavior similar to that of persons with ID and requires treatment or services similar to those required for persons with ID;

(B) is manifested before the person reaches 22 years of age;

(C) is likely to continue indefinitely; and

(D) results in substantial functional limitations in three or more major life activity areas, including:

(i) self-care;

(ii) understanding and use of language;

(iii) learning;

(iv) mobility;

(v) self-direction; and

(vi) independent living.

"Response cost procedure" means the removal of a reinforcer the individual values as a consequence of a behavior with the intent of reducing the frequency of the behavior.

"Restrictive procedure" or **"restriction"** means a procedure that results in limiting the service recipient's rights, per OAC 340:100-5-57 and OAC 340:100-5-58 and includes:

(A) limiting communication or association with others;

(B) any limitation of access to:

(i) leisure activities;

(ii) the service recipient's own money, personal property, or items purchased with the individual's money; and

(iii) food or beverages;

(C) any movement limitation at home or in the community;

(D) visual or electronic supervision during times or places that would otherwise be considered private; or

(E) the use of a response cost procedure.

"Sheltered employment" means a service that:

(A) assists service recipients toward achieving their vocational potential through a controlled work environment;

(B) provides worker reimbursement in accordance with individual production and Fair Labor Standards Act (FLSA); and

(C) includes assessment, training, and transitional programming leading to community job placements.

"Sheltered workshop" means a facility that contracts with DDS to provide employment training and sheltered employment services for workers with disabilities.

"Short-term resident" means any resident with ID or related conditions who resided in a nursing facility for less than 30 months prior to the first PASRR disposition date.

"Specialized services" means individualized services specified in PASRR evaluations DDS completes that, combined with services the nursing facility or other service providers provide, results in a treatment regimen leading to continued and ongoing independence enhancement.

"Supplemental Security Income (SSI)" means a federal income subsidy program administered by the Social Security Administration.

"Supported employment" means competitive work in an integrated work setting with ongoing support services for service recipients with severe disabilities for whom competitive employment has not traditionally occurred or has been interrupted or intermittent as a result of severe disabilities.

"Terminal illness" means, as certified by a physician, a person with a medical prognosis of life expectancy of six months or less, when the illness runs its natural course.

"Transition" means a service recipient's planned movement from one service setting to another, occurring as a result of a Team recommendation and the service recipient's informed consent.

"Treatment team for specialized services" means the team whose purpose is to develop a prescribed plan of specialized services for each service recipient. The team:

- (A) is composed of the service recipient, guardian or advocate, nursing home representative, and other professionals and paraprofessionals as needed to develop a comprehensive service plan; and
- (B) may include a psychologist, physical therapist, speech pathologist, physician, and nurse's aide among others.

"Vocational assessment" means the employment service evaluation, whether standardized procedures are employed, that:

- (A) identifies the service recipient's unique preferences, strengths, and needs;
- (B) evaluates work skills and work behaviors;
- (C) is supplemented by personal interviews and behavioral observations; and
- (D) incorporates information that addresses the service recipient's:
 - (i) medical;
 - (ii) physical;
 - (iii) psychological;
 - (iv) social;
 - (v) cultural;
 - (vi) educational goals and objectives; and
 - (vii) present and future employment options.

"Volunteer guardian" means a person unrelated to the service recipient who:

- (A) serves as guardian for the service recipient and is trained and certified by the volunteer guardianship agency; and
- (B) is appointed by and responsible to the court to ensure essential requirements for the health and safety of the service recipient are met.

"Ward" means a person who has a court-appointed guardian.

340:100-1-3. Legal base [REVOKED]

[Source: Amended at 11 Ok Reg 177, eff 10-11-93 (emergency); Amended at 11 Ok Reg 2303, eff 5-26-94 ; Revoked at 40 Ok Reg 1005, eff 9-15-23]

340:100-1-3.1. Mission statement and guiding principles

(a) The mission of the Developmental Disabilities Services Division (DDSD) is to design and operate a service system centered around the needs and preferences of citizens with developmental disabilities by:

- (1) enabling persons with developmental disabilities to lead healthy, independent, and productive lives to the fullest extent possible;
- (2) promoting the full exercise of their rights as citizens of their communities, state, and country; and
- (3) promoting the integrity and well-being of their families.

(b) To support implementation of the mission statement appearing in subsection (a), the policies and practices of DDSD staff and providers are directed by the guiding principles in this subsection.

(1) **Independence.** We help people fulfill their personal goals, needs, and desires with as little intrusion from paid workers as possible.

(A) People exercise control over their own lives to the fullest extent possible.

(B) Supports are authorized for essential needs.

(C) Supports enhance the self-sufficiency of families caring for children or adults with developmental disabilities.

(D) Adults are, to the fullest extent possible, supported in integrated jobs where they are fully involved with their coworkers and responsible to their employer for the work they do.

(E) Independence is maximized through assistive technology.

(2) **Dignity.** We respect the status of people we serve as citizens, coworkers, neighbors, and friends.

(A) Interactions with people are based on respect.

(B) People we serve exercise the same rights and responsibilities as other citizens.

(C) Supports are authorized on the basis of need and individual preference.

(D) People are not discriminated against because of their disability.

(E) People are not grouped by disabilities or segregated because of them.

(F) The resources of people are protected.

(G) Senior adults are supported in preferred activities typically experienced after retirement.

(3) **Privacy.** We honor each person's right, need, and desire for privacy.

(A) The confidentiality of each person is protected.

(B) People are ensured privacy in written, verbal or personal communications.

(C) People spend time alone or with friends when they wish.

(4) **Individualization.** We recognize and respond to the unique qualities, circumstances, and aspirations of each person.

(A) Services and interactions enhance the self image and esteem of each person we serve.

(B) Each person's strengths, talents, and interests guide the provision of supports and services.

(C) People are encouraged to explore leisure pursuits that reflect personal interests and promote friendships with persons who do not have disabilities.

(5) **Choice.** We encourage people to make choices about their daily lives and services.

(A) People we serve and their guardians are the primary decision makers regarding issues affecting their lives.

(B) To the extent possible, people select their home and roommate(s).

(C) People are provided information about the possible results of their choices.

(D) Friends and advocates help people to make decisions when necessary.

(E) The assistance of a guardian is secured when a court determines that an individual lacks the capacity to make decisions essential to maintenance of health or resources.

(6) **Health.** We promote the health of individuals receiving services.

(A) People are assisted to understand their health needs and to secure treatment.

(B) The health needs of each person are met by appropriately licensed or certified community practitioners.

(C) Advocates and friends help to secure desired health services that are not available through private or public insurance.

(7) **Safety.** We promote the safety of people in all aspects of service delivery.

(A) People we serve are free from abuse, neglect, and exploitation.

(B) People providing supports display skills requisite to their responsibilities.

(C) Safety issues are always considered during the development, implementation, and evaluation of supports.

(D) People are protected from significant risk as a result of their choices.

- (E) People live in safe homes.
- (8) **Learning.** We support each person's ability to develop relationships and to participate in personally meaningful activities.
 - (A) Functional communication is a primary consideration in planning for and delivering supports.
 - (B) Safety, security, and respect are the basis of learning and teaching relationships.
 - (C) People are supported to gain independence and personal fulfillment while learning decision-making skills.
 - (D) Potential issues with health, relationships, and environment are explored and addressed prior to the implementation of restrictive services.
 - (E) Supports which address challenging behaviors:
 - (i) are positive;
 - (ii) use the least restrictive appropriate approach;
 - (iii) are designed and implemented with the participation and consent of the individual and guardian; and
 - (iv) focus on establishing bonds of companionship, trust, safety, and security between the person and those providing support.
- (9) **Family.** We encourage each individual's development and maintenance of caring relationships.
 - (A) Children live with families.
 - (B) The lives of adults include their families to the extent adults desire.
 - (C) Services support the stability and well being of families formed by adults.
 - (D) Adults are encouraged to develop bonds with significant others.
- (10) **Inclusion.** We support the integration of all people with developmental disabilities within their communities.
 - (A) Communities are encouraged to eliminate obstacles to the full inclusion of citizens with disabilities.
 - (B) People with disabilities use the same community resources as people who do not have disabilities.
 - (C) People contribute to and benefit from the enrichment of their communities through volunteer activities and membership in civic organizations.

SUBCHAPTER 3. ADMINISTRATION

PART 1. GENERAL ADMINISTRATION

340:100-3-1. Eligibility determination for Developmental Disabilities Services state-funded services

Developmental Disabilities Services (DDS) services are state-funded without federal subsidy and available to persons meeting eligibility requirements.

- (1) To be eligible for state-funded DDS services a person must:
 - (A) present a psychological assessment with a diagnosis of intellectual disability (ID) that includes a full scale intelligence quotient (IQ) of 75 or less; or
 - (B) be determined disabled, with a diagnosis of ID, by the Social Security Administration;
 - (C) be a resident of Oklahoma; and
 - (D) have achieved an age defined within the provisions of each state-funded program per Oklahoma Administrative Code (OAC) 340:100.
- (2) Persons approved for DDS state-funded services prior to January 1, 1990, maintain their eligibility for services.
- (3) Members of the Homeward Bound class, who are not eligible for services through Home and Community-Based Services (HCBS) Waivers because they do not meet the intermediate care facility for individuals with intellectual disabilities (ICF/IID) level of care, receive state-funded services.
- (4) Members of the Homeward Bound class who are not eligible for services through the HCBS Waiver because they do not meet financial eligibility requirements must resolve financial eligibility issues within a 90-calendar day period. Members may continue to receive services included in their plan of care with state funding for a maximum 90-calendar day period while resolving financial eligibility issues. If issues are not resolved, the member may receive state-funded services available to non-Medicaid eligible persons including group homes, assisted living services without supports, community integrated employment services, and sheltered workshop services. The member may also receive such other services as the member may choose to purchase. The member is not eligible for other Medicaid services until eligibility issues are resolved. Case management is provided.
- (5) Per Section 1414 of Title 10 of the Oklahoma Statutes, the Oklahoma Department of Human Services Director may authorize delivery of services to persons whose capacities exceed criteria per this Section.
- (6) Eligibility for the Family Support Assistance Payment Program is in accordance with OAC 340:100-13-1.

340:100-3-1.1. Competency [REVOKED]

[Source: Added at 18 Ok Reg 681, eff 1-10-01 (emergency); Added at 18 Ok Reg 1254, eff 5-11-01]

340:100-3-1.2. Rights

The Developmental Disabilities Services Division, in accordance with the mission statement and guiding principles given at OAC 340:100-1-3.1, promotes the full exercise of rights by persons served as citizens of their communities, state, and country.

- (1) Each person receiving services has the right to:
 - (A) manage, be taught to manage, have assistance in managing financial affairs, and have access to all financial records regarding the person's funds;
 - (B) submit recommendations and complaints about services and policies without fear of reprisal, interference, or discrimination;
 - (C) be given information regarding the advantages and disadvantages of available services;
 - (D) be informed of the reasons for decisions regarding plans for enrollment, services, service termination, transfer, relocation, or denial of services;
 - (E) receive information and review records about the individual's evaluations, assessments, and services;
 - (F) know the name and qualifications of any person or agency providing services to the individual;
 - (G) choose among available service providers;
 - (H) receive visitors without prior notice to the provider unless restricted by the individual's Plan or the rights of other individuals;
 - (I) privacy and confidentiality in all matters;
 - (J) participate in religious activities of choice or to abstain from the practice of religion;
 - (K) freedom from restraints;
 - (L) be protected from abuse, exploitation, and neglect;
 - (M) a safe, humane, living environment;
 - (N) participate in decisions regarding the person's living environment including location, furnishings, other individuals residing in the home, and moves to other locations;
 - (O) be treated with dignity and respect;
 - (P) participate in social, recreational, and other community activities;
 - (Q) be informed of, and agree in writing to, any charges assessed by the provider against the individual's personal funds and the purposes of those charges;
 - (R) positive approaches in all services received; and

(S) due process in accordance with rules specific to the service(s) received.

(2) If the service recipient is a minor or has been adjudicated incapacitated, the legal guardian or the parent of the minor child exercises the rights in this Section on behalf of the person, as authorized by the order of appointment.

(3) The case manager informs and documents that each individual receiving services and his or her legal guardian or personal advocate is informed of the rights in this Section. Other persons are informed of the rights of an individual receiving services upon request.

(4) The Individual Plan documents any supports necessary to assist the person to exercise his or her rights.

[Source: Revoked at 40 Ok Reg 1005, eff 9-15-23]

340:100-3-4. Service recipient personal funds

(a) **General information.** Each service recipient receiving services from Developmental Disabilities Services (DDS) is ensured access to his or her personal funds.

(1) Personal funds include income from all sources, earned or unearned, and assets.

(A) Income is money received in the current month.

(B) Any income not used to meet the service recipient's needs during the current month is a resource or asset of the service recipient in the following month(s).

(2) Services do not include the provision of room and board or personal spending. Each service recipient is responsible for meeting his or her room and board and personal spending needs including, but not limited to:

(A) healthcare;

(B) medications and co-pays not provided by Medicare, Medicaid (SoonerCare) or other health insurance;

(C) legal fees;

(D) vacation costs;

(E) recreation and social expenses;

(F) educational expenses;

(G) clothing; and

(H) furniture or household items.

(3) After the service recipient's day-to-day needs for food and shelter are met, personal funds may be used for the service

recipient's needs, such as recreation, clothing, and other expenses. The provider agency staff and DDS Personal Support Team (Team) members work with the service recipient to ensure all needs are met.

(b) Prohibited transactions.

(1) Provider agency and DDS employees are prohibited from engaging in any financial transaction with a service recipient, including:

(A) giving gifts to a service recipient with a cumulative annual value of more than \$100;

(B) accepting gifts from a service recipient with a cumulative annual value of more than \$20;

(C) selling, purchasing, leasing, or trading any item except:

(i) as part of an established business in which fair market value is received; or

(ii) when approved in advance and in writing by the Team;

(D) borrowing personal funds or any item of value from the service recipient; and

(E) loaning funds to a service recipient, except:

(i) small amounts, such as money for a meal or a recreational activity, for periods of time less than 24 hours; or

(ii) as part of a program authorized in advance and in writing by the Team.

(2) Except for client trust accounts managed, per Oklahoma Administrative Code(OAC) 340:2-11-86, DDS employees are prohibited from assisting service recipients in conducting financial transactions or being listed on a service recipient's bank account; although case managers may monitor service recipient expenditures through financial record reviews.

(c) Living expenses. The provider agency:

(1) may lend funds to a service recipient to cover the service recipient's living expenses in expectation that funds will be available in the future enabling the service recipient to repay the loan; and

(2) must submit ongoing written reports to the Team regarding the status of the service recipient's financial condition of the loan and repayment.

(d) Protection of personal funds.

(1) Per OAC 340:100-3-1.2 each service recipient, when not in conflict with a guardianship order or representative payee agreement, has the right to:

(A) manage his or her financial affairs;

(B) be taught to manage his or her financial affairs;

(C) receive assistance in managing his or her financial affairs; and

(D) access all financial records regarding his or her personal funds.

(2) When a provider agency serves as representative payee, or when provider agency staff provides assistance in managing, or have access to personal funds for service recipients receiving community residential supports or group home services:

(A) the provider agency retains, safeguards, and accounts for the service recipient's personal funds when determined necessary by the service recipient's Team and as authorized by the service recipient, applicable guardian, or when the provider agency is the representative payee; and

(B) spending programs may be implemented on an individual basis, provided they are requested by the service recipient, guardian, or parent of a minor service recipient and reviewed by the service recipient's Team. A portion of the service recipient's funds may be designated for personal use when the exact amount of the spending program is documented in the service recipient's Individual Plan (Plan). A spending program consists of a fixed amount of money regularly given to the service recipient to spend as he or she chooses.

(3) Provider agency staff who have access to, or assist the service recipient with personal funds, ensures:

(A) the service recipient's personal funds are not commingled with provider agency funds;

(B) a separate financial record is maintained for each service recipient including receipts for all expenditures that are:

(i) more than \$5; and

(ii) made with provider agency staff involvement;

(C) a written accounting of the service recipient's personal funds is maintained;

(D) a summary of financial transactions is available to the service recipient, guardian, DDS case manager, and the Office of Client Advocacy (OCA) advocate, when involved:

(i) monthly; and

(ii) when the service recipient ceases receiving service from the provider agency;

(E) copies of the written accounting and summary of financial transactions are provided to the service recipient, guardian, case manager upon request, and OCA advocate when involved;

(F) the service recipient's personal funds account is reconciled at least monthly by provider agency staff who does not have authority to disburse funds from, or responsibility to, deposit funds to the account;

(G) documentation is maintained to support all transactions involving the service recipient's personal funds that are not independently controlled by the service recipient;

(H) the service recipient's income is deposited to the service recipient's personal account within seven-calendar

days of receipt;

(I) when the service recipient's income is held in an interest bearing account, the interest accrues to the service recipient;

(J) any personal cash not in the service recipient's possession is properly protected against theft;

(K) the service recipient receives requested funds within one banking day of request;

(L) the service recipient, minor service recipient's parent, guardian, or representative payee, as applicable, and DDS case manager are advised of eligibility requirements when the service recipient's account accumulates \$1100; unless the Plan includes specific provisions to maintain Medicaid (SoonerCare) eligibility;

(M) the service recipient's personal funds are not used to supplement service rates or to purchase items that are part of the services that the service recipient is currently authorized to receive;

(N) prior to receiving services from a provider agency, a written agreement is executed between the service recipient or guardian as applicable, and provider agency. Copies of the agreement are provided to each party and filed in the service recipient's record. The agreement includes the:

- (i) provider agency's responsibilities to the service recipient in handling his or her personal funds;
- (ii) service recipient's fiscal responsibilities; and
- (iii) services for which the service recipient's personal funds must be used;

(O) all requested financial information necessary for the maintenance of the service recipient's financial eligibility is provided in a timely manner to Oklahoma Human Services and the Social Security Administration;

(P) the service recipient receives choices in the selection of stores for the purchase of food, clothing, and personal items; and

(Q) except for minor repairs, the service recipient's personal funds are not used to make permanent modifications to a home not owned by the service recipient.

(4) For service recipients not receiving community residential supports or group home services that do not meet the criteria established in (2) of this subsection; the Team discusses and documents the party responsible for maintaining and planning for continued participation in Medicaid (SoonerCare) and other benefit programs for which the service recipient is eligible.

(5) Allegations of exploitation must be reported in accordance with OAC 340:2-3-33. When a provider agency is a service recipient's representative payee, it must fulfill its duties per applicable federal regulations defining those duties.

(e) **Team planning and assistance to manage personal funds.** The Team may limit, but not totally deny a service recipient without a guardian access to or use of his or her personal funds only when a determination is made, per OAC 340:100-3-4, when the limitation is essential to prevent the service recipient from unreasonably or significantly dissipating his or her personal funds.

(1) The Team follows rules, per OAC 340:100-3-1.2.

(2) Justification for limiting access to and use of personal funds is documented in the service recipient's Plan. The Team develops a Plan to remove the restriction and includes specific dates to review the Plan.

(3) The Team ensures the service recipient is afforded due process prior to implementation of any financial restrictions.

(4) When determining whether to limit a service recipient's access to personal funds, the Team addresses if the service recipient:

(A) recognizes currency, coins, and values of such;

(B) does not lose money regularly;

(C) does not leave money unattended;

(D) does not give money away;

(E) has the ability to make change or knows when to wait for change;

(F) shows responsible behavior regarding his or her money, such as paying bills on time, writing checks only when he or she has sufficient funds, or saving or planning for special items;

(G) understands his or her responsibility to pay room and board expenses; and

(H) understands budgeting so money will last all month.

(f) **Payee responsibilities.** In addition to the requirements of OAC 340:100-3-4, persons or organizations serving as representative payee for a service recipient's personal funds are responsible for obtaining a copy of the dispersing agency's regulations regarding representative payee responsibilities and adhering to the dispersing agency's requirements.

(1) The service recipient, guardian, or representative payee is responsible for paying for room and board from the service recipient's income.

(2) A provider agency serving as payee uses direct deposit of benefits, when available.

[Source: Amended at 8 Ok Reg 2163, eff 5-13-91 (emergency); Amended at 9 Ok Reg 1549, eff 4-27-92 ; Amended at 23 Ok Reg 1026, eff 5-11-06 ; Amended at 26 Ok Reg 922, eff 5-15-09 ; Amended at 27 Ok Reg 838, eff 7-1-10 ; Amended at 29 Ok Reg 822, eff 7-1-12 ; Amended at 38 Ok Reg 2317, eff 9-15-21]

340:100-3-4.1. Consumers' Personal Funds managed by contract residential providers [REVOKED]

[Source: Added at 13 Ok Reg 993, eff 8-3-95 (emergency); Added at 13 Ok Reg 2659, eff 6-28-96 ; Revoked at 23 Ok Reg 1026, eff 5-11-06]

340:100-3-5. Advocacy and guardianship

(a) **Purpose.** Developmental Disabilities Services (DDS) supports each service recipient's right to self-determination.

(1) An advocate assists service recipients to represent his or her own interests.

(2) Although a service recipient may have other advocates, only a guardian may act on behalf of his or her ward, per Oklahoma Administrative Code (OAC) 340:100-1-2 to the extent authorized in the guardianship order and, the Oklahoma Guardianship and Conservatorship Act, per Section 1-101 et seq. of Title 30 of the Oklahoma Statutes (30 O.S. §§ 1-101 et seq.).

(3) Each guardian is:

(A) responsible for representing the interest of his or her ward as provided by Oklahoma law; and

(B) obligated to involve the ward in decision-making to the extent the ward is able.

(b) **Capacity to give informed consent.** Service recipients, 18 years of age and older, are presumed to have capacity to give informed consent except to the extent adjudicated incapacitated by the court. A service recipient:

(1) is not considered incapacitated solely by reason of his or her diagnosis;

(2) may be adjudicated incapacitated in one area while being fully capable in other areas; and

(3) has the right to exercise judgment in all areas of capacity.

(c) **Assessment of capacity to give informed consent.** Each service recipient's current need for advocacy or guardianship services is reviewed at least annually and documented in the Individual Plan (Plan).

(1) Form 06MP032E, Capacity Assessment, is:

(A) used to determine the service recipient's capacity to give informed consent and identify the type of assistance, if any, the service recipient needs to make life decisions and be protected from exploitation and maltreatment; and

(B) completed for each:

(i) adult and minor attaining the age of 17 1/2 years, who receives residential services through the Community Waiver or Homeward Bound Waiver, when recommended by his or her Personal Support Team (Team); and

(ii) child in Oklahoma Department of Human Services (OKDHS) custody who receives DDSD services upon reaching 16 years of age, per OAC 340:75-8-39; and

(iii) Robert M. Greer Center residents.

(2) The Team meets to complete Form 06MP032E. All members are notified of the meeting at least two weeks in advance and offered the opportunity to provide written input when they cannot attend.

(3) For service recipients who do not receive residential services per OAC 340:100-5-22:

(A) a capacity assessment is not required. If the family or service recipient wishes to complete a capacity

assessment, the DDS case manager completes a capacity assessment using Form 06MP032E; and
(B) a review of the service recipient's need for advocacy or guardianship must occur annually beginning at age 17½, and be addressed in the Plan. If this review indicates needs in the area of advocacy, the DDS case manager offers a capacity assessment.

(d) Assessment Team recommendations. DDS supports the use of less restrictive alternatives to guardianship.

(1) The Team recommends guardianship after they consider and rule out less restrictive alternatives to guardianship. Alternatives include, but are not limited to:

- (A) guidance and support from family or friends;
- (B) a volunteer advocate;
- (C) Plan modification to more effectively meet the service recipient's health, safety, and financial needs;
- (D) a representative payee;
- (E) limited bank accounts;
- (F) power of attorney, durable power of attorney, or durable power of attorney with health care powers;
- (G) Advance Directive for Health Care;
- (H) a trust fund; or
- (I) a conservatorship.

(2) When Form 06MP032E indicates a guardian is needed, the Team recommends an appropriate person to serve.

- (A) Priority for persons to serve as guardians is given to:
- (i) any person nominated by the service recipient, per 30 O.S. § 3-102;
 - (ii) a current guardian appointed by an appropriate court in another jurisdiction;
 - (iii) a person nominated by will or other writing of a deceased parent, spouse, or adult child who was serving as the service recipient's guardian, per 30 O.S. § 3-103;
 - (iv) a service recipient's spouse;
 - (v) a service recipient's adult child;
 - (vi) a service recipient's parent;
 - (vii) a service recipient's sibling;
 - (viii) a person the service recipient has been living with for more than six months prior to the filing of the petition for guardianship. Providers subject to the provisions of the Nursing Home Care Act, Residential Home Care Act, or Group Home for Developmentally Disabled or Physically Handicapped Persons Act is not appointed guardian of such service recipient unless the provider is the service recipient's spouse, mother, father, sibling, adult child, aunt, uncle, grandparent, or adult grandchild; or
 - (ix) other relatives of the service recipient, such as a niece, nephew, or cousin.

(B) When an appropriate relative is not available, a volunteer is sought, per OAC 340:100-3-5.1.

(e) Guardianship eligibility requirements.

(1) A guardian must:

(A) be at least 18 years of age;

(B) be a resident of Oklahoma for at least one year, except as provided in 30 O.S. § 4-104;

(C) not be under any financial obligation to the proposed ward; and

(D) disclose to the Team and court any potential conflict of interest that may preclude acting in the proposed ward's best interest.

(2) An incapacitated or partially incapacitated person cannot be appointed guardian.

(3) A convicted felon cannot be appointed guardian, except upon:

(A) further review by the court into the nature of the felony; and

(B) court approval.

(f) Guardian responsibilities.

(1) The guardian:

(A) is responsible for protecting the rights of the ward, per 30 O.S. § 1-103;

(B) files the Plan for the Care and Treatment of the Ward, with the court within 10-calendar days of appointment as guardian;

(C) files Administrative Office of the Courts (AOC) Form 34, Report on the Guardianship of the Person; or AOC Form 34a, Report on the Guardianship of Property; or both, with the court. Assistance in completing these annual reports may be obtained from the DDS case manager or guardianship coordinator. The guardian may hire an attorney to prepare annual reports for a fee;

(D) has a legal duty to:

(i) know the service recipient, including awareness of his or her capabilities, needs, and physical and mental health;

(ii) maintain contact with the service recipient;

(iii) ensure the service recipient is living in the least restrictive environment that meets his or her needs;

(iv) provide necessary consents authorized by the court; and

(v) notify the court when the service recipient's incapacity ends; and

(E) has limited authority, per 30 O.S. § 3-119 and the guardianship order that sets forth the limitation of powers of a guardian, prohibiting the guardian from consenting on behalf of the ward to the withholding or withdrawal of life-sustaining procedures except with specific authorization of the court having jurisdiction over the guardianship proceedings. Authorization must be granted in a separate

court order and only when the ward is in need of life-sustaining treatment.

(2) When performing duties and exercising authority, the guardian:

(A) ensures the interests, rights, and welfare of the ward are protected;

(B) may act independently from provider agency staff and DDS staff;

(C) encourages the ward to:

(i) participate to the maximum extent possible in all decisions that affect the ward; and

(ii) act on all matters in which the ward is able to do so within the limitations imposed by the court; and

(D) as appropriate, assists the ward to develop or regain his or her capacity to meet the essential requirements for health or safety.

(g) **Changes in guardianship.** The ward, any person interested in the welfare of the ward, or a guardian may make application to the court for:

(1) termination of the guardianship;

(2) removal of a guardian;

(3) imposition of additional restrictions or the removal of existing restrictions; or

(4) a review hearing.

(h) **Special guardianships.** DDS assists in establishing special guardianships when consent is needed for emergency medical and dental procedures or to protect the service recipient's money, property, or assets at risk of loss or exploitation through a process to establish special guardianship.

(i) **Costs and fees.** Court costs are not charged for filing guardianship petitions and reports for persons who are applicants for, or recipients of Social Security, per 56 O.S. § 192.

[Source: Amended at 24 Ok Reg 1046, eff 5-11-07 ; Amended at 26 Ok Reg 922, eff 5-15-09 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 36 Ok Reg 1880, eff 9-16-19]

340:100-3-5.1. Volunteer guardians and advocates

(a) **Purpose.** Volunteer guardians and advocates are recommended by the Personal Support Team (Team) when service recipients have unmet advocacy needs and no appropriate relative willing to serve.

(b) **Developmental Disabilities Services (DDS) responsibilities.**

(1) When the need for a guardian is determined through the capacity assessment process, per Oklahoma Administrative Code (OAC) 340:100-3-5, the DDS case manager forwards Form 06MP032E, Capacity Assessment, with a recommendation for a volunteer guardian to the DDS case management supervisor. When volunteer guardianship is recommended, documentation of attempts made to locate an eligible guardian, per OAC 340:100-3-5 must be included.

(2) The DDS case management supervisor reviews the documents, and when approved, forwards the documents to the DDS director

or designee.

(3) The DDS director or designee reviews Form 06MP032E and, when approved, issues a voucher to the volunteer.

(c) **Volunteer guardianship eligibility requirements.** In addition to requirements, per OAC 340:100-3-5, eligibility criteria for volunteer guardians listed in (1) through (6) of this subsection apply.

(1) A corporate officer, member of the board of directors, owner, operator, administrator, or employee of a facility subject to provisions of Section 1-1901 et seq. of Title 63 of the Oklahoma Statutes (63 O.S. §§ 1-1901 et seq.) or 10 O.S. §§ 1430.1 et seq., or other DDS providers are ineligible to be appointed volunteer guardian of a person receiving services from that provider.

(A) An immediate family member, such as a wife, husband, brother, sister, biological or adoptive child, biological or adoptive parent, stepparent, stepchild, adult biological or stepchild, of an ineligible person cannot serve as a volunteer guardian.

(B) An extended family member, such as a parent-in-law, grandchild, grandparent, brother-in-law, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, or first cousin, of an ineligible person cannot serve as a volunteer guardian when there is evidence that financial interdependence exists.

(2) DDS employees cannot serve as volunteer guardians.

(A) An immediate family member, including a wife, husband, brother, sister, biological or adoptive child, biological or adoptive parent, stepparent, stepchild, adult biological or stepchild, of the DDS employee cannot serve as a volunteer guardian.

(B) An extended family member, including a parent-in-law, grandchild, grandparent, stepchild, brother-in-law, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, or first cousin, of the DDS employee cannot serve as a volunteer.

(3) Any exceptions to the selection of a volunteer guardian, per OAC 340:100-3-5.1(c)(1) and (2) must be approved by the DDS programs manager for guardianship.

(4) Employees of Oklahoma Department of Human Services (DHS) cannot serve as volunteer guardians for Robert M. Greer Center residents, per 10 O.S. § 1415.

(5) Potential guardians must:

(A) consent to a background check, per OAC 340:100-3-39 and a DHS Community Services Worker Registry check;

(B) be willing and able to fulfill guardian responsibilities;

(C) be certified by DDS; and

(D) be approved by the Team.

(6) A volunteer guardian:

(A) supports philosophies and values consistent with the DDS mission statement, per OAC 340:100-1-3.1; and

(B) may not act as a volunteer guardian for more than two service recipients unless approved in advance, and in

writing, by the DDS programs manager for guardianship.

(d) **Volunteer guardian responsibilities.** Volunteer guardian responsibilities are outlined, per OAC 340:100-3-5.

(e) **Volunteer guardian and advocate eligibility requirements.** DDS supports the recruitment of volunteers from outside of the service-delivery system to avoid conflicts of interest.

(1) Non-DHS employees, contract providers, and employees of contract providers may serve as volunteer advocates, when:

(A) an ongoing relationship exists with the service recipient;

(B) they are not providing direct services to the service recipient and are not employed by a provider agency or DHS program that provides services to the service recipient; and

(C) they serve as a volunteer advocate or guardian for no more than two service recipients.

(2) DDS employees may not serve as volunteer advocates.

(3) Any exceptions to the selection of a volunteer advocate, per OAC 340:100-3-5.1 must be approved in advance and in writing by the DDS director or designee.

(4) The appointment of a volunteer advocate is made by Team agreement and is documented in the Individual Plan (Plan).

(f) **Volunteer advocate responsibilities.** A volunteer advocate assists the service recipient in making decisions, and supports the service recipient in preserving his or her rights and obtaining necessary services. Such supports may include:

(1) reviewing the quality of services provided to the service recipient;

(2) attending the Plan meeting or other meeting(s);

(3) assisting the service recipient with financial decisions;

(4) accompanying the service recipient to medical appointments;

or

(5) assisting the service recipient in completing applications.

(g) **Volunteer guardian and advocate monitoring.** Volunteer guardian and advocate monitoring is provided by DDS guardianship staff.

(h) **Volunteer guardian and advocate training requirements.**

Volunteers must participate in training regarding understanding and defining advocacy, developing effective advocacy skills, working effectively with service recipients and Teams, community inclusion, Oklahoma's service delivery system, and confidentiality. Volunteer guardians must participate in additional training regarding guardianship responsibilities, duties, and limitations.

(1) Training is provided by DDS at no cost to the volunteer.

(2) Volunteers receive orientation from the volunteer guardianship agency regarding applicable DHS rules and procedures.

(3) Volunteer guardians proceed with knowledge they are not covered by 51 O.S. § 151 et seq., The Governmental Tort Claims Act, as they are not authorized to act on behalf of DHS, nor can they be so authorized without creating a conflict of interest in their roles as guardians.

340:100-3-5.2. Guardianship Voucher Program

(a) **Scope and applicability.** Section 1415 of Title 10 and Section 228 of Title 56 of the Oklahoma Statutes, establishes the requirements for Oklahoma Human Services (OKDHS) to pay for legal fees associated with guardianship proceedings for persons, who:

- (1) are members of the Homeward Bound class;
- (2) receive Developmental Disabilities Services (DDS) Home and Community-Based Services Waiver services and are determined by the DDS director or designee to need guardianship due to imminent risk to health, safety, or finances; or
- (3) are Robert M. Greer Center residents and are determined by the DDS director or designee to need guardianship due to imminent risk to health, safety, or finances.

(b) **Payment.** Payment for legal services is contingent upon resource availability and does not exceed the rate defined in the OKDHS Appendix D-26, Developmental Disabilities Services Rates Schedule. Priority for funding is for groups in the order identified by (a) of this Section.

(c) **Participation.** Participation in the Guardianship Voucher Program extends only to service recipients determined, per Oklahoma Administrative Code (OAC) 340:100-3-5, to need a service listed in (d) of this Section.

(d) **Services.** Payment may be made for legal services necessary to:

- (1) establish guardianship;
- (2) replace, change, or add a guardian;
- (3) appoint a successor guardian;
- (4) alter the terms or level of an established guardianship; or
- (5) restore the ward's capacity.

(e) **Subsequent services.** The DDS director or designee may approve requests for payment for subsequent legal services related to the guardianship of the same service recipient.

(f) **Eligibility.** The guardian or potential guardian applying for a voucher must be:

- (1) a service recipient's relative or a volunteer, per OAC 340:100-3-5.1; and
- (2) recommended by the DDS Personal Support Team.

(g) **Financial eligibility.**

- (1) Approved prospective volunteer guardians are exempt from financial eligibility requirements.
- (2) When the service recipient's spouse, mother, or father is applying to be the guardian, he or she is subject to financial eligibility requirements. To be financially eligible to receive a guardianship voucher, the applicant spouse's annual adjusted gross income or the applicant's mother's or father's household income must be \$60,000 or less.

(3) Other relatives who desire to become the service recipient's guardian are exempt from the financial eligibility criteria.

(h) Guardianship voucher application.

(1) Form 06MP030E, Guardianship Voucher Application, is available from the DDS case manager assigned to the service recipient.

(2) The applicant's spouse, mother, or father applying for the guardianship voucher must submit required income verification, per OAC 340:100-3-5.2(i).

(3) Applications are sent to the DDS director or designee.

(4) Incomplete applications are returned to applicants for correction.

(5) Guardianship voucher applications are considered in chronological order of receipt at DDS State Office, with priority given to Homeward Bound class members.

(6) The number of applications approved is determined by available funding and, eligibility, per (a) of this Section.

(i) Income verification. When the applicant is the service recipient's spouse, mother, or father, verification of annual income must be provided. Acceptable forms of verification include a signed copy of the applicant's most recent federal income tax return or documentation of all sources of income from Supplemental Security Income, Temporary Assistance for Needy Families, child support, alimony, other state or federal subsidies, or other types of income.

(j) Notification of application status. The applicant is provided written notice of approval or denial within 30-calendar days of receipt of completed Form 06MP030E at DDS State Office.

(k) Issuance and expiration of guardianship voucher. When an application for the guardianship voucher is approved, dated Form 06MP031E, Guardianship Voucher, is issued to the applicant who then seeks and retains legal counsel. Each Form 06MP031E is approved for use from the date of issuance and is valid through the printed expiration date on the voucher.

(l) Submitting voucher for payment. Upon completion of the guardianship proceedings, the attorney who provides the service submits Form 06MP031E to DDS State Office for payment. A copy of all pleadings filed, the letters of guardianship, the guardianship order, Plan for the Care and Treatment of the Ward, and an itemized bill for legal services must be attached to Form 06MP031E. Designated DDS State Office staff must receive Form 06MP031E and required documentation prior to the expiration date identified, or Form 06MP031E expires and is null and void.

(m) Fair hearing. Any person who was denied a voucher may request a hearing, per OAC 340:2-5.

340:100-3-11. Right to refuse services

DDSD clients or their legal representatives maintain the right to refuse services.

(1) Clients and their legal representatives are advised of any risks accompanying exercise of the right to refuse services.

(2) Clients or their legal representatives are advised of the option of terminating participation in a specific program or DDSD services when following extensive counseling efforts, it is documented that exercise of this right precludes the delivery of habilitation services.

(A) Documentation reveals extensive interdisciplinary team consideration of, and attempts to initiate, alternatives resolving concerns expressed by the client/legal representative.

(B) Consumers maintain the right to a Fair Hearing as provided by DHS rules and are advised of procedures for exercising this right.

(3) Appropriate legal resolutions are sought when it is determined that the exercise of the right to refuse services by an adult client, who has not been determined incapacitated to act on his/her own behalf, presents a significant risk to the individual or others, as defined by Oklahoma Statutes.

340:100-3-12. Prohibition of client abuse

Client abuse, mistreatment, neglect, or exploitation is prohibited.

- (1) When client abuse, mistreatment, neglect or exploitation is substantiated, appropriate disciplinary action, including termination, is taken per OAC 340:2-3.
- (2) Any employee/provider witnessing and failing to report to the appropriate authority an act of abuse, neglect mistreatment, or exploitation on the part of another employee is subject to appropriate disciplinary action.
- (3) All Department employees/contract providers shall abide by the strictest standards of professional, ethical, and moral conduct when dealing with client.

340:100-3-14. Statewide Human Rights and Behavior Review Committee (SHRBRC)

(a) **Purpose.** Review and approval is required prior to the use of a restrictive or intrusive procedure except in emergencies per Oklahoma Administrative Code (OAC) 340:100-5-57. The Statewide (SHRBRC) is established to review each restrictive or intrusive procedure included in a behavioral, protective intervention protocol to ensure compliance with Development Disabilities Services (DDS) policy on the use of restrictive or intrusive procedures per OAC 340:100-5-57.

- (1) The Personal Support Team (Team):
 - (A) ensures the protective intervention protocol complies with requirements per OAC 340:100-5-57;
 - (B) documents review, revision, and approval of the protective intervention protocol; and
 - (C) ensures the service recipient or his or her guardian participates in the development of the protective intervention protocol and provides written informed consent for protocol implementation.
- (2) The case manager submits a protective intervention protocol containing restrictive or intrusive procedures to the SHRBRC for review per this Section.
- (3) The SHRBRC ensures:
 - (A) each protective intervention protocol complies with requirements per OAC 340:100-5-57;
 - (B) each protective intervention protocol focuses on:
 - (i) person-centered principles and positive procedures;

- (ii) education to maximize the individual's growth and skill development in areas, such as communication and choice making;
 - (iii) staff conduct; and
 - (iv) environmental and programmatic changes.
 - (C) use of each restrictive or intrusive procedure is:
 - (i) justified based on the severity and frequency of risk;
 - (ii) the least restrictive alternative and used only after less intrusive methods were determined ineffective; and
 - (iii) used only with the continued use of positive procedures.
- (4) In addition to review of protective intervention protocols containing restrictive or intrusive procedures, the SHRBRC may:
 - (A) review protective intervention protocols without restrictive or intrusive procedures when requested by a member of the Team or address relevant concerns of committee members or others; or
 - (B) identify systems issues and make recommendations as appropriate to the DDS director.
- (b) **Membership.** SHRBRC members are appointed by the DDS director.
 - (1) The committee is chaired by the DDS director of psychological and behavioral supports or his or her designee.
 - (2) Other members are appointed in writing by the DDS director for a three-year term and may be reappointed.
 - (3) The SHRBRC includes:
 - (A) at least three members with expertise in areas relating to the duties of the committee, including:
 - (i) positive behavior supports and educational methodologies;
 - (ii) issues involving client rights;
 - (iii) related medical or psychiatric issues; or
 - (iv) other qualifying experience as accepted by the DDS director. Documentation of members' additional credentials is maintained by DDS;
 - (B) at least two individuals who receive DDS services or are a family member, guardian, or advocate of an individual who receives DDS services; and
 - (C) ex-officio, non-voting members as appropriate to assist in the business of the committee. The positive support field specialist serves as a non-voting member, when present to discuss protective intervention protocols submitted by the Team.
 - (4) At least one-half of the voting committee members must be present to conduct business.
 - (5) A professional whose protective intervention protocol is the subject of review may not vote on his or her protocol approval.
 - (6) A member may not vote on an issue or recommendation when there is a professional, pecuniary, or familial conflict of interest.

(7) Members are required to protect the confidentiality of all records and information disclosed in carrying out the duties and activities of the committee.

(A) Each committee member is required to sign a confidentiality statement.

(B) Confidentiality is protected in all communications of the committee to non-members.

(c) **Documentation of SHRBRC reviews.** The SHRBRC chairperson must maintain:

(1) a record of each meeting that includes:

(A) a summary of the disposition of each protective intervention protocol reviewed;

(B) a record of attendance;

(C) the date of the meeting; and

(D) documentation of other issues discussed by the committee;

(2) a tracking system that allows for retrieval of information pertinent to:

(A) individual protective intervention protocols;

(B) protective intervention protocol authors; and

(C) types of restrictions.

(d) **Findings of the SHRBRC.** All required changes, requests for additional information, and SHRBRC recommendations are supported by a consensus of the committee.

(1) Protective intervention protocols must be modified to accommodate the required SHRBRC changes and approved per this Section prior to implementing the proposed restrictive or intrusive procedure(s).

(2) Educational supports in addition to those required by the protective intervention protocol may be recommended by the SHRBRC to assist the Team in maximizing the individual's growth and skill development. Recommended supports address specific educational needs of the individual or training needs of the support staff and are designed to reduce or eliminate the need for restrictive or intrusive procedures.

(3) Additional medical evaluation(s) may be recommended by the SHRBRC to determine if challenging behaviors are due to physical or medical conditions.

(4) When the Team is resistant to positive approaches and preventions, the SHRBRC may recommend administrative action when necessary.

(5) The SHRBRC is the final approval authority for protective intervention protocols that include restrictive or intrusive procedures.

(6) Continued use of the restrictive or intrusive procedure must be reviewed and approved annually as long as the restrictive or intrusive procedure is in place.

(e) **Notification of the Team.** The SHRBRC sends a copy of the protective intervention protocol review summary to the case manager. The review summary specifies whether the protective intervention protocol is:

- (1) approved by a consensus of the committee;
- (2) conditionally approved, with required information or changes to be provided within a SHRBRC specified time period; or
- (3) not approved, with required information or changes to be provided. The case manager convenes the Team within 10-business days of receipt of the SHRBRC review makes necessary modifications to the protective intervention protocol.

(f) **Revisions to protective intervention protocols.** Revisions to protective intervention protocols are clearly marked when resubmitted to the SHRBRC.

(1) When the information or revision requested by the SHRBRC is not provided within the SHRBRC specified time period, the restrictive or intrusive procedure contained in the protective intervention protocol is considered not approved for use.

(2) When the Team is unclear on how to meet the SHRBRC requirements, they may request technical assistance from the positive support field specialist.

(3) The SHRBRC may request an administrative inquiry per OAC 340:100-3-27.1 when it determines there are service deficiencies associated with the development of the protective intervention protocol.

(4) The Team may request a SHRBRC hearing, when presenting revisions, to further explain the direction taken in the protective intervention protocol.

(g) **The Robert M. Greer Center (Greer).** For persons served by Greer, review and approval by the center's Behavior Review Committee and HRC are required when restrictive or intrusive procedures are proposed.

[Source: Added at 20 Ok Reg 97, eff 10-16-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 33 Ok Reg 1668, eff 9-15-16]

340:100-3-15. SoonerStart [REVOKED]

[Source: Added at 22 Ok Reg 882, eff 5-12-05 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Revoked at 33 Ok Reg 1668, eff 9-15-16]

340:100-3-16. Provider enrollment

(a) **Eligible providers.** The SoonerCare Home and Community-Based Services (HCBS) Waiver programs are authorized per Section 1915(c) of the Social Security Act. All providers must have current provider agreements with the Oklahoma Health Care Authority (OHCA) to provide HCBS for persons with intellectual disabilities or related conditions.

(b) **Application.** Requests for applications to provide daily living supports, agency companion, supported living, group home, habilitation training services (HTS), homemaker, and employment services are made to the Oklahoma Department of Human Service (DHS) Developmental Disabilities Services (DDS) State Office. Applications must include a narrative describing the applicant's:

- (1) existing program, when applicable;
- (2) service and support philosophies for persons with intellectual disabilities;

(3) proposed plan for providing HCBS, in compliance with Oklahoma Administrative Code (OAC) 317:40-1-3;
(4) quality assurance program, commitment to DDS quality assurance processes, and OAC 340:100-3-27, et. seq. compliance;
and

(5) organizational summary and operational plan, including:
(A) the anticipated number of persons served in the first three months, first six months, and the first year of operation;
(B) the counties served;
(C) an organizational chart and a key personnel roster;
and
(D) evidence of the applicant's plan for compliance with the United States (U.S.) Internal Revenue Service, U.S. Worker's Compensation, U.S. Department of Labor, U.S. Occupational Safety and Health Administration, U.S. Drug-Free Workplace, and Health Insurance Portability and Accountability Act (HIPAA) requirements.

(c) **Policies and procedures.** All applications must include the provider's internal policies for:

(1) protection of individual rights per OAC 340:100-3-1.2;
(2) a statement of rights and responsibilities developed and submitted by the group home provider per OAC 340:100-6-95;
(3) service recipient admission and discharge procedures;
(4) client confidentiality;
(5) emergencies and disasters per OAC 340:100-3-32 including, but not limited to:

(A) fire;
(B) severe weather;
(C) missing persons;
(D) evacuations;
(E) a plan for continuity of services in the event of an emergency; and
(F) provisions for practice drills per OAC 340:100-5-22.1, and OAC 340-100-6-45, as applicable;

(6) identifying and avoiding conflicts of interest and nepotism including, but not limited to:

(A) renting and leasing;
(B) staffing;
(C) board membership;
(D) contracted services;
(E) real property and equipment acquisition;
(F) board membership and relationships with agency staff and/or contractors;
(G) auditing;
(H) client-staff relationships including the prohibition of services to individuals for whom agency staff are guardian; unless the ward is the guardian's spouse, mother, father, sibling, aunt, uncle, grandparent, adult child, adult grandchild, niece, nephew, or cousin; and

- (I) any other situation with the potential to result in a conflict of interest;
- (7) a means to establish and collect fees for services not covered by OHCA or DDS per OAC 317:30-3-5.1;
- (8) a grievance process that is reviewed and approved by the Office of Client Advocacy per OAC 340:2-3-2 and OAC 340:2-3-45;
- (9) suspected maltreatment reporting per Section 1025.1 of Title 56 of the Oklahoma Statutes and OAC 340:2-3-33;
- (10) personnel policies that comply with federal and state employment laws and DHS training requirements per OAC 340:100-3-38 through 340:100-3-38.13;
- (11) protection of the service recipient's personal funds per OAC 340:100-3-4 and for those providing residential supports per OAC 340:100-5-22.1, and non-residential services per OAC 340:100-5-35;
- (12) records maintenance per OAC 340:100-3-40;
- (13) health and wellness maintenance per OAC 340:100-5-26; and
- (14) medication administration per OAC 340:100-5-32 and 340:100-5-33.

(d) **Financial solvency and service capacity.** All applications must include evidence supported by an operational plan demonstrating the applicant's capacity to provide services in a financially solvent manner by:

- (1) a description of experience and capacity to operate a business in a fiscally-responsible manner;
- (2) management and financial strategies ensuring SoonerCare compliance per OAC 317:30, Subchapters One and Three, per the OHCA provider manual;
- (3) a description of the proposed record-keeping system and the methods used to maintain and retain documentation to successfully complete the annual financial audit;
- (4) evidence of sufficient liquid assets or lines-of-credit in the name of the provider agency or business indicating the greater of \$100,000 or three times the average monthly-budgeted expenses;
- (5) a line-item budget, accompanied by a description justifying an expense estimate for the first full-year of operations;
- (6) a written quote for proposed insurance coverage identifying all policy types and limitations. Insurance requirements are:
 - (A) a \$250,000 professional liability minimum, when the provider agency receives \$50,000 or less per fiscal year for the delivery of supports funded through DHS or HCBS Waivers or \$1,000,000 when the provider agency receives more than \$50,000;
 - (B) a \$100,000 general liability minimum, when the provider agency receives \$50,000 or less per fiscal year for the delivery of supports funded through DHS or HCBS Waivers or \$1,000,000 when the provider agency receives more than \$50,000;
 - (C) a \$100,000 commercial automobile liability minimum per occurrence;

- (D) a \$25,000 minimum employee dishonesty coverage; and
- (E) upon coverage commencement, a copy of the certificate of insurance with a 30-calendar day cancellation notice is required and, is sent to DDS by the carrier showing DHS as the certificate of insurance holder;

- (7) a State of Oklahoma certificate of incorporation and the applicant's federal tax identification number; and
- (8) the most recent, audited-financial statement, when applicable or the most recent tax return.

(e) **Qualified personnel.** All applications must include key personnel's qualifications and appropriate background searches, including:

- (1) administrative and executive position descriptors and resumes including three references for each;
- (2) documentation of an Oklahoma State Bureau of Investigation (OSBI) background search and Community Services Worker Registry search for the executive director, program coordinator, program manager, key business office staff, and management staff who supervise service delivery;
- (3) documentation that the executive director or program director has a Bachelor's degree from an accredited college or university and a minimum of two-years supervisory or management experience;
- (4) board of director meeting minutes listing the authorized individual by name, who conducts business and has the provider agency's signature authority;
- (5) documentation that the program coordinator meets minimum qualifications per OAC 340:100-5-22.1, when residential, group home, HTS, or homemaker services are provided;
- (6) documentation that the provider agency's program manager meets minimum qualifications when employment services are provided per OAC 317:40-7-20; and
- (7) an attestation that staff meet training requirements per OAC 340:100-3-38 through 340:100-3-38.13 and that community service workers meet pre-employment screening requirements per OAC 340:100-3-39.

(f) **Disclosures.** Disclosure of ownership and control by an organization, institution, business, fiscal agent, or agency requesting a provider agreement is a federal requirement for any SoonerCare program. The SoonerCare provider is the disclosing entity and the person(s) making application for a provider agreement with OHCA to provide HCBS.

- (1) SoonerCare providers, other than an individual practitioner, group of practitioners, or a fiscal agent must disclose per Section 455.104 of Title 42 of the Code of Federal Regulations (42 C.F.R. § 455.104):

- (A) the name and address of any person, individual, or corporation, with an ownership or controlling interest in the disclosing entity. Corporate entities must include the primary business address, all business locations, and PO Box addresses, as applicable;

(B) the date of birth and Social Security number, for an individual;

(C) other tax identification numbers for a corporation with an ownership or controlling interest in the disclosing entity or in any subcontractor in which the disclosing entity has a five percent or more interest; and

(D) if the person, individual, or corporation with an ownership or controlling interest in the disclosing entity is related to an individual, such as a spouse, parent, child, or sibling with ownership or controlling interest in the disclosing entity, or if the person, individual or corporation, with an ownership or controlling interest in any subcontractor in which the disclosing entity has a five percent or more interest is related to another person with ownership or controlling interests in the disclosing entity as a spouse, parent, child, or sibling; and

(E) the name of any other disclosing entity in which a person with an ownership or controlling interest in the disclosing entity has an ownership or controlling interest; and

(F) the name, address, date of birth, and Social Security number of any managing employee of the disclosing entity.

(2) SoonerCare providers, or the person making application, must disclose per 42 C.F.R. § 455.106 the identity of any person convicted of crimes prior to OHCA issuing or renewing a provider agreement or when OHCA submits a written request, who:

(A) has ownership or controlling interest in the provider, is an agent, or is a managing employee of the provider; and

(B) was convicted of a criminal offense related to his or her involvement in any program under Medicare, SoonerCare, or the Title XIX services program since the inception of those programs.

(g) **Provider orientation.** DDS area office staff conducts provider orientation and OHCA conducts provider-billing training.

(h) **Ownership transfers.** Providers provide DDS with a 30-calendar day notice of intent to transfer ownership. Services cannot be provided by a new owner until there is a valid provider agreement contract, with OHCA.

(i) **Provider agreement termination.** DDS may recommend a provider agreement termination to OHCA, when the:

(1) owners, officers, managers, or other persons with substantial contractual relationships are convicted of certain crimes or received certain sanctions per Section 1128 of the Social Security Act;

(2) provider fails to maintain required licensure or certification;

(3) provider fails to timely correct program deficiencies per OAC 340:100-3-27.1;

(4) provider is unable to provide the services per the agreement; or

(5) provider becomes insolvent.

(j) **Exceptions.** Employment providers requesting a provider agreement to provide services through the Contracts with Industry program contact the DDS State Office employment services program supervisor. The provider submits copies of the Oklahoma State Bureau of Investigation (OSBI) background searches and of the Community Services Worker Registry checks for assigned job coaches.

PART 3. ADMINISTRATION

340:100-3-25. Advisory Committee on Services to Persons with Developmental Disabilities

The Advisory Committee on Services to Persons with Developmental Disabilities (Advisory Committee) reviews Developmental Disabilities Services policies and makes recommendations to the Director of Human Services (Director).

- (1) The statutory authority of the Advisory Committee is Section 1412 of Title 10 of the Oklahoma Statutes (10 O.S. § 1412).
- (2) Advisory Committee members are volunteers.
- (3) The Director determines the size and constituency groups directly represented through Advisory Committee membership per 10 O.S. § 1412.
- (4) The Advisory Committee is governed by bylaws approved by the Director and statutory requirements inclusive of the Open Meetings Act.
- (5) The Advisory Committee meets at least quarterly.

[Source: Amended at 15 Ok Reg 2124, eff 5-5-98 (emergency); Amended at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 32 Ok Reg 1906, eff 9-15-15]

340:100-3-26. Contracting and purchasing

The Department of Human Services/Developmental Disabilities Services Division (DDSD) procures services and commodities from private corporations, individuals and governmental entities in addition to directly delivering services to fulfill its mission.

- (1) All contracts and purchases executed by DDSD are in compliance with general Department of Human Services (DHS) contracting and purchasing rules, OAC 340:2-13, and state purchasing law including but not limited to 74 O.S. 85 et.seq. and 74 O.S. 4243.
- (2) All DDSD purchases of services or commodities are based upon a valid written contract between the contractor and DHS, except one time purchases under \$750 that have been exempted in writing by the Division Administrator.
- (3) All DDSD employees involved in purchasing services or commodities conduct themselves in an ethical manner, avoiding conflict of interest and maintaining compliance with pertinent state employee ethics laws to include but not be limited to 74 O.S.

4241 and 74 O.S. 4242.

(4) DDS purchase of all services and commodities is contingent upon the availability of sufficient funds.

(5) All DDS purchases of services and commodities are made with due consideration given toward obtaining maximum benefit for minimum cost.

(6) Contracts for the purchase of services or commodities are not executed for a period which exceeds 12 months.

(7) Unless otherwise approved by the Division Administrator/designee, contracts are not executed for a period which extends across state fiscal years.

(8) All purchases in excess of \$2,500 are competitively bid through the Oklahoma Department of Central Services (DCS) unless exempted by state law. All non-exempt purchases between \$750 and \$2,500 are informally bid by DDS in accordance with DCS policy.

(A) Purchases of exempt professional services as defined in 18 O.S. 803 are exempted from competitive bidding.

(B) Purchases made through DCS approved "fixed-rate" contracts are exempt from competitive bidding.

(C) Purchases made from federal, state or local governmental entities are exempt from competitive bidding.

(D) Purchases of services or commodities which can only be supplied by one contract provider ("sole-source") are exempt from competitive bidding.

(E) Purchases made to remedy an unexpected emergency which endangers the health or safety of any individual or public property are exempt from competitive bidding.

(9) DDS requires a prospective contractor to submit evidence of financial solvency and ability to successfully deliver the specified service/commodity prior to the initial execution of any contract in excess of \$50,000.

(10) DDS offers preference to qualified corporations to provide contract residential or vocational services in accordance with state law as set forth in 56 O.S. 227.

(11) DDS does not directly contract with state employees for the provision of services or commodities with the following two exceptions.

(A) DDS may contract directly with state employees to supply foster care or respite services.

(B) DDS may contract directly with OUHSC employees to supply medical or professional health services.

(12) All DDS contracts are approved by the Division Administrator and officially executed by the DHS Director.

(A) Contracts for purchases in excess of \$25,000 are reviewed by the Legal Division prior to approval by the Division Administrator.

(B) The Division Administrator may delegate contract approval authority. Such delegation is made in writing, with a copy maintained in the Division's State Office

contract files.

(13) All DDSO contracts define the amount of service/commodity to be supplied, the rate of payment for the service/commodity to be supplied, the specifications to which the service or commodity must conform and the expectations with which the contract provider must comply.

(A) Contract terms are sufficiently specific to enable an objective determination of contract provider compliance.

(B) The expectations with which the contract provider must comply are consistent with DDSO mission and policy.

(14) Any amendment to a DDSO contract is made in writing and is approved by the Division Administrator and executed by the DHS Director. The Division Administrator may delegate the authority to approve contract modifications. Such delegation is made in writing, with a copy maintained in the Division's State Office contract files.

(15) All correspondence with the contract provider regarding a material change in the status of DDSO contracts is issued under the signature of the Division Administrator. The Division Administrator may delegate the authority to sign correspondence regarding material changes in contract status. Such delegation is made in writing, with a copy maintained in the Division's State Office contract files.

(16) A fully executed copy of all contracts and related correspondence is maintained in a designated repository.

(A) The State Office maintains the official record for all Division service contracts and State Office commodity contracts.

(B) The Resource Centers and Area Offices maintain the official record for their commodity contracts.

(C) Contract records are retained for a minimum of six years or until any pending litigation related to the respective contract is resolved.

(17) DDSO regularly monitors contract providers to determine if the service/commodity supplied is in compliance with the terms of the contract and to ensure that the contractor maintains fiscal solvency.

(A) Contract providers are required to cooperate with DDSO in accessing necessary information to assess contract compliance/fiscal solvency.

(B) Results of the monitoring are documented in writing and stored in central State Office file.

(C) Monitoring results are considered prior to renewal of any service or commodity contract.

(18) If the contract provider fails to materially comply with terms of the contract the Division Administrator may:

(A) Withhold payment until provider achieves compliance;
or

(B) reduce payment rate by ten percent for the period in which provider fails to comply; or

- (C) refuse to make any payment for services/commodities supplied during period of non-compliance; or
 - (D) terminate the current contract for cause.
- (19) Contract providers may appeal adverse action taken by DDS against the provider except for contract termination without cause.
- (A) Contractors submit written appeal to DDS within 14 days of adverse action.
 - (B) The Division Administrator reviews written contractor appeal and issues a final DDS appeal disposition.

340:100-3-27. Quality assurance

(a) **Purpose.** Developmental Disabilities Services (DDS) quality assurance (QA) activities assess and encourage delivery of supports consistent with:

- (1) the service recipient's preferences and needs;
- (2) Oklahoma Human Services (OKDHS) rules;
- (3) applicable Oklahoma Health Care Authority (OHCA) rules;
- (4) OKDHS and OHCA contract requirements for Home and Community-Based Services (HCBS);
- (5) regulatory standards applicable to services; and
- (6) federal and state laws.

(b) **Case manager monitoring.** DDS case managers assess services rendered to each service recipient to ensure service effectiveness in meeting the service recipient's needs. The case manager periodically observes service provision to assess implementation of the service recipient's Individual Plan (Plan). The requirements per this Section are minimum expectations for face-to-face visits with service recipients. Case management may require additional visits to ensure the service recipient's health and welfare.

(1) The DDS case manager conducts face-to-face visits to monitor the service recipient's health and welfare and service effectiveness in meeting his or her needs.

(A) Face-to-face visits include observation of, and talking with, the service recipient regarding his or her health and welfare and satisfaction with services.

(B) The case manager may:

- (i) observe service provision and related documentation in any location where services are provided; and
- (ii) talk with family members and providers regarding service provision and the service recipient's health and welfare.

(C) For service recipients receiving services through an In-Home Supports Waiver:

- (i) a face-to-face visit is completed at least semi-annually with one visit occurring between January and June and one between July and December; and

(ii) at least one of the two visits occurs at the site where the majority of services are provided.

(D) For service recipients receiving services through the Community Waiver:

(i) a face-to-face visit occurs during each calendar month in the residential service recipient's home, per Oklahoma Administrative Code (OAC) 340:100-5-22.1, or the group home service recipient's home, per OAC 317:40-5-152. Case managers certify home visits on Form 06MP070E, Access to Record and Verification of Monitoring Requirements, located per OAC 340:100-3-40;

(ii) a face-to-face visit is completed each calendar-year quarter, coinciding with the quarters established per OAC 340:100-5-52 for a quarterly summary of progress reports, for service recipients who do not receive residential services or group home services, with at least two of these visits occurring at the site where the majority of services are provided; and

(iii) the case manager visits the employment or day services site at least semi-annually, with one visit occurring between January and June, and one between July and December, when services are funded through the Community Waiver unless the Personal Support Team (Team) requests a DDS area manager or designee approved exception.

(E) For service recipients receiving services through the Homeward Bound Waiver:

(i) a face-to-face visit occurs in the home during each calendar month. Case managers certify home visits on Form 06MP070E located within the home record per OAC 340:100-3-40; and

(ii) the case manager visits the employment site each calendar-year quarter, coinciding with the quarters established, per OAC 340:100-5-52, for quarterly summary of progress reports, unless the Team requests a DDS area manager or designee approved exception.

(F) For Homeward Bound class members who reside in an intermediate care facility for individuals with intellectual disabilities, the case manager visits monthly.

(2) The DDS case manager may conduct virtual monitoring as a substitute for the required minimum face-to-face visits utilizing Health Insurance Portability and Accountability Act (HIPAA) compliant phone calls or video conferencing as identified in (A) through (F) of this paragraph. The DDS area manager or designee approves virtual monitoring.

(A) Virtual visits are limited to two, non-consecutive calendar months per calendar year for service recipients who receive;

- (i) daily living supports; and
- (ii) traditional or community living group home services, specialized foster care (SFC), agency companion services and Prader-Willi Services.

(B) Virtual visits are limited to one time per calendar year for service recipients who receive non-residential services on the Community Waiver and only when the member does not receive Remote Supports (RS) service.

(C) Virtual visits are not permitted when heightened need for visits is required such as during the first 30-calendar days after a service recipient transitions to a new residential placement or when there are concerns of unmet health and safety needs.

(D) Virtual visits may not be substituted for the required minimum face-to-face visits for service recipients who:

- (i) receive services through the Homeward Bound Waiver;
- (ii) receive services through the In-Home Supports Waiver;
- (iii) receives RS services;
- (iv) reside in an Alternative Group Home; or
- (v) are in custody of OKDHS, Child Welfare Services.

(E) Virtual visits in addition to the required minimum face-to-face visits utilizing HIPAA compliant phone calls or video conferencing may also be conducted.

(3) DDS case managers review and ensure Plan implementation. The case manager completes a quarterly review for service recipients receiving services through HCBS Waivers, documenting the review in the service recipient's electronic record.

(4) When the DDS case manager believes the service recipient is at risk of harm, the case manager takes immediate steps to protect the service recipient and notifies the DDS case management supervisor and other appropriate authorities.

(5) When the DDS case manager determines a provider is not effectively addressing a service recipient's needs or meeting contractual responsibilities or policies, steps in (A) through (C) of this paragraph are followed.

(A) The case manager consults with the relevant provider to secure a commitment for necessary service changes within an agreed time frame.

(B) When necessary changes are not accomplished within the specified time frame, the case management supervisor intervenes to secure commitments from the provider.

(C) When the service deficiency is not resolved as a result of the case management supervisor's intervention, an administrative inquiry referral is initiated, per OAC 340:100-3-27.1.

(6) If, during a contract survey, administrative inquiry, SFC monitoring, or area survey, DDS QA staff discovers a situation

that requires correction by DDS staff, a system administrative inquiry is initiated.

(A) DDS QA staff emails notification to DDS staff to correct the situation, establishing a reasonable time frame for correction.

(B) When the identified staff is unable to correct the situation within the established time frame, DDS QA staff emails notification to the DDS staff supervisor, establishing a reasonable time frame for correction.

(C) When the staff supervisor is unable to correct the situation within the established time frame, DDS QA staff notifies his or her supervisor, who notifies the DDS area manager, establishing a reasonable time frame for correction.

(D) When the area manager is unable to correct the situation within the established time frame, he or she notifies the DDS State Office QA unit, to resolve the situation with the community services unit deputy director.

(c) **SFC monitoring.** DDS QA staff monitors the SFC program in each area for DDS and OHCA policy compliance. Monitoring is based on a proportionate, representative sample of individuals receiving SFC supports identified for the fiscal year for each area. Monitoring includes a visit to the service recipient's SFC home. A home visit may be conducted virtually if the home has electronic equipment that allows for face-to-face communication unless health and safety issues are reported that require on-site review.

(d) **Consumer Service Evaluation.** At least annually, service recipients and families receiving supports are provided the opportunity to complete a service evaluation per OKDHS Publication No. 89-10, Consumer Service Evaluation.

(1) Confidentiality is maintained unless the respondent authorizes OKDHS to reveal his or her name to those responsible for service delivery. OKDHS Publication No. 89-10 may be completed anonymously.

(2) DDS QA staff distributes OKDHS Publication No. 89-10 to service recipients or his or her legal guardians at least annually.

(3) OKDHS Publication No. 89-10, when completed is returned to the DDS State Office QA Unit.

(4) Results are forwarded to the respective DDS area office when authorized by the service recipient or legal guardian for resolution of concerns or staff recognition.

(5) A response analysis is completed and distributed to DDS area offices, DDS State Office, or OKDHS for action. Data is available upon request.

(e) **Oklahoma Advocates Involved in Monitoring (OK AIM).** Service recipients and families receiving supports participate in contact providers' formal assessments to promote service enhancement, consistent with service recipient expectations.

(1) OK AIM operates under direction of the Oklahomans for Quality Services Committee (OQSC).

(A) OQSC is composed of 15 persons who receive or have a family member receiving DDS services. All areas of Oklahoma are represented.

(i) OQSC members may be nominated by the public at large, current OQSC members, or DDS representatives.

(ii) Appointment of OQSC members occurs as a result of joint consensus by the OQSC chair and DDS director or designee following a determination of the nominee's:

(I) commitment to promote the interests of persons with developmental disabilities; and

(II) capacity to dedicate the necessary time to fulfill his or her responsibilities.

(iii) OQSC members have the authority to elect officers based on a simple majority vote and establish by-laws governing the conduct of business.

(B) OQSC:

(i) develops and refines procedures and the survey instrument used, based on feedback from service recipients and their families, providers, and other key constituents;

(ii) participates in the selection of agencies submitting proposals to conduct OK AIM activities; and

(iii) serves as a resource for education and coordination of agencies conducting OK AIM monitoring activities.

(2) OKDHS issues and awards a Request for Proposal (RFP) per the Oklahoma Central Purchasing Act, Sections 85.1 through 85.44E of Title 74 of the Oklahoma Statutes (74 O.S. §§ 85.1 through 85.44E) and the approved OKDHS Internal Purchasing Procedures, and solicits proposals from qualified organizations to participate in the OK AIM initiative. Qualified organizations include agencies that:

(A) are incorporated non-profit agencies dedicated to representing persons with developmental disabilities and their family members;

(B) are not involved in service delivery funded through DDS or HCBS Waivers; and

(C) meet additional requirements set forth by federal and state laws as indicated in the RFP.

(3) OQSC is consulted regarding bids submitted in response to an RFP.

(4) Agencies selected to conduct OK AIM monitoring and reporting activities are responsible for:

(A) soliciting, screening, and training volunteers to conduct OK AIM site visits;

- (B) scheduling site visits with all service providers referenced in the RFP within counties for which the agency assumed responsibility;
 - (C) ensuring consistency of volunteer and staff activities with:
 - (i) OQSC-approved procedures and protocols;
 - (ii) federal and state laws; and
 - (iii) OKDHS and OHCA rules;
 - (D) accurately recording OK AIM monitoring activities findings;
 - (E) ensuring provision of findings to provider agencies and DDS; and
 - (F) immediately notifying the DDS area office of any issue identified during OK AIM monitoring activities that presents risk to the service recipient's health or welfare.
- (5) DDS area managers identify OKDHS staff responsible for resolving concerns identified during OK AIM monitoring activities and notify the agencies responsible on how to contact staff during business, evening, and weekend hours.
- (6) OQSC with DDS State Office, DDS area offices, and agencies conducting OK AIM activities participation, identifies conditions determined to present significant risks to service recipients.
- (A) Conditions determined to present imminent risks to service recipients are reported immediately to the:
 - (i) statutory investigatory authority;
 - (ii) DDS area office; and
 - (iii) provider agency chief executive officer (CEO) or designee.
 - (B) Issues determined to pose potential risks to service recipients are reported to DDS area office staff, who notify the provider agency CEO or designee, no later than at the close of the first business-day following observation.
 - (C) OK AIM monitors report any other significant issues to designated DDS area office staff within time frames OK AIM determines appropriate.
- (7) DDS staff immediately identifies DDS area office staff to assume responsibility for verification and correction of problems posing imminent or potential risks.
- (A) The DDS area manager approves resolution time frames for validated concerns based on the degree of risk.
 - (B) All identified concerns are resolved within 30-calendar days from initial notification to the DDS area office, unless the DDS area manager authorizes an extension in circumstances that pose no jeopardy to any service recipient.
 - (C) Concerns presenting immediate and significant risk to service recipients are corrected immediately.
- (8) Each DDS area manager designates staff to:
- (A) track resolution of each identified concern; and
 - (B) advise agencies conducting OK AIM monitoring activities of the steps taken to resolve each concern.

(9) OK AIM staff summarizes findings of each home visit volunteers conduct, and staff notes performance in regards to the established OQSC expectations as published in the OK AIM training manual.

(A) Recommendations for service enhancement are presented to the relevant DDS area office for review within 30-calendar days of a home visit.

(B) DDS area office staff shares this information with the provider and collaborates on recommendations as well as other alternatives to achieve targeted service enhancement. Plans developed as a result are shared with OK AIM staff during the next meeting. Provider comments or action plans are maintained with the OK AIM report in area office files.

(10) OQSC re-assesses the OK AIM survey process at least annually and does so based on feedback solicited from service recipients, DDS area office staff, providers, and other constituencies affected by or involved in the process.

(f) **Independent assessments.** An independent authority annually assesses service outcomes for a sample of service recipients receiving residential services funded or administered through DDS or HCBS Waivers.

(1) Assessments employ standardized measures, facilitating individual as well as congregate data analysis over time.

(2) Assessment protocols provide for identification and resolution of circumstances posing immediate risks to service recipients.

(g) **Failure to cooperate.** Provider agencies failing to cooperate with provisions, or providing false information in response to inquiries per this Section, are subject to identified sanctions including contract termination.

(h) **Findings of non-compliance.** Findings of significant non-compliance with human rights, laws, or rules are immediately reported to the DDS director and other relevant authorities for appropriate action, including disciplinary action of OKDHS employees or sanction imposition, including suspension or contract termination with provider agencies, per OAC 340:100-3-27.2.

(i) **Retaliation.** Provider agencies and OKDHS employees are prohibited from any form of retaliation against any service recipient, employee, or agency for reporting or discussing possible performance deficiencies with any authorized OKDHS agent. Authorized agents are OKDHS staff whose responsibilities include administration, supervision, or oversight of DDS services, including all DDS and Office of Client Advocacy staff.

(j) **QA functions.** Additional DDS QA program components are found in OAC 340:100-3-27.1 through OAC 340:100-3-27.5.

(k) **Reports.** Reports generated by QA discovery activities are distributed as described in (1) through (4) of this subsection.

(1) Reports of performance surveys and administrative inquiries are provided to the administrator of the provider agency surveyed, are stored electronically, and made accessible to:

(A) DDS staff;

(B) OHCA;

- (C) Office of Inspector General; and
- (D) appropriate Office of Client Advocacy staff.
- (2) Performance survey reports with personal identifying information removed are available to interested citizens upon request.
- (3) Reports of administrative inquiries are not released.
- (4) Unless otherwise authorized by the individual or the legal guardian, OK AIM reports and case manager reports are available only to the:
 - (A) referenced individual(s) served;
 - (B) individual's legal guardian;
 - (C) agencies providing supports;
 - (D) relevant DDS area manager;
 - (E) DDS QA administrator; and
 - (F) other relevant DDS personnel.

340:100-3-27.1. Contract performance surveys and administrative inquiries

Agencies providing services under contract with the Oklahoma Department of Human Services (OKDHS), or through a Home and Community-Based Waiver (HCBW) participate in performance surveys assessing compliance with OKDHS and Oklahoma Health Care Authority (OHCA) contracts and rules.

- (1) Performance surveys are conducted:
 - (A) with providers serving five or fewer service recipients when deemed necessary by the administrator of Developmental Disabilities Services Division (DDSD) Quality Assurance (QA); and
 - (B) during each state fiscal year with providers of residential, vocational, or non-medical in-home supports serving six or more service recipients.
- (2) OKDHS conducts interim administrative inquiries that evaluate the validity of allegations of non-compliance with provisions of the provider contract(s).
 - (A) Administrative inquiries are authorized by the administrator of DDSD QA in response to complaints filed by any interested party that represent potentially serious breaches of service assurances, contract requirements, or OKDHS rules. The administrator of DDSD QA or designee is authorized to conduct a screening to determine the potential validity of the complaint.
 - (B) Administrative inquiries are limited in scope to the responsibilities described in the provider's contract(s) with

or rules of OKDHS or OHCA including, but not limited to human rights assurances, service provision, and fiscal accountability.

(C) Allegations of abuse and neglect are immediately referred to statutorily identified lead agencies for investigation. OKDHS acts on the findings or recommendations of agencies with statutory responsibility to ensure provider compliance with provisions of law.

(D) Administrative inquiries are conducted by staff assigned to DDS QA although other resources of OKDHS such as Office of Inspector General may be requested to assist in the investigation of complaints.

(E) OKDHS is not required to provide advance notice of an administrative inquiry.

(F) Notifications to providers of findings and dispositions follow procedures established for performance surveys in subparagraph (L) of paragraph (3) of this subsection, except that:

(i) written findings of administrative inquiries may instead be presented to an agency through mail or email and an exit conference may be conducted by telephone; and

(ii) the DDS director or designee retains the authority to initiate an emergency disposition as specified by subsection (f) of OAC 340:100-3-27.2.

(3) Providers of direct services to six or more service recipients listed in paragraph (1) of this subsection participate in performance surveys assessing success in implementing contractual standards.

(A) Prior to the fiscal year beginning, a proportionate, representative sample of service recipients for each Waiver is identified.

(B) The administrator of DDS QA or designee may provide written notice to provider agencies of scheduled performance surveys. DDS advises the agency in writing of:

(i) demographic information and documents that must be provided to DDS within two weeks of the postmark on the notice; and

(ii) documents that must be available on the dates of the performance survey.

(C) Provider agencies may request a change of the schedule of the performance survey by contacting the administrator of DDS QA or designee. Authorization of a change in schedule occurs at the discretion of the administrator of QA.

(D) DDS QA staff conducting performance surveys assess the delivery of services and realization of outcomes for a sample of people served by each provider agency. The sample includes those service recipients identified in the representative sample and at least one service recipient

receiving each discrete service provided through the agency's contract with OKDHS or OHCA. The size of the sample is adjusted based upon the number of service recipients served by the agency under contractual agreement with OKDHS or OHCA and the number of surveyors assigned to the survey.

(i) The sample will be 10 per cent of the agency population or four service recipients for each surveyor assigned, whichever is greater.

(ii) The size of performance survey samples may be increased at the discretion of performance survey team members.

(E) Performance surveys and administrative inquiries are conducted by DDS QA staff that have completed a minimum of 150 hours of training specific to the application and interpretation of OKDHS and OHCA contract standards and rules. Findings of performance survey team members that have not completed 150 hours of required training are not considered, unless observations are confirmed by staff who have met this training requirement.

(F) A private work area at the agency site is made available for surveyors during the course of the survey. If space is unavailable, the provider makes copies of documents available that may be taken by the performance survey team for review at another site.

(G) Performance survey team staff meet with the chief executive officer (CEO) or designee of a provider agency upon arrival to:

(i) discuss the survey schedule;

(ii) identify the balance of the survey sample;

(iii) determine locations where services are provided; and

(iv) make tentative arrangements for an exit conference.

(H) Agency staff and agency records are made available to the team as necessary to assess agency performance with provisions of rules and their contract(s) with OKDHS or OHCA.

(I) Performance survey teams observe and meet with service recipients served and staff involved in each type of service provided by the agency through contract(s) with OKDHS, or with OHCA for the HCBW services.

(i) Interviews and observations are conducted in a manner minimizing disruption of service activities.

(ii) Observations and interviews occur during varied hours of service delivery.

(J) Performance survey team personnel evaluate information from observations, interviews, and record reviews in the context of relevant contract standards and rules.

(K) Performance survey teams immediately report to appropriate authorities, conditions or actions of agency staff that are possibly abusive or negligent or that otherwise pose immediate jeopardy to the health or safety of service recipients.

(L) Performance survey team staff provide a written summary of findings to the CEO or designee of the provider agency on the final day of the survey. The summary of findings is presented at least two hours prior to the scheduled exit conference. The CEO or designee of the provider agency may waive the two-hour period between presentation of the summary and the exit conference or the exit conference itself.

(M) The provider agency may structure the exit conference in a manner determined most beneficial to the agency.

(i) The agency may invite staff, service recipients, family members, and other citizens to participate.

(ii) Performance survey team personnel provide an explanation of findings and standards, as requested by the agency.

(iii) Performance survey team personnel provide an explanation of the procedures described in this Section that are available to the agency regarding any disputed findings.

(iv) During the exit conference, the agency may submit evidence contesting the citation of standards. Performance survey team members review presented evidence and for each contested standard, may:

(I) reverse the entire citation;

(II) reverse a portion of the citation; or

(III) affirm the citation.

(v) Within two weeks of the exit conference, the agency sends to the administrator of DDS QA a written response that identifies a date the agency will comply with the cited requirement.

(I) Any projected resolution date beyond two months from the exit conference is accompanied by a justification.

(II) Approval of extended resolution dates occurs only upon the presentation of evidence that extensive change in agency management systems or extensive expenditures is essential to resolution of the problem.

(III) The agency presents plans and time frames to implement incremental changes necessary to achieve contract conformance when an interval of more than two months is requested.

(vi) The agency may send supplemental information to the administrator of QA contesting the findings of the performance survey team within two weeks of the exit conference. An appeal does not relieve the agency from the responsibility to achieve resolution of contract deficiencies within two months from the date of the exit conference, if the request for reversal is not supported through procedures described in paragraph (5) of this subsection.

(4) The findings of performance surveys and administrative inquiries, as well as any appeals, are reviewed by the administrator of DDSA QA or designee.

(5) The QA administrator or designee issues, within 30 days of the report detailing findings, a preliminary determination regarding:

- (A) any standard citation appeal by the agency;
- (B) acceptance or revision of resolution dates proposed by the provider to achieve conformance with the provisions of the contract(s) or rules; and
- (C) when necessary, specific corrective action(s) is undertaken by the agency, including that:
 - (i) the agency reimburse OKDHS or OHCA for unsubstantiated or unauthorized claims;
 - (ii) the agency reimburse service recipients for the balance of funds managed by the agency contrary to the expectations of OAC 340:100-3-4; and
 - (iii) service provision is immediately suspended or modified when it is determined there is imminent risk to the health or safety of service recipients.

(6) Performance survey teams conduct focused re-surveys to assess resolution of identified contract deficiencies.

- (A) Focused re-surveys including a new random sample are conducted at any time following the established resolution date.
- (B) Focused re-surveys require no advance notice.
- (C) Focused re-surveys may, at the discretion of the performance survey team be expanded to include any new performance issue identified.
- (D) Focused re-surveys evaluate whether the provider has corrected identified deficiencies by the approved resolution date. The written report provided to the provider includes any new performance issues identified as well as the:
 - (i) resolution of conditions resulting in the citation of a standard; and
 - (ii) continued existence of a deficiency.
- (E) Following a focused re-survey the provider is informed of the results.
 - (i) The provider may submit evidence contesting a citation.

(ii) New citations found during the focused re-survey are added to the report of the original survey for consideration by the Performance Review Committee.

(7) **Failure to cooperate.** Provider agencies failing to cooperate with provisions or providing false information in response to any inquiry per OAC 340:100-3-27.1 are subject to sanctions identified, including contract termination.

(8) **Retaliation.** Provider agencies and OKDHS employees are prohibited from any form of retaliation against any service recipient, employee, or agency for reporting or discussing possible performance deficiencies with any OKDHS authorized agent. Authorized agents are OKDHS staff whose responsibilities include administration, supervision, or oversight of DDS services, including all DDS and Office of Client Advocacy staff.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 23 Ok Reg 1026, eff 5-11-06 ; Amended at 29 Ok Reg 822, eff 7-1-12]

340:100-3-27.2. Performance Review Committee (PRC), sanctions, and emergency determinations

(a) Findings of performance surveys, administrative inquiries, or focused re-surveys are reviewed by the PRC when the:

- (1) provider submits an appeal of any decision of the Quality Assurance (QA) administrator or designee within 14 calendar days from mailing of the preliminary determination;
- (2) provider fails to correct all identified deficiencies by the approved resolution date or if new deficiencies are identified per Oklahoma Administrative Code (OAC) 340:100-3-27.1(6)(E); or
- (3) QA administrator or designee determines sanctions may be required as a result of gross or perpetual violation of the contract.

(b) The PRC consists of representatives of major units of the division appointed by the Developmental Disabilities Services (DDS) director, except the QA administrator does not serve as a voting member.

(c) The PRC meets monthly to review and issue a determination on referrals. Available determinations include:

- (1) acceptance, denial, or modification of an appeal;
- (2) a determination that sanctions are not warranted;
- (3) invocation of one or more sanctions including:
 - (A) a vendor hold that precludes the admission to the agency of any person whose services are funded by DDS or Waiver services. The agency may not provide services to a participant who was not being served before the vendor hold was issued;
 - (B) suspension of funding pending resolution of conditions violating terms of the contract;
 - (C) disallowance of claims for services by staff whose:
 - (i) training was not completed per OAC 340:100-3-38; or
 - (ii) pre-employment screening does not comply with OAC 340:100-3-39;

(D) termination of contract with the Oklahoma Department of Human Services (DHS);
(E) recommendation for termination of contract with the Oklahoma Health Care Authority (OHCA); and
(F) the requirement the provider employ sufficient program coordination staff to provide one program coordinator for every 10 individuals receiving residential supports per OAC 340:100-5-22.1.

(i) The program coordination staff ratio may be invoked when a violation(s) of program coordination requirements in OAC 340:100-5-22.1 remains uncorrected for 60 calendar days following the provider's receipt of a written report of the findings.

(ii) The provider maintains the 1:15 program coordinator ratio for one year, unless the requirement is extended by the PRC based on subsequent deficiencies.

(iii) The provider must maintain the 1:15 program coordinator ratio for each caseload that includes a person receiving residential supports.

(d) Agencies are notified in writing of the determinations made by the PRC. The president of the agency's board of directors is provided a copy by mail when a sanction, as described in (c) of this Section is authorized.

(e) When DDS receives an appeal of any decision of the PRC in writing within 14 calendar days from the mailing of the determination, the DDS director retains the authority to supersede the decisions of the QA administrator or the PRC.

(f) Failure to comply with pre-employment screening requirements of criminal background checks and registry checks for community services workers per OAC 340:100-3-39 result in placement of agencies on immediate vendor hold. Per OAC 340:100-3-27.2, agencies have 60 calendar days to correct all deficiencies. Following the re-survey, if all deficiencies are not corrected, DDS pursues recoupment in those instances where services were delivered by an unqualified provider.

(g) The DDS director or designee may issue an emergency determination independent of review by the PRC or written input by a provider agency when evidence is presented indicating risk of immediate and substantial jeopardy to the health or safety of a person receiving supports.

(1) The DDS director or designee may use any DHS resource considered appropriate to further investigate such circumstance, but is not required to do so.

(2) Emergency determinations:

(A) include the scope of options defined in (c) of this Section, waiving any stated time frame for implementation; and

(B) are not subject to appeal.

340:100-3-27.3. Person-centered evaluations (PCE) [REVOKED]

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Revoked at 29 Ok Reg 822, eff 7-1-12]

340:100-3-27.4. Developmental Disabilities Services Division Quality Assurance reports [REVOKED]

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 29 Ok Reg 822, eff 7-1-12 ; Revoked at 40 Ok Reg 1005, eff 9-15-23]

340:100-3-27.5. Provider agency quality assurance and fiscal controls

(a) Each agency providing services funded through the Oklahoma Department of Human Services (DHS) or the Oklahoma Health Care Authority (OHCA), through Home and Community-Based Services (HCBS) Waivers, to six or more service recipients implements an internal quality assurance system. The system identifies and corrects obstacles to agency compliance with rules governing its services or effectively addressing the needs and preferences of service recipients.

Implementation is assessed on the basis of outcomes for service recipients and services.

(b) Provider agencies must have adequate fiscal controls, including internal management controls, systems to ensure accuracy and authorization of claims, and mechanisms to detect and resolve a threat to solvency.

(1) A provider agency is a corporation, partnership, association, or individual proprietorship that contracts with DHS or OHCA, through HCBS Waivers, to provide residential, employment, or in-home paraprofessional supports to service recipients.

(2) Each provider agency receiving \$100,000 or more per fiscal year for the delivery of supports funded through DHS or HCBS Waivers is required to conduct an independent financial audit.

When a financial audit is required:

(A) the audit is performed by a certified public accountant:

(i) with a valid and current permit to practice public accountancy in Oklahoma; and

(ii) approved by the Oklahoma Accountancy Board to perform audits in accordance with Government Auditing Standards;

(B) DHS reserves the right to approve the selection of the auditor or examine the work papers of the auditor; and

(C) the provider agency submits two copies of the audited financial statements, management letter, and plan to address all concerns noted by the auditor to the DHS Office of Inspector General (OIG).

(i) The audited financial statements are submitted within four months after the end of the provider agency's fiscal year.

- (ii) An extension of up to four months may be authorized by DDS or OIG, following the provider agency's submission of a request and explanation for delay.
 - (iii) No extension is granted to an agency that has not submitted the previous year's audit.
 - (iv) Failure to submit the audited financial statements may result in sanctions per Oklahoma Administrative Code (OAC) 340:100-3-27.2.
- (3) Audited financial statements are examined by DDS and OIG staff. Problems noted in either the findings or substance of the audit may result in:
- (A) acceptance of audited financial statements;
 - (B) correspondence with the provider agency or auditor to clarify and resolve issues in or with the audited financial statements;
 - (C) an administrative inquiry per OAC 340:100-3-27.1; or
 - (D) sanctions per OAC 340:100-3-27.2.

340:100-3-31. Student placements

The DDSD makes available opportunities for educational experiences for students in health care or related fields through internships, externships, field placements or similar learning experiences at program sites.

- (1) Student placements are beneficial to, and do not interfere with, client care, treatments, and/or habilitation.
- (2) The participating student must be sponsored by a bona fide educational instructor, and be in good standing in a recognized educational program.

- (3) The participating educational institution designates a faculty member to coordinate the program with the program area and supervise the students.
- (4) The program area arranges for the orientation and direct supervision of students by an appropriate professional staff member who retains responsibility for client services performed by the student.
- (5) Students are required to comply with all program policies and procedures.
- (6) Students shall be identified to clients/family who may refuse to accept services provided by the student.
- (7) Students comply with all legal/professional constraints relating to the practice of their profession while a student.
- (8) Client medical records are available only when access is necessary to the fulfillment of the student's duties. The professional supervising the student must review, approve, and co-sign any client related paperwork, and by doing so accepts full responsibility for the document's contents.
- (9) Students (both employees and non-employees) who want to gather data or conduct studies relating to clients must have prior approval and adhere to all guidelines for conducting research as established by DHS, DDS and the program.
- (10) Students participating in any DDS programs are subject to background investigations.

[Source: Amended at 8 Ok Reg 2163, eff 5-13-91 (emergency); Amended at 9 Ok Reg 1549, eff 4-27-92]

340:100-3-32. Fire/disaster/emergency plan

All programs operated by or under contract with DDS adhere to applicable State and Local laws/codes, and the rules, regulations and requirements of State and Federal regulatory agencies to ensure the safety of clients, guests, and employees and to safeguard personal and agency property.

- (1) All programs develop, publish and review plans to be implemented in the event of a fire, disaster, and/or other emergency.
- (2) Each Department/facility/provider develops written procedures, publishes plans, and trains staff and clients to address any emergency.

340:100-3-33. Service authorization

(a) Developmental Disabilities Services Division (DDS) provides services using state and federal funds.

- (1) All Medicaid services are implemented in accordance with Title XIX regulations.
- (2) Oklahoma Health Care Authority (OHCA) authorizes Title XIX compensability of all Home and Community-Based Services (HCBS) Waiver and intermediate care facility for persons with mental retardation (ICF/MR) services.

(3) HCBS Waiver services are included in the service recipient's Plan of Care (POC) and are identified in accordance with OAC 340:100-5-53.

(4) Facility administrators of Northern Oklahoma Resource Center of Enid (NORCE), Southern Oklahoma Resource Center (SORC), and Robert M. Greer (Greer) are authorized to approve habilitation and support services required by the service recipient's individual program plan and regulatory standards, including the purchase of adaptive and mobility equipment.

(5) All authorized state-funded services are implemented in accordance with Oklahoma Department of Human Services (OKDHS) purchasing and contract policy and procedures. Authorization of services is contingent upon the availability of adequate resources.

(b) DDS case managers may implement services that are:

(1) generic non-specialized services accessed when possible;

(2) approved for DDS payment;

(3) identified in the service recipient's POC.

(A) The amount of HCBS Waiver services must not exceed service specific utilization limitations and comply with related OHCA policy.

(B) Total expense of HCBS Waiver services must not exceed the statewide congregate average annual cost of HCBS Waiver services per service recipient.

(C) The total POC cost must not exceed annual per capita limitations, if any, established in the applicable HCBS Waiver; and

(4) State funds are approved to meet critical needs when there is no other resolution and funds are necessary to resolve an emergency, such as necessary utilities, clothing, furniture, food and shelter. Funds cannot exceed \$750.00 per event.

(c) The DDS area manager or designee must review and approve implementation of expenditures for:

(1) HCBS Waiver services prescribed for a service recipient on the POC, exceeding the statewide, congregate average annual HCBS Waiver expenditure by 35% or less per year; and

(2) short term emergency services required to meet critical needs and ensure the continuity of care when no other resolution exists.

(d) The DDS director or designee must review and approve implementation of:

(1) expenditures for HCBS Waiver services exceeding the statewide, congregate average annual cost of HCBS Waiver services by more than 35%; and

(2) support or habilitative services not otherwise authorized by OKDHS policy, subject to approval by OKDHS Director, Oklahoma Commission for Human Services or both.

(e) Service recipients:

(1) maintain the right to appeal service eligibility determinations as stipulated by the Oklahoma State Medicaid Plan and OKDHS policy; and

(2) are provided literature and an understandable explanation describing procedures for exercising this right.

[Source: Amended at 8 Ok Reg 2163, eff 5-13-91 (emergency); Amended at 9 Ok Reg 1549, eff 4-27-92 ; Amended at 11 Ok Reg 4107, eff 6-29-94 (emergency); Amended at 12 Ok Reg 1761, eff 6-12-95 ; Amended at 26 Ok Reg 922, eff 5-15-09]

340:100-3-33.1. Criteria to establish service necessity

(a) The goal of service delivery is to promote the independence of persons with developmental disabilities. The purpose of publicly funded supports is to strengthen the individual's capacity for self-care and self-sufficiency and to lead to a lesser reliance on paid supports. Because of the unpredictable nature of government funding, promoting reliance on publicly funded supports is often not in the person's best interest. In order to minimize dependence on public funds, Developmental Disabilities Services Division (DDSD) staff use the criteria given in subsection (b) of this Section to determine the necessity of publicly funded supports.

(b) Services provided through DDSD must meet all of the requirements given in this subsection.

- (1) Services appropriate to meet the individual's need are not available from another funding source.
- (2) Services are authorized only to the extent necessary to achieve, maintain, or promote functional capacity.
- (3) Services provided are consistent with accepted practice standards and guidelines.
- (4) Services must be necessary to achieve a specific outcome and must be required for other than the convenience of the client, family, staff, or provider.
- (5) Documentation submitted to request a service must contain objective evidence supporting the need, including evidence to support orders or prescriptions for the service.
- (6) Services must be delivered in the most cost-effective manner and most appropriate setting.
- (7) Services must be based on reasonable and predictable outcomes.
- (8) Services are not provided to meet hypothetical situations.

[Source: Added at 19 Ok Reg 2991, eff 7-31-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03]

340:100-3-33.2. Provision of waiver services by legally responsible persons and other family members or guardians

(a) Legally responsible persons.

(1) Persons who are legally responsible for the care of service recipients are prohibited from providing Developmental Disabilities Services Division (DDSD) Home and Community-Based Waiver Services to service recipients for whom they are responsible.

(2) For purposes of OAC 340:100-3-33.2, a person who is legally responsible is:

- (A) a biological or adoptive parent(s) of a minor child;

incidents involving the health and welfare of any person receiving DDS services, excluding Family Support Assistance Payment Program recipients per Oklahoma Administrative Code (OAC) 340:100-13.

(b) **Critical incidents.** Critical incidents include:

- (1) suspected maltreatment including abuse, verbal abuse, sexual abuse, neglect, financial neglect, exploitation, or sexual exploitation of a vulnerable adult per Section 10-103 of Title 43A of the Oklahoma Statutes (43A O.S. § 10-103) or abuse, neglect, sexual abuse, or sexual exploitation of children per 10A O.S. § 1-1-105;
- (2) threatened or attempted suicide by a service recipient;
- (3) death of a service recipient;
- (4) an unplanned hospital admission of a service recipient;
- (5) a medication event resulting in emergency medical treatment for a service recipient;
- (6) law enforcement involvement in a situation concerning a service recipient;
- (7) property loss of more than \$500 involving a service recipient;
- (8) a service recipient who is missing; and
- (9) a highly restrictive procedure used on a service recipient, such as:

- (A) p.r.n. medication for behavioral control; or
- (B) physical hold.

(c) **Non-critical incidents.** Non-critical incidents include:

- (1) an injury or an unplanned health-related event involving a service recipient;
- (2) physical aggression by a service recipient;
- (3) fire setting by a service recipient;
- (4) deliberate harm to an animal by a service recipient;
- (5) property loss of less than \$500 involving a service recipient;
- (6) a vehicle accident involving a service recipient;
- (7) the suspension, termination, or removal of a service recipient's program, including employment; and
- (8) a medication event involving a service recipient, including:
 - (A) a dose at the wrong time;
 - (B) a missed dose;
 - (C) a wrong dose;
 - (D) the wrong medicine;
 - (E) the wrong route;
 - (F) an incorrect medicine label or instructions;
 - (G) a medication refused by the service recipient;
 - (H) incorrect medication documentation; or
 - (I) any other significant occurrence involving medication.

(d) **Incident notification requirements.**

- (1) For Waiver funded service recipients, contract provider staff:
 - (A) report incidents electronically via the DDS Provider Reporting System for all critical and non-critical incidents;
 - (B) program coordination staff:
 - (i) review and submit reports of all critical incidents per OAC 340:100-3-34(b) within one business day of the incident; and

(ii) review and submit reports of all non-critical incidents per OAC 340:100-3-34(c) within three business days of the occurrence.

(C) notify the service recipient's family or guardian, in accordance with provider policies;

(D) notify other persons or entities as required by law or regulation, including:

(i) when a service recipient dies per OAC 340:100-3-35; and

(ii) investigative authorities immediately in cases of suspected maltreatment, including:

(I) Office of Client Advocacy per OAC 340:2-3-33;

(II) Adult Protective Services per 43A O.S. § 10-104; or

(III) Child Protective Services per 10A O.S. § 1-1-105.

(2) For critical incidents involving state funded service recipients, contract provider staff submits Form 06MP046E, Incident Report, to DDS State Office within one business day of the incident. For non-critical incidents, contract provider staff maintains a copy of Form 06MP046E per OAC 340:100-3-40.

340:100-3-35. Death of a DDS service recipient

(a) **Death of a DDS service recipient.** Upon the death of a DDS service recipient, the DDS area manager, public intermediate care facility for the mentally retarded (ICF-MR) administrator, or their designee ensures immediate notification of the DDS division administrator or designee.

(b) **Death of a person receiving residential services.** If a person receiving community residential supports per OAC 340:100-5-22.1, public ICF-MR services, or waiver funded group home services dies, the area manager, public ICF-MR administrator or their designee implements procedures, as appropriate, to ensure immediate notification of:

(1) the service recipient's family member(s), guardian, or both by case management staff or provider agency staff;

(2) the office of the Chief Medical Examiner, per Section 938 of Title 63 of the Oklahoma Statutes;

(3) the County Sheriff's office or the city police department, in the event of accidental, suicidal, or homicidal death;

(4) the Children and Family Services Division if the service recipient was under the age of 18 and there is suspicion the death was the result of abuse or neglect per OAC 75:3-9.1;

- (5) the Office of Client Advocacy in the event of the death of a Hisson class member or a resident of a public ICF-MR;
- (6) the state office of Adult Protective Services, if the person is a vulnerable adult and there is suspicion the death was a result of abuse or neglect; and
- (7) the state office of DDS Quality Assurance for administrative inquiry per OAC 340:100-5-27, if there is any concern the death could pose a risk to others served by the agency.

(c) **Mortality review.** A mortality review is a systematic review of circumstances surrounding the death of a service recipient receiving community residential supports, public ICF-MR services, or waiver funded group home services and is conducted to:

- (1) identify areas of concern related to the health and safety of service recipients;
- (2) identify practices or rules in need of revision; and
- (3) recommend strategies for quality improvement on a local or statewide basis.

(d) **Mortality reviewer.** When a person receiving community residential supports, public ICF-MR services, or waiver funded group home services dies, the area manager, public ICF-MR administrator, or their designee assigns a reviewer from a designated pool of trained DDS mortality reviewers.

(e) **Provider agency policies.** Each provider agency establishes and implements policies and procedures that describe actions taken in response to the death of a service recipient, including notification of the DDS area manager or designee.

(f) **Provider agency responsibilities.** Each residential service provider, including specialized foster care providers:

- (1) immediately notifies the DDS area manager, or designee;
- (2) immediately notifies the service recipient's family member(s), guardian or both;
- (3) assists the DDS area manager, resource center administrator, or designee, if requested, in notification of authorities, as described in this Section;
- (4) immediately relinquishes to DDS the residential record, or supplies a legible, complete photocopy;
- (5) secures written witness statements from all staff who worked with the service recipient 24 hours prior to the death unless otherwise specified by the mortality reviewer;
- (6) assists the DDS reviewer in coordinating witness interviews and other needs;
- (7) preserves the scene of death; and
- (8) completes Form 06MP046E per OAC 340:100-3-34.

(g) **Law enforcement.** DDS staff and contract providers cooperate fully with law enforcement authorities in the investigation of the death of the service recipient.

340:100-3-38. Training requirements for community staff

(a) **Application.** Oklahoma Administrative Code (OAC) 340:100-3-38 sets forth training requirements for Developmental Disabilities Services (DDS) staff, specialized foster care (SFC) providers, and agencies contracting for delivery of residential supports, per OAC 340:100-5-22.1, habilitation training services, group home services, assisted living services, employment services, or in-home supports through DDS state funds or a Home and Community-Based Services Waiver, per OAC 317:40-1-1. DDS staff, provider agency staff, and SFC providers complete a course of instruction specific to applicable job duties in accordance with:

- (1) residential supports and group home services per OAC 340:100-3-38.1;
- (2) employment services per OAC 340:100-3-38.2, excluding job coaching services through contracts with industry, per OAC 317:40-7-18. The job coach, per OAC 317:40-7-18, completes contracts with industry job coach curriculum, approved by the DDS director or designee, within 30 days of assignment as job coach;
- (3) supports in the family's or service recipient's home through Community Waiver or Homeward Bound Waiver, other than residential supports, per OAC 340:100-3-38.3;
- (4) SFC per OAC 340:100-3-38.4;
- (5) supports in the family's or service recipient's home through an In-Home Supports Waiver per OAC 340:100-3-38.5;
- (6) DDS case management services per OAC 340:100-3-38.6;
- (7) program coordination services per OAC 340:100-3-38.7;
- (8) employment program manager services per OAC 340:100-3-38.8;
- (9) DDS or provider agency supervisory or management support per OAC 340:100-3-38.9;
- (10) respite, homemaker, or homemaker respite services per OAC 340:100-3-38.12; and
- (11) supports in alternative group homes per OAC 340:100-3-38.13.

(b) **Training curricula.**

- (1) To fulfill the training requirements of OAC 340:100-3-38, any training course or curriculum must be approved by the DDS

director or designee unless the course is:

(A) designed and offered by a professional training or education organization to enhance the management skills of supervisors; or

(B) offered by a regional, state, or national professional organization, such as:

(i) The Association for Persons with Severe Handicaps (TASH);

(ii) The Council on Quality and Leadership (CQL);

or

(iii) the American Association on Intellectual and Developmental Disabilities (AAIDD).

(2) In-services to staff and meetings pertaining to agency policies and practices are not subject to approval by the DDS director or designee.

(3) Trainers of approved courses must be licensed, certified, or otherwise qualified based on requirements of the course or by approval of the DDS director or designee.

(4) Competency-based courses require a specified level of proficiency to receive credit for satisfactory completion.

Competencies are based upon specific identified outcomes. The trainer of each course communicates the required level of proficiency to participants at the beginning of each course.

(5) Each curriculum developed or sponsored by DDS is reviewed at least every two years to ensure the curriculum is:

(A) reflective of current best practice;

(B) aligned with Oklahoma Human Services (OKDHS) rules; and

(C) reflective of changes in the service delivery system.

(c) **Classroom expectations.** DDS training staff and contract training staff are authorized to dismiss a participant or observer from a class for the reasons in (1) through (5) of this subsection.

(1) Dismissal from a training class may occur for:

(A) sleeping in class;

(B) disruptive behavior, such as:

(i) inappropriate comments during class that are considered rude, insensitive, or derogatory;

(ii) whispering or talking to other participants during class;

(iii) conducting activities unrelated to the class topic;

(iv) being called out of class frequently; or

(v) leaving class frequently other than at designated break times;

(C) tardiness or absence.

(i) Tardiness, such as:

(I) arriving at class more than 30 minutes after class begins on the first day;

(II) arriving at class more than 15 minutes after class begins on subsequent days; or

(III) missing a total of more than 30 minutes of any day's presentation.

(ii) Participants may be granted no more than 30 minutes the first day of class to allow for difficulty in locating the building or parking, except in courses that require a specific number of training hours to meet certification requirements;

(D) incomplete preparation. Dismissal from class occurs for any participant who has not completed required prerequisite courses, tasks, or preparatory materials prior to attending; and

(E) violating confidentiality requirements, per OAC 340:100-3-2 and other applicable rules.

(2) If dismissal from class occurs, the trainer notifies the participant's agency and trainer's supervisor as soon as possible and maintains a brief written summary of the incident.

(A) Dismissed participants do not receive credit for the class and are required to re-enroll and satisfactorily complete the entire course or module to receive credit.

(B) The trainer must give approval before re-enrollment is allowed. Appeal of the trainer's decision is made to the DDS director or designee.

(3) No children, friends, or family members of participants may attend class unless enrolled as participants.

(4) Service recipients family members, advocates, DDS staff, and provider agency staff may observe training classes unless they engage in activities disruptive to the class. Service recipients who wish to participate in training and who need staff support must be accompanied by a staff not enrolled in the training.

(5) When other persons attend class in place of enrolled participants, or in addition to enrolled participants, they are allowed to remain, if the trainer determines there are adequate materials and space.

(d) **Online Training Expectations.** Online training courses may be used as an alternative to classroom instruction.

(1) Online courses must be approved by the DDS director or designee.

(2) Provider agencies participating in online training have responsibility for preventing misuse of online training.

(3) Provider agencies participating in online training develop protocols governing use of online training. The protocols include, but are not limited to the following:

(A) supervision of employees completing online training;

(B) provision of technical assistance to learners;

(C) mentoring and assisting learners; and

(D) completion of on-the-job components of the courses including maintaining documentation of completion.

(4) DDS and provider agency staff sign Form 06MP050E, Notice of Responsibilities Regarding Online Training, prior to taking online courses that have been approved to meet the training requirements per OAC 340:100-3-38.

(e) **Virtual Training Expectations.** Virtual training may be used as an alternative to both classroom and online training as referenced in this Section. Virtual training is an instructor-led, interactive, online learning experience with participants who are connected from geographically dispersed locations. This does not include telehealth services, webinars, webcasts, virtual meetings, or other similar platforms. Participants are expected to actively participate and engage with the trainer and the group during group discussions and activities. Refer to (c)(1) of this Section regarding reasons for dismissal from virtual training. During virtual training participants:

(1) have their camera on at all times. All participants are visible and have adequate audio capability to both hear and be heard. When participants need to turn off the camera and leave the training momentarily, participants notify the instructor(s) using the chat function;

(2) check Internet capabilities prior to the training to allow for relocation if needed;

(3) ensure their dress, appearance, and behavior are appropriate for the circumstances;

(4) are in an environment as free from distractions as possible.

This includes but is not limited to minimizing:

(A) external noise;

(B) the presence of people who are not registered participants; and

(C) use of electronic devices unless being used to participate in the class;

(5) may not participate while driving;

(6) may use a library, community parking lot, or a government building as needed for adequate Internet reception. In an area with external noise, headphones or ear buds are used to block out external noise, and the distractions in (e)(5) of this Section are minimized as much as possible;

(7) ensure that identifying client information is not visible or discussed; and

(8) are not working or responsible for other duties during training.

(f) **Course availability.** The DDS training unit and contract trainers work to ensure the availability of all courses by taking into account:

(1) location;

(2) time of day; and

(3) day of the week.

(g) **Class closings due to inclement weather.**

(1) For a live training, if the public schools in the town where the class is held are closed or OKDHS has closed the local offices due to bad weather, class is canceled and the DDS trainer notifies affected provider agencies. The provider agency is responsible to enroll the staff in the next available class.

(2) If provider agency staff plans to attend an out-of-town class, but the schools are closed at the staff's work location, the agency may determine that it is not safe for staff to travel.

(A) The agency is responsible for contacting the DDS training unit the next work day to notify the training provider of this decision.

(B) The DDS training unit enrolls the staff in the next available class, and the staff is not penalized for not attending.

(C) The email confirming re-enrollment serves as notification of the next available class.

(3) If a provider agency or staff is uncertain about weather conditions or cancellations, they must contact the DDS training unit. .

(h) **Quality assurance.** To ensure consistency with state laws and regulations and current best practices, training provided by DDS staff, service providers, or contract agents, and other classes required by DDS are observed and monitored on a regular basis.

(1) The components of the monitoring system are listed in (A) through (E).

(A) The DDS director or designee attends and monitors training classes on a random basis throughout the calendar year.

(B) Contract training coordinators observe each trainer directly under their supervision at least twice a calendar year.

(i) At least one review must include foundation training, if applicable.

(ii) Each review is at least one-half training day, which is three hours in length.

(iii) The reviews:

(I) cover the range of primary training topics each trainer offers;

(II) are conducted in both metropolitan and rural areas of Oklahoma, when applicable; and

(III) include announced and unannounced observations.

(iv) The DDS training program manager or contract training coordinator reviews the training classes as a participant rather than as an observer, when possible.

(v) Direct feedback is given to the trainer following the class in both written and verbal form.

(vi) A copy of the written review is sent to the DDS director or designee.

(vii) If significant areas of concern are noted, the contract training coordinator and trainer develop a specific plan of correction that may include retraining, increased supervision of classes, or co-training. A copy of the plan of correction is sent to the DDS director or designee.

(viii) The DDS director or designee or contract training coordinator may request an unannounced

review by another supervisor, coordinator, or trainer.

(ix) Exceptional performance is noted in writing with a copy to:

- (I) the trainer's personnel file; and
- (II) DDS director or designee.

(C) Provider agencies notify DDS area training staff at least the day before the class of the location and time when offering in-house training courses to meet requirements per OAC 340:100-3-38. DDS may provide unannounced monitoring at any time.

(D) To ensure contract trainers support the DDS mission, values, and philosophies, as well as demonstrate mastery of the subject matter and good training skills, the DDS director or designee assigns each DDS trainer to monitor a contract trainer as needed.

(i) Each DDS trainer:

- (I) is assigned to monitor contract trainers based upon the DDS trainer's areas of expertise and interest;
- (II) reviews each assigned contract trainer at least one time per calendar year for a minimum of one-half training day, which is three hours. The review is unannounced; and
- (III) provides written and oral feedback to the contract trainer following the class.

(ii) A copy of the written report is provided to the contract trainer, contract trainer's supervisor, and DDS director or designee.

(iii) If significant areas of concern are noted, the contract trainer and immediate supervisor develop a specific plan of correction that may include retraining, increased supervision of classes, or co-training. A copy is sent to the DDS director or designee.

(iv) Exceptional performance is noted in writing with a copy to:

- (I) trainer's personnel file; and
- (II) DDS director or designee .

(v) DDS training staff reviews the primary training programs and other sensitive training programs contract training staff provides.

(E) Service recipients, family members, and advocates, as well as organizations with expertise in disability issues or training may be invited to review training classes or portions of classes.

(i) These reviews may be announced or unannounced.

(ii) Service recipients, family members, friends, advocates and legal guardians, or organizations

provide feedback to the trainer, trainer's supervisor, and DDS director or designee.

(2) Training found to violate requirements of OAC 340:100-3-38, including material covered, testing procedures, or DDS rule requirements may result in:

- (A) corrective discipline for OKDHS employees;
- (B) revocation of approval to provide training;
- (C) supervised retraining; or
- (D) sanctions against the provider per OAC 340:100-3-27.

(3) Any participant or agency with concerns about course content, a course instructor, or availability of a course immediately notifies the supervisor of the course or instructor. If resolution of the issue does not occur, the participant or agency notifies the DDS director or designee.

(4) Each class used to fulfill training requirements, per OAC 340:100-3-38, offered by DDS, contract training agents, or provider agencies offers participants the opportunity to provide feedback. Feedback options include:

- (A) end-of-class evaluation forms;
- (B) periodic surveys; or
- (C) focus group discussions.

(5) DDS case managers and providers report to the DDS director or designee any training system issues inhibiting fulfillment of requirements per OAC 340:100-3-38.

(i) Documentation.

(1) Provider agencies maintain documentation of completion of required training as defined in OAC 340:100-3-38. Staff who attend training may request the DDS trainer verify and sign completion verification the provider agency provides. Staff also may request verification of live and virtual training from the DDS training unit. The agency maintains a copy of such documents.

(2) DDS case managers monitor training completion through review of progress reports from service providers per OAC 340:100-5-52 and follow up when issues are noted.

[Source: Added at 15 Ok Reg 3934, eff 7-14-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 19 Ok Reg 2948, eff 8-1-02 (emergency); Amended at 20 Ok Reg 936, eff 6-1-03 ; Amended at 22 Ok Reg 882, eff 5-12-05 ; Amended at 23 Ok Reg 1910, eff 6-11-06 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:100-3-38.1. Training requirements for staff providing residential supports

(a) **Applicability.** Oklahoma Administrative Code (OAC) 340:100-3-38.1 sets forth training requirements for staff, volunteers, and direct supervisors providing either full- or part-time direct supports for a service recipient receiving:

- (1) daily living supports (DLS), per OAC 317:40-5-150;
- (2) Prader-Willi Syndrome services;
- (3) agency companion services (ACS), per Part 1 of OAC 317:40-5;
- or
- (4) group home services, per OAC 340:100-6.

(b) **New employee training.** No later than 30-calendar days following the hire date, staff providing direct supports or supervising the delivery of direct supports at any level must complete the online or first available Developmental Disabilities Services (DDS)-approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the staff's work location following the staff's hire date.

(c) **First aid and cardio-pulmonary resuscitation (CPR).** Direct support staff must be certified in an approved course of first aid and CPR before providing services alone or with other untrained staff.

(1) First aid and CPR certification of each staff must occur within 90-calendar days following the staff's hire date.

(2) The service recipient's Personal Support Team (Team) may determine, based on the service recipient's needs, that staff must receive first aid and CPR certification in less than 90-calendar days.

(d) **Medication administration training.** Staff must be certified in an approved medication administration course per OAC 340:100-3-38.10 before administering medication to a service recipient or assisting with a service recipient's medication support plan.

(e) **Individual-specific in-service training.** Individual-specific in-service training is identified for direct support staff in the service recipient's Individual Plan (Plan).

(1) Training requirements are based on the service recipient's identified needs through Team discussion and review of available assessment information.

(2) A service recipient's Team specifies required completion time frames for individual-specific in-service training. When time frames are not identified in the Plan, required individual-specific in-service training must be completed before working with the service recipient.

(3) As the service recipient's needs require changes in supports or programs, the Team documents in the Plan or in addenda to the Plan, any new or additional in-service training required, with completion time frames.

(4) Individual-specific training is provided by the person or persons designated by the Team and identified by position in the Plan, per rule, statute, and professional practice regulations, when applicable.

(5) The responsible Team member verifies staff has knowledge and skills necessary to provide the identified services. Videos may be used when approved by the Team.

(f) **Job-specific training.**

(1) Staff must complete:

(A) within 90-calendar days after assignment date:

(i) Health course; and

(ii) Ethical and Legal Issues course; and

(B) within six months after assignment date:

(i) Communication course;

(ii) Skill Building course;

(iii) Connections course; and

(iv) Nuts and Bolts course.

(2) Staff who works in both residential and employment or other settings must meet the job-specific training requirements of both jobs. Transfers to avoid required training completion are prohibited.

(g) **Specialized training.** Additional specialized training may be required for direct support staff working with service recipients who have significant health, physical and behavior support issues.

(1) Staff supporting a service recipient with a protective intervention protocol (PIP) that includes non-restrictive intervention techniques must be trained on these techniques before use.

(2) Completion of an approved behavior support course is required for staff supporting a service recipient with a PIP that:

(A) addresses challenging behavior that places the service recipient's physical safety, environment, relationships, or community participation at serious risk; and

(B) contains one or more of these procedures:

(i) physical guidance to overcome resistance;

(ii) physical guidance to move to safety; or

(iii) physical hold to restrict movement.

(3) Staff must complete the approved:

(A) behavior support course before working alone or with other untrained staff, but no later than 60-calendar days after starting work with the service recipient; and

(B) physical management course before using any technique of physical management identified in the PIP.

(i) All staff must complete foundation training with the approved effective teaching course and behavior support course.

(ii) Staff working with the service recipient implements the positive components of the PIP, as well as non-intrusive procedures to assist the service recipient during a crisis.

(iii) The PIP must be reviewed and approved by the Statewide Human Rights and Behavior Review Committee.

(iv) Only staff and staff supervisors providing support to the service recipient are trained on the use of a physical management procedure.

(v) Staff formally trained to use physical management procedures does not use those techniques with other service recipients, except in emergencies per OAC 340:100-5-57.

(vi) Training curricula regarding behavior support are approved by the DDS human resource development and behavioral supports director.

(4) Training regarding physical management procedures must be obtained from trainers approved by the DDS human resource development director.

(5) Staff must complete annual retraining on physical management or physical restraint procedures in the approved PIP.
(h) **Ongoing training.** Direct support staff employed by provider agencies completes eight hours of approved annual training.

(1) Annual training may come from:

- (A) required re-certification classes in first aid, CPR, or medication administration training;
- (B) courses per OAC 340:100-3-38(b)(1);
- (C) courses, conferences, or workshops approved by the DDS human resource development director;
- (D) individual-specific training; or
- (E) agency-specific in-services.

(2) Direct support staff who supervises other staff must take 12 hours of supervisory training annually that may be included in the hours required per this Section.

(3) Direct support staff may challenge or test out of required annual recertification when an approved option is available.

Training completion hours are granted equal to the number of hours for the standard recertification class.

(i) **Exceptions.** Exceptions to training requirements per this Section may be made by the DDS director or designee.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 34 Ok Reg 1598, eff 9-15-17]

340:100-3-38.10. Medication administration training

(a) **General requirements.** Staff must be certified in a medication administration-training course approved by the Developmental Disabilities Services (DDS) human resource development director before administering medication(s) to a person receiving services or assisting with a person's medication support plan.

(1) The DDS human resource development director may approve medication administration certification from another state when supplied with a copy of an acceptable course curriculum.

(2) A licensed nurse who maintains a current, unrestricted license is exempt from the training requirements of this paragraph.

(A) Licensed practical nurses (LPNs) and registered nurses (RNs) may administer medications in accordance with training.

(B) The employer must maintain a copy of the nurse's license in the nurse's personnel file or make the license available for review.

(3) Certification or re-certification to administer medications is valid for two- calendar years from the date of issuance, as long as the person administered medications as a paid, certified staff within the two-calendar year period.

(A) When a person allows his or her medication administration certification to expire, he or she cannot administer medication(s) or assist with a medication support plan. When the person's certification was expired

for less than 60-calendar days, the person's certification is renewed by taking the one-day update training.

(B) When the person's medication administration certification was expired for 60-calendar days or more, the person does not administer medication(s) or assist with a medication support plan and must complete an approved initial medication administration class.

(4) All provider agencies must:

(A) establish written rules that ensure compliance with this Section and with applicable federal and state laws;

(B) provide documentation that staff were given an in-service training in agency-specific practices including, but not limited to, medication storage requirements, documentation forms, and procedures for a medication event, per Oklahoma Administrative Code (OAC) 340:100-3-34; and

(C) maintain a copy of each employee's current certification in his or her personnel file.

(b) Medication administration training provided by provider agencies.

DDS provider agencies may conduct medication administration training under the conditions listed in this subsection.

(1) Any provider agency planning to conduct medication administration training or re-certification classes must submit the prospective trainer's credentials to the DDS human resource development director for approval. The provider agency is responsible for ensuring the instructor adheres to the rules in this Section.

(A) The prospective instructor must be an RN or LPN working under the supervision of an RN.

(i) The nurse's license must be current and active through the Oklahoma State Board of Nursing.

(ii) Any exception to the requirement that the instructor be an RN or LPN must be approved in writing by the DDS human resource development director.

(B) Potential instructors with other types of medical experience or licensure may seek approval to teach medication administration training classes by submitting credentials to the DDS human resource development director.

(C) Each instructor must request and receive approval every two years to teach medication administration training.

(2) The DDS human resource development director must approve or deny the agency's request in writing. A letter designating approval of an instructor to conduct medication administration training must be maintained in the instructor's personnel file at the agency.

(3) Approved instructors only use course materials approved by the DDS human resource development director.

- (4) Each participant in an initial medication training course receives an approved training manual.
- (5) Each agency approved to provide medication administration training must implement an internal monitoring system to review and document the consistency of the training and use of the approved curriculum that is subject to DDS random review.
- (6) All medication administration training must be conducted according to the specific requirements of the course, the rules in this Section, and DDS training rules per OAC 340:100-3-38.
- (7) Instructors provide signed verification of completion for each participant based on the competency criteria provided in this paragraph.
 - (A) Each person must satisfactorily complete the course with a minimum passing score of 85 percent for each test or subtest. When a person does not achieve a score of at least 85 percent after taking the exam two times, he or she must repeat the class.
 - (B) The instructor is responsible for administering a written test to each participant and directly observing test completion.
- (8) The agency providing the training maintains documentation of completed medication administration training. Documentation must include the:
 - (A) name of the agency providing the training;
 - (B) name(s) of the instructor(s);
 - (C) name of the training, include whether it is an initial medication administration training or update training;
 - (D) training date(s);
 - (E) participant names;
 - (F) agency name employing each participant; and
 - (G) each participant's pass or fail status.
- (9) The DDS human resource development director may revoke an instructor's approval to provide medication training for violating rules in this Section.

340:100-3-38.11. Training tracking system [REVOKED]

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Revoked at 28 Ok Reg 897, eff 6-1-11]

340:100-3-38.12. Training requirements for direct support staff providing respite, homemaker, or homemaker respite services

(a) **Applicability.** Oklahoma Administrative Code (OAC) 340:100-3-38.12 sets forth training requirements for staff, volunteers, and direct supervisors providing only respite, homemaker, or homemaker respite services through the Community Waiver, an In-Home Supports Waiver (IHSW), or Homeward Bound Waiver in the family's or service recipient's

home or in any community setting as specified per the service recipient's Individual Plan (Plan).

(1) When Form 06IS037E, In-Home Supports Waiver - Certificate of Competency, is in place for IHSW participants per OAC 340:100-3-38.5, staff does not have to meet this Section's requirements.

(2) Direct support staff providing services beyond respite, homemaker, or homemaker respite services completes training appropriate to staff jobs per OAC 340:100-3-38.

(b) **New employee training.** No later than 30-calendar days following the hire date, staff providing direct supports or supervising the delivery of direct supports at any level must complete the online or first available Developmental Disabilities Services (DDS)-approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the staff's work location following the staff's hire date.

(c) **First aid and cardio-pulmonary resuscitation (CPR).** Direct support staff must be currently certified in an approved course of first aid and CPR before providing services alone or with other untrained staff.

(1) First aid and CPR certification of each staff must occur within 90-calendar days following the staff's hire date.

(2) The service recipient's Personal Support Team (Team) may determine, based on the service recipient's needs, that staff must receive first aid and CPR certification in less than 90-calendar days.

(d) **Medication administration training.** Staff must be certified in an approved medication administration course per OAC 340:100-3-38.10 before administering medication to a service recipient or assisting with a service recipient's medication support plan.

(e) **Individual-specific in-service training.** Individual-specific in-service training is identified for direct support staff in the service recipient's Individual Plan (Plan).

(1) Training requirements are based on the service recipient's identified needs through team discussion and review of available assessment information.

(2) A service recipient's Team specifies required time frames for individual-specific in-service training completion. When time frames are not identified in the Plan, required individual-specific in-service training must be completed before working with the service recipient.

(3) As the service recipient's needs require changes in supports or programs, the Team documents in the Plan or in addenda to the Plan, any new or additional in-service training required, with completion time frames.

(4) Individual-specific training is provided by the person or persons designated by the Team and identified by position in the Plan, per rules, statute, and professional practice regulations, when applicable.

(5) The responsible Team member verifies staff has knowledge and skills necessary to provide the identified services. Videos may be used when approved by the Team.

(f) **Ongoing training.** Direct support staff employed by provider agencies completes eight hours of approved annual training.

(1) Annual training may come from:

- (A) required re-certification classes in first aid, CPR, and medication administration training;
- (B) courses per OAC 340:100-3-38(b)(1);
- (C) courses, conferences, or workshops approved by the DDS human resource development director;
- (D) individual-specific training; or
- (E) agency-specific in-services.

(2) Direct support staff may challenge or test out of required annual recertification when an approved option is available.

Training completion hours are granted equal to the number of hours for the standard recertification class.

(g) **Exceptions.** Exceptions to training requirements per this Section may be made by the DDS director or designee.

[Source: Added at 21 Ok Reg 888, eff 4-24-04 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 26 Ok Reg 922, eff 5-15-09 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 34 Ok Reg 1598, eff 9-15-17]

340:100-3-38.13. Training requirements for staff providing supports in alternative group homes

(a) **Applicability.** Oklahoma Administrative Code (OAC) 340:100-3-38.13 sets forth training requirements for staff, volunteers, and direct supervisors providing direct supports for a service recipient in an alternative group home per OAC 340:100-5-22.6.

(b) **New employee training.** No later than 30-calendar days following the hire date, staff providing direct supports or supervising the delivery of direct supports at any level must complete the online or first available Developmental Disabilities Services DDS-approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the staff's work location following the staff's hire date.

(c) **First aid and cardio-pulmonary resuscitation (CPR).** Direct support staff must be certified in an approved course of first aid and CPR before providing services alone or with other untrained staff.

(1) First aid and CPR certification of each staff must occur within 90-calendar days following the staff's hire date.

(2) The service recipient's Personal Support Team (Team) may determine, based on the service recipient's needs, that staff must receive first aid and CPR certification in less than 90-calendar days.

(d) **Medication administration training.** Staff must be certified in an approved medication administration course per OAC 340:100-3-38.10 before administering medication to a service recipient or assisting with a service recipient's medication support plan.

(e) **Individual-specific in-service training.** Individual-specific in-service training is identified for direct support staff in the service recipient's Individual Plan (Plan).

(1) Training requirements are based on the service recipient's identified needs through Team discussion and review of available assessment information.

(2) A service recipient's Team specifies required completion time frames for individual-specific in-service training. When time frames are not identified in the Plan, required individual-specific in-service training must be completed before working with the service recipient.

(3) As the service recipient's needs require changes in supports or programs, the Team documents in the Plan or in addenda to the Plan, any new or additional in-service training required, with completion time frames.

(4) Individual-specific training is provided by the person or persons designated by the Team and identified by position in the Plan per rule, statute, and professional practice regulations, when applicable.

(5) The responsible Team member verifies staff has knowledge and skills necessary to provide the identified services. Videos may be used when approved by the Team.

(f) Job-specific training.

(1) Staff must complete:

(A) within 90-calendar days after assignment date:

(i) Health course; and

(ii) Ethical and Legal Issues course; and

(B) within six months after date of assignment:

(i) Communication course; and

(ii) Skill Building course.

(2) Staff who work in both residential and employment or other settings must meet job-specific training requirements of both jobs. Transfers to avoid required training completion are prohibited.

(g) Specialized training. Additional specialized training is required for each direct support staff working with service recipients in an alternative group home.

(1) Staff supporting a service recipient with a protective intervention protocol (PIP) that includes non-restrictive intervention techniques must be trained on these techniques before use.

(2) Completion of an approved behavior support course is required for staff supporting a service recipient with a PIP that:

(A) addresses challenging behavior that places the service recipient's physical safety, environment, relationships, or community participation at serious risk; and

(B) contains one or more of these procedures:

(i) physical guidance to overcome resistance;

(ii) physical guidance to move to safety; or

(iii) physical hold to restrict movement.

(3) Staff must complete the approved:

(A) behavior support course before working alone or with other untrained staff, but no later than 60-calendar days after starting work with the service recipient; and

(B) physical management course before using any technique of physical management identified in the IP.

(i) Staff working with the service recipient implements the positive components of the Plan, as well as non-intrusive procedures to assist the service recipient during a crisis prior to using physical management techniques.

(ii) Only staff and staff supervisors providing support to the service recipient are trained on the use of a physical management procedure.

(iii) Training curricula regarding behavior support are approved by the DDS human resource development and behavioral supports director.

(4) Training regarding physical management procedures must be obtained from DDS trainers approved by the DDS human resource development director.

(5) Staff must complete:

(A) an annual retraining on the physical management or physical restraint procedures in the approved protective intervention plan; and

(B) the DDS approved orientation specific to community protection issues within 60-calendar days of starting work with the service recipient.

(h) **Ongoing training.** Direct support staff employed by provider agencies complete 12 hours of approved annual training.

(1) Annual training may come from:

(A) required re-certification classes in first aid, CPR, and medication administration training;

(B) courses per OAC 340:100-3-38(b)(1);

(C) courses, conferences, or workshops approved by the DDS human resource development director;

(D) individual-specific training; or

(E) agency-specific in-services.

(2) Direct support staff supervising other staff must take 12 hours of supervisory training annually that may be included in the hours required per this Section.

(3) Direct support staff may challenge or test out of required annual recertification when an approved option is available.

Training completion hours are granted equal to the number of hours for the standard recertification class.

(i) **Exceptions.** Exceptions to training requirements per this Section may be made by the DDS director or designee.

340:100-3-38.2. Training requirements for staff providing employment services

(a) **Applicability.** Oklahoma Administrative Code (OAC) 340:100-3-38.2 sets forth training requirements for provider agency staff, volunteers, and direct supervisors providing either full- or part-time direct supports for a service recipient receiving:

- (1) center-based services;
 - (2) community-based services;
 - (3) sheltered workshop services;
 - (4) job coaching services, excluding services per OAC 317:40-7-8;
- or
- (5) other supported employment services.

(b) **New employee training.** No later than 30-calendar days following the hire date, staff providing direct supports or supervising the delivery of direct supports at any level must complete the online or first available Developmental Disabilities Services (DDS)-approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the staff's work location following the staff's hire date.

(c) **First aid and cardio-pulmonary resuscitation (CPR).** Direct support staff must be certified in an approved course of first aid and CPR before providing services alone or with other untrained staff.

- (1) First aid and CPR certification of each staff must occur within 90-calendar days following the staff's hire date.
- (2) The service recipient's Personal Support Team (Team) may determine, based on the service recipient's needs, that staff must receive first aid and CPR certification in less than 90-calendar days.

(d) **Medication administration training.** Staff must be certified in an approved medication administration course per OAC 340:100-3-38.10 before administering medication to a service recipient or assisting with a service recipient's medication support plan.

(e) **Individual-specific in-service training.** Individual-specific in-service training is identified for direct support staff in the service recipient's Individual Plan (Plan).

- (1) Training requirements are based on the service recipient's identified needs through team discussion and review of available assessment information.
- (2) The service recipient's Team specifies required completion time frames of individual-specific in-service training. When time frames are not identified in the Plan, required individual-specific in-service training must be completed before working with the service recipient.
- (3) As the service recipient's needs require changes in supports or programs, the Team documents in the Plan or in addenda to the Plan, any new or additional in-service training required, with completion time frames.

(4) Individual-specific training is provided by the person or persons designated by the Team and identified by position in the Plan, per rule, statute, and professional practice regulations, when applicable.

(5) The responsible Team member verifies staff has knowledge and skills necessary to provide the identified services. Videos may be used when approved by the Team.

(f) Job-specific training.

(1) Staff must complete:

(A) general employment training within 90-calendar days after assignment date; and

(B) employment specialist training within six months after assignment date as job coach or other position providing supported employment service.

(2) Staff who works in both residential and employment or other settings must meet the job-specific training requirements of both jobs. Transfers to avoid required training completion are prohibited.

(g) Specialized training. Additional specialized training may be required for direct support staff working with service recipients who have significant health, physical, or behavior support issues.

(1) Staff supporting a service recipient with a protective intervention protocol (PIP) that includes non-restrictive intervention techniques must be trained on these techniques before use.

(2) Completion of an approved behavior support course is required for staff supporting a service recipient with a PIP that:

(A) addresses challenging behavior that places the service recipient's physical safety, environment, relationships, or community participation at serious risk; and

(B) contains one or more of these procedures:

(i) physical guidance to overcome resistance;

(ii) physical guidance to move to safety; or

(iii) physical hold to restrict movement.

(3) The approved behavior support course is identified in the Plan and must be completed before working alone or with other untrained staff, but no later than 60-calendar days after starting work with the service recipient.

(4) Staff must complete the approved physical management course before using any technique of physical management identified in a PIP.

(A) All staff must complete foundation training with the approved effective teaching course and behavior support course.

(B) Staff working with the service recipient implements the positive components of the PIP and non-intrusive procedures to assist the service recipient during a crisis.

(C) The PIP must be reviewed and approved by the Statewide Human Rights and Behavior Review Committee.

(D) Training in physical management procedures occurs only within the requirements of this subsection.

(E) Only staff and staff supervisors who provide support to the service recipient are trained on the use of a physical management procedure.

(F) Staff formally trained to use physical management procedures, does not use those techniques with other service recipients, except in emergencies per OAC 340:100-5-57.

(G) Training curricula regarding behavior support are approved by the DDS human resource development and behavioral supports director.

(5) Training regarding physical management procedures must be obtained from trainers approved by the DDS human resource development director.

(6) Staff must complete an annual retraining on the physical management or physical restraint procedures in the approved PIP.

(h) **Ongoing training.** Direct support staff employed by provider agencies completes 12 hours of approved annual training.

(1) Annual training may come from:

(A) required re-certification classes in first aid, CPR, and medication administration training;

(B) courses per OAC 340:100-3-38(b)(1);

(C) courses, conferences, or workshops approved by the DDS human resource development director;

(D) individual-specific training; or

(E) agency-specific in-services.

(2) Direct support staff who supervises other staff must take 12 hours of supervisory training annually that may be included in the hours required per this Section.

(3) Direct support staff may challenge or test out of required annual recertification when an approved option is available.

Training completion hours are granted equal to the number of hours for the standard recertification class.

(i) **Exceptions.** Exceptions to training requirements per this Section may be made by the DDS director or designee.

340:100-3-38.3. Training requirements for staff providing supports in family's or service recipient's home through Community Waiver or Homeward Bound Waiver, other than residential supports

(a) **Applicability.** Oklahoma Administrative Code (OAC) 340:100-3-38.3 sets forth training requirements for provider agency staff, volunteers, and direct supervisors providing direct supports funded through the Community Waiver or Homeward Bound Waiver in the family's or service recipient's home. Staff providing:

(1) services through an In-Home Supports Waiver must complete training per OAC 340:100-3-38.5; and

(2) residential supports per OAC 340:100-5-22.1 must complete training per OAC 340:100-3-38.1.

(b) **New employee training.** No later than 30-calendar days following the hire date, staff providing direct supports or supervising the delivery of direct supports at any level must complete the online or first available Developmental Disabilities Services (DDS)-approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the staff's work location following the staff's hire date.

(c) **First aid and cardio-pulmonary resuscitation (CPR).** Direct support staff must be certified in an approved course of first aid and CPR before providing services alone or with other untrained staff.

(1) First aid and CPR certification of each staff must occur within 90-calendar days following the staff's hire date.

(2) The service recipient's Personal Support Team (Team) may determine, based on the needs of the service recipient, that staff must receive first aid and CPR certification in less than 90-calendar days.

(d) **Medication administration training.** Staff must be certified in an approved medication administration course per OAC 340:100-3-38.10 before administering medication to a service recipient or assisting with a service recipient's medication support plan.

(e) **Individual-specific in-service training.** Individual-specific in-service training is identified for direct support staff in the service recipient's Individual Plan (Plan).

(1) Training requirements are based on the service recipient's identified needs through team discussion and review of available assessment information.

(2) The service recipient's Team specifies required completion time frames for individual-specific in-service training. When time frames are not identified in the Plan, required individual-specific in-service training must be completed before working with the service recipient.

(3) As the service recipient's needs require changes in supports or programs, the Team documents in the Plan or in addenda to the Plan, any new or additional in-service training required, with completion time frames.

(4) Individual-specific training is provided by the person or persons designated by the Team and identified by position in the Plan, per rule, statute, and professional practice regulations, when applicable.

(5) The responsible Team member verifies staff has knowledge and skills necessary to provide the identified services. Videos may be used when approved by the Team.

(f) **Job-specific training.** Staff must complete:

(1) within 90-calendar days after assignment date, Health course; and

(2) within six months after assignment date:

(A) Skill Building course; and

(B) Communication course.

(g) **Specialized training.** Additional specialized training may be required for direct support staff working with service recipients who have significant health, physical, or behavior support issues.

(1) Staff supporting a service recipient with a protective intervention protocol (PIP) that includes non-restrictive intervention techniques must be trained on these techniques before use.

(2) Completion of an approved behavior support course is required for staff supporting a service recipient with a PIP that:

(A) addresses challenging behavior that places the service recipient's physical safety, environment, relationships, or community participation at serious risk; and

(B) contains one or more of these procedures:

(i) physical guidance to overcome resistance;

(ii) physical guidance to move to safety; or

(iii) physical hold to restrict movement.

(3) The approved behavior support course must be completed before working alone or with other untrained staff, but no later than 60-calendar days after starting work with the service recipient.

(4) Staff must complete the approved physical management course before using any technique of physical management identified in a PIP.

(A) All staff must complete foundation training with the approved effective teaching course and behavior support course.

(B) Staff working with the service recipient implements the positive components of the PIP, as well as non-intrusive procedures to assist the service recipient during a crisis.

(C) The PIP must be reviewed and approved by the Statewide Human Rights and Behavior Review Committee.

(D) Training in physical management procedures occurs only within the requirements per this subsection.

(E) Only staff and staff supervisors who provide support to the service recipient are trained on use of a physical management procedure.

(F) Staff formally trained to use physical management procedures does not use those techniques with other service recipients, except in emergencies per OAC 340:100-5-57.

(G) Training curricula regarding behavior support are approved by the DDS human resource development and behavioral supports director.

(5) Training regarding physical management procedures must be obtained from trainers approved by the DDS human resource development director.

(6) Staff must complete an annual retraining on the physical management or physical restraint procedures in the approved PIP.

(h) **Ongoing training.** Direct support staff employed by provider agencies completes eight hours of approved annual training.

(1) Annual training may come from:

- (A) required re-certification classes in first aid, CPR, and medication administration training;
- (B) courses per OAC 340:100-3-38(b)(1);
- (C) courses, conferences, or workshops approved by the DDS human resource development director;
- (D) individual-specific training; or
- (E) agency-specific in-services.

(2) Direct support staff who supervises other staff must take 12 hours of supervisory training annually that may be included in the hours required per this Section.

(3) Direct support staff may challenge or test out of required annual re-certification when an approved option is available. Training completion hours are granted equal to the number of hours for the standard recertification class.

(i) **Exceptions.** Exceptions to training requirements per this Section may be made by the DDS director or designee.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 34 Ok Reg 1598, eff 9-15-17]

340:100-3-38.4. Training requirements for persons providing specialized foster care

(a) **Applicability.** Oklahoma Administrative Code (OAC) 340:100-3-38.4 sets forth training requirements for persons providing specialized foster care (SFC).

(b) **Initial training.** Prior to the contractual agreement with the Oklahoma Health Care Authority (OHCA), SFC providers must complete the:

- (1) online or first available Developmental Disabilities Services (DDS) approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the SFC provider's work location; and
- (2) SFC orientation training as approved by the DDS director of human resource development.

(c) **First aid and cardio-pulmonary resuscitation (CPR).** Prior to the contractual agreement with OHCA, SFC providers must be certified in an approved course of first aid and CPR.

(d) **Medication administration training.** Prior to the contractual agreement with OHCA, SFC providers must be certified in an approved medication administration course per OAC 340:100-3-38.10.

(e) **Individual-specific in-service training.** Individual-specific in-service training is identified for direct support staff in the service recipient's Individual Plan (Plan).

- (1) Training requirements are based on the service recipient's identified needs through team discussion and review of available assessment information.
- (2) A service recipient's Team specifies required completion time frames of individual-specific in-service training. When time frames are not identified in the Plan, required individual-specific in-service training must be completed before working with the

service recipient.

(3) As the service recipient's needs require changes in supports or programs, the Team documents in the Plan or in addenda to the Plan, any new or additional in-service training required, with completion time frames.

(4) Individual-specific training is provided by the person or persons designated by the Team and identified by position in the Plan, in accordance with rule, statute, and professional practice regulations, when applicable.

(5) The responsible Team member verifies staff has knowledge and skills necessary to provide the identified services. Videos may be used when approved by the Team.

(f) **Job-specific training.** SFC providers working in both residential and employment or other settings must meet the job-specific training requirements of both jobs. The SFC provider must complete:

(1) within 90-calendar days after receipt of the approved OHCA contractual agreement:

(A) Health course;

(B) Ethical and Legal Issues course; and

(2) within six months after receipt of the approved OHCA contractual agreement:

(A) Communication course;

(B) Skill Building course;

(C) Connections course; and

(D) Nuts and Bolts course.

(g) **Specialized training.** Additional specialized training courses may be required for SFC providers working with service recipients who have significant health, physical, or behavior support issues.

(1) Staff supporting a service recipient with a protective intervention protocol (PIP) that includes non-restrictive intervention techniques must be trained on these techniques before use.

(2) Completion of an approved behavior support course is required for SFC providers supporting a service recipient with a PIP that:

(A) addresses challenging behavior that places the service recipient's physical safety, environment, relationships, or community participation at serious risk; and

(B) contains one or more of these procedures :

(i) physical guidance to overcome resistance;

(ii) physical guidance to move to safety; or

(iii) physical hold to restrict movement.

(3) The SFC provider must complete the approved:

(A) behavior support course before working alone or with other untrained staff, but no later than 60-calendar days after starting work with the service recipient; and

(B) physical management course before using any technique of physical management identified in a PIP.

(i) The SFC provider implements the positive components of the Plan, as well as non-intrusive procedures to assist the person during a crisis.

(ii) The PIP must be reviewed and approved by the Statewide Human Rights and Behavior Review Committee.

(iii) Training in physical management procedures occurs only within the requirements of this subsection.

(iv) Only SFC providers who provide support to the service recipient are trained on use of a physical management procedure.

(v) The SFC provider formally trained to use physical management procedures does not use those techniques with other service recipients, except in emergencies per OAC 340:100-5-57.

(vi) Training curricula regarding behavior support are approved by the DDS human resource development and behavioral supports director.

(4) Training regarding physical management procedures must be obtained from trainers approved by the DDS human resource development director.

(5) The SFC provider must complete an annual retraining on the physical management or physical restraint procedures in the approved PIP.

(h) **Ongoing training.** All SFC providers complete 12 hours of approved annual training.

(1) Annual training may come from:

(A) required re-certification classes in first aid, CPR, and medication administration training;

(B) courses per OAC 340:100-3-38(b)(1);

(C) courses, conferences, or workshops approved by the DDS human resource development director;

(D) individual-specific training; or

(E) Oklahoma Department of Human Services in-services.

(2) Direct support staff may challenge or test out of required annual recertification when an approved option is available.

Training completion hours are granted equal to the number of hours for the standard recertification class.

(i) **Exceptions.** Exceptions to training requirements per this Section may be made by the DDS director or designee.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 34 Ok Reg 1598, eff 9-15-17]

340:100-3-38.5. Training requirements for staff providing supports in family's or service recipient's home through an In-Home Supports Waiver

(a) **Applicability.** Oklahoma Administrative Code (OAC) 340:100-3-38.5 sets forth training requirements for staff providing direct supports funded through an In-Home Supports Waiver (IHSW) in the family's or service recipient's home. Staff providing employment supports must complete training per OAC 340:100-3-38.2.

(b) **New employee training.** No later than 30-calendar days following the hire date, staff providing direct supports or supervising at any level the delivery of direct supports must complete the online or first available Developmental Disabilities Services (DDS)-approved foundation training course and effective teaching course. The supervisory staff training requirement does not apply to the service recipient or representative who is self-directing services per OAC 317:40-9-1. The person directing services per OAC 317:40-9-1 must complete the approved self-directed services training course. The first available class is the first unfilled class held within 60 miles of staff's work location following staff's hire date.

(c) **First aid and cardio-pulmonary resuscitation (CPR).** Direct support staff must be certified in an approved course of first aid and CPR before providing services alone or with other untrained staff.

(1) First aid and CPR certification of staff must occur within 90-calendar days following the staff's hire date.

(2) The service recipient's Personal Support Team (Team) may determine, based on the service recipient's needs, that staff must receive first aid and CPR certification in less than 90-calendar days.

(d) **Medication administration training.** Staff must be certified in an approved medication administration course per OAC 340:100-3-38.10 before administering medication to a service recipient or assisting with a service recipient's medication support plan.

(e) **Individual-specific in-service training.** Individual-specific in-service training is identified for direct support staff in the service recipient's Individual Plan (Plan).

(1) Training requirements are based on the service recipient's identified needs through team discussion and review of available assessment information.

(2) The service recipient's Team specifies required completion time frames of individual-specific in-service training. When time frames are not identified in the Plan, required individual-specific in-service training must be completed before working with the service recipient.

(3) As the service recipient's needs require changes in supports or programs, the Team documents in the Plan or in addenda to the Plan, any new or additional in-service training required, with completion time frames.

(4) The Team identifies the person responsible for providing individual-specific training and verifies staff has knowledge and skills necessary to provide the identified services. Videos may be used when approved by the Team.

(f) **Job-specific training.** Staff must complete:

(1) within 90-calendar days after assignment date, Health course; and

(2) within six months after assignment date:

(A) Communication course; and

(B) Skill Building course.

(g) **Specialized training.** Additional specialized training courses may be required for direct support staff working with service recipients who have significant health, physical or behavior support issues.

(1) Staff supporting a service recipient with a protective intervention protocol (PIP) that includes non-restrictive intervention techniques must be trained on these techniques before use.

(2) Completion of an approved behavior support course is required for staff supporting a service recipient with a PIP that:

(A) addresses challenging behavior that places the service recipient's physical safety, environment, relationships, or community participation at serious risk; and

(B) contains one or more of these procedures:

(i) physical guidance to overcome resistance;

(ii) physical guidance to move to safety; or

(iii) physical hold to restrict movement.

(3) The approved behavior support course must be completed before working alone or with other untrained staff, but no later than 60-calendar days after starting work with the service recipient.

(4) Staff must complete the approved physical management course before using any technique of physical management identified in a PIP.

(A) All staff must complete foundation training with the approved effective teaching course and behavior support course.

(B) Staff working with the service recipient implements the positive components of the Plan, as well as non-intrusive procedures to assist the service recipient during a crisis.

(C) The PIP must be reviewed and approved by the Statewide Human Rights and Behavior Review Committee.

(D) Training in physical management procedures occurs only within the requirements per this subsection.

(E) Only staff and staff supervisors providing support to the service recipient are trained on use of a physical management procedure.

(F) Staff formally trained to use physical management procedures does not use those techniques with other service recipients, except in emergencies per OAC 340:100-5-57.

(G) Training curricula regarding behavior support are approved by the DDS human resource development director and behavioral supports director.

(5) Training regarding physical management procedures must be obtained from trainers approved by the DDS human resource development director.

(6) Staff must complete annual retraining on the physical management or physical restraint procedures in the approved PIP.

(h) **Ongoing training.** Direct support staff employed by approved provider agencies that provide services funded through an IHSW complete 12 hours of annual training.

(1) Annual training may come from:

- (A) required re-certification classes in first aid, CPR, and medication administration training;
- (B) courses per OAC 340:100-3-38(b)(1);
- (C) courses, conferences, or workshops approved by the DDS human resource development director;
- (D) individual-specific training; or
- (E) agency-specific in-services.

(2) Direct support staff may challenge or test out of required annual recertification when an approved option is available. Training completion hours are granted equal to the number of hours for the standard recertification class.

(i) **Certification of competency.** When the service recipient, if applicable, legal guardian, or parent(s) of a minor service recipient determines the person chosen to provide services demonstrated competency in providing care to the service recipient, the service recipient, legal guardian, or parent(s) may exempt the person from training requirements, per this Section, by signing Form 06IS037E, In-Home Supports Waiver - Certificate of Competency.

(1) The exemption from training is intended to allow a friend, neighbor, family member, or other person who has been trained and deemed competent by the service recipient, or if applicable, legal guardian or parent(s) of a minor service recipient to provide services.

(A) No person may coerce or in any way influence a service recipient, legal guardian, or family member to sign Form 06IS037E.

(B) Violation of this prohibition may result in sanctions per OAC 340:100-3-27.

(2) When a service recipient, if applicable, legal guardian, or parent(s) of a minor service recipient chooses to exempt staff from training, neither the Oklahoma Department of Human Services (DHS) nor the employing contract agency is liable in the event of harm attributable to lack of training, to the service recipient while in the care of contract agency staff.

(3) When an adult service recipient without a legal guardian chooses to exempt staff from training, training requirements are not waived without written concurrence, on Form 06IS038E, In-Home Supports Waiver - Family Member's Statement, from a parent(s) or family member closest to the service recipient.

(4) The provider agency employing the staff may require training not included in the exemption.

(5) All staff, regardless of signed Form 06IS037E, must successfully complete:

- (A) certification in first aid and CPR before working alone or with untrained staff, but no later than 90-calendar days after starting work with the service recipient;
- (B) an approved medication administration course per OAC 340:100-3-38.10; and
- (C) individual-specific in-service training per (e) of this Section.

(6) Form 06IS037E:

(A) is valid for no longer than one year from the signature date; and

(B) may be withdrawn at any time by the service recipient, if applicable, legal guardian, or parent(s) of a minor service recipient by writing to the DDS case manager and provider agency.

(7) DHS may withdraw the exemption from training at any time.

(j) **Exceptions.** Exceptions to training requirements per this Section may be made by the DDS director or designee.

340:100-3-38.6. Training requirements for Developmental Disabilities Services Division case managers and case management supervisors

(a) **Applicability.** OAC 340:100-3-38.6 sets forth training requirements for Developmental Disabilities Services Division (DDSD) case managers and case management supervisors.

(b) **New employee training.** No later than 30 days following the date of hire, all DDSD case managers must complete the first available DDSD approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the case manager's work location following the case manager's date of hire.

(c) **Case management training.** Within the first 12 months of employment, all DDSD case managers complete Form 06TR061E, Case Management Competency Checklist.

(d) **Ongoing case manager training.** All DDSD case managers and case management supervisors complete at least 20 hours of annual training through courses, workshops, conferences, or other sources, per OAC 340:100-3-38(b)(1).

(e) **Exceptions.** Exceptions to training requirements per OAC 340:100-3-38.6 may be made by the DDSD director or designee.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08]

340:100-3-38.7. Training requirements for program coordinators

(a) **Applicability.** OAC 340:100-3-38.7 sets forth training requirements for persons employed by a provider agency to meet the program coordination requirements per OAC 340:100-5-22.1 and OAC 340:100-6-55, or to supply supervision, guidance, and oversight of paraprofessional staff providing direct supports. If providing fill-in direct support services, the program coordinator must complete applicable training per OAC 340:100-3-38.1, 340:100-3-38.3, 340:100-3-38.5, or 340:100-3-38.13.

(b) **New employee training.** No later than 30 days following the date of hire, persons performing program coordination duties must complete the online or first available Developmental Disabilities Services Division (DDSD) approved foundation training course and effective teaching

course. The first available class is the first unfilled class held within 60 miles of the program coordinator's primary work location following the program coordinator's date of hire.

(c) **Job-specific training.** Each program coordinator must complete:

- (1) within one week after date of assignment, health care coordinator training;
- (2) within 60 days after date of assignment, Health course;
- (3) within 90 days after date of assignment:
 - (A) case management Individual Plan module;
 - (B) case management Quality Assurance module; and
 - (C) an approved medication administration course per OAC 340:100-3-38.10; and
- (4) within one year after date of assignment, at least 12 hours of supervisory training when supervising direct support staff.

(d) **Individual-specific training.** The program coordinator ensures direct support staff are trained as specified in the service recipient's Individual Plan.

(e) **Specialized training.** The program coordinator completes the approved behavior support course if required for service recipients served by the program coordinator within 90 days after date of assignment.

(f) **Ongoing training.** All program coordinators complete at least 20 hours of annual training through courses, workshops, conferences, or other sources, per OAC 340:100-3-38(b)(1). The annual training requirement includes at least 12 hours of supervisory training if the employee supervises other staff. Program coordination staff may challenge or test out of required annual recertification when an approved option is available. Training completion hours will be granted equal to the number of hours for the standard recertification class.

(g) **Exceptions.** Exceptions to training requirements per OAC 340:100-3-38.7 may be made by the DDS director or designee.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 28 Ok Reg 897, eff 6-1-11]

340:100-3-38.8. Training requirements for employment services program managers

(a) **Applicability.** OAC 340:100-3-38.8 sets forth training requirements for persons employed to meet the program manager requirements per OAC 317:40-7-20. If providing fill-in direct support services, the program manager must complete direct support staff training per OAC 340:100-3-38.2.

(b) **New employee training.** No later than 30 days following the date of hire, each program manager must complete the online or first available Developmental Disabilities Services Division (DDS) approved foundation training course and effective teaching course. The first available class is the first unfilled class held within 60 miles of the program manager's primary work location following the program manager's date of hire.

(c) **Job-specific training.** The program manager must complete:

(1) prior to assuming program manager duties, the job coach certification training;

(2) within 60 days after date of assignment:

(A) advanced employment specialist training; and

(B) program manager training; and

(3) within 90 days after date of assignment:

(A) case management Individual Plan module;

(B) case management Quality Assurance module; and

(C) an approved medication administration course per OAC 340:100-3-38.10.

(d) **Individual-specific training.** The program manager ensures direct support staff are trained as specified in the service recipient's Individual Plan (Plan).

(e) **Specialized training.** The program manager completes the approved behavior support course if required for service recipients served by the program manager within 90 days after date of assignment.

(f) **Ongoing training.** All program managers complete at least 20 hours of annual training through courses, workshops, conferences, or other sources, per OAC 340:100-3-38(b)(1). The annual training requirement includes at least 12 hours of supervisory training if the employee supervises other staff. Program managers may challenge or test out of required annual recertification when an approved option is available. Training completion hours are granted equal to the number of hours for the standard recertification class.

(g) **Exceptions.** Exceptions to training requirements per OAC 340:100-3-38.8 may be made by the DDS director or designee.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 28 Ok Reg 897, eff 6-1-11]

340:100-3-38.9. Training requirements for all Developmental Disabilities Services Division (DDSD) and provider agency supervisory staff

(a) **Applicability.** Staff members providing supervision of other staff members in a provider agency or DDSD are required to complete training as explained in this Section.

(b) **New employee training.** No later than 30 days following the date of hire, provider agency staff supervising at any level the delivery of direct supports and all DDSD staff must complete the first available DDSD-approved foundation training course and the approved effective teaching course. The first available class is the first unfilled class held within 60 miles of the staff person's work location following the person's date of hire.

(c) **Supervisory training.** All DDSD supervisory staff and provider agency staff in supervisory or management positions complete 12 hours of supervisory or management training:

- (1) within 60 days of assuming supervisory duties; and
- (2) each year.

(d) **Exceptions.** Exceptions to the training requirements given in this Section may be made by the DDSD director or designee.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03]

340:100-3-39. Pre-employment screening for community services workers

(a) **Legal basis.** Section 1025.1 et seq. of Title 56 of the Oklahoma Statutes (56 O.S. §§1025.1 et seq.) requires Oklahoma Human Services (OKDHS) to establish and maintain a registry listing the names of community services workers against whom a final investigative finding of maltreatment involving a service recipient, was made by OKDHS or an administrative law judge. Providers of community services:

- (1) are required to conduct criminal history records and OKDHS Community Services Worker Registry (Registry) searches prior to any community services worker's permanent employment; and
- (2) must not hire, contract with, or use as a volunteer, a person whose name is listed in the Registry or who has a criminal background, per Oklahoma Administrative Code (OAC) 340:100-3-39(e)(1)(G).

(b) **Applicability.** The requirements set forth in OAC 340:100-3-39 apply to all community services providers who contract with, are licensed or funded by OKDHS, or who contract with the Oklahoma Health Care Authority (OHCA) to provide residential or employment services to service recipients through Developmental Disabilities Services (DDS) Home and Community-Based Services (HCBS) Waivers.

(c) **Definitions.** The following words and terms when used in this Section shall have the following meanings, unless the context clearly indicates otherwise:

- (1) **"Community services provider"** means a community-based program, corporation, or person who contracts with, is licensed or funded by OKDHS, or who contracts with OHCA to provide

residential or employment services to a service recipient through DDS HCBS Waivers.

- (2) **"Community services worker"** means any person who:
- (A) contracts with OHCA to provide specialized foster care, habilitation training specialist services, or homemaker services to persons with developmental disabilities; or
 - (B) is not a licensed health professional; and
 - (C) is employed by, or under contract with a community services provider, for compensation or as a volunteer, to provide:
 - (i) health-related services;
 - (ii) training; or
 - (iii) supportive assistance.
- (3) **"Good cause"** means the failure of a community services worker to make a timely response for reconsideration of a confirmed finding of maltreatment due to:
- (A) a death within the community services worker's immediate family;
 - (B) hospitalization of the community services worker; or
 - (C) an equally meritorious reason, determined within the sound discretion of the administrative law judge or other OKDHS staff as authorized, per OAC 340:100-3-39 and 340:2-3-39, as applicable, to determine such cause.
- (4) **"Habilitation training specialist services"** means the HCBS as defined in the 1915(c) Waiver approved by the Centers for Medicare and Medicaid Services (CMS).
- (5) **"Health related services"** means assistance provided to a service recipient that includes, but is not limited to:
- (A) personal hygiene;
 - (B) transferring;
 - (C) range of motion;
 - (D) supervision or assistance in activities of daily living; or
 - (E) basic nursing care, such as:
 - (i) taking temperature, pulse, or respiration;
 - (ii) positioning;
 - (iii) incontinent care; or
 - (iv) identification of signs and symptoms of disease;and
 - (F) certain tasks that may be performed as basic nursing care by community services workers and require appropriate training provided or approved by OKDHS, written agreement by the service recipient's Personal Support Team, and the primary care physician's acknowledgement and specific order related to the task. Under such circumstances, basic nursing care may include, but is not limited to:
 - (i) nutrition, including meals by gastrostomy tube or jejunostomy tube;
 - (ii) blood glucose monitoring;
 - (iii) ostomy bag care;

- (iv) oral suctioning; and
- (v) administration of oral metered dose inhalers and nebulizers.

(6) "**Homemaker services**" means the HCBS as defined in the 1915(c) Waiver approved by CMS.

(7) "**Maltreatment**" means abuse, verbal abuse, sexual abuse, neglect, financial neglect, exploitation, or sexual exploitation of vulnerable adults, per Section 10-103 of Title 43A of the Oklahoma Statutes (43A O.S. § 10-103); or abuse, neglect, sexual abuse, or sexual exploitation of children, per 10A O.S. § 1-1-105.

(8) "**Specialized foster care**" means the HCBS as defined in the 1915(c) Waiver approved by the CMS.

(9) "**Supportive assistance**" means service rendered sufficient to enable the service recipient to meet an adequate level of daily living including, but not limited to:

- (A) training;
- (B) supervision;
- (C) assistance in housekeeping;
- (D) assistance in meal preparation; and
- (E) assistance in personal care and activities of daily living necessary for the health and comfort of the service recipient.

(d) **OKDHS duties.** When OHCA contracts directly with a specialized foster care provider, habilitation training specialist services provider, or a homemaker services provider to provide services through DDS HCBS Waivers, OKDHS follows the screening procedures required for community services providers.

(e) **Community services provider duties.**

(1) **Provider pre-employment responsibilities.** Each community services provider conducts a search of criminal history records and the Registry for every potential employee who is not a licensed health professional and who will provide, for compensation or as a volunteer, on a full- or part-time basis, health-related services, training, or supportive assistance to a service recipient. This requirement also applies to applicants for supervisory, management, or administrative positions, when the applicant is to provide, on a full-or part-time basis, supportive assistance, health-related services, or training to a service recipient. The provider:

- (A) uses Form 06PE039E, Employment Application Supplement, to formally advise each applicant of the:
 - (i) required criminal history records search, the Registry, and Restricted Registry, as applicable, per 10 O.S. § 405.3;
 - (ii) potential consequences of background checks, including the provider's prohibition from hiring any person whose name appears in the Registry, or who has a prohibited criminal conviction, per OAC 340:100-3-39(e)(1)(G);
 - (iii) requirement that the community services worker's employment must be terminated if his or

her name appears in the Registry, even though the applicant's name may not have appeared in the Registry at the time of application or hiring;

- (iv) requirement to report all current and previous employers who provide services to children or to vulnerable adults;
- (v) fact that giving false information regarding current and previous employers results in termination of employment; and
- (vi) requirement of criminal prosecution for having sexual contact with a person in his or her care, per 10 O.S. § 1430.3 and 43A O.S. § 10-113.

(B) contacts all previous employers engaged in delivery of services to children or vulnerable adults, per 43A O.S. § 10-103, requesting information on investigations or findings of maltreatment;

(C) when contacted by a potential employer, gives accurate information regarding investigations of maltreatment reported to Adult Protective Services (APS), Office of Client Advocacy (OCA), or Child Protective Services (CPS);

(D) requests a criminal history records search from the Oklahoma State Bureau of Investigation (OSBI) prior to employment of, or offer of employment to, any applicant, except as provided in OAC 340:100-3-39(e)(1)(F) and (G).

- (i) The provider must secure the criminal history records search and cannot accept documents provided by the applicant.

- (ii) When the provider uses a contractor to secure the criminal history records search, the contractor attaches the document received from OSBI to any report given to the provider;

(E) investigates discrepancies in the criminal record information received from OSBI.

- (i) When discrepancies exist between criminal history information and information reported by the applicant, such as convictions not reported by the applicant, the provider secures a written explanation of the discrepancy from the applicant, which is sent to OKDHS when the provider is requesting a waiver, per OAC 340:100-3-39(f).

- (ii) When OSBI information reports inconclusive data, such as reporting the case was referred to another law enforcement agency, the provider secures documentary evidence of the outcome;

(F) may choose to make an offer of temporary employment to an applicant, pending the results of the OSBI criminal history records search.

- (i) The provider submits a request for a criminal history records search to OSBI within 72 hours of the applicant's acceptance of any offer of

temporary employment.

(ii) Temporary employment of any applicant does not extend longer than the time necessary to receive the results of the criminal history records search and Registry review, not to exceed 30-calendar days.

(iii) During any period of temporary employment the temporary employee may not work alone nor work solely with other temporary employees; and

(G) when the OSBI search reveals the applicant was convicted, pled guilty or nolo contendere to misdemeanor assault and battery or a felony, the provider does not hire or contract with the person, and immediately cancels any temporary employment arrangement. When a waiver is requested, per OAC 340:100-3-39(f), the community services worker is relieved of responsibilities working directly with service recipients until the provider receives a written OKDHS decision.

(2) Provider duties during an investigation. Upon receiving notification of an investigation of an allegation of maltreatment involving an employee, the provider chief executive officer or designee:

(A) ensures protection and the health and safety for any and all persons receiving services from the provider;

(B) notifies the community services worker, in a face-to-face conference, of the upcoming investigation; and

(C) explains the rights and responsibilities of the community services worker, using Form 15IV015E, Rights and Responsibilities of Accused Caretakers, Community Services Workers, and Persons Responsible for the Childs' Health, Safety, and Welfare of Interest (PRFCI), before the community services worker is interviewed by the investigator, including:

(i) the investigation outcome notice is mailed to the community services worker's address on Form 15IV015E; and

(ii) the community services worker's right to request due process per procedures provided in the notice.

(3) Provider responsibilities regarding due process procedures. When an employee of a provider is called as a witness in a hearing, the provider:

(A) directs the employee to attend the hearing to give testimony;

(B) accommodates his or her work schedule; and

(C) when written records are required, submits the required records or certified copies. Failure to comply with these responsibilities may result in sanctions, per OAC 340:100-3-27.2.

(f) Waiver of requirement not to hire based on criminal history records search. When the criminal history records search reveals a

criminal background the provider believes will not place a service recipient at risk of harm and will not affect the quality of services provided by the applicant, the provider may request a waiver from OKDHS.

(1) The provider sends a written request for a waiver to the DDS director. The request includes:

(A) the applicant's:

- (i) full name;
- (ii) Social Security number; and
- (iii) date of birth;

(B) a legible copy of the criminal history records search that is no more than 30-calendar days old;

(C) the criminal history record information request; and

(D) an explanation of all factors or circumstances the provider wants to be considered.

(2) A waiver is not granted, under any circumstance, for employment of an applicant who was convicted of, pled guilty, or nolo contendere to:

(A) a felony count of:

- (i) aggravated assault and battery;
- (ii) homicide;
- (iii) murder;
- (iv) attempted murder;
- (v) rape;
- (vi) incest; or
- (vii) sodomy; or

(B) abuse, neglect, or exploitation of any person entrusted to the applicant's care.

(3) No waiver is granted for offenses resulting in a conviction, plea of guilty, or plea of nolo contendere to a felony that occurred less than five-calendar years from the date of the request.

(4) Factors considered in the OKDHS decision to grant or deny a waiver include:

(A) his or her other convictions;

(B) responsibility evidenced since conviction;

(C) time lapse since the conviction;

(D) his or her age upon conviction;

(E) nature and underlying circumstances of his or her offense;

(F) evidence of efforts made by him or her toward rehabilitation, including job training or educational programs in which he or she participated;

(G) his or her prior employment record; and

(H) the nature and location of the position he or she seeks.

(5) OKDHS:

(A) may grant a Waiver for applicants who will provide services through DDS HCBS Waivers only upon concurrence by OHCA; and

(B) assumes no responsibility for the actions of a person employed by a provider subsequent to a Waiver. The provider indemnifies and holds OKDHS harmless for any

damages or attorney fees resulting from a claim an employee of the provider subsequently abused, neglected, exploited, or otherwise injured a service recipient.

(g) **Procedures for notice and due process.** The procedures for maltreatment investigations and the Registry are found at OAC 340:2-3-36 and OAC 340:2-3-39.1.

(h) **Disclosure requirements for Registry.**

(1) The Registry information includes, but is not limited to the:

(A) community services worker's:

(i) full name;

(ii) Social Security number; and

(iii) date of birth;

(B) date the community services worker's name was placed in the Registry; and

(C) final investigative finding regarding the community services worker.

(2) The provider requesting Registry information on an applicant or employing a community services worker alleged to have committed maltreatment is notified when the community services worker's or applicant's name is entered in the Registry. When more than one community services worker is named as an accused caretaker, a separate letter is sent to the provider for each community services worker.

(i) **Public access to Registry.** Access to the Registry is available to the public at www.OKDHS.org.

340:100-3-40. Community records

(a) **Purpose.** Oklahoma Administrative Code (OAC) 340:100-3-40 sets forth requirements for:

(1) contract provider records maintenance;

(2) document transfer to a history file for service recipient records the contract provider maintains;

(3) information transfer when a service recipient changes contract providers;

(4) maintenance of an official electronic record for each service recipient receiving services through a Home and Community Based Services waiver.

(A) All service recipient information and records are confidential and released only to individuals or provider agencies who have proper authorization from the service recipient or his or her legal representative.

(B) It is the legal responsibility of Oklahoma Human Services (OKDHS) employees and contract providers to protect clients' privacy and to ensure the protection of confidential information.

(C) Developmental Disabilities Services (DDS) ensures service-recipient records are protected from loss, defacement, tampering, destruction, and violation of confidentiality.

(D) DDS personnel obtain individualized, time-limited, informed consent, prior to securing service recipient information or records from provider agencies who do not have a current OKDHS contract; and

(5) formatting, use, and retention of electronic records and signatures generated, sent, communicated, received, or stored by DDS, in conformity with the Uniform Electronic Transaction Act, found at Section 15-101 et seq. of Title 12A of the Oklahoma Statutes (12A O.S. §§ 15-101 et seq.).

(A) Only individual providers or employees designated by the provider's agency may make entries in the member's record. All entries in the member's record must be dated and authenticated with a method established to identify the author. The identification method may include computer keys, Private/Public Key Infrastructure (PKIs), voice authentication systems that use a personal identification number (PIN) and voice authentication, or other codes. Providers must have a process in place to deactivate within one working day an employee's access to records upon termination of employment of the designated employee.

(B) When PKIs, computer key codes, voice authentication systems, or other codes are used, the provider agency's employee completes a signed statement documenting that the chosen method is under the sole control of the person using it and further demonstrate that:

- (i) a list of PKIs, computer key codes, voice authentication systems or other codes can be verified;
- (ii) all adequate safeguards are maintained to protect against improper or unauthorized use of PKIs, computer keys, or other codes for electronic signatures; and
- (iii) sanctions are in place for improper or unauthorized use of computer key codes, PKIs, voice authentication systems or other code types of electronic signatures.

(C) There must be a specific action by the author to indicate that the entry is verified and accurate. Systems requiring an authentication process include, but are not limited to:

- (i) computerized systems that require the provider's employee to review the document online and indicate that it has been approved by entering a unique computer key code capable of verification;
- (ii) a system in which the provider's employee signs off against a list of entries that must be verified in

the member's records;
(iii) a mail system that sends transcripts to the provider's employee for review;
(iv) a postcard identifying and verifying the accuracy of the record(s) signed and returned by the provider's employee; or
(v) a voice authentication system that clearly identifies the author by a designated PIN or security code.

(D) Auto-authentication systems that authenticate a report prior to the transcription process do not meet the stated requirements and are not an acceptable method for the authentication process.

(E) The signature and date entry are the authentication of an electronic record and are expected on the day the record is completed.

(F) The individual provider or designated administrators within the provider agency may edit records. Edits must be in the form of a correcting entry which preserves entries from the original record. Edits must be completed prior to claims submission or no later than 45-calendar days after the date of service, whichever occurs first.

(G) Use of the electronic signature for documentation constitutes a signature and has the same effect as a written signature on the documentation. The section of the electronic record documenting the service provided must be authenticated by the employee or individual who provided the described service.

(H) Any authentication method for electronic signatures must:

- (i) be unique to the person using it;
- (ii) identify the individual signing the document by name and title;
- (iii) be capable of verification, assuring that the documentation cannot be altered after the signature has been affixed;
- (iv) be under the sole control of the person using it;
- (v) be linked to the data in such a manner that if the data is changed, the signature is invalidated; and
- (vi) provide strong and substantial evidence that make it difficult for the signer to claim that the electronic representation is not valid.

(I) Failure to properly maintain or authenticate records with the signature and date entry may result in the denial or recoupment of payments.

(J) Providers must retain electronic records and have access to the records per guidelines found at OAC 317:30-3-15.

(K) The provisions of the Electronic Transaction Act apply to the time and place of sending and receipt. When a

power failure, internet interruption, or internet virus occur, confirmation by the receiving party is required to establish receipt.

(L) Any person who fraudulently represents facts in an electronic transaction, acts without authority, or exceeds his or her authority to perform an electronic transaction may be prosecuted under all applicable criminal and civil laws.

(b) General requirements. Records, electronic or paper, the contract provider maintains are indexed, orderly, well-maintained, readily accessible, and current. Records contain adequate documentation of services rendered.

(1) All service recipient records are available for the service recipient, his or her legal guardian, contract provider staff, and OKDHS authorized agents to review upon request.

(2) The service recipient record is maintained with:

(A) an index;

(B) the service recipient's name on the record and on each page;

(C) discernable section tabs; and

(D) documents secured in the record.

(3) All entries in the record:

(A) are made per OAC 317:30-3-15;

(B) are in chronological order;

(C) are legible;

(D) include the date and time of each entry, with legible identification of the person making the entry; and

(E) include, when the entry is health-related:

(i) a description of the concern; and

(ii) action taken.

(4) The provider ensures compliance, per OAC 340:2-8-1 through OAC 340:2-8-13 and OAC 340:100-3-2, pertaining to personal information protection, use, and release. The provider holds personal information regarding service recipients, including names, addresses, photographs, evaluation records, and all other records confidential. Information is not disclosed, directly or indirectly, unless the adult service recipient or legal guardian consent in writing.

(c) Home record for service recipients receiving community residential supports, group home services, or non-residential habilitation training specialist (HTS) services. The in-home contract provider maintains a current service record for each service recipient receiving community residential supports, per OAC 340:100-5-22.1; group home service, per OAC 340:100-6; or non-residential HTS services, per OAC 340:100-5-35.

(1) Documents contained in each home record are not removed and include:

(A) guardianship documents and other legal documents;

(B) current Individual Plan packet and addendum copies;

(C) applicable health-related documents including, but not limited to:

- (i) Form 06HM005E, Referral Form for Examination or Treatment, physician orders, discharge summaries, and emergency room reports;
- (ii) special instructions or the Health Care Plan;
- (iii) individually-identified data forms relevant to the service recipient's current health status;
- (iv) a Dyskinesia Identification System: Condensed User Scale or Abnormal Involuntary Movement Scale, when required, per OAC 340:100-5-29;
- (v) current immunization record;
- (vi) current medication administration records;
- (vii) the most recent lab, x-ray, and consultation reports, and pharmacological evaluation, when applicable;
- (viii) miscellaneous health-related consultations and correspondence; and
- (ix) Form 06HM073E, Referral Form for Psychiatric Treatment or Examination;

(D) miscellaneous documents relating to the service recipient including, but not limited to:

- (i) observation notes;
- (ii) Form 06CB035E, Site Visit Report, completed by all professional contract providers;
- (iii) standing medical orders and protocols;
- (iv) applicable data collection sheets; and
- (v) documentation of program coordination staff home visits;

(E) quarterly residential progress reports; and

(F) Form 06MP070E, Access to Home Record and Verification of Monitoring Requirement, certifying that all authorized persons accessing the service recipient information contained within the home record were informed and understand the penalties for misuse of confidential and protected information, per 21 O.S. § 1533.1.

(2) In unusual circumstances, at the Personal Support Team's (Team) request, and with DDS field administrator's written approval, a service recipient's home record or specified document types from the record may be maintained at a location other than the service recipient's home.

(d) **Retention.** Each contract provider retains a record for each service recipient receiving services from the provider.

(1) There is a yearly transfer of all documents more than three months old from the provider agency's records to a history file, unless otherwise specified, per OAC 340:10-3-40.

(2) The provider agency retains original records for a six-year period or until any pending litigation involving the service recipient is completed, whichever occurs last.

(e) **Transfers between agencies.** When a service recipient changes provider agencies, within seven-calendar days of the transfer, the agency

provides the new agency with a paper or electronic copy of the current home record and any health documents the Team requests.

(f) **Other provider records.** The provider maintains service records that substantiate service provision, service recipient eligibility, and outcome of services.

(1) Records are maintained for a six-year period after OKDHS makes the final payment and all pending matters are closed.

(2) The provider maintains copies of all claims, substantiating documents, and records regarding agency fiscal status within corporate offices in Oklahoma.

[Source: Added at 17 Ok Reg 3102, eff 6-7-00 (emergency); Added at 18 Ok Reg 1254, eff 5-11-01 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Revoked at 39 Ok Reg 1807, eff 9-15-22]

340:100-3-41. Telehealth

(a) **Applicability and scope.** Telehealth services do not expand services covered through Developmental Disabilities Services (DDS) Home and Community-Based Services (HCBS) waivers. Telehealth services are a delivery option for certain covered services. Telehealth services apply to contract professional services, including speech therapy, physical therapy, occupational therapy, audiology, psychology, nutrition, family training, family counseling, nursing, and dental care.

(1) When there are technological difficulties in performing an objective or a thorough assessment, or there are problems in the service recipient's understanding of telehealth, hands-on-assessment, in-person care, or both is provided for the service recipient.

(2) Any service delivered using telehealth technology is appropriate for telehealth delivery and meets the same quality level and is otherwise on par with the same service delivered in person.

(3) A telehealth encounter maintains the confidentiality and security of protected health information in accordance with applicable state and federal law, including, but not limited to, Section 1-109 of Title 43A of the Oklahoma Statutes, Part 2 of Title 42 of the Code of Federal Regulations (42 C.F.R., Part 2), and 45 C.F.R., Parts 160 and 164.

(4) For purposes of DDS HCBS waiver reimbursement, telehealth is the use of interactive audio, video, or other electronic media for the purpose of diagnosis, consultation, or treatment that occurs in real-time and when the service recipient is actively participating during the transmission.

(b) **Definitions.** The following words and terms when used in this Section shall have the following meaning, unless the context clearly

indicates otherwise.

(1) **"Remote patient monitoring"** means using digital technologies to collect medical and other forms of health data, such as vital signs, weight, blood pressure, and blood sugar, from individuals in one location, and electronically transmitting that information securely to health care providers in a different location for assessment and recommendations.

(2) **"Store and forward"** means transmitting a service recipient's medical information from an originating site to the health care provider at a distant site. Photographs provided through a telecommunications system are specific to the service recipient's medical condition and adequate for furnishing or confirming a diagnosis or treatment plan. Store and forward technologies do not include:

(A) consultations provided by telephone audio-only communication;

(B) electronic mail;

(C) text message or instant messaging conversation;

(D) website questionnaire;

(E) non-secure video conference; or

(F) facsimile transmission.

(3) **"Telehealth"** means the practice of health care delivery, diagnosis, consultation, evaluation and treatment, transfer of medical data or exchange of medical education information through two-way, real-time interactive communication. This definition does not exclude store and forward technologies. Telehealth occurs between a service recipient and a health care provider with access to the service recipient's relevant clinical information prior to the telemedicine visit. Telehealth does not include website questionnaires, non-secure video conference, or facsimile transmission.

(c) **Requirements.** The following requirements apply to all services rendered via telehealth.

(1) Audio and video telecommunications are compliant with the Interactive Health Insurance Portability and Accountability Act (HIPAA), permitting encryption. The telecommunication service is secure and adequate to protect the confidentiality and integrity of the telehealth information transmitted. As a payment condition, the service recipient is an active participant in the telehealth visit.

(2) The telehealth equipment and transmission speed and image is technologically sufficient to support the service billed. Contract providers involved in the telehealth visit are trained in the use of the telehealth equipment and are competent in its operation.

(3) The medical or behavioral health related service is provided at an appropriate site for telehealth service delivery.

(A) An appropriate telehealth site is one that has the proper security measures in place and appropriate administrative, physical, and technological safeguards to ensure the confidentiality, integrity, and security of electronic protected health information.

(B) The room location for the encounter ensures comfort, privacy, and confidentiality on both ends. There is both visual and audio privacy, and the room's placement and selection takes this into consideration.

(C) Appropriate telehealth equipment and networks are used considering factors such as appropriate screen size, resolution, and security.

(D) Providers, service recipients, or both, may provide or receive telehealth services outside of Oklahoma when medically necessary; however, prior authorization may be required, per Oklahoma Administrative Code 317:30-3-89 through 317:30-3-91.

(4) The provider is contracted with DDS and SoonerCare when required, appropriately licensed or certified, and in good standing. Services provided are within the scope of the provider's license or certification. If the provider is outside of Oklahoma, the provider complies with all laws and regulations of the provider's location, including health care and telehealth requirements.

(5) The service recipient retains the right to withdraw from telehealth services at any time.

(6) All telehealth activities comply with Oklahoma Health Care Authority policy, and all other applicable state and federal laws and regulations, including, but not limited to, 59 O.S § 478.1.

(7) The service recipient has access to all transmitted information, with the exception of live interactive video as there is often no stored data in such encounters.

(8) The service recipient's image and personal information is not disseminated to other entities without written consent from the service recipient or legal guardian, or a minor service recipient's parent or legal guardian.

(9) A telehealth service is subject to the same DDS HCBS waiver program restrictions, limitations, and coverage that exist for the service when not provided through telehealth, as only certain telehealth codes are reimbursable through a DDS HCBS waiver.

(e) **Reimbursement.** Telehealth services are billed with the appropriate modifier.

(f) **Documentation.**

(1) The service provider maintains documentation to substantiate the services rendered.

(2) Documentation indicates the services were rendered via telehealth and the location of the services.

(3) All other DDS documentation guidelines apply to the services rendered via telehealth. Examples include but are not limited to:

(A) chart notes;

(B) start and stop times;

(C) service provider credentials; and

(D) service provider signature.

(g) **Final authority.** DDS has discretion and the final authority to approve or deny any telehealth services based on DDS's or the service recipient's needs.

[Source: Amended at 8 Ok Reg 2163, eff 5-13-91 (emergency); Amended at 9 Ok Reg 1549, eff 4-27-92 ; Revoked at 39 Ok Reg 1807, eff 9-15-22]

340:100-5-3. Emergency Services

(a) **General information.** Emergency Services are support services that provide short-term relief to individuals and their families or caregivers to prevent out-of-home placement, and to ensure the health and welfare of the individual.

(1) Emergency Services are provided to resolve an emergency situation and only after all other resources have been exhausted.

(2) The use of Emergency Services is intended to eliminate identified issues that jeopardize health, safety, or continued home residence of the individual.

(3) The rules in this Section do not apply to individuals who receive services through a Home and Community-Based Waiver (HCBW).

(b) **Services provided.** Emergency Services include:

(1) habilitation training specialist (HTS) services;

(2) homemaker services;

(3) respite services;

(4) transportation services;

(5) adaptive equipment;

(6) medical supplies, medications, or food supplements;

(7) utilities; and

(8) other services as requested and approved on an individual basis.

(c) **Eligibility.** Emergency Services may be offered to an individual who:

(1) is an Oklahoma resident;

(2) has been determined to have mental retardation or a related condition per OAC 340:100-1-2;

(3) is age six or older;

(4) is not receiving services funded through the HCBW;

(5) is not residing in a nursing facility, or intermediate care facility for persons with mental retardation (ICF/MR); and

(6) has no financial resources or other means of resolution to the emergency.

(d) **Service requirements.** Emergency Services are:

- (1) based on need;
- (2) individualized; and
- (3) flexible in meeting the needs of the person.

(e) **Administration.** Emergency Services are:

- (1) authorized in writing prior to service delivery by the Developmental Disabilities Services Division (DDSD) programs administrator for Community Services or designee;
- (2) funded through the State of Oklahoma without federal subsidy;
- (3) initiated by DDSD area office intake staff who identify persons who:
 - (A) meet the eligibility requirements in this Section; and
 - (B) have needs that can be resolved through use of Emergency Services;
- (4) evaluated individually by the DDSD division administrator or designee;
- (5) not an entitlement to services from the Oklahoma Department of Human Services;
- (6) provided contingent upon availability of resources; and
- (7) authorized for up to a 90-day period for a total amount not exceeding \$750. Extension of services beyond 90 days or in excess of \$750 may be authorized by the DDSD division administrator or designee on an individual basis upon receipt of a written request that includes justification for the extension as set forth in subsection (a) of this Section.

PART 3. SERVICE PROVISIONS

340:100-5-15. Developmental Disabilities Services Division case manager activities

Each person receiving Developmental Disabilities Services Division (DDSD) Home and Community Based Services (HCBS) Waivers is assigned a case manager who ensures that individual needs are met through linkage, assessment, brokerage, advocacy, and monitoring activities. . The DDSD case manager:

- (1) completes or arranges necessary assessments to identify service recipient needs;
- (2) has overall responsibility for developing and updating the service recipient's Individual Plan (IP), per OAC 340:100-5-50 through 340:100-5-58, and Plan of Care;
- (3) describes service options in sufficient detail to ensure the service recipient, or parent or guardian, as applicable, is able to make an informed choice regarding services;

- (4) assists service recipients in gaining access to needed medical, social, educational, and other services and supports;
- (5) coordinates and monitors services delivered to determine their effectiveness in meeting the service recipient's needs;
- (6) has the authority to implement approved services prescribed in the service recipient's IP and access emergency or crisis services, per OAC 317:40 and OAC 340:100; and
- (7) documents case management services in Client Contact Manager (CCM).

340:100-5-20. Respite Voucher Program

(a) **Applicability.** The rules in this Section apply to the respite voucher program operated by the Oklahoma Department of Human Services DHS Developmental Disabilities Services (DDS). When funding resources are sufficient, DDS may use funds for the provision of respite vouchers. For the purpose of this Section, respite is defined as temporary relief for a caregiver who is caring for a person with a developmental disability, known as the care recipient.

(b) **Eligibility.**

(1) Respite vouchers may be issued to caregivers of a care recipient who:

- (A) has a developmental disability per Section 1408 of Title 10 of the Oklahoma Statutes;
- (B) is a United States citizen or a qualified alien;
- (C) is in DHS custody living in a family home;
- (D) is in DHS custody and placed in kinship foster family care per Oklahoma Administrative Code (OAC) 340:75-7-2;

(E) receives less than 20 hours per week of state funded services, such as:

- (i) Sheltered Workshop;
- (ii) Community Integrated Employment; or
- (iii) Adult Day;

(F) does not receive:

- (i) services through a DDS Home and Community-Based Services (HCBS) Waiver;
- (ii) services through the Advantage Waiver;
- (iii) respite services funded through any other state or federal program or service; or
- (iv) the Family Support Assistance Payment; and

(G) does not live:

- (i) in an assisted living facility;
- (ii) independently; or
- (iii) in a drug or alcohol treatment facility.

(2) The caregiver is the voucher applicant and:

- (A) must live in Oklahoma;
- (B) must reside with and provide at least eight hours per day of care to an eligible care recipient;
- (C) must not receive respite services funded through any other state or federal program or service on behalf of an eligible care recipient;
- (D) may receive a DHS Child Care Subsidy per OAC 340:40-7-1 on behalf of an eligible care recipient;
- (E) may receive an adoption subsidy on behalf of an eligible care recipient; and
- (F) has an adjusted gross income of less than \$75,000 from the most recent federal tax return.

(c) Respite voucher application.

(1) Applications for respite vouchers are available through DDS area offices.

(2) A completed application must include:

- (A) a signed copy of the caregiver's most recent federal income tax return. When married and filing separately, send returns for the caregiver and the caregiver's spouse;
- (B) when the caregiver is employed and did not complete a tax return, a statement from the employer indicating the average number of hours worked per week, the hourly rate, and usual schedule worked each week;
- (C) a copy of the caregiver's most recent Social Security Administration award letter, when applicable;
- (D) a copy of the caregiver's Social Security card; and
- (E) a copy of the documentation that verifies the care receiver's disability that includes, but is not limited to:
 - (i) a psychological evaluation;
 - (ii) the portion of an Interdisciplinary Education Plan titled, Multidisciplinary Evaluation and Eligibility Group Summary, also known as "MEEGS" or "MEETS";

- (iii) the portion of an Interdisciplinary Education Plan titled, Review of Existing Data, also known as the "RED";
- (iv) an evaluation from a licensed therapist indicating a condition related to a developmental disability; or
- (v) a copy of the SoonerStart developmental evaluation documenting scores indicating:
 - (I) a 50 percent delay in one domain; or
 - (II) a 25 percent delay in two or more domains.

(3) Incomplete applications are returned to the applicant for correction.

(4) Respite voucher applications are considered in chronological order of receipt of a completed application. DDS provides a written determination to the applicant within 60 calendar days.

(d) Issuance of respite voucher. Authorization for the respite voucher program is valid for one calendar year from the date the application or annual review is approved. Issuance of a respite voucher is subject to the continued availability of funding. When an application or annual review is approved, respite vouchers are issued:

(1) to the caregiver applicant and are valid for 90 calendar days from the date of issuance;

(2) in sets of three. The applicant must submit to the DDS State Office Respite Voucher program staff Form 06RP002E, Request for Additional Respite Vouchers, to request additional vouchers;

(3) in the amount of:

(A) \$500 when the caregiver's adjusted gross income is \$0 through \$59,999.99;

(B) \$400 when the caregiver's adjusted gross income is \$60,000.00 through \$74,999.99;

(C) \$100 for each additional eligible care recipient with a maximum payment of \$800 per 90 calendar-day period when the caregiver's adjusted gross income is \$0 through \$59,999.99; or

(D) \$100 for each additional eligible care recipient with a maximum payment of \$700 per 90 calendar-day period when the caregiver's adjusted gross income is \$60,000.00 through \$74,999.99.

(e) Caregiver responsibilities. Caregivers are responsible for:

(1) interviewing and selecting the respite provider;

(2) setting an hourly rate;

(3) training the provider;

(4) ensuring proper payment for services; and

(5) tracking the total amount claimed against the voucher.

(f) Submitting voucher for payment. The caregiver and the respite care provider complete and sign the respite voucher and submit it to DHS Financial Services for payment.

(g) Fair hearing. Any person who has been denied a voucher, except for denials based on insufficient funding, may request a hearing per OAC 340:2-5.

340:100-5-21. Family training and counseling [REVOKED]

[Source: Amended at 8 Ok Reg 2163, eff 5-13-91 (emergency); Amended at 9 Ok Reg 1549, eff 4-27-92 ; Revoked at 26 Ok Reg 922, eff 5-15-09]

340:100-5-22. Residential services

Residential services are provided contingent upon the availability of funding and resources. Provision of services may be determined by government regulations or the judiciary. Service recipients who require residential supports are provided services determined by the Personal Support Team (Team), per OAC 340:100-5-52, to represent the least restrictive appropriate setting possible.

- (1) All referrals for residential services are processed per OAC 317:30 and OAC 317:40 or OAC 340:100.
- (2) All service recipients must meet eligibility requirements per OAC 340:100 for residential services.
- (3) The service recipient, family member, and, if applicable, guardian are included as part of the Team to identify residential service needs.
- (4) Residential services include:
 - (A) assisted living services per OAC 340:100-5-22.2;
 - (B) group home services per OAC 340:100-6;
 - (C) home- and community-based services options per OAC 340:100-5-22.1 and group home services per OAC 317:40-5-152;
 - (D) private intermediate care facility for the mentally retarded (ICF/MR);
 - (E) public ICF/MR programs at Northern Oklahoma Resource Center of Enid (NORCE) and Southern Oklahoma Resource Center (SORC) per OAC 317:30-5-122. Service recipients who meet ICF/MR level of care requirements may be admitted to public ICFs/MR for residential services when their individual circumstances indicate placement in a public ICF/MR is the least restrictive, most appropriate residential environment available.
 - (i) Service recipients who are able to receive services that meet their needs in less restrictive environments than a state-operated facility are not eligible for admission.
 - (ii) This does not preclude the provision of respite services or other emergency interventions that may require service recipients reside at NORCE or SORC for a time-limited period; and

(F) specialized public ICF/MR program at Robert M. Greer Center (Greer) per OAC 340:100-11.

(5) No service recipient may move from NORCE or SORC without adequate supports in place as determined by the service recipient's Team.

(6) Oklahoma Health Care Authority (OHCA) establishes eligibility and certifies level of care need for admission to private and public ICFs/MR per OHCA policy. Admission to public ICFs/MR must be approved by the Oklahoma Department of Human Services Director or designee.

(7) Continued eligibility for appropriateness of services is addressed by the Team during annual development of the Individual Plan (Plan).

(8) Specific residential support needs are determined through the Team process and documented in the service recipient's Plan. The services provided must be identified in the approved Plan.

(9) The Developmental Disabilities Services Division (DDSD) case manager, agency program coordinator, or both ensure residential services are coordinated with all other services provided to the service recipient.

(10) Contract providers are reimbursed for residential services at rates established by Oklahoma Commission for Human Services or OHCA.

(11) Programs and facilities are monitored on a regular basis to ensure continued compliance with all applicable contract conditions, rules, and regulations. Monitoring reports documenting compliance with regulatory standards are maintained and used as a basis for contract renewal or termination.

(12) Provider agencies are informed, and provided an opportunity to correct deficiencies that may result in contract termination per OAC 340:100-3-27.1.

340:100-5-22.1. Community residential supports

(a) **Applicability.** Community residential supports are funded through contracts with the Oklahoma Department of Human Services DHS, Oklahoma Health Care Authority (OHCA), or both, and must meet standards per this Section.

(1) A service recipient is considered receiving community residential supports when the service recipient receives:

(A) daily living supports (DLS), per Oklahoma Administrative Code (OAC) 317:40-5-150;

(B) Prader-Willi Syndrome services;

(C) agency companion services (ACS), per Part 1 of OAC 317:40-5; or

(D) specialized foster care (SFC), per Part 5 of OAC 317:40-5.

(2) This Section does not apply to:

(A) group home services, per OAC 340:100-6; or

(B) services provided to service recipients who receive assisted living services, per OAC 340:100-5-22.2.

(b) General information.

(1) Services for children are provided in family settings unless approved by the Developmental Disabilities Services DDS Community Services Unit programs administrator or designee.

(2) In addition to OAC 340:100-5-50 through 340:100-5-58, the

DDS case manager ensures each Personal Support Team (Team) assesses and addresses the service recipient's needs regarding:

(A) safety in the home, including:
(i) storage of toxic chemicals, cleaning supplies, and combustibles; and
(ii) use of a tempering valve or other anti-scald device or lowered, hot water tank temperature to control water temperature;

(B) financial issues in addition to OAC 340:100-3-4, including:

(i) a household budget that provides adequate resources for housing, food, clothing, furnishings, personal supplies, and recreational opportunities; and
(ii) assistance needed by the service recipient in money management;

(C) selection, adaptation, and maintenance of a home;

(D) community inclusion and access to work, recreation, and therapies;

(E) transportation; and

(F) water safety.

(3) Each service recipient is responsible for his or her room and board expenses, including recreational activities, clothing, furnishings, food, and other expenses for services or supports not funded through DHS, except as:

(A) provided to members of the Homeward Bound class; or

(B) approved in emergency circumstances per OAC 340:100-3-33 or 340:100-5-3.

(c) Homes. Community residential supports are provided in the service recipient's home. The provider agency ensures:

(1) the home and yard are clean, well-maintained, safe, hazard free, and adapted to the service recipient's needs;

(2) the home has:

(A) utility service and adequate heating, cooling, and plumbing;

(B) safety items in operating condition located in strategic locations in the home, such as a:

(i) flashlight;

(ii) smoke detector;

(iii) carbon monoxide detector;

- (iv) first aid kit;
 - (v) fire extinguisher; and
 - (vi) tempering valve or other anti-scald device, when determined by the Team necessary to ensure the service recipient's safety;
- (C) phone service is available and accessible to the service recipient. Emergency numbers are available at each phone, including:
- (i) the DDS toll-free number;
 - (ii) the fire, police, ambulance, hospital, and poison control, when not in a 911 area;
 - (iii) a physician name and number; and
 - (iv) a nursing agency number, when applicable;
- (D) at least two means of exit;
- (E) a bedroom of at least 80 square feet for each service recipient living in the home. When a service recipient shares a bedroom with another individual, the bedroom must have 120 square feet or more;
- (F) adequate enclosed storage space available for personal items;
- (G) laundry equipment, when in the home, located in a safe, well ventilated, and clean area, with dryers vented to the outside;
- (H) an address clearly visible from the street;
- (I) a bathroom that:
- (i) includes a:
 - (I) flush toilet;
 - (II) fixed basin; and
 - (III) shower or bath tub that meets the service recipient's needs;
 - (ii) is in proper working order;
 - (iii) provides privacy;
 - (iv) is adapted when needed; and
 - (v) provides hot and cold running water; and
- (J) a kitchen and equipment to store, prepare, and serve food in a sanitary manner;
- (3) dangerous or deadly weapons are not permitted in the home, except as provided in OAC 317:40-5-40. Provider agency staff is prohibited from assisting any service recipient to obtain or possess dangerous or deadly weapons. Dangerous or deadly weapons include, but are not limited to:
- (A) guns, BB guns, air rifles, or other firearms;
 - (B) crossbows;
 - (C) paint guns;
 - (D) arrows;
 - (E) explosives;
 - (F) stun guns; and
 - (G) knives, except cooking and eating utensils; and
- (4) illegal substances are not permitted in the home.
- (d) **Pre-service requirements.** The DDS case manager and service recipient, or, when applicable, legal guardian, complete and approve

steps (1) through (3) when community residential supports are initiated, when the service recipient changes provider agencies, and before the service recipient moves to a new home. The documentation of such is maintained in the home record and the case manager record.

(1) Prior to service delivery, the provider completes an emergency housing back-up plan for review and approval by the service recipient's Team per OAC 340:100-5-52.

(A) The back-up plan contains the:

- (i) service recipient's name;
- (ii) description of the living arrangement;
- (iii) name and phone number for back-up staff;
- (iv) back-up housing location;
- (v) written agreement by the:
 - (I) service recipient or legal guardian;
 - (II) direct provider of service, when an ACS or SFC provider;
 - (III) agency program coordination staff (PCS), as applicable;
 - (IV) provider agency administrative representative, as applicable; and
 - (V) DDS case manager;
- (vi) dates for provider review of back-up plan, required quarterly and as changes occur; and
- (vii) review date by the DDS case manager.

(B) When the location for the back-up plan is a hotel or motel, the provider agency is responsible for including a plan to pay the cost without additional reimbursement from DHS.

(C) DHS must complete a home profile on a private home prior to the Team's identification of the home in the back-up plan or use of the home to provide back-up services to the service recipient. A home profile is not required when the service recipient stays in the private home of a relative, per (f)(4)(A) of this Section.

(D) The ACS or SFC provider is responsible for re-establishing a residence when his or her home becomes uninhabitable.

(2) The provider agency cooperates with the service recipient and Team to establish and maintain a household budget based on the service recipient's earned and unearned income.

(A) Expenses associated with supporting the household are maintained in an auditable fashion sufficient to track the use of money collected from the service recipient by the contract provider.

(B) Upon request, the contract provider furnishes to the service recipient, service recipient's family, and legal guardian:

- (i) a record of all funds collected from the service recipient;
- (ii) documentation of how the money was used; and

(iii) the amount of remaining money held by the provider.

(C) Upon termination of residential supports from the contract provider, unused funds are returned to the service recipient within 10-calendar days of service termination date.

(3) Form 06CB034E, Residential Pre-Service Checklist, is completed and this Section's requirements are satisfied.

(e) Service requirements.

(1) Unless the service recipient demonstrates the ability under varying conditions to independently and appropriately respond to emergency situations, the provider agency assists in conducting fire drills at least quarterly and weather emergency drills twice a year. The dates, times, and outcomes of the drills are available in the home for review.

(2) The provider:

(A) ensures all financial information necessary for maintaining the service recipient's financial eligibility is provided to DHS in a timely manner;

(B) when serving as payee, ensures the service recipient maintains financial eligibility for benefits and services by notifying appropriate authorities of a change in the service recipient's income;

(C) when a change of payee is necessary, cooperates to ensure the change is made in a timely manner;

(D) establishes a written financial agreement with the service recipient or legal guardian that defines financial responsibilities of the provider's and service recipient's financial responsibilities. The financial agreement:

(i) accurately reflects the ongoing financial arrangement between the provider and service recipient;

(ii) clearly defines who purchases personal items;

(iii) is renewed annually and when changes occur; and

(iv) is available to the service recipient, legal guardian, Office of Client Advocacy advocate, and DDS case manager;

(E) as a member of the service recipient's Team, assists in determining safeguards necessary to protect the service recipient's assets;

(F) allows service recipients to select stores for the purchase of food, clothing, and personal items;

(G) implements the service recipient's Individual Plan (Plan);

(H) provides necessary assistance, including staff support for each service recipient's active participation in community life;

(I) assists the service recipient in maintaining an adequate supply of seasonal clothing that fits appropriately, personal grooming materials, and linens. All items are maintained

in good condition;

(J) promotes the service recipient's health and welfare, including providing meals that meet the service recipient's nutritional needs;

(K) promotes visitation and contact with each service recipient's natural family, legal guardian, and friends, according to the service recipient's desires;

(L) promotes friendships with neighbors, co-workers, and peers, according to the service recipient's desires;

(M) when the service recipient, legal guardian, or provider wants to discontinue services, cooperates in securing alternative services and continues to serve the service recipient until the Team confirms all essential services are in place;

(N) while providing services, ensures staff is engaged at all times in purposeful activity that directly or indirectly benefits the service recipient;

(O) ensures the service recipient attends scheduled medical and therapy appointments.

(i) Transportation to the appointment is provided.

(ii) Adequate records, needed materials, and equipment accompany the service recipient to the appointment.

(iii) When the service recipient requires support in describing illness, issues, or concerns to the health care provider, knowledgeable staff accompanies the service recipient;

(P) ensures the service recipient's prescriptions are filled and administered as prescribed, per OAC 340:100-5-32;

(Q) ensures the Plan in a positive manner addresses issues related to maintaining the home per (c) of this Section;

(R) ensures the service recipient has transportation to programs and services.

(i) Transportation is provided to and from:

(I) medical or therapy appointments;

(II) personal shopping;

(III) leisure or recreational activities;

(IV) vocational or employment activities;

(V) religious or cultural activities;

(VI) Team meetings;

(VII) appointments necessary to secure or maintain needed services; and

(VIII) voting.

(ii) All vehicles used to transport the service recipient meet local and state licensing, inspection, insurance, and capacity requirements.

(iii) A vehicle used to transport a service recipient with physical disabilities is adapted to meet the service recipient's needs.

(iv) Drivers of vehicles have valid and appropriate driver licenses.

(S) ensures the hot water temperature for the home is set to no more than 120 degrees Fahrenheit. The provider tests the hot water temperature of the home at least annually, after any servicing of the home's water system, and any time the water temperature is believed to have increased above 120 degrees Fahrenheit. The provider maintains test documentation and the documentation at minimum includes the test date and the home's hot water temperature. The documentation is maintained in the home and available for inspection. The provisions within this paragraph will henceforth be known as the Julie Teenor Anti-Scald Protocol; and

(T) ensures reasonable precautions are employed for safety with hot food, cooking oils, and other hot liquids.

(f) Provider agency policies, practices, and procedures. The provider agency develops and maintains written policies and procedures that are consistent with DHS rules and govern all aspects of service provision.

(1) Provider agency policies are made available to each service recipient, the service recipient's parent(s), legal guardian, or advocate, provider agency staff, and DHS.

(2) Provider agency policies and procedures include, but are not limited to:

(A) service recipient rights protection;

(B) services provided;

(C) admission and discharge criteria;

(D) grievance procedures;

(E) prevention and reporting of abuse, neglect, and/or exploitation;

(F) confidentiality;

(G) emergency management;

(H) fees paid by service recipient;

(I) health and safety precautions; and

(J) safeguarding service recipient funds.

(3) The provider agency designates one person who, in the absence of the agency administrator, is responsible for the administration of the agency and is empowered to act on behalf of the provider agency.

(4) The provider agency is responsible for recruitment, screening, training, and supervision of staff or volunteers providing direct services, ensuring direct support staff:

(A) is not supervised by a relative or person living in the staff's home. A relative includes wife, husband, children, parents, stepparents, parents-in-law, grandchildren, grandparents, brothers, sisters, stepchildren, brothers-in-law, sisters-in-law, sons-in-law, daughters-in-law, aunts, uncles, nieces, nephews, first cousins or any such person with whom the employee shares a foster relationship;

(B) who provides back-up services is available and has received training per OAC 340:100-3-38;

(C) is at least 18 years of age;

(D) is present in sufficient numbers to ensure the service recipient's health and welfare, as authorized by the service recipient's Plan of Care;

(E) is physically able and mentally alert to carry out the job duties;

(F) implements and follows the service recipient's Plan;

(G) does not take the service recipient to visit staff's home unless the Team has provided prior written approval; and

(H) must meet requirements of OAC 317:40-5-40 when overnight visits are going to occur.

(5) The provider agency ensures the Program Coordinator Staff (PCS) supervises, guides, and oversees all aspects of programming associated with receipt of community residential supports.

(A) The PCS must:

(i) get to know the service recipient and his or her needs;

(ii) make announced and unannounced visits to the service recipient's home. The PCS makes a minimum of three face-to-face visits per month, to monitor the service recipient's needs and for staff supervision. Agency administration staff meeting (f)(5)(A)(xii) requirements of this Section, may complete these visits in addition to program coordination staff. At least two of the three visits must be unannounced. Of the unannounced visits:

(I) at least one visit each month must occur on Saturday or Sunday; or

(II) between 8:00 p.m. and 7:00 a.m. on a weekday;

(iii) Monthly visits may be reduced to one unannounced face-to-face visit to the service recipient's home when the home:

(I) has fully trained staff;

(II) has had no turn-over for the past year;

(III) does not require restrictive or intrusive procedures; and

(IV) has had no medication errors during the previous calendar year.

(iv) provide support and assistance to any service recipient who is experiencing an emotional, behavioral, or medical crisis;

(v) be accessible to direct service staff 24 hours per day and available to respond, in person when necessary, to an emergency;

(vi) supervise direct contact staff to promote achievement of outcomes in the Plan;

(vii) ensure staffing levels meet the requirements of the service recipient's Plan, with staff trained per OAC 340:100-3-38;

(viii) ensure records are maintained according to DDS community records per OAC 340:100-3-40;

(ix) ensure basic household requirements are always in place, including:

(I) utilities and phone service;

(II) furniture;

(III) food supplies that meet the service recipient's nutritional needs;

(IV) linens;

(V) personal items;

(VI) adaptive equipment; and

(VII) prescription medications;

(x) assist the DDS case manager as requested to prepare for and implement the Plan and its revisions per OAC 340:100-5-50 through 340:100-5-58;

(xi) ensure applicable DHS and OHCA rules are followed;

(xii) complete necessary training per OAC 340:100-3-38; and

(xiii) have a minimum of four years of any combination of college level education or full-time equivalent experience in serving persons with disabilities, or full-time equivalent experience in a supervisory position, unless this requirement is waived in writing by the DDS director or designee.

(B) Provider agencies ensure that residential PCS caseloads do not exceed 27 with the following calculations:

(i) calculate one for persons receiving community residential supports and group home services; and

(ii) calculate one for every five persons receiving In-home Supports Waiver services, assisted living services, or any other non-residential service on the PCS caseload.

(C) Provider agencies providing community residential supports for less than one calendar year ensure the caseload of each PCS numbers no more than 15 service recipients when the PCS serves service recipients receiving community residential supports.

(D) The DDS director may grant a written exception to the PCS ratios per this Section upon written request and adequate justification from the provider.

(E) Provider agencies who fail to meet program coordination requirements per this subsection may be required to provide a reduced PCS ratio in accordance with sanctions per OAC 340:100-3-27.

(6) Staff, who assist a service recipient with bathing or showering, must ensure the water temperature is safe and comfortable for the service recipient. The requirements of this paragraph are enforced even when an anti-scald device is used. Staff:

- (A) tests the water temperature by touch or with a thermometer designed to test hot liquids, before the service recipient enters the water. The water must be determined safe and comfortable for the service recipient, not merely comfortable for the staff;
- (B) is trained by his or her employer in the unique needs of each service recipient including tolerance to water temperature and bathing or showering needs; and
- (C) does not leave a service recipient who is unable to attend to safety considerations alone in the bath or shower.

340:100-5-22.2. Assisted Living without Waiver supports

(a) **General information.** Assisted Living without Waiver supports:

- (1) is provided to individuals with intellectual disabilities who:
 - (A) do not receive Homeand Community-Based Waiver services; and
 - (B) require minimal staff supports to live safely in their own homes; and
- (2) includes, but is not limited to, service coordination, advocacy, linking with generic resources, assistance with transportation, and emergency response.

(b) **Requirements.** Access by service recipients to Assisted Living supports is contingent upon:

- (1) availability of sufficient resources;
- (2) a determination of eligibility per Oklahoma Administrative Code (OAC) 340:100-3-1; and
- (3) a determination by the provider agency of the person's appropriateness for Assisted Living supports per (c) of this Section.

(c) **Pre-placement requirements.** Prior to service initiation, the provider agency assesses the consumer's ability to live safely with minimal staff supports.

- (1) In determining an individual's ability to participate in the Assisted Living program, all potential resources are considered to ensure the individual can financially maintain his or her home.
 - (A) Availability of financial resources, such as food benefits, rental subsidy, income from employment, and public assistance is considered.
 - (B) The provider agency assesses sources of transportation and leisure activities, such as family, friends, and public transportation.

(C) The provider agency assists the individual to the extent necessary to establish and maintain an affordable household budget based on the individual's earned and unearned income. The provider agency considers living expenses that provide adequate housing, food, and clothing.

(2) The provider agency documents efforts to ensure housing occupied by the individual:

- (A) meets local building codes;
- (B) remains in safe and sanitary condition;
- (C) meets the person's accessibility requirements;
- (D) has at least two means of exit;
- (E) is equipped with a:
 - (i) telephone;
 - (ii) flashlight;
 - (iii) first aid kit;
 - (iv) smoke detector; and
 - (v) carbon monoxide detector.

(3) The provider agency ensures the individual has the ability to:

- (A) safely self-administer any necessary medication; and
- (B) reorder medications with available assistance.

(4) The provider agency ensures the individual is competent in basic home safety skills, such as locking doors, asking identification of persons desiring admittance, use of appliances, and use of toxic cleaning substances.

(5) The provider agency ensures the individual has:

- (A) the ability to contact appropriate persons in case of fire, burglary, illness, or other emergency;
- (B) necessary emergency contact numbers available by the telephone; and
- (C) an identified back-up plan should the home become uninhabitable.

(6) The provider agency determines the individual possesses basic food preparation skills.

(d) **Governing principles.** Services provided through Assisted Living without Waiver supports are developed around the needs and desires of the person receiving supports and conform to the principles listed in this subsection.

(1) Assisted Living supports do not include funding for rent and food expenses. Each individual is responsible for his or her room and board expenses, as well as all daily living expenses, recreational activities, clothing, furnishing, and other services or supports not authorized and funded through DDS.

(2) No more than four persons receiving services may share a home.

(3) Family members and guardians are allowed announced and unannounced visits, in accordance with the rights and wishes of the person receiving services.

(4) The Oklahoma Department of Human Services (DHS) provides ongoing monitoring through visits with at least a 30 minute notice by DDS staff as well as others deemed appropriate by DHS.

(5) Services promote and use age-appropriate, natural, and informal community supports including family, friends, and other non-paid citizens.

(6) The provider agency provides necessary assistance to the individual in:

(A) identifying as many natural and informal supports and resources as are available to the individual;

(B) obtaining transportation to and from community activities, vocational activities, and needed community services including, but not limited to, the grocery store, bank, medical clinic, and department store.

(i) When the provider agency transports the individual, drivers hold applicable Oklahoma licenses and appropriate insurance.

(ii) The provider agency ensures any vehicle used to transport a person receiving services:

(I) is licensed and operated per local, state, and federal laws, regulations, and ordinances; and

(II) is maintained in a safe condition;

(C) securing the supports necessary for the individual to participate in regular recreational and leisure activities at home and in the community;

(D) maintaining an adequate supply of food, medication(s), clothing, personal grooming materials, linens, and furnishings;

(E) obtaining medical coverage through private insurance, Medicaid, or employer's group plan;

(F) establishing and maintaining a checking account, savings account, or both, with a bank convenient to the person receiving services;

(G) locating a relative or friend to act as the individual's advocate as needed;

(H) practicing the basic principles of financial management, such as budgeting, making purchases, and discretion in releasing financial information. When the provider is the person's payee, the provider adheres to all rules per OAC 340:100-3-4;

(I) making and keeping appointments for any needed supports or services;

(J) maintaining the person's residence per (c)(2) of this Section; and

(K) maintaining utility service.

(7) The provider agency maintains records for each person receiving services that contain:

(A) demographic information including, but not limited to, date of birth, Social Security number, finding address, phone number, landlord's address and phone, emergency contact, and family phone number(s);

(B) names and contact information of relatives, friends, staff, and legal guardian, when the person has a guardian;

- (C) name, address, and telephone number of the person's doctor or clinic, dentist, and the hospital of the individual's choice;
 - (D) updated medical information, including allergies and current medication;
 - (E) appropriate assessments;
 - (F) current Individual Plan and implementation strategies;
 - and
 - (G) documentation of service delivery, including the date, time, and summary of support provided.
- (8) When the consumer leases or subleases a home from the provider agency or an individual associated with the provider agency, the guidelines in this paragraph are followed.
- (A) The provider agency ensures the individual has choice in selecting a home to rent, including providing support necessary for the person receiving services to consider homes not owned or leased by the provider agency or an individual associated with the provider agency.
 - (B) The provider agency and the person receiving services or legal guardian enter into a written lease agreement.
 - (C) The provider agency ensures the home is leased at fair market value or below, and is affordable for the person receiving services.
 - (D) If financially able to do so, the individual is free to:
 - (i) move from the house leased from the provider:
 - (I) for health and safety concerns; or
 - (II) per Section 102 et seq. of Title 41 of the Oklahoma Statutes; or
 - (ii) renew the lease.
 - (E) The provider agency ensures the home owned by the provider or an individual associated with the provider agency meets all guidelines provided in this Section.
 - (F) The provider cannot condition receipt of Assisted Living Services on leasing, or continuing to lease, the provider's home.
- (9) If the provider determines the person needs additional services or supports and the need(s) can no longer be met through Assisted Living Services, the provider assists the individual to find other appropriate services.

340:100-5-22.3. Authorization for community residential supports [REVOKED]

[Source: Added at 17 Ok Reg 550, eff 11-24-99 (emergency); Added at 17 Ok Reg 1314, eff 5-11-00 ; Amended at 18 Ok Reg 681, eff 1-10-01 (emergency); Amended at 18 Ok Reg 1254, eff 5-11-01 ; Revoked at 23 Ok Reg 1026, eff 5-11-06]

340:100-5-22.4. Residential options for Homeward Bound class members

(a) Persons who are members of the class certified in Case Number 85-C-437-E, United States District Court for the Northern District of Oklahoma, have the right to choose either:

- (1) independent living;
- (2) natural home;
- (3) agency companion services, as described in OAC 317:40-5-3;
- (4) supported living services, as described in OAC 340:100-5-22.5;
- (5) group home services, as described in OAC 340:100-6, in a home serving six or fewer individuals; or
- (6) intermediate care facility services for persons with mental retardation, as described in Title 42 Code of Federal Regulations, Part 442, in a facility serving six or fewer individuals.

(b) Property replacement reimbursement in accordance with OAC 340:100-5-22.5(e) is available to class members receiving agency companion services, as described in OAC 317:40-5-3.

(c) Class members may live alone or with a roommate(s) if they so choose.

340:100-5-22.5. Supported living services

(a) **Eligibility.** To ensure the daily living requirements of the class members are met, Oklahoma Human Services (OKDHS) provides a payment to the contract residential provider agency serving each person who:

- (1) is a member of the class certified in Case Number 85-C-437-E, United States District Court for the Northern District of Oklahoma; and
- (2) receives Daily Living Supports services, per Oklahoma Administrative Code (OAC) 317:40-5-153.

(b) **Service expectations.** The provider agency ensures that:

- (1) all applicable OKDHS and Oklahoma Health Care Authority (OHCA) rules are met, including:
 - (A) community residential supports, per OAC 340:100-5-22.1;
 - (B) daily living supports, per OAC 317:40-5-153;
 - (C) the Developmental Disabilities Services (DDS) mission statement and guiding principles, per OAC 340:100-1-3.1;
 - (D) community records rules, per OAC 340:100-3-40;
 - (E) individual plan rules, per OAC 340:100-5-50 through 340:100-5-58; and
 - (F) health services rules, per OAC 340:100-5-26; and
- (2) the class member's expenses for housing, food, clothing, recreation, utilities, medical services, property replacement, and transportation, per OAC 340:100-5-22.5.

(c) **Room and board payment.** The room and board payments support the class member's housing, food, clothing, recreation, and utility costs per this subsection.

(1) Each class member contributes an amount determined annually by DDS, not to exceed 90 percent of his or her income, up to a maximum of 90 percent of the current Supplemental Security Income (SSI) monthly payment for a single individual.

(A) The maximum SSI monthly payment may be exceeded by prior written agreement between the individual served or his or her guardian and the provider agency with the written approval of the DDS director or designee.

(B) OKDHS pays a supplement, equal to 90 percent of the SSI monthly payment for a single individual minus 90 percent of the class member's income, on behalf of each class member whose income and resources are insufficient for the person to contribute the maximum room and board payment explained in this paragraph.

(2) To supplement the individual's funds for meeting daily living requirements, OKDHS provides a room and board provider payment per the supported living contract.

(3) The provider agency completes a written financial agreement with the class member and chosen advocate(s) or the legal guardian, per OAC 340:100-5-22.1.

(4) Room and board revenues must be accounted for separately from other provider agency funds.

(A) Room and board revenues from OKDHS are managed by the provider to meet the needs of all individuals living in supported living arrangements.

(B) Payments from OKDHS mentioned in (2) of this subsection are provider payments. They are not income to the class member and must not be deposited in the class member's bank account; nor is the provider required to account to the class member or Personal Support Team (Team) regarding their use.

(C) Room and board payments from individuals served are used only to meet the needs of that individual.

(5) Unless written approval is secured in advance from the DDS director or designee, room and board revenues are solely used for:

(A) housing costs and utilities;

(B) groceries;

(C) household maintenance;

(D) recreation;

(E) personal items and clothing;

(F) household property insurance;

(G) yard care; and

(H) furnishings and appliances.

(6) Room and board payments are authorized as long as the provider agency supports the individual to maintain a household.

(7) Room and board payments cannot be used to support a roommate who does not receive DDS services, nor can the payment be used to modify or improve the home for the use or comfort of an existing or potential roommate who is not a DDS services recipient. Any roommate must contribute a fair share to the cost of operating the household.

(8) Room and board payments are used only to support a service recipient in one household and residence at any given time, except for a transition with a timeframe not to exceed 45-calendar days.

(d) **Medical supplement.** OKDHS reimburses the provider agency for the cost of necessary medical services not covered through Medicaid (SoonerCare), Medicare, or other insurance; or for persons listed in Case Number 85-C-437-E, who are not Medicaid or Medicare eligible. The medical supplement is not paid at a rate higher than allowed through the Oklahoma Medicaid Fee-for-Service Program unless approved by the area DDS field administrator in writing.

(1) Co-payments for medical services are not covered by the medical supplement. Co-payments are the responsibility of the class member.

(2) Over-the-counter medications are not covered by the medical supplement. These are the responsibility of the class member.

(e) **Property replacement supplement.** DDS provider agencies are reimbursed for replacement of unusable furnishings or necessary furnishings or appliances for class members per the supported living contract addendum. Necessary furnishings and appliances include: refrigerators, stoves, washers, dryers, dining tables and chairs, sofas or love seats, recliners, lamps when there is no fixed lighting in the room, beds, dressers or chests of drawers, bookshelves, phones, and safety items, per OAC 340:100-5-22.1.

(1) The provider agency submits a written property replacement request to the case manager that includes the:

(A) furnishing or appliance to be purchased;

(B) reason the item is necessary; and

(C) age of the furnishing or appliance to be replaced.

(2) The case manager reviews the written request and submits it to the area field administrator or designee within 14-calendar days with the case manager's assessment of the need for the furnishing or appliance.

(3) The area field administrator or designee reviews and responds to the request and assessment, within five-calendar days after considering:

(A) whether the request includes necessary information;

(B) whether the case manager assessment indicates need;

(C) whether the household has or disposed of usable items to meet the need; and

(D) that items less than five years old are repaired whenever feasible; with the exception of lamps, phones, or safety items.

(4) Expenditures for property purchased with the property replacement supplement must not be reported as expenses against the room and board payment.

(5) No reimbursement for replacement of worn out furnishings may occur during the first year of service.

(6) The disposal of any furnishings purchased for class members under this supplement meets the requirements of this paragraph.

- (A) Any furnishings purchased through this supplement become the property of the class member.
- (B) Any funds received from the disposal of property belong to the class member.
- (C) The provider must document the disposal of furnishings in detail.
- (D) When the provider believes that the disposal of property is not in the class member's best interest, the issue is referred to the Team for resolution.
- (E) The replacement of usable appliances and furnishings disposed of is the class member's responsibility.

(f) **Transportation supplement.** OKDHS pays a transportation supplement only when the provider agency supplies a vehicle for the exclusive use of each household and the combined mileage for all persons residing in the household totals less than 30 miles per day, per the supported living addendum to the contract for services. Waiver transportation is authorized, per OAC 317:40-5-103.

(g) **Fiscal accountability.** The provider agency follows fiscal accountability standards established in this subsection.

(1) The provider agency expends all payment supplied, per OAC 340:100-5-22.5, on the specific activities for which the payment was provided.

(A) Any funds expended for purposes other than the authorized activities are repaid to OKDHS.

(B) The room and board fund balance at the end of the fiscal year cannot exceed five percent of the total supported living revenues. Any fund balance in excess of five percent is repaid to OKDHS.

(2) The provider agency maintains copies of all claims, substantiating documents, and records regarding provider agency fiscal status within corporate offices in Oklahoma.

(3) Supported living expenditures must:

(A) be documented;

(B) not include administrative costs of the provider agency; and

(C) be audited annually, per OAC 340:100-3-27.5.

340:100-5-22.6. Alternative group home

(a) **Legal basis.** Authority to operate alternative group homes is based on the Group Homes for Persons with Developmental or Physical Disabilities Act per Section 1430.1 through 1430.41 of Title 10 of the Oklahoma Statutes (10 O.S. §§ 1430.1 through 1430.41). Administrative and program requirements for alternative group homes are described in Oklahoma Administrative Code (OAC) 317:40-5-152, this Section, and OAC 340:100-6.

(b) **General information.** Alternative group homes:

(1) serve up to four service recipients who:

- (A) have serious behavioral or emotional challenges or community protection issues in addition to intellectual disabilities and require continuous supervision and assistance to remain in the community; or
- (B) were charged with a felony, determined by the district court as incompetent to stand trial due to intellectual disability, formerly known as mental retardation, and dangerous, and placed by the district court in the custody of the public guardian; and

(2) provide for the development of skills to assist service recipients to lead healthy, independent, and productive lives to the fullest extent possible.

(c) **Provider approval criteria.** In addition to OAC 340:100-6-12 requirements, prospective providers of alternative group home services must demonstrate a history of effective services and supports to persons with serious behavioral or emotional challenges or community protection issues. Provider approval requires review of historical information, when available, from Developmental Disabilities Services (DDS) Quality Assurance Unit and area office. The DDS director or designee must approve the location of the alternative group home prior to the implementation of services. Each prospective provider submits written documentation of:

(1) a history of services to persons who present serious behavioral or emotional challenges or community protection issues, including:

- (A) past experience;
- (B) number of persons served;
- (C) provider's perspective on the greatest challenges in serving persons eligible for alternative group home services; and
- (D) provider's philosophy for service provision;

(2) financial viability through fiscal information when requested, including the anticipated budget related to the rate for alternative group home services;

(3) service provision plans, including:

- (A) anticipated number of homes;
- (B) location;
- (C) floor plans;
- (D) gender to be served;
- (E) population to be served; and
- (F) availability of psychological, psychiatric, and vocational services in the proposed location;

(4) plans for staffing and program coordination; and

(5) staff qualifications, including any additional training to be provided.

(d) **Eligibility to receive services.** To be eligible for services in an alternative group home, the person must:

(1) be in the custody of the public guardian per 22 O.S. § 1175.6b or 1175.6c; or

(2) meet the criteria for an intermediate care facility for individuals with intellectual disabilities level of care; and

(A) require 24-hour, on-site, awake staff supervision to ensure safety; and
(B) be found by the DDS director or designee to have serious behavioral or emotional challenges or community protection issues, such as:

(i) evidence of commitment of a sexually violent offense, sexually predatory act, or crime of sexual violence including, but not limited to:

(I) rape;

(II) lewd or indecent acts or proposals made to a child, per 21 O.S. § 1123; or

(III) forcible sodomy, per 21 O.S. § 888;

(ii) history of stalking or opportunistic behavior that demonstrates a likelihood to commit a sexually violent or predatory act;

(iii) documented pattern of acts of violence toward others;

(iv) experience ongoing, highly disruptive behavioral episodes that:

(I) are dangerous per 22 O.S. § 1175.1; and

(II) require close supervision and frequent intervention by staff;

(v) evidence of commitment of one or more violent offenses, such as:

(I) murder or manslaughter;

(II) attempted murder;

(III) arson;

(IV) assault;

(V) kidnapping; or

(VI) use of a weapon to commit a crime; or

(vi) severe ongoing self-injurious behavior.

(e) **Services provided.** Services provided are designed to assist service recipients in acquiring, retaining, and improving self-help, socialization, and adaptive skills necessary to reside successfully in a home and community-based setting.

(1) Services include supports to meet each service recipient's needs including, but not limited to:

(A) residential habilitation, such as assistance with the acquisition, retention, or improvement of skills related to activities of daily living, such as:

(i) personal grooming and cleanliness;

(ii) bed-making and household chores;

(iii) eating and food preparation; and

(iv) social and adaptive skills necessary to enable the service recipient to reside in a shared home;

(B) program supervision and oversight including 24-hour availability of response staff to meet schedules or unpredictable needs in a way that promotes maximum dignity and independence, while providing for supervision and safety. In addition to requirements in OAC 340:100-6-55, program coordination staff (PCS) must:

- (i) serve no more than 18 service recipients;
- (ii) ensure staffing levels meet (1)(H) of this subsection requirements; and
- (iii) ensure records are maintained per OAC 340:100-3-40;

(C) implementation of community protection precautions and individual program plans per (f) of this Section;

(D) recreational and leisure activities, including individual and group activities;

(E) assistance in money management;

(F) health care services provided per OAC 340:100-5-26 and OAC 340:100-5-26.3;

(G) medication administration per OAC 340:100-5-32; and

(H) management of staffing levels that provides supervision to ensure the safety of the service recipient, community, staff, other service recipients, and implementation of each service recipient's Individual Plan (Plan).

- (i) An average of 14 hours of staffing per service recipient must be provided per billable day prior to filing a claim for habilitation training staff authorized per OAC 317:40-5-152.

- (I) At least two awake-staff must be on duty during daytime and evening hours when service recipients are in the home.

- (II) This requirement may be reduced to one awake-staff, when there are only one or two service recipients in the home.

- (ii) Sufficient daytime staffing must be provided to:
 - (I) ensure adequate supervision in the home and community; and
 - (II) implement the Plan, except during the time the service recipient is in an authorized employment, vocational, or day services program that provides the needed supervision, security, and support identified in the Plan. Staff is trained per OAC 340:100-3-38.

- (iii) At least one awake-staff must be on duty during hours when service recipients are asleep.

- (I) The provider agency must have a provision to immediately provide additional staff in the home when the need arises.

- (II) Staff on duty must be physically able and mentally alert to carry out the duties of the job.

- (iv) The provider must:

- (I) have staff available to provide necessary support and supervision when the service recipient needs to return from employment or other day services;

(II) provide activity options and supervision during all times when the service recipient is not participating in authorized employment activities; and
(III) ensure effective transition and coordination of supervision between alternative group home and employment programs or other authorized absences from the alternative group home program.

(2) In addition to the services in (1) of this subsection, services for wards of the public guardian are designed to ensure the service recipient is not dangerous to self or others.

(f) **Alternative group home program requirements.** In addition to compliance with applicable Oklahoma Human Services (OKDHS) and Oklahoma Health Care Authority (OHCA) rules, the provider ensures:

(1) staff implements security precautions protecting the service recipient, neighbors, children, vulnerable adults, animals, and others;

(2) staff implements outcomes and action steps detailed in the Plan to assist service recipients to function safely in the community and avoid criminal activity;

(3) collaboration and coordination occur with DDS staff, employment providers, therapists, and other entities and persons, such as law enforcement, corrections officers, schools, employers, mental health workers, and, when appropriate, the public guardian;

(4) written provider agency policies comply with OKDHS and OHCA rules;

(5) effective security and supervision of service recipients in the residence and community are provided;

(6) contingency plans are developed and implemented for:

(A) emergency relocation of a service recipient who created a danger or who is in danger;

(B) emergency staffing in the event changes are required to protect staff or others;

(C) general emergencies requiring evacuation of the entire home, such as fire or weather emergencies, per OAC 340:100-6-45; and

(D) elopement;

(7) legal and court requirements are followed, including adherence to Oklahoma laws governing registered sexual offenders;

(8) the health care coordinator (HCC) or other knowledgeable staff accompanies the service recipient to each medical or psychiatric appointment, taking current data summaries that indicate the rate of occurrence of medication-responsive symptoms or behaviors over the last one to three months. For visits to the physician prescribing psychotropic medication, the HCC presents Form 06HM073E, Referral Form for Psychiatric Treatment or Examination, per OAC 340:100-5-26;

(9) specific offense patterns are considered and addressed when determining appropriate program locations; and

(10) any modifications to the Plan including restrictive or intrusive procedures is supported by a specific, assessed need, and justified in the person-centered plan per OAC 317:40-1-3(b).

When the Personal Support Team (Team) determines restrictive or intrusive procedures are essential for safety, the Team must develop a protective intervention protocol per OAC 340:100-5-57.

(g) **Weapons.** Dangerous or deadly weapons are not permitted in the alternative group home or on the premises. Providers are prohibited from assisting any service recipient to obtain or possess dangerous or deadly weapons including, but not limited to:

- (1) guns, BB guns, air rifles, or other firearms;
- (2) crossbows;
- (3) paint guns;
- (4) arrows;
- (5) explosives;
- (6) stun guns; and
- (7) knives, except cooking and eating utensils.

(h) **Substances and items prohibited in alternative group homes are:**

- (1) illegal substances; and
- (2) alcohol.

(i) **SoonerCare eligibility.** The service recipient and guardian, with necessary support from the provider, establish and maintain SoonerCare eligibility, when possible.

(j) **Natural supports.** Persons who agree to provide natural supports to a service recipient living in an alternative group home must:

- (1) work with the Team to develop a schedule, support strategies, and agreement for support. Each Plan contains a description of any natural support provided that ensures the safety and welfare of the service recipient and community. No arrangement is made for natural supports that violate existing court orders, security arrangements, or the Plan;
- (2) keep commitments made, regarding supports; and
- (3) document or report to the program coordinator or DDS case manager regarding supports provided.

(k) **Refusal to participate.** When a service recipient or guardian refuses to participate in service delivery described in the Plan:

- (1) the provider:
 - (A) continues to implement the Plan as written; and
 - (B) immediately notifies the DDS case manager of the need for a Team meeting;
- (2) the DDS case manager takes immediate action to convene the Team to address the situation; and
- (3) steps in OAC 340:100-3-11 are followed.

(l) **Record keeping.** In addition to requirements of OAC 340:100-3-40, records of service recipients must include documentation of:

- (1) the service recipient's registration with appropriate law enforcement authorities, when required, and documentation of subsequent registration notification to DDS;

- (2) all agreements or plans with other agencies or persons who support the service recipient, including the guardian and family members that specifies the service recipient's supervision requirements when staff is not present; and
- (3) any refusal by the service recipient to follow conditions of the Plan, protective intervention protocols, or treatment recommendations.

(m) **Training.** Staff or volunteers providing direct supports for service recipients in an alternative group home are required to complete necessary training requirements per OAC 340:100-3-38.13.

(n) **Transportation.** Providers of alternative group home services must ensure transportation is:

- (1) available as needed for medical emergencies, appointments, day programs, and community activities per OAC 317:40-5-103; and
- (2) supervised per this Section in accordance with each service recipient's needs.

(o) **Emergency temporary alternative group home supports.**

Emergency temporary alternative group home supports are described in this section. Alternative group homes may serve additional service recipients when the DDS director or designee determines he or she requires alternative group home level of care and there are no other resolutions to the emergency.

(1) When an emergency situation exists in which the Team requests temporary alternative group home supports, the case manager submits a request and justification for the services to the DDS director or designee. The request must include:

- (A) a description of outcomes the service recipient and his or her guardian desires, when appropriate, and the services and supports necessary to achieve these outcomes;
- (B) objective evidence supporting the need for the alternative group home placement; and
- (C) criteria of what must occur for the service recipient to return to a less restrictive placement

(2) Within the first two weeks of the service recipient's admission to an alternative group home, the Team develops a transition plan with action steps or methods to achieve the transition including the names of persons or provider agency positions responsible for implementing assigned responsibilities.

(p) **Transition.** Teams plan for a service recipient's transition to appropriate services when it is determined the alternative group home program is no longer necessary.

(1) Within three months of the service recipient's admission to an alternative group home, the Team develops reasonable criteria for the service recipient's transition to a less restrictive environment that are:

- (A) included in a written plan submitted to designated DDS State Office staff; and
- (B) reviewed at least annually by the Team.

(2) All transitions from alternative group homes must be approved by designated DDS State Office staff. DDS State Office staff may adjust the transition date when necessary.

(q) **DDS-initiated transition.** The DDS director or designee may initiate the transition process for a person receiving alternative group home services who can be effectively served in another residential environment.

[Source: Added at 23 Ok Reg 1910, eff 6-11-06 ; Amended at 24 Ok Reg 1046, eff 5-11-07 ; Amended at 27 Ok Reg 838, eff 7-1-10 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 34 Ok Reg 1598, eff 9-15-17 ; Amended at 40 Ok Reg 1005, eff 9-15-23]

340:100-5-22.7. Supplemental room and board funding for persons receiving Home and Community-Based Services (HCBS) Waivers

(a) **Applicability.** This Section applies to services funded through Medicaid HCBS Waivers, per Oklahoma Administrative Code (OAC) 317:35-9-5, and Section 1915(c) of the Social Security Act. Specific Waivers include service recipients who receive:

- (1) daily living supports, per OAC 317:40-5-150; or
- (2) group home services, per OAC 317:40-5-152.

(b) **General Information.** In an effort to support participation in community life Oklahoma Human Services Developmental Disabilities Services (DDS) may supplement room and board costs for service recipients with income insufficient to meet the costs of the items listed in (b)(1)(A) through (H). Room and board costs are not a reimbursable waiver expense, per the HCBS service regulations. The provider may request a supplemental room and board payment when room and board expenses in a residential setting exceeds income. DDS State Fund supplemental payments permit a provider to be reimbursed for room and board costs beyond a service recipient's ability to pay with personal benefits income.

(1) Allowable room and board costs are actual monthly expenses that include:

- (A) rent;
- (B) food;
- (C) housing supplies;
- (D) utilities;
- (E) basic cable or television;
- (F) telephone;
- (G) repair and maintenance that are not an obligation of another entity; and
- (H) insurance.

(2) Room and board reimbursement is authorized, per OAC 340-3-33.1. When the need for a supplemental payment is expected to continue, cost effective community living arrangements are considered and documented in the Individual Plan. The supplemental room and board payment must meet all of the requirements in (A) through (E) of this paragraph.

(A) Funding to meet the service recipient's needs are not available through another source.

(B) The service recipient's room and board expenses are consistent with fair market values for properties in the general area.

(C) The supplemental payment must be necessary to support community living and must be required for other than the preference of the service recipient, family, or provider.

(D) The provider must provide detailed expenses including but not limited to mortgage detail and status. The mortgage may not be a loan with business debt that is greater than the properties fair market value or non-routine costs for non-physical plant excluding the normal escrow items such as taxes and insurance.

(E) The provider must disclose common ownership interests between the provider and mortgage holder or lessor.

(3) The service recipient's Personal Support Team (Team) ensures individuals have a minimum of \$100 of personal spending money each month unless the DDS director or designee approves a lesser amount.

(4) When possible, the Team develops a plan to resolve the room and board deficiency by identifying lower cost housing options or seeking roommates when there are additional bedrooms available.

(c) **Room and board payment.** Each service recipient contributes an amount the provider determines, not to exceed actual expenses. The service recipient retains at least \$100 a month in personal spending money. The service recipient contributes employment income to meet his or her room and board costs.

(1) To ensure Waiver funding is not used for room and board costs when the service recipient has exceptionally low income, a room and board supplement is provided. The supplement is provided when he or she:

(A) does not have adequate income to meet his or her room and board expenses;

(B) is awaiting a medical decision from the Social Security Administration for Supplemental Security income eligibility; or

(C) is unable to achieve sustained employment resulting in a room and board income deficit.

(2) Each month the provider submits:

(A) OKDHS Form 06CL001E, Room and Board Supplement Claim Form, for reimbursement within three-months of the last date of service;

(B) an invoice with:

(i) the date of service;

(ii) a unique invoice number;

(iii) an itemized description of services and total amount that matches Form 06CL001E; and

(iv) name and address of the vendor that matches the contract name and address.

(3) Proof of payment for all claim expenditures is included.
(d) **Provider requirements.** The provider establishes a written financial agreement with the service recipient or legal guardian that defines the provider and service recipient's responsibilities, per OAC 340:100-5-22.1.

(1) The provider ensures:

(A) service recipient expenses accrue on a monthly basis and are actual expenses;

(B) the Social Security Administration is contacted to review the service recipient's benefits when his or her personal benefits are low; and

(C) the service recipient is employed an average of 30 hours per week. When the service recipient does not participate in 30 hours per week of employment services, the Team develops a plan to address the situation, per OAC 317:40-7-15.

(2) The provider notifies the DDS case manager when the service recipient's room and board, income, or expenditures change significantly.

(e) **Service recipient requirements.** DDS may request that the service recipient reimburse OKDHS for the approved room and board expenses when he or she receives a Social Security Disability Benefits back payment. DDS may request reimbursement when:

(1) making the requested reimbursement does not cause the service recipient to be in debt; and

(2) the service recipient or his or her legal guardian completes OKDHS Form 06AD010E, Service Recipient Room and Board Reimbursement.

[Source: Amended at 8 Ok Reg 2163, eff 5-13-91 (emergency); Amended at 9 Ok Reg 1549, eff 4-27-92 ; Amended at 12 Ok Reg 429, eff 1-1-95 (emergency); Amended at 12 Ok Reg 3460, eff 7-1-95 (emergency); Amended at 13 Ok Reg 2203, eff 6-14-96 ; Revoked at 24 Ok Reg 2201, eff 6-25-07]

340:100-5-26. Health and wellness

(a) **Scope and applicability.** Oklahoma Administrative Code (OAC) 340:100-5-26 applies to service recipients receiving services funded by Developmental Disabilities Services (DDS) or Home and Community-Based Services (HCBS) Waivers that promote health and well-being.

(1) Oklahoma State Department of Health (OSDH) guidelines for universal precautions, and infection control practices are used to prevent the transmission of communicable diseases.

(2) DDS staff and contract providers implement procedures to promote the health and wellness of each service recipient, including procedures related to:

- (A) accessing emergency medical intervention;
- (B) initiating first aid and cardio pulmonary resuscitation (CPR), unless a Do-Not-Resuscitate Consent Form is signed, per Section 3131.1 et. seq. of Title 63 of the Oklahoma Statutes;
- (C) promoting disease prevention;
- (D) addressing issues associated with aging;
- (E) medication administration, per OAC 340:100-5-32;
- (F) health related services, per OAC 340:100-5-26.3;
- (G) assisting the service recipient to access medical and dental services when needed; and
- (H) identifying and addressing service recipient needs, per OAC 340:100-5-50 through 340:100-5-58.

(b) Service recipient responsibilities.

(1) The right of a service recipient to refuse service is respected, per OAC 340:100-3-11. However the:

- (A) Personal Support Team (Team) meets to discuss the service recipient's decision;
- (B) service recipient must cooperate with eligibility assessments and provide documents necessary to continue HCBS Waiver services;
- (C) service recipient must cooperate with the case manager and provider to obtain necessary assessments and health care provider orders when assistance by a paid HCBS Waiver provider is identified in the Individual Plan (Plan); and

(D) except as provided for in OAC 340:100-5-22.5, the service recipient is responsible for health and medical costs including:

- (i) over-the-counter medications and other medications not covered by insurance;
- (ii) health insurance co-payments;
- (iii) dental treatments and appliances not covered by dental insurance or within the allowable annual limits of the HCBS Waiver, when eligible;
- (iv) medical treatments not covered by health insurance;
- (v) dietary supplements including, but not limited to:
 - (I) vitamins; and
 - (II) herbal and dietary treatments;
- (vi) treatment supplies not medically necessary for:
 - (I) nutrition;
 - (II) incontinence;
 - (III) respirator or ventilator care;
 - (IV) decubitus care;
 - (V) catheterization;
 - (VI) health conditions; or
 - (VII) infection control; and
- (vii) treatments and supplies outside the allowable limits of the HCBS Waiver.

(2) The service recipient or his or her family assumes the responsibility for making appointments when residing in his or her own home or family home, unless a health care coordinator (HCC), per OAC 340:100-5-26(e)(3)(F), is required and identified in the Plan.

(c) **Assessment of needs.** The DDS case manager ensures an individual assessment is completed for each service recipient, per OAC 340:100-5-51.

(d) **Planning and implementation requirements.**

(1) Health and wellness support and services and the roles of various individuals are specifically noted in the service recipient's Plan, per OAC 340:100-5-50 through 340:100-5-58.

(2) For a service recipient who receives minimal services to maintain residence in his or her own home or family home or to maintain employment, the service recipient and his or her Team determines the appropriate roles for members of the Team per applicable policy.

(3) For a service recipient who receives residential, group home, or extensive health supports to remain in his or her own home or family home or maintain employment, the Team identifies specific roles and protocols necessary to provide support as listed in (A) - (I) of this paragraph.

(A) The Team identifies desired health care outcomes or necessary supports through the Team process.

(B) Health issues identified through health care evaluations and assessments that impact the service

recipient's life are incorporated and integrated by the Team into the Plan.

(C) When assessing health care services or implementation strategies involving discipline-specific services, a representative from that discipline participates in a consulting role.

(D) For service recipients who receive HCBS Waiver community residential supports or group home services, invasive procedures are reviewed by the Team, including participation from any other service provider as appropriate. Consent is assessed, per OAC 340:100-3-5.

(i) An invasive procedure is a procedure or surgery that requires moderate to deep sedation or general anesthesia, changes the service recipient's functional level following the procedure, or requires changes to the Plan.

(ii) Invasive procedures reviewed by the Team comprise both scheduled and emergency procedures.

(iii) Team review of a scheduled invasive procedure occurs prior to implementation of the proposed procedure and includes, but is not limited to, a discussion of risk, benefit, and possible alternatives. For both scheduled and emergency invasive procedures the Team assesses service and support needs to promote healing or rehabilitation.

(E) The community residential supports or group home provider is responsible for providing health care coordination.

(F) For a service recipient who requires extensive health supports to remain in his or her own home or maintain employment, the HCC is identified in the Plan when the HCC is a paid support.

(G) The Team identifies a HCC to ensure implementation and coordination of health care services for the service recipient. The HCC:

(i) is a person who has an understanding of the service recipient's health care needs and lifestyle, and may be the service recipient, service recipient's family member, foster parent, companion, residential provider staff, or other person who is familiar with the service recipient's needs;

(ii) receives DDS required training;

(iii) documents that health concerns are addressed, monitored, and communicated;

(iv) supports the person to directly communicate to the health care provider the reason for the medical consultation whenever possible, or communicate on the service recipient's behalf;

- (v) keeps the health care provider advised of medical status and data regarding any target symptoms;
- (vi) communicates health care provider orders to core Team members and other service providers as appropriate;
- (vii) presents Form 06HM005E, Referral Form for Examination or Treatment, for HCBS Waiver recipients to the health care provider at the time of the visit ensuring:
 - (I) Form 06HM005E is completed by the HCC prior to the visit; and
 - (II) the health care provider completes a short written summary of the findings;
- (viii) presents Form 06HM073E, Referral Form for Psychiatric Examination or Treatment, for HCBS Waiver recipients to the psychiatric health care provider at the time of the visit ensuring:
 - (I) Form 06HM073E is completed by the HCC prior to the visit; and
 - (II) the psychiatric health care provider completes a short written summary of the findings; and
- (ix) when employed by a contract provider, the employer develops and implements a procedure to ensure appropriate backup if the HCC is unable, for any reason, to perform these duties.

(H) For service recipients who receive HCBS Waiver community residential supports or group home services, the DDS case manager submits a referral for a clinical pharmacist review:

- (i) when requested by a Team member or clinician participating with the Team;
- (ii) when a review performed by the assigned DDS case manager or nurse determines a referral is indicated;
- (iii) annually or as needed when the service recipient:
 - (I) receives five or more routine medications;
 - (II) is experiencing potential medication-related issues not resolved through other medical intervention;
 - (III) uses a p.r.n. medication routinely for more than three months with an average use of three per week or 10 per month;
 - (IV) takes two or more psychotropic medications, per OAC 340:100-5-26.1; or
 - (V) takes three or more anticonvulsant medications; or

(iv) when a service recipient receives an order for a medication administered p.r.n for behavioral control, per OAC 340:100-5-26.1.

(I) The Team meets to review pharmacy recommendations within 30-business days of receipt of a completed clinical pharmacy review.

(J) For service recipients who receive community residential supports or group home services and are hospitalized the DDS case manager identifies preventative measures, and reviews needed services and supports.

When the service recipient is admitted to a:

(i) non-psychiatric hospital the Team holds a discharge planning meeting; or

(ii) psychiatric facility a review is completed, per OAC 340:100-5-57. A Team meeting is held if changes to the Plan are identified.

(e) Implementation procedures for HCBS Waiver skilled nursing services.

(1) Skilled nursing services are implemented, per OAC 317:30-5-390 through 317:30-5-393.

(2) Community service workers are trained and carry out implementation strategies addressing health care outcomes.

(3) Accurate and current medical and program information is maintained in the home record by the residential provider and is available for review by authorized Oklahoma Human Services staff.

(f) Case management monitoring responsibilities for HCBS Waiver service recipients.

(1) The case manager monitors implementation of the Plan, per OAC 340:100-5-52 and 340:100-3-27.

(2) For the purpose of monitoring and evaluation, designated DDS staff has access at all times to the service recipient's medical and programmatic information.

(3) The case manager monitors the service recipient's access to medical and dental services.

(4) The case manager may assist the service recipient in locating health care providers.

[Source: Amended at 11 Ok Reg 177, eff 10-11-93 (emergency); Amended at 11 Ok Reg 2303, eff 5-26-94 ; Amended at 12 Ok Reg 409, eff 11-17-94 (emergency); Amended at 12 Ok Reg 2491, eff 6-26-95 ; Amended at 14 Ok Reg 3600, eff 7-25-97 (emergency); Amended at 15 Ok Reg 1666, eff 5-11-98 ; Amended at 19 Ok Reg 2948, eff 8-1-02 (emergency); Amended at 20 Ok Reg 936, eff 6-1-03 ; Amended at 21 Ok Reg 888, eff 4-26-04 ; Amended at 22 Ok Reg 882, eff 5-12-05 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 26 Ok Reg 922, eff 5-15-09 ; Amended at 32 Ok Reg 1906, eff 9-15-15 ; Amended at 38 Ok Reg 2317, eff 9-15-21]

340:100-5-26.1. Psychotropic medication

(a) Oklahoma Administrative Code (OAC) 340:100-5-26.1 applies to service recipients receiving:

(1) community residential supports per OAC 340:100-5-22.1;

(2) group home services per OAC 340:100-6; or

(3) behavioral supports in Level D group homes.

(b) A psychotropic medication is a drug used to treat a mental disorder or any drug prescribed to stabilize or improve mood, mental status, or behavior per OAC 340:100-1-2.

(c) Medication is not used as punishment, for staff's convenience, as a substitute for a program, or in quantities that interfere with a service recipient's participation in programming.

(d) The service recipient's Personal Support Team (Team) obtains a description of data to be collected to evaluate the psychotropic medication's effectiveness, from the prescribing healthcare provider.

(1) The Team:

(A) identifies a method for collecting necessary data; and

(B) specifies a routine method for reporting this data to the prescribing healthcare provider.

(2) When psychotropic medication is changed, the Team obtains new instructions for additional or different data needed to evaluate the effectiveness of the new medication, from the prescribing healthcare provider.

(e) The Team monitors for side effects, such as tardive dyskinesia per OAC 340:100-5-29.

(f) The Team reviews the use of psychotropic medication annually during the individual planning process per OAC 340:100-5-53.

(g) The Team must develop a protective intervention protocol per OAC 340:100-5-57 to address behavioral symptoms being treated by the psychotropic medication.

(h) Developmental Disabilities Services (DDS) defines the use of p.r.n. medication for behavioral control to be a highly-restrictive procedure per OAC 340:100-3-34. Medication is considered for behavioral control when it is prescribed to achieve a desired behavioral outcome. When a medication is ordered to be administered p.r.n. for behavioral control:

(1) the Team:

(A) ensures there is a specific, written protocol for the administration of the p.r.n. medication from the prescribing healthcare provider as part of a protective intervention protocol per OAC 340:100-5-57;

(B) notifies the DDS director of pharmacy services and requests a pharmacy review within five-business days; and

(C) meets to incorporate the protocol in the individual plan within 30-calendar days; and

(2) the contract provider agency staff follows critical incident reporting requirements per OAC 340:100-3-34.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 35 Ok Reg 1698, eff 9-17-18 ; Amended at 40 Ok Reg 1005, eff 9-15-23]

340:100-5-26.2. End-of-life issues

(a) **Purpose.** Rules in this Section are established to support the decisions of persons receiving services from Developmental Disabilities Services (DDS) regarding end-of-life issues. DDS affirms life and regards dying as a normal process. DDS encourages each person to fully exercise his or her rights and make decisions about end-of-life issues that allow

the person to live with dignity and comfort.

(b) **Applicability.** Rules in this Section apply to DDS staff and contracted service providers licensed or funded through DDS Home and Community-Based Services Waivers or DDS state services and serve a person who is certified by a physician to be terminally ill. A person is considered terminally ill when he or she has a medical prognosis of life expectancy of six months or less.

(c) **End-of-life services.** When a person is diagnosed by a physician with a terminal illness, referred for hospice services, or a Do-Not-Resuscitate Consent Form is signed per Section 3131.1 et.seq. of Title 63 of the Oklahoma Statutes, the case manager holds a Personal Support Team (Team) meeting within five working days to review the person's needs, services, and supports.

(d) **DDS Case manager responsibilities.** When the person, guardian, or next of kin elects hospice care, the case manager:

- (1) identifies resources, including funding available, prior to selection of a hospice provider;
- (2) notifies the DDS state office programs administrator or designee and assigned DDS nurse, when applicable, that hospice care is elected;
- (3) arranges to meet with Team members and the hospice provider to develop a treatment plan;
- (4) integrates the hospice treatment plan into the Individual Plan (Plan) and amends the plan of care to terminate services no longer needed and add needed services; and
- (5) ensures DDS does not duplicate services provided by hospice.

(e) **DDS nurse role.** When the person, guardian, or next of kin elects hospice care, the DDS nurse is available, upon request, to:

- (1) assist the Team with identification of available hospice providers; and
- (2) assist hospice and residential providers to ensure medications are administered per Oklahoma Administrative Code (OAC) 340:100-5-32.

[Source: Added at 20 Ok Reg 1078, eff 4-10-03 (emergency); Added at 21 Ok Reg 888, eff 4-26-04 ; Amended at 38 Ok Reg 2317, eff 9-15-21]

340:100-5-26.3. Health-related services

(a) **Scope and applicability.** The rules in this Section apply to persons with mental retardation who:

- (1) receive Home and Community-Based Waiver Services or state-funded Developmental Disabilities Services Division (DDSD) services; and
- (2) have a need for health-related service or supportive assistance that the Personal Support Team (Team) has identified according to OAC 340:100-3-33.1 and 340:100-5-50 through 340:100-5-58.

(b) **Supportive assistance.** Supportive assistance services are those services rendered to a person with developmental disabilities that are sufficient to enable the service recipient to meet an adequate level of daily living. Supportive assistance services include:

- (1) training;

- (2) supervision;
- (3) assistance in housekeeping;
- (4) assistance in the preparation of meals; and
- (5) assistance in activities of daily living (ADLs) as necessary for the health and comfort of the service recipient. ADLs include those personal care and normal routine activities in a person's life that provide for the health and comfort of the service recipient.

(c) **Health-related services.** Health-related services are those services provided by community service providers or community service workers, direct support staff, to persons with developmental disabilities that include, but are not limited to:

- (1) mobility and transferring including, but not limited to:
 - (A) prosthetics application;
 - (B) splint application; and
 - (C) positioning and comfort;
- (2) range of motion; and
- (3) basic nursing care.
 - (A) Basic nursing care includes:
 - (i) taking temperature, pulse, and respiration;
 - (ii) positioning;
 - (iii) incontinent care; and
 - (iv) identification of signs and symptoms of disease.
 - (B) Other basic nursing care tasks that may be performed by direct support staff if the staff member has completed appropriate training provided or approved by the Oklahoma Department of Human Services (OKDHS), the service recipient's Team has agreed in writing to the performance of the task, and the service recipient's physician has given acknowledgement and a specific order related to the task are:
 - (i) nutrition, including but not limited to:
 - (I) instilling medications or nutrition through a gastrostomy tube or jejeunostomy tube;
 - (II) maintenance of the tube and the site; and
 - (III) fluid support, including documentation of intake and output;
 - (ii) blood and urine dip stick glucose monitoring;
 - (iii) hygiene including, but limited to:
 - (I) stoma care;
 - (II) ostomy bag care;
 - (III) wound care, non-sterile dressing changes; and
 - (IV) oral and dental care including suctioning;
 - (iv) elimination including, but not limited to:
 - (I) application of external catheter;
 - (II) administration of enema; and
 - (III) stool and urine collection; and

(v) health and safety needs including, but not limited to:

- (I) pulse oxygen reading for data collection and reporting of signs and symptoms or concerns to a health professional;
- (II) suctioning of the opening of a tracheostomy tube;
- (III) administration of oral metered dose inhalers and nebulizers;
- (IV) non-sterile catheterization;
- (V) oxygen administration;
- (VI) chest physiotherapy and positioning for postural drainage; and
- (VII) vagal nerve stimulator activation.

(d) Provision of health related services and supportive assistance services. The service recipient's Team develops a Plan of Care that incorporates the service recipient's needs, based on the physical status review (PSR) as described in OAC 340:100-5-26, professional evaluations, and team recommendations.

(1) Each community service worker completes competency-based classroom training and any individual-specific training as specified in OAC 340:100-3-38.

(2) When a licensed professional trains specific tasks to a community service worker, the licensed professional monitors and supervises that community service worker in accordance with the professional's licensing requirements.

(A) The licensed professional validates the community service worker's ability to safely and accurately perform the specific health-related service through documented hands-on return demonstration.

(B) The licensed professional who is responsible for the service or task must:

- (i) assess the service recipient's care needs prior to the competency-based training and delegation;
- (ii) develop a service plan;
- (iii) using prudent judgment, make the final decision as to which services are trained or delegated, within the specific scope of the licensed professional's judgment;
- (iv) implement the plan; and
- (v) evaluate the outcome of the services.

(C) The degree of supervision required must be determined by the licensed professional after evaluation of appropriate factors involved, including but not limited to, the:

- (i) stability of the condition of the service recipient;
- (ii) training and capability of the community service worker;
- (iii) nature of the task; and
- (iv) proximity and availability of the licensed professional to the community service worker when

performing the task.

(3) The community service worker's performance of health-related and supportive assistance services is monitored and supervised by the identified community worker's employing community services provider agency.

(e) **Quality assurance.** Quality assurance procedures in the provision of health-related services are detailed in this subsection.

(1) The DDSO registered nurse's (RN) health review provides monitoring to determine if the health and comfort needs of a service recipient are met in accordance with the service recipient's identified health concerns. The DDSO RN health review identifies problems and makes recommendations to the provider agency and the case manager for appropriate action, including the problem resolution process described in OAC 340:100-3-27, if necessary.

(2) DDSO Quality Assurance staff monitor services in accordance with OAC 340:100-3-27.

[Source: Added at 23 Ok Reg 1026, eff 5-11-06]

340:100-5-27. Skilled nursing services

The DHS provides skilled nursing services in the community to those individuals determined to be in need of such services as a result of the interdisciplinary team process. These services will be provided contingent upon availability of adequate resources.

(1) The skilled nursing services provided include but are not limited to:

- (A) Continuous, consistent and accurate assessments documenting any changes in the patients physical or mental status;
- (B) Reports of all significant observations or changes in physical or mental status or needs of the individual and maintenance of the plan of care based on these reports;
- (C) Administers medication only as ordered and specified by the attending physician;
- (D) Documentation of medication administration, responses, adverse reactions or explanations;
- (E) Current and accurate medication records;
- (F) Current and daily documentation of individual's status and duties as outlined in the nurse care plan;
- (G) Annual nursing assessments and any needed interim written nursing assessments;
- (H) Implementation of written plan of care;
- (I) Consistently high standards of professionalism and initiative contributing to the quality of care; and
- (J) Leadership, supervision, training, motivation and initiative.

(2) Skilled Nursing Services shall be rendered in such a manner as to provide the individual as much autonomy as possible.

(3) These services shall be flexible and responsive to changes in the individual's needs.

(4) Providers are expected to participate in annual interdisciplinary meetings and other team meetings as required.

(5) The skilled nursing services providers must insure consistent high quality of care.

(6) The provider must provide supervision and services as identified in the Individual Habilitation Plan.

(7) The provider must provide continuous services as prescribed in the plan of care.

(8) Appropriate supervisory staff shall be available to oversee the provision of Skilled Nursing Services.

(9) Service providers shall be Registered or Licensed Practical Nurses Who are graduates of an accredited school of nursing and currently licensed to practice in the State of Oklahoma. They should demonstrate an understanding and appreciation of individuals with mental retardation. They must be a mature and stable individual, free of any communicable disease and physically able to perform all duties appropriate to their profession.

(10) The provider must notify case manager or other appropriate representatives of the Department in the case of an emergency. Emergencies warranting notification of the Department shall include, but not be limited to:

(A) fire,

(B) storm damage,

(C) death,

(D) missing persons, and

(E) other critical incidents which would cause a significant disruption of services.

[Source: Added at 8 Ok Reg 2163, eff 5-13-91 (emergency); Added at 9 Ok Reg 1549, eff 4-27-92]

340:100-5-28. Community health services [REVOKED]

[Source: Added at 9 Ok Reg 2215, eff 5-18-92 (emergency); Added at 10 Ok Reg 1403, eff 4-26-93 ; Amended at 10 Ok Reg 2505, eff 5-24-93 (emergency); Revoked at 11 Ok Reg 177, eff 10-11-93 (emergency); Revoked at 11 Ok Reg 2303, eff 5-26-94]

340:100-5-29. Monitoring for tardive dyskinesia

(a) **Scope and applicability.** Developmental Disabilities Services (DDS) provides training for staff to regularly assess, monitor, and inform service recipients who are at risk for tardive dyskinesia (TD). Monitoring for TD applies to all service recipients who receive medication associated with a risk of TD. Providers of residential services funded by Oklahoma Human Services DDS or Oklahoma Health Care Authority have primary responsibility for implementation of OAC 340:100-5-29. Providers of other types of supports inform service recipients and encourage the implementation of OAC 340:100-5-29. Providers are required to meet standards per OAC 340:100-3-27. Service recipients:

(1) prescribed medication associated with a risk of developing TD are regularly assessed and monitored for symptoms of TD. The

service recipient who is prescribed such medication, parent(s) of a minor service recipient, or, if applicable, service recipient's legal guardian is regularly informed about the risk of TD;

(2) assessed with signs or symptoms of TD are referred to the prescribing healthcare provider for further evaluation;

(3) diagnosed with TD by a healthcare provider, parent(s) of a minor service recipient, or, if applicable, legal guardian are informed of the diagnosis; and

(4) diagnosed with TD continue to receive regular assessments and monitoring regarding the status of the diagnosis.

(b) Assessment and monitoring requirements. A trained rater or the prescribing healthcare provider or designee complete assessments using a standardized assessment scale. The Dyskinesia Identification System: Condensed User Scale (DISCUS) is the preferred assessment scale. DDS trains staff service providers identify to be DISCUS raters at no charge to the service provider. Identified staff may be contract staff or employees of the service provider. When rater training is needed, the service provider notifies DDStraining staff.

(1) Service provider staff maintains information about service recipient exposure to medication associated with a risk of developing TD.

(2) Copies of assessment scales completed by provider staff, or documentation of assessment completion by a healthcare provider or designee, are filed in the service recipient's record per OAC 340:100-3-40.

(c) Service recipients requiring assessments. Service recipients:

(1) with an unknown history of medication exposure receive an initial DISCUS assessment. When the initial assessment:

(A) has a total score less than five, further assessments are not needed; or

(B) has a total score of five or more, items in (i) and (ii) must occur.

(i) A referral is made to the prescribing healthcare provider for additional evaluation.

(ii) Assessments continue to be completed every six months until a DISCUS score less than 5 is obtained. The assessment is repeated in one month and, if the score remains less than 5, further assessments are not needed;

(2) who are prescribed medication that may cause TD are assessed before medication is started or within 30-calendar days of medication initiation.

(A) Service recipients are routinely assessed every six months while receiving medication associated with a risk of TD.

(B) Assessments may be done more frequently if medications are changed or side effects are suspected or identified;

(3) who have medications discontinued which are associated with a risk of TD are assessed monthly as described in (A) through (C) of this paragraph.

- (A) After four months with DISCUS scores of 5 or greater, monthly assessments are stopped, and assessments are repeated every six months.
 - (B) If a DISCUS score less than 5 is reported, assessments are completed monthly until two additional scores less than 5 are reported.
 - (C) After two, assessments with a score less than 5 are reported, assessments are discontinued.
- (4) who have medications introduced again that may cause TD are monitored according to OAC 340:100-5-29.

[Source: Added at 10 Ok Reg 2505, eff 5-24-93 (emergency); Added at 11 Ok Reg 2303, eff 5-26-94 ; Amended at 23 Ok Reg 1026, eff 5-11-06 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 40 Ok Reg 1005, eff 9-15-23]

340:100-5-30. Adult day care

- (a) Adult day care services are provided for eligible individuals 18 years of age or older who were certified on or before February 29, 2000, in a sheltered workshop under a day care provider contract administered by the Family Support Services Division. New individuals will not be added to the program.
- (b) Day care services are provided for adults to:
 - (1) enable the person's usual caretaker to receive education or training, or to obtain or retain employment;
 - (2) provide special training and supervision to adults with developmental disabilities;
 - (3) provide a protective environment when necessary;
 - (4) enable the person with mental retardation to experience a social development process not available in the home; or
 - (5) help prevent unnecessary institutionalization.
- (c) The adult day care plan in the person's Individual Plan:
 - (1) describes needs of the person receiving services;
 - (2) defines how day care staff will meet the identified needs;
 - (3) describes how the individual will arrive at and depart from the facility; and
 - (4) includes a notation of the person's specific diet, if applicable, and that the facility is able to provide the diet.
- (d) Services are monitored as a part of the routine sheltered workshop surveys described in OAC 340:100-3-27, Quality Assurance.
- (e) The rate paid is not to exceed \$10 per day per individual for more than four hours of attendance per day and \$6 per day per individual for four hours or less of attendance per day.

340:100-5-32. Medication administration

(a) **Purpose.** OAC 340:100-5-32 sets forth requirements that enable service recipients to receive medication in the safest possible manner.

(b) **Applicability.** OAC 340:100-5-32 applies to Developmental Disabilities Services Division (DDSD) staff and service providers who are contracted, licensed, or funded through a Home and Community-Based Services Waiver or DDSD state funds and their employees who administer medication or assist with a medication support plan for a service recipient receiving community services, including employment service providers.

(c) **General requirements.** Administration of medication is managed in accordance with applicable Oklahoma Department of Human Services (OKDHS) rules and federal and state laws.

(1) Every service recipient is free from unnecessary use of medication.

(2) No medication is used for the convenience of staff or as a substitute for positive supports or program.

(3) Use of psychotropic medications and associated medication reviews must follow requirements per OAC 340:100-5-26.1.

(4) Form 06MP046E, Incident Report, and follow-up must be completed when a medication event occurs, per OAC 340:100-3-34. The service recipient's Personal Support Team (Team) reviews all medication incident reports and revises the service recipient's medication support plan when needed.

(d) **Individual medication support plan.** Each service recipient's Team may develop an individual medication support plan to identify participation by the service recipient in his or her medication administration and specify supports needed by the service recipient for administering, storing, and monitoring medication.

(1) The Team completes an assessment that identifies the service recipient's demonstrated ability to:

(A) understand and follow medication label directions;

(B) properly identify the medication;

(C) remember to take the medication at the correct time;

(D) take the correct dosage;

(E) administer his or her medication without supervision;
and

(F) demonstrate ability to address problems, including asking staff for help.

(2) The Team may develop a medication support plan if the service recipient desires training in administering his or her medication, individualization of the medication support program, or both.

(A) The service recipient's medication support plan ensures the service recipient's involvement, together with the designed supports implemented by staff, result in a safe program of medication administration.

(B) The Team revises the medication support plan to provide safety and meet the service recipient's medication support needs if a medication change or monitoring by the DDSD case manager, program coordinator, nurse or quality assurance staff, or other person reveals a concern

with the service recipient's medication supports.

(C) The provider is responsible to ensure:

- (i) the medication support plan clearly specifies staff responsibilities in the administration of medication; and
- (ii) staff implements the medication support plan as developed by the Team.

(D) The service recipient's medication support plan may address either or both of:

(i) the service recipient's administration of his or her medication. If the service recipient is not independent per OAC 340:100-5-32(d)(1), and he or she desires to achieve greater independence in medication administration, the medication support plan documents:

- (I) service recipient's ability to administer medication;
- (II) staff assistance that must be provided;
- (III) any adaptations or reminder systems used;
- (IV) documentation requirements to ensure accountability;
- (V) monitoring requirements, including compliance with requirements of the medication review process per OAC 340:100-5-26; and
- (VI) staff responsible for implementation and monitoring of the medication training program; or

(ii) modifications to the medication administration responsibilities of staff, per OAC 340:100-5-32(e).

(E) Each medication support plan must address medication safety issues affecting each household member.

(e) **Medication administration.** Items (1) through (9) must be implemented unless the service recipient's medication support plan identifies a specific alternative. The service recipient's medication support plan may modify only those rules that state the plan may address an exception.

(1) **Prescription medication.** Prescription medication, per OAC 340:100-1-2, is administered or used only with a written order by a licensed physician, dentist, advanced practice nurse, physician assistant, or optometrist.

(A) Prescription medication must only be administered to or used by the service recipient for whom the medication is ordered.

(B) All prescription medication is clearly labeled with:

- (i) first and last name of the service recipient for whom the medication is prescribed;
- (ii) prescribing physician's name;
- (iii) prescription number;

- (iv) name of medication;
- (v) strength of medication;
- (vi) dosage;
- (vii) directions for use;
- (viii) date of issue;
- (ix) quantity; and
- (x) name, address, and phone number of pharmacy or physician who dispensed the medication.

(C) All labels on containers must be legible and firmly affixed by the pharmacy or ordering physician.

(D) No one is permitted to alter the label on a prescription container.

(i) If a medication dosage change is made by the physician:

(I) the container must be flagged or prominently identified; and

(II) a label change must be made by the dispensing pharmacy or doctor within three business days of receiving the prescription change. If the service recipient uses a system of medication supply that precludes meeting the three-day requirement, that requirement may be modified in the service recipient's medication support plan.

(ii) The container may be marked or otherwise adapted to support a service recipient's independence as described in the medication support plan.

(E) Sample medications must be:

(i) accompanied by a physician's written order including the length of time the medication is to be taken;

(ii) labeled with the service recipient's name; and

(iii) used for no longer than 30 days, unless reviewed prior to the end of the 30 days by the DDSD nurse and case manager, per OAC 340:100-5-26.

(F) Prior to the initial administration, if the medication name on the doctor's order and the generic or trade name of the medication on the label are different, staff responsible for medication administration documents on the medication administration record the reason for the difference and source of the information.

(G) At an employment site, the labeled pharmacy container is considered the written order for a prescription medication.

(2) **Medication count.** Each prescription medication must be documented upon receipt from the pharmacy, and an inventory record maintained.

(A) All new or refilled prescription medication must be:

- (i) counted upon receipt, following infection control procedures, unless the service recipient's medication support plan defines another method of inventorying new medication; and
- (ii) documented in the service recipient's medication record noting the reason for which the medication is prescribed.

(B) Each prescription medication is counted, following infection control procedures, and documented at least weekly. The service recipient's medication support plan may provide for counting at least monthly. Specialized foster care (SFC) and agency companion services (ACS) providers count and document prescription medications at least monthly.

(C) Any staff responsible for administering, storing, monitoring or documenting controlled medications, listed in Schedule II of the current Oklahoma Bureau of Narcotics and Dangerous Drugs (OBNDD) schedule, is required to count and document controlled medications each time the responsibility for medication administration is transferred to another person, but at least monthly.

(D) Any discrepancy in the medication count must be reported immediately to the program coordinator, and then followed up with an incident report per OAC 340:100-3-34. A SFC provider reports the discrepancy to the DDS case manager and completes Form 06MP046E.

(3) Non-prescription medication. Approval for a service recipient to use or be administered a non-prescription medication, per OAC 340:100-1-2, is received in writing at least annually from the service recipient's primary care physician.

(A) Items used for personal care or hygiene are not considered medications.

(B) The service recipient's medication record must document:

- (i) condition for which the non-prescription medication is used;
- (ii) dosage;
- (iii) frequency with which the non-prescription medication may be administered; and
- (iv) any specific instructions related to the medication.

(C) Each non-prescription medication must have the service recipient's name clearly marked on the container when more than one service recipient lives in the home or works at the employment site.

(D) Administration of a non-prescription medication does not differ from the recommended dosage as noted by package directions, unless ordered in writing by a licensed physician, dentist, advanced practice nurse, physician assistant, or optometrist.

(4) Medication storage.

- (A) All medications must be:
 - (i) secured under proper conditions of temperature and light; and
 - (ii) kept in a locked medication area, unless the service recipient's medication support plan specifies other storage arrangements.
- (B) Each provider agency is responsible for developing and enforcing written policies that ensure medication security in the absence of a service recipient medication support plan.
- (C) Schedule II medications, per current OBNDD schedule, must be secured separate from other medications.
- (D) Medication requiring refrigeration must be:
 - (i) secured, unless this requirement is modified in the service recipient's medication support plan;
 - (ii) kept in the temperature range according to label directions; and
 - (iii) separated from food and other non-drug items.
- (E) Hazardous or dangerous materials must not be kept in the secured medication area.
- (F) Each service recipient's medication must be stored separately from the medication of other persons.
- (G) Externally applied medications must be stored separately from medications taken internally.

(5) **Medication administration.** Only staff who complete an approved training program in medication administration per OAC 340:100-3-38 are permitted to administer medications.

- (A) Staff responsible for medication administration must personally:
 - (i) read the medication label;
 - (ii) prepare the dosage;
 - (iii) give the medication as ordered;
 - (iv) observe the person using the medication as ordered; and
 - (v) document the medication administration immediately, but no longer than 30 minutes after administration.
- (B) The person responsible for medication administration must know the purpose for each medication administered.
- (C) All medications must be administered according to label directions unless flagged, prominently identified, for change in accordance with OAC 340:100-5-32(e)(1)(D). A medication with a flagged container is administered according to the change made on the medication sheet in accordance with the physician's orders.
- (D) No contract provider or DDS staff is permitted to transfer medications from the original container to any other container. The service recipient's medication support plan cannot modify this requirement.
- (E) The ultimate user may transfer medication from one container to another container that clearly identifies the

medication, in accordance with criteria established in the service recipient's medication support plan. The ultimate user is:

- (i) the service recipient for whom the medication is prescribed, if assessed by the Team as able to carry out each step in OAC 340:100-5-32(d)(1);
- (ii) an adult member of the service recipient's family, as identified in the medication support plan;
- (iii) the service recipient's SFC provider; or
- (iv) the service recipient's ACS provider.

(F) No one, other than the ultimate user who transferred the medication to the new container, is allowed to administer medications transferred from the original container. The service recipient's medication support plan cannot modify this requirement.

(G) Each medication must be administered at the specified time.

- (i) When circumstances prevent administration at the specified time, the medication must be administered no more than one hour before or after the specified administration time.
- (ii) Any time medication is administered more than one hour before or after the scheduled administration time, Form 06MP046E is completed according to OAC 340:100-3-34.
- (iii) Orders requiring medication administration two, three, or four times a day, unless specific times are ordered by the physician, must be evenly spaced through the day and are required to accommodate the service recipient's schedule.

(H) The person administering medication must be able to access information to identify common side effects of the medication administered.

(I) If there is an adverse reaction, a significant change in behavior, or any other significant indication of a problem that may be related to medication currently administered to or by a service recipient, immediate action and notification is required according to written provider agency protocols.

(6) p. r.n. medication. Medication prescribed on a p.r.n. basis must have a physician's order identifying the medication, amount, route, time requirements, and under what circumstances the medication is administered.

(A) The decision to actually administer a p.r.n. medication, except per OAC 340:100-5-32(e)(6)(C), must be made by the service recipient's health care coordinator unless another person is designated by the Team in the medication support plan.

(B) The results or the service recipient's responses to p.r.n. medications must be documented for the physician to determine whether continuation of the medication is

required.

(C) DDSO defines the use of p.r.n. medication for behavioral control to be a highly restrictive procedure per OAC 340:100-3-34. In cases where a medication is ordered to be administered p.r.n. for behavioral control, the service recipient's Team ensures there is a written protocol for the administration of the p.r.n. medication from the prescribing physician as part of the protective intervention planning per OAC 340:100-5-57, and contract provider agency staff will follow critical incident reporting requirements per OAC 340:100-3-34.

(D) Service recipients receiving Hospice services are exempt from the requirements for p.r.n. medications per OAC 340:100-5-32.

(7) Medication documentation. An accurate written record of the administration of the service recipient's medication or implementation of the service recipient's medication support plan must be maintained.

(A) Unless the service recipient is independent in medication administration per OAC 340:100-5-32(d)(2)(D)(i), the service recipient's medication administration record must specify:

- (i) service recipient's first and last name;
- (ii) name and strength of the medication as written on the label;
- (iii) dosage and frequency to be administered;
- (iv) date and time medication is administered, including a.m. or p.m. for each entry;
- (v) service recipient's medication allergies and other known allergies;
- (vi) results or the service recipient's response to p.r.n. medications and other treatment;
- (vii) name of person administering the medication or implementing the medication support plan, or initials supported by signature;
- (viii) route of administration, if specified on the label;
- (ix) any special orders about the timing of the medication administration, if specified on the label; and
- (x) reason for the medication's use, if specified on the label.

(B) If the service recipient is independent in medication administration per OAC 340:100-5-32(d)(2)(B)(i), the medication support plan documents monitoring and documentation needs.

(8) Medication away from home. When a service recipient goes on an outing, vacation, home with family, or otherwise leaves the location where he or she typically takes medication, accountability for the medication is maintained.

(A) When medication is taken from the location:

- (i) the documented medication count confirms the amount of medication taken and returned, with signatures of the responsible party receiving the medication and staff responsible for medication administration who releases the medication;
- (ii) any discrepancy in the count is documented on Form 06MP046E, and any necessary action is taken; and
- (iii) medication is sent from the home and returned to the home only in the original container.

(B) The ultimate user, per OAC 340:100-5-32(e)(5)(E), may remove medication from the location in the original container or another container that fully identifies the medication, if the ultimate user also administers the medication.

(C) Although the medication administration record is not removed, medication administration or implementation of the medication support plan is documented while away from the home.

(9) Discontinued medication, expired medication, and medication destruction.

(A) Discontinued medication:

- (i) may be kept up to 90 days, unless the time period is adjusted in the service recipient's medication support plan; and
- (ii) must be secured separately from current medications.

(B) Expired or discontinued medications are safely disposed of in compliance with provider agency policy, Environmental Protection Agency recommendations, local, state, and applicable federal requirements.

(C) Scheduled medication are disposed of in compliance with OBNDD and Oklahoma State Bureau of Investigation requirements.

(D) When a service recipient dies, unused medication is kept for at least 30 days or longer if part of an ongoing investigation.

(E) The provider agency develops and enforces written policy regarding the disposal of any medication without an expiration date.

340:100-5-33. Medication events

(a) Contract provider staff completes Form 06MP046E, Incident Report, when there is a medication event per OAC 340:100-3-34.

(b) The service recipient's health care coordinator completes a monthly summary of medication events on Form 06HM006E, Health Status and Medication Review.

- (c) The Developmental Disabilities Services Division (DDSD) registered nurse (RN) health review:
- (1) provides oversight to determine whether the service recipient's health care needs are met in accordance with the service recipient's identified health concerns; and
 - (2) identifies problems and makes recommendations to the provider agency and DDSD case manager for appropriate action.
- (d) DDSD quality assurance staff:
- (1) monitors medications in person-centered evaluations and annual contract surveys;
 - (2) may conduct administrative inquiries of medication events; and
 - (3) notifies the provider agency and DDSD case manager of problems identified, for appropriate action.
- (e) Provider agencies develop and maintain internal policies and procedures that must meet the approval of DDSD Medical Services Unit for the review and reporting of medication events.
- (f) Providers failing to effectively correct identified problems with medication events are subject to sanction procedures per OAC 340:100-3-27.2.
- (g) At least annually, DDSD Medical Services Unit compiles, reviews, and analyzes data on medication events and makes recommendations to the DDSD director and other appropriate program areas.

[Source: Added at 19 Ok Reg 2948, eff 8-1-02 (emergency); Added at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08]

340:100-5-34. Services for persons with Prader-Willi Syndrome (PWS)

- (a) **Legal basis.** Section 1020 of Title 56 of the Oklahoma Statutes authorizes the Oklahoma Department of Human Services (DHS) to provide community services for persons with PWS.
- (b) **Applicability.** The rules in this Section apply to services provided through (DHS) and Developmental Disabilities Services (DDS) to persons with PWS through funds appropriated by the Oklahoma Legislature.
- (c) **General information.** Services for persons with PWS are intended to meet the service recipients' specialized needs. DHS provides a monthly payment to the contracted-residential provider to:
- (1) ensure each service recipient participates in regular recreation, leisure, and exercise activities at home and in the community;
 - (2) provide program coordination staff who serve no more than 12 service recipients within a 40-mile radius. The program coordinator must visit each home at least four times per month when the service recipient is present, and one of the visits must occur during night-time hours;
 - (3) assess the service recipient's progress and challenges related to activities of daily living and safety and provide a written summary to the case manager 30-calendar days prior to the annual Individual Plan (Plan) meeting;

- (4) ensure program coordination staff attend an annual PWS conference and provide the direct service staff at least one hour per month of PWS-related training;
- (5) ensure service recipients are provided specialized diets, per his or her Plan;
- (6) ensure the service recipient's exercise program is implemented and he or she is provided access to exercise equipment and classes, per his or her Plan;
- (7) work with the service recipient and his or her team to develop a plan to replace property damaged by a service recipient at no cost to DHS;
- (8) assist service recipients to conduct safety and evacuation drills, per Oklahoma Administrative Code (OAC) 340:100-5-22.1; and
- (9) ensure the service recipient's home is safe and secured, per his or her plans.

(d) **Eligibility.** To be eligible for PWS services, each person must:

- (1) provide documentation from a licensed physician that confirms the diagnosis of PWS as evidenced by the deoxyribonucleic acid (DNA) Methylation Analysis of the PWS region of chromosome 15; or
- (2) provide documentation that he or she has a condition closely related to PWS, except for mental illness. The DDS director or his or her designee may grant an exception to the confirmed PWS DNA Methylation analysis when the service recipient provides documentation containing objective evidence that he or she has a condition closely related to PWS. The condition:
 - (A) results in challenging behaviors that create serious risk of physical injury or harm to the service recipient;
 - (B) results in substantial impairments;
 - (C) is likely to continue indefinitely;
 - (D) requires treatment or services similar to those required for persons with PWS;
 - (E) requires strict control of access to food and limitation of daily caloric intake required for the individual's normal growth; and
 - (F) requires services and supports that are not available from another source;
- (3) be receiving Home and Community Based Waiver Services (HCBS) or be on the Request for Waiver Services List, per OAC 317:40-1-1 and determined eligible for HCBS unless admitted to the program prior to July 1, 1997; and
- (4) be 18 years of age.

(e) **Waiting list.** When resources are unavailable to offer services through the PWS program, applicant names are maintained on a statewide waiting list.

- (1) The statewide waiting list is maintained by the DDS residential programs manager or his or her designee.
- (2) The statewide waiting list is maintained in chronological order based on the date of receipt of a written request for PWS services.

(3) The statewide waiting list is administered by DDS uniformly throughout the state.

(4) An applicant is removed from the statewide waiting list, when he or she:

(A) is determined ineligible for services;

(B) cannot be located by DDS;

(C) does not provide DHS-requested information or fails to respond;

(D) is not an Oklahoma resident at the requested Waiver approval date; or

(E) declines an offer of PWS services and indicates he or she does not want to remain on the statewide waiting list.

(5) When an applicant is offered PWS services but declines because he or she is not at least 18 years of age, the applicant maintains his or her position on the statewide waiting list.

(f) **Scope.** PWS services reimbursement is provided at a DHS-approved rate within the program capacity determined by legislative appropriation.

(g) **Service expectations.** The contracted-residential provider ensures that:

(1) all applicable DHS and the Oklahoma Health Care Authority rules are met, including OAC:

(A) 340:100-3-27;

(B) 340:100-3-34;

(C) 340:100-3-38;

(D) 340:100-3-40;

(E) 340:100-5-22.1;

(F) 340:100-5-26;

(G) 340:100-5-32; and

(H) 340:100-5-50 through OAC 340:100-5-58;

(2) each service recipient is weighed at least weekly;

(3) all food and money are safeguarded to ensure a proper diet and health maintenance;

(4) transportation to and from vocational activities, community outings, and medical appointments is provided, per the service recipient's Plan;

(5) staff implements periodic room, clothing, and baggage searches as necessary to ensure that food and money are not present, per the service recipient's Plan; and

(6) the staffing ratio is appropriate to ensure the service recipient's safety, per his or her Plan. Staff is trained to meet the PWS service recipient's needs.

(h) **Room and board.** Each service recipient is responsible for room and board, per OAC 340:100-3-4.

(1) When the home is owned or leased by the service recipient or his or her family or guardian, the contracted-residential provider develops a financial agreement for payment of household expenses by the service recipient, per OAC 340:100-5-22.1.

(2) When the home is owned or leased by the contracted-residential provider, the contracted-residential provider may charge a room and board payment of all but \$100 per month of the service recipient's income, up to a maximum of 90 percent of

the current Social Security Supplemental income rate. In these circumstances the contracted-residential provider must comply with OAC 340:100-6.

[Source: Added at 28 Ok Reg 897, eff 6-1-11 ; Amended at 37 Ok Reg 1853, eff 9-15-20]

340:100-5-35. Non-Residential Habilitation Training Specialist (HTS) services

(a) **Applicability.** Habilitation Training Specialist (HTS) services, per OAC 317:30-5-482, are authorized per OAC 317:40-5-110 or 317:40-5-111 and OAC 340:100-3-33 and applies to nonresidential HTS services provided to service recipients not receiving community residential or group home services, per OAC 340:100-5-22.1 or OAC 340:100-6.

(b) **General information.**

(1) Non-residential HTS services are authorized:

- (A) as a result of needs identified by the Developmental Disabilities Services (DDS) Personal Support Team (Team) and informed selection by the service recipient;
- (B) only during periods when staff are engaged in purposeful activity that directly or indirectly benefits the service recipient;
- (C) when directed toward the development or maintenance of a skill in order to achieve a specifically stated outcome; and
- (D) when the service provided is not a function that the parent would provide for the individual without charge as a matter of course in the relationship among members of the nuclear family when the member resides in a family home.

(2) Non-residential HTS services are not authorized when a service recipient is in need of:

- (A) sleep time supervision; or
- (B) assistance responding to emergencies, in which case a residential alternative, per OAC 317:40-1-2, must be selected, unless unpaid natural supports are available to meet these needs and identified in the Individual Plan (Plan).

(3) Non-residential HTS services are not authorized for:

- (A) services provided in the home of the HTS, unless the service recipient and the HTS reside in the same home;
- (B) employment supports that are provided, per OAC 317:40-7;
- (C) respite services provided, per OAC 317:30-5-517;
- (D) homemaker services provided, per OAC 317:30-5-537;
- (E) adult day services provided, per OAC 317:40-5-113;
- (F) child care services; or
- (G) services provided by the legal guardian, biological or adoptive parent of a minor child, per OAC 340:100-3-33.2.

(4) In accordance with OAC 340:100-3-33.1, services must be provided in the most cost effective manner. When the need for

HTS services is expected to continue to exceed an average of nine hours daily, cost effective community residential services must be considered and requested, per OAC 317:40-1-2. For adults, continuation of non-residential services in excess of nine hours per day for more than one plan of care year is not authorized except:

- (A) when needed for members who receive services through the Homeward Bound Waiver;
- (B) when determined by the division administrator or designee to be the most cost effective option; or
- (C) as a transition period of 120-calendar days or less to allow for identification of and transition to a cost effective residential option. Members who do not want to receive residential services are assisted to identify options that meet their needs within an average of nine hours daily.

(5) Non-residential HTS providers may not perform any job duties associated with other employment, including on call duties at the same time they are providing HTS services.

(6) Non-residential HTS services are limited to no more than 40 hours per week for the household when the HTS resides in the same home as the service recipients. When one or more service recipient lives in the same household, services provided by individuals living in the home may not exceed a total of 40 hours per week. If additional hours of service are needed, they must be provided by someone living outside the home. Exceptions may be authorized when needed for service recipients who receive services through the Homeward Bound Waiver.

(7) When the service recipient also receives nursing or Homemaker services or is out of the home for school, work, adult day services, or other non-HTS supported activities, the total number of hours of non-residential HTS, Homemaker, and hours away from the home cannot exceed 12 hours per day, unless an exception is granted, per OAC 317:40-5-110.

(c) Service location.

(1) Non-residential HTS services are provided in the:

- (A) service recipient's home; or
- (B) community.

(2) Non-residential HTS services are not provided in:

- (A) a school;
- (B) a nursing facility;
- (C) an intermediate care facility for persons with intellectual disabilities (ICF/ID);
- (D) an unlicensed facility-based program;
- (E) a private home except the service recipient's home or the home of a relative, unless the home was approved, per OAC 317:40-5-40; or
- (F) the service recipient's employment setting or any other employment setting.

(d) Backup plan. Prior to service delivery, an emergency backup plan must be developed and specify how the service recipient's needs will be met when paid staff are unavailable. The emergency backup plan is

included in the Plan.

(e) **Service requirements.**

(1) The provider:

- (A) implements the service recipient's Plan;
- (B) promotes community inclusion;
- (C) promotes the service recipient's health and welfare, increased independence, self-sufficiency; and
- (D) cooperates in securing alternative services while continuing to provide services when the service recipient, legal guardian, or provider wants to discontinue services until the Team confirms all essential services are in place.

(2) The provider develops and maintains written policies and procedures that are consistent with Oklahoma Human Services (OKDHS) rules and govern all aspects of service provision, with the exception of services provided, per OAC 317:40-9-1.

- (A) Provider agency policies are made available to each service recipient, service recipient's parent(s), legal guardian, advocate, provider agency staff, and OKDHS.
- (B) Provider agency policies and procedures include, but are not limited to:

- (i) service recipient rights protection;
- (ii) services provided;
- (iii) admission and discharge criteria;
- (iv) grievance procedures;
- (v) prevention and reporting of abuse, neglect, and exploitation;
- (vi) confidentiality;
- (vii) emergency management;
- (viii) fees paid by service recipient;
- (ix) health and safety precautions;
- (x) safeguarding service recipient funds;
- (xi) medication administration; and
- (xii) incident reporting.

(3) The provider agency designates one person who, in the absence of the agency administrator, is responsible for the administration of the agency and is empowered to act on behalf of the provider agency, with the exception of services provided, per OAC 317:40-9-1.

(4) The provider agency is responsible for recruitment, screening, training, and supervision of staff or volunteers providing direct services, and ensuring direct support staff:

- (A) are not supervised by a relative or person living in the staff's home. A relative includes wife, husband, children, parents, stepparents, parents-in-law, grandchildren, grandparents, brothers, sisters, stepchildren, brothers-in-law, sisters-in-law, sons-in-law, daughters-in-law, aunts, uncles, nieces, nephews, first cousins or any such person with whom the employee shares a foster relationship;
- (B) who provide backup services are available and have received training, per OAC 340:100-3-38;
- (C) are at least 18 years of age;

- (D) are present as specified in the Plan and as authorized by the service recipient's Plan of Care;
- (E) are physically able and mentally alert to carry out the job duties;
- (F) implement and follow the service recipient's Plan; and
- (G) do not take the service recipient to visit staff's home, unless the Team provided advance written approval of any visit with the purpose specified in the Plan.

(5) The provider agency ensures supervision, guidance, and oversight of all aspects of programming associated with receipt of non-residential HTS supports.

(A) The program coordination staff (PCS) must:

- (i) ensure staff are familiar with Plan requirements;
- (ii) make supervisory visits to the service site. The PCS makes a minimum of one monitoring visit per:

(I) month, when a service recipient receives an average of 30 or more hours of HTS weekly; or

(II) quarter based on calendar year quarters, when a service recipient receives an average of 29 or fewer hours of HTS weekly;

- (iii) supervise direct contact staff to promote achievement of Plan outcomes;
- (iv) ensure staffing levels meet the requirements of the service recipient's Plan, with staff trained, per OAC 340:100-3-38;
- (v) ensure records are maintained, per OAC 340:100-3-40;
- (vi) assist the DDS case manager as requested to prepare for and implement the Plan and its revisions, per OAC 340:100-5-50 through 340:100-5-58;
- (vii) ensure applicable OKDHS and Oklahoma Health Care Authority (OHCA) rules are followed;
- (viii) complete necessary training, per OAC 340:100-3-38; and
- (ix) have a minimum of four years of any combination of college level education or full-time equivalent experience in serving persons with disabilities, or full-time equivalent experience in a supervisory position, unless this requirement is waived in writing by the DDS director or designee.

(B) Provider agencies assign PCS caseloads, per OAC 340:100-5-22.1.

(6) Staff, when assisting a service recipient with bathing or showering, must ensure the water temperature is safe and comfortable for the service recipient. The requirements of this paragraph are enforced even when an anti-scald device is used.
Staff:

(A) tests the water temperature by touch or with a thermometer designed to test hot liquids, before the service recipient enters the water. The water must be determined safe and comfortable for the service recipient, not merely comfortable for the staff.

(B) is trained by his or her employer in the unique needs of each service recipient, including tolerance to water temperature and bathing or showering needs; and

(C) does not leave a service recipient who is unable to attend to safety considerations, alone in the bath or shower.

340:100-5-35.1. Habilitation training specialist (HTS) services in acute care hospitals

(a) **Applicability.** HTS services, per Oklahoma Administrative Code (OAC) 317:30-5- 482, are authorized, per OAC 317:40-5-110 or 317:40-5-111, and OAC 340:100-3-33; and apply to HTS services provided to service recipients receiving community residential supports, group home services, and in non-residential settings, per OAC 340:100-5-22.1, 340:100-6, and 340:100-5-35.

(b) **General information.**

(1) HTS services are authorized in an acute care hospital per the 21st Century Cares Act when the service is:

(A) identified in an individual's person-centered plan of services and supports;

(B) provided to meet needs of the individual that are not met through the provision of hospital services;

(C) not a substitute for services the hospital is obligated to provide through its conditions of participation or under federal or state law; and

(D) designed to ensure smooth transitions between acute care settings and home and community-based settings, and to preserve the individual's functions.

(2) HTS services are available in an acute care hospital for no more than 14- consecutive, calendar days per event, not to exceed 60-calendar days per Plan of Care year, up to the following limits no more than:

(A) 16 hours per day for those receiving daily living supports (DLS), per OAC 317:40-5- 150 or 317:40-5-153;

(B) 24 hours per day for those receiving services for Prader-Willi Syndrome, per OAC 340:100-5-34;

(C) nine hours per day for those receiving agency companion services, per OAC 317:40-5;

(D) nine hours per day for those receiving specialized foster care, per OAC 317:40-5;

- (E) nine hours per day for those receiving group home services, per OAC 340:100-6;
- (F) 24 hours per day for those receiving alternative group home services, per OAC 340:100-5-22.6;
- (G) nine hours per day for those who do not receive community residential supports, per OAC 340:100-5-22.1; group home services, per OAC 340:100-6; or alternative group home services, per OAC 340:100-5-22.6.

(3) The Developmental Disabilities Services (DDS) director or designee may authorize exceptions to the nine hours per day limit when needed for service recipients who require additional supports. The DDS director or designee may authorize HTS services provided in psychiatric facilities when required for admission to address issues such as significant daily living, communication and other needs.

(4) HTS services in an acute care hospital are:

- (A) only authorized during times the service recipient is typically awake. HTS services are used during normal sleep hours when the service recipient demonstrates a pattern of not sleeping at night;
- (B) not intended to provide more than one Waiver funded staff at a time;
- (C) not provided by the service recipient's agency companion, per OAC 317:40-5; and
- (D) not provided at the same time as DLS therapeutic leave, per OAC 317:40-5-150 or 317:40-5-153.

[Source: Added at 38 Ok Reg 2317, eff 9-15-21 ; Amended at 40 Ok Reg 1005, eff 9-15-23]

340:100-5-36. Community maintenance services

(a) **Supplemental property replacement.** When funding is available, a maximum of \$300 per service recipient per fiscal year is reimbursed for replacement of unusable, necessary furniture or appliances. Necessary furniture and appliances include refrigerators, stoves, washers, dryers, dining tables and chairs, sofas, love seats, chairs and recliners, beds, dressers, or chests of drawers. The Oklahoma Department of Human Services (DHS) provides a payment to the contracted residential provider agency to establish and maintain community households per Section 331 of Title 61 of the Oklahoma Statutes (61 O.S. § 331). To be eligible the service recipient must receive community residential supports services per Oklahoma Administrative Code 340:100-5-22.1.

(1) The provider agency submits a written property replacement request to the case manager that includes:

- (A) the furniture or appliance to be purchased;
- (B) the reason the item is necessary;
- (C) the age of the furniture or appliance to be replaced;
- and
- (D) verification that other resources are not available to purchase the item.

(2) The case manager reviews the written request, submits it to the area manager or designee within five-business days of receipt from the provider agency, and includes a statement of the need for the furniture or appliance.

(3) The area manager or designee reviews the written request and when the request meets the criteria in this Section, submits it to the DDS director or designee within five-business days of receipt from the case manager.

(4) The DDS director or designee reviews and responds to the request within five-business days of receipt from the area manager or designee after considering if:

(A) funding is available;

(B) the request includes the required information;

(C) the case manager assessment indicates need;

(D) the household unnecessarily disposed of usable items that may have otherwise met the need for which the payment is requested;

(E) other resources are available to provide the necessary item; and

(F) items less than five years old can feasibly be repaired.

(5) No reimbursement for replacement of worn out furniture may occur during the first year of service.

(b) **Goods and services.** When funding is available, DHS provides a payment to the contracted residential provider agency to purchase necessary goods and services to establish and maintain community households per 61 O.S. § 331. Goods and services are incidental, non-routine goods and services that promote the service recipients' health, safety, self-care, and daily living skills needed to reside successfully in the community, and do not duplicate other services authorized in the member's plan of care.

[Source: Added at 34 Ok Reg 1598, eff 9-15-17]

PART 5. INDIVIDUAL PLANNING

340:100-5-50. Principles of individual planning

The intent of Developmental Disabilities Services (DDS) is to secure services and supports for persons with developmental disabilities to live, work, and participate in their communities. The principles in this Section provide direction and purpose in designing services and supports for persons with developmental disabilities.

(1) Understanding the ways a person with a developmental disability communicates with others is critical. Case managers, program coordinators, and other involved Personal Support Team (Team) members must actively solicit, listen to, and respond to the person's needs, ideas, and choices, whether communicated verbally or non-verbally.

(2) DDS employs a person-centered planning process that is an individually focused approach identifying the needs, preferences,

goals, and desired outcomes of the person receiving services.

(3) The Individual Plan (Plan) process ensures people receiving services have access to quality services and supports that foster:

- (A) independence, learning, and growth;
- (B) choices in everyday life;
- (C) meaningful relationships with family, friends, and neighbors;
- (D) presence and full participation in his or her community;
- (E) dignity and respect;
- (F) positive approaches focused on skill enhancement; and
- (G) health and safety.

(4) The case manager ensures the Team makes maximum use of services available to all citizens.

(5) Services and supports are provided, based on assessed needs per Oklahoma Administrative Code (OAC) 340:100-5-51.

(6) The case manager ensures the services and supports developed by the Team support the person's network of natural resources. The willing efforts of family members or friends to support areas of the person's life are not replaced with paid supports.

(7) Planning focuses on the needs and outcomes the person receiving services wants to achieve. The Team first considers the preferences of the person receiving services and family, friends, and advocates secondarily.

(8) Each person served has a single, unified Plan. All services and supports are integrated parts of the Plan. Programs involving professional and specialized services are jointly developed to ensure integration of service outcomes. The Team ensures services and supports:

- (A) are important for the person to meet the needs identified through an assessment of functional need;
- (B) are important to the person with regard to preferences for service delivery;
- (C) are commensurate with the person's level of need and the scope of services available through Home and Community-Based Services (HCBS) Waivers;
- (D) are integrated into the person's daily living;
- (E) take advantage of every opportunity for social inclusion;
- (F) reflect positive approaches focused on skill enhancement; and
- (G) use the least intrusive and restrictive options.

(9) The case manager ensures the Team identifies needed services and supports.

(A) When services and supports are unavailable near the person's home community, the case manager submits a list of such services and supports to the area manager for resource development.

(B) When the Team identifies a lack of available services and supports as a barrier, the Team develops alternative

strategies, using available services and supports, pending the development of additional resources.

(C) When an identified service is not within the scope of the State's programs, the Team creatively seeks methods to meet the need.

[Source: Added at 15 Ok Reg 2136, eff 5-5-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 19 Ok Reg 2948, eff 8-1-02 (emergency); Amended at 20 Ok Reg 936, eff 6-1-03 ; Amended at 33 Ok Reg 1668, eff 9-15-16]

340:100-5-51. Individual assessment

An individual assessment process forms the basis for developing an Individual Plan (Plan).

(1) Psychological, medical, social, and functional assessments are completed prior to the development of an initial Plan.

(2) The medical, social, and functional assessments are reviewed and updated at least annually.

(3) Consistent with the service recipient-directed focus of planning, the Developmental Disabilities Services (DDS) case manager ensures completion or update of a person-centered assessment, and necessary assessments to support the need for services, with the service recipient at least annually, to form the basis for developing the Plan of Care.

(A) Assessments address the service recipient's needs and choices for supports and services related to:

- (i) personal relationships;
- (ii) home;
- (iii) employment, education, or both;
- (iv) transportation;
- (v) health and safety;
- (vi) leisure;
- (vii) social skills; and
- (viii) communication.

(B) The DDS case manager ensures early intervention and prevention by the Personal Support Team when changes occur. Events, such as the loss of a loved one, change in roommates, staff, schedules, health changes, or loss of a job prompt a reassessment of needs, services, and supports.

[Source: Added at 15 Ok Reg 2136, eff 5-5-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 19 Ok Reg 2948, eff 8-1-02 (emergency); Amended at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 33 Ok Reg 1668, eff 9-15-16]

340:100-5-52. Personal Support Team (Team)

(a) The Team is composed of people selected by the service recipient who know and work with the service recipient or whose participation is necessary to achieve the service recipient's desired outcomes.

(1) To respect the service recipient's dignity and privacy, the Team is no larger than is necessary to plan and implement the services needed to achieve the service recipient's desired outcomes. The

Team is large enough to possess the expertise and capacity necessary to address the service recipient's needs, but not as large as to intimidate the service recipient or to stifle the service recipient's participation or that of his or her representatives.

(2) The core Team includes the service recipient, his or her case manager, the legal guardian, and advocate(s), when applicable and, who may be a parent, family member, friend, or another individual who knows the service recipient well. The service recipient is assured of his or her opportunity to select an individual to serve as an advocate.

(3) Depending on the service recipient's needs and the issues addressed, the Team may include others. The selection of these additional Team members reflects the service recipient's choices.

(b) The Team role is detailed in this subsection.

(1) Team members implement responsibilities identified in the Individual Plan (Plan) or in the Oklahoma Human Services (OKDHS) or Oklahoma Health Care Authority (OHCA) rules. Implementation of the Plan may only be delegated to persons who are appropriately qualified and trained.

(2) The Team develops the Plan and reviews and approves strategies, protocols, and guidelines developed to implement services or supports.

(3) The service recipient or his or her guardian participate in the development of the Plan and provide written, informed consent for the Plan's implementation.

(4) The Team implements the Plan upon approval of the Plan of Care, and inclusion of service providers' signatures on the Plan signature sheet.

(5) A copy of the Plan is maintained, per Oklahoma Administrative Code (OAC) 340:100-3-40. All staff implementing the Plan must be knowledgeable about its contents and have access to a copy of the Plan.

(6) Each Team member responsible for services identified in the Plan sends a quarterly summary of progress on assigned outcomes and action steps to the case manager.

(A) The quarterly summary of progress is due by the 10th of:

(i) April for services rendered in January, February, and March;

(ii) July for services rendered in April, May, and June;

(iii) October for services rendered in July, August, and September; and

(iv) January for services rendered in October, November, and December, unless an alternative schedule is specified in the Plan.

(B) The quarterly summary of progress includes:

(i) whether services were provided per the Plan, and if not why; and

(ii) if the outcomes were achieved; or

(iii) the outcome progress status, if not achieved.

(c) The case manager role is detailed in this subsection.

(1) Prior to the initial and annual Team meeting, the case manager meets with the service recipient and his or her advocate or legal guardian, when applicable, to review the individual situation, including the service recipient's vision and progress attaining the vision. Among the questions explored are whether the service recipient is satisfied with the results of the Plan and whether outcomes need to be revised, based on the progress achieved, or on changing circumstances in the service recipient's life. This review provides a clear agenda for the Team meeting and ensures the service recipient's input and participation.

(2) The case manager identifies available service providers for selection by the service recipient or legal guardian.

(3) The case manager ensures the size and composition of the Team support the person-centered planning process.

(A) The case manager plans for the participation of people whom the service recipient wants on the Team, people whose services are needed to achieve identified outcomes, and people who know the service recipient best. The case manager sends Team members written or electronic notice of the meeting, at least 30-calendar days in advance of the annual Team meeting.

(B) Planning may occur in Team meetings or through individual or small group consultation according to the service recipient's wants and needs.

(C) The case manager notifies a Team member by letter when his or her services on the Team are no longer required:

(i) at the request of the service recipient or the legal guardian; or

(ii) when the Team member's performance reveals a course of action that:

(I) is not in the service recipient's best interest;

(II) is destructive toward the Team's collaborative process; or

(III) violates OKDHS or OHCA rules or accepted standards of professional practice.

(4) Unless the service recipient elects to chair his or her own meetings, the case manager serves as Team chair.

(5) The case manager empowers and supports the service recipient in setting the direction for the Team and in actively participating in Team meetings.

(6) The case manager writes or revises the Plan based on input from the Team.

(7) The case manager assists the Team in developing strategies, protocols, and guidelines to achieve the service recipient's preferred or needed outcomes.

(8) The case manager monitors all aspects of the Plan's implementation, per OAC 340:100-3-27.

(9) The case manager routinely asks the service recipient, his or her family, guardian, or advocate about their satisfaction with services and supports, and initiates appropriate action to identify and resolve barriers to consumer satisfaction.

(10) The case manager convenes Team meetings as needed.

(A) The Team evaluates if the Plan and its components are meeting the service recipient's objectives.

(B) The case manager may convene a Team meeting at the request of any Team member.

(C) Meetings are held at times and locations convenient for the service recipient.

(11) Case manager responsibilities are carried out by provider-agency program coordination staff when the service recipient receives state-funded employment, state-funded group home, or assisted living services without Waiver supports. Each person filling this role in a provider agency must have a minimum of four years of any combination of college level education and full-time equivalent experience in serving persons with disabilities, unless this requirement is waived in writing by the DDS director or designee.

(12) The planning process must:

(A) reflect the service recipient's cultural considerations;

(B) be provided in plain language in an accessible manner;
and

(C) provide needed language services or aids.

(13) In order to avoid a conflict of interest, DDS staff including the case manager, case management supervisor, and plan of care reviewer must not:

(A) be related by blood or marriage to the service recipient, or any paid service provider for the service recipient;

(B) be financially responsible for the service recipient;

(C) be empowered to make financial or health related decisions for the service recipient; or

(D) hold a financial interest in any entity paid to provide care for the service recipient.

[Source: Added at 15 Ok Reg 2136, eff 5-5-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 19 Ok Reg 2948, eff 8-1-02 (emergency); Amended at 20 Ok Reg 936, eff 6-1-03 ; Amended at 23 Ok Reg 1026, eff 5-11-06 ; Amended at 27 Ok Reg 838, eff 7-1-10 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 33 Ok Reg 1668, eff 9-15-16 ; Amended at 38 Ok Reg 2317, eff 9-15-21]

340:100-5-53. Individual Plan

(a) The Individual Plan (Plan) is a written document that describes the services necessary for the health and welfare, the outcomes desired by the service recipient and the services and supports necessary to achieve those outcomes. Each Plan includes:

(1) basic demographic information, including emergency information and health and safety concerns;

(2) assessment information;

- (3) description of services and supports identified by the Personal Support Team;
 - (4) outcomes to be achieved;
 - (5) action steps or methods to achieve the outcomes, including:
 - (A) means to assess progress; and
 - (B) names of persons or agency positions responsible for implementing each part of the Plan;
 - (6) community participation strategies and activities;
 - (7) identification of needed individual-specific staff training, with required time frames for completion, per OAC 340:100-3-38; and
 - (8) medication support plan, per OAC 340:100-5-32.
- (b) The Plan is updated as required by ongoing assessment of progress and needs.
- (c) A copy of the service recipient's Plan is provided to the:
 - (1) service recipient; and
 - (2) service recipient's family, legal guardian, and designated advocate.
- (d) Relevant portions of the Plan are provided to persons or agencies who provide support or services to the service recipient.
- (e) The Developmental Disabilities Services Division case manager develops a Plan of Care that is consistent with the Plan to authorize payment for services.

[Source: Added at 15 Ok Reg 2136, eff 5-5-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 19 Ok Reg 2948, eff 8-1-02 (emergency); Amended at 20 Ok Reg 936, eff 6-1-03 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Amended at 26 Ok Reg 922, eff 5-15-09 ; Amended at 27 Ok Reg 838, eff 7-1-10]

340:100-5-54. Planning for obstacles

Occasionally people may encounter obstacles that interfere with their ability to grow and participate in the community. All people have problems, conflicts, and other challenges from time to time. Learning to handle these challenges in a manner that is constructive and not self-destructive or harmful to others is essential. DDS is committed to early intervention and prevention when behavioral or emotional challenges occur, to prevent the escalation of these problems.

- (1) Events such as the loss of a loved one, change in roommates, staff or schedules, or the loss of a job may trigger a crisis. The case manager and program coordinator anticipate the reaction of a person receiving services to such a crisis and provide immediate assistance which may include:
 - (A) linking the person with immediate support or assistance to resolve or cope with the crisis.
 - (B) referring the person or family to a counselor or family service agency to help them cope with the loss of a loved one during the grieving process.
 - (C) using problem-solving skills to identify and resolve factors contributing to the crisis.
 - (D) discussing and facilitating adjustments in the person's life and reflecting those changes in the Individual Plan.

(E) increasing the number of contacts with the person to help him or her cope with transition to new staff, places, programs, or providers.

(F) identifying and arranging for productive and fulfilling ways to fill the person's time when jobs or other vocational activities are terminated.

(2) The Individual Plan is updated in anticipation of foreseeable significant changes or life events.

[Source: Added at 15 Ok Reg 2136, eff 5-5-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99]

340:100-5-55. Person-centered assessment [REVOKED]

[Source: Added at 15 Ok Reg 2136, eff 5-5-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Revoked at 19 Ok Reg 2948, eff 8-1-02 (emergency); Revoked at 20 Ok Reg 936, eff 6-1-03]

340:100-5-56. Risk assessment

The personal support team (Team) completes an assessment that identifies:

(1) potential areas where the service recipient's safety is at risk, including physical, emotional, medical, financial, legal risks, or risk to community participation; and

(2) when, where, and how often the risk to safety may occur;

(3) the approaches, supports, services, and the actions needed or used to reduce or eliminate the risk, including:

(A) assisting the service recipient in having as much control and decision-making abilities as possible;

(B) changes in the environment to reduce stressors;

(C) communication between team members;

(D) consistency of provider-agency support staff;

(E) daily activities;

(F) frequency and quality of supervision;

(G) offering positive activities;

(H) prescribing staff training when additional training is needed;

(I) recognition of early signs or indicators of potential risks;

(J) skill building;

(K) supporting the individual in communicating choices;

(L) teaching coping skills;

(M) temporarily avoiding situations too difficult or uncomfortable for the service recipient; and

(N) understanding how and what the person is communicating.

[Source: Added at 15 Ok Reg 2136, eff 5-5-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 20 Ok Reg 97, eff 10-16-02 (emergency); Amended at 20 Ok Reg 936, eff 6-1-03 ; Amended at 33 Ok Reg 1668, eff 9-15-16]

340:100-5-57. Protective intervention protocol (PIP)

(a) **Purpose.** The purpose of a PIP is to ensure the service recipient's safety, when physical, emotional, medical, financial, legal, or community participation issues place him or her at risk.

(b) **PIP elements.** The PIP is part of the Individual Plan (Plan) developed with the participation of the service recipient and Personal Support Team (Team). The PIP:

- (1) uses the least restrictive approaches necessary to address safety risks identified in the safety risk assessment per Oklahoma Administrative Code (OAC) 340:100-5-56;
- (2) identifies the early signs, clues, or other indicators of potential safety risks;
- (3) describes preventative supports, services, and actions to take in order to reduce or eliminate safety risks;
- (4) describes detailed instructions and procedures taken by staff and Team members during a situation that places the safety of the service recipient or others at risk, including procedures to:
 - (A) keep the service recipient and others as safe as possible;
 - (B) defuse, reduce, or eliminate harm or injury; and
 - (C) secure Team or provider agency staff assistance;
- (5) includes outcomes targeting skill enhancement, health improvement, choice making, meaningful relationship development, and community participation;
- (6) describes teaching methods in sufficient detail to provide clear direction to provider agency support staff to assist the service recipient to learn relevant skills;
- (7) identifies methods and time frames to evaluate the PIP's effectiveness;
- (8) is revised when circumstances change or the PIP is no longer effective;
- (9) treats the service recipient with dignity and is reasonable, humane, practical, not controlling, and the least restrictive alternative; and
- (10) is reviewed by the Team to determine if the PIP meets OAC 340:100-5-57 requirements. Team review and approval is documented in the Plan.

(c) **Serious risk or dangerous behavior.** When a PIP addresses challenging behaviors that create serious risk of physical injury or harm to the service recipient or others, risk of involvement in civil or criminal processes, or places the service recipient's physical safety, environment, relationships, or community participation at serious risk, the PIP must be developed and overseen by the Team and an appropriately-licensed professional or a family trainer approved by Developmental Disabilities Services (DDS) with the assistance of the positive support field specialist.

(d) **Restrictive or intrusive procedures.** When the Team determines restrictive or intrusive procedures, per OAC 340:100-1-2 are essential for safety, the Team must develop a PIP with a DDS positive support field specialist's assistance. In addition to the requirements in (b) of this Section, the Team must:

- (1) describe the severity and frequency of the risk or dangerous behavior;

- (2) address any limitations placed on the service recipient's access to goods, services, and activities and document the Team's plan to restore access to such;
- (3) identify positive approaches used prior to implementing the restrictive or intrusive procedure;
- (4) ensure the procedure does not harm the service recipient;
- (5) describe methods to help the service recipient develop skills that serve the same function as, or reduce or eliminate the possibility of, the dangerous behavior or serious risk. These methods must be individualized and provide clear direction to provider agency support staff to develop the service recipient's pro-social and coping skills;
- (6) submit the protocol to the Statewide Human Rights Behavior Review Committee (SHRBRC) per OAC 340:100-3-14 for initial approval and any time additional restrictive or intrusive procedures are requested; and
- (7) document annual review and continued PIP approval.

(e) **Physical management.** A physical management hold per OAC 340:100-1-2 is only used to prevent physical injury. Physical management holds are allowed when supported by a specific assessed need and are documented in the person-centered Plan. Person-centered Plan documentation includes requirements per OAC 317:40-1-3(b)(8)(A) through (H). Prompting that does not restrict the service recipient's movement or choice is not considered physical management. Any PIP that includes a physical management hold requires the Team, to:

- (1) ask the service recipient's physician to assess whether the service recipient has any health concerns related to the use of the physical management procedure;
- (2) ask the service recipient's physician to assess whether the current medication regimen poses any risk for the service recipient due to the stress of the physical management procedure;
- (3) include a DDS approved trainer of physical management procedures in the planning sessions.

(A) The trainer:

- (i) makes recommendations about the effectiveness and safety of the physical management procedure in particular environments;
- (ii) assists the Team in identifying alternative approaches when standard procedures do not appear appropriate for the service recipient or the situation; and
- (iii) identifies existing physical obstacles to the implementation of the procedure for particular staff.

(B) The Team includes the trainer's recommendations in the development of the PIP;

- (4) identify any situation in which physical management procedures cannot be used because they are unsafe or ineffective per this subsection; and
- (5) comply with (f) of this Section.

(f) **Emergency intervention.** Emergency intervention is the use of a restrictive or intrusive procedure not included in a PIP, in response to an unanticipated and unpredictable situation or event or the sudden occurrence of an event so severe and dangerous urgent action precludes less restrictive measures. Physical management per OAC 340:100-1-2 is only used during emergencies to ensure physical safety and prevent injury.

(1) Emergency intervention:

(A) cannot be used as a substitute for positive approaches or a PIP; and

(B) is used for no longer than necessary to eliminate the clear and present danger of serious physical harm to the service recipient or others.

(2) Physical management must be terminated as soon as the service recipient is calm or the threat ended with attempts to release every two minutes to ensure the safety of the service recipient.

(3) When responding to an emergency, no one may authorize or use an amount of force that exceeds what is reasonable and necessary under the circumstances to protect the service recipient or others.

(4) Any person who has reason to believe abuse occurred is responsible to contact the appropriate authorities.

(g) **Temporary approval of restrictive or intrusive procedures.** After the first use of an emergency restrictive or intrusive procedure, when the Team in consultation with the positive support field specialist determine the use of a restrictive or intrusive procedure must be continued to ensure the safety of the service recipient or others, the positive support field specialist or DDS director of psychological and behavioral supports may provide temporary immediate approval for continued use of restrictive or intrusive procedures.

(1) The DDS case manager contacts the positive support field specialist to request temporary approval of restrictive or intrusive procedures to protect the service recipient or others from serious physical harm.

(2) The positive support field specialist approves or denies the request for use of emergency interventions using Form 06MP042E, Request for Temporary Approval of Restrictive or Intrusive Procedures.

(A) When the temporary request is approved, the positive support field specialist assists the Team in ensuring needed structure and training are in place for safe and proper implementation of the emergency interventions.

(B) Temporary approval lasts no longer than 60-calendar days.

(3) Form 06MP042E must be completed and sufficient information provided to demonstrate positive supports were attempted, and that the danger of severe harm still exists.

(4) When physical management procedures are authorized, training is obtained from an approved or certified trainer.

(5) To continue using the temporarily-approved restrictive or intrusive procedure, the Team must submit within 60-calendar days following approval, a PIP that incorporates the requested procedures to SHRBRC. When the submitted PIP does not receive SHRBRC approval, SHRBRC may extend the temporary approval for a maximum of an additional 60-calendar days.

(h) **Review and revision of the Plan.** The Plan is reviewed and, as necessary, revised when an unexpected high risk event occurs.

(1) Review and revision to the Plan is appropriate, when the:

- (A) service recipient was recently seen in a hospital emergency room due to a behavioral crisis;
- (B) service recipient was recently admitted to a psychiatric facility for stabilization;
- (C) police were called to intervene because the service recipient is displaying challenging behavior; or
- (D) service recipient was placed in police custody as the result of his or her challenging behavior.

(2) Team planning must include, at a minimum:

- (A) consultation with the positive support field specialist;
- (B) a review of recent events, including challenging behaviors;
- (C) identification of the signs or behaviors indicating the event may reoccur;
- (D) assisting the service recipient to develop an individualized safety plan;
- (E) detailed action steps for provider agency support staff to follow to reduce reoccurrence; and
- (F) consultation with other professional services, when appropriate.

(3) When a high risk event occurs, the Team reviews the event to determine if additional action is needed to prevent further occurrence.

(4) When psychiatric hospital admission occurs, the Team begins planning upon notification of a discharge date. A review is held within five-business days following discharge to meet the requirements of this Section, and address medication changes per OAC 340:100-5-26.1(d)(2).

(i) **Mechanical restraint in a medical context.** Restraints and mechanical supports used in a medical context are exempt from (d) of this Section. These exemptions include, but are not limited to:

- (1) sedation prescribed by a physician or dentist prior to a medical or dental procedure;
- (2) restraints used to control the movement of the service recipient during a time sensitive and necessary medical or dental procedure;
- (3) time-limited restraints to promote healing following a medical procedure or injury;
- (4) devices prescribed by a physician, physical therapist, or an occupational therapist to maintain body alignment or otherwise support or position a service recipient;

- (5) devices normally used for safety reasons, such as car seats or seat belts;
- (6) helmets used to protect a service recipient from injury during or following a seizure;
- (7) bed rails used to keep a service recipient from falling out of bed; or
- (8) wheelchair brakes, unless used for the purpose of restricting mobility.

340:100-5-58. Prohibited procedures

- (a) Corporal punishment, defined as the application of painful stimuli to the body as a penalty including, but not limited to, hitting, pinching, or other infliction of pain, is prohibited.
- (b) The use of words, sounds, or other forms of communication to humiliate, intimidate, or cause fear, embarrassment, shame, or degradation to the person receiving services is prohibited, including shouting, screaming, swearing, name calling, threatening, making demeaning gestures, and any other activity damaging to a person's self-respect.
- (c) Seclusion, defined as the placement of a person alone in a locked room, is prohibited.
- (d) Totally enclosed cribs are prohibited.
- (e) Persons receiving services do not discipline other people receiving services.
- (f) Aversive conditioning procedures, such as the application of unpleasant, startling, or painful stimuli that have a potentially noxious effect, including shock, ammonia, or Tabasco sauce, are prohibited.
- (g) Withholding meals, breaks, sleep, or the opportunity to maintain personal hygiene is prohibited.
- (h) Involuntary forfeiture of money or personal property is prohibited.
- (i) Physical restraint procedures are prohibited in community services.
- (j) Use of exclusionary time out or time out rooms is prohibited, except by written permission of the director of the Developmental Disabilities Services Division (DDSD) for specific individuals residing at the Greer Center.
- (k) Face-down physical restraint is prohibited.
- (l) Mechanical restraints are prohibited, except as a medical restraint when absolutely necessary to promote healing or prevent injury during or following a medical procedure.
 - (1) Medical mechanical restraints are prescribed by a physician.

- (2) Physician orders for medical mechanical restraints are time-limited to:
- (A) 12 hours for a person served in a resource center.
 - (B) 12 hours in programs other than a resource center or the Greer Center, unless a longer period is authorized by the physician.
- (3) Use of mechanical restraints is reviewed by the DDS registered nurse every 24 hours.
- (4) Exceptions to the policy regarding the use of mechanical restraints may only be approved in writing by the director of DDS or designee following review and approval in accordance with OAC 340:100-3-14.

SUBCHAPTER 6. GROUP HOME REGULATIONS

PART 1. GENERAL PROVISIONS

340:100-6-1. Purpose [REVOKED]

[Source: Added at 12 Ok Reg 409, eff 11-17-94 (emergency); Added at 12 Ok Reg 2491, eff 6-26-95 ; Revoked at 24 Ok Reg 1046, eff 5-11-07]

340:100-6-2. Legal base, purpose, and definitions

(a) **Legal base.** Section 1430.1 et seq. of Title 10 of the Oklahoma Statutes, Group Homes for Persons with Developmental or Physical Disabilities Act, mandates Oklahoma Department of Human Services (OKDHS) to establish licensure requirements for such group homes and to otherwise implement the requirements of this Act.

(b) **Purpose.** OAC 340:100-6 sets forth licensure requirements, standards, and provisions for group homes for persons with developmental or physical disabilities.

(c) **Definitions.** The following words and terms, when used in this Subchapter, shall have the following meaning, unless the context clearly indicates otherwise:

- (1) **"Abuse"** means causing or permitting:
 - (A) infliction of physical pain, injury, sexual abuse, sexual exploitation, unreasonable restraint or confinement, or mental anguish; or
 - (B) deprivation of nutrition, clothing, shelter, health care, or other care or services without which serious physical or mental injury is likely to occur to a resident of a group home by a caretaker or other person providing services to a resident of a group home.
- (2) **"Administrator"** means the person designated by the provider who has authority and responsibility for the programs

and operation of a group home.

(3) "**Advocate**" means an adult designated in writing selected by the resident to assist the resident in exercising the rights of such resident.

(4) "**Exploitation**" means the unjust or improper use of the resources of a resident of a group home for the profit or advantage, pecuniary or otherwise, of a person other than such resident through the use of:

- (A) undue influence;
- (B) coercion;
- (C) harassment;
- (D) duress;
- (E) deception;
- (F) false representation; or
- (G) false pretense.

(5) "**Group home for persons with developmental or physical disabilities**" means any establishment:

- (A) for not more than 12 residents who:
 - (i) are 18 years of age or older; and
 - (ii) have developmental or physical disabilities;
- (B) that offers or provides supervision, residential accommodations, food service, and training and skill development opportunities designed to lead to increased independence of the residents and supportive assistance to any of the residents requiring supportive assistance; and
- (C) that is not:
 - (i) a residential care home;
 - (ii) a nursing facility;
 - (iii) an assisted living facility;
 - (iv) a home in which agency companion services or specialized foster care is provided; or
 - (v) a home owned or leased by the service recipient or his or her legal guardian.

(6) "**Indecent exposure**" means forcing or requiring a resident of a group home to:

- (A) look upon the body or private parts of another person or upon sexual acts performed in the presence of the resident; or
- (B) touch or feel the body or private parts of another.

(7) "**Neglect**" means:

- (A) failure to provide protection for a resident of a group home who is unable to protect his or her own interests;
- (B) failure to provide a resident of a group home with adequate shelter, nutrition, health care, or clothing; or
- (C) negligent acts or omissions that result in harm or the unreasonable risk of harm to a resident of a group home through the action, inaction, or lack of supervision by a caretaker providing direct services.

(8) "**Physical disability**" means a condition that:

(A) causes restricted use of extremities by or affects other bodily functions of a person; and

(B) requires specialized training or habilitation or rehabilitation services provided by a group home.

(9) "**Provider**" means a person, corporation, partnership, limited liability company, association, or other entity that contracts with OKDHS Developmental Disabilities Services Division (DDSD) or Oklahoma Health Care Authority or is licensed to operate a group home for persons with developmental or physical disabilities.

(10) "**Resident**" or "**service recipient**" means a person receiving services in a group home for persons with developmental or physical disabilities.

(11) "**Service recipient**" or "**resident**" means a person receiving services in a group home for persons with developmental or physical disabilities.

(12) "**Sexual abuse**" means:

(A) oral, anal, or vaginal penetration of a resident of a group home by or through the union with the sexual organ of a caretaker or other person providing services to the resident, or the anal or vaginal penetration of a resident by a caretaker or other person providing services to the resident with any other object;

(B) for the purpose of sexual gratification, the touching, feeling, or observation of the body or private parts of a resident of a group home by a caretaker or other person providing services to the resident; or

(C) indecent exposure by a caretaker or other person providing services to the resident of a group home.

(13) "**Sexual exploitation**" means, but is not limited to, a caretaker causing, allowing, permitting, or encouraging a resident of a group home to engage in prostitution or in the lewd, obscene, or pornographic photographing, filming, or depiction of the resident as those acts are defined by Oklahoma law.

(14) "**Supportive assistance**" means service rendered to a resident of a group home that is sufficient to enable the resident to meet an adequate level of daily living including, but not limited to:

(A) training;

(B) supervision;

(C) assistance in housekeeping;

(D) assistance in meal preparation;

and

(E) assistance in activities of daily living necessary for the health and comfort of such person.

(15) "**Verbal abuse**" means the use of words, sounds, or other communication including, but not limited to:

(A) gestures;

(B) actions; or

(C) behaviors by a caretaker or other person providing services to a resident of a group home that is likely to cause a reasonable person to experience humiliation,

intimidation, fear, shame, or degradation.

[Source: Added at 12 Ok Reg 409, eff 11-17-94 (emergency); Added at 12 Ok Reg 2491, eff 6-26-95 ; Amended at 24 Ok Reg 1046, eff 5-11-07]

PART 3. STANDARDS

340:100-6-10. License or contract required

(a) It is unlawful for any person or organization to operate a group home per Sections 1430.1 through 1430.41 of Title 10 of the Oklahoma Statutes (10 O.S. §§ 1430.1 through 1430.41) without a license from Oklahoma Human Services (OKDHS) Developmental Disabilities Services (DDS). Providers who have a current contract to provide:

- (1) group home services with OKDHS DDS; or
- (2) Home and Community-Based Waiver group home services with Oklahoma Health Care Authority are deemed licensed.

(b) A license to operate a group home may be issued upon completion of an approved application and inspection. The license must include, but is not limited to:

- (1) maximum bed capacity for which the license is granted;
- (2) kind of program the licensee is certified to operate;
- (3) date license was issued;
- (4) expiration date of license; and
- (5) address of the home for which the license is issued.

(c) A license is issued only for the premises named on the application and is neither transferable nor assignable.

(d) DDS Community Services staff maintains a record of each group home deemed licensed, including:

- (1) maximum bed capacity;
- (2) type of group home operated; and
- (3) address of group home.

(e) The group home license expires 12 months from the date of issuance.

(f) DDS may issue a conditional license to any group home in which it finds a violation exists. The issuance of a conditional license revokes any license the group home holds.

(1) Prior to the issuance of a conditional license, DDS:

- (A) reviews and approves a written plan of correction;
- (B) specifies the violations that prevent full licensure and establishes a time schedule for correction of the deficiencies; and
- (C) sends notice of the decision to issue a conditional license to the provider with the proposed plan of correction. The notice informs the provider of the right to an appeal per Oklahoma Administrative Code (OAC) 340:100-3-27.

(2) DDS provides notice and due process for the holder of a conditional license per 10 O.S. § 1430.17.

(g) Any person or organization desiring to operate a group home must request a licensure packet from DDS, Group Home Licensure, P.O. Box

25352, Oklahoma City, OK 73125.

(h) An applicant for license, license renewal, or contract to operate a group home must submit to DDS a completed application along with the documents DDS requires to determine whether the applicant:

- (1) is 21 years of age or older and of reputable and responsible character;
- (2) demonstrates the skill and fitness to provide the necessary services;
- (3) has appropriate business experience; and
- (4) has professional experience with the population to be served.

(i) An application for a license or contract to operate a group home must include documentation that the state fire marshal or representative has inspected and approved the home. A contract provider who wishes to open an additional group home must also provide this documentation.

(1) After the initial state fire marshal inspection, each group home must be inspected as required by ordinance per local or state fire marshal and found in compliance with fire safety regulations prior to re-issuance of a license or contract.

(2) All group home inspections are subject to state fire marshal fees, citations, and penalties.

(j) Prior to opening, the provider must obtain for each group home a licensed:

- (1) plumber or municipal building inspector's report; and
- (2) electrician or municipal building inspector's report.

(k) An approval letter from the local zoning authority must accompany all initial license applications or contractor requests for each particular address.

(l) No person who is ineligible for employment as a community services worker, per OAC 340:100-3-39, is eligible to:

- (1) be licensed; or
- (2) receive a contract to become a provider. If the applicant, licensee, or contractor is a firm, partnership, limited liability company or corporation, the applicant is not eligible to:
 - (A) be licensed; or
 - (B) receive a contract if any person in (i) through (iv) is ineligible for employment as a community services worker.
 - (i) A member of the firm;
 - (ii) A major member of the limited liability company or manager;
 - (iii) A major partner of the partnership; or
 - (iv) An officer or major stockholder of the corporation.

(m) A license or a contract to operate a group home is not transferable. Ownership of a group home may only be changed from the provider named in the application to another provider who has a current group home license or contract, and only upon prior written approval of DDS.

- (1) The current group home provider must:
 - (A) notify the DDS director or designee in writing of the change no less than 30-calendar days prior to the effective date of the change;

- (B) remain responsible for the operation of the home until the change in ownership is complete; and
 - (C) remain liable for all penalties assessed for violations occurring prior to change of ownership.
- (2) Any citations, problems DDS identifies prior to the change in ownership, or outstanding deficiencies remaining after the change in ownership are the responsibility of the new owner of the group home to correct.
- (n) Any licensed or contracted group home provider, per OAC 340:100-6, must give 90-calendar days notice prior to closing a home or to closing any part of a home that would require the transfer or discharge of more than ten percent of the residents.
 - (1) Notice must be given to:
 - (A) DDS director or designee;
 - (B) any resident who requires transfer or discharge from the group home; and
 - (C) the resident's legal guardian, family, or advocate.
 - (2) Notice must state the proposed date of closing and reason for closing.
 - (3) The group home provider must offer to assist the resident in securing alternative placement.
 - (4) The DDS director or designee must be notified if there is need for relocation assistance.

340:100-6-13. Inspections

- (a) Each group home must be inspected at least annually by a duly appointed representative of Oklahoma Human Services (OKDHS). At least one inspection per group home must be unannounced.
- (b) Any holder of or applicant for a license or contract is deemed to have given consent to any authorized employee or agent of OKDHS to enter and inspect the home.
- (c) The provider receives results of the inspection and corrects identified concerns per Oklahoma Administrative Code (OAC) 340:100-3-27.1.
- (d) OKDHS may revoke, deny, or refuse to renew any group home license found in violation of Section 1430.1 et seq. of Title 10 of the Oklahoma Statutes (10 O.S. § 1430.1 et seq.), Group Homes for Persons with

Developmental or Physical Disabilities Act, or OKDHS rules.

(e) Per 10 O.S. § 1430.32, any person OKDHS determines to have violated any provision of 10 O.S. § 1430.1 et seq. or any OKDHS rule or court order issued pursuant thereto may be liable for an administrative penalty of not more than \$100 for each day the violation continues. The maximum administrative penalty may not exceed \$10,000 for any related series of violations.

(f) OKDHS may:

- (1) withhold payments due for group home services until corrections are made or OKDHS approves a plan of correction for all deficiencies; or
- (2) initiate other action per OAC 340:100-3-27.2.

340:100-6-15. Records and reports

(a) Every provider of group home services:

- (1) makes available to residents, employees, and visitors:
 - (A) the current license or contract to provide group home services between the provider and Oklahoma Department of Human Services (OKDHS) or Oklahoma Health Care Authority (OHCA);
 - (B) resident rights per OAC 340:100-6-95;
 - (C) OKDHS-approved grievance procedures, including name, address, and phone number of the local grievance coordinator and of a person authorized by OKDHS to receive complaints regarding potential contract violations; and
 - (D) a copy of any order currently in effect pertaining to the group home issued by a court; and
- (2) retains for public inspection:
 - (A) a complete copy of every inspection report of the group home received from OKDHS during the past three years with resident-identifying information removed;
 - (B) copy of correspondence pertaining to the group home issued by OKDHS, OHCA, or a court during the past three years with resident-identifying information removed;
 - (C) description of services provided by the group home and rates charged for those services and items for which a resident may be separately charged;
 - (D) statement of ownership, including names and addresses of board members and major stockholders; and
 - (E) a complete copy of any current license or contract between the provider and OKDHS or OHCA.

(b) Reports of communicable disease must be made by the group home provider in accordance with Section 1-502 et seq. of Title 63 of the Oklahoma Statutes.

(c) Service recipient records are maintained in accordance with OAC 340:100-3-40 and 340:100-3-40.1.

[Source: Added at 12 Ok Reg 409, eff 11-17-94 (emergency); Added at 12 Ok Reg 2491, eff 6-26-95 ; Amended at 24 Ok Reg 1046, eff 5-11-07]

340:100-6-16. Resident records [REVOKED]

340:100-6-18. Complaints

Any person who has personal knowledge or substantial specific information that Section 1430.1 et seq. of Title 10 of the Oklahoma Statutes or rules in OAC 340:100-6 may have been violated, may register a complaint and request an investigation. The complaint is made to Oklahoma Department of Human Services Developmental Disabilities Services Division (DDSD) State Office Quality Assurance Unit in accordance with OAC 340:100-3-27.1. DDSD takes steps to protect the identity of the complainant, provided that such complainant is:

- (1) a service recipient;
- (2) a representative of a service recipient; or
- (3) an employee of a group home.

[Source: Added at 12 Ok Reg 409, eff 11-17-94 (emergency); Added at 12 Ok Reg 2491, eff 6-26-95 ; Amended at 24 Ok Reg 1046, eff 5-11-07]

340:100-6-19. Abuse, neglect, and exploitation

(a) Each group home provider must implement a written policy that expressly prohibits abuse, neglect, and exploitation, per Section 10-103 of Title 43A of the Oklahoma Statutes, of service recipients.

(b) Any person who suspects abuse, neglect, or exploitation of a service recipient must report the matter immediately to the Oklahoma Department of Human Services (OKDHS), 1-800-522-3511, or local OKDHS office.

(c) The group home provider who suspects abuse, neglect, or exploitation must take steps necessary to protect the health, safety, and welfare of the residents.

(d) Each group home provider follows requirements of OAC 340:100-3-39 regarding staff members who are found by OKDHS to have a final administrative finding, per OAC 340:100-3-39, of abuse, neglect, or exploitation.

340:100-6-21. Closing of group home [REVOKED]

[Source: Added at 12 Ok Reg 409, eff 11-17-94 (emergency); Added at 12 Ok Reg 2491, eff 6-26-95 ; Amended at 24 Ok Reg 1046, eff 5-11-07 ; Revoked at 40 Ok Reg 1005, eff 9-15-23]

PART 5. PHYSICAL PLANT REQUIREMENTS

340:100-6-30. General criteria for physical plant

(a) Plans for construction or remodeling must be submitted to Oklahoma Human Services and state fire marshal for review and approval prior to the start of construction.

(b) Mobile homes are not approved.

(c) Within the corporate limits of a municipality, any new group home must be at least 1200 feet from any other group home and from any similar community residential facility serving persons in drug, alcohol, juvenile, child, parole, and other programs of treatment, care, supervision, or rehabilitation in a community setting, per Section 863 of Title 60 of the Oklahoma Statutes.

(d) The group home must have interior and exterior features compatible with other residences in the surrounding neighborhood.

(e) A group home must be located:

(1) in an area where the local fire department responds to emergencies; and

(2) adjacent to an all-weather road.

(f) Each group home provider ensures that resident rooms and areas are clean, comfortable, orderly, and provide reasonable privacy.

(1) Each single resident bedroom must contain a minimum of 80 square feet of floor space.

(2) All resident bedrooms must contain a minimum of 60 square feet per person for double or triple occupancy. All new group homes must limit the number of service recipients occupying a bedroom to two.

(3) Each resident bedroom must include:

(A) a clothes closet or armoire;

(B) additional space as needed to accommodate bedside assistance and the use and storage of mobility devices and prosthetic equipment;

(C) at least one outside operable window of adequate size installed in a vertical wall that can be used as an emergency exit, unless otherwise approved by the state fire marshal or representative;

- (D) windows that have adjustable coverings to provide privacy;
 - (E) direct access to exits and other areas of the home without passing through another resident's bedroom, a bathroom, or outside; and
 - (F) a full door that can be closed to provide privacy.
- (4) Each resident must have:
- (A) an individual bed of proper size with an adequate mattress, pillow, and bed linens that are clean and in good condition;
 - (B) a bedside table;
 - (C) a bureau, or its equivalent, for storing personal belongings;
 - (D) a chair; and
 - (E) an adequate supply of clean towels and wash cloths, and individual soap.
- (5) Male and female residents are not housed in the same or connected bedrooms, that do not have a full floor-to-ceiling partition and door that can be closed and locked, except a husband and wife may occupy the same bedroom.
- (6) Residents are encouraged to reflect their personal preferences in decorating and furnishing the group home.
- (g) Each group home must provide at least one full-size bathroom for resident use.
- (1) A home for six or more residents must have at least two full-size bathrooms for resident use.
 - (2) Bathrooms must:
 - (A) include a stool, sink, and tub or shower; and
 - (B) provide privacy.
- (h) All licensed group homes must provide common living areas with seating for all residents, excluding the dining room area.
- (i) Tobacco use of any sort is prohibited within the group home. Cigarette butts are properly disposed of in designated areas located outside the home.
- (j) Each group home and its yard must be clean, well-maintained, safe, free from hazards, and adapted to meet the needs of all service recipients.
- (1) Surroundings must be kept clean and free from accumulated rubbish, weeds, ponded water, refuse, discarded furniture, old newspaper, or other items of a similar nature that may create a health hazard.
 - (2) The group home provider employs effective methods to prevent the entrance and harborage of insects, spiders, and rodents.
 - (3) All garbage must be properly stored and safely disposed of per local ordinance.
 - (A) Trash cans in service recipient areas must be kept clean.
 - (B) Outdoor garbage waste containers must be covered and insect and rodent resistant.

- (C) Outside storage of garbage in plastic bags is prohibited.
- (D) Sanitary garbage disposal must be provided.
- (4) Sanitary sewage disposal must be provided per Oklahoma State Department of Health (OSDH) rules.
- (5) The interior of the group home must be safe, clean, well-maintained, free of hazards, and adapted to meet the needs of all service recipients.
 - (A) The home must be free from offensive odors, accumulation of dirt, rubbish, dust, and safety hazards.
 - (B) Floors and floor coverings must be clean and in good condition. Floor polishes must provide for a non-slip finish.
 - (C) Walls and ceilings must be in good condition and cleaned regularly. All group homes must have walls capable of being cleaned.
 - (D) Deodorizers must not be used to cover up odors caused by unsanitary conditions or poor housekeeping practices.
 - (E) Combustibles, such as cleaning rags and compounds, must be kept in closed metal containers in areas away from living areas.
 - (F) No items may be stored in the hot water heater closet or furnace closet.
 - (G) General laundry must be placed in linen hampers or carts.
 - (H) Linens or clothing soiled with human body fluids must be placed in bags or nonporous containers with lids tightly closed.
- (6) The group home must have:
 - (A) a kitchen and equipment to store, prepare, and serve food in a sanitary manner;
 - (B) utility service and adequate heating, cooling, and plumbing;
 - (C) lighting that is adequate for the service recipient's activities in each room;
 - (D) safe water supply per OSDH rules; and
 - (E) temperature extremes not less than 65 degrees Fahrenheit nor more than 85 degrees Fahrenheit for all areas service recipients occupy.
- (7) Each service recipient's bedroom must have at least one electrical outlet.

340:100-6-45. Health and safety

(a) The group home provider acts immediately to remedy any situation that poses a risk to the health, well-being, safety, or provision of specified services to any service recipient.

(1) In the event of such a threat, the provider immediately notifies Developmental Disabilities Services Division (DDS):

(A) of the nature of the situation; and

(B) upon resolution of the threatening situation.

(2) The provider completes and regularly reviews incident and injury reports per OAC 340:100-3-40.

(3) In the event of the death of a service recipient, the provider complies with OAC 340:100-3-35.

(b) An evacuation plan must be developed for each group home. Fire drills must be conducted at least quarterly and severe weather drills must be conducted two times annually.

(c) The group home must have a written plan for temporary living arrangements in case of fire, climatic conditions that warrant evacuation, or other natural disasters that may render the facility unsuitable.

(d) Dangerous or deadly weapons are not permitted in the home.

Provider agency staff is prohibited from assisting any service recipient to obtain or possess dangerous or deadly weapons. Dangerous or deadly weapons include, but are not limited to:

(1) guns or other firearms;

(2) crossbows;

(3) paint guns;

(4) arrows;

(5) explosives;

(6) stun guns; and

(7) knives, except cooking and eating utensils.

(e) Illegal substances are not permitted in the group home.

(f) Adequate enclosed storage space in the group home must be provided for items belonging to service recipients.

(g) Laundry equipment must be:

(1) provided in the group home and housed in a safe, well ventilated, and clean area; and

(2) kept clean with the clothes dryer vented to the outside.

(h) All group home doors and windows opening to the outside for ventilation must have screens that are well fitted and in good repair.

(i) Phone service must be available within the group home and accessible to the service recipient in accordance with his or her Individual Plan.

(j) Linen storage areas must be clean and organized.

(k) Any bulk cleaning supplies must be stored in a separate, clean area of the group home.

(l) The address of each group home must be clearly visible from the street.

(m) Items required to be in operating condition and accessible for use in the group home are:

(1) flashlights;

(2) smoke detectors;

(3) first aid kit;

(4) fire extinguisher; and

(5) carbon monoxide detectors.

(n) Medication administration is performed in accordance with OAC 340:100-5-32.

(o) Group home staff who assist a resident with bathing or showering must ensure the water temperature is safe and comfortable before allowing a member to enter water by touch or with a thermometer designed to test hot liquids for the resident being bathed, including when an anti-scald or tempering device is used.

(p) The group home provider ensures that the hot water temperature for the home is set to no more than 120 degrees Fahrenheit. The group home provider tests the hot water temperature of the home at least annually, after any servicing of the home's water system, and any time the water temperature is believed to have increased above 120 degrees Fahrenheit. The group home provider will maintain documentation of tests performed, and this documentation will at minimum include the date of the test and the temperature of the home's hot water. The documentation is maintained in the home and available for inspection. The provisions within this Subsection will henceforth be known as the Julie Teenor Anti-Scald Protocol.

PART 9. DIETARY REQUIREMENTS

340:100-6-50. Food service

(a) A group home provider must:

- (1) have available a minimum of three meals per day, constituting a nutritionally adequate general diet; and
- (2) provide safe and sanitary storage, preparation, and serving of food.

(b) Fresh drinking water and ice must be available and easily accessible to each service recipient.

(c) Meal plans are:

- (1) written in advance for one week;
- (2) dated; and
- (3) kept in the home for six months.
 - (i) Grocery receipts are available to document food purchases.
 - (ii) Substitutions from planned meals are noted.

(d) A four-day supply of food must be in the home at all times, including cold storage.

(e) The dining room must be sufficiently large to simultaneously seat all service recipients and staff on duty.

(f) A group home provider serving service recipients requiring special diets prescribed by a physician documents effective steps to ensure each service recipient receives the correct diet modifications.

[Source: Added at 12 Ok Reg 409, eff 11-17-94 (emergency); Added at 12 Ok Reg 2491, eff 6-26-95 ; Amended at 24 Ok Reg 1046, eff 5-11-07]

PART 11. PROGRAM STANDARDS

340:100-6-55. Staffing requirements

Group homes must employ sufficient staff who are appropriately qualified and trained to provide the essential services of the home.

(1) **Sufficient staff.** The provider agency designates one person who, in the absence of the agency administrator, is responsible for the administration of the agency and is empowered to act on behalf of the provider agency.

(A) There must be at least one designated person in charge of the home and its operation available for each home when service recipients are present. Staff support and supervision must be provided as needed for each service recipient in the home. Staff must be physically able and mentally alert to carry out the duties of the job.

(B) In addition to direct support staff, each service recipient in a group home must have a staff person who serves as program coordinator. In addition to duties required by Oklahoma Administrative Code (OAC)

340:100-5-52, program coordination staff must:

(i) get to know the service recipient and the service recipient's needs;

(ii) make announced and unannounced visits to the group home that include a minimum of three monitoring visits per month, to monitor the service recipient's needs and staff's need for supervision.

The visits occur at times when it would reasonably be anticipated that the majority of the residents are home. Agency administration staff meeting the requirements of this Section may complete these visits in addition to program coordination staff. At least two of the visits must be unannounced, unless the:

(I) home has fully trained staff;

(II) home had no turn-over for the past year;

(III) service recipients do not require restrictive or intrusive procedures; and

(IV) there were no medication errors for the previous year, in which case the unannounced visits may be reduced to one per month. Of the unannounced visits, at least one visit must occur each month on Saturday or Sunday or between 8:00 p.m. and 7:00 a.m. on a weekday;

(iii) provide support and assistance to any service recipient who is experiencing an emotional, behavioral, or medical crisis;

(iv) be accessible to direct support staff 24 hours per day and available to respond, in person when

necessary, to an emergency;

- (v) supervise direct support staff to promote achievement of outcomes in the service recipient's Individual Plan (Plan);
- (vi) ensure staffing levels meet the requirements of the service recipient's Plan, with staff trained per OAC 340:100-3-38;
- (vii) ensure each service recipient's needs are always met including, but not limited to:
 - (I) utilities and phone service;
 - (II) furniture;
 - (III) food supplies that meet the service recipient's nutritional needs;
 - (IV) linens;
 - (V) personal items;
 - (VI) adaptive equipment; and
 - (VII) prescription medications;
- (viii) assist the Developmental Disabilities Services (DDS) case manager as requested to prepare for and implement the service recipient's Plan and its revisions per OAC 340:100-5-50 through 340:100-5-58;
- (ix) ensure Oklahoma Department of Human Services and Oklahoma Health Care Authority rules are followed; and
- (x) complete necessary training per OAC 340:100-3-38.

(C) Service recipients do not supervise other service recipients.

(2) Staff qualifications.

(A) The group home has an administrator and program coordinator who must:

- (i) be at least 21 years of age; and
- (ii) have a minimum of four years of any combination of college level course work or full-time equivalent experience in serving persons with disabilities or full-time equivalent experience in a supervisory position, unless this requirement is waived in writing by the DDS director or designee. Both roles may be filled by the same person.

(B) All other staff must be at least 18 years of age.

(C) The provider agency is responsible for recruitment, screening, training, and supervision of staff or volunteers providing direct services, ensuring direct support staff is not supervised by a relative or person living in the staff's home. A relative includes a wife, husband, child, parent, stepparent, parent-in-law, grandchild, grandparent, brother, sister, stepchild, brother-in-law, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, first cousin, or any such person with whom the employee shares a foster relationship.

(D) The provider agency must comply with OAC 340:100-3-39 regarding pre-employment screening for community services workers.

(3) **Staff training.** To ensure all providers achieve and maintain a level of competency necessary to meet the needs of each service recipient in the group home, provider agency staff must complete training per OAC 340:100-3-38.

[Source: Added at 12 Ok Reg 409, eff 11-17-94 (emergency); Added at 12 Ok Reg 2491, eff 6-26-95 ; Amended at 24 Ok Reg 1046, eff 5-11-07 ; Amended at 26 Ok Reg 922, eff 5-15-09 ; Amended at 28 Ok Reg 897, eff 6-1-11 ; Amended at 32 Ok Reg 1906, eff 9-15-15 ; Amended at 34 Ok Reg 1598, eff 9-15-17]

340:100-6-56. Provider policies and procedures

(a) Each group home provider must:

- (1) develop and maintain written policies and procedures, as approved by Oklahoma Department of Human Services, that govern all aspects of service provision; and
- (2) make written policies available to each person involved with the service recipient, including parent, legal guardian, advocate, and provider staff.

(b) Group home provider staff must be knowledgeable regarding relevant policies including, but not limited to, service recipient:

- (1) rights;
- (2) services;
- (3) grievance procedures;
- (4) abuse and neglect prevention and reporting;
- (5) confidentiality; and
- (6) emergencies.

(c) Each service recipient has a voice in the development of any policies affecting residents of the group home.

[Source: Added at 24 Ok Reg 1046, eff 5-11-07]

PART 13. INDIVIDUAL PLAN, TRAINING, AND SERVICES

340:100-6-60. Individual Plan, service recipient training, and services

(a) Each service recipient residing in a group home has a single, comprehensive, written Individual Plan (Plan) conforming to OAC 340:100-5-50 through 340:100-5-58.

(b) Training methods and materials must be culturally normative and age-appropriate.

(c) When specified in the Plan, the group home provider is responsible for programs designed to teach service recipients to clean and maintain their own living areas.

- (1) Other household duties may be shared by service recipients on a rotational basis, provided the duties are in keeping with normal routines of daily living and not for the convenience of staff or as

work for the group home.

(2) Regular participation in activities, such as meal planning, food purchasing, dish washing, doing laundry, housekeeping, and yard work, that leads to the service recipient's greater independence is not considered work for the group home.

(d) Each service recipient's Team annually assesses his or her abilities related to remaining in the home in the absence of on-site staff.

(1) All situations in which the service recipient may remain in the home without staff must be documented in the Plan.

(2) Programs must be implemented for each service recipient to reduce his or her dependence on staff supervision, including identifying problems and getting assistance.

(e) The provider must assist service recipients residing in a group home to access needed professional and generic services.

(f) In addition to requirements in OAC 340:100-5-50 through 340:100-5-58, the Team assesses and addresses the service recipient's needs regarding:

(1) safety in the home;

(2) assistance with money management in addition to requirements in OAC 340:100-3-4;

(3) community inclusion and access to work, employment or day services, leisure, recreation, transportation, and therapies; and

(4) health care per OAC 340:100-5-26.

(g) The group home provider must assist service recipients to access necessary services and supports.

(h) The group home provider establishes a written agreement with the service recipient or legal guardian that defines the financial responsibilities of the provider and service recipient, including a room and board payment.

(1) The agreement:

(A) accurately reflects the ongoing financial arrangement between the provider and service recipient;

(B) clearly defines who purchases personal items;

(C) is renewed annually and when changes occur;

(D) is available to the service recipient, legal guardian, Office of Client Advocacy advocate, and Developmental Disabilities Services Division case manager; and

(E) reflects that the services to be provided are described in the service recipient's Plan.

(2) The room and board payment may include all but \$100 per month of the service recipient's income up to a maximum of 90% of the current Supplemental Security Income rate.

PART 19. INVOLUNTARY TRANSFER OR DISCHARGE OF SERVICE RECIPIENT

340:100-6-85. Transfer or discharge

(a) A group home provider must not involuntarily transfer or discharge a service recipient residing in a group home except for:

- (1) medical reasons;
- (2) the service recipient's safety or the safety of other residents;
- (3) violations of the agreement between the service recipient and group home provider; or
- (4) nonpayment for the service recipient's stay unless limited by the federal Social Security Act.

(b) Involuntary transfer or discharge of a service recipient for violations of the agreement must be subject to:

- (1) review of the agreement and notification to the service recipient of specific violations;
- (2) discharge only after all appropriate attempts are made to resolve violations. Attempts must be documented in the service recipient's record.

(c) When a service recipient changes provider agencies, only the outgoing provider agency claims for services provided on the day the service recipient moves.

(d) Involuntary transfer or discharge of a service recipient from a group home must be preceded by a minimum written notice of 30-calendar days. The notice must inform the service recipient and service recipient's legal guardian or advocate:

(1) of the right to request an administrative inquiry, per Oklahoma Administrative Rules 340:1003-27.1 if the service recipient is aggrieved by the decision; and

(2) how such a request is made.

(e) The 30-calendar day requirement does not apply when:

(1) an emergency transfer or discharge is:

(A) mandated by the service recipient's health care needs; and

(B) per the written orders and medical justification of the attending physician; or

(2) the transfer or discharge is necessary due to imminent risk to the lives or health of other residents as documented in the service recipient's record.

(f) Oklahoma Human Services (OKDHS) may initiate the transfer or discharge of a service recipient when:

(1) the service recipient's health care needs are not being met according to a licensed medical authority;

(2) the transfer or discharge is necessary for the physical safety of other residents as observed or documented in the records, including incident reports, case management records, or other documentation the group home provider maintains; or

(3) it is determined, per applicable OKDHS rules, that a service recipient's rights have been violated or the service recipient has been abused, neglected, or exploited.

(g) The service recipient's wishes, in all situations, are given careful consideration in determining whether the health and safety aspects involved outweigh the wishes of a service recipient being transferred or discharged.

(h) A group home provider may not deny appropriate care on the basis of the resident's source of payment.

PART 21. RESIDENT RIGHTS AND RESPONSIBILITIES

340:100-6-95. Resident rights and responsibilities

(a) Each resident is responsible for making a room and board payment to the group home provider in accordance with the financial agreement.

(b) Unless otherwise indicated in the resident's Individual Plan, each resident is responsible for participation in meaningful activities including employment, vocational training, or adult day services that occur outside the group home for a minimum of five hours per weekday.

(c) Each group home develops a statement of rights and responsibilities which includes, but is not limited to, each resident's right to:

(1) civil and religious liberties, including the right to independent personal decisions and knowledge of available choices that must not be infringed. The provider must encourage and assist in the exercise of these rights;

(2) private communications and consultations with the resident's physician or attorney or any other person of the resident's choice including sending and promptly receiving unopened personal mail;

(3) without fear of reprisal, present grievances and join with other residents or persons within or outside of the group home to work for improvements in resident care;

(4) manage his or her financial affairs, unless the resident delegates the responsibility in writing, to the provider. The resident must have at least a quarterly accounting of any personal financial transactions the group home provider undertakes on the resident's behalf during any period of time the resident delegates such responsibilities to the provider;

(5) receive adequate and appropriate medical care consistent with established and recognized medical practice standards within the community. Each resident:

(A) must be fully informed by the attending physician of his or her medical condition and proposed treatment in terms and language the resident understands; and

(B) has the right to refuse medication and treatment after being fully informed of, and understanding the consequences of such actions;

(6) respect and privacy in the resident's medical care program.

(A) Discussion, consultation, examination, and treatment must remain confidential and be conducted discreetly.

- (B) Personal and medical records must be confidential;
- (7) retain and use personal clothing and possessions, unless prohibited by law, and security in the storage and use of such clothing and possessions;
- (8) be treated courteously and respectfully;
- (9) be free from mental and physical abuse, and free from physical and chemical restraints, except for those physical and chemical restraints a health care professional authorizes in writing, per Oklahoma Human Services (OKDHS) rules, for a specified period of time;
- (10) receive a statement of the group home provider guidelines and an explanation of the resident's responsibility to comply with all reasonable group home regulations and to respect other resident's personal rights and private property;
- (11) receive a statement, when adjudicated incapacitated, stating the rights and responsibilities per this Section which must be exercised by a court-appointed guardian;
- (12) privacy for conjugal visits. A resident may share a room with a spouse, when the spouse resides in the same group home;
- (13) all rights specified in Oklahoma Administrative Code (OAC) 340:100-3-1.2; and
- (14) not perform services for a group home provider, except for normal, shared household tasks.

(d) Upon admission of a resident and at least annually thereafter, or upon request, each resident and resident's advocate or legal guardian must be provided a copy of:

- (1) the resident's rights; and
- (2) procedures for grievances and appeal, per OAC 340:2-3-54.

(e) The rights enumerated in this Section may be limited for residents of an alternative group home.

(f) A service recipient has a right to visitors of his or her choosing at any time per OAC 317:40-1-3(b)(6). Any modification of a service recipient's right to visitors is permitted only when requirements per OAC 317:40-1-3(b)(8) are met.

- (1) Visitors are not permitted to enter the immediate living area of any service recipient without first identifying themselves and receiving permission from the service recipient to enter.
- (2) The rights of other service recipients present in the room must be respected.
- (3) A service recipient may terminate a visit at any time.

(g) OAC 340:100-6-41 does not limit the power of OKDHS or any other public agency otherwise permitted or required by law to enter and inspect a group home.

SUBCHAPTER 11. ADMISSION TO ROBERT M. GREER CENTER

340:100-11-1. Purpose [REVOKED]

[Source: Revoked at 39 Ok Reg 1807, eff 9-15-22]

340:100-11-2. Intake, Diagnosis and Evaluation Process

(a) **Legal basis.** Section 1414.1 of Title 10 of the Oklahoma Statutes (10 O.S. § 1414.1) requires Oklahoma Human Services (OKDHS) Developmental Disabilities Services (DDS) to provide care for individuals with a primary intellectual disability diagnosis and a secondary mental illness diagnosis. The Robert M. Greer Center (Greer) was established for this purpose and serves individuals through a contract with OKDHS.

(b) **Admission criteria.** All admissions are consistent with Part 483.440(b) of Title 42 of the Code of Federal Regulations, regarding intermediate care facility admissions, transfers, and discharges.

(1) Admission criteria for an individual served through Greer includes:

(A) clinical evidence the applicant has challenging behaviors placing his or her physical safety, environment, relationships, and community participation at risk, or

creates a risk of involvement in civil or criminal processes;
and

(B) clear evidence documenting why the applicant cannot receive appropriate treatment in his or her current environment or through less restrictive community supports. The DDS director or designee approves Greer admissions.

(2) A referral packet is submitted to the DDS director or designee and contains, when available:

(A) a physical examination within one-calendar year of referral;

(B) a list of current prescribed medications;

(C) information regarding hospitalizations in the last two-calendar years, including the reason for admission and prognosis;

(D) physician orders and progress notes up to one-calendar year;

(E) nursing notes up to one-calendar year;

(F) medical records up to one-calendar year;

(G) guardianship or legal papers;

(H) social history and recent social evaluation;

(I) psychological evaluation conducted at 16 years of age or older, by a licensed psychologist, which includes:

(i) intellectual disability diagnosis based on testing that yields a full scale intelligence quotient;

(ii) functional and or adaptive assessment; and

(iii) a statement noting the age of onset of the disability;

(J) dental records;

(K) immunization record;

(L) multi-disciplinary progress notes or assessments up to one-calendar year for:

(i) physical therapy;

(ii) occupational therapy;

(iii) speech therapy and hearing services;

(iv) nutritional services;

(v) vocational; and

(vi) educational records for enrolled students; and

(M) behavioral incident reports;

(N) direct care notes; and

(O) current Individual Plan or treatment plan to include behavioral support plans.

(c) **Admission.** Individuals considered for Greer admission are 18 years of age and older. When an applicant is 17 and a half and in need of treatment, the DDS director or designee may grant an exception to the age limit. Former Greer residents are eligible for re-admission on the same basis as individuals initially seeking services. Admission is based on a referral packet review that includes:

(1) clinical evidence of mental illness, behavioral, or emotional problems, per the current edition of the Diagnostic and Statistical Manual of Mental Disorders, revised and published by the

American Psychiatric Association;
(2) documented attempts, and reasons for failure, of techniques and supports applied in the applicant's current environment; and
(3) consideration of other available and appropriate community or Wavier services. Placement at Greer constitutes the least restrictive alternative to provide effective treatment to meet the applicant's needs when compared to other available options.

(d) **Discharge.** Greer is a short-term treatment facility and residents are transitioned out of the facility when they meet criteria to safely live in a less restrictive placement. When Greer determines a resident is stable and no longer meets criteria to remain, a discharge referral is provided to the DDS director or designee. Discharge planning includes:

- (1) a review of pertinent Greer information, including data to support progress made;
- (2) discussion with facility staff regarding community supports needed to maintain the resident's stability; and
- (3) a referral to the area DDS transition coordinators to initiate the search for potential homes in the community with necessary supports.

(e) **Post discharge activities.** Greer staff is available after discharge to consult with the individual's community personal support team.

SUBCHAPTER 13. FAMILY SUPPORT PROGRAMS

340:100-13-1. Family Support Assistance Payment Program

(a) **Scope and applicability.** Per Section 601 et seq. of Title 56 of the Oklahoma Statutes (56 O.S. § 601 et seq.), Oklahoma Family Support Act, and within the constraints of funding appropriated to Oklahoma Department of Human Services (OKDHS), Developmental Disabilities Services Division (DDSD) provides a family support assistance payment for children with severe developmental disabilities who reside in their family homes and who meet other required eligibility criteria. The family assistance payment is intended to:

- (1) keep families together;
- (2) facilitate the return of children with developmental disabilities from out-of-home placements to their families' homes; and
- (3) prevent or delay out-of-home placement of children with severe developmental disabilities who reside in their families' homes.

(b) **Eligibility criteria - child.** To receive family support assistance payment, the child must:

- (1) be younger than 18 years of age;
- (2) have mental retardation or other developmental disability per 10 O.S. § 1408;
- (3) reside with the family, per OAC 340:100-13-1(c); and
- (4) not receive services through a Home and Community-Based Services (HCBS) Waiver.

(c) **Eligibility criteria - family.** The family with whom the eligible child is residing must:

- (1) live in Oklahoma;
- (2) have an annual gross adjusted income that does not exceed \$45,000; and
- (3) be headed by a biological parent, adoptive parent, or legal guardian of the eligible child. A child living with an adoptive parent(s) who receives adoption assistance from any source is not eligible for the Family Support Assistance Payment Program.

(d) **Application.** Applications for the Family Support Assistance Payment Program are available via OKDHS county offices, DDSD area offices, and www.okdhs.org. The family making application to the Family Support Assistance Payment Program must complete and return Form 06DA031E, Family Support Assistance Payment Services Application, and required verification of information.

- (1) Form 06DA031E is:
 - (A) complete when signed with required verification attached; and
 - (B) returned to the applicant when missing information is identified.
- (2) Completed Form 06DA031E is date stamped upon receipt in the DDSD State Office or area office.
 - (A) This date establishes chronological placement on the waiting list for this program.

(B) An exception to the receipt date is described in OAC 340:100-13-1(f).

(3) The number of applications approved is determined by available funding.

(e) **Payment of family support assistance.** When Form 06DA031E is approved, a family support assistance payment:

(1) of \$250 per month for the first eligible child is paid. For families who have more than one eligible child, increments of \$50 are made for each additional eligible child with a maximum payment of \$400 per month per family home;

(2) is paid to the parent(s) or legal guardian on behalf of the eligible child;

(3) is considered a benefit to the child and is used to meet the special needs of the family associated with the eligible child; and

(4) is to complement, not supplant, public assistance or other social service benefits based on economic need that are available through governmental programs.

(f) **Out-of-home placement advanced payment.** The parent(s) or legal guardian of a child who is in an out-of-home placement at the time the application is considered may receive a one-time, lump sum advance payment of twice the monthly family support assistance amount to meet the special needs of the family in preparation for the placement or return of the child to in-home care.

(1) The child and family must meet all eligibility criteria per OAC 340:100-13-1(b) and (c), excluding (b)(3).

(2) Verification of current placement of the child is required.

(3) A written plan for the child's return home is submitted to DDS State Office before advance payment is made.

(4) Authorization for ongoing payment does not begin until DDS State Office verifies the eligible child has returned to the family home.

(g) **Continuation of payment.** Each family annually completes Form 06DA032E, Annual Review and Report, prior to the review due date that is the last day of the birth month of the eligible child.

(1) DDS sends Form 06DA032E 60 days prior to the review due date.

(2) When Form 06DA032E and requested verification are not provided by the last day of the birth month of the eligible child, the family support assistance payment for the child is terminated.

(3) When a family support assistance payment is made for more than one child in the family, the annual review due date is the birth date of the youngest child for which the assistance payment is made, unless otherwise specified.

(4) Form 06DA032E requires:

(A) reverification of the family's annual income;

(B) redetermination of disability for the child younger than seven years of age. For children seven and older, disability review is required every three years or when determined necessary by the Family Support Assistance Payment Program programs manager; and

(C) determination of how the assistance payment is used.

(h) **Relation to HCBS eligibility.** A family may not receive both HCBS and a family support assistance payment.

(1) When a child receives HCBS and applies for the family support assistance payment, DDS State Office notifies the assigned DDS case manager of the request.

(2) The assigned DDS case manager:

(A) schedules a home visit to inform the family that all services through HCBS terminate effective the month the assistance payment is approved;

(B) informs the family that when HCBS is terminated, eligibility for other services may also be affected;

(C) explains Form 06DA033E, Affidavit of Understanding Regarding Family Assistance/Home and Community Based Waiver Services; and

(D) secures the signature of the parent(s) or guardian on Form 06DA033E.

(3) When a child is on the waiting list for HCBS, the child's application status is not affected by applying for or receiving the family support assistance payment.

(4) If an eligible child is placed in specialized foster care (SFC) through HCBS and the request for advance payment is made, the family may receive the one-time advance payment while the child remains in SFC.

(A) A written plan for the child's return home is submitted to DDS State Office before advance payment is made.

(B) Authorization for ongoing payment does not begin until DDS State Office verifies the eligible child has returned to the family home and Form 06DA033E is signed.

(5) When the family chooses to terminate HCBS for the Family Support Assistance Payment Program, the family may choose to reapply for HCBS.

(i) **Required reports.** The parent(s) or legal guardian who receives a family support assistance payment reports in writing:

(1) annually, with a statement or supporting documentation that the family support assistance payment was used to meet the special needs of the family;

(2) immediately, if the parent(s) or legal guardian requests termination of the family support assistance; and

(3) immediately, upon occurrence of any event listed in OAC 340:100-13-1(j).

(j) **Termination of payment.**

(1) OKDHS notifies the family no less than ten days prior to the effective date of termination of the family support assistance payment.

(2) Family support assistance payment terminates when:

(A) the eligible child dies;

(B) the child no longer meets eligibility criteria per OAC 340:100-13-1(b);

(C) the family no longer meets eligibility criteria per OAC 340:100-13-1(c);

(D) annual reports or verifications required for continuation of the family support assistance payment are not made timely per OAC 340:100-13-1(g) and (i); or
(E) reports or verifications required to approve initial eligibility or determine continued eligibility are determined false.

(k) **Fair hearings.** The parent(s) or legal guardian of the child who is affected may request, in writing, a hearing by OKDHS, per OAC 340:2-5, within 30 days of the date on the notification of denial of an application or termination of the family support assistance payment.

(1) If the hearing is requested within ten days of the date of the notice of adverse action, the assistance payment may be continued pending the outcome of the hearing.

(A) The family must request continuation of the assistance payment on the hearing request.

(B) If the family does not indicate on the hearing request their preference for continuation of assistance payments, the payments are stopped on the effective date stated in the written notice to the family.

(2) When a hearing is requested because termination is due to aging out of the program or death of the eligible child, continuation of assistance payment is not an option pending the decision on the appeal.

(3) If assistance payment is continued and the hearing decision is not in the family's favor, a claim is made against the family for all payments received during the period between the notice of termination and hearing.

(l) **Overpayments.** If a change is not reported immediately per OAC 340:100-13-1(i)(3) and a family support assistance payment is made for which the family or child did not meet eligibility requirements, an overpayment occurs. In such instances, the family is required to repay all overpayment amounts.

SUBCHAPTER 15. DEVELOPMENTAL DISABILITIES SERVICES (DDS) PREADMISSION SCREENING AND RESIDENT REVIEW (PASRR)

340:100-15-1. Nursing facility services for members with intellectual disability or related condition

(a) The purpose of this Subchapter is to provide criteria by which Oklahoma Human Services, Developmental Disabilities Services , hereafter referred to as the Intellectual Disabilities (ID) Authority, determines the need for nursing facility services in contrast to other services and the need for specialized services for individuals with intellectual disabilities or related conditions. The provisions of this

Subchapter apply to all Medicaid certified nursing facilities and to departmental staff responsible for evaluating individuals suspected of having intellectual disabilities or related conditions receiving or seeking to receive services in Medicaid certified nursing facilities.

(b) In order for the determination to be made that an individual with intellectual disabilities or related conditions needs services only available in a nursing facility but does not need specialized services, the individual must:

(1) require licensed nursing interventions at least once daily or require licensed nursing monitoring and observation on a frequent basis daily for maintenance of health or basic life support; and

(2) meets meet one or more of the following:

(A) be in a comatose state;

(B) require convalescent care;

(C) have a terminal illness;

(D) be at least 65 years of age, unless similar aging process characteristics are evident at age 50; or

(E) have a serious medical condition which requires on-going medical care and licensed nursing intervention services monitoring or observation. These conditions include but are not limited to:

(i) neurological disorders or malformations which includes muscle wasting diseases that are progressive, dementias, hydrocephalus, meningomyelocele, brain damage secondary to birth trauma, anoxia, cardiac arrest or other causes of cerebral anoxia that are severe enough to induce a comatose state. Cerebral or peripheral nerve damage secondary to central nervous system infection or trauma or other disorders or malfunctions inconsistent with normal functioning;

(ii) pulmonary disorder, with either congenital or acquired pulmonary disorders that leave the individual unable to adequately oxygenate, therefore, requiring respiratory support;

(iii) cardiac dysfunction or malformation which includes individuals with either congenital or acquired heart disease such as myocarditis, that are in persistent or intractable heart failure, have cardiac rhythms that are life threatening, are persistently cyanotic enough to require supplemental oxygen to survive or are otherwise liable to cardiac arrest, either primarily or secondarily. These individuals are identified by a physician as being unable to survive unless immediate skilled medical and nursing intervention is available;

(iv) circulatory dysfunction which includes individuals with either hypotension or hypertension with a central or unknown etiology that require

frequent licensed nursing intervention or monitoring and medication or stimulation. It also includes individuals whose orthopedic or postural malformations require meticulous skin care;

(v) endocrine or metabolic disorder which includes individuals with hypothyroidism or hyperthyroidism, or diabetes with its associated problems including, but not limited to, circulation, skin care, infection, etc., aminoaciduria with secondary intellectual disabilities, glycogen storage disease or other abnormalities of lipid metabolism, and other genetic disorders limiting normal metabolism;

(vi) gastrointestinal disorder or malfunction which includes individuals with primary or secondary disorders of absorption of normal nutrients and vitamins that do not allow adequate calorie sustenance without supplementation by artificial means, those with congenital malformations of the gastrointestinal tract that require, despite surgical intervention, continuing supplementation with special diets and those whose nutritional requirements cannot be met without intravenous supplementation; or

(vii) renal and bladder dysfunction or malformation which includes individuals with severe polycystic kidney disease, hydronephrosis, those with kidney failure secondary to either congenital malformation, trauma or infection requiring frequent intravenous supplementation, and those in whom kidney or bladder malformations require surgical externalization with need for significant nursing and other management.

(c) The individual must be determined by the ID Authority to be unable to benefit from specialized service for intellectual disabilities or related conditions.

(d) It remains the responsibility of the nursing facility to provide services to improve the physical, mental, and psychosocial development of the individual.

(e) In order for the disposition to be made that an individual with intellectual disabilities or related conditions requires nursing facility services and specialized services, the individual must:

- (1) meet the requirements in (b) of this Section; and
- (2) be determined by the ID Authority to be able to benefit from specialized services for intellectual disabilities or related conditions.

(f) In order for the disposition to be made that an individual with intellectual disabilities or related conditions does not need nursing facility services but does need specialized services the individual must;

- (1) be able to benefit from a program of specialized services for intellectual disabilities or related conditions, and

(2) not meet the criteria for nursing facility services identified in Oklahoma Administrative Code (OAC) 340:100-15-3.

(g) Long term residents meeting the criteria listed in (a) of this Section are offered a choice of remaining in the facility or of receiving services in an alternative appropriate setting.

(h) Short term residents meeting the criteria listed in (a) of this Section may not be considered appropriate for continued placement and must be discharged.

(i) The ID Authority does not make advance categorical dispositions that specialized services are needed. Such determinations are based on an extensive individualized evaluation to determine the exact nature of the specialized services that are needed. The ID Authority does make categorical determinations that nursing facility level of care is needed in the categories listed in (1) and (2) of this subsection.

(1) Individuals with a terminal illness as defined for hospice purposes are granted a categorical determination for nursing facility level of care and a negative specialized services determination by the ID Authority. Hospice criteria include late stage disease process with a life expectancy of six months or less and must be physician referred and certified.

(2) Individuals requiring convalescent care or extended hospital discharge as certified by a physician that are likely to require 30-calendar days are granted a categorical determination for nursing facility level of care and a negative specialized services determination by the ID Authority.

(j) Each individual has a unique prescriptive plan of specialized services based on professional assessments. The plan addresses identified needs and enhancement of independence. Assessments address self-care skills, communication skills, motor and mobility skills, and educational, recreational and leisure skills. The plan includes:

(1) behavioral objectives stated in measurable terms directed at skill acquisition;

(2) identification of additional services and supports necessary for skill acquisition to occur such as:

(A) adaptive, corrective, orthotic, mobility, and other types of equipment and devices;

(B) specific nursing care plan objectives relative to significant medical condition;

(C) Identification of persons responsible for service needs external to the facility such as vocational services or counseling; and

(3) specific methods, strategies, or steps relative to the behavioral objectives to ensure consistency of training;

(4) identification of persons responsible for training, obtaining and maintaining equipment, and providing health related services; and

(5) methods of data collection.

(k) The plan must be monitored by a designated nursing facility staff member on a monthly basis to ensure that training of behavioral objectives is occurring in a consistent manner and progress is being shown, necessary equipment is available and in good repair, all

significant health issues are being addressed, and necessary modifications to the plan occur as needed.

(l) For individuals with both an intellectual disability or related condition and mental illness, individuals with dual diagnoses, a joint disposition is required from the ID Authority and Mental Illness Authorities. The Mental Illness Authority is administered through the Oklahoma Department of Mental Health and Substance Abuse Services. This disposition is based on independent assessment information from both authorities. The disposition determines which authority assumes responsibility for serving the individual or if the individual is served by both.

(m) Any individual believed to have been adversely affected by a preadmission screening and resident review disposition made in the context of either a preadmission screening or a resident review may appeal that disposition consistent with OAC 317:35-19-16.

(1) Special case determinations may be required for individuals with intellectual disabilities or a related condition(s) who would benefit from nursing facility level of care due to unusual circumstances other than medical needs.

(2) To make a special case determination ID Authority staff must:

(A) consider all factors including:

- (i) the individual circumstances presented;
- (ii) the individual's mental and emotional support needs;
- (iii) all available assessment information;
- (iv) any other relevant information; and
- (v) availability of other formal and informal supports; and

(B) provide written specific rationale in support of the exception noting the unique and individualized circumstances of the case.

SUBCHAPTER 17. EMPLOYMENT SERVICES

PART 1. GENERAL EMPLOYMENT EXPECTATIONS

340:100-17-1. Scope and applicability of employment services

The employment needs of service recipients are addressed through the prescription and implementation of services directed toward the service recipient's entry into the work force.

(1) The service recipient and a desired family member, representative, or legal guardian have an active role in identifying employment needs.

(2) All service recipients receiving employment services meet eligibility requirements as established by the Oklahoma Department of Human Services (OKDHS) or the Oklahoma Health

Care Authority (OHCA).

(3) All provider agencies meet the criteria established by federal and state regulations.

(4) Specific employment needs are determined through the team process and are documented in the Individual Plan (IP). The services provided are those necessary to meet needs identified in the IP.

(5) Employment services are coordinated with all other services provided to the service recipient.

(6) Reimbursement for employment services is provided under established rates or contract provisions approved by the Oklahoma Commission for Human Services or OHCA, within program capacities as determined by budgetary constraints.

(7) Programs are monitored on a regular basis to ensure compliance with the Fair Labor Standards Act (FLSA), as amended, and applicable contract conditions, rules, and regulations. Documentation is maintained as a basis for contract renewal.

(8) Provider agencies are informed of, and provided an opportunity to correct, deficiencies which may result in the imposition of sanctions, which may include contract termination and have the right to appeal actions taken by the Developmental Disabilities Services Division (DDSD) with which they disagree in accordance with OAC 340:100-3-27.2.

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05]

340:100-17-2. Overview of employment services

(a) In the past, people receiving services were usually either fully employed, idle, or involved in nonproductive activities. There are many employment service options available. The options given in this subsection are not a continuum, but are prioritized as most desirable by people with and without disabilities. Provider agencies assess each service recipient in maximizing employment options.

(1) The optimum goal is full-time employment at prevailing wage in business or industry at an occupation of the service recipient's choice with natural supports. If prevailing wage is not available, then employment is at minimum wage with or without paid supports.

(2) If a service recipient cannot secure enough work hours through a single job of the service recipient's choice, then two part-time jobs or a job that is not the service recipient's first preference may need to be sought to equal a full-time job.

(3) If a fully integrated placement is not currently available, employment of the service recipient's choice in an enclave in a business or industry, with or without paid supports, is an option.

(4) If there are no paid jobs to be found, temporary unpaid training or volunteer service in accordance with United States Department of Labor regulations, with or without paid supports, may be an option for the purpose of resume building or job

exploration, or temporary participation in real work in a center-based setting can be obtained.

(b) The provider agency makes available those supports needed, within the scope of the contract for services, for the service recipient to achieve employment.

(c) Employment services are prescribed in accordance with this Subchapter and OAC 340:100-3-33.1.

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05]

340:100-17-3. Selection of a primary vocational provider [REVOKED]

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Revoked at 22 Ok Reg 882, eff 5-12-05]

340:100-17-4. Data collection in Vocational Services [REVOKED]

PART 3. STATE-FUNDED EMPLOYMENT (SHELTERED WORKSHOP) SERVICES

340:100-17-10. General state-funded employment (sheltered workshop) expectations

(a) Access to state-funded (sheltered workshop) employment services is contingent upon sufficient resources and a determination of eligibility of the service recipient, per Oklahoma Administrative Code 340:100-3-1. A person is not eligible for state-funded employment services when he or she:

- (1) receives Home and Community-Based Services funded by the Oklahoma Health Care Authority; or
- (2) resides in a private intermediate care facility for individuals with intellectual disabilities (ICF/IID).

(b) State-funded (sheltered workshop) employment services are provided by private agencies that have a current contract with Oklahoma Human Services.

(c) State-funded (sheltered workshop) employment services serve eligible persons with developmental disabilities who are 16 years of age and older. Individuals between the ages of 16 and 21 who have not completed eligibility for services provided through Individuals with Disabilities Education Act (IDEA) may receive state-funded employment services during times when school is not in session, when not participating in an Individual Education Program (IEP) that includes extended school year services through the school system.

(d) The provider agency ensures service recipients participate in meaningful work-related activities for the entire service day, five hours

per day, unless determined otherwise by the service recipient's Team and justified in the Individual Plan (IP).

(e) State-funded (sheltered workshop) employment services include:

- (1) evaluation;
- (2) training;
- (3) supportive assistance; and
- (4) paid employment.

(f) The services allow the service recipient to engage in meaningful work or participate in training activities that are age appropriate, work related, and consistent with the service recipient's IP.

(1) The work day is devoted to paid employment, evaluation, or specific job task activities for which the service recipient is remunerated per the United States Department of Labor Wage and Hour regulations and the Fair Labor Standards Act.

(2) During periods in which no paid work is available for service recipients, despite the good faith efforts of the provider to secure such work, the employment provider agency ensures that each service recipient participates in training activities that are age appropriate, work related, and consistent with the IP. Such activities may include, but are not limited to:

- (A) resume development and application writing;
- (B) work attire selection;
- (C) job interview training and practice;
- (D) job safety and evacuation training;
- (E) personal or social skills training; and
- (F) stamina and wellness classes.

(3) Activities that do not contribute to the service recipient's work experience, skills, or knowledge are not appropriate services.

(g) The provider agency submits a monthly attendance record to DDS to receive payment for state-funded employment (sheltered workshop) services. Claims for services rendered to service recipients must be submitted within 90-calendar days of the provision of services. Supporting encumbrances may be canceled upon a lapse of six months from the actual provision of services.

(h) The provider agency maintains documentation available for review that documents the:

- (1) service recipient's:
 - (A) legal name;
 - (B) case number or Social Security number;
 - (C) date of birth;
 - (D) progress toward outcomes;
 - (E) wages earned; and
 - (F) hours worked;
- (2) type of service provided; and
- (3) date(s) of service delivery.

340:100-17-11. Changing vocational providers [REVOKED]

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Revoked at 22 Ok Reg 882, eff 5-12-05]

340:100-17-12. Termination of state funded employment (sheltered workshop) services to a service recipient

(a) An employment provider may terminate state funded sheltered workshop services for the:

- (1) service recipient's safety;
- (2) safety of other service recipients; or
- (3) service recipient's chronic and consistent violation of workplace rules.

(b) Termination occurs only after:

- (1) systematic programmatic supports to resolve the problem(s) have proven unsuccessful; and
- (2) the termination has been discussed by the service recipient's Team.

(c) Termination of services must be consistent with the provider agency's policies regarding terminations and due process.

(d) Termination of employment services to a service recipient requires proper notification.

(1) The service recipient and legal guardian or advocate are notified in writing of specific violations and of the provider agency's grievance procedure.

(A) Termination of employment services is preceded by a minimum written notice of 30 days.

(B) The 30-day notice requirement does not apply when:

- (i) an emergency termination is mandated by the service recipient's health care needs; or
- (ii) the termination is necessary due to imminent risk to the lives or health of other service recipients as documented in the service recipient's record.

(2) Termination occurs only after reasonable attempts have been made to resolve the issue(s). Attempts to reconcile concerns are documented in the service recipient's record.

(e) Terminations or proposed terminations may be reviewed by the Oklahoma Department of Human Services (OKDHS) to determine compliance with this Section.

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05]

340:100-17-13. Physical plant expectations for state-funded employment services (sheltered workshops)

(a) The physical facilities present no hazards to the safety and welfare of service recipients and assure a degree of comfort sufficient to ensure the well-being of service recipients.

- (b) Ventilation is provided, and the air is circulated to assure an environment that does not jeopardize the health or safety of service recipients.
- (c) The premises have the general appearance of similar businesses.
- (d) The premises are kept:
 - (1) clean;
 - (2) neat; and
 - (3) free from accumulated rubbish, weeds, ponded water, or other characteristics of a similar nature, which would create a health hazard.
- (e) The physical facilities comply with all applicable Occupational Safety and Health Administration (OSHA) and United States Department of Labor regulations.
- (f) The physical facilities are accessible to service recipients and comply with the requirements of the Architectural Barriers Act of 1968, the Uniform Accessibility Standards and their implementing regulations in Subpart 101-19 of Part 101 of Title 41 of the Code of Federal Regulations, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973.

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05]

340:100-17-14. Personnel expectations for state-funded employment (sheltered workshop)

- (a) The agency providing state-funded employment (sheltered workshop) services employs sufficient personnel who are appropriately qualified and trained to provide the essential employment services to service recipients as described in each Individual Plan (IP).
- (b) There is one person who is administratively responsible for the entire program.
- (c) All staff have completed the required training as specified by OAC 340:100-3-38 as well as additional specific training requirements identified in the service recipients' IPs.
- (d) Service recipients do not supervise other service recipients.

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05]

340:100-17-15. Requirements for agencies providing state-funded employment (sheltered workshop) services

- (a) State-funded employment services provider agencies comply with all applicable United States Department of Labor rules and regulations that govern the employment of workers with disabilities under special certificates.
- (b) Within the first 30 days of service delivery, the provider agency ensures that all service recipients have an individualized employment assessment represented in the Individual Plan (IP) specifying short term and long term employment outcomes and action steps. The IP is reviewed and updated at least annually.

(c) The provider agency has a clearly articulated mission statement and promulgates policy and procedures consistent with the Oklahoma Department of Human Services (OKDHS) policies regarding:

- (1) services and programs;
- (2) service recipient rights;
- (3) grievances and appeals;
- (4) involuntary discharge and due process;
- (5) confidentiality;
- (6) abuse and neglect prevention and reporting; and
- (7) advocacy.

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05]

340:100-17-16. State-funded employment (sheltered workshop) reimbursement

Agencies providing state-funded employment (sheltered workshop) services for eligible service recipients receive a flat daily rate.

(1) When a service recipient is unable to work five hours per day, the provider agency may receive prorated reimbursement when recommended by the service recipient's Personal Support Team (Team). Team review and approval is documented in the Individual Plan (IP). When a service recipient is unable to participate a full five hours, other eligible service recipients can fill the balance of the work day.

(2) State-funded employment services for eligible service recipients must be included in the service recipient's IP.

(3) Payment is only disbursed following the delivery of authorized services to eligible service recipients.

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05 ; Amended at 36 Ok Reg 1880, eff 9-16-19]

340:100-17-17. Billing for state-funded employment (sheltered workshop) services [REVOKED]

[Source: Added at 15 Ok Reg 1309, eff 2-25-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 22 Ok Reg 882, eff 5-12-05 ; Amended at 25 Ok Reg 986, eff 5-15-08 ; Revoked at 38 Ok Reg 2317, eff 9-15-21]

PART 4. COMMUNITY INTEGRATED EMPLOYMENT SERVICES

340:100-17-25. Community integrated employment services

(a) Community integrated employment (CIE) services promote independence through paid work and training activities. CIE services allow service recipients to engage in gainful integrated employment. CIE services are:

- (1) delivered in integrated settings in the community by contract providers;

(2) provided to eligible service recipients 16 years of age and older who are not:

(A) eligible for reimbursement by Oklahoma Health Care Authority through Home and Community-Based Services Waiver employment services; or

(B) residing in a private intermediate care facility for individuals with intellectual disabilities; and

(3) available to service recipients 16 to 21 years of age who have not completed eligibility for services provided through Individuals with Disabilities Education Act. The service recipient may receive CIE services when school is not in session, when he or she is not participating in an Individual Education Program that includes extended school year services through his or her school.

(b) Access to CIE services is contingent upon sufficient Oklahoma Human Services (OKDHS) resources and written eligibility determination, per OAC 340:100-3-1.

(c) The provider agency:

(1) may use, prior to placement, up to 20 hours for assessment and up to 40 hours for job development;

(2) after placement, provides, as needed, job site training, technical assistance to the employer, job adaptation, participation in Personal Support Team meetings, benefits planning, and transportation to and from the work site. These services are reimbursed when the job coach is with the service recipient;

(3) ensures the service recipient is paid per United States Department of Labor (USDOL) wage and hour regulations for work performed;

(4) ensures the service recipient's employment plan includes specific employment outcomes and action steps;

(5) ensures all CIE services are provided by job coaches who complete required training, per OAC 340:100-3-38;

(6) may bill for CIE services rendered prior to eligibility determination when CIE services are authorized in an employment plan and the service recipient is ultimately determined eligible; and

(7) receives reimbursement for providing CIE services to only one service recipient at a given time. This does not preclude CIE services from being provided to service recipients in group settings, such as one job coach simultaneously providing CIE services to three service recipients for three hours, in this case, the job coach may only claim three reimbursement units, not nine.

(d) CIE services include reimbursement for securing individual gainful employment, individual follow-along, and group placements.

(1) The provider agency secures gainful employment in a job paying at least minimum wage for service recipients, in accordance with the current contract for CIE services.

(2) Follow-along services are available to service recipients who successfully placed in CIE services or who completed stabilization in Oklahoma Department of Rehabilitation Services supported employment program during the prior contract year.

Reimbursement for follow-along services cannot exceed amounts

specified in the contract for CIE services.

(3) The provider agency may provide integrated group placements of two or more service recipients in gainful integrated group employment and claim per the contract for CIE services. Group placements:

(A) may pay at or more than minimum wage or commensurate wages per USDOL wage and hour regulations; and

(B) cannot exceed eight service recipients.

(e) Payment for CIE services is only disbursed following the delivery of authorized CIE service to eligible service recipients.

(1) To receive payment, the provider agency submits a claim for CIE services rendered , along with any supporting documentation required by OKDHS, to the Developmental Disabilities Services State Office. Claims may be submitted on the provider agency's invoice or on Form 10AD012E, Claim Form, and include the:

(A) service recipient's:

- (i) legal name;
- (ii) case number;
- (iii) date of birth; and
- (iv) Social Security number; and

(B) category, amount, rate, and date of CIE service delivered to the service recipient.

(2) The provider agency maintains documentation available for review that documents the:

(A) service recipient's:

- (i) legal name;
- (ii) case number or Social Security number;
- (iii) date of birth;
- (iv) progress toward outcomes;
- (v) wages earned; and
- (vi) hours worked; and

(B) type and date of CIE service delivered to the service recipient.

(3) Claims for CIE service reimbursement are submitted within 90-calendar days of service provision. Supporting encumbrances may be cancelled upon a lapse of six months from the actual provision of CIE services.

PART 5. OTHER STATE FUNDED EMPLOYMENT SERVICES [REVOKED]

340:100-17-30. Other state funded employment services [REVOKED]

[Source: Added at 15 Ok Reg 1309, eff 3-1-98 (emergency); Added at 16 Ok Reg 1056, eff 4-26-99 ; Amended at 24 Ok Reg 1046, eff 5-11-07 ; Amended at 26 Ok Reg 922, eff 5-15-09 ; Amended at 27 Ok Reg 838, eff 7-1-10 ; Revoked at 36 Ok Reg 1880, eff 9-16-19]

SUBCHAPTER 18. LICENSING

340:100-18-1. Board Certified Behavior Analyst (BCBA) license and Board Certified Assistant Behavior Analyst (BCaBA) certification

(a) **Authority.** Section 1928 of Title 59 of the Oklahoma Statutes (59 O.S. § 1928) directs Oklahoma Human Services (OKDHS) Developmental Disabilities Services (DDS) to provide for licensing of BCBA's and certification of BCaBA's.

(b) **Definitions.** The following words and terms, when used in this Subchapter, shall have the following meanings, unless the context clearly indicates otherwise:

(1) **"Applied behavior analysis"** means the process of systematically applying interventions based upon the principles of learning theory to improve socially significant behaviors to a meaningful degree, and to demonstrate that the interventions employed are responsible for the improvement in behavior.

(2) **"Behavior Analyst Certification Board (BACB)"** means the national-accrediting Behavior Analyst Certification Board or its successor.

(3) **"Board Certified Assistant Behavior Analyst (BCaBA)"** means an individual who is certified by the BACB as a Board Certified Assistant Behavior Analyst and practices under the close, ongoing supervision of a BCBA .

(4) **"Board Certified Behavior Analyst (BCBA)"** means an individual who is certified by the BACB as a Board Certified Behavior Analyst .

(5) **"Human services professional"** means an individual licensed or certified in Oklahoma as a licensed:

(A) physical therapist or physical therapist assistant;

(B) occupational therapist or occupational therapist assistant;

(C) clinical social worker;

(D) masters social worker;

(E) social work associate;

(F) psychologist or health service psychologist;

(G) speech pathologist;

(H) audiologist;

(I) professional counselor or professional counselor candidate;

(J) marital and family therapist or marital and family therapist candidate; or

(K) behavioral practitioner or behavioral practitioner candidate.

(6) "**Oklahoma Certified Assistant Behavior Analyst (OCABA)**" means a BCaBA who is certified by OLBAB under authority of OKDHS DDS to provide applied behavior analysis services in Oklahoma.

(7) "**Oklahoma Licensed Behavior Analyst Board (OLBAB)**" means the state board responsible for licensing behavior analysts, certifying assistant behavior analysts and regulating the practice of applied behavior analysis professionals.

(8) "**Oklahoma Licensed Behavior Analyst (OLBA)**" means a BCBA who is licensed by OLBAB under authority of OKDHS DDS to provide applied behavior analysis services in Oklahoma.

(9) "**Registered behavior technician (RBT)**" means a paraprofessional who is certified by the BACB and practices under the close, ongoing supervision of a BCBA. The RBT works under the license number of a BCBA and is primarily responsible for the direct implementation of BCBA designed and prescribed behavior-analytic services.

(10) "**Supervisee**" means a BCaBA, RBT, or Behavior Analyst in training who acts under the authority and supervision of a BCBA to provide applied behavior analysis services or a BCaBA or RBT candidate in training to provide such services in accordance with the requirements and procedures of the BACB.

(A) The supervisee does not design intervention or assessment plans but may assist the BCBA performing those tasks to the extent the BACB allows. It is the supervising BCBA's responsibility to determine which other tasks the supervisee may perform as a function of his or her training, experience, and competence.

(B) The BCBA is responsible for the supervisee's work on the cases he or she is overseeing.

(C) A BCBA, BCaBA, RBT or Behavior Analyst in training as a guardian or parent, may not provide services to his or her own child or ward.

(11) "**Supervision**" means at least two face-to-face, real time contacts with at least one occurring during the provision of service by a BCBA, BCaBA, RBT or Behavior Analyst in training.

(c) Qualifications.

(1) Each person wishing to practice as a BCBA or BCaBA in Oklahoma applies to DDS using Form 06LC001E, Application for BCBA License and BCaBA Certification, and furnishes evidence that he or she:

(A) passed the Board examination and is certified by the BACB as a BCBA or as a BCaBA, as applicable; and

(B) has not had a professional license or state certification refused, revoked, suspended, or restricted and does not have a complaint, allegation, or investigation pending in any regulatory jurisdiction in the United States or in another country for reasons that relate to unprofessional conduct unless DDS finds that the conduct was corrected or that mitigating circumstances exist that prevent resolution.

(2) No person may claim the title of or hold himself or herself out as being an OLBA or OCABA unless he or she meets the applicable requirements and obtains a license or certification, per this Section.

(A) Supervisees provide applied behavior analysis under the supervision of an OLBA.

(B) This Section does not restrict the practice of applied behavior analysis by human services professionals, provided such individuals are working within the scope of their professions and the practice of applied behavior analysis is commensurate with their level of training and experience and provided such professionals do not hold themselves out as being an OLBA, OCABA, BCBA, or BCaBA if they do not possess such credentials.

(C) This Section does not prohibit the practice of applied behavior analysis by a family member, guardian or caregiver of a person implementing a plan for that person acting under the extended authority and direction of an OLBA or OCABA.

(D) This Section does not apply to persons employed by a school district who provide services solely to the school district under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C., Section 1400 et seq., provided they do not claim the title of an OLBA, OCABA, BCBA, BCaBA, or RBT unless they are in compliance with the requirements for the RBT as promulgated and administered by the BACB.

(E) OKDHS Legal Services may file and seek injunctive relief against any person who wrongfully holds himself or herself out as an OLBA, OCABA, BCBA, or BCaBA, and does not in fact meet the applicable requirements set forth above, or who is not licensed or certified as this policy requires. The injunctive relief set forth in this Section is filed in the district court for any county wherein which the person holding himself or herself out as an OLBA, OCABA, BCBA or BCaBA.

(F) The term supervisee includes:

(i) a matriculated graduate student or postdoctoral fellow whose activities are part of a defined behavior analysis program of study, practicum, or intensive practicum, provided that the practice under this exemption is directly supervised by a licensed behavior analyst in this state or an instructor in a course sequence approved by the certifying entity; or

(ii) an unlicensed individual pursuing experience in behavior analysis consistent with the experience requirements of the certifying entity, provided such experience is supervised by a licensed behavior analyst in the state.

(H) A violation of this subsection is punishable by a fine of not more than \$500, the suspension or revocation of a license or certification issued per this Section, or both fine, and loss of licensure or certification.

(d) **Application.** Oklahoma licenses and certificates are issued for two-year terms following the initial OLBAB certification period.

(1) **Licensure.** A person requesting licensure provides for:

(A) an initial request:

- (i) a current copy of BACB certification; and
- (ii) Form 06LC001E;

(B) a renewal:

- (i) a current copy of BACB certification; and
- (ii) Form 06LC001E.

(2) **Certification.** A person requesting certification provides for:

(A) an initial request:

- (i) a current copy of BACB certification; and
- (ii) Form 06LC001E;

(B) re-certification:

- (i) a current copy of BACB certification; and
- (ii) Form 06LC001E.

(3) **Post-military personnel.** Pursuant to the Post-Military Service Occupation, Education and Credentialing Act, 59 O.S. § 4100.1, issuance of an Oklahoma license or certificate to post-military service members and spouses is expedited upon receipt of required application materials and verification of BACB certification.

(4) **Temporary License.** OLBAB may issue a temporary license to practice behavior analysis in Oklahoma for 30-calendar days or less in a calendar year. For a temporary license to be issued, the person must be licensed to practice behavior analysis in another state whose requirements are substantially equivalent to Oklahoma requirements, per 59 O.S. § 1928(B) and this Section.

(5) **Licensure Requirements.** OLBAB may issue a license to a person who:

- (A) holds a valid license or certificate from another state;
- (B) meets the requirements specified in 59 O.S. § 1928(B) and this Section;
- (C) meets any additional licensing requirements contained in administrative regulation promulgated by OLBAB; and
- (D) has no imposed or pending disciplinary actions.

(e) **Licensure and certification.** A person licensed or certified :

- (1) maintain active status and fulfill all requirements of certification or recertification with the BACB;
- (2) conduct professional activities in accordance with the ethical and professional standards of the BACB available on its website at www.bacb.com; and
- (3) applies for license or certification renewal on or before April 30 of each odd-numbered year to continue practicing in Oklahoma.

(f) **Fees.**

- (1) OLBA licensure fees:

(A) for initial licensing are pro-rated on a rounded average of \$50 for each full- calendar year remaining on the BACB certification; and

(B) \$100 for each two-year license thereafter.

(2) OCABA certification fees:

(A) for initial certification are pro-rated on a rounded average of \$25 for each full-calendar year remaining on the BACB certification; and

(B) \$50 for each two-year certification thereafter.

(g) **Requirements of supervision.** An OCABA or RBT works under the supervision of an OLBA. The OLBA follows the supervision guidelines of the BACB.

(h) **OLBAB.**

(1) OLBAB has at least five members consisting of:

(A) at least three OLBAs appointed by the OKDHS Director or designee, one of whom may be employed by OKDHS, and two who are recommended by the:

(i) largest nonprofit professional association for behavior analysts in the state; or

(ii) OLBAB;

(B) at least one OCABA or RBT who may be employed by OKDHS appointed to the OLBAB by the OKDHS Director or designee; and

(C) one member of the public who is, or in the last five years has been, a consumer of behavior analytic services, or family member of a consumer of behavior analytic services provided or supervised by an OLBA.

(2) The OKDHS Director or designee appoints the chair of OLBAB .

(3) Upon OLBAB's request or at the Director's own determination, and before an OLBAB member's term expires, the OKDHS Director or designee may remove an OLBAB member for malfeasance, neglect of duty, or incompetency, or revoke or suspend the member's license.

(4) If an OLBAB member resigns appointment, or a board seat is otherwise vacated prior to completion of term, the OKDHS Director or designee appoints a replacement member to complete the term.

(5) The OKDHS Director or designee may reappoint OLBAB members for additional two year terms.

(6) DDS staff provides administrative support of the OLBAB.

(7) OLBAB meets a minimum of four times per calendar year. All meetings are subject to the Open Meetings Act, per 25 O.S. § 301-314.

(8) Travel expenses for members of OLBAB are reimbursed, per 74 O.S. § 500.4.

(9) Money received for the licensure or certification of behavior analysts and assistant behavior analysts, and any penalties, fines, appropriations, gifts, grants or donations received for purposes relating to the duties of OLBAB are deposited in a fund and are used exclusively for OLBAB operations and administration of 59

O.S. § 1928.

(10) Each new member of OLBAB completes orientation training provided by DDS within 60 calendar days after his or her appointment to OLBAB. Orientation includes, but is not limited to:

- (A) the purpose of OLBAB and the duties of OLBAB members; and
- (B) any applicable laws and regulations including the provisions of the governing law and regulations of OLBAB, administrative hearing requirements, confidentiality requirements, complaint investigation, and disposition procedures.

(11) Appointees to OLBAB are free of conflict of interest in performing the duties of OLBAB. OLBAB Members adhere to the ethical standards of OKDHS in executing duties of OLBAB. No OLBAB member participates in any matter before OLBAB in which the member has a pecuniary interest or other conflict of interest.

(12) OLBAB maintains a list of all persons licensed or certified to provide behavior analytic services in Oklahoma and provides copies to interested persons upon written request.

(i) Ethics.

(1) Any person licensed or certified by DDS as either an OLBA or OCABA reports to OLBAB within five-business days of any sanction, denial of initial or renewal certification, revocation, suspension, or any other limitation of license or certification or combination of BACB sanctions. When a person loses BACB licensure or certification for any reason, he or she immediately forfeits the Oklahoma license or certification and must notify OLBAB within five-business days of such BACB action and immediately stops providing BCBA or BCaBA services in Oklahoma.

(2) All persons licensed or certified, per 59 O.S. § 1928(D)(2), complies with the BACB Standards for Supervision and Ethics Code for Behavior Analysts, and OLBAB may investigate any complaints and impose sanctions for any violations of these provisions or the applicable BACB ethics and supervision requirements in effect at the time of the relevant conduct or occurrence.

(3) Grounds for disciplinary action including denial, suspension, forfeiture, or non-renewal of a license or certification for practice in Oklahoma. Other disciplinary or remedial action include:

- (A) obtaining or attempting to obtain a license or certification by making a false or misleading statement, failure to make a required statement, or fraud or deceit in any communication to OLBAB;
- (B) violations of the BACB professional and ethical compliance codes;
- (C) aiding and abetting the unlawful practice of behavior analysis;

(D) failing to cooperate with or respond promptly, completely, and honestly to OLBAB requests in connection with licensing, certifying, investigative, or disciplinary activities;

(E) gross or repeated negligence, incompetence, misconduct, or malpractice in professional work including, but not limited to:

(i) any physical or mental condition that currently impairs competent professional performance or poses a substantial risk to the recipient of behavior analysis services;

(ii) professional conduct that constitutes an extreme and unjustified deviation from the customary standard of practice accepted in the applied behavior analytic community and creates a serious risk of harm to or deception of service recipients;

(iii) abandonment of a service recipient resulting in the termination of imminently needed care without adequate notice or provision for transition;

(iv) professional record keeping or data collection that constitutes an extreme and unjustified deviation from the customary standard of practice for the field, or deceptively altering service recipient's records or data;

(v) engaging in blatant fraud, deception, misrepresentation, false promise or pretense, intimidation in the practice of applied behavior analysis, or in solicitation of service recipients; or

(vi) the unauthorized material disclosure of confidential service recipient information;

(F) limitation, sanction, revocation, or suspension by a health care organization, professional organization, or other private or governmental body, relating to behavior analysis practice, public health or safety, or behavior analysis certification;

(G) any conviction of a felony or misdemeanor directly relating to behavior analysis practice or public health or safety; or

(H) failure to adequately supervise or be supervised in accordance with the BACB Standards for Supervision.

(4) Applicants and persons holding a current license or certificate report to the OLBAB within 30-calendar days of occurrence:

(A) a change in name, address, or other vital information;

(B) the filing of any criminal or civil charges;

(C) the initiation of any disciplinary charges, investigations, findings, or sanctions by a health care organization, federal or state agency, or other professional association; and

(D) any other change in information provided by the applicant or person holding a current license or

certificate .

(5) RBTs providing services in Oklahoma abide by the BACPs RBT Ethics Code. When OLBAB becomes aware of a potential code violation, a referral is made to the BACB that has the responsibility for investigating and initiating disciplinary action, when determined necessary.

(j) **Complaint investigation.** All complaints regarding unprofessional conduct of a BCBA or BCaBA are submitted to OLBAB in writing. The DDS Quality Assurance programs administrator assists with investigations upon request and reports any findings to the OLBAB for action.

(1) A complaint is defined as the receipt of any information by OLBAB indicating that there may be grounds for disciplinary action against a licensed behavior analyst or a licensed assistant behavior analyst, an individual claiming to be a licensed behavior analyst or a certified assistant behavior analyst, or an individual practicing without a license or certificate.

(2) Complaints may be initiated by any person or by OLBAB on its own initiative.

(3) Complaints sent to OLBAB:

(A) are addressed as confidential;

(B) are in writing;

(C) clearly identify the person against whom the complaint is being made;

(D) contain the date;

(E) identify, by signature, the person initiating the complaint; and

(F) contain a clear and concise statement of the facts giving rise to the complaint.

(4) At the next regularly scheduled meeting of OLBAB, or as soon as practicable, OLBAB determines whether the complaint warrants further investigation.

(5) If OLBAB determines that a complaint warrants further investigation, OLBAB notifies the licensee or applicant against whom the complaint has been made by certified mail. The notice includes a:

(A) notice that a complaint has been filed;

(B) statement of the nature of the complaint;

(C) reference to the particular Section(s) of the statutes, administrative code, or ethical standards that may be involved; and

(D) request for cooperation in obtaining a full understanding of the circumstances.

(6) The respondent provides OLBAB a written response to the initiating complaint within 30-calendar days.

(7) During the investigation phase, OLBAB may communicate with the complainant and the respondent in an effort to seek resolution of the complaint without a formal hearing.

(8) If a satisfactory resolution cannot be identified in the investigation phase, or OLBAB determines that the circumstances may warrant the denial, revocation, or suspension of a license,

OLBAB initiates a formal hearing. The purpose of the hearing is to determine:

(A) if the respondent committed certain acts or omissions and whether those acts or omissions violated one or more of the following:

- (i) 59 O.S. § 1928;
- (ii) the professional and ethical compliance code for behavior analysts of the certifying entity; or
- (iii) prior conditions OLBAB imposed regarding the respondent; and

(B) appropriate disciplinary action.

(9) Upon final resolution of a complaint submitted pursuant to this process, OLBAB notifies the complainant and respondent of the outcome of OLBAB's actions.

(10) OLBAB has the authority to determine that a formal hearing should be initiated immediately on any complaint.

(k) **Sanctions.** OLBAB determines sanctions.

(1) After notice to the respondent, and an opportunity for a hearing conducted before a majority of OLBAB members, OLBAB may:

- (A) refuse to license or certify any applicant;
 - (B) refuse to renew the license or certificate of any person;
 - (C) suspend or revoke or place on probation the license or certificate of any person;
 - (D) impose restrictions on the scope of practice or conditions of practice, including additional supervisory requirements, professional education, treatment requirements or physical or mental examination requirements or other practice conditions or limitations of any person;
 - (E) issue a letter of censure to any person;
 - (F) issue an administrative reprimand to any person;
 - (G) issue a written or verbal admonishment to any person;
- or
- (H) impose fines for violations, not to exceed \$500.

(2) OLBAB may temporarily suspend a license or certificate prior to the hearing referenced in (j)(8). If OLBAB determines the licensee poses a substantial risk to the individual or individuals receiving applied behavior analysis services. The temporary suspension remains effective until the:

- (A) hearing referenced in (j)(8) is conducted; or
- (B) matter is otherwise resolved prior to the hearing as set forth in Section (j)(8) of this rule.

SUBCHAPTER 1. AGING SERVICES DIVISION

340:105-1-1. Purpose

The purpose of this Chapter is to describe the programs of Aging Services Division of the Department of Human Services.

[**Source:** Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-1-2. Overall responsibility

The responsibility of Aging Services Division (ASD) of the Oklahoma Department of Human Services is to administer Title III of the Older Americans Act of 1965, as amended, and the Safe, Accountable, Flexible, and Efficient Transportation Equity Act - A Legacy for Users (SAFETEA-LU), Section 5310 of the Federal Transit Administration, as amended under Section 5310(a)(2) of Title 49 of the United States Code.

- (1) ASD is designated by the Governor and the Oklahoma State Legislature as the sole state agency for administering the Older Americans Act and the SAFETEA-LU programs in Oklahoma.
- (2) ASD places special emphasis on serving older persons in the greatest social and economic need and in promoting services that avoid unnecessary institutionalization of older persons, allowing them to remain in their own homes and preserving their independence and personal dignity.

[**Source:** Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-1-3. Background

The Oklahoma Department of Human Services (OKDHS) set up the Special Unit on Aging in 1963, by executive order of Governor Bellmon, to work with local groups to extend already existing programs and develop new services for older Oklahomans.

- (1) After Congress established the Administration on Aging to administer the Older Americans Act (OAA) of 1965, the Governor designated the OKDHS Special Unit on Aging, now called Aging Services Division (ASD), as the sole state agency to implement Title III of the OAA, coordinate state programs and activities related to the purposes of the OAA, and receive and administer funds made available to the state.
- (2) Amendments in 1972 authorized the Nutrition Program for the Elderly, then Title VII of the OAA, which provided funding for congregate nutrition programs, home delivered meals, nutrition education, and outreach services.
- (3) Amendments in 1973 resulted in the division of the state into planning and service areas and the designation of Area Agencies

on Aging (AAAs) within these planning and service areas. A three tiered system of federal, state, and local entities is referred to as the aging network.

(4) Amendments in 1975 designated transportation services, home services, legal services, and home repair and renovation services as priority services.

(5) Amendments in 1978 consolidated Title III, regarding social services; Title V, regarding senior centers; and Title VII, regarding nutrition services. Separate authorizations within Title III provided for social services, including senior centers, congregate meals, and home delivered meals. The 1978 amendments placed increased emphasis upon advocacy for older persons and more assertive involvement in the area of long-term care.

(6) In May 1975 the OKDHS Special Unit on Aging was designated to administer Section 16(b)(2) of the Urban Mass Transportation Act as amended by Public Law 93-87, now the Safe, Accountable, Flexible, and Efficient Transportation Equity Act - A Legacy for Users (SAFETEA-LU), Section 5310 of the Federal Transit Administration, which provides capital assistance to private non-profit organizations for the special transportation needs of older persons and persons with disabilities in areas of the state where existing or proposed services of public and private transit operators are not adequate.

(7) Amendments in 1984 emphasized that states and AAAs give particular attention to the needs of low income and minority older persons.

(8) Amendments in 1987 added separate authorizations of appropriations for several new programs, including disease prevention and health promotion services, in-home services for frail older persons, and prevention of elder abuse, neglect, and exploitation; and increased protections and visibility for the State Long-Term Care Ombudsman Program.

(9) Amendments in 1992 restructured the OAA to create a new Title VII designated to consolidate and expand programs that focus on protection of the rights of vulnerable older persons.

(10) The 2000 amendments consolidated programs under Part B, Supportive Services, retained the targeting provision for low income minorities and added focus on older persons residing in rural areas, and added the National Family Caregiver Support Program as a means of addressing growing needs of the nation's caregivers.

340:105-1-4. Aging Services (AS) responsibilities

(a) **Objective.** The AS objective is to assist older Oklahomans secure and maintain economic and personal independence and dignity by working toward a comprehensive and coordinated system of delivery of services.

(b) **Responsibilities.** Specific responsibilities are to:

- (1) ensure the proper and efficient administration of programs administered by AS;
- (2) provide fiscal support and technical assistance for programs administered by AS;
- (3) develop and implement a State Plan on Aging with the assistance of the State Council on Aging;
- (4) provide consultation and assistance to agencies and individuals in developing services for older Oklahomans;
- (5) conduct studies and assessments to determine needs of older Oklahomans;
- (6) serve as a clearinghouse for information and ideas pertinent to older Oklahomans;
- (7) improve coordination among federal, state, and local agencies;
- (8) inform the public about the needs of older Oklahomans; and
- (9) enlist support and resources within the private sector to assist the aging network to provide needed services to older Oklahomans, and technical assistance in services development and delivery.

(c) **Cross reference.** Oklahoma Administrative Code 340:105-10-13.

[Source: Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 38 Ok Reg 2337, eff 9-15-21]

340:105-1-5. Description of programs administered

(a) **Title III - General description of Aging Services Division (ASD) responsibilities.** Under Title III of the Older Americans Act (OAA), as amended, ASD provides funding to 11 Area Agencies on Aging (AAAs) for administration of certain direct services and for the planning, development, and implementation of a variety of services to older persons by means of grants or contracts between the AAAs and local private or public organizations. The AAA is responsible for monitoring and evaluating the performance of the grantee and contractor on a regular and continuous basis to ensure adequate performance and compliance with applicable standards.

(1) The performance of a project is evaluated by measuring actual project achievements or accomplishments in comparison to goals and objectives set forth in project grants or contracts, using standard assessment tools, and evaluating project compliance with applicable regulations and policies.

(2) ASD monitors and evaluates AAA performance in a similar manner, using standard assessment tools and compliance with applicable policies and procedures to ensure satisfactory progress toward and completion of Area Plan goals and objectives. ASD reviews funded projects on a regular basis as a part of its responsibility under Title III of the OAA.

(b) **Title III-B, supportive services.** Supportive services are designed to maximize the informal support provided by caregivers and to enhance the capacity of older persons to remain self-sufficient. Supportive services funding leverages resources to provide home- and community-based care. Supportive services fall under three broad categories:

- (1) access services such as transportation, outreach, information and assistance, and case management;
- (2) in-home services, including supportive services for families of older persons who are victims of Alzheimer's disease and related disorders with neurological and organic brain dysfunction; and
- (3) legal assistance.

(c) **Title III-C, nutrition services.** Nutrition services are provided under congregate nutrition services, Part C-1 of OAA and home delivered nutrition services, Part C-2 of OAA. The two services are targeted to different populations of older persons. Meals are the primary service provided. Ancillary services include nutrition education, counseling, and outreach.

- (1) Meals must comply with the Dietary Guidelines for Americans and provide at least 33 percent of the recommended dietary allowances in each meal served.
- (2) Service providers are encouraged to expand meals service to more than one meal per day and more than five days a week to those persons with increased needs.
- (3) Older participants are not charged a fee, but are encouraged to contribute through volunteering and financial donations to help defray the cost of services.
- (4) Financial contributions are used by local projects to expand services.
- (5) Volunteers perform essential tasks such as delivering meals and record keeping. (6) Nutrition intervention and nutrition services provide programs based on individual needs to ensure older persons remain in their homes and communities.

(d) **Title III-D, disease prevention and health promotion services.** Title III-D funds are used to leverage other resources to increase public understanding of how healthy lifestyle choices throughout life reduce the risk of chronic health conditions in later years. AAAs allocate funds to organizations, such as public health, education, community-based agencies, hospitals and medical institutions, and senior centers. Title III-D funds provide programs and services, including:

- (1) routine health screening;
- (2) physical fitness programs;
- (3) health promotion programs on chronic disabling conditions;
- (4) nutrition screening and educational services on preventive health services;
- (5) health risk assessments or information on age related diseases and chronic disabling conditions;
- (6) mental health screening, education, and referral;
- (7) home injury control services;
- (8) counseling regarding social services and follow up health services; and
- (9) gerontological counseling.

(e) **Title III-E, National Family Caregiver Support Program.** The National Family Caregiver Support Program defines eligible caregivers as family caregivers of older adults and grandparents or relative caregivers of children not older than 18 years of age. The AAAs make grants to local community service providers to support family caregivers

through services that include:

- (1) information to caregivers about available services;
- (2) assistance to caregivers in gaining access to supportive services;
- (3) individual counseling, support groups, and caregiver training to caregivers to assist the caregiver in making decisions and solving problems relating to the role of caregiver;
- (4) respite care to enable caregivers to be temporarily relieved from their caregiving responsibilities; and
- (5) supplemental services, on a limited basis, to complement the care provided by caregivers.

340:105-1-6. Area agencies on aging

(a) **AAA designation.** In accordance with Title III provisions for designation of planning and service areas (PSA) and area agencies on aging (AAAs), the state is divided into 11 sub-state districts, each of which has a designated AAA which is funded by Aging Services Division (ASD). Levels of funding are determined by ASD based upon a formula that considers the number of older persons, number of minority older persons, and number of low income older persons in the PSA. AAAs are private or public non-profit organizations or function independently within a large private or public non-profit organization.

(b) **AAA responsibilities.** Each AAA is responsible for carrying out planning, coordination, administrative, and programmatic functions within the respective PSA, as prescribed by state and federal laws and regulations and standards promulgated by ASD.

(c) **Area Plans.** AAAs annually develop an Area Plan for the delivery of services within their PSA. Area Plans are submitted to ASD with an application for funding. Area Plans set forth specific goals and objectives that indicate how an AAA implements its responsibilities under the Older Americans Act during the period of time the plan encompasses. ASD works with each AAA to ensure coordination and consistency between the State and Area Plans, and to maximize use of available resources.

(d) **AAA activities.** AAAs survey the older population of their respective PSA on a regular and ongoing basis to determine the needs of older persons and the priorities of those needs, and coordinate services to meet the needs based upon available financial and other resources.

(1) The AAA is responsible for planning, development, and administration of grants within its PSA, consistent with existing needs and available resources, and within applicable regulations and guidelines.

(2) Services are provided by private or public organizations pursuant to grants from, or contracts with, the AAA.

(3) Information and assistance services may be provided as a direct service of the AAA or pursuant to a grant or contract. AAAs may provide other limited direct services, subject to approval by ASD.

(e) **Monitoring of AAAs.** AAAs are regularly monitored and assessed by ASD with regard to their performance based upon adherence to the goals of their Area Plan, completion of goals and objectives, compliance with applicable laws, regulations, and policies, and progress in implementation of an effective comprehensive and coordinated system of service delivery within their PSA.

(1) If the AAA is not in compliance with applicable standards or is not pursuing goals and objectives satisfactorily, the non-compliance or deficiency is recorded at the State Office. The AAA is notified of the non-compliance or deficiency and given a due date for re-evaluation or assessment.

(2) If the AAA is unable or refuses to respond adequately to the notice of non-compliance or deficiency within the specified time period, ASD may withdraw designation of the agency as an AAA after reasonable notice and opportunity for a hearing, or may take other administrative action as deemed appropriate by ASD.

340:105-1-7. Advocacy assistance

(a) **Long-Term Care Ombudsman Program.** The Older Americans Act (OAA), Title 42 United States Code, Section 3001 through 3058, mandates establishment of an Office of the State Long-Term Care Ombudsman (Office) and a statewide Long-Term Care Ombudsman Program which provides advocacy services to older residents of long-term care facilities, including nursing home, residential care and other similar adult care homes. The Office is located within Aging Services Division (ASD), and operates under the general direction of the state long-term care ombudsman.

(1) Advocacy is provided through mandated activities including, but not limited to:

- (A) receive, investigate, and resolve complaints;
- (B) collect and analyze complaints and other data;
- (C) monitor the development and implementation of federal, state, and local laws, regulations, and policies;
- (D) make recommendations to address issues identified as affecting the quality of care and quality of life of residents; and
- (E) provide information to the public and to public officials.

(2) The Office of the State Long-Term Care Ombudsman works through area ombudsman staff and volunteers at the local level, to assist in the improvement of the quality of life and quality of care available to long-term care facility residents, and has the authority to recommend courses of action.

(3) Statutory authority for access to facilities and residents, receipt of inspection and complaint reports, and participation of ombudsmen as observers in inspections is provided in the Oklahoma Nursing Home Care Act [63, O.S. § 1-1901 through 1-1943] and the Residential Care Act [63, O.S. § 1-820 through 1-

the equipment is vested in the name of the private non-profit organization with ASD on the title as the lien holder.

(c) **Vehicle purchase.** Vehicles acquired under this program are graded for the purpose of providing transportation services to older persons and persons with disabilities. Use of the vehicle by any other group of riders is not permissible unless such use is infrequent and incidental to the regular use of the vehicle in its normal service.

(1) Vehicles acquired under this program are handicapped accessible unless the grantee can conclusively demonstrate that the existing transportation system:

- (A) meets all demands for service by disabled persons;
- (B) provides generally equal services to the disabled; and
- (C) will continue to provide these services after the acquisition of a vehicle(s) under this program.

(2) If all conditions in (1) of this subsection are met, ASD considers issuance of a waiver of the requirement that the vehicle applied for is accessible to the handicapped.

(3) To apply for funds under Section 5310, private non-profit organizations:

- (A) determine in a general way whether there is a transportation problem for the community's older persons and persons with disabilities;
- (B) identify a potential local private non-profit sponsor;
- (C) contact ASD to discuss application procedures;
- (D) contact local, regional, or state planning agencies for planning assistance;
- (E) conduct coordination meetings with local transportation system operators;
- (F) provide 17 percent local matching funds and prepare a preliminary application for review by ASD; and
- (G) prepare and submit the final application to ASD.

340:105-1-9. Appeals procedure

Under any of the programs administered by Aging Services Division, the division provides an opportunity for a hearing to any prospective or existing grantee when:

- (1) an application for the funding is denied;
- (2) a grantee is suspended or terminated prior to the end of an approved budget year; or
- (3) designation as a planning and service area or Area Agency on Aging has been denied. [OAC 340:2-5]

340:105-1-10. State Council on Aging

(a) **Purpose.** The purpose, function, and rules of the State Council on Aging (Council) are delineated in the Council bylaws. The bylaws provide

that the Council advises the Aging Services (AS) director on all matters pertaining to the development, implementation, and administration of AS programs to assist AS in identifying the needs and representing the interests of older Oklahomans.

(1) Over 50 percent of the Council must be 60 years of age or older, the remainder being representative of public and private service organizations or agencies.

(2) Meetings must be held four times per year, but special meetings may be held when deemed necessary.

(3) AS is responsible for providing staff assistance to the Council to ensure effective operation.

(4) Members are appointed by the Oklahoma Human Services (OKDHS) Director, upon the AS director's recommendation, serve staggered, three-year terms, and may be reappointed for only one additional, consecutive term.

(5) Former members may be appointed following one year's absence from Council service.

(A) communicating older Oklahomans' needs, conditions, and concerns to entities, including the:

- (i) OKDHS Director and AS director;
- (ii) State of Oklahoma Governor's Office;
- (iii) Oklahoma State Legislature;
- (iv) United States Oklahoma Congressional Delegates;
- (v) applicable state agencies;
- (vi) applicable federal agencies; and
- (vii) general public;

(B) reviewing and commenting on all rules and policies, budget appropriations, planning regulations, and legislation that benefit or adversely impact older Oklahomans, and advocating for their concerns and issues while maintaining high visibility and a strong voice;

(C) monitoring and evaluating the provision of services to older Oklahomans;

(D) conducting public forums and seeking input on the needs, conditions, programs, or issues involving older Oklahomans; and

(E) advising the AS director on all matters pertaining to:

- (i) development and implementation of policies, budget appropriations, planning, regulations, and standards;
- (ii) effective and efficient administration of division programs;
- (iii) development of training and educational programs; and
- (iv) administration of AS functions.

(b) **State Council on Aging Duties.** State Council on Aging duties include:

(c) **Cross reference.** Refer to Oklahoma Administrative Code 340:105-10-12.

SUBCHAPTER 7. ADULT DAY SERVICES

340:105-7-1. Adult day services for older adults

(a) **Program.** Adult day services is a community-based program designed to meet the needs of functionally impaired older persons, age 60 and older, through an individualized plan of care.

(1) The program is structured, comprehensive, and provides health, social, and related support services in a protective setting for some portion of a day.

(2) Participants attend on a planned basis during specified hours.

(3) The program includes the day services provider, the participant, the participant's family, and other community resources in a plan that allows the participant to remain in the community, and avoid institutionalization, and enables families and other caregivers to continue caring for the participant at home.

(b) **Purpose.** Adult day services goals are to:

(1) promote the participant's maximum level of independence;

(2) maintain the participant's present level of functioning as long as possible, preventing or delaying further deterioration;

(3) restore and rehabilitate the participant to the highest level of functioning possible;

(4) provide support, respite, and education for families and other caregivers;

(5) foster socialization and peer interaction; and

(6) serve as an integral part of the community service network and long-term care continuum.

(c) **Responsibilities.**

(1) **County office.** Local social services staff:

(A) determines applicant eligibility; and

(B) assists interested persons to locate and utilize adult day services facilities that hold a current valid contract with the Oklahoma Department of Human Services (OKDHS).

(2) **ASD.** ASD staff:

(A) develops adult day services policy;

(B) provides technical assistance to communities, organizations, and persons interested in the development of adult day services;

(C) provides local staff with training and guidance pertaining to the adult day services program;

(D) provides applications for contracts to provide adult day services;

(E) performs site evaluations to ensure that applicant facilities meet OKDHS requirements; and

(F) provides ongoing monitoring and evaluation of facilities contracted with OKDHS.

(d) **Legal basis.** The legal basis and authority for the adult day services program is the Social Services Block Grant Act, as amended, [42 U.S.C. §

1397] which was enacted as part of the Omnibus Budget Reconciliation Act of 1981, Public Law 97-35, administered by the Department of Health and Human Services.

[Source: Amended at 9 Ok Reg 1727, eff 4-20-92 (emergency); Amended at 9 Ok Reg 2917, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99 ; Amended at 18 Ok Reg 2138, eff 6-11-01 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-7-2. Eligibility for adult day services

(a) Application process.

(1) An application for adult day services is initiated by a request from an adult wishing to participate, a person responsible for the care of the adult, or by a referral from an adult day services vendor. The application is documented on Form 02AS003E, Adult Day Services Referral/Application.

(2) Applicants for adult day services are referred to the ADvantage Waiver or the Developmental Disabilities Services Division (DDSD) Home and Community-Based Services (HCBS) Waiver, as appropriate. Adult day services may be received while the application for waived services is pending.

(3) All adult day services participants must be determined ineligible for either the ADvantage Waiver or the DDSD HCBS Waiver or be placed on the DDSD waiting list.

(A) If the participant is not determined ineligible in four months, the participant may not continue in Oklahoma Department of Human Services (OKDHS) funded adult day services. The authorization is closed and services are terminated.

(B) An exception or extension of the four months rule must be requested.

(4) The service opening date is no earlier than the date on Form 02AS003E or the date of the oral request. If the participant does not sign Form 02AS003E at the time of request, a staff person completes the form and explains on the signature line why the participant did not sign, such as an oral request.

(A) If the services are court-ordered and there is no Form 08AP001E, Adult Protective Services Referral, the service opening date is the date of the court order.

(B) If the day services facility makes the referral by sending Form 02AS003E, the service opening date is the date the form is stamped "received" in the county office.

(5) An application must be processed within 30 days for public assistance cases and 45 days for non-public assistance cases. The application is:

(A) certified or approved when a participant is determined eligible;

(B) denied when a participant is determined ineligible; or

(C) canceled when a participant requests cancellation prior to other disposition.

(6) In determining eligibility for adult day services, the participant must:

- (A) receive services in a facility that holds a valid contract with OKDHS for provision of adult day services; and
- (B) meet need, age, and income requirements.

(b) **Need for adult day services.** Adult day services are appropriate for persons who are physically or mentally unable to function totally independently but do not require 24-hour care.

(1) To qualify for adult day services, one of the conditions in (A) and (B) of this paragraph must be met.

(A) Adult day services provide respite or time needed to maintain employment for an adult's primary caregiver.

(B) Adult day services provide beneficial socialization and access to needed therapy for a functionally impaired adult.

(2) If the participant is receiving state-funded 24-hour care, adult day services are not approved.

(c) **Age.** Adult day services are available to impaired adults age 60 years and older. An age waiver may be requested, and is granted by Aging Services Division (ASD) for a person younger than 60 if one of the conditions in (1) and (2) of this paragraph is met.

(1) The adult is suffering from Alzheimer's disease, any other form of dementia, or another degenerative condition, either physical or mental.

(2) The adult has recently sustained a stroke, fracture, paralysis, or other incapacitating condition and the services offered in an adult day services program aid the adult in maintaining or returning to as much of an independent lifestyle as possible, avoiding institutionalization.

(d) **Income.** Sources of income considered, verification, and computation of income for the adult day services program are described in this subsection. Co-payment and maximum allowable income are shown on OKDHS Appendix M-105, Eligibility Schedule/Rates for Adult Day Services. OKDHS Appendix M-105 reflects the sliding fee scale based upon the United States Bureau of Census, National Poverty Guidelines, as printed in the Federal Register. The schedule is subject to change.

(1) **Predetermined eligible.** Persons are predetermined eligible based on receipt of Public Assistance, Supplemental Security Income (SSI), or Refugee Assistance. If services are requested by Adult Protective Services (APS), the participant is universally approved for 60 days only without regard to income. For APS participants, no co-payment is considered during the 60 calendar days.

(2) **Income eligible.** Income eligibility determination is based upon the amount of the family's gross income and family's size. Family income includes income from predetermined eligible members.

(A) Anticipated income is never included in determining eligibility until it is available to and under the control of the participant.

(B) Income is computed on a monthly basis. If income is received every two weeks, the weekly rate is determined and multiplied by 4.3 to compute the monthly income.

When income is received twice a month, for example, 1st

and 15th, it is multiplied by two.

(C) Any income that is received regularly, but in amounts that vary greatly, or income received irregularly is averaged over a six-month period. Examples are overtime pay, sporadic second jobs, irregular child support, and other occasional changes in the monthly gross child support or other monthly gross income.

(D) When one or both persons of a married couple is in adult day services, the total gross income of both is considered and eligibility is computed based on one half of the total income.

(3) Determination of co-payments for persons not predetermined eligible. In determining the co-payment for persons not predetermined eligible, the guidelines are:

(A) married couple, one spouse in adult day services, the total gross income of both spouses is considered, with the co-payment computed on one half of the total income;

(B) married couple, both in adult day services, the total gross income is divided equally between the two, with the co-payment for each based on the computed individual amount of income; or

(C) single person in adult day services, only the total gross income of that person is considered.

(4) Sources of income considered. The sources of income considered in determining monthly gross income are:

(A) wages, such as total money earnings received for work performed as an employee, including armed forces pay, commissions, tips, piece-rate payments, on-the-job training programs, cash bonuses, bonds, pensions, union dues, credit union payments, garnishments, and similar purposes. Tips are not considered part of the wages for Temporary Assistance for Needy Families (TANF) recipients who are participating in the Work Supplementation Program;

(B) net income from self-employment, farm and non-farm, determined by taking 50 percent of the gross income.

When a participant:

(i) rents a house to someone else, the net income amount considered is 50 percent of the rent. The other 50 percent is allowed for expenses;

(ii) rents a room in his or her house to someone else, the net income amount considered is 75 percent of the rent; and

(iii) provides room and board in his or her home, the net income amount considered is 50 percent of the gross amount charged;

(C) pensions, SSI, survivors' benefits, and Social Security Administration permanent disability insurance, prior to deductions for medical insurance, and Railroad Retirement Insurance;

(D) dividends, interest, and income from estates, trusts, and mineral rights. If this income varies or is received irregularly, it is averaged over six months;

(E) pensions and annuities or retirement benefits paid to a retired person or his or her survivors by a former employer or by a union, either directly or through an insurance company, and periodic receipts from annuities or insurance;

(F) unemployment compensation received from government unemployment insurance agencies or private companies during periods of unemployment and any strike benefits received from union funds;

(G) workers' compensation received periodically from private or public insurance companies for injuries incurred at work. The cost of this insurance must have been paid by the employer and not by the participant;

(H) alimony;

(I) child support;

(J) veterans' compensations and pensions paid periodically by Veterans Affairs to disabled members of the armed forces or to survivors of deceased veterans, as subsistence allowances paid to veterans for veterans' education and on-the-job training, and to ex-servicemen as GI insurance premiums called refunds;

(K) contributions in the form of money received regularly from anyone; and

(L) income of minor children. If the adult in an adult day services program has minor children living in the same home, the children's income is considered.

(5) **Sources of income not considered.** The sources of income not considered monthly gross income are:

(A) per capita payments to or funds held in trust for any individual in satisfaction of a judgment of the Indian Claims Commission of the Court of Claims;

(B) payments made pursuant to the Alaska Native Claims Settlement Act, to the extent that such payments are exempt from taxation under Section 21(a) of the Act;

(C) money received from sale of a resource, such as stocks, bonds, land, house, or car. If the person is in the business of selling such property, the net proceeds are counted as income from self-employment;

(D) withdrawals of bank deposits;

(E) tax refunds, including the Earned Income Credit Advance payment which is received monthly;

(F) gifts or money received occasionally, such as at birthdays, anniversaries, and Christmas;

(G) lump sum inheritances, insurance payments, or one-time lump sum payments;

(H) capital gain;

(I) the value of the food benefit allotment under the Food Stamp Act of 1977, as amended;

- (J) any payment received under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;
- (K) loans and grants obtained and used under conditions that preclude their use for current living costs;
- (L) money received as reimbursement for expenses because of participation in a component of the TANF Work Program;
- (M) home produce utilized for household consumption; and
- (N) the income of adult children or other relatives residing in the same home as the adult day services participant.

(e) **Resources.** Resources are not considered in determining eligibility for adult day services.

(f) **Notification.** A ten-day notice is required for any adverse action. Notification to the participant is required and is computer-generated when:

- (1) a decision regarding initial eligibility or continued eligibility is made;
- (2) there is a change in the participant's income or co-payment; and
- (3) the participant is no longer eligible or requests termination of adult day services.

[**Source:** Amended at 9 Ok Reg 1727, eff 4-20-92 (emergency); Amended at 9 Ok Reg 2917, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99 ; Amended at 16 Ok Reg 3383, eff 5-11-99 (emergency); Amended at 17 Ok Reg 1320, eff 5-11-00 ; Amended at 18 Ok Reg 2138, eff 6-11-01 ; Amended at 23 Ok Reg 393, eff 11-8-05 (emergency); Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-7-3. Redetermination of eligibility

Eligibility for services is redetermined at least annually. More frequent redetermination is made when the worker has obtained information about changes in the client's situation. The worker redetermines eligibility within ten days after information is obtained that changes have occurred.

[**Source:** Amended at 9 Ok Reg 1727, eff 4-20-92 (emergency); Amended at 9 Ok Reg 2917, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99]

340:105-7-4. Termination of authorization

(a) Authorization for payment of adult day services for a participant is terminated when:

- (1) the participant's income is found to exceed the maximum shown in Oklahoma Department of Human Services (OKDHS) Appendix M-105, Eligibility Schedule/Rates for Adult Day Services;
- (2) it is determined that adult day services are no longer appropriate to meet the participant's needs;
- (3) termination is requested by the participant, authorized representative, or vendor;

- (4) it is determined that the participant is a danger to self or others;
- (5) members of the participant's family or the authorized representative are verbally abusive or otherwise pose a threat to the safety and well-being of the staff or participants of the center or to official representatives of OKDHS; or
- (6) the participant, family member, or authorized representative fails to cooperate with the adult day services delivery Plan of Care, including failure to pay any applicable co-payments for which the participant is responsible.

(b) Notification of termination is made in accordance with OAC 340:105-7-2(f).

[Source: Amended at 9 Ok Reg 1727, eff 4-20-92 (emergency); Amended at 9 Ok Reg 2917, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-7-5. Fair hearings

All applicants and clients are entitled to a fair hearing when they disagree with the action taken by the Department. The client or responsible party must request a hearing at the county office within 30 days from the date of adverse action notice.

[Source: Amended at 8 Ok Reg 3417, eff 7-25-91 (emergency); Amended at 9 Ok Reg 2923, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99]

340:105-7-6. Overpayments and underpayments

(a) **Determinations.** An overpayment occurs and is established against an adult day services client or vendor when it is discovered that a payment(s) has been made on behalf of a client to which he or she is not entitled. The overpayment must also have a determination made as to whether the client or vendor met his or her responsibilities in accordance with the adult day services policies and procedures. When it is determined that an overpayment exists, a determination of due diligence must be made in accordance with (1)–(5) of this subsection. A determination of due diligence is made to determine whether:

- (1) a periodic redetermination of eligibility was completed within the time limits set by the Department and a decision made at the next possible effective date.
- (2) a decision regarding case action was completed within ten days after the information was obtained indicating a change in the client's circumstances.
- (3) the case record contains a signed application, Adult Day Services Referral/Application Form, which advises the client of his or her reporting responsibilities.
- (4) the adult day services vendor was notified of any change affecting the authorization of day services, including co-payment changes, on behalf of a client and that the case record reflects prompt notification.
- (5) the vendor was kept abreast of Department policy regarding rates, claims procedures, and daily attendance recording.

(b) **Client error.** It is the responsibility of the client, when the Department has informed him or her of the conditions of eligibility which must be met, to notify the county office within ten days of any change in his or her circumstances to include income, address, phone number, and authorized representative. Failure of the client to report changes may result in an overpayment.

(c) **Vendor error.** When the Department has authorized payments on behalf of the client and notified the vendor of any applicable co-payments, it is the responsibility of the adult day services vendor to submit accurate and correct day services claims in accordance with the authorization. The vendor claims only after the provision of the adult day services and deducts any co-payments as authorized.

[Source: Amended at 8 Ok Reg 3417, eff 7-25-91 (emergency); Amended at 9 Ok Reg 2923, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99]

340:105-7-6.1. Repayment of client or vendor overpayments or underpayments

If an error by the vendor has occurred, the county office notifies the Aging Services Division of the overpayment by memo. After written notification to the vendor of its intentions to collect the overpayment, Aging Services Division deducts monies owed the Department by the vendor from future claims. If an underpayment has occurred, after written notification to the vendor, Aging Services Division adjusts future claims to repay the debt to the vendor. If an overpayment has occurred and is classified as a client error, a memorandum explaining the overpayment is submitted to the State Office, FSSD, Overpayment Unit. A copy of the memorandum is sent to the Aging Services Division. Any further collection activity is then the responsibility of the State Office, Overpayment Unit. If the overpayment has occurred and is classified as a county office error, correction of the error is made at the time of discovery to minimize any hardship to the client.

[Source: Added at 15 Ok Reg 1316, eff 3-1-98 (emergency); Added at 16 Ok Reg 1058, eff 4-26-99]

340:105-7-7. Adult day services vendor contracts

(a) **Licensure of facility.** According to Section 1-873 of Title 63 of Oklahoma Statutes, all adult day services centers must be licensed by the Oklahoma State Department of Health. Failure to comply with state law is grounds for immediate termination of the contract or denial of a contract application.

(b) **Application.** Applications for a contract to provide adult day services to Oklahoma Department of Human Services (OKDHS) participants are obtained from Aging Services Division (ASD), Attention: Adult Day Services.

(c) **Application process.** When the completed application packet is received by ASD, a visit is arranged with the facility to conduct a site evaluation. For facilities holding a current contract and applying for renewal, no site evaluation is required.

(d) **Facility approved.** If a facility meets all minimum standards and requirements, and funding is available, a contract is offered. The facility accepts the offer by returning the properly signed contract within 15 days of the offer. When a contract number is assigned, ASD notifies the facility and the OKDHS county office where the facility is located.

(e) **Facility not approved.** If an applicant facility fails to meet OKDHS minimum standards and requirements, ASD staff notifies the facility by mail via a letter that includes:

- (1) a description of the area(s) in which the facility failed to meet standards and requirements;
- (2) an offer of technical assistance concerning steps needed to comply with the requirements; and
- (3) a statement the facility may reapply when the operator corrects the deficiencies.

(f) **Contract monitoring.** ASD staff visits each contracted facility at least once annually to monitor the facility's compliance with the contractual agreement. ASD staff discusses with the operator any areas that require improvement. If deficiencies are not corrected or showing substantial improvement within that period, procedures for contract termination are initiated. A summary of the findings of each monitoring visit is prepared and a copy is sent to the facility.

(g) **Contract reapplication.** Performance-based contracts for provision of adult day services automatically terminate at the end of the state fiscal year. In April, ASD staff provides new application packets to each contracted vendor. Applications are evaluated in accordance with subsection (c) of this Section. Procedures for approval or disapproval are followed as outlined in subsections (e) and (f) of this Section. A site visit and evaluation is required when a facility changes location or undergoes major renovation.

(h) **Procedures for suspension or termination of contract.** If at any point during the contract term a facility fails to meet minimum standards or other contractual requirements, and fails to correct the deficiency within 30 calendar days after notification, contract suspension, or termination procedures are initiated.

[Source: Amended at 9 Ok Reg 1727, eff 4-20-92 (emergency); Amended at 9 Ok Reg 2917, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99 ; Amended at 18 Ok Reg 2138, eff 6-11-01 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-7-8. Adult day services rates and claims payment

(a) **Rates.** A facility that contracts to provide adult day services for Oklahoma Department of Human Services (OKDHS) participants agrees to the reimbursement rate approved by the Oklahoma Commission for Human Services. The current rate is shown in OKDHS Appendix M-105, Eligibility Schedule/Rates for Adult Day Services. The facility:

- (1) is reimbursed only for days a participant is actually in attendance;
 - (2) may set up a sliding fee scale for private pay participants;
 - (3) may not charge the public less than the rate charged OKDHS;
- and

(4) must post all rates in the facility.

(b) **Claims.** Claims for reimbursement for OKDHS-purchased adult day services are made on Form 02AS001E, Adult Day Service Invoice, attached to Form 02AS004E, Service/Attendance/Claim Record. The vendor prepares and attaches Form 02AS004E for each participant for whom payment is claimed and submits it to Aging Services Division, Attention: Adult Day Services.

[Source: Amended at 8 Ok Reg 3417, eff 7-25-91 (emergency); Amended at 9 Ok Reg 1727, eff 4-20-92 (emergency); Amended at 9 Ok Reg 2923, eff 7-13-92 ; Amended at 15 Ok Reg 1316, eff 3-1-98 (emergency); Amended at 16 Ok Reg 1058, eff 4-26-99 ; Amended at 18 Ok Reg 2138, eff 6-11-01 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-7-9. Program development grants

As funds are available, the Oklahoma Department of Human Services announces a request for proposal (RFP) soliciting proposals for funding of new or expanding adult day services programs. Proposals for program expansion are considered only when the expansion provides additional services to a significant sector of the adult day services population, for example, specialized Alzheimer's programs.

(1) **Selection process.** An RFP selection committee is set up within the Aging Services Division (ASD) to score the proposals. Proposals are rated and scores are considered along with need for the services in the applicant's service area of the state to determine which proposals will be funded. After the selection committee scoring is completed, ASD staff makes a site visit. All contracts are then offered based on availability of funds.

(2) **Monitoring grant contracts.** Grant contracts are monitored both through the monthly claims process and periodic site visits.

(3) **Renewal of grant contracts.** Grant contracts are awarded on a fiscal year basis and must be renewed each July 1. An original grant is renewable for up to three years. Grantees must submit the required reapplication materials to ASD by a date determined annually. Renewals are awarded only where a grantee has met the previous year's contractual obligations as determined by monitoring throughout the year.

**SUBCHAPTER 10. POLICIES AND PROCEDURES
MANUAL FOR TITLE III OF THE OLDER AMERICANS
ACT OF 1965, AS AMENDED**

PART 1. INTRODUCTION

340:105-10-1. Purpose

The purpose of this Subchapter is to provide written policy for programs operating under Title III of the Older Americans Act of 1965, as amended. In the State of Oklahoma, Title III is administered by Aging Services Division of the Department of Human Services. [OAC 340:105-1]

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-2. Background

The Older Americans Act (OAA) was passed by Congress in 1965 to provide assistance to states in the development of comprehensive coordinated systems of services to older persons. These services are to maintain the dignity of older citizens while providing services to them in the least restrictive environment. The OAA provides for a network of organizations which assess the needs of older persons and provide services to meet those needs. In the state of Oklahoma, Aging Services Division (ASD) has been designated as the State Agency which acts as a focal point for all services related to older persons. ASD has designated 11 Area Agencies on Aging (AAAs) to assess the needs of older persons in each planning and service area of the state, and to develop and advocate for services to meet those needs. As part of this task, AAAs provide funding to local agencies and organizations for the provision of direct services. The rules in this Subchapter outline operating policy for each level of the network including ASD, the 11 AAAs, and the local Title III projects.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-3. Definitions

(a) **Definitions.** The following words and terms, when used in this Subchapter, shall have the following meaning, unless the context clearly indicates otherwise:

- (i) **"Abuse"** means the willful:
 - (A) infliction of injury, unreasonable confinement, intimidation, or cruel punishment with resulting physical harm or pain or mental anguish; or
 - (B) deprivation by a person, including a caregiver, of goods or services necessary to avoid physical harm, mental anguish, or mental illness.
- (ii) **"Act"** means the Older Americans Act (OAA) of 1965 as amended.
- (iii) **"Activities of daily living (ADL)"** means:
 - (A) eating;
 - (B) dressing;
 - (C) bathing;
 - (D) toileting;
 - (E) transferring in and out of bed or chair; and
 - (F) walking.
- (iv) **"Aging and Disability Resource Center"** means an entity established by the State as part of the state system of coordinated long-term care to provide:
 - (A) comprehensive information on the full range of available public and private long-term care programs, options, service providers, and resources within a community, including information on the availability of integrated long-term care;

- (B) personal counseling to assist a person assess existing or anticipated long-term care needs; and
- (C) access to publicly-supported long-term care programs for which a person may be eligible, by serving as a convenient point of entry for such programs.

() **"Area Agency on Aging (AAA)"** means a designated agency per Section 305(a)(2)(A) of the OAA, or the State Agency performing the functions of an AAA per Section 305(b)(5) of the OAA.

() **"Assistive device"** means an assistive technology device that has the same meaning given in Section 3 of the Assistive Technology Act of 1998. [29 U.S.C. 3002]

() **"At risk for institutional placement"** means that an older person is unable to perform at least two activities of daily living without substantial assistance such as verbal reminding, physical cuing, or supervision and is determined by the State to be in need of placement in a long-term care facility.

() **"CFR"** means Code of Federal Regulations in the Federal Register published by the United States (U.S.) Department of Health and Human Services, Office of Human Development, and Administration on Aging (AoA).

() **"Caregiver"** means an adult family member, or another person, who is an informal provider of in-home and community care to a person 60 years of age or older.

() **"Case management service"** means a service provided to an older person, at the direction of the older person or a family member of the older person:

- (A) by a person who is trained or experienced in the case management skills required to deliver the services and coordination described in (B) of this paragraph;

- (B) to assess the needs, and arrange, coordinate, and monitor an optimum package of services to meet the needs of the older person; and

- (C) including services and coordination, such as:

- (i) comprehensive assessment of the older person's physical, psychological, and social needs;

- (ii) development and implementation of a service plan with the older person to mobilize the formal and informal resources and services identified in the assessment to meet the needs of the older person, including coordination of the resources and services with:

- (I) other plans existing for various formal services such as hospital discharge plans; and

- (II) the information and assistance services funded by Title III of OAA;

- (iii) monitoring formal and informal service delivery to ensure services specified in the plan are provided;

(iv) periodic reassessment and revision of the status of the older person with:
(I) the older person; or
(II) if necessary, a primary caregiver or family member of the older person; and
(v) advocacy on behalf of the older person for needed services or resources in accordance with the wishes of the older person.

() "**Child**" means a person :

(A) with a grandparent or other relative as a caregiver;
and

(B) not older than 18 years of age; or

(C) a person 19-59 years of age who has a severe disability and lives with a grandparent or older person who is a relative caregiver.

() "**Civic engagement**" means a person or a collective action designed to address a public concern or an unmet human, educational, health care, environmental, or public safety need.

() "**Comprehensive and coordinated system**" means a system for providing all necessary supportive services, including nutrition services in a manner designed to:

(A) facilitate accessibility to and utilization of all supportive services and nutrition services provided within the geographic area served by such system by any public or private agency or organization;

(B) develop and make the most efficient use of supportive services and nutrition services in meeting the needs of older persons;

(C) use available resources efficiently and with a minimum of duplication; and

(D) encourage and assist public and private entities having unrealized potential for meeting the service needs of older persons to assist the older persons on a voluntary basis.

() "**Construction**" with respect to multipurpose senior centers, means building a new facility, including the costs of land acquisition and architectural and engineering fees or making modifications to or in connection with an existing facility in excess of double the square footage of the original facility and all physical improvements.

() "**Department**" means United States Department of Health and Human Services (DHHS).

() "**Direct services**" means any activity performed to provide services directly to an older person by the staff of a service provider, AAA, or State Agency in a single planning and service area.

() "**Disability**" means a mental or physical impairment or a combination of mental and physical impairments, resulting in substantial functional limitations in one or more major life activity areas such as:

(A) self-care;

(B) receptive and expressive language;

- (C) learning;
- (D) mobility;
- (E) self-direction;
- (F) capacity for independent living;
- (G) economic self-sufficiency;
- (H) cognitive functioning; or
- (I) emotional adjustment.

() "**Disease prevention and health promotion services**" means providing:

- (A) health risk assessments;
- (B) routine health screening such as hypertension, glaucoma, cholesterol, cancer, vision, hearing, diabetes, bone density, oral health, or nutrition screening;
- (C) nutritional counseling and educational services for an older person and his or her primary caregivers;
- (D) evidence-based health promotion programs, including programs related to prevention and mitigation of effects of chronic disease such as:
 - (i) osteoporosis;
 - (ii) hypertension;
 - (iii) obesity;
 - (iv) diabetes;
 - (v) cardiovascular disease;
 - (vi) oral or dental disease;
 - (vii) alcohol and substance abuse reduction;
 - (viii) smoking cessation;
 - (ix) weight loss and control;
 - (x) stress management;
 - (xi) falls prevention;
 - (xii) physical activity; and
 - (xiii) improved nutrition;
- (E) programs regarding physical fitness, group exercise, and music, art, and dance movement therapy, including programs for multigenerational participation provided by:
 - (i) an institution of higher education;
 - (ii) a local educational agency, as defined in Section 1471 of the Elementary and Secondary Education Act of 1965; or
 - (iii) a community-based organization;
- (F) home injury control services, including screening of high risk home environments and provision of educational programs on injury prevention such as fall and fracture prevention;
- (G) screening for the prevention of depression, coordination of community mental health services, provision of educational activities, and referral to psychiatric and psychological services;
- (H) educational programs on the availability, benefits, and appropriate use of preventive health services covered under Title XVIII of the Social Security Act;

(I) medication management screening and education to prevent incorrect medication and adverse drug reactions;
(J) information concerning diagnosis, prevention, treatment, and rehabilitation of age related diseases and chronic disabling conditions, including:

- (i) osteoporosis;
- (ii) cardiovascular disease;
- (iii) diabetes; and
- (iv) Alzheimer's disease and related disorders with neurological and organic brain dysfunction;

(K) gerontological counseling; and

(L) counseling regarding social services and follow-up health services based on any of the services described in

(A) through (K) of this subsection.

() "**Elder abuse**" means abuse of an older person.

() "**Eldercare (National Campaign)**" means the AoA sponsored program to establish and promote public and private partnerships addressing the needs of the growing population of older persons and their caregivers.

() "**Elder justice**" means efforts to:

(A) prevent, detect, treat, intervene in, and respond to elder abuse, neglect, and exploitation;

(B) protect older persons with diminished capacity while maximizing their autonomy; and

(C) recognize a person's rights, including the right to be free of abuse, neglect, and exploitation.

() "**Elderly client**" means a person:

(A) eligible or receiving OAA services; and

(B) 60 years of age or older; or

(C) less than 60 years of age with a diagnosis of early onset dementia.

() "**Exploitation**" means the fraudulent or otherwise illegal, unauthorized, or improper act or process of a person, including a caregiver or fiduciary using the resources of an older person for monetary or personal benefit, profit, or gain, or that result in depriving an older person of rightful access to, or use of, benefits, resources, belongings, or assets. Within this definition, a caregiver is a person who has the responsibility for the care of an older person, either voluntarily, by contract, receipt of payment for care, or as a result of the operation of law and is a family member or other person providing, on behalf of the person or of a public or private agency, organization, or institution, compensated or uncompensated care to an older person.

() "**Fiduciary**" means a person or entity with the legal responsibility to make decisions on behalf of and for the benefit of another person and to act in good faith and with fairness and includes a trustee, guardian, conservator, executor, agent under a financial power of attorney or health care power of attorney, or a representative payee.

() "**Focal point**" means a facility established to encourage the maximum collocation and coordination of services for older

persons.

() "**Frail**" means a condition of functionally impaired determined because the older person:

- (A) is unable to perform at least two activities of daily living without substantial human assistance, including verbal reminding, physical cueing, or supervision; or
- (B) due to a cognitive or other mental impairment, requires substantial supervision because the person behaves in a manner posing a serious health or safety hazard to self or another person.

() "**Grandparent or older person who is a relative caregiver**" means a grandparent or a stepgrandparent of a child or a relative of a child by blood, marriage, or adoption who is 55 years of age or older and:

- (A) lives with the child;
- (B) is the primary caregiver of the child because the biological or adoptive parents are unable or unwilling to serve as the primary caregiver of the child; and
- (C) has a legal relationship to the child such as legal custody or guardianship or is raising the child informally.

() "**Grantee agency**" means an agency that receives funds granted or awarded by the sponsoring agency. The AAAs are grantees of the State Agency and the service providers are grantees of the AAAs.

() "**Grantor agency**" means an agency that grants or awards funds to another entity. The State Agency is the grantor agency for the AAAs and the AAAs are the grantor agencies for the service providers.

() "**Greatest economic need**" means the need resulting from an income level, at or below the poverty line.

() "**Greatest social need**" means the need caused by non-economic factors, including physical and mental disabilities, language barriers, and cultural, geographical, or social isolation, including racial or ethnic status that restricts the person's ability to perform normal daily tasks or threatens the person's capacity to live independently.

() "**Hispanic-serving institution**" means the same as in Section 502 of the Higher Education Act of 1965 [20 U.S.C. 1101a].

() "**Impairment in activities of daily living**" means the inability to perform one or more of the six impairments in activities of daily living (ADL) without personal or stand-by assistance, supervision, or cues.

() "**Impairment in instrumental activities of daily living**" means the inability to perform one or more of the eight instrumental activities of daily living (IADL) without personal or stand-by assistance, supervision, or cues.

() "**Informal care**" means care not provided as part of a public or private formal service program.

() "**Information and assistance (I & A)**" means a service for older persons that:

- (A) provides older persons current information on services available within their communities including information relating to assistive technology;
- (B) links older persons with the opportunities and services available within their communities;
- (C) establishes adequate follow-up procedures to the maximum extent practicable; and
- (D) serves the entire community of older persons, particularly those with greatest social and economic need and those at risk for institutional placement.

() **"In-home service"** means:

- (A) services of homemakers and home health aides;
- (B) visiting and telephone reassurance;
- (C) chore maintenance;
- (D) in-home respite care for families, including adult day care as a respite service for families;
- (E) minor modification of homes necessary to facilitate the ability of older persons to remain at home, and not available under other programs. Not more than \$250 per client may be expended annually for such modification; and
- (F) personal care services.

() **"Instrumental activities of daily living (IADL)"** means:

- (A) preparing meals;
- (B) shopping for personal items;
- (C) managing medication;
- (D) managing money;
- (E) using the telephone;
- (F) doing heavy housework;
- (G) doing light housework; and
- (H) making use of available transportation without assistance.

() **"Integrated long-term care"** means items and services:

- (A) with respect to long-term care:
 - (i) items or services provided under a State plan for medical assistance under the SoonerCare program established under Title XIX of the Social Security Act [42 U.S.C. 1396 et seq.], including nursing facility services, home and community-based services, personal care services, and case management services provided under the plan; and
 - (ii) any other supports, items, or services that are available under any federally funded long-term care program;
- (B) with respect to other health care, items and services covered under:
 - (i) the Medicare program established under Title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.];
 - (ii) the State plan for medical assistance under the SoonerCare program; or

(iii) any other federally funded health care program; and

(C) including such items or services that are provided under a public or private managed care plan or through any other service provider.

() "**Legal assistance**" means legal advice and representation by an attorney to an older person who has economic or social needs and includes, to the extent feasible, counseling or other appropriate assistance by a paralegal or law student under the supervision of an attorney and counseling or representation by a non-lawyer where permitted by law.

() "**Living alone**" means a one person household, using the census definition of household, where the householder lives by himself or herself in an owned or rented place of residence in a non-institutional setting, including board and care facilities, assisted living units, and group homes.

() "**Low income minority elderly**" means a minority older person with annual income at or below the federally established poverty line.

() "**Low income non-minority elderly**" means an older person who is not a minority with an annual income at or below the federally established poverty line.

() "**Means testing**" means the use of an older person's income or resource to deny or limit the person's receipt of services.

() "**Minority elderly**" means a person 60 years of age or older who is:

- (A) American Indian or Alaskan Native;
- (B) Asian;
- (C) Black or African American;
- (D) Hispanic or Latino; or
- (E) Native Hawaiian or other Pacific Islander.

() "**Multipurpose senior center**" means a community facility for the organization and provision of a broad spectrum of services including the provision of health such as mental health, social, nutritional, and educational services and facilities for recreational activities for older persons.

() "**NAPIS**" means the National Aging Program Information System.

() "**Neglect**" means the failure of a caregiver or fiduciary to provide the goods or services necessary to maintain the health or safety of an older person or self-neglect.

() "**Nonprofit**" means an agency, institution, or organization owned or operated by one or more corporations or associations having no part of the net earnings or benefit of any private shareholder or individual.

() "**OAA**" means the Older Americans Act of 1965, as amended.

() "**OKDHS**" means Oklahoma Department of Human Services.

() "**Older person**" or "**older individual**" means anyone 60 years of age or older.

() "**Periodic**" as used in the OAA with respect to evaluations of and public hearings on activities carried out under state and area

plans, means at a minimum, once each fiscal year.

() "**Planning and service area (PSA)**" means an area designated by the State Agency under Section 305(a)(1)(E) of the OAA, as amended for the purposes of developing and coordinating service systems.

() "**Poverty**" means the income level defined each year by the Office of Management and Budget (OMB) and adjusted by the DHHS Secretary in accordance with subsection 673(2) of the Community Services Block Grant Act. The annual DHHS Poverty Guidelines provide dollar thresholds representing poverty levels for various size households.

() "**Poverty line**" means the official poverty line as defined by OMB per Section 673(2) of the Community Services Block Grant Act and Section 9902(2) of Title 42 of the U.S. Code.

() "**Project**" as used in Section 306(a)(1) of the OAA with respect to the provision of supportive and nutrition services, means an entity awarded a subgrant or contract from an AAA to provide services under the Area Plan.

() "**Race or ethnicity status**" reflects the requirements of OMB for obtaining information from persons regarding their self-identification of race and ethnicity.

(A) Race includes:

(i) American Indian or Alaskan Native: a person having origins in any of the original peoples of North America, including Central America, and who maintains tribal affiliation or community attachment;

(ii) Asian: a person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam;

(iii) Black or African American: a person having origins in any of the black racial groups of Africa;

(iv) Native Hawaiian or Other Pacific Islander: a person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands; and

(v) White: a person having origins in any of the peoples of Europe, the Middle East, or North Africa.

(B) Ethnicity includes:

(i) Hispanic or Latino: a person of Cuban, Mexican, Puerto Rican, Central or South American, or other Spanish culture or origin, regardless of race; and

(ii) Not Hispanic or Latino.

() "**Rural**" means an area not defined as urban by AoA.

() "**Rural counties**" means counties not considered urban as defined by AoA.

() "**Rural elderly**" means older persons not considered living in urban counties as defined by AoA.

() "**SUOA**" means Special Unit on Aging, a unit of Oklahoma Department of Human Services (OKDHS) Aging Services Division (ASD).

() "**Self-directed care**" means an approach to providing services, including programs, benefits, supports, and technology under the OAA intended to assist a person with activities of daily living, in which:

(A) services, including the amount, duration, scope, provider, and location of such services are planned, budgeted, and purchased under the direction and control of the person;

(B) a person is provided with information and assistance as are necessary and appropriate to make informed decisions about care options;

(C) the needs, capabilities, and preferences of a person with respect to such services are assessed by the AAA, or other agency designated by the AAA, involved;

(D) based on the assessment, the AAA, or other agency designated by the AAA, develops together with the person and the person's family, caregiver, or legal representative:

(i) a plan of services for the person that specifies the services the person will be responsible for directing;

(ii) a determination of the role of family members, and others the person wants to participate, in providing services under the plan; and

(iii) a budget for such services; and

(E) the AAA or State Agency provides for oversight of self-directed receipt of services, including steps to ensure the quality of services provided and the appropriate use of funds under the OAA.

() "**Self-neglect**" means an adult's inability due to physical or mental impairment or diminished capacity, to perform essential self-care tasks including:

(A) obtaining essential food, clothing, shelter, and medical care;

(B) obtaining goods and services necessary to maintain physical health, mental health, or general safety; or

(C) managing one's own financial affairs.

() "**Service provider**" as used in Section 306(a)(1) of the OAA with respect to the provision of supportive and nutrition services, means an entity awarded a subgrant or contract from an AAA to provide services under the area plan.

() "**Severe disability**" as used to carry out the provisions of the OAA, means a severe chronic disability attributable to mental or physical impairment of a person that:

(A) is likely to continue indefinitely; and

(B) results in substantial functional limitation in three or more of the major life activities of:

(i) self-care;

(ii) receptive and expressive language;

- (iii) learning;
- (iv) mobility;
- (v) self-direction;
- (vi) capacity for independent living; and
- (vii) economic self-sufficiency.

() "**Sponsoring agency**" means a multipurpose or umbrella organization of a grantee.

() "**State Agency**" means the agency designated by the State under Section 305(a)(1) of the OAA, as amended. In Oklahoma, the State Agency is OKDHS ASD.

() "**State system of long-term care**" means the federal, state, and local programs and activities administered by a state providing support, or facilitating access to long-term care for persons in the state.

() "**Subgrantee**" means an agency that subcontracts with a grantee agency. Subgrantee usually refers to the service provider, but it is possible for a service provider to subcontract with another entity.

() "**Taxonomy**" means the uniform set of service definitions and service unit measures adopted by AoA for national reporting on programs and activities under Title III of the OAA.

() "**Unit of general purpose local government**" means:

- (A) a political subdivision of the state having general authority and not limited to only one function or combination of related functions; or
- (B) an Indian tribal organization.

() "**Urban**" means areas defined by AoA comprised of an:

- (A) urbanized area, a central place and its adjacent densely settled territories with a combined minimum population of 50,000; or
- (B) incorporated place or census designated place with 20,000 or more inhabitants.

() "**Urban counties**" means urban areas as defined by AoA.

Counties in Oklahoma considered urban are:

- (A) Canadian;
- (B) Cleveland;
- (C) Comanche;
- (D) Creek;
- (E) Garfield;
- (F) Logan;
- (G) McClain;
- (H) Oklahoma;
- (I) Osage;
- (J) Pottawatomie;
- (K) Rogers;
- (L) Sequoyah;
- (M) Tulsa; and
- (N) Wagoner.

(b) **Authority.** The authority for this Section is OMB Notice of Action 0985-0008.

340:105-10-4. Use of Oklahoma Administrative Code for Title III of the Older Americans Act of 1965, as amended

(a) The Oklahoma Administrative Code for Title III of the Older Americans Act of 1965, as amended, is presented in Parts 1, 3, 5, 7, and 9. Part 1 provides an introduction. Parts 3, 5, and 7 outline the policies of operation for, and the responsibilities of, the three levels of Oklahoma's aging network: the State Agency, the Area Agencies on Aging (AAAs), and the local Title III projects. Part 9 outlines fiscal rules for AAAs and the local Title III projects.

(b) Each rule is named and numbered separately. A statement of each rule is followed by a citation(s) of the major referencing authorities, such as the Older Americans Act (OAA), Code of Federal Regulations (CFR), Oklahoma Administrative Code (OAC), or Oklahoma Statute (OS). Also listed for each rule are procedures for implementing the rule and cross references to other related rules within the manual.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

PART 3. STATE AGENCY

340:105-10-10. Designation of State Agency

(a) **Policy.** Any state wishing to participate in Older Americans Act (OAA) programs must designate a sole state agency to serve as that state's State Agency on Aging (State Agency). It may be either an agency with the single purpose is to administer programs for older persons, or a multipurpose human services agency with a designated single organizational unit to carry out the provisions of the OAA.

(b) **Authority.** The authority for this Section is Section 305 of the OAA of 1965, as amended.

(c) **Procedures.** In 1963, the Special Unit on Aging was created as a part of the Department of Human Services to serve as Oklahoma's State Agency. In 1983, the Department of Human Services created the Division of Aging Services, now known as Aging Services Division, which placed the Special Unit on Aging with other programs within the Department that serve primarily the elderly. On July 26, 1988, the Governor of Oklahoma, through Executive Order 88-13, authorized and designated the Oklahoma Commission for Human Services, acting through the Department of Human Services and its Aging Services Division, to be the sole agency of the State of Oklahoma to administer and supervise the administration of the OAA programs.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-11. State Agency responsibilities

(a) **Policy.** The State Agency has responsibilities related to the provisions of the Older Americans Act (OAA) to:

- (1) develop a State Plan on Aging as prescribed by the Administration for Community Living;
- (2) administer the State Plan on Aging;
- (3) coordinate all state activities related to the OAA purposes and actively pursue resource development at all levels of the aging network;
- (4) serve as an effective and visible advocate for older Oklahomans;
- (5) divide the state into planning and service areas for the purpose of designating Area Agencies on Aging (AAA);
- (6) serve as a clearinghouse for the exchange of information pertinent to older Oklahomans;
- (7) provide consultation, technical assistance, and training to AAAs and Title III project staffs related to their responsibilities under Title III of the OAA;
- (8) develop rules and program standards, as appropriate, to carry out the mission of the OAA at all levels of the Title III aging networkby:
 - (A) convening intra and interagency task forces to review program issues and make recommendations for policy development;
 - (B) submitting proposed policy for review and comment to the appropriate:
 - (i) Title III aging network entities; and
 - (ii) Oklahoma Human Services staff; and
 - (C) distributing the codified rules to the Title III aging network; and
- (9) determine election regarding nutrition services incentive program (NSIP) cash payments in lieu of agricultural commodities and products purchased by the United States Secretary of Agriculture for all or any portion thereof.

(b) **Authority.** The authority for this Section are Sections 305(a)(1) and 311(d)(1) of the OAA of 1965, as amended.

(c) **Procedures.** Procedures are outlined separately in this Part for areas of responsibility identified in (a) of this Section.

(d) **Cross references.** Refer to Oklahoma Administrative Code 340:105-10-13 through 340:105-10-25.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 13 Ok Reg 1561, eff 4-2-96 (emergency); Amended at 14 Ok Reg 1407, eff 5-12-97 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 38 Ok Reg 2337, eff 9-15-21]

340:105-10-12. State Council on Aging

(a) **Policy.** The State of Oklahoma has a State Council on Aging meeting the requirements for the Older Americans Act (OAA), and Aging Services (AS) need for statewide representation of older Oklahomans and service providers.

(b) **Authority.** The authority for this Section is Section 305 of the OAA of 1965, as amended and the Oklahoma State Council on Aging Bylaws.

(c) **Cross reference.** Refer to Oklahoma Administrative Code 340:105-1-10.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09 ; Amended at 28 Ok Reg 898, eff 6-1-11 ; Amended at 32 Ok Reg 1927, eff 9-15-15 ; Amended at 38 Ok Reg 2337, eff 9-15-21]

340:105-10-13. State Plan on Aging

(a) **Policy.** In order to receive Older Americans Act (OAA) funding, the State Agency must have a developed and approved State Plan on Aging (State Plan). The State Plan must be on file with the Administration for Community Living (ACL) and available for public review.

(b) **State Plan.** The Oklahoma Human Services (OKDHS) Aging Services (AS) State Plan encompasses and delineates the programmatic commitments that AS, as the designated State Unit on Aging, administers, coordinates, or supervises during a given multi-year period. AS develops the State Plan for approval by the Governor of Oklahoma and for gubernatorial submission to the Assistant Secretary for Aging.

(c) **State Plan Requirements.** At a minimum, the State Plan must include:

- (1) identification of the state agency designated to develop and administer the State Plan;
- (2) statewide program objectives to implement requirements under Title III of the OAA and objectives established by the Assistant Secretary for Aging through the rulemaking process;
- (3) a resource allocation plan and budget, indicating the proposed use of all Title III funds administered by the State Agency and the distribution of Title III funds to each planning and service area (PSA);
- (4) identification of PSA and of Area Agencies on Aging (AAA) geographic boundaries;
- (5) prior federal fiscal year information related to the:
 - (A) number of low-income, minority older Oklahomans;
 - (B) methods used to attempt to satisfy the service needs of such minority older Oklahomans; and
 - (C) methods used to attempt to satisfy the service needs of older Oklahomans residing in rural areas;
- (6) all assurances and provisions in the OAA and regulations ensure:
 - (A) preference is given to older Oklahomans in the greatest economic and social need and to older Oklahomans at risk for institutional placement with particular attention given to those residing in rural areas; low-income, minority older Oklahomans; and older

Oklahomans with limited English proficiency in the provision of services under the plan;
(B) all services under the OAA are provided without use of any means tests;
(C) all services provided under Title III meet existing state and local health and safety licensing requirements for the provision of those services;
(D) older Oklahomans are provided opportunities to voluntarily contribute to the cost of services; and
(E) other such assurances as are needed for compliance with OAA, regulations, other applicable federal and state laws; and

(7) the State Council on Aging membership and responsibilities.

(d) **State Plan Objectives.** The State Plan identifies the objectives AS proposes to achieve during the multi-year period and the plan(s) of action implemented in order to meet the identified objectives.

(1) The State Plan:

(A) identifies the manner in which the state is divided into planning and service areas and the designation of AAAs;
and

(B) sets forth the resource allocations under the program by providing information regarding the methods, data, and rationale used in developing the State Plan and formulating planning priorities.

(2) Prior to submitting the State Plan to the Governor, AS holds a public hearing(s) on the proposed State Plan, per Part 1321.27 of Title 45 of the Code of Federal Regulations (45 C.F.R. Part 1321.27). Public notice of each hearing is provided as required. A summary of the State Plan is available for review. The complete State Plan is available through AS.

(A) The State Council on Aging and the public have an opportunity to review and comment on the State Plan.

(B) AS revises the State Plan as appropriate, following State Council on Aging and public comments.

(C) AS submits the State Plan to the Governor.

(e) **Authority.** The authority for this Section is Section 307 of the OAA and 45 C.F.R. Part 1321.17.

(f) **Cross references.** Refer to Oklahoma Administrative Code 340:105-10-14 and 340:105-1-4.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09 ; Amended at 38 Ok Reg 2337, eff 9-15-21]

340:105-10-14. State Plan amendments

(a) **Policy.** The State Agency may amend the State Plan whenever necessary to reflect:

(1) new or revised federal statutes or regulations;

(2) a material change in any law, organization, policy or State Agency operation; or

(3) information required annually by Section 307(a)(15) of the Older Americans Act, as amended.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.19.

(c) **Procedures.** State Plan amendments are submitted to the State Council on Aging, Department of Human Services Executive Office, and Governor for approval prior to being submitted to the Administration on Aging regional office for final approval. Amendments to the State Plan, which have the potential for substantially impacting older Oklahomans, go through the public hearing process as outlined in OAC 340:105-10-13(c)(10) through (13).

(d) **Cross references.** See OAC 340:105-10-13.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-15. State Plan administration - Title III compliance monitoring

(a) **Policy.** The State Agency has responsibility for carrying out all activities under the State Plan on Aging.

(b) **Authority.** The authority for this Section is Section 303(c)(1) and (2) of the Older Americans Act of 1965, as amended and Parts 1321.7(b) and (c) and 1321.11(b) of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The State Agency carries out its responsibilities under the State Plan on Aging by:

(1) developing and monitoring a management plan for the State Plan on Aging that includes:

- (A) overall goals of the plan;
- (B) measurable objectives outlining what is done to reach the goal;
- (C) action steps describing how each objective is accomplished, such as specific tasks;
- (D) staff assignments of responsibility for each objective;
- and
- (E) a format for tracking accomplishment of action steps and objectives;

(2) submitting to the Administration on Aging regional office all required program and fiscal reports related to State Plan activities;

(3) developing and updating a statewide policies and procedures manual for the administration of Title III Older Americans Act programs;

(4) developing a format for Area Plans and providing technical assistance for the plans to Area Agencies on Aging (AAAs);

(5) reviewing and approving all Area Plans;

(6) monitoring AAA program and fiscal reports;

(7) annually conducting two desk reviews and a minimum of one on-site assessment of each AAA and forwarding written reports to the AAA;

(8) providing technical assistance to the AAAs, as appropriate;

- (9) conducting quality assurance activities related to State Agency functions; and
- (10) utilizing probationary status, suspension of funding, or other appropriate action when the AAA fails to achieve compliance with outlined requirements.

(d) **Cross references.** See OAC 340:105-10-11(a)(7), 340:105-10-15, and 340:105-10-21.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 15 Ok Reg 249, eff 10-9-97 (emergency); Amended at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06]

340:105-10-16. Coordination and resource development

- (a) **Policy.** The State Agency shall carry out activities which ensure maximum availability of services to the State's elderly population.
- (b) **Authority.** The authority for OAC 340:105-10-16 is 45 CFR Part 1321.7; Section 305(1)(C), Older Americans Act.
- (c) **Procedures.** The State Agency ensures maximum availability of services to the State's elderly via the following coordination and resource development activities:
 - (1) Identifying national and state programs which impact or could impact the elderly;
 - (2) Participating in intra and interagency organizations developed for purposes of information sharing, joint planning and service delivery;
 - (3) Establishing public/private coalitions to address the growing needs of the elderly;
 - (4) Entering into cooperative agreements with state agencies and organizations in order to clearly outline respective responsibilities and expected outcomes;
 - (5) Extending opportunities for participation in State Agency sponsored training to state health and social service agencies who serve and/or advocate for the elderly;
 - (6) Extending opportunities for participation in State Agency sponsored training to businesses and other private entities; and
 - (7) Participating in training sponsored by other state agencies/ organizations or businesses which improve the skills of State Agency staff and/or otherwise further the interests/needs of Oklahoma's elderly.

(d) **Cross references.** See OAC 340:105-10-11(a)(3).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-17. Advocacy

- (a) **Policy.** The State Agency on Aging serves as a visible and effective advocate for older Oklahomans.
- (b) **Authority.** The authority for this Section is Section 1321.13 of Title 45 of the Code of Federal Regulations; and Section 305(1)(D) of the Older Americans Act of 1965, as amended.
- (c) **Procedures.** The State Agency on Aging serves as a visible and effective advocate for older Oklahomans by:

- (1) reviewing, monitoring, evaluating, and commenting on federal, state and local plans, budgets, regulations, programs, laws, levies, hearings, policies, and actions that affect or may affect older persons and recommending any changes the State Agency considers appropriate;
- (2) providing technical assistance to agencies, organizations, associations, or individuals representing older persons; and
- (3) reviewing and commenting, upon request, on applications to state and federal agencies for assistance relating to meeting the needs of older persons.

(d) **Cross references.** See OAC 340:105-10-11(a)(4).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-10-18. Designation of planning and service areas

(a) **Policy.** The State Agency divides the state of Oklahoma into distinct planning and service areas (PSAs) in accordance with guidelines issued by the Administration on Aging.

- (1) The factors to be considered in designating PSAs include, but are not limited to:
 - (A) the geographical distribution of older individuals in the state;
 - (B) the incidence of the need for supportive services, nutrition services, multipurpose senior centers, and legal assistance;
 - (C) the distribution of older individuals who have the greatest economic need, with particular attention to low income minority individuals, and older individuals residing in rural areas in service areas;
 - (D) the distribution of older individuals who have the greatest social need, with particular attention to low income minority individuals, and older individuals residing in rural areas in service areas;
 - (E) the distribution of older individuals who are Native Americans residing in service areas;
 - (F) the distribution of resources available to provide such services or centers;
 - (G) the boundaries of existing areas within the state which are drawn for the planning or administration of supportive services programs;
 - (H) the location of units of general purpose local government within the state; and
 - (I) any other relevant factors.
- (2) In determining PSAs the State Agency may designate:
 - (A) any unit of general purpose local government which has a population of 100,000 or more;
 - (B) any region within the state recognized for purposes of area wide planning which includes one or more such units of general purpose local government when the state determines that the designation of such regional PSA is

necessary and enhances the effective administration of programs authorized under Title III of the Older Americans Act (OAA); or

(C) areas which were designated for the planning or administration of supportive services programs.

(3) The State Agency may include in any designated PSAs such additional areas adjacent to the unit of general purpose local government or region so designated as the State Agency determines to be necessary and enhances the effective administration of programs authorized under Title III of the OAA.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Parts 1321.29 and 1321.31 and Sections 305(a)(1) (E), 305(b)(1), and 305(b)(5) of the OAA of 1965, as amended.

(c) **Procedures.** The State Agency implements the designation of PSAs by:

(1) considering the factors outlined in subsection (a)(1) - (3);

(2) determining the boundaries for PSAs; and

(3) providing an opportunity for appeal to any applicant denied PSA designation who submits a written request for a hearing within 30 days of the notice of denial of designation.

(d) **Cross references.** See OAC 340:105-10-11(a)(5), 340:105-10-19, 340:105-10-20, and 340:105-10-21.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 15 Ok Reg 249, eff 10-9-97 (emergency); Amended at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-19. Revising the boundaries of planning and service areas

(a) **Policy.** The State Agency establishes appropriate procedures for providing due process to affected parties when the State Agency initiates action to:

(1) designate an additional planning and service area(s) (PSA(s) in the state;

(2) divide the state into different PSAs; or

(3) otherwise affect the boundaries of the PSAs.

(b) **Authority.** The authority for this Section is Section 305(b)(5) of the Older Americans Act of 1965, as amended.

(c) **Procedures.**

(1) The State Agency:

(A) provides written notice of the proposed action or proceeding affecting PSA boundaries to existing PSAs, and to any other affected parties, including clear documentation of the need for proposed action;

(B) conducts a public hearing on the proposed action or proceeding;

(C) invites the participation at the public hearing of affected Area Agencies on Aging (AAAs), Title III service projects, and older persons; and

(D) requests written comments from the affected AAAs, Title III service projects, and older persons.

(2) An adversely affected party involved in the action or proceeding may bring an appeal to the Assistant Secretary for Aging of the Administration on Aging (AoA) on the basis of:

- (A) the facts and merits of the matter that are the subject of the action or proceeding; or
- (B) procedural grounds.

(3) The procedure for appeal includes the:

- (A) State Agency notifies affected parties of the right to appeal in all written notices of the proposed action; and
- (B) affected party may appeal in writing to the Assistant Secretary for Aging of the AoA within 30 days of the State Agency decision. Written requests must state:

- (i) the decision(s) for which an appeal is being made; and
- (ii) legal name(s), address(es), and telephone number(s) of appellant(s).

(d) **Cross references.** See OAC 340:105-10-11(a)(5), 340:105-10-18, 340:105-10-20, and 340:105-10-21.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 15 Ok Reg 249, eff 10-9-97 (emergency); Amended at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06]

340:105-10-20. Designation of Area Agencies on Aging

(a) **Policy.** The State Agency annually designates Area Agencies on Aging (AAAs) to carry out the mission of the Older Americans Act (OAA) at the substate level. The State Agency may not designate any regional or local office of the state as an AAA. When the State Agency designates a new AAA, it gives the right of first refusal to a unit of general purpose local government if such unit can meet the requirements of Section 305(c) of the OAA, and the boundaries of such a unit and the boundaries of the designated planning and service area (PSA) are reasonably contiguous. In addition to units of general purpose local government, other entities may be considered for AAA designation to include:

- (1) an established office of aging which is operating within a designated PSA;
- (2) any office or agency of a unit of general purpose local government which is designated to function only for the purpose of serving as an area agency by the chief elected official of such unit;
- (3) any office or agency designated by the appropriate chief elected officials of any combination of units of general purpose local government to act only on behalf of such combination for such purpose;
- (4) any public or nonprofit private agency in a PSA, or any separate organizational unit within such agency, which is under the supervision or direction for this purpose of the designated State Agency and engages only in the planning or provision of a broad range of supportive services, or nutrition services within such PSA; or

(5) in the case of a state being designated as a single PSA, the State Agency.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.33 and Section 305(c) of the OAA of 1965, as amended.

(c) **Procedures.** Prior to the annual designation of AAAs, the State Agency conducts activities to include:

(1) publishing a Local Project Funding Contract Announcement in the Oklahoma Register which outlines the:

- (A) description of the project;
- (B) amount of funds available;
- (C) applicant eligibility criteria;
- (D) application deadline; and
- (E) contact person's name, address, and telephone number;

(2) accepting and reviewing applications based on a published Area Plan format;

(3) providing appropriate technical assistance to applicants regarding application deficiencies;

(4) awarding Title III funding to those applicants who best demonstrate their ability to carry out the functions of an AAA; and

(5) providing an opportunity for appeal to any applicant denied AAA designation who submits a written request for a hearing within 30 days of the notice of denial.

(d) **Cross references.** See 340:105-10-10, OAC 340:105-10-11(a)(5), 340:105-10-30, 340:105-10-31 and 340:105-10-33.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-21. Withdrawal of Area Agency on Aging designation

(a) **Policy.** The State Agency may withdraw the area agency on aging (AAA) designation when it, after reasonable notice and opportunity for a hearing, finds that:

- (1) the AAA does not meet the requirements of this Part;
- (2) the area plan or plan amendment is not approved;
- (3) there is substantial failure in the provisions or administration of the approved area plan to comply with any provision of the Older Americans Act (OAA), applicable regulations, or policies and procedures established and published by the State Agency in the Oklahoma Administrative Code; or
- (4) activities of the AAA are inconsistent with the statutory mission prescribed in the OAA that it function only as an AAA.

(b) **Authority.** The authority for this Section is Part 1321.35 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.**

(1) Prior to withdrawing the AAA designation, the State Agency:

- (A) notifies the AAA in writing of cause for withdrawal of designation;
- (B) conducts a public hearing on proposed withdrawal of AAA designation;

(C) invites participation in the public hearing of the affected AAA, Title III or Title VII service projects, and older persons;

(D) requests written comments from the affected AAA, Title III or Title VII service projects, and older persons in the planning and service area;

(E) notifies the AAA in writing of the decision to withdraw AAA designation; and

(F) provides to any affected party an opportunity for an appeal of the decision to the Assistant Secretary for Aging of the Administration on Aging, following the procedures in this subparagraph. The State Agency:

(i) notifies the AAA and all other affected parties of the right to appeal in all written notices of the proposed action;

(ii) accepts and processes all requests for appeal that are submitted in writing to the State Agency within 30 days of the conduct of the public hearing on the proposed action. The written request must outline the:

(I) decision for which the appeal is being made;

(II) legal name, address, and telephone number of the appellant(s); and

(III) documented information regarding how the AAA withdrawal will affect the appellant(s); and

(iii) forwards the appeal request and all supporting documentation to the Assistant Secretary for Aging within 14 days of receipt.

(2) After completing withdrawal of AAA designation procedures, the State Agency:

(A) provides a plan for the continuity of AAA functions and services in the affected planning and service area;

(B) timely designates a new AAA; and

(C) for a period of up to 180 days after final notice of withdrawal of AAA designation, may, if necessary to ensure continuity of the services in a planning and service area:

(i) perform the responsibilities of the AAA; or

(ii) assign the responsibilities of the AAA to another AAA in the planning and service area.

(3) The Assistant Secretary for Aging may extend the 180-day period when the State Agency:

(A) notifies the Assistant Secretary for Aging in writing of its action;

(B) requests an extension; and

(C) demonstrates to the satisfaction of the Assistant Secretary for Aging a need for the extension.

(d) **Cross references.** See OAC 340:105-10-20 and 340:105-10-30.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 23 Ok Reg 1062, eff 7-15-06]

340:105-10-22. Clearinghouse of information

- (a) **Policy.** The State Agency on Aging shall be a clearinghouse of information on elderly issues.
- (b) **Authority.** The authority for OAC 340:105-10-22 is 45 CFR Part 1321.7.
- (c) **Procedures.** The State Agency serves as a clearinghouse of information on elderly issues through the following activities:
- (1) Maintaining a library with a variety of materials dealing with older persons and their needs;
 - (2) Maintaining access to national information resources; and
 - (3) Responding to requests for information from individuals, agencies, organizations, etc.
- (d) **Cross references.** See OAC 340:105-10-11(a)(6).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-23. Consultation, technical assistance, and training to Title III staff

- (a) **Policy.** The State Agency provides consultation, technical assistance, and training to Title III staff throughout the State in order to further the mission of the Older Americans Act, as amended.
- (b) **Authority.** The authority for OAC 340:105-10-23 is 45 CFR Part 1321.7.
- (c) **Procedures.** The State Agency on Aging provides consultation, technical assistance, and training to Title III staff throughout the State via the following activities:
- (1) Information and policy memos;
 - (2) On-site visits;
 - (3) Surveys of training needs;
 - (4) Organized training sessions, workshops, etc.;
 - (5) Dissemination of training materials; and
 - (6) Telephone consultation.
- (d) **Cross references.** See OAC 340:105-10-11(a)(7).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-24. Policy and program standards [REVOKED]

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Revoked at 38 Ok Reg 2337, eff 9-15-21]

340:105-10-25. Commodity and cash in lieu election

- (a) **Policy.** The State Agency determines election regarding nutrition services incentive program (NSIP) cash payments in lieu of agricultural commodities and products purchased by the United States (U.S.) Secretary of Agriculture for all or any portion thereof.

(b) **Authority.** The authority for this Section is Section 311(d)(1) of the Older Americans Act of 1965, as amended.

(c) **Procedures.** The State Agency elects to receive agricultural commodities and products purchased by the U.S. Secretary of Agriculture or cash payments in lieu for all or any portion by:

(1) determining the capacity level of nutrition programs to utilize commodities;

(2) determining if there is any monetary advantage in utilizing commodities;

(3) determining if there is an adequate variety of commodities, efficient distribution, and storage facilities;

(4) determining the views of the Area Agencies on Aging and local nutrition projects; and

(5) submitting election to the federal agency.

(d) **Cross references.** See OAC 340:105-10-11(a)(9).

[Source: Added at 13 Ok Reg 1561, eff 4-2-96 (emergency); Added at 14 Ok Reg 1407, eff 5-12-97 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06]

PART 5. AREA AGENCIES ON AGING

340:105-10-30. Designation of Area Agencies on Aging

(a) **Policy.** An entity applying for designation as an Area Agency on Aging (AAA) must be an agency whose single purpose is to administer programs for older persons or a separate organizational unit within a multipurpose agency which functions only for purposes of serving as the AAA. Once designated, the AAA is responsible for providing adequate and qualified staff to perform all functions of the AAA. A designated AAA continues to function in that capacity until the AAA informs the State Agency that it no longer wishes to carry out the responsibilities of an AAA, or until the State Agency withdraws the designation of the AAA as provided for in OAC 340:105-10-21.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.55.

(c) **Procedures.** To apply for designation as an AAA, an entity described in (a) of this Section must respond in the State Agency prescribed Area Plan format as provided in OAC 340:105-10-33 to the Local Funding Contract Announcement published annually in the Oklahoma Register. Application packets and technical assistance may be obtained from Aging Services Division, Department of Human Services at P. O. Box 25352, Oklahoma City, OK 73125, (405) 521-2281.

(d) **Cross references.** See OAC 340:105-10-20, 340:105-10-21, 340:105-10-31 and 340:105-10-33.

340:105-10-31. Responsibilities of area agencies on aging

(a) **Policy.** Area agencies on aging (AAAs) are responsible for activities related to the development or enhancement of comprehensive and coordinated community-based systems of services in the planning and service areas (PSAs), including:

- (1) establishing and maintaining an AAA advisory council;
- (2) developing an Area Plan on Aging as prescribed by the State Agency on Aging;
- (3) administering the Area Plan on Aging;
- (4) coordinating all area activities related to the purposes of the Older Americans Act, and actively pursuing resource development at the local and area levels;
- (5) targeting resources to older persons in greatest social and economic need;
- (6) developing, coordinating, and administering an Emergency Preparedness Plan;
- (7) serving as a visible and effective advocate for older persons in the PSA;
- (8) granting funding to local sponsors for the provision of direct Title III services;
- (9) designating one or more focal points on aging in each community for the maximum collocation and coordination of services for older persons;
- (10) monitoring and evaluating the local service projects; and
- (11) providing technical assistance and training to Title III project staff related to responsibilities under Title III of the Older Americans Act.

(b) **Authority.** The authority for this Section is Sections 1321.53 and 1321.61 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** Procedures are outlined separately in this Part for each area of responsibility identified in (a) of this Section.

(d) **Cross references.** See OAC 340:105-10-33 through 340:105-10-45.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-10-32. Area Agency on Aging advisory council

(a) **Policy.** Each Area Agency on Aging (AAA) establishes and maintains an advisory council. The council carries out advisory functions that further the AAA's mission of developing and coordinating community-based systems of services for all older Oklahomans in the planning and service area.

- (1) The advisory council is separate and distinct from the AAA governing board and is composed of:
 - (A) more than 50 percent older Oklahomans, including minority persons who are participants or who are eligible to participate in Title III programs, and family caregivers of such persons;
 - (B) representatives of older Oklahomans;
 - (C) representatives of health care provider organizations, including providers of veterans' health care, when appropriate;

- (D) representatives of supportive services providers;
- (E) persons with leadership experience in the private and voluntary sectors;
- (F) local elected officials;
- (G) the general public; and
- (H) representatives of each county within the service area.

(2) The advisory council may not be composed of:

- (A) State Agency staff or governing board members;
- (B) AAA staff or governing board members;
- (C) Title III project staff or governing board members; or
- (D) other persons that may give an appearance of a potential conflict of interest.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.57.

(c) **Procedures.**

(1) The advisory council is responsible for advising the AAA in regard to:

- (A) developing and administering the Area Plan;
- (B) conducting public hearings;
- (C) representing the interests of older Oklahomans; and
- (D) reviewing and commenting on all community policies, programs, and actions that affect older persons with the intent of assuring maximum coordination and responsiveness to older Oklahomans.

(2) The AAA is responsible for supporting the efforts of the advisory council. The AAA:

- (A) schedules meetings of the full council at least quarterly and provides staff assistance to same;
- (B) keeps the council informed of all matters relating to Area Plan development and administration;
- (C) maintains close contact with advisory council officers;
- (D) assists the council in developing bylaws. The bylaws, at a minimum, address the:
 - (i) size and composition of the council;
 - (ii) tenure and selection procedures for members;
 - (iii) frequency of meetings; and
 - (iv) functions of the council;
- (E) provides reimbursement for travel and other allowable expenses to council members, as appropriate;
- (F) submits the Area Plan and subsequent amendments to the council for review and comment before they are submitted to the State Agency for approval; and
- (G) conducts annual training for advisory council members to provide orientation to the rights and responsibilities of advisory council members.

(d) **Cross references.** Refer to Oklahoma Administrative Code 340:105-10-31(a)(1).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 20 Ok Reg 938, eff 6-1-03 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09 ; Amended at 38 Ok Reg 2337, eff 9-15-21]

340:105-10-33. Area Plan on Aging

(a) **Policy.** In order to receive or continue Area Agency on Aging (AAA) designation, the applicant agency must develop an Area Plan for a two, three, or four year period as determined by the State Agency, with annual adjustments as may be necessary. The format for the Area Plan is predetermined by the State Agency and includes, at a minimum:

- (1) a mission statement of the AAA;
- (2) an overview of the Older Americans Act (OAA) and the aging network;
- (3) a listing of the AAA advisory council members and their responsibilities;
- (4) a summary of the needs and priorities of older persons in the planning and service area (PSA) and in each respective county within the PSA;
- (5) goals and measurable objectives that reflect the identified needs and priorities of older persons in the PSA and comply with state and federal mandates;
- (6) a financial management plan;
- (7) a description of emergency preparedness efforts in the PSA;
- (8) a listing of all designated focal points in the PSA;
- (9) all provisions and assurances required by the OAA, related regulations, and State Agency policy; and
- (10) a summary of the public hearing conducted on the proposed Area Plan.

(b) **Authority.** The authority for this Section is Section 306 of the OAA of 1965, as amended.

(c) **Procedures.** To implement the policy for the Area Plan development, the AAA staff:

- (1) obtains the Area Plan guide and format from State Agency;
- (2) outlines the Area Plan development timeline;
- (3) develops a data profile on older Oklahomans in the PSA through the use of census data and other appropriate information;
- (4) conducts needs assessment and service evaluation activities in the PSA, including an annual evaluation of outreach services and periodic evaluations of activities carried out under the Area Plan. Specific needs assessment and service evaluation methodologies include, but are not limited to:
 - (A) public hearings; or
 - (B) administration of survey instruments to older consumers, service providers, advocates, and other interested persons;
- (5) analyzes the results of needs assessment activities, and outlines identified priority needs in the PSA;
- (6) evaluates special targeting needs and program initiatives, considering all state and federal mandates;
- (7) designates and lists community focal points;
- (8) outlines and evaluates the existing service delivery system, including services, coordination, advocacy, and training activities;

- (9) presents a summary of needs and priorities to the AAA advisory council and solicits input for Area Plan goals and objectives;
- (10) develops the draft summary of the Area Plan, including:
- (A) summary of the OAA of 1965, as amended;
 - (B) profile of older persons in the PSA;
 - (C) listing of the identified priority needs of older persons in the PSA;
 - (D) description and evaluation of the current service system;
 - (E) Area Plan goals and objectives;
 - (F) AAA advisory council membership and responsibilities; and
 - (G) financial management plan that includes:
 - (i) a resource allocation plan that outlines the allotment of Title III funds for administration, direct services, and subgranted services as outlined in OAC 340:105-10-95;
 - (ii) an outline of the amount of funds expended for Title III-B priority services during the fiscal year most recently concluded as outlined in OAC 340:105-10-96;
 - (iii) a budget justification;
 - (iv) the AAA funding formula as outlined in OAC 340:105-10-100; and
 - (v) a summary of the process used to award funds as outlined in OAC 340:105-10-40, 340:105-10-100, and 340:105-10-101;
- (11) submits the Area Plan summary to State Agency, AAA advisory council, board of directors, and other interested entities at least two weeks prior to conducting a public hearing(s) on the Area Plan;
- (12) arranges to hold the public hearing(s) in a facility that is accessible to persons with disabilities, and secures the services of interpreters as needed for persons who are hearing impaired and for other languages spoken in the PSA;
- (13) publicizes the public hearing(s) at least two weeks prior to holding it, outlining dates, times, and locations, and ensures that older persons, public officials, and other interested persons have reasonable opportunities to participate. Publicity efforts must include:
- (A) a variety of media utilized in order to reach all persons in the PSA, with particular emphasis on reaching minorities, rural residents, and persons with disabilities;
 - (B) media notices that are repeated, where feasible, to ensure that all persons in the PSA are reached;
 - (C) written notification posted in places frequented by older persons, such as nutrition sites, banks, post offices, grocery stores;
 - (D) media notices that include information concerning availability and location of the complete Area Plan for

review by interested parties prior to the public hearing(s);
and

(E) media notices that include information regarding the availability of interpreter services, upon request;

(14) conducts the public hearing(s) in a manner that allows a reasonable number of persons, if not all, to comment on the proposed Area Plan verbally or in writing;

(15) incorporates written and verbal comments from the hearing(s) into the revised Area Plan, as appropriate;

(16) submits to the AAA advisory council for approval the revised and completed Area Plan, including all parts outlined in the Area Plan guide;

(17) submits the revised and completed Area Plan to the AAA board of directors for approval and signatures; and

(18) submits the final and completed Area Plan to State Agency for approval at least two months prior to its effective date.

(d) **Cross references.** See OAC 340:105-10-31(a)(2), 340:105-10-34, 340:105-10-35, 340:105-10-36, 340:105-10-40, 340:105-10-95, 340:105-10-96, 340:105-10-100, and 340:105-10-101.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-10-34. Amendments to the Area Plan

(a) **Policy.** An Area Agency on Aging (AAA) amends its Area Plan when circumstances include:

(1) a new or amended state or federal statute or regulation requiring a new provision or conflicting with any existing plan provisions;

(2) an United States Supreme Court decision changing the interpretation of a statute or regulation;

(3) the AAA proposing to add, substantially modify, or delete any Area Plan objective(s);

(4) the AAA proposing to substantially modify its budget;

(5) new or amended State Agency policy requiring a new provision or conflicting with any existing plan provisions; or

(6) annually revising information required by Section 307(a) of the Older Americans Act, as amended.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Parts 1321.11 and 1321.59.

(c) **Procedures.** Proposed amendments to the Area Plan must be documented on those Area Plan exhibits affected by the revision(s) and submitted with written rationale to the State Agency for approval. All Area Plan amendments must be subject to review and comment in accordance with the public hearing procedure outlined in OAC 340:105-10-33, except in cases where the State Agency requires technical revisions, or an objective is modified or deleted because it cannot be attained due to factors beyond the control of the AAA. The State Agency may waive the public hearing requirement only after considering the public interest relative to the amendment. All Area Plan amendments, including annual updates, must follow procedures outlined in OAC

340:105-10-33. The AAA follows additional State Agency guidance, as provided, regarding annual Area Plan updates.

(d) **Cross references.** See OAC 340:105-10-33, 340:105-10-35, and 340:105-10-36.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-35. Area Plan Management Plan

(a) **Policy.** The Area Agency will develop an annual Management Plan to outline the actions necessary to accomplish the Area Plan goals and objectives. A format for the Management Plan shall be provided by the State Agency.

(b) **Authority.** The authority for 340:105-10-35 is 45 CFR Part 1321.11.

(c) **Procedures.** The Area Agency will consider each of its Area Plan objectives and will outline the specific actions necessary to complete them on a format provided or approved by the State Agency. The Area Agency must submit its completed Management Plan to the State Agency for review at least six weeks prior to its effective date. The Area Agency will include the following in the Management Plan:

- (1) Area Plan goals and objectives;
- (2) Specific action steps planned to carry out each objective;
- (3) Target dates for the completion of each action step; and
- (4) Staff person(s) responsible for accomplishing each action step.

(d) **Cross references.** See OAC 340:105-10-33, 340:105-10-34, and 340:105-10-36.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-36. Area Plan administration

(a) **Policy.** The Area Agency on Aging (AAA) carries out all activities under the Area Plan on Aging.

(b) **Authority.** The authority for this Section is Section 306 and Section 212(b)(1) of the Older Americans Act, as amended, and Parts 1321.61 and 1321.53 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The AAA:

(1) develops and monitors a management plan for the Area Plan on Aging which includes:

- (A) overall plan goals;
- (B) measurable objectives outlining the plan to reach goals;
- (C) action steps that describe how each objective is accomplished, such as specific tasks;
- (D) staff assignments of responsibility for each objective; and
- (E) target completion dates for action steps; and

(2) submits all required program and fiscal reports related to Area Plan activities to Oklahoma Human Services Community Living, Aging and Protective Services;

- (3) develops a Title III request for proposal (RFP) package and provides technical assistance on the applications to prospective grantees;
- (4) reviews and approves Title III RFPs;
- (5) monitors Title III project programs and fiscal reports in the planning and service area (PSA);
- (6) conducts on-site or virtual quarterly assessments with each Title III project and forwards follow-up written reports to each project;
- (7) provides technical assistance to the Title III projects as appropriate; and
- (8) develops a policy and procedures manual for Title III projects in the PSA.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-31(a)(3), 340:105-10-33, and 340:105-10-34.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-37. Coordination and resource development

(a) **Policy.** The Area Agency on Aging (AAA) performs activities which maximize the availability of all services to older persons in the planning and service area (PSA), and reduce duplication of effort. Particular effort is made to coordinate with:

- (1) organizations providing child care services for children, assistance to older persons caring for relatives who are children, and respite for families to provide opportunities for older persons to aid or assist on a voluntary basis;
- (2) organizations established for the benefit of victims of Alzheimer's disease;
- (3) the State Agency and the Oklahoma Department of Mental Health and Substance Abuse Services to:
 - (A) increase public awareness of mental health disorders;
 - (B) remove barriers to diagnosis and treatment; and
 - (C) coordinate mental health services, including mental health screenings, provided with funds expended by the AAA with mental health services provided by community health centers and by other public agencies and nonprofit private organizations;
- (4) job training and partnership programs;
- (5) Title II programs of the Domestic Volunteer Service Act of 1973;
- (6) Titles XVI, XVIII, XIX, and XX programs of the Social Security Act;
- (7) federal housing programs, United States Housing Act of 1937 or Section 202 of the Housing Act of 1959;
- (8) Title I programs of the Housing and Community Development Act of 1974;
- (9) adult education programs, Title I of the Higher Education Act of 1965 or Adult Education Act;

(10) transportation programs, Section 5310 of the Transportation Equity Act;

(11) public health programs, Title XIX of the Public Health Service Act;

(12) energy assistance programs, Low-Income Home Energy Assistance Act of 1981;

(13) weatherization assistance for low income persons, Part A of the Energy Conservation in Existing Buildings Act of 1976;

(14) programs funded by the Community Services Block Grant Act; and

(15) trained volunteers providing direct services to older persons and persons with disabilities working when possible with organizations that have experience in providing training, placement, and stipends for volunteers or participants in community services settings such as organizations carrying out federal service programs administered by the Corporation for National and Community Service.

(b) **Authority.** The authority for this Section is Section 306(a)(6) of the Older Americans Act of 1965, as amended and Part 1321.53 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The AAA ensures maximum availability of services to older persons in the PSA, and reduces duplication of effort for all agencies and organizations serving older persons . The AAA staff:

(1) identify federal, state, and local programs which impact or could impact the older persons in the PSA and provide information in order to justify the allocation of funds for aging programs;

(2) make application for alternative sources of funding where appropriate, such as grant writing;

(3) participate in interagency organizations developed for purposes of information sharing, joint planning, and service delivery;

(4) establish public and private coalitions to address the growing needs of older persons in the PSA;

(5) enter into cooperative written agreements with local agencies and organizations in order to clearly outline respective responsibilities and expected outcomes;

(6) extend opportunities for participation in AAA sponsored training to:

(A) local health and social services agencies who serve or advocate for older persons;

(B) businesses; and

(C) other private entities; and

(7) participate in training sponsored by other local agencies, organizations, and businesses which improve the skills of AAA staff or otherwise further the interests or needs of older persons in the PSA.

(d) **Cross references.** See OAC 340:105-10-31(a)(4).

340:105-10-38. Targeting resources to older persons in greatest economic or social need

(a) **Policy.** The Area Agency on Aging (AAA) takes a leadership role in assisting communities throughout the planning and service area (PSA) to target resources from all appropriate sources to meet the needs of older persons with greatest economic or social need, with particular attention to low income minority individuals. In addition to low income minority older persons, the groups of older persons targeted for special consideration under this Section include older:

- (1) persons residing in rural or isolated areas;
- (2) persons with severe disabilities;
- (3) persons with limited English proficiency;
- (4) persons at risk for institutional placement;
- (5) persons with Alzheimer's disease and related disorders with neurological and organic brain dysfunction and the caretakers of such persons; and
- (6) Native Americans.

(b) **Authority.** The authority for this Section is Section 306(a)(1) and (4) of the Older Americans Act of 1965, as amended, and Part 1321.61(c) of Title 45 of the Code Of Federal Regulations.

(c) **Procedures.** The AAA carries out its mandate to target resources to older persons with greatest economic or social need, with particular emphasis on low income minority persons and older persons residing in rural areas . The AAA:

- (1) locates services in areas where older persons in greatest economic or social need reside or congregate;
- (2) funds and advocates for specialized services which meet the unique needs of those in greatest economic or social need;
- (3) includes representatives of older persons in greatest economic or social need in the planning of services for these groups . The AAA:

- (A) appoints representatives from the target groups to the AAA advisory council;
- (B) requires Title III projects to appoint representatives from the target groups to the project advisory councils;
- (C) includes leaders of the targeted groups in the annual needs assessment process;
- (D) includes sources of minority, disability, and bilingual professionals in recruitment efforts for AAA staff positions, such as recruitment announcements in publications with large minority and readership with disabilities, or recruitment announcements at minority colleges and universities; and
- (E) maintains written agreements with minority and disability entities;

(4) provides Title III services to low income minority older persons according to their need, to the maximum extent possible. At a minimum, the AAA must:

- (A) determine the numbers and the specialized needs of low income minority older persons in the PSA through its annual needs assessment activities;
 - (B) require Title III grantees to outline specific objectives to serve the low income minority older persons in each PSA; and
 - (C) monitor program reports to ensure that low income minority older persons are receiving services in at least as great a proportion as their numbers bear to the total population of older persons in the PSA;
- (5) provides sufficient outreach services to the targeted groups; and
- (6) provides appropriate training for AAA and Title III project staff to improve their ability to outreach and serve the targeted groups.
- (d) **Cross references.** See OAC 340:105-10-31(a)(5), 340:105-10-33, 340:105-10-51(a)(3), 340:105-10-52(a)(1)(A), 340:105-10-58(a), 340:105-10-60(c), and 340:105-10-62(c).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09]

340:105-10-39. Advocacy

- (a) **Policy.** The Area Agency on Aging (AAA) serves as the public advocate for the development or enhancement of comprehensive and coordinated community-based systems of services in each community throughout the planning and service area (PSA).
- (b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.61, and Section 306(a)(6)(B) of the Older Americans Act of 1965, as amended.
- (c) **Procedures.** In carrying out its advocacy responsibility, the AAA:
- (1) monitors, evaluates, and, when appropriate, comments on all policies, programs, hearings, levies, and community actions which affect older persons in the PSA;
 - (2) solicits comments from the public on the needs of older persons;
 - (3) represents the interests of older persons to local level and executive branch officials, public and private agencies or organizations;
 - (4) consults with and supports the state's Long-Term Ombudsman Program; and
 - (5) undertakes on a regular basis, activities designed to facilitate the coordination of plans and activities with all other public and private organizations, including units of general purpose local government, with responsibilities affecting older persons in the PSA to promote new or expanded benefits and opportunities for older persons.
- (d) **Cross references.** See OAC 340:105-10-31(a)(6).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-40. Funding local sponsors for the provision of direct Title III services

(a) **Policy.** The Area Agency on Aging (AAA) awards all Title III of the Older Americans Act (OAA) of 1965 service funds by grant or contract to community services provider agencies and organizations, except where a direct service waiver(s) has been granted by the State Agency, per OAC 340:105-10-41, for the purpose of developing or enhancing a comprehensive and coordinated community-based system of services for older persons in the planning and service area (PSA). OAC 340:105-10-50.1 lists the services that may be funded under Title III.

(b) **Authority.** The authority for this Section is Section 306(a) and Section 212(b)(1) of the OAA of 1965, as amended, and Section 1321.63(b) of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The AAA staff, advisory council, and board of directors follow the procedures in this Section prior to awarding Title III funds.

(1) AAA staff:

- (A) conducts a needs assessment and identifies priority needs in the PSA;
- (B) evaluates the current service system and identifies any gaps in the system;
- (C) establishes a funding formula that describes the systematic procedure the AAA follows in allocating funds for services within the PSA, per OAC 340:105-10-100;
- (D) develops the request for proposal (RFP) packages for all Title III services to be funded, per OAC 340:105-10-101;
- (E) publicly announces the RFP and distributes RFP packages to potential grantees;
- (F) reviews proposals for required documents and provides feedback and technical assistance, as appropriate, to potential grantees; and
- (G) rates each proposal using approved review criteria.

(2) AAA advisory council evaluates and rates all proposals.

(3) AAA board of directors, or a subcommittee:

- (A) reviews and evaluates all proposals, except for-profit applications that must be reviewed and approved by the State Agency; and
- (B) considers the ratings of the AAA staff and advisory council, and the review findings of the board of directors, and awards funds for the proposals that best meet RFP specifications.

(d) **Cross references.** See OAC 340:105-10-31(a)(7), 340:105-10-41, 340:105-10-50.1, 340:105-10-100, and 340:105-10-101.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09]

340:105-10-41. Title III direct services waivers

(a) **Policy.** Provisions under the Older Americans Act (OAA), including subsequent amendments, specify which Title III direct services are authorized or prohibited under the law. Direct services otherwise prohibited by OAA may be permitted by the State Agency if, in the State Agency's judgment, provision of the services is:

- (1) necessary to ensure an adequate supply of the services;
- (2) related to the administrative functions of the Area Agency on Aging (AAA); or
- (3) more economical and of comparable quality.

(b) **Authority.** The authority for this Section is Section 307(a)(8) of the OAA of 1965, as amended.

(c) **Procedures.** A recipient of a direct service waiver (DSW) must employ a minimum of one staff person dedicated to a waived service, for at least 40 hours per week. Exceptions to the 40 hours per week requirement may be considered by the State Agency on an individual case by case basis. State Agency denial may result in the issuance of a revised request for proposal by the AAA. The State Agency determines that one or more of the criteria listed in (a) of this Section are met for an AAA to provide direct services when the requirement of:

- (1) the necessity to ensure an adequate supply of services is considered met. The AAA can document that it did not receive any proposals to deliver a service in all, or a portion of the planning and service area, after the AAA carried out the request for proposals (RFP) process, per Oklahoma Administrative Code (OAC) 340:105-10-101;
- (2) services related to AAA administrative functions is considered met. Services consist of advocacy, assessment and screening, follow-up and evaluation, information and assistance (I&A), and placement. The State Plan on Aging:
 - (A) indicates all AAAs are allowed to directly provide I&A services; and
 - (B) names the AAAs allowed to directly provide case management services; or
- (3) more economical and of comparable quality is considered met. The AAA service grant application substantiates that, according to AAA standard RFP evaluation criteria, it proposes to provide a priority service more cost effective and of a comparable quality. The cost is calculated on a per unit of service basis.

(d) **Competitive bidding process.** Sub-contracting with a third party entity to provide services under the DSW appears to side-step the competitive bidding process and is not allowed.

(e) **Cross references.** Refer to OAC 340:105-10-40 and 340:105-10-101.

340:105-10-42. Designation of community focal points

(a) **Policy.** The Area Agency shall designate, where feasible, a focal point for comprehensive service delivery in each community in the planning and service area, giving special consideration to designating multipurpose senior centers as such focal points. These focal points shall be established to encourage the maximum collocation and coordination of services for older persons. The Area Agency must undertake all necessary efforts to assure that services financed under the Older Americans Act, as amended, in, or on behalf of, each community will be either based at, linked to or coordinated with the designated focal point.

(b) **Authority.** The authority for OAC 340:105-10-42 is Section 306(a)(3) of the Older Americans Act, as amended, and 45 CFR Part 1321.53(c).

(c) **Procedures.** The Area Agency will designate and implement community focal points by carrying out the following activities:

(1) The Area Agency, with the approval of the State Agency, will define "community" for the purposes of this Section. Factors to be considered in the definition must include:

(A) The delivery pattern of services funded under the Older Americans Act and funded from other sources;

(B) The geographic boundaries of communities and neighborhoods;

(C) The location of multipurpose senior centers, nutrition sites, and other facilities suitable for designation; and

(D) The geographic areas with greatest economic and social need.

(2) The Area Agency, in consultation with local elected officials, will designate one or more focal points (facilities) in each defined community, giving special consideration to multipurpose senior centers. The following factors must be considered for such designation:

(A) The facility's ability, current or potential, to accommodate the collocation of various services in the community;

(B) The facility's geographic accessibility to older persons in the community; and

(C) The facility's physical accessibility for disabled persons according to Americans With Disabilities Act (ADA) standards.

(3) The Area Agency will implement the collocation and coordination of services at each focal point via the following activities:

(A) The Area Agency will work with each identified focal point to develop a work plan for achieving full capacity for collocation of services;

(B) The Area Agency will develop a work plan for assuring that all services funded under the Older Americans Act, as amended, in, or on behalf of each community, are either based at, linked to, or coordinated with that community's focal point(s);

(C) The Area Agency will work with each community's leadership to negotiate written agreements with other agencies/organizations serving the elderly which will

outline each agency/organization's intent to either base its service(s) in, link its service(s) to, or coordinate its service(s) with the community's identified focal point(s); and

(D) The Area Agency will work with each community's leadership to establish operating schedules for focal point services which are convenient for the older persons in the community.

(d) **Cross references.** See OAC 340:105-10-31(a)(8).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-43. Monitoring and evaluation of Title III projects

(a) **Policy.** The Area Agency on Aging (AAA) monitors and evaluates all funded Title III projects ensuring services are provided in accordance with federal and state policy and service grant or contract objectives are met.

(b) **Authority.** The authority for Oklahoma Administrative Code (OAC) 340:105-10-43 is Part 1321.65 and Section 1321.53(a) of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** Except on specific projects where the State Agency has agreed for the AAA to provide a service, the AAA fulfills its responsibility to monitor and evaluate Title III projects by carrying out the activities described in this subsection. The AAA:

(1) develops a policy and procedures manual for Title III projects that includes all federal and state mandates;

(2) monitors the program and fiscal reports of Title III projects;

(3) conducts quarterly program assessments with each Title III project during the first year of operation and semi-annual assessments thereafter when funding is continued. Assessments include evaluation of the extent to which:

(A) the proposed service output, as outlined in the project grant or contract, is met, such as numbers of persons served, units of each service provided, and expenditures by source and service;

(B) each objective and related action steps, are completed by the targeted dates, as indicated in the grant or contract;

(C) provider responsibilities regarding general Title III service standards, outlined in OAC 340:105-10-51, are met;

(D) service specific standards are met; and

(E) federal, state, and local laws and regulations, such as Civil Rights Act and Americans with Disabilities Act, are followed; and

(4) conducts semi-annual fiscal assessments with each Title III project during the first year of operation and annually thereafter if funding is continued. OAC 340:105-10-114 through 340:105-10-116 describe rules regarding Title III project financial management, procurement, and property management

standards ;

(5) forwards written results of all assessments and monitoring visits to projects in a timely fashion, with remedial actions and compliance due dates outlined;

(6) follows up with projects on remedial action compliance; and

(7) uses termination, suspension of funding, or other appropriate action when a project fails to achieve compliance with outlined requirements.

(d) **Cross references.** See OAC 340:105-10-31(a)(10), 340:105-10-36(c) (5) through (8), 340:105-10-51, and 340:105-10-114 through 340:105-10-116.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 22 Ok Reg 20, eff 8-15-04 (emergency); Amended at 22 Ok Reg 915, eff 5-12-05 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:105-10-44. Provision of technical assistance and training to Title III projects

(a) **Policy.** The Area Agency on Aging (AAA) provides technical assistance and training to Title III projects related to all aspects of the project's responsibilities as Title III grantees. As funding permits, the AAA enters into grants and contracts with providers of education and training services that can demonstrate the capacity to provide such services.

(b) **Authority.** The authority for this Section is Title 45 of the Code of the Federal Regulations, Part 1321.53 and Section 306 of the Older Americans Act (OAA) of 1965, as amended.

(c) **Procedures.** The AAA carries out its responsibility to provide technical assistance and training by:

(1) providing and arranging for orientation of each Title III staff person on:

(A) the OAA and related regulations;

(B) the State of Oklahoma Title III Policies and Procedures Manual, including general Title III service standards, OAC 340:105-10-51, and service specific standards;

(C) AAA Title III policy and procedures manual;

(D) all program and fiscal reports, as appropriate;

(E) assessment procedures; and

(F) the aging network;

(2) providing ongoing telephone, written, and on-site technical assistance to the projects, as needed and as requested; and

(3) developing and implementing training objectives for Title III projects staff, and providing annual updates, as appropriate.

(d) **Cross references.** See OAC 340:105-10-31(a)(10) and 340:105-10-51.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-45. Area agency on aging disaster planning

(a) **Policy.** The area agency on aging (AAA) makes arrangements for the availability of services to older persons, where feasible and appropriate,

in weather related emergencies and other disasters, including local and national emergencies, such as terrorist acts and flu pandemics.

(b) **Authority.** The authority for this Section is Section 1321.65(e) of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** In order to ensure the availability of needed services to older persons during weather related emergencies and other disasters, the AAA:

- (1) designates a staff person who is responsible for disaster related activities;
- (2) identifies the community persons responsible for disaster planning and services in the planning and service area (PSA), for example, Civil Defense officials, American Red Cross, Salvation Army, Mennonite Disaster Services, and Interfaith Task Forces, and informs these officials of the role of the AAA in disaster planning;
- (3) informs disaster officials of the aging services available throughout the PSA and transmits resource directories, as appropriate;
- (4) negotiates written agreements with Civil Defense officials or other appropriate officials, and outlines specific coordination efforts to be carried out prior to, during, and following a disaster;
- (5) develops a written disaster plan that incorporates the activities outlined in agreements with disaster officials and includes:
 - (A) the types of disasters most prevalent in the PSA;
 - (B) the capabilities and limitations of the AAA;
 - (C) the disaster plans and responsibilities of the State Agency and the Administration on Aging; and
 - (D) the need for the AAA to assume a greater responsibility for disaster plan implementation for non-federally declared disasters;
- (6) submits a copy of the disaster plan to the State Agency for review and approval;
- (7) annually reviews the disaster plan and written agreements with disaster officials for possible updating;
- (8) implements the disaster plan when notified by state or local officials that a disaster has occurred or has been officially declared, and follows the procedure in this paragraph. The AAA:
 - (A) determines the impact of the disaster on AAA facilities and utilities, including telephone service;
 - (B) makes immediate arrangements to handle incoming calls from disaster officials and older persons and their families;
 - (C) contacts appropriate disaster officials to determine the impact of the disaster on older persons in the PSA;
 - (D) reports to the Aging Services Division Special Unit on Aging by telephone or e-mail within 24 hours after a disaster, to include information on the:
 - (i) number of older persons affected;
 - (ii) number of nursing homes, assisted living facilities, and residential care homes affected;

- (iii) number of fatalities of older persons;
- (iv) number of older persons injured; and
- (v) extent of damage to the property of older persons.

(E) determines the special needs of older disaster victims and the resources available to meet those needs;

(F) provides information and makes referrals to incoming inquiries, as appropriate;

(G) provides outreach and transportation services, as appropriate;

(H) consults with Civil Defense officials in cases of federally declared disasters to determine the need for on-site AAA staff assistance at disaster centers; and

(I) provides follow-up to older disaster victims, as appropriate; and

(9) submits a summary report to the State Agency on the disaster related activities.

(d) **Cross references.** There are no cross references for AAA disaster planning.

PART 7. PROGRAM STANDARDS FOR SERVICES FUNDED UNDER TITLE III OF THE OLDER AMERICANS ACT OF 1965, AS AMENDED

340:105-10-50. Title III and VII services taxonomy [REVOKED]

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Revoked at 16 Ok Reg 1983, eff 6-11-99]

340:105-10-50.1. Title III services taxonomy

(a) **Rule.** Parts B, C, D, and E of Title III of the Older Americans Act (OAA) of 1965, as amended, authorize the development of a variety of services to meet the needs of qualified older participant. A comprehensive list of services that may be funded, service definitions, and service units are included in (1) through (18) of this subsection.

(1) Personal care - one hour; provides personal assistance, stand-by assistance, supervision, or cues.

(2) Homemaker - one hour, or partial hours may be reported to two decimal places, for example 0.25 hours; provides light housekeeping tasks in a qualified older participant's home and possibly other community settings. Tasks may also include preparing meals, shopping for personal items, or using the phone.

(3) Chore - one hour, or partial hours may be reported to two decimal places, for example 0.25 hours; provides heavy housework tasks in a qualified older participant's home and

possibly other community settings. Tasks may also include, yard work, or sidewalk maintenance.

(4) Home delivered meal - one meal provided to a participant by a qualified nutrition project provider at his or her residence, served by a program administered by the State Unit on Aging or Area Agency on Aging (AAA), and meeting all OAA and legal requirements. Each meal:

(A) complies with the most recent Dietary Guidelines for Americans published by the Secretaries of the Department of Health and Human Services and the United States Department of Agriculture;

(B) provides, when one meal is served, a minimum of 33 and 1/3 percent of the current dietary reference intakes (DRI) as established by the Food and Nutrition Board of the Institute of Medicine of the National Academy of Sciences;

(C) provides, when two meals are served together, a minimum of 66 and 2/3 percent of the DRI allowances; and

(D) provides, when three meals are served together, 100 percent of the DRI allowances.

(5) Adult day care or adult day health - one hour; provides personal care for dependent adults in a supervised, protective, and congregate setting during some portion of a day. Services offered in conjunction with adult day care or adult day health typically include social and recreational activities, training, counseling, and services, such as rehabilitation, medication assistance, and home health aide services for adult day health.

(6) Case management - one hour; provides assistance either in the form of access or care coordination in circumstances where the participant is experiencing diminished functioning capacities, personal conditions, or other characteristics requiring service provision from formal providers or family caregivers. Case management activities include:

(A) assessing needs;

(B) developing care plans;

(C) authorizing and coordinating services among providers; and

(D) providing follow-up and reassessment, as required.

(7) Congregate meal - one meal provided to a participant by a qualified nutrition project provider in a congregate or group setting, served by a program administered by the State Unit on Aging or Area Agency on Aging (AAA), and meeting all OAA and legal requirements. Each meal:

(A) complies with the most recent Dietary Guidelines for Americans, published by the Secretaries of the Department of Health and Human Services and the United States Department of Agriculture;

(B) provides, when one meal is served, a minimum of 33 and 1/3 percent of the DRI as established by the Food and Nutrition Board of the Institute of Medicine of the National Academy of Sciences;

(C) provides, when two meals are served together, a minimum of 66 and 2/3 percent of the DRI allowances; and
(D) provides, when three meals are served together, 100 percent of the DRI allowances.

(8) Nutrition counseling - one hour, or partial hours may be reported to two decimal places, for example 0.25 hours; provides individualized guidance as defined by the Academy of Nutrition and Dietetics (AND) to a participant, or to his or her caregiver, when the qualified person is at nutritional risk because of health or nutrition history, dietary intake, medication use, or chronic illnesses. A registered dietician provides one-on-one counseling and addresses the options and methods for improving nutrition status with a measurable goal.

(9) Assisted transportation - one one-way trip; provides services or activities that provide or arrange for travel, including travel costs for individuals from one location to another. This service includes escort or other appropriate assistance for a qualified older participant who has difficulties, physical or cognitive, using regular vehicular transportation.

(10) Transportation - one one-way trip; provides participants with services or activities that provide or arrange for travel, including travel costs, from one location to another and does not include any other activity.

(11) Legal assistance - one hour, or partial hours may be reported to two decimal places, for example 0.25 hours; an attorney provides legal advice and representation to qualified older participants with economic or social needs. Includes, to the extent feasible, counseling or other appropriate assistance by a paralegal or law student under a lawyer's direct supervision, and a non-lawyer's representation or counseling where permitted by law.

(12) Nutrition education - one session per participant; a dietician or an individual with comparable experience oversees a targeted program that promotes better health by providing accurate and culturally sensitive nutrition, physical fitness, or health information consistent with the current Dietary Guidelines for Americans, and provides instruction to participants, caregivers, or both in a group setting. This service:

(A) is approved by a registered dietician who answers participant questions related to nutrition education;

(B) occurs at least once per month;

(C) is provided to congregate and home delivered meal participants; and

(D) is documented on the Dietary Consultant's Report.

(13) Information and assistance - one contact; a one-on-one contact between a service provider and participant, caregiver or person on behalf of participant or caregiver. Activities involving contact with multiple current or potential participants or caregivers, such as publications, publicity campaigns, and other mass media activities are not counted as a unit of service.

Internet website hits are counted only when information is

requested and supplied. This service for older Oklahomans:

- (A) provides current information on opportunities and services available within their communities, including information relating to assistive technology;
- (B) assesses the participant's problems and capacities;
- (C) links them to available opportunities and services;
- (D) ensures, to the maximum extent practicable, qualified older participants receive the services they need, and are aware of the opportunities available to them, by establishing adequate follow-up procedures; and
- (E) serves the entire community of older individuals, particularly those
 - (i) with greatest social need;
 - (ii) with greatest economic need; and
 - (iii) at risk for institutional placement.

(14) Outreach - one contact; provides participant with intervention initiated by an agency or organization for the purpose of identifying potential qualified older participants or their caregivers and encouraging their use of existing services and benefits. Outreach is a one-on-one contact between a service provider and a participant or caregiver. Activities involving contact with multiple current or potential participants or caregivers, such as publications, publicity campaigns, and other mass media activities, are not counted as a unit of service.

(15) Health promotion - Evidence Based - one event; Title III-D programs or services are Community Living, Aging and Protective Services (CAP) approved prior to implementation. Title III-D Evidence Based programs and activities meet highest-level criteria and include activities related to:

- (A) preventing and mitigating the effects of chronic disease , including:
 - (i) osteoporosis;
 - (ii) hypertension;
 - (iii) obesity;
 - (iv) diabetes, and
 - (v) cardiovascular disease; and
- (B) alcohol and substance abuse reduction;
- (C) smoking cessation;
- (D) weight loss and control;
- (E) stress management;
- (F) falls prevention;
- (G) physical activity; and
- (H) improved nutrition.

(16) Health promotion non-evidence based one event; activities related to health promotion and disease prevention that do not meet the Administration on Aging or Administration for Community Living definition for an evidence based program.

Activities may include:

- (A) health risk assessments;
- (B) routine health screening;
- (C) nutritional counseling;

- (D) programs regarding physical fitness and therapy;
- (E) home injury control services;
- (F) screening for mental and behavioral health issue prevention;
- (G) educational programs on preventive health services;
- (H) medication management screening and education;
- (I) information concerning age-related diseases and chronic disabling conditions;
- (J) gerontological counseling; and
- (K) counseling.

(17) National Family Caregiver Support Program service categories are listed in (A) through (H) of this paragraph:

(A) Assistance: case management - one hour, or partial hours may be reported to two decimal places, for example 0.25 hours; a service provided to a caregiver, and at his or her direction. Service is provided by a qualified case manager who delivers and coordinates the services.

Caregiver case management includes:

- (i) a comprehensive assessment of the caregiver's physical, psychological, and social needs;
- (ii) the development and implementation of a service plan to mobilize and monitor the caregiver's formal and informal resources and services to meet the caregiver's identified needs.

Caregiver case managers:

- (I) coordinate caregiver resources and services with any other plans existing for various formal services;
- (II) coordinate caregiver resources and services with the information and assistance services provided under the OAA;
- (III) periodically reassess the caregiver's status and revises his or her plan; and
- (V) advocates on the caregiver's behalf, according to his or her wishes, for needed services or resources.

(B) Assistance: information and assistance - one contact - this service:

- (i) provides the individuals with current information about opportunities and services available to the individuals within their communities, including information relating to assistive technology;
- (ii) assesses the problems and capacities of the individuals;
- (iii) links the individuals to the available opportunities and services;
- (iv) ensures, to the maximum extent practicable, individuals receive needed services and are aware of available opportunities by establishing adequate

follow-up procedures; and
(v) serves the entire community of older individuals.

(vi) refers to individual, one-on-one contacts between a caregiver provider and an older client or caregiver. An activity that involves a contact with several current or potential clients or caregivers is not counted as a unit of information and assistance. Internet website hits are counted only when information is requested and supplied.

(C) Counseling - one hour, or partial hours may be reported to two decimal places, for example 0.25 hours; a service designed to support caregivers and assist them in their decision-making and problem solving. Counselors are service providers with degrees or credentials as required by state policy. Counselors are trained to work with older adults and families understanding and addressing complex physical, behavioral, and emotional problems related to caregiver roles. Counseling is a separate function apart from support group activities or training and includes counseling in individual or group sessions.

(D) Information services - per activity - a public and media activity that conveys information to caregivers about available services and can include in-person interactive presentations to the public; a booth or exhibit at a fair, conference, or other public event; and radio, TV, or website events. Information services are activities directed to large audiences of current or potential caregivers, such as disseminating publications, conducting media campaigns, and other similar activities.

(E) Respite care - one hour, or partial hours may be reported to two decimal places, for example 0.25 hours; this service provides temporary, substitute supports or living arrangements for qualified older participants to provide a brief period of caregiver relief or rest. When the specific service units purchased via a direct payment, such as cash or voucher can be tracked or estimated, the service unit is reported by hour or partial hour. Types of respite care include:

- (i) in-home respite service provided in the caregiver's or care receiver's home and allows the caregiver time away to do other activities;
- (ii) out of home respite service provided in settings other than the caregiver's or care receiver's home, such as in adult day care, a senior center or in other non-residential settings where an overnight stay does not occur; and
- (iii) out of home overnight respite service provided in facilities such as nursing homes, assisted living facilities, and adult foster homes;

(F) Supplemental services - units and service in this category are determined by CAP and provides goods and services on a limited basis to complement the care provided by caregivers. The AAA contacts CAP prior to this category's use.

(G) Support groups - per session - a service that is led by a trained individual, moderator, or professional, as required by state policy, to facilitate caregivers to discuss their common experiences and concerns and to develop a mutual support system. Support groups are typically held on a regularly scheduled basis and may be conducted in person, over the telephone, or online.

(H) Training - one hour , or partial hours may be reported to two decimal places, for example 0.25 hours - a service that provides family caregivers with instruction to improve knowledge and performance of specific skills relating to their caregiving roles and responsibilities. Skills may include activities related to health, nutrition, and financial management; providing personal care; and communicating with health care providers and other family members. Training may include using evidence-based programs and is conducted in-person or online in individual or group settings.

(18) Funded "Other" category - unit varies per service - a service provided using OAA funds under Title III-B in whole or in part, that do not fall into previously defined service categories and may include assistive technology, durable equipment, emergency response, consumable supplies, home modifications or repairs, elder abuse prevention, elder rights, health, outreach, public education, socialization, access not reported elsewhere, and others.

(A) Advocacy or representation - one hour; provides action taken on behalf of a participant to secure the person's rights or benefits. Advocacy or representation includes receiving, investigating, and working to resolve disputes or complaints. It does not include services provided by an attorney or person under the supervision of an attorney.

(B) Education or training - one session; provides formal and informal opportunities for participants to acquire knowledge, experience, or skills individually or in group events designed to increase awareness.

(C) Wellness checks - one contact; individualized contact between two people via phone, text, email, webinar, video chat, or other means to provide a well-being check, reassurance, or socialization to a qualified older participant or family caregiver. The provider successfully converses with the older adult is spoken to in order for the contact to be counted, regardless of the length of contact.

(D) Home repair - one job; provides minor repairs, modifications, or maintenance on a home owned and occupied by an eligible participant, up to \$250 annually,

per participant.

(E) Coordination of services - unit to be determined by CAP; provides for the administration or delivery of a service not directly funded by Title III. The AAA contacts CAP regarding use of this category.

(b) **Authority.** The authority for this Section is the Older Americans Act.

(c) **Procedures.** The AAA:

(1) incorporates rule provisions into AAA policies and procedures manual;

(2) provides technical assistance to prospective service project applicants regarding the rule in the development of services; and

(3) utilizes the rule as an indicator in the service project proposal evaluation.

(d) **Cross references.** Refer to Oklahoma Administrative Code 340:105-10-40 and 340:105-10-51.

[Source: Added at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09 ; Amended at 29 Ok Reg 638, eff 7-1-12 ; Amended at 31 Ok Reg 1848, eff 9-15-14 ; Amended at 38 Ok Reg 2337, eff 9-15-21 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-51. General Title III service standards

(a) **Policy.** Parts B, C, D, and E of Title III of the Older Americans Act of 1965, as Amended(OAA), provide funding for a variety of services to meet the needs of older persons. All services meet service specific standards and general standards in this subsection.

(1) Projects, who are recipients of grant awards, serve all eligible persons in the project service area (PSA) and do not limit participation to their own membership or residents, such as church memberships or residents of a day care program. Project sponsors demonstrate to the Area Agency on Aging (AAA) a capacity for effective delivery of nutrition, supportive services, or both through the PSA. Projects may be:

(A) public;

(B) private for-profit, or nonprofit agencies or organizations;

(C) institutions;

(D) political subdivisions of the state; or

(E) Indian tribal organizations.

(2) Project services are provided to persons 60 years of age and older unless otherwise allowed in the eligibility requirements of a specific service.

(3) Project services are located in communities with the greatest occurrence of older persons in greatest economic and social need with particular attention to those who are low income minority persons and those residing in rural or isolated areas. The project sponsor documents in the written grant agreement with the AAA:

(A) assurance that, to the extent possible, the project serves low income minority and older persons residing in rural or isolated areas according to their service needs;

(B) specific objectives outlining how the project satisfies qualified older participants' service needs of low income minority persons and older persons residing in rural or isolated areas served by the project. These objectives reflect the Area Plan objectives for targeting these persons;

(C) information on the extent the project met its objectives for serving low income minority persons and older persons residing in rural or isolated areas during the previous fiscal year, if previously funded; and

(D) other targeting activities required for specific funded services, as appropriate, such as targeting activities for outreach services.

(4) Projects provide qualified older participants the opportunity to contribute to service cost, with the guidelines in (A) through (G) of this paragraph.

(A) Contributions are voluntary, and no otherwise eligible person is denied service because he or she chooses not to or cannot contribute to the service cost.

(B) Participants are advised of the opportunity to contribute to the program cost through:

(i) individual consultation upon program entry, including a written suggested contribution schedule;

(ii) written brochures about the program and written schedules of program activities; and

(iii) signs posted at the project site.

(C) Participants' privacy regarding contributions is protected at all times.

(D) The project advisory council develops a suggested contribution schedule for funded services taking into consideration income ranges of older persons in the community and the project's other income means. Means testing is not used to determine suggested contributions.

(E) Congregate and home delivered meal participants are allowed to use United States (U.S.) Department of Agriculture food benefits to contribute toward their meal costs.

(F) The project uses appropriate procedures to safeguard and account for all contributions.

(G) The project uses the participant contributions to expand the respective service for which the participant contributed to. For example, if a congregate site (C1) contribution was made, funds are used to expand that service.

(5) Projects conform to Title III fiscal accounting and program reporting systems as implemented by Community Living, Aging and Protective Services (CAP) and AAAs. All records are managed according to the guidelines in (A) through (E) of this paragraph.
OAA grantees:

(A) maintain adequate and separate accounting and fiscal records, and account for all funds provided by any source to pay for OAA funded project costs;

(B) permit audit, examination, or both, of all such records, procedures, and accounts at any reasonable time by authorized personnel of the U.S. Department of Health and Human Services, Oklahoma Human Services (OKDHS), the state Auditor and Inspector, and other appropriate state entities;

(C) allow authorized personnel open and complete access to the grantees' accounting records and practices, and to any other service provider items pertinent to grant performance or payment in order to audit, examine, and make excerpts of records;

(D) retain for at least seven years all financial and program records, supporting documents, statistical records, and other records pertaining to Title III services.

(i) In the case of litigation, claim negotiation, audit, or other pending action before the end of the seven year period, the records are retained until such action is completed and until all issues have been resolved, or until the end of the regular seven year period, whichever is later.

(ii) Permanent records are maintained at the project office; and

(E) provide appropriate security, confidentiality, and accommodations for proper maintenance and organization of program records and reports.

(6) Where feasible and appropriate, projects make arrangements for service availability to persons in weather related emergencies and other local and national emergencies, including terrorist acts and pandemics.

(7) Projects assist participants to take advantage of benefits or services under other programs.

(8) Project staff reports any situation that places the participant, participant's household, or both, in imminent danger to the appropriate officials.

(9) Project staff ensures signage is posted appropriately informing all persons, except law enforcement, no firearms are permitted within the project office, maintenance buildings, and all nutrition site-dining areas.

(10) Projects coordinate Title III services with other appropriate services in the community, including Title VI Native American nutrition programs. Appropriate coordination efforts include:

(A) joint planning;

(B) information sharing; and

(C) written agreement negotiation.

(11) Projects establish and maintain an advisory council to advise the projects on all matters relating to project services delivery, per Oklahoma Administrative Code (OAC) 340:105-10-52.

(12) Projects ensure appropriate intake information to provide the appropriate Title III service(s) and ensures participant safety and well-being is gathered on each participant.

(A) For participants receiving Title III:

(i) personal care, homemaker, chore, home repair, home delivered meals, adult day health or adult day care, outreach or case management services, information is gathered on Title III Program Registration and includes at minimum the participant's:

- (I) name, address, and phone number;
- (II) age, sex, race, ethnicity, minority status, and date of birth with signature verification;
- (III) emergency contact's name, address, and phone number;
- (IV) household status, including whether the participant lives alone or lives with others;
- (V) special dietary needs when requesting home delivered meals;
- (VI) ability to perform activities of daily living (ADL) and instrumental activities of daily living (IADL);
- (VII) Nutrition Screening Checklist;
- (VIII) support system;
- (IX) signature or witness signature when participant is unable to sign;
- (X) explanation of donation system;
- (XI) information release authorization; and
- (XII) status related to poverty level;

(ii) congregate meals, nutrition counseling, or assisted transportation, information is gathered on, Title III Program Registration and includes at minimum the participant's:

- (I) name, address, and phone number;
- (II) age, sex, race, ethnicity, minority status, and date of birth with signature verification;
- (III) emergency contact's name, address, and phone number;
- (IV) household status including whether the participant lives alone or lives with others;
- (V) special dietary needs when requesting congregate meals;
- (VII) Nutrition Screening Checklist;
- (VIII) signature or witness signature when participant is unable to sign;
- (IX) explanation of donation system;
- (X) information release authorization; and
- (XI) status related to poverty level;

(iii) National Family Caregiver Support Program services information is gathered on Title III Program Registration for both caregiver and care recipient, and includes at minimum:

- (I) the family caregiver's identifying information;
- (II) the caregiver's relationship to the care receiver;
- (III) the care receiver's identifying information; and
- (IV) a written description of the caregiver's current situation, including the care receiver's need for assistance due to inability to perform specific ADLs or the need for supervision due to Alzheimer's disease or other dementia.

(B) Project staff:

- (i) ensures assessment procedures are conducted in a confidential manner, with only the intake person, the participant, and other persons approved by the participant in attendance; and
- (ii) conducts an assessment of each participant upon the participant's entry into a Title III service with, at minimum, annual reassessments.

(C) Income source information is not required to receive Title III services and may only be used to assist the participant in determining eligibility for programs with income guidelines.

(13) Projects have procedures, approved by AAA, to ensure strict confidentiality is maintained regarding all participant information. Projects ensure identifying participant information is disclosed only when staff obtains the informed consent of the participant or the participant's legal representative. Exceptions to the rules in this paragraph include court orders, reporting possible neglect, abuse, or both, and monitoring project records by federal, state, and AAA officials.

(14) Project staff posts grievance procedures in a public area in the project facility and complies with AAA grievance procedures for Title III participants.

(15) Projects comply with the Americans with Disabilities Act, Section 504 of The Rehabilitation Act of 1973, and Title VI of The Civil Rights Act of 1964. A public notice of civil rights compliance is posted in a public area in all project facilities and offices.

(16) Projects comply with the Oklahoma Open Meetings Act when conducting public meetings. Public meetings are held in handicap accessible facilities with provisions for interpreters, as needed.

(17) Project staff conducts ongoing public information activities to ensure the general public is aware of each project and the services it provides. All materials produced by or for the project include a statement that:

(A) the project makes no distinctions on the grounds of race, color, sex, age, ancestry, national origin, religion, or disability; and

(B) a portion of the project costs are met by state and federal OAA funds from AAA and OKDHS CAP.

(18) Project staff provides or arranges for orientation and ongoing training for all staff engaged in project implementation. Training is designed to enhance staff performance as related to each staff person's specific job responsibilities. Projects authorize staff time to attend AAA and CAP sponsored training as funds permit.

Minimum orientation or training topics include:

(A) the OAA, as amended, and related regulations;

(B) the OKDHS Policies and Procedures Manual for Title III of the OAA, as amended;

(C) the AAA Title III policies and procedures manual;

(D) all program and fiscal reports, as appropriate;

(E) assessment procedures;

(F) the aging network; and

(G) specific job duties.

(19) Project staff participates in regularly scheduled AAA assessments and evaluations.

(A) The AAA schedules assessments at least 30-calendar days in advance at a time mutually convenient for the AAA and the project.

(B) The AAA informs the project director of areas covered during the assessment.

(C) The project director makes arrangements for site visits as AAA requests.

(20) The project allows AAA to make unscheduled or unannounced visits for the purposes of:

(A) investigating alleged problems;

(B) monitoring corrective action; or

(C) evaluating the projects normal daily activity.

(b) **Authority.** The authority for this Section is Sections 1321.11, 1321.51, 1321.63(b), 1321.65, 1321.67 and 75.307 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The AAA is required to:

(1) incorporate the standards into the AAA policies and procedures manual;

(2) provide training on the standards to Title III project directors and other appropriate staff;

(3) monitor the compliance of Title III projects with the standards; and

(4) provide ongoing technical assistance to Title III projects regarding the standards.

(d) **Cross references.** Refer to OAC 340:105-10-40, 340:105-10-50.1, and 340:105-10-52.

340:105-10-52. Title III Project Advisory Council

(a) **Policy.** Each Title III project establishes and maintains an advisory council to advise the project staff on all matters relating to the delivery of project services.

(1) The composition of the council is described in (A) and (B).

(A) The advisory council is separate and distinct from the Title III project governing board and composed of:

- (i) more than 50 percent older persons, including minority individuals, who are participants or eligible to participate in Title III programs;
- (ii) local government officials;
- (iii) representatives of public and private agencies or organizations that address aging issues in the service area; and
- (iv) other persons who are knowledgeable and experienced in the special needs of older persons.

(B) The advisory council may not be composed of:

- (i) State Agency staff or governing board members;
- (ii) Area Agencies on Aging (AAA) staff or governing board members;
- (iii) Title III project staff or governing board members; or
- (iv) any other individuals who may give an appearance of a potential conflict of interest.

(2) The council operates under a set of bylaws approved by the AAA. The council bylaws, at a minimum, address:

- (A) size and composition of the council;
- (B) tenure and selection procedures for members;
- (C) frequency of meetings; and
- (D) functions of the council.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.11.

(c) **Procedures.**

(1) The AAA:

- (A) incorporates the provision of this Section into its Title III policies and procedures manual; and
- (B) provides orientation to project staff regarding the policy.

(2) Projects:

- (A) establish and convene advisory councils within the first quarter of the project year;
- (B) provide orientation to new council members regarding their functions;
- (C) assist councils in developing bylaws;
- (D) submit bylaws and amendments to the AAA for approval;
- (E) schedule meetings of the councils at least quarterly and provide staff assistance at meetings; and

(F) seek input from the council at scheduled meetings and informally, as needed, on all matters relating to the delivery of the funded Title III service(s).

(d) **Cross references.** See OAC 340:105-10-51(10).

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 20 Ok Reg 938, eff 6-1-03]

340:105-10-53. Political and sales activities at Title III projects

(a) **Policy.** The Area Agency shall develop policy related to political and sales activities at Title III funded service sites, e.g. multipurpose senior centers, congregate meal sites, etc.

(b) **Authority.** The authority for OAC 340:105-10-53 is 45 CFR Part 1321.11.

(c) **Procedures.** The Area Agency shall develop written policy for political and sales activities at Title III Project sites within the following guidelines:

(1) Title III program activities may not endorse or oppose a candidate, solicit campaign funds or include any activity designed to influence the results of a partisan election;

(2) Title III program participants may not be required to participate in any political or sales activities conducted at or through the project site;

(3) Sales or political activities may not be conducted during the serving or eating of meals. The protected time for meals shall be from one to one and one-half hours depending on the number of meal participants;

(4) Political materials may be distributed at Title III project sites by/for a candidate for elective office;

(5) Formal or group presentations on behalf of a candidate/issue shall be permitted only if all candidates are offered equal opportunity and time, and/or if all sides of an issue are presented; and

(6) Program participants and advisory council members shall have input into the development of sales activities guidelines as well as any additional restrictions on political activities, as appropriate. Salespersons shall be denied access to the project site if the participants do not wish to have the activity or, if there is reasonable evidence (as judged by the project management) that the salesperson and/or product may exploit or cause harm to the participants.

(d) **Cross references.** There are no cross references for political and sales activities at Title III Projects.

340:105-10-54. Supportive services

(a) **Policy.** The Area Agency on Aging (AAA) makes grants to local agencies or organizations for the provision of supportive services to older persons. Providers of any such service must comply with all standards

outlined in this Subchapter relating to the service(s) provided.

Supportive services, for purposes of this Section, include:

- (1) health, including mental health, education and training, welfare, informational, recreational, homemaker, counseling, or referral services;
- (2) transportation services to facilitate access to supportive services or nutrition services, and services provided by an AAA in conjunction with local transportation service providers, public transportation agencies, and other local government agencies that result in increased provision of such transportation services for older persons;
- (3) services designed to encourage and assist older persons to use the facilities and services, including information and assistance services, and language translation services to assist older persons with limited English speaking ability to obtain services;
- (4) services designed to:
 - (A) assist older persons obtain adequate housing, including minor residential repair and renovation projects, up to \$250 annually per client, designed to enable older persons maintain their homes in conformity with minimum housing standards;
 - (B) adapt homes to meet the needs of older persons who have physical disabilities;
 - (C) prevent unlawful entry into residences of older persons, through the installation of security devices and structural modifications or alterations of such residences;
 - or
 - (D) assist older persons in obtaining housing for which assistance is provided under programs of the Department of Housing and Urban Development;
- (5) services designed to assist older persons avoid institutionalization and assist persons in long-term care institutions who are able to return to their communities, including:
 - (A) client assessments, case management, and development and coordination of community services;
 - (B) supportive activities to meet the special needs of caregivers, including caregivers who provide in-home services to frail older persons; and
 - (C) in-home services and other community services, including home health, homemaker, and chore services to assist older persons to live independently in a home environment;
- (6) services designed to provide to older persons legal assistance and other counseling services and assistance, including:
 - (A) tax counseling and assistance, financial counseling, and counseling regarding appropriate health and life insurance coverage;
 - (B) representation of persons who are wards, or are allegedly incapacitated, and in guardianship proceedings of older persons who seek to become guardians, if other

adequate representation is unavailable in the proceedings;
(C) provision, to older persons who provide uncompensated care to their adult children with disabilities, of counseling to assist such older persons with permanency planning for such children;

(7) services designed to enable older persons to attain and maintain physical and mental well-being through programs of regular physical activity, exercise, music therapy, art therapy, and dance movement therapy;

(8) services designed to provide health screening, including mental health screening, to detect or prevent illnesses, or both, that occur most frequently in older persons;

(9) services designed to provide for older persons, pre-retirement counseling and assistance in planning for and assessing future post-retirement needs with regard to public and private insurance, public benefits, lifestyle changes, relocation, legal matters, leisure time, and other appropriate matters;

(10) services of an ombudsman at the state level to receive, investigate, and act on complaints by older persons who are residents of long-term care facilities and to advocate for the well-being of such persons;

(11) provision of services and assistive devices, including provision of assistive technology services and assistive technology devices, designed to meet the unique needs of older persons with disabilities and older persons who provide uncompensated care to their adult children with disabilities;

(12) services to encourage the employment of older workers, including job and second career counseling, and where appropriate, job development, referral, and placement, and including the coordination of the services with programs administered by or receiving assistance from the Department of Labor, including programs carried out under the Workforce Investment Act of 1998, Section 2801 of Title 29 of the United States Code ;

(13) crime prevention services and victim assistance programs for older persons;

(14) a program, to be known as Senior Opportunities and Services, designed to identify and meet the needs of older persons who are poor, 60 years of age or older, in one or more of the areas of:

(A) development and provision of new volunteer services;

(B) effective referral to existing health, including mental health, employment, housing, legal, consumer, transportation, and other services;

(C) stimulation and creation of additional services and programs to remedy gaps and deficiencies in presently existing services and programs; and

(D) other services as the Assistant Secretary for Aging of the Administration on Aging may determine are necessary or especially appropriate to meet the needs of older persons who are poor and ensure them greater self-

sufficiency;

(15) services for the prevention of abuse of older persons in accordance with Section 307(a)(12) of the Older Americans Act (OAA) of 1965, as amended;

(16) in-service training and state leadership for legal assistance activities;

(17) health and nutrition education services, including information concerning prevention, diagnosis, treatment, and rehabilitation of age related diseases and chronic disabling conditions;

(18) services designed to enable mentally impaired older persons to attain and maintain emotional well-being and independent living through a coordinated system of support services;

(19) services designed to support family members and other persons providing voluntary care to older persons who need long-term care services;

(20) services designed to provide information and training for persons who are or may become guardians or representative payees of older persons, including information on the powers and duties of guardians and representative payees and alternatives to guardianships;

(21) services to encourage and facilitate regular interaction between students and older persons, including services for older persons with limited English proficiency and visits in long-term care facilities, multipurpose senior centers, and other settings;

(22) in-home services defined by the State Agency in the State Plan submitted under Section 307 of the OAA, taking into consideration the age, economic need, and noneconomic and nonhealth factors contributing to the frail condition and need for service of the persons described in this paragraph, and in-home services defined by an AAA in the Area Plan submitted under Section 306 of the OAA;

(23) services designed to support States, AAAs, and local service providers in carrying out and coordinating activities for older persons with respect to mental health services, including outreach for, education concerning, and screening for such services, and referral to such services for treatment;

(24) activities to promote and disseminate information about life-long learning programs, including opportunities for distance learning; and

(25) any other services necessary for the general welfare of older persons, if the services meet standards prescribed by the Assistant Secretary for Aging and are necessary for the general welfare of older persons.

(b) **Authority.** The authority for this Section is Section 321 of the OAA of 1965, as amended.

(c) **Procedures.** The AAA:

(1) incorporates the provisions in this Section into the Title III policies and procedures manual;

(2) provides technical assistance to prospective service project applicants regarding the policy in the development of Title III-B

services; and

(3) utilizes the policy as an indicator in the evaluation of Title III-B service project proposals.

(d) **Cross references.** See OAC 340:105-10-40, 340:105-10-50.1 and 340:105-10-51.

340:105-10-57. Outreach service standards

(a) **Policy.** Outreach services seek out and identify older individuals eligible for assistance under the Older Americans Act and other programs, both public and private, and informs them of assistance availability. All outreach service providers comply with standards outlined in this Section and in Oklahoma Administrative Code (OAC) 340:105-10-51, 340:105-10-58 and 340:105-10-60.

(b) **Authority.** The authority for this Section is Section 306(4)(B) and Title 45 of the Code of Federal Regulations, Part 1321.17.

(c) **Procedures.** This Section is implemented by the Area Agency on Aging. The AAA is required to:

- (1) incorporate the policy into its Title III policy and procedures manual;
- (2) provide orientation to outreach staff on the policy;
- (3) monitor compliance with the policy; and
- (4) provide ongoing technical assistance to Title III projects regarding the policy.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(14), 340:105-10-51, 340:105-10-54(a)(3), 340:105-10-58, 340:105-10-59, and 340:105-10-60.

340:105-10-58. Outreach service eligibility

(a) **Policy.** All individuals age 60 years of age and older are eligible to receive outreach services. Special targeting objectives are developed to reach individuals:

- (1) residing in rural areas or isolated;
- (2) with greatest economic need, with particular attention to low income minority individuals;

- (3) with greatest social need, with particular attention to low income minority individuals;
- (4) with severe disabilities;
- (5) with limited English speaking ability;
- (6) with Alzheimer's disease or related disorders with neurological and organic brain dysfunction and the caretakers of such individuals;
- (7) at risk for institutional placement, such as unable to perform at least two activities of daily living without substantial assistance including verbal reminding, physical cuing, or supervision, specifically including Holocaust survivors;
- (8) living alone; and
- (9) with impairments in activities of daily living, instrumental activities of daily living, or both.

(b) **Authority.** The authority for this Section is Section 306(a)(4) of the Older Americans Act of 1965, as amended.

(c) **Cross references.** See OAC 340:105-10-50.1(a)(14), 340:105-10-51, 340:105-10-54(a)(3), 340:105-10-57, 340:105-10-59, and 340:105-10-60.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-59. Outreach service assessment

(a) **Policy.** Outreach services are defined as a one contact intervention the agency or organization initiates with individuals for the purpose of identifying potential participants or their caregivers and encouraging their use of existing services and benefits. Each potential participant who wants to receive Older Americans Act services completes Title III Program Registration. The outreach specialist provides information about public and private non-Title III services, available assistance, outreach services, and other Title III of the Older Americans Act (OAA) of 1965 services. The outreach specialist obtains necessary information to better serve the potential participant's needs.

(b) **Procedures.** At the initial interview, the outreach specialist:

- (1) discusses all aspects of program participation, including the opportunity to contribute to outreach costs and other Title III services, as appropriate;
- (2) obtains the potential participant's assessment information:
 - (A) name, address, and phone number;
 - (B) age, sex, race, ethnicity, minority status, and date of birth with signature verification;
 - (C) emergency contact's name, address, and phone number;
 - (D) household status, including whether the potential participant lives alone or with others;
 - (E) special dietary needs, only when the potential participant is applying for congregate meals or home delivered meals services;
 - (F) accommodations required for disabilities;

- (G) transportation resources;
- (H) Title III services requested or needed;
- (I) reasons for requesting outreach or other Title III services;
- (J) need for additional community resources;
- (K) income sources. Income source information is not required to receive Older Americans Act Title III services and may only be used to assist the potential participant in determining eligibility for non-Title III programs with income guidelines; and
- (L) status related to poverty level.

(3) The outreach specialist conducts a face-to-face, person-centered assessment interview with the potential participant.

(c) **Authority.** The authority for this Section is Section 1321.11(a) of Title 45 of the Code of Federal Regulations.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(14), 340:105-10-51, 340:105-10-54(a)(3), 340:105-10-57, 340:105-10-58, and 340:105-10-60.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-60. Outreach methods

(a) **Policy.** The outreach service is implemented and carried out in such a manner as to ensure the maximum participation of eligible older individuals in Title III programs and all other programs which may benefit them. Special targeting efforts are carried out to ensure the maximum number of individuals outlined in OAC 340:105-10-58(a) are reached. Services to low income minority individuals and individuals residing in rural areas are provided in accordance with their need for services, as feasible.

(b) **Authority.** The authority for this Section is Section 306(a)(4) of the Older Americans Act of 1965, as amended.

(c) **Procedures.** The procedures for implementing this Section include the outreach service:

- (1) targeting service funding to those communities in the planning and service area (PSA) that have the greatest proportion of individuals outlined in OAC 340:105-10-58(a);
- (2) developing and carrying out specific objectives for reaching the individuals outlined in OAC 340:105-10-58(a);
- (3) providing services to persons of limited English speaking ability by utilizing outreach workers who are fluent in the language of such individuals when a substantial number of such persons reside in the PSA;
- (4) maintaining current resource information regarding services, programs, and organizations which benefit older persons and the target groups outlined in OAC 340:105-10-58(a);
- (5) publicizing the availability of outreach services through;

- (6) providing auxiliary aids and interpreters for disabled individuals;
- (7) utilizing a variety of outreach methods; and
- (8) developing community resources where there are identified gaps by utilizing volunteers, civic groups, and the like.

(d) **Cross references.** See OAC 340:105-10-50(a)(14), 340:105-10-51, 340:105-10-54(a)(3), 340:105-10-57, 340:105-10-58, and 340:105-10-59.

340:105-10-61. Information and assistance services

(a) **Policy.** All information and assistance (I & A) providers comply with standards listed in Oklahoma Administrative Code (OAC) 340:105-10-50.1(a)(13), 340:105-10-51 and 340:105-10-61 through 340:105-10-63. I & A services include:

- (1) providing participants with current information on opportunities and services available within their communities, including information relating to assistive technology;
- (2) assessing the participant's problems and capacities;
- (3) linking the participant to available opportunities and services
- (4) establishing adequate follow-up procedures, to the maximum extent practicable, ensuring participants receive the services needed and are aware of opportunities available; and
- (5) serving the entire community of older individuals, particularly those:
 - (A) with greatest social need;
 - (B) with greatest economic need; and
 - (C) at risk for institutional placement.

(b) **Authority.** The authority for this Section is the Office of Management and Budget Notice of Action 0985-0008 and Section 102(29) of the Older Americans Act of 1965, as amended.

(c) **Procedures.** The Area Agency on Aging implements this Section by:

- (1) incorporating the provisions in this Section into its Title III policies and procedures manual;
- (2) providing technical assistance to prospective service project applicants regarding the policy in service development; and
- (3) utilizing the policy as an indicator in the evaluation of service project proposals.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(13), 340:105-10-51, 340:105-10-54(a)(3), 340:105-10-62, and 340:105-10-63.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-62. Information and assistance eligibility

(a) **Policy.** All individuals, age 60 years of age and older and their caregivers are eligible to receive information and assistance (I & A) services. A person under the age of 60 may participate under special conditions.

(b) **Authority.** The authority for this Section is Section 306(a)(4)(A) of the Older Americans Act of 1965, as amended.

(c) **Procedures.**

(1) Providers of I & A services list specific objectives in the project grant application which outline how the provider targets individuals who are:

- (A) in greatest economic need;
- (B) in greatest social need;
- (C) low income minorities; and
- (D) residing in rural areas.

(2) Persons who request I & A services cooperate in the completion of procedures outlined in OAC 340:105-10-63.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(13), 340:105-10-51, 340:105-10-54(a)(3), 340:105-10-61, and 340:105-10-63.

340:105-10-63. Information and assistance (I & A) methods

(a) **Policy.** The Area Agency on Aging (AAA) establishes and maintains information and assistance (I & A) services in sufficient numbers to ensure that all older persons within the planning and service area have reasonably convenient access to such services.

(b) **Authority.** The authority for this Section is Section 102(29) of the Older Americans Act of 1965, as amended.

(c) **Cross references.** See OAC 340:105-10-50.1(a)(13), 340:105-10-51, 340:105-10-54(a)(3), 340:105-10-61, and 340:105-10-62.

340:105-10-64. Legal services

(a) **Policy.** Legal services include the provision of legal advice, counseling, and representation by attorneys, or by paralegals or interns supervised by an attorney. All legal service providers must comply with standards outlined in this Section and OAC 340:105-10-51, 340:105-10-65, and 340:105-10-66.

(b) **Authority.** The authority for this Section is Section 102 (33) of the Older Americans Act of 1965, as amended.

(c) **Procedures.** This Section is implemented by the Area Agency on Aging:

- (1) incorporating this Section into its Title III policies and procedures manual;
- (2) providing technical assistance to prospective service project applicants regarding policy in services development; and
- (3) utilizing policy as an indicator in service project proposal evaluations.

(d) **Cross references.** Refer to OAC 340:105-10-50.1(a)(11), 340:105-10-51, 340:105-10-54(a)(6), 340:105-10-65, and 340:105-10-66.

340:105-10-65. Legal services eligibility

(a) **Policy.** All individuals, age 60 years of age and older are eligible to receive legal services. Special efforts are made to provide services to those older persons in greatest social or economic need.

(b) **Authority.** The authority for this Section is Section 102(35) and 307(a)(11)(B) of the Older Americans Act of 1965, as amended and Title 45 of Code of Federal Regulations, Part 1321.71(d) and (e).

(c) **Procedures.** Procedures for implementing this Section include:

- (1) providers of legal services list specific objectives in the project grant application which outline how the provider targets those older persons in greatest economic or social need; and
- (2) persons who request legal services complete intake procedures approved by the Area Agency on Aging. Provider's intake procedures may not require that the participant provide income or resources information. Income and resources information may be obtained only as a process of providing legal services to the participant, and for the purposes of identifying additional resources or benefits for which the participant may be entitled.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(11), 340:105-10-51, 340:105-10-54(a)(6), 340:105-10-64, and 340:105-10-66.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-66. Legal services methods

(a) **Policy.** The Area Agency on Aging (AAA) enters into contracts with providers of legal assistance which can demonstrate the experience or

capacity to deliver legal assistance.

(b) **Authority.** The authority for this Section is Section 307(a)(11) of the Older Americans Act (OAA) of 1965, as amended and Title 45 of the Code of Federal Regulations, Part 1321.71.

(c) **Procedures.**

- (1) Each legal services project, at a minimum, provides:
 - (A) client service delivery consisting of a broad range of services including:
 - (i) legal counseling;
 - (ii) brief services;
 - (iii) referral after legal assessment; and
 - (iv) representation before judicial, administrative, and legislative bodies;
 - (B) community education;
 - (C) outreach to identify and assist potential clients;
 - (D) training for project staff;
 - (E) coordination with other social service providers;
 - (F) coordination with the private bar with emphasis on securing pro bono or reduced fee services for older individuals; and
 - (G) coordination with Legal Services Corporation grantees in the planning and service area, if the legal services sponsor is not a Legal Services Corporation grantee, in order to concentrate the use of Title III-B legal services funds on individuals in greatest social or economic need.
- (2) Legal services providers ensure that services provided through Title III-B funds are in addition to any legal assistance for older persons being furnished with funds from other sources.
- (3) Legal services providers give priority to services related to income, health care, long-term care, nutrition, housing, utilities, protective services, defense of guardianship, abuse, neglect, and age discrimination, and employ staff with expertise in these fields.
- (4) Legal services providers provide effective administrative and judicial representation in the areas of law affecting older persons with economic and social need.
- (5) Legal services providers provide support to other advocacy efforts including the Long-Term Care Ombudsman Program.
- (6) Legal services providers provide services to institutionalized, isolated, and homebound older individuals, as appropriate.
- (7) Legal services providers provide service in the principal language spoken by participants in areas where a significant number of participants do not speak English as their principal language.
- (8) Legal services providers establish procedures for the referral of fee generating cases. A fee generating case is one which, if undertaken on behalf of an eligible participant by an attorney in private practice, reasonably may be expected to result in a fee for legal services from an award to a client, from public funds, or from the opposing party.
- (9) Title III-B funds are only used to provide services in fee generating cases when there is an emergency requiring

immediate legal action or when other adequate representation is unavailable. Other adequate representation is deemed unavailable when:

- (A) recovery of damages is not the principal object of the client;
- (B) a court appoints a provider or an employee of a provider pursuant to a statute or a court rule or practice of equal applicability to all attorneys in the jurisdiction; or
- (C) an eligible participant is seeking benefits under Title II of the Social Security Act, Federal Old Age, Survivors, and Disability Insurance Benefits, or Title XVI of the Social Security Act, Supplemental Security Income for Aged, Blind, and Disabled.

(10) When a legal services provider does represent a participant in any of the circumstances outlined in (9) of this subsection, the provider may seek and accept a fee awarded or approved by a court or administrative body, or included in a settlement. When such a case results in a recovery of damages, other than statutory benefits, a provider may accept reimbursement for out-of-pocket costs and expenses incurred in connection with the case or matter.

(11) Legal services providers, employees of the providers, or staff attorneys shall not engage in prohibited political activities to include:

- (A) contributing or making available OAA funds, personnel, or equipment to any political party or association or to the campaign of any candidate for public or party office, or for use in advocating or opposing any ballot measure, initiative, or referendum;
- (B) intentionally identifying the Title III program or provider with any partisan or nonpartisan political activity, or with the campaign of any candidate for public or party office; and
- (C) engaging in any political activity, while engaged in legal assistance activities supported under the OAA.

(12) No funds made available under the OAA are used for lobbying activities, including but not limited to, any activities intended to influence any decision or activity by any nonjudicial federal, state, or local individual or body. Nothing in this Section is intended to prohibit a legal services employee from:

- (A) communicating with a governmental agency for the purpose of obtaining information, clarification, or interpretation of the agency's rules, regulations, practices, or policies;
- (B) informing a client about a new or proposed statute, executive order, or administrative regulation;
- (C) responding to an individual client's request for advice only with respect to the client's own communications to officials unless otherwise prohibited by the OAA, Title III regulations, or other applicable law. This provision does not authorize publication of lobbying materials or training

of clients on lobbying techniques or the composition of a communication for the client's use;
(D) making direct contact with the AAA for any purpose;
(E) providing a client with administrative representation in adjudicatory or rulemaking proceedings or negotiations, directly affecting that client's legal rights in a particular case, claim, or application;
(F) communicating with an elected official for the sole purpose of bringing a client's legal problem to the attention of that official; or
(G) responding to the request of a public official or body for testimony, legal advice, or other statements on legislation or other issues related to aging, provided that no such action will be taken without first obtaining the written approval of the responsible AAA.

(13) While carrying out legal assistance activities and while using resources provided under the OAA, no legal services provider or its employees:

(A) participates in any public demonstration, picketing, boycott, or strike, except as permitted by law in connection with the employee's own employment situation;

(B) encourages, directs, or coerces others to engage in such activities; or

(C) at any time, engages in or encourages others to engage in any:

(i) illegal activity; or

(ii) intentional identification of programs funded under the OAA, recipient or provider, with any political activity.

(14) None of the funds made available under the OAA may be used to pay dues exceeding \$100 per recipient or provider per annum to any organization, other than a bar association, for a purpose or function of which is to engage in activities prohibited under these rules unless such dues are not used to engage in activities for which OAA funds cannot be used directly.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(11), 340:105-10-51, 340:105-10-54(a)(6), 340:105-10-64, and 340:105-10-65.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-67. Corporate eldercare programs [REVOKED]

340:105-10-68. Congregate meals service standards

(a) **Policy.** The congregate meals service includes the provision of nutrition education and at least one hot or other appropriate meal five or

more days per week, at least 250 days per year. The congregate meals service:

(1) is located at congregate settings, including adult day care facilities and multigenerational meal sites, except in rural areas where such frequency is not feasible as defined by the Assistant Secretary for Aging;

(2) provides at least 25 meals per day, including home delivered meals, at each site unless a written waiver is received from the State Agency on this requirement.

(A) Funding for a site serving less than 25 meals per day may be withdrawn and reallocated when the site does not have a waiver approved from Aging Services (AS). A waiver request must be submitted annually. An AS approved waiver may be withdrawn when a congregate meals site is not determined viable.

(B) A congregate meals site serving less than 25 meals per day is reviewed annually for continued viability by the congregate meals project and Area Agency on Aging (AAA). AS is notified by the AAA in writing when a congregate meals site consistently serves 25 or more meals per day; and

(3) complies with standards outlined in this Section, and Oklahoma Administrative Code (OAC) 340:105-10-51, and 340:105-10-69 through 340:105-10-80.

(b) **Authority.** The authority for this Section is Section 331 of the Older Americans Act, and Part 1321.11(a) of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The procedures for implementing this Section include the AAA:

(1) incorporating the provisions in this Section into the Title III policies and procedures manual;

(2) providing orientation to congregate meals service staff on the policy;

(3) monitoring compliance with the policy;

(4) providing ongoing technical assistance to Title III projects regarding the policy;

(5) constructing a list of all cooking and satellite meal sites annually serving less than 25 meals per day;

(6) submitting the list and a written request for a waiver at least 30-calendar days prior to awarding funding for any nutrition project that proposes in the grant application to provide less than 25 meals per day at any site and, does not have an AS approved waiver on file. The written request includes:

(A) the status of each site, such as cooking or satellite;

(B) the average number of eligible meals served per site, per day;

(C) the average number of other meals served per site, per day;

(D) documentation of the rural nature of the site;

(E) pertinent demographics; and

(F) other factors that justify the waiver; and

(7) maintaining approved waiver requests on file at the AAA and congregate meals project office for review by auditors.

(d) **Cross references.** Refer to OAC 340:105-10-50.1(a)(4), (7), and (12); 340:105-10-51; 340:105-10-69 through 340:105-10-80; and 340:105-10-86.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 38 Ok Reg 2337, eff 9-15-21]

340:105-10-69. Congregate meals service eligibility

(a) **Policy.** Individuals are eligible to participate in the congregate meals service in one of the categories listed in (1) - (2) of this subsection.

(1) Persons eligible to participate in the congregate meals program with an opportunity to contribute to the cost of meals include:

(A) persons 60 years of age and older and their spouses of any age;

(B) persons with a disability younger than 60 years of age who reside with persons 60 years of age and older, when the care and maintenance of the person with a disability otherwise prevents the older person from participating in the program and, when the participation of such individuals does not prevent the participation of older persons and their spouses. The person with a disability must accompany the eligible older participant to the site and must be determined by nutrition project management to pose no threat to the wellbeing of the older participants;

(C) persons with a disability younger than 60 years of age who reside in housing facilities occupied primarily by older persons and where congregate nutrition services are provided, when the participation of such individuals does not pose a threat to the wellbeing of the older participants, and when such participation does not prevent the participation of older persons and their spouses;

(D) persons younger than 60 years of age who provide meal-related volunteer services, when the participation of such individuals does not prevent the participation of older persons and their spouses; and

(E) nutrition program staff members, who are 60 years of age and older, when such participation does not prevent the participation of other older persons and their spouses.

(2) Other persons who may participate in the program but must pay the full cost of meals include:

(A) nutrition program staff members, who are younger than 60 years of age, when such participation does not prevent the participation of older persons and their spouses;

(B) visitors when such participation does not prevent the participation of older persons and their spouses; and

(C) older persons who are in the care of an agency or organization that is receiving reimbursement for the cost of the participant's meal, such as nursing homes, residential care facilities, and adult day care programs. In this situation, the agency or organization is billed for the full cost of the participant's meal. The agency or organization is also responsible for making meal reservations and for providing attendant assistance, as needed.

(b) **Authority.** The authority for this Section is Section 339(2)(H) and (I) of the Older Americans Act, and Title 45 of the Code of Federal Regulations, Part 1321.17(f)(12).

(c) **Cross references.** Refer to Oklahoma Administrative Code 340:105-10-50.1(a)(7), 340:105-10-51, 340:105-10-68, and 340:105-10-70.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 38 Ok Reg 2337, eff 9-15-21]

340:105-10-70. Congregate meals service assessment

(a) **Policy.** Each person who desires to participate in the congregate meals service must complete and sign Title III Program Registration. Title III Program Registration provides the potential participant with service information and allows staff to obtain necessary information to better serve the potential participant's needs.

(b) **Procedure.**

(1) At the initial interview, the outreach specialist or site manager discusses all aspects of program participation, including the opportunity to contribute to meal cost and possible eligibility for home delivered meals.

(2) The outreach specialist or site manager assists the potential participant in completing Title III Program Registration. The project does not require legal or formal verification of age eligibility unless project management has reasonable cause to question the accuracy of the potential participant's reported age. Potential participant assessment information includes:

(A) name, address, and phone number;

(B) age, sex, race, ethnicity, minority status, and date of birthwith signature verification;

(C) emergency contact's name, address, and phone number;

(D) the potential participant's household status, including whether he or she lives alone or lives with others;

(E) special dietary needs;

(F) accommodations required for disabilities;

(G) reasons for requesting congregate meals service;

(H) transportation resources;

(I) need for additional community resources;

(J) income sources. Income source information is not required to receive Older Americans Act Title III services and may only be used to assist the potential participant in

determining eligibility for programs with income guidelines; and

(K) status related to poverty level.

(3) The project conducts a face-to-face annual assessment interview with the participant.

(c) **Authority.** The authority for this Section is Section 1321.11(a) of Title 45 of the Code of Federal Regulations.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(7), 340:105-10-51, 340:105-10-68, 340:105-10-69, 340:105-10-71 through 340:105-10-80, and 340:105-10-86.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-71. Congregate meals service facilities

(a) **Policy.** Each congregate meals service provider secures and maintains adequate facilities for the preparation and delivery of the meals service, nutrition education, and funded supportive services.

(b) **Authority.** The authority for this Section is Section 307 and 331 of the Older Americans Act, Part 1321.11(a) of Title 45 of the Code of Federal Regulations, Section 1247 of Title 21 of the Oklahoma Statutes, as amended (21 O.S. § 1247), and 56 O.S. §163.1.

(c) **Procedures.**

(1) The grantee agency locates congregate meals service sites in areas accessible to the target group of eligible persons in a community and, where possible, within walking distance from where such persons congregate.

(A) There is a minimum of at least one Title III congregate nutrition site per county at all times.

(B) When there is one Title III congregate nutrition site in a county, good-faith efforts are made to provide transportation assistance to potential participants from other parts of the county to that site, when feasible.

(2) The grantee agency arranges for all applicable health, fire, safety, and sanitation inspections for project offices and congregate meals sites in the manner described in (A) through (F) of this paragraph.

(A) The fire and safety inspections are conducted annually by local fire officials or another designated local official in the absence of a local fire marshal using established local standards.

(B) In the absence of local standards, standards developed and adopted by Oklahoma Human Services, with the cooperation of the state fire marshal and the Oklahoma State Department of Health, are applicable.

(C) Standards are based on the site's use and occupancy by Title III funded projects and are adequate to protect the health and safety of participants.

(D) County health department sanitation inspections are completed at least annually.

(E) All inspection reports are on file with the grantee agency.

(F) The grantee agency responds, as directed by the inspecting agency, to all cited deficiencies.

(3) The Area Agency on Aging conducts assessment for Americans with Disabilities Act (ADA) compliance at all congregate meal sites and at project offices when a service is provided directly at that location or when participants apply for services at that location. The grantee agency ensures that project facilities comply with 21 O.S. § 1247, as amended, that mandates all public facilities be smoke free and posts such designation as required by law.

(A) A full ADA assessment is required when opening a new building or relocating to a different building.

(B) A partial ADA assessment specific to the changes is required after construction, remodeling, or furniture and fixture changes.

(C) When there are no changes from the previous ADA assessment, an updated ADA assessment is not required.

(4) The project separates dining and food preparation areas at sites where food is prepared and served in the same facility.

(5) Where feasible, the project provides ample space and time for the provision of supportive services, per Oklahoma Administrative Code (OAC) 340:105-10-54.

(6) The project provides appropriate furnishings for older persons, including sturdy tables and chairs, and arranges the furnishings to provide adequate aisle space for persons using mobility aids, such as walkers and wheelchairs.

(7) The project provides table settings that are approved by the project advisory council. When disposable dinnerware is used, it is sturdy to prevent spillage, leakage, and breakage.

(8) The project posts, in conspicuous locations, information regarding:

(A) participants' right to equal opportunity and equal access to services;

(B) the meal's full cost ineligible persons pay, such as visitors younger than 60 years of age, who are served meals;

(C) suggested participant contribution toward the meal's cost, as the project or site advisory council determines.

All participant contributions are for the meal cost and are not solicited for other items, such as utilities and coffee;

(D) menus for a minimum of one week in advance;

(E) participant grievance procedures;

(F) an evacuation plan;

(G) a toll-free information and assistance phone number;

(H) a current health inspection certificate from the local health department;

(I) a Smoke Free Facility sign;

- (J) a summary of the site or project, if applicable; and
- (K) an emergency management plan including at minimum, the location of the nearest emergency shelter(s) available to participants.

(d) **Cross references.** Refer to OAC 340:105-10-50.1(a)(7), 340:105-10-51, 340:105-10-54, 340:105-10-68 through 340:105-10-70, 340:105-10-72 through 340:105-10-80, and 340:105-10-86.

340:105-10-72. Congregate meals project staffing requirements

- (a) **Policy.** Each congregate meals project maintains sufficient staff to carry out the required service activities.
- (b) **Authority.** The authority for this Section is Section 1321.11 of Title 45 of the Code of Federal Regulations.
- (c) **Procedures.** The congregate meals project complies with guidelines in (1) through (4) of this subsection.

- (1) A full-time director is employed who is empowered with authority to conduct the project's daily management and administrative functions;

- (2) The project obtains nutrition consultation services from a licensed registered dietitian (RD) as either an employee or independent consultant, unless provided by the Area Agency on Aging (AAA) or through a statewide contract.

- (A) A paid caterer or certified dietary manager is not acceptable in this position. If obtaining the services of a licensed RD consultant exceeds three months, the nutrition project or AAA:

- (i) provides documentation of hiring efforts in the form of newspaper advertisements and job announcements to Community Living, Aging and Protective Services (CAP);

- (ii) requests in writing a temporary waiver for an additional time period, not to exceed three months; and

- (iii) submits a revised budget reflecting the reallocation of funds not used while the position was vacant.

- (B) AAA notifies CAP contract monitor(s) within 72 hours following the loss of RD services by project or AAA.

- (C) The state RD is contacted to approve menu substitutions in the absence of an RD.

- (D) The RD verifies by signature on the Dietary Consultant's Report performance of required consultation activities, including:

- (i) limiting site visits to one per day per RD;

- (ii) visiting each site at least every other month for a minimum total of six site visits per year;
- (iii) monitoring food service, including food temperature and portion measurement, and assessing food quality and adherence to contract specifications;
- (iv) training staff and volunteers in areas of food service management, nutrition, food safety, and sanitation;
- (v) assessing participant satisfaction and preferences;
- (vi) reviewing menu and commodity utilization;
- (vii) approving and coordinating monthly nutrition education programs;
- (viii) monitoring perpetual inventory;
- (ix) documenting site recommendations for improvement;
- (x) documenting on the site visit date the number of:

- (I) reservations;
- (II) meals prepared;
- (III) meals served;
- (IV) full meals leftover; and
- (V) menu substitutions; and

(xi) providing nutrition counseling for participants whose total nutrition score on the Title III Program Registration form is six or more.

- (I) Counseling for congregate meals participants is provided with the participant's approval, and may be provided for home delivered meals participants where feasible.
- (II) Counseling may be provided upon participant request where feasible.

(3) A nutrition project consultation is provided at least quarterly that includes:

- (A) assessing food preferences;
- (B) preparing menus and documenting nutrition analysis to meet one third recommended dietary allowance for each meal.

(4) Determine appropriate staffing patterns for each meal site in the project service area. AAAs are the final authority on appropriate staffing patterns in the Title III projects.

(d) Cross references. See Oklahoma Administrative Code 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-68 through 340:105-10-71, 340:105-10-73 through 340:105-10-80, and 340:105-10-86.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 2273, eff 6-27-02 ; Amended at 20 Ok Reg 938, eff 6-1-03 ; Amended at 21 Ok Reg 898, eff 4-26-04 ; Amended at 22 Ok Reg 20, eff 8-15-04 (emergency); Amended at 22 Ok Reg 915, eff 5-12-05 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 29 Ok Reg 638, eff 7-1-12 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-73. Congregate meals project advisory council

(a) **Policy.** Each congregate meals project establishes and maintains an advisory council to advise the project on all matters relating to the delivery of project services. Site councils may be established at the discretion of the project director.

- (1) The composition of the council is described in (A) and (B).
 - (A) The advisory council is separate and distinct from the congregate meals project governing board and composed of:
 - (i) more than 50 percent of the council is made up of project participants, with each site electing one representative to the project council. Disabled and minority representatives are included on the council where projects are serving such individuals and where such individuals are willing to serve;
 - (ii) representatives of public and private agencies or organizations in the service area that address aging issues;
 - (iii) local government officials; and
 - (iv) other persons who are knowledgeable and experienced in the special needs of older persons.
 - (B) The advisory council may not be composed of:
 - (i) State Agency staff or governing board members;
 - (ii) Area Agency on Aging (AAA) staff or governing board members;
 - (iii) congregate meal project staff or governing board members; or
 - (iv) any other individuals who may give an appearance of a potential conflict of interest.
- (2) The council has approval authority over:
 - (A) suggested contribution schedules;
 - (B) general types of menus that meet the guidelines outlined in OAC 340:105-10-75(c)(9);
 - (C) days and hours of project operations where feasible;and
 - (D) decor and furnishings of the meal sites.
- (3) The council advises the project in all other matters related to the delivery of nutrition and supportive services, including:
 - (A) preparation of the project's operating budget;
 - (B) evaluation of project effectiveness and achievement of objectives;
 - (C) determination of existing and proposed services offered by the project; and
 - (D) determination of a new site selection.
- (4) All decisions and recommendations of the council take into consideration all applicable federal and state statutes and policies, as well as the project budget.
- (5) The council is organized and activated within 60 days after the initiation of meal service. Where feasible, target group eligible individuals are involved in the preparation of the initial project

proposal.

(6) Council bylaws and meeting minutes are on file at the sites and available to the participants, AAA, and State Agency staff for review.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.11.

(c) **Procedures.**

(1) The AAA:

(A) incorporates the provision of this Section into its Title III policy and procedures manual; and

(B) provides orientation to projects regarding the policy.

(2) Projects:

(A) establish project councils according to required composition;

(B) provide orientation to new council members regarding their functions;

(C) assist councils in developing bylaws;

(D) submit bylaws and amendments to the AAA for approval;

(E) schedule meetings of the councils at least quarterly and provide staff assistance at said meetings; and

(F) seek input from the council at scheduled meetings and informally, as needed, on all matters relating to the delivery of congregate meals and supportive services.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-70 through 340:105-10-72, 340:105-10-74 through 340:105-10-80, and 340:105-10-86.

340:105-10-74. Nutrition education

(a) **Policy.** The congregate and home delivered meals programs provide formal nutrition education to project participants.

(b) **Authority.** The authority for this Section is Sections 331(3) and 339(2)(J) of the Older Americans Act of 1965, as amended.

(c) **Procedures.** Nutrition education is registered dietician (RD) approved and:

(1) at least once per month;

(2) provided to congregate and home delivered meals participants;

(3) documented on Form 02AG025E, Dietary Consultant's Report; and

(4) participant questions related to the nutrition education are responded to by the RD.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-70 through 340:105-10-73, and 340:105-10-75 through 340:105-10-80.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 15 Ok Reg 249, eff 10-9-97 (emergency); Amended at 15 Ok Reg 1692, eff 5-11-98 ;

340:105-10-75. Congregate meals planning

(a) **Policy.** The congregate meals project conducts appropriate meal planning for the congregate meals service and consults with persons competent in the fields of nutrition, food service, and the needs of older persons.

(b) **Authority.** The authority for this Section is Section 339 of the Older Americans Act of 1965, as Amended and Section 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.**

(1) A registered dietitian (RD) prepares and approves congregate meals project menus and considers the project participants' special needs when doing so. The RD ensures each meal served contains at least:

(A) one-third of the dietary reference intakes as established by the Food and Nutrition Board of the Institute of Medicine of the National Academy of Sciences; and

(B) 600 or more calories. The recommended level is 750 to 850 calories.

(2) Menus are planned on a three or six month basis with a minimum four-week cycle with seasonal changes based on either meal pattern plan portions or weekly average nutritional analysis. The RD reviews menus for minimum nutrient or meal pattern standards, depending on the chosen menu plan option. Only one method of meal plan option is accepted per three or six-month period.

(A) Project participants' optimal nutritional status is maintained through menus that have moderate fat, salt, and simple sugar levels and are high in fiber.

(B) The Project Menu Plan - Nutrition Program for the Elderly is submitted quarterly to the Area Agency on Aging (AAA) and is available to the Community Living, Aging and Protective Services (CAP) RD for review upon request;

(3) The RD signs menus and posts them at the nutrition site.

(4) Menus reflect:

(A) to the maximum extent practicable, special diets to meet the participants' medical needs. When special diets are provided:

(i) a valid written physician's order is on file for each participant receiving a special diet. The physician's order indicates whether the participant is restricted to the special diet and the duration of the special diet. If the participant is consuming a liquid supplement in addition to a meal, the supplement is not reimbursed through the Nutrition Services Incentive Program as a separate meal; and

- (ii) special diets are planned and prepared under RD supervision; and
 - (B) where feasible, religious, ethnic, cultural, or regional dietary requirements or preferences of a major portion of the group of participants at a congregate meals site.
- (5) Meals are served per the planned menu unless the RD reviews and approves an appropriate substitution before meals are served. A complete menu move from one day to another in the same calendar week does not constitute a substitution. When substitutions are made, the project maintains and submits to CAP at the end of each month the:
- (A) substitution date;
 - (B) original menu item(s);
 - (C) substituted menu item(s); and
 - (D) method of RD confirmation. Confirmation is accepted by phone, in-person signature, or email.
- (6) Menus are based on accurate production forecasting that does not include a margin for oversized portions or second helpings. Staff, participants, and volunteers do not take leftover foods from the kitchen; however, food already on the line or steam table is offered as second helpings to participants on clean trays. Participants may take the remainder of their meals from the dining site in their own containers;
- (7) Servings of milk are included on menus and the serving size is one-half pint equivalent of fortified whole, skim, or low fat milk or buttermilk. A variety of milks are provided where feasible.
- (8) Menus may include, where feasible, provisions to celebrate special occasions for participants, such as birthdays and holidays.
- (9) Food items within the meat, vegetable and fruit, bread, and dessert groups are allowed to vary for the same days of the week, from week-to-week, to provide a variety of foods and nutrients.
- (d) **Cross references.** Refer to Oklahoma Administrative Code 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-68 through 340:105-10-74, 340:105-10-76 through 340:105-10-80, and 340:105-10-86.

340:105-10-76. Congregate meals food procurement

- (a) **Policy.** All food procurement for the Congregate Meals Program complies with applicable provisions of state or local laws. [Oklahoma Health Code, Section 2-101 and 2-102]
- (b) **Authority.** The authority for this Section is Section 339(2)(F) of the Older Americans Act of 1965, as amended and the Oklahoma Health Code, Section 2-101 and 2-102.
- (c) **Procedures.** Procedures to implement this Section include:
 - (1) all food purchases are through approved commercial sources;

- (2) all foods contributed to the project must meet the quality, sanitation, and safety standards of foods purchased commercially; and
- (3) home prepared foods, such as canned, frozen, or pot luck dishes are not used.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-68 through 340:105-10-75, 340:105-10-77 through 340:105-10-80, and 340:105-10-86.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-77. Congregate meals food preparation and service

(a) **Policy.** All preparation and food service for the Congregate Meals Program meet all applicable state and local fire, health, sanitation, and safety regulations. Food preparation and delivery is performed in the most cost-efficient manner possible.

(b) **Authority.** The authority for this Section is Section 339 of the Older Americans Act of 1965, as amended and the Oklahoma State Department of Health Food Service Establishment Regulations per Oklahoma Administrative Code (OAC) 310:257.

(c) **Procedures.**

- (1) Projects with multiple serving sites make every effort to consolidate all meal preparation at one facility. Such consolidation is undertaken only when delivery distances and holding times make it feasible.
- (2) The project director or designee arranges for all appropriate fire, health, safety, and sanitation inspections and responds appropriately to all identified deficiencies.
- (3) A certified food handler supervises all food preparation staff and ensures the application of hygienic techniques and practices in food preparation and service.
- (4) Tested, quality recipes, adjusted to yield the number of servings needed, are used to achieve the consistent and desirable quality and quantity of meals. Uniform, standardized recipes that provide for required amounts per serving are used when feasible.
- (5) Meal service is designed so that hot food is available for at least one-half hour after serving begins to enable participants who arrive late to receive a meal.
- (6) Time and temperature control guidelines are followed per OAC 310:257-5-59 through 310:257-5-62.
- (7) Temperatures are taken and documented daily before foods are removed from the stove or oven. Satellite nutrition sites record food temperatures immediately upon arrival at the site.
- (8) Daily temperatures of hot and cold foods are documented in writing and kept at the Title III senior nutrition site and made available for random review by the project director, site manager, Area Agency on Aging staff, consulting dietitian, and state dietitian.

(d) **Cross references.** Refer to OAC 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-68 through 340:105-10-76, 340:105-10-78

through 340:105-10-80, and 340:105-10-86.

340:105-10-78. Supplemental Nutrition Assistance Program (SNAP) benefit assistance for project participants

(a) **Policy.** Each nutrition project takes all necessary steps to ensure the maximum number of older persons within the project area benefit from the United States Department of Agriculture (USDA) SNAP as members of households certified for such assistance under USDA regulations.

(b) **Authority.** The authority for this Section is Section 202(a)(17) of the Older Americans Act of 1965, as amended and Title 45 of the Code of Federal Regulations, Part 1321.11.

(c) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-68 through 340:105-10-77, and 340:105-10-79 through 340:105-10-80.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:105-10-79. Nutrition Services Incentive Program (NSIP)

(a) **Policy.** NSIP rewards, through cash or commodities, Title III-C nutrition projects for efficiently delivering nutritious meals to participants. Title III-C nutrition projects maintain certification of eligible participants for NSIP.

(b) **Authority.** The authority for this Section is Section 311 of the Older Americans Act of 1965, as amended.

(c) **Procedures.** The requirements for implementing this Section are outlined in this subsection.

(1) Projects and their respective vendors apply to the appropriate state distributing agency for certification as eligible participants in NSIP.

(2) Vendors and projects accept, store, and use donated food commodities as supplied to them. Donated commodities, and cash in lieu of commodities, are only used in meal preparation funded through Title III-C.

(A) Vendors allow credit for the amount of commodities used during each billing period.

(B) Community Living, Aging and Protective Services (CAP) and Support Services Commodity Distribution Unit (CDU) of Oklahoma Human Services (OKDHS) determines the amount of credit per pound.

(3) Projects develop management procedures pertaining to handling food commodities.

(4) Documenting recruitments include:

(A) NSIP foods utilized in each day's menu;

(B) participant eligibility, on required OKDHS forms, to obtain NSIP support for eligible meals. Eligible meals are

those meals served to eligible participants, per Oklahoma Administrative Code (OAC) 340:105-10-69(a)(1) and 340:105-10-83(a). The participant's eligibility and meal reimbursement documentation is recorded on:

- (i) Title III Program Registration
- (ii) Nutrition Project Attendance Form or comparable CAP pre-approved form; and
- (iii) activity roster generated by current nutritional participants in the database;

(C) the number of meals served at nutrition sites entered into the database with all required documentation no later than the fifteenth day of the month following the report month; and

(D) age eligibility, only when project management has reasonable cause to question the accuracy of age the participant or the participant's representative provides on Title III Program Registration.

(5) CAP provides projects with NSIP cash or cash and commodity allocations of food commodities based on the number of eligible meals actually served in the previous year in relationship to the total number of meals actually served by all Title III-C projects. OKDHS CDU distributes commodities to the projects.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(4) and (7), 340:105-10-51, 340:105-10-68 through 340:105-10-78, and 340:105-10-80.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 21 Ok Reg 898, eff 4-26-04 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-80. Supportive social services for nutrition projects

(a) **Policy.** Each nutrition project provides all supportive services feasible within the project's resources but must include, at minimum, nutrition education for each nutrition site. Other services that may be provided are transportation, health screenings, consumer education, benefits counseling, recreation, and similar services. The project refers participants to other community services, as appropriate.

(b) **Authority.** The authority for this Section is Sections 305(2)(F), 307(a)(16), and 321(a), of the Older Americans Act of 1965, as amended.

(c) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(4) and (7), 340:105-10-51, and 340:105-10-68 through 340:105-10-79.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-81. Agreements for sponsored meals [REVOKED]

340:105-10-82. Home delivered meals service standards

(a) **Policy.** The home delivered meals service includes providing at least one hot or other appropriate meal to eligible homebound persons in their own home five or more days per week. Possible exceptions in rural areas where such frequency is not feasible are defined by the Assistant Secretary for Aging of the Administration for Community Living by regulation, and Oklahoma Human Services approves a lesser frequency. All home delivered meals service providers comply with applicable standards outlined in Oklahoma Administrative Code (OAC) 340:105-10-51, 340:105-10-68, and 340:105-10-74 through 340:105-10-79.

(b) **Authority.** The authority for this Section is Section 336 of the Older Americans Act of 1965, as amended.

(c) **Procedures.** The procedures for implementing this Section include the Area Agency on Aging:

- (1) incorporating the provisions in this Section into the Title III policies and procedures manual;
- (2) providing orientation on the policy to home delivered meals service staff;
- (3) monitoring compliance with the policy; and
- (4) providing ongoing technical assistance to Title III projects regarding the policy.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(4), 340:105-10-51, 340:105-10-68, 340:105-10-70, 340:105-10-74 through 340:105-10-79, and 340:105-10-83 through 340:105-10-86.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-83. Home delivered meals service eligibility

(a) **Policy.** The Area Agency on Aging (AAA) establishes eligibility requirements for home delivered meals participants which include, at minimum:

- (1) persons age 60 years or older who have a disability, are homebound, and have no one available to provide meal preparation assistance. Homebound means a person is unable to leave home without another person's assistance;
- (2) persons with a disability who are under 60 years of age who and reside with eligible participants; and
- (3) spouses of home delivered meals participants when, according to AAA criteria, receipt of the meals is in the best interest of participants.

(b) **Authority.** The authority for this Section is Title 45 of the Code of Federal Regulations, Part 1321.11.

(c) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(4), 340:105-10-51, 340:105-10-68, 340:105-10-70, 340:105-10-74 through 340:105-10-79, 340:105-10-82, and 340:105-10-84 through 340:105-10-86.

340:105-10-84. Home delivered meals planning

(a) **Policy.** The home delivered meals service conducts appropriate meal planning with the consultation of persons competent in the field of nutrition, food service, and the needs of older persons.

(b) **Authority.** The authority for this Section is Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** Procedures to implement this Section include the home delivered meals:

- (1) service complies with the congregate meals planning standards outlined in OAC 340:105-10-75;
- (2) service makes arrangements for the availability of meals in weather related emergencies, where feasible;
- (3) numbers served are determined by the Area Agency on Aging based on needs assessment information, allocation of Title III-C(2) funds, and service unit costs;
- (4) may be hot, cold, frozen, dried, or canned with a satisfactory storage life and must conform to procurement standards outlined in OAC 340:105-10-76; and
- (5) service may include the delivery of more than one meal for each day's consumption provided that proper storage and heating facilities are available in the recipient's home.

(d) **Cross references.** See OAC 340:105-10-50.1(a)(4), 340:105-10-51, 340:105-10-68, 340:105-10-70, 340:105-10-74 through 340:105-10-79, 340:105-10-82, 340:105-10-83, 340:105-10-85, and 340:105-10-86.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06]

340:105-10-85. Home delivered meals packaging and delivery

(a) **Policy.** Home delivered meals are packaged and delivered to ensure temperature control and prevent contamination and spillage.

(b) **Authority.** The authority for this Section is Oklahoma State Department of Health Food Service Establishment Regulations Oklahoma Administrative Code (OAC) 310:257-5-9, 310:257-5-52, and 310:257-5-62 and Section 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** This Section is implemented by including procedures for:

- (1) packaging and handling up to the point of delivery of the meals.
 - (A) Hot foods are maintained at a minimum of 135 degrees Fahrenheit. Temperatures of hot food items are checked upon completion of cooking and when they arrive at satellite sites when prepared at a central kitchen and is at a minimum of 135 degrees Fahrenheit.
 - (B) Cold foods are maintained at a maximum temperature of 41 degrees Fahrenheit. Temperatures of cold food items are checked upon completion of cooking and when they arrive at satellite sites when prepared at a central kitchen and is at a maximum of 41 degrees Fahrenheit.

- (C) Frozen foods are maintained frozen and hard;
 - (2) performing temperature checks at least quarterly on a random basis to ensure food is delivered at the proper temperature. Documentation of these checks is maintained by the provider and monitored by the Area Agency on Aging;
 - (3) packaging and packing cold, hot, and frozen foods separately;
 - (4) packaging meals individually and in secondary insulated food carriers to meet established safety and sanitation standards;
 - (5) delivering meals within four hours of last documented temperature check;
 - (6) dating all disposable meal containers with the packaging date;
 - (7) marking individual meals with an expiration date by which they are consumed, refrigerated, or discarded; and
 - (8) providing instructions with all home delivered meals regarding reheating or chilling if needed before consumption.
- (d) **Cross references.** Refer to OAC 340:105-10-50.1(a)(4), 340:105-10-51, 340:105-10-68, 340:105-10-70, 340:105-10-74 through 340:105-10-79, 340:105-10-82 through 340:105-10-84, and 340:105-10-86.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 32 Ok Reg 1927, eff 9-15-15 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:105-10-86. Congregate and home delivered meals site change of status

- (a) **Policy.** Any site status change , such as a permanent site opening, closing, or relocating, or a temporary emergency status change in the congregate and home delivered meals programs is based upon objective, quantifiable, sociodemographic, and needs assessment data.
- (b) **Authority.** The authority for this Section is Section 1321.11 of Title 45 of the Code of Federal Regulations.
- (c) **Procedures.** The requirements for implementing this Section are outlined in this subsection.
 - (1) 30-calendar days prior to a nutrition site’s status change, the Area Agency on Aging (AAA) submits required documentation outlined in (A) through (E) of this paragraph to Community Living, Aging and Protective Services (CAP) .
 - (A) When a new site is opened, AAA submits a completed Change of Status Request and new, approved health and fire inspections for the site .
 - (B) When an existing site is closed, AAA submits a completed Change of Status Request.
 - (C) When an existing site experiences a temporary emergency, AAA submits a completed Change of Status Request, documentation of the type of emergency, and a plan of action within three-business days.
 - (D) When an existing site is relocated within the local area , AAA submits a completed Change of Status Request and new, approved health and fire inspections for the site .

(E) When an existing site is relocated to another county, AAA submits a completed Change of Status Request, including sociodemographic data for both locations and new, approved health and fire inspections for the new site.

(2) The Change of Status Request for new site requests, relocation requests, and closure requests includes for each proposed change:

(A) justifications;

(B) existing meal services for older persons in the planning and service area (PSA) or local area;

(C) all potentially eligible unserved areas within the PSA , when opening or relocating outside the local area;

(D) a list and ranking of all unserved areas in priority order for future funding, when opening or relocating outside the local area;

(E) the number and proportion of minority, low income, and older persons in greatest economic or social need for each currently served and currently unserved area;

(F) the total number of persons 60 years or older in the total PSA, and in each current and prospective service area;

(G) a revised grant including budget justification . The budget justification includes, at minimum, the number of meals funded and served, a thorough explanation regarding substantial over or under serving of meals, and a meal cost evaluation;

(H) the proposed date of each change;

(I) transportation services available for older persons affected ;

(J) nutrition project advisory council and governing board recommendations ; and

(K) any other information necessary to evaluate the proposed status change.

(3) After reviewing the analysis, CAP may disapprove or conditionally approve the request for site change.

(A) When a site is conditionally approved, the new site passes an Americans with Disabilities Act (ADA) inspection, conducted by AAA or CAP, to complete the approval process. AAA provides a copy of the ADA inspections to CAP prior to approval.

(B) Site closures, due to declining attendance or increased operational costs, require prior approval from the President Pro Tempore of the Oklahoma State Senate and the Speaker of the Oklahoma House of Representatives.

(4) The Change of Status Request for temporary emergency status changes includes for each proposed change:

(A) justification(s);

(B) existing meal services for qualified older participants in the PSA or local area;

(C) all potentially eligible unserved areas within the PSA, when opening or relocating outside of the local area;

- (D) the number and proportion of minority, low income, and older persons in greatest economic or social need for each currently served and currently unserved area;
- (E) the proposed date of each change;
- (F) transportation services available for older persons affected by each change; and
- (G) any other information necessary to evaluate the proposed status change.

(5) Temporary emergency status changes are only approved for 30-calendar days. Prior to the end of the approved 30-calendar days, participants may submit a written extension request to CAP for up to an additional 30-calendar days. The written request includes an update regarding efforts taken to resolve the issue causing the temporary emergency status change. No more than two extensions of the original approval are permitted for a total of 90-calendar days, with the exceptions in (A) and (B) of this paragraph.

(A) When additional time is needed, a new Change of Status Request is completed and submitted for consideration.

(B) When an approved temporary emergency status change needs to change to a permanent status change, a new Change of Status Request is completed and submitted.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(4) and (7), 340:105-10-51 through 340:105-10-52, 340:105-10-68, 340:105-10-71, 340:105-10-74 through 340:105-10-79, and 340:105-10-82 through 340:105-10-85.

340:105-10-89. Disease prevention and health promotion services

(a) **Policy.** The Area Agency on Aging (AAA) awards grants to local entities to provide disease prevention and health promotion services and information at multipurpose senior centers, congregate meal sites, through home delivered meals programs, or other appropriate sites.

Disease prevention and health promotion services include:

- (1) health risk assessments;
- (2) routine health screening, such as hypertension, glaucoma, cholesterol, cancer, vision, hearing, diabetes, bone density, oral health, and nutrition screening;
- (3) nutritional counseling and educational services for older persons and their primary caregivers;
- (4) health promotion programs, including programs relating to preventing and reducing the effects of chronic disabling conditions, such as osteoporosis or cardiovascular disease; and promoting dental care, alcohol and substance abuse reduction, smoking cessation, weight loss and control, and stress management;
- (5) programs regarding physical fitness, group exercise, and music, art, and dance movement therapy, including multigenerational participation programs provided by a:
 - (A) higher education institution;
 - (B) local educational agency, as defined in Section 1471 of the Elementary and Secondary Education Act of 1965; or
 - (C) community-based organization; and
- (6) home injury control services, including high-risk home environment screenings and educational programs on fall, fracture, or other injury prevention;
- (7) depression prevention screening, community mental health services coordination, provision of educational activities, and psychiatric and psychological services referral;
- (8) educational programs on the availability, benefits, and appropriate use of preventive health services covered under Title XVIII of the Social Security Act;
- (9) medication management screening and education to prevent incorrect medication and adverse drug reactions;
- (10) information concerning diagnosis, prevention, treatment, and rehabilitation concerning age related diseases and chronic disabling conditions, including osteoporosis, cardiovascular diseases, diabetes, and Alzheimer's disease and related disorders with neurological and organic brain dysfunction;
- (11) gerontological counseling; and
- (12) social services counseling and follow-up health services based on any of the services described in (1) through (11) of this subsection.

(b) **Authority.** The authority for this Section is Sections 102(12), 361, and 362 of the Older Americans Act of 1965, as Amended.

(c) **Procedures.** The requirements for implementing this Section are outlined in this subsection. AAA:

- (1) receives input from other entities in the planning and service area (PSA) involved with disease prevention and health promotion regarding targeting AAA funds;
- (2) considers using funds to expand successful disease prevention and health promotion activities currently funded by Title III-B or other sources in the community, such as annual health fairs or periodic health screenings at nutrition sites;

(3) seeks technical assistance, as appropriate, from Oklahoma Human Services (OKDHS) Community Living, Aging and Protective Services (CAP) staff;

(4) submits a plan to OKDHS CAP to include:

(A) services funded. Services funded do not include those for which payment is made under Titles XVIII and XIX of the Social Security Act;

(B) projected expenditures for each service; and

(C) specific objectives to target services to the medically underserved older persons in the PSA. The definition of medically underserved, which is used to allocate the funding, is stated in the area plan and chosen from:

(i) the definition outlined by the Public Health Service Bureau of Health Care Delivery,

Department of Health and Human Services;

(ii) a definition developed by the Oklahoma State Department of Health; or

(iii) any other definition in keeping with the intent of assisting medically underserved older persons; and

(5) ensures Title III-D disease prevention and health promotion programs or services meet the minimum requirements in this paragraph.

(A) The program meets the requirements of the Administration for Community Living Evidence-Based definition including:

(i) demonstrated effectiveness through evaluation in improving health and wellbeing or reducing disease, disability or injury among older adults;

(ii) proven effectiveness with older adult population, using experimental or quasi-experimental design;

(iii) published research results in a peer-reviewed journal;

(iv) full translation in one or more community sites; and

(v) developed dissemination products that are available to the public.

(B) The program is considered an evidenced-based program by any operating division of the United States Department of Health and Human Services and is shown to be effective and appropriate for older adults.

(d) Cross references. See Oklahoma Administrative Code 340:105-10-50.1(a)(15-16) and 340:105-10-51.

340:105-10-90. Supportive activities for caretakers who provide in-home services to frail older persons [REVOKED]

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Revoked at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-90.1. National Family Caregiver Support Program

(a) **Policy.** The Area Agency on Aging (AAA) awards grants to entities to provide supportive services, including information and assistance (I & A), counseling, support groups, respite, and other home and community-based services to families caring for their frail older members. The National Family Caregiver Support Program (NFCSP) also recognizes the needs of a grandparent, step-grandparent, or other older person who is a relative caregiver of a child or person not more than 18 years of age or who is a person with a disability. NFCSP services include:

- (1) caregiver assistance: case management;
- (2) caregiver assistance: I & A;
- (3) counseling;
- (4) information services;
- (5) respite care, including:
 - (A) in-home respite;
 - (B) out-of-home respite; and
 - (C) out-of-home overnight respite; and
- (6) supplemental services;
- (7) support groups; and
- (8) training.

(b) **Authority.** The authority for this Section is Sections 371 through 374 of the Older Americans Act of 1965, as amended,

(c) **Procedures.** AAA requirements for implementing this Section are outlined in (1) through (9) of this subsection.

- (1) Provisions of this Section are incorporated into the Title III policies and procedures manual.
- (2) Technical assistance is provided to prospective and funded Title III projects regarding this rule.
- (3) AAA monitors Title III project compliance according to Oklahoma Administrative Code (OAC) 340:105-10-43, except on specific projects where Oklahoma Human Services has agreed with the AAA to provide a direct service or a direct service waiver and in that case the AAA is not required to monitor compliance. The project:
 - (A) gathers information on an approved intake form, including, at a minimum:
 - (i) the family caregiver's identifying information;
 - (ii) the caregiver's relationship to the care receiver;
 - (iii) the care receiver's identifying information; and
 - (iv) a written description of the caregiver's current situation, including the care receiver's need for assistance due to inability to perform specific activities of daily living (ADLs) or need for supervision due to Alzheimer's disease or other

neurological and organic brain dysfunction or disability; and

(B) conducts a reassessment of NFCSP service recipients annually, at minimum, to evaluate service provision and update participant status;

(C) ensures participant safety and protection; and

(D) receives in-service training each fiscal year specifically designed to increase the project's knowledge and understanding of the programs and participants served.

(4) Services are targeted to caregivers who are older persons in greatest social and economic need, priority is given to:

(A) family caregivers providing care for persons with Alzheimer's disease and related disorders with neurological and organic brain dysfunction; and

(B) grandparents or older persons who are relative caregivers providing care for a person or child with a severe disability.

(5) Supportive services may be provided to caregivers providing care for frail older family members who are 60 years or older and who have difficulty with ADLs or instrumental activities of daily living (IADLs) or cognitive or other mental impairment requiring substantial supervision because the individual behaves in a manner that poses a serious health or safety hazard to the individual or to another individual.

(A) ADLs include:

(i) dressing;

(ii) bathing;

(iii) eating;

(iv) transferring;

(v) toileting; and

(vi) walking.

(B) IADLs include:

(i) preparing meals;

(ii) shopping for personal items;

(iii) managing medication;

(iv) managing money;

(v) using the telephone;

(vi) doing heavy housework;

(vii) doing light housework; and

(viii) making use of available transportation without assistance.

(6) Supportive services may be provided on a limited basis to grandparents and older persons who are relative caregivers of a child who is 18 years of age or younger.

(A) Child means a person who is not older than 18 years of age or who is a person with a disability.

(B) Grandparent or older person who is a relative caregiver means a grandparent or step-grandparent of a child, or a relative of a child by blood, marriage, or adoption who is 55 years of age or older and:

(i) lives with the child;

- (ii) is the child's primary caregiver because the biological or adoptive parents are unable or unwilling to serve as the child's primary caregiver; and
- (iii) has a legal relationship to the child, such as legal custody or guardianship, or is raising the child informally.

(7) AAA ensures the cost of carrying out the program meets the requirement of a minimum non-federal share of 25 percent. The non-federal share is provided from state and local sources.

(8) Funds are not used to supplant, replace, or substitute, any funds expended under any federal, state, or local law for the same purposes, such as Medicaid ADvantage program, Lifespan Respite, Developmental Disabilities Services respite program.

(9) AAA considers awarding funds to expand successful caregiver activities currently in communities, such as respite providers, support groups, outreach, I & A, adult day services, counseling, and case management.

(d) **Cross references.** See OAC 340:105-10-37, 340:105-10-38, 340:105-10-40, 340:105-10-41, 340:105-10-43, 340:105-10-44, and 340:105-10-50.1(a)(17).

340:105-10-91. Homemaker service standards

(a) **Policy.** The homemaker service provides assistance to persons 60 years of age or older with:

- (1) preparing a meal;
- (2) shopping for personal items;
- (3) using the telephone; or
- (4) doing light housework, which is limited to:
 - (A) dusting;
 - (B) vacuuming;
 - (C) mopping floors;
 - (D) cleaning bathroom and kitchen;
 - (E) making beds; and
 - (F) maintaining safe environment.

(b) **Authority.** The authority for this Section is the Federal Register Office of Management and Budget Notice of Action 0985-0008 and Section 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The requirements for implementing the homemaker service standards are outlined in this subsection.

- (1) The Area Agency on Aging:
 - (A) incorporates the homemaker service standards into the Title III policies and procedures manual;
 - (B) provides technical assistance to homemaker service providers regarding the standards; and

(C) utilizes the standards as an indicator in service provider proposal evaluation and in assessment of funded projects.

(2) The service provider:

(A) verifies, by completing Title III Program Registration, participants who receive homemaker services have:

- (i) functional, physical, or mental impairments, or limitations preventing them from providing the service for themselves; and
- (ii) an unavailable or insufficient informal support network, for example, family, friends, or neighbors, capable of meeting their needs;

(B) initiates a written service plan for each participant based on Title III Program Registration results;

(C) ensures all staff receives in-service training at least twice each fiscal year specifically designed to increase their knowledge and understanding of the program and participants and to improve their skills at service provision tasks. Comprehensive records identifying dates of training and topics covered are maintained in each employee's personnel file. An individualized in-service training plan is developed for each staff, when performance evaluations indicate a need;

(D) conducts home visits to each participant at least twice each fiscal year to evaluate service provision; and

(E) checks references on all homemakers.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(2), and 340:105-10-51.

[Source: Added at 15 Ok Reg 249, eff 10-9-97 (emergency); Added at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-92. Chore service standards

(a) **Policy.** The chore service provides assistance to persons 60 years of age or older who have difficulty with one or more of the instrumental activities of daily living (IADL), which are: heavy housework, yard work, or sidewalk maintenance.

(b) **Authority.** The authority for this Section is Section 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.**

(1) **Service provider.** The service provider:

(A) verifies the participant receiving chore service has a functional, physical, or mental impairment that prevents the participant from providing the IADL for his or her self, and that an informal support network, for example, family, friends, or neighbors capable of meeting the participant's needs, is unavailable or insufficient. This information is verified by completing Title III Program Registration;

(B) initiates a written service plan for each participant based on the results of Title III Program Registration;
(C) conducts home visits to each participant at least twice each fiscal year to evaluate service provision;
(D) ensures participant safety and protection at all times in chore service provision, for example, not spraying chemicals around a participant who has breathing problems;
(E) may use up to \$150 per participant annually from funds awarded for the chore service program to purchase materials and disposable supplies for completion of chore tasks;
(F) ensures all staff receives in-service training at least twice each fiscal year specifically designed to increase their knowledge and understanding of the program and participants and improve their skills at service provision tasks.

(i) Comprehensive records identifying dates of training and topics covered are maintained in each staff person's personnel file.

(ii) An individualized in-service training plan is developed for each staff when performance evaluations indicate a need; and

(G) checks references on all chore service staff.

(2) **Area Agency on Aging (AAA).** The AAA:

(A) incorporates the chore service standards into the AAA Title III policies and procedures manual;

(B) provides technical assistance to chore service providers regarding the standards; and

(C) uses the standards as an indicator in the service provider proposal evaluation and in assessment of funded projects.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(3) and 340:105-10-51.

[Source: Added at 15 Ok Reg 249, eff 10-9-97 (emergency); Added at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-93. Personal care service standards

(a) **Policy.** The personal care service provides hands on assistance, stand by assistance, supervision, or cues for persons 60 years of age or older who have difficulties with one or more activities of daily living, which include eating, dressing, grooming, bathing, toileting, and mobility, including walking, using a wheelchair, or transferring from one place to another. Personal care services may only be provided by licensed home health care agencies or otherwise licensed or certified health agencies.

(b) **Authority.** The authority for this Section is Section 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.**

(1) **Personal care service provider.** The personal care service provider:

(A) verifies that the participant receiving personal care service has a functional, physical, or mental impairment preventing the participant from providing the service for his or her self, and that an informal support network, for example, family, friends, or neighbors capable of meeting the participant's needs, is unavailable or insufficient. This information is verified by completing Title III Program Registration; and

(B) initiates a written service plan for each participant based on the results of Title III Program Registration.

(2) **Area agency on aging (AAA).** The AAA:

(A) incorporates the personal care standards into the AAA Title III policies and procedures manual;

(B) provides technical assistance to personal care service providers regarding the standards; and

(C) uses the standards as an indicator in the service provider proposal evaluation and in the funded projects assessment.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-50.1(a)(1) and 340:105-10-51.

PART 9. FISCAL AND ADMINISTRATIVE POLICIES FOR AREA AGENCIES ON AGING AND TITLE III PROJECTS

340:105-10-95. Intrastate funding formula

(a) **Policy.** In consultation with Area Agencies on Aging (AAAs) and in accordance with guidelines issued by the Assistant Secretary for Aging of the Administration on Aging (AoA), the State Agency uses the best available data to develop and publish for review and comment a formula for distribution within the state of funds received under Title III that takes into account:

- (1) the geographical distribution of older persons in the state; and
- (2) the distribution among planning and service areas (PSAs) of older persons with greatest economic need and older persons with greatest social need, with particular attention to low income minority older persons.

(b) **Authority.** The authority for this Section is Section 305 of the Older Americans Act (OAA) of 1965, as amended and Part 1321.37 of Title 45 of the Code of Federal Regulations.

- (c) **Procedures.** The State Agency implements this Section by:
- (1) obtaining input from the AAA, including demographic data, for use in developing the intrastate funding formula;
 - (2) following guidelines from the regional office of AoA regarding development of the intrastate funding formula;
 - (3) considering the geographic distribution among PSAs of persons 60 years of age and older in the development of the intrastate funding formula;
 - (4) considering the distribution among PSAs of older persons in greatest economic need, based on older persons at or below the poverty level as defined by the United States Bureau of Census. Particular attention is paid to low income minority older persons and older persons residing in rural areas, in the development of the intrastate funding formula;
 - (5) considering the distribution among PSAs of older persons in greatest social need. [OAC 340:105-10-3] Particular attention is paid to low income minority older persons and older persons residing in rural areas, in the development of the intrastate funding formula;
 - (6) developing an intrastate funding formula that includes:
 - (A) funds retained for state and AAA administration, and for the State Long-Term Care Ombudsman Program, including:
 - (i) no more than five percent of Oklahoma's allocation of OAA Title III funds or \$300,000, whichever is greater, retained by the State Agency for State Agency administrative costs, unless the total OAA Title III allocation to all states under Section 303 of the OAA exceeds \$800,000,000, in which case the State Agency retains five percent of the state's Title III allocation, or \$500,000, whichever is greater;
 - (ii) no more than ten percent of the funds remaining after providing for State Agency administrative costs are awarded for meeting AAA administrative costs. In awarding administrative funds, each PSA is apportioned a minimum of \$37,500 unless available funds are insufficient to provide for such an apportionment, in which case the available funds are distributed among the PSAs in equal shares. AAA administrative funds remaining, if any, after making this apportionment are allotted among PSAs in the same proportion as each PSA's age 60 and older population bears to the total state population age 60 and older; and
 - (iii) no less than one percent of Oklahoma's OAA Title III, Part B allocation is retained for the Long-Term Care Ombudsman Program of the State Agency;
 - (B) 50 percent of the funds remaining after providing for state and AAA administrative costs and for the Long-Term

Care Ombudsman Program are apportioned among PSAs in the same proportion as each PSA's age 60 and older population bears to the total state population age 60 and older;

(C) 50 percent of the funds remaining after the apportionment described in (B) of this paragraph are apportioned among PSAs in the same proportion as each PSA's age 60 and older population living at or below the poverty level bears to the total state population age 60 and older living at or below the poverty level;

(D) all of the funds remaining after the apportionment described in (C) of this paragraph apportioned among PSAs in the same proportion as each PSA's age 60 and older population of minority racial descent bears to the total state population age 60 and older of minority racial descent;

(E) PSAs containing no medically underserved areas are ineligible to receive funds appropriated specifically for disease prevention and health promotion services. Medically underserved areas mean medically underserved areas designated by the United States Department of Health and Human Services, Public Health Service Bureau of Health Care Delivery and Assistance, Office of Shortage Designation;

(F) allotting each PSA no less than two percent of the sum of the funds apportioned in (B) through (D) of this paragraph;

(G) allotting each PSA sufficient funds to meet the requirements of Section 307(a)(3)(B) of the OAA. Not less than the total of federal fiscal year 2000 expenditures were allotted to rural areas. Rural areas are defined as those counties not included in Standard Metropolitan Statistical Areas (SMSA), as determined by the United States Census Bureau. The amounts necessary to meet this requirement are:

- (i) Areawide AAA - \$0;
- (ii) Association of South Central Oklahoma Governments (ASCOG) AAA - \$914,127;
- (iii) Central Oklahoma Economic Development District (COEDD) AAA - \$803,399;
- (iv) Eastern Oklahoma Development District (EODD) AAA - \$1,149,319;
- (v) Grand Gateway AAA - \$876,072;
- (vi) Kiamichi Economic Development District of Oklahoma (KEDDO) AAA - \$812,873;
- (vii) Northern Oklahoma Development Authority (NODA) AAA - \$578,108;
- (viii) Oklahoma Economic Development Authority (OEDA) AAA - \$252,781;
- (ix) Southern Oklahoma Development Authority (SODA) AAA - \$900,213;

- (x) South Western Oklahoma Development Authority (SWODA) AAA - \$441,543; and
 - (xi) Tulsa AAA - \$0;
- (7) publishing the formula listed in this subsection for review and comment by the public. The publication includes:
- (A) a descriptive statement of the formula's assumptions and goals;
 - (B) documentation regarding the application of greatest economic need;
 - (C) documentation regarding the application of greatest social need;
 - (D) a numerical statement of the actual funding formula to be used;
 - (E) a listing of the population, economic, and social data used for each PSA; and
 - (F) a demonstration of the allocation of funds to each PSA, pursuant to the funding formula;
- (8) submitting the formula to the federal Assistant Secretary for Aging for approval; and
- (9) implementing the formula in allocating all federal OAA funds.
- (d) **Cross reference.** See OAC 340:105-10-3.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 20 Ok Reg 938, eff 6-1-03 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency); Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency); Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency); Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency); Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency); Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency); Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency); Amended at 42 Ok Reg, Number 5, effective 10-10-24 (emergency)]

340:105-10-96. Title III-B priority supportive services

(a) **Policy.** The Area Agency on Aging (AAA) ensures that an adequate proportion of its federal allotment for Title III-B services is expended for priority services unless the AAA has been granted a waiver on this rule by the State Agency per OAC 340:105-10-97. The Title III-B priority services include:

- (1) access services:
 - (A) transportation;
 - (B) outreach;
 - (C) information and assistance;
 - (D) assisted transportation;
 - (E) case management; and
 - (F) health services, including mental health services;
- (2) in-home services:
 - (A) homemaker;
 - (B) chore;
 - (C) personal care; and
 - (D) home repair; and
- (3) legal assistance services:
 - (A) legal counseling and representation;
 - (B) community education on legal matters; and
 - (C) information and assistance on legal matters.

(b) **Authority.** The authority for this Section is Section 306(a)(2) of the Older Americans Act of 1965, as amended.

(c) **Procedures.** The AAA develops its annual budget in consultation with the State Agency and incorporates the allocations listed in (1) - (3) of this subsection into the budget. The AAA:

- (1) expends at least 30 percent of its federal Title III-B funds overall for the three priority service categories, and not less than five percent of these funds for any single priority service;
- (2) expends at least as much federal funds in any given fiscal year for the priority services categories as the AAA expended for the priority services in the previous fiscal year; unless the AAA allocation of these funds is reduced, in which case, the AAA priority services expenditure is reduced proportional to the AAA reduction in Title III-B funds; and
- (3) allocates federal funds to legal assistance services in accordance with minimum funding levels established by the State Agency and issued annually under State memo.

(d) **Cross references.** See OAC 340:105-10-97.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 16 Ok Reg 1983, eff 6-11-99 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09]

340:105-10-97. Priority supportive services waiver

(a) **Policy.** The State Agency grants a waiver of the priority supportive services funding requirement, per OAC 340:105-10-96, for any category of services being furnished sufficiently to meet the need for such services in the planning and service area (PSA), as demonstrated by the Area Agency on Aging (AAA).

(b) **Authority.** The authority for this Section is Section 306(b) of the Older Americans Act of 1965, as amended.

(c) **Procedures.**

- (1) The AAA conducts a public hearing regarding its intent to request a waiver on funding a priority supportive services category. Regarding the public hearing, the AAA:
 - (A) notifies all interested parties in the area of the nature, date, time, and location of the public hearing;
 - (B) furnishes the interested parties an opportunity to testify; and
 - (C) prepares a record of the public hearing, including:
 - (i) names and addresses of persons in attendance;
 - (ii) all testimony;
 - (iii) changes made to the AAA's waiver request secondary to testimony; and
 - (iv) date, time, location, and duration of hearing.
- (2) The AAA submits its written request for a waiver to the State Agency. The waiver request includes the:
 - (A) categories of services for which the waiver is requested;
 - (B) name, address, and telephone number of the agency(ies) or organization(s) currently providing the

service in the PSA;

(C) number of persons currently receiving the service in the PSA;

(D) units of service currently being provided in the PSA; and

(E) record of the public hearing as outlined in (1) of this subsection.

(3) The State Agency reviews the waiver request. If the State Agency determines that a waiver should be granted, the State Agency:

(A) publishes the intention to grant such a waiver, together with the justification for the waiver, at least 30 days prior to the effective date of the decision to grant the waiver; and

(B) provides an opportunity for a hearing to any affected person or service provider from the PSA.

(4) The State Agency makes a final determination regarding the waiver request. If the State Agency grants the waiver request, the State Agency provides to the Assistant Secretary for Aging a:

(A) report regarding such waiver that includes the AAA waiver request document; and

(B) copy of the record of any hearing conducted by the State Agency at the request of an affected person or service provider.

(d) **Cross reference.** See OAC 340:105-10-96.

340:105-10-100. Area Agency on Aging funding formula for the allocation of Title III funds

(a) **Policy.** The Area Agency on Aging (AAA) establishes a funding formula for the allocation of all Title III funds. The formula must be included in the Area Plan and updated in the Area Plan if revised during the Area Plan year. The funding formula has a provision for allocating additional funds and for reprogramming funds awarded, but not utilized. The formula also outlines the process to be followed when there is a reduction in state or federal funding during the Area Plan year. The funding formula must be approved by the AAA Board of Directors. A mathematical formula is not required.

(b) **Authority.** The authority for this Section is Section 306(a) of the Older Americans Act of 1965, as amended and Title 45 of the Code of Federal Regulations, Part 1321.11.

(c) **Procedures.** The AAA implements this Section by:

- (1) drafting a formula which considers the:
 - (A) number of persons age 60 years of age and older;
 - (B) number of older persons in greatest economic need;
 - (C) number of older persons in greatest social need;
 - (D) number of low income minorities;
 - (E) need for and availability of priority services identified in the needs assessment process;
 - (F) availability of local resources, including volunteers;
 - (G) collocation of services and the development of community focal points; and
 - (H) state and federal mandates;
- (2) including in the formula provisions for the:
 - (A) allocation of additional funds received after the initial grant award from the State Agency;
 - (B) reprogramming of funds awarded by the AAA to Title III projects but not utilized; and
 - (C) reductions in state or federal funds during the Area Plan year;
- (3) submitting the draft funding formula to its advisory council for review;
- (4) submitting its draft funding formula to its board of directors for approval; and
- (5) publishing the funding formula in the Area Plan and updating the formula in the Area Plan, as appropriate.

(d) **Cross reference.** See OAC 340:105-10-40.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-10-101. Request for proposal procedures

(a) **Policy.** All Older Americans Act pass through funds are awarded in an open, competitive, and fair manner via the request for proposal (RFP) process. Awards are made to applicants whose proposals include all components of the service(s) outlined in the RFP and who best meet RFP specifications.

- (1) The Area Agency on Aging (AAA) board of directors:
 - (A) is directly responsible for reviewing proposals and awarding funds. This responsibility may not be delegated;
 - (B) may not award funds to the AAA or to another subdivision of the sponsoring agency under the auspices of the same board of directors; and
 - (C) may not award funds to board members or agencies or organizations they represent.
- (2) Awarding funds through the RFP process during the plan year is required when:
 - (A) funds are allocated to the AAA at the beginning of the fiscal year;

- (B) there is significant expansion of a service(s) already funded;
- (C) funding a new service(s); or
- (D) funding of an existing service is transferred from a defunct or terminated grantee.

(b) **Authority.** The authority for this Section is Section 1321.11 of Title 45 of the Code of Federal Regulations and Section 212(b)(1) of the Older Americans Act of 1965, as amended.

(c) **Procedures.** The requirements for implementing this Section are outlined in this subsection.

(1) To initiate RFP, the AAA:

- (A) develops specifications for each service to be procured clearly defining the service and how units of service are measured. The specifications include the minimum units of services to be provided, the minimum unduplicated number to be served, if required, and geographic service areas as appropriate;
- (B) develops an RFP guide and grant application package;
- (C) announces funding availability and documents the announcement in newspapers or approved electronic formats in the planning and service area (PSA), and concurrently sends a news release to the editor of at least three newspapers and to existing and potential service providers known to the AAA in the PSA.

(i) The announcement runs at least two times in daily papers or two weeks in weekly papers prior to closing the application period and in a sufficient number of papers to ensure complete coverage within the PSA.

(ii) The announcement begins at least 21-calendar days prior to closing the application period and is repeated at least once no less than five-calendar days prior to the date of the proposers' conference.

(iii) All announcements include:

- (I) a listing of services funding is available for and the geographic areas that are covered for each service;
- (II) the address where service specifications and the proposal guide may be obtained;
- (III) the closing date and time for application submittal;
- (IV) the name and phone number of a person to contact for additional information; and
- (V) the date, time, and location of the proposers' conference, and notification that attendance at the conference is required to be considered for funding; and

(D) mails copies of the RFP guide upon request;

(E) conducts a conference for proposers prior to the deadline for submitting applications and requires

applicants to attend the conference to be considered for funding. At minimum, the information discussed during the conference includes:

- (i) the RFP guide and all requirements pertaining to submitting an application; and
- (ii) all responsibilities associated with accepting Title III funds, including applicable federal and state statute, policy, certifications, and assurances;

(F) provides other reasonable technical assistance to applicants who request assistance, in writing, no later than seven-calendar days prior to the application period closing;

(G) informs Oklahoma Human Services Aging Services (OKDHS) Community Living, Aging and Protective Services (CAP) following the proposers' conference closing when there are no applicants for a service; and

(H) at the close of the application period, evaluates and rates all proposals according to standard criteria based on requirements of the RFP guide. The AAA disqualifies incomplete proposals from evaluation and funding.

(2) The AAA advisory council reviews the proposals and makes recommendations on funding to the AAA board of directors. All decisions related to funding recommendations are conducted in accordance with applicable state and federal conflict of interest laws. The advisory council review is conducted during a scheduled meeting with a quorum present.

(3) The AAA board of directors:

(A) or a subcommittee of the board, reviews all proposals and the recommendations of the AAA staff and advisory council;

(B) approves funding of proposals that best meet or exceed the service specifications and the requirements of the RFP guide. All decisions related to granting awards are made in accordance with applicable state and federal conflict of interest laws, and documented through signed resolutions and meeting minutes. All decisions are acted on as a board with at least a quorum present at a meeting. The AAA board of directors may not delegate its responsibilities related to granting awards;

(C) issues notification of grant awards (NGAs) to applicants who are approved for funding; and

(D) provides an opportunity for applicants to appeal denied proposals for funding, per Oklahoma Administrative Code (OAC) 340:105-10-102.

(4) When no complete proposals are submitted for a service(s) or when the AAA board of directors determines that no proposals for a service(s) meet the specifications of the RFP, the AAA, with OKDHS CAP approval, has the option of:

(A) reprogramming the funds and issuing a new RFP for a different service(s); or

- (B) requesting authority to provide a direct service as provided in OAC 340:105-10-41; or
- (C) revising the initial specifications for the same service(s) and reissuing a new RFP; and
- (D) initiating community development activities to create a potential service provider as specified in the RFP and, in the interim, requesting approval from OKDHS CAP to temporarily provide the service as a direct service.

(5) When an Older Americans Act Title III funded project elects to voluntarily terminate the contract before the end of a grant year, procedures are followed as outlined on the Voluntary Withdrawal of Title III Project. The Voluntary Withdrawal of Title III Project is acknowledged, signed, and included as part of the original grant application.

(d) **Cross references.** See OAC 340:105-10-40, 340:105-10-102, and 340:105-10-104(c)(7).

[**Source:** Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 15 Ok Reg 249, eff 10-9-97 (emergency); Amended at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 21 Ok Reg 898, eff 4-26-04 ; Amended at 22 Ok Reg 20, eff 8-15-04 (emergency); Amended at 22 Ok Reg 915, eff 5-12-05 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 25 Ok Reg 1754, eff 6-1-08 (emergency); Amended at 26 Ok Reg 2221, eff 7-1-09 ; Amended at 39 Ok Reg 1824, eff 9-15-22]

340:105-10-102. Appeal procedures for Title III service providers

(a) **Policy.** The Area Agency on Aging (AAA) grants an appeal opportunity to existing or potential grantee or contractor when an application for Older Americans Act funds is denied or when a grant or contract is suspended or terminated prior to the approved budget year-end.

(b) **Authority.** The authority for this Section is Part 1321.11 of the Code of Federal Regulations.

(c) **Procedures.** The requirements for implementing this Section are outlined in this subsection.

(1) Within 30 days of the complainant's receipt of notice of the adverse action, the complainant submits a written request for hearing to the AAA board of directors. The written request includes a detailed explanation of the complainant's grievance.

(2) The AAA:

(A) schedules a hearing within 20 days of the AAA receipt of the request for the hearing and notifies the complainant of the date, time, and location of the hearing; and

(B) prepares written testimony for the hearing outlining the appealed action and the data on which it is based.

Eight calendar days prior to the hearing a copy of this written testimony is provided to the complainant and submitted during the hearing as evidence.

(3) board of directors, or a committee appointed by the board of directors, conducts the hearing within 30 days of the AAA receipt of the complainant's request. The hearing includes:

(A) an opportunity for the complainant to:

(i) review all pertinent evidence relating to the appealed action;

- (ii) present written and verbal testimony;
 - (iii) be represented by counsel;
 - (iv) present witnesses and documentary evidence;
 - and
 - (v) cross-examine witnesses;
- (B) a presiding officer appointed by the board of directors who conducts the hearing and has had no part in the appealed action; and
- (C) a record of the hearing proceedings, taken by the presiding officer appointed by the board of directors, and maintained on file for public viewing.
- (4) Within 60 days of the completion of the hearing the AAA board of directors issues a written hearing decision to the complainant.
- (A) The decision letter includes:
- (i) a notice of the complainant's right to appeal the decision to the Aging Services Division (ASD); and
 - (ii) instructions on how to initiate the appeal.
- (B) Within 30 days after the complainant receives notice of an adverse AAA decision the complainant submits a written request for a hearing to ASD.
- (5) When the appeal process is not resolved prior to the start of the new project year, the AAA, through its board of directors, may enter into a temporary grant with a service provider to avoid cessation of those services affected by the appeal.
- (d) **Cross references.** Refer to OAC 340:105-10-101(c)(3)(D) and OAC 340:2-5-44.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 21 Ok Reg 898, eff 4-26-04 ; Amended at 28 Ok Reg 898, eff 6-1-11]

340:105-10-103. Budget revisions for Area Agencies and Title III Projects

- (a) **Policy.** The following types of budget revisions will require the approval of the grantor agency by a revised notification of grant award (NGA), and a revised Title III Project or Area Agency budget:
- (1) A budget increase of more than ten percent in any single line approved line item;
 - (2) A change in the cost sharing ratio;
 - (3) A change in the project period and budget year dates;
 - (4) A change in the recipient of award; and
 - (5) Any change in the Personnel or Equipment line items.
- (b) **Authority.** The authority for OAC 340:105-10-103 is 45 CFR Part 1321.11.
- (c) **Procedures.** The procedures for implementing this Section are as follows:
- (1) The grantee agency (the Title III Project or the Area Agency) submits a proposed budget (with any of the outlined revisions listed in (a) of this Section) to the grantor agency (the Area Agency or the State Agency) for approval;
 - (2) If the revision(s) is approved, the grantor agency issues a revised NGA; and

- (3) The grantee agency revises the budget as approved.
- (d) **Cross References.** There are no cross references for budget revisions for Area Agencies and Title III Projects.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-104. Unexpended grant funds and carry-over policy

(a) **Policy.** Area Agencies on Aging (AAAs) and their grantees are allowed to carry-over unexpended grant funds from the most recently completed budget year into the current program budget under prescribed circumstances. Unexpended funds are funds that are obligated and encumbered but not yet disbursed by the AAAs or their grantees at the end of the budget year, and remain unliquidated for more than 30 days after the end of the period for which they were granted.

(b) **Authority.** The authority for this Section is Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The requirements for implementing this Section are outlined in this subsection.

(1) The grantee agency, the Title III project or the AAA, submits for approval to the grantor agency, the AAA or the State Agency, a final financial report for the most recently completed program or Area Plan year, which includes documentation of unexpended funds.

(2) The grantee agency submits to the grantor agency, for approval, a budget amendment outlining the proposed disposition of the unexpended funds.

(3) The grantor agency issues a notification of grant award (NGA) to the grantee agency authorizing the obligation, or carry-over, of the unexpended funds into the current program or Area Plan year.

(4) Only Title III Older Americans Act (OAA) federal funds are eligible for carry-over.

(5) Grantees may not carry-over Nutrition Services Incentive Program (NSIP) cash in lieu of commodities funds. Unexpended NSIP funds revert to the NSIP.

(6) Grantees may not carry-over state funds. Unexpended state funds revert to the State of Oklahoma.

(7) Unexpended AAA Title III-B administrative and direct service funds may not be carried over as direct service funds. Such funds may be reverted to Title III-B service funds, or passed through, which may be sub-granted by the AAA via the request for proposals process, per OAC 340:105-10-101.

(8) The AAA may request a carry-over of no more than two percent of the AAA federal OAA allotments. Unexpended funds in excess of this amount result in a reduction of the current Area Plan state funds on a one dollar for one dollar ratio. This reduction in state funds may be waived if, in the judgment of the State Agency, the excessive unexpended funds are:

- (A) directly attributable to greatly increased and unforeseen project income;

- (B) directly attributable to factors beyond the reasonable control of the AAA or the Title III project; or
- (C) otherwise explained to the satisfaction of the State Agency in a narrative justification.

(9) In cases of repeated and unjustified unexpended Area Plan funds, the State Agency may elect to reduce the percentage of total state Title III-B funds available for use in the AAA's administration and direct service budgets.

(d) **Cross reference.** See OAC 340:105-10-101.

340:105-10-105. Entrepreneurial activities of Area Agencies on Aging and Title III Projects [REVOKED]

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Revoked at 17 Ok Reg 2465, eff 6-26-00]

340:105-10-105.1. Commercial and contractual activities of Area Agencies on Aging and Title III projects

(a) **Policy.** Area Agencies on Aging (AAAs) and Title III projects may engage in commercial and contractual activities compatible with the development or enhancement of comprehensive and coordinated service delivery systems for older persons. Commercial and contractual activities do not include activities the AAA or Title III project performs pursuant to the Older Americans Act (OAA) program. This Section applies to Title III projects only when Title III facilities and staff are utilized in the performance of commercial and contractual activities. The AAA or Title III project performing commercial or contractual activities provides assurances to:

(1) demonstrate:

- (A) a loss or diminution in the quantity or quality of OAA services provided, or to be provided, by the agency has not resulted and will not result from such contract or relationship; and
- (B) the quantity or quality of OAA services to be provided will be enhanced as a result of such contract relationship;

(2) disclose:

- (A) the identity of each nongovernmental entity with which the agency has a contract or commercial relationship relating to providing services to older persons;
- (B) the nature of such contract or relationship; and
- (C) all sources and expenditures of funds the agency receives or expends to provide services to older persons for the purpose of monitoring compliance with the OAA, including conducting an audit;

(3) maintain the integrity and public purpose of OAA services provided;

(4) not use OAA funds received to pay any part of a cost, including an administrative cost, incurred to carry out a contract or

commercial relationship.

(A) Final payment for non-OAA services may not be from OAA funds. Contract income above the computed cost, including the allocated administrative cost, of the non-OAA service does not fall under the provision of Section 315 of the OAA.

(B) AAAs require OAA service providers to submit annual verification of the OAA and the non-OAA service cost computed in accordance with General Accepted Accounting Principles by a non-biased, qualified person, such as a certified public accountant (CPA).

(C) AAAs review the OAA and the non-OAA service cost methodology annually in accordance with General Accepted Accounting Principles using a qualified person, such as a CPA, to either approve it or disapprove it and work with the service provider to obtain suitable information. The final computation of the OAA and non-OAA service cost methodology, once approved by the AAA, is submitted to Aging Services Division annually in the AAA approved grants; and

(5) not give preference in receiving OAA services to particular older persons as a result of a contract or commercial relationship.

(b) **Authority.** The authority for this Section is Sections 306(a)(13) through (16) of the Older Americans Act, as amended.

(c) **Cross references.** There are no cross references for commercial and contractual activities.

[Source: Added at 17 Ok Reg 2465, eff 6-26-00 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 23 Ok Reg 2668, eff 7-15-06]

340:105-10-106. Audits for Title III projects and Area Agencies on Aging

(a) **Policy.** The Assistant Secretary for Aging and the Comptroller General of the United States (U.S.), authorized personnel of the U.S. Department of Health and Human Services; State Auditor and Inspector; and other appropriate state entities or any of their duly authorized representatives have open and complete access to any books, documents, papers, records, and any other items of the Older Americans Act grantee pertinent to the performance or payments of grants or contracts received through the State Agency or the Area Agency on Aging. Grantees arrange for independent audits or fiscal reviews of Older Americans Act and state funds as required by federal and state law and State Agency rules.

(b) **Authority.** The authority for this Section is the Single Audit Act Amendments of 1996, Public Law 104-156; Office of Management and Budget Circular A-133; and Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The procedures for implementing this Section are outlined in OAC 340:105-10-107 through 340:105-10-113.

(d) **Cross references.** See OAC 340:105-10-107 through 340:105-10-113.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 22 Ok Reg 897, eff 5-12-05]

340:105-10-107. Audits of grantees receiving state funds only

(a) **Policy.** Audit and fiscal review policy for grantees receiving state funds only are the same as for grantees receiving federal funds except the State Agency reserves the right to modify such policy as appropriate. Factors considered in the modification of audit and fiscal review policies are:

- (1) source of state funding;
- (2) amount of funding award;
- (3) availability of other grantee audits of award funds;
- (4) purpose, scope, and duration of the Title III project or Area Agency on Aging (AAA) service;
- (5) number and nature of transactions involved in the Title III project or AAA service; and
- (6) availability of audit funds.

(b) **Authority.** The authority for this Section is Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** Procedures for implementing this Section are described in this subsection. The grantor:

- (1) considers the factors outlined in (a) of this Section; and
- (2) outlines audit policy for state funds in the grant or contract agreement.

(d) **Cross references.** See OAC 340:105-10-106 and 340:105-10-108 through 340:105-10-113.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 22 Ok Reg 897, eff 5-12-05]

340:105-10-108. Audits of government entities and nonprofits receiving less than \$50,000 in federal and state funds from all sources

(a) **Policy.** Government entities and other nonprofits receiving less than \$50,000 in federal and state funds from all sources are monitored by the Area Agency on Aging (AAA) or pass through agency.

(b) **Authority.** The authority for this Section is the Office of Management and Budget Circular A-133.

(c) **Procedures.** Procedures to implement this Section are described in this subsection.

(1) Agencies subject to this Part receive a monitoring visit from the AAA or pass through agency to include, at a minimum:

(A) testing of a minimum of ten percent of all project expenditures for the period under review;

(B) testing of items listed in the current fiscal assessment tool;

(C) preparation of a report to include a narrative description of project operations;

(D) verification of the scope and review period;

(E) a description of the findings regarding internal controls, accounting methods, and procedures;

(F) schedules of:

(i) balance sheet;

(ii) budget compared to actual revenue and costs; and

(iii) findings, questioned costs, and recommendations; and

(G) an account of the grantee's response to findings, questioned costs, and recommendations.

(2) Monitoring visits are conducted within 30 days after each project year.

(d) **Cross references.** Refer to OAC 340:105-10-106 through 340:105-10-107, and 340:105-10-109 through 340:105-10-113.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 28 Ok Reg 898, eff 6-1-11]

340:105-10-109. Audits of profit-making grantees

(a) **Policy.** Each profit-making grantee of Older Americans Act (OAA) funds obtains an annual audit of OAA funds to meet the Office of Management and Budget (OMB) Circular A-133 standards for a program audit or limited scope audit.

(b) **Authority.** The authority for this Section is OMB Circular A-133 and the contract between the pass through agency and the for-profit grantees.

(c) **Procedures.** Procedures for implementing this Section are described in this subsection. The audit:

(1) period is the same as the project's fiscal year;

(2) report is specific to the grant-funded project, and is not a single audit of the entire grantee agency;

- (3) is conducted by a Certified Public Accountant according to generally accepted government auditing standards; and
- (4) cost is not charged to federal funds and is not used to meet match requirements.

(d) **Cross references.** See OAC 340:105-10-106 through 340:105-10-108 and 340:105-10-110 through 340:105-10-113.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 22 Ok Reg 897, eff 5-12-05]

340:105-10-110. Audits of local governments and nonprofit organizations expending \$500,000 or more in federal funds from all sources

(a) **Policy.** Local governments and nonprofit organizations expending \$500,000 or more in federal funds from all sources in a year are required to obtain annual audits on such funds unless the grantee has a constitutional or statutory requirement for less frequent audits. All audits and accompanying reports must comply with the appropriate Federal Register Office of Management and Budget (OMB) Circular, as described in (c) of this Section.

(b) **Authority.** The authority for this Section is OMB Circular A-133; the Single Audit Act Amendments of 1996, Public Law 104-156; and Section 212A of Title 74 of the Oklahoma Statutes.

(c) **Procedures.** Audits:

- (1) are subject to the provisions of OMB Circular A-133 and the Single Audit Act Amendments of 1996. Each audit states it is made in accordance with the provisions of OMB Circular A-133;
- (2) meet the content and format requirements of Circular A-133;
- (3) are arranged by following the procurement standards of OMB Circular A-102, Grants and Cooperative Agreements with State and Local Governments or Circular A-110, Uniform Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations;
- (4) are made by a certified public accountant (CPA) who meets the independence standards specified in government auditing standards. Selected auditors are registered with the office of the Oklahoma Accountancy Board and have a current permit to practice;
- (5) are made in accordance with generally accepted government auditing standards covering financial and compliance audits;
- (6) encompass the grantee's fiscal year; and
- (7) are supported by working papers available for review by the Oklahoma Department of Human Services.

(d) **Cross references.** See OAC 340:105-10-106 through 340:105-10-109 and 340:105-10-110.1 through 340:105-10-113.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 15 Ok Reg 249, eff 10-9-97 (emergency); Amended at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 22 Ok Reg 897, eff 5-12-05]

340:105-10-110.1. Audits of government entities and nonprofit agencies receiving between \$50,000 and \$500,000 in federal and state funds from all sources

(a) **Policy.** Government entities and nonprofit agencies receiving more than \$50,000 in federal and state funds and less than \$500,000 in federal funds from all sources are required to obtain annual audits on such funds unless the grantee has a constitutional or statutory requirement for less frequent audits.

(b) **Authority.** The authority for this Section is Section 212A of Title 74 of the Oklahoma Statutes and the contract between the Area Agency on Aging and the subgrantee.

(c) **Procedures.**

(1) The audit:

(A) is a certified independent audit of the grantee's entire operations conducted in accordance with generally accepted government auditing standards;

(B) includes financial statements prepared in accordance with generally accepted accounting principles;

(C) includes a Supplementary Schedule of State and Federal Awards listing all state and federal revenues and expenditures by contract;

(D) covers the period the contract was in effect;

(E) is performed by a certified public accountant or public accountant with a valid and current permit to practice accountancy in Oklahoma; and

(F) is not charged to federal funds or to meet match requirements.

(2) The Oklahoma Department of Human Services retains the right to examine and audit paperwork.

(d) **Cross references.** Refer to OAC 340:105-10-106 through 340:105-10-113.

[Source: Amended at 15 Ok Reg 249, eff 10-9-97 (emergency); Amended at 15 Ok Reg 1692, eff 5-11-98 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 28 Ok Reg 898, eff 6-1-11]

340:105-10-111. Fraud, abuse, or illegal acts

(a) **Policy.** All fraud, abuse or illegal acts, including all questioned costs found as the result of these acts, shall be immediately reported to the appropriate officials.

(b) **Authority.** The authority for OAC 340:105-10-111 is 45 CFR Part 1321.11.

(c) **Procedures.** The procedures for implementing this Section are:

(1) All fraud, abuse or illegal acts shall be documented in a written report separate from the audit report;

(2) The report shall be submitted with the audit report according to the timetable described in OAC 340:105-10-112;

(3) Prompt notice of illegal acts or other irregularities shall be given by the auditor to grantee management officials above the level of the involvement;

(4) The grantee, in turn, shall promptly notify the cognizant agency;

(5) Any illegal acts or irregularities involving grant programs either at the AAA or Title III Project level are to be reported in writing to the State Agency within ten days of the date on which the recipient becomes aware of such illegal acts or irregularities.

(d) **Cross references.** See OAC 340:105-10-106 through 340: 105-10-110, 340: 105-10-112 and 340: 105-10-113.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-112. Audit report and fiscal review report distribution

(a) **Policy.** Audit reports of Area Agencies on Aging (AAAs) and audit and fiscal review reports of Title III projects are transmitted to the State Agency within 150 days after the end of the fiscal year being audited or within 30 days after the completion of the audit or fiscal review report, whichever comes first.

(b) **Authority.** The authority for this Section is Section 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The procedures for implementing this Section are described in this subsection.

(1) Each audit or fiscal review report submitted to the State Agency is accompanied by completed Form 02AG026E, Audit Report Transmittal. This form is completed in a format prescribed by the State Agency.

(2) Each audit report is accompanied by properly executed copies of equipment, food, and food supplies inventories, as appropriate.

(3) Multiple copies of AAA and Title III project audit and fiscal review reports are submitted to the State Agency in quantities prescribed.

(4) Audit and fiscal review reports are submitted by the auditor to the organization audited, and to those requiring or arranging for the audit or fiscal review.

(5) Grantees submit copies of audit or fiscal review reports to their grantor agency.

(6) Audit and fiscal review reports are made available for public inspection within 30 days after completion of the report.

(7) A request for time extension is submitted to the State Agency when the audit report or fiscal review report cannot be submitted within 150 days after the fiscal year end.

(d) **Cross references.** See OAC 340:105-10-106 through 340:105-10-111 and 340:105-10-113.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 22 Ok Reg 897, eff 5-12-05 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-10-113. Resolution of findings

(a) **Policy.** Clearance of audit reports and resolution of audit findings on Area Agencies on Aging (AAAs) and Title III projects is the responsibility of the grantor agency.

(b) **Authority.** The authority for this Section is Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The procedures for implementing this Section are described in this subsection.

(1) The AAA or Title III project submits audit and fiscal review reports as outlined in OAC 340:105-10-112.

(2) The grantor agency provides written acknowledgement to the AAA or Title III project of the receipt of audit and fiscal review reports.

(3) The grantor agency monitors the compliance of the grantee agency with audit and fiscal review findings or recommendations within six months of the completion of the audit or fiscal review.

(4) The grantor agency monitors the compliance of the grantee with Office of Management and Budget Circular A-133.

(5) The State Agency regularly reviews the audit clearance activities of each AAA.

(6) The State Agency reserves the right to suspend funds or to effect de-designation of any AAA demonstrating unwillingness or inability to resolve reasonable audit or fiscal review recommendations concerning Title III projects within a six month period after the completion of the audit or fiscal review.

(d) **Cross references.** See OAC 340:105-10-106 through 340:105-10-112.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 22 Ok Reg 897, eff 5-12-05]

340:105-10-114. Financial management standards for area agencies on aging and Title III projects

(a) **Policy.** Each area agency on aging (AAA) and Title III project maintains an accounting system that is in compliance with generally accepted accounting principles. All Title III funds and state and local funds expended to earn or match such funds must be accounted for in accordance with the federal standards outlined in the authorities listed in (b) of this Section.

(b) **Authority.** The authority for this Section is Part 74 of Title 45 of the Code of Federal Regulations and Federal Register Office of Management and Budget (OMB) Circulars A-87 and A-122.

(c) **Procedures.** AAAs and Title III projects implement financial management standards in accordance with the federal standards outlined in the authorities in (b) of this Section.

(1) The Oklahoma Department of Human Services (OKDHS) Aging Services Division monthly reviews and reconciles AAA actual monthly expenditure reports for the prior month and adjusts for discrepancies in the following month's payments.

(2) The grantee agency may use OKDHS forms or computer-generated versions. Any computer-generated form must:

(A) include all of the information on the OKDHS forms that is pertinent to the grantee agency's reporting requirements; and

(B) be submitted to the grantor agency for approval prior to use.

(d) **Cross references.** See OAC 340:105-10-115 and 340:105-10-116.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 393, eff 11-8-05 (emergency); Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-10-115. Procurement standards for Area Agencies on Aging and Title III Projects

(a) **Policy.** Area Agencies and Title III Projects shall follow applicable federal policy governing the procurement of supplies, equipment, construction, and other services whose cost is borne in whole or in part by Title III funds.

(b) **Authority.** The authority for OAC 340:105-10-115 is 45 CFR Part 1321.11, Title 45 Part 74, and OMB Circular A-110.

(c) **Procedures.** Area Agencies and Title III Projects shall implement procurement standards as outlined in Title 45 Part 74 and OMB Circular A-110. In addition:

(1) Area Agencies on Aging shall ensure free and open competition for all service providers via the Area Agency's standard Request for Proposals process (see OAC 340:105-10-101); and

(2) Area Agencies on Aging and Title III Projects shall make positive effort to utilize small business, women, and minority-owned businesses as sources of supplies and services.

(d) **Cross references.** See OAC 340:105-10-114 and 340:105-10-116.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94]

340:105-10-116. Property management standards for area agencies on aging and Title III projects

(a) **Policy.** Area agencies on aging (AAAs) and Title III projects follow federal policy governing title, use, and disposition for real and tangible personal property whose acquisition cost was borne in whole or in part as a direct charge to Title III funds.

(b) **Authority.** The authority for this Section is Subpart D of Part 75 of Title 45 of the Code of Federal Regulations (C.F.R.) § 320 and Federal Register Office of Management and Budget (OMB) Circular A-110.

(c) **Procedures.** AAAs and Title III projects:

(1) follow all rules outlined in 45 C.F.R. 75, Subpart D;

(2) follow all rules outlined in OMB Circular A-110; and

(3) use Form 02AG013E, Equipment Inventory, to maintain a physical inventory of equipment purchased with Title III funds at a minimum cost of \$1,000.

(A) The AAA may use Form 02AG013E or a computer-generated version. The computer-generated form includes all information on Form 02AG013E that is pertinent to the AAA's reporting requirements.

(B) All computer-generated forms are submitted to the State Agency for approval prior to use.

(d) **Cross references.** See Oklahoma Administrative Code 340:105-10-114 and 340:105-10-115.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:105-10-117. Employment policies and procedures

(a) **Policy.** Each Area Agency on Aging (AAA) and Title III project, or grantee, maintains a system of personnel administration approved by the grantor agency, and complies with all state and federal statutes.

(b) **Authority.** The authority for this Section is Sections 2 and 208 of the Inter-governmental Personnel Act of 1970 and Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The procedures for implementing this Section require the grantee agency to:

(1) recruit, select, and advance employees on their relative ability, knowledge, and skills, including open consideration of qualified applicants for initial appointment.

(A) The grantee agency promptly notifies the grantor agency of an AAA director or project director vacancy.

(B) The grantor agency monitors the grantee's ability to sustain the continuity of operation during any transition and ensures the vacancy is filled in a fair and equitable manner.

(C) The grantor agency may participate in the interview process for the AAA director or project director vacancy;

(2) provide equitable and adequate compensation to all employees;

(3) provide training to employees, as needed, to ensure quality performance;

(4) retain employees on the basis of the adequacy of their performance, separating from employment employees whose inadequate performance cannot be corrected;

(5) ensure fair treatment of applicants and employees in all aspects of personnel administration without regard to political affiliation, race, color, national origin, sex, religion, age, or disability and with proper regard for their privacy and constitutional rights as citizens. This fair treatment principle includes compliance with all federal equal employment opportunity and non-discrimination laws, such as Civil Rights Act and Americans with Disabilities Act;

(6) protect employees from coercion for partisan political purposes and prohibit employees from using their official authority for the purpose of interfering with or affecting the result of an election or a nomination for office;

(7) provide reasonable grievance procedures to applicants and employees and post the procedures in a public place; and

(8) develop personnel policies that include:

(A) work schedules;

(B) leave;

(C) compensation for overtime;

- (D) employee code of conduct;
- (E) disciplinary procedures;
- (F) travel and reimbursement;
- (G) benefits, such as insurance and retirement;
- (H) training;
- (I) political activity;
- (J) recruitment, appointment, and advancement;
- (K) appeal procedures;
- (L) lobbying prohibition;
- (M) Civil Rights Act requirements;
- (N) Rehabilitation Act and Americans with Disabilities Act requirements;
- (O) nepotism regarding related employees and grantor or contractor prohibitions; and
- (P) Family and Medical Leave Act of 1993.

(d) **Cross references.** See OAC 340:105-10- 120 through 340:105-10-122.

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 21 Ok Reg 898, eff 4-26-04 ; Amended at 22 Ok Reg 20, eff 8-15-04 (emergency); Amended at 22 Ok Reg 915, eff 5-12-05]

340:105-10-118. Recruitment of Area Agency on Aging or Title III project personnel [REVOKED]

340:105-10-119. Selection of Area Agency on Aging and Title III project staff [REVOKED]

[Source: Added at 11 Ok Reg 673, eff 11-29-93 (emergency); Added at 11 Ok Reg 2771, eff 6-13-94 ; Amended at 21 Ok Reg 898, eff 4-26-04 ; Revoked at 22 Ok Reg 20, eff 8-15-04 (emergency); Revoked at 22 Ok Reg 915, eff 5-12-05]

340:105-10-120. Area Agency on Aging and Title III project job descriptions

(a) **Policy.** Area Agencies on Aging (AAAs) and Title III projects utilize job descriptions approved by the grantor agency.

(b) **Authority.** The authority for OAC 340:105-10-120 is Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The procedures for implementing this Section are outlined in this subsection.

(1) AAAs and Title III projects develop job descriptions relevant to their local needs. Job descriptions meet minimum qualifications set by the State Agency, found in Appendix M-14, Job Descriptions for Older Americans Act Network Employees. Duties may be combined between job descriptions to meet local needs.

(2) Except as otherwise specifically stated elsewhere for full-time AAA director, full-time Title III project director, and 40 hours per week information and assistance specialist, AAAs and Title III

projects determine the number of positions and types of positions based on local need. Each AAA and Title III project maintains sufficient staff to carry out the required service activities.

(d) **Cross references.** See OAC 340:105-10-117, 340:105-10-121, and 340:105-10-122.

340:105-10-121. Area Agency on Aging and Title III project salaries

(a) **Policy.** Area Agencies on Aging (AAA) and Title III projects develop staff to competently perform programmatic and financial duties based on local needs, available funding, and market value. Persons with comparable job family descriptors (JFD) are not paid more than the midpoint of the salary range of a JFD paid within the Oklahoma Department of Human Services (OKDHS) salary cap. The total administration costs charged to the Title III grant may not exceed the maximum provided in federal law.

(b) **Authority.** The authority for this Section is Part 1321.11 of Title 45 of the Code of Federal Regulations.

(c) **Procedures.** The requirements for implementing this Section are outlined in this subsection.

(1) AAAs and Title III projects determine starting salaries for positions based on local needs, available funding, and market value, provided persons with comparable JFDs may not be paid more than the midpoint of the salary range paid by the OKDHS for the JFD most like the job in question.

(2) Salary increases are based on acceptable work performance. The AAA may disapprove salary increases due to uncertain funding allocations and levels. The Aging Services Division may disapprove salary advances of AAAs if it causes the AAA to exceed the federal maximum administrative cost allowed.

(3) Longevity payments may be made to all AAA and Title III employees using a longevity schedule that is:

- (A) fair and equitable to all employees;
- (B) consistently applied to both federal and non-federal activities;
- (C) based on available funding;
- (D) included in AAA and Title III budgets; and
- (E) provided for in the AAA policies and procedures manual.

(d) **Cross references.** Refer to OAC 340:105-10-117, 340:105-10-120, and 340:105-10-122.

340:105-10-122. Fair labor practices for Area Agencies on Aging and Title III projects

(a) **Policy.** Area Agencies on Aging and Title III projects comply with fair labor practices as outlined in applicable state and federal statutes.

(b) **Authority.** The authority for this Section is Part 1321.11 of Title 45 and Part 553.20 of Title 29 of the Code of Federal Regulations.

(c) **Procedures.** The requirements for implementing this Section are outlined in (1) through (10) of this subsection.

(1) An employee is compensated for hours worked at the appropriate wage unless the position is an exempt executive, administrative, or professional position.

(2) An employee may not perform volunteer activities for an employer that are the same or similar to the employee's job duties. Such activities are compensated as hours worked.

(3) The employer is responsible for:

(A) assigning employee work hours and supervising employee start and end times; and

(B) compensating the employee for all hours the supervisor assigns to the employee and has reasonable knowledge that the employee works.

(4) A non-exempt employee who is full-time is given at least a 30 minute uninterrupted break from compensated work time for a meal. An employee is offered a 15 minute break during compensated work time for every four hour period worked. Break time is considered compensated work time and may not be used for arriving late, leaving early, or extending the lunch period.

(5) A non-exempt employee of a public agency who works in excess of 40 hours within a seven day work period is compensated with one and one-half hours of compensatory time per hour of overtime or paid at a rate of one and one-half times the hourly wage for each hour of overtime. A public agency is a state, political subdivision of a state, or interstate governmental agency.

(6) A non-exempt employee of a private agency who works in excess of 40 hours within a seven day work period is compensated with one and one-half hours of pay at a rate of one and one-half times the hourly wage for each hour of overtime. A private agency may not replace overtime in one work week with compensatory time in another week.

(7) All overtime is approved in advance by the employee's supervisor. The supervisor may adjust the employee's regular work schedule to avoid having the employee work in excess of 40 hours in a seven day work period. Employee work shifts may exceed eight hours per day.

(8) Employers of public agencies require the employee to use compensatory time within 180 days, or pay the employee at the appropriate overtime rate.

(9) An employee who fails to adhere to assigned working hours, does not keep accurate time sheets, or claims unauthorized overtime is subject to disciplinary action by the employer, which could result in termination of employment.

(10) Employers who base employees out of their own homes do not give out the employee's home telephone number to the general public. Arrangements are made to have a telephone number at a convenient location for the employee to take calls. An emergency response telephone number and procedure are established to avoid having persons contacting employees during non-working hours. The employee reports to the employer all contacts during non-working hours that are business related.

PART 11. TITLE III, PART D, STATE ELIGIBILITY CRITERIA [REVOKED]

340:105-11-75. Scope [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-76. Services [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-77. Eligibility criteria (targeting) [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-78. Suggested contribution schedule [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-79. Coordination [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-80. Maintenance of effort [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

PART 13. DISASTER RELIEF [REVOKED]

340:105-11-85. Services eligible for disaster relief reimbursement [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-86. Reimbursement [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

PART 15. UNIFORM SERVICE TAXONOMY [REVOKED]

340:105-11-90. Uniform service taxonomy [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

PART 17. ELDERCARE [REVOKED]

340:105-11-95. Eldercare policy [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-96. Eldercare purpose [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-97. Direct service waiver [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-98. Statutory mission of Area Agency [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-99. Public versus private resources [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-100. Eldercare resource [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-101. Fee for service programs [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-102. Quality of service [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-103. Exclusivity of agreements [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-104. Client confidentiality [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-105. Reporting requirements [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-106. Fiscal controls [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

PART 19. REQUIREMENTS [REVOKED]

340:105-11-110. Housekeeping [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-111. Publicity [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-112. Legal assistance requirements [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-113. Coordination with Legal Services Corporation [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-114. Prioritizing cases [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-115. Project service requirements [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-116. Planning and service area coverage [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

PART 21. CONGREGATE NUTRITION SERVICES [REVOKED]

340:105-11-120. Purpose [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-121. Project administration [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-122. Project scope [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-123. Criteria for recipients of awards [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-124. Project council [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-125. Nutrition project personnel [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-126. Congregate meal site criteria [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-127. Contract meals [REVOKED]

[Source: Added at 9 Ok Reg 265, eff 11-12-91 (emergency); Added at 9 Ok Reg 2431, eff 6-25-92 ; Revoked at 11 Ok Reg 673, eff 11-29-93 (emergency); Revoked at 11 Ok Reg 2771, eff 6-13-94]

340:105-11-128. Donations for nutrition services and other Title III projects services [REVOKED]

**PART 37. STATE LONG-TERM CARE OMBUDSMAN
PROGRAM**

340:105-11-230. Purpose

The purpose of this Part is to describe the rules pertaining to the Office of the State Long-Term Care Ombudsman.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92]

340:105-11-231. Definitions

The following words and terms when used in this Subchapter shall have the following meaning unless the context clearly indicates otherwise:

"Assistant Secretary" means the Assistant Secretary for Aging; the administrative head of the Administration on Aging of the United States Department of Health and Human Services.

"Business day" means a consecutive eight-hour period of time when the Office of the State Long-Term Care Ombudsman (Office) is open for business.

"Confidential information" means all information that relates to specific individuals who live in long-term care facilities, complainants, and other informants including, but not limited to, names, identifying information, and all problem and complaint documentation.

"Deputy state long-term care ombudsman" or **"deputy ombudsman"** an individual employed by the Office to assist with management and operations and supervised by the State Long-Term Care Ombudsman (Ombudsman).

"Designated entity" means an agency, not-for profit business, or organization that the Ombudsman has designated in writing to host Office representatives.

"Designation" means the appointment of an agency, individual, or both, as the official Office representative.

"Immediate family" means a member of the household or a relative with whom there is a close personal or significant financial relationship.

"Leave of absence" means an ombudsman volunteer's excused absence from official duties not to exceed three months.

"Long-term care facility" means any nursing facility, specialized facility, residential care home, or assisted living center per Sections 1-820, 1-890.2, and 1-1902 of Title 63 of the Oklahoma Statutes (O.S. 63 §§ 1-820, 1-890.2, and 1-1902).

(A) **"Nursing facility"** means a home, establishment, or institution primarily engaged in providing:

- (i) skilled nursing care and related services for residents;
- (ii) rehabilitation services; or
- (iii) on a regular basis, health-related care and services to individuals who because of mental or physical conditions require care and services beyond the level of care provided by a residential care home per 63 O.S. § 1-1902(9).

(B) **"Residential care home"** means any establishment or institution other than an adult companion home, group home, hotel, motel, fraternity or sorority house, or college or university dormitory that offers, provides, or supports residential accommodations, food service, and supportive assistance to any of its residents; or houses any resident requiring supportive assistance who is not related to the owner or administrator of the home by blood or marriage. The resident must be ambulatory and essentially capable of participating in his or her own activities of daily living, and not routinely requiring nursing services per 63 O.S. § 1-820.12.

(C) **"Specialized facility"** means any home, establishment, or institution that offers or provides inpatient long-term care services on a 24-hour basis to a limited category of persons requiring such services including, but not limited to, a facility providing health or habilitation services for persons who are living with intellectual or developmental disabilities per 63 O.S. § 1-1902(11).

(D) **"Assisted living center"** means any home or establishment offering, coordinating, or providing services to two or more persons who:

- (i) are domiciled therein;
- (ii) are unrelated to the operator;
- (iii) by choice or because of functional impairments, need assistance with personal care or nursing supervision;
- (iv) may need intermittent or unscheduled nursing care;
- (v) may need medication assistance; and/or
- (vi) may need assistance with transfer, ambulation, or both per 63 O.S. § 1-890.2.

"Long-term care ombudsman" means a person who receives and resolves complaints made by or on behalf of residents of long-term care facilities and is trained and designated as an official representative by the Office.

"Office of the State Long-Term Care Ombudsman (Office)" means the office created within the Oklahoma Department of Human Services (DHS) that carries out the Long-Term Care Ombudsman Program per the Older Americans Act (OAA) of 1965, as Amended, and per federal regulations under the auspices and general direction of the state long-term care ombudsman.

"Planning and Service Area (PSA)" means a geographic area specified by DHS per Section 305(a)(1)(E) of the Older Americans Act (OAA) of 1965, as Amended for purposes of planning for and serving the needs of individuals 60 years of age and above.

"Representative" means the employee or volunteer designated by the Ombudsman to fulfill duties per Oklahoma Administrative Code (OAC) 340:105-11-234, whether personnel supervision is provided by the Ombudsman or designees or by an agency hosting a local ombudsman entity designated by the Ombudsman per OAC 340:105-11-234.

"Resident representative" means:

- (A) an individual chosen by the resident to act on his or her behalf in order to support the resident in decision-making; accessing the resident's:
 - (i) medical, social, or other personal information;
 - (ii) managing financial matters; or
 - (iii) receiving notifications;
- (B) a person authorized by state or federal law including, but not limited to, agents under power of attorney, representative payees, and other fiduciaries to act on the resident's behalf in order to support him or her in:
 - (i) decision-making;
 - (ii) accessing the resident's medical, social, or other personal information; and/or
 - (iii) managing financial matters; or receiving notifications;
- (C) a legal representative as used in Section 712 of the OAA; or
- (D) the resident's court-appointed guardian or conservator. This definition is not intended to expand the authority of any resident representative beyond that specifically authorized by the resident, state or federal law, or a court of competent jurisdiction.

"State long-term care ombudsman" or **"Ombudsman"** means the individual who heads the Office and is personally responsible or responsible through Office representatives to fulfill the functions, responsibilities, and duties per OAC 340:105-11-232 and 340:105-11-233.

"State Long-Term Care Ombudsman Program" or **"Program"** means the program carried out and consisting of the Ombudsman, Office, and Office representatives.

"Willful interference" means actions or inactions taken by an individual in an attempt to intentionally prevent, interfere with, or attempt to impede the Ombudsman or Office representative from performing any program functions or responsibilities per O.S. 63 § 1-2215 or duties per OAC 340:105-11.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

**340:105-11-232. Oklahoma Department of Human Services (DHS)
Office of the State Long-Term Care Ombudsman responsibilities**

(a) The DHS Office of the State Long-Term Care Ombudsman (Office) establishes and operates a statewide Long-Term Care Ombudsman Program consistent with the Older Americans Act and Oklahoma Long-Term Care Ombudsman Act requirements. DHS provides monitoring including, but not limited to, fiscal monitoring where the Office and/or local ombudsman entity is organizationally located within, under contract, or by other arrangement. DHS monitors and ensures the State Long-Term Care Ombudsman (Ombudsman) is the head of a unified statewide State Long-Term Care Ombudsman Program (Program). With DHS assistance, the Office:

- (1) identifies, investigates, and resolves complaints made by, or on behalf of, residents of long-term care facilities that relate to action, inaction, or decisions of providers, or long-term care services provider representatives, public agencies, or health and social services agencies that may adversely affect the health, safety, welfare, or residents' rights including the welfare and rights of residents with respect to the appointment and activities of guardians and representative payees;
- (2) informs residents about obtaining services provided by the Program;
- (3) ensures residents have regular and timely access to the services provided through the Program;
- (4) ensures residents and complainants receive timely responses from Office representatives on information and complaint requests;
- (5) represents residents' interests before governmental agencies;
- (6) ensures individual residents have access to and can pursue, as the Ombudsman determines necessary and consistent with resident interests, administrative, legal, and other remedies to protect the resident's health, safety, and welfare;
- (7) provides administrative and technical assistance to Office representatives and agencies hosting local ombudsman entities;
- (8) analyzes, comments on, and monitors the development and implementation of federal, state, and local laws, regulations, and other governmental policies and actions that pertain to the health, safety, welfare, and resident's rights with respect to long-term care facilities and services in the state. The Office:
 - (A) recommends changes in such laws, regulations, policies, and actions as appropriate;
 - (B) facilitates public comment on the laws, regulations, policies, and actions; and
 - (C) provides leadership to statewide systems advocacy efforts on behalf of long-term care facility residents including coordination of systems advocacy efforts carried out by Office representatives;
- (9) provides information to public and private agencies, legislators, the media, and others, as deemed necessary by the Office, regarding the problems and concerns of individuals residing in long-term care facilities including recommendations related to such. Such determinations and positions are those of the Office and do not necessarily represent DHS determinations

or positions;

(10) when carrying out systems advocacy efforts on behalf of long-term care facility residents and pursuant to the receipt of grant funds under the Older Americans Act, the provision of information, recommendations of changes in law to legislators, and recommendations of changes in regulations and policies to government agencies by the Ombudsman or Office representatives does not constitute lobbying activities per Part 93 of Title 45 of the Code of Federal Regulations;

(11) coordinates with and promotes the development of citizen organizations consistent with the residents' interests;

(12) promotes and provides technical support for the development of ongoing support requested by residents and family councils to protect the residents' well-being and rights;

(13) provides training for staff and volunteers and promotes the development of citizen organizations to participate in the Program;

(14) carries out other activities consistent with the requirements of this Part the Assistant Secretary for Aging determines appropriate;

(15) establishes procedures for appropriate access by the Ombudsman and designated representatives to long-term care facilities, appropriate private access to residents, and appropriate access to residents' personal and medical records;

(16) establishes procedures to protect the confidentiality of records and ensures that the identity of any resident or complainant is not disclosed without the resident's or complainant's consent, or upon court order;

(17) establishes a statewide uniform reporting system to collect and analyze information on complaints and conditions in long-term care facilities for the purpose of identifying and resolving significant problems. The Ombudsman must submit this information to the state agency responsible for licensing or certifying long-term care facilities and to the Assistant Secretary for Aging in the manner prescribed;

(18) independently develops and provides final approval of an annual report describing the activities carried out by the Office in the year for which the report is prepared. The annual report:

(A) contains data and findings regarding the types of problems experienced and complaints made by or on behalf of individuals residing in long-term care facilities;

(B) provides policy, regulatory, and legislative recommendations to solve problems and complaints, to improve the quality of care and life in long-term care facilities;

(C) includes analysis of the Program's success and success in providing services to residents of long-term care facilities;

(D) describes barriers that prevent optimal Program operation;

(E) is available to the public and is submitted to:

- (i) the Assistant Secretary for Aging;
 - (ii) the state chief executive officer;
 - (iii) the state legislature;
 - (iv) the state agency responsible for licensing or certifying long-term care facilities; and
 - (v) other appropriate governmental entities;
- (19) ensures that no officer, employee, or designated representative is subject to a conflict of interest; and
- (20) plans and operates the Program, considering the stakeholders' views.

(b) DHS ensures:

- (1) the Office is a distinct entity, separately identifiable, and located within or connected to DHS;
- (2) the Ombudsman serves on a full-time basis. Oklahoma Administrative Code 340:105-11 constitutes the entirety of the ombudsman's work that provides Office leadership and management, functions, responsibilities, and duties;
- (3) the Office and its representatives are not required or requested to be responsible for leading, managing, or performing the work of non-ombudsman services or programs except on a time-limited, intermittent basis;
- (4) individuals involved in the designation of the Ombudsman, by appointment or otherwise, or the designation of the head of any subdivision of the Office are not subject to conflicts of interest;
- (5) mechanisms are in place to identify and remedy any conflicts, such as conflicts of interest;
- (6) adequate legal counsel, free from conflict of interest is available to the Office for advice and consultation. legal representation is provided to Office representatives against whom suit or other legal action is brought in connection with the performance of such representative's official duties;
- (7) the Office has the ability to pursue administrative, legal, and other appropriate remedies on behalf of long-term care facility residents;
- (8) the Ombudsman meets minimum qualifications that include, but are not limited to, demonstrated expertise in:
 - (A) long-term services and supports or other direct services for older persons or individuals with disabilities;
 - (B) consumer-oriented public policy advocacy;
 - (C) leadership and program management skills; and
 - (D) negotiation and problem resolution skills;
- (9) the Ombudsman has authority to recommend policies and procedures. DHS policies and practices do not prohibit the Ombudsman from performing functions and responsibilities per federal law and rules;
- (10) entities hosting a local ombudsman must not have personnel policies or practices that prohibit Office representatives from performing Program duties or from adhering to federal or state laws and rules;
- (11) the Ombudsman monitors the performance of local entities designated to carry out Program duties;

- (12) processes are in place by which the agencies hosting local ombudsman entities coordinate with the Ombudsman in the employment or appointment of Office representatives;
- (13) standards are in place to prioritize abuse, neglect, exploitation, and time-sensitive complaints and consider the severity of the risk to the resident, the imminence of the threat of harm to the resident, and the opportunity for mitigating harm to the resident through Program services; and
- (14) procedures are in place clarifying appropriate fiscal responsibilities of the local ombudsman entity including, but not limited to, clarifications regarding access to programmatic fiscal information by appropriate Office representatives.

340:105-11-233. Office of the State Long-Term Care Ombudsman policies and procedures

Per the Older Americans Act of 1965, as Amended, the Office of the State Long-Term Care Ombudsman (Office) is established within the Oklahoma Department of Human Services (DHS) to carry out a statewide Long-Term Care Ombudsman Program (Program) under DHS direct supervision and administration.

- (1) Office consists of the State Long-Term Care Ombudsman (Ombudsman) and program and support staff.
- (2) Specific staffing requirements for each area Program are in accordance with DHS administrative and funding procedures.
- (3) The area entity designated to provide ombudsman services must provide an adequate allocation of funds to operate the local program. Costs incurred include, but are not limited to:
 - (A) reimbursement of ombudsman supervisors' and ombudsman volunteers' travel costs, including travel to and from assigned facilities and required meetings;
 - (B) identification badges; and
 - (C) incidental costs related to trainings and meetings including awards and certificates.
- (4) Designated area ombudsman staff representatives are organizationally-located within public or non-profit private entities.
- (5) Selection of area ombudsman staff representatives is made by the director of the designated area ombudsman entity, with input and recommendations from state Ombudsman staff during the interview process, and subject to Ombudsman approval.
 - (A) For the purpose of review of qualifications, criminal background checks, and conflict of interest issues, the Office has access to applications, resumes, and other personnel information related to applicants and incumbents in area ombudsman staff positions.
 - (B) State Ombudsman staff is involved at the Ombudsman's discretion in applicant interviews for area ombudsman staff positions as members of an interviewing

team. Upon conclusion of the interview process, there is opportunity for discussion and recommendations.

(C) Merit hiring standards are adhered to throughout the hiring process per Part 900 of Title 5 of the United States Code.

(D) Employment of area ombudsman staff is probationary pending the individual's satisfactory training completion.

(6) The Ombudsman investigates allegations of misconduct by Office representatives in the performance of Program duties and, as applicable, coordinates investigations with DHS, the agency hosting the local ombudsman entity, and/or the local ombudsman entity.

(7) The Ombudsman determines the use of the fiscal resources appropriated or otherwise available to operate the Office. The Ombudsman approves the allocations of federal and state funds provided to such entities, subject to applicable federal and state laws and policies. The Ombudsman determines Program budgets and expenditures and those local ombudsman entities are compliant with laws, policies, and procedures governing the Program.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-233.1. Grievance process

The Office of the State Long-Term Care Ombudsman (Office) per Part 1327.11 of Title 42 of the Code of Federal Regulations establishes a grievance process for the receipt and review of grievances regarding the determinations or actions of the State Long-Term Care Ombudsman (Ombudsman) and Office representatives.

(1) Long-term care residents or legal representatives of residents who lack capacity to provide informed consent may ask the Ombudsman to review and reconsider complaint findings of designated representatives by submitting a request in writing or verbally to the Ombudsman or deputy ombudsman within 30-calendar days of the completion of an investigation. The Ombudsman or deputy ombudsman:

(A) completes a record review within 30-calendar days of the formal request;

(B) determines if the representative followed complaint processes per Oklahoma Administrative Code (OAC) 340:105-11-237 and 340:105-11-237.1;

(C) places notation in the case record of his or her findings, initiates any needed action for resolution, and completes any warranted changes to the case documentation; and

(D) provides a copy of the findings to the resident or the resident's legal representative.

(2) When any grievance is related to the refusal or withdraw of designation by the ombudsman entity or staff representative, the resident or the resident's legal representative has a right to

request a hearing within 10-calendar days of the written notice per OAC 340:105-11-234(e).

[Source: Added at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-234. Designation of area programs and area representatives including staff and volunteers

(a) The Office of the State Long-Term Care Ombudsman (Office) officially designates agencies serving as area or local subdivisions of the Office through an annual designation process, per Oklahoma Department of Human Services (DHS) administrative funding procedures.

(1) Area program staff and volunteer representatives are officially designated in writing by the State Long-Term Care Ombudsman (Ombudsman).

(2) Designation as an Office representative:

(A) for area staff is based on criteria necessary

for satisfactory performance including, but not limited to:

- (i) being free from any conflict of interest as defined by this rule and in compliance with federal and state statutes; and does not stand to gain financially through an action or potential action brought on behalf of the residents he or she serves;
- (ii) meeting minimum Office job qualifications and screening standards; and
- (iii) satisfactorily completing training prescribed by the Ombudsman; and

(B) as an ombudsman volunteer is accomplished through a designation process, and is based on the individual meeting criteria necessary to satisfactory performance in the position including, but not limited to, the person:

- (i) being free from any conflict of interest as required by statute and defined by this Part and he or she does not stand to gain financially through an action or potential action brought on behalf of residents the ombudsman serves;
- (ii) meets screening criteria set in this Part;
- (iii) satisfactorily completes training prescribed by the Ombudsman; and
- (iv) completes and signs:

(I) Form 02OM003E, Ombudsman Volunteer Application, agreeing to accept supervision and follow Program rules and guidelines; and

(II) the Registry and criminal history record check consent and release form for the Oklahoma National Fingerprint Background Check Program, authorizing the Office to conduct a national fingerprint background and registry checks.

(b) The Ombudsman has authority to refuse to designate:

(1) an individual, staff or volunteer, as an Office representative for any reasonable cause related to unsatisfactory performance in the position including, but not limited to:

- (A) an unresolved or unresolvable conflict of interest;
- (B) failure to satisfactorily complete training; and
- (C) failure to meet screening standards for volunteers and staff including a national fingerprint background and registry check or minimum job qualifications; and

(2) an entity as a subdivision of the Office for any reasonable cause that prevents satisfactory operation of the State Long-Term Care Ombudsman Program (Program) including, but not limited to:

- (A) an unresolved or unresolvable conflict of interest;
- (B) failure to provide adequate assurances that Program guidelines can be met; and
- (C) failure to provide assurances that the Program can be adequately funded.

(c) The Ombudsman has the authority to withdraw designation as:

(1) a subdivision of the Office from a designated entity when there is:

- (A) an unresolved or unresolvable conflict of interest;
- (B) a breach of the confidentiality requirement caused by the action of any staff of the designated entity as a local subdivision of the Office or of that designated entity's sponsoring agency;
- (C) failure to adhere to Office policies, Federal Administration on Aging regulations, federal or state law; or
- (D) any other unreasonable or prejudicial conduct substantially affecting the Program; and

(2) an Office representative from a staff person or volunteer when there is:

- (A) an unresolved or unresolvable conflict of interest;
- (B) breach of the confidentiality requirement;
- (C) failure to adhere to Office policies or federal or state law;
- (D) failure to accept program supervision from the Office; or
- (E) when the prospective representative is determined to be ineligible by the Oklahoma State Department of Health National Fingerprint Background Check Program.

(d) The Ombudsman may also withdraw designation of an ombudsman volunteer when he or she:

- (1) fails to file monthly reports with the ombudsman supervisor for three consecutive months, unless on approved leave of absence;
- (2) fails to attend three consecutive monthly meetings, unless on approved leave of absence;
- (3) fails to initiate resident visitation in assigned facility within two months after designation;
- (4) misuses the "ombudsman volunteer" title or badge; or

(5) without specific authorization by the Ombudsman, represents himself or herself either verbally or by wearing a badge as an ombudsman for a facility for which the volunteer is not designated.

(e) An agency that is refused designation or from which designation is withdrawn as an designated entity or an individual refused designation or from whom designation is withdrawn as an area ombudsman staff representative may appeal the decision.

(1) Designation is not withdrawn until reasonable notice and opportunity for a hearing is provided.

(2) Notification of the right to appeal and appeal procedures are included in the letter notifying the agency or staff person of a decision to refuse or withdraw designation.

(3) A request for hearing must be submitted within 10-calendar days of the receipt of the letter of notification of the decision to refuse or withdraw designation.

(4) Hearings are conducted by the DHS Appeals Unit.

(5) The Ombudsman has authority to suspend a designated ombudsman entity or staff representative from engaging in any and all Program duties pending the conclusion of a hearing.

(6) In a case where findings of the hearing officer are contrary to federal law or rules, as determined by the Ombudsman, the Ombudsman retains the authority to refuse or withdraw designation regardless of the findings of the hearing officer.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-234.1. Responsibilities of agencies hosting local ombudsman representatives

(a) The designated entity in which a local Office of the State Long-Term Care Ombudsman (Office) Program (Program) is organizationally-located is responsible for the personnel management, but not programmatic oversight of Office representatives including employees and volunteer representatives.

(b) The designated entity in which a local program is organizationally located does not have personnel policies or practices that prohibit Office representatives from performing the duties or from adhering to the access, confidentiality, and disclosure requirements of federal and state laws and regulations.

(1) Host agencies may not have policies, procedures, or practices including personnel management practices that the State Long-Term Care Ombudsman (Ombudsman) determines conflictive with the laws or policies governing the Program.

(2) Any policy, procedure, or practice the Ombudsman determines to be in violation of federal or state laws and regulations is sufficient grounds for the refusal, suspension, or removal of the designation of local ombudsman entity by the Ombudsman.

(3) Nothing in this provision prohibits the host agency from requiring that Office representatives adhere to the personnel

policies and procedures of the agency that are otherwise lawful.

[Source: Added at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-234.2. Duties of representatives of the Office of the State Long-Term Care Ombudsman (Office)

The State Long-Term Care Ombudsman (Ombudsman) may designate an entity as a local ombudsman entity and may designate an employee or volunteer of the local ombudsman entity as an Office representative. Office representatives may also be designated employees or volunteers within the Office. An individual designated as an Office representative per Oklahoma Department of Human Services (DHS) and Office policies and procedures:

- (1) identifies, investigates, and resolves complaints made by or on behalf of residents that relate to action, inaction, or decisions that may adversely affect the health, safety, welfare, or rights of the residents;
- (2) provides assistance to protect the health, safety, welfare, and rights of residents;
- (3) ensures residents in the local ombudsman entity service area have regular and timely access to the services provided through the State Long-Term Care Ombudsman Program and that residents and complainants receive timely responses to requests for information and complaints;
- (4) represents the interests of residents before government agencies and ensures individual residents have access to and pursue, as the representative determines necessary and consistent with resident interest, administrative, legal, and other remedies to protect the health, safety, welfare, and rights of the residents;
- (5) reviews, and when necessary, comments on any existing and proposed laws, regulations, and other government policies and actions pertaining to residents' rights and well-being;
- (6) facilitates public comment on the laws, regulations, policies, and actions;
- (7) promotes and provides technical support for development and ongoing support when requested by resident and family councils; and
- (8) carries out other activities the Ombudsman determines to be appropriate.

[Source: Added at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-235. Conflict of interest

(a) An officer, employee, volunteer, or other representative of the Office of the State Long-Term Care Ombudsman (Office) may not be subject to a conflict of interest that has the potential to impair his or her official duties in an impartial manner and may not stand to gain financially through an action or potential action brought on behalf of persons the State Long-Term Care Ombudsman Program (Program) serves.

(b) A conflict of interest exists when any organizational or supervisory relationship, policy, action, or individual ombudsman's personal relationship, immediate familial relationship, or action conflicts with or impairs his or her responsibilities to investigate, resolve, or refer complaints or otherwise advocate for long-term care facility residents.

(c) No persons involved in the designation of the State Long-Term Care Ombudsman (Ombudsman), by appointment or otherwise, or the designation of the head of any designated entity may be subject to a conflict of interest.

(d) Freedom from conflict of interest is established through interview of prospective Ombudsman staff and volunteers and through a signed statement in a form prescribed by the Office and other appropriate means.

(e) Persons listed in this paragraph must complete and sign Form 02OM001E, Conflict of Interest Statement and Ethical Guidelines, annually and when there is any change of facility or area assignment by:

- (1) prospective and current Office staff;
- (2) prospective and current ombudsman volunteers; and
- (3) any other person involved in the direct operation of the Program.

(f) Agencies must annually review Form 02OM002E, Freedom from Conflict of Interest Assurances, which must be signed annually by:

- (1) directors of designated entities or those seeking designation as local ombudsman entities; and
- (2) directors of sponsoring agencies.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-235.1. Organizational conflict of interest

(a) The Oklahoma Department of Human Services (DHS) and the Office of the State Long-Term Care Ombudsman (Office) State Long-Term Care Ombudsman (Ombudsman) consider the organizational conflicts that may impact the effectiveness and credibility of the work of the Office.

Organizational conflicts of interest include, but are not limited to, placement of the Office or requiring that an Ombudsman or Office representative perform conflicting activities in an organization that:

- (1) is responsible for licensing, surveying, or certifying long-term care facilities;
- (2) is an association or an affiliate of such an association, of long-term care facilities or of any other residential facilities for older individuals or individuals with disabilities;
- (3) has ownership or investment interest, represented by equity, debt, or other financial relationship in, or receives grants or donations from, a long-term care facility;
- (4) has governing board members with any ownership, investment, or employment interest in long-term care facilities;
- (5) provides long-term care to residents of long-term care facilities including the provision of personnel for long-term care facilities or the operation of programs that control access to or services for long-term care facilities;

- (6) provides long-term care coordination or case management for residents of long-term care facilities;
- (7) sets reimbursement rates for long-term care facilities;
- (8) provides adult protective services;
- (9) is responsible for eligibility determinations for residents of long-term care facilities regarding Medicaid or other public benefits;
- (10) conducts preadmission screening for long-term care facility placements;
- (11) makes admission or discharge decisions for individuals to or from long-term care facilities; or
- (12) provides guardianship, conservatorship, or other fiduciary or surrogate decision-making services for residents of long-term care facilities.

(b) Removing or remedying organizational conflicts. DHS and the Ombudsman identify and take steps to remove or remedy conflicts of interest between the Office and DHS or another entity carrying out the Ombudsman Program (Program).

(1) The Ombudsman identifies organizational conflicts of interest in the Program and describes steps taken to remove or remedy conflicts within the annual report submitted to the Assistant Secretary for Aging through the National Ombudsman Reporting System.

(2) When the Office is located within or otherwise organizationally-connected to DHS, DHS:

(A) takes reasonable steps to avoid internal conflicts of interest;

(B) reviews and identify internal conflicts;

(C) takes steps to remove or remedy conflicts;

(D) ensures that no individual, or member of the immediate family of an individual, involved in the designating, appointing, otherwise selecting or terminating the Ombudsman is subject to a conflict of interest; and

(E) ensures the Ombudsman disclosed such conflicts and described steps taken to remove or remedy conflicts within the annual report submitted to the Assistant Secretary for Aging through the National Ombudsman Reporting System.

(3) When DHS is unable to adequately remove or remedy a conflict, the Program is carried out by contract or other arrangement with a public agency or nonprofit private organization, per Section 712(4)(a) of the Older Americans Act, as Amended.

(4) DHS may not enter into a contract or other arrangement to carry out the Program or operate the Office when the other entity:

(A) is responsible for licensing, surveying, or certifying long-term care facilities;

(B) is an association or an affiliate of such an association of long-term care facilities, or of any other residential facilities for older individuals or individuals with

disabilities; or
(C) has any ownership, operational, or investment interest, represented by equity, debt, or other financial relationship in a long-term care facility.

[Source: Added at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-236. Conflict of interest remedies

(a) **Volunteers.** When a conflict of interest is identified before designation, the volunteer is not certified in any facility in which the conflict of interest could be expected to affect performance. When a conflict of interest or potential conflict of interest involving a certified volunteer is identified, the ombudsman supervisor promptly notifies the Office of the State Long-Term Care Ombudsman (Office) to recommend withdrawal of designation, reassignment of the volunteer, or other appropriate action.

(b) **Paid ombudsman representatives.** No applicant for a paid ombudsman position, at any level of the program, is selected to fill that position when a conflict of interest is identified during any stage of the application or hiring process. When a conflict of interest or potential conflict of interest is identified involving a designated representative, action must be taken to remedy the conflict within 30-calendar days. Remedies may range from elimination of the conflict to withdrawal of the individual's designation.

(c) **Directors of sponsoring agencies and designated entities.** When a conflict of interest or potential conflict of interest is identified action must be taken to remedy the conflict of interest within 30-calendar days. Remedies may include:

- (1) removal or resolution of the conflict of interest;
- (2) withdrawal of the agency's designation as an area ombudsman entity;
- (3) withdrawal of designation of the agency as an Area Agency on Aging; or
- (4) other reasonable action.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-237. Complaint investigation

The State Long-Term Care Ombudsman Program (Program) complaint mechanism functions at all levels with procedures for receipt, investigation, and resolution of problems and complaints.

- (1) The Office of the State Long-Term Care Ombudsman (Office) staff:
 - (A) receive complaints from all sources, including referrals from enforcement agencies and complaints from area ombudsman programs;
 - (B) refer complaints to area ombudsman supervisors when appropriate;
 - (C) investigate complaints directly or with ombudsman supervisors;

- (D) refer unresolved formal complaints to a regulatory or law enforcement agency, when appropriate;
 - (E) assist other agencies in complaint resolution;
 - (F) follow-up on complaint resolution and closure; and
 - (G) may decline to investigate any complaint when:
 - (i) the complaint is frivolous or not made in good faith;
 - (ii) the complaint was made so long after the incident that it is no longer reasonable to conduct an investigation;
 - (iii) an adequate investigation cannot be conducted because of insufficient funds, insufficient staff, lack of staff expertise, or any other reasonable factor that would result in an inadequate investigation despite a good faith effort; or
 - (iv) an investigation by the Office would create a real or apparent conflict of interest.
- (2) Area ombudsman supervisors:
- (A) receive complaints from all sources;
 - (B) investigate complaints through on-site, unannounced visits to the facility or refer the complaints to ombudsman volunteers;
 - (C) resolve complaints or refer the complaint in writing to State Long-Term Care Ombudsman (Ombudsman) staff when correction cannot be achieved at the area level, or when a regulatory or law enforcement agency's assistance is needed; and
 - (D) follow-up on conditions identified through the complaint process.
- (3) Ombudsman volunteers:
- (A) receive complaints and learn of problems from all sources;
 - (B) investigate complaints through on-site, unannounced, routine weekly visitation to the assigned facility or refer complaints to an ombudsman supervisor for investigation;
 - (C) resolve problems or complaints within the facility or refer to an ombudsman supervisor for resolution; and
 - (D) follow-up on conditions through routine, weekly visitation with residents in the assigned facility.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-237.1. Complaint processing

(a) Regardless of the source of the complaint the Office of the State Long-Term Care Ombudsman (Office), State Long-Term Care Ombudsman (Ombudsman), and Office representatives serve long-term care facility residents to identify, investigate, and resolve complaints. The Ombudsman or Office representative investigates complaints including, but not limited to, abuse, neglect, or exploitation for the purposes of resolving the complaint to the resident's satisfaction and to protect the

resident's health, safety, welfare, and rights. The Ombudsman or Office representative may identify, investigate, and resolve a complaint impacting multiple or all facility residents.

(b) Regardless of the source of the complaint, including when the source is the Ombudsman or Office representative, the Ombudsman or Office representative must support and maximize resident participation in the complaint resolution process.

(1) The Ombudsman or Office representative must offer the resident privacy for confidentially purposes, when providing information and hearing, investigating, and resolving complaints.

(2) The Ombudsman or Office representative must discuss the complaint with the resident and resident representative when the resident is unable to communicate informed consent, to:

(A) determine his or her perspective;

(B) request informed consent to investigate the complaint;

(C) determine the resident's or his or her representative's perspective on complaint resolution including if the allegations are reported and, when so, if the Ombudsman or Office representative releases resident identifying information or other relevant information to the facility and/or appropriate agencies. Such report and disclosure is consistent with (b)(3) of this Section;

(D) advise the resident and resident representative of the resident's rights, when applicable;

(E) work with the resident or resident representative to develop a plan of action to resolve the complaint, when applicable;

(F) investigate the complaint to determine if the complaint can be verified; and

(G) determine if the complaint is resolved to the resident's or resident representative's satisfaction.

(3) When the resident is unable to communicate and does not have a representative to provide informed consent the Ombudsman or Office representative:

(A) takes appropriate steps to investigate and works to resolve the complaint in order to protect the resident's health, safety, welfare, and rights; and

(B) determines if the complaint was resolved to the complainant's satisfaction.

(4) To determine whether to rely on a resident representative to communicate or make determinations on the resident's behalf for complaint processing, the Ombudsman or Office representative ascertains the extent of the authority granted to the resident's representative under court order, by power of attorney, or other document the resident used to grant authority to the representative.

(c) The Ombudsman or Office representative may provide information regarding the complaint to another agency in order to substantiate the facts for regulatory, protective services, law enforcement, or other purposes so long as the Ombudsman or Office representative adheres to the disclosure requirements per Oklahoma Administrative Code 340:105-

11-243. When the resident or resident representative:

(1) seeks regulatory, protective services, or law enforcement action and the Ombudsman or Office representative determines the resident or resident representative communicated informed consent to the Office, the Office assists the resident or resident's representative contact the appropriate agency and/or discloses the resident or resident's representative consent for such purposes; and

(2) is served by disclosing information to a facility representative and/or referrals to an entity other than those referenced in (c)(1) of this Section and the Ombudsman or Office representative determines the resident or resident representative communicated informed consent to the State Long-Term Care Ombudsman Program (Program), the Ombudsman or Office representative may:

(A) assist the resident or resident representative contact the appropriate facility representative or the entity;

(B) provide information on how a resident or representative may obtain a facility or entity contact information; and/or

(C) disclose the information the resident or resident's representative provided consent for to an appropriate facility representative or entity, consistent with Ombudsman Program procedures.

[Source: Added at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-237.2. Complaint investigation timeframes

(a) All complaints investigated by a designated ombudsman require a face-to-face visit with the resident the complaint involves. The time frames for the initial attempt at a face-to-face visit must occur within five business days of the receipt of the complaint unless:

(1) the complaint includes an allegation of abuse, neglect, or exploitation; then the time frame for initial face-to-face contact with resident occurs within three business days; or

(2) the complaint involves an actual or threatened discharge from a facility, the time frame for initial face-to-face contact with resident is no later than the last day the resident has a right to appeal the discharge or within five business days, whichever comes first.

(b) There is no time frame for the determination of the final disposition of a complaint but it is determined when the ombudsman has enough evidence to complete the investigation. In the event the final disposition of a complaint exceeds 90 days, the Ombudsman representative assigned to investigate the complaint submits the case to the Ombudsman or Deputy Ombudsman for review and the reason the case will remain open is documented in the case record.

(c) In rare instances weather, illness, or other unforeseen, serious circumstances may delay on-site investigation. When a delay occurs, the ombudsman representative consults with and seeks consent from the

State Long-Term Care Ombudsman or deputy ombudsman to:

- (1) initiate a phone response.
 - (A) Contact with the resident and/or the complainant is attempted.
 - (B) Resolution of the complaint may be sought, in accordance with the resident's wishes, through phone calls to persons that may be able to resolve or mitigate the situation, such as the facility administrator, facility staff, or another agency;
- (2) complete comprehensive documentation regarding the cause(s) for delay and the response to the complaint in:
 - (A) hard copy case notes, when used;
 - (B) electronic documentation, such as a journal entry titled, "Delayed Response" documenting the:
 - (i) follow-up date;
 - (ii) delaying factor(s); and
 - (iii) steps taken to resolve the complaint;
- (3) an on-site visit follow-up with the resident is required even when the complaint was resolved by phone. The follow-up visit occurs immediately following the unforeseen circumstance; and
- (4) complete the follow-up visit with comprehensive documentation in:
 - (A) hard copy case notes, when used; or
 - (B) electronic documentation, such as a journal entry titled, "Delayed Response" documenting the:
 - (i) follow-up date;
 - (ii) any remaining issues or additional complaints to be resolved; and
 - (iii) resident's satisfaction with the resolution.

[Source: Added at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-238. Systems Advocacy, monitoring laws, regulations, and policies

(a) The Office of the State Long-Term Care Ombudsman (Office) is required and authorized to:

- (1) analyze, comment on, and monitor the development and implementation of federal, state, and local laws, regulations, and other government policies and actions that pertain to long-term care facilities and services;
- (2) monitor the health, safety, welfare, and rights of residents; and
- (3) recommend changes in such laws, regulations, and policies as the Office determines appropriate.

(b) Office staff:

- (1) acquire and share with area programs, citizen organizations, and individuals copies of proposed and enacted laws, regulations, and policies that may affect long-term care facility residents;
- (2) give testimony and written comments as appropriate and assist others learn of comment opportunities;

- (3) attend or conduct public hearings;
 - (4) request comments from area ombudsman staff; and
 - (5) investigate complaints and take action as necessary to monitor the development and implementation of laws, rules, and policies.
- (c) Area ombudsman staff:
- (1) review proposed and enacted laws, regulations, and policies that may affect long-term care facility residents in the planning and service area (PSA), as provided by Office staff;
 - (2) give testimony and written comments, and attend or conduct public hearings, as appropriate;
 - (3) investigate complaints; and
 - (4) communicate concerns identified through the above activities to Office staff.
- (d) The Office makes determinations and establishes positions of the Office independently. Those determinations or positions may or may not represent the determinations or positions of the Oklahoma Department of Human Services (DHS) and are not subject to approval by DHS.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-239. Provision of information

The Office of the State Long-Term Care Ombudsman (Office), State Long-Term Care Ombudsman (Ombudsman), and designated staff provide information to public and private agencies, legislators, the media, and other persons regarding the problems and concerns of residents and recommendations related to the problems and concerns. The provision of information includes, but is not limited to:

- (1) Office staff:
 - (A) developing administrative and legislative proposals as needed, relating to significant problems of residents in long-term care facilities, based on complaint investigation data and other sources;
 - (B) developing working relationships with state legislators and policy makers in order to inject concerns of long-term care facility residents directly into the policy making process;
 - (C) providing information on conditions affecting and the needs of long-term care facility residents, upon request, to individuals, agencies, organizations, and others; and
 - (D) meeting at least quarterly with the State Council on Aging's Advisory Committee for the State Long-Term Care Ombudsman Program (Program) to discuss Program operation, issues affecting the population served by the Program, and strategies to address identified concerns.
- (2) Area ombudsman staff provide:
 - (A) information to individuals, agencies, committees, and organizations concerning the general problems and issues affecting residents in long-term care facilities; and
 - (B) community education on needs and issues affecting long-term care facility residents through publicity

including monthly press releases, public speaking, and other means.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-240. Training

The Office of the State Long-Term Care Ombudsman (Office) prohibits investigation of any complaint by Office staff or an ombudsman volunteer, unless the person satisfactorily completed training required by the Office, and is approved by the State Long-Term Care Ombudsman (Ombudsman) as qualified to investigate complaints.

(1) Office staff:

- (A) orients and trains ombudsman staff representatives and determines satisfactory completion of prescribed training;
- (B) develops and periodically updates training core curriculum;
- (C) assists area ombudsman staff train ombudsman volunteers;
- (D) provides on a quarterly basis, a minimum of 40 hours of continuing education and training to ombudsman supervisors per year;
- (E) provides community education with area staff;
- (F) officially certifies newly-trained, ombudsman volunteers who met screening criteria; and
- (G) assists in the development of citizen organizations to participate in the State Long-Term Care Ombudsman Program.

(2) Area ombudsman staff:

- (A) holds public workshops for community education and volunteer recruitment;
- (B) trains ombudsman volunteer applicants using the Office-prescribed core training format;
- (C) submits the name, facility assignment, and original signed Form 02OM003E, Ombudsman Volunteer Application, of each volunteer recommended for designation;
- (D) accompanies each newly-certified ombudsman volunteer on at least one introductory visit to the assigned facility to reinforce training and ensure the ombudsman volunteer's understanding of the ombudsman role; and
- (E) holds monthly meetings for continued training and supervision of designated ombudsman volunteers to annually achieve a minimum of 18 hours per volunteer of continuing education relevant to the care of older persons and persons with disabilities.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-241. Assistant Secretary for Aging's initiatives

(a) The State Agency implements any additional program requirements deemed necessary by the Assistant Secretary for Aging and provides guidelines for the Area Agencies on Aging (AAAs) for implementation of such additional requirements.

(b) The AAAs or other designated local ombudsman entity complies with such additional requirements initiated by the Assistant Secretary for Aging, based on guidelines provided by the State Agency.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-11-242. Access

(a) **Access to facilities and residents.** The Office of the State Long-Term Care Ombudsman (Office) procedures for access to long-term care facilities and facility residents are in Sections 1-829-F, 1-1902, 1-1919, and 1-2213-D of Title 63 of the Oklahoma Statutes. An Office or local ombudsman, as that term is defined by Oklahoma Department of Human Services Aging Services, is authorized to enter any facility licensed per the Oklahoma Nursing Home Care Act, the Oklahoma Residential Care Act, and the Continuum of Care and Assisted Living Act to communicate privately and without unreasonable restriction with any resident who consents to the communication, to seek consent to communicate, and to observe all areas of the facility that directly pertain to the care of the resident, without infringing upon the privacy of other residents without their consent.

(1) Area ombudsman staff and trained, designated ombudsman volunteers have the same right of access to licensed long-term care facilities and residents as Office staff.

(2) Any ombudsman staff or volunteer asked to leave the premises of any licensed facility for any reason does so and immediately reports the incident to the Office.

(b) Access to resident's records. The State Long-Term Care Ombudsman (Ombudsman) and Office staff have access to:

(1) review the resident's medical and social records when the:

(A) Office representative has the resident's or the resident's legal representative's permission; or

(B) resident is unable to consent to the review, has no legal representative, and the Office representative obtains Ombudsman approval;

(2) the records as necessary to investigate a complaint when:

(A) a resident's legal guardian refuses to give permission;

(B) an Office representative has reasonable cause to believe the guardian is not acting in the resident's best interests; and

(C) the representative obtains Ombudsman approval;

(3) the administrative records, policies, and documents of long-term care facilities, to which the residents or the general public have access; and

(4) copies of all licensing and certification records maintained by the Oklahoma State Department of Health or any state agency

with respect to long-term care facilities. Ombudsman volunteers must obtain a resident's legal representative's, ombudsman supervisor's, Ombudsman's, or deputy ombudsman's consent before accessing medical or social records of a resident who does not have the capacity to grant informed consent.

(5) The Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy Rule, Part 160 of Title 45 of the Code of Federal Regulations (C.F.R.) and 45 C.F.R. Part 164 Subparts A and E does not preclude release by covered entities of resident private health information or other resident identifying information to the State Long-Term Care Ombudsman Program including, but not limited to, residents' medical, social, or other records, a list of resident names and room numbers, or information collected in the course of a federal or state survey or inspection process.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-243. Records, confidentiality, and disclosure

The Office of the Long-Term Care Ombudsman (Office) manages the Office State Long-Term Care Ombudsman Program (Program) files, records, and information, in physical, electronic, or other formats including information maintained by Office representatives and local ombudsman entities pertaining to Program cases and activities. Such files, records, and information are the property of the Office. Office and area ombudsman staff, ombudsman volunteers, and designated agencies uphold policies listed in this Section.

(1) No complaint, other confidential information, or records maintained by the Program may be disclosed unless the State Long-Term Care Ombudsman (Ombudsman) authorizes the disclosure.

(2) The Ombudsman or ombudsman representative does not disclose the identity of any complainant or resident unless the complainant or resident, or his or her legal representative consents:

(A) in writing to the disclosure and specifies to whom the identity may be disclosed;

(B) verbally and the Ombudsman documents the consent at the time consent is given; or through the use of auxiliary aids and services communication of informed consent may be made:

(i) in writing; or

(ii) verbally or visually; and

(iii) such consent must be documented

contemporaneously by the Ombudsman or Office representative; or

(C) a court orders the disclosure.

(3) In accordance with federal law and regulation, the Ombudsman and Office representatives do not report suspected abuse, neglect, or exploitation of a resident when a resident has

not communicated informed consent to such report. Except the Ombudsman or Office representative may refer confidential information and disclose resident-identifying information to the appropriate agency or agencies for regulatory oversight; protective services; access to administrative, legal, or other remedies; and/or law enforcement action when the circumstances in (4) of this Section are met.

(4) When a resident is unable to communicate his or her informed consent to the Ombudsman or Office representative, the Office may rely on the resident's designated representative's consent, so long as the Ombudsman or Office representative does not have reasonable cause to believe the resident representative is not acting in the resident's best interests or is the alleged perpetrator of the abuse, neglect, or exploitation.

(5) Inspection dates provided to the Program at any level, including Oklahoma State Department of Health inspections, are confidential per Section 1395i-3(g)(5)(B) of Title 42 of the United States Code (U.S.C.).

(A) Inspection dates and dates of other unannounced visits to facilities, including visits for the purpose of complaint investigation, are not posted or otherwise revealed.

(B) Federal law provides for a \$2,000 penalty for release of inspection dates per 42 U. S. C. § 1395i-3(g)(2) (A) (1) and Section 488.307 of Title 42 of the Code of Federal Regulations.

(6) Privacy is provided for complaint receipts by mail, phone, or personal interview to maintain confidentiality.

(7) All mail addressed to an ombudsman by name or title is delivered to the ombudsman unopened.

(8) Locked files are used to maintain confidential records. Access to such files is limited to designated area ombudsman representatives and Office staff.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-243.1. Procedures related to the disclosure of witnessed abuse, neglect, or exploitation

(a) When the Office of the State Long-Term Care Ombudsman (Office) State Long-Term Care Ombudsman (Ombudsman) or Office representative (representative) personally witnesses suspected abuse, gross neglect, or exploitation of a resident, the Ombudsman or representative seeks communication of informed consent from such resident to disclose resident-identifying information to appropriate agencies.

(1) When the resident is able to communicate informed consent or has a resident representative available to provide informed consent, the Ombudsman or representative follows the resident's or resident representative's direction.

(2) When the resident is unable to communicate informed consent and has no resident representative available to provide informed

consent, the Ombudsman or representative opens a case with the Ombudsman or representative as the complainant, follows the Office's program complaint resolution procedures, refers the matter, and discloses the resident's identifying information to facility management where the resident resides and/or to the appropriate agency or agencies for substantiation of abuse, gross neglect, or exploitation in the following circumstances the:

(A) Ombudsman or representative has no evidence indicating the resident would not want a referral to be made;

(B) Ombudsman or representative has reasonable cause to believe disclosure is in the resident's best interest; and

(C) representative obtains Ombudsman or deputy ombudsman approval.

(3) In addition, the Ombudsman or representative, following Office policies and procedures per Oklahoma Administrative Code 340:105-11-243 (3) (i) - (vi) may report suspected abuse, gross neglect, or exploitation to other appropriate agencies for regulatory oversight; protective services; access to administrative, legal, or other remedies; and/or law enforcement action.

(4) The decision to grant or deny Ombudsman or deputy ombudsman approval for confidential information disclosure related to abuse, neglect, or exploitation is made and conveyed to the requesting ombudsman in one business day.

[Source: Added at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-244. Reporting system

(a) Office of the State Long-Term Care Ombudsman staff:

(1) identify significant problems by establishing a statewide reporting system including the collection and analysis of quarterly reports from area ombudsman staff;

(2) receive and analyze reports from all state agencies receiving complaints on, or conducting surveys or inspections of long-term care facilities, in order to identify significant problems;

(3) develop administrative and legislative proposals to resolve significant problems of residents, as reflected in complaint investigation and other data;

(4) provide information and recommendations to involved agencies on significant issues, after monitoring conditions of long-term care facilities through the area program and collection and analysis of data; and

(5) compile information and annually prepare and disseminate a Long-Term Care Ombudsman Program annual report. The report contains data and findings regarding the types of problems experienced and complaints received by or on behalf of individuals residing in long-term care facilities, and provides policy, regulatory and legislative recommendations to resolve such problems and complaints and improve the quality of care

and life in long-term care facilities.

(b) Area ombudsman staff:

- (1) collect and compile data from volunteer monthly reports and from other required Ombudsman Program activities into quarterly reports, which are submitted to state ombudsman staff;
- (2) monitor conditions in certain facilities for informal reporting on a follow up basis to state ombudsman staff; and
- (3) respond to requests from state ombudsman staff for reports or updates on local conditions relating to specific issues being addressed statewide.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02]

340:105-11-245. Facility visitation

(a) Designated area entity ombudsman staff makes periodic visits to all long-term care facilities in the area covered by the designated area ombudsman entity to ensure State Long-Term Care Ombudsman Program (Program) services are available to the residents.

(1) Residents of each facility are visited a minimum of four times each fiscal year.

(A) Visits made by appointment including in-service training for facility staff, are not counted toward the ombudsman staff's four visits per year.

(B) When the ombudsman visits residents as a citizen observer during Oklahoma State Department of Health (OSDH) inspections, the visit may be counted.

(C) Visits made to resolve complaints are counted when multiple residents are visited.

(2) Visits are documented on Office of the State Long-Term Care Ombudsman (Office) approved forms and are protected according to Program confidentiality requirements. Visits are:

(A) unannounced and dates are kept confidential; and

(B) not posted or revealed to any person other than the Area Agency on Aging director, designated as the area ombudsman entity who safeguards them.

(3) State Long-Term Care Ombudsman (Ombudsman) staff:

(A) accompanies each newly-designated ombudsman volunteer to the volunteer's assigned facility, by appointment, for an introductory visit to:

(i) introduce the volunteer to the facility administrator, residents, and facility; and

(ii) explain or clarify the ombudsman volunteer role;

(B) conducts at least one supervisory visit with each designated ombudsman volunteer at his or her assigned facility annually to:

(i) assess skills, relationships, and understanding of appropriate role; and/or

(ii) assist the volunteer with a complaint or other problem; and

(C) offers and conducts in-service training for staff of long-term care facilities on residents' rights, elder abuse prevention, and other topics of importance to residents.

(b) The designated ombudsman volunteer visits residents in his or her assigned facility, at least two hours per week to assist residents resolve or prevent problems or complaints. Each visit is documented.

(1) Volunteers may not officially begin visitation and other duties in a facility as a designated ombudsman volunteer until he or she:

(A) receives written notice of designation from the Office; and

(B) is accompanied by Office staff on an introductory visit to the assigned facility.

(2) A volunteer who is temporarily unable to fulfill visitation or other program responsibilities may request or be placed on leave of absence. As defined in this Part, leave of absence may be granted due to:

(A) illness or family illness;

(B) vacation or extended travel; or

(C) a reason approved by the ombudsman supervisor.

(3) Leave of absence must not exceed three months duration.

When the volunteer is unable to resume official duties by the end of the three-month period, the area supervisor notifies the Office and the volunteer's designation is withdrawn.

(4) The volunteer may request voluntary designation withdrawal from the Program at any time and be designated again when requirements are met.

(5) A volunteer that returns to service within one year of withdrawal of designation is not required to complete the initial two-day volunteer training but must be screened for potential conflicts of interests and complete the OSDH National Fingerprint Background Check.

(c) Ombudsman participation as a citizen observer in unannounced inspections by OSDH is allowed by the Oklahoma Nursing Home Care Act, the Oklahoma Residential Care Act, and the Federal Nursing Home Reform Act.

(1) Office staff and designated ombudsman volunteers may participate.

(2) Inspection schedule information is kept in a locked file and access is restricted to Office staff.

(3) The location of the inspection is shared by Office staff only with the area ombudsman supervisor.

(4) The ombudsman facility volunteer may be notified, but notification is made no earlier than the inspection date.

(5) Early notification to a facility is strictly prohibited. Penalties are set in federal statutes for early facility notifications per Section 1395i-3(g)(2)(A)(1) of the United States Code and Section 488.307 of Title 42 of the Code of Federal Regulations.

(d) When entering a facility for a visit, Office staff and volunteers notify the administrator or other charge person of their presence. If a charge person is not located, any staff person may be notified. This requirement is not intended to delay an ombudsman from proceeding promptly with a

complaint investigation or resident visitation.

340:105-11-246. Liability and legal counsel

The Older Americans Act of 1965, as amended, and Section 1-2214 of Title 63 of the Oklahoma Statutes provide protections for designated representatives of the Office of State Long-Term Care Ombudsman (Office).

- (1) For purposes of the Governmental Tort Claims Act, any state, area, or local volunteer long-term care ombudsman is deemed to be an employee of this state and not personally liable for any act or omission made within the scope of employment, as such term is defined by the Governmental Tort Claims Act.
- (2) The Oklahoma Department of Human Services ensures that adequate legal counsel is available to the Office for advice and consultation.
- (3) Legal representation is provided to any representative of the Office against whom suit or other legal action is brought in connection with any act or omission of a representative made within the scope of employment.
- (4) Any representative of the Office who wishes to request legal advice, consultation, or representation contacts the Office.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 24 Ok Reg 1325, eff 6-1-07]

340:105-11-247. Other policies

(a) The rules in this Part reflect compliance with Older Americans Act requirements under authority of state statute. Section 1-2215 of Title 63 of the Oklahoma Statutes provides that:

- (1) no person shall willfully interfere with a representative of the Office of the State Long-Term Care Ombudsman (Office) in the performance of official duties;
- (2) no person shall engage in retaliation or reprisal against any resident or employee of a long-term care facility or other entity for having filed a complaint with or provided information to the Office; and
- (3) any person convicted of violating any of these prohibitions shall be guilty of a misdemeanor.

(b) Any complaint alleging willful interference or retaliation or reprisal received by the Office shall be referred to the appropriate law enforcement entity, after consultation with legal counsel.

340:105-11-248. Ombudsman volunteer rules and guidelines

The designated ombudsman volunteer observes the requirements of the State Long-Term Care Ombudsman (Ombudsman) State Long-Term

Care Ombudsman Program (Program). The ombudsman volunteer:

- (1) completes and signs Forms:
 - (A) 02OM003E, Ombudsman Volunteer Application;
 - (B) 02OM001E, Conflict of Interest Statement and Ethical Guidelines; and
 - (C) 04AD003E, Request for Background Check;
- (2) completes the two-day ombudsman volunteer training program to be designated by Program staff;
- (3) accepts supervision by the ombudsman supervisor;
- (4) respects privacy and confidentiality.
 - (A) The volunteer does not disclose information regarding any complainants or participant's name, condition, or situation, except to the ombudsman supervisor or State Long-Term Care Ombudsman (Office) staff, without the written permission of the complainant, participant, or legal representative.
 - (B) Supervisory approval is secured before any information is released;
- (5) visits weekly with residents in the assigned facility;
- (6) attends monthly ombudsman volunteer meetings for continuing education, program updates, and group supervision;
- (7) submits monthly reports to the ombudsman supervisor;
- (8) wears the badge issued by the designated entity ombudsman supervisor when visiting the facility or attending functions as an ombudsman volunteer;
- (9) is available to the facility residents, hears their concerns, and assists them with, and follows-up on problem-solving;
- (10) meets with the facility administrator to establish and maintain a cooperative working relationship;
- (11) is familiar with facility policies and procedures established for its operation;
- (12) is designated as an ombudsman volunteer, limited to the facility named in the designation letter, unless authorized in advance by the Ombudsman;
- (13) is clear in understanding the ombudsman volunteer role on behalf of the residents; and
- (14) does not perform direct care services, such as lifting, feeding, or transporting residents.

340:105-11-249. Area Agency on Aging ombudsman supervisor I

(a) **Definition.** Under the program supervision of the Office of the State Long-Term Care Ombudsman and the general direction of the director of an Area Agency on Aging, the ombudsman supervisor I provides leadership in development, coordination, and implementation of the Long-Term Care Ombudsman Program and receives, investigates, and resolves complaints made by or on behalf of residents of long-term care facilities.

(b) **Examples of duties.** Examples of duties include:

- (1) recruiting, screening, training, and supervising ombudsman volunteers using guidelines provided by state ombudsman staff;
- (2) publicizing the services of the State Long-Term Care Ombudsman Program and issues affecting older residents of long-term care facilities through media releases, public speaking, and other means;
- (3) coordinating with state ombudsman staff in complaint investigation and resolution, identification of priority issues, and certification of new ombudsman volunteers;
- (4) maintaining confidentiality of files and other information pertaining to complaints and complainants;
- (5) keeping the director of the designated area ombudsman entity informed of the current situation and needs at the local level, recommending plans for meeting needs, and advising the director of resources required for their implementation;
- (6) being available to residents of long-term care facilities in the planning and service areas (PSA), visiting each facility regularly, and working cooperatively with administrators and staff; and
- (7) serving as a consultant to community organizations and agencies on issues and needs affecting older long-term care facility residents, techniques of working with these older people, and the solution of special problems.

(c) **Education and experience.** The required education and experience is graduation from an accredited four-year college or university with major course work in social work, gerontology, sociology, general social sciences, or a related field including, but not limited to, health care. Any ombudsman employed as an ombudsman supervisor I prior to this effective date is deemed as eligible for the position.

(d) **Salary range.** The comparable job family descriptor for this position is Adult Protective Services Specialist, #H26A. A person in this position may not be hired at a salary more than the midpoint, nor paid more than the maximum of the approved salary range. For the purpose of determining annual salary longevity pay is not considered.

340:105-11-250. Area Agency on Aging ombudsman supervisor II

(a) **Definition.** Under the program supervision of the Office of the State Long-Term Care Ombudsman and the general direction of the director of an Area Agency on Aging, the ombudsman supervisor II provides leadership in development, coordination, and implementation of the Long-Term Care Ombudsman Program and receives, investigates, and resolves complaints made by, or on behalf of, residents of long-term care facilities.

(b) **Examples of duties.** Examples of duties include:

- (1) recruiting, screening, training, and supervising ombudsman volunteers using guidelines provided by state ombudsman staff;
- (2) publicizing the services of the State Long-Term Care Ombudsman Program and issues affecting older residents of long-term care facilities through media releases, public speaking, and other means;
- (3) coordinating with state ombudsman staff in complaint investigation and resolution, identification of priority issues, and certification of new ombudsman volunteers;
- (4) maintaining confidentiality of files and other information pertaining to complaints and complainants;
- (5) keeping the director of the designated area ombudsman entity informed of the current situation and needs at the local level, recommending plans for meeting needs, and advising the director of resources required for their implementation;
- (6) being available to residents of long-term care facilities in the planning and service areas (PSA), visiting each facility regularly, and working cooperatively with administrators and staff; and
- (7) serving as a consultant to community organizations and agencies on issues and needs affecting older long-term care facility residents, techniques of working with these older people, and the solution of special problems.

(c) **Education and experience.** The required education and experience is:

- (1) graduation from an accredited four year college or university with major course work in social work, health, gerontology, general social sciences, or related field and one year of fulltime ombudsman or other applicable advocacy experience; or
- (2) after one year of employment, an ombudsman supervisor I may promote to a level II position.

(d) Salary range. The comparable job family descriptor for this position is an Adult Protective Services Specialist, #H26B. A person in this position may not be hired at a salary more than the midpoint nor paid more than the maximum of the approved salary range. For the purpose of determining annual salary longevity pay is not considered.

340:105-11-251. Screening criteria for ombudsman

(a) Criteria for subjective screening of potential ombudsman staff and volunteers is reviewed in addition to standard education and work experience questions.

(b) Persons who are not eligible for ombudsman volunteer designation include any individual who:

- (1) was terminated from employment in a facility where he or she wants to volunteer;
- (2) is a relative of a current employee of the facility where he or she wants to volunteer;
- (3) lacks the ability to be objective or hold confidences;

(4) is a current employee or has any financial interest in a facility where he or she wants to volunteer. The person may volunteer in another facility located in a separate planning and services area;

(5) is a paid sitter, private duty nurse or aide in the facility where the person wants to volunteer. If a competitive facility is chosen, the placement is accepted by the chosen facility;

(6) is involved in a pending law suit against a facility, until the legal process is completed and acceptance of the person as a volunteer is made by the selected facility administrator;

(7) stands to gain financially through an action or potential action brought on behalf of persons the State Long-Term Care Ombudsman Program serves; or

(8) was determined to be ineligible by the Oklahoma State Department of Health National Fingerprint Background Check Program.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-252. Conflict of interest statement and ethical guidelines

(a) The Older Americans Act of 1965, as Amended, requires assurances that there are no conflicts of interest within the State Long-Term Care Ombudsman Program. Mechanisms to identify and remedy any conflicts are mandated. State Long-Term Care (Office) staff and volunteers study the rules in this Section and sign Form 02OM001E, Conflict of Interest Statement and Ethical Guidelines, when able to provide assurances and meet ethical guidelines. The designated ombudsman:

- (1) and any member of the ombudsman's immediate family may not own, operate, control, or have interest, voting rights, or outstanding indebtedness to or be employed by any company or facility or person investigated by the ombudsman;
- (2) may not solicit or accept from any person or organization, directly or indirectly, money or anything of value if it could reasonably be expected to influence the ombudsman's official actions or judgment or could reasonably be considered a reward for any official action or omission on the part of the ombudsman;
- (3) who is assigned or acts as an official representative of a designated entity in the presentation of papers, talks, demonstrations, or making appearances does not solicit or accept fees, honoraria, or reimbursement of expenses for personal gain. Any fees or honoraria offered in connection with these activities are paid to the designated entity;
- (4) is alert to anything that impairs ability to objectively investigate complaints. The ombudsman avoids conflict of interest in the establishment of personal relationships that affect impartiality on the job;
- (5) may be involved in serving as an officer or board member of a social, fraternal, or religious organization for which the ombudsman receives no compensation or anything of value, provided the organization is not affected by exercise of the

ombudsman's discretion;

(6) may not use or disclose information gained in the course of, or by reason of, the ombudsman's official position or activities in any way without the express consent of the resident or complainant;

(7) discloses all past and current appointments, involvement, membership, or interest that affect or could reasonably be expected to affect the ombudsman's ability to investigate and resolve complaints in an objective and independent manner;

(8) may not effectively recommend or decide to hire or promote another person who is a member of the ombudsman's immediate family;

(9) may not give preferential or favorable treatment in provision of service to a resident who is a member of the ombudsman's family;

(10) may not serve as guardian, conservator, or in another fiduciary or surrogate decision-making capacity for a resident of a long-term care facility where he or she is assigned or investigates complaints;

(11) may not be assigned, investigate complaints, or serve residents of a facility in where his or her immediate family member resides; and

(12) may not conduct business in restaurants or other public places where a public observer might reasonably conclude that confidences could be breached due to lack of privacy.

(b) In no circumstance will the Oklahoma Department of Human Services or a local ombudsman entity appoint or employ an individual, nor will the State Long-Term Care Ombudsman designate an individual as an Office representative who:

(1) has direct involvement in the licensing or certification of a long-term care facility;

(2) has an ownership or investment interest represented by equity, debt, or other financial relationship in a long-term care facility. Divestment within a reasonable period may be considered an adequate remedy to this conflict;

(3) receives, directly or indirectly, remuneration in cash or in kind under a compensation arrangement with an owner or operator of a long-term care facility; or

(4) is employed by or participating in the management of a long-term care facility.

(c) Any entity that appoints or employs Office representatives make efforts to avoid appointing or employing an individual as an Office representative who was employed by or participating in the management of a long-term care facility within the previous 12 months. Where such an individual is appointed or employed, steps are taken to remedy the conflict.

[Source: Added at 9 Ok Reg 2431, eff 6-25-92 ; Amended at 19 Ok Reg 1170, eff 5-13-02 ; Amended at 23 Ok Reg 1062, eff 7-15-06 ; Amended at 24 Ok Reg 1325, eff 6-1-07 ; Amended at 34 Ok Reg 1624, eff 9-15-17]

340:105-11-253. Freedom from conflict of interest assurances

The Older Americans Act as amended requires assurances of freedom from conflict of interest for the officially designated area program as a subdivision of the Office of the State Long-Term Care Ombudsman (Office). Directors of designated area ombudsman entities and sponsoring agency directors are asked to read, review with staff and sponsors, and sign Form 02OM002E, Area Ombudsman Assurance Form, if assurances can be provided as described in this Section.

- (1) Assurance is provided that the agency:
 - (A) is not a part of an entity responsible for licensing or certifying long-term care facilities, or part of a provider organization;
 - (B) does not hold interest in, manage, own, or contract with a long-term care facility;
 - (C) does not stand to gain financially through an action or potential action brought on behalf of persons the ombudsman serves; and
 - (D) is not located within an organization that may impair or inhibit the ability of the ombudsman to objectively and independently investigate and resolve complaints.
- (2) Assurance is provided that the ombudsman will be free to:
 - (A) take action on behalf of residents;
 - (B) publicly represent the concerns of residents;
 - (C) bring together persons who have the authority to solve problems;
 - (D) make recommendations to boards, committees, and task forces in developing long-term care policy, or similar situations;
 - (E) forward unresolved formal complaints to the Office according to program policy; and
 - (F) publicize the State Long-Term Care Ombudsman Program and issues affecting older persons who are institutionalized.
- (3) There are inherent conflicts in the role of the ombudsman. The agency supports the role and goals of the State Long-Term Care Ombudsman Program and the ombudsman staff through any conflict associated with their official duties.

340:105-11-255. Office of the State Long-Term Care (Office) ombudsman staff and volunteer training

- (a) **Paid ombudsman staff training curriculum.** New ombudsman staff training includes 90 hours of introductory education in:
 - (1) the Long-Term Care Ombudsman Program (Program);

- (2) Program policies and procedures;
- (3) the complaint investigation and response system;
- (4) the long-term care regulatory system;
- (5) residents' rights;
- (6) characteristics of long-term care facilities and residents;
- (7) aging processes;
- (8) communication skills;
- (9) legal and ethical issues;
- (10) a visitation practicum;
- (11) mediation or negotiation skills;
- (12) community resources or services;
- (13) volunteer management;
- (14) reporting and record keeping;
- (15) adult abuse, neglect, and exploitation investigations; and
- (16) testing to determine an understanding of the curriculum.

(b) **Volunteer ombudsman training curriculum.** Ombudsman volunteer training includes 12 hours of introductory education in:

- (1) the Program;
- (2) the ombudsman volunteer role, including activities and responsibilities;
- (3) problem-solving and complaint investigation;
- (4) aging processes;
- (5) characteristics of long-term care facilities and residents;
- (6) communication and interviewing skills;
- (7) Oklahoma's Nursing Home Care Act, Residential Care Act, or Assisted Living Act, as appropriate;
- (8) residents' rights in long-term care facilities;
- (9) long-term care regulation;
- (10) confidentiality;
- (11) reporting and record keeping; and
- (12) a visitation practicum.

SUBCHAPTER 12. SENIOR COMMUNITY SERVICE EMPLOYMENT PROGRAM (SCSEP)

PART 1. INTRODUCTION

340:105-12-1. Purpose

This Subchapter provides Senior Community Service Employment Program (SCSEP) administration rules, per the Community Service Senior Opportunities Act (CSSOA), per Section 3056 et seq. of Title 42 of the United States Code (42 U.S.C. §§ 3056, et seq.; and Public Law 114-144, Part 641 of Title 20 of the Code of Federal Regulations operating under Title V of the Older Americans Act. The Governor designated Oklahoma Human Services Aging Services (AS) in July 2014, to

administrator SCSEP. The rules in this Subchapter outline operating policy for each level of the program including AS and sub-grantees.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-2. Background

The Older American Act was passed by Congress in 1965 to provide assistance to states in the development of comprehensive coordinated systems of services to older persons. The Senior Community Service Employment Program (SCSEP) is the only federally-sponsored employment and training program targeted specifically to low-income older individuals who want to enter or re-enter the workforce. SCSEP was established to foster individual economic self-sufficiency and promote useful opportunities in community services activities for unemployed, low-income persons who are 55 years of age and older, particularly persons who have poor employment prospects, and to increase the number of persons who may enjoy the benefits of unsubsidized employment in both the public and not-for-profit sectors.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-3. Definitions

The following words and terms, when used in this Subchapter, shall have the following meanings as applicable to the Senior Community Service Employment Program (SCSEP), per Section 641.140 of Title 20 of the Code of Federal Regulations (20 C.F.R. § 641.140), unless the context clearly indicates otherwise:

"Additional indicators" means retention in unsubsidized employment for one year; participant satisfaction, employers, and host agencies per the services provided; and other indicators of performance that the United States (U.S.) Department of Labor (DOL) Secretary (Secretary) determines appropriate to evaluate services and performance, per Section 513(b)(2) of the Older Americans Act (OAA § 513(b)(2)).

"At risk for homelessness" means an individual is likely to become homeless and he or she lacks the resources and support networks needed to obtain housing.

"Authorized position level" means the number of SCSEP enrollment opportunities that can be supported for a 12-month period based on the average national unit cost. The authorized position level is derived by dividing the total amount of funds appropriated for a program year by the national average unit cost per participant for that program year as determined by the United States (U.S.) Department of Labor (DOL). The national average unit cost includes all costs of administration, other participant costs, and participant wage and benefit costs as defined in OAA § 506(g).

"Co-enrollment" means any individual who meets the qualifications for SCSEP participation and is also enrolled as a participant in Workforce Innovation and Opportunity Act (WIOA) or another employment and training program, as provided in the Individual

Employment Plan.

"Community service" means:

- (A) social, health, welfare, and educational services including literacy tutoring, legal and other counseling services and assistance, including tax counseling and assistance and financial counseling, and library, recreational, and other similar services;
- (B) conservation, maintenance, or restoration of natural resources;
- (C) community betterment or beautification;
- (D) antipollution and environmental quality efforts;
- (E) weatherization activities;
- (F) economic development; and
- (G) other such services essential and necessary to the community as the Secretary determines by rule to be appropriate.

"Community service assignment" means part-time, temporary employment paid with grant funds in projects at host agencies through which eligible individuals are engaged in community service and receive work experience and job skills that can lead to unsubsidized employment.

"Core indicators" means hours, in the aggregate, of community service employment; entry into unsubsidized employment; retention in unsubsidized employment for six months; earnings; the number of eligible individuals served; and most-in-need.

"Core services" means services described in Section 134(d)(2) of the Workforce Innovation and Opportunity Act (WIOA).

"Department" or **"DOL"** means the U.S. Department of Labor, including its agencies and organizational units.

"Disability" means a disability attributable to a mental or physical impairment, or a combination of mental and physical impairments that results in substantial functional limitations in one or more areas of major life activity, per Section 3002(13) of Title 42 of the United States Code (42 U.S.C. § 3002(13)) The areas are:

- (A) self-care;
- (B) receptive and expressive language;
- (C) learning;
- (D) mobility;
- (E) self-direction;
- (F) capacity for independent living;
- (G) economic self-sufficiency;
- (H) cognitive functioning; and
- (I) emotional adjustment.

"Equitable distribution report" means a report based on the latest available Census or other reliable data that lists the optimum number of participant positions in each designated area in the state, and the number of authorized participant positions each sub-grantee serves in that area, taking into account the needs of underserved counties and incorporated cities as necessary. This report provides a basis for improving the distribution of SCSEP positions.

"Frail" means an individual 55 years of age and older who is determined to be functionally impaired because he or she is unable to

perform at least two activities of daily living without substantial human assistance, including verbal reminding, physical cueing, or supervision; or at the option of the State, is unable to perform at least three such activities without such assistance; or due to a cognitive or other mental impairment, requires substantial supervision because the individual behaves in a manner that poses a serious health or safety hazard to the individual or to another individual.

"Grant period," "project period," or "award period" means the time period between the effective date of the grant award and the ending date of the award, including any modifications extending the period of performance, whether by the DOL's exercise of options contained in the grant agreement or otherwise.

"Greatest economic need" means the need resulting from an income level at or below the poverty guidelines established by the U.S. Department of Health and Human Services and approved by the Office of Management and Budget (OMB).

"Greatest social need" means the need caused by non-economic factors that include physical and mental disabilities; language barriers; and cultural, social, or geographical isolation, including isolation caused by racial or ethnic status, which restricts the ability of an individual to perform normal daily tasks or threatens the capacity of the individual to live independently.

"Homeless" means, per 42 U.S.C. § 11302(a), an individual who lacks a fixed, regular, and adequate nighttime residence; and an individual who has a primary nighttime residence that is

(A) a supervised publicly or privately operated shelter designed to provide temporary living accommodations, including welfare hotels, congregate shelters, and transitional housing for the mentally ill;

(B) an institution that provides a temporary residence for individuals intended to be institutionalized; or

(C) a public or private place not designed for, or ordinarily used as, regular sleeping accommodations for human beings.

"Host agency" means a public agency or a private nonprofit organization exempt from taxation under 501(c)(3) of the Internal Revenue Code of 1986 that provides a training work site and supervision for one or more participants. Political parties cannot be host agencies. A host agency may be a religious organization as long as the projects in which participants are trained do not involve the construction, operation, or maintenance of any facility used, or to be used, as a place for sectarian religious instruction or worship.

"Individual employment plan (IEP)" means a plan for a participant based on his or her job assessment conducted by the sub-grantee or sub-recipient, or a recent assessment or plan developed by another employment and training program, and a related service strategy.

"Intensive services" means services authorized by Section 134(d)(3) of the Workforce Investment Act (WIA § 134(d)(3)).

"Jobs for Veterans Act" means Public Law 107-288 (2002). Section 2(a) of the Jobs for Veterans Act, codified at 38 U.S.C. § 4215(a),

provides a priority of service DOL employment and training programs for veterans, and certain spouses of veterans, who otherwise meet the eligibility requirements for participation. Priority is extended to veterans. Priority is also extended to the spouse of a veteran who died of a service-connected disability; the spouse of a member of the Armed Forces on active duty who has been listed for a total of more than 90-calendar days as missing in action, captured in the line of duty by a hostile force, or forcibly detained by a foreign government or power; the spouse of any veteran who has a total disability resulting from a service connected disability; and the spouse of any veteran who died while a disability was in existence, per 20 C.F.R. § 641.520(b).

"Job ready" means individuals who do not require further education or training to perform work that is available in their labor market.

"Limited English proficiency" means individuals who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English.

"Local Board" means a Local Workforce Investment Board established, per WIA § 117.

"Local Workforce Investment Area" or **"local area"** means an area designated by the Governor of Oklahoma, per WIA § 116.

"Low employment prospects" means the likelihood that an individual will not obtain employment without the assistance of SCSEP or another workforce development program. Persons with low employment prospects have a significant barrier to employment. Significant barriers to employment may include, but are not limited to, lacking a substantial employment history, basic skills, or English-language proficiency; lacking a high school diploma or the equivalent; having a disability; being homeless; or residing in socially and economically, isolated rural or urban areas where employment opportunities are limited.

"Low literacy skills" means the individual computes or solves problems, reads, writes, or speaks at or below the eighth grade level or is unable to compute or solve problems, read, write, or speak at a level necessary to function on the job, in the individual's family, or in society.

"Most-in-need" means participants with one or more of the characteristics in (A) through (M). Participants who:

- (A) have a severe disability;
- (B) are frail;
- (C) are 75 years of age and older;
- (D) are age-eligible, but are not receiving benefits under Title II of the Social Security Act;
- (E) reside in an area with persistent unemployment and have severely limited employment prospects;
- (F) have limited English proficiency;
- (G) have low literacy skills;
- (H) have a disability;
- (I) reside in a rural area;
- (J) are veterans;
- (K) have low employment prospects;
- (L) have failed to find employment after using services provided per Title I of the WIOA of 2016, per 29 U.S.C. §

2801 et seq.; or

(M) are homeless or at risk for homelessness, per OAA § 513(b)(1)(E).

"National sub-grantee" means a public or non-profit private agency or organization, or Tribal organization, that receives a grant, per Title V of the OAA 42 U.S.C. § 3056 et seq. to administer a SCSEP project, per OAA § 506(g)(5).

"Native American" means a person who is a member of a Native American tribe.

"Native American tribe" means any tribe, band, nation, or other organized group or community of Native Americans, including an Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, 43 U.S.C. §§1601 et seq., per 42 U.S.C. § 3002(27) that is:

- (A) recognized as eligible for the special programs and services provided by the United States to Native Americans because of their status as Native Americans; or
- (B) located on, or in proximity to, a Federal or State reservation or rancheria.

"OAA" means the Older Americans Act, 42 U.S.C. §§ 3001 et seq., as amended.

"One-Stop Center" means the One-Stop Center system in a WIOA local area that must include a comprehensive One-Stop Center through which One-Stop partners provide applicable core services and provides access to other programs and services carried out by the One-Stop partners, per WIOA § 134(c)(2).

"One-Stop delivery system" means a system under which employment and training programs, services, and activities are available through a network of eligible One-Stop partners, ensuring information about, and access to, core services is available regardless of where the individuals initially enter the workforce investment system, per WIOA § 134(c)(2).

"One-Stop partner" means an entity described in the WIOA § 121(b)(1), such as required partners, or an entity described in WIOA § 121(b)(2).

"Other participant (enrollee) costs" means the costs of participant training, including the payment of reasonable costs to instructors, classroom rental, training supplies, materials, equipment, and tuition, that may be provided before or during a community service assignment, in a classroom setting, or under other appropriate arrangements; job placement assistance, including job development and job search assistance; participant supportive services to enable a participant to successfully participate in a project, including the payment of reasonable costs of transportation, health care and medical services, special job-related or personal counseling, incidentals, such as work shoes, badges, uniforms, eyeglasses, and tools, child and adult care, temporary shelter, and follow-up services; and outreach, recruitment and selection, intake orientation, and assessments, per OAA § 502(c)(6)(A)(ii)-(v).

"Pacific Island Americans and Asian Americans" means Americans having origins in any of the original peoples of the Far East,

Southeast Asia, the Indian Subcontinent, or the Pacific Islands, per OAA § 518(a)(5).

"Participant" means an individual who is determined to be eligible for SCSEP, is given a community service assignment, and is receiving any service funded by the program.

"Persistent unemployment" means the annual average unemployment rate for a county or city is more than 20 percent higher than the national average for two out of the last three years.

"Poor employment prospects" means the significant likelihood that an individual will not obtain employment without the assistance of the SCSEP or another workforce development program. Persons with poor employment prospects have a significant barrier to employment; significant barriers to employment include, but are not limited to:

- (A) lacking a substantial employment history, basic skills, or English-language proficiency;
- (B) lacking a high school diploma or the equivalent;
- (C) having a disability;
- (D) being homeless; or
- (E) residing in socially and economically isolated rural or urban areas where employment opportunities are limited.

"Program operator" means a sub-grantee or sub-recipient that receives SCSEP funds from a SCSEP sub-grantee or a higher-tier SCSEP sub-recipient and performs the activities in (A) through (C) for all its participants. The activities are:

- (A) eligibility determination;
- (B) participant assessment; and
- (C) development of and placement into community service assignments.

"Program Year" means the one-year period beginning on July 1 and ending on June 30.

"Project" means an undertaking by a sub-grantee or sub-recipient in accordance with a grant or contract agreement that provides service to communities and training and employment opportunities to eligible individuals.

"Recipient" means sub-grantee. As used here, "recipient" includes "recipient" as defined in 2 C.F.R. § 200 (gg) and "sub-grantee" as defined in 2 C.F.R. § 200.

"Residence" means an individual's declared dwelling place or address as demonstrated by appropriate documentation.

"Rural" means an area not designated as a metropolitan statistical area by the Census Bureau; segments within metropolitan counties identified by codes 4 through 10 in the Rural Urban Commuting Area (RUCA) system; and RUCA codes 2 and 3 for census tracts that are larger than 400 square miles and have population density of less than 30 people per square mile.

"SCSEP" means the Senior Community Service Employment Program authorized under Title V of the OAA.

"Secretary" means the Secretary of the U.S. Department of Labor.

"Service area" means the geographic area served by a local SCSEP project in accordance with a grant agreement.

"Severe disability" means a severe, chronic disability attributable to mental or physical impairment, or a combination of mental and physical impairments, per 42 U.S.C. 3002(48):

(A) is likely to continue indefinitely; and
(B) results in substantial, functional limitation in three or more of the areas of major life activity in (i) through (vii) that are:

- (i) self-care;
- (ii) receptive and expressive language;
- (iii) learning;
- (iv) mobility;
- (v) self-direction;
- (vi) capacity for independent living; and
- (vii) economic self-sufficiency.

"Severely limited employment prospects" means the substantial likelihood that an individual will not obtain employment without the assistance of the SCSEP or another workforce development program. Persons with severely limited employment prospects have more than one significant barrier to employment; significant barriers to employment may include, but are not limited to:

- (A) lacking a substantial employment history, basic skills, and/or English-language proficiency;
- (B) lacking a high school diploma or the equivalent;
- (C) having a disability;
- (D) being homeless; or
- (E) residing in socially and economically isolated rural or urban areas where employment opportunities are limited.

"State sub-grantee" means the entity designated by the Governor, or the highest government official, to enter into a grant with the Department to administer a State or Territory SCSEP project under the OAA. Except as applied to funding distributions, per OAA §506, this definition applies to the 50 States, Puerto Rico, the District of Columbia, and Territories: Guam, American Samoa, U.S. Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

"State Plan" means a Plan that the Governor, or the highest government official, of a state must submit to the Secretary that outlines a four-year strategy, and describes the planning and implementation process, for the statewide provision of community service employment and other authorized activities for eligible individuals, per SCSEP, 20 C.F.R. § 641.300.

"Sub-grantee" means an entity receiving financial assistance directly from the Department to carry out SCSEP activities. The sub-grantee is the legal entity that receives the award and is legally responsible for carrying out the SCSEP, even if only a particular component of the entity is designated in the grant award document. Sub-grantees include public and nonprofit private agencies and organizations, state agencies, tribal organizations, and Territories, that receive SCSEP grants from the Department. As used here, "sub-grantee" includes "sub-grantee" as defined in 2 C.F.R. § 200 and "recipient" as defined in 2 C.F.R. § 200 (gg).

"Sub-recipient" means the legal entity to which a sub-award of financial assistance is made by the sub-grantee, or by a higher-tier sub-recipient, and that is accountable to the sub-grantee for the use of the funds provided. As used here, "sub-recipient" includes "sub-grantee" as defined in 2 C.F.R. § 200 and "sub-recipient" as defined in 2 C.F.R. § 200.

"Supportive services" means services, such as transportation, health and medical services, special job-related or personal counseling, incidentals, such as work shoes, badges, uniforms, eyeglasses, and tools, child and adult care, housing, including temporary shelter, follow up services, and needs-related payments, which are necessary to enable an individual to participate in activities authorized under the SCSEP OAA §§ 502(c)(6)(A)(iv) and 518(a)(7).

"Title V of the OAA" means 42 U.S.C. §§ 3056 et seq., as amended.

"Training services" means those services authorized by WIOA § 134(d)(4).

"Tribal organization" means the recognized governing body of any Native American tribe, or any legally established organization of Native Americans that is controlled, sanctioned, or chartered by such governing body 42 U.S.C. 3002(54).

"Unemployed" means an individual who is without a job and who wants and is available for work, including an individual who may have occasional employment that does not result in a constant source of income, per OAA § 518(a)(8).

"Veteran" means an individual who is a "covered person" for purposes of the Jobs for Veterans Act, per 38 U.S.C. 4215(a)(1).

"Workforce Innovation and Opportunity Act (WIOA)" means Workforce Innovation and Opportunity Act of 2014, Public Law 114-144 and WIOA 29 U.S.C. 3101 et seq.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

PART 2. STATE AGENCY

340:105-12-4. State plan

Oklahoma Human Services is required to have a State Plan in place. The Governor, or the highest designee, must submit a plan to the United States Department of Labor Secretary that outlines a four-year strategy, and describes the planning and implementation process for the statewide provision of community service employment and other authorized activities for eligible individuals, per Senior Community Service Employment Program Section 641.300 of the Older Americans Act.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-5. State Agency responsibilities

Oklahoma Human Services Aging Services is responsible under Title V Senior Community Service Employment Program (SCSEP) to:

- (1) develop and implement the state SCSEP plan with the assistance of sub-grantees and National SCSEP providers;
- (2) have an equitable distribution of authorized positions in the aggregate;
- (3) adhere to provisions set forth in the Older Americans Act and federal regulations promulgated under the Act;
- (4) enroll and serve minority, eligible participants in proportion to the minority eligible participants' numbers within the geographical jurisdiction of the program;
- (5) provide a sub-grantee with:
 - (A) technical assistance related to SCSEP;
 - (B) SCSEP information required to accomplish the sub-grantee's agreement responsibilities; and
 - (C) monthly SCSEP monitoring of programmatic and the financial systems and expenditures, including sub-recipients and local project operators on a regular basis to ensure compliance with cost allocations as specified in the regulations;
- (6) monitor the performance of the sub-grantees for compliance with the terms, conditions, and performance criteria included within the sub-grantee agreement, such as accurate and timely financial reports, and maintaining all requirements for customer and employee satisfaction surveys;
- (7) submit required SCSEP narrative reports quarterly to the United States (U.S.) Department of Labor (DOL);
- (8) review performance measures on a quarterly basis and relay that information to sub-recipient;
- (9) allocate SCSEP funds to a sub-recipient; and
- (10) monitor the sub-recipient:
 - (A) for use of the allocated funds; and
 - (B) to ensure the non-federal share of total SCSEP costs are used for in-kind services at a fair market value to services and facilities contributed; and
- (11) to adhere to performance measures and indicators as determined annually by the U.S. DOL;
- (12) to collaborate with all authorized grantees with minimal disruption to participants;
- (13) to select sub-grantees giving consideration to areas with a substantial population of individuals with barriers to employment. Special consideration is given to organizations with demonstrated expertise in serving individuals with barriers to employment, including former recipients of national grants; and
- (14) corrective action and follow-up procedures for sub-recipients and local project operators to remedy identified problems.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-6. Contract withdrawal

(a) Oklahoma Department of Human Services (OKDHS) terminates the contract in whole or in part for convenience when it is OKDHS' best

interest. OKDHS terminates the contract by delivering to the contractor, a Notice of Termination for Convenience, specifying the terms and effective date of contract termination. The contract termination date is a minimum of 30-calendar days from the date OKDHS issues the Notice of Termination for Convenience.

(b) The sub-grantee may terminate the contract for default or other just cause with a 30-calendar day written request. OKDHS may terminate the contract for default or any other just cause upon written notification to the contractor.

(c) Notice of termination must be in writing, and electronic notification is sufficient.

(d) When the contract is terminated, OKDHS is liable only for products and services delivered and accepted and for costs and expenses, exclusive of profit, reasonably incurred prior to the date upon which the notice was received.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-7. Coordination and resource development

Oklahoma Human Services and sub-grantees collaborate with other organizations to maximize opportunities for participants to obtain workforce development, education, and supportive services to help them move into unsubsidized employment. These organizations may include, but are not limited to, workforce investment boards, American Job Centers (One-Stop Centers), vocational rehabilitation providers, disability networks, basic education and literacy providers, and community colleges.

PART 3. PROGRAM STANDARDS FOR SERVICES FUNDED UNDER TITLE V - SENIOR COMMUNITY SERVICE EMPLOYMENT PROGRAM OF THE OLDER AMERICANS ACT

340:105-12-8. Participant

An individual is determined to be eligible for the program after being assessed by Senior Community Service Employment Program staff and assigned to a community service assignment to receive services funding and legally filling an authorized position.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-9. Program eligibility and data validation

To be eligible for Senior Community Service Employment Program (SCSEP) the following criteria is met and documentation is kept in the participant's paper case file.

(1) Applicants must be 55 years of age and older at the time of enrollment. Age is calculated from the eligibility-determination date. Acceptable documentation to prove age is:

- (A) a driver license;
- (B) a federal, state, or local government identification card;
- (C) a hospital record of birth;
- (D) a birth certificate;
- (E) a passport;
- (F) school records or an identification (ID) card;
- (G) Form DD-214, Report of Separation or Discharge Paper;
- (H) tribal records;
- (I) a baptismal record;
- (J) a work permit;
- (K) a cross-match with Oklahoma Department of Vital Statistics;
- (L) public assistance or social services records; or
- (M) a Social Security award letter;

(2) Applicants must be Oklahoma residents.

(A) Residence is defined as an individual's declared dwelling place or address as demonstrated by appropriate documentation. No minimum length of residence is required.

(B) A homeless individual is considered a resident of the state in which she or he is applying.

(C) Residents of other states may be accepted if there is an approved multi-state agreement.

(D) Documentation of residence is required. Residence is verified based on any of the documents in (i) through (xi).

The documents are:

- (i) a lease or rental agreement;
- (ii) an approved cross-border of multi-state agreements;
- (iii) a state, federal, or tribal ID card;
- (iv) a driver license;
- (v) a home utility bill or other billing statement, such as a cell phone bill providing documentation of residence or mailing address, when different than the address on a license or ID;
- (vi) a document from a public or private institution, such as an independent-living housing, community-based residential facility, or assisted living, or from the Housing Authority;
- (vii) an official government, mail dated within the last 30-calendar days;
- (viii) Social Security statement;
- (ix) bank statement;
- (x) homeowners or rental insurance policy or statement; or
- (xi) voter registration card.

- (3) Applicants must be legally eligible to work in the United States (U.S.).
 - (A) U.S. citizenship is not a requirement for enrollment; however, an Employment Eligibility Verification Form (I-9) is required by law for all citizens and non-citizens.
 - (B) Documentation of eligibility to work is required.
- (4) Applicants must be currently unemployed.
 - (A) An individual may be considered unemployed when without a job, when he or she wants and is available for work, including an individual who may have occasional employment that does not result in a constant source of income.
 - (B) Documentation of the individual's unemployed status is required.
 - (C) Unemployment is verified based on self-attestation documentation.
- (5) Applicants must meet revised income inclusions and exclusions for determining eligibility.
- (6) Recertification of income eligibility of each individual is at least once every 12 months, or more frequently when circumstances warrant.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-10. Applicant recruitment and selection process

Sub-grantees:

- (1) develop and implement methods to recruit and select eligible participants to ensure maximum participation in the program;
- (2) use income definitions and income inclusions and exclusions for Senior Community Service Employment Program (SCSEP) eligibility to determine and document participant eligibility;
- (3) develop and implement methods to recruit minority populations to ensure at least proportional representation in assigned service areas; and
- (4) develop and implement strategies to recruit applicants who have priority of service as defined in OAA Section 518(b) (1)-(2) and by the Jobs for Veterans Act (JVA). Individuals with priority include those who:
 - (A) are covered persons in accordance with the JVA, covered persons who are SCSEP-eligible must receive services instead of or before non-covered persons;
 - (B) are 65 years of age and older;
 - (C) have a disability;
 - (D) have limited English proficiency;
 - (E) have low literacy skills;
 - (F) reside in a rural area;
 - (G) have low employment prospects;
 - (H) have failed to find employment after utilizing services provided through the One-Stop Delivery System; or
 - (I) are homeless or are at risk for homelessness.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-11. Senior Community Service Employment Program (SCSEP) orientation

- (a) Sub-grantees provide orientation for SCSEP host agencies and participants, including information regarding:
 - (1) project goals and objectives;
 - (2) participant rights and responsibilities;
 - (3) customer service agencies or host agencies;
 - (4) training opportunities;
 - (5) available supportive services; and
 - (6) availability of free physical examinations.
- (b) Sub-grantees must address the topics listed in (a)(1) - (5) and provide sufficient orientation to applicants and participants regarding:
 - (1) SCSEP goals and objectives;
 - (2) grantee and local project roles, policies, and procedures;
 - (3) documentation requirements;
 - (4) holiday and sick leave;
 - (5) assessment process;
 - (6) development and implementation of Individual Employment Plans;
 - (7) participant progress evaluation;

- (8) health and safety issues related to each participant's assignment;
- (9) supervisors and host agency roles;
- (10) maximum individual duration policy, including the possibility of a waiver, when applicable;
- (11) termination policy; and
- (12) grievance procedure.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-12. Assessment and Individual Employment Program (IEP)

The sub-grantee:

- (1) assesses participants at least twice per 12-month period;
- (2) uses assessment information to determine the most appropriate community service assignments (CSAs) for participants;
- (3) establishes an initial goal of unsubsidized employment for all participants;
- (4) updates the IEP at least as frequently as assessments occur, twice per 12-month period;
- (5) modifies the IEP as necessary to reflect other approaches to self-sufficiency when it becomes clear that unsubsidized employment is not feasible;
- (6) includes an IEP provision to transition to other services for participants who reach the individual durational limit or would not otherwise achieve unsubsidized employment;
- (7) rotates participants to a new host agency, or a different assignment within the host agency, based on a rotation policy approved by United States Department of Labor in the grant agreement and, only when an individualized determination concludes that the rotation is in the participant's best interest. Such rotation must further the acquisition of skills listed in the IEP; and
- (8) develops a system to transition participants to unsubsidized employment or other assistance before each participant's maximum enrollment duration expires.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-13. Participant wages

The sub-grantee provides participants with the highest applicable required federal, state, or local minimum wage for time spent in orientation, training, and community service assignments.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-14. Required participant benefits

The sub-grantee ensures rules and procedures are in place regarding benefits provided to participants. Sub-grantees:

- (1) provide the cost of physical examinations;
- (2) offer physical examinations to participants upon program entry, and each year thereafter, as a benefit of enrollment;
- (3) obtain a written waiver from each participant who declines a physical examination;
- (4) do not obtain a copy or use the results of the physical examination to establish eligibility or for any other purpose;
- (5) provide workers' compensation benefits equal to those provided by federal or state law;
- (6) cover unemployment compensation, when required by state law;
- (7) establish written policies relating to compensation for scheduled work hours during which the participant's host agency is closed for federal holidays, which are:
 - (A) New Year's Day;
 - (B) Dr. Martin Luther King, Jr. Day;
 - (C) President's Day;
 - (D) Memorial Day;
 - (E) Independence Day;
 - (F) Labor Day;
 - (G) Columbus Day;
 - (H) Veterans Day;
 - (I) Thanksgiving; and
 - (J) Christmas;
- (8) establish written policies relating to approved breaks in participation and any necessary administrative and sick leave that is not part of an accumulated sick leave program;
- (9) do not use grant funds to pay the cost of pension benefits, annual leave, accumulated sick leave, or bonuses; or
- (10) follow procedures for payroll and workers' compensation to include:
 - (A) making all required payments for participant payroll and pay workers' compensation premiums on a timely basis; and
 - (B) ensuring host agencies do not pay workers' compensation costs for participants.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-15. Prohibited participant benefits

Participants may not carry over allowable benefits or unused sick leave and holidays from one program year to the next.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-16. Participant leave of absence

(a) Participant leave of absence is not considered part of the durational limits of program participation when correctly entered into SCSEP Performance and Results QPR (SPARQ) unless otherwise notified by the United States Department of Labor (DOL).

(b) Leave of absence of any kind is unpaid leave unless otherwise notified by DOL.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-17. Workforce Innovation and Opportunity Act coordination

(a) A Memorandum of Understanding (MOU) and Infrastructure Agreement are established for each service area. The sub-grantee operating a Senior Community Service Employment Program (SCSEP) project in a local area is involved in the MOU negotiation with the Local Workforce Investment Board.

(b) MOU details the SCSEP sub-grantee's involvement in the One-Stop delivery system.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-18. Collaboration and leveraged resources

Collaboration with other organizations is essential to maximize opportunities for participants to obtain workforce development, education, and supportive services to help them move into unsubsidized employment. These organizations may include, but are not limited to, workforce investment boards, American Job Centers (One-Stop Centers), vocational rehabilitation providers, disability networks, basic education and literacy providers, and community colleges.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-19. Supportive services

Sub-grantees are responsible for supportive and follow-up services.

(1) **Supportive services.** Sub-grantees:

(A) provide supportive services, as needed, to help participants participate in their community service assignment and to obtain and retain unsubsidized employment; and

(B) establish criteria to assess the need for supportive services and to determine when participants will receive supportive services, including after obtaining, unsubsidized employment.

(2) **Follow-up.** To ensure continued successful employment and to verify mandated core performance measures, such as earnings and retention in unsubsidized employment for six months, SCSEP staff provides follow-up services within the first 180-calendar days of entry into unsubsidized employment. Staff:

(A) determines if the job is an appropriate match for the participant and the employer;

(B) maintains contact with the participant within the first 180-calendar days of entry into unsubsidized employment in order to verify retention in unsubsidized employment for six months;

(C) documents wages earned by at least one of the methods in (i) - (iii) that are:

- (i) a written statement from the employer;
 - (ii) pay stubs; or
 - (iii) detailed case notes indicating the name of the employer, the timeframe worked, and the wage;
- and

(D) may reconsider a participant for reenrollment when it is determined during the follow-up process that the former participant became unemployed.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-20. Customer Service Assignment (CSA) and host agencies

The sub-grantee:

- (1) bases the initial CSA on the assessment done at enrollment;
- (2) selects only designated 501(c)(3) organizations or public agencies as host agencies;
- (3) puts in place procedures to ensure adequate supervision of participants at host agencies;
- (4) ensures safe and healthy working conditions at CSA through annual monitoring;
- (5) ensures methods to recruit and develop new host agencies develop and implement methods for recruiting new host agencies and provides training options that enable participants to increase skill level and transition to unsubsidized employment; and
- (6) ensures maintenance of effort conditions when selecting a new host agency.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-21. Maintenance of effort

The sub-grantee ensures that Customer Service Assignments (CSA) do not reduce the number of employment opportunities or vacancies that would otherwise be available to individuals who are not Senior Community Service Employment Program participants. The sub-grantee specifically ensures that CSAs do not:

- (1) displace currently employed workers, including partial displacement, such as a reduction in non-overtime work, wages, or employment benefits;
- (2) impair existing contracts or result in the substitution of federal funds for other funds in connection with work that would otherwise be performed; or
- (3) assign, or continue to assign, a participant to perform the same work or substantially the same work, as that performed by an individual who is on layoff.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-22. Durational limits

(a) **Average project duration.** An average project duration of 27 months or less is maintained, unless Educational Training Administration (ETA) approves an extension to 36 months.

(b) **Individual durational limits.** Unless otherwise notified by the United States Department of Labor, participants are allowed to participate in the program for no longer than 48 consecutive or inconsecutive months, unless approved policy allows for an extension and the participant meets extension criteria.

(1) The individual durational limit of 48 months does not automatically entitle participants to remain in the program for the entire 48 months.

(2) Participants are notified of policy pertaining to the maximum duration requirement, including the possibility of an extension if applicable, at the time of enrollment and each year thereafter, and whenever ETA has approved a change of policy.

(3) Participants are terminated when reaching the 48-month durational limit and are provided a written 30-day notice prior to the program exit.

(4) Eligibility and other programmatic considerations, such as the participant's Individual Employment Program, are taken into account.

(5) Approved leave of absence does not count toward the aggregate limits for the average project durational limit, nor the individual durational limit. Participants do not receive pay during approved breaks.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-23. Performance data validation

Participant data is collected via the SCSEP Performance and Results QPR (SPARQ) system only for its respective service area to comply with the requirements of the Senior Community Service Employment Program (SCSEP) Data Collection and SCSEP Data Validation Handbooks. Participant paper case files and information entered into SPARQ are used to verify compliance with data validation.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-24. Right of return and reenrollment

Participants must meet eligibility criteria for reenrollment as required for initial enrollment, per Oklahoma Administrative Code 340:105-12-15.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-25. OKjobMatch.com and SCSEP Performance and Results QPR (SPARQ)

The United States Department of Labor requires the use of the SCSEP Performance and Results QPR (SPARQ) system. Data obtained from the SPARQ system is used to track program performance. Sub-grantees ensure all participant and program information is entered in SPARQ, updated on a regular basis, and all participants must be registered in OKjobMatch.com to assist with job search activities. SPARQ is utilized to track the average durational limit for the sub-grantee and individual durational limits reflected in the QPR and management reports. Approved leave of absences do not count toward the aggregate limits for both the project and the individual when properly entered into SPARQ.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-26. Case file documentation requirements

Sub-grantees maintain:

- (1) documentation of waivers of physical examinations by participants;
- (2) documentation of the provision of complaint procedures to participants;
- (3) documentation of eligibility determinations and recertification;
- (4) records of grievances and outcomes;
- (5) records required for data validation; and
- (6) documentation of monitoring reports for sub-grantees and host agencies.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

PART 4. FISCAL AND ADMINISTRATIVE POLICIES FOR TITLE V SUB-GRANTEES

340:105-12-27. Maintenance of files and privacy information

Sub-grantees are responsible for:

- (1) record retention and:
- (2) maintaining participant files for three-program years after the program year in which the participant received final follow-up activity;
- (3) ensuring that all participant records are securely stored by the grantee or sub-recipient and access is limited to appropriate staff in order to safeguard personal identifying information;
- (4) ensuring all participant medical records are securely stored separately by the grantee or sub-recipient from all other participant records and access is limited to authorized staff for authorized purposes;
- (5) establishing safeguards to preclude tampering with electronic media, such as personal identification numbers (PINs) and SCSEP Performance and Results QPR (SPARQ) logins;
- (6) ensuring that the Educational Training Administration and national office are immediately notified by the grantee in the

event of any potential security breach of PINs, whether electronic files, paper files, or equipment are involved; and
(7) complying with, and ensure that authorized users under its grant comply with, all SPARQ access and security rules.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-28. Data collection and reporting

The sub-grantee:

- (1) ensures the collection and reporting of all required data according to specified time schedules;
- (2) ensures the use of United States Department of Labor approved data collection forms and the SCSEP Performance and Results QPR (SPARQ) system;
- (3) ensures those capturing and recording data are familiar with the latest instructions for data collection, including Educational Training Administration issuances, such as Training and Educational Guidance Letters, Data Collection and Data Validation Handbooks, and the Older Worker Community of Practice;
- (4) ensures data is entered directly into the Web Data Collection System (WDCS)/SPARQ;
- (5) presents complete data files in the specified electronic format, as well as hard copy case files, to the grantee when the sub-grantee ceases to administer the program; and
- (6) enters complete data related to any participants acquired upon becoming sub-grantee, including participants who are in the follow-up period.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-29. Termination

- (a) The sub-grantee provides a 30-calendar day written notice for all terminations that states the reason for termination and informs the participants of grievance procedures and rights to appeal.
- (b) The participant can be involuntarily terminated for:
 - (1) fraud in providing eligibility information;
 - (2) the grantee or sub-recipient incorrectly determines a participant is eligible;
 - (3) ineligibility at recertification;
 - (4) reaching the individual durational limit and not qualify for an extension, when available;
 - (5) becoming employed, but not notifying the grantee or sub-recipient;
 - (6) refusing to accept a reasonable number of job offers or referrals, with no extenuating circumstances with approval from the United States Department of Labor (DOL); and
 - (7) cause with DOL approval.
- (c) The participant is given an opportunity to correct behavior or conduct, or failure to comply with the Individual Employment Program

requirements, except in cases involving serious harm or imminent threat to health, safety, or property. If at any point, the participant makes a positive effort or his or her lack of action is justified, corrective action is discontinued.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-30. Grievance procedures

(a) **General.** Senior Community Service Employment Program (SCSEP) sub-grantee employees, participants, and applicants are provided the opportunity to make complaints involving alleged violations of federal law or SCSEP operating procedures to the sub-grantee and Oklahoma Human Services (OKDHS) Community Living, Aging and Protective Services (CAP). SCSEP grievance policy is based on the principle that, when possible, complaints are resolved at the lowest level. This policy includes three components described as requirements of, and actions taken by:

- (1) CAP as the grantee;
- (2) sub-grantees; and
- (3) the United States (U.S.) Department of Labor (DOL).

(b) **Sub-grantee requirements and actions.** All sub-grantee employees, participants, and applicants are informed of their rights to file complaints directly with the sub-grantee and OKDHS CAP, and their appeal rights.

- (1) Sub-grantees have written grievance procedures, compliant with this policy, for complaint resolution that are used to resolve SCSEP employees, participants, and applicant grievances.
- (2) Procedures are consistently and fairly applied. Complaints are addressed timely.
- (3) Sub-grantee procedures provide a definition of grievance, specify any complaints that do not constitute a grievance under its procedures, and include an appeals process.
- (4) A copy of the grievance procedures is included in the participant handbook and receipt of these procedures is documented with the *Participant Handbook Acknowledgement*.
- (5) Sub-grantee grievance procedures include (A) and (B) of this paragraph.

(A) **Informal meeting.** The grievant is given an opportunity to meet with the SCSEP project coordinator, immediate supervisor, or other appropriate sub-grantee-designated personnel to present the grievance informally to resolve the problem. The grievant presents the complaint within 30-calendar days of the incident or occurrence.

- (i) An informal meeting is scheduled and conducted with the parties within 15-calendar days of receipt of the complaint. Proceedings are documented in writing and copies are submitted to both parties.
- (ii) A supervisor, coordinator, or designated personnel provides a written grievance response to

participants within 10-calendar days of the informal meeting.

(iii) The written response advises the grievant that if he or she is not satisfied with the informal meeting decision, he or she has the right to appeal it in writing to the sub-grantee's executive director within five calendar days.

(iv) The sub-grantee's executive director's contact information is provided to the grievant with the written response to the informal meeting.

(B) **Formal meeting.** When the informal meeting does not resolve the issue, a formal process is followed. The formal meeting must occur within 15-calendar days after the receipt of the grievant's written appeal.

(6) Procedure requirements for implementing this Section are that the:

(A) grievance is presented in writing to the sub-grantee's executive director. The sub-grantee documents the receipt of a written grievance. Copies of written statements relevant to the grievance are made available to both parties;

(B) sub-grantee's executive director, or a panel designated by the executive director, such as the board of directors, hear from representatives of each party. Minutes are made of the hearing;

(C) sub-grantee's executive director or grievance panel render a decision and submit it in writing to the parties involved within 15-calendar days of the formal meeting by certified mail;

(D) minutes, along with written statements and other documentation presented at the hearing, are maintained in the sub-grantee's files for at least five years after the final disposition of the grievance; and

(E) decision of the sub-grantee's executive director or panel may be appealed to CAP.

(c) **Time limit for resolution of sub-grantee level grievance resolution.** Sub-grantee level grievances are resolved within 60-calendar days of the sub-grantee receiving the complaint.

(d) **Filing grievances directly to OKDHS CAP and sub-grantee grievance resolution appeals to OKDHS CAP.** Grievances filed directly to OKDHS CAP or sub-grantee grievance resolution appeals are in accordance with OKDHS per Oklahoma Administrative Code 340:2-5-43 and 340:2-5-44.

(e) **U.S. DOL requirements and actions.** Grievants, who are dissatisfied with CAP grievance resolution and appeals process results, may appeal to DOL. Per Section 641.910(b) of Title 20 Part 641 of the Code of Federal Regulations, DOL does not review final determinations made under OKDHS CAP SCSEP grievance procedures, except to determine if procedures were followed or to review alleged federal law investigation violations other than those related to nondiscrimination requirements of Title VI of the Civil Rights Act of 1964; Rehabilitation Act

of 1974 § 504; Workforce Investment Act of 1998 § 188, or their implementing regulations. When a participant is not satisfied with the final grievance determination and the alleged violation does not relate to the Civil Rights Act, he or she may file an appeal within 30 days of the determination. Appeals are directed to Director, Division of National Programs, Tools & Technical Assistance, Employment and Training Administration, U.S. Department of Labor 200 Constitution Avenue NW, Washington DC 20210.

(f) Civil Rights Act or Rehabilitation Act questions or complaints.

Questions about, or complaints alleging a violation of, the administrative requirements of Title VI of the Civil Rights Act of 1964; the Rehabilitation Act of 1973 § 504; or their implementing regulations are directed or mailed to the Director, Civil Rights Center, U.S. Department of Labor, Room N-4123, 200 Constitution Avenue, NW., Washington, DC 20210.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21 ; Amended at 40 Ok Reg 1030, eff 9-15-23]

340:105-12-31. Optional United States Department of Labor (DOL) policy requests

(a) Grantees that wish to make optional requests must submit each request in a separate, clearly-titled document. To receive Employment and Training Administration (ETA) approval, requests must adhere to the statute and regulations and provide a substantive rationale such as improved program management, better service to participants, or least disruption possible to participants. DOL provides guidance in the most current Training and Employment Guidance Letter regarding instructions. Approvals for optional requests expire at the end of each program year, and grantees must submit a new request to exercise these options.

(b) Optional policy requests are made to DOL only by the grantee. Policy requests include, but are not limited to:

- (1) change 48-Month Individual Durational Limit (IDL) per Section 641.570(a)(3) of Title 20 of the Code of Federal Regulations (20 C.F.R. § 641.570(a)(3));
- (2) additional Funds for Participant Training and Supportive Services (ATSS) per Section 502(c)(6)(C) of the Older Americans Act;
- (3) increase in Administrative Cost Limitations per 20 C.F.R. § 641.870;
- (4) Rotational Policy per 20 C.F.R. § 641.575;
- (5) Cross-Border Agreements per 20 C.F.R. § 641.515(c); or
- (6) on the job experience.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:106-12-32. Required United States Department of Labor (DOL) forms

(a) Sub-grantees use DOL forms for the Senior Community Service Employment Program to include the:

- (1) Participant Handbook Acknowledgment;

- (2) Family Size Verification;
- (3) Family Income Worksheet;
- (3) Host Agency Agreement;
- (4) Host Agency Orientation; and
- (5) Job Search Activity Documentation.

(b) The DOL Participant Handbook or completion of forms do not constitute a contract or a guarantee to obtain work.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-33. Budget revisions for Title V sub-grantees

(a) **Policy.** The following budget revisions require grantor-agency approval by a revised notification of grant award (NGA). Revisions are:

- (1) a budget increase of more than 10 percent in any single-line, approved line item;
- (2) a change in the cost sharing ratio;
- (3) a change in the project period and budget year dates;
- (4) a change in the award recipient; and
- (5) any change in the personnel or equipment line items.

(b) **Authority.** The authority for this section is Part 641 of Title 42 of the Code of Federal Regulations.

(c) **Procedures.** The procedures for implementing this Section are:

- (1) the sub-grantee submits a proposed budget, with any of the outlined revisions listed in (a) of this Section, to the grantor-agency for approval;
- (2) if the revision is approved, the grantor-agency issues a revised NGA; and
- (3) the grantee-agency revises the budget as approved.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-34. Fiscal and project performance monitoring and reporting requirements

(a) **Data.** Accurate data is entered daily and submitted by the 15th of the month following the end of each quarter, (October 15th, January 15th, April 15th, and July 15th), to SCSEP Performance and Results QPR (SPARQ), as required. Those capturing and recording data must:

- (1) be familiar with the latest instructions for data collection, including the United States Department of Labor administrative issuances, such as Older Workers Bulletins, Training and Employment Guidance Letters, Data Collection Handbook, and internet postings;
- (2) safeguard personal identification numbers (PIN);
- (3) notify the Oklahoma grantee immediately in the event of any potential PIN security breach;
- (4) ensure users comply with all SPARQ access and security rules; and
- (5) turn over complete data files for DAIL and SCSEP databases (SPARQ), and hard copy case files, when the second party ceases to administer SCSEP.

(b) **Administration costs.** The sub-recipient's administration costs cannot exceed the approved level of administration funding for SCSEP funds received for a program year. Administrative costs are the allocable portion of necessary and reasonable allowable costs associated with performing general administrative and coordination functions, including:

- (1) accounting, budgeting, financial, and cash management;
- (2) procurement and purchasing;
- (3) property management;
- (4) payroll;
- (5) coordinating the resolution of findings arising from audits, reviews, investigations, and incident reports;
- (6) audit;
- (7) general legal services;
- (8) preparing administrative reports; and
- (9) other activities necessary for general administration.

(c) **Enrollee wage or fringe (EWF).** Sub-recipients must assign participants' wage and benefits costs to EWF. A minimum percentage of SCSEP funds must be used to pay for wages and benefits in accordance with federal guidelines. Failure to meet performance standards may lead to a disallowance in administration and other enrollee costs. EWF costs include, but are not limited to, the costs of:

- (1) participant wages, such benefits as are required by law, compensation for scheduled work hours during which a host agency is closed for a federal holiday, and necessary sick leave that is not part of an accumulated sick leave program; and
- (2) participant training, per Section 641.540 of Title 20 of the Code of Federal Regulations (20 C.F.R. § 641.540);

(d) **Other enrollee costs.** Sub-recipient's other enrollee costs may include the allocable portion of necessary and reasonable allowable costs associated with:

- (1) costs related to instructors, classroom rental, training supplies, materials, equipment, and tuition provided in a classroom setting or under other appropriate arrangements;
- (2) job placement assistance, including job development and job search assistance;
- (3) supportive services, including the reasonable costs of transportation, health care and medical services; special job-related or personal counseling; incidentals, such as work shoes, badges, uniforms, eyeglasses, and tools; child and adult care; temporary shelter; and follow-up service;
- (4) outreach;
- (5) recruitment and selection; and
- (6) intake orientation and assessment.

(e) **Match requirements.** Non-federal share is required and is cash or in-kind. Sub-recipients:

- (1) determine the non-federal share of costs per 29 C.F.R. § 97.24 for governmental units or 29 C.F.R. § 95.23 for nonprofit and commercial organizations;
- (2) follow the uniform allowable cost requirements that apply to their organization; and

(3) must meet all match requirements as specified in their sub-award.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

PART 5. SUB-GRANTEE RESPONSIBILITIES

340:105-12-35. Coordination and resource

Each sub-grantee is expected to work and collaborate with its local Workforce Innovation and Opportunity Act (WIOA) One Stop, and American Job Center (AJC) office and to further collaborate with local and regional providers for supportive services that may alleviate barriers to employment for participants.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-36. Equitable distribution

Sub-grantees must manage slot allotment within equitable distribution guidelines set by the United States Department of Labor, to the extent feasible, providing potential participants with equal access to the program. Over-enrollment must be managed to minimize impact on participants and avoid layoffs.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-37. Title V host agency monitoring and evaluation

(a) Prior to a host agency acting as a training site for participants, a host agency must understand and agree to:

- (1) bear the cost of any training materials, background checks, and required health screenings;
- (2) provide a safety orientation to all assigned participants;
- (3) inform the project office of any changes to a participant's work schedule or training responsibilities;
- (4) notify the project office if the participant's supervisor is paid with federal funds by checking the appropriate box on the host agency agreement;
- (5) consider qualified participants for permanent positions within the agency as they become available;
- (6) adhere to the sub-grantee's right to set participant training hours based on the available budget and other program considerations in the county where the participant is assigned; and
- (7) ensure participants are not unsupervised or left alone at any time.

(b) The sub-grantee is responsible to provide technical assistance and training when required by the grantee or requested by host agency, and to annually monitor each host agency for safety conditions, documenting findings in the host agency file.

[Source: Added at 38 Ok Reg 2337, eff 9-15-21]

340:105-12-38. National or state emergencies or mandates

(a) Sub-grantees are responsible for ensuring host agencies have disaster and emergency action plans in place.

(b) When, due to a national or state emergency or mandate and a change to the individual durational limit is directed, participants are eligible for continued program participation for the length of time specified by the mandate. When there is not an active host agency assignment available for the participant, he or she is entered into an unpaid approved break in participation until he or she is able to be placed in a paid training activity. The approved break in participation is not counted against the new durational limit. At the time a participant resumes active training, his or her additional participation count begins. Remaining eligibility is only calculated for time spent in the paid training or community service assignment. Participants are notified of the option for continued eligibility. If the participant opts for continued Senior Community Service Employment Program services, he or she is provided their 12-month transitional notice with their new eligibility expiration date.

(c) When the Department of Labor provides flexibilities regarding policy requirements, information will be conveyed to participants and sub-grantees as needed.

[**Source:** Amended at 10 Ok Reg 2369, eff 6-11-93 ; Amended at 11 Ok Reg 385, eff 10-15-93 (emergency); Amended at 11 Ok Reg 2773, eff 6-13-94 ; Amended at 13 Ok Reg 499, eff 11-14-95 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 14 Ok Reg 2174, eff 5-14-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 16 Ok Reg 2527, eff 7-1-99 ; Amended at 18 Ok Reg 2144, eff 6-11-01 ; Amended at 19 Ok Reg 221, eff 11-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 24 Ok Reg 1351, eff 7-1-07 ; Revoked at 40 Ok Reg 1033, eff 9-15-23]

340:110-1-4. Roles and responsibilities

(a) The staff members responsible for licensing child care facilities are under the supervision of Licensing Services within Oklahoma Child Care Services (OCCS). The licensing staff makes recommendations on all case actions to the licensing supervisor. The statewide licensing coordinator or designee is responsible for the final approval of all licensing recommendations.

(b) Official licensing records for child care programs are maintained in the licensing staff's office. These records are open to the public upon request and the procedures in 340:110-1-14 are followed.

(c) In addition to licensing child care facilities, licensing staff:

- (1) communicate with local fire and health officials within their assigned area regarding licensing policy, requirements, inspections, and other issues related to a specific facility or child care in general;
- (2) refer facilities to local city officials regarding local ordinances and related compliance;

- (3) assist parents in identifying child care options and providing information on choosing quality care;
- (4) facilitate or sponsor training for child care providers; and
- (5) promote the availability of quality, affordable child care within the licensing staff's assigned area.

(d) When possible, a licensing staff member is not assigned to the facility where the staff member's child is in care.

(e) All media requests for information regarding the licensing process, procedures, or case specific information are immediately forwarded to the licensing supervisor. The licensing supervisor forwards media contact information to the statewide licensing coordinator or designee, who provides the information to the Office of Communications per OAC 340:2-37-1.

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency amendatory action, the last effective permanent text of the Section is reinstated. Therefore, on 7-15-00 (after the 7-14-00 expiration of this emergency action), the text of 340:110-1-4 reverted back to the permanent text that became effective 7-1-99, as was last published in the 1999 OAC Supplement, and remained as such until amended again by permanent action on 6-11-01.*

340:110-1-6. Inquiries and request for license process

(a) **Inquiries.** Child care program, residential program, or child-placing agency license inquiries are referred to the appropriate Licensing staff. Licensing determines licensure necessity per, Oklahoma Child Care Facilities Licensing Act, Section 403 of Title 10 of the Oklahoma Statutes (10 O.S. § 403). Programs exempt from licensure may request licensure.

(b) **Licensing exemptions.** Program exemptions include (1) through (3) of this subsection.

(1) **Tribal reservation, Indian country, and federal facilities.**

Facilities located on tribal reservations or in Indian country and federal child care facilities not requiring a state license that may request licensure are:

- (A) on Indian tribal land;
- (B) licensed by a tribe, with a Child Care Services (CCS) cooperative Licensing agreement; and
- (C) operating on military bases or federal property.

(2) **In-home caregiver.** Adult and Family Services (AFS) Child Care Subsidy approves contracted child care when care is provided in the child's own home and no license is required.

(3) **Additional exemptions.** Programs not designed or intended for child care include:

- (A) programs operating less than 10 weeks annually;
- (B) summer programs operating less than eight hours per day;
- (C) programs serving children 3 years of age and older, offering elementary education in kindergarten through third grade;
- (D) summer youth camps, summer programs, or after-school programs for children who are at least 4 years of age, accredited by a national standard-setting agency or church camp accreditation program or are accredited by, chartered by, or affiliated with a national non-profit organization;
- (E) programs providing care and supervision for school-aged children only in a center-based program for 21 or fewer hours per week and located in a county with a population of less than 100,000, per the latest Federal Decennial Census;
- (F) programs where children are limited from enrolling in multiple sessions because of the type of activity or ages accepted;
- (G) programs where children are not enrolled by the parents and free to come and go;
- (H) child care facilities including family child care homes providing care and supervision for 15 or fewer hours per week;
- (I) sponsors operating two or more programs in the same building when each operates 15 hours or less per week; and

(J) programs where children attend on a drop-in basis and parents are on the premises and readily accessible.

(c) **Request for licensing information.** When the inquirer indicates an interest in becoming licensed or licensure is required, Licensing staff:

(1) documents the name, address, phone number, and type of care the program is providing or planning to provide; and

(2) provides the inquirer with:

(A) the applicable Licensing requirements;

(B) appropriate request for license packet; and

(C) referrals to other agencies involved in regulating child care facilities, such as the fire department, health department, and local city regulatory offices, when applicable;

(3) follows procedures in Oklahoma Administrative Code (OAC) 340:110-1-13 or 340:110-1-54.1, when the program is currently providing child care, residential care, or child-placing activity.

Licensing informs the inquirer not to provide child care, residential care, or child-placing activity without permission to operate from CCS, per (h) of this Section; and

(4) ascertains the inquirer's qualifications for program or agency operation.

(d) **Request for license.** When Form 07LC004E, Request for License - Child Care Program; or Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care, is received, Licensing staff:

(1) verifies Form 07LC004E or Form 07LC040E is complete;

(2) verifies proof of ownership is provided, per OKDHS Appendix L-7, Ownership Proof Chart; and

(3) when appropriate, issues a permit within 45-calendar days or completes Form 07LC080E, Licensing Services Supplemental Information, documenting timeframe extension circumstances.

(e) **Incomplete request for license.** An incomplete request for license is returned to the applicant.

(f) **Withdrawal of request for license.** When an applicant:

(1) requests to withdraw the request for license request prior to initial permit issuance, Licensing staff:

(A) documents the withdrawal request on Form 07LC080E, Licensing Services Supplemental Information;

(B) confirms no children or residents are in care or no child-placing activity is conducted; and

(C) may close the case, unless negative action is warranted; and

(2) has not had children or residents in care or no child-placing activity for more than 12 months, the applicant is requested to withdraw the request for license. When the applicant:

(A) agrees to withdraw the request, Licensing staff:

(i) documents this discussion on Form 07LC080E;

(ii) provides a letter confirming the discussion and notifying the applicant of request for license withdrawal; and

(iii) proceeds with case closure; or

(B) does not agree to withdraw the request, Licensing staff:

- (i) documents this discussion on Form 07LC080E;
- (ii) provides a letter notifying the applicant of case closure within 10-calendar days of receipt of letter; and
- (iii) proceeds with case closure.

(g) **Application monitoring visit.** Licensing staff conducts a monitoring visit to determine compliance with requirements. Licensing staff:

- (1) provides program consultation regarding quality care and quality rating and improvement (QRIS) criteria;
- (2) discusses Oklahoma Human Service (OKDHS) subsidy contract opportunities and documents that contract information was provided to the applicant, when applicable; and
- (3) issues a permit, per OAC 340:110-1-8 or 340:110-1-46, when applicable.

(h) **Permission to operate.** The program may be granted permission to operate on application status when the Licensing staff determines an applicant is temporarily unable to comply with all Licensing requirements, but the services are needed and the non-compliance does not place children or residents at risk of imminent harm.

- (1) These situations are discussed with the regional programs manager or programs manager.
- (2) Permission to operate cannot exceed 30-calendar days.
- (3) When permission to operate is or was not granted, phone contact is made every two months and documented on Form 07LC080E, Licensing Services Supplemental Information.

(i) **Primary caregiver and spouse license issuance.** When requested, a license may be issued to a primary caregiver and his or her spouse. References are obtained for both individuals, and both must demonstrate requirement compliance. A primary caregiver must be identified and meet all primary caregiver requirements.

(j) **Alternative residence.** Care may be provided in a location other than the primary caregiver's residence.

(k) **Reopening a family child care home.** When a family child care home was closed for less than 12 months and had a record of compliance prior to closure, Licensing staff obtains a new Form 07LC004E, Request for License - Child Care Program, and may recommend license issuance after one compliant monitoring visit. Previous references are utilized. Prior to license issuance, background investigations are conducted, per OAC 340:110-1-8.1.

(l) **Reopening a child care center, day camp, drop-in, out-of-school time, part-day program, or program for sick children.** When a program was closed and the same owner requests to reopen, a new Form 07LC004E, Request for License - Child Care Program, is completed.

- (1) Fire and health inspections completed within the last 12 months, are utilized unless concerns exist.
- (2) When the program was closed less than 12 months:
 - (A) previously obtained director references are utilized;
 - (B) background investigations are conducted, per OAC 340:110-1-8.1; and

(C) with a record of compliance prior to closure, Licensing staff may recommend license issuance after one compliant monitoring visit.

(m) **Reopening a residential program or child-placing agency.** When a residential program or child-placing agency was closed and the same owner requests to reopen, a new Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care, is completed.

(1) Fire and health inspections completed within the last 12 months, are utilized unless concerns exist.

(2) When the program was closed less than 12 months:

(A) background investigations are conducted, per OAC 340:110-1-8.1; and

(B) with a record of compliance prior to closure, the Licensing staff may recommend license issuance after one compliant monitoring visit.

(n) **Family child care homes approved to provide foster care.** A primary caregiver approved to provide foster care may be licensed as a family child care home. The primary caregiver cannot be licensed when approved for therapeutic foster care, per OAC 340:75-7-19. The approval for dual service is made by the Licensing supervisor prior to each child placement, based on the recommendation of Licensing staff and OKDHS foster care staff. Licensing staff completes Form 07LC099E, Dual Approval Request for Foster Care Placement. When a joint consensus is not achieved, either division may request a review by the dual approval committee for a final decision. The decision for approval is:

(1) based on the number, ages, and children's specific needs potentially eligible for child care and foster care and a written agreement from the primary caregiver stating the individual(s) from whom the child was removed will not be present during the child care hours;

(2) documented in the case record; and

(3) reviewed with the primary caregiver and foster care worker at least once every 12 months or when concerns exist.

340:110-1-8. Types of issuance

(a) **Six-month permit.** New child care centers, day camps, drop-ins, out-of-school time, part-day programs, programs for sick children, and family child care homes may be issued a six-month permit. The six-month permit provides Oklahoma Department of Human Services (DHS) Child Care Services (CCS) Licensing staff an opportunity to evaluate the program's compliance with Licensing requirements on an ongoing basis, and provides a basis to contract with DHS for child care subsidy, and receive Child and Adult Care Food Program reimbursement. The owner's Licensing compliance history is considered.

(1) Licensing staff may recommend a permit when the program is in compliance with Licensing requirements regarding:

- (A) completed criminal history review results for all required individuals;
- (B) number of qualified personnel;
- (C) professional development, including current cardio-pulmonary resuscitation (CPR) and first aid certifications;
- (D) hazards indoors or outdoors;
- (E) liability insurance coverage;
- (F) adequate equipment;
- (G) fencing and playground safety;
- (H) fire safety; and
- (I) other areas affecting children's safety.

(2) Licensing staff conducts a full-monitoring visit documenting compliance with Licensing requirements no more than 60-calendar days prior to six-month permit issuance.

(b) **Documentation for six-month permit.**

(1) **Child care centers, day camps, drop-ins, out-of-school time, part-day programs, and programs for sick children.**

Items required on file for six-month permit issuance, include:

- (A) completed Form 07LC004E, Request for License Child Care Program, and proof of ownership;
- (B) approved director credential verification and required master teachers, when applicable;
- (C) Form 07LC002E, Personnel Summary;
- (D) Form 07LC041E, Personnel Information, for each personnel;
- (E) Form 07LC057E, Physical Plant, including drawing and calculation;
- (F) adequate equipment for the recommended capacity;
- (G) fire department approval documentation within the previous 12 months;

(H) health approval documentation, within the previous 12 months, when meals are prepared and served; and
(I) all required background investigations documentation, per Oklahoma Administrative Code (OAC) 340:110-1-8.1, including completed criminal history review results for all required individuals.

(2) **Family child care homes.** The items required on file for a six-month permit issuance include:

(A) completed Form 07LC004E, Request for License Child Care Program, and proof of ownership;

(B) Form 07LC041E, Personnel Information, for primary caregiver and prior to employment for assistants and substitutes;

(C) fire department approval documentation within the previous 12 months for a large family child care home operating in a mobile home; and

(D) all required background investigations documentation per OAC 340:110-1-8.1, including completed criminal history review results for all required individuals.

(c) **Second and subsequent six-month permits.** When subsequent permits are recommended, the procedures in this subsection are followed.

(1) Assistant licensing coordinator approval is needed for subsequent permits when programs are recommended for, or are in the process of, a consent agreement or request for license denial.

(2) Licensing staff consults with the Licensing supervisor prior to recommending a second permit.

(3) The Licensing supervisor consults with the licensing regional programs manager (RPM) before recommending a third permit.

(4) The RPM consults with the statewide licensing coordinator or designee before recommending a fourth or subsequent permit.

(5) Licensing staff provides a letter to the applicant notifying him or her each time a second or subsequent permit is recommended. The reason for the recommendation is clearly stated in the letter, with each non-compliance area listed separately.

(6) When a subsequent permit is issued due to numerous, repeated, or serious non-compliance with Licensing requirements, Licensing staff monitors the facility at least monthly, and is accompanied by a witness, when possible. When the non-compliance indicates the program is unable or unwilling to meet Licensing requirements, the statewide licensing coordinator or designee is consulted.

(7) When Licensing requirements per (a)(1) of this Section are met prior to the second or subsequent six-month permit expiration, license issuance may be recommended.

(8) When children were not in care on a regular basis during the previous 12 months, the applicant is requested to withdraw the request for license, per OAC 340:110-1-6.

(d) **Issuance of license.** A license is issued after Licensing evaluates the applicant's activities and standards of care, determines the applicant

meets all Licensing requirements identified in (a) and (b) of this Section, and demonstrates substantial compliance with all other Licensing requirements, including entry-level professional development requirements for child care personnel, when required per Licensing requirements.

(1) Prior to recommending license issuance, Licensing staff completes at least three monitoring visits, and an equipment inventory, when required per Licensing requirements, in child care centers, day camps, drop-ins, out-of-school time and part-day programs, and programs for sick children.

(2) Children in care must be observed during at least one monitoring visit.

(3) A monitoring visit must be conducted within 60-calendar days of the issuance date.

(4) A license is in effect unless revoked or the program voluntarily closes.

(e) Documentation for license issuance.

(1) Child care centers, day camps, drop-ins, out-of-school time and part-day programs, and programs for sick children. In addition to the items in (a) through (b)(1) of this Section for six-month permit issuance, items required on file before license issuance include:

(A) a daily program schedule;

(B) current Form 07LC002E, Personnel Summary;

(C) an outdoor play schedule, when applicable;

(D) Form 07LC006E, Equipment Inventory for Child Care Programs, as required per Licensing requirements;

(E) a statement of completed compliance review, when applicable;

(F) director's references;

(G) a one-week sample menu of program provided meals and snacks;

(H) fire department approval documentation within the previous 24 months;

(I) health approval documentation within the previous 24 months when meals are prepared and served; and

(J) a statement of water test results when not on public water supply.

(i) When the test indicates the bacteria, nitrates, or lead level is too high for safe use, the director may sign a statement agreeing to use bottled water for drinking, cooking and, when applicable, children's bathing.

(ii) When there is a high bacteria or lead level, boiled or bottled water must be used for hand washing and dish washing.

(iii) When programs are licensed for 25 or more children, Department of Environmental Quality (DEQ) approval is required, when not on a public water supply system.

(2) **Family child care homes.** In addition to the items in (a) through (b)(2) of this Section for six-month permit issuance, the items required on file before license issuance include:

- (A) a one-week sample menu;
- (B) references; and
- (C) a statement of water test results, when not on public water supply.
 - (i) When the test indicates the bacteria, nitrates, or lead level is too high for safe use, the caregiver may sign a statement agreeing to use bottled water for drinking, cooking, and, when applicable, children's bathing.
 - (ii) When there is a high bacteria or lead level, boiled or bottled water must be used for hand washing and dish washing.

(f) Evaluation and disposition.

(1) The Licensing supervisor reviews Licensing staff's case action recommendation before forwarding to the statewide licensing coordinator or designee.

(2) The statewide licensing coordinator or designee reviews all case action recommendations. When a license or permit is approved, owner notification is provided.

340:110-1-8.1. Background investigations

(a) Criminal history review-program process.

(1) **Criminal history review requests and results for programs.** Programs request criminal history reviews from the Oklahoma Department of Human Services (DHS) Office of Background Investigations (OBI), per Oklahoma Administrative Code (OAC) 340:2-46-4.

(2) **Criminal history restriction waiver process.** The process in (A) - (D) of this paragraph is followed when a program requests a criminal history restriction waiver.

- (A) The decision to grant or deny a criminal history restriction waiver is made by the restriction waiver review committee consisting of three Child Care Services (CCS) staff. The committee decision is based on documentation indicating that the health, safety, and well-being of children will not be endangered. The granting of a restriction waiver requires unanimous committee decision.

Criteria considered include the:

- (i) types of crimes or offenses the individual was convicted of or disposition, including a plea of guilty or nolo contendere (no contest), or a finding made;
- (ii) nature of the offense(s);
- (iii) individual's age at the time of the offense(s);
- (iv) circumstances surrounding commission of the offense(s) demonstrating whether the individual will re-offend;
- (v) number of offenses the individual was convicted of or findings made;
- (vi) length of time elapsed since the last conviction or disposition including a plea of guilty or nolo contendere (no contest), or a finding made;
- (vii) relationship of the offense(s) to the individual's ability to care for children;
- (viii) evidence of rehabilitation or education activities since the offense was committed, such as counseling;
- (ix) statement from the individual having the criminal history; and
- (x) references of community members concerning the individual documented on Form 07LC090E, Criminal History Restriction Waiver Reference, including the reference's name, address, and phone number.

(B) CCS State Office provides programs with written notice of the decision.

(C) Licensing staff monitors:

- (i) criminal history restriction waiver notification posting in the facility and placement in the compliance file, when required; and
- (ii) any additional program instructions.

(D) A criminal history restriction waiver may be rescinded at the discretion of the criminal history restriction waiver review committee.

(b) Additional background investigations.

(1) **DHS database searches.** Licensing staff searches DHS databases for involvement that may impact the individual's ability to meet requirements. Searches are conducted:

- (A) on all adults with the exception of directors, who are not owners or responsible entities, who sign Forms 07LC004E, Request for License - Child Care Program, or 07LC040E, Request for License - Child-Placing Agency and Residential Child Care;
- (B) prior to authorization to operate; and
- (C) annually.

(2) **Docket searches.** Licensing staff conducts docket searches for prior criminal activity. Searches are conducted annually on all adults who sign Form 07LC004E or Form 07LC040E.

(3) **Background investigations for children 14 years of age and older living in a facility.** When Licensing has concerns or receives a report of criminal or delinquent activity, Licensing may request a criminal history investigation, including a juvenile justice information system review. However, this does not apply to residents receiving services from a residential child care program.

(4) **Treating medical personnel statement.** When concerns exist, Licensing staff may request information from the provider by requiring provider's signature on Form 08HI003E, Authorization to Disclose Medical Records. All medical information is confidential.

(c) Oklahoma State Bureau of Investigation (OSBI) Record of Arrest and Prosecution (RAP) Back process.

(1) **Definition.** RAP Back is an OSBI notification of subsequent Oklahoma arrests of previously-fingerprinted individuals.

(2) **RAP Back criminal history review results.** This process is followed when RAP Back is received.

(A) OBI simultaneously disseminates RAP Back criminal history review results to:

- (i) program(s) where the individual is associated; and
- (ii) CCS for determination of appropriate action.

(B) Within 24 hours of receiving RAP Back from OBI, excluding weekends or holidays when the program is closed, Licensing staff contacts the program, to:

- (i) determine what action the program is taking to protect children; and
- (ii) inform the program of required actions.

(d) Qualified entity (QE) - CCS.

(1) **QE definition.** QE means an entity meeting the criteria and complying with federal and state laws and policies. QE standards govern the security and confidentiality of national fingerprint results.

(2) **Agreement compliance.** CCS maintains QE standards, per the user agreement with OSBI.

(3) **Agreement revisions.** CCS submits a revised agreement to OSBI when DHS Director or CCS contact individual(s) changes.

(e) QE violations. Licensing staff reports QE standard violations to OBI.

340:110-1-8.10. Program evaluation for continuous quality improvement criteria

(a) **Two-, three-, four-, and five-star center criteria.** Program evaluation criteria in this subsection are required for centers.

(1) Personnel and families are surveyed annually identifying program strengths and weaknesses and evaluating effectiveness in meeting children's, families', and personnel's needs.

(2) Part-day programs annually conduct an equipment inventory using the appropriate Oklahoma Human Services (OKDHS) form. Equipment inventories are maintained on file at the program.

(b) **Three-, four-, and five-star center criteria.** Program evaluation criteria in (a) of this Section are required. In addition, program evaluation methods described in (1) through (4) of this subsection are completed within one year of receiving three-, four-, or five-star level and repeated as required.

(1) The program is assessed annually using an assessment tool approved by Child Care Services (CCS). This assessment is not required for:

(A) programs accredited by a CCS-approved, national accrediting organization; or

(B) Head Start grantees compliant with Head Start Program Performance Standards.

(2) Program goals are established and updated annually considering information gathered from completed family and personnel surveys, equipment inventories, physical environment checklists, and a CCS-approved assessment tool, or approved national accreditation assessment tool, when applicable. The program may also use any program-completed needs assessments.

(3) The program has a written plan and program policy and procedures for meeting established goals, including professional development and educational needs for personnel.

(4) Personnel participate in program evaluation and the established goals for continuous quality improvement are shared with personnel.

(c) **Two-, three-, four-, and five-star home criteria.** Program evaluation criteria in this subsection are required for family child care homes.

(1) Health and safety checklists for both indoor and outdoor spaces are completed annually and maintained on file at the program.

(2) Personnel and families are surveyed annually identifying program strengths and weaknesses and evaluating effectiveness in meeting children's, families', and personnel's needs.

(d) **Three-, four-, and five-star home criteria.** Program evaluation criteria in this subsection are completed within one year of receiving three-, four-, or five-star level and repeated as required.

(1) The program is assessed annually using an assessment tool approved by Child Care Services (CCS). This assessment is not required for programs accredited by a CCS-approved, national

accrediting organization.

(2) Program goals are established and updated annually considering information gathered from completed health and safety checklists, family and personnel surveys, and a CCS-approved assessment tool, or approved national accreditation assessment tool, when applicable. The program may also use any program-completed needs assessments.

(3) The program has a written plan and program policy and procedures for meeting established goals, including professional development and educational needs for the primary caregiver and assistant.

(4) Personnel participate in program evaluation and the established goals for continuous quality improvement are shared with personnel.

[Source: Added at 29 Ok Reg 1229, eff 7-1-12 ; Amended at 33 Ok Reg 1683, eff 11-1-16 ; Amended at 35 Ok Reg 475, eff 1-31-18 (emergency); Amended at 35 Ok Reg 1705, eff 9-17-18 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-1-8.11. Additional four- and five-star criteria

(a) **Center criteria.** Centers accredited by a Child Care Services (CCS)-approved national accrediting organization or a Head Start grantee and compliant with Head Start Program Performance Standards complete (1) of this subsection. All other programs complete (1) and (2) of this subsection.

(1) **Additional four- and five-star center professional development criteria.** Professional development criteria in this subsection are required for centers. Four-star centers implement one additional professional development criteria, and five-star centers implement two additional professional development criteria.

(A) The director obtains three college credits or 40-clock hours of job-related professional development annually, per Professional Development Ladder (PDL) certification year.

(B) The director has a current gold or higher level certificate, per Oklahoma Director's Credential.

(C) The director obtains at least one additional certification, such as:

(i) Director's Leadership Academy;

(ii) Oklahoma Director's Certificate of Mastery;

(iii) National Administrator Credential;

(iv) Director's Advanced Training;

(v) Oklahoma Director's Certificate of Completion;

or

(vi) Oklahoma Director's Pathway to Program Administration.

(D) Required number of master teachers obtain two college credits or 30-clock hours of job-related professional development annually, per PDL certification year.

(E) The program utilizes ongoing, evidence-based classroom coaching.

(F) Director and required number of master teachers complete all Pyramid Model Infant/Toddler, Preschool, or Birth to Five modules.

(2) Additional four- and five-star center program criteria.

Four-star centers implement three program criteria, and five-star centers implement five program criteria. Out-of-school time four-star centers implement two program criteria, and five-star out-of-school time centers implement three program criteria.

(A) **Curriculum coordinator.** The center utilizes a curriculum coordinator assisting with lesson plan implementation and mentoring classroom teachers. Curriculum coordinators may be assigned other program responsibilities.

(B) **Family orientation.** The center conducts a formal intake process for new families, and the process is addressed in the parent policy. Four-star centers implement one program criteria, and five-star centers implement (i) and (ii) of this paragraph. Family orientation includes:

- (i) parent orientation; and
- (ii) child orientation to teaching personnel, classroom, and routine.

(C) **Family partnership.** The center implements a written process involving families in children's education and development. Family partnership examples may include:

- (i) participation on family advisory board;
- (ii) volunteering in classroom; or
- (iii) program-conducted home visits at least twice annually.

(D) **Continuity of care.** A written plan ensures children 3 years of age and younger are placed with consistent teaching personnel for at least one year, promoting stronger personnel and child relationships.

(E) **Child learning assessment.** Programs implement child learning assessment and document children's progress annually.

(F) **Health and safety.** Four-star centers implement two health and safety criteria, and five-star centers implement four criteria. The program:

- (i) utilizes a health consultant as needed;
- (ii) implements daily playground safety checklists;
- (iii) conducts annual personnel emergency plan and procedure training;
- (iv) participates in Child and Adult Care Food Program (CACFP) or National School Lunch Program (NSLP);
- (v) obtains quality initiative certifications, such as Oklahoma State Department of Health Certified Healthy Early Childhood Program; or

(vi) collaborates with schools, with parental permission, regarding individual children's health and wellness, such as developmental screenings and individualized educational plans (IEP).

(G) **Child developmental assessment.** Programs offer evidence-based child developmental assessments or screenings by trained personnel. Programs communicate results with families, and provide referral information when indicated.

(b) **Home criteria.** Homes accredited by a CCS-approved national accrediting organization complete (1) of this subsection. All other programs complete (1) and (2) of this subsection.

(1) **Additional four- and five-star home professional development.** Professional development criteria in this subsection are required for homes. Four-star homes implement one additional professional development criteria, and five-star homes implement two additional professional development criteria.

(A) The primary caregiver maintains a current PDL Level 5 or higher.

(B) The primary caregiver obtains two college credits or 30-clock hours of job-related professional development annually, per PDL certification year.

(C) The primary caregiver completes Family Child Care Home Leadership Academy.

(D) The assistant caregiver obtains two college credits or 30-clock hours of job-related professional development annually, per PDL certification year.

(E) The program utilizes ongoing, evidence-based coaching to caregiving practices.

(F) The primary caregiver completes all Pyramid Model Infant/Toddler, Preschool, or Birth to Five modules.

(2) **Additional four- and five-star home criteria.** Homes implement additional program criteria.

(A) **Family orientation.** The program conducts a formal intake process for new families. Four-star homes implement one family orientation criteria, and five-star programs implement (i) and (ii) of this subparagraph.

Family orientation includes:

(i) parent orientation; and

(ii) child orientation to caregiver, home, and routine.

(B) **Health and safety.** Four-star homes implement two health and safety criteria, and five-star homes implement four criteria. The program:

(i) offers evidence-based developmental assessments or screenings by trained personnel. The program communicates results with families, and provides referral information when indicated;

(ii) utilizes a health consultant as needed;

(iii) implements daily playground safety checklists;

- (iv) conducts annual personnel emergency plan and procedure training, when applicable;
- (v) participates in CACFP;
- (vi) obtains quality initiative certifications, such as Oklahoma State Department of Health Certified Healthy Early Childhood Program; or
- (vii) collaborates with schools, with parental permission, regarding individual children's health and wellness, such as developmental screenings and IEPs.

340:110-1-8.2. Procedures for Day Care Provider Contract, OAC 340:70, Appendix I [REVOKED]

[Source: Added at 13 Ok Reg 499, eff 11-14-95 (emergency); Added at 13 Ok Reg 2663, eff 6-28-96 ; Revoked at 16 Ok Reg 285, eff 11-3-98 (emergency); Revoked at 16 Ok Reg 1080, eff 4-26-99]

340:110-1-8.3. Certification of programs to receive a quality rating and improvement level

(a) **Purpose.** The quality rating and improvement system (QRIS) provides a framework for building strong early care and education programs. This systematic approach assesses, improves, and communicates quality levels in early care and out-of-school time education programs. The QRIS quality components include:

- (1) management and administration;
- (2) workforce qualifications and professional development;
- (3) learning and development;
- (4) family partnerships; and
- (5) program evaluation and continuous quality improvement.

(b) **Criteria for child care centers and homes certification levels.**

The certification process and quality rating and improvement criteria for child care programs are described in Oklahoma Administrative Code (OAC) 340:110-1-8.3 through 340:110-1-8.11.

(c) **Request for star certification process.** The process in (1) through (4) of this subsection is required for certification.

(1) **One-star center and home criteria.** A program operating on a permit or license is automatically designated as a one-star program.

(2) **Two-star center and home criteria.** For approval as a two-star program, the owner and director or primary caregiver, when applicable, complete and submit Form 07LC025E, Request for Child Care Center Star Certification, or Form 07LC027E, Request for Family Child Care Home Star Certification, and:

- (A) meet all criteria described in (b) of this Section; and
- (B) when licensed as a child care center, meet at least the minimum number of master teachers as required, per star level and are not eligible for master teacher probationary periods.

(3) **Three-star center and home criteria.** For approval as a three-star program, the owner and director or primary caregiver, when applicable, complete and submit the appropriate request for star certification, and meet:

- (A) all star criteria described in (b) of this Section; or
- (B) Licensing status and compliance, per OAC 340:110-1-8.4, and provide documentation the program is:
 - (i) accredited by a Child Care Service (CCS)-approved national accrediting organization; or
 - (ii) a Head Start grantee and compliant with Head Start Program Performance Standards.

(4) **Four- and five-star center and home criteria.** For approval, the owner and director or primary caregiver, when applicable, must

complete and submit the appropriate request for star certification and:

- (A) meet all criteria described in (b) of this Section; or
- (B) meet all criteria described in OAC 340:110-1-8.3 through 340:110-1-8.10 and specified criteria described in OAC 340:110-1-8.11; and be:
 - (i) accredited by a CCS-approved national accrediting organization; or
 - (ii) a Head Start grantee and compliant with Head Start Program Performance Standards.

(d) **Effective June 1, 2022.** Programs certified as one-star plus or higher prior to June 1, 2022, are required to reapply for star level certifications.

(1) Applications must be received by December 1, 2022.

(2) On January 1, 2023, programs will be reassigned;

(A) the appropriate star level based on the criteria being met; or

(B) a one-star level when an application is not received by December 1, 2022.

(e) **Center and home certification approval.** The procedures in this subsection are followed for initial approval and requests for higher star certification level.

(1) The owner and director or primary caregiver, when applicable, submit the appropriate request for star certification and required documentation to CCS.

(2) The stars outreach specialist determines when certification criteria are met by reviewing the case file and submitted documentation. When it has been four months since the last monitoring visit, the stars outreach specialist requests Licensing staff conducts a full-monitoring visit. Prior to approval, the stars outreach specialist reviews all information consulting with Licensing staff and the stars program administrator or designee as needed.

(A) The monitoring visits and substantiated complaints for the last 24 months of operation are reviewed for criteria compliance determination. The request may be denied when the program has:

- (i) numerous, repeated, or serious non-compliance, per OAC 340:110-1-8.4;
- (ii) a single serious incident resulting in injury or imminent risk of harm to a child within the 24-month period;
- (iii) an Emergency Order or notice of proposed request for license denial or license revocation issued;
- (iv) a serious substantiated complaint;
- (v) failed to employ a qualified director for six months or more; or
- (vi) a consent agreement, per OAC 340:110-1-9.5.

(B) When the program meets the criteria, the stars outreach specialist provides a letter confirming the approval and the effective date, and updates the database. When numerous, repeated, or serious non-compliance was identified during case review for the star certification request, the letter states these non-compliances are considered, and may result in star certification reduction when subsequent serious non-compliances occur.

(C) When the program fails to meet the criteria, the stars outreach specialist provides a letter identifying criteria not met. The request for star certification is also reviewed determining when another star certification level can be met and updating the database accordingly.

(D) The owner and director or primary caregiver, when applicable, may reapply when criteria are met. When the request for a higher star certification level is denied due to numerous, repeated, or serious non-compliance with Licensing requirements, the program is not approved for a higher star certification level prior to six months after the program receives the denial letter by certified mail. The regional programs manager (RPM) may reduce the six-month waiting period based on case file evaluation, corrective action written documentation, and Licensing staff observation and documentation of substantial compliance improvement. The RPM provides the program written notification regarding reduced timeframes.

(E) The owner may withdraw the request for star certification prior to denial.

(F) The owner may request a reduction in star certification level. The request is made in writing to CCS. Quality rating and improvement system (QRIS) personnel or the designee provides a letter to the owner documenting the reduction request, including the new star certification level effective date, and updates the database with the program's new star certification level. A reduction request does not constitute a reduction in star certification level, per (h) of this Section, and the right to request an administrative review is waived.

(f) **Complaint investigations.** Pending complaint investigations may impact star certification request approval.

(g) **Ongoing review.** The procedures in this subsection are followed for ongoing review.

(1) **Program notification to CCS.** The owner, director, or primary caregiver is required to notify CCS within five program-business days of changes affecting the program's star certification level. The case is reviewed by Licensing staff, determining whether criteria continue being met.

(2) **Periodic certification reviews.** Licensing staff completes a minimum of three reviews annually. The three reviews consist of two partial- and one full-star certification criteria reviews.

(A) For programs having a licensed capacity of fifty or more, the annual criteria review may be scheduled at least one week in advance, when requested by the program owner or director.

(B) Programs:

(i) operating less than a full-year or having a cooperative licensing agreement with a tribal program are required to have a minimum of one partial- and one full-star certification reviews annually; and

(ii) exempt from state licensure including federal or tribal programs, have all applicable stars criteria reviewed at least annually.

(3) **Master teacher change.** When an individual not meeting master teacher educational qualifications replaces a master teacher:

(A) Form 07LC031E, Probationary Master Teacher Agreement, is completed;

(B) the probationary master teacher is granted a one-year probationary period to fulfill the master teacher educational qualifications per applicable QRIS criteria; and

(C) Licensing may extend the probationary period for a second year, providing the probationary master teacher is actively pursuing educational qualifications as identified on Form 07LC031E.

(4) **Non-compliance.** The star certification level of a program may be reduced, when a program has:

(A) serious non-compliance with Licensing requirements, within a 24-month period;

(B) a serious incident resulting in injury or imminent risk of harm to a child;

(C) an Emergency Order or notice of proposed request for license denial or license revocation issued;

(D) a serious substantiated complaint;

(E) failed to employ a qualified director for six months or more; or

(F) other star certification criteria violations.

(5) **Violations.** When violations of certification criteria are documented, or the program notifies CCS of criteria changes, the procedures in (A) through (E) of this paragraph are followed.

(A) Licensing staff provides written notification documenting the violations, including a statement that a reduction in the star certification level may occur, when the program has:

- (i) serious non-compliances with Licensing requirements;
- (ii) a serious incident occurs resulting in injury or imminent risk of harm to a child;
- (iii) an Emergency Order or notice of proposed request for license denial or license revocation issued;
- (iv) a serious substantiated complaint;
- (v) failed to employ a qualified director for six months or more; or
- (vi) star criteria violations not corrected in the agreed on time frame.

(B) Licensing staff documents a plan of correction indicating a specific agreed on correction time frame:

- (i) for each star criteria violation documented during a criteria review; or
- (ii) when a program notifies Licensing of star criteria violations.

(C) When previous star criteria violations were not corrected in the agreed on time frame, an additional plan of correction may be documented indicating a reduced correction time frame.

(D) When the program fails to meet additional plans of correction, Licensing staff may submit a referral for star certification reduction or notify the program of a request for extension of time to comply, including timeframes.

(E) When the program does not apply for an extension of time to comply, there is no acceptable plan of correction; Licensing staff may submit a referral for star certification reduction.

(6) **Follow-up of star criteria violations.** Licensing staff is responsible for verifying star certification criteria violations are corrected as determined by the approved plan of correction.

(7) **Written notice.** Licensing staff provides written notice that star certification criteria are not being met, when a program has:

- (A) serious non-compliance with requirements, per OAC 340:110-1-8.4;
- (B) a serious incident resulting in injury or imminent risk of harm;
- (C) a serious, substantiated complaint;
- (D) failed to employ a qualified director for six months or more; or
- (E) star criteria violation.

(h) **Extension of time to comply.**

(1) A request for an extension of time to comply may be submitted when violations of star criteria cannot be corrected within the agreed on plan of correction time frame.

(2) A request for an extension of time to comply to meet Licensing requirements, such as director qualifications, is not approved.

(3) The owner, director, or primary caregiver submits Form 07LC074E, Request for Extension of Time to Comply, no later than 10-calendar days after the plan of correction expires.

(4) The decision to approve or deny an extension of time to comply is made by the stars program administrator or designee. One or more discretionary extensions of time to comply may be granted. Approval of an extension of time to comply does not set a precedent and each request is independently evaluated. The owner and director or primary caregiver, when applicable, is notified in writing of the decision.

(i) Reduction in star certification levels.

(1) A reduction occurs when CCS issued a written Emergency Order or notice of proposed request for license denial or license revocation.

(2) A reduction may occur, when the program has:

(A) numerous, repeated, or serious non-compliance with

Licensing requirements within a 24-month time frame;

(B) a serious incident resulting in injury or imminent risk of harm to a child;

(C) a serious, substantiated complaint;

(D) violations not corrected within the agreed on time frame; or

(E) failed to employ a qualified director for six months or more.

(3) The procedures in this subsection are followed when a reduction is warranted.

(A) Licensing staff reviews the case with the supervisor and RPM. The decision to make a referral to the stars program administrator or designee is made by the RPM and referrals are made in writing to the stars program administrator or designee. The RPM may offer or accept a request from the owner of a licensed program for an alternative settlement in lieu of reduction. The alternative settlement documents how the program will go above and beyond minimum Licensing requirements and ensure a higher standard or quality of care. It is the RPM's decision to accept or deny the alternative settlement.

(B) When a reduction is warranted, the stars program administrator or designee provides the owner and director or primary caregiver, when applicable, a letter sent by certified mail documenting the reduction in star certification level and notifying the program of the right to request an administrative review of the decision.

(C) The certified mail delivery receipt card is addressed to return to the CCS director or designee.

(D) In order to receive an administrative review, the owner submits a written request to the CCS director or designee within 15-calendar days of reduction notification letter receipt.

(E) The request includes written documentation stating the program's grounds for administrative review.

(4) QRIS personnel or a designee updates changes in the star certification level and payment rate following verification of certified letter receipt and the administrative review, when requested.

(5) The administrative review process includes determining when a star certification level reduction was in accordance with Oklahoma Human Services (OKDHS) rules and substantially supported by the evidence. The procedures in (A) through (C) of this paragraph are followed when an administrative review is requested.

(A) Within 30-calendar days of receiving the request for an administrative review, a letter is provided notifying the owner and program of the administrative review. Prior to the administrative review, the owner is provided at least a 14-calendar day written notice. All correspondence indicates the administrative review date, time, and location. The owner may submit written documentation prior to, or at the beginning of the administrative review, with copies provided to all representatives.

(B) The administrative review panel:

(i) provides review;

(ii) consists of one OKDHS staff not involved in the decision to reduce the star certification level; and

(iii) includes two Child Care Advisory Committee (CCAC) members, one being a center owner or operator, per OAC 340:110-1-17.

(C) The stars review panel makes a determination affirming or reversing the CCS decision at the administrative review. Time constraints or the complexity of issues may require the panel to take a matter under advisement. The determination decision is completed within 10-calendar days from the panel review date.

(6) The owner and director or primary caregiver, when applicable, may reapply for a higher star certification level when criteria are met. When the star certification level is reduced due to serious non-compliance with Licensing requirements, the program is not approved for a higher star certification level for six months after receiving the reduction letter, sent by certified mail.

(j) **Change in ownership.** When there is a change in program ownership or form of business entity, the case is closed and the star certification level is removed, unless otherwise determined, per OAC 340:110-1-9. For approval as a higher star certification level, the new owner and director or primary caregiver, when applicable, completes and submits the appropriate star certification request, meeting all the criteria applicable to the requested star certification level.

(k) **Transitional change of ownership.** When a program requests a transitional change of ownership (1) through (7) of this subsection are followed.

(1) Licensing staff conducts a full-star criteria review within five-OKDHS business days:

(A) verifying all applicable criteria are met; and

(B) obtaining the appropriate request for star certification completed by the prospective owner and director or primary caregiver, when applicable.

(2) The stars outreach specialist reviews the request for star certification completed by the prospective owner and verifies star level certification criteria are met, per (d) of this Section.

(3) Transitional change of ownership procedures are followed, per OAC 340:110-1-9.

(4) Periodic and ongoing criteria reviews are conducted and maintained, per (f) of this Section.

(5) All star certification criteria reviews and correspondence are provided to both the current and prospective owners.

(6) Change of ownership procedures are followed, per (i) of this Section by the end of 90-calendar days, when applicable.

(7) When programs notify Licensing that transitional change of ownership is no longer proceeding, Licensing staff verifies program operation status and consults with the supervisor for appropriate action.

(l) **Inactive status.** When a program is determined inactive, per OAC 340:110-1-9, all applicable star certification criteria is reviewed prior to resuming care.

(m) **Address change.** When the program's address changes, Licensing staff completes the appropriate star certification review, verifying compliance with criteria at the new address. Licensing staff determines when a partial- or full-star certification review is conducted.

(n) **Record-keeping.** Periodic certification review, request forms, and supporting documentation are maintained in the case file or in a separate open-record file. Any confidential information, including children's photographs is maintained, per OAC 340:110-1-14.

340:110-1-8.4. Licensing status and compliance criteria

(a) **Two-, three-, four-, and five-star licensing status criteria.** For star certification, programs have a license or permit.

(b) **Two-, three-, four-, and five-star compliance criteria.** The monitoring visits and substantiated complaints for the last 24 months of operation are reviewed. The Licensing file from the applicant's previous licenses is considered. Numerous, repeated, and serious non-compliance, per Oklahoma Administrative Code (OAC) 340:110-1-9.3 are considered when approving or denying star certification. The request for star certification may be denied or the level reduced, when:

- (1) there are numerous, repeated, or serious non-compliance with applicable Licensing requirements;
- (2) a serious incident occurs resulting in injury or imminent risk of harm to a child;
- (3) an Emergency Order or notice of proposed request for license denial or license revocation is issued;
- (4) a serious substantiated complaint occurs;
- (5) the program fails to employ a qualified director for six months or more; or
- (6) star certification level criteria are not met.

340:110-1-8.5. Administrative criteria

(a) **Two-, three-, four-, and five-star center criteria.** Administrative criteria listed in (1) - (6) of this subsection are required.

- (1) At least annually, the director or supervising personnel evaluates personnel in writing utilizing the Oklahoma Core Competencies and assists personnel in developing the educational professional development plan.
- (2) Personnel policies are provided to personnel upon employment and when revisions are made. These policies include information on:
 - (A) personnel hiring and termination;
 - (B) job duties and responsibilities for each position;
 - (C) professional development requirements, including minimum professional development hours required;
 - (D) personnel attendance policy;
 - (E) the program's mission or vision statement;
 - (F) organizational structure;
 - (G) professional and ethical conduct;
 - (H) children's transition plans for:
 - (i) daily activity transitions;
 - (ii) new teaching personnel or classroom; and
 - (iii) transition to a new child care program, Head Start, or school; and
 - (I) continuity of care plans, per Oklahoma Administrative Code (OAC) 340:110-1-8.8(b)(5).
- (3) Personnel policies are maintained on site.
- (4) Programs are registered as a direct care organization with the Oklahoma Professional Development Registry (OPDR) by following and maintaining all items listed in the Direct Care

Facility Handbook.

(5) Program personnel counted in staff-child ratio and the director are OPDR members having current Professional Development Ladder (PDL) certificates. New personnel counted in staff-child ratio and directors must be verified on OPDR having current PDL certificates within 12 months of employment.

(6) Personnel meetings are conducted, at least:

- (A) twice annually for two-star programs;
- (B) quarterly for three-star programs;
- (C) every other month for four-star programs; and
- (D) monthly for five-star programs.

(b) **Three-, four-, and five-star center criteria.** In addition to administrative criteria in (a) of this Section, programs maintain a written policy regarding children's assignments to teaching personnel, per OAC 340:110-1-8.8.

(c) **Four- and five-star center criteria.** Programs implement personnel benefits and resources for well-being and personnel retention. Four-star programs implement at least two benefits, and five-star programs implement at least four benefits. Benefits are listed in the personnel policy, and examples may include:

- (1) personnel salary scale based on PDL level, position responsibilities, experience, or longevity;
- (2) fully- or partially-paid health insurance;
- (3) on-going employee wellness activities;
- (4) paid sick and vacation days;
- (5) coaching and reflection release time;
- (6) employer contribution to retirement plan;
- (7) designated break and lunch times away from program responsibilities;
- (8) personnel break room;
- (9) free or discounted child care;
- (10) professional development or educational financial aid;
- (11) annual Adverse Childhood Experience and resiliency training;
- (12) health and wellness education presented quarterly at personnel meetings; or
- (13) paid gym memberships.

(d) **Two-, three-, four-, and five-star home criteria.** Administrative criteria listed in (1) through(3) of this subsection are required.

(1) The primary caregiver is an OPDR member having a current PDL certificate.

(2) Programs are registered as a direct care organization with the OPDR by following and maintaining all items listed in the Direct Care Facility Handbook.

(3) Assistant caregivers are OPDR members having current PDL certificates. New assistant caregivers are verified on OPDR having current PDL certificates within 12 months of employment.

(e) **Three-, four-, and five-star home criteria.** Administrative criteria listed in (c) of this Section and (1) through(3) of this subsection are required. The owner or primary caregiver:

- (1) maintains assistant caregivers' written job descriptions and responsibilities;
- (2) evaluates assistant caregivers in writing annually, including developing the educational professional development plan; and
- (3) maintains a written policy regarding children's transition plans, for:
 - (A) daily activity transitions;
 - (B) new caregivers; and
 - (C) transition to a new child care program, Head Start, or school.

[Source: Added at 29 Ok Reg 1229, eff 7-1-12 ; Amended at 33 Ok Reg 1683, eff 11-1-16 ; Amended at 35 Ok Reg 1732, eff 11-1-18 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-1-8.6. Director, personnel, and primary caregiver qualification criteria

(a) **Two-, three-, four-, and five-star master teacher qualifications.** Required criteria include:

- (1) a current Oklahoma Professional Development Ladder (OPDL) certificate of Level 4 or higher;
- (2) completed training in Oklahoma's Early Learning Guidelines (ELG); however, new master teachers or probationary master teachers hired or assuming the responsibilities after certification are trained within 90-calendar days; and
- (3) employment on-site, full-time; however, out-of-school time master teachers are on-site at least 50 percent of weekly-operating hours.

(b) **Master teacher ratio for two-, three-, four-, and five-star centers.** There is a full-time master teacher for every:

- (1) 50 children of the licensed capacity for two-star centers;
- (2) 40 children of the licensed capacity for three-star centers;
- (3) 30 children of the licensed capacity for four-star centers; or
- (4) 20 children of the licensed capacity for five-star centers.

(c) **Master teacher ratio for two-, three-, four-, and five-star programs licensed as out-of-school time programs and day camps.** There is a full-time master teacher for every:

- (1) 60 children of the licensed capacity for two-star out-of-school time programs and day camps;
- (2) 50 children of the licensed capacity for three-star out-of-school time programs and day camps;
- (3) 40 children of the licensed capacity for four-star out-of-school time programs and day camps; or
- (4) 30 children of the licensed capacity for five-star out-of-school time programs and day camps.

(d) **Additional master teacher requirements for two-, three-, four- and five-star centers.** An individual is not counted as a master teacher, probationary master teacher, or primary caregiver in more than one program, unless the scheduled hours of employment in each program do not overlap at any given time.

- (1) When an individual replaces a master teacher and does not meet educational qualifications, refer to Oklahoma Administrative

Code (OAC) 340:110-1-8.3(g)(3).

(2) When approved, a probationary master teacher also completes training in ELG in (a)(2) of this Section.

(e) **Director as master teacher.** The director may be counted as a master teacher when meeting master teacher qualifications in (a) of this Section, regardless of the program's licensed capacity.

(f) **Master teacher responsibilities.** Master teachers are responsible for:

- (1) direct care of children; and
- (2) supporting other teaching personnel and program management with:
 - (A) planning and implementing lesson plans;
 - (B) classroom arrangement;
 - (C) planning and implementing family communication and engagement; and
 - (D) providing program development and evaluation feedback.

(g) **Director responsibilities.** An individual is not counted as director in more than one program.

(h) **Three-, four-, and five-star primary caregiver qualifications.** Required criteria include:

- (1) a current OPDL certificate of Level 4 or higher;
- (2) completed training in ELG; however, new primary caregivers hired or assuming the responsibilities after certification are trained within 90-calendar days; and
- (3) employment on-site, full-time.

(i) **Additional primary caregiver requirements for two-, three-, four-, and five-star homes.** An individual is not counted as a primary caregiver, master teacher, or probationary master teacher in more than one program, unless the scheduled hours of employment in each program do not overlap at any given time.

[Source: Added at 29 Ok Reg 1229, eff 7-1-12 ; Amended at 33 Ok Reg 1683, eff 11-1-16 ; Amended at 35 Ok Reg 1732, eff 11-1-18 ; Amended at 36 Ok Reg 181, eff 12-17-18 (emergency); Amended at 36 Ok Reg 1892, eff 9-16-19 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-1-8.7. Professional development criteria

(a) **Two-, three-, four-, and five-star center director professional development criteria.** No more than six hours of informal professional development, per Professional Development Ladder (PDL) certification may be counted in total hours. Director qualifications listed in (1) through(4) of this subsection are required.

- (1) Prior to star certification, the director has documentation of:
 - (A) at least two college credits or 30-clock hours of job-related professional development within the last 12 months or within current PDL certification, when applicable; and
 - (B) Quality Rating and Improvement System (QRIS) orientation.

(2) When a new director is hired, the director has documentation of at least two college credits or 30-clock hours of job-related professional development within the last 12 months prior to employment. A new director also completes QRIS orientation within 90-calendar days of hire date.

(3) When the new director does not have two college credits or 30-clock hours of professional development, the program is required to submit a written plan to Licensing staff for correcting the violation within 90-calendar days of hire date.

(4) In subsequent years, the director maintains documentation of at least two college credits or 30-clock hours of job-related professional development, per PDL certification.

(b) Two-, three-, four-, and five-star center personnel professional development criteria. No more than six hours of informal professional development, per PDL certification may be counted in total hours. Personnel qualifications listed in (1) through (3) of this subsection are required for all centers.

(1) At application, personnel employed at the program for at least 12 months and counted in staff-child ratio has at least two college credits or 20-clock hours of job-related professional development, per PDL certification.

(2) After initial certification approval, the professional development criteria of at least two college credits or 20-clock hours of job-related professional development is met within the personnel's PDL certification.

(3) Part-time personnel and substitutes having worked at the program more than 80 hours meet professional development requirements. Personnel performing only auxiliary duties, such as cooking, transportation, or maintenance are exempt from this professional development requirement.

(c) Two-, three-, four-, and five-star primary caregiver professional development. No more than six hours of informal professional development, per PDL certification may be counted in total hours. Primary caregiver qualifications listed in (1) through (3) of this subsection are required for homes.

(1) Prior to star certification request, the primary caregiver has documentation of:

(A) at least two college credits or 20-clock hours of job-related professional development within the last 12 months or within current PDL certification, when applicable; and

(B) QRIS orientation. New primary caregivers also complete QRIS orientation within 90-calendar days of hire date.

(2) After certification approval, the professional development criteria is met within the primary caregiver's PDL certification.

(3) The primary caregiver has a written educational professional development plan reviewed annually, updated as needed, and maintained on file at the program.

(d) Two-, three-, four-, and five-star home assistant caregiver professional development. No more than six hours of informal

professional development, per PDL certification may be counted in total hours. Assistant caregiver qualifications listed in (1) and (2) of this subsection are required.

(1) Assistant caregivers employed for at least 12 months have documentation of at least two college credits or 20-clock hours of job-related professional development, per PDL certification.

(2) The assistant caregiver has a written educational professional development plan reviewed annually, updated as needed, and maintained on file at the program.

[Source: Added at 29 Ok Reg 1229, eff 7-1-12 ; Amended at 33 Ok Reg 1683, eff 11-1-16 ; Amended at 35 Ok Reg 1732, eff 11-1-18 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-1-8.8. Learning and development criteria

(a) **Two-, three-, four-, and five-star center criteria.** Criteria in (1) through(5) of this subsection are required for all star levels.

(1) Television or other screen time is not used for children 1 year of age and younger.

(2) Out-of-school time programs and programs licensed as day camps may have required interest areas set up throughout the program as long as children are supervised and have accessible free choice to all required areas.

(3) At least two interest areas are available outdoors for children 2 years of age and older.

(4) Classroom schedules are predictable and responsive to children's needs, balancing child-initiated play and teacher-guided activities.

(5) Teaching personnel prepare children for transitions. A written plan is maintained, per Oklahoma Administrative Code (OAC) 340:110-1-8.5.

(b) **Three-, four-, and five-star center criteria.** Criteria in (a) of this Section and (1) through(5) of this subsection are required. Programs licensed as out-of-school programs are exempt from (5) of this subsection.

(1) Space is arranged in clearly-defined and well-equipped interest areas in each classroom facilitating a variety of activities also including math and science or nature for children 2 years of age and older.

(2) The program implements developmentally appropriate curriculum in each classroom aligning with Oklahoma Early Learning Guidelines (ELG) or Oklahoma Academic Standards. Curriculum may be self-developed, published, or lesson plans.

(A) Curriculum or lesson plans:

(i) reflect the program philosophy and goals;

(ii) are based on child development and appropriate practice;

(iii) provide for children's various ages, abilities, developmental stages, and special needs;

(iv) provide for children's physical, cognitive, language, literacy, and social-emotional development; and

(v) incorporate music and songs into children's activities at multiple times of the day.

(B) Programs establish methods for providing curriculum information to families. Methods may include:

- (i) parent handbooks;
- (ii) newsletters;
- (iii) orientation; or
- (iv) family meetings.

(C) Curriculum and goals for children are reflected in every day practice, as indicated on written lesson plans.

(3) All lesson plans are reviewed by the director, master teacher, or other program personnel trained in ELG. ELG standards or Oklahoma Academic Standards are identified on lesson plans.

(4) Teaching personnel lead and participate in at least two developmentally- appropriate physical activities daily for all children.

(5) For continuity of care, children remain with specific teaching personnel throughout the majority of the day, and are not regularly assigned to another group. A written plan is maintained, per OAC 340:110-1-8.5.

(c) **Four- and five-star center criteria.** Criteria in (a) and (b) of this Section and (1) and (2) of this subsection are required.

(1) Criteria includes (A) through (E) of this paragraph. Programs licensed as out-of-school time programs are exempt from (A) and (B) of this paragraph.

(A) Learning opportunities are planned for each child using observation documentation.

(B) Lesson plans are individualized for each child's needs, including age, ability, developmental stage, social-emotional development, special needs, and interests.

(C) Master teachers and teaching personnel evaluate lesson plans for effectiveness after implementation.

(D) Teaching personnel have weekly scheduled, paid, planning time outside of the classroom.

(E) Children have access to visual or pictorial classroom schedule.

(2) In addition to interest areas, curriculum, and lesson plans, children 2 years of age and older are given the opportunity to join enhancement activities promoting basic skills and higher level thinking.

(A) Enhancement activities:

- (i) are conducted routinely throughout the year;
- (ii) are documented on the lesson plan; and
- (iii) may be rotated based on children's needs and interests.

(B) Four-star programs implement two or more enhancement activities, and five-star programs implement four or more enhancement activities. Examples may include:

- (i) additional outdoor interest areas;
- (ii) additional indoor interest areas;

- (iii) invitations to play helping children reflect on and extend their learning;
- (iv) nature-related activities;
- (v) social studies;
- (vi) community involvement;
- (vii) health and physical wellness;
- (viii) nutrition;
- (ix) foreign language;
- (x) theater;
- (xi) sign language;
- (xii) child- or adult-led clubs;
- (xiii) cooking lessons;
- (xiv) science, technology, engineering, art, and math (STEAM);
- (xv) on-site contracted activities, such as dance lessons, gymnastics lessons, or sports;
- (xvi) life skills; or
- (xvii) activities promoting Native American culture and language.

(d) **Two-, three-, four-, and five-star home criteria.** Criteria in (1) through (4) of this subsection are required.

(1) A written daily schedule reflecting a balanced program of opportunities for learning, physical activity, indoor and outdoor play, rest periods, and meals is followed with flexibility meeting children's individual needs. Learning activities balance child-initiated play and caregiver-guided activities.

(2) The daily schedule is posted.

(3) Children are read to for a minimum of 15 minutes each day.

(4) Television or other screen time is not used for children 1 year of age and younger.

(5) Caregivers prepare children for transitions. A written plan is maintained, per OAC 340:110-1-8.5.

(e) **Four- and five-star home criteria.** Criteria in (d) of this Section and in (1) through (5) of this subsection are required.

(1) Children have access to art, block building, book reading, dramatic play, manipulative play, and music and movement.

(2) The program implements lesson plans with developmentally appropriate activities aligning with ELG or Oklahoma Academic Standards. Lesson plans identify ELG or Oklahoma Academic Standards and are shared with families.

(3) Curriculum or lesson plans provide for the children's various ages, abilities, developmental stages, social-emotional development, special needs, and interests.

(4) Caregivers lead and participate daily in at least two developmentally-appropriate physical activities for all children.

(5) In addition to curriculum or lesson plans, children 2 years of age and older are given the opportunity to join enhancement activities promoting basic skills and higher level thinking.

(A) Enhancement activities:

(i) are conducted routinely throughout the year;

(ii) documented on the lesson plan; and

(iii) may be rotated based on children's needs and interests.

(B) Four-star homes implement one or more enhancement activities, and five-star homes implement two or more enhancement activities. Examples may include:

- (i) outdoor interest areas;
- (ii) indoor interest areas;
- (iii) invitations to play helping children reflect on and extend their learning;
- (iv) nature-related activities;
- (v) social studies;
- (vi) community involvement;
- (vii) health and physical wellness;
- (viii) nutrition;
- (ix) foreign language;
- (x) theater;
- (xi) sign language;
- (xii) cooking lessons;
- (xiii) science, technology, engineering, art, and math (STEAM);
- (xiv) on-site contracted activities, such as dance lessons, gymnastics lessons, or sports;
- (xv) life skills; or
- (xvi) activities promoting Native American culture and language.

340:110-1-8.9. Family partnership criteria

(a) **Two-, three-, four-, and five-star center criteria.** Family partnership criteria in (1) through (7) of this subsection are required for all star levels.

(1) A system is established and maintained for sharing and communicating with families any confidential information specific to the child's physical and emotional state.

(2) A system is established and maintained for sharing and communicating program information to families. Programs inform families using at least two methods in (A) through (E) of this paragraph. Methods are:

- (A) a bulletin board;
- (B) a newsletter;
- (C) a parent handbook;
- (D) a website, specific to each program location; or
- (E) email, social media, or other electronic communication.

(3) Families are welcomed in the program at all times, such as mealtimes and classroom observation or volunteering.

(4) Individual family conferences are offered and encouraged, at least annually, discussing children's progress, challenges, and

accomplishments, and establishing goals. Documentation is maintained with the child's records. Out-of-school time programs offer conferences when needed or requested.

(5) Programs provide a family resource area with books, pamphlets, or parenting articles and community resources and, provide referral information, when indicated. When provided electronically, resources are easily accessible and printable. Resources are available in languages representing the program's families.

(6) At least two family events with guest speakers or special activities are conducted annually, such as open houses, brown bag lunches, family pot-luck dinners, and children's programs. These events may be held in conjunction with individual family conferences.

(7) Children and families' home languages and cultures are respected by adapting communication methods.

(b) **Four- and five-star center criteria.** Family partnership criteria in (a) of this Section are required. In addition:

(1) individual family conferences are offered and encouraged at least twice annually. Programs operating only part-year offer and encourage at least one individual parent conference annually. A written report regarding the child is provided to families and maintained in the child's file. Out-of-school time programs offer conferences when needed or requested; and

(2) at least four family events with guest speakers or special activities are conducted annually, such as open houses, brown bag lunches, family pot-luck dinners, and children's programs. These events may be held in conjunction with individual family conferences.

(c) **Two-, three-, four-, and five-star home criteria.** Family partnership criteria in (1) through (7) of this subsection are required. The primary caregiver:

(1) maintains a signed contract on file for each family including, but not limited to, policy concerning hours, fees, payment schedules, vacations, and terminations;

(2) encourages family visitation when children are present and provides access to all child care areas;

(3) offers and encourages individual family conferences at least annually, discussing children's progress, accomplishments, and challenges, and establishing children's goals. Documentation is maintained with the child's records;

(4) provides at least two family involvement opportunities annually;

(5) has information available regarding common childhood issues including health care, education, nutrition, and family counseling services, and provides referral information when indicated; and

(6) ensures applicable Licensing requirements are available to families; and

(7) respects children's and families' home languages and cultures by adapting communication methods.

(d) **Four- and five-star home criteria.** Family partnership criteria in (c) of this Section and (1) and (2) of this subsection are required. The primary caregiver:

- (1) provides families at least two non-relative references, including contact information;
- (2) establishes and maintains a system for sharing and communicating with families information specific to the child's physical and emotional state; and
- (3) provides at least three family involvement opportunities annually.

[Source: Added at 29 Ok Reg 1229, eff 7-1-12 ; Amended at 33 Ok Reg 1683, eff 11-1-16 ; Amended at 35 Ok Reg 1732, eff 11-1-18 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-1-9. Case management

(a) **Periodic monitoring visits.** Licensing staff conducts a minimum of three, unannounced monitoring visits to programs operating a full-year, and two, unannounced monitoring visits annually to programs operating less than a full-year. Licensing staff varies the monitoring visit times, including a lunch observation and an evening visit to child care centers with extended hours.

(b) **Ongoing monitoring.** During monitoring visits, Licensing staff observes the entire facility, including the outdoor play space and transportation vehicles, when available. At, or subsequent to each monitoring visit, Licensing staff verifies:

- (1) compliance with Licensing requirements;
- (2) compliance with stars criteria, per Oklahoma Administrative Code (OAC) 340:110-1-8.3;
- (3) new personnel records including personnel sheets and compliance with background investigations, per OAC 340:110-1-8.1;
- (4) personnel professional development records;
- (5) the Oklahoma Department of Human Services (DHS) database on applicable individuals, per OAC 340:110-1-8.1;
- (6) fire and health inspections within the last 24 months, when applicable;
- (7) Form 07LC092E, Insurance Verification, within the last 12 months, or posting of Form 07LC093E, Insurance Exception Notification; and
- (8) other documentation requiring renewal.

(c) **Technical assistance and consultation.** Licensing staff provides:

- (1) technical assistance to licensees assisting them in meeting minimum requirements; and
- (2) consultation on various aspects of quality child care.

(d) **Agreements with tribal licensing programs and other monitoring agencies.** DHS may enter into a cooperative licensing agreement with a tribal licensing program or other monitoring agency.

(e) **Equipment inventory.** Licensing staff completes Form 07LC006E, Equipment Inventory for Child Care Programs, prior to license issuance. Licensing staff or the program may complete the appropriate equipment

inventory prior to a change in class and prior to a capacity increase in a child care center, day camp, drop-in, out-of-school time, part-day program, or program for sick children. Inventories document the available equipment and the items needed to comply with the equipment requirements. Licensing staff may conduct a complete inventory when concern exists about the availability of required equipment.

(f) Address change.

- (1) When a program moves to a new address, Licensing staff:
 - (A) obtains an updated Form 07LC004E, Request for License Child Care Program;
 - (B) conducts a monitoring visit verifying that the new location meets Licensing requirements;
 - (C) obtains new fire and health inspections for a child care center, day camp, drop-in, out-of-school time, part-day program, or program for sick children, when applicable;
 - (D) obtains Oklahoma Department of Environmental Quality approval, when applicable;
 - (E) completes Form 07LC057E, Physical Plant, with required calculations; and
 - (F) requests a permit or license issuance reflecting the address change.
- (2) When an address change involves care provided in a location other than the primary caregiver's residence, refer to OAC 340:110-1-6(a)(3).

(g) Program name change. When there is a program name change, Licensing staff verifies there is no ownership change, and documents the name change in the case file and database. A new Form 07LC004E, Request for License Child Care Program, reflecting the program name change is completed. Licensing staff requests a permit or license issuance reflecting the new program name.

(h) Director change. When there is a director change, Licensing staff:

- (1) verifies the new director meets qualifications;
- (2) obtains the applicable page of Form 07LC004E, Request for License Child Care Program, completed by the new director;
- (3) obtains references;
- (4) obtains an appropriate, completed Form 07LC117E, Compliance Review for Child Care Programs, from the director, when the director has no previous director experience;
- (5) notifies the new director of current personnel, who are granted waivers; and
- (6) documents the information on Form 07LC080E, Licensing Services Supplemental Information.

(i) Master teacher change. When an individual replaces a master teacher:

- (1) Form 07LC031E, Probationary Master Teacher Agreement, is completed;
- (2) the probationary master teacher is granted a one-year probationary period to fulfill the master teacher educational qualifications per applicable Licensing requirements and Quality Rating and Improvement System (QRIS) criteria, when applicable; and

(3) Licensing may extend the probationary period for a second year, providing the probationary master teacher is actively pursuing educational qualifications as identified on Form 07LC031E.

(j) **Primary caregiver change.** When there is a primary caregiver change, Licensing staff:

- (1) verifies the primary caregiver meets qualifications;
- (2) obtains the applicable page of Form 07LC004E, Request for License Child Care Program, completed by the new primary caregiver;
- (3) obtains references;
- (4) notifies the new primary caregiver of current personnel, who are granted waivers; and
- (5) documents the information on Form 07LC080E, Licensing Services Supplemental Information.

(k) **Facility household change.** Facility household changes are documented on the monitoring summary. Form 07LC096E, Criminal History Review Request for Programs, must be submitted prior to a new adult residing in the facility. When there is a new adult residing in a facility, the required documentation includes:

- (1) the applicable page of Form 07LC004E, Request for License Child Care Program, completed by the new adult;
- (2) background investigations, per OAC 340:110-1-8.1; and
- (3) a DHS database search.

(l) **Change in ownership.** When there is a change in ownership or a change in the form of business organization of a child care program, the case is closed and a new Form 07LC004E, Request for License Child Care Program, is obtained. Prior to permit or license issuance, the program must be in compliance with background investigations, per OAC 340:110-1-8.1. A permit may be issued when a monitoring visit without numerous, repeated, or serious non-compliances was conducted within the past 60-calendar days. A full-monitoring visit is conducted within 14-calendar days of change of ownership verifying the new owner meets minimum Licensing requirements.

(m) **Transitional change of ownership.** When a program requests a transitional change of ownership (1) through (6) of this subsection are followed.

(1) Licensing staff conducts a monitoring visit within five DHS-business days, verifying compliance with Licensing requirements and, obtains:

- (A) Form 07LC015E, Transitional Change of Ownership, completed by the current and prospective owners;
- (B) Form 07LC004E, Request for License Child Care Program, completed by the prospective owner; and
- (C) updated program personnel information on Form 07LC002E, Personnel Summary, verifying that the prospective owner employs the same personnel as the current owner, at the time of transitional change of ownership.

(2) Transitional change of ownership procedures for star certification are met, per OAC 340:110-1-8.3; when applicable.

(3) Periodic and ongoing monitoring is maintained, per (a) and (b) of this Section.

(4) All Licensing monitoring and correspondence are provided to both the current and prospective owners.

(5) Change of ownership procedures are followed, per (l) of this Section by the end of 90-calendar days, when applicable.

(6) When programs notify Licensing that transitional change of ownership is no longer proceeding, Licensing staff verifies program operation status and consults with the supervisor for appropriate action.

(n) **Change in class.** When a program requests a change in class, procedures in (1) through (2) of this subsection are followed.

(1) The case is closed and a new Form 07LC004E, Request for License Child Care Program, is required, when a:

(A) family child care home converts to a child care center, day camp, drop-in, out-of-school time, part-day program, or program for sick children; or

(B) child care center, day camp, drop-in, out-of-school time, part-day program, or program for sick children converts to a family child care home.

(2) Other requests for change in class do not require case closure and, documentation includes:

(A) a request in writing from the owner;

(B) a new Form 07LC004E, Request for License Child Care Program, with updated information;

(C) documentation that the program meets the requirements for the requested class type;

(D) the appropriate equipment inventory, when applicable;

(E) a current, approved fire inspection, when applicable;

(F) a current, approved health inspection, when applicable; and

(G) appropriate class and monitoring frequency plan database updates.

(o) **Capacity increase or decrease.** When a program requests a capacity increase or decrease, it is documented on Form 07LC080E, Licensing Services Supplemental Information, and must be approved by the supervisor. The program must not have a history of numerous, repeated, or serious non-compliance, and provide:

(1) the reason for the increase;

(2) an updated floor plan on Form 07LC057E, Physical Plant, reflecting adequate indoor and outdoor space, toilets, and sinks for the increase and other changes;

(3) fire department approval of space not previously inspected;

(4) health approval of additional food preparation space not previously inspected;

(5) an updated equipment inventory reflecting adequate equipment for the increase; and

(6) verification of the required number of master teachers.

(p) **Inactive programs.** A program is in inactive status when care was not provided for more than 90-calendar days.

(1) A program remaining open after 90-calendar days submits a request in writing, including a statement that the owner will notify Licensing prior to resuming care. Licensing staff verifies compliance with requirements prior to resuming care.

(2) The program is contacted by Licensing staff, a minimum of every four months by phone, letter, or email to update program status including new household members or other program changes, per (k) of this Section.

(3) Voluntary closure is discussed with the owner and an agreement to close is reached, when possible.

(4) Licensing staff visits the inactive program, at least once during the 12-month timeframe verifying compliance with Licensing requirements until closure is final or the program resumes care.

(5) When an address change occurs when a program is in inactive status, a monitoring visit is required and address change procedures are followed per (f) of this Section.

(q) Inactive program closure. Procedures (1) - (4) of this subsection are followed when closing an inactive program.

(1) To verify program status, Licensing staff contacts the owner during the 12th month of inactive status.

(2) Licensing documents program status on Form 07LC080E, Licensing Services Supplemental Information, and notifies the owner the case will be closed when care does not resume, prior to the end of the 12th month.

(3) When care was not provided for 12-consecutive months or more, Licensing staff provides a letter notifying the owner of case closure within 10-calendar days of letter receipt, unless Licensing is notified care resumed.

(4) The case is closed and the owner must reapply and be approved for a new license prior to resuming care, per OAC 340:110-1-6.

(r) Response to a child death. When notified of a child death while in child care, Licensing staff:

(1) completes Form 07LC079E, Child Death Report, and forwards it to the statewide licensing coordinator or designee; and

(2) visits the program as soon as possible, unless advised otherwise by law enforcement officials.

(s) Serious incident reports. The supervisor submits serious incident reports to the regional programs manager, county director, and statewide licensing coordinator.

(t) Self-reported incidents. When a provider self-reports a non-compliance incident, Form 07LC080E, Licensing Services Supplemental Information, is completed and the Licensing database is updated.

Therefore, on 9-15-16 (after the 9-14-16 expiration of this emergency action), the text of 340:110-1-9 reverted back to the permanent text that became effective 7-1-12, as was last published in the 2015 OAC Supplement, and remained as such until amended by permanent action on 11-1-16.*

340:110-1-9.1. Certification of child care facilities to receive increased reimbursement rate for the care of children with disabilities

(a) **Purpose.** Certification is the process through which Child Care Services (CCS) licensing staff documents a child care program meets certification requirements for a child with disabilities.

(1) Certification is required for a provider to receive the child care rate for a child with disabilities.

(2) To qualify for the higher rate the:

(A) program must be licensed, have a provider contract, and be certified to care for the child;

(B) child's family must be eligible for Oklahoma Department of Human Services (DHS) subsidized child care services; and

(C) child must be receiving benefits from at least one source listed in (i) - (iii) of this subparagraph.

(i) Supplemental Security Income (SSI) benefits;

(ii) SoonerStart, early intervention program for children birth to 3 years of age; or

(iii) Special Education Services, public school program for children 3 years of age and older.

(b) **Initial approval for certification.** For initial approval for certification the procedures contained in this subsection are followed.

(1) Upon receipt of Form 08AD006E, Certification for Special Needs Child Care Rate for Licensed Child Care Homes and Centers, the licensing staff contacts the program by phone within five DHS business days when a monitoring visit has been made in the last four months. When a monitoring visit has not been made within the last four months the licensing staff visits the child care program within 10 DHS business days.

(2) Approval for certification is based upon verification:

(A) the program director or primary caregiver has completed Form 08AD006E, agreeing to meet the individual needs of the child;

(B) the program has a previous record of compliance with minimum licensing requirements. A program on a six-month permit may be certified when currently in compliance with licensing requirements; and

(C) the program personnel who work with the child have received on-site consultation regarding the nature of the child's disability and the development of a child care plan, to include staffing, equipment, and specialized professional development needs. The consultant provides resource materials to the program for future reference. After initial certification, the program personnel who work with the child must conduct and document annual conferences with the child's parent or guardian to review the needs of the child. When the child's needs have changed, the procedures in (4) of this subsection are followed; and

(D) within six months of certification, appropriate personnel obtain six hours of specialized professional development in areas addressing care of children with disabilities.

(i) The program director and at least one personnel or primary caregiver who works directly with the child must receive specialized professional development. It is preferable all personnel who work with the child are trained.

(ii) First aid, CPR, or informal professional development is not counted to meet the specialized professional development requirement.

(iii) Recommended specialized professional development includes SoonerStart training, specialized workshops, or conferences addressing the care of children with special needs.

(3) Upon completion of Form 08AD006E, the licensing staff sends the form to the Adult and Family Services (AFS) Child Care Subsidy state office staff. Copies of Form 08AD006E and the monitoring checklist and summary are sent to the licensing supervisor, and copies are maintained in the program's file.

(4) Once the child is approved for one of the special needs rates, a new Form 08AD006E is required when:

(A) the child's needs change;

- (B) the child moves to a different child care program;
- (C) the child stops attending the program approved for the special needs rate for more than six months; or
- (D) licensing staff withdraw the provider's special needs certification per (d) of this Section and the provider subsequently demonstrates compliance.

(5) When the licensing staff documents certification requirements have not been met, the licensing supervisor reviews the documentation and approves the denial. The licensing staff inform the provider in writing within 30 calendar days of the initial receipt of Form 08AD006E of the certification criteria that have not been met and the right to request an administrative review.

(6) A request for an administrative review must be submitted in writing to the statewide licensing coordinator or designee within 10 calendar days of notification. An administrative review is conducted within 10 calendar days of receipt of the request.

(7) The administrative review committee consists of the statewide licensing coordinator or designee and two staff from CCS.

(8) The program and AFS are notified in writing by the statewide licensing coordinator of the administrative review decision.

(c) **Ongoing monitoring.** The procedure for ongoing monitoring contained in this subsection is followed.

(1) **Periodic monitoring visits.** During periodic monitoring visits, the licensing staff completes Form 07LC008E, Special Needs Rate Monitoring Report, and verifies certification requirements are met for each child certified, including:

- (A) annual conference with the child's parent or guardian;
- (B) director and personnel or primary caregiver have specialized professional development relative to care of children with disabilities; and
- (C) observations indicating the program is meeting the individual needs of the child as recorded on Form 08AD006E.

(2) **Violations.** All violations observed are documented on Form 07LC008E, Licensing Services Supplemental Information, and a plan of correction is developed with agreed-upon time frames for correction of violations. When there are serious or ongoing violations of certification requirements, a letter is sent to the operator documenting the violations, plan of correction, and a copy is sent to the parent(s) of the child with special needs who is affected by the violation(s).

(3) **Changes in program personnel.** As personnel changes occur, a new director, personnel, or primary caregiver who work directly with the child must obtain specialized professional development within six months of that assignment.

(d) **Withdrawal of certification.** Withdrawal of certification occurs when there is documentation of serious or ongoing violations of certification requirements or when DHS has issued an Emergency Order or a notice of proposed denial or revocation of license. Violations of certification requirements are different from non-compliance with licensing requirements, although they may involve the same issue, for

example, understaffing. When violations are not corrected and represent a potential risk to the child, such as serious understaffing in the child's room or personnel without first aid training, the procedure in this subsection is followed.

- (1) The licensing staff reviews the case with his or her supervisor.
- (2) An office conference is held with the provider at which time the provider is notified certification is being withdrawn and has the right to request an administrative review of the decision.
- (3) A letter is sent to the provider documenting withdrawal of certification and the right to request an administrative review of the decision. When the provider did not attend the office conference, the letter is sent by certified mail. A copy of the letter is sent to the appropriate county office staff responsible for child care assistance who is responsible for notifying the parent and provider of the rate change and its effective date.
- (4) A request for an administrative review must be submitted in writing by the program to the statewide licensing coordinator or designee within seven calendar days of receipt of the letter. An administrative review is conducted within 10 calendar days of receipt of the request.
- (5) The administrative review committee consists of the statewide licensing coordinator or designee and two staff from CCS.
- (6) The program and AFS Child Care Subsidy are notified in writing by the statewide licensing coordinator or designee of the administrative review decision.
- (7) A provider may reapply for certification when compliance with certification requirements has been reestablished.

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency amendatory action, the last effective permanent text of the Section is reinstated. Therefore, on 7-15-00 (after the 7-14-00 expiration of this emergency action), the text of 340:110-1-9.1 reverted back to the permanent text that became effective 7-1-99, as was last published in the 1999 OAC Supplement, and remained as such until amended again by emergency action on 12-1-00.*

340:110-1-9.2. Complaint investigations

(a) **Legal basis.** The Oklahoma Child Care Facilities Licensing Act (Act), Section 406 of Title 10 of the Oklahoma Statutes (10 O.S. § 406), mandates that Oklahoma Human Services conduct a full complaint investigation alleging violation against the Act or Licensing

requirements.

(b) **Complaint receipt.** Complaints may be made to Licensing in writing, in person, by phone, or electronically.

(c) **Complaint information.** Licensing staff obtains as much relevant information as possible from the complainant.

(d) **Screening complaints.** Licensing staff accepts a complaint for investigation when alleging:

- (1) non-compliance with Licensing requirements;
- (2) violation of the Act;
- (3) unlicensed facility operation; or
- (4) abuse or neglect of a child in care.

(e) **Duplicate complaint.** Allegations received by a different complainant regarding a previously reported incident may be considered a duplicate complaint.

(1) Duplicate complaints:

(A) must involve the same child(ren), program personnel, and incident date and time;

(B) require supervisory approval before proceeding with duplicate complaint processes;

(C) received during a pending investigation are documented on the existing Form 07LC012E, Licensing Complaint, and considered part of the initial complaint; and

(D) received after the investigation is complete are documented on Form 07LC080E, Licensing Services Supplemental Information, and included with the initial complaint investigation documentation; regardless of the duplicate allegation receipt timeframe.

(2) When a duplicate complainant provides additional allegations:

(A) during a pending investigation, allegations are investigated with the initial complaint allegations; or

(B) after investigation completion, the allegations are investigated as a new complaint and documented on Form 07LC012E.

(3) Prior to investigation completion, Licensing informs licensed programs when a duplicate complaint is reported and when additional allegations are investigated.

(4) Allegations of an unlicensed facility operation may be considered a duplicate complaint.

(f) **Complaint risk levels.** Licensing staff determine risk levels based on the degree of harm or danger to children in care. Risk levels are used to ensure investigations occur timely .

(1) **Risk level I complaints.** Risk level I complaints indicate a child is in imminent risk of serious physical harm. The risk level is not influenced by the removal of a child from the facility when other children remain in care. Investigations are initiated immediately or no later than 24 hours after receipt by Licensing unless awaiting a Child Welfare Services (CWS) or local law enforcement investigation; excluding weekends and holidays when the facility is closed. Non-compliances with licensing requirements include, but are not limited to:

- (A) alleged physical or sexual abuse;
- (B) the presence or use of illegal drugs while children are in care;
- (C) drug distribution;
- (D) children left in the facility or in a vehicle without anyone present;
- (E) facility temperatures;
- (F) infant sleep environments and safe-sleep training;
- (G) caregiver's threatening or impaired behavior;
- (H) severe understaffing or severe over licensed capacity;
- (I) child passenger restraints;
- (J) Emergency Order violation;
- (K) required staff without current cardio-pulmonary resuscitation and first aid training;
- (L) failure to obtain background investigations; or
- (M) knowingly permitting access to children by individuals identified as restricted or Restricted Registry registrants.

(2) **Risk level II complaints.** Risk level II complaints do not indicate there is imminent risk of harm, but without intervention, a child may not be safe. Investigations are initiated within 10-calendar days of receipt by Licensing, unless requested to delay the investigation by CWS or local law enforcement. Non-compliances with licensing requirements include, but are not limited to:

- (A) leaving children with underage personnel;
- (B) alleged physical abuse from personnel no longer working in the facility;
- (C) inappropriate discipline, when no injury is reported;
- (D) diapering or toileting;
- (E) hazardous equipment;
- (F) transporting without a valid driver license, liability insurance, or parent permissions;
- (G) lack of supervision; or
- (H) minor understaffing or minor over licensed capacity.

(3) **Risk level III complaints.** Risk level III complaints do not indicate imminent risk of harm and there are no injuries alleged. Serious non-compliances, per Oklahoma Administrative Code (OAC) 340:110-1-9.3 are not considered risk level III complaints. Investigations are initiated within 15-calendar days of receipt by Licensing; including when a phone investigation is appropriate, per (g) of this Section. Non-compliances with licensing requirements include, but are not limited to:

- (A) inadequate meal service;
- (B) lack of play equipment;
- (C) quarterly vehicle maintenance;
- (D) program records and documentation;
- (E) inappropriate television or media use; or
- (F) facility cleanliness.

(g) **The investigation.** Licensing staff conducts a full investigation, obtaining sufficient information to determine a finding.

(h) **Phone investigation.** With supervisory approval, Licensing staff may investigate a complaint by phone. The investigation discussion is documented on Form 07LC080E, Licensing Services Supplemental Information, including an agreed-upon plan of correction, when necessary, and provided to the operator. A complaint is investigated by phone only when:

- (1) the alleged non-compliance does not place children at risk of harm, such as, the facility did not serve milk one day or children have head lice;
- (2) the facility has not had numerous, repeated, or serious non-compliance within the previous 12 months from complaint receipt; and
- (3) a monitoring visit was conducted in the last three months with substantial compliance documented.

(i) **Unlicensed facility investigations.** When a complaint alleging operation of an unlicensed facility is received, the procedure, per OAC 340:110-1-13, is also followed.

(j) **Child abuse and neglect complaints.** On receipt of abuse or neglect allegations of a child in care, Licensing staff immediately notifies the Licensing supervisor and submits a CWS referral. When the allegation involves child abuse or neglect or a report indicating a child is in imminent risk of serious physical harm, the regional programs manager is also notified.

(k) **Findings.** After investigation completion, the Licensing staff, in consultation with the supervisor, as appropriate, determines the complaint finding as substantiated or unsubstantiated.

- (1) **Substantiated.** A substantiated finding is determined when some credible evidence indicates the facility violated Licensing requirements or the Act.
- (2) **Unsubstantiated.** An unsubstantiated finding is determined when:
 - (A) insufficient evidence exists to fully determine whether a violation occurred; or
 - (B) no violation of Licensing requirements or the Act occurred.

(l) **Documentation of findings.** Upon investigation completion, Licensing staff:

- (1) documents the findings;
- (2) notifies the provider of complaint allegations and findings by providing:
 - (A) a complaint findings cover letter;
 - (B) Form 07LC081E, Licensing Complaint Report Summary; and
 - (C) Form 04CP004E, Child Welfare Investigative Summary Notification to Child Care Licensing Services, when applicable; and
- (3) updates the Licensing database and closes the complaint. Licensing staff and a supervisor complete the complaint review checklist.

(m) **Heinous and shocking abuse findings.** Per 10 O.S. § 406, when Licensing receives notification from CWS of heinous and shocking abuse

findings by a person responsible for the child's health, safety, or welfare as defined, per 10A O.S. §1-1-105, Licensing contacts the program by email immediately or not later than one-business day after the substantiated finding notification.

(n) **Notice to Comply.** When a complaint allegation is substantiated, Licensing staff advises the facility to correct the violations immediately and requests the facility complete Form 07LC037E, Notice to Comply, per OAC 340:110-1-9.3(d)(7). Licensing staff updates the Licensing database with plan of correction information.

(o) **Summary of facts.** Licensing provides facility directors and owners or primary caregivers a summary of the facts used to evaluate and determine the complaint findings.

(p) **Complaint overview.** Licensing staff completes an overview of completed complaint investigations on Form 07LC080E, Licensing Services Supplemental Information. This overview provides an investigation summary of how the complaint findings were determined and is maintained in the case record's confidential section.

[Source: Added at 13 Ok Reg 325, eff 5-18-95 (emergency); Added at 13 Ok Reg 499, eff 11-14-95 (emergency); Added at 13 Ok Reg 2663, eff 6-28-96; Amended at 16 Ok Reg 2527, eff 7-1-99; Amended at 18 Ok Reg 2144, eff 6-11-01; Amended at 19 Ok Reg 221, eff 11-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02; Amended at 21 Ok Reg 910, eff 6-1-04; Amended at 22 Ok Reg 1304, eff 6-1-05; Amended at 24 Ok Reg 1351, eff 7-1-07; Amended at 25 Ok Reg 1962, eff 7-1-08; Amended at 26 Ok Reg 415, eff 11-20-08 (emergency); Amended at 26 Ok Reg 2239, eff 7-1-09; Amended at 27 Ok Reg 1869, eff 7-1-10; Amended at 28 Ok Reg 1669, eff 7-1-11; Amended at 30 Ok Reg 1376, eff 7-1-13; Amended at 37 Ok Reg 1858, eff 11-1-20; Amended at 40 Ok Reg 1033, eff 9-15-23; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-1-9.3. Non-compliance with requirements

(a) **Non-compliance documentation.** Licensing staff clearly and concisely documents areas of non-compliance on the monitoring checklist and summary, including operator discussion.

(1) A plan of correction, including a specific agreed-on time period for non-compliance correction is documented on the monitoring summary. When a previous non-compliance was not corrected by the agreed-on time period, the non-compliance is documented again with a shorter plan of correction date.

(2) Immediate correction is required when the non-compliance directly impacts children's health, safety, or well-being.

(3) Licensing staff requests the operator's signature on the monitoring summary, explaining the signature indicates acknowledgment of recorded information.

(4) When the operator or individual in charge refuses to sign, the refusal is documented on the monitoring summary.

(5) The operator is provided a monitoring summary copy.

(6) Timeframes for filing a grievance are provided on the monitoring summary. Refer to grievance procedures, per Oklahoma Administrative Code (OAC) 340:110-1-15.

(b) **Referrals to fire and health officials.** When non-compliance regarding fire or health requirements places children at risk or remains uncorrected, Licensing staff requests an inspection by a fire, health, or Oklahoma Department of Environmental Quality official. When there is non-compliance regarding smoke detectors, the child care provider is

provided a copy of the Smoke Detector Law, Section 324.11A of Title 74 of the Oklahoma Statutes (74 O.S. § 324.11A). When the non-compliance is not corrected by the third monitoring visit or is repeated, copies of the monitoring summaries are provided with a cover letter to the appropriate fire official.

(c) **Numerous, repeated, and serious non-compliance.**

(1) Numerous non-compliance is monitoring visits with:

- (A) five or more Licensing requirement sections documented as non-compliant on the monitoring checklist for a family child care home or large child care home;
- (B) six or more Licensing requirement sections documented as non-compliant on the monitoring checklist for a child care center, day camp, drop-in, out-of-school time, part-day program, or program for sick children with a licensed capacity of less than 60; or
- (C) seven or more Licensing requirement sections for a child care center, day camp, drop-in, out-of-school time, part-day program, or program for sick children with a licensed capacity of 60 or more.

(2) Repeated non-compliance is three or more documented incidents of non-compliance with the same requirement within the last 12 months. Missing immunizations are considered a repeated non-compliance when regarding the same child.

(3) Serious non-compliance is non-compliance with Licensing requirements exposing children to conditions presenting an imminent risk of harm based on the child's age, the amount of time the operator was out of compliance, and the operator's efforts to mitigate the risk. Serious non-compliance is identified through Licensing observations, confirmed complaint investigations, and/or self-reported incidences. Failure to comply with licensing requirements that may be considered as serious non-compliance include:

- (A) staff-child ratio;
- (B) child supervision;
- (C) infant sleep environments and safe-sleep training;
- (D) prohibited disciplinary actions;
- (E) licensed capacity;
- (F) transportation;
- (G) water activities;
- (H) pools and other water hazards;
- (I) multiple hazards;
- (J) weapons;
- (K) failure to report child abuse or human trafficking;
- (L) knowingly permitting access to children by individuals identified as restricted or Restricted Registry registrants;
- (M) failure to obtain background investigations or Restricted Registry searches;
- (N) medication administration;
- (O) room temperatures;
- (P) heat sources and/or loss of any utility service; and
- (Q) cardio-pulmonary resuscitation and first aid training.

(d) **Case management responses to non-compliant facilities.** One or more responses in this subsection are used when there is numerous, repeated, or serious non-compliance.

(1) **Technical assistance.** Licensing staff offers technical assistance, including referrals to consultants or professional development resources, assisting the operator in meeting and maintaining Licensing requirements.

(2) **Follow-up phone call to the program.** Phone calls are documented on Form 07LC080E, Licensing Services Supplemental Information, and a copy provided to the program.

(3) **Non-compliance letters.** A non-compliance letter may be written to the operator. Licensing staff provides a monitoring summary copy with the non-compliance letter to the owner or registered agent, when applicable.

(4) **Return monitoring visit.** A return monitoring visit may be conducted when there is numerous, repeated, or serious non-compliance with Licensing requirements or when non-compliance places children at imminent risk of harm. When the non-compliance is associated with a specific time of day, such as understaffing after school or a lack of early morning supervision, the return monitoring visit is conducted at the approximate time.

(5) **Use of witnesses.** A witness may accompany Licensing staff when the program had numerous, repeated, or serious non-compliance or is considered for request for license denial or license revocation. The witness may be an Oklahoma Department of Human Services (DHS) employee or a representative from the health or fire department, or law enforcement. The witness signs the monitoring summary.

(6) **Increased monitoring visits.** Licensing staff may increase monitoring frequency plans when there were numerous, repeated, or serious non-compliance or when the need for additional technical assistance is indicated.

(7) **Notice to comply.** Licensing staff provides the operator with Form 07LC037E, Notice to Comply, and the operator documents the plan of correction. Immediate correction may be required when the non-compliance places children's health, safety, or well-being at risk.

(A) When the plan submitted is unacceptable to Licensing staff, Licensing staff negotiates a revised plan, and requests resubmission within 10-calendar days.

(B) When Form 07LC037E, Notice to Comply, is not submitted within the specified time period, Licensing staff contacts the operator and documents the conversation.

(C) When non-compliances continue to place children at risk, Licensing staff provides a letter stating the non-compliances and/or continued failure to correct non-compliances may result in request for license denial, license revocation, filing of an injunction, or Emergency Order.

(8) **Office conference.** Licensing staff may schedule an office conference with the owner and/or operator. The Licensing

supervisor is present at the office conference. The regional programs manager (RPM) is informed of the office conference and may be present, when necessary.

(A) Program status, areas of non-compliance and progress toward meeting the plan(s) of correction are reviewed and technical assistance is offered.

(B) The office conference is documented on Form 07LC080E, Licensing Services Supplemental Information, and is signed by Licensing staff, the operator, and witnesses. This documentation includes a list of individuals present, conference purpose, and re-verification of ownership documentation.

(C) Form 07LC037E, Notice to Comply, is completed when one addressing these issues was not previously completed.

(9) **Consent agreement.** Child Care Services (CCS) and the program owner may enter into a consent agreement when the program owner agrees to specific conditions in lieu of request for license denial or license revocation, per OAC 340:110-1-9.5.

(10) **Revocation or denial.** Licensing staff may recommend the request for license be denied or license revoked when numerous, repeated, or serious non-compliance with requirements was observed and documented or the program failed to adequately protect children, per OAC 340:110-1-10.

(11) **Voluntary cease care.** With CCS State Office approval, the owner is asked to voluntarily cease caring for children. The RPM is notified of every situation involving a request for voluntary cease care.

(12) **Voluntary closure.** With CCS State Office approval, the owner is asked to voluntarily close the facility, per OAC 340:110-1-11.

(e) **Case management responses when children are at risk.** When Licensing staff documents non-compliance with requirements or is investigating a complaint that may place children's health, safety, or well-being at imminent risk of harm, options to consider with the operator and licensing supervisor are outlined in this subsection.

(1) The operator is asked to immediately correct the non-compliance, such as, program personnel will not be present or work alone with children at the facility pending the outcome of an investigation.

(2) With CCS State Office approval, the owner is asked to voluntarily cease child care until the non-compliance is corrected or the investigation is complete.

(3) With CCS State Office approval, the owner is asked to voluntarily close the facility.

(4) When immediate action is needed to protect children, Licensing staff requests an Emergency Order, per OAC 340:110-1-9.4.

(5) The owner and CCS agrees to enter into a consent agreement when the program owner agrees to specific conditions in lieu of request for license denial or license revocation, per OAC 340:110-1-9.5.

(6) Licensing staff may recommend the request for license be denied or license be revoked when numerous, repeated, or serious non-compliance with requirements was observed and documented or the program failed to adequately protect children, per OAC 340:110-1-10.

(7) An injunction may be requested when a child care program is:

- (A) unlicensed;
- (B) on request for license status;
- (C) licensed;
- (D) violating an Emergency Order;
- (E) operating during an appeal following request for license denial or license revocation and children are at risk; or
- (F) violating the notice to cease and desist care following request for license denial or license revocation.

(f) **Notification to supervisor when children are at risk.** During a monitoring visit when Licensing staff is concerned children's health, safety, or well-being is at imminent risk, the Licensing supervisor or CCS State Office staff is contacted immediately.

(g) **Alternative method of compliance.** CCS may approve an alternative method of compliance to a minimum Licensing requirement. An alternative method of compliance may be authorized when Licensing determines the alternative method of compliance offers equal protection of children's health, safety, and well-being, meets the requirement's basic intent for the requested alternative compliance, and does not violate statutory requirements.

(1) An applicant or licensee submits a written request with supporting documentation on Form 07LC061E, Alternative Compliance Request, to Licensing staff. A separate alternative method of compliance request is submitted for each requirement identified.

(2) Licensing staff completes Form 07LC105E, Alternative Compliance Referral, and submits all documentation to the statewide licensing coordinator or designee.

(3) Approval of an alternative method of compliance does not set a precedent, and is independently evaluated on the merits of each request.

(4) The program's compliance record is considered when determining approval.

(5) An alternative method of compliance is not authorized for requirements affecting children's health and safety, such as exceeding licensed capacity or staff-child ratios, fire safety, or behavior and guidance.

(6) Form 07LC075E, Notice of Alternative Compliance, stating the nature of the exception, is posted with the license.

[Source: Added at 13 Ok Reg 499, eff 11-14-95 (emergency); Added at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 16 Ok Reg 2527, eff 7-1-99 ; Amended at 18 Ok Reg 2144, eff 6-11-01 ; Amended at 19 Ok Reg 221, eff 11-1-01 (emergency); Amended at 19 Ok Reg 2274, eff 6-27-02 ; Amended at 20 Ok Reg 1259, eff 6-1-03 ; Amended at 21 Ok Reg 910, eff 6-1-04 ; Amended at 22 Ok Reg 1304, eff 6-1-05 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 24 Ok Reg 1351, eff 7-1-07 ; Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 26 Ok Reg 415, eff 11-20-08 (emergency); Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 28 Ok Reg 1669, eff 7-1-11 ;

340:110-1-9.4. Emergency Order

(a) **Purpose.** An Emergency Order directing the closure of a child care facility and/or immediate removal of children may be issued by the Oklahoma Department of Human Services (OKDHS) when there is a direct and serious hazard to the health, safety or welfare of any child cared for by the facility. Examples of serious hazardous situations may include, but is not limited to, circumstances:

- (1) that result in the serious injury or death of a child;
- (2) that place a child at a high risk for death or injury;
- (3) when compelling evidence of child abuse or neglect exists;
- (4) when a child leaves a facility without the staff's knowledge;
- (5) when a child is left at a location away from the facility;
- (6) when a child is left unattended in a vehicle;
- (7) when a child is left alone in a facility;
- (8) when there are serious non-compliance issues;
- (9) when a person is on the premises whose health or behavior would endanger the health, safety, or well-being of children;
- (10) when there is compelling evidence of the presence of illegal drugs and/or drug paraphernalia; or
- (11) continued operation of an unlicensed facility.

(b) **Issuance of Emergency Order.** If the operator is unable or unwilling to correct the hazardous situation and/or refuses to voluntarily cease care of children:

- (1) the licensing specialist or the licensing supervisor submits a request for an Emergency Order to the licensing regional programs manager or assistant licensing coordinator, or statewide licensing coordinator;
- (2) the licensing regional programs manager may contact the operator by phone to determine if the operator will voluntarily cease care of children. A voluntary cease care agreement by the operator does not prohibit the issuance of an Emergency Order; and
- (3) a request for an Emergency Order is considered by the licensing regional programs manager, assistant licensing coordinator, or licensing coordinator within one facility business day. The decision to issue an Emergency Order may be made by the licensing regional programs manager. Upon making a decision, the official will:
 - (A) issue a written Emergency Order, signed by the approving official and notify the licensing specialist, the licensing supervisor, the assistant licensing coordinator, and statewide licensing coordinator; or
 - (B) submit a written denial notice to the licensing specialist, the licensing supervisor, the assistant licensing coordinator, and the statewide licensing coordinator.

(c) **Provisions of the Emergency Order.** The Emergency Order shall provide for:

- (1) basis for the Emergency Order;

- (2) if the facility is to close;
- (3) if children are to be removed from the facility;
- (4) the Emergency Order is effective immediately;
- (5) the Emergency Order remains in effect until modified or rescinded; and
- (6) the right to have a hearing on the Emergency Order.

(d) **Serving of the Emergency Order.** The procedures for serving an Emergency Order are:

- (1) prior to delivery, the licensing specialist contacts law enforcement and requests assistance in serving the Emergency Order on the operator; and
- (2) an Emergency Order is served on the operator within one business day of issuance, or an alternate date, if approved by an assistant licensing coordinator or statewide licensing coordinator.

(e) **Removal of children.** If there is a threat of a direct and serious hazard to the health, safety and welfare of children and the operator is unable or unwilling to correct the situation and immediate removal from the child care facility is indicated, a licensing regional programs manager, assistant licensing coordinator, or statewide licensing coordinator may give verbal approval for removal of children. Parents are provided Form 07LC088E, Notice of Emergency Order, explaining the Emergency Order and how to locate other child care programs. Two options available are:

- (1) the operator and parents are told that the child care facility will not reopen on the following day; or
- (2) parents are contacted and advised to pick up their children immediately. If every effort has been made to contact the parents, and children are at imminent risk of harm, the licensing staff contacts law enforcement to request children be taken into protective custody.

(f) **Duration of Emergency Order.**

- (1) The facility remains closed and care of children by the operator is prohibited pending a hearing on the Emergency Order.
- (2) A review of the Emergency Order is conducted. If the decision to deny or to issue an Emergency Order is made by a licensing regional programs manager, an assistant licensing coordinator reviews all requests for an Emergency Order within three business days from the date of the decision by the licensing regional programs manager. The assistant licensing coordinator provides written notification to the licensing specialist, licensing supervisor, regional programs manager, and statewide licensing coordinator that they:

- (A) concur with the issuance of the Emergency Order;
- (B) issue a modified Emergency Order; or
- (C) rescind the Emergency Order.

(3) Modification or rescission of Emergency Order may occur when there is documentation that the direct and serious hazard has been corrected, or that children are no longer at imminent risk of serious harm.

(4) Licensing staff verify compliance with Emergency Order for a period of 30 days after the action becomes final, unless the

Emergency Order is rescinded within that timeframe.

(g) **Violation of the Emergency Order.** If an operator violates the conditions set forth in the Emergency Order, the licensing specialist, after consultation with the approving official, contacts a CLEET-certified officer for assistance.

(h) **Citation request.** A referral is made on Form 07LC097E, Citation Request, for the assistance of a CLEET-certified officer. The following procedures are followed:

(1) Licensing staff contacts a CLEET-certified officer to schedule a visit to the facility.

(2) Upon violations of conditions set forth in the Emergency Order, a citation may be issued by the CLEET-certified officer for not less than \$100 nor more than \$500 for every day the facility maintains and receives children.

(3) Licensing staff and a CLEET-certified officer monitor the facility until care of children has ceased.

(i) **Referral to the District Attorney (DA).** If violation of Emergency Order occurs, licensing staff consults with regional programs manager for the necessity of a referral to DA. Should a referral be necessary, licensing staff complete Form 07LC098E, District Attorney Referral, that includes documentation of the facts of the case. A copy is sent to the statewide licensing coordinator who informs the OKDHS Legal Division of the referral.

(j) **Referral to the Attorney General.** If no action is taken by a DA of the county where the facility is operating, a referral may be made to the Attorney General by the statewide licensing coordinator or designee.

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency amendatory action, the last effective permanent text of the Section is reinstated. Therefore, on 7-15-00 (after the 7-14-00 expiration of this emergency action), the text of 340:110-1-9.4 reverted back to the permanent text that became effective 7-1-99, as was last published in the 1999 OAC Supplement, and remained as such until amended again by permanent action on 6-11-01.*

340:110-1-9.5. Consent agreement

(a) **Purpose.** The Oklahoma Department of Human Services (OKDHS) may offer to enter into a consent agreement with a facility in lieu of license denial or revocation. If such action has already taken place, a consent agreement may be used during the appeal process if the facility comes into compliance with licensing requirements. The use of a consent agreement is not required prior to denying or revoking a license.

(b) **Process.** When the documented evidence reflects that the facility operator is unable or unwilling to comply with minimum requirements, the Oklahoma Child Care Services (OCCS) licensing staff discusses the use and terms of a consent agreement with the licensing supervisor. If the licensing regional programs manager and the statewide licensing coordinator or designee concur with this action, a meeting is scheduled with the operator.

(1) The operator is asked to provide the names and addresses of all children currently enrolled at the facility.

(2) During the meeting, areas of non-compliance and the terms of the agreement are discussed. The meeting is documented on Form 07LC080E, Licensing Services Supplemental Information, and is signed by the operator, licensing staff, and any witness present. A copy is provided to the operator.

(3) An agreement is written by the statewide licensing coordinator or designee. Terms and time frames of the agreement are based upon the nature and severity of the non-compliance. The agreement may include voluntary restrictions, such as a ban on future admissions of children to the facility, a restriction on the ages of children cared for in the facility, a reduction in the number of children attending the facility or the number of hours the facility may operate each day, specific staff training, drug testing, and medical or psychological evaluation. Time frames to initiate and conclude the terms of the agreement are established and may be extended upon approval of the statewide licensing coordinator or designee and the OKDHS Legal Division.

(4) The operator is advised to prominently post a copy of the consent agreement in the child care facility. During the next monitoring visit, the licensing staff verifies that the consent agreement is posted. If it is not posted, the licensing staff documents it as a violation of the terms of the consent agreement.

(5) The licensing staff mails a copy of the consent agreement, with a cover letter, to parents of children currently enrolled at the facility. Upon enrollment of new children, the facility must provide those names and addresses to licensing staff. Licensing staff mails a copy of the consent agreement and cover letter upon receipt of this information. If the operator has not provided children's names and addresses, the licensing staff records the information from the children's records during the next monitoring visit.

(c) **Violations of the terms of the consent agreement.** Any violation of the terms of the consent agreement is considered grounds for proceeding with license revocation, denial, or refusal to renew.

(d) **Appeals.** The child care facility is not entitled to an appeal of the terms of the consent agreement, as participation in the agreement is voluntary.

340:110-1-10. Revocation or denial of license

(a) **Failure to meet requirements.** When numerous, repeated, or serious non-compliance with licensing requirements is observed and documented, or the facility fails to adequately protect the health and safety of children, the Oklahoma Department of Human Services (OKDHS) may deny the application for license or revoke the license.

(1) **Denial of application for license.** If a facility has filed an application for an initial license, OKDHS may deny the application for licensure.

(2) **Revocation of license.** If a license or provisional license is currently in effect, the licensing staff may recommend that the license be revoked.

(b) **Licensing staff recommendation.** The licensing staff consults with the licensing supervisor regarding his or her recommendation for revocation or denial. If the licensing supervisor concurs with the recommendation, the decision is discussed with the licensing RPM, and the statewide licensing coordinator, or designee. If they concur with the decision, licensing staff prepares the case for review by the statewide licensing coordinator or designee. Licensing staff submits the complete case record to the licensing supervisor who reviews the case to ensure all monitoring visits, complaints, correspondence, and relevant documents are included. The facility is notified in writing that the case has been referred to the statewide licensing coordinator.

(c) **Approval of recommendation and notification.** The case record and summary are reviewed by the statewide licensing coordinator or designee. Licensing staff's recommendation of revocation or denial is either approved, disapproved, or the decision delayed pending further investigation.

(1) When the recommendation is approved by the statewide licensing coordinator, it is submitted to OKDHS Legal Division for review of the legal adequacy of the notice of pending action that is mailed to the owner. The director of Child Care Services or designee has final approval of the revocation or denial.

(2) The statewide licensing coordinator sends a written notice of the pending action to the owner by certified mail at least 30 days prior to the effective date of the action. The notice includes:

(A) a copy of the summary;

(B) a statement regarding the owner's right to appeal the decision;

(C) a statement that the law requires written notification to parents of the action taken, and instruction to the owner to submit the names and addresses of children currently enrolled;

(D) a sign providing notice of proposed revocation or denial that is required to be prominently posted in the facility; and

(E) a statement regarding the facility's reduction in Stars status, if applicable.

(3) During the next monitoring visit, the licensing staff and a witness verify that the sign providing notice of proposed

revocation or denial is posted. If the sign is not posted, the licensing staff sends a letter to the owner documenting the violation of the legal notice.

(4) If the owner does not provide children's names and addresses, the licensing staff records the information from the children's records during the next monitoring visit.

(5) Questions from the owner regarding the action and appeal process are referred to the statewide licensing coordinator or designee.

(6) If the owner does not appeal the decision within the designated time period, the statewide licensing coordinator sends a letter to the owner giving notice of the denial or revocation and stating the effective date. The closure date is entered into the database by the statewide licensing coordinator or designee. A copy of the correspondence is sent to the licensing staff and to the licensing records office for potential restricted registration procedures per OAC 340:110-1-10.1.

(7) The licensing staff conducts a follow-up visit to confirm that child care has been discontinued. The statewide licensing coordinator or designee is notified of the visit.

(8) If the owner continues to maintain and operate the facility for child care after a final decision revoking or denying licensure, after consultation with RPM, licensing staff contacts a Council on Law Enforcement Education and Training (CLEET)-certified officer for assistance and submits a referral to the district attorney (DA) on Form 07LC098E, District Attorney Referral, for further action.

(9) **Citation Request.** A referral is made on Form 07LC097E, Citation Request, for the assistance of a CLEET-certified officer. The following procedures are followed:

(A) Licensing staff contacts a CLEET-certified officer to schedule a visit to the facility.

(B) Upon violations of conditions set forth in the Emergency Order, or following the revocation, or denial of a license, a citation may be issued by the CLEET-certified officer for not less than \$100, nor more than \$500 for every day the facility maintains and receives children.

(C) Licensing staff and a CLEET-certified officer monitor the facility until care of children has ceased.

(10) **Referral to the District Attorney (DA).** If violation of an Emergency Order occurs, licensing staff consults with RPM for the necessity of a referral to DA. Should a referral be necessary, licensing staff complete Form 07LC098E, District Attorney Referral, that includes documentation of the facts of the case. A copy is sent to the statewide licensing coordinator who informs the OKDHS Legal Division of the referral.

(11) **Referral to the Attorney General.** If no action is taken by a DA of the county where the facility is operating, a referral may be made to the Attorney General by the statewide licensing coordinator or designee.

(d) **Appeal process.** The appeal process regarding denial of application or revocation of license is described in this subsection.

(1) The appeal is submitted to the Oklahoma Commission for Human Services by the owner within 30 days of receipt of the notice.

(2) If the owner appeals, a hearing is scheduled by the OKDHS Appeals Unit.

(3) The facility may continue to operate during any appeal process unless an Emergency Order is in effect. The licensing staff conducts monitoring visits at least once a month, unless advised otherwise by the statewide licensing coordinator or designee, and is accompanied by the same witness whenever possible. If at any time during the appeal process OKDHS believes that the health, safety, or well-being of children cannot be ensured:

(A) an Emergency Order is requested; or

(B) following consultation with the statewide licensing coordinator or designee, the licensing supervisor contacts the DA and requests that an injunction be filed.

(4) If the decision of OKDHS to revoke or deny a license is upheld during all appeals, the statewide licensing coordinator sends a letter to the owner that child care must immediately cease. A copy of the cease and desist letter is forwarded to the licensing records office for potential restricted registration procedures per OAC 340:110-1-10.1. The licensing staff conducts a follow-up visit to confirm that child care has been discontinued. If the owner continues to operate the child care facility, the licensing field staff, in consultation with the statewide licensing coordinator or designee, may request that the local DA pursue an injunction or initiate criminal proceedings, or the statewide licensing coordinator may pursue legal action through the Attorney General.

(5) If the decision of OKDHS to revoke or deny a license is not upheld, OKDHS takes action to implement the decision within ten calendar days.

(6) When OKDHS denies or revokes a facility's license, the responsible entity can not make application for a new child care facility license within Oklahoma for five years following notification to the responsible entity of the license denial or revocation and during an appeal process.

(e) **Change in ownership during appeal process.** If there is a change in ownership during the appeal process, the owner must provide documentation verifying the change. This information is reviewed by the RPM. The statewide licensing coordinator may proceed with the previous owner's denial or revocation.

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency amendatory action, the last effective permanent text of the Section is reinstated. Therefore, on 7-15-00 (after the 7-14-00 expiration of this emergency action), the text of 340:110-1-10 reverted back to the permanent text that became effective 7-1-99, as was last published in the 1999 OAC Supplement, and remained as such until amended again by permanent action on 6-11-01.*

340:110-1-10.1. Restricted Registry

(a) **Legal basis.** The Oklahoma Child Care Facilities Licensing Act, Section 405.3 of Title 10 of the Oklahoma Statutes (10 O.S. § 405.3) requires Oklahoma Human Services (OKDHS) to establish and maintain a Restricted Registry, also known as Joshua's List. Individuals recorded on the Restricted Registry are identified as registrants and are prohibited from licensure, ownership, employment, unsupervised access to children, or residence in a facility or program licensed, certified, operated or contracted by, or with, OKDHS or the Office of Juvenile Affairs (OJA). The Restricted Registry search is required, per 10 O.S. § 404.1, and Oklahoma Administrative Code (OAC) 340:2-46-5.

(b) **Registrants.** Registration may result after review by the Restricted Registry Review Committee and after all appeals are exhausted, when:

- (1) a substantiated finding of abuse or neglect, per 10A O.S. § 1-1-105, by an individual, when the abuse or neglect occurred to a child while in the care of a facility licensed, certified, operated, or contracted by, or with, OKDHS or OJA;
- (2) a denial or revocation of a child care program license;
- (3) a specified criminal history for individuals who have entered a plea of guilty, nolo contendere (no contest), or a conviction for felony offenses of:
 - (A) child abuse or neglect;
 - (B) a crime against a child; or
 - (C) a crime involving violence including, but not limited to, rape, sexual assault, or homicide; or
- (4) a specified criminal history for individuals who have entered a plea of guilty, nolo contendere (no contest), or a conviction prior to or after the request for license date and ownership, employment, unsupervised access to children, or residence, for the felony offenses of:
 - (A) domestic abuse; or
 - (B) a drug or alcohol-related offense; or
- (5) an individual required to register, per the Sex Offender Registration Act or the Mary Rippy Violent Crime Offenders Act.

(c) **Restricted Registry search for program owners.** When the owner is a:

- (1) registrant, Licensing contacts the owner and documents discussion regarding his or her registration on Form 07LC080E,

Licensing Services Supplemental Information; or
(2) non-registrant, procedures for processing a request for license are followed, per OAC 340:110-1-6 .

(d) Restricted Registry online search for child care program owners, personnel, individuals with unsupervised access, and residents. The OKDHS Office of Background Investigation (OBI) verifies programs conduct a Restricted Registry online search within 30-calendar days of submission, per OAC 340:2-46-5.

(e) Registration as a result of findings of abuse or neglect investigations by Child Welfare Services (CWS). OKDHS staff notifies Restricted Registry staff of receipt of substantiated or confirmed findings when the abuse or neglect occurred to a child while in the care of a facility licensed, certified, operated or contracted by, or with, OKDHS or OJA. Restricted Registry staff verifies CWS appeal status before requesting additional information on potential registrants. Investigation information is forwarded to the Restricted Registry Review Committee for consideration, per (k) of this Section.

(f) Registration as a result of findings of abuse or neglect investigations by Office of Client Advocacy (OCA). OCA submits abuse or neglect findings to the residential licensing programs supervisor who reviews the information. Information meeting Restricted Registry registration criteria, per (b)(1) of this Section, are forwarded to Restricted Registry staff. Investigation information is forwarded to the Restricted Registry Review Committee for consideration, per (k) of this Section. Restricted Registry staff verifies OCA appeal status before requesting further review.

(g) Registration as a result of findings of OJA abuse or neglect investigations. OJA Office of Public Integrity personnel submits abuse or neglect findings to Restricted Registry staff. Information meeting Restricted Registry registration criteria, per (b)(1) of this Section, are forwarded to Restricted Registry staff. Investigation information is forwarded to the Restricted Registry Review Committee for consideration, per (k) of this Section. Restricted Registry staff verifies OJA appeal status before requesting further review.

(h) Registration as a result of a denial or revocation. Procedures regarding the request for license denial or revocation are followed, per OAC 340:110-1-10 or 340:110-1-52. The statewide licensing coordinator or designee forwards copies of the cease and desist letter and denial or revocation letter to Restricted Registry staff. Documentation relating to the denial and revocation is forwarded to the Restricted Registry Review Committee for consideration, per (k) of this Section.

(i) Registration as a result of a specified criminal history. When OBI conducts a criminal history review, including Record of Arrest and Prosecution (RAP) Back, and the review reveals an individual is a potential registrant, per (b)(3) - (5) of this Section, and a criminal history restriction waiver was rescinded or not granted, all criminal background information is forwarded to the Restricted Registry Review Committee for consideration, per (k) of this Section.

(j) Insufficient registry referral information. When sources submit insufficient or incomplete investigation, denial, or revocation information, per (e) through (i) of this Section, Restricted Registry staff completes and

forwards Form 07LC033E, Notice of Incomplete Restricted Registry Referral Information. If requested information is not received within 60-calendar days from form receipt, the referral information is incomplete and further registration review is not conducted.

(k) **Restricted Registry Review Committee.** The Restricted Registry Review Committee consists of six OKDHS staff and one OJA staff who make a registration determination within 30-calendar days of receipt of necessary information.

(1) Criteria considered for Restricted Registry registration include, the:

- (A) individual's age at the time of the offense(s);
- (B) length of time since the offense(s) occurred;
- (C) number and types of offenses the individual was convicted for, or for findings made;
- (D) circumstances surrounding commission of the offense(s), demonstrating willful intent;
- (E) likelihood the individual will re-offend; and
- (F) other documentation submitted indicating children's health, safety, and well-being are, or are not, endangered.

(2) The Restricted Registry Review Committee determines Restricted Registry registration by clear and convincing evidence; including consideration of:

- (A) the individual's history of behavior likely to create a reasonable risk of harm to children; and
- (B) if children are unsafe with the individual, either alone or in a group.

(3) The Restricted Registry Review Committee's determination requires a majority decision and is based on the members' review, discussion of documentation, and consideration of registration criteria as listed.

(4) When the Restricted Registry Review Committee recommends registration by a majority decision, information is forwarded to Restricted Registry staff.

(l) **Restricted Registry legal review.** Restricted Registry staff submits registration information to OKDHS Legal Services (LS) for registration review. LS responds within 60-calendar days to provide a registration decision indicating:

- (1) legal adequacy for Restricted Registry placement;
- (2) information does not meet legal adequacy for Restricted Registry placement; or
- (3) additional information is required.

(m) **Restricted Registry notification.** Within five OKDHS-business days of receipt of OKDHS LS review, Restricted Registry staff notifies the potential registrant on Form 07LC115E, Restricted Registry Notification. The notification:

- (1) advises the potential registrant:
 - (A) of the right to appeal within 30-calendar days of receipt of notice;
 - (B) failure to request a hearing, within the time frame specified, may result in Restricted Registry registration, per (o) of this Section; and

- (C) of the responsibility for notifying restricted registry staff of changes in mailing address; and
- (2) is mailed to the most recent address of record the potential registrant provided through request for license, personnel documents, criminal background requests, or interviews; and
- (3) is delivered by regular and certified mail, with return receipt requested.

(n) **Restricted Registry appeal process.** A request for an appeal is forwarded to Restricted Registry staff. Appeal requests are forwarded to OKDHS LS.

(o) **Registration.** When an appeal is not requested within the specified timeframe, or when an administrative decision becomes final, Restricted Registry staff:

- (1) mails Form 07LC114E, Restricted Registry Final Notification, to the registrant's last known address of record on file;
- (2) mails Form 07LC113E, Restricted Registry Program Notification, to the program where registrant is associated;
- (3) notifies the appropriate CWS Resource Unit, OJA, or Licensing staff regarding Restricted Registry registration; and
- (4) enters registrant information on the Restricted Registry database.

(p) **District Court appeal process.** Registrants aggrieved by the Restricted Registry Committee decision upheld during an administrative hearing may appeal to the District Court of the county where the facility is maintained and operated. Registrants file a verified petition with the court clerk within 10-calendar days after the decision. Within 20-calendar days of the filing of the appeal in District Court, the registrant also files the administrative hearings transcript with the court clerk.

(q) **Request for registration removal.** A registrant may request removal after 60 months from the date of Restricted Registry registration. A request for removal from the Restricted Registry is forwarded to the Restricted Registry staff for submission to the Restricted Registry Review Committee. The Restricted Registry Review Committee makes a determination within 30-calendar days of receipt of notice from the Restricted Registry staff.

(1) Criteria considered for removal includes, but is not limited to, (k)(1)(A) through (F) of this Section, and:

- (A) a current criminal background review, when applicable, conducted within 60-calendar days;
- (B) since registration, consideration of:
 - (i) work and training histories; and
 - (ii) character behavioral references; and
- (C) a personal statement of rehabilitative efforts; and
- (D) reason for original placement and the length of time on the Restricted Registry.

(2) A decision to remove a registrant from the Restricted Registry is based on a Restricted Registry Review Committee majority decision. The Restricted Registry Review Committee decision is final and an appeal process is not available.

(3) Restricted Registry staff notifies the registrant of the Restricted Registry Review Committee decision.

(4) When continued placement is:

(A) recommended, Restricted Registry staff informs the registrant that subsequent requests of removal from the Restricted Registry may be requested 12 months from the date of committee decision; or

(B) not recommended, Restricted Registry staff removes the registrant from the Restricted Registry database.

340:110-1-11. Voluntary case closures

(a) **Child care centers, part-day children's programs, and school-age programs.** When a facility is sold to a new owner or discontinues providing child care, the case record is closed, unless the case has been recommended for revocation or denial. A facility's case is closed when care has not been provided for more than 12 consecutive months in accordance with OAC 340:110-1-9(n). State Office is consulted for appropriate action. A license is not transferable.

(b) **Family child care home.** A family child care home case is closed when the caregiver discontinues care or care has not been provided for more than 12 consecutive months in accordance with OAC 340:110-1-9(o). When a family child care home is sold to a new owner, the case record is closed, unless the case has been recommended for revocation or denial. State Office is consulted for appropriate action.

(c) **Reopening a closed family child care home.** Policy regarding reopening a family child care home is at OAC 340:110-1-6(c).

340:110-1-12. OAC 340:70, Appendix I, Day Care Provider Contract [REVOKED]

[Source: Amended at 10 Ok Reg 2369, eff 6-11-93 ; Amended at 11 Ok Reg 385, eff 10-15-93 (emergency); Amended at 11 Ok Reg 2773, eff 6-13-94 ; Revoked at 13 Ok Reg 499, eff 11-14-95 (emergency); Revoked at 13 Ok Reg 2663, eff 6-28-96]

340:110-1-13. Unlicensed facilities

(a) **Legal basis and authority.** Pursuant to Section 405 of Title 10 of the Oklahoma Statutes, no child care facility may be operated or maintained in this state, unless licensed or given permission to operate by the Oklahoma Department of Human Services (OKDHS).

(b) **Procedure for investigating the operation of an unlicensed facility.** When information is received regarding the operation of an

unlicensed facility, staff conducts a full monitoring visit no later than three facility business days to assess the necessity of a license.

(1) If care is being provided, staff informs the facility they have not been given permission to operate and they are in violation of the Oklahoma Child Care Facilities Licensing Act. During the visit the facility is informed on Form 07LC095E, Notice Regarding Unlicensed Care, that:

(A) care must cease by the end of the current business day unless imminent risk indicates the need for the facility to cease care immediately; or

(B) permission to operate may be granted when the facility:

(i) is in compliance with health and safety requirements without serious non-compliances as referenced in OAC 340:110-1-9.3;

(ii) has submitted a completed application in accordance with OAC 340:110-1-6;

(iii) provides all required background information per OAC 340:110-1-8.1; and

(iv) has staff present who meet the following licensing requirements:

(I) documented current cardio-pulmonary resuscitation and first aid certification;

(II) required health and safety training completed; and

(III) minimum educational qualifications for the position held.

(2) If a facility is not granted permission to operate, a follow-up visit is conducted within one facility business day to verify the termination of care and The follow-up visit timeframe may be extended up to five days with supervisory approval and is documented on Form 07LC080E, Licensing Services Supplemental Information. When care of children has not ceased, staff proceed per OAC 340:110-1-9.4.

(3) When the necessity of a license is not required, licensing staff documents the investigation of unlicensed operation on Form 07LC080E.

(c) **Documentation of Findings.** Following the unlicensed complaint investigation licensing staff proceed with procedures in OAC 340:110-1-9.2(k). All case staffings and discussions of case actions are documented on Form 07LC080E and maintained in the case file.

[Source: Amended at 10 Ok Reg 2369, eff 6-11-93 ; Amended at 11 Ok Reg 385, eff 10-15-93 (emergency); Amended at 11 Ok Reg 2773, eff 6-13-94 ; Amended at 13 Ok Reg 499, eff 11-14-95 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 16 Ok Reg 2527, eff 7-1-99 ; Amended at 18 Ok Reg 2144, eff 6-11-01 ; Amended at 19 Ok Reg 2274, eff 6-27-02 ; Amended at 24 Ok Reg 1351, eff 7-1-07 ; Amended at 26 Ok Reg 415, eff 11-20-08 (emergency); Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 28 Ok Reg 1669, eff 7-1-11 ; Amended at 29 Ok Reg 1229, eff 7-1-12]

340:110-1-14. Public inspection of licensing files

(a) **Legal basis.** The Oklahoma Department of Human Services (OKDHS) is subject to the Oklahoma Open Records Act, Section 24A.1 et seq. of Title 51 of the Oklahoma Statutes (O.S.), which mandates that public records are open for public inspection unless they are required by law to be kept confidential.

(b) **Licensing records.** All OKDHS records of facilities required to be licensed under 10 O.S. § 401 et seq. that are considered public records are open and available for public inspection during reasonable hours. Information obtained concerning a report of a violation of a licensing requirement is confidential pursuant to 10 O.S. § 406 with the exception of a summary of allegations and findings of an investigation involving a child care facility that does not disclose identities but that permits the public to evaluate the facility.

(c) **Location of case records.** Child care facility licensing records are located and inspected in the OKDHS Human Service Center where licensing staff reside. If a parent resides in another county, the licensing staff makes the record available in that county.

(d) **Preparation of case files for inspection.** The licensing staff carefully reviews the entire record and removes confidential information.

(e) **Records of complaints.** To allow persons inspecting a licensing record to have access to information regarding complaints, Form 07LC081E, Licensing Complaint Report Summary, is included in the file. Form 07LC012E, Licensing Complaint, is removed from the file that is open for public inspection. If information regarding a complaint is requested prior to completion of the investigation, the licensing staff explains that information regarding the allegation and findings is released after the investigation is complete.

(f) **Supervision of files during inspection.** Facility records are inspected in the presence of OKDHS staff persons who are available to provide clarification on licensing policy and requirements.

(g) **Fees for photocopying.** Guidelines for photocopying fees are provided per OAC 340:2-21-16.

(h) **Release of confidential information.**

(1) A complete case file that includes confidential information is not released to the public, and may be provided only to certain persons according to applicable laws and regulations, for example, OKDHS Legal Division, Children and Family Services Division, law enforcement officials, and upon order of a court of competent jurisdiction.

(2) The name or other identifying information of a complainant listed on Form 07LC012E is confidential and released only upon order of a court of competent jurisdiction.

(i) **Computer licensing record.** A summary of the facility licensing record maintained on the OKDHS Web site as recorded in public view may be provided upon request at no charge. A cover letter is sent with the licensing summary that notes that the summary does not include the complete case record, and that the complete case record may be reviewed in the OKDHS Human Service Center where the facility is located.

(j) **Release of information over the telephone.** Information on public view may be released over the telephone, including completed complaint

information. If more information is requested, the file may be viewed at the county office.

[**Source:** Amended at 10 Ok Reg 2369, eff 6-11-93 ; Amended at 11 Ok Reg 385, eff 10-15-93 (emergency); Amended at 11 Ok Reg 2773, eff 6-13-94 ; Amended at 13 Ok Reg 499, eff 11-14-95 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 14 Ok Reg 2174, eff 5-14-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 16 Ok Reg 2527, eff 7-1-99 ; Amended at 18 Ok Reg 2144, eff 6-11-01 ; Amended at 19 Ok Reg 221, eff 11-1-01 (emergency); Amended at 19 Ok Reg 2274, eff 6-27-02 ; Amended at 21 Ok Reg 910, eff 6-1-04 ; Amended at 22 Ok Reg 1304, eff 6-1-05 ; Amended at 24 Ok Reg 1351, eff 7-1-07 ; Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 28 Ok Reg 1669, eff 7-1-11]

340:110-1-15. Grievance policy and procedure

(a) **Grievance policy.** The child care or residential program, or child placing agency owner , director, or administrator may submit a grievance regarding the application of any written or unwritten policy, rule, or regulation of Child Care Services (CCS) or a CCS employee decision affecting the program or child-placing agency. Grievances must be received within 30-calendar days of the documented non-compliance, star criteria violation, or substantiated complaint allegation. A grievance is not accepted concerning an Emergency Order, request for license denial, license revocation, or Restricted Registry registration.

(b) **Grievance procedure.** Individuals wanting to submit a grievance are encouraged to seek informal resolution of his or her concerns by contacting the appropriate Licensing supervisor or programs supervisor for residential programs and child-placing agencies, who attempts to resolve the matter. Each grievance review level may have assigned designees.

(1) When a resolution cannot be reached at the local level or through verbal conversation with CCS State Office staff, the grievant is instructed to submit one written grievance request with the Licensing supervisor or programs supervisor. Grievances must be received within 15-calendar days of this communication. Written grievances are forwarded when additional reviews are requested.

(2) Licensing supervisor and regional programs manager (RPM) grievance level review processes for child care programs are in (A) through (B) of this paragraph.

(A) The Licensing supervisor:

- (i) notifies the RPM and statewide licensing coordinator that a formal grievance was received and efforts made to resolve the issue;
- (ii) responds to written grievances within 10-Oklahoma Human Services (OKDHS) business days of receipt; and
- (iii) informs the grievant additional review requests must be received within 15-calendar days of the correspondence date.

(B) When the grievant is not satisfied with the proposed resolution, he or she may request RPM review. The RPM:

- (i) responds to written grievances within 10-OKDHS business days of receipt; and

(ii) informs the grievant additional review requests must be received within 15-calendar days of the correspondence date.

(3) For residential programs or child-placing agency grievance review at the programs supervisor level, the programs supervisor:

(A) notifies the statewide licensing coordinator a formal grievance was received and efforts were made to resolve the issue;

(B) responds to written grievances within 10-OKDHS business days of receipt; and

(C) informs the grievant additional review requests must be received within 15-calendar days of the correspondence date.

(4) When the grievant is not satisfied with the proposed resolution, per (2) or (3) of this subsection, he or she may request statewide licensing coordinator review. The grievant is informed he or she may request Child Care Advisory Committee (CCAC) Peer Review Board review, prior to statewide licensing coordinator review. The statewide licensing coordinator forwards information to the Peer Review Board, when applicable or proceeds with the review.

(5) When applicable, the Peer Review Board responds to the statewide licensing coordinator with resolution advisement within 10-OKDHS business days of receipt.

(6) The statewide licensing coordinator notifies the grievant of the CCS decision within 10-OKDHS business days or, when applicable, 10-OKDHS business days of Peer Review Board advisement receipt. The grievant is informed additional review requests must be received within 15-calendar days of the correspondence date.

(7) When the grievant is not satisfied with the proposed resolution, he or she may request review by the CCS director, Senior Director of Child Services, and OKDHS Director (Director), or assigned designees respectively. The CCS director, Senior Director of Child Services, and Director or assigned designees each respond within 10-OKDHS business days of receipt. The grievant is informed additional review requests must be received within 15-calendar days of the correspondence date. The Director's or assigned designee's decision is final.

(c) Grievance procedures against a CCS employee. A child care or residential program, and child-placing agency may submit a grievance regarding a CCS employee who retaliated against a program or child-placing agency, or the employees. Grievances must be received within 30-calendar days of the alleged incident. Reports are investigated regardless of the grievant's decision to remain anonymous.

(1) The grievant is referred to the appropriate supervisor or programs supervisor, who attempts to resolve the matter.

(2) When the grievant is not satisfied with the proposed resolution at the supervisory level, the grievant is referred to the assistant licensing coordinator and, when applicable, not within the line of supervision of the involved Licensing staff. The assistant licensing

coordinator:

- (A) requests the allegations be submitted in writing; however, written submission is not required;
- (B) investigates the allegations; and
- (C) provides written investigation results to the grievant, when contact information is available.

(3) The assistant licensing coordinator's decision is final; however, the grievant may request the CCS director review the finding.

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency amendatory action, the last effective permanent text of the Section is reinstated. Therefore, on 7-15-00 (after the 7-14-00 expiration of this emergency action), the text of 340:110-1-15 reverted back to the permanent text that became effective 7-1-99, as was last published in the 1999 OAC Supplement and republished in the 2000 OAC Supplement, and remained as such until amended by permanent action on 6-11-01.*

340:110-1-16. Certification of child care facilities to care for children with special needs [REVOKED]

340:110-1-16.¹ Certification of child care facilities to care for children with special needs [REVOKED]

[Source: Added at 9 Ok Reg 3583, eff 7-20-92 (emergency); Added at 10 Ok Reg 2369, eff 6-11-93 ; Amended at 11 Ok Reg 385, eff 10-15-93 (emergency); Amended at 11 Ok Reg 2773, eff 6-13-94 ; Revoked at 13 Ok Reg 325, eff 5-18-95 (emergency); Revoked at 13 Ok Reg 2663, eff 6-28-96]

Editor's Note: ¹*Two different emergency rules were promulgated at this number (340:110-1-16) in 1992. One of the rules called "Child Care Advisory Committee by-laws" was later superseded by a permanent rule numbered at 340:110-1-17.*

340:110-1-17. Child Care Advisory Committee bylaws

- (a) **Purpose.** The Child Care Advisory Committee's (CCAC) purpose is to:
- (1) carry out the provisions of the Oklahoma Child Care Facilities Licensing Act (Licensing Act), Section 404 of Title 10 of the Oklahoma Statutes (10 O.S. § 404) to:
 - (A) ensure minimum standards maintenance for children's care and protection away from their homes, including:
 - (i) constructive programs and services meeting each child's and family's needs;

- (ii) personnel having good moral character and ability of caring for children;
 - (iii) adequate and safe housing, sanitation, and equipment;
 - (iv) good health care;
 - (v) full educational and religious opportunities;
 - (vi) good community relationships;
 - (vii) essential records and administrative methods; and
 - (viii) sufficient funds for sound operation;
- (B) encourage and assist child care facilities toward maximum standards; and
 - (C) work for sufficient and adequate child care services development through public and private agency partnerships;
- (2) recommend child care program minimum requirements and standards for Oklahoma Department of Human Services (DHS) rule promulgation. Rules are promulgated after consultation with:
- (A) the Oklahoma State Department of Health (OSDH);
 - (B) the Oklahoma State Department of Education (OSDE);
 - (C) the Oklahoma State Bureau of Investigation (OSBI);
 - (D) the Office of the Oklahoma State Fire Marshal (OSFM);
 - (E) the Oklahoma Commission on Children and Youth (OCCY);
 - (F) the Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS); and
 - (G) other agencies deemed necessary by DHS;
- (3) serve in an advisory capacity to DHS for developing quality child care programs and services; and
- (4) educate the public and consumers regarding quality child care.

(b) **Function.** The CCAC function is to:

- (1) become informed of DHS programs and policies regarding children;
- (2) express community's and the State of Oklahoma's needs and concerns relating to children's care and treatment; and
- (3) express change recommendations, including minimum requirement revisions and encouraging child care maximum standards.

(c) **Membership.**

(1) **Representation.** CCAC provides names for consideration of new appointments and reappointments of members to the Child Care Services (CCS) director. The CCS director in consultation with the OCCY representative provides membership recommendations to the DHS Director. Members are appointed to serve at the pleasure of the DHS Director, based on child care expertise, experience, and leadership.

- (A) CCAC, at a minimum, consists of 18 members.
- (B) The majority are DHS-licensed program representatives.

(C) Other members include at least one representative from OSDH; OSDE; OSFM; tribal agencies; and CCS.

These representatives are exempt from term limits.

(D) Other members include associations and agencies as recommended to the DHS Director, such as the Oklahoma Child Care Association, Oklahoma Children's Agencies and Residential Enterprises Incorporated (OK-CARE), ODMHSAS, OSBI, Oklahoma Association of Youth Services, Office of Juvenile Affairs, Early Childhood Association of Oklahoma, and Head Start.

(E) An OCCY representative serves as an ex-officio member.

(2) Terms of office.

(A) CCAC member terms are for three years with a two-consecutive-term limit.

(B) Members may be recommended for reappointment after completing the first office term.

(3) Officers. CCAC officers include chairperson, vice-chairperson, and secretary.

(A) **Chairperson.** The chairperson is responsible for:

(i) presiding over all meetings;

(ii) planning the meeting agenda, at least 14-calendar days in advance, in coordination with CCS;

(iii) appointing subcommittee members, in consultation with the CCS director and OCCY representative; and

(iv) serving as CCAC spokesperson.

(B) **Vice-Chairperson.** The vice-chairperson works closely with the chairperson, assumes chairperson responsibilities in his or her absence, and attends public hearings.

(C) **Secretary.** The secretary position is held by the CCS representative. The secretary is responsible for recording meeting minutes and providing them to members prior to the next meeting. A permanent copy of the minutes is maintained by CCS.

(4) Election of officers and terms of office.

(A) Upon office vacancy, the chairperson and vice-chairperson are elected by a majority member vote present during the next quarterly meeting following the office vacancy. Officers assume duties during the meeting when the election is held.

(B) Office terms are for one year. Officers may be elected to serve in one office for a maximum of three terms.

(5) Standing Subcommittees.

(A) Standing subcommittees expand child care operator opportunity to identify quality improvement resources, express industry concerns, and recommend issues for CCAC consideration.

(i) The chairpersons of four standing subcommittees are CCAC members and are

appointed by CCAC chairperson. Standing subcommittees represent:

- (I) family child care homes;
- (II) child care centers, day camp, drop-in, out-of-school time, part-day programs, and programs for sick children;
- (III) residential and child-placing agencies; and
- (IV) the quality rating and improvement system (QRIS) program.

(ii) Standing subcommittee members are identified and recruited by the standing subcommittee chairpersons with CCS and OCCY consultation. Membership meets representation, per 10 O.S. § 404.

(iii) Standing subcommittees meet a minimum of twice annually.

(iv) The standing subcommittee chairperson provides a written report to CCAC, at least twice annually.

(v) CCS state office staff attends standing subcommittee meetings and serves as a resource.

(B) A standing membership subcommittee helps to ensure broad licensed program representation is included within CCAC. The OCCY representative serves on the standing membership subcommittee and consults with the CCS director identifying appropriate CCAC members.

(i) The standing membership subcommittee chairperson works closely with other CCAC officers and provides the standing membership subcommittee oversight.

(ii) The membership subcommittee meetings are held at least quarterly, prior to CCAC meetings.

(iii) The membership subcommittee chairperson provides a written quarterly report to CCAC.

(iv) The membership subcommittee recommends to CCAC:

- (I) the names for new appointments;
- (II) the re-appointment of existing members based on attendance and participation on CCAC subcommittees; and
- (III) a slate of officers.

(6) **Peer Review Board.** CCAC identifies members to serve on the Peer Review Board and participate in the DHS grievance process per Oklahoma Administrative Code (OAC) 340:110-1-15 and 340:110-1-54. A majority of the Peer Review Board are representatives of licensed child care facilities.

(7) **QRIS Administrative Review.** CCAC identifies two members to serve on QRIS administrative reviews per OAC 340:110-1-8.3

(h)(5)(B), with one member being a center owner or operator.

(d) **Meetings.**

(1) **Frequency.** CCAC meets quarterly. Additional meetings may be called or regular meetings cancelled by the chairperson and CCS representative.

(2) **Quorum.** A minimum of one third plus one member or designee, of currently appointed members, must be present for a quorum.

(3) **Voting.** All members or designees must receive CCAC orientation prior to voting.

(4) **Attendance.** Committee members or designees must attend at least two CCAC meetings annually or may be removed from the committee at CCAC or DHS Director's discretion.

(5) **Active participation.** CCAC members or designees are required to serve on subcommittees annually.

(6) **Guidelines.** CCAC practices are compatible with the Licensing Act.

(7) **Rules of order.** *Robert's Rules of Order*, as amended, are used to govern the meetings.

(e) **Change of bylaws.** CCS prepares bylaw revisions based on CCS and CCAC input and recommendations. Proposed rulemaking is presented to CCAC for comment and submitted for approval through the Administrative Procedures Act rulemaking process.

Editor's Note: ¹*In 1992, two different emergency rules were added at the same section number (340:110-1-16). One of these rules was later superseded by a permanent rule numbered at this number (340:110-1-17).*

Editor's Note: ²*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency amendatory action, the last effective permanent text of the Section is reinstated. Therefore, on 7-15-00 (after the 7-14-00 expiration of this emergency action), the text of 340:110-1-17 reverted back to the permanent text that became effective 7-1-99, as was last published in the 1999 OAC Supplement and republished in the 2000 OAC Supplement, and remained as such until amended again by permanent action on 6-11-01.*

340:110-1-18. Criminal background checks [REVOKED]

[Source: Added at 11 Ok Reg 385, eff 10-15-93 (emergency); Added at 11 Ok Reg 2773, eff 6-13-94 ; Revoked at 13 Ok Reg 325, eff 5-18-95 (emergency); Revoked at 13 Ok Reg 2663, eff 6-28-96]

340:110-1-19. Emergency order [REVOKED]

[Source: Added at 11 Ok Reg 385, eff 10-15-93 (emergency); Added at 11 Ok Reg 2773, eff 6-13-94 ; Revoked at 13 Ok Reg 499, eff 11-14-95 (emergency); Revoked at 13 Ok Reg 2663, eff 6-28-96]

340:110-1-20. Professional development of OCCS staff

(a) **Licensing staff training.** All Oklahoma Child Care Services (OCCS) licensing staff are required to receive job-related training on an annual basis. This includes the new worker licensing training required for all new licensing staff. An annual training plan is developed for each employee with the employee's supervisor.

(b) **Professional development of OCCS staff.** OCCS may award scholarships for coursework leading to a master's degree in early childhood education at an Oklahoma public university. The program may be discontinued at any time based on unavailability of funding.

(1) Scholarships are awarded to employees based upon supervisory recommendation and selection by the OCCS Education Assistance Committee. Preference is given to staff who have three years of Oklahoma Department of Human Services (OKDHS) employment.

(2) Applications are not accepted for participants while in probationary status or a trial period or during any level of corrective discipline. Once approved, any continued participation is based upon supervisory approval, satisfactory job performance appraisal, and OCCS Education Assistance Committee approval.

(3) Participation is limited to two courses per semester per person.

(c) **Scholarship requirements.**

(1) **Mandatory service requirement.** The OCCS Education Assistance Committee establishes conditions of a mandatory service requirement for participants in the scholarship program. The service requirement is included in a written contract between OCCS and the participant.

(2) **Grade report.** At the end of each semester, scholarship recipients submit a copy of their grades to their supervisor and to the OCCS Education Assistance Committee.

(3) **Reimbursement requirement.** Exceptions to the reimbursement requirement may be granted, at the discretion of the OCCS Education Assistance Committee, for serious illness, injury, or a personal situation requiring the recipient to withdraw from school. The OCCS Education Assistance Committee specifies and includes the terms of reimbursement in a contract between OCCS and the participant. Unless an exception is granted by the OCCS Education Assistance Committee, reimbursement to OKDHS for the cost of tuition, books, fees, and other expenses incurred is required and a recipient is not permitted to enroll in further courses until the debt is paid in full when a recipient:

(A) withdraws from a class;

(B) earns a grade below "C" in any class;

(C) receives a grade of "incomplete" that is not converted to an acceptable grade during the next semester; or

(D) is removed from the program by the university.

(4) **Use of leave.** With supervisory approval, scholarship recipients may use educational leave up to 160 hours per year. Such requests are submitted and approved in accordance with OKDHS:2-1-42. Attendance at night or weekend classes does not qualify the recipient for compensatory time.

(5) **Application.** Applications and supporting documentation for the scholarship program are submitted within the designated time frames. Upon scholarship award, a contract is signed by the recipient to indicate an understanding of and commitment to the scholarship requirements.

340:110-1-21. Child Care Services (CCS) program evaluation

CCS is responsible for Licensing program evaluation.

(1) The quality assurance (QA) manager is responsible for program evaluation activities, including QA reviews and CCS employee and child care industry feedback surveys.

(2) CCS establishes a method for continuously improving the internal review program through feedback and recommendations from all concerned parties. The review:

(A) determines Licensing requirement, rule, and procedure implementation;

(B) evaluates CCS program's effectiveness; and

(C) provides objective evidence supporting the reduction, elimination, and prevention of inconsistent rules and Licensing requirement interpretation.

[Source: Added at 11 Ok Reg 399, eff 10-15-93 (emergency); Added at 11 Ok Reg 2773, eff 6-13-94 ; Amended at 17 Ok Reg 462, eff 10-19-99 (emergency); Amended at 17 Ok Reg 1339, eff 5-11-00 ; Amended at 18 Ok Reg 2144, eff 6-11-01 ; Amended at 19 Ok Reg 221, eff 11-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 20 Ok Reg 1274, eff 6-1-03 ; Amended at 25 Ok Reg 1962, eff 7-1-08 ; Revoked at 40 Ok Reg 1033, eff 9-15-23]

340:110-1-43. Roles and responsibilities of licensing staff

(a) Licensing staff for residential child care and child-placing agencies conducts onsite visits, documents findings, provides technical assistance and consultation in the licensing staff's assigned areas, and makes recommendations on all case actions to the programs manager. The programs manager or designee is responsible for final approval of all licensing recommendations.

(b) Official licensing records for child care programs are maintained in the licensing staff's office and are open to the public upon request.

(c) In addition to licensing facilities and agencies, licensing staff:

- (1) communicate with local fire and health officials within the licensing staff's assigned area regarding licensing rules and policy, requirements, inspections, and other issues related to a specific facility or child care in general;
- (2) refer facilities to local city officials regarding local ordinances and related compliance;
- (3) facilitate or sponsor training for child care providers; and
- (4) coordinate with other regulatory and investigative state entities in promoting quality care in residential settings within the licensing staff's assigned area.

340:110-1-46. Types of issuances

(a) **Six-month permit.** New residential child care programs or child-placing agencies may be issued a six-month permit. When the program was previously licensed at another location and had a pattern of compliance, the six-month permit may be waived. The owner's Licensing compliance history is considered.

(1) Licensing staff may recommend a permit when the program is in compliance with Licensing requirements, regarding:

- (A) the number of qualified personnel;
- (B) completed criminal history review results for all required individuals;
- (C) professional development, including current cardio-pulmonary resuscitation (CPR) and first aid certifications;
- (D) hazards indoors and outdoors;
- (E) liability insurance coverage;
- (F) fire safety; and
- (G) other areas affecting children's safety.

(2) Licensing staff conducts a full-monitoring visit documenting compliance with Licensing requirements no more than 60-calendar days, prior to six-month permit issuance.

(b) **Documentation for six-month permit.**

(1) The items required on file for a six-month permit issuance include:

- (A) Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care;
- (B) proof of ownership;
- (C) current personnel list;
- (D) Form 07LC041E, Personnel Information, for each personnel;
- (E) required background investigations documentation, per Oklahoma Administrative Code (OAC) 340:110-1-8.1, including completed criminal history review results for all required individuals;
- (F) State Fire Marshal's approval for residential programs within the previous 12 months;

- (G) health department approval for residential programs within the previous 12 months, when meals are prepared and served;
- (H) Form 07LC057E, Physical Plant, for residential programs;
- (I) completed applicable compliance review questionnaire with supporting documentation; and
- (J) applicable policy per applicable Licensing requirements.

(2) During the six-month permit period, at least three monitoring visits are completed to document Licensing requirements are met, and observe child care or child-placing activity where applicable.

(c) **Second and subsequent six-month permits.** When subsequent permits are recommended, the procedures in this subsection are followed.

(1) Programs manager approval is needed for subsequent permits when programs are recommended for, or are in the process of, a consent agreement or request for license denial.

(2) Licensing staff consults with the programs manager prior to recommending a second or subsequent permit.

(3) Licensing staff provides a letter to the applicant notifying him or her each time a second or subsequent permit is recommended. The reason for the recommendation is clearly stated in the letter, with each non-compliance area listed separately.

(4) When the subsequent permit is due to repeated or serious non-compliance with Licensing requirements, Licensing staff monitors the program, at least monthly and is accompanied by a witness, when possible. When the non-compliance indicates the program is unable or unwilling to meet Licensing requirements, the programs manager is consulted.

(5) When requirements are met prior to the second or subsequent six-month permit expiration, license issuance may be recommended per (a)(1) of this Section.

(6) When children were not in care on a regular basis or no child-placing activity occurred during the previous 12 months, the applicant is requested to withdraw the request for license, per OAC 340:110-1-45.

(d) **License issuance.** When Licensing staff determines the program or agency is operating in compliance with the program's or agency's own policy and procedures and in compliance with Licensing requirements, a recommendation is made to issue a license. Prior to recommending license issuance, Licensing staff completes at least three monitoring visits. A monitoring visit must be conducted within 60-calendar days of the issuance date, and children in care must be observed during at least one monitoring visit, when applicable. A license is in effect unless revoked or the program voluntarily closes.

(e) **Documentation for license issuance.** In addition to the items listed in (a) thru (c)(6) of this Section for permit issuance, the items required on file before license issuance include an updated personnel list.

(f) **Evaluation and disposition.**

- (1) The programs manager reviews Licensing staff case action recommendations before forwarding to the statewide licensing coordinator or designee.
- (2) The statewide licensing coordinator or designee reviews all case action recommendations. When a license or permit is approved, owner notification is provided.

Editor's Note: ¹*This emergency action expired before being superseded by a permanent action. Upon expiration of an emergency amendatory action, the last effective permanent text of the Section is reinstated. Therefore, on 9-15-16 (after the 9-14-16 expiration of this emergency action), the text of 340:110-1-46 reverted back to the permanent text that became effective 7-1-12, as was last published in the 2015 OAC Supplement, and remained as such until amended by permanent action on 11-1-16.*

340:110-1-47. Case management

(a) Periodic visits.

- (1) Licensing staff conducts monitoring visits documenting compliance with requirements. Required monitoring visits annually include two:
 - (A) unannounced and one announced, to residential programs; and
 - (B) announced, to child-placing agencies
- (2) When caseloads prevent Licensing staff from conducting the required monitoring visits, the programs manager consults with Licensing staff on case management, and the required monitoring visits may be reduced. This adjustment is approved and documented in the case file by the programs manager.
- (3) During each monitoring visit, Licensing staff:
 - (A) observes the entire facility, including outdoor play space and transportation, when available; and
 - (B) verifies:
 - (i) compliance with Licensing requirements;
 - (ii) resident files, when applicable;
 - (iii) new personnel records including personnel sheets and compliance with background investigations, per Oklahoma Administrative Code (OAC) 340:110-1-8.1;
 - (iv) the Oklahoma Department of Human Services (DHS) database on applicable individuals, per OAC

340:110-1-8.1;

(v) Form 07LC092E, Insurance Verification, within the previous 12 months;

(vi) fire and health inspections within the previous 12 months, when applicable; and

(vii) other documentation requiring renewal.

(b) **Consultation and technical assistance.** Licensing staff provides technical assistance to operators to meet and maintain minimum requirements. Consultation is provided to parties interested in licensure and to licensed programs, and includes suggestions for improving the quality of care and for exceeding minimum requirements.

(c) **Address change.** When a program moves to a new address, Licensing staff follows procedures in this subsection to document the change.

(1) **Child-placing agency.** When a child-placing agency moves its office, Licensing staff:

(A) obtains an updated Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care; and

(B) requests a permit or license be issued reflecting the address change.

(2) **Residential program.** When a residential program moves, Licensing staff:

(A) obtains an updated request for license;

(B) conducts a monitoring visit verifying the new location meets Licensing requirements;

(C) obtains new fire and health inspection approvals, when applicable;

(D) obtains Oklahoma Department of Environmental Quality approval, when applicable;

(E) completes an updated physical plant drawing with required calculations; and

(F) requests a permit or license be issued reflecting the address change.

(d) **Satellite office.** When a child-placing agency adds a satellite office, Licensing staff:

(1) documents each office location; and

(2) requests needed files from satellite locations.

(e) **Program or agency name change.** When Licensing staff verifies there is a name change but no ownership change, the name change is documented in the case file and the database is updated. A new Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care, reflecting the name change is completed. Licensing staff requests permit or license issuance reflecting the new program or agency name.

(f) **Executive or program director change.** When there is a director change, Licensing staff:

(1) verifies the new director meets qualifications;

(2) obtains the applicable page of Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care, completed by the new director;

(3) obtains an appropriate, Form 07LC056E, Compliance Review-Residential Child Care Facility; or Form 07LC043E, Child Placing Agency Compliance Review, completed by the executive or program director;

(4) notifies the new director of current personnel granted a waiver; and

(5) documents the information on Form 07LC080E, Licensing Services Supplemental Information.

(g) Capacity increase or decrease. When a program requests a capacity increase or decrease, it is documented on Form 07LC080E, Licensing Services Supplemental Information, and must be approved by the programs manager. When the increase involves new construction, architectural plans approved by the State Fire Marshal are submitted to Licensing for approval prior to construction. When the request to increase capacity is due to additional physical space, the required documentation includes:

(1) the reason for the increase;

(2) fire department approval;

(3) health department approval of additional food preparation space not previously inspected;

(4) a physical plant drawing indicating required calculations; and

(5) the request for additional personnel, when applicable.

(h) Inactive programs. A program is inactive when care or child-placing agency activity was not provided for more than 90-calendar days.

(1) A program remaining open after 90-calendar days submits a request in writing including a statement the owner will notify Licensing prior to resuming care or child-placing agency activity. Licensing staff verifies compliance with requirements prior to resuming care.

(2) The program is contacted by Licensing staff, a minimum of every four months for residential programs; and a minimum of every six months for child-placing agencies by phone, letter, or email to update the program status including changes in personnel, household members, or other program changes.

(3) Voluntary closure is discussed with the owner and an agreement to close is reached, when possible.

(4) Licensing staff monitors the inactive program, at least once during the 12-month timeframe verifying compliance with Licensing requirements until closure is final or the program resumes care.

(5) When an address change occurs during the time a program is in inactive status, a monitoring visit is required and address change is followed per (c) of this Section.

(i) Inactive program closure. Procedures in (1) through (4) of this subsection are followed when closing an inactive residential program or child-placing agency.

(1) To verify program status, Licensing staff contacts the program or agency owner during the 12th month of inactive status.

(2) Licensing documents program status on Form 07LC080E, Licensing Services Supplemental Information, and notifies the owner the case will be closed when care or child-placing activity

does not resume prior to the end of the 12th month.

(3) When care was not provided for 12-consecutive months or longer, Licensing staff provides a letter notifying the owner of case closure within 10-calendar days of letter receipt, unless Licensing is notified care or child-placing activity resumed.

(4) The case is closed and the owner must reapply and be approved for a new license prior to resuming care, per OAC 340:11-1-45.

(j) **Change in ownership.** When there is a change in ownership or a change in the business organization of a residential program or child-placing agency, the case is closed, and the program must apply for a new license. Prior to permit or license issuance, the program must comply with background investigations, per OAC 340:110-1-8.1. A permit may be issued when a monitoring visit without numerous, repeated, or serious non-compliances was conducted within the past 60-calendar days. A full-monitoring visit is conducted within 14-calendar days of ownership change, verifying the new owner is able to meet minimum Licensing requirements.

(k) **Transitional change of ownership.** When a residential program or child-placing agency requests a transitional change of ownership (1) through (5) of this subsection are followed.

(1) Licensing staff conducts a monitoring visit within five DHS-business days, verifying compliance with Licensing requirements and, obtains:

(A) Form 07LC015E, Transitional Change of Ownership, completed by the current and prospective owners;

(B) Form 07LC040E, Request for License Child-Placing Agency and Residential Child Care, completed by the prospective owner; and

(C) a current personnel list, verifying the prospective owner employs the same personnel as the current owner, at the time of transitional change of ownership.

(2) Periodic and ongoing monitoring is maintained, per (a) of this Section.

(3) All Licensing monitoring and correspondence are provided to both the current and prospective owners.

(4) Change of ownership procedures are followed, by the end of 90-calendar days, when applicable, per (j) of this Section.

(5) When programs notify Licensing the transitional change of ownership is no longer proceeding, Licensing staff verifies program operation or child-placing activity status and consults with the programs manager for appropriate action.

(l) **Response to a child death.** When notified of a child death while in care, Licensing staff:

(1) completes Form 07LC079E, Child Death Report, and forwards it to the statewide licensing coordinator or designee; and

(2) visits the residential program as soon as possible, and contacts the child-placing agency unless advised otherwise by local law enforcement officials.

(m) **Serious incident reports.** Licensing staff submits a serious incident report to the programs manager. Serious incidents include at least,

incidents:

- (1) resulting in the serious injury or child death, such as a:
 - (A) shaken baby;
 - (B) drowning or near drowning; or
 - (C) traffic accident resulting in serious injury;
- (2) placing a child at a high risk for death or injury, such as when a child is left:
 - (A) at a location away from the facility;
 - (B) unattended in a vehicle; or
 - (C) alone in a facility; or
- (3) resulting in significant facility damage, such as:
 - (A) fire;
 - (B) flood; or
 - (C) tornado.

(n) **Coordination with state agencies.** Licensing staff works cooperatively with the DHS Office of Client Advocacy and Child Welfare Services, the Oklahoma Commission on Children and Youth, the Oklahoma Health Care Authority, and local law enforcement.

340:110-1-47.1. Complaint investigations

(a) **Legal basis.** The Oklahoma Child Care Facilities Licensing Act (Act), Section 406 of Title 10 of the Oklahoma Statutes (10 O.S. § 406), mandates that Oklahoma Human Services (OKDHS) conduct a full complaint investigation alleging violation against the Act or Licensing requirements.

(b) **Complaint receipt.** Complaints may be made to Licensing, in writing, in person, by phone, or electronically.

(c) **Complaint information.** Licensing staff obtains as much relevant information as possible from the complainant.

(d) **Screening complaints.** Licensing staff accepts a complaint for investigation when alleging:

- (1) non-compliance with Licensing requirements;
- (2) violation of the Act;
- (3) unlicensed program operation; or
- (4) abuse or neglect of a child in care.

(e) **Disposition of complaints.** On receipt of a complaint, Licensing staff determines a disposition, as described in (1) through (7) of this subsection.

- (1) A complaint not meeting the criteria in (d) of this Section is discussed with the complainant and, when appropriate, a referral is submitted to another entity, such as local law enforcement, the Office of Juvenile Affairs (OJA), the Office of Client Advocacy

(OCA), Child Welfare Services (CWS), or the Office for Civil Rights.

(2) When a screened-out Child Abuse and Neglect Hotline (Hotline) referral without non-compliance with licensing requirements is received, a complaint investigation is not conducted, and Form 07LC080E, Licensing Services Supplemental Information, is completed.

(3) A complaint alleging non-compliance with Licensing requirements or unlicensed program operation is investigated by Licensing.

(4) A complaint alleging child abuse or neglect is immediately referred to the Hotline with Form 07LC012E, Licensing Complaint. The referral is documented on the form. When an immediate response is not received, Licensing staff follows up the next OKDHS-business day to obtain a response.

(5) When a complaint alleges illegal activity by program personnel, including illegal drug activity in the child care facility, all referral information, including the complainant's name, is immediately referred to the OKDHS Office of Inspector General and local law enforcement where the program is located.

(A) Referral follow ups are documented and maintained in the program case record, and the programs supervisor is notified.

(B) Licensing staff follows-up with local law enforcement officials to determine and document the investigation's outcome.

(C) The referral is documented on Form 19MP001E, Office of Inspector General (OIG) Referral Form.

(6) Information in a complaint received from another division within OKDHS or an agency responsible for monitoring residential child care programs or child-placing agencies, such as the Oklahoma Commission on Children and Youth , OCA, the local health, or fire department, may be deemed valid when documented in writing by the agency representative. Licensing staff determines when the observation is a non-compliance. The program is advised of the report, requested to complete Form 07LC037E, Notice to Comply, when applicable, per Oklahoma Administrative Code (OAC) 340:110-1-47.2, and given an opportunity to respond.

(7) The programs supervisor is notified of a complaint when:

(A) the alleged non-compliance caused or could cause imminent risk of harm to a child in care;

(B) the program has repeated or serious non-compliance with requirements;

(C) the alleged non-compliance was addressed in a previous Form 07LC037E, Notice to Comply;

(D) referred to the Hotline or local law enforcement; or

(E) receiving special attention, such as from the media or a legislator.

(f) **Duplicate complaint.** Allegations received by a different complainant regarding a previously reported incident or allegation may

be considered a duplicate complaint.

(1) Duplicate complaints:

(A) must involve the same resident(s), program personnel, or incident date and time;

(B) require supervisory approval before proceeding with duplicate complaint processes; and

(C) received during a pending investigation are documented on Form 04K1001E, Referral Information Report, or Form 07LC012E, Licensing Complaint, and are part of the initial complaint; or

(D) received after the investigation completion are documented on Form 07LC080E, Licensing Services Supplemental Information, and included with the initial complaint investigation documentation; regardless of the duplicate allegation receipt timeframe.

(2) When a duplicate complainant provides additional allegations:

(A) during a pending investigation, allegations are investigated with the initial complaint allegations; or

(B) after investigation completion, the allegations are investigated as a new complaint and documented on Form 04K1001E or Form 07LC012E.

(3) Prior to complaint investigation completion, Licensing informs licensed programs when a duplicate complaint is reported and when additional allegations are investigated.

(4) Allegations of an unlicensed program operation may be considered a duplicate complaint.

(g) **Complaint risk levels.** Licensing staff determines risk levels based on the degree of harm or danger to children in care. Risk levels are used to ensure investigations occur timely .

(1) **Risk level I complaints.** Risk level I complaints indicate a child is in imminent risk of serious physical injury. The risk level is not influenced by the removal of a child from the program when other children remain in care. Investigations are initiated immediately or no later than 24-hours after receipt by Licensing unless awaiting OCA or local law enforcement investigation; excluding weekends and holidays when the program or agency is closed. Examples of non-compliances with licensing requirements may include:

(A) alleged physical or sexual abuse;

(B) presence or use of illegal drugs while children are in care;

(C) drug distribution;

(D) children alone in the facility or in a vehicle without anyone present;

(E) facility temperatures;

(F) infant sleep environments;

(G) caregiver's threatening or impaired behavior;

(H) severe understaffing or severe over licensed capacity;

(I) child passenger restraints;

(J) Emergency Order violation;

(K) required personnel without current cardio-pulmonary resuscitation and first aid training;
(L) failure to obtain background investigations; or
(M) knowingly permitting access to children by individuals identified as prohibited, restricted, or Restricted Registry registrants.

(2) **Risk level II complaints.** Risk level II complaints do not indicate there is imminent danger of injury, but without intervention a child may not be safe. Investigations are initiated within 10-calendar days of receipt by Licensing, unless requested by OCA or local law enforcement to delay the investigation.

Examples of non-compliances with requirements may include:

- (A) leaving children with underage personnel;
- (B) alleged physical abuse from personnel no longer working in the program;
- (C) inappropriate discipline where no injury is reported;
- (D) diapering or toileting;
- (E) hazardous equipment;
- (F) transporting without a valid driver license or liability insurance;
- (G) lack of supervision, including resident sexual behavior;
- or
- (H) minor understaffing or minor over licensed capacity.

(3) **Risk level III complaints.** Risk level III complaints do not indicate imminent danger and there are no injuries alleged. Serious non-compliances, per OAC 340:110-1-47.2, are not considered risk level III complaints. Investigations are initiated within 15-calendar days of receipt by Licensing including when a phone investigation is appropriate, per (h) of this Section.

Examples of non-compliances with requirements may include:

- (A) inadequate meal service;
- (B) quarterly vehicle maintenance;
- (C) program or agency records and documentation;
- (D) inappropriate use of television or videos; or
- (E) inadequate facility cleanliness.

(h) **The investigation.** Licensing staff conducts a full investigation, obtaining sufficient information to determine a finding.

(i) **Phone or written investigation.** With supervisory approval, Licensing staff may investigate a complaint by phone or written correspondence. The investigation discussion is documented on Form 07LC080E, Licensing Services Supplemental Information, including an agreed-on plan of correction, when necessary and provided to the operator.

(j) **Unlicensed program investigations.** When a complaint alleging operation of an unlicensed program is received, procedures, per OAC 340:110-1-54.1, are also followed.

(k) **Child abuse and neglect complaints.** On receipt of abuse or neglect allegations of a child in care, Licensing staff immediately notifies the programs supervisor and submits a referral to the Hotline.

(l) **Findings.** After investigation completion, Licensing staff, in consultation with the programs supervisor, as appropriate, determines

the complaint finding as substantiated or unsubstantiated.

(1) **Substantiated.** A substantiated finding is determined when some credible evidence indicates the program violated a Licensing requirement or the Act.

(2) **Unsubstantiated.** An unsubstantiated finding is determined when:

(A) insufficient evidence exists to fully determine whether a violation occurred; or

(B) no violation of a Licensing requirement or the Act occurred.

(m) **Documentation of findings.** Upon investigation completion, Licensing staff:

(1) informs the programs supervisor the complaint investigation is ready for review;

(2) documents the findings; and

(3) notifies the provider of the findings in writing including:

(A) a summary of facts, per (p) of this Section; and

(B) Form 07LC037E, Notice to Comply; when applicable.

(n) **Heinous and shocking abuse findings.** Per 10 O.S. § 406, when Licensing receives notification from OCA or CWS of heinous and shocking abuse findings by a person responsible for a child's health, safety, or welfare as defined, per 10A O.S. § 1-1-105, Licensing contacts the program or child-placing agency by email immediately or not later than one-business day after the substantiated finding notification.

(o) **Notice to Comply.** When a complaint allegation is substantiated, Licensing staff advises the program to correct the violations immediately, using Form 07LC037E, following procedure, per OAC 340:110-1-47.2(c)

(7). Licensing staff updates the Licensing database with plan of correction information.

(p) **Summary of facts.** Licensing provides program directors or agency owners a summary of the facts used to evaluate and determine the complaint findings.

(q) **Complaint overview.** Licensing staff completes an overview of completed complaint investigations in the Licensing database. This overview provides an investigation summary of how the complaint findings were determined, and is maintained in the case record's confidential section.

[Source: Added at 20 Ok Reg 1274, eff 6-1-03 ; Amended at 22 Ok Reg 1304, eff 6-1-05 ; Amended at 24 Ok Reg 1351, eff 7-1-07 ; Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 26 Ok Reg 415, eff 11-20-08 (emergency); Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 28 Ok Reg 1669, eff 7-1-11 ; Amended at 30 Ok Reg 1376, eff 7-1-13 ; Amended at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 40 Ok Reg 1033, eff 9-15-23 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-1-47.2. Non-compliance with requirements

(a) **Non-compliance documentation.** Licensing staff clearly and concisely documents non-compliance areas on the monitoring checklist and summary, including operator discussion.

(1) A plan of correction, including a specific agreed-on time period for non-compliance correction is documented on the

monitoring summary. Each non-compliance or documentation indicates a plan of correction will be submitted by the executive or program director. When a previous non-compliance was not corrected by the agreed-on time period, the non-compliance is documented again with a shorter plan of correction date.

(2) Immediate correction is required when the non-compliance directly impacts children's health, safety, or well-being.

(3) Licensing staff requests the operator's signature on the monitoring summary, explaining the signature indicates acknowledgment of recorded information.

(4) When the operator or individual in charge refuses to sign, the refusal is documented on the monitoring summary.

(5) The operator is provided a monitoring summary copy.

(6) Timeframes for filing a grievance regarding non-compliance with requirements are provided on the monitoring summary.

Refer to grievance procedures, per Oklahoma Administrative Code (OAC) 340:110-1-54.

(b) Referrals to fire and health officials. When non-compliance regarding fire or health requirements places children at risk of harm or remains uncorrected, Licensing staff requests an inspection by a fire, health, or Oklahoma Department of Environmental Quality official.

(c) Repeated and serious non-compliance.

(1) Repeated non-compliance is three or more documented incidents of non-compliance with the same requirement within the last 12 months.

(2) Serious non-compliance is non-compliance with Licensing requirements exposing children to conditions presenting an imminent risk of harm based on the child's age, the amount of time the program or agency was out of compliance, and the program or agency efforts to mitigate the risk. Serious non-compliance is identified through Licensing observations, and/or confirmed complaint investigations. Failure to comply with licensing requirements that may be considered as serious non-compliance include:

(A) when applicable, staff-child ratio;

(B) child supervision;

(C) infant sleep environments;

(D) prohibited disciplinary actions;

(E) licensed capacity;

(F) transportation;

(G) water activities;

(H) pools and other water hazards;

(I) multiple hazards;

(J) weapons;

(K) failure to report child abuse or human trafficking;

(L) knowingly permitting access to children by individuals identified as restricted or Restricted Registry registrants;

(M) failure to obtain background investigations or Restricted Registry searches;

(N) medication administration;

(O) room temperatures;

- (P) heat sources and/or loss of any utility service;
- (Q) cardio-pulmonary resuscitation and first aid training;
- or
- (R) required behavior management training.

(d) **Case management responses to non-compliant facilities.** One or more responses in this subsection are used when there is repeated or serious non-compliance.

(1) **Technical assistance.** Licensing staff offers technical assistance, including referrals to consultants or professional development resources, assisting the operator in meeting and maintaining Licensing requirements.

(2) **Follow-up phone call to the program.** Phone calls are documented on Form 07LC080E, Licensing Services Supplemental Information, and a copy provided to the program.

(3) **Non-compliance letter.** A non-compliance letter may be written to the operator. Licensing staff provides a monitoring summary copy with the non-compliance letter to the governing board or owner, when applicable.

(4) **Return monitoring visit.** A return monitoring visit may be conducted when there is repeated or serious non-compliance with Licensing requirements or when non-compliance places children at imminent risk of harm. When the non-compliance is associated with a specific time of day, such as understaffing after school or a lack of early morning supervision, the return monitoring visit is conducted at the approximate time.

(5) **Use of witnesses.** A witness may accompany Licensing staff when the program had repeated or serious non-compliance or considered for request for license denial or license revocation. The witness may be an Oklahoma Department of Human Services employee, a representative from the fire or health department, or law enforcement. The witness signs the monitoring summary.

(6) **Increased monitoring visits.** Licensing staff may increase monitoring frequency plans when there was repeated or serious non-compliance or when the need for additional technical assistance is indicated.

(7) **Notice to comply.** Licensing staff provides the operator with Form 07LC037E, Notice to Comply, and the operator documents the plan of correction. Immediate correction may be required when the non-compliance places children's health, safety, or well-being at risk.

(A) When the plan submitted is unacceptable, Licensing staff negotiates a revised plan and requests submission within 10-calendar days.

(B) When Form 07LC037E, Notice to Comply, is not submitted within the specified time period, Licensing staff contacts the operator and documents the conversation.

(C) When non-compliances continue to place children at risk, Licensing staff provides a letter stating non-compliances and/or continued failure to correct non-compliances may result in request for license denial, license revocation, filing of an injunction, or issuance of an

Emergency Order.

(8) **Office conference.** Licensing staff may schedule an office conference with the program owner or operator. The programs manager is present at the office conference. Program status, non-compliance areas, and progress toward meeting the plan(s) of correction are reviewed and technical assistance is offered. The office conference is documented on Form 07LC080E, Licensing Services Supplemental Information and signed by Licensing staff, the operator, and witnesses. This documentation includes a list of individuals present, conference purpose, and re-verification of ownership documentation. Form 07LC037E, Notice to Comply, is completed when one addressing these issues was not previously completed.

(9) **Consent agreement.** Child Care Services (CCS) and the program owner may enter into a consent agreement when the program owner agrees to specific conditions in lieu of request for license denial or license revocation, per OAC 340:110-1-52.

(10) **Revocation or denial.** Licensing staff may recommend the request for license be denied or license revoked when repeated or serious non-compliance with requirements was observed and documented or the program failed to adequately protect children, per OAC 340:110-1-52.

(11) **Voluntary cease care.** With CCS State Office approval, the owner is asked to voluntarily cease caring for children or child-placing activity. The programs manager is notified of every situation involving a request for voluntary cease care or child-placing activity.

(12) **Voluntary closure.** With CCS State Office approval, the owner is asked to voluntarily close the program.

(e) **Case management responses when children are at risk.** When Licensing staff documents non-compliance with requirements or is investigating a complaint that children may be at imminent risk of harm, options to consider with the operator and the programs manager are outlined in this subsection.

(1) The operator is asked to immediately correct the non-compliance; such as, the personnel will not be present or work alone with children at the program pending the outcome of an investigation.

(2) With CCS State Office approval, the owner is asked to voluntarily cease care until the non-compliance is corrected or the investigation is complete.

(3) With CCS State Office approval, the owner is asked to voluntarily close the program.

(4) When immediate action is needed to protect children, Licensing staff requests an Emergency Order, per OAC 340:110-1.52.

(5) CCS and the owner may enter into a consent agreement when the program owner agrees to specific conditions in lieu of request for license denial or license revocation, per OAC 340:110-1-52.

(6) Licensing staff may recommend the request for license be denied or license be revoked when repeated or serious non-

compliance with requirements was observed and documented or the program failed to adequately protect children, per OAC 340:110-1-52.

(7) An injunction may be requested when the residential program or child-placing agency is:

- (A) unlicensed;
- (B) on request for license status;
- (C) licensed;
- (D) violating an Emergency Order;
- (E) operating during an appeal following request for license denial or license revocation and children are at risk of harm; or
- (F) violating the notice to cease and desist care following request for license denial or license revocation.

(f) Notification to programs manager when children are at risk.

When during a monitoring visit Licensing staff is concerned the children's health, safety, or well-being is at imminent risk, the programs manager or CCS State Office staff is contacted immediately.

(g) Alternative method of compliance. CCS may approve an alternative method of compliance to a minimum Licensing requirement. An alternative method of compliance may be authorized when Licensing determines the alternative method of compliance offers equal protection of children's health, safety, or well-being, meets the requirement's basic intent for the requested alternative compliance, and does not violate statutory requirements.

(1) An applicant or licensee submits a written request with supporting documentation on Form 07LC061E, Alternative Compliance Request, to Licensing staff. A separate alternative method of compliance request is submitted for each requirement identified.

(2) Licensing staff completes Form 07LC105E, Alternative Compliance Referral, and submits all documentation to the statewide licensing coordinator or designee.

(3) Approval of an alternative method of compliance does not set a precedent, and is independently evaluated on the merits of each request.

(4) The program's compliance record is considered when determining approval.

(5) An alternative method of compliance is not authorized for requirements affecting children's health and safety, such as exceeding licensed capacity of a residential program, staff-child ratios, fire safety, or behavior and guidance.

(6) Form 07LC075E, Notice of Alternative Compliance, stating the nature of the exception, is posted with the license.

340:110-1-52. Legal actions

(a) **Failure to meet requirements.** When numerous, repeated, or serious non-compliance with licensing requirements is observed and documented, or when an operator is unable to comply with the requirements, or fails to protect the health and safety of children, the Oklahoma Department of Human Services (OKDHS) may deny or revoke the license. Denial or revocation of a license is based on observation, investigation, and documentation that the operator is unable or unwilling to comply with minimum requirements.

(1) Denial of a license is recommended for a facility or agency that has filed an application for license.

(2) Revocation of a license is recommended for a facility or agency that is currently licensed.

(b) **Consent agreement.** OKDHS may offer to enter into a consent agreement with a facility in lieu of license denial or revocation. If such action has already taken place, a consent agreement may be used during the appeal process if the facility comes into compliance with licensing requirements. The use of a consent agreement is not required prior to denying or revoking a license.

(1) An office conference with the operator is scheduled to develop the consent agreement. The programs manager is present at the meeting. The operator may bring legal representation.

(A) The programs manager determines the minimum terms that are acceptable to avoid negative sanctions. Terms and time frames of the agreement are based upon the nature

and severity of the non-compliance.

(B) The agreement may include emergency voluntary restrictions, such as a ban on future admissions of children to the facility, a restriction on the ages of children cared for in the facility, a reduction in the number of children attending the facility, and specific staff training, drug testing, and medical or psychological evaluation.

(C) Time frames to initiate and conclude the terms of the agreement are established and may be extended upon approval of the programs manager and the OKDHS Legal Division.

(2) The operator is required to prominently post a copy of the consent agreement in the residential facility or child-placing agency. During the next monitoring visit, the licensing staff verifies that the consent agreement is posted. If it is not posted, the licensing staff documents it as a violation of the terms of the consent agreement.

(3) The licensing staff mails a copy of the consent agreement, with a cover letter to parents or guardians of children currently housed at the facility. If the operator has not provided children's names and addresses, the licensing staff records the information from the children's records during the next monitoring visit.

(4) The licensing staff conducts monitoring visits at least monthly while the consent agreement is in effect. The same witness accompanies the licensing staff on monitoring visits whenever possible.

(5) Any violation of the terms of the consent agreement is:

(A) documented on Form 07LC080E, Licensing Services Supplemental Information; and

(B) considered grounds for proceeding with license revocation or denial.

(6) The residential child care facility or child-placing agency is not entitled to an appeal of the terms of the consent agreement, as participation in the agreement is voluntary.

(c) **Denial or revocation of license.** The licensing staff consults with the programs manager regarding the denial or revocation recommendation.

(1) The licensing staff prepares a summary of non-compliance and submits it to the programs manager for review, with a recommendation to approve, disapprove, or delay decision pending further investigation.

(2) When the programs manager approves the denial or revocation, it is reviewed by the OKDHS Legal Division. The director of Child Care Services or designee has final approval of denial or revocation.

(3) Notification of proposed denial or revocation is sent by certified mail to the operator, and to the OKDHS Legal Division, at least 30 days prior to the effective date of the proposed action, and includes a:

(A) copy of the recommendation summary;

(B) notice of the operator's right to appeal the decision;

(C) statement that the law requires notice in writing of the denial or revocation be given to parents or custodians of children attending the facility. The operator is instructed to submit to OKDHS the names and addresses of currently enrolled children; and

(D) sign providing notice of proposed denial or revocation that must be prominently posted in the facility.

(d) Appeal.

(1) An appeal of the decision to deny or revoke license must be submitted to the Oklahoma Commission for Human Services by the operator within 30 days of receipt of the notice. If the operator does not appeal the decision within the time period, the programs manager sends to the operator by regular mail a notice of denial or revocation that includes the effective date. This is also forwarded to the licensing records office for potential restricted registration procedures per OAC 340:110-1-10.1.

(2) If an appeal is made by an operator to OKDHS, a hearing is scheduled by the OKDHS Appeals Unit. The operator is notified of the hearing by personal service, or by delivery to the proper address by certified mail, at least two weeks prior to the date of the hearing.

(3) If the administrative hearing officer upholds the OKDHS decision, the hearing officer provides a written notice at the conclusion of the hearing, which contains an explanation of appeal rights.

(4) The facility may continue to operate during any appeal process unless an Emergency Order is in effect.

(A) The licensing staff conducts monitoring visits at least once a month, unless advised otherwise in writing by the programs manager or designee, and is accompanied by the same witness whenever possible.

(B) If at any time during the appeal process OKDHS believes the health, safety, or well-being of children is at risk:

(i) an Emergency Order is requested; or

(ii) following consultation with the programs manager or designee, the licensing staff contacts the district attorney (DA) of the local county or Attorney General and requests that an injunction be filed.

(e) Child care discontinued.

(1) If the decision of OKDHS to deny or revoke is upheld during all appeals, the programs manager informs the operator in a letter that child care must immediately cease. This is also forwarded to the licensing records office for potential restricted registration procedures per OAC 340:110-1-10.1.

(A) The licensing staff conducts a follow-up visit to confirm that child care has been discontinued. The programs manager or designee is notified of the visit.

(B) If the operator continues to maintain and operate the residential child care facility or child-placing agency after

a final decision to deny or revoke license, the licensing staff consult with the programs manager regarding following procedures in (i) - (l) of this Section.

(2) If the OKDHS decision to deny or revoke is not upheld, OKDHS takes action to implement the decision within ten days.

(3) When OKDHS denies or revokes a facility's license, the responsible entity can not make application for a new residential child care facility or child-placing agency license within Oklahoma for five years.

(f) **Emergency Order.** An Emergency Order may be issued by OKDHS when immediate action is needed to protect the health, safety, or well-being of children in a child care facility or served by a child-placing agency.

(1) If the operator is unwilling to voluntarily correct the hazardous situation, the licensing staff notifies the programs manager of the circumstances. If the programs manager agrees that an Emergency Order is warranted, all supporting documentation is given to the director of Oklahoma Child Care Services (OCCS) for review. The written order is issued and signed by the programs manager. If the risk is such that children must be immediately removed from the residential facility or placement through a child-placing agency, the director of OCCS may give verbal approval for removal of children.

(A) The administrator or director and parents or custodians are told that the facility will not be open on the following day; or parents or custodians are contacted to pick up their children immediately.

(B) If every effort has been made to reach the parents or custodians, and children are at immediate risk of harm, the programs manager contacts law enforcement to remove the children.

(2) The Emergency Order states the existence of an emergency and sets forth remedies such as removal of children from the facility or closure of a facility. The order is effective immediately and includes the right to appeal the decision.

(3) Licensing staff verify compliance with Emergency Order for a period of 30 days after the action becomes final, unless the Emergency Order is rescinded within that timeframe.

(4) The Emergency Order may be rescinded when the programs manager verifies correction of the hazardous situation. Upon receipt of such documentation, the director of OCCS notifies the operator in writing that the order has been rescinded.

(5) The operator may request a hearing by filing a written request within ten days of receipt of the Emergency Order. The hearing is conducted within ten days from receipt of the operator's request.

(6) If operator disagrees with the results of the administrative hearing, the operator may appeal to the district court within 30 days of the decision of the administrative hearing officer.

(g) **Rescinding the order.** The Emergency Order may be rescinded when the licensing staff verifies correction of the hazardous situation. Upon receipt of such documentation, the programs manager notifies the

operator in writing that the order has been rescinded.

(h) Hearing process.

(1) The operator may request a hearing by filing a written request within ten days of receipt of the Emergency Order. The hearing is conducted within ten days from receipt of the operator's request. An OKDHS hearing officer conducts the hearing.

(2) If the results of the OKDHS hearing are disputed, the operator may file an appeal in district court within ten days of the decision.

(i) Violation of the Emergency Order. If an operator violates the conditions set forth in the Emergency Order, the licensing specialist, after consultation with the programs manager, contacts a Council on Law Enforcement Education and Training (CLEET)-certified officer for assistance and makes a referral to the DA for further action.

(j) Citation Request. A referral is made on Form 07LC097E, Citation Request, for the assistance of a CLEET-certified officer. Procedures regarding citation request are:

(1) Licensing staff contacts a CLEET-certified officer to schedule a visit to the facility.

(2) Upon violations of conditions set forth in the Emergency Order, or following the revocation, or denial of a license, a citation may be issued by the CLEET-certified officer for not less than \$100, nor more than \$500 for every day the facility maintains and receives children.

(3) Licensing staff and a CLEET-certified officer monitor the facility until care of children has ceased.

(k) DA referral. If violation of an Emergency Order occurs, licensing staff consults with Programs Manager for the necessity of a referral to DA. Should a referral be necessary, licensing staff completes Form 07LC098E, District Attorney Referral, which includes documentation of the facts of the case. A copy is sent to the statewide licensing coordinator who informs the OKDHS Legal Division of the referral.

(l) Referral to the Attorney General. If no action is taken by a DA of the county where the facility is operating, a referral may be made to the Attorney General by the statewide licensing coordinator or designee.

340:110-1-53. Case closures

(a) A case is closed when:

(1) the residential child care facility or child-placing agency is sold to a new owner unless a case is in the appeal process;

(2) care of children is discontinued, or in a child-placing agency, operation is discontinued unless the case is in the appeal process;
or

(3) the license is revoked or the application for license is denied.

(b) When a licensed child care facility closes of its own accord, the licensing staff updates the database and submits to the licensing

programs manager a narrative and a copy of the letter sent to the facility verifying closure.

(c) If the case is closed because of denial or revocation, the facility may not make application for a new child care facility license in Oklahoma for five years following closure of the facility.

340:110-1-54.1. Unlicensed facilities

(a) **Legal basis and authority.** Pursuant to Section 405 of Title 10 of the Oklahoma Statutes, no child care facility may be operated or maintained in this state, unless licensed or given permission to operate by the Oklahoma Department of Human Services (OKDHS).

(b) **Procedures for investigating the operation of an unlicensed residential facility.** When information is received regarding the operation of an unlicensed residential facility, staff conducts a full monitoring visit no later than three facility business days to assess the necessity of license.

(1) If care is being provided, staff informs the facility they have not been given permission to operate and they are in violation of the Oklahoma Child Care Facilities Licensing Act (Act). During the visit the facility is informed on Form 07LC095E, Notice Regarding Unlicensed Care, that:

(A) care must cease by the end of the current business day unless imminent risk indicates the need for the facility to cease care immediately; or

(B) permission to operate may be granted when the facility:

(i) is in compliance with health and safety requirements without serious non-compliances as referenced in OAC 340:110-1-46(a)(1);

(ii) has submitted a completed application in accordance with OAC 340:110-1-45;

(iii) provides all required background information per OAC 340:110-1-51; and

(iv) has staff present who meet the following licensing requirements:

(I) documented current cardio-pulmonary resuscitation and first aid certification;

- (II) completed behavioral intervention training; and
- (III) minimum educational qualifications for the position held.

(2) If a facility is not granted permission to operate, a follow-up visit is conducted within one facility business day to verify the termination of care. The follow-up visit timeframe may be extended up to five days with programs manager approval and is documented on Form 07LC080E, Licensing Services Supplemental Information. When care of children has not ceased, staff proceed per OAC 340:110-1-52(f).

(3) When the necessity of a license is not required, licensing staff documents the investigation of unlicensed operation on Form 07LC080E.

(c) Procedures for investigating the operation of an unlicensed child placing agency. When information is received regarding the operation of an unlicensed child placing agency, staff makes contact with the agency representative within three agency business days to assess the necessity of license.

(1) If child placing activity is being provided, staff informs the agency they have not been given permission to operate and they are in violation of the Oklahoma Child Care Facilities Licensing Act (Act). Licensing staff document on Form 07LC080E:

- (A) child placing activity must cease by the end of the current business day, unless imminent risk indicates the need for the agency to cease operation immediately; or
- (B) permission to operate may be granted when the agency:

- (i) has submitted a completed application per OAC 340:110-1-45;
- (ii) provides all required background information per OAC 340:110-1-51; and
- (iii) has staff who meet minimum educational qualifications for the position held.

(2) If an agency is not granted permission to operate, a follow-up visit is conducted within one agency business day to verify the termination of child placing activity. The follow-up visit timeframe may be extended up to five days with programs manager approval and is documented on Form 07LC080E. When child placing activity has not ceased, staff proceed per OAC 340:110-1-52(f).

(3) When the necessity of a license is not required, licensing staff documents the investigation of an unlicensed operation on Form 07LC080E.

(d) Documentation of Findings. Following the unlicensed complaint investigation, licensing staff proceed with procedures in OAC 340:110-1-47.1(l). All case staffings and discussions of case action are documented on Form 07LC080E and maintained in the case file.

(e) Procedures for investigating unlicensed out of state child-placing agencies.

(1) The licensing staff mails to the owner the licensing requirements and a letter that includes information about

licensure and a request for a response within 14 days.

(2) If a response is not received within 14 days, several contacts are made or attempted to encourage the owner of an unlicensed facility to comply with the Act.

(3) If the owner fails to apply for licensure as required by the Act, the licensing staff consults with the programs manager and statewide licensing coordinator for appropriate action which could include the issuance of an Emergency Order.

340:110-1-55. Public inspection of licensing files

(a) **Legal basis.** The Oklahoma Department of Human Services (OKDHS) is subject to the Oklahoma Open Records Act, Section 24A.1 et seq. of Title 51 of the Oklahoma Statutes, which mandates that public records are open for public inspection unless they are required by law to be kept confidential.

(b) **Licensing records.** All OKDHS records of facilities required to be licensed under Sections 401 through 410 of Title 10 of the Oklahoma Statutes that are considered public records are open and available for public inspection during reasonable hours. However, information obtained concerning a report of a violation of a licensing requirement is confidential pursuant to Section 406 of Title 10 with the exception of a summary of allegations and findings of an investigation involving a child care facility that does not disclose identities but that permits the public to evaluate the facility.

(c) **Location of case records.** Child care facility licensing records are located in the OKDHS Human Service Center of the licensing staff and are inspected at that location. Licensing records may be inspected by the public in the presence of licensing staff.

(d) **Preparation of case files for inspection.** The licensing staff carefully reviews the entire record and removes confidential information.

(e) **Fees for photocopying.** For photocopy fee information refer to OAC 340:2-21-16.

(f) **Release of confidential information.** A complete case file that includes confidential information may be provided only to certain persons according to applicable laws and regulations, such as the OKDHS Legal Division and Division of Children and Family Services, law enforcement officials, and upon order of a court of competent jurisdiction.

(g) **Computer licensing record.** A summary of the facility licensing record maintained on the computer database may be provided upon request at no charge. A cover letter is sent with the licensing summary that notes the summary does not include the complete case record, and the complete case record may be reviewed in the OKDHS Human Service Center where the facility is located.

340:110-1-75. Dependent care planning and development grant funds [REVOKED]

[Source: Added at 11 Ok Reg 519, eff 11-15-93 (emergency); Added at 11 Ok Reg 2773, eff 6-13-94 ; Revoked at 17 Ok Reg 1347, eff 5-11-00]

340:110-1-76. Child Care and Development Fund (CCDF)

(a) **Purpose.** This Part provides CCDF administrative rules and procedure guidelines. CCDF is a federal grant awarded annually to states and tribes for child care improvement.

(b) **Legal basis and authority.** Oklahoma Human Services (OKDHS) is the Lead Agency administering the CCDF. OKDHS designates responsibility to Child Care Services (CCS) to develop and implement the state child care plan to qualify for the federal CCDF.

(c) **State Plan.** CCS submits a state plan to the Administration for Children and Families . The state plan establishes goals and objectives addressing quality child care needs for children birth through age 13.

(d) **State and federal law requirements.** The state and federal law requirements include:

- (1) overseeing state and federal fund distribution;

- (2) complying with approved state plan provisions, CCDF rules, and requirements;
- (3) submitting state plan amendments and requesting waivers;
- (4) responding to regional or federal office requests;
- (5) coordinating financial inquiries, questions, and responses with Financial Services; and
- (6) assuming program review responsibility.

(e) **Contracting procedures.** CCS cooperates with Office of Management and Enterprise Services ensuring contracting and purchasing regulations and policies are followed.

(f) **Monitoring procedures.** At least annually, CCS monitors program and fiscal aspects of contracts, request for proposals, or agreements with state agencies, funded through CCS. Monitoring:

- (1) verifies state statute compliance;
- (2) evaluates contract or agreement compliance; and
- (3) provides technical assistance for improved services through additional visits, when applicable.

(g) **Local projects.** CCDF allows CCS project implementation enabling child care providers to receive funding. This ensures access to affordable quality child care for Oklahoma's children and parents. Local projects accomplishing specific goals meeting a documented community need are funded through CCS. The contract process ensures available funds are awarded to applicants with proposals best addressing the documented need.

PART 5. REQUIREMENTS FOR FAMILY CHILD CARE HOMES AND LARGE FAMILY CHILD CARE HOMES

340:110-3-80. Purpose and policy of the law

It is the declared purpose and policy of the Oklahoma Child Care Facilities Licensing Act to ensure maintenance of minimum standards for the care and protection of children away from their own homes, to encourage and assist the child care facility in attaining maximum standards, and to work for the development of sufficient and adequate services for child care. These requirements are presented as minimum requirements and safeguards to ensure the well-being of children. They have been developed from existing knowledge of child development and experience in child care.

[Source: Amended at 10 Ok Reg 107, eff 10-13-92 (emergency); Amended at 10 Ok Reg 2287, eff 6-11-93]

340:110-3-81. Definitions

The following words and terms, when used in this Part , have the following meaning unless the context clearly states otherwise:

"Assistant caregiver" means an individual at least 16 years of age assisting in caring for children.

"Child" means an individual younger than 18 years of age

"Department" means Oklahoma Human Services (OKDHS).

"Family child care home" means a family home that provides care and supervision for seven or fewer children for part of the 24-hour day.

"Hazard" means anything that may inflict injury or cause harm.

"Inaccessible" means children are unable to access an item or area due to the use of a lock or child-proof barrier or the item is too high for children to easily reach.

"Infant" means a child from birth up to 12 months of age.

"Large family child care home" means a residential family home that provides care and supervision for eight to 12 children for part of the 24-hour day.

"Locked" means the use of a secure device that can only be opened by a key, combination, or code.

"Parent" means an individual legally responsible for the child, such as a mother, father, legal custodian, or legal guardian.

"Primary caregiver" means the caregiver who is present in the child care home and responsible for day-to-day program operation.

"Relative" means an individual with the relationship, whether by marriage, blood, or adoption, of:

- (A) parent;
- (B) grandparent;
- (C) brother;
- (D) sister;
- (E) step-parent;
- (F) step-sister;
- (G) step-brother;
- (H) uncle;
- (I) aunt; or
- (J) cousin.

"Specialized service professional" means an individual from an academic discipline or field of expertise providing individualized services to a child, such as behavioral or physical therapists.

"Substitute caregiver" means an individual designated by the primary caregiver to provide substitute child care for short periods of time.

"Toddler" means a child 12 through 23 months of age.

"Unsupervised access to children" means an individual being present with children without personnel present who have a complete criminal history review.

340:110-3-82. Necessity and issuance of license

(a) **License required.** No child care program may be legally operated or maintained in the State of Oklahoma after June 20, 1964, unless licensed by the Oklahoma Department of Human Services (DHS).

(b) **Application for license.** Application for license is made on DHS provided forms and in the manner prescribed.

(c) **License issued.** In order to provide care for children in a child care program, a license is obtained from DHS that is issued on the basis of meeting minimum requirements essential for the health, safety, and well-being of the children in care.

- (1) Children are not accepted into care until DHS permission is obtained.
- (2) The license granted applies to the ownership and location specified at the time the license is issued. When ownership or location changes, DHS is notified.
- (3) The license is not transferable.

(4) Per Section 401 et seq. of Title 10 of the Oklahoma Statutes (10 O.S. § 401 et seq.), Oklahoma Child Care Facilities Licensing Act (Licensing Act), persons identified as registrants on the Restricted Registry are prohibited from:

- (A) licensure as a child care program;
- (B) ownership of a child care program;
- (C) employment in a child care program;
- (D) having unsupervised access to children; and/or
- (E) residing in a child care facility.

(d) Application denied or license revoked. DHS may deny an application or revoke a license if the applicant or licensee violates any provision of the Licensing Act.

(1) No application is denied or license revoked unless the licensee is given a 30 day notice in writing of the grounds for the proposed denial or revocation.

(2) If the denial or revocation is protested within 30 days of receipt of the written notice, a hearing is conducted.

(3) When DHS denies an application or revokes a license, the owner, business entity, or responsible entity cannot make application for a new child care program license within Oklahoma for five years following notification to the owner, business entity, or responsible entity of the application denial or license revocation; and during the appeal process.

340:110-3-83. Family day care home standards [REVOKED]

[Source: Revoked at 10 Ok Reg 107, eff 10-13-92 (emergency); Revoked at 10 Ok Reg 2287, eff 6-11-93]

340:110-3-84. Ages and number of children

(a) Total number of children. The maximum number of children in care at one time, on or off of the premises, does not exceed the number of children specified on the license.

(1) The total number of children in care is limited to:

- (A) seven children, for a family child care home;
- (B) twelve children, for a large family child care home; and
- (C) includes children in (2) and (3) of this subsection.

(2) The total number of children in care includes:

- (A) children younger than 5 years of age living in the home and present while children are in care;
- (B) foster children 12 years of age and younger living in the home and present while children are in care; and
- (C) the substitute's or assistant caregiver's children present while children are in care.

(3) When the primary caregiver is licensed in an alternative residence other than his or her primary residence, the total

number of children in care includes children 12 years of age and younger not residing in the alternative residence.

(b) One caregiver.

(1) When only one caregiver is present, the total number and ages of children in care at any one time are:

(A) seven children, with no more than two children younger than 2 years of age;

(B) six children, with no more than three children younger than 2 years of age; or

(C) five children of any age.

(2) Examples of number and ages of children are described in this paragraph.

(A) When one caregiver has seven children in care, the program may care for:

(i) seven children two years of age and older, and no children younger than two years of age;

(ii) one child younger than two years of age, and six children two years of age and older; or

(iii) two children younger than two years of age, and five children two years of age and older.

(B) When one caregiver has six children in care, the program may care for three children younger than two years of age, and three children two years of age and older.

(C) When one caregiver has five children in care, the program may care for:

(i) four children under two years of age and one child two years of age and older; or

(ii) five children all younger than two years of age, and no children two years of age and older.

(c) Two caregivers. Two caregivers are required to provide care when:

(1) seven children are in care and more than two children are younger than 2 years of age; or

(2) six children are in care and more than three children are younger than 2 years of age.

(d) Additional staff provisions are made for enrollment of children with disabilities requiring individual attention.

340:110-3-85. Caregiver requirements

(a) **Caregiver responsibilities.** Caregiver responsibilities in (1) through (15) of this subsection are met.

(1) **Primary caregiver.** The primary caregiver is present in the home at least 80 percent of weekly-operating hours and is responsible for the day-to-day program operation. The sole proprietor is the primary caregiver.

(2) **Care and supervision.** The caregiver provides children's care and supervision at all times, both indoors and outdoors.

(A) Caregivers prevent and respond to allergies and life-threatening conditions by:

- (i) being aware of children's known food and life-threatening allergies;
- (ii) knowing the location of life-threatening condition medications; and
- (iii) ensuring life-threatening condition medications, such as epinephrine pens and rescue inhalers, are in close proximity to the child for immediate administration when needed, including outdoors when the child is outside, during transportation, or on field trips. However, medications are inaccessible to children.

(B) Supervision of children means observing, overseeing, and guiding a child or group of children, including:

- (i) awareness of, and responsibility for, each child's ongoing activity and, being near enough to intervene when needed;
- (ii) observation of infants at least every 15 minutes while awake or sleeping; and
- (iii) observation of children 1 year of age and older at least every 15 minutes while in cribs and playpens.

(3) **Outdoor play supervision.** In addition to the requirements in (2) of this subsection, the caregiver remains outdoors with children at all times when:

- (A) there is a potentially hazardous situation, such as a pool on the premises or a trampoline in the outdoor play area;
- (B) there is access to a dog(s) outdoors;
- (C) there are children 3 years of age and younger present;
- or
- (D) the outdoor area is not completely fenced.

(4) **Overnight care supervision.** When children are in care overnight and more than one caregiver is required due to the children's ages and number, at least one caregiver is awake at all times.

(5) **Assistant and substitute caregivers.** When the primary caregiver employs an individual to assist with or provide children's care and supervision in the primary caregiver's absence, the primary caregiver ensures the assistant or substitute caregiver is qualified, understands and complies with requirements, and has current cardio-pulmonary resuscitation (CPR) and first aid certification documentation, per Oklahoma Administrative Code (OAC) 340:110-3-85(h).

(A) **Required records.** Prior to employment, a personnel information form provided by Oklahoma Human Services (OKDHS) is completed. Relative references are not accepted. Assistant and substitute personnel records are maintained at the home and available to Licensing on request.

(B) **Assistant caregiver.** When an assistant caregiver is employed to meet the required staff to child ratio, the assistant caregiver is a responsible, mature, and healthy individual at least 16 years of age. The caregiver is prohibited from leaving children alone in the care of individuals younger than 18 years of age.

(C) **Substitute caregiver.** A substitute caregiver, at least 18 years of age, is available to provide care for short periods of time in the caregiver's absence.

(i) The substitute caregiver may be used in emergency situations and occasionally in non-emergency situations. In non-emergency situations, the caregiver notifies parents in advance when the substitute will be providing care.

(ii) The substitute's name, address, and phone number are provided to Licensing and posted with the other required emergency numbers.

(6) **Criminal history investigation verification.** The family child care owner or primary caregiver is responsible for submitting to OKDHS Office of Background Investigations (OBI), criminal history investigations and obtaining dispositions on any charges shown on the report lacking dispositions.

(7) **Realistic expectations.** The caregiver demonstrates a capacity for setting realistic behavior and performance expectations based on the children's ages, abilities, and special needs.

(8) **Constructive influence.** The caregiver's family members and others living in the home accept the children in care and provide constructive influence. There is an indication of a stable and harmonious home life.

(9) **Hazards.** The caregiver recognizes and acts to correct hazards to children's safety, both indoors and outdoors.

(10) **Child abuse and human trafficking reporting.** Reporting requirements in (A) and (B) of this paragraph are met.

(A) Any person who has reason to believe a child was abused or neglected, per Section 1-1-105 of Title 10A of the Oklahoma Statutes (10A O.S. § 1-1-105) is required to report the matter promptly to the OKDHS Child Abuse and Neglect Hotline at 1-800-522-3511, per 10A O.S. § 1-2-101. Failure to report is a misdemeanor offense and upon conviction is punishable by law. Failure to report with prolonged knowledge, six months or more, of ongoing abuse or neglect is a felony offense.

(B) Per 21 O.S. § 870, every person having reason to believe that a person or child-placing agency is engaging in the crime of human trafficking in children, per 21 O.S. § 866, reports the matter promptly to the Oklahoma Bureau of Narcotics and Dangerous Drugs Control.

(11) **Licensing notification.** The primary caregiver notifies Licensing within:

(A) 24-hours of a child death while in care;

- (B) 24-hours of accidents involving transportation unless there were no injuries and only minor vehicle damage;
- (C) 24-hours of changes in liability insurance coverage;
- (D) 24-hours of a phone number change;
- (E) 24-hours of an unscheduled temporary or permanent program closure or relocation;
- (F) 24-hours of a child's injury requiring emergency medical attention;
- (G) 24-hours of an incident exposing children to an imminent risk of harm, such as a child leaving the premises without caregiver knowledge or being left alone on- or off-site or in a vehicle;
- (H) 24-hours of remodeling, changes, or physical facility damage affecting compliance with licensing requirements;
- (I) 24-hours of known arrests, criminal investigations, criminal charges, or child abuse investigations involving individuals living in the home, providing care, or assisting with children's care;
- (J) 24-hours of any legal action against a caregiver involving or affecting a child in care or program operation;
- (K) 24-hours when an animal bites a child and the skin is broken;
- (L) 24-hours of any disease or illness requiring prompt local or Oklahoma State Department of Health (OSDH) notification, per OAC 340:110-3-90(c)(2)(A).
- (M) five-calendar days of an individual moving into the home; and
- (N) 30-calendar days in advance of moving from one residence to another, unless an emergency exists. The new home complies with licensing requirements.

(12) **Heinous and shocking abuse notification.** OKDHS notifies programs of a substantiated finding of heinous and shocking abuse by a person responsible for a child's health, safety, or welfare, as defined per 10A O.S. § 1-1-105. Upon receiving the notice, the facility owner or primary caregiver provides notification to parents or legal guardians of children attending the facility using an OKDHS-provided form.

(A) Notification is:

- (i) immediately attempted but not later than 72 hours of notice receipt from OKDHS; and
- (ii) provided by certified mail; and

(B) The program maintains the list of notified parents and legal guardians for at least 12 months.

(13) **License posting.** The permit or license is displayed in the home, including the denial or revocation notice, when applicable.

(14) **Other employment.** The caregiver is prohibited from conducting business in the home during the hours children are in care. The primary caregiver is not employed outside the home during child care hours.

(15) **Foster care.** The caregiver may not provide therapeutic foster care. The caregiver may provide foster care only with prior

written approval from Licensing for each child placement.

(A) The written approval includes the number and ages of foster children.

(B) Foster children 12 years of age and younger are counted in the license capacity.

(16) **Inactive care.** A primary caregiver is in inactive status when care was not provided for more than 90-consecutive calendar days.

(A) Prior to resuming care, the caregiver notifies Licensing to verify compliance with licensing requirements.

(B) When care was not provided for more than 12-consecutive months, the family child care home is closed. Prior to resuming care, the caregiver must reapply and be approved for a license.

(b) **Caregiver qualifications.** Caregiver qualifications are described in this subsection.

(1) **General.** The caregiver is a responsible, mature, healthy adult capable of understanding and complying with licensing requirements, and meeting children's needs. The caregiver demonstrates prudent and responsible behavior reasonably ensuring children's health, safety, and well-being. Caregivers interact with children without physical, psychological, or emotional punishment, mistreatment, neglect, or abuse.

(A) Primary caregivers are at least 21 years of age.

(B) Primary caregivers applying for a license after October 1, 2007, have obtained a high school diploma or General Educational Development credential (GED).

(C) Caregivers left alone with children have the ability to read and write for keeping required records, reading the licensing requirements, and administering medication.

(D) Caregivers cooperate with Licensing during monitoring visits and OKDHS investigations.

(2) **Primary caregivers licensed or employed before June 1, 2022.** Primary caregivers obtain a current Level 1 or higher Oklahoma Professional Development Ladder (OPDL) certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder, by June 1, 2023.

(3) **Primary caregivers licensed or employed on or after June 1, 2022.** Prior to or within 12 months of licensure or employment, primary caregivers obtain and maintain a current Level 1 or higher OPDL certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder.

(4) **Health.** The requirements relating to the caregiver's, assistant caregiver's, and household members' health in (A) through (C) of this paragraph are met.

(A) **General health.** Caregivers and household members where licensed care is provided are in good physical, mental, and emotional health. When it is reported or observed that a caregiver or household member has a physical, mental, or emotional condition that could negatively impact children's care, a licensed physician's

statement is requested.

(B) **Tuberculosis testing.** The need for personnel tuberculin skin testing is based upon a local identified tuberculosis exposure, the degree of transmission risk of latent tuberculosis infection, the impact to public health and safety, and OSDH specific recommendations.

(C) **Immunizations.** There is documentation verifying children living in the home have or are in the process of obtaining the required immunizations at the medically appropriate time, per OAC 340 Appendix II - Immunizations.

(5) **References.** The primary caregiver submits to Licensing the names of three non-relative references that may include a licensed personal or family physician.

(c) **Background investigations - general.**

(1) **Required individuals.** Background investigations are required, per the Oklahoma Child Care Facilities Licensing Act (Licensing Act), 10 O.S. § 404.1, unless an exception, per (3) of this subsection applies for:

(A) owners, prior to authorization to operate;

(B) responsible entities, prior to authorization to operate and, when there is a change in a responsible entity;

(C) personnel applicants, prior to hire; however, the program may hire individuals, when:

(i) the program has submitted a criminal history review request to OBI;

(ii) only awaiting the national criminal history records search, based on fingerprint submission;

(iii) criminal history review results from OBI are received by the program. However, until complete results are received, the individual does not have unsupervised access to children; and

(iv) coming from another licensed program owned by the same business entity. Individuals are not required to repeat the background investigation process, unless required, per (2) of this subsection, with the exception of criminal history restriction waivers, provided there is no break in employment from the business entity; and

(D) individuals with unsupervised access to children, prior to having access to children, unless an exception, per (3) of this subsection applies;

(E) adults living in the facility, prior to authorization to operate or moving into the facility of an existing program. This includes children, who become 18 years of age while living in the facility; and

(F) individuals having access to, or review of, fingerprint results, prior to access to or review of results.

(2) **Resubmission of criminal history reviews as of November 2, 2017.** Effective November 2, 2017, programs request a criminal history review process, excluding

fingerprinting, for required individuals every five years. However criminal history reviews requested prior to November 2, 2017, are resubmitted by November 1, 2022.

(3) **Non-required individuals.** Background investigations are not required for:

(A) specialized service professionals who are not program personnel, provided parent releases are obtained, per OAC 340:110-3-88(c);

(B) volunteer drivers transporting children on an irregular basis and not filling another position, provided parent releases are obtained, per OAC 340:110-3-88(c);

(C) contracted drivers not filling another position or having unsupervised access to children; and

(D) contracted non-personnel not having unsupervised access to children, such as when the program contracts for special activities or facility repair.

(d) **Background investigations - Restricted Registry.** The program conducts an online search of the Restricted Registry, also known as Joshua's List, when required, per (c) of this Section.

(1) **Non-registrants.** Non-registrants are individuals not recorded on the Restricted Registry.

(2) **Registrants.** Registrants are individuals recorded on the Restricted Registry who are prohibited from licensure, ownership, employment, unsupervised access to children, or facility residence, and prohibited individuals, per (e) of this Section.

(e) **Background investigations - criminal history.** The program and required individuals complete the criminal history review process. The program receives the completed criminal history review results from OBI, when required, per (c) of this Section.

(1) **Criminal history prohibitions.** Individuals with criminal history prohibitions are prohibited, per (f) of this Section.

Criminal history prohibitions include:

(A) required registration under the:

(i) Sex Offenders Registration Act, including state and national repositories; or

(ii) Mary Rippe Violent Crime Offenders Registration Act; or

(B) pleas of guilty or nolo contendere (no contest), or convictions of felonies involving:

(i) murder, as defined in Section 1111 of Title 18 of United States Code;

(ii) child abuse or neglect;

(iii) crimes against children, including child pornography;

(iv) spousal abuse;

(v) crimes involving rape or sexual assault;

(vi) kidnapping;

(vii) arson;

(viii) physical assault or battery; or

(ix) a drug-related offense committed during the preceding five years, unless a criminal history

restriction waiver, per (2) of this subsection, is granted; or

(C) pleas of guilty or nolo contendere (no contest), or convictions of violent misdemeanors committed as adults against a child involving:

- (i) child abuse or child endangerment; or
- (ii) sexual assault; or

(D) pleas of guilty or nolo contendere (no contest), or convictions of misdemeanors involving child pornography.

(2) Criminal history restrictions. Individuals with criminal history restrictions are prohibited, per (f) of this Section, unless a criminal history restriction waiver is granted. Criminal history restrictions include pending charges, pleas of guilty or nolo contendere (no contest), or convictions of criminal activity involving:

- (A) gross irresponsibility or disregard for the safety of others;
- (B) violence against an individual;
- (C) sexual misconduct;
- (D) child abuse or neglect;
- (E) animal cruelty;
- (F) illegal drug possession, sale, or distribution; or
- (G) a pattern of criminal activity.

(3) Criminal history restriction waivers. Restriction waivers are described in (A) through (C) of this paragraph.

(A) Restriction waivers may be requested for individuals having criminal history restrictions. The owner, responsible entity, or primary caregiver completes requests on an OKDHS form.

(B) Restriction waivers are not requested or granted for:

- (i) Restricted Registry registrants;
- (ii) individuals with criminal history prohibitions; or
- (iii) individuals whose sentence has not expired for criminal history restrictions, per (2) of this subsection.

(C) Individuals identified in pending or denied restriction waiver requests are prohibited, per (f) of this Section.

(f) Prohibited individuals.

(1) Background investigation of required individuals. The program does not allow a required individual to be the owner or responsible entity, to be employed, to live in the facility, or have:

(A) access to children, such as being present at the facility during the hours of operation or present with the children in care while off-site, when the individual has:

- (i) criminal history prohibitions;
- (ii) criminal history restrictions, unless a criminal history restriction waiver is granted. Individuals identified in a pending or denied restriction waiver request are prohibited; or
- (iii) a substantiated heinous and shocking abuse finding; or

(B) unsupervised access to children, when the individual is a Restricted Registry registrant.

(2) **Background investigation statements and consents.**

Individuals are prohibited to be the owner or responsible entity, to be employed, or to live in the facility, when:

(A) the individual refuses to consent to background investigations, per (c) of this Section; or

(B) knowingly makes a materially-false statement in connection with criminal background investigations.

(3) **Child endangerment.** An individual whose health or behavior would endanger children's health, safety, or well-being is not permitted to live in the home or be on the premises when children are in care.

(4) **Alcohol, drugs, and medication.** When children are in care, no caregiver is under the influence of:

(A) alcohol or illegal drugs; or

(B) medication impairing his or her functioning.

(g) **Child abuse and neglect-OKDHS database.** An OKDHS database search is conducted on individuals signing the request for license. A confirmed or substantiated allegation of child abuse or neglect is considered when evaluating the applicant's qualifications and children's safety and well-being.

(h) **Professional development requirements.** Caregiver professional development requirements in (1) through(5) of this subsection are met.

(1) **General.** The primary caregiver is required to complete 12 clock-hours of professional development annually through workshops, training, videos, or individual position-related readings. Only six clock-hours of videos or individual position-related readings are counted annually toward the required 12 clock-hours. Effective June 1, 2023, professional development meets requirements, per (5) of this paragraph.

(2) **CPR and first aid certification.** CPR and first aid requirements in (A) through (C) of this subsection are met.

(A) CPR and first aid are age-appropriate for the children's ages accepted into care and from approved sources listed on the Oklahoma Professional Development Registry (OPDR) website.

(B) Current CPR and first aid certification is required for:

(i) the primary caregiver, prior to permission to operate or initial permit issuance;

(ii) individuals caring for children alone, on or off of the premises, including during transportation; and

(iii) other caregivers, included in the adult-child ratio. CPR and first aid certification is obtained within three months of beginning child care.

(C) CPR and first aid certification is kept current, approved by Licensing, and maintained at the facility.

(3) **Health and safety training.** Prior to caring for children, caregivers obtain professional development in:

- (A) the prevention and control of infectious disease and injury prevention measures;
- (B) fire extinguisher use;
- (C) the prevention of shaken baby syndrome and abusive head trauma;
- (D) reducing the risks of sudden infant death syndrome (SIDS) and other sleep-related causes of infant death;
- (E) use of infant safe sleep practices;
- (F) car seat and transportation precautions and safety;
- (G) building and physical premise safety including identification of, and protection from, hazards that can cause bodily injury, such as electrical hazards, bodies of water, or vehicular traffic;
- (H) the handling and storage of hazardous materials and appropriate bio-contaminant disposal;
- (I) emergency preparedness and response planning for emergencies resulting from a natural disaster or human-caused event addressing continuity of planning and all situations, per OAC 340:110-3-86.1;
- (J) immunizations;
- (K) medication administration, consistent with standards for parental consent;
- (L) the prevention of, and response to, emergencies due to food and allergic reactions;
- (M) the definition, identification, and mandatory reporting of child abuse and neglect;
- (N) behavior, guidance, and child maltreatment prevention methods; and
- (O) child development.

(4) **Safe-sleep training.** Prior to caring for infants, the primary caregiver and individuals caring for infants alone, obtain two or more clock-hours of professional development in safe-sleep practices from an OPDR-approved training organization.

(5) **Continuing professional development effective June 1, 2023.** Ongoing professional development is required.

(A) Primary caregivers obtain at least the required number of professional development clock-hours to maintain a current Level 1 or higher OPDL certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder. However, informal professional development clock-hours are limited.

(B) Formal professional development is:

- (i) a course or training event of two or more clock-hours from an OPDR-approved training organization; and
- (ii) OPDR-approved college credit hours.

(C) Informal professional development is:

- (i) a course or training event of less than two clock-hours from an OPDR-approved training organization;

- (ii) any number of clock-hours from an OPDR non-approved training organization; and
- (iii) any training from electronic media, such as videos or DVDs.

(D) Reading and television programs do not count toward required clock-hours.

340:110-3-86. Home environment

(a) Physical conditions.

- (1) **Licensing accessibility.** All areas of the home are accessible to Licensing.
- (2) **Indoor space.** There is minimum indoor space available for children's routine use of not less than 35 square feet per child excluding hallways, bathrooms, kitchen, and space not intended for children's use. Rooms used exclusively for napping are not included in the capacity.
- (3) **Maintenance.** The home is in a good state of repair, clean and sanitary, and has operable utilities.
- (4) **Phones.** The home has an operable landline or cellular phone.
- (5) **Toilet facilities.** The home has:
 - (A) a sink with comfortably warm or tempered running water not to exceed 120 degrees Fahrenheit;
 - (B) an operable toilet available for children's use;
 - (C) soap for hand-washing and individual towels; and
 - (D) toilet paper within easy reach of children.
- (6) **Hazards.** The premises are free of hazards, indoor and out.
 - (A) All medicines, cleaning products, hazardous items, and tobacco or simulated tobacco materials are inaccessible to children.
 - (B) The premises are free of illegal drugs and paraphernalia.
 - (C) Clear glass doors are plainly marked at the child's eye level to avoid accidental impact.
 - (D) Play equipment and home furnishings accessible to children do not pose tipping hazards.
 - (E) All stairways with four or more steps have a railing. Indoor stairways are made inaccessible when infants and toddlers are in care.
- (7) **Weapons.** All weapons are stored unloaded in a locked container, cabinet, or closet. Ammunition is stored in a locked area separate from weapons.

(8) **Lighting and ventilation.** Rooms used by children are lighted enough to accommodate activities with comfort and allow the caregiver to see children's facial features at all times. Rooms used by children are ventilated.

(9) **Tobacco products.** When children are in care, smoking and simulated tobacco use is prohibited inside the home and in the presence of children. Other tobacco products are not used in the presence of children or in areas designated for children's use. Parents are informed upon enrollment of smoking and simulated tobacco use in the home.

(10) **Indoor temperature.** The indoor areas are maintained between 65 and 80 degrees Fahrenheit.

(11) **Screens.** Opened windows or doors maintain screens to minimize the entry of insects.

(12) **Outdoor play safety.** There is an outdoor play area on the premises with at least 75 square feet per child.

(A) This area must be hazard free, away from traffic, water, and other dangers.

(B) A fence beginning at ground level and in good repair is required. Licensing may grant an exception when children's safety can be ensured.

(13) **Outdoor play.** Children play outdoors daily when weather conditions do not pose a significant health risk.

(14) **Fire safety.** The home complies with all fire safety requirements, per Oklahoma Administrative Code (OAC) 340:110-3-97.

(15) **Water supply and waste disposal.** Water supply, sewage disposal, and solid waste disposal meet local city ordinances and Oklahoma Department of Environmental Quality regulations.

(16) **Water testing.** When not on a public water supply, water is tested initially and annually for lead, bacteria, and nitrates.

(17) **Questionable conditions.** When the fire, safety, or health conditions are questionable, the appropriate state or local agency is requested to inspect the home.

(b) **Water safety.**

(1) **Supervision.** Any play activity involving water is supervised constantly.

(2) **Accessibility of ponds, pools, and hot tubs.** No ponds, pools, or hot tubs are accessible to children.

(3) **Fencing.** Pools are fenced to prevent unsupervised access. All doors and gates leading to the pool are locked. There is a:

(A) sturdy fence at least four feet high and cannot be easily climbed; or

(B) fence connecting to the top of an above-ground pool and extending two feet above the pool.

(4) **Wading pools.** Portable wading pool use is prohibited.

(5) **Swimming.** Swimming pools used by the child care home are considered public bathing places and must meet water quality, occupancy, and fencing standards, per Design Standards and Operational Criteria for Public Bathing Places, Oklahoma State Department of Health Engineering Bulletin. This includes wading

pools, water parks, in-ground pools, and above-ground pools.

When children swim in a pool:

- (A) the caregiver is at or in the water and appropriately dressed to enter the water at any time;
- (B) an individual with a Community Water Safety Certificate or a Licensing-approved comparable certificate is in attendance at all times; and
- (C) the adult to child ratio for:
 - (i) infants and toddlers is one adult to one child.
This adult:
 - (I) is not counted in any other adult-child ratios; and
 - (II) remains in direct physical contact with infants at all times during swimming or wading; and
 - (ii) children 2 years of age and older meets requirements, per OAC 340:110-3-84(a) through (d) for family child care homes and OAC 340:110-3-97.1(f) for large family child care homes; and
 - (iii) four or more children 2 years of age through 3 years of age, requires one additional adult.

(6) Restrictions.

- (A) Hot tub use by children in care is prohibited. The hot tub must be equipped with a hard cover.
- (B) Swimming and wading is not permitted at a lake, pond, or other body of water.

(c) Animals and household pets.

- (1) Parents are advised of animal presence.
- (2) Animals are in good health, do not show evidence of carrying disease, are friendly, and do not pose a health or safety risk.
- (3) All contact between animals and children is supervised by a caregiver close enough to remove the child or animal immediately if the animal shows distress signs or the child shows signs of treating the animal inappropriately.
- (4) Current rabies vaccination administered by a licensed veterinarian for dogs and cats is documented and maintained on the premises.
- (5) Ferrets, turtles, and any wild or dangerous animals are in an area inaccessible to children.
- (6) Reptiles, such as crocodiles, alligators, poisonous snakes and lizards, pythons, and boa constrictors, are not on the premises.
- (7) Animals are restricted from areas where food is prepared or served and from children's sleeping surfaces.
- (8) Animal litter boxes are not located in food preparation areas and are not easily accessible to children in other areas of the home.
- (9) Outdoor play areas are cleaned of animal waste before children play outside.
- (10) When an animal bites a child and the skin is broken, the child's parent is contacted immediately. Licensing and the local or Oklahoma State Department of Health are notified within 24

hours.

(d) **Overnight care.** Overnight care is only provided by a licensed caregiver at his or her primary residence.

[Source: Amended at 10 Ok Reg 107, eff 10-13-92 (emergency); Amended at 10 Ok Reg 2287, eff 6-11-93 ; Amended at 17 Ok Reg 1607, eff 5-25-00 ; Amended at 22 Ok Reg 35, eff 10-1-04 (emergency); Amended at 22 Ok Reg 921, eff 5-12-05 ; Amended at 25 Ok Reg 22, eff 10-1-07 (emergency); Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-86.1. Emergency preparedness

(a) **General.** All caregivers are familiar with emergency plans and procedures. Written plans and procedures are:

- (1) developed by the primary caregiver;
- (2) maintained on site;
- (3) individualized to the program and operating hours; and
- (4) followed, unless children's safety is at risk or emergency personnel provide alternative instructions during an emergency.

(b) **Emergency medical care plans.** Emergency medical care plans include:

- (1) a planned source of medical care, such as a hospital emergency room, clinic, or other medical facility or physician acceptable to parents; and
- (2) available emergency transportation.

(c) **Situations.** Emergency plans and procedures are maintained in a readily available and portable manner and include procedures for:

- (1) serious injuries;
- (2) serious illnesses;
- (3) poison exposure;
- (4) communicable disease outbreaks, including pandemic influenza;
- (5) weather conditions, including tornados, floods, blizzards, and ice storms;
- (6) fires, including wildfires;
- (7) man-made disasters, including chemical and industrial accidents;
- (8) human threats, including individuals with threatening behaviors, bomb threats, and terrorist attacks;
- (9) lost or abducted children;
- (10) other natural or man-made disasters that could create facility structural damage or pose health hazards; and
- (11) utility disruption.

(d) **Child location and considerations.** Emergency plans include procedures:

- (1) accounting for each child's location during an emergency; and
- (2) addressing each child's considerations, with additional considerations for children:
 - (A) 2 years of age and younger; and
 - (B) with special needs or chronic medical conditions.

(e) **Shelter-in-place.** Emergency plans include procedures for short and extended stay situations requiring children stay inside the home, such as tornados or other weather emergencies.

(f) **Lock-down.** Emergency plans and procedures for situations threatening children and adults' safety include:

- (1) notifying adults present in the home;
- (2) keeping children in designated safe locations inside the home;
- (3) encouraging children to remain calm and quiet;
- (4) securing home entrances;
- (5) preventing unauthorized individuals from entering the home;
- and
- (6) responding when outdoors and on field trips.

(g) **Evacuation.** Emergency plans include procedures for situations, such as a fire, requiring children leave the home and meet at pre-determined locations.

(h) **Relocation.** Emergency plans include procedures for situations requiring children move to an alternate location, such as bomb threats and wildfires, and include:

- (1) pre-determined primary and secondary alternate locations, with prior approval from the contact individual at alternate locations;
- (2) relocating children, including a pre-determined transportation plan; and
- (3) reuniting parents and children.

(i) **Reporting.** Emergency plans include procedures for notifying:

- (1) emergency authorities, including the poison control center, when necessary;
- (2) parents, including a method and backup method for how and when parents are notified; and
- (3) Licensing.

(j) **Posted emergency information.** Emergency information posted next to the phone or in a prominent place includes:

- (1) the home's address;
- (2) a licensed physician or clinic;
- (3) the fire department;
- (4) the police department;
- (5) poison control, 1-800-222-1222; and
- (6) a substitute caregiver.

(k) **First aid supplies.** First aid supplies are available but made inaccessible to children. Supplies are stored together in a portable container .

(1) Supplies in the home at least include:

- (A) non-glass, non-mercury thermometer;
- (B) disposable non-porous, latex-free gloves;
- (C) blunt-tipped scissors;
- (D) tweezers;
- (E) bandage tape;
- (F) sterile gauze pads;
- (G) rolled flexible or stretch gauze;
- (H) non-medicated adhesive strips; and
- (I) current first aid guide.

(2) In addition, the first aid supplies in vehicles at least include:

- (A) a cold pack;

- (B) liquid soap and water or individually packaged moist, disposable towelettes for cleaning wounds;
- (C) hand sanitizer and moist disposable towelettes for hand hygiene;
- (D) plastic bags for disposal of items contaminated with blood or other body fluids; and
- (E) a pen or pencil and note pad.

(l) **Poisoning.** The caregiver immediately contacts poison control, 1-800-222-1222, with any suspected child poisonings.

(m) **Emergency supply kit.** Records and supplies available during an emergency include:

(1) **Emergency records.** Records at least include the:

- (A) emergency plans and procedures, alternate location addresses, phone numbers, and contacts;
- (B) emergency contacts for all caregivers and enrolled children; and
- (C) full names of children and caregivers currently in attendance; and

(2) **Emergency supplies.** Supplies gathered at the time of an emergency or maintained in a portable container at all times at least include:

- (A) first aid supplies; and
- (B) children's prescribed medications, including life-threatening condition medications.

(n) **Drills.** Drills are conducted, documented, and follow the pre-determined emergency plans and procedures.

(1) **Monthly.** Monthly drills include:

- (A) fire drills conducted by evacuating and meeting at pre-determined locations; and
- (B) tornado drills conducted by sheltering in pre-determined on-site locations.

(2) **Annual.** Annual drills conducted include:

- (A) locking-down by sheltering in pre-determined on-site locations;
- (B) relocating according to preparation procedures but physical relocation is not required;
- (C) sheltering-in-place, requiring children stay inside the home, such as tornados and other weather emergencies; and
- (D) evacuating and meeting at pre-determined locations.

(o) **Emergency plans and procedures reviews.** The primary caregiver updates, when necessary, and reviews emergency plans and procedures:

- (1) at least once every 12 months;
- (2) when children with special needs or chronic medical conditions enroll;
- (3) after a drill when procedural issues are identified; and
- (4) after an emergency, as identified in this Section.

340:110-3-87. Transportation

(a) **Driver qualifications.** All drivers must:

- (1) be at least 21 years of age;
- (2) have an operator's license for the specific vehicle type and valid in the driver's state of residence;
- (3) have no conviction of driving under the influence of alcohol or drugs or other impaired driving offense within the last five years; and
- (4) when driving a vehicle designed to transport ten or more passengers, complete training specific to the vehicle's safe operation within three months of providing child transportation.

(b) **Written permission.** The primary caregiver maintains written transportation permission from the parent or guardian.

(c) **Verifications.** The vehicle is covered by liability insurance.

(d) **Records.** The driver is provided the names of children being transported and a method to contact children's parents or guardians in case of an emergency.

(e) **Passenger restraints and seating.** Children remain properly secured in a child passenger restraint system, such as car or booster seat or individual seat belt, per Section 11-1112 of Title 47 of the Oklahoma Statutes (47 O.S. § 11-1112). Children do not share a seat belt.

(1) The car and booster seats are:

- (A) federally approved;
- (B) installed, per manufacturer's instructions;
- (C) appropriate to the child's height, weight, and physical condition, per manufacturer's instructions; and
- (D) properly maintained, such as not expired or previously involved in a vehicle accident.

(2) Each seat belt:

- (A) is properly anchored to the vehicle; and
- (B) fits the child appropriately.

(3) Children 12 years of age and younger are prohibited from sitting in the front seat of an airbag equipped passenger vehicle unless an airbag cut off switch is installed and activated or when the vehicle has airbags equipped with weight sensitive devices. If a child 12 years of age or younger must be placed in front of an air bag, because all other positions are taken, it must be a child whose age and weight requires a forward facing harness seat.

(4) Adult passengers, including the driver, remain properly secured in an individual seat belt unless unable due to medical reasons documented by a licensed physician.

(5) Vehicle maximum capacity and seating space, per manufacturer's designations, is not exceeded.

(6) Children are not transported in vehicles or parts of vehicles not designed for transporting individuals, such as truck beds, campers, and trailers.

(f) **Vehicle requirements.** All vehicles used to transport children are maintained in a safe operating condition and meet all applicable state laws. Vehicles have:

- (1) door locks. Vehicle door locks are activated when the vehicle is moving;
- (2) a first aid kit , per Oklahoma Administrative Code (OAC)340:110-3-86.1(k); and
- (3) an operable heater maintaining an interior temperature of at least 65 degrees Fahrenheit ; and
- (4) a ventilation system, such as air conditioning or operable windows.

(g) **Supervision and safety.** Supervision and safety requirements are met.

- (1) Children are never left unattended.
- (2) Before leaving the vehicle, the caregiver conducts vehicle inspections to ensure no children are remaining.
- (3) An operable phone is in each vehicle transporting children.
- (4) While transporting children, drivers do not use a phone or wireless communication device, including hands-free technology:
 - (A) when the vehicle is in motion, with the exception of a navigational system or global positioning system device; and
 - (B) unless emergency communication is necessary and the vehicle is secured in park before devices are used.
- (5) Tobacco or simulated tobacco use is prohibited while transporting children.
- (6) Safe conduct to and from vehicles and safe off-street loading space is provided to protect children from:
 - (A) backing vehicles;
 - (B) being between vehicles; and
 - (C) traffic hazards.

[**Source:** Amended at 10 Ok Reg 107, eff 10-13-92 (emergency); Amended at 10 Ok Reg 2287, eff 6-11-93 ; Amended at 17 Ok Reg 1607, eff 5-25-00 ; Amended at 22 Ok Reg 28, eff 10-1-04 (emergency); Amended at 22 Ok Reg 921, eff 5-12-05 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 25 Ok Reg 22, eff 10-1-07 (emergency); Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-88. Records

(a) **General requirements.** Children's records are maintained on Oklahoma Human Services (OKDHS) provided forms or on forms containing the same information. Records are current and easily accessible. OKDHS staff are allowed access to all records.

(b) **Caregiver records.** Primary caregiver, assistant caregiver, and substitute caregiver records are completed and maintained in the home. Records include:

- (1) personnel information forms provided by OKDHS and submitted to Licensing within two weeks of employment;
- (2) criminal history investigations with records maintained in a confidential manner;
- (3) professional development documentation;
- (4) caregiver attendance, indicating days and hours worked , maintained on file for 12 months; and
- (5) documentation of requests and results of criminal history reviews.

(c) **Children's records.** Children's records are maintained as required in (1) through (3) of this subsection.

(1) Identification and health records include:

- (A) the child's name, birth date, parents' names, home addresses, places of employment, and phone numbers;
- (B) the names and phone numbers of persons to contact in an emergency when a parent cannot be located promptly;
- (C) parent permission authorizing the caregiver to transport the child to emergency medical care;
- (D) names and relationships of persons authorized for child pick-up;
- (E) health information, including immunization records;
- (F) the child's licensed physician's name, address, and phone number;
- (G) when applicable, medication and transportation permission; and
- (H) the date the child entered care.

(2) When a volunteer driver or specialized service professional does not have a criminal history review, per OAC 340:110-3-85(c), parent releases indicating understanding are signed and dated prior to unsupervised access to children for each volunteer driver or professional.

(3) Daily attendance records, including children's arrival and departure times, are maintained and on file a minimum of 12 months.

(d) **Public access to records - Compliance Posting.** Compliance posting requirements in (1) and (2) of this subsection are met.

(1) OKDHS-provided "Notice to Parents" is posted in a conspicuous location in clear view at the main facility entrance.

(2) Child welfare investigative summary with confirmed or substantiated findings for 120-calendar days from the investigation completion is posted in clear view of the main facility entrance.

(e) **Compliance file.** A compliance file is accessible to personnel, parents, and others. Items are originals or copies and are maintained together, with the most recent on top and all child-identifying information removed. The compliance file includes items within the last 120-calendar days, at a minimum, from the date on the document or the investigation completion date on the form, unless requirements specifically state otherwise. The compliance file only contains:

(1) compliance monitoring from Licensing, Stars, and tribal agencies, such as;

- (A) monitoring visit forms. Include most recent visit; and
- (B) case status information, such as forms and correspondence regarding:
 - (i) issuance of permits and licenses;
 - (ii) non-compliances and Stars violations;
 - (iii) notices to comply;
 - (iv) complaint findings;
 - (v) office conferences with Licensing, Stars, and tribal agencies;

- (vi) Stars alternative settlements and reductions;
and
 - (vii) consent agreements, denials of a request for a license, and revocations of a license; and
- (2) child welfare investigative summary, regardless of findings. However, confirmed or substantiated findings are maintained in the file for 12 months;
- (3) granted criminal history restriction waiver notifications. However, notification is maintained in the file for as long as the individual is employed or is living in the facility; and
- (4) other documents indicating placement in the compliance file.

340:110-3-89. School [REVOKED]

[**Source:** Revoked at 10 Ok Reg 107, eff 10-13-92 (emergency); Revoked at 10 Ok Reg 2287, eff 6-11-93]

340:110-3-89.1. Parent communication

(a) **Policy.** The caregiver provides written business policy to parents at least including:

- (1) compliance file location;
- (2) days and hours of operation, including days closed, such as holidays;
- (3) procedure for:
 - (A) receiving and releasing children, including methods for caller identification authorizing child pick-up and of an individual who picks up a child;
 - (B) notifying parents when a child does not arrive on his or her own at the facility as scheduled;
 - (C) handling illness and injuries;
 - (D) storing and administering children's medication;
 - (E) field trip notification; and
 - (F) transporting children;
- (4) care of ill children;
- (5) mandatory reporting of suspected child abuse and neglect;
- (6) behavior and guidance policy;
- (7) expulsion policy;
- (8) relevant emergency plans and procedures information; and
- (9) infant safe sleep environment description.

(b) **Physical and emotional well-being.** The caregiver informs parents of the child's physical and emotional well-being.

(c) **Quality child care information.** Oklahoma Human Services (OKDHS) Publication No. 87-91, The Parents' Guide to Selecting Quality Child Care, is made available to parents upon child's enrollment.

(d) **Home access.** During child care hours, parents are provided access to all areas of the home used for child care.

(e) **Insurance.** A child care facility maintains liability insurance ,per Section 404.3 of Title 10 of the Oklahoma Statutes (10 O.S. § 404.3).

(1) When liability insurance is maintained, Form 07LC092E, Insurance Verification, including a certificate of insurance obtained from the insurance agent, is completed annually, maintained at the facility, and made available to Licensing.

(2) When liability insurance is not maintained or the program reports they are self-insured, Form 07LC093E, Insurance Exception Notification, is posted in a conspicuous location in clear view of the main entrance to the facility.

(f) **Parent notifications.** Parents are provided information regarding liability insurance and the compliance file.

(1) Parents complete OKDHS Forms 07LC045E, Insurance Notification, and 07LC046E, Compliance File Notification, every 12 months. Forms are maintained at the facility.

(2) When the child is enrolled, parents are provided copies of OKDHS Forms 07LC093E, Insurance Exception Notification, and 07LC084E Notice to Parents.

[Source: Added at 10 Ok Reg 107, eff 10-13-92 (emergency); Added at 10 Ok Reg 2287, eff 6-11-93 ; Amended at 17 Ok Reg 1607, eff 5-25-00 ; Amended at 25 Ok Reg 22, eff 10-1-07 (emergency); Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 26 Ok Reg 415, eff 11-20-08 (emergency); Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 27 Ok Reg 48, eff 10-1-09 (emergency); Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-90. Child health

(a) **Immunizations.** Per Oklahoma Administrative Code (OAC) 340 Appendix II - Immunizations, an immunization record or exemption is obtained prior to the first day of attendance and is updated when the child receives additional vaccines.

(b) **Medication.** Medication requirements are met.

(1) **Original container.** Medications , including prescriptions and over-the-counter medications, are provided by the parent in the original container and clearly labeled with the child's full name and instructions.

(2) **Diaper creams.** Diaper creams are considered medications.

(3) **Insect repellents and sunscreens.** Insect repellents and sunscreens are not considered medications.

(4) **Parental permission.** Signed parent permission for each medication is obtained prior to administration and includes the exact dosage and times to be administered.

(A) Parent instructions are the same as:

(i) the container instructions; or

(ii) a licensed physician's written statement regarding over-the-counter medication instructions that differ from the container instructions.

(B) For chronic medical conditions, permission may be obtained for 12 months or less at a time, provided specific instructions include when administration is needed, such

as diaper cream and inhalers.

(5) **Records.** To avoid duplication, each dosage administered, excluding diaper cream, is immediately documented by the caregiver on an OKDHS or program form containing the same information, and the record is readily available to parents.

(6) **Storage.** All medications are properly stored separately from food and inaccessible to children.

(7) **Medication injections.** When medication is administered by injection, the requirements in this paragraph apply.

(A) Syringes, needles, and lancets are only used one time.

(B) Approved sharps containers are used for any medical waste that is sharp or could cause a cut, puncture, or wound, including syringes, needles, and lancets used to administer insulin or test blood sugar.

(C) When the container is full, disposal arrangements are made with the local pharmacy or health department, licensed physician, or other community organization.

(c) **Ill children.** Health procedures and precautions are required.

(1) **Contagious illness.** Any child showing symptoms of contagious illness is separated from the group.

(2) **Disease control.** The local or Oklahoma State Department of Health (OSDH) is notified, per requirements in (A) through (C) of this paragraph.

(A) **Promptly.** The primary caregiver promptly notifies the local or OSDH of a known case in individuals associated with the family child care home, of:

(i) Measles;

(ii) meningococcal invasive disease; and

(iii) an outbreak of two or more cases within the home of:

(I) COVID-19;

(II) influenza; or

(III) varicella (chicken pox).

(B) **Next business day.** The primary caregiver notifies the local or OSDH by the next health department-business day of a known case in individuals associated with the family child care home, of:

(i) Campylobacteriosis;

(ii) cryptosporidiosis;

(iii) E. coli O157:H7 or Shiga toxin-producing E. coli (STEC);

(iv) Haemophilus influenzae invasive disease;

(v) hepatitis A;

(vi) mumps;

(vii) rubella;

(viii) salmonellosis;

(ix) shigellosis;

(x) tuberculosis; or

(xi) whooping cough (pertussis).

(C) **OSDH guidelines.** The primary caregiver follows all guidelines and recommendations per local or OSDH

authorities.

(3) **Parent notification.** Parents are notified as symptoms develop or change.

(4) **Allergy exposure.** The caregiver promptly notifies parents when a child has a suspected allergic reaction, including ingestion of, or contact with, allergens, even when a reaction did not occur.

(5) **Decision to provide care.** The primary caregiver determines whether to provide care for ill children based upon the degree of illness, other children present, and the caregiver's ability to provide care.

(d) **Cleanliness.** Hygiene practices are implemented.

(1) **Handwashing - caregivers.** Caregivers wash hands with soap and running water:

- (A) prior to food preparation;
- (B) before feeding children or eating;
- (C) after diapering or toileting;
- (D) after touching or cleaning up body fluids, including wiping noses; and
- (E) after handling or feeding pets.

(2) **Handwashing - children.** Caregivers ensure children wash hands with soap and running water:

- (A) before eating;
- (B) after toileting;
- (C) after handling pets;
- (D) after playing outdoors; and
- (E) after wiping their noses.

(3) **Handwashing supplies.** Soap and clean individual or paper towels are easily accessible to the caregiver and children.

(4) **Children's clothing.** A child's clothing is changed immediately following a toileting accident or when clothing becomes unsanitary. Soiled clothing is placed in a sealed, moisture-proof bag and sent home or laundered.

[Source: Amended at 10 Ok Reg 107, eff 10-13-92 (emergency); Amended at 10 Ok Reg 2287, eff 6-11-93 ; Amended at 17 Ok Reg 1607, eff 5-25-00 ; Amended at 25 Ok Reg 22, eff 10-1-07 (emergency); Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-91. Daily routine and equipment

(a) **Program.** The caregiver provides a balanced program with opportunities for learning, indoor and outdoor play, rest time, and meals.

(b) **Media use.** When used, television, videos, computers, electronic games, cell phones, social media, and other types of media are chosen with discretion, selectivity, and are:

- (1) non-violent;
- (2) non-vulgar;
- (3) non-sexually explicit;
- (4) culturally sensitive; and
- (5) age-appropriate, according to accepted rating systems.

(c) **Play equipment.** A variety of indoor and outdoor play equipment meeting children's varied developmental needs and interests is readily

accessible.

(1) Equipment is available from categories including:

- (A) art supplies;
- (B) books;
- (C) large muscle equipment;
- (D) musical equipment;
- (E) blocks and accessories;
- (F) dramatic play materials;
- (G) manipulative toys; and
- (H) science materials.

(2) Equipment is maintained in good working condition, and is clean, safe, and free from rough edges, sharp corners, pinch and crush points, splinters, and exposed nails or bolts.

(3) Outdoor equipment, such as swings, slides, and climbing apparatus is not located on a hard surface.

(4) Equipment not designed to be portable is anchored firmly to the ground.

(5) All equipment is placed in a safe location.

(d) **Tables and chairs.** Tables and chairs that ensure children's safety and comfort are provided for meals and snacks.

(e) **Prohibited equipment.** Children in care are prohibited from use of:

- (1) infant walkers;
- (2) heavy metal or molded plastic swings, such as animal figures; and
- (3) swinging gates used as play equipment
- (4) trampolines, except for mini-trampolines or mini-rebounders:
 - (A) having a diameter of three feet or less, padded handle, and safety pad cover; and
 - (B) used only by children 3 years of age and older with adult supervision.

[Source: Amended at 10 Ok Reg 107, eff 10-13-92 (emergency); Amended at 10 Ok Reg 2287, eff 6-11-93 ; Amended at 17 Ok Reg 1607, eff 5-25-00 ; Amended at 19 Ok Reg 658, eff 2-1-02 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 25 Ok Reg 22, eff 10-1-07 (emergency); Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-91.1. Rest time

(a) **Place to rest.**

(1) Each child has an appropriately sized, individual place to rest, such as a crib, playpen, play yard, bed, cot, or mat, with clean, individual bedding. The place to rest is maintained in a clean, sanitary condition, and in good repair.

(2) Waterbeds, sofas, soft mattresses, inflatable mats, bassinets, stacked cribs, pillows, beanbag chairs, and other soft surfaces are prohibited as infant sleeping surfaces.

(b) **Mats.** Mats are not used for overnight care. When used for rest time, each mat is at least one-inch thick and covered with a fitted, durable, washable, waterproof material.

(c) **Cribs, play yards, and playpens.** A crib, port-a-crib, play yard, or playpen with a properly-fitted firm waterproof mattress or pad and a tight-fitting sheet is used for each child younger than 1 year of age.

(d) Crib, port-a-crib playpen, and play yard safety features and sleep environments. Infants sleep in appropriate rest equipment and environments described in (1) through (9) of this subsection.

(1) Cribs, including portable cribs that can be folded or collapsed without being disassembled, meet the current Consumer Product Safety Commission (CPSC) full-size and non-full size crib standards, per Sections 1219 and 1220 of Title 16 of the Code of Federal Regulations.

(2) Verification of compliance with CPSC standards is maintained for duration of crib use.

(3) Mattresses are tight-fitting with no more than one inch between the mattress and crib.

(4) Pillows, covers, blankets, quilts, comforters, sheepskins, bumper pads, stuffed toys, and other soft products or bedding, are not permitted inside and on the side of infant rest equipment.

(5) While in rest equipment:

(A) only pacifiers without attachments are used, and pacifiers are not attached to the infant or his or her clothing; and

(B) bibs are not placed around the infant's neck.

(6) Sleep positioners and elevated mattresses are prohibited, unless a medical reason documented by a licensed physician is provided. Documentation is maintained at the child care home.

(7) Play equipment, and other items, except for pacifiers, are not placed inside, above, or attached to the sides of infant rest equipment, unless there is a medical reason documented by a licensed physician for a monitor or other device. Documentation is maintained at the facility. Mobiles may be securely attached or hung above the crib provided no part of the mobile is within the child's reach.

(8) When an infant arrives asleep or falls asleep in inappropriate rest equipment, the infant is immediately moved to appropriate rest equipment.

(9) Infants are protected from overheating by adjusting room temperature and clothing.

(e) Sleep positioning.

(1) To reduce the risk of Sudden Infant Death Syndrome (SIDS), infants younger than 12 months of age are placed on their back for sleeping unless a medical reason is documented by a licensed physician requesting the infant not sleep in this position. Documentation is maintained at the facility.

(2) Infants able to turn themselves over are placed initially on their back for sleeping but allowed to sleep in a position they prefer.

(3) Children's heads and faces are not covered.

(f) Swaddling. Infants, birth through three months of age, may be swaddled with an infant-sized, thin fabric, such as a receiving blanket, only when:

(1) the infant is not mobile enough to move the fabric over his or her face; and

(2) requested in writing by the parents. Requests are maintained by the caregiver.

(g) **After resting.** Once children have rested, they are not forced to remain on the rest equipment and are provided quiet activities until rest time is over.

[Source: Added at 25 Ok Reg 22, eff 10-1-07 (emergency); Added at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 30 Ok Reg 1386, eff 7-1-13 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-92. Discipline and behavior guidance

(a) **Positive guidance.** Discipline and behavior guidance is developmentally appropriate, responsive to the circumstances, constructive, and provides learning opportunities. The caregiver:

- (1) recognizes and encourages acceptable behavior;
- (2) teaches by example and uses fair and consistent rules in a relaxed atmosphere with discipline relevant to the child's behavior;
- (3) supervises with an attitude of understanding and firmness;
- (4) redirects children by stating alternatives when behavior is unacceptable;
- (5) when necessary, intervenes as quickly as possible ensuring the safety of all children;
- (6) gives clear directions and provides guidance appropriate to the child's development;
- (7) speaks so children understand his or her feelings are acceptable but unacceptable action or behavior is not;
- (8) encourages children to control his or her own behavior, cooperate with others, and solve problems by talking things out;
- (9) uses safe, natural, and logical consequences to address inappropriate behavior; and
- (10) uses time-out or time-away when other discipline methods are ineffective.

(A) Caregivers use this method only with children 2 years of age and older when:

- (i) necessary for the child to regain self-control;
- (ii) the child has the ability to learn from it; and
- (iii) appropriate supervision is maintained.

(B) The child may sit quietly or participate in an individual activity.

(C) Time-out is limited to one minute or less for each year of age. However, when self-control is regained in less time, the child may rejoin an ongoing activity.

(b) **Acts prohibited.** The caregiver is prohibited from:

- (1) subjecting children to punishment of a physical nature, such as shaking, hitting, striking with an object, spanking, biting, swatting, thumping, pinching, popping, shoving, spitting, yanking, hair pulling, slamming, excessive or forced exercise, or any cruel treatment that may cause pain;

- (2) subjecting children to punishment of a psychological nature, such as rejecting, neglecting, or humiliating a child, making derogatory or sarcastic remarks about children or families, or using harsh or profane language, or making actual or implied threats of physical punishment;
- (3) punishing or threatening children in association with :
 - (A) education, such as writing repetitive sentences and homework; and
 - (B) physical needs, such as:
 - (i) withdrawing, denying, or forcing food, rest, or toileting; and
 - (ii) withdrawing or denying outdoor play or a weather alternate activity; and
- (4) putting anything in or on a child's mouth as punishment;
- (5) exposure to extreme temperatures;
- (6) seeking or accepting parental permission to use any punishment or act prohibited , per this subsection;
- (7) restraining or trying to restrict a child's movement by any means other than holding. Holding is used only as long as is necessary for the child to regain control;
- (8) isolating a child without supervision or placing the child in a dark area;
- (9) permitting a child to discipline other children; and
- (10) punishing an entire group due to the actions of a few children.

[Source: Amended at 10 Ok Reg 107, eff 10-13-92 (emergency); Amended at 10 Ok Reg 2287, eff 6-11-93 ; Amended at 17 Ok Reg 1607, eff 5-25-00 ; Amended at 25 Ok Reg 22, eff 10-1-07 (emergency); Amended at 25 Ok Reg 1962, eff 7-1-08 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-93. Infants, toddlers, and two-year-olds

- (a) **Responding to needs.** The caregiver holds, cuddles, talks, and sings to infants and toddlers , while understanding and responding to the child's particular needs.
- (b) **Daily routine.** The daily routine is adapted to each infant and toddler's individual needs, accommodating the schedule set by the parent, as much as possible.
 - (1) The daily schedule is accessible and followed with reasonable regularity.
 - (2) Awake children do not remain for more than 20 minute increments in equipment restricting freedom of movement, such as rest equipment, swings, high chairs, or stationary activity centers, except while eating in high chairs or similar stationary equipment.
- (c) **Bottle-feeding.** Bottles are not propped by any means at any time.
 - (1) Infants six months of age and younger are held while bottle-fed.
 - (2) Infants seven months of age and older are held while bottle-fed until able to hold bottles securely without assistance.
 - (3) Children are not given bottles in cribs or moving swings due to increased risk of choking, ear infections, and tooth decay.

- (4) Breast milk is refrigerated or frozen until immediately before feeding.
 - (5) Bottles of premixed formula are refrigerated until immediately before feeding.
 - (6) Breast milk is not reused after two hours from serving.
 - (7) Formula is not reused after one hour from serving.
 - (8) Bottles of formula or breast milk are not warmed in a microwave.
- (d) **Chokeable, unsafe, and new foods.** For safety:
- (1) the caregiver works closely with parents to introduce new foods;
 - (2) infants are not fed honey or peanut butter;
 - (3) children 1 year of age are fed thinly spread peanut butter, if served; and
 - (4) children 1 year of age and younger are:
 - (A) not fed foods that may cause choking, such as candies, gum, marshmallows, raw carrots, raw peas, celery, whole grapes, nuts, seeds, popcorn, rice cakes, and chips; and
 - (B) fed other foods cut into small pieces no larger than:
 - (i) 1/4 inch cubes for infants; and
 - (ii) 1/2 inch cubes for 1-year-olds.
- (e) **Diaper-changing.** Diapers are changed promptly when wet or soiled.
- (1) A clean nonporous surface or pad is used for diaper changes and sanitized after each use. Care is taken to prevent spread of germs.
 - (2) Caregivers wash hands thoroughly with soap and warm running water after each diaper change.
 - (3) Children are not left unattended on a diaper-changing surface.
- (f) **Availability and disposal of diapers.** For proper hygiene:
- (1) sufficient quantities of clean diapers are available; and
 - (2) a closed container for soiled diapers is used.
- (g) **Toilet learning.** Toilet learning is a relaxed, pleasant activity.
- (1) Parents are informed of the child's toilet learning progress.
 - (2) Training pants or underwear are changed promptly when wet or soiled.
 - (3) Fecal content may be disposed of in a toilet, but soiled diapers or training pants are not rinsed in the toilet.
 - (4) Children are encouraged by regular use of a toilet or potty chair for short periods of time not exceeding 10 minutes.
- (h) **Potty chairs.** Potty chair contents and rinse water are emptied into the toilet. After each use, potty chairs are cleaned and disinfected in a sanitary manner.
- (i) **Infant car seats.** Infants are not permitted in infant car seats except during emergency drills, transportation, and arrival and departure with parents.

340:110-3-94. Food and nutrition

- (a) **Daily requirement.** Children, excluding infants, remaining in the family child care home for longer than a four-hour period are served a balanced meal providing at least one-third of the child's total daily nutritive requirement; per current State Department of Education (OSDE) Child and Adult Care Food Program (CACFP) guidelines.
- (b) **Snacks.** Snacks are provided mid-morning and mid-afternoon when the interval between regular meals is four hours or longer.
- (c) **Food provision.** Food is provided, per (1) and (2) of this subsection.
- (1) The caregiver provides food for all children able to eat regular food. The caregiver may require parents to provide food for an infant or child requiring a special diet.
 - (2) Second servings are available for children.
- (d) **Encouraging new foods.** Children are encouraged to try new food but are not forced to eat or punished for not eating.
- (e) **Menus.** Weekly menus are planned in advance, readily available, and closely followed, with reasonable substitutions permitted.
- (f) **Water.** Water is offered to children at various times throughout the day.
- (g) **Prohibited foods.** Foods not served or offered to children are:
- (1) home-canned foods; however, parents may provide homemade baby foods;
 - (2) raw seed sprouts;
 - (3) prepackaged unpasteurized juices, milk, or juices displaying a warning label;
 - (4) unpasteurized milk from animals;
 - (5) raw or undercooked animal foods, such as hamburger, fish, or eggs; or
 - (6) lightly cooked or uncooked foods containing raw shell eggs, such as meringue, eggnog, ice cream, or egg beverages.
- (h) **Food storage.** Food is covered and protected from contamination and spoilage while being obtained, stored, prepared, or served.
- (1) All equipment and surfaces are maintained in a clean and sanitary condition.
 - (2) Refrigerated foods are maintained at 41 degrees Fahrenheit or below. Stored frozen foods are maintained frozen. A thermometer is located in the refrigerator, unless equipped with functioning built-in thermometers.
 - (3) Chemicals and toxins are not stored in the food storage area.
 - (4) Dishes washed by hand are sanitized and air-dried.
- (i) **Dishes, cups, and eating utensils.** Each child is provided with clean individual dishes, cups, and eating utensils. Disposable items are used only one time.

340:110-3-95. Equipment [REVOKED]

[Source: Revoked at 10 Ok Reg 107, eff 10-13-92 (emergency); Revoked at 10 Ok Reg 2287, eff 6-11-93]

340:110-3-96. References [REVOKED]

[Source: Revoked at 10 Ok Reg 107, eff 10-13-92 (emergency); Revoked at 10 Ok Reg 2287, eff 6-11-93]

340:110-3-97. Fire safety

(a) **General requirements.** The primary caregiver ensures compliance with construction and equipment requirements in this subsection. State or local fire officials are consulted as needed.

(1) Any building licensed as a family child care home meets local minimum building codes. In localities where a building code does not exist, construction conforms to current state adopted building code.

(2) If care is provided on the second floor of a multi-family dwelling, the structure meets the life safety code provisions for multi-family occupancies.

(3) Electrical wiring is installed , per state and local codes or ordinances.

(4) All heating and air conditioning equipment is installed , per state and local building codes.

(5) Water heaters are equipped with a pressure-relief valve.

(b) **Exits.**

(1) Each room used for child care has at least two means of escape, and at least one escape is a door leading to an unobstructed path to the outside. The second escape may be an unobstructed, operable window not less than 820 square inches and large enough to allow all adults and children to escape.

(2) Security bars must be hinged with a quick release mechanism inside the home with one motion to operate, or be unlocked during child care hours.

(3) Child care, including naptime, is not provided for children 3 years of age and younger on any floor above ground level.

(4) No story above the second level, excluding basements, is used for child care.

(5) When care is provided on the second level, the second route of escape must be a safe means to ground level.

(6) Space accessible only by a ladder, folding stairs, or through a trap door is not used for child care.

(7) When child care is permitted on the floor below ground level, basement, at least one exit is a door leading directly to the outside at ground level. The second means of escape may be an unobstructed, operable window not less than 820 square inches and large enough to allow all adults and children to escape. Child care is not provided more than one story below the ground.

(8) Every stairway is maintained free of obstructions and provides safe passage.

(9) Stairways within the exits with four or more steps have a railing.

(c) **Doors.**

(1) Each door providing a means of exiting the home opens without a key and is no less than 28 inches wide.

(2) Every closet door latch enables children to open the door from inside the closet.

(3) Every bathroom door lock enables opening of the locked door from the outside with a readily accessible opening device.

(d) **Smoke detectors.**

(1) There is at least one operable smoke detector on each level of the home located at the top of any stairs.

(2) Any room used for children's playing or sleeping, except the kitchen, has a smoke detector.

(3) Smoke detectors are tested monthly, and documentation is maintained.

(e) **Carbon monoxide detectors.**

(1) One operable carbon monoxide detector is installed, per manufacturer instructions, when there is a fuel burning appliance in the home.

(2) Carbon monoxide detectors are tested monthly, and documentation is maintained.

(f) **Fire extinguishers.**

(1) A portable fire extinguisher, Class ABC or BC, with a gauge is readily accessible for the cooking area.

(2) Disposable fire extinguishers with a gauge are acceptable.

(3) Extinguishing devices are UL-approved.

(4) All fire extinguishers are replaced or serviced and tagged by a state licensed authority every three years. Replacement or service is also required when the seal is broken.

(g) **Heating equipment.**

(1) Unvented, ventfree, or open-face heaters are not used while children are in care.

(2) Portable heaters are not used while children are in care, with the exception of electric oil-filled space heating units.

(3) A guard is provided, protecting children from hot surfaces and open flames.

(4) Fireplaces in use while children are in care have solid doors that are kept closed.

(5) A stove or combustion heater is not located where it would prevent escape in case of malfunctioning.

(6) Heating equipment not specifically designed or installed as a normal heating source is not used.

(h) **Electrical services.**

(1) The use of temporary wiring or extension cords as permanent wiring is prohibited.

(2) Electrical outlet covers are used in all areas occupied by children.

(3) Electrical device charging cords are inaccessible to 3-year-olds and younger.

(4) An operable flashlight is available at all times.

(i) **Mobile homes.**

(1) Current compliance documentation with Housing and Urban Development (HUD) standards is required for family child care homes licensed in a mobile home manufactured after June 25, 1976.

(2) The mobile home is anchored and enclosed to ground level with a wind-resistant material.

340:110-3-97.1. Requirements for large family child care homes

(a) **Large family child care home.** A large family child care home is a residential family home providing care and supervision for eight to 12 children for part of the 24 hour day.

(b) **Requirements.** Large family child care homes meet required rules, per Oklahoma Administrative Code (OAC) 340:110-3-81 through 340:110-3-97, except as otherwise provided in this Section.

(c) **Mobile homes.** Prior to caring for children, large family child care homes operated in a mobile home are required to obtain an approved state or local fire inspection.

(d) **Capacity.** Large family child care homes are required to meet the rules, per OAC 340:110-3-84(a), and the total number of children in care in a large family child care home is limited to 12.

(e) **Supervision of outdoor play.** Large family child care homes meet the rules in OAC 340:110-3-85(a)(3) pertaining to outdoor play supervision, except when two or more personnel are needed to meet the required adult-child ratio. At least one personnel is present with children outdoors at all times.

(f) **Required number of caregivers.** Large family child care homes are exempt from the requirements regarding the number of caregivers, per OAC 340:110-3-84(b) and (c). The number of caregivers required in a large family child care home is described in this subsection.

(1) **One caregiver.** One caregiver may care for up to:

(A) five children of any age;

(B) six children, with no more than three children younger than 2 years of age;

(C) seven children, with no more than two children younger than 2 years of age;

(D) seven children, when the children are 2 years of age and older;

(E) eight children, when the children are 3 years of age and older;

(F) 10 children, when the children are 4 years of age and older; or

(G) 12 children, when the children are 5 years of age and older.

(2) **Two caregivers.** Two caregivers may care for up to:

(A) eight children younger than 2 years of age; or

(B) 12 children, with no more than six children younger than 2 years of age.

(3) **Three caregivers.** Three caregivers may care for up to 12 children of mixed ages, with no more than eight children younger than 2 years of age. When only children younger than 2 years of age are in care, three caregivers may care for up to 12 children.

(g) **Caregiver qualifications.** Primary, assistant, and substitute caregivers at large family child care homes are required to meet qualifications, per OAC 340:110-3-85(a) and (b), except as otherwise described in (1) through (3) of this subsection.

(1) **Primary caregiver.** The primary caregiver or individuals substituting for the primary caregiver are at least 21 years of age. For individuals applying after October 1, 2007, the primary caregiver has:

(A) six months of satisfactory experience as the primary caregiver in a licensed family child care home in Oklahoma;

(B) a high school diploma or General Educational Development (GED) credential; and

(C) a current Level 4 or higher Oklahoma Professional Development Ladder (OPDL) certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder.

(2) **Assistant caregiver.** The assistant caregiver or individuals substituting for the assistant caregiver meet requirements in (A) through (C) of this paragraph.

(A) Caregivers are at least 16 years of age. Children are not left alone in the care of any individual younger than 21 years of age.

(B) Caregivers have current cardio-pulmonary resuscitation (CPR) and first aid certification documentation, per OAC 340:110-3-85(h).

(C) Assistant caregivers obtain and maintain a current Level 1 or higher OPDL certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder, prior to or within 12 months of employment.

(3) **Substitute caregiver.** Individuals substituting for the primary caregiver are at least 21 years of age and have current CPR and first aid certification documentation, per OAC 340:110-3-85(h).

(h) **Professional development requirements.** The primary caregiver and assistant caregiver at large family child care homes are required to meet the professional development requirements, per OAC 340:110-3-85(h), except as otherwise described in (1) and (2) of this subsection.

(1) The primary caregiver:

(A) completes and documents all health and safety training, per OAC 340:110-3-85(h)(3), within two years prior to request for license;

(B) registers the program as a direct care organization and maintains information on the Oklahoma Professional Development Registry (OPDR); and

(C) completes 20-clock hours of professional development annually.

(2) The assistant caregiver meets professional development requirements in (A) through (D) of this paragraph.

(A) The assistant caregiver completes 12-clock hours of professional development annually.

(B) Formal professional development is:

(i) a course or training event of two or more clock-hours from an OPDR-approved training organization; or

(ii) OPDR-approved college credit hours.

(C) Informal professional development clock-hours are limited. Informal professional development is:

(i) a course or training event of less than two clock-hours from an OPDR-approved training organization;

(ii) any number of clock-hours from an OPDR non-approved training organization; or

(iii) any training from electronic media, such as videos or DVDs.

(D) Reading and television programs do not count toward required clock-hours.

(i) **Outdoor play space.** The requirements regarding outdoor play space, per OAC 340:110-3-86(a)(12), are met. The outdoor play space is enclosed by a building or a fence beginning at ground level, at least four feet high, and in good repair. Fencing exceptions are not granted by Licensing.

PART 9. REQUIREMENTS FOR RESIDENTIAL CHILD CARE FACILITIES

340:110-3-145. Purpose and policy of the law

It is the declared purpose and policy of the Oklahoma Child Care Facilities Licensing Act [10 O.S. § 401 through 410] to ensure maintenance of minimum standards for the care and protection of children away from their own homes, to encourage and assist the child care facility to attain maximum standards, and to work for the development of sufficient and adequate services for child care.

[Source: Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02]

340:110-3-146. Definitions

The following words and terms, when used in this Part, shall have the following meaning, unless the context clearly states otherwise:

"Advisory board" means the entity offering advice and counsel on program operation.

"Age or developmentally appropriate" means per Section 1-1-105 of Title 10A of the Oklahoma Statutes (10A O.S. § 1-1-105) suitable, developmentally appropriate activities for children of a certain age or maturity level based on the development of cognitive, emotional, physical, and behavioral capacities typical for the age group and the individual child.

"Basement" means an area of a building or structure having one-half or more of its clear height below grade level.

"Behavior management" means guidance providing a learning experience for the child contributing to developing the capacity for self-control, self-direction, and understanding of behavioral consequences.

"Chemical restraint" means medication prescribed by a health professional used to control behavior or to restrict freedom of movement and is not a standard treatment for the child's medical or psychiatric condition.

"Child" means an individual younger than 18 years of age.

"Child care personnel" means personnel, including part-time, on-call, and substitute personnel, providing direct care and supervision of residents. To be counted in ratios, personnel must be engaged in providing care and meeting the minimum qualifications.

"Children's services" means an educational program, child welfare agency, child-serving institution, child-placing agency, foster family home, hospital, or mental health treatment program serving children.

"Children's shelter" means a non-secure public or private residential program providing temporary care and supervision for children.

"Contracted personnel" means individuals performing program services not having an employee relationship with the program.

"Custodian" means the adult or agency legally responsible for the child, but does not mean the Oklahoma Department of Human Services (DHS).

"Department" means DHS.

"Family-style living program" means a residential program providing sustained care and supervision to residents in a home like environment not located in a building used for commercial activity.

"Food" means a raw, cooked, or processed edible substance, ice, beverage, or ingredient used or intended for use in whole or in part for human consumption.

"Governing board" means the entity with ultimate responsibility and authority for overall operation of a private, nonprofit program.

"Grievance process" means an identified procedure followed when a parent, child, or individual acting in the child's behalf, desires to document dissatisfaction regarding program operation.

"Health care professional" means a licensed physician, nurse practitioner, or physician's assistant, as defined by the appropriate state licensing board.

"House parent" means an individual or couple providing care and supervision, while meeting the physical, emotional, and social needs of residents residing in a family-style living program.

"Interstate Compact on the Placement of Children (ICPC)" means the process of ensuring protection and services to children placed across state lines.

"Licensed mental health professional" means an individual possessing the training, qualifications, and professional recognition in a mental health-related field having a license issued by the appropriate state board.

"Licensed social worker" means a social worker having a license issued by the State Board of Licensed Social Workers.

"Licensing requirements for residential child care facilities" means the regulations specified in this Part constituting the minimum requirements for residential programs.

"Mechanical restraint" means a device restricting movement or function of a child or portion of a child's body.

"On-call," or **"substitute personnel"** means personnel available to work during the absence of regular part-time or full-time personnel.

"Organizational structure" means the program legal basis or ownership.

"OSDH" means the Oklahoma State Department of Health.

"Parent" means an individual legally responsible for the child, such as a mother, father, legal custodian, or legal guardian.

"Physical restraint" means using the body to restrict movement or function of a child or portion of a child's body.

"Potentially hazardous foods" means food containing milk or milk products, eggs, meat, poultry, fish, shellfish, crustacean, or other ingredients in a form capable of supporting rapid and progressive growth of harmful microorganisms.

"Privately operated program" means a program owned and operated by an individual, partnership, corporation, or association that may be operated on a profit or nonprofit basis.

"Proprietary program" means a program operating on a for-profit basis.

"Psychotropic medications" means medications with well-demonstrated efficacy in the treatment of mental disorders through the modification of behavior, mood, and emotions.

"Publicly operated program" means a program operated by a governmental entity.

"Qualified Substance Abuse Professional (QSAP)" means an individual meeting the criteria established by the Oklahoma Department of Mental Health and Substance Abuse Services.

"Reasonable and prudent parent standard" means per 10A O.S. § 1-1-105, the standard characterized by careful and sensible parental decisions maintaining the health, safety, and best interests of a child while at the same time encouraging the emotional and developmental growth of the child and is used in determining whether to allow a child to participate in extracurricular, enrichment, cultural, and social activities. This standard is used by a representative of a group home where a child has been placed or a designated official for a residential child care facility where a child in foster care has been placed.

"Regimented residential program" means a military-style training program where residents are subject to a controlled and

regimented environment affirming dignity of self and respect for others and includes physical training and discipline.

"Restricted Registry" also named **"Joshua's List"** means a registry for individuals who are prohibited from licensure, ownership, employment, having unsupervised access to children, and/or residence in child care facilities per 10 O.S. § 405.3.

"Residential child care facility" means a 24-hour residential program where children live together with, or are supervised by, adults other than the child's parents or relatives.

"Residential treatment facility" means a program that cares for children under 24-hour medical care who have emotional, psychological, or mental disorders.

"Seclusion" means the involuntary confinement of a child in a room or area where the child is physically prevented from leaving.

"Secure care facility" means a program that cares for and supervises adjudicated children in a building where entering and exiting is prohibited through the use of internal or external locks or through secure fencing around the perimeter.

"Separation" means removing a child from the group or group activity as a method of behavior management.

"Serious incident" means any non-routine occurrence that has an impact on the care, supervision, or treatment of a child.

"Service plan" means a comprehensive individualized program of action based on the child's needs.

"Social services" means services that may include, but are not limited to, admission assessments, placement services, counseling, casework services to residents and the residents' families, service planning, and discharge planning.

"Social services staff" means program employees who provide social services.

"Specialized service professional" means an individual from an academic discipline or field of expertise who provides individualized services to a child, such as behavioral or physical therapists.

"Staff member" means an individual employed by or working for or with a residential child care facility on a regularly scheduled basis. This includes full-time, part-time, on-call, and substitute staff, whether paid or unpaid.

"Supervision of residents" means overseeing and guiding residents including awareness of and responsibility for the ongoing activity of each child.

"Support staff" means clerical staff, cooks, building custodians, and other personnel who provide support services to the program.

"Unsupervised access to children" means an individual being present with children without personnel present who has a complete criminal history review.

"Volunteer" means an individual who provides services to the program without compensation.

340:110-3-147. License

Request for license is submitted on Oklahoma Department of Human Services (DHS) provided forms. A license to operate a residential child care program is granted when the program meets minimum requirements. Children are not accepted into care until DHS authorization is obtained. The license is not transferable and is posted prominently in the facility including the denial or revocation notice, when applicable. When the program changes ownership or location, a new license is obtained. Per the Oklahoma Child Care Facilities Licensing Act, Section 405.3 of Title 10 of the Oklahoma Statutes, persons identified as registrants on the Restricted Registry are prohibited from:

- (1) licensure as a child care program;
- (2) ownership of a child care program;
- (3) employment in a child care program;
- (4) having unsupervised access to children; and/or
- (5) residing in a child care facility.

[**Source:** Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 31 Ok Reg 154, eff 11-1-13 (emergency); Amended at 31 Ok Reg 1854, eff 9-15-14 ; Amended at 37 Ok Reg 1858, eff 11-1-20]

340:110-3-148. Technical assistance

In addition to monitoring compliance with requirements, licensing representatives offer technical assistance and consultation. An applicant or licensee may at any time request help with questions about the requirements or facility compliance.

[**Source:** Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02]

340:110-3-149. Complaint investigation

Upon receipt of a complaint that a facility is in noncompliance with requirements, the licensing representative notifies the administrator of the facility and conducts a thorough investigation. The name of the complainant is kept confidential. The administrator of the facility and the chair of the governing board are advised of the outcome of the investigation. Allegations of child abuse, neglect, or mistreatment are investigated by the Office of Client Advocacy or its designee.

[**Source:** Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02]

340:110-3-150. Denial or revocation of license

When a program is unable or unwilling to comply with requirements or has failed to adequately protect the health and safety of children, the Oklahoma Department of Human Services (DHS) can deny the application or revoke the license. The applicant or licensee receives a 30 day notice in writing of the decision and the grounds for such

proposed action. The applicant or licensee may protest the decision within 30 days of receipt of the notice. An administrative hearing will be held at which an opportunity is given to the applicant or licensee to present testimony and confront witnesses. If the decision from the administrative hearing is to uphold the DHS recommendation, the applicant or licensee may appeal the decision to the district court of the county where the program is maintained within 10 days. In the event the applicant or licensee does not appeal the decision, the program must cease operation on the effective date of the action. The owner, business entity, or responsible entity may not make application for a new child care program license within Oklahoma for five years following notification to the owner, business entity, or responsible entity of the license revocation or denial and during an appeal process.

340:110-3-151. Public records

Files of residential child care facilities maintained by the Oklahoma Department of Human Services (OKDHS) are public records and are open for public inspection. [Oklahoma Public Records Act, 51 O.S. § 24A et seq.] Information obtained by OKDHS from any applicant or licensee regarding children, their parents, or other relatives is deemed confidential and privileged communication. The names of any complainants and information regarding a child abuse report or investigation is kept confidential.

340:110-3-152. Organization and administration

(a) **Intent statement.** The residential child care program purpose or function is clearly defined in a statement filed with Oklahoma Human Services (OKDHS). The statement includes the:

- (1) program philosophy;
- (2) program goals and objectives;
- (3) ages and characteristics of children accepted for care;
- (4) geographical area served; and
- (5) services provided.

(b) **Organizational structure.** The residential child care program legal basis or ownership is fully documented and submitted to OKDHS.

(1) **Publicly operated program.** Documentation identifies the program's statutory basis and the operating governmental entity administrative framework.

(2) **Privately operated program.** A privately operated program submits, the:

- (A) charter, partnership agreement, constitution, articles of incorporation, or resolution authorizing the program's operation, as applicable; and
- (B) names, titles, addresses, and phone numbers for:

- (i) association members or corporate officers for a nonprofit program; and
- (ii) owners, partners, or corporate officers for a proprietary program.

(3) **Changes in ownership and program name.** OKDHS is notified at least 30-calendar days prior to changes in the legal entity for operation, ownership, or program name.

(c) **Governing and advisory board.** A private, nonprofit program establishes a governing board and may also have an advisory board.

(1) **Meetings.** The governing board meets at least twice annually, maintaining accurate meeting minutes.

(2) **Governing board responsibility.** The governing board maintains ultimate responsibility for governing but may delegate program administration responsibility to the executive director.

(A) The board assumes joint responsibility with the executive director for general program and policy, funding, and minimum requirement compliance.

(B) The responsibilities and relationship between the board and the executive director are defined in the constitution and bylaws and submitted to OKDHS.

(3) **Governing board members.** Governing board members' names, titles, addresses, and phone numbers are submitted to OKDHS.

(4) **Board composition.** The governing board represents the community's diversity.

(A) The board is comprised of a minimum of three members.

(B) A majority reside in Oklahoma. Multi-state operations; however, may have a governing board outside of Oklahoma when establishing local advisory boards meeting requirements in (5) of this subsection.

(C) Program personnel cannot comprise a majority of the board's voting members.

(D) Upon appointment, board members receive board responsibility orientation.

(5) **Advisory board.** A private, proprietary program not meeting governing board requirements in (1) through (4) of this subsection establishes an advisory board.

(A) The advisory board meets at least twice annually.

(B) The advisory board provides program advice and counsel on policies and program operation, reflects local concerns, and represents the program to the community.

(C) Advisory board member names, addresses, and phone numbers are submitted to OKDHS.

(D) Program personnel cannot comprise a majority of the advisory board's voting members.

(E) A majority reside in Oklahoma.

(d) **Administrative policy.** Policy is clearly written, current, and available for residents, parents or legal custodians, personnel, and Licensing review. The governing board reviews policy annually. Policy at least, includes areas governing:

- (1) admission and discharge;
- (2) personnel;
- (3) volunteers;
- (4) programs;
- (5) grievance procedures approved by OKDHS Office of Client Advocacy (OCA);
- (6) behavior management;
- (7) mandatory child abuse reporting;
- (8) suicide awareness and protocol;
- (9) medical services;
- (10) medication administration and dosage;
- (11) records confidentiality;
- (12) a resident absent without permission;
- (13) emergency procedures; and
- (14) reasonable and prudent parent standard application, when approving resident activities.

(e) **Records and reports.** Records and reports maintained at the program and available for Licensing review are:

- (1) resident's records;
- (2) personnel records;
- (3) criminal history investigation records;
- (4) orientation and professional development records;
- (5) residents' food menus;
- (6) fire and tornado drill records;
- (7) planned recreational, leisure, or physical exercise activities schedules;
- (8) visitation records;
- (9) transportation records; and
- (10) resident's grievance records. These records are maintained for three years following the resident's discharge and in a confidential manner separate from resident's records, per OCA.

(f) **Notifications.** The program complies with the notification requirements in this subsection.

(1) The program notifies Licensing on the next OKDHS-business day of:

- (A) temporary or permanent program closure;
- (B) executive or program director change;
- (C) liability insurance coverage changes;
- (D) facility premises damage caused by fire, accident, or elements seriously affecting services provided;
- (E) legal action against a program or personnel involving a resident or program operation;
- (F) any time a resident receives emergency medical treatment by a licensed health care professional;
- (G) incidents involving law enforcement, excluding residents absent without permission; or
- (H) a resident death or near death, per Section 1-6-105 of Title 10A of the Oklahoma Statutes (10A O.S. § 1-6-105).

(2) Any person who has reason to believe a child was abused or neglected, per 10A O.S. § 1-1-105, is required to report the matter promptly to the OKDHS Child Abuse and Neglect Hotline at 1-

800-522-3511, per 10A O.S. § 1-2-101. Failure to report is a misdemeanor offense and upon conviction is punishable by law. Failure to report with prolonged knowledge, six months or more, of ongoing abuse or neglect is a felony offense.

(3) Per 21 O.S. § 870, every person having reason to believe that a person or child-placing agency is engaging in the crime of trafficking in children, per 21 O.S. § 866, reports the matter promptly to the Oklahoma Bureau of Narcotics and Dangerous Drugs Control.

(4) OKDHS notifies programs of a substantiated finding of heinous and shocking abuse by a person responsible for a child's health, safety, or welfare, as defined, per 10A O.S. § 1-1-105. Upon receiving the notice, the facility owner or operator provides notification to parents or legal guardians of children attending the facility using an OKDHS-provided form.

(A) Notification is:

- (i) immediately attempted but not later than 72 hours of notice receipt from OKDHS; and
- (ii) provided by certified mail.

(B) The program maintains the list of notified parents and legal guardians for at least 12 months.

(5) When a resident is absent without permission, the resident's parents or legal custodian are immediately notified.

340:110-3-153. Finances

(a) **Evidence of sufficient funds.** The program demonstrates evidence of sufficient funds.

(1) A new program submits a letter to Licensing from a certified public accountant documenting the procedures in place for operating the fiscal management system so the program's financial statements can be audited at the first fiscal operational year end.

(2) A new program submits a budget for the first 12 months of operation including predictable funds, as well as reserve funds.

(3) The program maintains a written financing plan projecting sufficient funds to carry out the program's defined purposes and provide proper care for children.

(b) **Fiscal responsibility.** The program demonstrates fiscal responsibility.

(1) The executive director maintains complete financial records of all income and disbursements.

(2) When cash funds are received, the executive director requires individuals with cash handling responsibilities be bonded.

(c) **Accountability.** The program demonstrates financial accountability.

(1) Program financial records are audited by a certified public accountant, who is not program personnel or a board member, or audited, per the governmental funding source.

(2) When completed, a copy of the auditor's letter, including a statement verifying the program's financial records accurately reflect its financial operations, per generally accepted accounting principles, is submitted to Licensing.

(d) **Insurance.** The program maintains insurance. Insurance policies are available for Licensing review.

(1) The program is covered by property casualty insurance, unless operated by a government entity that is self-insured, per state law.

(2) The program is covered by general liability insurance, unless exempt by state law. Coverage is at least \$200,000 for each occurrence of negligence. Form 07LC092E, Insurance Verification, that includes a certificate of insurance obtained from the insurance agent is completed annually, maintained at the facility, and made available to Licensing.

(3) Vehicles used to transport children are covered by liability and medical insurance.

[Source: Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 27 Ok Reg 48, eff 10-1-09 (emergency); Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 37 Ok Reg 1858, eff 11-1-20]

340:110-3-153.1. Personnel

(a) **Personnel policy.** Personnel policy includes defining personnel, essential position functions, qualifications, and authority lines.

(b) **Personnel and responsibilities.** The program recruits personnel with specialized skills, knowledge, and the cultural understanding and competencies necessary for quality residential care services. Personnel demonstrate responsible behavior reasonably ensuring residents' care and safety. Personnel cooperate with Oklahoma Human Services (OKDHS) staff, including monitoring visits and investigations.

(1) **Executive director.** The program employs an executive director, superintendent, or administrator; and in his or her absence, an individual is designated in charge.

(A) The executive director, superintendent, or administrator is responsible for employing individuals possessing adequate education, professional development, and experience to perform assigned positions' essential functions.

(B) The executive director is responsible for implementing the policies adopted by the governing board and ongoing program operation.

(C) When acting as program director, the executive director meets the requirements in (b)(2) of this Section.

(2) **Program director.** The program director is responsible for implementing and supervising programs and services. The program director is also responsible for the day-to-day program

operation.

(A) The executive director may also serve as the program director, when meeting the qualifications in (d)(2) of this Section.

(B) The program director, including the executive director acting as program director, does not serve as program director at more than one facility location.

(3) **Social services personnel.** Social services personnel are responsible for admission assessments, placement services, counseling, residents' and his or her families' casework services, service plans, service plan reviews, and discharge plans.

(4) **Child care personnel.** Child care personnel are responsible for meeting residents' needs, taking in account the residents' ages, physical and mental conditions, and other factors affecting the amount of attention indicated.

(5) **Support personnel.** Support personnel are responsible for providing support duties.

(6) **On-call and part-time personnel.** On-call and part-time personnel are responsible for the position duties they are assigned.

(7) **On-site official.** There is an on-site official authorized to apply the reasonable and prudent parent standard.

(8) **Contracted personnel.** When the program contracts for a service and the individual or agency personnel fills a position, per (1) through (7) of this subsection, the requirements for the position(s) are met.

(c) **Volunteers.** When a program uses volunteers, the program maintains current, written volunteer policy. Volunteers:

- (1) counted in ratios meet all child care personnel requirements;
- (2) do not have unsupervised resident access unless background investigations are completed, per (h)(1)(D) of this Section;
- (3) receive orientation prior to resident contact; and
- (4) work under the executive director's or designated personnel's direct supervision.

(d) **Executive director and program director qualifications.** The executive director, superintendent, or administrator, and program director possess adequate education, professional development, and experience to perform the positions' essential functions.

(1) In a program where the executive director operates primarily as an administrator and employs a program director, an executive director hired after June 15, 1990, has a minimum of a bachelor's degree from an accredited college or university.

(2) Individuals solely responsible for direct program supervision, when filling executive director or program director positions, meet at a minimum, one of the qualifications in (A) through (D) of this paragraph:

(A) a bachelor's degree from an accredited college or university with at least nine-college credit hours in family focus, individual function and interaction, child development, sociology, social work, or a closely related subject, and 36 months children's services experience;

(B) a master's degree in social work, psychology, guidance and counseling, sociology, child development, human relations, behavioral science or other closely related subject from an accredited college or university and 24 months children's services experience;

(C) a doctorate in medicine, social work, psychology, guidance and counseling, sociology, child development, human relations, or closely related subject from an accredited college or university and 12 months children's services experience; or

(D) for programs specializing in substance abuse treatment, certification as a Qualified Substance Abuse Professional (QSAP).

(e) **Child care and supervisory personnel qualifications.** Child care and supervisory personnel possess adequate education, professional development, and experience to perform the position's essential functions.

(1) Child care personnel are at least 21 years of age.

(2) Personnel hired after June 15, 1990, have a high school diploma or equivalent within 12 months of employment.

(3) Personnel hired on or after November 1, 2024, have a high school diploma, General Education Development (GED), or Licensing-approved equivalent.

(f) **Social services personnel qualifications.** Social services personnel or contractors possess adequate education, professional development, and experience to perform the position's essential functions.

(1) Social services supervisory personnel responsible for developing and implementing the social services program, meet at a minimum, one of the qualifications in (A) through (D) of this paragraph, including a bachelor's degree:

(A) in social work from an accredited college or university;

(B) in behavioral science, social science, or other related subject from an accredited college or university and 12 months children's services experience;

(C) with at least nine-college credit hours in family focus, individual function and interactions, child development, sociology, social work, or a closely related subject, and 48 months children's services experience; or

(D) for programs specializing in substance abuse treatment, when social services personnel are supervised by a QSAP.

(2) Social services personnel hired after June 15, 1990, providing only casework services have a bachelor's degree in a related subject from an accredited college or university.

(g) **Employment requirements.** Personnel meet requirements in (1) through (3) of this subsection.

(1) **References.** The program obtains three references for personnel prior to employment. Copies are maintained in the employee's personnel record.

(2) **Tuberculin test.** Tuberculosis testing is not required routinely. Programs comply with the Oklahoma State Department

of Health recommendation regarding tuberculin skin testing, when there is a local identified tuberculin exposure.

(3) **Performance evaluation.** A written performance evaluation is updated at least annually and maintained in the employee's personnel record.

(h) **Background investigations - general.**

(1) **Required individuals.** Background investigations are required, per the Oklahoma Child Care Facilities Licensing Act, Section 404.1 of Title 10 of the Oklahoma Statutes, unless an exception, per (3) of this subsection applies for:

(A) owners, prior to authorization to operate;

(B) responsible entities, prior to authorization to operate and, when there is a change in a responsible entity;

(C) personnel applicants, prior to hire; however, the program may hire individuals, when:

(i) the program has submitted a criminal history review request to the Office of Background Investigations (OBI) and received a preliminary approval indicating the fingerprint results are received from OBI;

(ii) criminal history review results from the OBI are received by the program. However, until complete results are received, the individual does not have unsupervised access to residents; and

(iii) coming from another licensed program owned by the same business entity. Individuals are not required to repeat the background investigation process, unless required, per (2) of this subsection, with the exception of criminal history restriction waivers, provided there is no break in employment from the business entity; and

(D) individuals with unsupervised resident access, prior to having resident access, unless an exception, per (3) of this subsection applies;

(E) adults living in the facility prior to authorization to operate or moving into the facility of an existing program. This includes residents, who become 18 years of age while living in the facility, unless exempt as a resident receiving services from the program; and

(F) individuals having access to, or review of, fingerprint results, prior to access to or review of results.

(2) **Resubmission of criminal history reviews as of November 2, 2017.** Effective November 2, 2017, programs request a criminal history review process, excluding fingerprinting, for required individuals every five years. However, criminal history reviews requested prior to November 2, 2017, are resubmitted by November 1, 2022.

(3) **Non-required individuals.** Background investigations are not required for:

(A) specialized service professionals who are not program personnel, provided parent releases are obtained, per

Oklahoma Administrative Code (OAC) 340:110-3-154(a)(4)
(E);

(B) volunteer drivers transporting residents irregularly and not filling another position, provided parent releases are obtained, per OAC 340:110-3-154(a)(4)(E);

(C) contracted drivers not filling another position or having unsupervised resident access;

(D) contracted non-personnel not having unsupervised resident access, such as when the program contracts for special activities or facility repair;

(E) individuals who are not program personnel and have contact with residents as part of family, community, and social activities, education, or employment, provided administrative and program policies are met including policy regarding trips away from the facility; and

(F) residents who become 18 years of age while living in the facility and continue to receive program services.

(i) **Background investigations - Restricted Registry.** The program conducts an online search of the Restricted Registry, also known as Joshua's List, when required, per (h) of this Section.

(1) **Non-registrants.** Non-registrants are individuals not recorded on the Restricted Registry.

(2) **Registrants.** Registrants are individuals recorded on the Restricted Registry, who are prohibited from licensure, ownership, employment, unsupervised-resident access, facility residence, and prohibited individuals, per (j) of this Section.

(j) **Background investigations - criminal history.** The program and required individuals complete the criminal history review process. The program receives the completed criminal history review results from OBI, when required, per (h) of this Section.

(1) **Criminal history prohibitions.** Individuals with criminal history prohibitions are prohibited, per (k) of this Section.

Criminal history prohibitions include:

(A) required registration under the:

(i) Sex Offenders Registration Act, including state and national repositories; or

(ii) Mary Rippe Violent Crime Offenders Registration Act; or

(B) pleas of guilty or nolo contendere (no contest), or convictions of felonies involving:

(i) murder, as defined in Section 1111 of Title 18 of United States Code;

(ii) child abuse or neglect;

(iii) crimes against children, including child pornography;

(iv) spousal abuse;

(v) crimes involving rape or sexual assault;

(vi) kidnapping;

(vii) arson;

(viii) physical assault or battery; or

(ix) a drug-related offense committed during the preceding five years, unless a criminal history restriction waiver, per (2) of this subsection is granted; or

(C) pleas of guilty or nolo contendere (no contest), or convictions of violent misdemeanors committed as adults against a child involving:

- (i) child abuse or child endangerment; or
- (ii) sexual assault; or

(D) pleas of guilty or nolo contendere (no contest), or convictions of misdemeanors involving child pornography.

(2) Criminal history restrictions. Individuals with criminal history restrictions are prohibited, per (k) of this Section, unless a criminal history restriction waiver is granted. Criminal history restrictions include pending charges, pleas of guilty or nolo contendere (no contest), or conviction of criminal activity involving:

- (A) gross irresponsibility or disregard for the safety of others;
- (B) violence against an individual;
- (C) sexual misconduct;
- (D) child abuse or neglect;
- (E) animal cruelty;
- (F) illegal drug possession, sale, or distribution; or
- (G) a pattern of criminal activity.

(3) Criminal history restriction waivers. Restriction waivers are described in (A) through (C) of this paragraph.

(A) Restriction waivers may be requested for individuals having criminal history restrictions. The owner, responsible entity, or director completes requests on an OKDHS form.

(B) Restriction waivers are not requested or granted for:

- (i) Restricted Registry registrants;
- (ii) individuals with criminal history prohibitions; or
- (iii) individuals whose sentence has not expired for criminal history restrictions.

(C) Individuals identified in pending or denied restriction waiver requests are prohibited, per (k) of this Section.

(k) Prohibited individuals.

(1) Background investigation of required individuals. The program does not allow a required individual to be the owner or responsible entity, to be employed, live in the facility, or have:

(A) resident access, such as being present at the facility during the hours of operation or present with the residents in care while off-site, when the individual has:

- (i) criminal history prohibitions;
- (ii) criminal history restrictions, unless a criminal history restriction waiver is granted. Individuals identified in a pending or denied restriction waiver request are prohibited; or

(iii) a substantiated heinous and shocking abuse finding; or

(B) unsupervised resident access, when the individual is a Restricted Registry registrant.

(2) **Background investigation statements and consents.**

Individuals are prohibited to be the owner or responsible entity, to be employed, or to live in the facility, when:

(A) the individual refuses to consent to background investigations, per (h) of this Section; or

(B) knowingly makes a materially-false statement in connection with criminal background investigations.

(3) **Alcohol, drugs, and medication.** When residents are in care, no individual employed by the program or providing program services may use or be under the influence of:

(A) alcohol or illegal drugs; or

(B) medication impairing his or her functioning.

(4) **Child endangerment.** An individual whose health or behavior would endanger residents' health, safety, or well-being is prohibited from living in or being on the premises when residents are in care.

(5) **Criminal allegations.** When personnel is alleged to have committed an act, per (j) of this Section, the program's executive director determines and documents when the personnel is removed from resident contact until the allegation is resolved. However, when criminal charges are filed, the accused is removed from resident contact until the charges are resolved.

(6) **Deferred sentences.** Individuals having a deferred sentence for charges in (j)(2) of this Section are removed from resident contact for the deferment duration.

(l) **Orientation.** Personnel receive orientation after employment date and within 30-calendar days of employment.

(1) Personnel receive orientation prior to assignment as the primary personnel responsible for residents.

(2) Orientation includes, at least:

(A) confidentiality;

(B) resident grievance process;

(C) fire and disaster plans;

(D) suicide awareness and protocol;

(E) emergency medical procedures;

(F) organizational structure;

(G) program philosophy;

(H) personnel policy and procedures;

(I) mandatory child abuse reporting; and

(J) administrative policy and procedure regarding behavior management.

(3) OKDHS Publication No. 86-78, Licensing Requirements for Residential Child Care Facilities, is part of the orientation process and available to personnel at all times.

(4) Orientation counts toward total professional development hours for the first 12 months.

(m) **Personnel professional development.** Professional development the program schedules is obtained on or after personnel's employment date. Personnel meet professional development requirements in (1) through (7) of this subsection.

(1) **Professional development for the administrator and program director.** The administrator and program director obtain at least 12-clock hours of professional development annually. Hours are prorated at one hour per month for personnel not employed for a full-calendar year. The content pertains to position roles and responsibilities.

(2) **Professional development for social services personnel.** Social services personnel, including licensed mental health professionals and those providing casework services, obtain at least 12-clock hours professional development annually. Hours are prorated at one hour per month for personnel not employed for a full-calendar year. The content pertains to the position roles and responsibilities.

(3) **Professional development for child care personnel.** Child care personnel receive professional development.

(A) Full-time child care personnel obtain at least 24-clock hours of professional development courses annually.

Hours are prorated at two hours per month for personnel not employed for a full-calendar year.

(B) Part-time child care personnel obtain at least 12-clock hours of professional development courses annually.

(C) On-call or substitute child care personnel obtain at least six-clock hours of professional development courses annually.

(D) The child care personnel professional development is relative to the assigned positions, roles, and responsibilities.

(E) When residents are in care on the facility premises or on a program-sponsored field trip, at least one personnel is present with current age-appropriate first aid and cardio-pulmonary resuscitation (CPR) documentation. All other child care personnel obtain and maintain age-appropriate first aid and CPR within 90-calendar days of employment. CPR and first aid training are conducted by a certified instructor from an OKDHS-approved source.

(F) Child care personnel with a current nursing certification or degree are exempt from the first aid certification requirement.

(4) **Professional development for support personnel.** Support personnel providing occasional instruction or professional development to residents obtain at least six-clock hours of professional development courses annually. The content is relative to the position, role, and responsibility or resident interactions.

(5) **Behavioral intervention techniques.** Within 90-calendar days of employment, and prior to being solely responsible for residents, child care personnel and support personnel providing

occasional instruction to residents provide current certification in OKDHS-approved behavioral intervention techniques, to include:

- (A) rules and appropriate consequences of various interventions;
- (B) techniques for early de-escalation and preventive intervention;
- (C) team approaches to behavior management;
- (D) verbal crisis intervention; and
- (E) safe and appropriate physical restraint, when applicable, per program policy.

(6) **Reasonable and prudent parent standard professional development.** A designated, on-site official authorized to apply the reasonable and prudent parent standard receives professional development on the use of reasonable and prudent parent standards.

(7) **Contracted personnel professional development.** Contracted personnel not providing direct care or counted in the supervision ratio are exempt from meeting the personnel professional development requirements in (m)(1) through (6) of this Section.

(n) **Documentation.** Orientation and professional development hours are documented and available for Licensing review. Documentation includes personnel names attending, course titles and descriptions, dates, hours attended, and trainer or facilitator names.

(o) **Personnel records.** Programs maintain personnel records for each employee.

(1) The program submits to Licensing at the time of request for license:

- (A) a current employee list; and
- (B) an OKDHS-provided personnel information sheet, for each employee.

(2) The program maintains written personnel information for each employee. The personnel file includes:

- (A) an OKDHS-provided personnel information sheet, completed for each personnel upon employment and submitted to Licensing within two weeks of his or her employment;
- (B) an application, resume, or personnel information sheet documenting position specific qualifications;
- (C) criminal history review requests and results documentation;
- (D) other applicable criminal history records;
- (E) three references;
- (F) annual performance evaluation reports and notes relating to the individual's program employment;
- (G) the employment date;
- (H) the date and reason for leaving employment; and
- (I) program required health records.

(3) Personnel records are maintained for at least 12 months following the last employment date, unless the requirements specifically state otherwise.

(4) Licensing has access to personnel records and other confidential documents relevant to personnel.

340:110-3-153.2. Ratios and resident supervision

(a) The program employs an adequate number of child care personnel meeting resident's needs, considering residents' ages, physical and mental condition, and other factors affecting the amount of attention and supervision required. Supervision is the function of overseeing and guiding residents, including awareness of, and responsibility for, each resident's ongoing activities.

(b) Programs meet minimum ratios in (1) through (4) of this subsection. Based on individual program or resident needs, per (a) of this Section, additional program personnel may be required.

(1) The program maintains a ratio of one personnel for 10 residents (1:10) during awake hours.

(2) The program maintains a ratio of one personnel for 12 residents (1:12) during sleeping hours.

(3) A maternity program maintains a ratio of one personnel for 12 mothers (1:12). Each mother is responsible for the care of her own child.

(4) In a program accepting mothers and their children, each mother is responsible for the care of her own child. Mothers' own children do not count in the program's ratio.

(c) Personnel's own children living in the residential facility are included when determining personnel to resident ratios.

[Source: Added at 18 Ok Reg 3331, eff 10-1-01 (emergency); Added at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-3-154. Social services

(a) **Admission.** The program involves the resident and parents in the admission process.

(1) On admission, a resident assessment is completed indicating the placement is appropriate. The admission assessment is documented and available for Licensing review. An assessment includes the resident's:

(A) name, address, phone number, Social Security number, sex, race, religion, and birth date and place;

(B) circumstances leading to the referral;

(C) family member description and relationships including other significant adults and children;

(D) current and past behavior description, including both appropriate and maladaptive behavior;

(E) immunization record, medical and dental histories, including current medical problems;
(F) school history, including the current educational level, special achievements, and school problems;
(G) placement history outside of the home, including placement reasons;
(H) mental health history; and
(I) record documentation indicating efforts obtaining identifying information in (A) through (H) of this paragraph, when not obtainable.

(2) A program only accepts residents 4 years of age and younger when maintaining a sibling group, maintaining a child with a parent, or requiring special services, such as:

(A) medical care or monitoring;
(B) awake supervision; or
(C) crisis intervention, assessment, or treatment.

(3) When a resident 4 years of age and younger is in the program's care, the admission assessment and service plan document why this placement is in his or her best interest.

(4) Individuals 19 years of age and older are not admitted to the program. A program may continue serving a resident placed prior to his or her 19th birthday through the service plan completion.

(5) On admission, the program obtains the parents' signature, for:

(A) authority to provide care;
(B) authority to provide medical care;
(C) financial agreement, when a fee is required for the resident's care;
(D) authority to use the resident or the resident's picture in publicity, when applicable; and
(E) a release indicating understanding that volunteer drivers or specialized service professionals are not required to complete the criminal history review, per Oklahoma Administrative Code (OAC) 340:110-3-153.1.
Specific activities or events are identified in the release.

(6) Residents receive a medical examination by a licensed health care professional within 60-calendar days prior to admission or within 30-calendar days following admission. However, a documented medical exam performed within the 12 months prior to admission is acceptable when a resident is transferred from another licensed program.

(7) On admission, the program advises the resident of program rules and regulations.

(8) Program policies provided to residents and parents include:

(A) resident's rights;
(B) grievance procedures;
(C) behavior management policies;
(D) trips away from the program;
(E) use of volunteers; and
(F) frequency of parent reports.

(9) Acceptance of out-of-state residents is made, per the Interstate Compact on the Placement of Children.

(b) **Service planning.** The service plan is available for Licensing review.

(1) **Comprehensive service plan.** A written service plan is developed and documented for residents within 30-calendar days of admission.

(A) The program involves the resident and parents in service plan development. Reasons for parental non-participation are documented.

(B) The service plan identifies and includes, the:

(i) resident's needs, such as counseling, education, physical health needs, medical care, or recreation, in addition to basic needs for food, shelter, clothing, routine care, and supervision;

(ii) strategies for meeting the resident's needs, including instructions to personnel. Individual health needs are addressed in the program's medical plan, per OAC 340:110-3-154.3;

(iii) estimated length of stay;

(iv) goals and anticipated plans for discharge;

(v) program's parent involvement plan, including visitation guidelines; and

(vi) names and dated signatures of those participating in service plan development.

(2) **Service plan review.** Service plan reviews are available for Licensing review.

(A) The service plan is reviewed within 90-calendar days after development and at least every six months thereafter.

(B) The program involves the resident and parents in the service plan review.

Reasons for parental non-participation are documented.

(C) The service plan review includes:

(i) an evaluation of progress toward meeting identified needs;

(ii) new needs, identified since the plan development or last review, along with strategies of meeting needs, including instructions to personnel;

(iii) an estimated length-of-stay update and discharge plans;

(iv) a placement assessment evaluation determining when the resident may:

(I) return home;

(II) be placed in foster care;

(III) transfer to care better suited for his or her development; or

(IV) remain in the residential program; and

(v) names and dated signatures of review participants.

(c) **Services.** The program provides or facilitates services meeting service plan goals.

(d) **Resident's records.** A written resident record is maintained and available for Licensing review.

(1) The record includes:

- (A) admission assessment;
- (B) required authorizations, per (a)(4) of this Section;
- (C) medical records;
- (D) comprehensive service plan and reviews;
- (E) educational information;
- (F) serious incident reports documenting incident nature, date and time, individuals involved, and surrounding circumstances. Serious incidents include but are not limited to;
 - (i) suicide attempts;
 - (ii) injuries requiring medical treatment;
 - (iii) resident absent without permission;
 - (iv) crimes committed and abuse allegations, neglect; or
 - (v) allegations of behavior management violations, per OAC 340:110-3-154.2. ; and
- (G) reports of separation, physical restraint use, and other restrictions; and
- (H) signed documentation the resident and parents were provided program policies.

(2) Resident's records are confidential as defined by federal and state laws.

(e) **Discharge procedures and records.** The program involves the resident, parents or legal custodian, and personnel in discharge planning.

(1) Except in an emergency, a resident is not discharged to an individual other than the resident's parents or legal custodian without written authorization.

(2) An emergency discharge occurs when a resident presents a danger to self or others. On emergency discharge, the program informs the parents or legal custodian immediately.

(3) The individual to whom the resident is discharged provides photographic identification and signs the discharge form before leaving with the resident.

(4) In addition to items in (d) of this subsection, the resident record includes:

- (A) discharge summary;
- (B) discharge date, time, destination, and circumstances; and
- (C) the individual's name, address, and relationship to whom the resident is discharged.

(5) The resident's record is retained for three years following the resident's discharge and available for Licensing review.

[Source: Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 22 Ok Reg 1304, eff 6-1-05 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 31 Ok Reg 154, eff 11-1-13 (emergency); Amended at 31 Ok Reg 1854, eff 9-15-14 ; Amended at 35 Ok Reg 1732, eff 11-1-18 ; Amended at 40 Ok Reg 1033, eff 9-15-23 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-3-154.1. Program

(a) **Resident's rights.** The program maintains current, written clients' rights policy supporting and protecting residents. Policy is available for residents, parents or custodians, personnel, and licensing staff to review.

(1) The program provides policies and procedures regarding residents' rights to residents and families in the family's commonly used language.

(2) Residents have a right to an individualized care or treatment plan focusing on the program's services meeting resident's needs. Residents have the right to participate in plan development.

(3) The program ensures resident's rights and responsibilities are protected regarding items in (A) through (Q) of this paragraph.

(A) **Personal finances.** Residents are given the opportunity to have and handle money for personal use, per the resident's service plan.

(B) **Personal possessions.** Residents are allowed to bring personal possessions to the facility and acquire personal belongings as permitted, per program policy and procedure.

(C) **Personal care and hygiene.** Residents are provided facilities and personal care, hygiene, and grooming supplies.

(D) **Clothing.** Residents are provided adequate, clean, well-fitting, and seasonable clothing, and safe clothing storage is available.

(E) **Community activities.** Residents have the right to community contacts and local community participation opportunities, per the resident's service plan.

(F) **Phone contacts.** Residents have phone access to initiate and receive uncensored personal calls, per program policy and procedure. Residents have access to an attorney and referring agency authorized representative.

(G) **Mail.** Resident's letters, both incoming and outgoing, are not opened unless there is suspicion of contraband. When correspondence is opened, the resident is informed in advance, and is present when the letter is opened. This action is documented.

(H) **Restrictions.** Restrictions placed on communications are explained to the resident and clearly documented.

(I) **Publicity.** Resident and parent or custodian consent is obtained prior to resident-related program publicity.

(i) Residents are not caused embarrassment by publicity or promotional materials.

(ii) Residents are not forced to acknowledge dependency on or gratitude toward the program.

(J) **Grievance.** Residents and parents or custodians have the right to file a grievance.

(K) **Religious training.** Residents are provided opportunities for religious service participation.

(L) **Work.** Residents are taught good work habits and is provided with a variety of tasks. Whenever possible, residents earn money through employment. Residents are not substituted for program personnel.

(M) **Safety.** Adequate measures are taken preventing accidents and avoiding health and safety hazards.

(N) **Activities.** The program provides each resident regular opportunities to engage in age appropriate or developmentally appropriate activities.

(O) **Recreation.** Residents are given time to pursue talents, hobbies, and chosen interests, per the resident's service plan.

(i) The program provides a balanced on- or off-grounds recreational program.

(ii) A written schedule of planned recreational, leisure, or physical exercise activities is developed with input from personnel and residents .

Schedules are maintained in the case file and available for licensing staff review.

(P) **Sleep.** The program provides adequate time and facilities for proper rest and sleep appropriate for each resident's age, health needs, safety, and activities.

(Q) **Sexual behavior.** Residents are protected from personnel behavior of a sexual nature. Personnel address resident inappropriate sexual behavior.

(b) **Visitation.** The program provides the residents and parents or custodian the opportunity for on- or off-campus visits, per each resident's service plan.

(1) A visit record is maintained.

(2) Reasons for visitation restrictions are explained to the resident and parents or custodian, documented in the resident's record, and reviewed every six months.

(3) Residents have access to his or her attorney and the referring agency authorized representative.

(c) **Education.** The program has a clearly written policy describing plans for meeting residents' educational needs.

(1) Training and education meet each resident's abilities.

(2) The program ensures school-age residents receive the educational instruction they are entitled under provisions of federal and state education laws and regulations.

(3) Education is provided in or by a public school or a private school.

(4) Residents legally not attending school are:

(A) gainfully employed ;

(B) enrolled in a high school equivalent General Education Development (GED) program; or

(C) attending a life skills or job acquisition training program.

(5) Tutoring is provided or arranged by the program for residents, as needed.

(d) **Care of children younger than 5 years of age.** Programs caring for children younger than 5 years of age provide age or developmentally appropriate activities and equipment. Personnel responsible for child care receive age or developmentally appropriate practice professional development.

[Source: Added at 18 Ok Reg 3331, eff 10-1-01 (emergency); Added at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 33 Ok Reg 146, eff 11-2-15 (emergency); Amended at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-3-154.2. Behavior management

(a) **Behavior management policy.** Behavior management policy includes:

- (1) the program's behavior management goals and purposes;
- (2) behavior management methods;
- (3) personnel authorized to administer the behavior management policy; and
- (4) behavior management monitoring and documentation methods .

(b) **Prohibitions.** Except as otherwise authorized , per Oklahoma Administrative Code (OAC) 340:110-3-168 and 340:110-3-169, program policy prohibits:

- (1) behaviors that could cause physical pain, such as shaking, striking, spanking, grabbing, yanking, pulling, pushing, choking, threatening, or other cruel treatment;
- (2) threatening, harsh, humiliating, cruel, abusive, or degrading language;
- (3) making or allowing derogatory or sarcastic remarks regarding a resident or his or her family, race, gender, religion, or cultural background;
- (4) food, water, or sleep denial;
- (5) work tasks degrading, unnecessary, or inappropriate to the resident's age and ability;
- (6) denial of private familial and significant other contact, including visits, phone calls, and mail, as punishment;
- (7) chemical agent use, including tear gas, mace, or similar agents;
- (8) seclusion;
- (9) extreme or excessive exercise or forced physical punishment;
- (10) residents disciplining other residents;
- (11) chemical restraint;
- (12) mechanical restraint;
- (13) punishing an entire resident group due to the actions of one or a few residents;
- (14) violating a resident's rights, per OAC 340:110-3-154.1; and
- (15) enticing or allowing residents to engage in verbal or physical altercation.

(c) **Separation.** A resident may be removed from the group or group activity as behavior management. The resident remains alone, but within

adult hearing, in an unlocked, safe, clean, well-lighted, and well-ventilated area. The separation does not exceed one hour.

(d) **Physical restraint.** Restraint is used only when less restrictive interventions, per program policy, were attempted or when an immediate intervention is required to protect the resident, a personnel member, or others. The restraint technique used must be the least restrictive intervention that is effective to protect the resident or others from harm.

Restraint is discontinued at the earliest possible time. A written incident report is completed within 24-hours following each physical restraint use.

[Source: Added at 18 Ok Reg 3331, eff 10-1-01 (emergency); Added at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-3-154.3. Health and medical services

(a) **Medical plan.** The program maintains an operational plan meeting individual resident's medical needs based on:

- (1) admission assessment information;
- (2) physical examination by a health care professional; and
- (3) observation during placement.

(b) **Physical examination.** Residents receive a physical examination annually, or more frequently as recommended by a health care professional.

(c) **Medical care.** Residents receive proper medical and dental care. When a serious injury or illness occurs , the program takes the necessary emergency action and notifies the parents or legal custodian immediately.

(d) **Immunizations.** Residents are immunized against communicable diseases , per Oklahoma State Department of Health guidelines.

(e) **Medication.** The program maintains current, written medication policy.

(1) On each shift, a personnel is designated ensuring compliance with the program's medication policy.

(2) Medications are:

(A) authorized by parents, legal custodian, licensed physician, or, when applicable, resident's agency representative;

(B) only administered by the designated personnel; and

(C) documented when administered, including:

- (i) the resident's full name;
- (ii) the name of the medication;
- (iii) the dosage, date and time administered, and signature of the individual administering the medication;
- (iv) reason the medication was administered; and
- (v) any unusual reaction. The resident, parents or legal custodian, and all personnel responsible for the resident are informed of the medication side effects.

(3) Prescription medications are administered , per container instructions, including only administering when the medication is part of a prescribed therapeutic treatment and only to the

resident whose full name is on the container label.

(4) Over-the-counter medications are administered, per:

(A) container instructions; or

(B) licensed physician instructions.

(5) Medications are stored in a locked container and under the supervision of the designated personnel.

(6) Unused or expired medication is disposed of, per program policy.

(f) **First aid supplies.** The program maintains first aid supplies.

[Source: Added at 18 Ok Reg 3331, eff 10-1-01 (emergency); Added at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 22 Ok Reg 35, eff 10-1-04 (emergency); Amended at 22 Ok Reg 1304, eff 6-1-05 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-3-154.4. Food and nutrition

(a) **Menu planning.** Menus are planned at least one week in advance. Menus are dated, posted, and maintained for 12 months. Substitutions are documented on the menu.

(b) **Meal frequency and quality.** Meals meet the residents' nutritional needs.

(1) The program provides or arranges for breakfast, lunch, and dinner, and one or more snacks from food selected, stored, prepared, and served in a sanitary manner. On weekends and holidays, programs may make mealtime exceptions provided all residents' nutritional needs are met.

(2) Each meal contains a sufficient amount for every resident and additional servings are available .

(3) Cool, safe drinking water is available at all times.

(c) **Special diets.** Programs recognize residents' religious, cultural, and health needs when planning, preparing, and serving food.

(1) The program provides, as necessary, alternate food choices due to special diets or religious beliefs.

(2) The program follows individualized diets and feeding schedules prescribed by the resident's licensed physician.

(d) **Meals.** Programs recognize residents' social and emotional needs during mealtime.

(1) Residents and personnel eating together are served the same food, with the exception of tea and coffee, unless differences exist in age or special dietary needs .

(2) Personnel only eat in front of residents during meal or snack times.

(3) Residents are not embarrassed or ridiculed for food or utensil etiquette.

[Source: Added at 18 Ok Reg 3331, eff 10-1-01 (emergency); Added at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-3-154.5. Transportation

(a) **Vehicle requirements.** Residential child care facilities comply with the vehicle requirements described in (1) - (5) of this subsection. A vehicle used to transport residents:

- (1) conforms to all applicable state motor vehicle laws and regulations;
- (2) is maintained in a safe operating condition;
- (3) has written documentation of regular maintenance of all facility vehicles to include quarterly inspection of tire wear and pressure, brakes, lights, and functioning seat belts;
- (4) has door locks. The driver is responsible for keeping the doors locked when the vehicle is moving; and
- (5) has an operable heater that is capable of maintaining a temperature of 65 degrees Fahrenheit in the vehicle, and a ventilation system.

(b) **Driver requirements.** Facilities comply with driver requirements described in (1) and (2) of this subsection. Program staff that drive a vehicle used to transport residents:

- (1) are 21 years of age or older;
- (2) possess a valid driver's license appropriate for the type of vehicle driven;
- (3) do not transport more passengers than the manufacturer's designated capacity for the vehicle;
- (4) have no conviction within the last three years of driving under the influence of alcohol, drugs, or other impaired driving offense; and
- (5) designed to transport 10 or more passengers, complete training specific to the safe operation of that type of vehicle within three months of transporting residents.

(c) **Safety practices.** Facilities comply with the safety practices described in this subsection.

- (1) The interior of each vehicle is maintained in a clean, safe condition with clear passage to operable doors.
- (2) Residents who are transported are properly secured in a child passenger restraint system or individual seat belt. The facility has policies to ensure the safety of residents involved in farm and ranch work. Buses with a capacity of ten or more passengers that meet state and federal requirements for school buses are exempt from this requirement.

(A) Children are transported in compliance with applicable state law. [47 O.S. § 11-1112]

(B) The child passenger restraint system is:

- (i) federally approved;
 - (ii) installed according to the manufacturer's instructions;
 - (iii) appropriate to the height, weight, and physical condition of the child, according to the manufacturer's instructions; and
 - (iv) properly maintained.
- (3) Each seat belt is properly anchored to the vehicle and fits snugly across the child's hips or securely anchors car seats.
 - (4) In accordance with state law, all adult passengers, except those in a full-size school bus, and the driver are properly secured by individual seat belts unless the driver or passenger has written verification from a doctor licensed in Oklahoma that the

individual is unable to use a seat belt for medical reasons.

(5) Effective June 2007, programs providing transportation for children younger than six years of age must have one staff person with current documentation of training in an OKDHS approved child passenger safety course. Information from the training is shared with all other staff that transport children. After May 2007, any staff used to meet this requirement have 60 days to obtain this training.

(6) Vehicles containing residents younger than age 12 are never left without adult supervision.

(7) Children age 12 years and younger are prohibited from sitting in the front seat of an airbag equipped passenger vehicle unless an airbag cut off switch is installed and activated or if the vehicle has airbags equipped with weight sensitive devices. If a child 12 years or younger must be placed in front of an air bag, because all other positions are taken, it must be a child whose age and weight requires a forward facing harness seat.

(8) A first aid kit is available in the vehicle at all times.

(9) Safe conduct to and from all vehicles and safe off-street loading space is provided to protect children from:

(A) backing vehicles;

(B) being between vehicles; and

(C) all traffic hazards.

(d) **Transportation records.** Facilities maintain transportation records.

(1) The facility maintains on file the name of each driver who transports residents and a copy of the valid driver license for that person.

(2) In accordance with state law, insurance verification is kept in the vehicle used to transport residents.

(e) **Insurance.** If the facility's transportation services are provided by a private individual, a firm under contract, or by another arrangement, the facility maintains on file a copy of the individual's or firm's insurance coverage.

(f) **Emergency planning.** The facility has a plan for transporting residents in case of emergency.

340:110-3-156. Staff training [REVOKED]

[Source: Amended at 10 Ok Reg 3663, eff 7-12-93 ; Revoked at 18 Ok Reg 3331, eff 10-1-01 (emergency); Revoked at 19 Ok Reg 1171, eff 5-13-02]

340:110-3-157. Physical facility and equipment

(a) **New construction.** Special consideration is given for new construction site location for firefighting water availability and building area rescue access.

(b) **Square footage.** Living areas meet (1) through (4) of this subsection, not including offices, bathrooms, kitchens, laundries, hallways, furnaces, or utility areas.

(1) There is a total of 150 square feet of living area, including sleeping area, for the first resident and 100 square feet for each additional resident.

(2) Each sleeping area for more than one resident has 70 square feet for the first resident and 50 square feet for each additional resident.

(3) Each sleeping area intended for one resident contains 90 square feet.

(4) Habitable areas have a seven feet, six inch minimum ceiling height.

(c) **Basements.** Basements cannot be used for sleeping areas.

(d) **Mobile homes.** Facilities cannot be located in mobile homes.

(e) **Personal belongings storage.** Adequate storage space for each residents' personal belongings is provided.

(f) **Personnel sleeping areas.** Personnel sleeping areas are separated from resident sleeping areas, but near enough to ensure supervision.

(g) **Personnel space.** Facilities provide sufficient space separate from program space and treatment activities for administrative activities, individual counseling sessions, and other personnel program functions.

(h) **Bathrooms.** Bathrooms are maintained in a clean and sanitary condition with adequate ventilation.

(1) At least one flush toilet, hand sink, and bathtub or shower in good working condition is available for every six residents.

Bathrooms are convenient to sleeping areas, living, and recreation areas.

(2) Flush urinals may be substituted for not more than one-half the required toilet number when serving males only.

(3) Hand sinks, bathtubs, and showers have cold and hot water with temperatures between 100 and 120 degrees Fahrenheit.

(4) Toilet paper, soap, and individual sanitary towels are within easy resident access.

(i) **Diaper changing.** A non-porous changing pad in good repair is used when changing diapers. The diaper-changing surface is used only for diaper changing and sanitized after each diaper change. Personnel wash hands with dispensable soap and warm running water after each diaper change.

(j) **Sanitation and safety.** All areas are clean, sanitary, and hazard-free.

(1) Harmful substances and objects not essential to facility operation are prohibited on the premises. Other poisonous, flammable, or harmful materials are locked when not under adult supervision.

(2) Weapon definition and storage meet (A) and (B) of this paragraph.

(A) A weapon includes, but is not limited to, a:

- (i) firearm, such as a pistol, revolver, shotgun, or rifle from which a projectile is fired by gunpowder, gas, or other means of rocket propulsion;
- (ii) cap pistol, air-powered BB or pellet gun;
- (iii) bow and arrow; or
- (iv) knife, including any dagger or blade automatically released from the handle by pressure applied to a button, latch, or other mechanism, excluding kitchen knives.

(B) Any weapons and ammunition are inaccessible. In addition:

- (i) weapons are kept unloaded in locked containers, cabinets, or closets;
- (ii) ammunition is kept in locked containers, cabinets, or closets, separate from weapons; and
- (iii) keys, combinations, and codes used for locked storage are inaccessible.

(C) Program personnel are responsible for ensuring resident safety when participating in high risk activities, per Oklahoma Administrative Code (OAC) 340:110-3-165.1.

(3) Closet doors can be opened from the inside.

(4) Bathroom door locks can be unlocked from the outside in an emergency. The opening device is readily accessible to personnel.

(5) Indoor resident areas are maintained between 65 and 85 degrees Fahrenheit.

(6) Indoor and outdoor recreational equipment and supplies are in good condition, and play areas are hazard-free.

(7) Floors, walls, ceilings, doors, and windows are in good condition.

(8) The exterior foundation, roof, and walls are weather-proofed and in good condition.

(9) Resident areas are well-lighted.

(10) The program is responsible for the safety and sanitary conditions of house parent quarters.

(k) **Furnishings and decor.** The program supplies comfortable furniture, as appropriate, for all living areas. Resident furniture is sufficient in quantity and developmentally-appropriate.

(1) Residents have individual and appropriately-sized beds with mattresses and bedding.

(2) Cribs, including portable cribs that can be folded or collapsed without being disassembled, meet the current Consumer Product Safety Commission (CPSC) full-size and non-full size crib standards, per Sections 1219 and 1220 of Title 16 of the Code of Federal Regulations.

(A) CPSC compliance verification is maintained for duration of crib use.

(B) Crib or port-a-crib mattresses fit snugly with no more than one inch between the mattress and crib.

(3) Bedroom and bathroom windows have window treatments for privacy.

(4) Broken, defective, or recalled furnishings and equipment are repaired or replaced.

(5) During mealtimes, each resident is provided table space with a chair or a rotation schedule is followed.

(l) **Phones.** Each living unit has a readily-accessible, operable phone for emergency use.

(m) **Health regulations.** The program complies with buildings, utilities, grounds, and food service sanitation requirements, per OAC 340:110-3-163 and 340:110-3-164, and is inspected annually by the appropriate state agency.

(n) **Fire safety.** The program complies with the state fire marshal's office regulations for construction and fire safety and is inspected annually by the state fire marshal's office or its designee.

(o) **Environmental quality.** A facility having non-public water and sewage supply systems is inspected annually by the Oklahoma Department of Environmental Quality.

340:110-3-163. Buildings, utilities, and grounds regulations

The requirements in this Section apply to residential child care facilities constructed after June 15, 1990. Licensed facilities in operation June 15, 1990, continue compliance with construction and safety regulations applicable to license issuance.

(1) **Building.** Buildings used for residential child care facilities are structurally sound. Structures comply with the building and fire codes of the local or state governmental authority having jurisdiction and applicable at permit or license issuance. Structures also comply with plumbing code, mechanical code, and fuel gas code adopted by the Oklahoma Uniform Building Code Commission and American Society of Heating, Refrigeration and Air Conditioning Engineers (ASHRAE) Standards.

(A) Exterior and interior surfaces are maintained in sound condition and free of holes, peeling paper, and paint.

(B) Windows and doors are in good repair and free of broken glass or hazards.

(C) Floors are cleanable and in good repair.

(D) Uncovered floors, including concrete and wood floors, are sealed.

(2) **Premises.** The premises are maintained per requirements included in this paragraph.

(A) The premises are free of insects, and vermin.

(B) Safe, effective measures minimize the presence of, and protect against, insects, rodents, and other vermin entry.

(C) The premises are free of hazards.

(D) The premises and vehicles used to transport residents are free of illegal drugs and paraphernalia.

(E) Materials preventing resident's egress, such as barbed wire, electrical fencing, and razor and concertina wire are prohibited.

(3) **Tobacco use.** Tobacco use includes simulated tobacco products. The program prohibits tobacco use:

(A) by residents;

(B) in buildings used by residents; or

(C) in resident's presence.

(4) **Screening.** Windows, exterior doors, or similar devices are in working condition and good repair. When protecting against mosquitoes, flies, and other flying insects, doors and windows are provided with a 16-mesh, properly fitting screen. Air conditioned areas are adequate to meet this requirement when properly operated unless rodents or other vermin are able to enter to such extent a nuisance or hazard is created.

(5) **Ventilation.** Rooms are ventilated. Ventilation systems and windows comply with building and fire codes of the local or state governmental authority having jurisdiction. Non-habitable areas, such as bathrooms and food preparation areas, may provide other approved ventilation systems in lieu of windows or skylights. Adequately designed, maintained, and operated heating and cooling systems meet the ventilation requirements.

(6) **Lighting.** Resident areas are well-lighted.

(7) **Windows.** Effective July 1, 2009, any new construction or existing space not previously licensed as resident's sleeping quarters have an exterior window for natural lighting.

(8) **Laundry.** Laundry areas are maintained in a clean and safe condition. Equipment installation meets safety requirements.

(9) **Water supply.** The water supply is adequate, safe and sanitary ; meeting state quality standards, and approved by the Oklahoma Department of Environmental Quality (DEQ).

(A) When not on a public water supply, such as well water, water meets local and state testing requirements and is tested annually.

(B) Areas where food is prepared or equipment, utensils, or containers are used have hot and cold water under pressure.

(10) **Sewage disposal.** Sewage, including mop water, is disposed in a public sewage system or manner approved by DEQ.

(11) **Plumbing.** Plumbing is sized, installed, and maintained in a safe manner, per the Oklahoma Plumbing License Act.

(A) Plumbing constructed after June 1, 1987, is installed, per the International Plumbing Code or applicable local ordinances.

(B) Cross-connection between the potable water supply and nonpotable or questionable water supply, or pollution source where the potable water supply may become contaminated is prohibited.

(C) Water closets, sinks, bathtubs, and showers are properly connected to a water and sewer system approved by the Construction Industry Board and in good working condition.

(D) Sinks, bathtubs, and showers are supplied with hot and cold water.

(12) **Electrical.** The electrical distribution system is sized, installed, and maintained in a safe manner, per the Oklahoma Electrical Licensing Act. Portions of the electrical system constructed, repaired, or replaced after June 1, 1987, are installed, per the current National Electrical Code.

(13) **Garbage and rubbish disposal.** Prior to disposal, garbage and rubbish containing food wastes or diapers are stored in leak-proof, non-absorbent containers and covered with tight-fitting lids when filled, stored, or not in continuous use.

(A) The containers are adequate for food waste storage and rubbish.

(B) Each container is thoroughly cleaned when soiled.

(C) Garbage disposal units, when used, are of suitable construction and installed per state and local standards.

(D) Garbage and rubbish are disposed of frequently and in a manner to prevent a nuisance.

(E) Hazardous material is properly disposed.

(14) **Swimming pools.** Swimming pools used by residents are considered public bathing places and meet Design Standards and Operational Criteria for Public Bathing Places of Oklahoma State Department of Health (OSDH).

(A) When a private swimming pool is used, it is considered a public pool and meets OSDH requirements.

(B) Portable pool use is prohibited.

(C) A certified life guard or individual having a current water safety certificate or comparable certificate with cardio-pulmonary resuscitation and first aid is in attendance at all times during pool use.

(15) **Animals.**

(A) Local ordinances regarding animals are followed.

(B) Animals are kept on the premises only when the animal and resident's health and safety can be reasonably ensured.

(C) Animals having resident contact are maintained in good health and free of diseases communicable to humans.

(D) Programs maintain current dog and cat vaccinations administered by a licensed veterinarian.

(E) Confinement areas are cleaned of excrement regularly. Animals are maintained in a visibly clean manner.

(F) The OSDH is immediately notified when a resident is bitten by an animal.

[Source: Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 22 Ok Reg 35, eff 10-1-04 (emergency); Amended at 22 Ok Reg 921, eff 5-12-05 ; Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-164. Food service requirements

All residential child care facilities comply with the following regulations adapted from the Oklahoma State Department of Health Rules and Regulations pertaining to food service establishments.

(1) **General.** Food service requirements are listed in this paragraph.

(A) Food is protected at all times from any contamination including cross-contamination between raw and cooked foods, toxic substances, or contamination by insects or rodents while being stored, prepared, displayed, dispensed, packaged or transported.

(B) Equipment and utensils used for food storage, preparation, and serving are maintained in a sanitary condition.

(2) **Food supplies.** The requirements regarding food supplies are contained in this paragraph.

(A) **Food sources.** Food is in sound condition, free from spoilage, contamination, filth, adulteration, misbranding, and safe for human consumption.

(B) **Home-canned and hermetically sealed food.**

Individually home-canned food or use of food in hermetically sealed containers that was not prepared in a food processing establishment is prohibited.

(C) **Milk products.** Requirements pertaining to milk products include:

(i) only Grade A pasteurized fluid milk and fluid milk products for drinking are permitted;

- (ii) pasteurized dry milk or evaporated milk may be used for cooking purposes only;
- (iii) milk and milk products are stored at 41 degrees Fahrenheit or below;
- (iv) milk is stored in the original carton; and
- (v) milk may be transferred from the original container to pitchers for serving. However, milk removed from the original container may not be returned to the original container or stored for later use.

(D) **Meat, poultry, and fish.** Meat, poultry, and fish are obtained from approved sources and have been inspected by appropriate governmental authorities. Raw or undercooked animal foods such as rare ground meat, shellfish, or steak are prohibited.

(E) **Ice.** Ice used for any purpose is made from water which comes from an approved source and was manufactured, stored, transported, and handled in a sanitary manner.

(F) **Juice.** Apple juice, apple cider, and beverages containing apple juice are pasteurized or commercially sterile. Juices that bear a warning label are prohibited.

(G) **Sprouts.** Raw seed sprouts are prohibited.

(3) **Potentially hazardous foods.** Requirements pertaining to potentially hazardous foods are contained in this paragraph.

(A) **Cooking.** Potentially hazardous foods are cooked according to food regulations adopted by OSDH.

(B) **Egg products.** Only clean, whole-shell eggs without cracks, which meet applicable grade standards and are held at 41 degrees Fahrenheit during storage, or pasteurized shell eggs or pasteurized liquid, frozen, or dry eggs are permitted.

(i) Raw unpasteurized eggs are not used in uncooked food, for example, ice cream or eggnog.

(ii) Eggs are cooked to at least 145 degrees Fahrenheit for 15 seconds. Soft-cooked unpasteurized eggs are prohibited.

(C) **Reheating foods.** Before being served, potentially hazardous foods that have been cooked and then refrigerated are reheated rapidly throughout to 165 degrees Fahrenheit or higher before being served.

(4) **Food protection.** Foods are covered and protected from contamination while being stored, prepared, displayed, or transported.

(A) Medicines and other hazardous items are stored in a manner that prevents contamination of food.

(B) Refrigeration units and insulated facilities are required to assure maintenance of all food at 41 degrees Fahrenheit or below except during preparation and service.

(C) A thermometer is located in a conspicuous place in each refrigerator and freezer.

(D) All perishable foods, including fruits and vegetables, are stored at temperatures that will protect against spoilage.

(E) A suitable small-diameter probe thermometer is available to check food temperatures.

(F) All potentially hazardous foods are maintained at safe temperatures, 41 degrees Fahrenheit or below or 135 degrees Fahrenheit or above, except during necessary periods of preparation and service.

(G) Raw eggs are not to be cracked and combined unless used immediately.

(H) Use of unlabeled cans is prohibited.

(I) Use of damaged cans that are bulging or have a broken seal are prohibited.

(J) Frozen food is kept at 10 degrees Fahrenheit or below except when being thawed at refrigerator temperature of 41 degrees Fahrenheit, or under cool, potable running water at 70 degrees Fahrenheit or below, or microwaved as part of the cooking process.

(K) Cased food in water proof containers may be stored on a floor that is clean and not exposed to moisture.

(5) **Food preparation.** Food is prepared with a minimum of manual contact on food-contact surfaces and with clean, sanitized utensils.

(A) Whenever there is a change in processing between raw beef, pork, poultry, or seafood, or a change in processing from raw to ready-to-eat foods, each new operation begins with clean, sanitized food-contact surfaces and utensils.

(B) Raw fruits and vegetables are thoroughly washed with potable water before being cooked or served.

(6) **Use of food.** Individual or family-style portions of food once served are not served again. Prepared and unserved food may be properly stored for later service. Wrapped food that remains properly stored and has not been unwrapped may be served again.

(7) **Transporting food.** The requirements for storage, display, and general protection against contamination contained in this Section apply to all food that is transported from one location to another for service.

(A) During transportation, potentially hazardous food is kept at 41 degrees Fahrenheit or below, or at 140 degrees Fahrenheit or above.

(B) During transportation, all food is in covered containers or completely wrapped or packaged to protect it from contamination.

(8) **Catering services.** When catering services are used:

(A) meals are obtained from a food service establishment approved by the health department; and

(B) procedures and equipment for transporting meals are approved by the health department.

(9) **Health and hygiene.** The health and hygiene requirements are listed in (A) - (C) of this paragraph.

(A) Individuals are prohibited from working in any capacity in any area of food service if diagnosed with Salmonella Typhi, Shigella spp., Enterohemorrhagic or Shiga toxin-producing Escherichia coli, Hepatitis A virus; or Norovirus.

(B) Individuals are restricted from working in any area of food service if diagnosed with or a carrier of any communicable disease, or while afflicted with boils, infected wounds, sores, an acute respiratory infection, vomiting, fever, sore throat with fever, or diarrhea.

(C) All individuals wear clean outer garments, maintain a high degree of personal cleanliness, and conform to hygienic practices while on duty.

(i) Individuals thoroughly wash their hands and the exposed portions of their arms with dispensed soap and warm water for at least 20 seconds before starting work, during work as often as necessary to keep them clean, after handling raw food products and after eating, drinking, using the toilet or returning from other areas of the facility, or any other contamination.

(ii) Individuals keep their fingernails trimmed, filed, and maintained so the edges and surfaces are cleanable and not rough.

(10) **Food equipment, utensils, and storage items.** All equipment and utensils are designed and constructed of safe, non-toxic materials and are smooth, non-absorbent, easily cleaned, durable, and in good repair.

(A) All equipment is installed to facilitate cleaning of the equipment and adjacent areas.

(B) Adequate food service utensils are provided to ensure complete food service for one meal for the licensed capacity of the facility.

(C) Tableware is washed, rinsed, and sanitized after each use and stored in a clean area.

(D) To prevent cross-contamination, kitchenware, utensils, and food contact surfaces of equipment are washed, rinsed, and sanitized after each use.

(E) Cooking devices are cleaned as often as necessary and are free of encrusted grease deposits and other soils.

(F) Non-food contact surfaces of all equipment, including tables, counters, and shelves, are cleaned as often as necessary to keep them free of accumulations of dust, dirt, food particles, and other debris.

(11) **Cleaning and sanitizing equipment and utensils.**

Equipment, utensils, and service items are maintained in a sanitary condition by use of one of the methods listed in this paragraph.

(A) **Dishwashing machines.** Commercial or domestic dishwashing machines are acceptable if heat or chemical sanitizing cycles are properly installed and if operated in a manner that allows completion of a sanitizing cycle without opening the machine. Adequacy of the sanitizing cycle is 180 degrees Fahrenheit by heat or 50 parts per million by sanitizer in accordance with United States Environmental Protection Agency (EPA)-approved labels.

(B) **Manual cleaning.** Requirements for manual cleaning are in this subparagraph.

(i) If a three-compartment sink or automatic dishwasher is not available, a two-compartment, domestic-type sink may be used when additional vessels are provided to ensure the rinsing and sanitizing of all equipment, utensils, and tableware.

(ii) Equipment, utensils, and tableware are washed, rinsed, and sanitized in the sequence listed in this subparagraph.

(I) Sinks are cleaned prior to use.

(II) In the first compartment, items are thoroughly washed with a detergent in a solution that is kept clean.

(III) In the second compartment, equipment items are rinsed with clean water until they are free of detergent and abrasives.

(IV) In the third compartment, items are sanitized.

(iii) Food-contact surfaces of all equipment and utensils are sanitized by immersion in a clean solution containing any chemical sanitizing agent.

(iv) All items are air-dried in a self-draining position before being stored. No cloth drying is permitted.

(C) **Use of single-service articles.** Facilities that do not have adequate and effective facilities for cleaning and sanitizing utensils use single-service articles for both preparation and service.

(i) Single-service articles are stored in closed cartons or containers which protect them from contamination.

(ii) Single-service articles are used only once.

(12) **Storage area.** Storage areas meet the requirements contained in this paragraph.

(A) Adequate space is provided for the storage of sanitized equipment, utensils, and service items.

(B) Items are stored above the floor in a clean, dry location to protect food contact surfaces from splash, dust, and other contamination.

(C) Only poisonous and toxic materials that are required to maintain sanitary conditions and for sanitation purposes are used or stored in the food preparation area.

(D) Poisonous and toxic materials are identified and used only in accordance with manufacturer's use directions and under conditions that do not contaminate food or constitute a hazard.

(13) **Food service hand-washing facilities.** Separate hand-washing facilities equipped with hot and cold running water with a mixed-valve faucet are provided in the food preparation area in any facility licensed or remodeled after October 1, 2001 and have a minimum of 100 degrees Fahrenheit at hand-washing sinks. In cottage-type and domestic type residential housing licensed prior to July 11, 1978, hand-washing facilities in a bathroom on the same floor as the kitchen are deemed convenient and adequate.

(A) Dispensed cleansing soap or detergent and sanitary towels, or other hand-drying devices are provided.

(B) Facilities are kept clean and in good repair.

(C) Food preparation and dishwashing sinks are not used for hand-washing purposes.

(14) **Food preparation and service areas.** Food preparation and service areas meet the requirements listed in this paragraph.

(A) **Floors.** The floor surface in all rooms or areas in which food is stored or prepared is of smooth, non-absorbent materials.

(i) Unsealed concrete and carpet are not permitted.

(ii) Floors are constructed so that they are easily cleaned and are kept in good repair.

(B) **Walls and ceilings.** Walls and ceilings, in areas in which food is prepared or utensils or hands are washed, are kept in good repair, easily cleaned, and have washable surfaces up to the highest level reached by splash or spray.

(C) **Lighting.** The requirements addressing lighting are contained in this subparagraph.

(i) All areas in which food is prepared or stored, as well as hand-washing areas, toilet rooms, and garbage and rubbish storage areas, are lit as per International Electrical code.

(ii) All lighting fixtures are shielded.

(D) **Ventilation.** Rooms are properly ventilated as per International Plumbing Code.

(i) All rooms have sufficient ventilation to keep them free from heat, steam, vapors, obnoxious odors, smoke, and fumes.

(ii) Ventilation systems comply with applicable state and local fire prevention requirements and, when ventilated to the outside air, discharge in such a manner as to not create a nuisance.

(E) **Housekeeping.** All areas where food is prepared and served are kept clean, neat, and free from litter and rubbish.

(i) Cleaning operations are conducted in a manner that minimizes contamination of food and food-

contact surfaces.

(ii) Soiled linens, coats, and aprons are kept in containers until removed for laundering.

(iii) Live birds or animals are not allowed in any area used for food service operations.

[Source: Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09]

340:110-3-165. Construction and fire safety

The requirements in this Section establish minimum construction and fire safety requirements for residential child care facilities, which are enforced by the State Fire Marshal.

(1) **Approval of residential facilities.** The Office of the State Fire Marshal is responsible for approval of all residential child care facilities.

(A) Current state-adopted codes [74 O.S § 317 through 324.21] are enforced for all new construction including additions or major alterations of existing licensed facilities and conversion of buildings not previously licensed as residential child care facilities.

(B) Licensed facilities in operation on the effective date of these regulations comply with the construction and fire safety codes applicable to the issuance of their license.

(C) Clarification regarding codes and enforcement is available from the Office of the State Fire Marshal.

(2) **Minimum construction requirements.** The facility complies with the construction requirements described in (A) - (E) of this subsection.

(A) Architectural plans are submitted to and approved by Licensing Services and the State Fire Marshal or designee before proceeding with construction.

(B) When choosing the site for new construction, special consideration is given to available water for fire fighting and access to all areas of the building for rescue.

(C) Facilities meet local building, electrical, plumbing, and fire prevention codes. In localities where a building code or Life Safety Code does not exist, construction conforms to the current state-adopted codes.

(D) Building separation and property line setbacks meet requirements of local ordinances. In the absence of such ordinances, the state adopted building code applies.

(E) A mobile home, whether mobile or permanently situated, is not permitted as a residential child care facility.

(3) **Administration.** The facility complies with the requirements contained in (A) - (E) of this subsection.

(A) **Fire protection plan.** The facility has a written fire protection plan for all persons in the event of fire and evacuation from the building. The plan is the basis of regular fire drills and includes procedures followed under

all specific types of emergencies.

(i) All supervisory personnel have a copy of the facility's fire protection plan.

(ii) Each employee is familiar with locations and use of portable fire extinguishers.

(iii) Each staff member is familiar with evacuation procedures and routes.

(B) **Evacuation plan.** Evacuation plans are posted in prominent locations on all floors in each building.

(C) **Emergency numbers.** Emergency telephone numbers are conspicuously posted at the telephone.

(D) **Housekeeping.** The facility:

(i) prohibits areas under stairs from being used for combustible storage; and

(ii) ensures that accumulations of papers or trash are removed from the building as soon as possible.

(4) **Exits.** The residential child care facility complies with the requirements pertaining to exits described in (A) - (B) of this paragraph.

(A) Exits are not blocked.

(B) Means of exit are adequately lighted by natural or electric light at all times to permit safe evacuation of occupants.

(5) **Fire protection equipment.** Equipment is installed and maintained as required by codes adapted by the Office of the State Fire Marshal.

(A) **Smoke detectors.** The residential child care facility has operable smoke detectors located according to NFPA 72 as adapted by the state fire marshal. The detector is powered by battery, alternating current, or other power source. Upon inspection, a battery operated detector found inoperable is replaced immediately with an operable system. For facilities licensed after October 1, 2001 a hard-wired system is installed.

(B) **Fire extinguishers.** Fire extinguishers are provided in accordance with current adapted NFPA standard #10 "Portable Fire Extinguisher."

(i) All fire extinguishers are inspected, serviced, and tagged annually by a trained individual.

(ii) Disposable fire extinguishers are prohibited.

(6) **Maintenance of equipment.** All safety equipment, including emergency lighting, commercial stove hoods, sprinkler systems, and any other required safety equipment, is maintained in compliance with current codes or manufacturer's instructions.

(7) **Interior.** The interior of the facility complies with the requirements contained in (A) - (F) of this subsection.

(A) Changes to interior finish or floor covering meet current codes regarding flame spread rating.

(B) Furnishings or decorations with an explosive or highly flammable characteristic are prohibited.

(C) Use of open-face space heaters, unvented space heaters, and portable heating devices is prohibited.

(D) Heaters, including floor furnaces, are enclosed by a guard when necessary to protect children from hot surfaces.

(E) The use of temporary wiring or extension cords as permanent wiring is strictly prohibited. Extension bars are acceptable if there is documentation that a circuit breaker or fuse is built into the unit.

(F) Electrical outlets, which are not in use, are covered with safety devices when children under five years of age are in care.

(8) **Exterior.** Exterior areas are free of trash and tall grass.

[Source: Amended at 10 Ok Reg 3663, eff 7-12-93 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09]

340:110-3-165.1. Safety and emergency preparedness

This Section establishes residential child care safety and emergency preparedness requirements.

(1) **Fire drills.** Residents participate in fire drills at least six times annually on a bi-monthly basis with at least two drills conducted at night during sleeping hours.

(2) **Tornado drills.** Residents participate in tornado drills conducted each spring.

(3) **Fire and tornado drill records.** Facilities maintain fire and tornado drill logs.

(4) **High-risk activities.** When residents engage in activities, such as horseback riding, archery, gymnastics, karate, or using weapons, a written plan ensuring the residents' health and safety is maintained at the program. The plan includes:

(A) activity supervisor's qualifications;

(B) personnel qualifications necessary for supervision;

(C) number of personnel needed for supervision;

(D) conditions for resident participation, such as age and skill level;

(E) special equipment, such as life jackets or helmets, including the supply and condition; and

(F) safety practices.

(5) **Water activities.** When residents engage in recreational water activities, safety precautions are followed. An individual with a current water safety certificate or comparable certificate is in attendance at all times. This person is in the water or prepared to enter the water at any time.

(6) **Disaster planning.** The program maintains a written plan for:

(A) reporting and protecting from outside threats;

(B) fire evacuation;

(C) flood, tornado, blizzard, power failure; or

(D) other natural or man-made disaster causing facility structural damage or posing health hazards.

(7) **Sleep positioning.** To reduce the risk of Sudden Infant Death Syndrome, infants younger than 12 months of age are placed on their backs for sleeping unless there is a medical reason documented by a licensed physician indicating the infant not sleep in this position. Documentation is maintained at the program.

(A) Infants who turn themselves over are initially placed on their backs for sleeping but are allowed to sleep in a position they prefer.

(B) Infants' and toddlers' heads and faces are not covered.

(8) **Infant safe sleep environment.** Infant safe sleep environments are maintained.

(A) Infants sleep in cribs or portable cribs meeting requirements, per Oklahoma Administrative Code 340:110-3-157(k).

(B) Infants sleep directly on a tight-fitting sheet covering the mattress.

(C) Only pacifiers without attachments are in rest equipment with infants. Bibs are not placed around infants' necks when in rest equipment.

(D) Infants, birth through three months of age, may be swaddled with an infant-sized, thin fabric, such as a receiving blanket, only when the infant is not mobile enough to move the fabric over his or her face.

(E) When an infant falls asleep in equipment other than appropriate rest equipment, he or she is immediately moved to appropriate rest equipment.

(F) Soft products, such as blankets, quilts, comforters, sheepskins, pillows, stuffed toys, and bumper pads are prohibited inside and on the side of the infant rest equipment.

(G) Sleep positioners and elevated mattresses are prohibited, unless there is a medical reason documented by a licensed physician.

(H) Play equipment and other items are not placed inside, above, or attached to the sides of the infant rest equipment, unless there is a medical reason for a monitor or other device documented by a licensed physician.

However, mobiles may be securely attached or hung above the crib, provided no part of the mobile is within infant's reach.

340:110-3-166. Requirements for regimented residential programs

(a) **Regimented residential programs.** A regimented residential program is a military style training program under which residents are subject to a controlled and regimented environment that affirms dignity of self and respect for others, and includes physical training and

discipline.

(b) **Requirements.** Regimented residential programs comply with the rules contained in OAC 340:110-3-145 through 340:110-3-165.1, except as otherwise provided in this Section.

(c) **Administrative policy.** Regimented residential programs comply with the rule contained in OAC 340:110-3-152(d) regarding developing policies. In addition, policy includes guidelines for physical exercise, which ensures the health and safety of residents.

(d) **Executive director qualifications.** The person responsible for program supervision, whether the executive director or the program director, is exempt from meeting the qualifications contained in OAC 340:110-3-153.1(d)(2). One of the qualifications listed in (1) - (3) of this subsection, however, must be met:

(1) a bachelor's degree in a behavioral science or other related area of study from an accredited college or university and three years experience in children's services. Military experience may substitute for up to two years of experience in children's services;

(2) a master's degree in social work, psychology, guidance and counseling, sociology, child development, human relations, or other related area of study from an accredited college or university, and two years experience in children's services. Military experience may substitute for up to one year of experience in children's services; or

(3) a doctorate in medicine, social work, psychology, guidance and counseling, sociology, child development, human relations, or other related area of study from an accredited college or university and one year of experience in children's services. Military experience may substitute for experience in children's services.

(e) **Supervision of residents.** Regimented residential programs comply with the rule contained in OAC 340:110-3-153.2 regarding supervision of residents. When adjudicated juveniles are in care, however, the facility maintains a staff-child ratio of one to eight (1:8) during waking hours and one to twelve (1:12) during sleeping hours. Staff meeting the 1:12 ratio remain awake.

(f) **Physical examination.** Regimented residential programs are exempt from the rule contained in OAC 340:110-3-154(a)(5) regarding physical examinations within 30 days following admission. Prior to beginning intense physical exercise, however, each child has a physical examination by a health professional who states that the child may participate in a high-impact program.

(g) **Physical facility.** Regimented residential programs are exempt from the rule contained in OAC 340:110-3-157(b)(2) - (3) pertaining to square footage in sleeping rooms. Facilities, however, meet the requirements contained in (1) - (2) of this subsection.

(1) Each sleeping room intended for one resident contains 80 square feet.

(2) Facilities using barracks for sleeping have a minimum of 40 square feet per resident with no less than three feet between beds.

(h) **Staff sleeping quarters.** A regimented residential program operating with barracks-type sleeping rooms is exempt from the rule contained in OAC 340:110-3-157(f) pertaining to separate sleeping quarters for staff if the staff in the sleeping quarters is the same gender as the residents.

(i) **Toilets, sinks, and bathtubs or showers.** Regimented residential programs are exempt from the rules contained in OAC 340:110-3-157(h) (1). Programs, however, meet the requirements contained in (1) - (3) of this subsection.

(1) At least one flush toilet is available for each 12 males in male facilities and eight females in female facilities.

(2) At least one wash basin is available for each 12 residents.

(3) At least one shower or bathtub is available for each eight residents.

[Source: Added at 15 Ok Reg 763, eff 11-10-97 (emergency); Added at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 18 Ok Reg 3331, eff 10-1-01 (emergency); Amended at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09]

340:110-3-167. Requirements for children's shelters

(a) **Children's shelter.** A children's shelter is a non-secure public or private residential program that provides temporary care and supervision for children.

(b) **Requirements.** Children's shelters comply with the rules contained in OAC 340:110-3-145 through 340:110-3-165.1, except as otherwise provided in this section.

(c) **Tuberculin test.** Children's shelters comply with the rules contained in OAC 340:110-3-153.1(g)(2) regarding tuberculin tests.

(d) **Supervision of residents.** Children's shelters are exempt from the rules contained in OAC 340:110-3-153.2 pertaining to supervision of residents. The shelter, however, employs an adequate number of staff as child care workers to meet the needs of the residents. All staff members on duty are awake and accessible at all times.

(1) For residents ages 0 to five years of age, the facility maintains a ratio of one staff person for four residents (1:4).

(2) For residents ages six to 11 years of age, the facility maintains a ratio of one staff person for six residents (1:6).

(3) For residents ages 12 - to 18 year of age, the facility maintains a ratio of one staff person for eight residents (1:8).

(e) **Admission.** Children's shelters are exempt from the rules contained in OAC 340:110-3-154(a)(1) - (5) regarding admission. Shelters, however, meet the requirements contained in (1) - (7) of this subsection in addition to OAC 340:110-3-154 (a)(5) - (7).

(1) Persons 18 years of age and older are not admitted to a shelter. A shelter may continue to serve a person who entered the shelter prior to his or her eighteenth birthday through the completion of his or her placement plan.

(2) The shelter admits only those children for which it has an established operational program.

(3) If a child is admitted by anyone other than a parent or custodian, the shelter documents the attempts to contact the

parent or custodian.

(4) Each child and parent or custodian entering the shelter is asked if the child is in good health and taking any type of medication.

(5) Each child in a shelter receives a health screening by an RN or LPN by the child's eighth day of care. However, a documented medical exam performed within the 12 months prior to admission is acceptable when a child is transferred from another licensed facility.

(6) If a resident shows symptoms of illness or injury, the parent or custodian is notified for appropriate action.

(7) Upon admission, the facility documents:

(A) child's name, date of birth, Social Security number, sex, race, tribal affiliation, address, and telephone number;

(B) name of parents or custodian, address, phone number, and place of employment;

(C) date and time of admission;

(D) name, phone number, and address of person responsible for bringing the child to the shelter;

(E) reason for referral;

(F) name of staff person on duty at admission;

(G) school the child attends and grade;

(H) description of the child's physical and emotional condition; and

(I) comments that relate to any circumstances concerning the child's placement.

(f) **Service plan.** Children's shelters are exempt from the rules contained in OAC 340:110-3-154(b)(1) regarding service plans. A written service plan is developed and documented for each resident within three days of admission. Children's shelters meet the guidelines contained in OAC 340:110-3-154(b)(1)(A) - (B).

(g) **Physical facility.** Children's shelters are exempt from the rules contained in OAC 340:110-3-157(b) regarding square footage. Shelters, however, meet the requirements contained in (1) - (5) of this subsection.

(1) Habitable living areas are provided as stated in (2) - (5) of this subsection. This does not include offices, bathrooms, hallways, kitchen, laundry, furnace, utility, or office areas.

(2) There is a total of 100 square feet of habitable living area per resident, including sleeping space.

(3) Each sleeping room for more than one resident contains 50 square feet per occupant.

(4) Each sleeping room intended for one resident contains 80 square feet.

(5) All areas counted as habitable space have a minimum ceiling height of seven feet, six inches.

[Source: Added at 18 Ok Reg 3331, eff 10-1-01 (emergency); Added at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09]

340:110-3-168. Requirements for residential treatment facilities

(a) **Residential treatment facilities.** A residential treatment program cares for children under 24-hour medical care with emotional, psychological, or mental disorders.

(b) **Requirements.** The program complies with Oklahoma Administrative Code (OAC) 340:110-3-145 through 340:110-3-165.1, except as otherwise provided in this Section.

(c) **Personnel.** The program:

(1) complies with the rules regarding personnel, per OAC 340:110-3-153.1; and

(2) employs a psychiatrist and adequate medical personnel meeting residents' medical needs.

(d) **Ratios and resident supervision.** The program is exempt from the rules, per OAC 340:110-3-153.2, regarding residents' supervision.

(1) The program employs a sufficient number of child care personnel to adequately supervise and meet residents' needs. Supervision is the function of overseeing and guiding residents, including awareness of, and responsibility for, each resident's ongoing activities. Personnel are awake and accessible at all times.

(2) The program maintains a ratio of one personnel for:

(A) six residents (1:6) during awake hours; and

(B) eight residents (1:8) during sleeping hours.

(3) Personnel may only count in ratio while directly caring for residents. Personnel performing other duties may not count in ratio.

(4) The doors may be locked when psychiatric residential treatment admission is ordered by a licensed psychiatrist or physician.

(e) **Admission.** Within 24-hours of admission, a health care professional reviews and approves the admission assessment.

(f) **Service planning.** The program is exempt from the rules, per OAC 340:110-3-154(b)(1) and (2), regarding service plans.

(1) The program meets the requirements in:

(A) (1) and (2) of this subsection; and

(B) OAC 340:110-3-154(b)(1)(A) and (B) and (b)(2)(B) and (C).

(2) A written service plan for each resident is:

(A) developed and documented within seven-program business days after admission; and

(B) reviewed at least every 30-calendar days thereafter unless required by other licensing or contracted entities.

(g) **Portable pools.** The program is exempt from the rules, per OAC 340:110-3-163(14)(B). Therapeutic water activities are permitted when prescribed by an attending licensed physician, included in a treatment plan, and provisions are made to ensure hygienic practices. When portable pools are used as a therapeutic activity, residents, are directly supervised at all times. Portable pools are:

(1) no larger than six feet in diameter; and

(2) contain no more than six inches water depth.

(h) **Discharge procedures.** The program meets the rules, per OAC 340:110-3-154(d), regarding discharge procedures. The program:

- (1) supplies the resident with two weeks' worth of prescribed medication, when appropriate; and
- (2) documents in the resident's file at least one scheduled outpatient follow-up contact within two weeks of discharge.

(i) **Visitation.** The program is exempt from the rules, per OAC 340:110-3-154.1(b)(2), regarding visitation restriction reviews. Visitation restrictions are:

- (1) explained to the resident and parents or legal guardian;
- (2) documented in the resident's records; and
- (3) reviewed every seven-calendar days.

(j) **Behavior management.** The program is exempt from the rules, per OAC 340:110-3-154.2(b)(7) and (10), regarding seclusion and restraint. If the program uses seclusion and chemical restraint, requirements in (1) through (5) of this subsection are met.

(1) **Seclusion.** Seclusion is only used when less-restrictive interventions, per program policy, were attempted or when an immediate intervention is required to protect the resident, personnel, or others. The resident is released from seclusion when no longer deemed a risk to self or others. A written incident report is completed within 24-hours following each use of seclusion.

(A) Seclusion is only used with a health care professional's specific verbal authorization. Within 24-hours, the authorization is written and signed by the health care professional and maintained with the seclusion log.

(B) Personnel continuously monitor residents in seclusion, either by direct contact or with audiovisual equipment, and directly verify residents' well-being at least every 15 minutes. Residents receive appropriate medical and psychological services.

(C) Residents in seclusion have bathroom access, and all scheduled meals are provided.

(D) Residents are released from seclusion when sufficiently in control and no longer a serious and immediate danger.

(i) Residents 10 years of age and older do not remain in seclusion longer than two hours or a total of six non-consecutive hours within a 24-hour period.

(ii) Residents 9 years of age and younger do not remain in seclusion longer than one hour within a 24-hour period.

(2) **Seclusion room.** A room used for seclusion includes:

(A) at least 60 square feet and a seven foot, six inch ceiling height;

(B) a safety glass window, mirror, or camera allowing for seclusion room full-observation;

(C) no hardware or furnishings obstructing resident observation at all times;

(D) no hardware, equipment, or furnishings presenting a physical hazard or suicide risk;

- (E) natural or mechanical ventilation;
 - (F) a temperature between 65 and 85 degrees Fahrenheit;
 - (G) lighting ; and
 - (H) an automatic fire suppression system.
- (3) **Mechanical restraint.** Mechanical restraint is not used on residents 18 years of age and younger, per OAC 317:30-5-95.39.
- (4) **Chemical restraint.** Chemical restraint is only used when less restrictive interventions, per program policy, were attempted or when an immediate intervention is required to protect the resident, personnel, or others. A written incident report is completed within 24-hours following each chemical restraint use.
- (A) Chemical restraint is only used with a health care professional's verbal authorization prior to administration. Within 24-hours, the authorization is written and signed by the health care professional and maintained with the restraint log.
 - (B) Chemical restraint is administered in a humane manner.
 - (C) Personnel continuously monitor residents, either by direct contact or with audiovisual equipment, and directly verify residents' well-being at least every 15 minutes.
 - (D) The resident receives appropriate medical and psychological services.
- (5) **Seclusion and restraint log.** A seclusion and restraint log is maintained and includes the seclusion or restraint:
- (A) date and time ;
 - (B) authorizing health care professional's name;
 - (C) reason and other behavior management techniques attempted;
 - (D) observation times, including resident's activity description at each observation, and the signature of the observing personnel; and
 - (E) release time.

340:110-3-169. Requirements for secure care facilities

- (a) **Secure care facility.** A secure care facility is a facility that cares for and supervises adjudicated children in a building in which voluntary entering and exiting is prohibited through the use of internal or exterior locks or through secure fencing around the perimeter.
- (b) **Requirements.** Secure care facilities are required to meet the rules contained in OAC 340:110-3-145 through 340:110-3-165.1 except as otherwise provided in this Section.
- (c) **Supervision of residents.** Secure care facilities meet the requirements contained in OAC 340:110-3-153.2 regarding supervision of residents. In addition, staff members remain awake at all times.

(d) **Searches and contraband.** Secure care facilities meet the requirements contained in OAC 340:110-3-152(d) regarding required policies. In addition, secure care facilities have written policy and procedure governing searches and control of contraband.

(1) Facility policy and procedure includes, but is not limited to:

- (A) control of contraband;
- (B) searches for contraband;
- (C) property searches;
- (D) searches of the facility; and
- (E) visitor searches.

(2) Residents and visitors are notified that they are subject to search.

(3) No resident is searched beyond what is necessary to maintain proper security.

(4) Searches are conducted by a staff member of the same gender as the resident or visitor being searched.

(e) **Door security.** Secure care facilities meet the requirements for door security contained in (1) - (4) of this subsection.

(1) All doors are kept locked that are security perimeter entrances, exterior doors, and doors that the facility administrator determines should be locked. These doors are unlocked only for admission or exit of residents, employees, visitors, or in case of an emergency.

(2) Doors to vacant units, unoccupied areas, and storage rooms are locked when not in use.

(3) Staff members know what doors must be locked and under what circumstances the doors are opened.

(4) Once a door is locked, it is checked to ensure it is secured.

(f) **Key control.** A secure care facility has a key-control system that includes:

(1) a log, which is available to licensing staff for review, to record the number of keys given out, the location of the lock, the number of keys to that lock, and the names of the employees possessing keys;

(2) a central administrative area from where the keys are issued;

(3) a manner of storage that permits easy determination of either the absence or the presence of the keys;

(4) labeling of all keys and maintenance of at least one duplicate key for each lock; and

(5) fire and emergency keys that are readily accessible.

(g) **Weapons.** Weapons are not permitted beyond a designated area.

(h) **Behavior management.** Secure care facilities are exempt from the rules contained in OAC 340:110-3-154.2(b)(7) and (11) regarding seclusion and mechanical restraint. Facilities that use seclusion and mechanical restraint meet the requirements contained in (1) - (4) of this subsection.

(1) **Seclusion.** Seclusion may only be used when less restrictive interventions, according to facility policy, have been attempted or when an immediate intervention is required to protect the resident, staff member, or others, or prevent escape. Resident is released from seclusion when resident is no longer deemed a risk

to self or others. A written incident report is completed within 24-hours following each use of seclusion.

(A) Seclusion is used only with specific authorization of the executive director, the administrative person in charge, or a health professional.

(B) When a resident is placed in seclusion, an adult staff member continuously monitors the resident, either in person or through audiovisual equipment, and personally checks the resident's well-being every 15 minutes. The resident receives appropriate medical and psychological services.

(C) The resident has reasonable access to toilet facilities and to all scheduled meals while in seclusion.

(D) As soon as the resident sufficiently gains control and is no longer a serious and immediate danger, the resident is released from seclusion. Residents age ten and older do not remain in seclusion longer than three hours or a total of six non-consecutive hours within any 24-hour period. Residents age 9 and under do not remain in seclusion longer than one hour within any 24-hour period.

(2) **Seclusion room.** A room used for seclusion includes:

(A) at least 60 square feet and a ceiling height of seven feet, six inches;

(B) a safety glass window, mirror, or camera that allows for full observation of the seclusion room;

(C) no hardware or furnishings that obstruct observing the child at all times;

(D) no hardware, equipment, or furnishings that present a physical hazard or suicide risk;

(E) means for natural or mechanical ventilation;

(F) means for maintaining a temperature between 65 and 85 degrees Fahrenheit;

(G) lighting for all areas of the room;

(H) an automatic fire suppression system; and

(I) time resident is released from seclusion.

(3) **Mechanical restraint.** Mechanical restraint may only be used when less restrictive interventions, according to facility policy, have been attempted or when an immediate intervention is required to protect the resident, staff member, or others. Mechanical restraint may be used when transporting a resident in order to prevent escape, to prevent self-injury, to prevent injury to others, to prevent destruction of property, or to prevent inciteful behavior that jeopardizes security.

(A) Mechanical restraint is used on the resident in a comfortable and humane manner.

(B) Resident's hands are not restrained to his or her feet.

(C) Resident is not restrained to an immovable object.

(D) Resident is released from mechanical restraint when resident is no longer deemed a risk to self, others, or at imminent risk of escape.

(E) A written incident report is completed within 24 hours following each use of mechanical restraint.

(4) **Seclusion and mechanical restraint log.** A seclusion and mechanical restraint log is kept, and a report containing all information in the log is part of the resident's record. The log includes:

(A) the date and time of placement in seclusion or the use of mechanical restraint;

(B) the name of the person authorizing the use of seclusion or mechanical restraint;

(C) the reason for the use of mechanical restraint or seclusion and other behavior management techniques attempted;

(D) observation times, including a description of the resident's activity at each observation, and the signature of the person observing the resident; and

(E) time resident is released from seclusion or mechanical restraint.

(i) **Emergency numbers.** A secure care facility is exempt from the rules contained in OAC 340:110-3-165(3)(C) regarding posting of emergency telephone numbers. Emergency telephone numbers are readily accessible to staff members.

[Source: Added at 18 Ok Reg 3331, eff 10-1-01 (emergency); Added at 19 Ok Reg 1171, eff 5-13-02 ; Amended at 26 Ok Reg 2239, eff 7-1-09]

340:110-3-170. Requirements for family-style living programs

(a) **Family-style living program.** A family-style living program is a residential program providing sustained care and supervision to residents in a home like environment not located in a building used for commercial activity.

(b) **Requirements.** Family-style living programs are required to meet the common requirements in Oklahoma Administrative Code (OAC) 340:110-3-145 through 340:110-3-165.1, unless requirements in this Section state otherwise.

(c) **House parent.** In addition to personnel requirements per OAC 340:110-3-153.1, additional house parent qualifications include:

(1) residing in the home with residents;

(2) establishing and modeling a healthy, family environment;

(3) participating in outings, vacations, and trips away from the program with residents; and

(4) prohibition from employment outside the program.

(d) **Child-family relationship.** In addition to social services requirements per OAC 340:110-3-154, house parents attempt to strengthen relationships between the children and parents and his or her own family culture by:

(1) communicating regularly regarding the child's care, education, health, and medical needs;

(2) supporting and maintaining positive aspects of family members;

- (3) assisting in the development of parent-child relationships by providing resources to the family as requested by the parents; and
- (4) involving the family in program and community events and activities.

(e) **Sibling groups.** In addition to social services requirements per OAC 340:110-3-154, house parents assist residents in maintaining sibling relationships.

(f) **Program policies.** In addition to program requirements per OAC 340:110-3-154.1, program policies identify categories of children well-suited for care in the family-style living program setting.

(g) **Program.** In addition to program requirements per OAC 340:110-3-154.1, house parents, program personnel, or both ensure residents have an availability of opportunities, on a regular basis, both on- and off-site, as listed in (1) through (3) of this subsection.

(1) **Community involvement.** Residents participate in programs and organizations, as well as recreational, social, educational, and extracurricular community events and activities. Participation is based on individual resident's interests and ability.

(2) **Life-skills.** House parents assist residents in acquiring transitional skills necessary to succeed interdependently in adulthood, such as:

- (A) pursuit of a driver license;
- (B) employment education and preparedness;
- (C) money and household management;
- (D) opportunity to earn and manage income;
- (E) participation in family responsibilities and age-appropriate household chores;
- (F) meal planning with food preparation and serving;
- (G) social skills; and
- (H) internet safety.

(3) **Peer relations.** Residents are encouraged to participate in appropriate relationships both at school and in the community. Opportunities are expanded and supported, including dating and peer contact.

(h) **Meal time.** In addition to food and nutrition requirements per OAC 340:110-3-154.4, meals are routinely served in a family-style dining setting with residents and house parents eating together.

(i) **Physical facility and furnishings.** In addition to physical facility and equipment requirements per OAC 340:110-3-157, family-style living programs are designed to promote a family environment between residents and house parents. Common areas, including living, dining, kitchen, laundry, and outside play areas, are designed and furnished to encourage family-style interactions. Semi-private bedrooms and study areas are included with provisions made for supervision.

PART 11. REQUIREMENTS FOR THERAPEUTIC CAMPS [REVOKED]

340:110-3-180. Purpose [REVOKED]

PART 15. REQUIREMENTS FOR CHILD CARE CENTERS, DAY CAMPS, DROP-IN PROGRAMS, OUT-OF-SCHOOL TIME PROGRAMS, PART-DAY PROGRAMS, AND PROGRAMS FOR SICK CHILDREN

340:110-3-275. Definitions

The following words and terms when used in this Part shall have the following meaning unless the context clearly states otherwise:

"Adult" means an individual 18 years of age and older.

"Child" means an individual younger than 18 years of age.

"Child care centers" means programs that operate 30 or more hours per week.

"Child passenger restraint system" means an infant or child passenger restraint system, such as a car or booster seat, that meets federal standards for crash-tested restraint systems as set by the United States Department of Transportation.

"Children with disabilities" means children who have a chronic physical, developmental, behavioral, or emotional condition and also require health and related services of a type or amount beyond that generally required by children.

"Classroom" means an area designated for a group of children defined by permanent or temporary walls or barriers.

"Communicable disease" means an illness that spreads directly or indirectly from person-to-person with the potential to cause a serious infection.

"Date" means the month, day, and year.

"Day camps" means programs that operate during school breaks for 12 hours or less per day, serve children 5-year-olds and older who are attending, or have completed kindergarten or above, and use the outdoors as a major program component for at least 50 percent of the daily hours of operation.

"Disposition" means the final outcome or settlement of criminal charges, such as decisions or rulings by the court.

"Drop-in programs" means programs that operate 30 or more hours per week with individual children attending six hours or less per day and 24 hours or less per week, with an allowance for three extra six-hour days per 12 months per child.

"Facility" means the program premises and the buildings used for child care.

"Fall height" means the vertical distance between the highest designated play surface on a piece of equipment and the surface beneath it.

"Full name" means the first and last name when referring to a person.

"General Education Development" or **"GED"** means a high school diploma equivalent from the American Council on Education.

"Hazard" means anything that may inflict injury or cause harm.

"High school diploma" means a diploma recognized by the Oklahoma State Board of Education or an equivalent entity from another state.

"Inaccessible" means children are unable to access an item or area due to the use of a lock or child-proof barrier or the item is too high for children to easily reach.

"Infant" means a child from birth up to 12 months of age.

"Infection control" means the policies, procedures, and practices used to prevent and control the spread of infection, such as cleaning, sanitizing, and disinfecting, hand and personal hygiene, diapering procedures, handling and disposing of soiled and contaminated items, health separation and exclusion criteria, and immunization policies.

"Licensing" means the Oklahoma Department of Human Services staff responsible for monitoring and consulting with programs.

"Locked" means the use of a secure device that can only be opened by a key, combination, or code.

"Out-of-school time programs" means programs that operate when school is not in session, such as before- and after-school and school breaks, and serve 3-year-olds and older who are attending or have completed pre-kindergarten or above.

"Owner" means the business entity who owns the program.

"Parent" means an individual who is legally responsible for the child, such as a mother, father, legal custodian, or legal guardian.

"Part-day programs" means programs that operate for more than 15, but less than 30 hours per week.

"Potentially hazardous foods" means foods that contain milk or milk products, eggs, meat, poultry, fish, shellfish, crustaceans, cut tomatoes, cut melons, cut leafy greens, raw seed sprouts, or other ingredients in a form capable of supporting rapid and progressive growth of harmful microorganisms.

"Program" means the business entity that provides care, supervision, and learning opportunities for children.

"Programs for sick children" means programs that serve children with illnesses or symptoms preventing them from comfortable participation in activities in a program caring for children who are well. The children require more care than personnel in a program caring for children who are well can provide without compromising the health and safety of other children in care.

"Requirements" means licensing requirements the program is required to follow.

"Responsible entity" means an individual who is authorized to obligate the business.

"Safe drinking water" means potable water, free from pollution, harmful organisms, and impurities as determined by the Oklahoma Department of Environmental Quality.

"Specialized service professional" means an individual from an academic discipline or field of expertise who provides individualized services to a child, such as behavioral or physical therapists.

"Supervision" means the function of observing, overseeing, and guiding a child or group of children, including an awareness of and responsibility for, the ongoing activity of each child and being near enough to intervene when needed.

"Teaching personnel" means master teachers, teachers, assistant teachers, and substitutes who provide care, supervision, and learning opportunities for children.

"Transportation" means anytime a child in care is driven in a vehicle, whether provided, arranged, or contracted by the program.

"Unsupervised access to children" means an individual being present with children without personnel present who have a complete criminal history review.

"Use zones" means the clearance spaces and surfaces under and around a piece of equipment onto which a child falling or exiting from the equipment is expected to land.

"Volunteer" means an individual who provides services to the program without compensation.

[Source: Amended and renumbered from 340:110-3-2 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-2 at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-276. Necessity, issuance, and maintenance of a permit or license

(a) General.

(1) **Care of children.** The program:

- (A) does not accept children into care until authorization to operate is obtained from Licensing;
- (B) does not allow children to remain in care for 24 or more consecutive hours; and
- (C) provides care only at the location specified on the permit or license.

(2) **Access.** Oklahoma Department of Human Services (DHS) staff have access to the entire facility. Parents have access per Oklahoma Administrative Code (OAC) 340:110-3-293(c).

(3) **Cooperation.** Personnel cooperate with DHS staff.

(4) **Licensing process.** The owner, responsible entity, and director are aware of their rights and responsibilities per OAC 340:110-3-275 through 340:110-3-311 and DHS Publication No. 06-47, Understanding the Licensing Process - Rights and Responsibilities.

(b) Permit or license necessity.

(1) **Required.** A program does not operate after June 30, 1964, unless authorized by Licensing per Section 401 et seq. of Title 10 of the Oklahoma Statutes (10 O.S. § 401 et seq.), the Oklahoma Child Care Facilities Licensing Act.

(2) **Exemptions.** Authorization to operate is not required from Licensing when the program is exempt per 10 O.S. § 403, the Oklahoma Child Care Facilities Licensing Act.

(c) Permit or license issuance.

(1) **Fire approval.** An inspection from the local or state fire governmental authority having jurisdiction is required prior to authorization to operate from Licensing. Documentation is maintained per OAC 340:110-3-281.2(c).

(2) **Health approval.** An inspection from Oklahoma State Department of Health (OSDH) or Indian Health Services (IHS) is required prior to authorization to operate from Licensing, unless the program only provides limited food service per OAC 340:110-3-299(a). Documentation is maintained per OAC 340:110-3-281.2(c).

(3) **Licensing approval.** A request for a permit or license is made on DHS forms and authorization to operate is issued on the basis of the program complying with licensing requirements.

(d) Permit or license maintenance.

(1) **Fire inspections.** Inspections are conducted at least every two years by the local or state fire governmental authority having jurisdiction. Documentation is maintained per OAC 340:110-3-281.2(c).

(2) **Health inspections.** Inspections are conducted at least every two years by OSDH or IHS, unless the program only provides limited food service per OAC 340:110-3-299(a). Documentation is maintained per OAC 340:110-3-281.2(c).

(3) **Licensing monitoring.** Authorization to operate is maintained on the basis of the program complying with licensing requirements.

(4) **Change of business entity.** The permit or license is not transferable. Both the existing and new programs notify Licensing

of business entity changes per OAC 340:110-3-280(a). The new program is required to meet current requirements and does not care for children until authorization to operate is obtained from Licensing.

(5) **Change of location.** The program notifies Licensing of location changes per OAC 340:110-3-280(a) and does not care for children at the new location until authorization to operate is obtained from Licensing.

(6) **Inactive status.** When care is not provided, the program notifies Licensing per OAC 340:110-3-280(a). When care is not provided for 12 consecutive months, the program is no longer authorized to operate. The business entity must reapply and obtain authorization to operate from Licensing prior to resuming care.

(e) **Denial or revocation.**

(1) **General.** Licensing may deny a request for a license or revoke a license when the program does not meet the requirements or violates any provision of 10 O.S. §§ 401 et seq., the Oklahoma Child Care Facilities Licensing Act.

(2) **Notice.** No request for a license is denied or license is revoked unless the owner, business entity, or responsible entity is given a 30-calendar day notice in writing of the grounds for the proposed denial or revocation.

(3) **Hearing.** If the denial or revocation is appealed within 30-calendar days of the receipt of the written notice, a hearing is conducted.

(4) **Reapplication.** When a request for a license is denied or a license is revoked, the owner, business entity, or responsible entity cannot make application for a new child care program license within Oklahoma for five years following notification to the owner, business entity, or responsible entity of the denial or revocation and including during an appeal process.

[Source: Amended and renumbered from 340:110-3-3 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-3 at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-277. Other business, shared facility, and collaborations

(a) **Other business.** No other business or activity unrelated to child care is conducted at the facility during operation hours, unless shared facility requirements are met.

(b) **Shared facility.** The program may share the facility with other businesses provided the requirements in (1) through (3) of this subsection are met.

(1) **Limitations.** Other businesses sharing the facility:

(A) must not pose a health or safety risk to children in care;

(B) have their own entrances, excluding schools;

(C) have their own restrooms, excluding schools, or the program follows a Licensing-approved written plan, addressing prevention of unsupervised access to children by individuals from the other businesses; and

(D) do not use licensed space during operating hours, unless alternate play area requirements are met.

(2) **Licensed space.** Licensed space at the facility is clearly defined.

(3) **Alternate play areas.** When the program's licensed indoor or outdoor play areas are used by another business in the shared facility during operating hours, the program:

(A) has at least one designated alternate play area children may use when licensed play areas are unavailable. Alternate play areas:

- (i) are indoors, outdoors, or both depending on potential circumstances;
- (ii) are temporarily used only on an occasional basis when the licensed play areas are unavailable, unless the area is also a supplemental play area, such as a gymnasium;
- (iii) are not calculated in licensed capacity, per Oklahoma Administrative Code (OAC) 340:110-3-301(b) and (c); and
- (iv) meet requirements when used by children in care; and

(B) follows a Licensing-approved written agreement between the program and the other businesses, addressing terms for licensed space use and alternate play areas, including the:

- (i) designated alternate play areas for indoors, outdoors, or both; and
- (ii) circumstances, frequency, and duration of use.

(c) **Collaborations.** When the program collaborates with a school, the program submits a collaboration agreement as maintained, per OAC 340:110-3-281.2(c), and chooses whether the collaborative classrooms are included in the licensed capacity during the collaborative times.

(1) **Included in licensed capacity.** When the collaborative classrooms are included in the licensed capacity:

- (A) all the requirements are met in collaborative classrooms; and
- (B) the school teachers are required to meet teaching personnel requirements and may count as master teachers when meeting master teacher qualifications and responsibilities.

(2) **Not included in licensed capacity.** When the collaborative classrooms are not included in the licensed capacity, the:

- (A) licensed capacity is reduced by the room capacity during the collaborative time;
- (B) classrooms have a notice posted on or near the doors, at all times, identifying the collaborative classroom schedule;
- (C) classrooms, during the collaborative time, are only required to meet facility requirements, per OAC 340:110-3-300. However, the physical environment requirements, per OAC 340:110-3-300 through 340:110-3-304, apply to

licensed spaces, even when children participating in the collaboration are the only children present;
(D) school teachers are not required to meet personnel requirements and do not count as master teachers;
(E) school is responsible for children participating in the collaboration during the collaborative time; and
(F) school teachers and teaching personnel know their assigned children when children participating in the collaboration are in licensed space.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-278. Policy

(a) **General.** Policies are individualized to the program, followed, and maintained, per Oklahoma Administrative Code (OAC) 340:110-3-281.2(c).

(b) **Program liability insurance policy.** Program liability insurance is maintained, unless an exception, per the Oklahoma Child Care Facilities Licensing Act, Section 404.3 of Title 10 of the Oklahoma Statutes (10 O.S. § 404.3), is posted, per OAC 340:110-3-281.1.

(c) **Vehicle insurance policy.** Vehicle insurance is maintained, per OAC 340:110-3-281.2(c) and (d).

(d) **Program policy.** Program policies:

(1) are provided to:

- (A) parents upon enrollment and when revisions are made; and
- (B) personnel upon employment and when revisions are made; and

(2) at least, include items (A) through (L), unless a statement is included addressing non-applicable items:

- (A) brief program description;
- (B) ages of children accepted;
- (C) days and hours of operation including days closed, such as holidays;
- (D) compliance file location;
- (E) relevant emergency plans and procedures information for parents;
- (F) health inclusion, separation, and exclusion criteria, including head lice and other infestations;
- (G) whether the program administers medication and under what conditions;
- (H) behavior management and discipline methods;
- (I) expulsion policy;
- (J) mandatory reporting of suspected child abuse and neglect;
- (K) infant safe sleep environment description; and
- (L) procedures for:
 - (i) gaining building access when the entrance is secured;

- (ii) receiving and releasing children, including methods for caller identification authorizing child pick-up and of an individual who picks up a child. Verbal authorizations to pick-up a child, not previously indicated in the child's records, are documented, per OAC 340:110-3-281.4;
- (iii) notifying parents when a child does not arrive as required, per OAC 340:110-3-280(d);
- (iv) monitoring children's health as required, per OAC 340:110-3-294(c);
- (v) notifying parents of communicable disease exposure, while maintaining confidentiality of the ill child or personnel;
- (vi) notifying of infestation exposure, while maintaining confidentiality of the infected child or personnel;
- (vii) handling illnesses, injuries, and poison exposures, including when children are off-site;
- (viii) storing, administering, returning, and medication disposal;
- (ix) storing, using, returning, and medical waste disposal, such as syringes, needles, and lancets;
- (x) using sun safety methods, such as sunscreen and protecting children from over-exposure to the sun;
- (xi) using insect repellent;
- (xii) managing children's personal belongings;
- (xiii) transporting children;
- (xiv) notifying parents of field trips;
- (xv) receiving children arriving late for field trips when the group has left the facility; and
- (xvi) providing meals and snacks, including field trips.

(e) **Personnel policy.** When the program has two or more personnel, personnel policies:

- (1) are provided to personnel upon employment and when revisions are made; and
- (2) at least, include the:
 - (A) qualifications, responsibilities, and professional development requirements for each position, including initial and continuing professional development. Position descriptions may meet this requirement;
 - (B) chain of command;
 - (C) health and injury exclusion criteria, including head lice and other infestations; and
 - (D) procedures for the:
 - (i) close supervision of new personnel for at least 30-calendar days;
 - (ii) performance evaluations; and
 - (iii) discipline and termination of personnel.

(f) **Volunteer policy.** When the program uses volunteers, not filling another position, per OAC 340:110-3-284.1 through 340:110-3-284.4, volunteer policies:

- (1) are provided to volunteers upon starting service and when revisions are made; and
- (2) at least, includes:
 - (A) screening and selection criteria; and
 - (B) procedures ensuring volunteers:
 - (i) are familiar with emergency preparedness plans and procedures, per OAC 340:110-3-279; and
 - (ii) obtain training and comply with requirements.

[Source: Amended and renumbered from 340:110-3-5.1 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-5.1 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-279. Emergency preparedness

(a) Emergency plans and procedures.

- (1) **General.** The program is required to have emergency plans that are:
 - (A) individualized to the program and operating hours;
 - (B) followed, unless children's safety is at risk or emergency personnel provide alternative instructions during an emergency; and
 - (C) maintained, per Oklahoma Administrative Code (OAC) 340:110-3-281.2(c).
- (2) **Situations.** Emergency plans include procedures for:
 - (A) serious injuries;
 - (B) serious illnesses;
 - (C) poison exposure;
 - (D) communicable disease outbreaks, including pandemic influenza;
 - (E) weather conditions, including tornados, floods, blizzards, and ice storms;
 - (F) fires, including wildfires;
 - (G) man-made disasters, including chemical and industrial accidents;
 - (H) human threats, including individuals with threatening behaviors, bomb threats, and terrorist attacks;
 - (I) lost or abducted children;
 - (J) utility disruption; and
 - (K) other natural or man-made disasters that could create facility structural damage or pose health hazards.
- (3) **Child considerations.** Emergency plans include procedures for addressing each child's needs, with additional considerations for children:
 - (A) 2 years of age and younger; and
 - (B) with special needs or chronic medical conditions.
- (4) **Account for children.** Emergency plans include procedures to account for each child's location during an emergency.

(5) **Shelter-in-place.** Emergency plans include shelter-in-place procedures for short and extended stay situations requiring children stay in the building, such as tornados and other weather emergencies.

(6) **Lock-down.** Emergency plans include lock-down procedures for situations threatening children and personnel's safety. Lock-down procedures include:

- (A) notifying personnel;
- (B) keeping children in designated safe locations in the building;
- (C) encouraging children to remain calm and quiet;
- (D) securing building entrances;
- (E) preventing unauthorized individuals from entering the building. When the program is in a shared facility, program entrances are secured; and
- (F) responding when outdoors and on field trips.

(7) **Evacuation.** Emergency plans include evacuation procedures for situations requiring children leave the building, such as building fires. Evacuation procedures include:

- (A) evacuation routes posted, per OAC 340:110-3-281.1(c) and (i); and
- (B) pre-determined meeting locations.

(8) **Relocation.** Emergency plans include relocation procedures for situations requiring children move to an alternate location, such as bomb threats and wildfires. Relocation procedures include:

- (A) pre-determined primary and secondary alternate locations, with prior approval from the contact individual at alternate locations;
- (B) relocating children, including a pre-determined transportation plan; and
- (C) reuniting parents and children.

(9) **Reporting.** Emergency plans include procedures for notifying:

- (A) emergency authorities, including the poison control center, when necessary;
- (B) parents, including a method and backup method for how and when parents are notified; and
- (C) Licensing, per OAC 340:110-3-280(a).

(10) **Personnel.** Emergency plans include procedures ensuring personnel are familiar with:

- (A) current emergency plans and procedures, including roles and responsibilities in an emergency;
- (B) location of :
 - (i) emergency plans and procedures;
 - (ii) posted emergency information; and
 - (iii) first aid and emergency supply kits; and
- (C) location and use of the fire extinguishers.

(b) **Phones.**

(1) **On-site.** The program provides an operable phone , per OAC 340:110-3-300(x).

(2) **Off-site activities.** An operable phone is available , per OAC 340:110-3-287(g).

(3) **Vehicles.** An operable phone is available, per OAC 340:110-3-305(e).

(c) **Posted emergency information.**

(1) **Program information and emergency numbers.** Items are posted, per OAC 340:110-3-281.1(d) and (i).

(2) **First aid kit, emergency supply kit, and fire extinguisher locations.** Locations are posted, per OAC 340:110-3-281.1(i).

(3) **Evacuation routes.** Routes are posted, per OAC 340:110-3-281.1(c) and (i).

(d) **First aid kits.**

(1) **Location.** First aid kits are located in each building and in vehicles when transporting children.

(2) **Accessibility.** First aid kits are accessible to personnel at all times and inaccessible to children.

(3) **Replace.** First aid kit supplies are replaced as needed, including expired items.

(4) **Sanitary.** First aid kit supplies are maintained in a clean and sanitary manner, including sanitizing re-usable supplies.

(5) **Supplies.** First aid kit supplies are stored together in a portable container.

(A) Supplies at least include:

(i) non-medicated adhesive strips;

(ii) sterile gauze pads;

(iii) rolled flexible or stretch gauze;

(iv) bandage tape;

(v) disposable non-porous, latex-free gloves;

(vi) blunt-tipped scissors;

(vii) tweezers;

(viii) a non-glass and non-mercury thermometer.

The appropriate thermometer and method are used, per OAC 340:110-3-294(d);

(ix) a current first aid guide; and

(x) a copy of posted program information and emergency numbers, per (c) of this Section.

(B) In addition, the first aid kits in vehicles at least include:

(i) a cold pack;

(ii) liquid soap and water or individually packaged moist, disposable towelettes, for cleaning wounds;

(iii) hand sanitizer and moist, disposable towelettes, for hand hygiene;

(iv) plastic bags for disposal of items contaminated with blood or other body fluids; and

(v) a pen or pencil and note pad.

(e) **Emergency supply kit.**

(1) **Records.** Records available during an emergency at least include the:

(A) emergency plans and procedures, per OAC 340:110-3-281.2(c), and alternate location addresses, phone

numbers, and contacts;

(B) emergency contacts, per OAC 340:110-3-281.2(c); and

(C) full names of children and personnel currently in attendance.

(2) **Supplies.** Emergency supplies gathered at the time of an emergency or maintained in a portable container at all times at least include:

(A) a first aid kit; and

(B) children's prescribed medications, including life-threatening condition medications.

(f) **Testing and maintaining emergency equipment.**

(1) **Individual smoke and carbon monoxide alarms.** When the facility is equipped, per OAC 340:110-3-300(t) or (u), individual alarms are:

(A) operable; and

(B) tested at least monthly. Documentation is maintained, per OAC 340:110-3-281.2(c).

(2) **Central detection and alarm system for smoke and carbon monoxide.** When the facility is equipped, per OAC 340:110-3-300(v), the system is:

(A) fully functional;

(B) checked at least monthly by viewing the control panel and documented, per OAC 340:110-3-281.2(c). However, monthly checks are not required when a company monitors the system continuously for full-function as documented, per OAC 340:110-3-281.2(c); and

(C) inspected and tagged at least every 12 months by a state licensed authority.

(3) **Fire extinguishers and automatic sprinkler systems.** Fire extinguishers and automatic sprinkler systems are:

(A) fully functional; and

(B) inspected and tagged at least every 12 months by a state licensed authority.

(g) **Drills and reviews.**

(1) **General.** Drills and reviews are documented, per OAC 340:110-3-281.2(c), and drills are conducted:

(A) at various times throughout operation hours, such as morning, mid-day, afternoon, and evening, so children and personnel in attendance at various times are involved in each type of drill at least once every three months;

(B) by following pre-determined emergency plans and procedures; and

(C) per required scheduling.

(i) **Monthly.** Monthly drills include:

(I) fire drills conducted by evacuating and meeting at pre-determined locations; and
(II) tornado drills conducted by sheltering in pre-determined on-site locations.

(ii) **Annual.** Annual drills include:

(I) locking-down by sheltering in pre-determined on-site locations;

- (II) relocating according to preparation procedures, but physical relocation is not required;
- (III) sheltering-in-place, requiring children stay inside the facility, such as tornados and other weather emergencies; and
- (IV) evacuating and meeting at pre-determined locations.

(2) **Lock-down and relocation procedures reviews.** Personnel review the procedures at least once every 12 months.

(3) **Emergency plans and procedures reviews.** The director updates, when necessary, and reviews emergency plans and procedures:

- (A) at least once every 12 months;
- (B) when enrolling children with special needs or chronic medical conditions;
- (C) after a drill when procedure issues are identified; and
- (D) after an emergency, as identified in this Section.

[Source: Amended and renumbered from 340:110-3-33 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-33 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-280. Reporting

(a) Licensing.

(1) **Next business day.** The owner, responsible entity, or director notifies Licensing by the next Oklahoma Human Services (OKDHS) business day of:

- (A) a responsible entity change;
- (B) a director change;
- (C) a mailing address change, when different from the physical address;
- (D) a phone number change;
- (E) a program liability insurance coverage change;
- (F) an individual moving into the facility;
- (G) a known legal action, such as a Victim Protection Order, arrest, or criminal investigation or charge, involving the program, owner, responsible entity, personnel, or an individual living in the facility;
- (H) a known child abuse or neglect pending investigation or disposition involving the owner, responsible entity, personnel, or an individual living in the facility;
- (I) an unscheduled temporary or permanent program closure or relocation;
- (J) facility damage affecting the amount of usable square footage or compliance with requirements;
- (K) an incident exposing children to an imminent risk of harm, such as a child leaving the facility without personnel's knowledge or being left alone on-or off-site or in a vehicle;

(L) an animal bite to an individual occurring on-site at any time or when participating in off-site program activities;
(M) an accident involving transportation, unless no injuries and only minor vehicle damage occurred;
(N) a child injury requiring emergency medical attention;
(O) a child death occurring while in care; or
(P) any disease or illness requiring prompt local or Oklahoma State Department of Health (OSDH) notification, per (c)(1) of this subsection.

(2) **Thirty-calendar days prior.** The owner, responsible entity, or director notifies Licensing at least 30-calendar days prior to:

- (A) an anticipated temporary or permanent program closing, other than a scheduled closing identified in program policy, such as a holiday;
- (B) an anticipated temporary or permanent location change;
- (C) an anticipated facility change or alteration impacting the amount of usable square footage or compliance with the requirements;
- (D) a business entity change;
- (E) a program name change; or
- (F) a proposed licensed capacity change.

(b) **Child abuse and neglect and human trafficking.**

(1) **Abuse and neglect.** Any person who has reason to believe a child was abused or neglected, per Section 1-1-105 of Title 10A of the Oklahoma Statutes (10A O.S. § 1-1-105) is required to report the matter promptly to the OKDHS Child Abuse and Neglect Hotline at 1-800-522-3511, per 10A O.S. § 1-2-101. Failure to report is a misdemeanor offense and upon conviction is punishable by law. Failure to report with prolonged knowledge, six months or more, of ongoing abuse or neglect is a felony offense.

(2) **Human trafficking.** Per 21 O.S. § 870, every person having reason to believe that a person or child-placing agency is engaging in the crime of human trafficking in children, per 21 O.S. § 866, reports the matter promptly to the Oklahoma Bureau of Narcotics and Dangerous Drugs Control.

(c) **Health department.**

(1) **Promptly.** The program promptly notifies the local or OSDH of a known case in individuals associated with the program, of:

- (A) Measles;
- (B) meningococcal invasive disease; or
- (C) an outbreak of two or more cases within a facility of:
 - (i) COVID-19;
 - (ii) influenza; or
 - (iii) varicella (chicken pox).

(2) **Next business day.** The program notifies the local or OSDH by the next health department-business day of a known case in individuals associated with the program, of:

- (A) Campylobacteriosis;

- (B) cryptosporidiosis;
- (C) E. coli O157:H7 or Shiga toxin-producing E. coli (STEC);
- (D) Haemophilus influenzae invasive disease;
- (E) hepatitis A;
- (F) mumps;
- (G) rubella;
- (H) salmonellosis;
- (I) shigellosis;
- (J) tuberculosis; or
- (K) whooping cough (pertussis).

(3) **Guidelines and recommendations.** Programs follow all guidelines and recommendations per local or OSDH authorities.

(d) **Parents.**

- (1) **Immediately.** The program notifies parents immediately of:
- (A) a child not arriving at the facility on his or her own as scheduled, such as when walking to the facility;
 - (B) a child not present at the pick-up location as scheduled;
 - (C) a child or individual at the pick-up location who contradicts previously established pick-up arrangements;
 - (D) a situation requiring immediate administration of a life-threatening condition medication;
 - (E) an injury that may need evaluation by a licensed physician;
 - (F) poison exposure; or
 - (G) an animal bite to a child when the skin is broken or when an evaluation by a licensed physician may be needed.

(2) **Promptly.** The program promptly notifies parents when a child :

- (A) is separated from the group due to an illness or infestation or when exclusion is required, per Oklahoma Administrative Code (OAC) 340 Appendix JJ - Exclusion Criteria for Children Who Are Ill; or
- (B) has a suspected allergic reaction, including ingestion of, or contact with, allergens, even when a reaction did not occur.

(3) **Upon child pick up.** The program notifies parents upon child pick up of:

- (A) daily happenings, including the infant and 1-year-old daily records as maintained, per OAC 340:110-3-281.4(b);
- (B) changes in the child's physical or emotional state;
- (C) known minor injuries;
- (D) illness or infestation symptoms that developed or changed;
- (E) a communicable disease or infestation exposure , per OAC 340:110-3-278(d);
- (F) an administration of a non-life-threatening condition medication when administered only as needed, such as diaper cream;

- (G) an animal bite to a child, when the skin is not broken; and
- (H) implemented emergency plans and procedures, except for drills.

(4) **Heinous and shocking abuse notification.** OKDHS notifies programs of a substantiated finding of heinous and shocking abuse by a person responsible for a child's health, safety, or welfare, as defined, per 10A O.S. § 1-1-105. Upon receiving the notice, the facility owner or operator provides notification to parents or legal guardians of children attending the facility using an OKDHS-provided form.

(A) Notification is:

- (i) immediately attempted but not later than 72 hours of notice receipt from OKDHS; and
- (ii) provided by certified mail.

(B) The program maintains the list of notified parents and legal guardians for at least 12 months.

(5) **Prior.** Prior to each field trip, the program notifies parents of the date, time, and location. The field trip permission, per OAC 340:110-3-281.4(b), meets this requirement when this specific information is included.

(6) **Upon enrollment and prior to changes.** The program notifies parents upon enrollment and prior to a change in the presence of:

- (A) animals;
- (B) tobacco or simulated tobacco use; and
- (C) weapons, including how safety requirements are met.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-281. General records and documentation

(a) **General.** Records and documents may have additional information in other Sections. Items are provided promptly to Oklahoma Human Services (OKDHS) staff, on request, and are available to parents and personnel, unless requirements specifically state otherwise.

(b) **Confidentiality.** Confidentiality policies and procedures are maintained.

(1) Child records and other items specific to individual children are only available to personnel or authorized individuals as determined by the program when necessary, the individual child's parents, and OKDHS staff.

(2) Personnel records are maintained in a confidential manner , per program procedures.

(c) **Current.** Items, including certifications, are kept current.

(d) **Location.** Items are:

(1) maintained at the facility. However, personnel records may have an exception, per Oklahoma Administrative Code (OAC) 340:110-3-281.3(b);

(2) located , per requirements; and

- (3) in a location known by the director and personnel in charge.
- (e) **Electronic.** Items may be maintained electronically, unless requirements specifically state otherwise, provided:
- (1) procedures are in place ensuring prompt access, including an on- or off-site electronic back-up method ensuring access in the event of data loss. However, paper backup is required for posted items, per OAC 340:110-3-281.1, and accessible items, per OAC 340:110-3-281.2, in the event of a power outage or non-working equipment;
 - (2) signatures are hand written and initially obtained by electronic methods or on paper and electronically converted; and
 - (3) the items can be provided to OKDHS and parents by printing, emailing, or other methods.
- (f) **Paper only.** Items indicating paper only may also be in the form of magnets, decals, or other similar items.
- (g) **Combined documents.** Items may be combined into one document, unless the requirements specifically state otherwise.
- (h) **Original documents.** OKDHS documents, such as forms, appendices, and publications, are not modified in any manner or combined with other items, unless requirements specifically state otherwise.
- (i) **OKDHS form completion.** Forms are completed in the manner prescribed. Current OKDHS forms are used.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-281.1. Posted records and documentation

- (a) **General.** General records and documentation requirements, per Oklahoma Administrative Code (OAC) 340:110-3-281, also apply to items in this Section. The items are posted at all times in a clear, unobstructed view.
- (b) **Post at main entrance.** Items are posted at the program's main entrance where parents and public enter and (2) through (3) of this subsection are also posted in a conspicuous location within clear view.
- (1) **Tobacco-free environment notice.** The notice is not combined with other posted items. When the program is in a family residence, the notice indicates a tobacco-free environment at all times or no tobacco use during operation hours. Item is paper only.
 - (2) **Notice to parents.** Oklahoma Human Services (OKDHS) Publication No. 14-01, Notice to Parents, is posted. Item is paper only.
 - (3) **Program liability insurance exception notification.** The OKDHS form is posted when program liability insurance is not maintained or program reports being self-insured. Item is paper only.
- (c) **Post in prominent location for parents and public.** Items are posted in a noticeable and frequently visited location for parents and public and may include multiple buildings depending on where parents and public typically visit.

- (1) **Permit or license.** The OKDHS permit or license is posted. Item is paper only.
- (2) **Notice of denial or revocation.** A denial or revocation notice is posted. Item is paper only.
- (3) **Star certificate.** OKDHS Star certificate is posted. Item is paper only.
- (4) **Personnel in charge.** The program posts the director's full name and at least one additional personnel responsible for the program in the director's absence. When the individuals listed are not present, the appointed personnel in charge is temporarily posted.
- (5) **Child abuse and neglect notification.** A notice of the Child Abuse and Neglect Hotline number and requirement to report suspected abuse or neglect is posted.
- (6) **Child welfare investigative summary - confirmed and substantiated findings.** OKDHS form is posted for 120-calendar days from the date the investigation is completed, as indicated on the form. Item is paper only.
- (7) **Evacuation routes.** A floor plan with primary and secondary evacuation routes from each area of the building is posted on each floor. Item is paper only and may only be combined , per (i) of this Section.
- (8) **Weekly menu.** The menu, including dates and substitutions, is posted. Additional posted menus are duplicates, including substitutions.

(d) **Post in prominent location for personnel.** Items are posted in a noticeable and frequently visited location for personnel and may include multiple buildings.

- (1) **Program information.** The program name and address, with main cross streets or directions to the facility, are posted. Item is paper only.
- (2) **Emergency numbers.** The program posts emergency numbers. Item is paper only. Numbers include:
 - (A) 9-1-1, where available, or local law enforcement, fire department, and ambulance service; and
 - (B) poison control, 1-800-222-1222.
- (3) **Restricted registry notice.** OKDHS Publication No. 14-07, Child Care Restricted Registry Notice is posted. Item is paper only.

(e) **Post in kitchen.** The requirements in (1) and (2) of this subsection are met.

- (1) **Weekly menu.** The menu, including dates and substitutions, is posted. Additional posted menus are duplicates, including substitutions.
- (2) **Food allergies.** Children's food allergies are posted near the menu, including the child's full name and classroom.

(f) **Post on all microwaves - warning.** OKDHS Publication No. 97-27, Microwave Warning, is posted. However, the program may modify the publication or develop a document, provided the information remains the same or is exceeded. When the program shares the facility, the posting is only required on microwaves used for children's food. Item is paper only.

(g) **Post near sinks - hand washing procedures.** The program posts OKDHS Publication No. 14-02 - Hand Washing Procedures Using Paper Towels or OKDHS Publication No. 14-03 - Hand Washing Procedures Using Mechanical Hand Dryers, where individuals can read the publication during hand washing. However, the program may modify the publication or develop a document, provided procedures remain the same or are exceeded.

(h) **Post in diaper changing areas - procedures.** The program posts OKDHS Publication No. 14-04 - Diaper Changing Procedures, where individuals can read the publication while changing diapers. However, the program may modify the publication or develop a document, provided procedures remain the same or are exceeded. Item is paper only.

(i) **Post in classrooms.** Items are posted where personnel and parents can read the items, unless the requirements specifically state otherwise. Two or more classrooms may share the posted items when the classrooms are next to each other and are divided by low height walls or barriers and the items can be read from each classroom.

(1) **Program information and emergency numbers.** The program posts duplicate items in a prominent location for personnel, per (d) of this Section. Items are paper only.

(2) **First aid kits, emergency supply kits, and fire extinguishers.** The location of kits and fire extinguishers are posted. Items are paper only.

(3) **Evacuation routes.** A floor plan with primary and secondary evacuation routes from the classroom(s) is posted. Routes are not combined with other posted items, except for program information, emergency numbers, and locations of first aid kits, emergency supply kits, and fire extinguishers, per (1) and (2) of this subsection. Items are paper only.

(4) **Ratios and group sizes.** The applicable program-type ratios and group sizes, per OAC 340 Appendix GG - Ratios and Group Sizes are posted.

(5) **Daily classroom schedule.** The program posts a schedule with the required content, per OAC 340:110-3-289(b). Classrooms may share this item when the schedule is applicable to each classroom.

(6) **Weekly lesson plans.** The program posts lesson plans with the dates and required content, per OAC 340:110-3-289(d). Classrooms may only share this item when the lesson plan is applicable to each classroom.

(7) **Allergies.** The program posts children's food and life-threatening allergies, including the child's full name, and location of any life-threatening condition medications. The item is posted in a location or manner protecting confidentiality, such as with a cover sheet, unless a waiver release is obtained by the parent. Item is paper only.

340:110-3-281.2. Program records and documentation

(a) **General.** General records and documentation requirements per Oklahoma Administrative Code (OAC) 340:110-3-281 also apply to the items in this Section.

(b) **Accessible in prominent location.** Items are located in a noticeable and frequently visited location for the parents and public to view and may include multiple buildings depending on where parents and the public typically visit, and can be accessed without asking personnel.

(1) **Requirements.** Oklahoma Department of Human Services (DHS) Publication No. 14-05, Licensing Requirements for Child Care Programs, is accessible.

(2) **Selecting quality child care.** DHS Publication 87-91, Selecting Quality Child Care - A Parent's Guide, is accessible.

(3) **Compliance file.** Items are originals or copies and are maintained together, with the most recent on top and all child identifying information removed. The compliance file includes items within the last 120 calendar days, at a minimum, from the date on the document or the investigation completion date on the form, unless requirements specifically state otherwise. The compliance file only contains:

(A) compliance monitoring from Licensing, Stars, and tribal agencies, such as:

(i) monitoring visit forms. Include most recent visit; and

(ii) case status information, such as forms and correspondence regarding:

(I) issuance of permits and licenses;

(II) non-compliances and Stars violations;

(III) notices to comply;

(IV) complaint findings;

(V) office conferences with Licensing, Stars, and tribal agencies;

(VI) Stars alternative settlements and reductions; and

(VII) consent agreements, denials of a request for a license, and revocations of a license;

(B) child welfare investigative summary, regardless of findings. However, confirmed or substantiated findings are maintained in the file for 12 months;

(C) granted criminal history restriction waiver notifications. However, notification is maintained in the file for as long as the individual is employed or is living in the facility; and

(D) other documents indicating placement in the compliance file.

(c) **Available in facility.** Items are available upon request.

(1) **Necessity, issuance, and maintenance of a permit or license.** The requirements listed in (A) and (B) of this subsection are met.

- (A) **Fire inspections.** Items are available upon request.
- (B) **Health inspections.** Items are available upon request.
- (2) **Other business, shared facility, and collaborations - collaboration agreement.** Item is available upon request.
- (3) **Policy.** The requirements listed in (A) through (D) of this paragraph are met.
 - (A) **Program liability insurance policy.** DHS form, completed every 12 months, and a certificate of liability insurance from the insurance agent is available, unless an exception is posted per OAC 340:110-3-278(b).
 - (B) **Program policy.** Policy includes content per OAC 340:110-3-278(d).
 - (C) **Personnel policy.** Policy includes content per OAC 340:110-3-278(e).
 - (D) **Volunteer policy.** Policy includes content per OAC 340:110-3-278(f).
- (4) **Emergency preparedness.** The requirements listed in (A) through (G) of this paragraph are met.
 - (A) **Emergency plans and procedures.** Item includes content per OAC 340:110-3-279(a) and is maintained in a readily available and portable manner for emergencies. Item is paper only.
 - (B) **Emergency contacts.** Emergency contact information for all personnel and enrolled children is maintained together in a readily available and portable manner for emergencies. Item is paper only.
 - (C) **Individual smoke and carbon monoxide alarm tests.** Item includes the dates the tests are conducted.
 - (D) **Central detection and alarm system checks for smoke and carbon monoxide.** Item includes the dates the system is checked or a contract from the company that continuously monitors the system for full-function.
 - (E) **Emergency preparedness drills.** Item includes dates and times the drills are conducted, with a signature of the director or personnel in charge during the drill.
 - (F) **Lock-down and relocation procedure reviews.** Item includes dates the reviews are completed by personnel.
 - (G) **Emergency plans and procedure reviews.** Item includes dates the reviews are completed by the director.
- (5) **Attendance.** The requirements listed in (A) through (C) of this paragraph are met.
 - (A) **Personnel's attendance.** Daily attendance is:
 - (i) promptly documented on paper, including personnel's full name and arrival and departure time; and
 - (ii) maintained, on paper or electronically, for at least 12 months.
 - (B) **Children's attendance.** Daily attendance is:
 - (i) promptly documented on paper, including the child's full name and arrival and departure time;

and

(ii) maintained, on paper or electronically, for at least 12 months.

(C) **Transportation attendance.** Attendance is maintained per (d) of this Section.

(6) **Animals.** The requirements listed in (A) and (B) of this paragraph are met.

(A) **Rabies vaccination.** A certificate from a licensed veterinarian for dogs and cats 4 months of age and older is available.

(B) **Psittacosis test results.** Negative results from a licensed veterinarian for each bird of the parrot family is available.

(7) **Parent communication and family engagement.**

Requirements listed in (A) through (B) of this subparagraph are met.

(A) **Parent conferences.** Documentation of conferences offered by general or individualized notification is available.

(B) **Parent notifications.** Parents are provided information regarding insurance liability and the compliance file.

(i) Parents complete DHS forms every 12 months regarding insurance liability and the compliance file. Forms are maintained at the facility.

(ii) When the child is enrolled, parents are provided copies of DHS Form 07LC093E, Insurance Exception Notification, and DHS Publication No. 14-01, Notice to Parents.

(8) **Health and hygiene.** The requirements listed in (A) and (B) of this paragraph are met.

(A) **Injury and poison exposure log.** Incidents requiring an injury or poison exposure report are documented and maintained in one location for at least 12 months, to determine patterns. The log includes, at least the:

(i) child's full name and age;

(ii) injury date, time, type, and location at facility or off-site; and

(iii) personnel present at the time of the injury.

(B) **Personnel administering medication.** Item includes full names of personnel designated to administer medication.

(9) **Physical environment.** The requirements listed in (A) through (E) of this paragraph are met.

(A) **Physical environment checklist.** DHS form, or other checklists regarding the same information as the form, is completed at least every 12 months.

(B) **Water supply - well water results.** Test results meeting requirements per OAC 340:110-3-300(k) are available.

(C) **Impact-absorbing materials.** Documentation of the American Society for Testing and Materials International (ASTM) tested impact-absorbing materials is maintained for the duration of the material's use.

(D) **Equipment inventory.** DHS form applicable to the program type and ages of children accepted into care is available.

(E) **Crib compliance.** Verification cribs meet Consumer Product Safety Commission standards is maintained for the duration of the cribs' use.

(10) **Transportation.** The requirements listed in (A) through (C) of this paragraph are met.

(A) **Transportation itinerary.** Item indicates approximate vehicle location at all times. Additional itineraries are duplicates.

(B) **Vehicle insurance.** Proof of insurance indicates the specific vehicles covered by the policy.

(C) **Vehicle maintenance.** Item includes the dates and full names of the individuals or commercial entities who conducted each inspection of:

- (i) tire wear and pressure;
- (ii) brakes;
- (iii) lights; and
- (iv) seat belts.

(d) **Available in vehicle.** The items listed in (1) through (6) of this subsection are maintained in the vehicle.

(1) **Program information.** Item includes program name, address, and phone number. Item is paper only.

(2) **Vehicle insurance.** Proof of insurance is available. Item is paper only.

(3) **Transportation itinerary.** Item indicates approximate vehicle location at all times. Additional itineraries are duplicates.

(4) **Emergency contacts and child information.** The full name and emergency contact information for each transported child is available. Item is paper only.

(5) **Transportation attendance.** Attendance is:

- (A) immediately documented each time each child enters and exits the vehicle; and
- (B) maintained in the vehicle or facility for at least 120 calendar days.

(6) **Child passenger check.** Before leaving the vehicle and in addition to the transportation attendance, the driver or last personnel in the vehicle documents completion of at least two methods of inspecting all areas of the vehicle for any remaining children to ensure no children are left on the vehicle.

340:110-3-281.3. Personnel and non-personnel records and documentation

(a) **General.** General records and documentation requirements, per Oklahoma Administrative Code (OAC) 340:110-3-281 also apply to the items in this Section.

(b) **Personnel records.** Records are maintained for at least 12 months following the last date of employment, unless requirements specifically state otherwise. When the program is owned by a business entity with two or more programs and a general administrative office, personnel records are not required on-site, unless the requirements specifically state otherwise, provided current personnel records are made available to Licensing by the end of the next Licensing business day.

(1) **Personnel information.** The Oklahoma Department of Human Services (DHS) form is:

(A) completed by each personnel; and

(B) submitted to Licensing within two weeks of employment.

(2) **Criminal history review requests and results.** The DHS form is maintained for each required individual.

(3) **Treating medical personnel statement.** The report from treating medical personnel is maintained, when required, per OAC 340:110-3-283(f).

(4) **Professional development plan.** The program maintains a current plan, when required, per OAC 340:110-3-284(d) and:

(A) is relevant to the roles and responsibilities for the assigned position(s);

(B) includes training regarding requirements;

(C) varies each year; and

(D) builds upon previously obtained professional development.

(5) **Probationary Master teachers.** Probationary master teachers complete the DHS form identifying educational professional development plans.

(6) **Professional development verification.** All verification is submitted to the Oklahoma Professional Development Registry (OPDR), unless entered by an OPDR approved trainer. In addition, the program maintains, on-site:

(A) all verification, until the individual is registered on OPDR; and

(B) cardio-pulmonary resuscitation (CPR) and first aid certifications.

(7) **Orientation.** The DHS form or a program form containing the same information is maintained for each personnel.

(8) **Compliance review.** The DHS requirements compliance review form is available.

(9) **Higher risk qualifications.** Documentation of required certification, training, and experience is maintained for at least 12 months.

(10) **Lifeguard certification.** Personnel who perform lifeguard duties have:

- (A) CPR certification; and
- (B) lifeguard certification from American Red Cross, Young Men's Christian Association (YMCA), or equivalent.

(11) **Driver or commercial driver license.** A copy is maintained for each driver.

(12) **Seat belt exemption.** A written statement from a licensed physician is maintained, when required, per OAC 340:110-3-305(g).

(c) Volunteer records.

(1) **Driver or commercial driver license.** A copy is maintained for 120-calendar days from last use of volunteer unless the document must be maintained longer due to the personnel record requirement per (3) of this subsection.

(2) **CPR and first aid certifications.** Certification is maintained for 120-calendar days from last use of volunteer, unless the document must be maintained longer due to the personnel record requirement per (3) of this subsection.

(3) **Additional.** Personnel records per (b) of this Section are required when a volunteer fills another position, per OAC 340:110-3-284.1 through 340:110-3-284.4, and are maintained for 12 months from last use of the volunteer. However, personnel records are not required when a volunteer only fills the driver position and transports children on an irregular basis.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 36 Ok Reg 181, eff 12-17-18 (emergency); Amended at 36 Ok Reg 1892, eff 9-16-19]

340:110-3-281.4. Child records and documentation

(a) **General.** General records and documentation requirements, per Oklahoma Administrative Code (OAC) 340:110-3-281, also apply to items in this Section.

(b) **Child records.** The child record requirements in (1) through (16) of this subsection are met.

(1) **Child information.** Oklahoma Human Services (OKDHS) form, or a program form containing the same information, is:

- (A) completed by the parent prior to the child's first day of attendance; and
- (B) paper only.

(2) **Infant and 1-year-old daily record.** Daily records for 1-year-olds and younger are available in the child's classroom and include prompt documentation of eating, diapering, and sleeping activities.

(3) **Verbal pick-up authorizations.** When verbal authorization for pick-up of a child is obtained, personnel document the authorization, including the:

- (A) authorization date and time;
- (B) time period the authorization is valid; and
- (C) full name of the:
 - (i) individual providing authorization;
 - (ii) individual being given authorization; and
 - (iii) personnel receiving authorization.

(4) **Specialized service professional permission and release.** Signed and dated parent permission is available. In addition, when the professional does not complete the background investigation requirements, per OAC 340:110-3-282(a), parent releases indicating understanding are signed and dated prior to unsupervised access to children for each professional.

(5) **Food reward exception plan.** A behavior modification plan is available and includes content, per OAC 340:110-3-288(d), director and parent signatures, and the date signed.

(6) **Immunization records.** An immunization record or exemption is obtained prior to the first day of attendance and is updated when the child receives additional vaccines.

(7) **Medication permission.** Signed parent permission for each medication is obtained, prior to administration, on an OKDHS or program form containing the same information.

(A) Parent instructions are the same as:

- (i) the container instructions; or
- (ii) a licensed physician's written statement regarding over-the-counter medication instructions differing from the container instructions.

(B) For chronic medical conditions, permission may be obtained for 12 months or less at a time, provided specific instructions include when administration is needed, such as diaper cream and inhalers.

(8) **Medication administration.** Each dose administered, excluding diaper cream is immediately documented on an OKDHS or program form containing the same information.

(9) **Injury or poison exposure report.** An OKDHS or program form containing similar information is completed for each injury or poison exposure occurring while in care.

(10) **Infant safe sleep environment.** Written statements from licensed physicians, signed parent permissions, or both are available when required, per OAC 340:110-3-296(b).

(11) **Transportation permission and driver release.** Signed parent permission:

(A) is obtained prior to transportation; and

(B) at least includes:

- (i) vehicle information, such as whether a program or personal vehicle is used;
- (ii) driver information, such as whether the driver is personnel or a volunteer. In addition, when a volunteer driver does not complete the background investigation requirements, per OAC 340:110-3-282(a), parent releases indicating this understanding are signed and dated prior to unsupervised access to children for each volunteer driver; and
- (iii) a plan identified by the program or parent specifying pick-up and drop-off times and locations.

(12) **Field trip permission.** Signed parent permission is obtained prior to the field trip, and documentation is maintained for at

least 12 months from the trip. Field trip permission may be:

- (A) specific with dates, times, and locations; or
- (B) general for all field trips occurring within a specified time period, not to exceed 120 calendar-days, provided parents are notified of specifics for each field trip, per OAC 340:110-3-280(d).

(13) **Higher risk activity permission and plan.** A plan is provided to parents, and signed parent permission is obtained prior to the activity. Documentation of both is maintained for at least 12 months from the activity. Permission may be for each time the child participates or a general permission for each activity type, such as swimming, may be given for 120-calendar days or less at a time. Field trip permission including the higher risk activity plan meets the requirement. The plan includes:

- (A) activity-related qualifications of the individual(s) leading the activity;
- (B) minimum ratios for the activity;
- (C) conditions for the child's participation, such as his or her age and skill levels;
- (D) special equipment necessary, such as safety helmets or specific clothing; and
- (E) safety practices followed.

(14) **Annual parent conferences.** Documentation is maintained, per OAC 340:110-3-281.2(c).

(15) **Swimming skills - children.** A signed and dated parent statement regarding the water depth the child may swim in is obtained prior to the water activity, and documentation is maintained for at least 12 months from the activity.

(16) **Special diet for infants.** Written statements from licensed physicians are maintained when required, per OAC 340:110-3-298(f).

[Source: Amended and renumbered from 340:110-3-25.3 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-25.3 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-282. Background investigations

(a) **General.** Background investigation requirements are met.

(1) **Required individuals.** Background investigations are required, per Section 401 et seq. of Title 10 of the Oklahoma Statutes (10 O.S. §§ 401 et seq.), Oklahoma Child Care Facilities Licensing Act (Licensing Act), unless an exception per (3) of this subsection applies for:

- (A) owners, prior to authorization to operate;
- (B) responsible entities, prior to authorization to operate and, when there is a change in responsible entity;
- (C) personnel applicants, prior to hire. However, the program may hire individuals, when:
 - (i) the program has submitted a criminal history review request to the Office of Background Investigations (OBI);

(ii) only awaiting the national criminal history records search, based on fingerprint submission;
(iii) criminal history review results from OBI are received by the program. However, until complete results are received, the individual does not have unsupervised access to children; and
(iv) coming from another licensed program owned by the same business entity. Individuals are not required to repeat the background investigation process, unless required per (2) of this subsection, with the exception of criminal history restriction waivers, provided there is no break in employment from the business entity;

(D) individuals with unsupervised access to children, prior to having access to children, unless an exception per (3) of the subsection applies;

(E) adults living in the facility, prior to authorization to operate or moving into the facility of an existing program. This includes children, who become 18 years of age while living in the facility; and

(F) individuals having access to, or review of, fingerprint results, prior to access to or review of results.

(2) Resubmission of criminal history reviews as of November 2, 2017. Effective November 2, 2017, programs request a criminal history review process, excluding fingerprinting, for required individuals every five years. However criminal history reviews requested prior to November 2, 2017, are resubmitted by November 1, 2022.

(3) Non-required individuals. Background investigations are not required for:

(A) specialized service professionals who are not program personnel, provided parent releases are obtained, per Oklahoma Administrative Code (OAC) 340:110-3-281.4(b);

(B) volunteer drivers transporting children on an irregular basis and not filling another position, provided parent releases are obtained, per OAC 340:110-3-281.4(b);

(C) contracted drivers not filling another position or having unsupervised access to children; and

(D) contracted non-personnel not having unsupervised access to children, such as when the program contracts for special activities or facility repair.

(b) Restricted Registry. The program conducts an online search of the Restricted Registry, also named Joshua's List, when required, per (a) of this Section.

(1) **Non-registrants.** Non-registrants are individuals not recorded on the Restricted Registry.

(2) **Registrants.** Registrants are individuals recorded on the Restricted Registry, who are prohibited from licensure, ownership, employment, unsupervised access to children, or facility residence, and prohibited individuals per OAC 340:110-3-283(a) and (c).

(c) **Criminal history.** The program and required individuals complete the criminal history review process. The program receives the completed criminal history review results from OBI when required per (a) of this Section.

(1) **Criminal history prohibitions.** Individuals with criminal history prohibitions are prohibited, per OAC 340:110-3-283(a) through (c). Criminal history prohibitions include:

(A) required registration under the:

- (i) Sex Offenders Registration Act, including state and national repositories; or
- (ii) Mary Rippy Violent Crime Offenders Registration Act; or

(B) pleas of guilty or nolo contendere (no contest), or convictions of felonies involving:

- (i) murder, as defined in Section 1111 of Title 18 of United States Code;
- (ii) child abuse or neglect;
- (iii) crimes against children, including child pornography;
- (iv) spousal abuse;
- (v) crimes involving rape or sexual assault;
- (vi) kidnapping;
- (vii) arson;
- (viii) physical assault or battery; or
- (ix) a drug-related offense committed during the preceding five years, unless a criminal history restriction waiver per (2) of this subsection is granted; or

(C) pleas of guilty or nolo contendere (no contest), or convictions of violent misdemeanors committed as adults against a child involving:

- (i) child abuse or child endangerment; or
- (ii) sexual assault; or

(D) pleas of guilty or nolo contendere (no contest), or convictions of misdemeanors involving child pornography; or

(E) when an individual:

- (i) refuses to consent to background investigations per (a) of this Section; or
- (ii) knowingly makes a materially-false statement in connection with criminal background investigations.

(2) **Criminal history restrictions.** Individuals with criminal history restrictions are prohibited per OAC 340:110-3-283(a) and (c), unless a criminal history restriction waiver is granted. Criminal history restrictions include pending charges, pleas of guilty or nolo contendere (no contest), or convictions of criminal activity involving:

- (A) gross irresponsibility or disregard for the safety of others;
- (B) violence against an individual;

- (C) sexual misconduct;
- (D) child abuse or neglect;
- (E) animal cruelty;
- (F) illegal drug possession, sale, or distribution; or
- (G) a pattern of criminal activity.

(3) **Criminal history restriction waivers.** Restriction waivers are described in (A) through (D) of this paragraph.

(A) Restriction waivers may be requested for individuals having criminal history restrictions. The owner, responsible entity, or director completes requests on a DHS form.

(B) Restriction waivers are not requested or granted for:

- (i) Restricted Registry registrants;
- (ii) individuals with criminal history prohibitions; or
- (iii) individuals whose sentence has not expired for criminal history restrictions.

(C) Individuals identified in pending or denied restriction waiver requests are prohibited per OAC 340:110-3-283(a).

(D) Granted criminal history restriction waiver notifications are maintained per OAC 340:110-3-281.2(b).

(d) **References.** The program obtains at least three, non-relative references prior to hiring personnel applicants, with at least two references from the most recent employers, when applicable.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 35 Ok Reg 475, eff 1-31-18 (emergency); Amended at 35 Ok Reg 1705, eff 9-17-18]

340:110-3-283. Prohibited individuals

(a) **Background investigation of required individuals.** The program does not allow a required individual to be the owner or responsible entity, to be employed, to live in the facility, or have:

(1) access to children, such as being present at the facility during the hours of operation, or present with the children in care while off-site, when the individual has:

- (A) criminal history prohibitions;
- (B) criminal history restrictions, unless a criminal history restriction waiver is granted. Individuals identified in a pending or denied restriction waiver request are prohibited; or
- (C) a substantiated heinous and shocking abuse finding; or

(2) unsupervised access to children, when the individual is a Restricted Registry registrant.

(b) **Background investigation of drivers.** In addition to (a) of this Section, the program does not allow an individual required to obtain a background investigation to transport children when the individual has entered a plea of guilty or nolo contendere (no contest), or been convicted of driving under the influence of alcohol or drugs or another impaired driving offense within the last five years.

(c) **Background of any individual.** The program does not allow any individual to have access to children, such as being present at the facility during the hours of operation or present with the children in care while

off-site, when the program is aware the individual has criminal history prohibitions, per Oklahoma Administrative Code (OAC) 340:110-3-282(c). However, individuals may drop-off and pick-up children in care.

(d) **Behavior or health of any individual.** The program does not allow any individual to have access to children or live in the facility when the individual's behavior or health could endanger children's health, safety, or well-being.

(e) **Health of food service personnel.** In addition to (a) and (d) of this Section, the program does not allow any individual to work in any capacity in any food service area whose health could endanger children's health, safety, or well-being, including communicable disease and infestation symptoms, other than head lice.

(f) **Treating medical personnel statement.** When it is reported or observed an individual has a physical, mental, or emotional condition that may negatively impact the children or impair the individual's ability to perform his or her assigned job responsibilities, the program may be required to submit to Licensing a treating medical personnel statement . Documentation is maintained, per OAC 340:110-3-281.3(b).

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-284. General qualifications, responsibilities, and professional development

(a) **General.** Personnel are required to meet the general requirements in this Section and those specific to his or her assigned position(s), per Oklahoma Administrative Code (OAC) 340:110-3-284.1 through 340:110-3-284.4, with or without reasonable accommodations.

(b) **Qualifications.** Personnel meet the general qualification requirements in (1) through (3) of this subsection.

(1) **Skills.** Personnel possess the skills to perform his or her position responsibilities.

(2) **Background investigations.** Personnel meet the background investigation requirements, per OAC 340:110-3-282.

(3) **Oklahoma Professional Development Ladder.** Prior to or within 12 months of employment, teaching personnel obtain and maintain a current Oklahoma Professional Development Ladder (OPDL) certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder.

(c) **Responsibilities.** Personnel meet the general responsibility requirements in (1) through (3) of this subsection.

(1) **Complying with requirements.** Personnel comply with the requirements.

(2) **Caring for and educating children.** Personnel:

(A) individualize the care and learning opportunities meeting each child's needs based on the child's age and abilities, including reviewing the information provided by parents while respecting confidentiality;

(B) recognize and act to correct hazards to physical safety, both indoors and outdoors;

- (C) demonstrate prudent and responsible behavior reasonably ensuring children's health and safety;
- (D) demonstrate realistic expectations for behavior based on the children's age, abilities, and needs; and
- (E) work with children without physical, psychological, or emotional punishment, mistreatment, or abuse.

(3) **Reporting child abuse and neglect.** Personnel report suspected child abuse and neglect and human trafficking, per OAC 340:110-3-280(b).

(d) **Professional development.** Personnel meet the general professional development requirements in (1) through (8) of this subsection.

(1) **Professional development verification.** Verification of professional development is maintained, per OAC 340:110-3-281.3(b).

(2) **Professional development plan.** For the director and teaching personnel the program:

- (A) within six months of employment, develops an individualized education plan;
- (B) updates the plan annually; and
- (C) maintains documentation, per OAC 340:110-3-281.3(b).

(3) **Orientation.** Within one week of employment and prior to having sole responsibility for a group of children, personnel obtain orientation, as documented, per OAC 340:110-3-281.3(b), including, at least a review of:

- (A) Licensing requirements;
- (B) prevention and control of infectious disease;
- (C) immunizations;
- (D) injury prevention;
- (E) handling common childhood emergencies, including choking;
- (F) medication administration consistent with standards for parental consent;
- (G) prevention of and response to emergencies due to food and allergic reactions;
- (H) prevention and control of infectious disease and mandatory reporting;
- (I) child abuse and neglect definition, identification, and mandatory reporting;
- (J) appropriate use of discipline and prevention of child maltreatment;
- (K) car seat and transportation precautions and safety;
- (L) building and physical premise safety including identification of and protection from hazards that can cause bodily injury, such as electrical hazards, bodies of water, and vehicular traffic;
- (M) handling and storage of hazardous materials and appropriate bio-contaminant disposal;
- (N) diaper changing;
- (O) prevention of shaken baby syndrome and abusive head trauma;

- (P) reducing the risks of sudden infant death syndrome (SIDS);
- (Q) use of infant safe sleep practices;
- (R) child development; and
- (S) program specific information, including, at least:
 - (i) policies and procedures;
 - (ii) emergency preparedness and response planning for emergencies resulting from a natural disaster or a man-caused event addressing continuity of planning and all situations, per OAC 340:110-3-279;
 - (iii) confidentiality of information regarding children and families;
 - (iv) personnel's assigned duties and responsibilities, such as classroom schedules and lesson plans; and
 - (v) methods used to inform personnel of children's special health, nutritional, and developmental needs.

(4) **Safe sleep.** Prior to caring for infants, personnel obtain formal professional development in safe sleep practices.

(5) **Entry Level Child Care Training (ELCCT) or equivalent.** Prior to, or within 90-calendar days of employment, teaching personnel hired after August 1, 2003, complete an approved entry-level training listed on the Oklahoma Professional Development Registry (OPDR) website, such as ELCCT. However, this training is not required when previously received, unless the individual has not been employed at a licensed program within the last five years.

(6) **CPR and first aid.** Cardio-pulmonary resuscitation (CPR) and first aid certifications are age-appropriate for the children's ages accepted into care and are from approved sources listed on the OPDR website. In addition to CPR and first aid certification requirements for individuals in (A) through (B) of this subsection, other position specific CPR and first aid certification requirements are also met, per OAC 340:110-3-284.1 through 340:110-3-284.4.

(A) At all times, at least one personnel with current CPR and first aid certification is present with children:

- (i) on-site, including in each building where children are present;
- (ii) off-site; and
- (iii) in each vehicle during transportation.

However, a volunteer with certification from any source meets this requirement, provided the volunteer does not fill another position, excluding driver, per OAC 340:110-3-284.1 through 340:110-3-284.4.

(B) At least the director and master teachers obtain CPR and first aid certifications as required, per OAC 340:110-3-284.1(b) and 340:110-3-284.2(b).

(7) **Infection control.** Personnel obtain infection control training at least every 12 months.

(8) **Continuing professional development.** Ongoing professional development is required.

(A) The director obtains at least the required number of professional development clock-hours to maintain a current Oklahoma Director's Credential, per OAC 340 Appendix EE - Oklahoma Director's Credential. However, informal professional development clock-hours are limited.

(B) Teaching personnel obtain at least the required number of professional development clock-hours to maintain a current OPDL certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder. However, informal professional development clock-hours are limited.

(C) Formal professional development is:

(i) a course or training event of two or more clock-hours from an OPDR approved training organization; and

(ii) OPDR approved college credit hours.

(D) Informal professional development is:

(i) a course or training event of less than two clock-hours from an OPDR approved training organization;

(ii) any number of clock-hours from an OPDR non-approved training organization; and

(iii) any training from electronic media, such as videos or DVDs.

(E) Reading and television programs do not count toward required clock-hours.

(9) **Child passenger safety.** When the program provides transportation for children required to be in a car seat or booster seat, per Child Passenger Restraint System, Section 11-1112 of Title 47 of the Oklahoma Statutes (47 O.S. § 11-1112), the program has at least one personnel who obtained child passenger safety training from an approved source listed on the OPDR website, unless the vehicles used are exempt, per OAC 340:110-3-305(g). When the trained personnel's employment ends, the program has three months to meet this requirement.

[Source: Amended and renumbered from 340:110-3-7.1 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-7.1 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-284.1. Director and personnel in charge

(a) **General.** In addition to the position specific requirements in this Section, personnel meet the general requirements per Oklahoma Administrative Code (OAC) 340:110-3-284.

(b) **Director.** The program employs an individual who meets these position specific requirements.

- (1) **Position specific qualifications.** The director:
- (A) is at least 21 years of age;
 - (B) has satisfactory work experience;
 - (C) has a current bronze or higher level certificate per OAC 340 Appendix EE - Oklahoma Director's Credential;
 - (D) is not a director or master teacher at another program that operates concurrently at any given time; and
 - (E) has a good understanding of the requirements and program policies.
- (2) **Position specific responsibilities.** The director is:
- (A) accountable for the day-to-day operation of the program;
 - (B) responsible for:
 - (i) maintaining a program that meets or exceeds the requirements;
 - (ii) improving the quality of care;
 - (iii) implementing program development and evaluation;
 - (iv) ensuring personnel and volunteers comply with the requirements;
 - (v) supervising the conduct of personnel, volunteers, and other individuals providing services in the program;
 - (vi) appointing and informing the personnel in charge when the director is not present at the facility;
 - (vii) registering the program as a direct care organization and maintaining information on the Oklahoma Professional Development Registry (OPDR); and
 - (viii) overseeing parent communication and family engagement;
 - (C) present at the facility during the hours of operation at least 50 percent of the operating hours or 30 hours per week, whichever is less; and
 - (D) free from direct care responsibilities, when four or more teaching personnel are required to meet ratios, at least three hours per day during the hours of operation to provide program oversight and personnel supervision.
- (3) **Position specific professional development.** The director, upon assuming the position:
- (A) completes a DHS requirements compliance review form within one month;
 - (B) obtains and maintains cardio-pulmonary resuscitation (CPR) and first aid certifications prior to, or within three months, that meet requirements per OAC 340:110-3-284(d); and
 - (C) is exempt from the Entry Level Child Care Training (ELCCT) or equivalent requirement.

(c) **Personnel in charge.** The director appoints an individual who meets the position specific requirements listed in (1) through (3) of this

subsection.

- (1) **Position specific qualifications.** The personnel in charge:
 - (A) are at least 21 years of age; and
 - (B) have a good understanding of the requirements and program policies.
- (2) **Position specific responsibilities.** The personnel in charge takes responsibility for program operation when the director is not present at the facility.
- (3) **Position specific professional development.** The personnel in charge meets specific professional development for his or her regularly assigned position.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17]

340:110-3-284.2. Teaching personnel

- (a) **General.** In addition to the position specific requirements in this Section, personnel meet the general requirements, per Oklahoma Administrative Code (OAC) 340:110-3-284.
- (b) **Master teachers.** The program employs or utilizes at least the minimum number of required individuals or volunteers meeting the position specific requirements in (1) through (6) of this subsection.
 - (1) **Required master teachers.** At least one master teacher is required for every 60 children of the licensed capacity. Only the required number of master teachers are required to meet all of the master teacher requirements. However, all master teachers meet cardio-pulmonary (CPR) and first aid certification requirements in (6) of this subsection.
 - (2) **Position specific qualifications.** Master teachers:
 - (A) are at least 18 years of age;
 - (B) have at least a high school diploma, General Education Development (GED), or Licensing approved equivalent; and
 - (C) have a current Oklahoma Professional Development Ladder (OPDL) certificate, per OAC 340 Appendix FF - Oklahoma Professional Development Ladder of Level 4 or higher.
 - (3) **Probationary master teachers.** Directors may request a one-year probationary period for personnel replacing master teachers not meeting educational criteria, per (2)(C) of this subsection.
 - (A) Probationary master teachers:
 - (i) complete the Oklahoma Human Services (OKDHS) form for the master teacher educational professional development plan, per OAC 340:110-3-281.3(b); and
 - (ii) are listed on the Oklahoma Professional Development Registry (OPDR). No specific level is required; however, OPDL timeframes and certificates are met, per OAC 340:110-3-284(b).
 - (B) Licensing may extend the probationary period for a second year, providing the probationary master teacher is

actively pursuing educational qualifications as identified on the OKDHS form.

(C) Master teacher educational qualifications are met for the initial permit, license issuance, and increases in licensed capacity.

(4) **Director as master teacher.** The director may count as a master teacher when meeting the master teacher qualifications, per (b) of this Section. Directors counting as master teachers are eligible for probationary periods, per (3) of this subsection.

(5) **Position specific responsibilities.** Master teachers:

(A) support other teaching personnel in meeting teacher and assistant teacher responsibilities;

(B) are responsible for:

(i) direct care of children;

(ii) planning and implementing the lesson plans;

(iii) classroom arrangement;

(iv) planning and implementing parent communication and family engagement; and

(v) providing input on program development and evaluation; and

(C) are present at the facility during the hours of operation at least 50 percent of operating hours or 30 hours per week, whichever is less.

(6) **Position specific professional development.** Master teachers obtain and maintain CPR and first aid certification requirements, per OAC 340:110-3-284(d). Master teachers obtain the certification within three months.

(c) **Teachers.** The program employs individuals or utilizes volunteers meeting the position specific requirements in (1) through (3) of this subsection.

(1) **Position specific qualifications.** Teachers:

(A) are at least 18 years of age; and

(B) have at least:

(i) a high school diploma, GED, or Licensing approved equivalent; or

(ii) completed 10th grade and are in the process of obtaining a GED for a period not to exceed 12 months from employment.

(2) **Position specific responsibilities.** Teachers:

(A) have the primary responsibility for direct care of children; and

(B) participate in:

(i) lesson plan development and implementation;

(ii) classroom arrangement;

(iii) parent communication and family engagement; and

(iv) program development and evaluation.

(3) **Position specific professional development.** Teachers obtain and maintain CPR and first aid certification requirements, per OAC 340:110-3-284(d). Teachers obtain the certification within three months.

(d) **Assistant teachers.** The program may employ individuals or utilize volunteers meeting the position specific requirements in (1) through (4) of this subsection.

(1) **Position specific qualifications.** Assistant teachers:

(A) are at least 16 years of age; and

(B) meet one of the criteria in (i) through (iii). Assistant teachers:

(i) are currently enrolled in high school or an equivalent;

(ii) have at least a high school diploma, GED, or approved equivalent; or

(iii) have completed 10th grade and are in the process of obtaining a GED for a period not to exceed 36 months from employment.

(2) **Position specific responsibilities.** Assistant teachers:

(A) are responsible for direct care of children; and

(B) carry out assigned tasks that may include participation in:

(i) lesson plan development and implementation;

(ii) classroom arrangement;

(iii) parent communication and family engagement; and

(iv) program development and evaluation.

(3) **Position specific professional development.** Assistant teachers obtain and maintain CPR and first aid certification requirements, per OAC 340:110-3-284(d). Assistant teachers obtain the certification within three months.

(4) **Position specific limitations.** Assistant teachers:

(A) are overseen by an on-site director, master teacher, or teacher:

(i) overseeing two or fewer assistant teachers at one time; and

(ii) providing intervention, when needed; and

(B) not having sole responsibility for a group of children:

(i) for more than three hours per day; and

(ii) during higher risk activities, per OAC 340:110-3-290.

(e) **Substitutes for teaching personnel.** The program may employ individuals or utilize volunteers or other personnel meeting the position specific requirements in (1) through (3) of this subsection.

(1) **Position specific qualifications.** Substitutes meet the teacher qualifications, per (c) of this Section. However, the OPDL certificate is not required until indicated in (3) of this subsection.

(2) **Position specific responsibilities.** Substitutes meet the responsibility requirements for the position(s) they are filling.

(3) **Position specific professional development.** Substitutes meet the general professional development requirements, per OAC 340:110-3-284(d). However, the timeframe for meeting professional development requirements begins when the substitute has worked for the program a total of 80 hours.

However:

- (A) orientation is required, prior to being left alone with children; and
- (B) CPR and first aid certification requirements are met per specific position requirements.

340:110-3-284.3. Support personnel

(a) **General.** In addition to the position specific requirements in this Section, personnel meet the general requirements per Oklahoma Administrative Code (OAC) 340:110-3-284.

(b) **All support personnel.** The program may employ individuals or use volunteers or other personnel who meet these position specific requirements.

(1) **Position specific responsibilities.** Support personnel provide support services to the program.

(2) **Position specific limitations.** Personnel performing support services do not count in ratios unless an exception applies per OAC 340:110-3-286(a).

(3) **Position specific additional requirement.** When support personnel fill another position in OAC 340:110-3-284.1 or 340:110-3-284.2, the individual also meets the requirements for the position(s) they are filling.

(c) **Food service personnel.** The program may employ individuals or use volunteers or other personnel who meet these position specific requirements.

(1) **Position specific responsibilities.** Food service personnel:

(A) prepare and serve food; and

(B) meet the food service requirements per OAC 340:110-3-299.

(2) **Position specific professional development.** Prior to or within three months of assuming primary responsibilities for food preparation, food service personnel obtain food service training from an approved source listed on the Oklahoma Professional Development Registry (OPDR) website. However, this is not required when only limited food service is provided per OAC 340:110-3-299(a).

(d) **Drivers.** The program may employ individuals or use volunteers or other personnel who meet these position specific requirements.

(1) **Position specific qualifications.** Drivers:

(A) are at least 21 years of age;

(B) have a valid driver or commercial driver license (CDL) in their state of residence, appropriate for the type of vehicle driven. Documentation is maintained per OAC 340:110-3-281.3(b) and (c);

(C) who are contracted personnel or volunteers, may not be required to obtain criminal history reviews per OAC 340:110-3-282(a); and

(D) are prohibited when required per OAC 340:110-3-283(b).

(2) **Position specific responsibilities.** Drivers:

(A) transport children; and

(B) meet the transportation requirements per OAC 340:110-3-305.

(3) **Position specific professional development.** Drivers, excluding volunteers who transport on an irregular basis and do not fill another position per OAC 340:110-3-284.1 through 340:110-3-284.4, obtain within three months of transporting children:

(A) child passenger safety training per OAC 340:110-3-284(d), from the program's trained personnel or an approved source listed on the OPDR website or a trained personnel is in the vehicle with the contracted driver, unless the vehicle used is exempt per OAC 340:110-3-305(g). In addition, personnel who assist with child passenger restraints obtain this training from the options indicated within three months of assisting; and

(B) vehicle safety training:

(i) for the safe operation of the type of vehicle driven, when driving a vehicle designed to transport 10 or more passengers; and

(ii) from any training source, excluding owner manuals.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-284.4. Other personnel and non-personnel

(a) **General.** In addition to position specific requirements in this Section, personnel meet the general requirements per Oklahoma Administrative Code (OAC) 340:110-3-284.

(b) **Contracted personnel.** When the program contracts for a service and the individual or agency personnel fills a position per OAC 340:110-3-284.1 through 340:110-3-284.3, the requirements for the position(s) are met.

(c) **Contracted non-personnel.** When the program contracts for a service, such as special activities or facility repair, and the individual or agency personnel does not fill a position per OAC 340:110-3-284.1 through 340:110-3-284.3, the personnel requirements are not required.

(1) **Position specific qualifications.** Contracted non-personnel who have unsupervised access to children meet the background investigation requirements per OAC 340:110-3-282.

(2) **Position specific limitations.** Contracted non-personnel are not responsible for supervision per OAC 340:110-3-287(i).

(d) **Specialized service professionals.** The program may employ individuals, contract non-personnel, use volunteers, and allow children to have access to specialized service professionals, who meet these requirements.

(1) **Position specific qualifications.** Specialized service professionals meet the background investigation requirements per OAC 340:110-3-282.

(2) **Position specific additional requirement.** Parent permission is required. Documentation is maintained per OAC 340:110-3-281.4(b).

(e) **Volunteers.** The program may use volunteers who meet these requirements. However, volunteers who fill another position per OAC 340:110-3-284.1 through 340:110-3-284.3 meet all personnel requirements and the requirements for the position(s) they are filling, unless the requirements specifically state otherwise.

(1) **Position specific qualifications.** Volunteers who have unsupervised access to children meet the background investigation requirements per OAC 340:110-3-282.

(2) **Position specific responsibilities.** Volunteers comply with the requirements.

(3) **Position specific professional development.** Volunteers within one week of providing services, are familiar with program policies and procedures that pertain to the services they are providing.

(4) **Position specific limitations.** Volunteers are supervised by the director or designated personnel.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-285. Licensed capacity

(a) **Licensed capacity.** The maximum number of children in care at one time, whether on-or off-site, does not exceed the licensed capacity specified on the current permit or license. This includes the personnel's children who are present and not filling a position listed in Oklahoma Administrative Code (OAC) 340:110-3-284.1 through 340:110-3-284.4.

(b) **Calculating licensed capacity.** The licensed capacity is the lowest capacity computed:

(1) for the indoor play area based on the number of sinks and toilets;

(2) for the indoor play area based on the square footage;

(3) for the outdoor play area based on the square footage; or

(4) on the fire inspection report, when applicable.

(c) **Equipment and master teachers.** The licensed capacity impacts the:

(1) amount of equipment; and

(2) number of required master teachers.

(d) **Collaborations.** The licensed capacity may be reduced during collaborative times per OAC 340:110-3-277(c).

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-286. Ratios and group sizes

(a) **Ratios.** Ratios are the number of teaching personnel required to be physically present with a child or group of children, per Oklahoma

Administrative Code (OAC) 340 Appendix GG - Ratios and Group Sizes. Only teaching personnel count in ratios, unless requirements specifically state otherwise. The program is required to maintain ratios at all times.

(1) **Counted in ratios.** Personnel may count in ratios when these situations apply.

(A) **Transportation.** Drivers may count in ratios when only one or two children of any age or only children 4 years of age or older are transported.

(B) **Teaching personnel performing minimal cleaning and food service.** Teaching personnel may count in ratios while performing minimal cleaning and food service duties, provided supervision is maintained.

(C) **Adjacent restrooms.** Teaching personnel may count in ratios when present or children are present in a restroom opening directly into the classroom, provided children can be seen or heard and supervision is maintained.

(D) **Rest time - 3- through 5-year-olds.** When children are resting quietly or sleeping, the exceptions in (i) and (ii) of this subparagraph may apply.

(i) **One group.** At least one teaching personnel is present in the classroom. Other teaching personnel required for ratios remain in the building on the same floor.

(ii) **Combined groups.** When two or more groups are combined into one classroom for rest time, at least one teaching personnel is with each group and present in the classroom. Other teaching personnel required for ratios remain in the building on the same floor. When groups are combined the:

- (I) maximum group size requirements, per (b) of this Section, do not apply; and
- (II) classroom capacity requirements, per Oklahoma Administrative Code (OAC) 340:110-3-301(b) apply.

(E) **Overnight care.** When children are resting quietly or sleeping, at least one teaching personnel is with each group and present in the classroom. Other teaching personnel required for ratios remain in the building on the same floor. Teaching personnel are awake at all times, per OAC 340:110-3-287.

(2) **Not counted in ratios.** Personnel do not count in ratios when the situations in (A) through (C) of this paragraph apply.

(A) **Transportation.** Drivers do not count in ratios when 3-year-olds or younger are transported, unless the transportation exception applies, per (1) of this subsection.

(B) **Support services personnel.** Support services personnel do not count in ratios when performing support services, unless the minimal cleaning and food service exception applies, per (1) of this subsection.

(C) **Lifeguard.** Personnel do not count in ratios when performing lifeguard duties.

(3) **Children with special needs.** When children with special needs are in care, additional teaching personnel may be required, ensuring appropriate supervision and care of all children.

(b) **Groups and group sizes.** Groups are determined by the number of children cared for by one or more teaching personnel. There is only one group of children per classroom or other area, and the maximum group size is not exceeded, per OAC 340 Appendix GG - Ratios and Group Sizes, unless an exception applies, per (2) of this subsection.

(1) **Classrooms.** Rooms may be one classroom or divided into more than one classroom by permanent or temporary walls or barriers, including large areas, such as gymnasiums, provided the large area requirements, per OAC 340:110-3-301(b) are met.

(A) **Classrooms - 4-year-olds or younger.** Walls or barriers are at least three feet in height.

(B) **Classrooms - 5-year-olds or older.** Walls or barriers may be established through a variety of options, such as partitions or tables.

(2) **Maximum group size exceptions.** The maximum group size requirements do not apply when groups are combined for special activities, outdoor play, meals, snacks, rest time, and field trips.

However, the ratio requirements apply, including the combined group rest time exception, per (a) of this Section.

(c) **Post ratios and group sizes.** Ratios and group sizes are posted, per OAC 340:110-3-281.1(i).

[Source: Amended and renumbered from 340:110-3-25.6 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-25.6 at 33 Ok Reg 1678, eff 9-15-16; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-287. Supervision

(a) **Supervision.** Supervision is the function of observing, overseeing, and guiding a child or group of children, including an awareness of, and responsibility for, the ongoing activity of each child, and being near enough to intervene when needed. The program is required to maintain supervision at all times.

(b) **Know children.** Teaching personnel:

(1) recognize children assigned to their group; and

(2) are responsible for learning assigned children's behaviors, interests, and individual needs.

(c) **Non-job related activities.** While counting in ratios, personnel do not participate in non-job related activities that may interfere with supervision, such as visitors, phone calls, or electronic device use.

(d) **Kitchen.** Children are restricted from the kitchen, unless part of a planned, supervised activity.

(e) **Exception - children 5 years of age or older.** Five or fewer children having a good understanding of program rules may participate in a short-term, on-site activity not within sight and hearing of teaching personnel. However:

- (1) children count in ratios of his or her assigned group;
- (2) this exception is not used when:
 - (A) children use stationary outdoor play equipment;
 - (B) children participate in higher risk activities, per Oklahoma Administrative Code (OAC) 340:110-3-290(a); or
 - (C) on-site services are being performed by contracted non-personnel without completed criminal history reviews, per OAC 340:110-3-282; and
- (3) when this exception is used, assigned teaching personnel:
 - (A) make contact with these children at least every 10 minutes, while maintaining supervision of all children in his or her assigned group;
 - (B) provide immediate intervention, when needed; and
 - (C) know each child's location at all times and the nature of his or her activities.

(f) **On-site play areas accessible to public.** The program has a method for easily identifying children and any play area boundaries.

(g) **Off-site.** When the program provides or arranges for off-site activities:

- (1) a written supervision plan is maintained;
- (2) an adult teaching personnel is with each group;
- (3) boundaries are identified to the children; and
- (4) the children are identifiable, such as using t-shirts, wrist bands, or badges.

(h) **Transportation.** Transportation documentation is maintained, per OAC 340:110-3-281.2(d).

- (1) Children are never left unattended in vehicles.
- (2) Supervision during transportation:
 - (A) begins when the child is picked up and the program has physical custody of the child. When the child is not present, or there is a contradiction about who is responsible for picking up the child, the program informs the parent, per OAC 340:110-3-280(d); and
 - (B) ends when the child is dropped off. The child is only dropped off at the pre-arranged location or with the individual designated by the parent, per OAC 340:110-3-281.4(b).
- (3) When transporting children, communication device use is restricted, per OAC 340:110-3-305(e).
- (4) Children's entire bodies remain in the vehicle.

(i) **Contracted non-personnel.** When contracted non-personnel are present, program personnel provide the supervision.

(j) **Overnight care.** Teaching personnel required for ratios are awake at all times.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-288. Discipline and behavior guidance

(a) **General.** Discipline and behavior guidance is developmentally appropriate, responsive to the circumstances, constructive, and provides

learning opportunities. Personnel do not seek or accept parental permission not complying with requirements, per Oklahoma Administrative Code (OAC) 340:110-3-293(a).

(b) Appropriate discipline.

- (1) **Assessment.** Personnel evaluate the environment, atmosphere, and activities before considering specific child interventions.
- (2) **Interaction.** Personnel interact with an attitude of understanding and firmness.
- (3) **Fairness and consistency.** Personnel use fair and consistent rules.
- (4) **Perspective.** Personnel maintain perspective and recognize every behavior not requiring teaching personnel's attention or intervention.
- (5) **Expressing acceptance and disapproval.** Personnel speak so children understand their feelings are acceptable, but the action or behavior may be unacceptable.
- (6) **Self-control.** Personnel encourage children to develop self-control.
- (7) **Relevant.** Personnel choose discipline relevant to the behavior.
- (8) **Redirect.** Personnel provide alternatives when the behavior is unacceptable.
- (9) **Consequences.** Personnel use safe, natural, and logical consequences helping children take responsibility for his or her actions.
- (10) **Individualize.** Personnel recognize every discipline method is not effective with every child or circumstance.
- (11) **Time-out or time-away.** Personnel may consider this option when other discipline methods are ineffective.

(A) Personnel use this method only with children 2 years of age and older when:

- (i) necessary for the child to regain self-control;
- (ii) the child has the ability to learn from it; and
- (iii) appropriate supervision is maintained.

(B) The child may sit quietly or participate in an individual activity.

(C) Time-out is limited to one minute or less for each year of age. However, when self-control is regained in less time, the child may rejoin an ongoing activity.

(c) Inappropriate discipline. Personnel are prohibited from using or threatening to use inappropriate discipline.

- (1) **Physical.** Inappropriate physical discipline examples include:
 - (A) actions that could cause pain, such as shaking, hitting, striking with an object, spanking, swatting, thumping, pinching, popping, shoving, spatting, hair pulling, yanking, and slamming;
 - (B) biting a child;
 - (C) putting anything in or on a child's mouth;
 - (D) exposure to extreme temperatures;
 - (E) excessive or forced exercise; and

(F) restraining or tying to restrict a child's movement by any means other than holding . Holding is used only as long as necessary for the child to regain self-control.

(2) **Psychological and emotional.** Inappropriate psychological and emotional discipline examples, include:

- (A) humiliating, rejecting, or neglecting a child;
- (B) making derogatory or sarcastic remarks about a child's family, race, gender, religion, or cultural background;
- (C) yelling at a child out of anger or using harsh or profane language;
- (D) punishing or threatening a child in association with:
 - (i) education, such as writing repetitive sentences and homework; and
 - (ii) physical needs, such as:
 - (I) withdrawing, denying, or forcing food, rest, or toileting; and
 - (II) withdrawing or denying outdoor play or a weather alternate activity;
- (E) isolating a child without supervision;
- (F) placing a child in a dark area;
- (G) allowing a child to discipline other children; and
- (H) punishing an entire group due to the actions of one or a few children.

(d) **Inappropriate food reward.** Food is not used to obtain or reward desired behaviors.

(1) **Food reward exception.** When a child has a non-typical behavioral issue or learning style and other methods to modify the child's behavior do not work, food if necessary, may be used initially to obtain or reward a desired behavior.

(2) **Food reward exception plan.** A behavior modification plan, with timeframes, is developed by relevant professionals, when applicable, director, and parents to eliminate food as a reward and take steps to transition to another method for obtaining or rewarding desired behaviors. Documentation is maintained, per OAC 340:110-3-281.4(b).

[Source: Amended and renumbered from 340:110-3-26 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-26 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-289. Learning program principles

(a) **General.** Each child is:

- (1) provided an environment that:
 - (A) meets the needs and encourages full participation of all children;
 - (B) includes play equipment and activities fostering inclusivity of diverse cultures and families; and
 - (C) is equipped and prepared for learning based on each child's age, needs, and interests; and
- (2) provided multiple opportunities to play the majority of the day individually or in small, informal groups;

- (3) allowed to choose activities balanced between teaching personnel-directed and child-selected; and
- (4) encouraged, but not forced, to participate in program activities, with adaptations ensuring safety and participation.

(b) **Daily classroom schedules.** Classroom schedules provide consistent routines.

- (1) Classroom schedules are:
 - (A) a sequence of activities indicating times of day;
 - (B) developed for each classroom;
 - (C) followed with reasonable regularity;
 - (D) age-appropriate; and
 - (E) posted, per Oklahoma Administrative Code (OAC) 340:110-3-281.1(i).
- (2) Classroom schedules at least include:
 - (A) alternating periods of quiet and active play;
 - (B) indoor and outdoor play;
 - (C) meal and snack time;
 - (D) rest time, when applicable; and
 - (E) transportation, when applicable.

(c) **Transition times.** Teaching personnel have short-term activities, such as songs, stories, and exercises reducing waiting periods in between children's activities.

(d) **Weekly lesson plans.** Lesson plans provide varying daily activities by including diverse topics, projects, or ideas influenced by children's curiosity and interests.

- (1) Lesson plans are:
 - (A) developed weekly indicating plans for each day;
 - (B) developed for each classroom;
 - (C) followed with flexibility;
 - (D) different each week; and
 - (E) posted, per OAC 340:110-3-281.1(i).
- (2) Lesson plans at least include daily indoor and outdoor learning activities and experiences that:
 - (A) are developmentally appropriate;
 - (B) meet children's needs and stimulate learning in developmental areas, such as:
 - (i) social;
 - (ii) emotional;
 - (iii) cognitive;
 - (iv) language, including reading to children at least 15 minutes per day and providing writing opportunities;
 - (v) creative expression, such as art and music; and
 - (vi) physical, including at least one activity teaching personnel lead and participate in; and
 - (C) balance gross and fine motor activities; and
 - (D) use a variety of equipment and materials.

(e) **Interest areas.** Play equipment is arranged in interest areas in classrooms with children 2 years of age or older. However, children may move the play equipment between interest areas while playing. Required interest areas include:

- (1) art;
- (2) blocks;
- (3) books and language;
- (4) dramatic play; and
- (5) manipulatives.

(f) **Play equipment accessibility.** Required play equipment, per OAC 340 Appendix MM - Equipment, for the:

- (1) licensed capacity is maintained at the facility; and
- (2) classroom is proportionate in amount and variety to the number of children in attendance and within children's reach.

(g) **Play equipment rotation.** Play equipment may be rotated to maintain children's interest.

(h) **Outdoor play.** Daily outdoor play is ensured:

- (1) for each child regardless of age, unless the child's health or safety is at risk, based on parent-provided written information; and
- (2) provided weather and environmental conditions pose no significant health or safety risk, by:
 - (A) adjusting the time of day and amount of time outside;
 - (B) considering children's ages; and
 - (C) ensuring children wear weather-appropriate clothing.

(i) **Electronic and print media.** Children may use media, provided these requirements are met.

- (1) Electronic and print media are chosen with discretion and selectivity and are:
 - (A) non-violent;
 - (B) non-vulgar;
 - (C) non-sexually explicit;
 - (D) culturally sensitive; and
 - (E) age-appropriate, per widely accepted rating systems.
- (2) When the internet is accessible for children's use, the program ensures children do not have access to inappropriate websites, email, instant messaging, and similar technology.
- (3) Screen time is:
 - (A) viewing electronic media with a screen, such as television (TV), digital video display (DVD), videos, video games, phones, and computers. Screen time includes viewing screens while others use the media;
 - (B) not used during meal and snack times. However, snacks may be provided during occasional special activities;
 - (C) not used when all children in the group are 1-year-olds or younger; and
 - (D) limited for all other groups.
 - (i) Screen time is limited to:
 - (I) thirty minutes or less during the day for each child or group. However, Saturday mornings may include an additional 30 minutes for each child or group; and
 - (II) one hour or less during the evening for each child or group in evening or overnight

care.

- (ii) Exceptions to limited screen time include:
- (I) electronic media involving physical activity participation;
 - (II) electronic media when used for children's school-related educational activities;
 - (III) e-readers when used for reading;
 - (IV) smart boards and tables when used for hands-on learning activities, such as drawing or puzzles;
 - (V) occasional special activities, such as watching movies; and
 - (VI) assistive or adaptive technology for children with special needs.

(4) During rest time, personnel may use electronic media for child and classroom-related activities, provided supervision is maintained.

(j) **Program for 1-year-olds and younger.** Awake children:

- (1) spend a majority of time playing freely on the floor, including infant "tummy-time";
- (2) are not permitted in infant car seats, except during emergency drills, transportation, and arrival and departure with parents; and
- (3) do not remain for more than 20 minute increments in equipment restricting freedom of movement, such as rest equipment, swings, high chairs, or stationary activity centers, except while eating in high chairs or similar stationary equipment. Children only sleep in appropriate rest equipment, per OAC 340:110-3-296.

[Source: Amended and renumbered from 340:110-3-25.1 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-25.1 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-290. Higher risk activities

(a) **Higher risk activities.** Higher risk activities, such as swimming, shoreline activities, archery, ice or roller skating, gymnastics, enclosed inflatable bouncing equipment, or karate increase the risk for severe injuries.

(b) **Selection.** Higher risk activities are chosen with discretion and selectivity. Some activities are not appropriate for child care, such as trampoline use per Oklahoma Administrative Code (OAC) 340:110-3-302(e), or for every age.

(c) **Ratios and supervision.** Teaching personnel required for ratios are present with the children, including when the activity is conducted by contracted non-personnel. Additional personnel may be required, depending on the activity risk-level, to ensure proper supervision and care of all children.

(d) **Qualifications.** Personnel or contracted non-personnel leading the activity have appropriate certifications, when required, training in the

activity, or experience. Documentation is maintained per OAC 340:110-3-281.3(b).

(e) **Higher risk activity plan and parent permission.** Prior to the activity, the program provides the plan to parents and obtains their permission. Documentation is maintained per OAC 340:110-3-281.4(b).

[Source: Amended and renumbered from 340:110-3-25.2 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-25.2 at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-291. Water activities

(a) **Water activities.** Any activity that involves water play or is near a body of water is a water activity.

(1) **Supervision.** Personnel are required to supervise children constantly, including in the dressing areas, while maintaining the privacy of older children.

(2) **Safety rules.** Personnel review safety rules with children each time they participate.

(b) **Water features.** On-site water features, such as streams and fountains, are inaccessible, unless a Licensing approved written plan, addressing supervision and safety, is followed.

(c) **Sprayground activities.** Spraygrounds or splash pads spray water and allow children to get wet and splash; however, they do not accumulate water. Sprinklers are not considered spraygrounds.

(1) **Higher risk activity.** The higher risk activity requirements are met per Oklahoma Administrative Code (OAC) 340:110-3-290.

(2) **Supervision.** Teaching personnel supervise children constantly.

(d) **Swimming and wading activities.** Swimming may only occur in a swimming pool that meets the requirements per (6) of this subsection. Wading may only occur in swimming pools or narrow and shallow creeks and streams that have non-standing, non-swift flowing water. Personnel do not allow children to wade in water above their knees.

(1) **Higher risk activity.** The higher risk activity requirements are met per OAC 340:110-3-290.

(2) **Ratios.** Swimming and wading ratios are met per OAC 340 Appendix GG - Ratios and Group Sizes.

(3) **Supervision.** Teaching personnel are:

(A) in or at the water and prepared to enter;

(B) in direct physical contact with infants; and

(C) not more than an arm's length from 1-year-olds.

(4) **Lifeguard.** These lifeguard requirements are met.

(A) When children use a swimming pool with a water depth of more than 18 inches, an on-duty certified lifeguard is present, in addition to the cardio-pulmonary resuscitation (CPR) and first aid certified personnel per OAC 340:110-3-284(d).

(B) When the on-duty lifeguard is also program personnel, the individual:

(i) maintains lifeguard and CPR certification per OAC 340:110-3-281.3(b);

(ii) is not counted in ratios per OAC 340:110-3-286(a); and

(iii) is responsible for 36 or fewer children.

(5) **Swimming skills and safety.** Personnel follow:

(A) parent provided information regarding the child's swimming skills as documented per OAC 340:110-3-281.4(b); and

(B) a system that continually checks each child's safety in the water.

(6) **Swimming pools.** Swimming pools include permanent wading pools, in-ground and above-ground pools, water parks excluding sprayground parks, and other similar bodies of water.

(A) Before use, personnel ensure the swimming pool has:

(i) a current Oklahoma State Department of Health (OSDH), public bathing place license; and

(ii) life-saving equipment available at the pool side.

(B) On-site indoor and outdoor swimming pools are enclosed and secured to prevent unsupervised access.

Doors and gates leading to the pool are locked.

(i) Outdoor in-ground pools are fenced and fencing:

(I) is sturdy;

(II) cannot be easily climbed;

(III) is at least four feet high and starts at ground-level; and

(IV) may include a building wall, provided doors are kept locked and any windows are unable to be opened by children.

(ii) Outdoor above-ground pools have:

(I) a fence that meets the in-ground pool fencing requirements;

(II) at least four feet of non-climbable pool sidewalls; or

(III) a combination of pool sidewalls and fencing, with the fence attaching to and extending above the pool sidewalls, for a total height of at least four feet.

(iii) Outdoor above-ground pools with steps leading to the pool have the steps removed or otherwise protected to prevent unsupervised access.

(e) **Shoreline activities - 5-year-olds and older.** Children may participate in shoreline activities, such as fishing at lakes, ponds, creeks, or streams provided these requirements are met.

(1) **Higher risk activity.** The higher risk activity requirements are met per OAC 340:110-3-290.

(2) **Limitations.** During shoreline activities, children do not enter the water unless the wading requirements per (d)(1) through (4) and (5)(B) of this Section are met.

(3) **Ratios.** Swimming and wading ratios are met per OAC 340 Appendix GG - Ratios and Group Sizes.

(f) **Boating activities - 5-year-olds and older.** Children may participate in boating activities provided these requirements are met.

- (1) **Higher risk activity.** The higher risk activity requirements are met per OAC 340:110-3-290.
 - (2) **Limitations.** During boating activities, children do not swim or wade.
 - (3) **Ratios.** Swimming and wading ratios are met per OAC 340 Appendix GG - Ratios and Group Sizes.
 - (4) **Life jackets.** Appropriately sized and approved life jackets are worn by children and personnel.
- (g) **Restrictions.** The water restrictions listed in (1) through (4) of this subsection apply.
- (1) **Ponds and lakes.** Ponds, lakes, and other similar bodies of water are inaccessible, unless the shoreline activity requirements are met. Swimming and wading in these bodies of water is prohibited. However, children may wade in creeks and streams per (d) of this Section.
 - (2) **Saunas, spas, hot tubs, and stock tanks.** Saunas, spas, hot tubs, and stock tanks are inaccessible and use is prohibited.
 - (3) **Diving.** Diving is prohibited unless the swimming pool meets OSDH diving regulations.
 - (4) **Portable wading pools.** Portable wading pools with water are prohibited.

[Source: Amended and renumbered from 340:110-3-25.4 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-25.4 at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-292. Animals

(a) General.

- (1) When animals live on-site, visit the facility, or children have off-site animal contact, the requirements in this Section are met.
- (2) Local animal ordinances are followed.
- (3) Parents are notified of animals' presence, per Oklahoma Administrative Code (OAC) 340:110-3-280(d).
- (4) Animal bites are:
 - (A) reported, per OAC 340:110-3-280(a) and (d); and
 - (B) documented as an injury, per OAC 340:110-3-281.2(c) and 340:110-3-281.4(b).

(b) Prohibited and inaccessible animals on-site.

- (1) Prohibited animals on-site, unless the requirements specifically state otherwise, include:
 - (A) common hosts of rabies ineligible for United States Department of Agriculture (USDA)-approved rabies vaccinations; and
 - (B) wild or dangerous animals.
- (2) When stray animals are on-site, the program takes action to have them removed from the premises.
- (3) Birds of the parrot family, such as cockatoos, cockatiels, parakeets, and lovebirds meet Psittacosis testing requirements, per (e) of this Section. Birds testing:
 - (A) positive are prohibited on-site. When an antibody test result is positive, an antigen test may be conducted prior to prohibition; or

(B) negative are inaccessible to children on-site.
(4) Inaccessible animals on-site, unless the requirements specifically state otherwise, include:

- (A) ferrets;
- (B) spiders, such as tarantulas;
- (C) fish;
- (D) amphibians, such as frogs, tadpoles, newts, and salamanders;
- (E) reptiles, such as non-venomous lizards and snakes, turtles, terrapins, and tortoises;
- (F) hermit crabs; and
- (G) baby poultry, such as chicks, ducklings, and goslings.

(c) Child and animal contact on-site and off-site.

- (1) Children may have on-site or off-site contact with animals that:
 - (A) are friendly and not aggressive; and
 - (B) do not pose a health or safety risk. The program does not allow children to have contact with prohibited or inaccessible animals, per (b) of this Section. However, children 6 years of age and older may have limited contact with a potential Salmonella bacteria-carrying animal identified, per (g) of this Section, provided children:
 - (i) only touch the animal with his or her hands; or
 - (ii) wear protective outer garments and remove prior to hand washing.
- (2) During animal contact, personnel:
 - (A) supervise contact and are close enough to remove the animal or children immediately if the animal shows distress signs or children show signs of treating the animal inappropriately; and
 - (B) discourage children from hand-to-mouth activities, including prohibiting eating, drinking, and using a pacifier.
- (3) After animal contact, personnel ensure hand washing requirements are met.

(d) Hand washing and food.

- (1) The hand washing requirements are met, per OAC 340:110-3-294(a). Personnel ensure adequate hand washing facilities are available for off-site animal activities or contact.
- (2) The food supply and potentially hazardous food requirements are met, per OAC 340:110-3-299(b) and (c). This includes farm field trips where children taste foods.

(e) Animal health.

- (1) Animals are clean and healthy, showing no evidence of disease or infestation.
- (2) Animals showing unusual behavior or disease symptoms are isolated until examined by a licensed veterinarian and approved to return to the facility.
- (3) Rabies vaccinations are specific to the species, and documentation is maintained, per OAC 340:110-3-281.2(c).
- (4) Birds of the parrot family have Psittacosis test results prior to entering the facility, and documentation is maintained, per OAC 340:110-3-281.2(c).

(f) Cleanliness.

- (1) Animals are restricted from:
 - (A) kitchen and food storage and preparation areas;
 - (B) food-contact items and surfaces; and
 - (C) children's resting surfaces.
- (2) Animal litter boxes are prohibited in the kitchen, food storage areas, or areas easily accessible to children.
- (3) Animal waste:
 - (A) is inaccessible;
 - (B) in animal habitats is disposed of daily; and
 - (C) in outdoor play areas is disposed , per OAC 340:110-3-304(a).
- (4) Sinks used for food preparation, obtaining drinking water, hand washing, or other hygiene activities are not used for:
 - (A) fish tank water disposal; or
 - (B) cleaning animal feeding and watering containers and habitats.

(g) Salmonella cross-contamination prevention.

- (1) Potential Salmonella bacteria-carrying animals are identified, per (b)(4)(C) through (G) of this Section.
- (2) When these animals are on-site, additional precautions in (A) and (B) of this subsection protect children from Salmonella bacteria contact.
 - (A) Animal contact with floors, tables, and other children's surfaces is prohibited.
 - (B) Personnel ensure children avoid contact with animal habitats, feeding and watering containers, supplies, and any item having animal contact.

(h) Visiting animal exhibits.

- (1) The program may allow visiting animal exhibits on-site for special activities, including prohibited and inaccessible animals identified, per (b) of this Section.
- (2) In these situations the:
 - (A) visiting animal handlers are present with the animals at all times;
 - (B) animals and habitats are restricted from classrooms , where children eat , drink, or rest, and from food preparation areas;
 - (C) prohibited animals remain confined in habitats for observation only;
 - (D) children do not have contact with prohibited and inaccessible animals, unless allowed, per (c) of this Section;
 - (E) other requirements in this Section are met; and
 - (F) higher risk activity requirements are met, per OAC 340:110-3-290.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-293. Parent communication and family engagement

(a) **Parent permission.** Parent permission requirements in (1) and (2) of this subsection are met.

- (1) **Required.** Parent permission is maintained, per Oklahoma Administrative Code (OAC) 340:110-3-281.4(b), and required for:
- (A) medication administration;
 - (B) services provided by a specialized service professional;
 - (C) transportation;
 - (D) field trips;
 - (E) higher risk activities; and
 - (F) swaddling.

(2) **Prohibited.** Personnel do not seek or accept parental permission that does not comply with requirements.

(b) **Parent reporting.** Parents and personnel communicate daily and when additionally required, per OAC 340:110-3-280(d).

(c) **Access.** Parents of enrolled children are allowed reasonable access to facility areas used by children.

(d) **Family engagement.** The program provides at least four of the options in (1) through (6) of this subsection.

(1) **Welcome.** Enrolled children's parents are welcome at all times, such as observing, eating lunch, or volunteering, provided parents follow program policies.

(2) **Parent resource area.** A parent resource area with books, pamphlets, or articles on parenting and community resources is accessible to parents. When provided electronically, resources are easily accessible.

(3) **Annual parent conferences.** Parent conferences are offered at least every 12 months discussing each child's progress, challenges, and accomplishments, and establishing goals together for each child. Documentation is maintained, per OAC 340:110-3-281.2(c).

(4) **Program information.** Parents are informed on an ongoing basis about program specific information through at least two methods, such as parent bulletin boards, newsletters, emails, parent portals, or websites.

(5) **Parent activities or special events.** At least two parent activities or special events are offered every 12 months, such as guest speakers, open houses, brown bag lunches, family pot-luck dinners, or children's programs.

(6) **Parent input.** Parents are included in ongoing program and policy development, such as board involvement, planning meetings, parent committees, written comments or suggestions, parent surveys, or formalized program evaluations.

[Source: Amended and renumbered from 340:110-3-10 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-10 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-294. Health protection and disease control

(a) **Hygiene.** The hygiene requirements listed in (1) through (5) of this subsection are met.

(1) **Meet needs.** Personnel attend promptly to children's personal hygiene needs.

(2) **Hand hygiene.** Personnel and children wash their hands with soap and warm, running water or use hand sanitizer as required per Oklahoma Administrative Code (OAC) 340 Appendix HH - Hand Hygiene.

(A) Hand washing:

(i) supplies are maintained as required per OAC 340:110-3-300(n);

(ii) procedures are posted as required per OAC 340:110-3-281.1(g). Personnel and children are encouraged to follow the procedures; and

(iii) is not required for infants provided a moist, disposable towelette is used.

(B) Hand sanitizer:

(i) is non-expired;

(ii) is at least 60 percent alcohol-based;

(iii) use by children is monitored by personnel; and

(iv) is not used on 1-year-olds and younger.

(3) **Hygiene articles.** Hygiene articles, such as wash cloths, towels, hair brushes, combs, and toothbrushes are individually assigned and stored and used by only one child.

(4) **Food service personnel.** Health and hygiene requirements are met per OAC 340:110-3-299(m).

(5) **Overnight care.** Personal hygiene arrangements are made, such as for bathing and tooth brushing. Privacy is ensured when bathing and changing clothes.

(b) **Immunizations.** Children have or are in the process of obtaining immunizations at the medically appropriate time or have an exemption per OAC 340 Appendix II - Immunizations. Records are maintained per OAC 340:110-3-281.4(b).

(c) **Health monitoring.** Each child is observed initially and throughout the hours of care for symptoms of an illness or poison exposure and obvious signs of infestation or physical injuries.

(d) **Temperature.** A child's temperature is taken when there is a concern.

(1) **Method.** A child's temperature is not taken:

(A) rectally at any age; or

(B) orally with 4-year-olds or younger.

(2) **Thermometer.** The appropriate thermometer is used depending on the method used.

(e) **Illness and infestations, other than head lice.** The program maintains health inclusion, separation, and exclusion criteria and reporting policy per OAC 340:110-3-278(d).

(1) **Children - separation.** Children showing symptoms of a communicable disease or infestation, other than head lice, are separated from well children.

(2) **Children - exclusion.** Children are excluded from the program when required per OAC 340 Appendix JJ - Exclusion Criteria for Children Who Are Ill.

(3) **Parent notification.** Parents are notified per OAC 340:110-3-280(d).

(4) **Personnel - exclusion.** Personnel are prohibited when required per OAC 340:110-3-283(d) and (e).

(f) **Head lice.** The program maintains head lice inclusion, separation, and exclusion criteria and reporting policy per OAC 340:110-3-278(d).

(1) **Separation and exclusion.** The program determines whether children and personnel with head lice remain:

(A) with the group or are separated from the group; and

(B) in the program or are sent home early.

(2) **Treatment.** Regardless of the separation and exclusion decisions, head lice treatment is required before the child or personnel returns to the program.

(3) **Exposure.** The program determines whether parents are notified of potential head lice exposure.

(g) **Health protection.** The health protection requirements listed in (1) through (5) of this subsection are met.

(1) **Allergies.** Known child allergies are posted per OAC 340:110-3-281.1(e) and (i).

(2) **First aid kits.** First aid kits are maintained per OAC 340:110-3-279(d).

(3) **Injuries and poison exposure.** Injuries, including animal bites, and poison exposures are:

(A) reported per OAC 340:110-3-280(a) and (d); and

(B) documented per OAC 340:110-3-281.2(c) and 340:110-3-281.4(b).

(4) **Sun safety and sunscreen.** Sun safety procedures, such as sunscreen procedures, are followed according to program policy per OAC 340:110-3-278(d).

(5) **Tobacco-free.** Tobacco use includes simulated tobacco use.

(A) Tobacco use is prohibited in:

(i) the presence and sight of children during the hours of operation, including off-site;

(ii) facility buildings and outdoor play areas, at all times, including when children are not in care.

However, tobacco use in family residences is only prohibited during the hours of operation;

(iii) program vehicles at all times, including when children are not in care; and

(iv) private vehicles when children are being transported in the vehicle.

(B) When allowed on the premises, tobacco use is limited to a designated outdoor area, located:

(i) out of children's sight;

(ii) at least 15 feet from the building entrances.

When the program is in a shared facility, the area is at least 15 feet from the program entrances; and

(iii) in a manner that prevents smoke from entering the building and outdoor play area.

(C) Tobacco use is:

(i) reported per OAC 340:110-3-280(d); and

(ii) posted per OAC 340:110-3-281.1(b).

[Source: Amended and renumbered from 340:110-3-27 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-27 at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-295. Medication

- (a) **Program policy.** The program maintains medication policy per Oklahoma Administrative Code (OAC) 340:110-3-278(d).
- (b) **Parent provides.** Prescription and over-the-counter medications are provided by the individual child's parent.
- (c) **Parent permission.** Parent permission is obtained prior to administering the medication. Documentation is maintained per OAC 340:110-3-281.4(b).
- (d) **Administration.** Medications are administered as required per the requirements listed in (1) through (6) of this subsection.
- (1) Medications are only administered:
 - (A) by the designated personnel per OAC 340:110-3-281.2(c), with the exception of diaper cream; and
 - (B) to the child whose full name is on the container label.
 - (2) Expired medication is not administered.
 - (3) Prescription medications are administered according to the container instructions, including only administering when the medication is part of a prescribed therapeutic treatment.
 - (4) Over-the-counter medications are administered according to the:
 - (A) container instructions; or
 - (B) physician instructions maintained per OAC 340:110-3-281.4(b).
 - (5) Oral medications are administered with a measuring device designed to measure medication.
 - (6) Each dose administered is immediately documented per OAC 340:110-3-281.4(b).
- (e) **Inaccessible.** Medications are inaccessible to children per OAC 340:110-3-303(g).
- (f) **Labeling and storing.** Medications are:
- (1) maintained in the original container;
 - (2) labeled with the child's full name;
 - (3) stored according to the container label, including temperature; and
 - (4) stored in locations, such as cabinets or drawers, clearly labeled "medication." However:
 - (A) refrigerated medications are stored in a container clearly labeled "medication";
 - (B) diaper creams may be stored in the diaper changing area or with the child's personal belongings when inaccessible; and
 - (C) life-threatening condition medications, such as epinephrine pens and rescue inhalers are in close proximity to the child for immediate administration when needed, such as being in the same classroom or supplemental play area as the child, outdoors when the

child is outside, or on field trips.

(g) **Return to parents.** Medications are returned to parents:

- (1) daily;
- (2) when the parent permission period ends as documented per OAC 340:110-3-281.4(b);
- (3) when the medication expires; or
- (4) when the child is withdrawn from the program.

(h) **Diaper creams.** Diaper creams are considered medications.

(i) **Insect repellents and sunscreens.** Insect repellents and sunscreens are not considered medications. The program maintains insect repellent and sun safety policy per OAC 340:110-3-278(d).

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-296. Rest time

(a) **Rest equipment and bedding.**

- (1) **Appropriate.** Equipment and bedding meets the requirements in this Section and Oklahoma Administrative Code (OAC) 340:110-3-302.
- (2) **Size.** Equipment and bedding is of sufficient size to comfortably accommodate the child's size and weight.
- (3) **Resting surface.** A sheet covers the entire resting surface.
- (4) **Cover.** A cover is within reach of each child 1-year-old and older.
- (5) **Individually assigned.** Equipment is assigned to individual children.
- (6) **Individually used.** Equipment and bedding is in use by one child at a time, except during emergency plan procedures.
- (7) **Spacing.** Equipment is spaced to allow easy access to children by the teaching personnel and for the safe evacuation of children.
- (8) **Clean.** Equipment and bedding is cleaned and sanitized per OAC 340:110-3-304.

(b) **Rest time - infants.**

(1) **Schedule.** The sleep schedule corresponds to the infant's needs and as closely as possible to the schedule established by the parents. Documentation is maintained per OAC 340:110-3-281.4(b).

(2) **Infant safe sleep environment.** Infant safe sleep environments are maintained.

(A) **Appropriate sleep environment.** The infant safe sleep environment requirements listed in (i) through (v) of this subparagraph are met.

- (i) Infants sleep in cribs or play yards that meet the requirements per OAC 340:110-3-302(b), with the sides fully raised and secured.
- (ii) Infants sleep directly on a tight-fitting sheet covering the mattress.
- (iii) Only pacifiers without attachments to them are in rest equipment with infants, when used.

(iv) Infants are protected from overheating by adjusting room temperature and clothing.

(v) Infants birth through three months of age may be swaddled with an infant-sized, thin fabric, such as a receiving blanket, only when:

(I) requested by the parents and permission is maintained per OAC 340:110-3-281.4(b); and

(II) the infant is not mobile enough to move the fabric over his or her face.

(B) Inappropriate sleep environment. Infant safe sleep environment requirements listed in (i) through (viii) of this subparagraph are met.

(i) When an infant arrives asleep, the infant is immediately moved to appropriate rest equipment.

(ii) When an infant falls asleep in equipment other than appropriate rest equipment, the infant is immediately moved to appropriate rest equipment.

(iii) Soft products, such as quilts, comforters, sheepskins, pillows, stuffed toys, and bumper pads are prohibited inside and on the side of infant rest equipment.

(I) Covers, including blankets, are prohibited.

(II) An exception is swaddling per (A) of this paragraph.

(iv) Soft sleeping surfaces, such as soft mattresses, waterbeds, sofas, pillows, beanbag chairs, and inflatable mats are prohibited.

(v) Sleep positioners and elevated mattresses are prohibited, unless there is a medical reason as documented per OAC 340:110-3-281.4(b).

(vi) Play equipment, and other items, except for pacifiers, are not placed inside, above, or attached to the sides of the infant rest equipment, unless there is a medical reason for a monitor or other device as documented per OAC 340:110-3-281.4(b). However, mobiles may be securely attached or hung above the crib provided no part of the mobile is within reach of the child.

(vii) Pacifiers are not attached to the infant or his or her clothing when in rest equipment.

(viii) Bibs are not placed around the infant's neck when in rest equipment.

(C) Sleep position.

(i) Infants are placed on their back for sleeping, unless there is a medical reason an infant should not sleep in this position as documented per OAC 340:110-3-281.4(b).

(ii) Infants who are able to turn themselves over, are placed initially on their back for sleeping, but

may turn themselves over and sleep in a position they prefer.

(c) **Rest time - 1-year-olds through 4-year-olds.**

(1) **Schedule.** Children are provided a rest time.

(2) **Rest equipment.** Children rest on a mat, cot, or bed. However, 1-year-olds may also rest in cribs or play yards that meet requirements per OAC 340:110-3-302(b) with the sides fully raised and secured.

(3) **Overnight care.** The overnight requirements listed in (A) and (B) of this paragraph are met.

(A) **Rest equipment.** Mats are not used. Cots and beds have a waterproof pad or mattress.

(B) **Bedding.** In addition, cots and beds used overnight have a:

(i) top sheet and extra covers within reach of the child; and

(ii) pillow and pillow case.

(d) **Rest time - 5-year-olds and older.**

(1) **Schedule.** Children are not required to have a rest time.

(2) **Rest equipment.** When a child chooses to rest, a mat, cot, bed, sofa, futon, bean bag, or other similar rest equipment is provided.

(3) **Overnight care.** The same requirements as overnight care for 1-year-olds through 4-year-olds are met.

(e) **Restrictions.**

(1) **Floor.** Personnel do not allow children to sleep on the floor.

(2) **Covered heads and faces.** Children's heads and faces are not covered while resting. When a child continues to cover their head or face, the cover is removed once the child falls asleep.

(3) **Restraints.** Restraining children on rest equipment is prohibited.

(4) **After resting.** Once children have rested, they are not forced to remain on the rest equipment and are provided quiet activities until rest time is over.

(f) **Ratios and supervision.**

(1) **Ratios - 3- through 5-year-olds.** A rest time ratio exception may apply per OAC 340:110-3-286(a).

(2) **Light level.** Light levels are maintained for supervision per OAC 340:110-3-300(g).

[Source: Amended and renumbered from 340:110-3-25.5 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-25.5 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17]

340:110-3-297. Diapering and toileting

(a) **Diaper changing.**

(1) **Frequency.** Diapers are:

(A) checked hourly and when a child exhibits behavior suggesting a wet or soiled diaper; and

(B) changed promptly when wet or soiled.

(2) **Diaper changing procedures.** Diapers are changed:

(A) in the diaper changing area or, when applicable, an alternative diaper changing area; and
(B) per Oklahoma Administrative Code (OAC) 340 Appendix KK - Diaper Changing Procedures. The procedures are posted, per OAC 340:110-3-281.1(h), and documentation is maintained, per OAC 340:110-3-281.4(b).

(3) **Diaper changing area.** Diaper changing areas:

(A) are required in the classroom or a restroom opening directly into the classroom when the classroom has children 2 years of age or younger in diapers;
(B) are near the sink when a sink is required, per OAC 340:110-3-300(n);
(C) have a non-porous diapering surface, such as a counter or pad, not used for other purposes, and at least 28 inches above the floor;
(D) include a trash container with a tight-fitting lid; and
(E) are kept free of all objects except for necessary items used when diapering.

(4) **Alternative diaper changing area.** A diaper changing area is used, when possible.

(A) Alternative diaper changing areas may be on the floor and are used when a:

- (i) child is too heavy to safely lift onto a diaper changing area; or
- (ii) diaper changing area is unavailable, such as in classrooms where one is not required, or on field trips.

(B) When an alternative area is used, sanitation and safety are maintained by:

- (i) using a non-porous pad not used for other purposes;
- (ii) ensuring the non-porous pad is appropriate to the child's size;
- (iii) storing the pad out of children's reach; and
- (iv) ensuring proper hygiene practices and supervision for all children in the classroom.

(5) **Diapering - children 3 years of age or older.** When 3-year-olds or older are in diapers, privacy when diapering is maintained.

(b) **Toilet learning.**

(1) **Parent involvement.** The toilet learning plan and progress are discussed with the parents.

(2) **Environment.** Toilet learning is relaxed and pressure free.

(A) Children are encouraged by regular use of a toilet or potty chair for short periods of time not exceeding 10 minutes.

(B) Personnel respond immediately when a child indicates toileting assistance.

(3) **Potty chairs.** Potty chairs are:

(A) located and used only in a restroom; and

(B) emptied and rinsed into a toilet, cleaned, and disinfected after each use in a sanitary manner.

(c) **Toileting accidents.**

(1) **Personnel.** Personnel do not embarrass , punish , or show disapproval for toileting accidents.

(2) **Clothing.** Both wet and soiled clothing is changed promptly while providing sanitation practices and privacy.

(d) **Diapers, training pants, and clothing.**

(1) **Appropriate fit.** Diapers and training pants fit the child appropriately.

(2) **Cloth diapers and outer coverings.** Cloth diapers have an outer covering, either attached or separate, made of a waterproof material. When the outer covering is separate from the cloth diaper, both are changed at the same time.

(3) **Training pants.** Cloth and disposable training pants are:

(A) checked and changed, per (a) of this Section;

(B) changed in a sanitary manner;

(C) changed in a private manner when required, per (a)(5) of this Section; and

(D) disposed of in a trash container with a tight-fitting lid, when applicable.

(4) **Rinsing prohibited.** Both wet and soiled items are not rinsed, including in the toilet. However, feces may be disposed of in a toilet, provided other surface contamination is prevented.

(5) **Send home or launder.** Both wet and soiled items are placed in a sealed, labeled, moisture-proof bag and sent home or laundered.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-298. Nutrition

(a) **Required meals and snacks.** The program ensures children are served meals and snacks according to program operating hours and children's attendance, regardless of the program or parents providing the food.

(1) **Full day care.** Morning meal or snack, mid-day meal, and afternoon snack are served.

(2) **Evening care.** Evening meal and evening snack are served.

(3) **Overnight care.** Evening meal, evening snack, and morning meal are served.

(4) **Child's attendance.** Children in care over a four-hour period are served a meal, unless the child is present during overnight sleeping hours only.

(b) **Nutritional quality and quantity.** The nutritional requirements in (1) through (8) of this subsection are met.

(1) **Meals and snacks.** Meals and snacks are required to meet the current Child and Adult Care Food Program (CACFP) guidelines, per Oklahoma State Department of Education (OSDE), with the exception of infants, per (f) of this Section.

(2) **Additional servings.** Additional servings:

- (A) are available when the child remains hungry;
- (B) meet the nutritional requirements, per this Section;
- and
- (C) are not required to be the same food as the first serving.

(3) **Water.** Safe drinking water is freely available to children at all times. Children are encouraged to drink water throughout the day, especially before, during, and after outdoor play.

(4) **Milk.** Milk is required to meet the current CACFP milk guidelines, per OSDE, with the exception of infants, per (f) of this Section.

(5) **Fruit juice.** Fruit juice is required to meet the current CACFP fruit juice guidelines, per OSDE.

(6) **Sweetened drinks.** The program does not provide drinks sweetened artificially or with sugar, including soda. However, flavored milk, such as chocolate milk, is required to meet the current CACFP milk guidelines, per OSDE.

(7) **Caffeinated drinks.** The program does not provide caffeinated drinks, including soda and energy drinks.

(8) **Special occasions.** On special occasions, such as parties, food and drink not meeting the nutritional requirements may be served in addition to required meals and snacks.

(c) **Program or parents provide.** Meals, snacks, or both may be provided by the program for all children, or program policy may require parents provide the meals, snacks, or both for their children or for a group of children. When parents provide for their children, the nutritional requirements, per this Section do not apply. When parents provide for a group of children, the nutritional requirements in this Section and the approved food source requirements, per OAC 340:110-3-299(b), are met.

(1) **Program provides.** When the program provides the meals, snacks, or both, the parents may be requested and allowed to provide for:

- (A) their own children:
 - (i) having special dietary needs, including health or religious restrictions;
 - (ii) 1 year of age and younger; or
 - (iii) participating in a field trip; and
- (B) a group of children on special occasions.

(2) **Parents provide.** When the program policy requires parents provide meals, snacks, or both, the program provides:

- (A) a meal or snack when the parents do not; and
- (B) additional servings, per (b) of this Section.

(d) **Weekly menus.** Menus of program provided meals and snacks are closely followed with reasonable substitutions permitted. Menus are posted, per OAC 340:110-3-281.1(c) and (e).

(e) **Eating environment.** The eating environment is pleasant, relaxed, socially engaging, and provides teaching opportunities.

- (1) **Children.** Children are:
- (A) encouraged to try new foods;
 - (B) not forced to eat; and

(C) not punished for refusing to eat.

(2) **Personnel.** When eating in front of children, personnel eat foods meeting nutritional requirements in this Section.

(f) **Nutrition and food service - children 1 year of age and younger.** Additional nutrition and food service requirements are met for 1-year-olds and younger.

(1) **Schedule.** Infants are fed when hungry. Documentation is maintained, per OAC 340:110-3-281.4(b).

(2) **Overfeeding.** Personnel do not continue feeding 1-year-olds and younger when children show evidence of being satisfied or full.

(3) **Nutritional quality and quantity.** CACFP meal and snack patterns, per (b) of this Section, are not required for infants. Infants are fed:

- (A) breastmilk, formula, and introductory solid foods; or
- (B) a special diet for a medical condition as documented, per OAC 340:110-3-281.4(b).

(4) **Breastfeeding.** Breastfeeding is allowed in the facility.

(5) **Bottle-feeding.** Bottles are labeled with the child's full name.

- (A) Bottles are not propped by any means at any time.
- (B) Infants 6 months of age and younger are held while being bottle-fed.
- (C) Infants 7 months of age and older are held while being bottle-fed until able to hold bottles securely without assistance.

(6) **Spill-proof cups.** The program has a method ensuring children do not share spill-proof cups.

(7) **Self-feeding.** Children showing evidence of wanting to feed themselves are allowed to do so.

(8) **Eating and drinking location.** When children are not held for feeding, the program:

- (A) has a designated eating and drinking location, excluding rest equipment and equipment with motion, such as swings; and
- (B) ensures children eat and drink only in the designated location.

(9) **Chokeable, unsafe, and new foods.** For safety:

- (A) the program works closely with parents to introduce new foods;
- (B) infants are not fed honey or peanut butter;
- (C) 1-year-olds are fed thinly spread peanut butter, if served; and
- (D) 1-year-olds and younger are:
 - (i) not fed foods that may cause choking, such as candies, gum, marshmallows, raw carrots, raw peas, celery, whole grapes, nuts, seeds, popcorn, rice cakes, and chips; and
 - (ii) fed other foods cut into small pieces no larger than:

(I) 1/4 inch cubes for infants; and

(II) 1/2 inch cubes for 1-year-olds.

(10) **Food service.** The additional food service requirements in (A) through (C) of this paragraph are met.

(A) Breastmilk:

- (i) is labeled with the child's full name and the date expressed;
- (ii) is stored safely;
- (iii) is refrigerated or frozen until immediately before feeding;
- (iv) is not warmed in a microwave;
- (v) is gently mixed and not shaken;
- (vi) served to a child is not reused after two hours from serving; and
- (vii) bottles partially served are either sent home with parents or contents are discarded daily.

(B) Formula:

- (i) provided by the child's parents is labeled with the child's full name;
- (ii) is not warmed in a microwave;
- (iii) served to a child is not reused after one hour from serving; and
- (iv) bottles partially served are either sent home with parents or contents are discarded daily.

(C) Baby food:

- (i) provided by the child's parents is:
 - (I) labeled with the child's full name; and
 - (II) not previously opened, unless homemade or frozen; and
- (ii) is not warmed in a microwave;
- (iii) is served from a separate dish and spoon for each child;
- (iv) is discarded and not served again after contact with the feeding spoon; and
- (v) partially served is either sent home with parents or contents are discarded daily.

[Source: Amended and renumbered from 340:110-3-28 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-28 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-299. Food service

(a) **General.**

(1) **Food service.** When the program provides food service, including limited food service, the program is required to meet the requirements, per this Section, unless the requirements specifically state otherwise.

(2) **Limited food service.** Limited food service is when the program serves only foods having no required time and temperature control for safety (non-TCS) for immediate consumption and uses only single-service food-contact items, per (k) of this Section. However, milk and milk products may be served to children and used in occasional children's cooking

activities.

- (A) Limited food service also includes parent-provided meals, snacks, or both, when the program:
 - (i) only provides or supplements food , per limited food service requirements, including on field trips; and
 - (ii) sends reusable food-contact items home daily.
- (B) When the program only provides limited food service:
 - (i) the program is exempt from:
 - (I) Oklahoma State Department of Health (OSDH) inspections, per Oklahoma Administrative Code (OAC) 340:110-3-276(c) and (d);
 - (II) food service training, per OAC 340:110-3-284.3(c); and
 - (III) a separate hand washing sink, per OAC 340:110-3-300(n);
 - (ii) some requirements in this Section do not apply, such as the requirements regarding:
 - (I) foods having required time and temperature control for safety (TCS). However, when milk is served, the milk requirements, per (b) of this Section apply. When conducting children's cooking activities, the TCS food requirements apply depending on ingredients used;
 - (II) a minimum quantity of food-contact items;
 - (III) a refrigerator, unless foods require refrigeration, including parent provided foods. When applicable, program policy informs parents refrigeration is not provided;
 - (IV) a microwave, unless foods are microwaved, including parent provided foods; and
 - (V) cooking devices, unless used for occasional children's cooking activities.

(b) Food supplies.

- (1) **Food sources.** The food source requirements in (A) through (C) of this paragraph are met.
 - (A) Food is from OSDH-approved sources, such as commercially produced products, or raw fruits and vegetables from farmers' markets and gardens, including personal and program's gardens.
 - (B) Only commercially pre-packaged, non-TCS food items and raw fruits and vegetables may be provided from individual homes for a group.
 - (C) Food is free from spoilage , contamination, and safe for human consumption.

(2) **Home-canned and hermetically sealed food.** Individually home-canned food and food in hermetically sealed containers, not prepared in a food processing establishment, is not used by the program. However, parents may provide homemade baby foods.

(3) **Milk products.** Milk products meet the requirements in (A) through (C) of this paragraph.

(A) For drinking, only Grade A pasteurized fluid milk and fluid milk products are used.

(B) Pasteurized dry milk and evaporated milk are used for cooking purposes only.

(C) Milk may be transferred from the original container to other containers.

However, milk removed from the original container is not returned to the original container or stored for later use.

(4) **Meat, poultry, and fish.** Meat, poultry, and fish are obtained from approved sources and inspected by appropriate governmental authorities.

(5) **Ice.** Ice, used for any purpose, is made from an approved water source and manufactured, stored, transported, and handled in a sanitary manner.

(c) **Time and temperature control for safety foods.**

(1) **Cooking.** TCS foods requiring cooking are heated to at least 165 degrees Fahrenheit (F) for 15 seconds, except as specified in (2) through (4) of this subsection.

(2) **Ground Beef.** Ground beef is cooked to at least 155 degrees F and until the juice is clear and the meat is no longer pink.

(3) **Poultry, stuffed meats, and stuffings.** Poultry, poultry stuffings, stuffed meats and stuffings containing meat are heated to at least 165 degrees F with no cooking process interruption.

(4) **Pork.** Pork and any food containing pork are heated to at least 155 degrees F.

(5) **Egg products.** Only clean, whole-shell, non-cracked eggs meeting AA, A, or B grade standards are used. Eggs are stored at 41 degrees F or below.

(A) Raw, unpasteurized eggs are not used in uncooked food, such as ice cream and eggnog.

(B) Shelled raw eggs are not held more than four hours.

(6) **Reheating foods.** When TCS foods are cooked and then refrigerated, foods are reheated to 165 degrees F or higher before being served.

(d) **Protecting food.**

(1) **General.** Foods are covered and protected from contamination, including cross-contamination between raw and cooked foods, toxic substances, or insects or rodents while being stored, prepared, displayed, dispensed, packaged, or transported.

(2) **Bare-hand contact.** Personnel:

(A) minimize bare-hand contact while preparing food; and

(B) do not touch unpackaged, ready-to-eat food with bare hands. A barrier, such as gloves, utensils, or wax paper is used when preparing and serving these foods.

(3) **Temperature.** Perishable foods, including fruits and vegetables, are stored at proper temperatures.

(A) TCS foods are maintained at 41 degrees F or below or 135 degrees F or above, except during preparation and service.

(B) Frozen foods are maintained at 0 degrees F or below, except when being thawed:

(i) in a refrigerator at 41 degrees F or below;

(ii) under running drinking water at 70 degrees F or below;

(iii) using the defrost setting on a microwave, provided the food is immediately transferred to conventional cooking equipment without cooking process interruption; or

(iv) as part of cooking processes.

(4) **Ice chest.** When an ice chest is used on field trips for refrigeration:

(A) the food or milk is served within four hours and is not re-served or re-refrigerated;

(B) packaged food and drinks are not stored in contact with the water or undrained ice;

(C) self-wrapped sandwiches are not stored in direct contact with the ice; and

(D) ice used for refrigeration is not used for any other purpose.

(5) **Damaged and unlabeled cans.** Food from damaged or unlabeled cans is not used.

(6) **Poisonous and toxic materials.** Only materials required to maintain sanitary food service area conditions are used or stored in the food service areas. Materials are clearly identified and stored in a segregated area away from the food, such as under a sink or in a closed cabinet in the storage area.

(e) **Preparing food.**

(1) **Cross-contamination prevention.** Food is prepared on clean, sanitized, food-contact surfaces and with clean, sanitized, food-contact items. Each new preparation operation begins with clean, sanitized, food-contact surfaces and items, when changing between preparation of:

(A) raw beef, pork, poultry, or seafood; and

(B) raw to ready-to-eat foods, including raw fruits and vegetables.

(2) **Fruits and vegetables.** Raw fruits and vegetables are thoroughly washed with drinking water before being cooked or served.

(f) **Re-serving food.**

(1) **Portions.** Individual and family-style food portions are not re-served.

(2) **Wrapped food.** Wrapped food properly maintained and not unwrapped may be re-served.

(g) **Transporting food.**

(1) **Temperature.** During transportation, TCS food is maintained at 41 degrees F or below or 140 degrees F or above.

(2) **Storage.** During transportation, food is in covered containers, completely wrapped, or packaged.

(h) **Catering food.**

(1) **Food source.** When catering services are used, food is obtained from an OSDH-licensed food service establishment.

(2) **Approval.** Meal transportation procedures and equipment are OSDH-approved.

(i) **Food-contact items and surfaces.**

(1) **Condition.** Food-contact surfaces and items, such as kitchenware, utensils, tableware, service items, and storage items are:

(A) constructed of safe, non-toxic materials; and

(B) smooth, non-absorbent, easily cleanable, durable, and in good repair.

(2) **Quantity.** An adequate quantity of food-contact items is available for at least one meal for the licensed capacity. However, when the program does not serve meals or snacks to the entire licensed capacity, the program is only required to have an adequate quantity for the children eating.

(j) **Equipment.**

(1) **Installation.** Equipment is installed to provide equipment and adjacent area cleaning.

(2) **Refrigerators.** Refrigerators maintain food at 41 degrees F or below. Ice chests are not a replacement for storage.

(3) **Thermometers.** The thermometer requirements in (A) and (B) of this paragraph are met.

(A) Thermometers are clearly visible in each refrigerator and freezer used for children's food, unless equipped with functioning built-in thermometers.

(B) A temperature measuring device is available to check cooking temperatures.

(4) **Microwaves.** The microwave requirements in (A) and (B) of this paragraph are met.

(A) Personnel are instructed in assessing safe temperatures when warming children's food.

(B) A warning is posted, per OAC 340:110-3-281.1(f).

(k) **Cleaning and sanitizing.**

(1) **Cooking devices and refrigerators.** Cooking devices and refrigerators do not have soil, food particle, encrusted grease deposit, or other debris accumulations.

(2) **Food-contact items and surfaces.** Food-contact items and surfaces are washed, rinsed, and sanitized after each use by using one method in (A) through (D).

(A) Automatic dishwashers, commercial or domestic, may be used provided the heat or chemical sanitizing cycles are properly installed and the machine allows sanitizing cycle completion without opening the machine. Sanitizing cycle effectiveness is determined by generally accepted test methods and test kits.

(B) Manual dishwashing may be conducted provided the requirements in (i) and (ii) of this subparagraph are met.

(i) Three-compartments are used for washing, rinsing, and sanitizing with a:

(I) three-compartment sink; or

(II) one or two-compartment sink with added containers.

(ii) Items are washed, rinsed, sanitized, and dried in this order.

(I) Sinks and containers are cleaned prior to use.

(II) In the first compartment, items are thoroughly washed with a food grade detergent in a clean solution.

(III) In the second compartment, items are rinsed with clean water until free of detergent and abrasives.

(IV) In the third compartment, items are sanitized by immersion in a clean sanitizing solution, unless the equipment design prevents immersion. The solution is required to contain a food grade sanitizer, such as bleach, per OAC 340 Appendix NN - Cleaners, Sanitizers, and Disinfectants.

(V) Items are air-dried, in a self-draining position, before being stored.

(C) Single-service food-contact items, such as plastic utensils and paper plates, may be used when the program provides limited food service or does not have adequate and effective cleaning and sanitizing facilities. Single-service food-contact items are:

(i) stored in closed cartons or containers protecting from contamination;

(ii) used for preparation and service; and

(iii) used only once.

(D) Stationary food-contact surfaces, such as counters and appliances are cleaned and sanitized.

(l) Storage area.

(1) **Location.** Food and food-contact items are stored above the floor, in a clean, dry location.

(2) **Quantity.** Adequate space is provided for food and food-contact item storage.

(m) Food service personnel.

(1) **Health.** Food service personnel are prohibited when required, per OAC 340:110-3-283(e).

(2) **Hygiene.** Personnel:

(A) wear clean outer garments, maintain a high degree of personal cleanliness, and conform to hygienic practices while on duty;

(B) wash hands, per OAC 340:110-3-294(a); and

(C) do not wash hands in the food preparation or dishwashing sinks

(n) **Food service - children 1 year of age and younger.** Additional food service requirements are met, per OAC 340:110-3-298(f).

[Source: Amended and renumbered from 340:110-3-31 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-31 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-300. Facility

(a) **Location.** The facility is located in an area minimizing children's health and safety hazards.

(b) **Other business.** When the program shares the facility with another business, requirements are met, per Oklahoma Administrative Code (OAC) 340:110-3-277(b).

(c) **Construction.** The facility complies with the building and fire codes of the local or state governmental authority having jurisdiction applicable at permit or license issuance. Programs operating 24-hours per day comply with additional codes.

(1) New construction and reconstruction, such as building remodeling or area not previously licensed for child care, complies with current requirements and building and fire codes.

(A) Construction plans for a new building, an addition, or reconstruction of an existing building are submitted to the local or state fire governmental authority having jurisdiction for approval prior to construction.

(B) Construction, reconstruction, or alterations occurring during operating hours is conducted safely.

(C) When existing or new surfaces are painted, the lead paint content is not above 0.06 percent.

(2) Mobile or permanently situated manufactured and mobile homes are prohibited. However, a program licensed in a manufactured home before February 1, 1981, is exempt unless the program has an address change.

(d) **Floors.** Floor surfaces are:

(1) easily cleaned;

(2) sealed when made of absorbent material, such as concrete and wood; and

(3) smooth and non-carpeted within food service areas and restrooms.

(e) **Walls and ceilings.** Wall and ceiling surfaces are:

(1) easily cleaned; and

(2) smooth and washable up to the highest level reached by splash or spray in areas where:

(A) food is prepared;

(B) food-contact items are washed; and

(C) food service personnel wash his or her hands, such as walls behind sinks and counters.

(f) **Electrical.** The electrical system is installed, per the Oklahoma Electrical Licensing Act.

(1) Electrical systems installed and maintained after June 1, 1987, comply with current electrical codes of the local or state governmental authority having jurisdiction.

(2) Temporary wiring, used as permanent wiring is prohibited.

(3) Extension cords, used as permanent wiring are prohibited, unless equipped with built-in circuit breakers or fuses, such as surge protectors with a built-in fuse.

(4) Unused electrical outlets accessible to children 5 years of age and younger are equipped with safety devices, such as outlet covers.

(g) **Lighting.** The lighting:

(1) levels provide comfort and safety, including observing children's facial features; and

(2) fixtures in food preparation and service areas are shielded.

(h) **Heating and cooling.** The systems pose no risk and comply with building and fire codes of the local or state governmental authority having jurisdiction.

(1) The indoor temperature in children's areas is between 65 and 80 degrees Fahrenheit (F).

(2) Electric baseboard heaters may be used when wired directly into the electrical system and no objects have heating element contact.

(3) Prohibited use of heating equipment includes:

(A) portable fuel-burning space heaters;

(B) open flame heaters, such as gas-fed, wall mounted heaters, wood-burning fireplaces and stoves, fireplace inserts, pellet stoves, and other devices producing open flames;

(C) unvented and vent-free fuel-burning heaters; and

(D) equipment not specifically designed or installed as a typical heat source, such as cooking equipment.

(4) The prohibited equipment controls, such as the knobs, are removed or inaccessible during operating hours.

(5) Portable, electric space heaters, including electric, oil-filled heaters, may be used as supplemental heat provided the equipment:

(A) has Underwriters Laboratory (UL) approval;

(B) has an automatic shut off feature for tipping over and overheating;

(C) has an external protective covering protecting hands and objects from the electric heating elements;

(D) is used, per the manufacturer's instructions;

(E) is not used with an extension cord, including extension cords equipped with built-in circuit breakers or fuses;

(F) does not overload the electrical circuits, such as causing flickering lights or continuously shutting the electric power off;

(G) placement is:

(i) on a flat floor only;

(ii) at least three feet from flammable materials, such as paper, curtains, and furniture; and

(iii) inaccessible, including the electrical power cord; and

(H) is attended while in use, such as personnel present in the room or classroom.

(6) Guards protect children from hot heater surfaces, including floor furnaces.

(i) **Ventilation.** Rooms are properly ventilated, such as with a central heat and air system.

(1) Rooms, including the kitchen have sufficient ventilation keeping rooms free from heat, steam, vapors, smoke, and fumes.

(2) Ventilation systems comply with building and fire codes of the local or state governmental authority having jurisdiction.

(j) **Plumbing.** The plumbing is installed, per the Oklahoma Plumbing Licensing Act.

(1) Plumbing systems installed and maintained after June 1, 1987, are installed, per the current plumbing codes of the local or state governmental authority having jurisdiction.

(2) Cross-connections are prohibited between the safe drinking water supply and non-safe or questionable drinking water supply or pollution source contaminating the safe drinking water.

(k) **Water supply.** The water supply:

(1) is adequate, safe, sanitary, and from a:

(A) public water supply; or

(B) non-public water supply, such as well water, meeting local and Oklahoma Department of Environmental Quality (DEQ) testing requirements. The program obtains at least total coliform bacteria, nitrate, and lead test results every 12 months from a DEQ accredited drinking water laboratory. Documentation is maintained, per OAC 340:110-3-281.2(c); and

(2) has hot and cold running water under pressure in food preparation areas or where food-contact items and surfaces are washed.

(l) **Sewage disposal.** Sewage, including mop water, is disposed in a public sewage system or, in its absence, a manner approved by DEQ.

(m) **Toileting facilities.** The toileting facilities requirements in (1) and (2) of this subsection are met.

(1) For every 15 children, the facility has at least one toilet, excluding urinals and potty chairs, easily accessible and in the same building where care is provided.

(2) The toileting facilities:

(A) have operable toilets;

(B) have toilet paper within easy reach of children;

(C) with doors meet the door requirements in (q) of this Section; and

(D) used by 6-year-olds or older provide privacy, such as being equipped with doors or having children take turns while supervision is maintained.

(n) **Hand washing facilities.** The hand washing facilities requirements in (1) through (3) of this subsection are met.

(1) Required sinks are plumbed, per (j) of this Section.

(A) For every 15 children , the facility has at least one sink, excluding food service areas and portable sinks, easily accessible and in the same building where care is provided.

(B) Diaper changing areas have at least one sink, excluding portable sinks in the same classroom or a restroom opening directly into the classroom when the classroom has 2-year-olds or younger in diapers. However, a sink is not required when the:

(i) classroom has 2-year-olds or older with disposable or cloth training pants, provided adequate supervision and sanitation provisions are made; or

(ii) licensed capacity is 15 or less and the facility was originally designed as a family residence provided:

(I) a centrally located restroom sink with a diaper changing area is nearby; and

(II) children in diapers play throughout the house rather than an assigned classroom.

(C) The food service areas have at least one hand washing sink, excluding portable sinks:

(i) with a mixed-valve faucet, in programs licensed after June 1, 1987; and

(ii) that is separate and in addition to food preparation and dishwashing sinks.

(2) Portable sinks do not replace required sinks, per (1) of this subsection. However, portable sinks may be used in addition to required sinks, provided sanitary conditions are maintained, including obtaining water from an appropriate water supply, per (k) of this Section.

(3) Hand washing facilities have:

(A) operable sinks with running water between 80 and 120 degrees Fahrenheit;

(B) soap, paper towels, or mechanical hand dryers, and trash containers within children's easy reach; and

(C) posted procedures, per OAC 340:110-3-281.1(g).

(o) **Kitchens.** Kitchens are in a separate area discouraging unsupervised children and unauthorized individuals.

(p) **Basements.** Basements used for children meet the requirements, per OAC 340:110-3-301(b).

(q) **Exits, doors, windows, and screens.** The requirements in (1) through (7) of this subsection are met.

(1) Exits and exit routes are not blocked by equipment, furniture, or other objects.

(2) Interior and exterior evacuation exit doors:

(A) open from the inside without a key; and

(B) unlock, unlatch, and open with a single motion.

(3) Restroom doors unlock from the outside in an emergency, with an opening device readily accessible to personnel.

(4) Closet doors can be opened from the inside by children.

(5) Clear glass doors and windows beginning at ground level are plainly marked at children's eye level.

(6) Exterior screen or storm doors have a self-closing apparatus.

(7) Opened exterior doors and windows have properly fitted screens.

(r) **Stairways.** Interior and exterior stairways with four or more steps have at least one handrail.

(s) **Barriers.** Barriers:

(1) are provided on porches, elevated walkways, and elevated play areas of more than two feet in height; and

(2) have openings less than:

(A) two and 3/8 inches when accessible to 1-year-olds and younger; and

(B) four inches when accessible to 2-year-olds and older.

(t) **Individual smoke alarms.** Individual smoke alarms are:

(1) required when the facility is not equipped with a central detection and alarm system for smoke, per (v) of this Section;

(2) mounted , per the manufacturer's instructions and fire governmental authority having jurisdiction; and

(3) tested and maintained, per OAC 340:110-3-279(f).

(u) **Individual carbon monoxide alarms.** At least one individual carbon monoxide alarm is:

(1) required when a fuel burning appliance is in the building and the facility is not equipped with a central detection and alarm system for carbon monoxide, per (v) of this Section;

(2) mounted , per the manufacturer's instructions and fire governmental authority having jurisdiction; and

(3) tested and maintained, per OAC 340:110-3-279(f).

(v) **Central detection and alarm system for smoke and carbon monoxide.** The facility may be equipped with hard-wired or wireless detectors connected to a central control panel. When equipped, the system is:

(1) installed , per the manufacturer's instructions and fire governmental authority having jurisdiction; and

(2) tested and maintained, per OAC 340:110-3-279(f).

(w) **Fire extinguishers.** Fire extinguishers:

(1) are portable and Class ABC;

(2) are the quantity, size, type, and installation required by the fire governmental authority having jurisdiction;

(3) have locations posted, per OAC 340:110-3-281.1(i); and

(4) are tested and maintained, per OAC 340:110-3-279(f).

(x) **Phone.** The program provides an operable landline or cellular phone in each building and on each floor.

(y) **Utilities.** The facility has operable utilities.

(z) **Maintenance of facility.** The facility is structurally sound, with interior and exterior in good repair, such as:

(1) floors without broken tile, torn carpet, and holes;

(2) walls and ceilings without holes and peeling paper and paint; and

(3) windows and doors without broken glass and other hazards.

[Source: Amended and renumbered from 340:110-3-11 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-11 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-301. Indoor and outdoor play areas

(a) Indoor and outdoor play areas.

- (1) **Facility.** Facility requirements are met, per Oklahoma Administrative Code (OAC) 340:110-3-300.
- (2) **Equipment.** Equipment requirements are met, per OAC 340:110-3-302.
- (3) **Hazards.** Hazard requirements are met, per OAC 340:110-3-303.
- (4) **Cleanliness and sanitation.** Cleanliness and sanitation requirements are met, per OAC 340:110-3-304.

(b) Indoor play areas.

- (1) **Square footage for licensed capacity.** A minimum amount of indoor play area is required.
 - (A) There is at least 35 square feet of floor space per child for routine use by children.
 - (B) However, new construction, existing space not previously licensed for child care, or programs licensed after November 1, 2016, are required to have 40 square feet of floor space per infant in rooms occupied only by infants.
- (2) **Areas not counted toward licensed capacity.**

Areas not counted toward the licensed capacity are:

 - (A) restrooms, kitchens, and hallways;
 - (B) storage closets and supply rooms;
 - (C) personnel offices, work rooms, and break rooms;
 - (D) areas occupied by furniture not for children's use;
 - (E) supplemental areas or rooms used exclusively for eating, rest time, gross motor play, or care of ill children; and
 - (F) alternate indoor play areas in shared facilities , per OAC 340:110-3-277(b).
- (3) **Areas limited for children's use.** Areas in (A) and (B) of this paragraph are only used under specified conditions.
 - (A) Basements, areas partially below ground level, and floors above ground level are only counted toward the licensed capacity when approved by the local or state fire governmental authority having jurisdiction. Fire approval is also required before children use the area for any reason, except as part of the emergency plans and procedures, such as tornados or lock-downs. Fire inspection reports indicate age restrictions. When used by children, basements are finished, dry, and ventilated.
 - (B) Large areas, such as gymnasiums are only counted toward licensed capacity when divided into classrooms for children 3 years of age or older. However, they may be used as a supplemental area for any age.

(4) **Classroom capacity.** Classrooms are not routinely occupied by more children than can be accommodated by the square footage per (1) of this subsection.

(5) **Use zones and impact-absorbing materials.** Use zone and impact-absorbing material requirements, per (c) of this Section, are met for indoor climbing equipment with a fall height over four feet.

(c) **Outdoor play areas.**

(1) **Square footage for licensed capacity.** A minimum amount of outdoor play area is required.

(A) When the licensed capacity is 23 or fewer children, there is at least 75 square feet of outdoor play area per child for the licensed capacity.

(B) When the licensed capacity is 24 or more children, there is at least 75 square feet of outdoor play area per child for at least one-third of the licensed capacity or 1800 square feet, whichever is greater.

(2) **Areas not counted toward licensed capacity.** Alternate outdoor play areas required in shared facilities, per OAC 340:110-3-277(b), are not counted toward the licensed capacity.

(3) **Outdoor play area capacity.** Outdoor play areas are not routinely occupied by more children than can be accommodated by the square footage per (1) of this subsection. When the program has less than 75 square feet of outdoor play area per child for the licensed capacity, the program follows a rotation schedule as indicated on the classroom schedules.

(4) **Location.** Outdoor play areas are situated allowing:

(A) children to reach them safely; and

(B) supervision of areas where children cannot be easily seen.

(5) **Fencing.** Outdoor play areas are enclosed by a building or fence.

(A) The fence:

(i) begins at ground level;

(ii) is at least 48 inches high;

(iii) poses no risk to children; and

(iv) is maintained in a good condition, such as stable, secure, and upright.

(B) However, 4-year-olds and older may play in an unfenced or partially fenced on-site outdoor play area as part of a scheduled occasional supervised activity when the area is properly protected from traffic and other hazards.

(6) **Exits and gates.** The outdoor play area(s):

(A) has at least one exit remaining unlocked during operation hours and is away from the building. However, the unlocked exit may have a child-proof latch or a latch out of children's reach; and

(B) gates are kept closed when children are playing outside.

(7) **Water protection.** Bodies of water and water features meet water activity requirements, per OAC 340:110-3-291.

(8) **Shade.** Outdoor play areas have shade accessible to children when outdoors.

(9) **Open area.** Play equipment is arranged to have an open, continuous, uninterrupted, and unobstructed area in at least 25 percent of the required outdoor play area. Programs in shared facilities sharing outdoor play areas are exempt from this requirement.

(10) **Use zones.** Use zones are defined, per OAC 340:110-3-275.

(A) Use zones:

(i) are free of obstacles, except for multi-axis, swing support structures;

(ii) around all play equipment are arranged to prevent hazards from conflicting activities;

(iii) around non-portable play equipment, with a fall height of:

(I) 30 inches or less, extend at least three feet from the equipment perimeter in all directions, unless an exception in (B) of this subsection applies; or

(II) more than 30 inches, extend at least six feet from the equipment perimeter in all directions, unless an exception in (B) of this subsection applies; and

(iv) do not overlap. However, use zones in programs licensed before January 1, 2016, may overlap for existing non-portable play equipment, unless the equipment is moved.

(B) However, use zones:

(i) on the sides of play equipment, where the fall potential in that direction is minimal, are not required, such as play equipment with guardrails or barriers or the sides of swings;

(ii) for single-axis swings that move forward and backward, extend two times the length of the swing chain to the front and rear of the swing midpoint. However, swings secured by a bar or strap and used by children 2 years of age or younger are not required to extend more than six feet; and

(iii) for multi-axis swings, such as tire swings with circular motion, extend six feet plus the length of the chain in every direction from the midpoint. At least a 30-inch clearance between a fully extended tire swing seat and the support structure is required.

(C) The swing fall height is where the chain attaches at the top of the support structure.

(11) **Impact-absorbing materials.** Impact-absorbing materials:

(A) are required in use zones for:

- (i) climbers;
- (ii) swings;
- (iii) slides; and
- (iv) revolving equipment; and

(B) meet these requirements when obtained after August 1, 2003, as documented, per OAC 340:110-3-281.2(c). However, grass is acceptable when the fall height is four feet or less and for swings secured by a bar or strap used by children 2 years of age or younger.

- (i) Loose-fill materials, such as sand, pea gravel, wood playground mulch, shredded rubber mulch, and engineered wood fibers (EWF):

- (I) are maintained at a depth of at least six inches by replacing, leveling, or raking. In addition, rubber mulch, EWF, and any other loose-fill material tested by the American Society for Testing and Materials International (ASTM) complies with ASTM impact attenuation and EWF guidelines;
- (II) remain loose and are not compacted. Grass and weeds in use zones are minimized to prevent compaction; and
- (III) may be prevented from displacement by using impact mats meeting ASTM guidelines for impact attenuation.

- (ii) Unitary materials, such as rubber mats and poured in place rubber:

- (I) comply with ASTM guidelines for impact attenuation;
- (II) have an ASTM rating equal to or greater than the fall height; and
- (III) do not have rips, tears, and loose seams.

(12) **Surfaces.** At least two surface types are required. Programs licensed:

- (A) on or after January 1, 2016, only count surfaces outside of use zones, including impact-absorbing materials that extend beyond use zones; and
- (B) before January 1, 2016, may count surfaces inside of use zones, unless square footage is added to the outdoor play area.

[Source: Amended and renumbered from 340:110-3-22 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-22 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 200, eff 11-22-16 (emergency); Amended at 34 Ok Reg 1652, eff 9-15-17 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-302. Equipment

(a) **General.** When obtaining and maintaining basic and play equipment, requirements in this Section are met.

- (1) **Type and quantity.** Equipment is:

(A) of appropriate type and size meeting the age group and individual children's needs for physical, cognitive, emotional and social development; and
(B) provided in type and quantity, per Oklahoma Administrative Code (OAC) 340 Appendix MM - Equipment.

(2) **Condition.** Equipment is:

(A) safely constructed, including lead free;
(B) installed, maintained, and used , per manufacturer's instructions;
(C) maintained in a safe condition preventing hazards, such as tipping over, splinters, loose parts, protrusions, and sharp edges;
(D) complete and in good working condition and repair, including no holes or tears; and
(E) clean and sanitary, per OAC 340:110-3-304.

(3) **Evaluate.** The program:

(A) evaluates equipment for required quantity and safety on an ongoing basis; and
(B) conducts an equipment inventory at least every 12 months. Documentation is maintained, per OAC 340:110-3-281.2(c).

(b) **Rest equipment.** Safe and appropriate use of rest equipment is met, per OAC 340:110-3-296.

(1) **Mats.** Each individual mat is at least one-inch thick and covered with a durable, washable, waterproof, form-fitting material. Inflatable mats are not used for rest time.

(2) **Cots.** Cots are able to be cleaned and sanitized.

(3) **Cribs.** Cribs, including portable cribs that can be folded or collapsed without being disassembled:

(A) meet the current Consumer Product Safety Commission (CPSC) full-size and non-full-size crib standards. Documentation is maintained, per OAC 340:110-3-281.2(c); and
(B) have a mattress that is:

(i) firm;
(ii) designed to fit the specific crib, with one inch or less between the mattress and crib; and
(iii) covered with a durable, washable, waterproof, form-fitting material.

(4) **Play yards.** Play yards, such as playpens and pack-n-plays, are made of mesh, fabric, or other non-rigid construction.

(A) Play yards are prohibited in programs licensed on or after January 1, 2016.

(B) Existing play yards may be used in programs licensed before January 1, 2016, provided these requirements are met. However, additional or replacement play yards are not obtained after this date.

(i) The pad is manufactured for the specific play yard.
(ii) The equipment has:

- (I) mesh less than 1/4 inch in size, smaller than baby clothing buttons;
- (II) securely attached material at the top rail and floor plate;
- (III) no tears, holes, or loose threads that could entangle a child; and
- (IV) no missing, loose, or exposed staples.

(c) **Indoor play equipment.** Safe and appropriate use of indoor play equipment, including access, rotation, use zones, and impact-absorbing materials, is met, per OAC 340:110-3-289(f) and (g) and 340:110-3-301(b).

(d) **Outdoor play equipment.** Safe and appropriate use of outdoor play equipment, including open area arrangement, use zones, and impact-absorbing materials, is met, per OAC 340:110-3-301(c).

(1) **Safe design.** Equipment does not have:

- (A) angles or openings between three and one-half inches and nine inches that could entrap any part of a child's body including his or her head, such as ladder rungs and steering wheels;
- (B) exposed moving parts with pinch, crush, or shear points, such as rotating devices with exposed gears or axle assemblies and teeter-totter hinges; and
- (C) swing seats made of hard or heavy materials. Swing seats are constructed of durable, lightweight, relatively pliable material, such as nylon webbing, rubber, or plastic.

(2) **Stability.** Equipment can withstand the maximum anticipated forces generated by active use preventing overturning, tipping, or sliding. Anchors, when used, pose no hazard to children.

(e) **Prohibited equipment.** Prohibited equipment is not on-site, unless the shared facility requirements, per (f) of this Section apply.

(1) **Diaper changing equipment.** Prohibited diaper changing equipment includes diaper changing attachments contained in pack-n-plays.

(2) **Rest equipment.** Prohibited rest equipment includes:

- (A) bassinets, including bassinet attachments in pack-n-plays;
- (B) stacked cribs; and
- (C) play yards, when applicable, per (b) of this Section, including when children are awake.

(3) **Play equipment.** Prohibited play equipment includes:

- (A) infant walkers;
- (B) heavy metal or molded plastic swings, such as animal figures;
- (C) swinging gates used as play equipment; and
- (D) trampolines except for mini-trampolines or mini-rebounders:
 - (i) having a diameter of three feet or less, padded handle, and safety pad cover; and
 - (ii) used only by children 3 years of age and older with adult supervision.

(f) **Prohibited and non-compliant equipment - shared facility.** When prohibited equipment, per (e) of this Section, or equipment not meeting the requirements, including inappropriate use zones and impact-absorbing materials, are on-site due to the program sharing the facility, the requirements in (1) and (2) of this subsection are met.

(1) **Inaccessible.** The equipment is made inaccessible when possible, or a Licensing-approved written plan addressing a method ensuring the equipment is not used by children is followed.

(2) **Capacity.** The area taken by the prohibited and non-compliant equipment does not count toward the licensed capacity, classroom capacity, or outdoor play area capacity.

[Source: Amended and renumbered from 340:110-3-14 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-14 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-303. Hazards

(a) **General.** Hazards are defined as anything that may inflict injury or cause harm, per Oklahoma Administrative Code (OAC) 340:110-3-275.

(1) The facility is free of hazards.

(2) Hazardous items are:

(A) inaccessible, as defined, per OAC 340:110-3-275; and

(B) including items in personal belongings, such as diaper bags, backpacks, and purses.

(3) Hazardous items used for a supervised, planned, learning activity may be accessible during the activity, such as water play, arts and crafts, gardening, and woodworking. Higher risk activity requirements may apply, per OAC340:110-3-290.

(4) Personnel recognize and act to correct indoor and outdoor physical safety hazards.

(b) **Manufacturer instructions.** Products, including toxic materials, are used , per the manufacturer's instructions.

(c) **Standing liquid.** Standing liquids are attended at all times and emptied immediately after use.

(d) **Toxic plants.** Toxic plants are inaccessible.

(e) **Toxic materials.** Toxic materials, such as health and beauty aids, cleaning materials, and pesticides are inaccessible.

(1) Toxic materials are stored in original containers. However, smaller containers may be used when labeled with the product's name, and the warning information is maintained at the facility.

(2) Toxic materials are not stored or used in a manner:

(A) constituting a hazard; or

(B) contaminating food and food-contact items and surfaces.

(f) **Pest control products.** Pest control products are not applied when children are present. After product application, children do not access the area until indicated by the manufacturer's instructions.

(g) **Medication.** Medication is inaccessible.

(h) **Illegal drugs.** The facility and transportation vehicles are free of illegal drugs and paraphernalia.

- (i) **Tobacco products.** Tobacco and simulated tobacco products and related items, such as ashtrays and cigarette butts, are inaccessible.
- (j) **Matches and lighters.** Matches and lighters are inaccessible.
- (k) **Open flames.** Items with open flames, such as candles, are not used during operating hours.
- (l) **Heater closets.** The central heating unit and gas-fed hot water heater enclosures, such as a closet, are inaccessible and not used for any type of storage.
- (m) **Weapons and ammunition.** Any weapons and ammunition, such as firearms, cap pistols, bows and arrows, and hunting knives, are kept in an inaccessible area. In addition:
- (1) locked is defined, per OAC 340:110-3-275;
 - (2) weapons are kept unloaded in locked containers or cabinets;
 - (3) ammunition is kept in locked containers or cabinets, separate from weapons;
 - (4) keys, combinations, and locked storage codes are inaccessible; and
 - (5) parents are informed of weapons as required, per OAC 340:110-3-280(d).
- (n) **Vehicle items.** Children are protected from items that may become hazardous during vehicle operation or an accident.
- (o) **Miscellaneous.** The requirements in (1) and (2) of this subsection are met.
- (1) Fireworks are inaccessible.
 - (2) Compressed gas cylinders are secured to prevent falling over.
- (p) **Hazards - children 3 years of age and younger.** The requirements in (1) through (3) of this subsection are met.
- (1) For 3-year-olds and younger, electrical device charging cords are inaccessible.
 - (2) For 2-year-olds and younger, inaccessible items include:
 - (A) strangulation hazards, such as electrical and window blind cords, ropes, and play equipment with long strings;
 - (B) choking hazards, such as objects with removable parts having less than one and 1/4 inch diameter, plastic bags, Styrofoam, and rubber balloons; and
 - (C) play equipment with sharp points or edges.
 - (3) For 1-year-olds and younger, stairways are inaccessible.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-304. Cleanliness and sanitation

- (a) **General.** The cleaning and sanitation requirements in (1) and (2) of this subsection are met.
- (1) The facility and vehicles are clean, sanitary, and free of clutter and litter, including paper accumulation. The facility and equipment have no dust, dirt, soil, food particle, or other debris accumulation.
 - (2) The outdoor play areas are free of tall grass and weeds and standing water.

(3) Prior to children being outside, the outdoor area is free of animal waste and debris.

(b) **Procedures.** The procedure requirements in (1) and (2) of this subsection are met.

(1) Cleaning, sanitizing, and disinfecting are conducted in a manner preventing food and food-contact item and surface contamination.

(2) When cleaning up vomit, blood, and body fluids that may contain blood, disposable, non-porous gloves are used. Gloves are discarded immediately after use in an inaccessible, closed container, and hands are washed.

(c) **Cleaners, sanitizers, and disinfectants.** The appropriate cleaner, sanitizer, or disinfectant is used, per Oklahoma Administrative Code (OAC) 340 Appendix NN - Cleaners, Sanitizers, and Disinfectants. For sanitizing and disinfecting, only a sanitizer or disinfectant with an Environmental Protection Agency registration number or household bleach is used, per OAC 340 Appendix NN - Cleaners, Sanitizers, and Disinfectants.

(d) **Diaper changing areas.** The program cleans and disinfects, per OAC 340 Appendix KK - Diaper Changing Procedures.

(e) **Food service areas.** The program cleans and sanitizes, per OAC 340:110-3-299(k).

(f) **Equipment.** The program cleans and sanitizes, per requirements in (1) through (3) of this subsection.

(1) Indoor play equipment is:

(A) cleaned and sanitized, including laundered when applicable, before being reused after:

(i) contact with body fluids, including a child's mouth; and

(ii) use by an ill child; and

(B) stored in a sanitary manner.

(2) Rest equipment other than bedding is:

(A) cleaned and sanitized:

(i) at least weekly;

(ii) after contact with body fluids;

(iii) before use by another child; and

(iv) after use by an ill child; and

(B) stored in a sanitary manner.

(3) Bedding is:

(A) changed:

(i) at least weekly; however, crib and play yard sheets are changed daily;

(ii) when soiled;

(iii) before use by another child; and

(iv) after use by an ill child; and

(B) stored in a sanitary manner. A child's bedding does not touch another child's bedding between laundering.

(g) **Laundry.** Dirty laundry is kept in containers until laundered.

(h) **Trash and rubbish.** Trash and rubbish is promptly discarded into trash containers.

(1) Trash containers:

- (A) containing soiled diapers or disposable training pants or food waste have leak-proof disposable liners and are covered with tight-fitting lids when not in continuous use;
- (B) within food service areas are cleaned each time they are emptied; and
- (C) are clean and of adequate quantity and size, including exterior containers for storing facility trash prior to disposal from the premises.

(2) Trash disposal from the premises occurs as needed for sanitation.

(3) When used, sink garbage disposals are of suitable construction and comply with the building codes of the local or state governmental authority having jurisdiction.

(i) **Pest control.** The facility is free of pests, such as rodents and insects. Safe, effective measures minimize the presence and protect against the entry of pests.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-305. Transportation

(a) General.

(1) When children in care are transported in a vehicle, whether provided, arranged, or contracted by the program, requirements in this Section are met.

(2) When the program contracts for transportation, including use of public transportation, the program is responsible for ensuring the contracted entity meets transportation requirements, including child passenger safety training.

(3) Children are not transported in vehicles or parts of vehicles not designed for transporting individuals, such as truck beds, campers, and trailers.

(4) Drivers and vehicles used to transport children comply with all applicable state laws, including vehicle insurance. Documentation is maintained, per Oklahoma Administrative Code (OAC) 340:110-3-281.2(c) and (d).

(5) Children do not ride more than 60 minutes one way. However, longer field trips may occur infrequently provided necessary rest and stretch stops are made.

(b) Driver, child passenger safety, cardio-pulmonary resuscitation (CPR), and first aid.

(1) The driver requirements are met, per OAC 340:110-3-284.3(d).

(2) The child passenger safety training requirements are met by the:

- (A) program, per OAC 340:110-3-284(d); and
- (B) drivers and personnel assisting with child passenger safety restraints, per OAC 340:110-3-284.3(d).

(3) CPR and first aid certification requirements are met, per OAC 340:110-3-284(d).

(c) Parent permission and attendance documentation.

- (1) Transportation and field trip permission is maintained, per OAC 340:110-3-281.4(b).
- (2) Attendance documentation is maintained, per OAC 340:110-3-281.2(c) and (d).

(d) Ratios and supervision.

- (1) The driver may count in ratios, unless excluded, per OAC 340:110-3-286(a).
- (2) Supervision is maintained, per OAC 340:110-3-287(h).

(e) Communication.

- (1) An operable phone is in each vehicle transporting children.
- (2) While transporting children, drivers do not use a phone or wireless communication device, including hands-free technology:
 - (A) when the vehicle is in motion, with the exception of a navigational system or global positioning system device; and
 - (B) unless emergency communication is necessary and the vehicle is secured in park before devices are used.

(f) Safety and tobacco-free.

- (1) Vehicles have a first aid kit , per OAC 340:110-3-279(d).
- (2) Vehicles are free of hazards, per OAC 340:110-3-303.
- (3) Safe conduct to and from vehicles and safe off-street loading spaces are provided to protect children from:
 - (A) backing vehicles;
 - (B) being between vehicles; and
 - (C) traffic hazards.
- (4) Vehicle door locks are activated when the vehicle is moving.
- (5) Tobacco use is prohibited, per OAC 340:110-3-294(g).

(g) Passenger restraints, seating, and airbags.

- (1) Vehicle maximum capacity and seating space, per manufacturer's designations, is not exceeded.
- (2) Children sit in seats behind the front seat. However, when all these positions are occupied by other children, a child may sit in the front seat, provided requirements in (A) and (B) of this paragraph are met.
 - (A) When there is a front seat passenger airbag and children 12 years of age or younger are in the front seat, the airbag is deactivated by a weight sensitive seat, when equipped with such, or a manual switch.
 - (B) When the airbag cannot be deactivated, the front seat is pushed back as far as possible, and only a child whose age and weight requires a forward facing car seat with a harness, per manufacturer's instructions, may sit in the front seat.
- (3) Children remain properly secured in child passenger restraint system, such as a car or booster seat or an individual seat belt complying with applicable state laws, unless the vehicle is exempt, per (5) of this subsection. Children do not share a seat belt.
 - (A) Car and booster seats are:
 - (i) federally approved;
 - (ii) installed , per manufacturer's instructions;

(iii) appropriate to the child's height, weight, and physical condition , per manufacturer's instructions; and
(iv) properly maintained, such as not expired or previously involved in a vehicle accident.

(B) Seat belts:

(i) are properly anchored to the vehicle; and
(ii) fit the child appropriately, per Child Passenger Safety training, per OAC 340:110-3-284(d).

(4) Adult passengers, including the driver, remain properly secured in an individual seat belt unless:

(A) unable due to documented medical reasons, per OAC 340:110-3- 281.3(b); or

(B) the vehicle is exempt, per (5) of this subsection.

(5) The vehicle exemption to passenger restraints is for buses, unless designed for or equipped with seat belts or the Lower Anchors and Tethers for Children (LATCH) system. However, passengers remain seated.

(h) Vehicles and vehicle maintenance.

(1) Vehicle requirements apply to:

(A) program vehicles at all times; and

(B) personal vehicles when transporting children.

(2) Vehicle maintenance is:

(A) conducted at least quarterly for:

(i) program vehicles; and

(ii) personal vehicles used regularly; and

(B) documented, per OAC 340:110-3-281.2(c).

(3) The vehicles:

(A) are identified with the program or business entity name and phone number easily read by the public, unless using contracted transportation;

(B) are in a safe operating condition;

(C) have an operable heater maintaining an interior temperature of at least 65 degrees Fahrenheit;

(D) have a ventilation system, such as air conditioning or operable windows; and

(E) have stationary padded seats with a back properly anchored to the vehicle.

[Source: Amended and renumbered from 340:110-3-29 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-29 at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 40 Ok Reg 1033, eff 9-15-23]

340:110-3-306. Addendum requirements for child care centers

(a) **Child care centers.** Child care centers are programs that operate 30 or more hours per week.

(b) **Common requirements.** Programs are required to meet the common requirements in Oklahoma Administrative Code (OAC) 340:110-3-275 through 340:110-3-305, unless the addendum requirements in this Section state otherwise.

(c) **Teacher qualifications.** Teachers hired on or before July 1, 1995, are exempt from the educational requirements per OAC 340:110-3-284.2(c).

(d) **Program or parent provided food.** Programs provide meals and snacks per OAC 340:110-3-298(c) for 2-year-olds through 5-year-olds who are not attending or have not completed kindergarten.

(e) **Toileting and hand washing facilities.** Programs licensed on or before July 2, 1970, are exempt from the toilet and sink quantity requirements per OAC 340:110-3-300(m) and (n), unless the licensed capacity increases or the program changes locations.

(f) **Food service area hand washing sink.** Programs licensed before June 1, 1987, in a facility originally designed as a family residence may meet the separate hand washing sink requirement for the food service area per OAC 340:110-3-300(n) with a sink in a restroom on the same floor as the food service area, unless the program changes locations.

(g) **Square footage for indoor play area.** Programs licensed or expanded on or before July 2, 1970, are exempt from the square footage requirements per OAC 340:110-3-301(b). However, at least 30 square feet of floor space per child is required.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-307. Addendum requirements for day camps

(a) **Day camps.** Day camps are programs that operate during school breaks for 12 hours or less per day, serve 5-year-olds and older who are attending or have completed kindergarten or above, and use the outdoors as a major program component for at least 50 percent of the daily hours of operation.

(b) **Common requirements.** Programs are required to meet the common requirements in Oklahoma Administrative Code (OAC) 340:110-3-275 through 340:110-3-305, unless the addendum requirements in this Section state otherwise.

(c) **Posted records and documentation.** Ratios and group sizes, daily classroom schedule, and weekly lesson plans per OAC 340:110-3-281.1(i) (4) through (6) may be maintained in a portable method with the teaching personnel. The remainder of the posted in classroom items in (i) may be posted in a prominent location.

(d) **General professional development.** Personnel obtain orientation per OAC 340:110-3-284(d) prior to working with children. Personnel are exempt from the Entry Level Child Care Training (ELCCT) or equivalent requirements per OAC 340:110-3-284(d).

(e) **Director qualifications.** Directors are exempt from the Oklahoma Director's Credential requirement per OAC 340:110-3-284.1(b). However, directors obtain at least an Oklahoma Professional Development Ladder (OPDL) certificate per OAC 340:110-3-284(b) and have:

- (1) a high school diploma, General Educational Development (GED), or Licensing approved equivalent and two years of full-time experience in an out-of-school time, educational, or child care setting;
- (2) a high school diploma, GED, or Licensing approved equivalent and 12 college credit hours in child development, elementary or

secondary education, or a closely related subject and one year of satisfactory experience in an out-of-school time, educational, or child care setting; or

(3) an associate or bachelor's degree with at least 12 college credit hours in child development, elementary or secondary education, or a closely related subject.

(f) **Director responsibilities.** Directors are free from direct care responsibilities at least one hour per day rather than three hours per day per OAC 340:110-3-284.1(b).

(g) **Director professional development.** Directors meet the continuing professional development requirements per OAC 340:110-3-284(d) to maintain at least 20 clock-hours every 12 months. The clock-hours meet the criteria identified in the footnotes per OAC 340 Appendix FF - Oklahoma Professional Development Ladder.

(h) **Master teacher qualifications.** Master teachers are exempt from position specific educational and OPDL requirements per OAC 340:110-3-284.2(b). However, master teachers have at least:

(1) a high school diploma, GED, or Licensing approved equivalent and one year of satisfactory full-time experience in an out-of-school time, educational, or child care setting;

(2) a high school diploma, GED, or Licensing approved equivalent and 12 college credit hours in child development, elementary or secondary education, or a closely related subject; or

(3) an associate degree with at least six college credit hours in child development, early childhood, elementary or secondary education, or a closely related subject.

(i) **Teacher qualifications.** Teachers hired on or before September 1, 1997, are exempt from position specific educational requirements per OAC 340:110-3-284.2(c).

(j) **Supervision.** The supervision exception for the 6-year-olds and older requirement per OAC 340:110-3-287(e) does not apply. Children are within sight and hearing of teaching personnel at all times, unless restrooms or locations where medications are administered are located in areas away from children. In this situation, the program follows a Licensing approved written plan, addressing how personnel will monitor children's whereabouts when the children are out of sight and hearing of personnel.

(k) **Daily classroom schedule.** Programs are exempt from the classroom schedule for each classroom and indoor play requirement per OAC 340:110-3-289(b). However, the program has at least one classroom schedule that applies to all children.

(l) **Weekly lesson plans.** Programs are exempt from the lesson plan for each classroom requirement per OAC 340:110-3-289(d). However, lesson plans are at least by activity type, such as art and science.

(m) **Annual parent conferences.** Programs are exempt from parent conferences per OAC 340:110-3-293(d).

(n) **Electrical outlets.** Programs are exempt from the unused electrical outlet requirement per OAC 340:110-3-300(f).

(o) **Indoor temperature.** The indoor temperature requirement per OAC 340:110-3-300(h) is only required when children are indoors.

(p) **Screens.** Programs are exempt from door and window screens per OAC 340:110-3-300(q). However, programs take measures to avoid insect infestation.

(q) **Toileting facilities.** The toileting facilities requirements listed in (1) and (2) of this subsection are met.

(1) Programs are exempt from the one toilet for every 15 children requirement per OAC 340:110-3-300(m). However, programs meet one of these options:

(A) one toilet for every 25 children; or

(B) one toilet for every 50 children, with a minimum of two toilets and at least one restroom for males and one for females.

(2) Commercial portable toilets that meet all state environmental inspection guidelines may be used in place of flushable toilets.

(r) **Hand washing facilities.** Programs are exempt from the one sink for every 15 children requirement per OAC 340:110-3-300(n) provided adequate running water is available for hand washing. Portable sinks per OAC 340:110-3-300(n) may meet this requirement. If adequate running water is not available, another hand washing method must be approved by the Oklahoma State Department of Health.

(s) **Food service area hand washing sink.** Programs licensed before September 1, 1997, in a facility originally designed as a family residence, may meet the separate hand washing sink requirement for the food service area per OAC 340:110-3-300(n) with a sink in a restroom on the same floor as the food service area, unless the program changes locations.

(t) **Indoor square footage.** Programs are exempt from the indoor square footage requirement per OAC 340:110-3-301(b). However, the program has accessible for children's use:

(1) at least 10 square feet of floor space per child; or

(2) a covered permanent structure, provided an alternate indoor site is designated for use during inclement weather.

(u) **Outdoor play area.** An outdoor play area is not required on-site, provided the program uses a city park or other off-site outdoor play area that meets the outdoor play area and equipment requirements per OAC 340:110-3-301(c) and 340:110-3-302(a) and (d), unless the area is shared with the public or another entity and a Licensing approved exception is made. If the outdoor play area is off-site, the program follows a Licensing approved written plan that addresses:

(1) use of the off-site outdoor play area(s); and

(2) methods to protect children when exceptions are made to the outdoor play area or equipment requirements. Examples include methods that:

(A) protect children from hazards when the area is not enclosed with fencing and hazards, such as water and traffic are present; and

(B) make prohibited and non-compliant equipment inaccessible, when possible, or a method that ensures the equipment is not used by the children.

(v) **Equipment.** Programs are exempt from the basic and play equipment type and quantity requirements per OAC 340:110-3-302(a). However,

play equipment is:

- (1) in a quantity that avoids excessive competition between children and long waits for use; and
- (2) from at least five categories including:
 - (A) gross motor play;
 - (B) fine motor play, such as manipulatives;
 - (C) blocks with accessories;
 - (D) carpentry;
 - (E) science;
 - (F) sand and water play;
 - (G) arts and crafts;
 - (H) music and rhythm;
 - (I) dramatic play; and
 - (J) language play including books or child-oriented magazines.

(w) **Equipment inventory.** Programs are exempt from the equipment inventory requirement per OAC 340:110-3-302(a).

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-308. Addendum requirements for drop-in programs

(a) **Drop-in programs.** Drop-in programs operate 30 or more hours per week with individual children attending six hours or less per day and 24 hours or less per week, with an allowance for three extra six hour days per 12 months per child.

(b) **Common requirements.** Programs are required to meet the common requirements in Oklahoma Administrative Code (OAC) 340:110-3-275 through 340:110-3-305, unless the addendum requirements in this Section state otherwise.

(c) **Maximum hour notice.** In addition to posted records and documentation per OAC 340:110-3-281.1(c), an Oklahoma Department of Human Services (DHS) Publication No. 14-06, Drop-In Program Maximum Hour Notice, stating the maximum number of hours per day and week a child may be in care is posted in a prominent location for parent and public viewing. This statement is also included in all drop-in program literature, including program policy and advertisements.

(d) **Children's attendance records.** In addition to the children's attendance requirements per OAC 340:110-3-281.2(c), each child's attendance includes the total number of hours in care per day and week. Documentation is maintained for at least 24 months.

(e) **Teacher qualifications.** Teachers hired on or before July 1, 1995, are exempt from the educational requirements per OAC 340:110-3-284.2(c).

(f) **Weekly lesson plans.** In addition to the lesson plan requirements per OAC 340:110-3-289(d), modifications are made to reflect the flexibility of the programs, while maintaining the purpose of varied planned activities in addition to free-play. The lesson plans:

- (1) are designed for the children who are in attendance on a frequent basis, with activity considerations given for the children in attendance on an occasional or first time basis; and

(2) are designed for or able to be modified to each age group accepted into care, as the ages of the children in care at any given time may vary. Programs are exempt from the lesson plan for each classroom requirement per OAC 340:110-3-281.1(i), provided the needs of the children in care are addressed by the lesson plans.

(g) **Parent activities or special events.** Programs are exempt from the parent activities or special events requirements per OAC 340:110-3-293(d).

(h) **Medications.** Medications are returned to parents daily. Therefore the other methods for returning medication to parents do not apply per OAC 340:110-3-295(g).

(i) **Required meals and snacks.** Programs may serve a snack to children in care over a four-hour period rather than a meal per OAC 340:110-3-298(a).

(j) **Parent provided meals and snacks.** Programs are exempt from the additional serving requirement per OAC 340:110-3-298(c).

(k) **Toileting and hand washing facilities.** Programs licensed before January 1, 2016:

(1) are exempt from the one toilet and sink for every 15 children requirement per OAC 340:110-3-300(m) and (n), unless the program changes locations; and

(2) have at least one toilet and sink for every 25 children.

(l) **Outdoor play area.** Programs are exempt from the outdoor play area requirements per OAC 340:110-3-301(c). However, when the program has an outdoor play area the requirements are met.

[Source: Amended and renumbered from 340:110-3-33 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-33 at 33 Ok Reg 1678, eff 9-15-16]

340:110-3-309. Addendum requirements for out-of-school time programs

(a) **Out-of-school time programs.** Out-of-school time programs operate when school is not in session, such as before-and after-school and school breaks and serve 3-year-olds and older who are attending or have completed pre-kindergarten or above.

(b) **Common requirements.** Programs are required to meet the common requirements in Oklahoma Administrative Code (OAC) 340:110-3-275 through 340:110-3-305, unless the addendum requirements in this Section state otherwise.

(c) **Posted records and documentation.** Programs are exempt from or may vary posted requirements according to requirements listed in (1) and (2) of this subsection. Posted:

(1) hand washing procedures per OAC 340:110-3-281.1(g) are not required when the program is in a school and different hand washing procedures are posted by the school; and

(2) ratios and group sizes, daily classroom schedule, and weekly lesson plans, per OAC 340:110-3-281.1(i)(4) through (6) may be maintained in a portable method with the teaching personnel. The remainder of the posted in classroom items in (i) may be posted in a prominent location when a large area, such as a gymnasium or

cafeteria, is used as classrooms.

(d) **Immunization records.** Programs operated by a school may use the school's immunization records to meet the requirement per OAC 340:110-3-281.4(b).

(e) **General professional development.** Personnel are exempt from the Entry Level Child Care Training (ELCCT) or equivalent requirement per OAC 340:110-3-284(d).

(f) **Director qualifications.** Directors are exempt from:

(1) the Oklahoma Director's Credential requirement per OAC 340:110-3-284.1(b). However, directors obtain at least an Oklahoma Professional Development Ladder (OPDL) certificate per OAC 340:110-3-284(b) and have:

(A) a high school diploma, General Educational Development (GED), or Licensing approved equivalent and two years of full-time experience in an out-of-school time, educational, or child care setting;

(B) a high school diploma, GED, or Licensing approved equivalent and 12 college credit hours in child development, elementary or secondary education, or a closely related subject and one year of satisfactory experience in an out-of-school time, educational, or child care setting; or

(C) an associate or bachelor's degree with at least 12 college credit hours in child development, elementary or secondary education, or a closely related subject; and

(2) licensed capacity requirements when counting as master teachers per OAC 340:110-3-284.2(b). Directors meeting master teacher qualifications may count as master teachers regardless of licensed capacity.

(g) **Director responsibilities.** Directors are free from direct care responsibilities one hour per day rather than three hours per day per OAC 340:110-3-284.1(b).

(h) **Director professional development.** Directors meet the continuing professional development requirements per OAC 340:110-3-284(d) to maintain at least 20 clock-hours every 12 months. The clock-hours meet the criteria identified in the footnotes per OAC 340 Appendix FF - Oklahoma Professional Development Ladder.

(i) **Master teacher qualifications.** Master teachers are exempt from position specific educational and OPDL requirements per OAC 340:110-3-284.2(b). However, master teachers have at least:

(1) a high school diploma, GED, or Licensing approved equivalent and one year of satisfactory full-time experience in an out-of-school time, educational, or child care setting;

(2) a high school diploma, GED, or Licensing approved equivalent and 12 college credit hours in child development, elementary or secondary education or a closely related subject; or

(3) an associate degree with at least six college credit hours in child development, early childhood, elementary or secondary education or a closely related subject.

(j) **Teacher qualifications.** Teachers hired on or before September 1, 1997, are exempt from the position specific educational requirements per

OAC 340:110-3-284.2(c).

(k) **Groups and classrooms.** Programs are exempt for kindergarten and older children from the:

- (1) one group per classroom requirement per OAC 340:110-3-286(b); and
- (2) classroom requirements per OAC 340:110-3-286(b) provided the area is divided into interest areas, including portable means such as tables and area rugs.

(l) **Weekly lesson plans.** Programs are exempt from the lesson plan for each classroom requirement per OAC 340:110-3-289(d) for children who are attending or have completed kindergarten or above. However, the lesson plans for these children are at least by the activity type, such as art and science.

(m) **Play equipment accessibility.** Play equipment may be stored on open storage or in cabinets, closets, or similar storage, provided children may easily access the equipment when desired.

(n) **Rest time.** Programs are exempt from the scheduled rest time requirement per OAC 340:110-3-296(c) for 4-year-olds and younger who had an afternoon rest time in a pre-kindergarten program.

(o) **Required meals and snacks.** In addition to the required meals and snacks requirement per OAC 340:110-3-298(a) programs that provide care:

- (1) before 7:00 a.m. serve a morning meal or snack; and
- (2) in the afternoon serve an afternoon snack.

(p) **Electrical outlets.** Programs are exempt from the unused electrical outlet requirement per OAC 340:110-3-300(f) for 5-year-olds.

(q) **Toileting and hand washing facilities.** Programs are exempt from the one toilet and sink quantity requirement per OAC 340:110-3-300(m) and (n) for children who are attending or have completed kindergarten provided one of these options is met:

- (1) one toilet and sink for every 25 children; or
- (2) one toilet and sink for every 50 children, with a minimum of two toilets and sinks and at least one restroom for males and one for females.

(r) **Food service area hand washing sink.** Programs licensed before September 1, 1997, in a facility originally designed as a family residence may meet the separate hand washing sink requirement for the food service area per OAC 340:110-3-300(n) with a sink in a restroom on the same floor as the food service area, unless the program changes locations.

(s) **Indoor square footage.** Programs are exempt from having to divide large areas into classrooms in order to count them toward the licensed capacity per OAC 340:110-3-301(b).

(t) **Fencing.** When the program is in a school, Licensing may grant an exception to the enclosed outdoor play area requirement per OAC 340:110-3-301(c) for 4-year-olds when the safety of children is ensured. The fencing exception per OAC 340:110-3-301(c) applies at all times, rather than only during a scheduled occasional supervised activity.

(u) **Equipment.** Programs are required to meet the indoor basic and play equipment type and quantity requirements per OAC 340 Appendix MM - Equipment, according to these requirements.

- (1) For 3-year-olds, the 3-year-old equipment chart is used.
- (2) For 4-year-olds, the 4- and 5-year-old equipment chart is used.
- (3) For 5-year-olds and older, the 6-year-old and older equipment chart is used.
- (4) Book quantity requirements do not apply provided programs at least have:
 - (A) five books for one to 10 children;
 - (B) 10 books for 11 to 20 children;
 - (C) 15 books for 21 to 30 children; and
 - (D) 20 books for 31 to 40 children.
- (5) The program may require parents provide, for their children, rest equipment and bedding that meets the requirements.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Amended at 34 Ok Reg 1640, eff 9-15-17]

340:110-3-310. Addendum requirements for part-day programs

- (a) **Part-day programs.** Part-day programs operate for more than 15 but less than 30 hours per week.
- (b) **Common requirements.** Programs are required to meet the common requirements in Oklahoma Administrative Code (OAC) 340:110-3-275 through 340:110-3-305, unless the addendum requirements in this Section state otherwise.
- (c) **Posted weekly lesson plans.** Programs are exempt from posting lesson plans per OAC 340:110-3-281.1(i). However, lesson plans are available in the classroom.
- (d) **General qualifications and professional development.** Personnel:
 - (1) are exempt from:
 - (A) maintaining an Oklahoma Professional Development Ladder certificate per OAC 340:110-3-284(b);
 - (B) obtaining the Entry Level Child Care Training or equivalent per OAC 340:110-3-284(d); and
 - (C) maintaining a minimum number of clock-hours per OAC 340:110-3-284(d); and
 - (2) obtain job-related professional development and maintain documentation on-site, including the topic, training provider or source, and date the professional development was obtained.
- (e) **Director qualifications.** Directors are exempt from the Oklahoma Director's Credential per OAC 340:110-3-284.1(b). However, directors:
 - (1) have at least a high school diploma, General Education Development (GED), or Licensing approved equivalent; and
 - (2) hired on or after January 1, 2016, have one year of full-time administrative or direct care experience in a child care program or educational setting. However, an early education or equivalent degree or certification, such as a Child Development Associate (CDA), may substitute for six months of the required experience.
- (f) **Director responsibilities.** Directors are exempt from the requirement regarding a minimum amount of time free from direct care responsibilities per OAC 340:110-3-284.1(b).
- (g) **Master teachers.** Programs are not required to have master teachers per OAC 340:110-3-284.2(b).

(h) **Teacher and assistant teacher qualifications.** Teaching personnel hired before January 1, 2016, are exempt from the educational requirements per OAC 340:110-3-284.2(c) and (d).

(i) **Rest time.** Programs are exempt from providing rest time for 1-year-olds through 4-year-olds per OAC 340:110-3-296(c). However, when the program provides rest time or a child needs to rest, the rest time requirements apply.

(j) **Parent provided meals and snacks.** Programs are exempt from the additional serving requirements per OAC 340:110-3-298(c).

(k) **Food service area hand washing sink.** When the program is licensed in a facility that was originally designed as a family residence, the separate hand washing sink for the food service area per OAC 340:110-3-300(n) may be located in a restroom on the same floor as the food service area.

(l) **Square footage for infants.** Programs licensed before January 1, 2016, are exempt from the increased square footage for infants requirement per OAC 340:110-3-301(b).

(m) **Fencing.** Programs are exempt from the fencing requirements per OAC 340:110-3-301(c), when:

(1) care is only provided for 5-year-olds or older who are attending or have completed kindergarten; and

(2) the area is properly protected from traffic and other hazards.

(n) **Open outdoor play area.** Programs are exempt from the open area requirement in the outdoor play area per OAC 340:110-3-301(c).

(o) **Impact-absorbing materials.** Impact-absorbing materials obtained before January 1, 2016, are exempt from the requirements per OAC 340:110-3-301(c).

(p) **Rest equipment and bedding.** Programs are exempt from the two-inch mat requirements per OAC 340:110-3-302(b). However, the mats are at least one inch thick. Program policy may require parents provide for their 1-year-olds and older, rest equipment, and bedding that meets the requirements.

(q) **Play equipment.** Programs are exempt from the play equipment type and quantity requirements per OAC 340:110-3-302(a). However, programs have a variety of accessible, age-appropriate play equipment in quantities proportionate to the licensed capacity and number of children in each group per OAC 340:110-3-289(f) and (g). Programs are required to meet the basic equipment requirements per OAC 340 Appendix MM - Equipment.

340:110-3-311. Addendum requirements for programs for sick children

(a) **Programs for sick children.** Programs for sick children serve children with illnesses or symptoms that:

(1) prevent them from comfortable participation in activities in a program caring for well children; and

(2) require more care than personnel in a program caring for well children can provide without compromising the health and safety

of other children in care.

(b) **Common requirements.** Programs are required to meet the common requirements in Oklahoma Administrative Code (OAC) 340:110-3-275 through 340:110-3-305, unless the addendum requirements in this Section state otherwise.

(c) **Definitions.** The following words and terms when used in this Part shall have the following meaning unless the context clearly states otherwise:

(1) **"Health professional"** means a registered nurse, pediatric nurse practitioner, physician's assistant, or physician with at least one year of pediatric or public health experience.

(2) **"Level I program"**:

(A) means a component of a regular child care center licensed to care for no more than eight sick children and serves only mildly ill children; and

(B) does not serve children with illnesses or symptoms that meet the criteria for exclusion in a Level I program as defined in OAC 340 Appendix JJ, Exclusion Criteria for Children Who Are Ill.

(3) **"Level II program"** means a:

(A) program licensed to care for nine or more sick children;

(B) program licensed to provide child care only for sick children; or

(C) component of a regular child care center and serves both mildly and moderately ill children.

(4) **"Mildly ill"** means children with mild symptoms of an episodic minor childhood illness who do not present a risk of serious infection to other children. Mildly ill children show interest and involvement in program activities and are able to participate.

(5) **"Moderately ill"** means children with symptoms of an episodic illness preventing them from being cared for in a program serving only well or mildly ill children due to the risk for contagion and the need for increased care. Moderately ill children display more severe symptoms than mildly ill children.

(d) **Inclusion and exclusion criteria.** A program for sick children may serve any child who exhibits symptoms or illnesses for which they are excluded from a program caring for well children unless prohibited by the exclusion criteria specified in OAC 340 Appendix JJ - Exclusion Criteria For Children Who Are Ill.

(e) **Admission criteria.** The guidelines for admission in a center for sick children are described in (1) and (2) of this subsection. A provider is not obligated to admit a child if the provider does not have adequate information about the child's condition or diagnosis to determine whether he or she can be safely included in the program.

(1) For Level I programs a written physical assessment of the child is conducted by the director or designated caregiver to determine the appropriateness of the child's attendance that day or the need for a medical evaluation prior to admission. The assessment includes:

- (A) any pertinent information from parents or authorized adults relevant to the child's condition and symptoms; and
- (B) an evaluation of the child's general appearance, including physical appearance, demeanor, mood and activity level.

(2) For Level II programs a written medical evaluation that includes a diagnosis from a licensed physician indicating a child is eligible for admission is required before a child can be admitted to a Level II program.

(f) **Policy and procedure.** The program has written policies and procedures approved in writing by a licensed physician or by a pediatric nurse practitioner.

(1) In addition to the program policy requirements in OAC 340:110-3-278(d), the program policy must also include:

- (A) the criteria for admission in the program;
- (B) intake and admission procedures;
- (C) plans for the daily care of children including methods used to monitor the condition of children;
- (D) plans for personnel training and communication with parents and health care providers; and
- (E) procedures for injury prevention and infection control.

(2) A health professional provides ongoing consultation to the program in its overall operation and the management of illness for individual children.

(g) **Personnel qualifications.** In addition to the general personnel requirements per OAC 340:110-3-284 personnel caring for sick children are required to have completed:

- (1) at least one year of satisfactory full-time experience in a child care setting; or
- (2) a minimum of 20 documented clock-hours of professional development in child development, early childhood education, or a closely related subject.

(h) **Personnel training.** The professional development requirements for personnel caring for sick children are contained in (1) through (4) of this subsection.

(1) Personnel caring for sick children have cardio-pulmonary resuscitation (CPR) and first aid certification per OAC 340:110-3-284(d).

(2) Prior to working with sick children, personnel must complete the Licensing approved training for the care of sick children conducted by a health professional. The training includes:

- (A) policy and procedures relating to the care of sick children;
- (B) recognizing signs and symptoms of illness;
- (C) administration of medication;
- (D) when and how to call for medical help;
- (E) taking children's temperatures;
- (F) infection control procedures including hand washing, handling contaminated items, use of disinfectants, and food handling;

(G) communicating with parents concerning a child's illness; and

(H) any other care that may be required for admissible illnesses and conditions.

(3) Personnel caring for sick children must obtain two hours of professional development annually related to the care of sick children and the prevention and control of communicable disease.

(4) All professional development required for personnel who care for sick children counts toward the annual training required for all personnel listed per OAC 340:110-3-284(d).

(i) **Indoors.** In addition programs meet the requirements listed in (1) through (7) of this subsection.

(1) Toilets are in a restroom that is adjacent to or opens directly into each room used to care for sick children.

(2) Sinks for hand washing are located in each room used for the care of sick children, or in a restroom that opens directly into the room.

(3) The use of potty chairs is prohibited.

(4) Rest equipment is available and accessible for use by children throughout the day and is placed three feet apart when in use.

(5) Mats may not be used as rest equipment.

(6) The use of carpet is prohibited; however, rugs may be used when they are washed daily.

(7) In Level I programs:

(A) rooms used for the care of sick children are separated from other components of the program by floor to ceiling walls; and

(B) rooms, fixtures, furniture, equipment, and supplies used by sick children are not used by personnel or children from any other component of the program when sick children are in care.

(j) **Outdoor play areas.** Programs are exempt from the outdoor play area requirements per OAC 340:110-3-301(c). However, when outdoor play areas are provided:

(1) all outdoor play area requirements are met; and

(2) when the same area is shared by well and sick children it is used at separate times.

(k) **Health.** In addition to the health requirements per OAC 340:110-3-294, programs:

(1) require personnel to monitor and record the condition of each child throughout the day. The monitoring includes:

(A) temperature taking;

(B) amount of fluid and food intake;

(C) output including urine, vomit, and stools, as appropriate;

(D) medication administered; and

(E) sleeping patterns and general behavior;

(2) notify parents immediately of any significant change in a child's condition; and

(3) take additional precautions to prevent the spread of disease, including:

- (A) cleaning and disinfecting floors, basic and play equipment and furniture daily or more often when necessary, or before use by another group of children;
- (B) providing liquid soap from mounted dispensers for hand washing;
- (C) using paper towels from a dispenser with waste containers provided for disposal;
- (D) providing play equipment that is non-porous and easily washable; and
- (E) prohibiting personnel and children who begin the day in the area serving sick children to transfer to any other part of the facility during that day.

- (l) **Food and nutrition.** In addition to the nutrition and food service requirements per OAC 340:110-3-298 and 340:110-3-299, programs:
- (1) modify menus to meet the individual physical condition of each child in care;
 - (2) prohibit personnel involved with food preparation or service from changing diapers or assisting children with toileting;
 - (3) use only single-use and disposable eating and drinking utensils. Infant bottles and spill-proof cups may be used when they are sent home daily;
 - (4) prohibit the use of drinking fountains; and
 - (5) require personnel to frequently offer drinking water and other fluids to each child.

- (m) **Additional requirements for Level II programs.** In addition to the requirements in this Section, Level II programs meet the requirements listed in (1) through (7) of this subsection.

- (1) A physical assessment of each child is conducted by a health professional as the child is admitted to the program.
- (2) A health professional or licensed practical nurse (LPN) with immediate, direct access to a health professional remains on-site at all times when sick children are in care.
- (3) The LPN may not make the determination whether to admit a child into the program. The LPN may provide care and collect clinical information, and must report to the health professional.
- (4) Children are cared for in separate rooms unless grouped with other children diagnosed with the same illness.
- (5) Separate outside ventilation is required when care is provided for children diagnosed with:
 - (A) measles;
 - (B) diphtheria, until five days of the appropriate antibiotic therapy, that is to be given a total of 14 days;
 - (C) rubella;
 - (D) tuberculosis; or
 - (E) chicken pox.
- (6) In a Level II program that is a component of a program caring for well children:
 - (A) rooms are separated from other components of the facility by floor to ceiling walls; and
 - (B) rooms, furniture, equipment, and supplies used by sick children are not used by children or personnel from other

- components of the facility.
- (7) A separate entrance is required for sick children.

[Source: Amended and renumbered from 340:110-3-33.2 at 32 Ok Reg 704, eff 1-1-16 (emergency); Amended and renumbered from 340:110-3-33.2 at 33 Ok Reg 1678, eff 9-15-16]

PART 16. REQUIREMENTS FOR COMMUNITY HOPE CENTERS

340:110-3-400. Community Hope Centers

(a) **Program definition.** Community hope centers are programs operating more than 15 hours per week, serving children and youth 5 through 17 years of age. Programs provide access to mental health professionals and resources meeting children's and youths' social and emotional well-being, the science of hope, and connections to additional community resources for families.

(b) **Request for license.** Programs complete Form 07LC004E, Request for License-Child Care Program.

(c) **Inspections and approvals.** Programs meet inspection and approvals in (1) through (3) of this subsection.

(1) The program is inspected and approved by Oklahoma Human Services (OKDHS) Child Care Services (CCS), per Oklahoma Administrative Code (OAC) 340:110-3-400 (a) through (u).

(2) A fire inspection and approval is required.

(3) An Oklahoma State Department of Health (OSDH) inspection and approval is required when meals are prepared and served.

(d) **Personnel qualifications.** Personnel meet qualifications in (1) through (3) of this subsection.

(1) **Program or site director.** Program or site directors are at least 21 years of age and responsible for the day-to-day program operation. Program or site directors meet one of the educational and experience qualifications in (A) and (B) of this paragraph.

Program or site directors:

(A) have obtained a bachelor's degree from an accredited college or university with at least nine-college credit hours in family focus, child or youth development, sociology, social work, or a closely related subject, and six months children's and youth's services experience; or

(B) in lieu of a bachelor's degree have five years of experience in children's or youth's services; including care of children or youth with complex emotional needs and daily program operations.

(2) **Personnel meeting staff child and youth ratio.** Personnel possess adequate education, professional development, and experience to perform the position's essential functions.

Personnel are at least 18 years of age and have a high school diploma or General Education Development (GED).

(3) **Personnel in charge.** Program personnel left alone with children or youth must meet personnel qualifications, be at least

21 years of age, and have a good understanding of licensing requirements and program policy.

(e) **Background investigations.** Background investigation requirements are met.

(1) **Required individuals.** Background investigations are required, per Section 401 et seq. of Title 10 of the Oklahoma Statutes (10 O.S. §§ 401 et seq.), Oklahoma Child Care Facilities Licensing Act (Licensing Act), unless an exception, per (3) of this subsection applies for:

- (A) owners, prior to authorization to operate;
- (B) responsible entities, prior to authorization to operate and, when there is a change in responsible entity;
- (C) personnel applicants, prior to hire. However, the program may hire individuals, when:
 - (i) the program has submitted a criminal history review request to the Office of Background Investigations (OBI);
 - (ii) only awaiting the national criminal history records search, based on fingerprint submission;
 - (iii) criminal history review results from OBI are received by the program. However, until complete results are received, the individual does not have unsupervised access to children or youth; and
 - (iv) coming from another licensed program owned by the same business entity. Individuals are not required to repeat the background investigation process, unless required, per (2) of this subsection, with the exception of criminal history restriction waivers, provided there is no break in employment from the business entity; and
- (D) individuals with unsupervised access to children and youth, prior to having access to children and youth, unless an exception per (3) of the subsection applies;
- (E) adults living in the facility, prior to authorization to operate or moving into the facility of an existing program. This includes children and youth, who become 18 years of age while living in the facility; and
- (F) individuals having access to, or review of, fingerprint results, prior to access to or review of results.

(2) **Resubmission of criminal history reviews as of November 2, 2017.** Effective November 2, 2017, programs request a criminal history review process, excluding fingerprinting, for required individuals every five years. However, criminal history reviews requested prior to November 2, 2017, are resubmitted by November 1, 2022.

(3) **Non-required individuals.** Background investigations are not required for:

- (A) specialized service professionals who are not program personnel, parent releases are signed and dated with an indication of understanding unsupervised access prior to children or youth seeing each professional.

(B) volunteer drivers transporting children or youth on an irregular basis and not filling another position, parent releases are signed and dated with an indication of understanding unsupervised access prior to children or youth having access to each volunteer driver;

(C) contracted drivers not filling another position or having unsupervised access to children or youth; and

(D) contracted non-personnel not having unsupervised access to children or youth, such as when the program contracts for special activities or facility repair.

(4) **Restricted Registry.** The program conducts an online search of the Restricted Registry, also known as Joshua's List, when required, per (1) of this subsection.

(A) **Non-registrants.** Non-registrants are individuals not recorded on the Restricted Registry.

(B) **Registrants.** Registrants are individuals recorded on the Restricted Registry, who are prohibited from licensure, ownership, employment, unsupervised access to children or youth, or residence in a facility, or program licensed, certified, operated or contracted with by the Department or the Office of Juvenile Affairs, and prohibited individuals, per (8) of this subsection.

(5) **Criminal history.** The program and required individuals complete the criminal history review process. The program receives the completed criminal history review results from OBI when required, per (1) of this subsection.

(A) **Criminal history prohibitions.** Individuals with criminal history prohibitions are prohibited, per (8) of this subsection. Criminal history prohibitions include:

(i) required registration under the:

- (I) Sex Offenders Registration Act, including state and national repositories; or
- (II) Mary Rippe Violent Crime Offenders Registration Act; or

(ii) pleas of guilty or nolo contendere (no contest), or convictions of felonies involving:

- (I) murder, as defined in Section 1111 of Title 18 of United States Code;
- (II) child or youth neglect or abuse;
- (III) crimes against children and youth, including child and youth pornography;
- (IV) spousal abuse;
- (V) crimes involving rape or sexual assault;
- (VI) kidnapping;
- (VII) arson;
- (VIII) physical assault or battery; or
- (IX) a drug-related offense committed during the preceding five years, unless a criminal history restriction waiver, per (6) of this subsection is granted; or

(iii) pleas of guilty or nolo contendere (no contest), or convictions of violent misdemeanors committed as adults against a child or youth involving:

(I) child or youth abuse or child or youth endangerment; or

(II) sexual assault; or

(iv) pleas of guilty or nolo contendere (no contest), or convictions of misdemeanors involving child or youth pornography; or

(v) when an individual:

(I) refuses to consent to background investigations, per (1) of this subsection; or

(II) knowingly makes a materially-false statement in connection with criminal background investigations.

(B) Criminal history restrictions. Individuals with criminal history restrictions are prohibited, per (8) of this subsection, unless a criminal history restriction waiver is granted. Criminal history restrictions include pending charges, pleas of guilty or nolo contendere (no contest), or convictions of criminal activity involving:

(i) gross irresponsibility or disregard for the safety of others;

(ii) violence against an individual;

(iii) sexual misconduct;

(iv) child and youth abuse or neglect;

(v) animal cruelty;

(vi) illegal drug possession, sale, or distribution; or

(vii) a pattern of criminal activity.

(6) Criminal history restriction waivers. Restriction waivers are described in (A) through (D) of this paragraph.

(A) Restriction waivers may be requested for individuals having criminal history restrictions. The owner, responsible entity, or director completes requests on an OKDHS-provided form.

(B) Restriction waivers are not requested or granted for:

(i) Restricted Registry registrants;

(ii) individuals with criminal history prohibitions; or

(iii) individuals whose sentence has not expired for criminal history restrictions.

(C) Individuals identified in pending or denied restriction waiver requests are prohibited, per (8) of this subsection.

(D) Granted criminal history restriction waiver notifications are maintained at the facility.

(7) References. The program obtains at least three, non-relative references prior to hiring personnel applicants, with at least two references from the most recent employers, when applicable.

(8) Prohibited individuals. Prohibitions are described in (A) through (F) of this paragraph.

(A) Background investigation of required individuals.

The program does not allow a required individual to be the

owner or responsible entity, to be employed, to live in the facility, or have:

(i) access to children and youth, such as being present at the facility during the hours of operation or present with the children or youth in care while off-site, when the individual has:

(I) criminal history prohibitions;

(II) criminal history restrictions, unless a criminal history restriction waiver is granted. Individuals identified in a pending or denied restriction waiver request are prohibited; or

(III) a substantiated heinous and shocking abuse finding; or

(ii) unsupervised access to children or youth, when the individual is a Restricted Registry registrant.

(B) Background investigation of drivers. In addition to (A) of this paragraph, the program does not allow an individual who is required to obtain a background investigation to transport children or youth when the individual has entered a plea of guilty or nolo contendere (no contest), or been convicted of driving under the influence of alcohol or drugs or another impaired driving offense within the last five years.

(C) Background of any individual. The program does not allow any individual to have access to children and youth, such as being present at the facility during the hours of operation or present with the children and youth in care while off-site, when the program is aware the individual has criminal history prohibitions, per (5) of this subsection. However individuals may drop-off and pick-up children and youth in care.

(D) Behavior or health of any individual. The program does not allow any individual to have access to children and youth or live in the facility when the individual's behavior or health could endanger the health, safety, or well-being of children and youth.

(E) Health of food service personnel. In addition to (A) and (D) of this paragraph, the program does not allow any individual to work in any capacity in any area of food service whose health could endanger the health, safety, or well-being of children and youth, including communicable disease and infestation symptoms, other than head lice.

(F) Treating medical personnel statement. When it is reported or observed an individual has a physical, mental, or emotional condition that may negatively impact the children and youth or impair individual's ability to perform his or her assigned job responsibilities, the program may be required to submit a treating medical personnel statement to Licensing.

(f) **Personnel forms.** All program personnel, including program and site directors, complete an OKDHS-provided personnel form.

(g) **Responsibilities.** Personnel meet the general responsibility requirements in (1) through (2) of this subsection.

(1) **Complying with requirements.** Personnel comply with the requirements.

(2) **Caring for and educating children and youth.** Personnel:

(A) individualize the care and learning opportunities to meet each child's or youth's needs based upon the child's or youth's age and abilities, including reviewing the information provided by parents while respecting confidentiality;

(B) recognize and act to correct hazards to physical safety, both indoors and outdoors;

(C) demonstrate good judgment as evidenced by prudent and responsible behavior that reasonably ensures the health and safety of children and youth;

(D) demonstrate realistic expectations for behavior based on the age, abilities, and needs of children and youth; and

(E) work with children and youth without physical, psychological, or emotional punishment, mistreatment, or abuse.

(h) **Professional development.** Personnel meet professional development requirements in (1) through (5) of this subsection.

(1) All program personnel, including program and site directors, obtain an OKDHS- approved orientation, online video within one week of employment and prior to having sole responsibility of children or youth.

(2) At least one personnel is present in each building where children or youth are in care, off-site, or in vehicles during transportation; with current, age-appropriate cardio-pulmonary resuscitation and first aid (CPR/FA). When personnel do not currently have CPR/FA, obtaining at least online CPR/FA training is required.

(3) All program personnel, including program and site directors, receive Science of Hope training.

(4) At least one person per site is certified as a Hope Navigator.

(5) All program personnel, including program and site directors, obtain job-related professional development annually that includes health and safety topics as well as emergency preparedness. Documentation is maintained on-site and includes the topic, training source, length of training, and date received.

Topics include:

(A) prevention and control of infectious disease;

(B) administration of medication, consistent with standards for parental consent;

(C) prevention and response to emergencies due to food and allergic reactions;

(D) appropriate precautions in transporting children, when applicable;

(E) building and physical premises safety; including identification of, and protection from, hazards, bodies of water, and vehicular traffic;

(F) emergency preparedness and response planning for emergencies resulting from a natural disaster, or a man-caused event, such as violence at the facility, within the meaning of those terms, per Section 602(a)(1) of the Robert T. Stafford Disaster Relief And Emergency Assistance Act, per Section 5195a(a)(1) of Title 42 of the United States Code, that includes procedures for evacuation, relocation, shelter-in-place and lockdown, personnel and volunteer emergency continuity of operations and, accommodation of children and youth with disabilities and chronic medical conditions;

(G) handling and storage of hazardous materials and appropriate disposal of bio contaminants;

(H) age appropriate CPR/FA; and

(I) recognition and reporting of child abuse and neglect, per (j) of this Section.

(i) **Child and youth records.** Programs maintain child and youth information on an OKDHS-provided form.

(j) **Reporting.** Programs meet reporting requirements in (1) through(3) of this subsection.

(1) **Licensing.** The owner, responsible entity, or program or site director notifies Licensing by the next OKDHS-business day of:

(A) a known legal action, such as a Victim Protection Order, arrest, or criminal investigation or charge, involving the program, owner, responsible entity, personnel, or an individual living in the facility;

(B) a known child or youth neglect or abuse investigation involving the owner, responsible entity, personnel, or an individual living in the facility that is pending or has a disposition;

(C) an unscheduled, temporary or permanent program closure or relocation;

(D) facility damage affecting the amount of usable square footage or compliance with requirements;

(E) an incident that exposes children or youth to an imminent risk of harm, such as a child or youth leaving the facility without program knowledge, or being left alone on- or off-site or in a vehicle;

(F) an animal bite to an individual that occurs on-site at any time or off-site when participating in program activities;

(G) an accident involving transportation, unless there were no injuries and only minor damage to the vehicles;

(H) a child or youth injury requiring emergency medical attention; and

(I) a child or youth death or near death, occurring while in care.

(2) **Child or youth abuse and neglect and human trafficking.**

(A) Abuse and neglect. Any person who has reason to believe a child or youth has been abused or neglected, per 10A O.S. § 1-1-105, is required to report the matter promptly to the OKDHS Child Abuse and Neglect Hotline at 1-800-522-3511, per 10A O.S. § 1-2-101. Failure to report is a misdemeanor offense and, upon conviction, is punishable by law. Failure to report with prolonged knowledge, six months or more, of ongoing abuse or neglect is a felony offense.

(B) Human trafficking. Per 21 O.S. § 870, every person having reason to believe that a person or child-placing agency is engaging in the crime of trafficking in children or youth, as described in 21 O.S. § 866, reports the matter promptly to the Oklahoma Bureau of Narcotics and Dangerous Drugs Control.

(3) **Heinous and shocking abuse notification.** OKDHS notifies programs of a substantiated finding of heinous and shocking abuse by a person responsible for a child's health, safety, or welfare, as defined, per 10A O.S. § 1-1-105. Upon receiving the notice, the facility owner or primary caregiver provides notification to parents or legal guardians of children attending the facility using an OKDHS-provided form.

(A) Notification is:

- (i) immediately attempted but not later than 72 hours of notice receipt from OKDHS; and
- (ii) provided by certified mail.

(B) The program maintains the list of notified parents and legal guardians for at least 12 months.

(k) **Staff to child and youth ratio.** Children and youth are adequately supervised at all times whether on or off the facility premises. Ratios and age groups of children and youth are maintained, per (1) and (2) of this subsection.

- (1) Children 5 through 12 years of age have one personnel to 20 children.
- (2) Youth 13 through 17 years of age have one personnel to 25 youth.

(l) **Facility and premises.** Facility requirements are met, per (1) through (16) of this subsection.

(1) **Utilities.** Programs have operable utilities, including hot water.

(2) **Square footage and capacity.** Indoor square footage and areas are maintained, per (A) through (C) of this paragraph.

(A) **Indoor square footage for licensed capacity.** A minimum of 35 square feet of indoor floor space per child and or youth is required for routine use by children and youth.

(B) **Areas not counted toward licensed capacity or limited for children's and youth's use.** Some areas may not be suitable for children's and youth's use or only under the conditions listed in (i) through (iii) of this subparagraph.

(i) Areas not counted toward the licensed capacity are:

- (I) restrooms, kitchens, and hallways;
- (II) storage closets and supply rooms;
- (III) personnel offices, work rooms, and break rooms;
- (IV) areas occupied by furniture not for children's or youth's use; and
- (V) supplemental areas or rooms used exclusively for eating, rest time, gross motor activities, or care of ill children or youth.

(ii) Basements, areas partially below ground level, and floors above ground level are only counted toward the licensed capacity when approved by the local or state fire governmental authority having jurisdiction. Fire inspection approval is also required before children or youth use the area for any reason, except as part of the emergency plans and procedures, such as during tornados or lock-downs. Fire inspection reports indicate age restrictions. When used by children or youth, basements are finished, dry, and ventilated.

(iii) Large areas, such as gymnasiums are only counted toward the licensed capacity when divided into rooms for children 5 years of age and older; however, they may be used as a supplemental area for any age.

(C) **Room capacity.** Rooms are not routinely occupied by more children or youth than can be accommodated by the square footage, per (A) of this paragraph.

(3) **Hazards.** Hazards mean anything that may inflict injury or cause harm.

(A) The facility is free of hazards.

(B) Hazardous items are inaccessible, including those in personal belongings, such as backpacks and purses.

(C) Personnel recognize and act to correct hazards to physical safety, both indoors and outdoors.

(4) **Illegal drugs.** The facility and vehicles used to transport children or youth are free of illegal drugs and paraphernalia.

(5) **Tobacco products.** Tobacco and simulated tobacco products and related items, such as ashtrays and cigarette butts are inaccessible.

(6) **Matches and lighters.** Matches and lighters are inaccessible.

(7) **Open flames.** Items with open flames, such as candles are not used during the hours of operation.

(8) **Weapons and ammunition.** Any weapons and ammunition, such as firearms, cap pistols, bows and arrows, and hunting knives are kept in an inaccessible area. In addition:

(A) weapons are kept unloaded in locked containers or cabinets;

- (B) ammunition is kept in locked containers or cabinets, separate from weapons;
- (C) keys, combinations, and codes used for locked storage are inaccessible; and
- (D) parents are informed of weapons.

(9) **Vehicle items.** When transported, children or youth are protected from items in the vehicle that may become a hazard during vehicle operation or in the event of an accident.

(10) **Miscellaneous.** The requirements in (A) and (B) of this paragraph are met.

- (A) Fireworks are inaccessible.
- (B) Compressed gas cylinders are secured to prevent falling over.

(11) **Animals.** Animals on the premises do not pose a health or safety risk to children and youth. Current vaccination records are maintained at the facility.

(12) **Water safety.** Pools and other bodies of water are inaccessible.

- (A) On-site indoor and outdoor swimming pools are enclosed and secured to prevent unsupervised access. Doors and gates leading to the pool are locked.
- (B) Outdoor in-ground pools are fenced and fencing:
 - (i) is sturdy;
 - (ii) cannot be easily climbed;
 - (iii) is at least four feet high and starts at ground-level; and
 - (iv) may include a building wall, provided doors are kept locked and any windows are unable to be opened by children or youth.
- (C) Outdoor above-ground pools have:
 - (i) a fence that meets the in-ground pool fencing requirements;
 - (ii) at least four feet of non-climbable pool sidewalls; or
 - (iii) a combination of pool sidewalls and fencing, with the fence attaching to and extending above the pool sidewalls, for a total height of at least four feet.
- (D) Outdoor above-ground pools with steps leading to the pool have the steps removed or otherwise protected to prevent unsupervised access.

(13) **Bathrooms.** Bathrooms meet sink and toilet requirements. Programs may request an alternative compliance, when needed. OKDHS approvals are granted on a case-by-case basis. The facility has:

- (A) one toilet and one sink for every 25 children and youth; and
- (B) separate restrooms for male and female youth 13 through 17 years of age.

(14) **Toileting facilities.** The toileting facilities:

- (A) have operable toilets;

- (B) have toilet paper within easy reach of children and youth;
- (C) with doors, unlock from the outside in an emergency; and
- (D) used by children 6 years of age and older provide privacy, such as being equipped with doors or having children or youth take turns while supervision is maintained.

(15) **Hand washing facilities.** The hand washing facilities requirements in (A) and (B) of this paragraph are met.

(A) Required sinks are plumbed, per the Oklahoma Plumbing Licensing Act.

(B) Hand washing facilities have:

- (i) operable sinks with running water between 80 and 120 degrees Fahrenheit; and
- (ii) soap, paper towels or mechanical hand dryers, and trash containers within easy reach of children and youth.

(16) **Food storage.** Programs maintain adequate food storage.

(m) **Children and youth health.** Programs meet medication and health requirements, per (1) through (9) of this subsection.

(1) **Program policy.** The program maintains medication policy that includes procedures for:

- (A) storing, administering, returning, and disposing of medications;
- (B) storing, using, returning, and disposing of medical waste, such as syringes, needles, and lancets;
- (C) using sun safety methods, such as sunscreen; and
- (D) using insect repellent.

(2) **Parent provides.** Prescription and over-the-counter medications are provided by the individual child's or youth's parent.

(3) **Parental permission.** Parental permission is obtained prior to administering the medication. Documentation is maintained at the facility.

(4) **Administration.** Medications are administered, per the requirements in (A) through (F) of this paragraph.

(A) Medications are only administered:

- (i) by the designated personnel; and
- (ii) to the child or youth whose full name is on the container label.

(B) Expired medication is not administered.

(C) Prescription medications are administered according to the container instructions, including only administering when the medication is part of a prescribed therapeutic treatment.

(D) Over-the-counter medications are administered according to the:

- (i) container instructions; or
- (ii) physician instructions.

(E) Oral medications are administered with a measuring device designed to measure medication.

(F) Each dose administered is immediately documented.

(5) **Inaccessible.** Medications are inaccessible to children and youth.

(6) **Labeling and storing.** Medications are:

(A) maintained in the original container;

(B) labeled with the child's or youth's full name;

(C) stored according to the container label, including temperature; and

(D) stored in locations, such as cabinets or drawers, clearly labeled "medication." In addition:

(i) refrigerated medications are stored in a container clearly labeled "medication"; and

(ii) life-threatening condition medications, such as epinephrine pens and rescue inhalers, are in close proximity to the child or youth for immediate administration when needed, such as being in the same classroom or supplemental activity area as the child or youth, outdoors when the child or youth is outside, or on field trips.

(7) **Return to parents.** Medications are returned to parents:

(A) daily;

(B) when the parental permission period ends as documented;

(C) when the medication expires; or

(D) when the child or youth is withdrawn from the program.

(8) **Insect repellents and sunscreens.** Insect repellents and sunscreens are not considered medications. The program maintains insect repellent and sun safety policies.

(9) **COVID-19 virus guidelines.** Programs follow the Center for Disease Control (CDC) or Oklahoma State Department of Health COVID-19 virus guidelines for hand washing, group sizes, and use of personal protective equipment (PPE).

(n) **Food and nutrition.** Programs provide two meals and snacks per day and meet Child and Adult Care Food Program (CACFP) guidelines.

Nutritional weekend food supplements are provided to children and youth.

(1) **Required meals and snacks.** The program ensures children and youth are served meals and snacks according to program hours of operation and children's and youth's attendance, regardless of the program or parents providing the food.

(A) **Full day care.** Morning meal or snack, mid-day meal, and afternoon snack are served.

(B) **Evening care.** Evening meal and evening snack are served.

(C) **Overnight care.** Evening meal, evening snack, and morning meal are served.

(D) **Children's and youth's attendance.** Children or youth in care over a four-hour period are served a meal.

(2) **Nutritional quality and quantity.** The nutritional requirements in (A) and (B) of this paragraph are met.

(A) **Meals and snacks.** Meals and snacks are required to meet the current CACFP guidelines, per OAC 340 Appendix LL - Meal and Snack Patterns.

(B) **Additional servings.** Additional servings:

- (i) are available when the child or youth remains hungry;
- (ii) meet the nutritional requirements, per this subsection; and
- (iii) are not required to be the same food as the first serving.

(3) **Water.** Safe drinking water is freely available to children and youth at all times. Children and youth are encouraged to drink water throughout the day, especially before, during, and after outdoor activities.

(4) **Program provided meals and snacks.** When the program provides the meals, snacks, or both, the parents may be requested and allowed to provide for:

(A) their own children or youth who:

- (i) have special dietary needs, including health or religious restrictions; or
- (ii) are participating in a field trip; and

(B) a group of children or youth on special occasions.

(5) **Allergies.** Programs request child and youth food allergy information from parents.

(o) **Discipline and personnel interaction.** Discipline is developmentally appropriate, responsive to the circumstances, constructive, and provides an opportunity to learn and meets requirements in (1) through (3) of this subsection.

(1) **General.** Personnel do not seek or accept parental permission that does not comply with requirements.

(2) **Appropriate discipline.** Personnel use appropriate discipline methods.

(A) **Assessment.** Personnel evaluate the environment, atmosphere, and activities before considering specific child or youth interventions.

(B) **Interaction.** Personnel interact with an attitude of understanding and firmness.

(C) **Fairness and consistency.** Personnel use fair and consistent rules.

(D) **Perspective.** Personnel maintain perspective and recognize every behavior does not require the teaching personnel's attention or intervention.

(E) **Expressing acceptance and disapproval.** Personnel speak so children and youth understand they and their feelings are acceptable, but their action or behavior may be unacceptable.

(F) **Self-control.** Personnel encourage children and youth to develop self-control.

(G) **Relevant.** Personnel choose discipline relevant to the behavior.

(H) **Redirect.** Personnel provide alternatives when the behavior is unacceptable.

(I) **Consequences.** Personnel use safe, natural, and logical consequences to help children and youth take responsibility for their actions.

(J) **Individualize.** Personnel recognize every discipline method is not effective with every child or youth, circumstance, or both.

(3) **Inappropriate discipline.** Personnel are prohibited from using or threatening to use inappropriate discipline.

(A) **Physical.** Examples of inappropriate physical discipline include:

- (i) actions that could cause pain, such as shaking, striking, spanking, swatting, thumping, pinching, popping, shoving, spitting, hair pulling, yanking, and slamming;
- (ii) biting a child or youth;
- (iii) putting anything in, or on, a child's or youth's mouth;
- (iv) exposure to extreme temperatures;
- (v) excessive or forced exercise; and
- (vi) restraining a child or youth by any means other than holding, and then for only as long as necessary for the child or youth to regain self-control.

(B) **Psychological and emotional.** Examples of inappropriate psychological and emotional discipline, include:

- (i) humiliating, rejecting, or neglecting a child or youth;
- (ii) making derogatory or sarcastic remarks about a child's or youth's family, race, gender, religion, or cultural background;
- (iii) yelling at a child or youth out of anger or using harsh or profane language;
- (iv) punishing or threatening a child or youth in association with:
 - (I) education, such as writing repetitive sentences and homework;
 - (II) withdrawing, denying or forcing food, rest, or toileting; and
 - (III) withdrawing or denying outdoor activity or a weather-alternate activity; or
- (v) isolating a child or youth without supervision;
- (vi) placing a child or youth in a dark area;
- (vii) allowing a child or youth to discipline other children or youth; or
- (viii) punishing an entire group due to the actions of one or a few children or youth.

(p) **Child and youth programming and equipment.** Program activities are age-appropriate and provide enrichment activities to address social and emotional well-being and the science of hope.

(1) Program personnel help facilitate children and youth's remote and virtual learning; including assistance with homework and class assignments.

(2) Activities for children 5 through 12 years of age meet requirements in (A) through (D) of this paragraph. Each child or youth is:

(A) provided an inclusive environment that:

(i) meets the child's and youth's needs and encourages full participation; and

(ii) is equipped and prepared for learning, based on each child's or youth's age, needs, and interests;

(B) provided multiple opportunities to engage individually or in small, informal groups for the majority of the day;

(C) allowed to choose an activity, whether teaching personnel-directed or child- or youth-selected; and

(D) encouraged, but not forced, to participate in program activities, with adaptations made to ensure safety and participation.

(3) **Electronic and print media.** Media may be used with children and youth, provided these restriction requirements are met.

(A) Electronic and print media are chosen with discretion and selectivity and are:

(i) non-violent;

(ii) non-vulgar;

(iii) non-sexually explicit;

(iv) culturally sensitive; and

(v) age-appropriate, according to widely accepted rating systems.

(B) When the Internet is accessible for children's or youth's use, the program ensures children and youth do not have access to inappropriate websites, email, instant messaging, and similar technology.

(C) Screen time is:

(i) viewing electronic media with a screen, such as television (TV), digital video display (DVD), videos, video games, phones, and computers. Screen time includes children and youth watching the screens while others use the media, such as game playing or watching videos;

(ii) not used during meal and snack times; however, snacks may be provided during occasional special activities; and

(iii) limited for all other groups whether a teaching personnel-directed or child-or youth-selected activity.

(D) Technology and media do not replace hands on learning activities. Instead technology aligns and is

integrated with other core lesson plan experiences and opportunities in the child or youth care program.

(E) Recommended daily screen time for limited screen time activities outside of virtual learning activities should not exceed:

- (i) one hour and 45 minutes a day for pre-kindergarten and kindergarten;
- (ii) two hours and 10 minutes a day for 1st and 2nd grades;
- (iii) two hours and 20 minutes a day for 3rd through 5th grades; or
- (iv) four hours a day for 6th grade and above.

(F) Personnel do not use electronic media for personal use in the presence of children or youth, with the exception of an e-reader when used during rest time for reading, provided supervision is maintained.

(4) Equipment for children 5 through 12 years of age.

Equipment meets developmental needs of children in care. When obtaining and maintaining basic activity equipment, the requirements in this paragraph are met.

(A) **Type and quantity.** The equipment is:

- (i) of appropriate type and size to meet the physical, cognitive, emotional, and social development needs of the age group, individual children, or youth in care; and
- (ii) provided in type and quantity, per OAC 340 Appendix MM - Equipment, utilizing the equipment chart for children 6 years of age and older. An exception to the book quantity requires only five books for every 20 children.

(B) **Condition.** The equipment is:

- (i) safely constructed, and lead free;
- (ii) installed, maintained, and used according to the manufacturers' instructions;
- (iii) maintained in a safe condition that prevents hazards, such as splinters, loose parts, protrusions, and sharp edges;
- (iv) complete and in good working condition and repair, without holes and tears; and
- (v) clean and sanitary.

(5) Equipment for youth 13 through 17 years of age.

Equipment is adequate for the number of youth in care and provides a variety of appropriate activities.

(q) **Transportation.** When children or youth in care are transported in a vehicle, whether provided, arranged, or contracted by the program, requirements in (1) through (8) of this subsection are met.

(1) **General.** Programs meet requirements in (A) through (C) of this paragraph.

(A) When the program contracts for transportation, including the use of public transportation, the program is responsible for ensuring the contracted entity meets the

transportation requirements, including child passenger safety training.

(B) Children and youth are not transported in vehicles or parts of vehicles not designed for transporting people, such as truck beds, campers, and trailers.

(C) Drivers and vehicles used to transport children and youth are in compliance with all applicable state laws, including vehicle insurance. Insurance documentation is maintained at the facility.

(2) **Driver, child passenger safety, and CPR/FA.** Driver and professional development requirements in (A) through (D) of this paragraph are met.

(A) **Drivers.** The program may employ individuals or use volunteers or other personnel who meet these position specific requirements. Drivers:

- (i) are at least 21 years of age;
- (ii) are not youth in care;
- (iii) have a valid driver or commercial driver license (CDL) in his or her state of residence, appropriate for the type of vehicle driven. License documentation is maintained at the facility;
- (iv) who are contracted personnel or volunteers, may not be required to obtain criminal history reviews, per (e)(3); and
- (v) are prohibited when required, per (e)(8).

(B) **Position specific responsibilities.** Drivers:

- (i) transport children and youth; and
- (ii) meet the transportation requirements, per this subsection.

(C) **Position specific professional development.**

Drivers, excluding volunteers who transport on an irregular basis and do not fill another position, obtain within three months of transporting children or youth:

- (i) child passenger safety training, from the program's trained personnel or an OKDHS-approved child passenger safety course or a trained personnel is in the vehicle with the contracted driver, unless the vehicle used is exempt, per (7)(E) of this subsection. In addition, personnel who assist with child passenger restraints obtain this training from the options indicated, within three months of assisting; and
- (ii) vehicle safety training:
 - (I) for the safe operation of the type of vehicle driven, when driving a vehicle designed to transport 10 or more passengers; and
 - (II) from any training source, excluding owner manuals.

(D) **CPR/FA.** The CPR/FA certification requirements are met.

(3) Parental permission and attendance documentation.

Permission and attendance requirements in (A) and (B) of this paragraph are met.

(A) Transportation and field trip permission is maintained at the facility.

(B) Attendance documentation is maintained at the facility.

(4) Ratios and supervision.

Ratios and supervision requirements in (A) through (D) of this paragraph are met.

(A) The driver may count in ratios.

(B) Children and youth are never left unattended in vehicles.

(C) Supervision during transportation:

(i) begins at the pre-arranged pick-up time or when the child or youth is actually picked up, whichever is earlier. When the child or youth is not present or there is a contradiction about who is responsible for picking up the child or youth, the program informs the parent; and

(ii) ends at the pre-arranged drop-off time or when the child or youth is actually dropped off, whichever is later. The child or youth is only left at the pre-arranged drop-off location or with the individual designated by the parent.

(D) Children's and youth's entire bodies remain in the vehicle.

(5) Communication. Communication device requirements in (A) and (B) of this paragraph are met.

(A) An operable phone is in each vehicle when children or youth are transported.

(B) Drivers do not use any communication device while driving.

(6) Safety and tobacco-free. Safety requirements in (A) through (E) of this paragraph are met.

(A) Vehicles have a first aid kit.

(B) Vehicles are free of hazards.

(C) Safe conduct to, and from the vehicles, and safe off-street loading spaces are provided to protect children and youth from:

(i) backing vehicles;

(ii) being between vehicles; and

(iii) traffic hazards.

(D) The vehicle door locks are activated when the vehicle is moving.

(E) Tobacco use is prohibited.

(7) Passenger restraint, seating, and airbags.

Passenger restraint, seating, and airbag requirements in (A) through (E) of this paragraph are met.

(A) Vehicle maximum capacity and seating space, per manufacturers' designations is not exceeded.

(B) Children and youth sit in seats behind the front seat. However, when all these positions are taken by other

children or youth in care, children and youth may sit in the front seat, provided requirements in (i) and (ii) of this subparagraph are met.

(i) When there is a front seat passenger airbag and children 12 years of age and younger are in the front seat, the airbag is deactivated by a weight-sensitive seat when equipped with such, or a manual switch.

(ii) When the airbag cannot be deactivated, the front seat is pushed back as far as possible and only a child whose age and weight requires a forward facing car seat with a harness, per manufacturers' instructions may sit in the front seat.

(C) Child passengers remain properly secured in child passenger restraint system, such as a booster seat or an individual seat belt in compliance with applicable state laws, unless the vehicle is exempt, per (E) of this paragraph. Children or youth do not share a seat belt.

(i) Booster seats are:

(I) federally approved;

(II) installed according to the manufacturers' instructions;

(III) appropriate to the height, weight, and physical condition of the child, per manufacturers' instructions; and

(IV) properly maintained, such as not expired or previously involved in a vehicle accident.

(ii) Seat belts:

(I) are properly anchored to the vehicle; and

(II) fit the child appropriately, per child passenger safety training.

(D) Adult passengers, including the driver, remain properly secured in an individual seat belt unless:

(i) unable, due to medically documented reasons;

or

(ii) the vehicle is exempt, per (E) of this paragraph.

(E) The vehicle exemption to passenger restraints is for buses, unless designed for, or equipped with seat belts, or the Lower Anchors and Tethers for Children (LATCH) system. Passengers remain seated in exempt vehicles.

(8) Vehicles and vehicle maintenance. Vehicle maintenance requirements in (A) through (C) of this paragraph are met.

(A) The vehicle requirements apply to:

(i) program vehicles at all times; and

(ii) personal vehicles when transporting children or youth.

(B) Vehicle maintenance is:

(i) conducted at least quarterly on:

(I) program vehicles; and

(II) personal vehicles used on a regular basis; and

(ii) documented and maintained at the facility.

(C) The vehicles:

(i) are identified with the program or business entity name and phone number that is easily read by the public, unless using contracted transportation;

(ii) are in a safe operating condition;

(iii) have an operable heater used during cold weather to maintain an interior temperature of at least 65 degrees Fahrenheit;

(iv) have a ventilation system used during hot weather, such as air conditioning or operable windows; and

(v) have stationary padded seats, with a back properly anchored to the vehicle.

(r) **Family communication and community resources.** Parents are informed of children's and youth's activities and health, per (1) through (4) of this subsection.

(1) **Immediately.** The program immediately notifies parents of:

(A) a child or youth who does not arrive on his or her own at the facility as scheduled, such as when walking to the facility;

(B) a child or youth not present at the pick-up location as scheduled;

(C) a child, youth, or individual at the pick-up location who believes the child or youth is to be transported by the program, when the program is not providing this transportation;

(D) administration of a life-threatening condition medication only administered as needed;

(E) an injury that may need a licensed physician's evaluation;

(F) poison exposure; and

(G) an animal bite to a child or youth, when the skin is broken or when a licensed physician's evaluation may be needed.

(2) **Promptly.** The program notifies parents promptly of a child or youth who is separated from the group due to an illness or infestation or when exclusion is required, per OAC 340 Appendix JJ - Exclusion Criteria for Children Who Are Ill.

(3) **Upon child and youth pick up.** The program notifies parents upon child or youth pick up of:

(A) changes in the child's or youth's physical or emotional state;

(B) known minor injuries;

(C) illness or infestation symptoms that developed or changed;

(D) a communicable disease or infestation exposure;

- (E) an animal bite to a child or youth, when the skin is not broken; and
- (F) implemented emergency plans and procedures, except for drills.

(4) **Prior.** Parental permission is required prior to:

- (A) medication administration;
- (B) transportation;
- (C) field trips including the date, time, and location; and
- (D) volunteer drivers transporting children or youth, per (e)(3) of this Section.

(s) **Emergency preparedness.** Programs meet (1) through (7) of this subsection.

(1) **Emergency plans and procedures.** Emergency plans and procedures requirements are met.

(A) **General.** The program is required to have emergency plans that are:

- (i) individualized to the program and hours of operation;
- (ii) followed, unless children's or youth's safety is at risk or emergency personnel provide alternative instructions during an emergency; and
- (iii) maintained in a readily available and portable manner for emergencies.

(B) **Situations.** Emergency plans include procedures for:

- (i) serious injuries;
- (ii) serious illnesses;
- (iii) poison exposure;
- (iv) outbreaks of communicable diseases, including pandemics, such as influenza and Covid-19 virus;
- (v) weather conditions, including tornados, floods, blizzards, and ice storms;
- (vi) fires, including wildfires;
- (vii) man-made disasters, including chemical and industrial accidents;
- (viii) human threats, including individuals with threatening behaviors, bomb threats, and terrorist attacks;
- (ix) lost or abducted children and youth;
- (x) utility disruption; and
- (xi) other natural or man-made disasters that could create structural damage to the facility or pose health hazards.

(C) **Children and youth needs.** Emergency plans include procedures for addressing each child's or youth's needs, with additional considerations for children and youth with disabilities or chronic medical conditions.

(D) **Account for children and youth.** The emergency plans include procedures to account for each child's and youth's location during an emergency.

(E) **Shelter-in-place.** Emergency plans include shelter-in-place procedures for short-and extended-stay situations

that require children and youth to stay in the building, such as during tornados and other weather emergencies.

(F) **Lock-down.** Emergency plans include lock-down procedures for situations threatening children's, youth's and personnel's safety. Lock-down procedures include:

- (i) notifying personnel;
- (ii) keeping children and youth in designated safe locations in the building;
- (iii) encouraging children and youth to remain calm and quiet;
- (iv) securing building entrances;
- (v) preventing unauthorized individuals from entering the building. When the program is in a shared facility, the program entrances are secured; and
- (vi) responding when outdoors and on field trips.

(G) **Evacuation.** Emergency plans include evacuation procedures for situations, such as building fires, requiring children, youth, and personnel to leave the building.

Evacuation procedures:

- (i) include at least two evacuation routes labeled on the floor plan of the program;
- (ii) are posted in each area of the program utilized by children, youth, and personnel; and
- (iii) identify pre-determined meeting locations.

(H) **Relocation.** Emergency plans include relocation procedures for situations requiring children and youth move to an alternate location, such as bomb threats and wildfires. Relocation procedures include:

- (i) pre-determined primary and secondary alternate locations, with prior approval from the contact individual at the alternate locations;
- (ii) relocating children and youth, including a pre-determined transportation plan; and
- (iii) reuniting parents with children and youth.

(I) **Reporting.** Emergency plans include procedures for notifying:

- (i) emergency authorities, including the poison control center, when necessary;
- (ii) parents, including a method and backup method for how and when parents are notified; and
- (iii) Licensing, per (j) of this Section.

(J) **Personnel.** Emergency plans include procedures for ensuring personnel are familiar with the:

- (i) current emergency plans and procedures, including roles and responsibilities in an emergency;
- (ii) location of the emergency plans and procedures;
- (iii) location of the posted emergency information;

(iv) location of the first aid and emergency supply kits; and

(v) location and use of the fire extinguishers.

(2) **Phones.** Phone requirements in (A) through (C) of this paragraph are met.

(A) **On-site.** The program provides an operable phone in each building and on each floor.

(B) **Off-site.** An operable phone is available at off-site activities.

(C) **Vehicles.** An operable phone is in each vehicle when children or youth are transported.

(3) **Posted emergency information.** Emergency information is posted, per (A) through (C) of this paragraph.

(A) **Program information and emergency numbers.**

Information and numbers are posted in a prominent location for personnel and all areas utilized for children, youth, and personnel. Items to post include:

(i) the program name and address, with main cross streets or directions to the facility;

(ii) 911, where available; or local law enforcement, fire department, and ambulance services and

(iii) poison control, 1-800-222-1222.

(B) **First aid kit, emergency supply kit, and fire extinguisher locations.** Locations of first aid and emergency supply kits and extinguishers are posted in all areas used by children and youth.

(C) **Evacuation routes.** Routes are posted, per (1)(G) of this subsection.

(4) **First aid kits.** First aid kits meet requirements in (A) through (E) of this paragraph.

(A) **Location.** First aid kits are located in each building and in vehicles when transporting children and youth.

(B) **Accessibility.** First aid kits are accessible to personnel at all times and inaccessible to children and youth.

(C) **Replacement.** First aid kit supplies are replaced as needed, including expired items.

(D) **Sanitary.** First aid kit supplies are maintained in a clean and sanitary manner, including sanitizing re-usable supplies.

(E) **Supplies.** First aid kit supplies are stored together in a portable container.

(i) Supplies include, at least:

(I) non-medicated adhesive strips;

(II) sterile gauze pads;

(III) rolled flexible or stretch gauze;

(IV) bandage tape;

(V) disposable non-porous, latex-free gloves;

(VI) blunt-tipped scissors;

(VII) tweezers;

(VIII) a non-glass and non-mercury thermometer. The appropriate thermometer

and method are used to take a child's or youth's temperature when there is a concern;

(IX) a current first aid guide; and

(X) a copy of the posted program information and emergency numbers, per (3) of this subsection.

(ii) In addition, the first aid kits in vehicles include, at least:

(I) a cold pack;

(II) liquid soap and water or individually packaged moist, disposable towelettes, for cleaning wounds;

(III) hand sanitizer and moist, disposable towelettes, for hand hygiene;

(IV) plastic bags for disposal of items contaminated with blood or other body fluids; and

(V) a pen or pencil and note pad.

(5) **Emergency supply kit.** Emergency supply kits meet requirements in (A) and (B) of this paragraph.

(A) **Records.** Records available during an emergency include, at least the:

(i) emergency plans and procedures and alternate location addresses, phone numbers, and contacts;

(ii) emergency contacts; and

(iii) full names of children, youth, and personnel currently in attendance.

(B) **Supplies.** Emergency supplies gathered at the time of an emergency or maintained in a portable container at all times include, at least:

(i) a first aid kit; and

(ii) children's and youth's prescribed medications, including life-threatening condition medications.

(6) **Testing and maintaining emergency equipment.**

Equipment is tested and maintained, per (A) through (C) of this paragraph.

(A) **Individual smoke and carbon monoxide alarms.**

When the facility is equipped with individual alarms and not a central detection system the alarms are:

(i) operable; and

(ii) tested at least monthly. Documentation is maintained in writing at the facility and includes the testing date.

(B) **Central detection and alarm system for smoke and carbon monoxide.** When the facility is equipped with a hard-wired or wireless detectors connected to a central control panel, the system is:

(i) fully functional;

(ii) checked at least monthly by viewing the control panel and documentation is maintained in writing

at the facility and includes the date checked. This is not required when a company continuously monitors the system for full-function as documented per the contract; and
(iii) inspected and tagged at least every 12 months by a state-licensed authority.

(C) Fire extinguishers and automatic sprinkler systems. Fire extinguishers and automatic sprinkler systems are:

- (i) fully functional; and
- (ii) inspected and tagged at least every 12 months by a state-licensed authority.

(7) Drills and reviews. Drills and reviews are conducted, per (A) through (E) of this paragraph.

(A) General. Drills and reviews are documented in writing and maintained at the facility, including the dates of the activity and the personnel in charge of conducting the drill. The drills are conducted:

- (i) at various times throughout the hours of operation, such as morning, mid-day, afternoon, and evening, so children, youth, and personnel in attendance at various times are involved in each type of drill at least one time every three months;
- (ii) by following the pre-determined emergency plans and procedures; and
- (iii) per required scheduling.

(B) Monthly drills. Monthly drills include:

- (i) fire drills conducted by evacuating and meeting at pre-determined locations; and
- (ii) tornado drills conducted by sheltering in pre-determined on-site locations.

(C) Annual drills. Annual drills include:

- (i) locking-down by sheltering in pre-determined on-site locations;
- (ii) relocating according to procedures of preparation to relocate, but do not require physical relocation;
- (iii) sheltering-in-place, requiring children, youth, and personnel stay inside the facility, such as during tornados and other weather emergencies; and
- (iv) evacuating and meeting at pre-determined locations.

(D) Lock-down and relocation procedures review.

Personnel review the procedures at least once every 12 months.

(E) Emergency plans and procedures review. The director updates as necessary, and reviews emergency plans and procedures:

- (i) at least once every 12 months;

- (ii) upon enrollment of children and youth with disabilities or chronic medical conditions;
- (iii) after a drill when procedure issues are identified; and
- (iv) after an emergency, as identified in this subsection.

(t) **Required postings and policy.** Items in (1) and (3) are posted at the program's main entrance where the parents and public enter and posted in a conspicuous location within clear view.

(1) **Notice to parents.** OKDHS Publication No. 14-01, Notice to Parents, is posted.

(2) **Program liability insurance policy.** Program liability insurance is maintained, unless an exception, per Section 404.3 of Title 10 of the Oklahoma Statutes, Oklahoma Child Care Facilities Licensing Act, is posted, per (3) of this subsection.

(3) **Program liability insurance exception notification.** The OKDHS-provided form is posted when program liability insurance is not maintained or program reports being self-insured.

(u) **Parental notifications.** Compliance file and insurance notification requirements are met, per (1) and (2) of this subsection.

(1) **Compliance file.** Items are originals or copies and are maintained together, with the most recent on top and all child and youth identifying information removed. The compliance file includes items within the last 120-calendar days, at a minimum, from the date on the document or the investigation completion date on the form, unless requirements specifically state otherwise. The compliance file only contains:

(A) compliance monitoring from Licensing, Stars, and tribal agencies, such as:

(i) monitoring visit forms, including most recent visit; and

(ii) case status information, such as forms and correspondence regarding:

(I) issuance of permits and licenses;

(II) non-compliances and Stars violations;

(III) notices to comply;

(IV) complaint findings;

(V) office conferences with Licensing, Stars, and tribal agencies;

(VI) Stars alternative settlements and reductions; and

(VII) consent agreements, denials of a request for a license, and revocations of a license;

(B) child welfare investigative summary, regardless of findings. However, confirmed or substantiated findings are maintained in the file for 12 months;

(C) granted criminal history restriction waiver notifications. However, notification is maintained in the file for as long as the individual is employed or is living in the facility; and

(D) other documents indicating placement in the compliance file.

(2) **Compliance file and insurance parental notifications.** Parents are provided information regarding insurance liability and the compliance file.

(A) Parents complete OKDHS-provided forms every 12 months regarding insurance liability and the compliance file. Forms are maintained at the facility.

(B) When the child or youth is enrolled, parents are provided copies of OKDHS-provided Form 07LC093E, Insurance Exception Notification, and OKDHS Publication No. 14-01, Notice to Parents.

SUBCHAPTER 5. REQUIREMENTS FOR CHILD-PLACING AGENCIES

PART 1. REQUIREMENTS FOR CHILD-PLACING AGENCIES

340:110-5-1. Purpose

It is the declared purpose of the Oklahoma Child Care Facilities Licensing Act as expressed in this Subchapter to:

- (1) ensure maintenance of minimum requirements for the care and protection of children away from their own homes;
- (2) encourage and assist the child care facility toward attaining maximum standards; and
- (3) work for the development of sufficient and adequate services for children.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-2. Legal base

The legal base for licensing requirements in this Subchapter is Section 401 et seq. of Title 10 of the Oklahoma Statutes, the Oklahoma Child Care Facilities Licensing Act.

[Source: Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-3. Definitions

The following words and terms, when used in this Part, have the following meaning unless the context clearly states otherwise:

"Adoption agency" means an agency licensed as a child-placing agency for the purpose of placing children in adoptive families.

"Advisory board" means the entity offering advice and counsel on child-placing agency operation.

"Age or developmentally appropriate" means, per Section 1-1-105 of Title 10A of the Oklahoma Statutes (10A O.S. § 1-1-105), suitable, developmentally appropriate activities for children of a certain age or maturity level based on the capacities typical for the age group and the individual child.

"Agency" means child-placing agency.

"Auxiliary personnel" means cooks, building custodians, or other personnel who provide agency support services.

"Basement" means a building or structure area having one-half or more of its clear height below grade level.

"Behavior management" means child guidance providing learning experiences for development of self-control, self-direction, and an understanding of behavioral consequences.

"Child" means an individual younger than 18 years of age.

"Child care personnel" means personnel providing children's direct care and supervision.

"Child-placing agency" means an agency arranging for or placing children in a foster family home, adoptive home, or independent living program.

"Child with special needs" means a child, because of age, ethnic origin, physical, mental, or behavioral problems, or sibling group, for whom placement for adoption may be difficult.

"Children's services" means an educational program, child welfare agency, child-serving institution, child-placing agency, foster family home, hospital, or mental health treatment program serving children.

"Custodian" means the adult or agency legally responsible for the child.

"Department" means Oklahoma Human Services (OKDHS).

"Emergency foster care" means providing foster home care when an emergency exists or initial placement does not exceed 30-calendar days.

"Foster home" means a home providing full-time substitute family care for a child for a planned period when the child's family cannot provide care.

"Foster home agency" means a child-placing agency certifying foster homes.

"Foster parent(s)" means the individual(s) providing foster home care for a child placed by the child-placing agency.

"Governing board" means the entity with ultimate responsibility and authority for the overall private agency operation.

"Health professional" or **"health care professional"** means a licensed physician, nurse practitioner, or physician's assistant, as defined by the appropriate state licensing board.

"Independent living (IL) program" means a residential program placing youth, at least 16 years of age, in a living situation supervised by a licensed child-placing agency with the goal of preparing the youth for living independently without supervision.

"Indian child" means an unmarried or unemancipated individual younger than 18 years of age and is a member of an Indian tribe or

eligible for membership and is the biological child of a member of an Indian tribe, per 10 O.S. § 40.2.

"Infant foster care" means a foster home providing infant care only.

"Interstate Compact on the Placement of Children (ICPC)" means the process of ensuring protection and services to children placed across state lines.

"Legal risk placement" means child placement when consent to adoption or permanent relinquishment of parental rights for adoption has not been obtained from both birth parents and parental rights have not been previously terminated.

"Long-term foster care" means foster home care when the initial placement plan exceeds 30-calendar days.

"On-call" or "Substitute personnel" means personnel available to work during the absence of regular part-time or full-time personnel.

"Openness in adoption" means the pre- or post-placement exchange of information, communication, or contact between birth and adoptive families.

"Parent" means an individual legally responsible for the child, such as a mother, father, legal custodian, or legal guardian.

"Placement plan" means a service plan or agreement component containing plans for child placement best meeting the child's needs.

"Post-adoption services" means direct or referral services available through the child-placing agency to birth and adoptive parents and the adopted child after adoption finalization.

"Post-placement supervision" means supervision and services provided after the child is placed with an adoptive family.

"Proprietary facility" means a program operating on a for-profit basis.

"Reasonable and prudent parent standard" means, per 10A § 1-1-105, the standard characterized by careful and sensible parental decisions maintaining the child's health, safety, and best interests while encouraging the child's emotional and developmental growth. This standard is used by the child's foster parent when determining a child's participation in extracurricular, enrichment, cultural, and social activities.

"Serious incident" means any non-routine occurrence having an impact on a child's care, supervision, or treatment.

"Service plan or agreement" means a comprehensive individualized program of action for the child and the child's family, when parental rights have not been terminated, developed by the child-placing agency in cooperation with the child and family or custodian. It establishes specific outcomes and time frames based on the:

- (A) child's age and level of functioning; and
- (B) family's ability and willingness to participate.

"Social services personnel" means child-placing agency personnel providing social services that at least, include:

- (A) casework services to children and the children's families;
- (B) adoptive child and family studies;
- (C) placement services;

- (D) agency facilities certification;
- (E) admission assessments; and
- (F) service planning.

"Specialized service professional" means an individual from an academic discipline or field of expertise providing individualized services to a child, such as behavioral or physical therapists.

"Unsupervised access to children" means an individual being present with children without personnel present having a complete criminal history review.

"Volunteer" means an individual providing services to the child-placing agency without compensation.

340:110-5-4. License

Request for license is submitted on Oklahoma Department of Human Services (DHS) provided forms. A license to operate a child-placing agency is granted when the agency meets minimum requirements for child-placing agencies. The license is not transferable and is posted prominently in the facility including the denial or revocation notice, when applicable. The agency does not operate until DHS permission is obtained. Per the Oklahoma Child Care Facilities Licensing Act, Section 405.3 of Title 10 of the Oklahoma Statutes (10 O.S. §405.3), persons identified as registrants on the Restricted Registry are prohibited from:

- (1) licensure as a child care program;
- (2) ownership of a child care program;
- (3) employment in a child care program;
- (4) having unsupervised access to children; and/or
- (5) residing in a child care facility.

340:110-5-5. Construction and fire safety [REVOKED]

[Source: Revoked at 10 Ok Reg 2273, eff 6-11-93]

340:110-5-6. Organization and administration

(a) **Purpose.** The child-placing agency (agency) purpose or function is clearly defined in a statement filed with Licensing. This includes the philosophy, goals and objectives, ages and children accepted for care characteristics, geographical service area, and services provided.

(b) **Organizational structure.** The agency's legal basis or ownership is fully documented and submitted to Licensing with the initial request for license.

(1) **Publicly-operated agency.** Documentation of a publicly-operated agency identifies the agency statutory basis and the governmental entity administrative framework operating the agency.

(2) **Privately-operated agency.** A privately-operated agency submits:

(A) as applicable, the charter, partnership agreement, constitution, and articles of incorporation resolution authorizing the agency operation;

(B) the names, titles, addresses, and phone numbers for:
(i) nonprofit agencies' association members or corporate officers; or
(ii) for-profit agencies' owners', partners', or corporate officers';

(C) the physical address in Oklahoma where child-placing business is conducted; and

(D) a notification informing Licensing prior to any change in the legal basis for operation or ownership.

(c) **Governing and advisory boards.** Private, nonprofit agencies establish a governing board and may also have an advisory board. Private, for-profit agencies without a governing board have an advisory board.

(1) The governing board:

(A) meets at least twice annually and maintains accurate meeting minutes;

(B) maintains ultimate responsibility for governing and delegates responsibility for agency administration to the executive director;

(C) specifies in the constitution and bylaws the relationship and responsibilities between the governing board and executive director, and submits them to Licensing;

(D) submits to Licensing a current list of names, titles, addresses, and phone numbers of the governing board members;

(E) members receive an orientation to board responsibilities on appointment; and

(F) is composed of a minimum of five members, the majority of whom:

(i) are not agency personnel; and

(ii) reside in Oklahoma. Multi-state operations may have a governing board outside Oklahoma when they establish local advisory boards meeting the requirements in this subsection.

(2) The advisory board:

(A) meets at least twice annually;

(B) the member majority:

(i) are not agency personnel; and

- (ii) reside in Oklahoma; and
 - (C) provides advice and counsel to the agency on the policies and agency operation, reflects local concerns, and represents the program to the community; and
 - (D) submits to Licensing a current list of advisory board members' names, addresses, and phone numbers.
- (d) **Policy.** Policy requirements in (1) and (2) of this subsection are met.
 - (1) Agency policy:
 - (A) is clearly written and kept current;
 - (B) includes, at a minimum, areas governing personnel, admission, program, behavior management, and care of children; and
 - (C) is available at the agency for Licensing review.
 - (2) The agency maintains current written policy and procedure regarding:
 - (A) a child's absence without permission. When a child is not located, the agency immediately notifies the child's custodian and the appropriate law enforcement agency. Efforts to locate the child and notify appropriate individuals are documented;
 - (B) grievance issues related to children. Grievance policy and procedure are explained, and a copy is provided to each child and the child's parents or custodian;
 - (C) religious training made known to the child and family prior to admission or placement. All children are provided an opportunity to participate in religious services;
 - (D) the care of children, including medical services and safe transportation by personnel, volunteers, and foster parents, that complies with all applicable state laws; and
 - (E) reporting child abuse and neglect, per Section 1-9-119.1 of Title 10A of Oklahoma Statutes (10A O.S. § 1-9-119.1).
- (e) **Notifications.** Notifications are required in (1) through (3) of this subsection.
 - (1) The agency notifies Licensing:
 - (A) prior to or within 30-calendar days of an address change;
 - (B) on the next agency business day when:
 - (i) the agency is temporarily or permanently closed;
 - (ii) the executive director changes;
 - (iii) damage to the premises caused by fire, accident, or the elements seriously affects services;
 - (iv) changes to liability insurance coverage are made; or
 - (v) a child death occurred while the child was in care; and
 - (C) prior to making any program change.
 - (2) The agency submits a detailed written report for a serious incident involving personnel or children including, but not limited to:

(A) suicide attempts;
(B) injuries requiring medical treatment;
(C) runaways;
(D) a crime committed;
(E) abuse, neglect, mistreatment, or human trafficking allegations; and
(F) the incident date and time, personnel and children involved, the incident nature, and surrounding circumstances are included in the report.

(i) Any person who has reason to believe a child was abused or neglected, per 10A O.S. § 1-1-105 is required to report the matter promptly to the Oklahoma Human Services (OKDHS) Child Abuse and Neglect Hotline, 1-800-522-3511, per 10A O.S. § 1-2-101.

(ii) Failure to report abuse or neglect of a child is a misdemeanor offense and upon conviction is punishable by law. Failure to report with prolonged knowledge, six months or more, of ongoing abuse or neglect is a felony offense.

(iii) Per 21 O.S. § 870, every person having reason to believe that a person or child-placing agency is engaging in the crime of trafficking in children, per 21 O.S. § 866, reports the matter promptly to the Oklahoma Bureau of Narcotics and Dangerous Drugs Control.

(3) OKDHS notifies agencies of a substantiated finding of heinous and shocking abuse by a person responsible for a child's health, safety, or welfare, as defined, per 10A O.S. § 1-1-105. When applicable, the agency owner or operator provides parents or legal guardian notification using an OKDHS-provided form.

(A) Notification is:

(i) immediately attempted but not later than 72 hours of notice receipt from OKDHS; and
(ii) provided by certified mail.

(B) The agency maintains the list of notified parents and legal guardians for at least 12 months.

(f) **Records.** Agency records pertaining to child-placing activity are maintained within the state of Oklahoma and are made immediately accessible to authorized DHS representatives.

(g) **Legal compliance.** The agency follows all applicable state and federal laws, including:

(1) The Oklahoma Adoption Code, 10 O.S. §§ 7501-1.1 through 7505-7.2 et seq.;

(2) The Interstate Compact on the Placement of Children, 10 O.S. §§ 571 et seq.; and

(3) Federal and state Indian Child Welfare Acts, Section 1901 et seq. of Title 25 of the United States Code and 10 O.S. §§ 40 through 40.9.

340:110-5-7. Finances

(a) **Evidence of sufficient funds.** The child-placing agency (agency) has evidence of sufficient funds.

(1) New agencies submit a letter to Licensing from a licensed public accountant with the initial request for license documenting procedures are in place for operating the fiscal management system so the agency's financial statements can be audited at the first fiscal operational year end.

(2) New agencies also submit a budget for the first 12 months of operation with the initial request for license including a written plan documenting predictable funds for the first 12 months of operation as well as reserve funds or reserve funds documentation.

(3) Existing and new agencies have a written financial plan projecting sufficient funds to carry out the program's defined purposes and provide proper care for children.

(b) **Fiscal responsibility.** The agency executive director is responsible for:

(1) maintaining complete financial records of all income and disbursements; and

(2) ensuring the individual responsible for receiving cash funds is bonded.

(c) **Accountability.** The agency demonstrates financial accountability.

(1) The agency's' financial records are audited:

(A) by a certified public accountant who is not agency personnel or a board member; or

(B) per the governmental funding source.

(2) A When completed a copy of the auditor's letter:

(A) is submitted to Licensing; and

(B) includes a statement that the agency's financial records accurately reflect the financial operations, per generally accepted accounting principles.

(d) **Insurance.** The agency is covered by property casualty insurance and liability insurance unless operated by a government entity that is self-insured , per Section 404.3 of Title 10 of the Oklahoma Statutes (10 O.S. § 404.3). Coverage is at least \$200,000 for each occurrence of negligence. Form 07LC092E, Insurance Verification, that includes a certificate of insurance obtained from the insurance agent is completed annually, maintained at the child-placing agency, and made available to Licensing.

340:110-5-8. Personnel

- (a) **Required personnel.** The child-placing agency (agency) employs:
- (1) an executive director or administrator. In the executive director or administrator absence, an individual is designated in charge being immediately accessible in person or by phone to Oklahoma Human Services (OKDHS) authorized representatives;
 - (2) a child placement supervisor responsible for out-of-home care placements and home studies final approval;
 - (3) social services personnel responsible for providing social services at least, includes:
 - (A) child and family casework services;
 - (B) adoptive child and family studies;
 - (C) placement services;
 - (D) agency facilities certification;
 - (E) admission assessments; and
 - (F) service planning;
 - (4) child care personnel, when applicable; and
 - (5) clerical personnel for maintaining agency records in good order.
- (b) **Volunteers.** When volunteers have contact with children in care, the agency maintains current written volunteer policy protecting the children's health, safety, and well-being including:
- (1) selection and screening criteria, including a criminal history records search, per the Oklahoma Child Care Facilities Act, Section 404.1 of Title 10 of the Oklahoma Statutes (10 O.S. § 404.1); and
 - (2) requirements for:
 - (A) orientation, prior to child contact; and
 - (B) supervision.
- (c) **Personnel policy.** Written personnel policy defining position responsibilities, qualifications, and authority lines is available to personnel.
- (1) The executive director or administrator is responsible for personnel employment and dismissal.
 - (2) Agency policy includes on-call and substitute personnel availability.
 - (3) The agency obtains at least three written references including the most recent employer, when applicable, prior to employment.
 - (A) When written references cannot be obtained prior to employment, phone interviews are conducted and documented including dates, questions, responses, and the interviewer's signature.
 - (B) Reference copies are maintained on file.
 - (4) Testing for tuberculosis is not required for employment. The agency requires personnel comply with the Oklahoma State Department of Health recommendations regarding tuberculin skin testing when there is a local identified tuberculin exposure.
- (d) **Background investigations - general.**

(1) **Required individuals.** Background investigations are required, per 10 O.S. §404.1, unless an exception per (3) of this subsection applies for:

- (A) owners, prior to authorization to operate;
- (B) responsible entities, prior to authorization to operate and, when there is a change in a responsible entity;
- (C) personnel applicants, prior to hire; however, the program may hire individuals when:
 - (i) the agency has submitted a criminal history review request to the Office of Background Investigations (OBI);
 - (ii) only awaiting the national criminal history records search, based on fingerprint submission;
 - (iii) criminal history review results from the OBI are received by the agency. However, until complete results are received, the individual does not have unsupervised access to children; and
 - (iv) coming from another licensed program owned by the same business entity. Individuals are not required to repeat the background investigation process, unless required per (2) of this subsection, with the exception of criminal history restriction waivers, provided there is no break in employment from the business entity;
- (D) individuals with unsupervised access to children, prior to having access to children, unless an exception per (3) of this subsection applies;
- (E) adults living in the facility, prior to authorization to operate or moving into the facility of an existing agency. This includes children, who become 18 years of age while living in the facility; and
- (F) individuals having access to, or review of, fingerprint results, prior to access to or review of results.

(2) **Resubmission of criminal history reviews as of November 2, 2017.** Effective November 2, 2017, programs request a criminal history review process, excluding fingerprinting, for required individuals every five years. However criminal history reviews requested prior to November 2, 2017, are resubmitted by November 1, 2022.

(3) **Non-required individuals.** Background investigations are not required for:

- (A) specialized service professionals who are not agency personnel, provided parent releases, legal custodian or legal guardian releases are obtained, per the Licensing Act;
- (B) volunteer drivers transporting children on an irregular basis and not filling another position, provided parent and legal custodian or legal guardian releases are obtained per the Licensing Act;
- (C) contracted drivers not filling another position or having unsupervised access to children; and

(D) contracted non-personnel not having unsupervised access to children, such as when the program contracts for special activities or facility repair.

(e) **Background investigations - Restricted Registry.** The agency conducts an online search of the Restricted Registry, also known as Joshua's List, when required, per (d) of this Section.

(1) **Non-registrants.** Non-registrants are individuals not recorded on the Restricted Registry.

(2) **Registrants.** Registrants are individuals recorded on the Restricted Registry, who are prohibited from licensure, ownership, employment, unsupervised access to children, or facility residence, and prohibited individuals per (f) of this Section.

(f) **Background investigations - criminal history.** The agency and required individuals complete the criminal history review process. The agency receives the completed criminal history review results from OBI, when required per (d) of this Section.

(1) **Criminal history prohibitions.** Individuals with criminal history prohibitions are prohibited per (g) of this Section.

Criminal history prohibitions include:

(A) required registration under the:

(i) Sex Offenders Registration Act, including state and national repositories; or

(ii) Mary Rippy Violent Crime Offenders Registration Act; or

(B) pleas of guilty or nolo contendere (no contest), or convictions of felonies involving:

(i) murder, as defined in Section 1111 of Title 18 of United States Code;

(ii) child abuse or neglect;

(iii) crimes against children, including child pornography;

(iv) spousal abuse;

(v) crime involving rape or sexual assault;

(vi) kidnapping;

(vii) arson;

(viii) physical assault or battery; or

(ix) a drug-related offense committed during the preceding five years, unless a criminal history restriction waiver per (2) of this subsection is granted; or

(C) pleas of guilty or nolo contendere (no contest), or convictions of violent misdemeanors committed as adults against a child involving:

(i) child abuse or child endangerment; or

(ii) sexual assault; or

(D) pleas of guilty or nolo contendere (no contest), or convictions of misdemeanors involving child pornography.

(2) **Criminal history restrictions.** Individuals with criminal history restrictions are prohibited per (g) of this Section, unless a criminal history restriction waiver is granted. Criminal history

restrictions include pending charges, pleas of guilty or nolo contendere (no contest), or convictions of criminal activity involving:

- (A) gross irresponsibility or disregard for the safety of others;
- (B) violence against an individual;
- (C) sexual misconduct;
- (D) child abuse or neglect;
- (E) animal cruelty;
- (F) illegal drug possession, sale, or distribution; or
- (G) a pattern of criminal activity.

(3) **Criminal history restriction waivers.** Restriction waivers are described in (A) through (C) of this paragraph.

(A) Restriction waivers may be requested for individuals having criminal history restrictions. The owner, responsible entity, or director completes requests on an OKDHS form.

(B) Restriction waivers are not requested or granted for:

- (i) Restricted Registry registrants;
- (ii) individuals with criminal history prohibitions; or
- (iii) individuals whose sentence has not expired for criminal history restrictions.

(C) Individuals identified in pending or denied restriction waiver requests are prohibited per (g) of this Section.

(g) **Prohibited individuals.**

(1) **Background investigation of required individuals.** The agency does not allow a required individual to be the owner or responsible entity, to be employed, to live in the facility, or have:

(A) access to children, such as being present at the facility during the hours of operation or present with the children in care while off-site, when the individual has:

- (i) criminal history prohibitions;
- (ii) criminal history restrictions, unless a criminal history restriction waiver is granted. Individuals identified in a pending or denied restriction waiver request are prohibited; or
- (iii) a substantiated heinous and shocking abuse finding; or

(B) unsupervised access to children, when the individual is a Restricted Registry registrant.

(2) **Background investigation statements and consents.**

Individuals are prohibited to be the owner or responsible entity, to be employed, or to live in the facility, when:

- (A) the individual refuses to consent to background investigations per (d) of this Section; or
- (B) knowingly makes a materially-false statement in connection with criminal background investigations.

(3) **Child endangerment.** The agency is prohibited from knowingly hiring or allowing an individual to provide children services when:

(A) there is documented evidence or reason to believe the individual would endanger children's or other individuals health, safety, or well-being; or

(B) the individual is identified by a court as a perpetrator of child abuse or neglect or made an admission of guilt to an individual authorized by state or federal laws or regulations to investigate child abuse and neglect.

(4) **Alcohol, drugs, and medication.** Individuals employed by the agency or providing agency services to children may not use or be under the influence of:

(A) alcohol or illegal drugs; or

(B) medication impairing his or her functioning.

(5) **Criminal allegations.** When personnel is alleged to have committed an act per (f) of this Section, a determination is made and documented as to whether the personnel member is removed from child contact until the allegation is resolved. However, when criminal charges are filed, the accused is removed from child contact until the charges are resolved.

(6) **Deferred sentences.** Individuals having received a deferred sentence for charge's in (f)(2) of this Section are removed from child contact for the deferment duration.

340:110-5-9. Executive director qualifications

(a) The executive director or administrator has a:

(1) bachelor's degree, knowledge in personnel management, and 36 months children's services experience; or

(2) master's degree, knowledge in personnel management, and 24 months children's services experience; or

(3) doctorate degree, knowledge in personnel management, and 12 months children's services experience.

(b) When the executive director:

(1) operates primarily as an administrator and is not directly involved in child-placing activities, there is a child placement supervisor; or

(2) places children, he or she meets the child placement supervisor requirements.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 37 Ok Reg 1858, eff 11-1-20]

340:110-5-10. Child placement supervisor qualifications

(a) The child placement supervisor has at a minimum, a:

- (1) master's degree in social work and 12 months in children's services experience;
 - (2) master's degree in a behavioral or social science or a related field and 24 months in children's services experience;
 - (3) doctorate degree in a behavioral or social science or a related field and 12 months in children's services experience; or
 - (4) bachelor's degree with at least nine college credit hours in family focus, individual function and interaction, child development, sociology, social work, and/or a closely related subject and 48 months in children's services experience.
- (b) The child-placing agency (agency) has written policy and procedure for child placement supervisor duties and responsibilities.
- (1) When the position is contracted, the agency has a written contract with the child placement supervisor including duties, responsibilities, and service delivery frequency.
 - (2) Contracted services documentation is maintained by the agency.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 37 Ok Reg 1858, eff 11-1-20]

340:110-5-11. Social services personnel qualifications

Social services personnel providing casework services have at a minimum, a bachelor's degree:

- (1) in social work;
- (2) in a behavioral or social science or a related field and 12 months children's or family services experience; or
- (3) with at least nine-college credit hours in family focus, individual function and interaction, child development, sociology, social work, and/or a closely related subject and 24 months children's or family services experience.

340:110-5-11.1. Contracted staff qualifications and requirements

The child-placing agency (agency) may contract for services with another licensed child-placing agency or with a licensed mental health professional. The agency that initiates the contract:

- (1) maintains all applicable records for services provided; and
- (2) shares any applicable information with the contracted staff to guarantee quality of services provided.

[Source: Added at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-12. Personnel records

(a) The child-placing agency (agency) maintains on file a personnel record for each agency personnel. The personnel record includes:

- (1) an Oklahoma Human Services (OKDHS)-provided personnel information sheet, completed for each personnel upon employment and submitted to Licensing within two weeks of his or her employment;
- (2) an application, resume, or personnel information sheet documenting position specific qualifications;
- (3) three references, per Oklahoma Administrative Code 340:110-5-8(c);
- (4) reports and notes relating to the individual's agency employment and performance evaluations;
- (5) employment dates and reason for leaving employment; and
- (6) agency required health records.

(b) Personnel records are maintained for 12 months following the personnel member's separation.

(c) Criminal history investigations records are maintained in a confidential manner, separate from the individual's personnel record, and include:

- (1) criminal history review requests and documentation; and
- (2) other applicable criminal history records.

(d) Licensing has access to personnel and other confidential records relevant to the program's personnel.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 15 Ok Reg 764, eff 11-10-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 26 Ok Reg 415, eff 11-20-08 (emergency); Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 27 Ok Reg 48, eff 10-1-09 (emergency); Amended at 27 Ok Reg 1869, eff 7-1-10 ; Amended at 31 Ok Reg 154, eff 11-1-13 (emergency); Amended at 31 Ok Reg 1854, eff 9-15-14 ; Amended at 37 Ok Reg 1858, eff 11-1-20 ; Amended at 40 Ok Reg 1033, eff 9-15-23 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:110-5-13. Training for executive director or administrator and social services staff

The executive director or administrator and social services staff obtain and document continuing education:

- (1) consisting of a minimum of 12 clock hours per employment year; and
- (2) relevant to the role and responsibility of the position.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-14. Placement policy

The child-placing agency (agency):

- (1) writes an individual service plan for every child placed out-of-home by the agency, in accordance with clearly defined intake and release policy;
- (2) assumes responsibility for the general care and planning for each child in the program;
- (3) clarifies the child's relationship to the agency;
- (4) makes known to the parents or custodian and the child the terms upon which the child is accepted for care;

- (5) works together with the parents, custodian, and child to set definite goals that serve the child's best interest for placement and permanency;
- (6) provides orientation to each child upon acceptance by the agency; and
- (7) maintains appropriate placement records.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

PART 3. REQUIREMENTS FOR ADOPTION AGENCIES

340:110-5-24. Policy

The adoption agency (agency) has on file written policy and procedure that is current and available for parents, staff, and licensing staff to review. Policy includes areas governing:

- (1) confidentiality of records;
- (2) disposition of records;
- (3) services provided to birth parents;
- (4) services provided to adoptive parents;
- (5) services provided to adoptive children;
- (6) services provided to older children being relinquished to the agency;
- (7) openness in adoption;
- (8) search and reunion;
- (9) financial assistance to birth parents;
- (10) grievances;
- (11) adoptive home recruitment;
- (12) placement of children in adoptive homes;
- (13) fees for adoption;
- (14) international adoption;
- (15) interstate adoption;
- (16) legal risk placements;
- (17) post-adoption services; and
- (18) procedures for advising adoptive parents about the Adoption Assistance program.

[Source: Added at 19 Ok Reg 2828, eff 10-1-02 (emergency); Added at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-25. Services for birth parents

(a) **Policy.** Written adoption agency (agency) policy and procedure regarding birth parents includes, but is not limited to:

- (1) the scope of services for birth parents;
- (2) prohibiting coercion of the birth parents;
- (3) birth parents who decide not to relinquish parental rights; and
- (4) provisions for avoiding conflict of interest between the birth parents, adopting parents, and agency.

(b) **Services.** Services for birth parents include, but are not limited to:

(1) helping the birth parents reach a decision regarding plans for the child. When such counseling is not possible or is contraindicated, the reasons are documented in the case record. The birth parents indicate they understand the meaning of relinquishment of parental rights by signing the agency's form;

(2) documenting, by the birth parents' signatures on the agency's form, that birth parents understand the agency's policy on open and closed adoptions;

(3) documenting that birth parents have been provided with search and reunion resources;

(4) documenting, by the birth parents' signatures, that the birth parents understand the financial assistance policy; and

(5) helping the birth parents meet their physical, emotional, and financial needs. As appropriate, the agency develops a service plan to assist birth parents in locating community resources to meet needs, such as:

- (A) living arrangements;
- (B) medical care, including prenatal, obstetrical, dental, and hospital care;
- (C) psychiatric and psychological services;
- (D) vocational planning;
- (E) legal aid;
- (F) financial assistance;
- (G) transportation; and
- (H) other services needed prior to and following relinquishment.

(c) **Documenting expenses.** The agency documents all expenses paid on behalf of the birth parents by the agency or by agency clients. The agency obtains prior court approval for living and transportation expenses that exceed statutory limits.

340:110-5-26. Services for older children [REVOKED]

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Revoked at 19 Ok Reg 2828, eff 10-1-02 (emergency); Revoked at 20 Ok Reg 955, eff 5-12-03]

340:110-5-27. Adoptive child study background information

(a) An adoptive child history is completed for each child. The adoptive child history is documented and available for licensing staff to review. The history includes:

- (1) all information as required by Section 7504-1.1 of Title 10 of the Oklahoma Statutes, the Medical and Social History Report;
- (2) legal documents that reflect the child's eligibility for adoption;
- (3) desires of the birth parents regarding the potential adoptive family, for example, religious preference and family composition;
- (4) documentation as to whether the child is an Indian child as defined by the Indian Child Welfare Act; [10 O.S. § 40.2]

- (5) a medical examination report completed by a health professional no more than three months prior to placement;
- (6) documentation of participation by the child in the adoption process, consistent with the child's ability to understand and according to state law;
- (7) photocopy of the child's original and any supplementary birth certificate; and
- (8) documentation of current legal custody.

(b) When any information in this Section is not available or does not apply, the agency documents attempts to obtain the information or the reasons it does not apply.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-28. Adoptive home recruitment [REVOKED]

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Revoked at 19 Ok Reg 2828, eff 10-1-02 (emergency); Revoked at 20 Ok Reg 955, eff 5-12-03]

340:110-5-29. Adoptive home orientation and screening

(a) **Eligibility.** The adoption agency (agency) determines in the initial contact(s) if there is any reason the adoptive applicants do not meet agency eligibility requirements. If the family is ineligible, this is communicated to the family in a timely manner. The agency may offer assistance in helping applicants adjust to this decision and identify other alternatives available to them.

(b) **Orientation.** The agency provides orientation about agency services and the adoption process to prospective adoptive parents. Orientation includes the:

- (1) agency's eligibility requirements;
- (2) characteristics of children available;
- (3) agency's policy on openness in adoptions;
- (4) adoptive family assessment procedure;
- (5) approximate time for the approval process;
- (6) agency fees, refund policy, and other related fees;
- (7) availability of the Adoption Assistance Program administered through the Oklahoma Department of Human Services (OKDHS);
- (8) adoption risks;
- (9) confidentiality policy; and
- (10) overview of the legal process of adoption.

(c) **Education.** The agency provides information to adoptive families regarding:

- (1) coping with the particular behaviors of the child's developmental history;
- (2) the child's psychological needs that are related to the child's racial, ethnic, or cultural background;
- (3) how to help the child understand adoption;
- (4) the birth parents' perspective;
- (5) coping with loss; and
- (6) search and reunion issues.

[Source: Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-30. Adoptive family assessment

(a) An adoptive family assessment is completed for each family prior to child placement. The assessment is documented and available for Licensing staff review, and includes:

- (1) an individual face-to-face interview with each parent, school-age child, and other adult household members;
- (2) a joint face-to-face interview with both parents;
- (3) contact with the adoptive applicants' adult child(ren) no longer living in the home;
- (4) home visit documentation assessing the home environment safety and adequacy; and
- (5) three written references.

(b) The adoptive family assessment written report includes information regarding the adoptive parents':

- (1) family of origin, significant family experiences, and how parented;
- (2) marital history and significant adult relationships;
- (3) ability to handle stress;
- (4) parenting experiences, parenting style, and discipline philosophy;
- (5) family's adjustment to previous adoptions;
- (6) adoption motivation;
- (7) extended family attitudes regarding adoption;
- (8) attitudes toward birth parents and expectations about openness in adoption and search issues;
- (9) helping children understand adoption plans;
- (10) adopted child expectations;
- (11) family lifestyle, including social, cultural, and religious orientation;
- (12) educational background;
- (13) health information summary, including health history, medical exam date, and licensed physician's name;
- (14) infertility adjustment and acceptance, when applicable;
- (15) financial information, including employment, income, financial obligations, and health care services access;
- (16) employment verification, income, adequate insurance, and other resources, such as subsidized adoption and Temporary Assistance for Needy Families (TANF);
- (17) child care plans;
- (18) family strengths and weaknesses summary;
- (19) preferences regarding the child's age, gender, health, and other characteristics they request to adopt; and
- (20) specific recommendations regarding the family's appropriateness, specific reasons for the recommendation, and the child's characteristics, whom the family is approved to adopt.

(c) In addition to the written family assessment, information placed in the adoptive family file includes:

- (1) medical exams documentation by a health professional, dated not more than 12 months prior to the completion of the adoptive family assessment, and health histories on all household members verifying family members are healthy and free of communicable diseases or physical conditions impairing their ability to care for the adopted child;
- (2) marriage verification, when applicable, income and expenses, employment, and medical insurance;
- (3) three references, including names and addresses, having knowledge of applicants as a family unit; and
- (4) documentation of a criminal and Child Welfare Services (CWS) background check, per the Oklahoma Adoption Code, Section 7501-1.1 et seq. of Title 10 of the Oklahoma Statutes, and all applicable statutes, along with the agency findings summary.

(d) The adoptive family assessment is current within 12 months prior to child placement date. Documentation related to the updated family assessment includes:

- (1) medical exams by a health professional, dated not more than 12 months prior to the completion of the updated adoptive family assessment, and health histories on all household members verifying family members are healthy and free of communicable diseases or physical conditions impairing their ability to care for the adopted child;
- (2) criminal and CWS background check;
- (3) at least three written references from persons who have knowledge of the applicants as a family unit;
- (4) financial information including employment, income, and financial obligations; and
- (5) health care services access.

(e) When a home assessment is completed by a licensed private agency in the receiving state, the sending state does not impose any additional requirement to complete the home assessment not required by the receiving state, unless the adoption is finalized in the sending state.

340:110-5-31. Notification to adoptive parents

The adoption agency provides written notification to applicants of the acceptance, delay, or denial of their application.

[Source: Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-32. Disposition of records and confidentiality

The adoption agency (agency):

- (1) establishes policy and procedure ensuring permanent retention of all finalized adoption records meeting the Oklahoma Adoption Code, Section 7508-1.1 et seq. of Title 10 of Oklahoma Statutes (10 O.S. §§ 7508-1.1 et seq.). When the agency ceases operating in the state of Oklahoma, adoption records are transferred to the Oklahoma Department of Human Services (DHS) or, after giving notice to DHS, to a transferee agency assuming responsibility for records preservation;
- (2) maintains all records in locked storage facilities; and
- (3) provides adult adoptees and birth parents information concerning the adoptees' origins and adoption circumstances, per the Oklahoma Adoption Code, 10 O.S. §§ 7501-1.1 et seq..

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 37 Ok Reg 1858, eff 11-1-20]

340:110-5-33. Placement

The adoption agency (agency):

- (1) has on file written policy and procedure governing the placement of children in adoptive homes;

- (2) places children in foster homes under the supervision of a licensed child-placing agency, when temporary placement is necessary;
- (3) selects adoptive parents best able to meet the needs of the particular child;
- (4) studies and approves the prospective adoptive home in accordance with OAC 340:110-5-30;
- (5) discusses the selection of the child with the adoptive family and prepares the adoptive family for the placement of the child.
 - (A) The parents have the opportunity to decide whether they consider themselves suitable for that child.
 - (B) The agency provides information regarding the child's background, medical history, legal status, progress, and development to assist adoptive parents with their decision;
- (6) has a written agreement between the agency and the adoptive parents at the time of placement that includes verification of:
 - (A) a specified time frame for completing the adoption;
 - (B) participation and supervision of adoptive parents by the agency during the time prior to the completion of the adoption;
 - (C) adoptive parents' agreement not to remove the child from Oklahoma without the agency's permission prior to finalization of the adoption;
 - (D) agreement that the child may be removed and returned to the agency at the discretion of either the adoptive parents or the agency before the adoption is finalized;
 - (E) agreement regarding any adoption fees and schedule of payments; and
 - (F) notification by the agency to the adoptive parent about the Adoption Assistance Program administered by the Oklahoma Department of Human Services (OKDHS) and the procedure for making application for eligible children with special needs;
- (7) has written documentation verifying adoptive parents' acceptance of legal risk placement;
- (8) provides to the adoptive parents at the time of the child's placement in the home a consent form for medical care of the child signed by an authorized agency representative and files a copy of the signed medical consent form in the records; and
- (9) complies with the Interstate Compact on the Placement of Children, Section 571 of Title 10 of the Oklahoma Statutes, when interstate placements are planned.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-34. Adoption of older children and children with special needs

The adoption agency (agency) that places older children and children with special needs meets the additional requirements in this

Section and all other requirements in this Part. The agency:

- (1) has on file a written policy defining children with special needs, pre-placement and placement procedures, visitation requirements, and post-placement support;
- (2) makes every effort to place siblings with the same adoptive parents. When it is not in the best interest of the siblings to be placed together:
 - (A) the records document what efforts were made and the reasons supporting separate placement; and
 - (B) the agency prepares a written statement, signed by the adoptive parents and an agency representative, verifying that the family will encourage and allow ongoing contact with the siblings unless it is not in the best interest of the children; and
- (3) has casework services to help:
 - (A) children meet their physical and emotional needs; and
 - (B) older children resolve issues related to the loss of their parents and adjustment to their adoptive families.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-35. Placement of Indian children

The adoption agency complies with the requirements of the federal [25 U.S.C. 1901 et seq.] and state [10 O.S. § 40 through 40.9] Indian Child Welfare Act for placement of Indian children.

[Source: Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-36. International adoptions

The adoption agency (agency) that provides international adoptions meets the additional requirements in this Section and all other requirements in this Part. When the agency accepts children born outside the United States who are not United States citizens, the agency:

- (1) complies with all applicable adoption laws of the child's country of origin and United States immigration laws;
- (2) maintains on file at the agency a verified English language translation of the child's legal documents ;
- (3) has a contract or memorandum of agreement with an entity authorized by the foreign government to receive custody and to place the child;
- (4) documents in English the medical and social history of the child. When unavailable, the agency documents efforts to obtain the medical and social history;
- (5) conducts a minimum of three post-placement supervisory visits within six months; and
- (6) complies with applicable provisions of the Intercountry Adoption Act, Public Law 106-279.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-37. Post-placement supervision

(a) The adoption agency (agency) having legal custody is responsible for the welfare of the child until a decree of adoption is granted. The agency:

- (1) provides the investigative report to the court as required by state law, including a recommendation for finalization of the adoption;
- (2) sends a copy of the final decree of adoption to the court in which relinquishment of parental rights took place, unless otherwise indicated; and
- (3) maintains a copy of the final decree of adoption on each child.

(b) Prior to the final decree of adoption, the agency:

- (1) provides a six-month period of post-placement services between the time of placement and completion of the legal adoption, unless otherwise ordered by the court;
- (2) conducts and documents a minimum of three face-to-face visits, including one visit in the home with the adoptive family and child. This documentation includes a narrative report indicating the health of the child and assimilation into the family;
- (3) assists the adoptive family and child in developing a parent-child relationship, resolving problems, and evaluating the placement;
- (4) maintains a record of changes in the adoptive family in matters regarding health, financial condition, family composition, or other relevant information that may affect the child; and
- (5) removes the child from the home if the placement is unsatisfactory.

(c) The agency has on file a written description of its plan for dealing with disrupted placements, including a provision for counseling with the child and family.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-37.1. Post-adoption services

The adoption agency (agency) provides post-adoption services to birth parents, adoptees, and adoptive parents. The services may include referrals or direct services to community resources.

[Source: Added at 19 Ok Reg 2828, eff 10-1-02 (emergency); Added at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-38. Subsequent adoptive placements

The adoption agency (agency) ensures that before a subsequent placement is made into the adoptive family, the adoptive family assessment is current within 12 months prior to the date of placement of the child. The adoptive family assessment for a subsequent placement meets all the requirements in this Part, and documents:

- (1) one family interview in the home with all household members present;
- (2) one face-to-face interview with each adoptive parent, school-age child, and other adult household members;
- (3) medical examination reports for all members of the household current within one year;
- (4) at least three references from persons who have known the family since the last child was adopted;
- (5) updated financial information, including employment, income, and financial obligations;
- (6) access to health care services; and
- (7) criminal and Child Welfare background checks.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 19 Ok Reg 2828, eff 10-1-02 (emergency); Amended at 20 Ok Reg 955, eff 5-12-03 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

PART 5. REQUIREMENTS FOR FOSTER HOME AGENCIES

340:110-5-55. Requirements

This Part contains minimum requirements for the certification of foster homes and the care by foster home agencies of children who live in the foster home. The requirements apply to all categories of foster care unless otherwise noted.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-56. Categories of foster care

The categories of foster care are:

- (1) emergency foster care -- the initial placement plan does not exceed 30 calendar days;
- (2) long-term foster care -- the initial placement plan exceeds 30 calendar days; and
- (3) infant foster care - the foster home provides care to infants only.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-57. Requirements for foster home agencies

(a) **Licensed foster home agency (agency) responsibility.** The agency retains legal responsibility for supervision, decision-making, and ensuring continuity of care. The agency is responsible for foster home certification to Child Care Services Licensing, on Oklahoma Human Services (OKDHS) provided forms verifying the foster home meets minimum requirements.

- (1) **Criminal history records search.** The agency conducts a criminal history records search for each foster family member 18

years of age and older.

(A) **Authorized agencies.** A criminal history records search is obtained from:

- (i) the Oklahoma State Bureau of Investigation (OSBI);
- (ii) the authorized agency in an individual's previous state of residence when the individual has resided in Oklahoma for less than five years;
- (iii) a Federal Bureau of Investigation (FBI) national criminal history search, based on the individual's fingerprints; and
- (iv) any child abuse registry search maintained by a state where the prospective foster parent or any adult living in the home of the prospective foster parent resided in the past five years.

(B) **Sex Offenders Registry.** The OSBI report must include an Oklahoma Department of Corrections files search maintained by OSBI, per the Sex Offenders Registration Act.

(C) **Restricted Registry.** Prior to certification of a foster home, the agency conducts an online search of the Restricted Registry, also known as Joshua's List. A copy of the results is maintained in the foster home file.

(2) **Disqualifying crimes.** A prospective foster parent is not an approved placement when the prospective foster parent or any other individual residing in the prospective foster parent's home was convicted of any of the following felony offenses:

- (A) within the five-year period preceding the application date, physical assault, battery, or a drug-related offense;
- (B) child abuse or neglect;
- (C) domestic abuse;
- (D) a crime against a child including, but not limited to, child pornography; or
- (E) a crime involving violence including, but not limited to, rape, sexual assault, or homicide, but excluding those crimes included in (A) of this paragraph.

(3) **Certification.** A certification copy is maintained in the foster home case file.

(A) Foster home certification applies only to the residence location at the time the home study is made.

(B) When the family moves, the agency certifies the new location.

(4) **Agency policy.** Foster parents receive foster care agency policy.

(5) **Medical services.** The agency ensures the child in foster care receives appropriate medical services.

(6) **Case planning.** The agency is responsible for case planning.

(7) **Supervision.** The agency provides supervision to each child in foster care at least monthly, including visits with the child, and on-site home visits for assessing the continued foster home environment suitability.

(8) **Written agreement.** The agency completes a written foster family agreement, and provides foster parents a copy. The agreement includes statements regarding:

- (A) the financial agreement, when applicable, between the agency and the foster home;
- (B) the foster home will not:
 - (i) accept a non-relative child from any source other than the foster home agency without certifying agency approval; or
 - (ii) provide child care regularly unless approved for dual foster care and child care licensing; and
- (C) the agency may remove the child at its discretion;
- (D) the child in foster care is discharged only with agency consent;
- (E) agency-approved visitation by the child's parents or relatives;
- (F) the child's absences from the home, including respite care, per agency policy;
- (G) the foster parents agree to cooperate with agency personnel in foster home evaluation and ongoing foster home supervision; and
- (H) the foster parents agree to contact the agency when a household member allegedly commits an act described in (a)(2) of this Section.

(9) **Agency grievance policy and procedures.** The agency maintains written foster parent and children grievance policy and procedures.

(b) **Foster home certification.** Certification includes written documentation of:

- (1) application, including prior child care experience with other agencies;
- (2) foster parents' children's health information, including immunizations and health statements, from licensed health care professionals within twelve months prior to certification;
- (3) a health care professional's statement certifying adult household members had a physical examination within twelve months prior to certification, verifying adult household members:
 - (A) are in good health; and
 - (B) do not have a condition interfering with the ability to care for children; and
- (4) three non-relative written references having knowledge of family functioning;
- (5) a current, completed foster home study before home approval; and
- (6) a criminal history records search conducted for each household member 18 years of age and older, per Oklahoma Administrative Code (OAC) 340:110-5-57(a)(1) and (2).

(c) **Foster home study.** Prior to foster home approval and child placement, the agency provides a written home study containing at least the information included in (1) through (18) of this subsection. The information is:

- (1) **interviews and home visits.** Interviews and home visit documentation at least includes one:
 - (A) separate face-to-face interview with each parent, school-age child, and any other household member;
 - (B) joint face-to-face interview; and
 - (C) home visit; and
- (2) **household composition.** Information regarding household composition includes each individual residing in the home for more than 30-calendar days;
- (3) **criminal history records search.** A criminal history records search is conducted on each household member 18 years of age and older, per OAC 340:110-1-57(a)(1) and (2), prior to initial home approval and when a household member, 18 years of age and older, moves into the home;
- (4) **foster child preferences.** The foster home study includes statements regarding the applicant's preference for child's age, gender, and special needs;
- (5) **motivation, attitudes, and expectations.** The foster home study includes motivation and attitudes toward foster care and expectations regarding children in foster care;
- (6) **health.** Each household member's health information includes:
 - (A) present physical health;
 - (B) emotional stability;
 - (C) medical history; and
 - (D) drug or alcohol history; and
- (7) **family functioning.** Family functioning includes relationships and interactions within the family;
- (8) **foster parents' marital status.** The foster home study includes foster parents' marital status information, such as:
 - (A) present marital status and marriage date;
 - (B) marriage or relationship description; and
 - (C) previous marriages or significant relationship history; and
- (9) **employment.** The foster home study includes family members' employment histories;
- (10) **financial information.** The foster home study includes annual income documentation;
- (11) **education.** The foster home study includes family members' education;
- (12) **religion.** Information includes the family's religious preference and practices;
- (13) **home description.** The home description includes the:
 - (A) type of dwelling and physical description; and
 - (B) location and neighborhood description; and
- (14) **weapons and firearms.** The foster home study includes location of weapons and firearms, and safety precautions;
- (15) **transportation.** Information includes the family's mode of transportation and verification of:
 - (A) a valid driver license for each family member transporting a child in foster care;

(B) current vehicle registration and insurance verification;
and

(C) an agreement to transport all children and adults, per Child Passenger Restraint System, Section 11-1112 of Title 47 of the Oklahoma Statutes (47 O.S. § 11-1112); and

(16) **family history.** The foster home study includes family history information, including:

(A) parents' and siblings' names;

(B) birth dates and places;

(C) physical health and mental stability;

(D) relationship with family members;

(E) social, cultural, and religious orientation; and

(F) foster parent's childhood information, including discipline; and

(17) **written references.** The foster home study includes three written references from individuals with information including:

(A) name, address, and phone number;

(B) when and how the individual became acquainted with the applicants;

(C) how often the individual has family contact;

(D) family functioning; and

(E) opinions regarding personal qualities and ability to provide foster care; and

(18) **recommendation.** The foster home study includes home approval recommendation and:

(A) is signed and dated by the individual conducting the foster home study and the child placement supervisor; and

(B) when approved, includes the type of child preferred and approved number of children.

(d) **Annual home study updates.** The foster home study is updated annually to include:

(1) home visit documentation;

(2) face-to-face interview documentation with each parent, school-age child, and other household members;

(3) current vehicle insurance verification; and

(4) any significant changes from the initial home study.

(e) **Foster parent professional development.** The agency maintains documentation of foster parents' required professional development.

(1) Prior to foster home certification or child placement, the agency provides six hours of orientation or pre-service professional development, at least, including:

(A) agency organizational structure;

(B) agency policy;

(C) agency philosophy;

(D) confidentiality;

(E) mandatory child abuse reporting;

(F) grievance process;

(G) emergency medical procedures;

(H) fire and disaster plans; and

(I) application of reasonable and prudent parent standard.

(2) Within twelve months prior to certification or during the first certification year, foster parents receive professional development regarding:

- (A) child development;
- (B) behavior management;
- (C) separation and loss; and
- (D) infection control and injury prevention.

(3) Within the first certification year, foster parents receive six professional development hours relevant to the needs of children in foster care. Professional development topics, per (2) of this subsection, may meet this requirement if received during the first certification year.

(4) Each calendar year after the first certification year, foster parents receive 12 professional development hours relevant to roles and responsibilities.

340:110-5-58. Requirements for foster parents

(a) **General.** Foster parents provide the foster home agency (agency) any information related to compliance with all requirements and allow representatives of the agency access to any member of the household and into all rooms within the home. Foster parents:

- (1) are responsible, mature, healthy adults capable of meeting the needs of the children in care;
- (2) apply the reasonable and prudent parent standard;
- (3) demonstrate a capacity for setting realistic expectations for behavior and performance based on the ages, abilities, and special needs of the children;
- (4) may be married, single, or family members with a stable living arrangement; and
- (5) ensure all members of the household are informed of and agree to accept the child into the home.

(b) **Age.** Foster parents are at least 21 years of age.

(c) **Income and employment.** Foster parents have sufficient income to meet their needs and ensure the security and stability of the household independent of foster care maintenance payments, when applicable.

- (1) Foster parents who both work outside the home obtain approval from the agency for their plan of care for the children during the parents' absences.
- (2) Foster parents obtain approval from the agency to conduct a business in the home and demonstrate that activities related to this business do not interfere with the children's care.

(d) **Notifications.** Foster parents comply with the requirements pertaining to notifications. Foster parents notify the agency:

- (1) in writing prior to allowing any individual to reside for more than 14-calendar days, in the foster home;
- (2) immediately of the occurrence of:
 - (A) the death of a child;
 - (B) a serious injury or illness involving medical treatment of the child;
 - (C) unauthorized absence of the child from the home as defined by agency policy;
 - (D) removal of the child from the home by any individual or agency other than the placing agency, or attempts at such removal;
 - (E) loss of income that affects the family's ability to meet the needs of the children in foster care;
 - (F) any involvement of a child with legal authorities;
 - (G) any known arrests, criminal investigations, criminal charges, or child abuse investigations involving persons living in the home;
 - (H) any fire or other emergency requiring evacuation of the home; and
 - (I) lack of heat, water, or electricity; and
- (3) as soon as possible of:
 - (A) any serious illness or death in the household;
 - (B) the departure or return of any member of the household;
 - (C) a move to another residence; and
 - (D) any other circumstance or incident seriously affecting the child or care of the child; and
 - (E) any allegations of child abuse.

(e) **Cooperation.** Foster parents work cooperatively with agency representatives as members of the treatment team responsible for planning, providing, and discussing the total care and services provided to each child. Foster parents:

- (1) fully disclose all information related to a child's problems or progress to agency representatives;
- (2) treat any personal information about a child or the child's family in a confidential manner; and
- (3) participate in an annual, mutual review with the agency to evaluate strengths and weaknesses of the foster home and of agency representatives' relationships with foster parents.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 33 Ok Reg 146, eff 11-2-15 (emergency); Amended at 33 Ok Reg 1678, eff 9-15-16]

340:110-5-59. Number of children

The foster home agency complies with requirements regarding child placement in the foster family home.

- (1) No more than five foster children are placed in the home. The total number of children does not exceed six, including biological, adoptive, foster, and other children not in Oklahoma Department of Human Services (DHS) custody.

(2) The number, ages, and needs of foster children placed in the home are in keeping with the foster parents' capacities, skills, and home accommodations.

(3) The foster home agency, with Child Welfare Services approval, may place more than five children in DHS custody in the home.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 36 Ok Reg 181, eff 12-17-18 (emergency); Amended at 36 Ok Reg 1892, eff 9-16-19]

340:110-5-60. Foster home requirements

(a) General requirements. The foster home:

- (1) is clean, safe, and in good repair;
- (2) and the exterior are hazard-free;
- (3) is accessible to, or arranges transportation to school, church, recreational and health facilities, and other community resources; and
- (4) complies with all applicable fire, health, and safety laws, ordinances, and regulations.

(b) Safety requirements.

(1) Clear glass doors are marked to avoid accidental impact, unless caring for infants only.

(2) Children are protected from hazardous materials, such as flammable liquids and poisonous materials.

(3) Weapon definition and storage meet (A) and (B) of this paragraph.

(A) A weapon includes, but is not limited to, a:

- (i) firearm, such as a pistol, revolver, shotgun, or rifle from which a projectile is fired by gunpowder, gas, or other means of rocket propulsion;
- (ii) cap pistol, air-powered BB or pellet gun;
- (iii) bow and arrow; or
- (iv) knife, including any dagger or blade automatically released from the handle by pressure applied to a button, latch, or other mechanism, excluding kitchen knives.

(B) Any weapons and ammunition are inaccessible. In addition:

- (i) weapons are kept unloaded in locked containers, cabinets, or closets;
- (ii) ammunition is kept in locked containers, cabinets, or closets, separate from weapons; and
- (iii) keys, combinations, and codes used for locked storage are inaccessible.

(4) The premises are free of illegal drugs and paraphernalia.

(5) When children are in care, smoking is prohibited inside the home and during transportation.

(6) Stairways over four steps, inside and outside, have railings. Safety gates at stairways are used when toddlers are in care.

(7) Any water play activity is supervised constantly. Ponds or pools are inaccessible to children. Wading pools are emptied

after each use.

(c) Fire safety requirements.

- (1) A Class ABC fire extinguisher is installed in the kitchen area.
- (2) The foster home is equipped with at least one operable smoke detector near sleeping areas, or more as the foster home agency (agency) requires.
- (3) Each floor used as living space has at least two means of escape, at least one being a door leading to an unobstructed path to the outside. The second may be an unobstructed, operable window 20 inches by 24 inches, minimum dimensions.
- (4) Heating and air conditioning equipment is installed, per state and local mechanical codes and manufacturer's instructions.

(d) Health requirements.

- (1) Water supply, sewage disposal, and solid waste disposal meet local city ordinances and Oklahoma Department of Environmental Quality regulations.
- (2) Rooms used by children are well lighted and ventilated.
- (3) Windows and doors used for ventilation are screened.
- (4) The foster parents keep the house and grounds free of rodents, insects, and stray animals.
- (5) One operable sink, toilet, and tub or shower are available in the home.
- (6) Each child has individual combs, toothbrushes, wash cloths, towels, and eating and drinking utensils.
- (7) Linens are changed when needed.
- (8) Animals or household pets are permitted, provided current rabies vaccinations are administered by a licensed veterinarian and maintained for each animal. Indoor or outdoor pets or animals, are in good health, show no evidence of carrying disease, friendly toward children, and present no threat to children's health, safety, and well-being.
- (9) Tuberculosis testing is not required routinely. The foster family complies with the Oklahoma State Department of Health recommendations regarding tuberculin skin testing when there is a local identified tuberculin exposure.

(e) Sleeping arrangements. A separate bed is provided for each child. Siblings younger than six years of age may share a bed when their history indicates this is appropriate after agency consultation.

- (1) Preferably no more than two children share a sleeping room. However, consideration is given to related children, per age and behavioral and emotional needs.
- (2) Children of different sexes older than seven years of age have separate sleeping rooms. However, consideration is given to related children, per age and behavioral and emotional needs.
- (3) Children in foster care older than one year of age do not share sleeping rooms with adults unless an emergency exists and the agency is informed.
- (4) Children in foster care do not share a sleeping surface with adults.

(f) Infant rest arrangements.

(1) **Bedding.** A crib, port-a-crib, or playpen with a firm waterproof mattress or pad is used for each child younger than one year of age.

(A) Cribs, including portable cribs that can be folded or collapsed without being disassembled, meet the current Consumer Product Safety Commission (CPSC) full-size and non-full size crib standards, per Sections 1219 and 1220 of Title 16 of the Code of Federal Regulations.

(B) Verification of compliance with CPSC standards is maintained for duration of crib use.

(C) Cribs, port-a-cribs, and playpens with more than 2 and 3/8 inches between slats or between the side and end panels are prohibited.

(D) Cribs with decorative cutout areas in crib end panels or tall decorative knobs on the corner posts, entrapping a child's head or catch clothing, are prohibited.

(E) Mattresses are tight-fitting with no more than one inch between the mattress and crib.

(F) Mattress and crib sheets fit snugly.

(G) Drop-side latches hold sides securely and are inaccessible to the child.

(H) Pillows, blankets, quilts, comforters, sheepskins, stuffed toys, bumper pads, and other soft products are prohibited in the crib or playpen.

(I) Sleep positioners and elevated mattresses are prohibited, unless there is a medical reason documented by a licensed physician.

(J) Only pacifiers without attachments are in rest equipment with infants. Bibs are not placed around the infants' necks when in rest equipment.

(K) Infants birth through three months of age may be swaddled with an infant-sized, thin fabric, such as a receiving blanket, only when the infant is not mobile enough to move the fabric over his or her face.

(L) Play equipment and other items are not placed inside, above, or attached to the sides of infant rest equipment, unless there is a medical reason for a monitor or other device documented by a licensed physician. However, mobiles may be securely attached or hung above the crib provided no part of the mobile is within an infant's reach.

(M) When an infant falls asleep in equipment other than appropriate rest equipment, he or she is immediately moved to appropriate rest equipment.

(2) **Sleep position.** To reduce the risk of Sudden Infant Death Syndrome (SIDS), the infant:

(A) younger than 12 months of age is placed on the back for sleeping, unless a medical reason the infant should not sleep in this position is documented by a licensed physician. Documentation is maintained by the foster parent and the agency; and

(B) when able to turn over is placed initially on the back for sleeping but allowed to sleep in the preferred position.

(g) **Emergency plans.** The foster home complies with the requirements pertaining to emergency plans including:

- (1) an available planned source of medical care, such as a hospital emergency room, clinic, or health care professional known to the foster family;
- (2) a phone with emergency numbers posted for the health care professional or clinic, fire department, police department, ambulance service, poison control, and substitute caregiver;
- (3) an emergency evacuation plan in the event of fires, tornadoes, floods, and other emergencies;
- (4) first aid procedures and supplies readily available; and
- (5) periodic evacuation drills, ensuring each child knows evacuation procedures.

(h) **Equipment.** Equipment and furniture are safe for children. The foster home has child care equipment, including bedding, high chairs, proper auto restraints, and age-appropriate toys.

(i) **Transportation.** Children in foster care are transported, per Child Passenger Restraint System, Section 11-1112 of Title 47 of the Oklahoma Statutes (47 O.S. § 11-1112). Emergency transportation is available.

- (1) **Driver qualifications.** Drivers transporting children in foster care have an operator's license of the type appropriate for the vehicle and valid in the driver's state of residence.
- (2) **Passenger restraints.** Transported children are properly secured in a child passenger restraint system (car seat) or individual seat belt.

(A) The car seat is:

- (i) federally approved;
- (ii) installed, per the manufacturer's instructions;
- (iii) appropriate to the child's height, weight, and physical condition, per the manufacturer's instructions; and
- (iv) properly maintained.

(B) Each seat belt is properly anchored to the vehicle and fits snugly across the child's hips or securely anchors the car seat.

(3) **Vehicle requirements.**

(A) The transporting vehicle is covered by liability insurance as required by Oklahoma laws.

(B) Each vehicle used for foster care children transportation has door locks. The driver keeps the doors locked when the vehicle is moving.

(j) **Nutrition.** Each child is provided a balanced, nutritious, and developmentally appropriate diet.

- (1) The food is wholesome in quality, ample in quantity, and of sufficient variety.
- (2) Instructions for feeding infants, including the use of formula, recommended by the licensed physician are followed.

340:110-5-61. Children's rights

The foster home agency (agency) ensures the child in foster care is:

- (1) not forced to participate in publicity or promotional activities;
- (2) not publicly identified as a ward of the agency;
- (3) provided an opportunity to participate in religious services;
- (4) supplied with facilities and supplies for personal care, hygiene, and grooming;
- (5) supplied with his or her own clothing and shoes appropriate to the season, age, activities, and individual needs and comparable to that of other children in the community;
- (6) provided individual space in the foster home for the child's personal possessions and a reasonable degree of privacy.
 - (A) The child has the right to bring, possess, and acquire personal belongings subject only to reasonable household rules and the child's service plan.
 - (B) Personal belongings are sent with the child when the child leaves the home;
- (7) expected to perform only household tasks that are within the child's abilities, reasonable for the child's age, and similar to those expected of other household members of comparable age and ability;
- (8) given guidance in managing money.
 - (A) Money earned by the child or received as a gift or allowance is the child's personal property.
 - (B) The child is not required to use earned money to pay for room and board, unless it is a part of the service plan and approved by the parent or custodian and the agency;
- (9) allowed privacy in writing, sending, or receiving correspondence, unless restricted by the service plan;
- (10) not denied meals as punishment;
- (11) not subjected to remarks that belittle or ridicule the child or the child's family;
- (12) allowed to visit with the child's family per the service plan;
- (13) not forced to acknowledge dependency on the agency or foster home or gratitude to them;
- (14) given the opportunity, at the child's or agency's request, for private conversation with the agency's staff members responsible for the child's supervision;
- (15) provided educational opportunities per the child's plan of care; and
- (16) provided regular opportunities to engage in age appropriate or developmentally appropriate activities.

340:110-5-61.1. Alternative care arrangements

(a) **Informal arrangements.** The foster parent may make informal care arrangements with friends, neighbors, or relatives for occasional child care for no more than seven-consecutive calendar days.

(1) The foster parent:

- (A) ensures informal care providers possess the maturity and skills to address the needs of the child in foster care;
- (B) secures prior authorization for informal care from the foster home agency. Prior authorization may apply to multiple events when the same informal provider is used;
- (C) does not utilize a child in foster care to babysit a younger child unless approved by the agency;
- (D) provides the informal provider information for contacting the foster parent and other emergency contacts; and
- (E) uses reasonable and prudent parent standards when selecting an informal caregiver.

(2) The informal provider who is living:

- (A) outside of the home must be at least 18 years of age;
- or
- (B) in the home must be at least 16 years of age and a foster parent's relative.

(3) An informal provider cannot be an individual excluded by Child Welfare Services.

(4) An individual providing care for more than seven-consecutive days must be approved as alternate care.

(b) **Alternate care.** The foster family is encouraged to develop a relationship with another family as an alternate provider who can provide care for the child in foster care in case of emergencies, vacations, or needed respite care. The agency must approve the alternate care and have documentation the alternate provider:

(1) is at least 21 years of age;

(2) obtained a criminal history records search within the last 12 months conducted by:

- (A) the Oklahoma State Bureau of Investigation (OSBI) that includes a search of Oklahoma Department of Corrections files maintained by OSBI, per the Sex Offenders Registration Act for each household member, 18 years of age or older; and
- (B) the authorized agency in the previous state of residence when the person resided in Oklahoma less than one year;

(3) meets the foster home requirements, per Oklahoma Administrative Code (OAC) 340:110-5-60;

(4) provides one reference; and

(5) complies with discipline and behavior management requirements, per OAC 340:110-5-62.

[Source: Added at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 26 Ok Reg 415, eff 11-20-08 (emergency); Amended at 26 Ok Reg 2239, eff 7-1-09 ; Amended at 36 Ok Reg 181, eff 12-17-18 (emergency); Amended at 36 Ok Reg 1892, eff 9-16-19]

340:110-5-62. Discipline and behavior management

(a) **Objective.** Discipline contributes to the development of a capacity within the child for self-control and self-direction. The objective of discipline and behavior management is to provide a positive learning experience for the child to grow and develop and to learn acceptable standards of social behavior.

(b) **Expectations of foster parents.** Foster parents:

- (1) recognize, encourage, and regard acceptable behavior;
- (2) teach by example and use fair and consistent rules with logical consequences;
- (3) use methods of discipline that are relevant to the behavior;
- (4) supervise with an attitude of understanding, firmness, and discipline;
- (5) give clear directions and provide guidance consistent with the child's level of understanding;
- (6) redirect the child by stating alternatives when behavior is unacceptable;
- (7) express themselves so the child understands that the child's feelings are acceptable but certain actions or behavior are not;
- (8) help the child learn what conduct is acceptable in various situations;
- (9) encourage the child to control the child's own behavior, cooperate with others and solve problems by talking things out;
- (10) communicate with the child by showing an attitude of affection and concern; and
- (11) encourage the child to consider others' feelings.

(c) **Discipline and behavior management policy.** The foster home agency (agency) complies with the requirements regarding discipline and behavior management contained in this subsection. The agency's discipline policy:

- (1) is maintained in writing and current;
- (2) is provided to foster parents;
- (3) is available to the child and the child's parent or custodian;
- (4) includes:
 - (A) the goal and purpose of the agency's discipline and behavior management program;
 - (B) approved methods of discipline and behavior management;
 - (C) a list of persons authorized to administer discipline and behavior management methods to children in foster care; and
 - (D) the agency's method of monitoring and documenting implementation of the policy; and
- (5) prohibits punishment:
 - (A) of a physical nature, such as shaking, striking, spanking, or physical abuse;

- (B) that constitutes emotional abuse, such as humiliation, name-calling, cursing, or degrading remarks regarding the child or the child's family;
- (C) administered by one child to another child;
- (D) that denies meals, sleep, or mail; and
- (E) that places a child in a locked room.

[Source: Amended at 10 Ok Reg 2273, eff 6-11-93 ; Amended at 13 Ok Reg 997, eff 1-24-96 (emergency); Amended at 13 Ok Reg 2663, eff 6-28-96 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-63. Records

- (a) **Child's case record.** Foster home agency (agency) records maintained for children in placement include, but are not limited to:
- (1) an intake form including the child's name, any known nickname(s), birth date and place, race, gender, religion, and parents and other significant relatives' names, addresses, and phone numbers;
 - (2) history of previous placements and dates;
 - (3) reason for and circumstances leading to the present placement;
 - (4) child's relationship with other significant adults and children;
 - (5) admission assessment including the child's current functioning level and medical history, including:
 - (A) current medications;
 - (B) immunization records;
 - (C) known allergies; and
 - (D) childhood diseases; and
 - (6) current court order(s) documenting the child's legal custody and other applicable court orders;
 - (7) certified birth verification;
 - (8) the child's medical information, including:
 - (A) the child's medical authorization number, when applicable;
 - (B) a medical examination assessing the child's overall health completed by a health care professional within 30-calendar days following placement; however, when a child is transferred from another licensed program or an Oklahoma Human Services foster home, a documented medical exam assessing the child's overall health performed within the 12 months prior to admission is acceptable;
 - (C) written authorization to provide medical care;
 - (D) disabilities;
 - (E) psychosocial information;
 - (F) the child's prior licensed physician's name, when known; and
 - (G) medical services documentation; and
 - (9) the child's family of origin history;
 - (10) information regarding the child's family's physical health, including father, mother, and grandparents;
 - (11) information regarding family members' emotional stability;

- (12) reports from schools, specialists, and other agencies;
- (13) documentation the child's rights and agency grievance policy were explained to the child;
- (14) a service plan, per Oklahoma Administrative Code (OAC) 340:110-5-3, completed within 30-calendar days of placement . The plan is signed and dated by the child, staff, foster parents, and parent or guardian;
- (15) a service plan revision every six months;
- (16) signed and dated case notes;
- (17) a discharge plan including anticipated placement length and future placement;
- (18) a discharge summary including an assessment of the child's placement progress, continuing needs and plans, and recommendations for any follow-up services; and
- (19) documentation of efforts to obtain or inability to obtain any of the information in this Section.

(b) **Foster home record.** The agency maintains a current case file on each foster home. Entries, dated in chronological order and identifying the personnel member recording the information, include:

- (1) the certification form and documents verifying certification per, OAC 340:110-5-57(b);
- (2) a complete home study report, including evaluation and recommendations as required;
- (3) records of all children placed in the home with dates, names, ages, and payment rates for services, when applicable;
- (4) records of all children removed from the home with dates, names, ages, and removal reasons;
- (5) financial agreements, when applicable;
- (6) signed and dated case notes, visits or contacts, and conferences;
- (7) a copy of each child's placement agreement;
- (8) correspondence;
- (9) home study records, updated annually, per OAC 340:110-5-57(d);
- (10) professional development documentation; and
- (11) written agreements and contracts between the agency and the foster parents.

PART 9. REQUIREMENTS FOR INDEPENDENT LIVING PROGRAMS

340:110-5-115. Independent living

An independent living program is a program in which youth, who are at least 16 years of age, are placed in living situations supervised by a licensed child-placing agency to prepare the youth to live independently without supervision.

[Source: Amended at 15 Ok Reg 764, eff 11-10-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-116. Transitional living [REVOKED]

[Source: Amended at 10 Ok Reg 2963, eff 6-25-93 ; Revoked at 15 Ok Reg 764, eff 11-10-97 (emergency); Revoked at 15 Ok Reg 1727, eff 5-11-98]

340:110-5-117. Program description

The child-placing agency (agency) has a written statement describing the agency's:

- (1) philosophy on independent living placements;
- (2) independent living placement selection criteria;
- (3) approach used to assess the appropriateness of independent living placement;
- (4) supervision provided to youth in the program;
- (5) available programs and services;
- (6) living environments provided;
- (7) crisis response system, ensuring youth have 24-hour access to agency personnel; and
- (8) supervision plan for youth and adults when utilizing any shared physical program space.

[Source: Amended at 10 Ok Reg 2963, eff 6-25-93 ; Amended at 15 Ok Reg 764, eff 11-10-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 23 Ok Reg 1092, eff 6-1-06 ; Amended at 37 Ok Reg 1858, eff 11-1-20]

340:110-5-118. Responsibilities of the agency

Responsibilities of the child-placing agency (agency) are to:

- (1) evaluate each youth's ability to assume responsibility and work towards the goal of independence within a specified time frame;
- (2) obtain written approval from:
 - (A) the parents or custodian regarding the youth's participation in the program; or
 - (B) the court if the youth's placement is court-ordered;
- (3) release the youth who is discharged from the program prior to the age of 18 to the youth's custodian with notification to the court when appropriate;
- (4) review the service agreement every three months and revise and update as necessary;
- (5) develop a monthly budget with the youth and meet monthly with the youth to review the budget. Budget reviews may occur less frequently after the first six months if the youth demonstrates ability to maintain the budget; and
- (6) provide counseling and support to the youth at least twice a month through face-to-face contact, which includes at least one meeting per month at the youth's residence.

[Source: Amended at 10 Ok Reg 2963, eff 6-25-93 ; Amended at 15 Ok Reg 764, eff 11-10-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-119. Training and life-skills assessment

(a) **General.** Prior to placement of the youth in an independent living program, appropriate training and a life-skills assessment are required

and documented.

(b) **Life-skills assessment.** The assessment identifies potential areas of risk associated with independent life in the community and includes:

- (1) money management and consumer awareness;
- (2) food management;
- (3) personal appearance and hygiene;
- (4) health services;
- (5) housekeeping and personal belongings;
- (6) housing search skills;
- (7) transportation skills and issues;
- (8) educational planning, if appropriate;
- (9) vocational training;
- (10) job seeking skills;
- (11) skills in emergency situations;
- (12) drug and alcohol use;
- (13) sexuality;
- (14) interpersonal skills;
- (15) community involvement and knowledge of resources; and
- (16) legal issues and knowledge of legal rights.

[Source: Amended at 10 Ok Reg 2963, eff 6-25-93 ; Amended at 15 Ok Reg 764, eff 11-10-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-120. Service agreement

Prior to placement of the youth in an independent living program, a written service agreement is completed that includes:

- (1) respective roles and responsibilities of the child-placing agency (agency), the youth, and other involved parties;
- (2) goals and all services to be provided or arranged by the agency, including the plan for contact between the youth and agency staff;
- (3) any financial arrangements related to the placement; and
- (4) signatures of the youth and a representative of the agency.

[Source: Amended at 10 Ok Reg 2963, eff 6-25-93 ; Amended at 15 Ok Reg 764, eff 11-10-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-121. Physical facility

The child-placing agency approves each living unit based upon written policy.

[Source: Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-122. Supervision and support

- (a) The ratio of staff to youth is based upon the needs and location of the youth under supervision.
- (b) The agency ensures regular contact between agency personnel and each youth as documented in the youth's service agreement or plan.
- (c) There is daily contact with youth participating in a transitional living program.

(d) The agency, through routine visits to the living situation, documents that:

- (1) there is no reasonable cause for believing that the youth's residence or life style presents any unacceptable risks to the youth's health or safety;
- (2) the youth is receiving necessary medical care; and
- (3) the current program plan provides appropriate and sufficient services to the youth.

[Source: Amended at 10 Ok Reg 2963, eff 6-25-93 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-123. Emergency procedures

The child-placing agency documents that training in emergency procedures was provided to each youth within one week of placement in the independent living program. Such training includes:

- (1) use of emergency equipment, such as fire extinguishers and smoke detectors, and a plan for evacuation from the living situation;
- (2) contacting police, fire, and other emergency services;
- (3) fire and accident prevention; and
- (4) response to tornados and natural disasters.

[Source: Amended at 10 Ok Reg 2963, eff 6-25-93 ; Amended at 15 Ok Reg 764, eff 11-10-97 (emergency); Amended at 15 Ok Reg 1727, eff 5-11-98 ; Amended at 23 Ok Reg 1092, eff 6-1-06]

340:110-5-124. Conclusion of participation

Participation in the independent living program is concluded when the youth:

- (1) achieves independence to the extent that financial support and social services are no longer needed;
- (2) makes a voluntary decision to no longer participate in the program; or
- (3) demonstrates unwillingness or inability to meet the requirements of the program and terms of the agreement.

Footnotes

1. Doctoral Degree of Philosophy, Doctoral Degree of Education.
2. Master Degree of Science, Master Degree of Art.
3. Bachelor Degree of Science, Bachelor Degree of Art.
4. Approved college credit hours must be on the Recommended Approved

Figure E2

Coursework List (www.cecpd.org) and articulate to a two- or four-year college or university.

5. Qualifying experience must be as a teacher, master teacher, family child care home primary caregiver, assistant director, or director in a licensed child care setting (30 hours per week).

6. **No more than 6 clock-hours of informal professional development is counted toward annual renewal hours.** Training in the core content areas identified in "Oklahoma Core Competencies for Early Childhood Practitioners": 1) child growth and development; 2) health, safety and nutrition; 3) child observation and assessment; 4) family and community partnerships; 5) learning environments and curriculum; 6) interactions with children; 7) program planning, development and evaluation; and/or 8) professionalism and leadership.

NOTE: Entry Level Child Care Training (ELCCT) cannot be used to meet level or renewal criteria.

7. Associate in Arts, Associate in Science, Associate in Applied Science.

8. Directors' Leadership Academy is available through the Center for Early Childhood Professional Development (www.cecpd.org).

9. The Certificate of Mastery in child development or early childhood education is a minimum 18 credit hour certificate awarded by an Oklahoma community college.

10. Current Child Development Associate (CDA) or Certified Childcare Professional (CCP) credential

11. Certificate of Completion for directors and assistant directors is issued by the Scholars for Excellence in Child Care (www.okhighered.org/scholars/).

12. Early Care and Education: Director's Pathway to Program Administration is available through Oklahoma Career Technology Centers (www.okhighered.org/scholars/career-tech.shtml).

13. Master Teacher or Director Competency Certificate only awarded by Oklahoma Department of Career Technology.

14. Approved administration/management credential, such as the National Administrator Credential (NAC).

15. Training approved through the Oklahoma Professional Development Registry, with at least 10-clock hours in any three management core knowledge areas: Educational Programming & Family Support; Personnel & Professional Self-Awareness; Staff Management & Human Relations; Leadership & Advocacy; Program Operation & Facilities Management; Legal Management; or Fiscal Management.

NOTE: Completion of Director's Entry Level Training (DELT) course meets 20-clock hours of this requirement. Informal professional development is not counted toward meeting this requirement.

Footnotes

1. Bachelor Degree of Arts, Bachelor Degree of Science.
2. College credit hours must be on the Recommended Approved Coursework List (www.cccpd.org) and articulate to a two- or four-year college or university.
3. **No more than 6 hours of informal professional development are counted toward both initial and renewal hours.** Training in the core content areas identified in "Oklahoma Core Competencies for Early Childhood Practitioners." 1) child growth and development; 2) health, safety and nutrition; 3) child observation and assessment; 4) family and community partnerships; 5) learning environments and curriculum; 6) interactions with children; 7) program planning, development and evaluation; and/or 8) professionalism and leadership.
4. Associate Degree of Arts, Associate Degree of Science.
5. The Certificate of Mastery in child development or early childhood education is a minimum 18 credit hour certificate awarded by an Oklahoma community college.
6. Master Teacher or Director Competency Certificate only awarded by Oklahoma Department of Career Technology.
7. Training approved through the Oklahoma Professional Development Registry (OPDR) (www.cccpd.org). All OPDR approved training is tied to the "Oklahoma Core Competencies for Early Childhood Practitioners."

NOTE: Informal professional development is not counted toward meeting this requirement.

Entry Level Child Care Training (ELCCT), Family Child Care Home Entry Level Training (FHELT), Director's Entry Level Training (DELT), and Out-of-School Time Entry Level Training (OST-ELT) can only be counted one time toward renewal hours.

[Source: Added at 32 Ok Reg 704, eff 1-1-16 (emergency); Added at 33 Ok Reg 1678, eff 9-15-16 ; Revoked and reenacted at 40 Ok Reg 1033, eff 9-15-23]

APPENDIX GG. RATIOS AND GROUP SIZES

Figure G1

Programs may have single-age groups, mixed-age groups, or both. Ratios and maximum group sizes are determined by the actual ages of the children in the group and the type of program license per Oklahoma Administrative Code 340:110-3-275.

Day Camps

Children in Group	Ratios	Maximum Group Sizes
5-year-olds and older	1:15	The number of children in an activity is limited to facilitate: <ul style="list-style-type: none"> • teaching personnel and child interactions; and • safe, constructive participation by the children.

Out-of-School Time Programs

The age of the youngest child in a mixed-age group determines the ratio and group size.

Youngest Child In Group	Ratios	Maximum Group Sizes
3-year-olds	1:12	24
4-year-olds	1:15	30
5-year-olds (and older groups)	1:20	The number of children in an activity is limited to facilitate: <ul style="list-style-type: none"> • teaching personnel and child interactions; and • safe, constructive participation by the children.

Programs for Sick Children

The age of the youngest child in a mixed-age group determines the ratio and group size.

Youngest Child In Group	Ratios	Maximum Group Sizes
Infants	1:3	6
1-year-olds	1:3	6
2-year-olds	1:4	8
3-year-olds	1:4	8
4-year-olds	1:4	8
5-year-olds	1:4	8

Figure G2

6-year-olds (and older groups)	1:6	12
-----------------------------------	-----	----

Figure G3

Child Care Centers, Drop-In Programs, and Part-Day Programs

Single-Age Group Chart

Use when the:

- group of children are the same ages
- or
- Mixed-Age Group Exception* applies.

	Ratios	Maximum Group Size
Infants	1:4	8
1-year-olds	1:6	12
2-year-olds	1:8	16
3-year-olds	1:12	24
4-year-olds	1:15	30
5-year-olds (and older single-age groups)	1:20	40

Figure G4

Child Care Centers, Drop-In Programs, and Part-Day Programs (continued)

Mixed-Age Group Chart Use when the group of children are_ different ages, unless the Mixed-Age Group Exception* applies._	Ratios		Maximum Group Size
Infants, 1-year-olds, and 2-year-olds only	1:6	No more than two infants per teaching personnel	12
Infants and older	1:8	No more than two under 2 years of age per teaching personnel	16
1-year-olds and older	1:8	No more than two 1-year-olds per teaching personnel	16
2-year-olds and older	1:12	No more than four 2-year-olds per teaching personnel	24
3-year-olds and older	1:15	No more than six 3-year-olds per teaching personnel	30
4-year-olds and older	1:18	No more than eight 4-year-olds per teaching personnel	36
5-year-olds and older (and older mixed-age groups)	1:20		40

***Mixed-Age Group Exception.** If a mixed-age group of children is understaffed or over group size according to the Mixed-Age Group Chart, refer to the Single-Age Group Chart to determine if the mixed-age group may be in compliance. In this situation, the age of the youngest child in the mixed-age group determines the ratio and group size used in the Single-Age Group Chart. The children may remain in their mixed-age group even when following the Single-Age Group Chart.

Figure G5

Swimming and Wading Ratios

These ratios are maintained when the children are swimming, wading, or both. However, these ratios do not apply when the children are participating in swimming lessons with a certified instructor. The age of the youngest child in a mixed-age group determines the ratio.

Youngest Child In Group	Ratio
Infants	1:1
1-year-olds	1:1
2-year-olds	1:2
3-year-olds	1:6
4-year-olds	1:7
5-year-olds	1:7
6-year-olds (and older groups)	1:10

Shoreline Ratios

5-year-olds and older may participate in shoreline activities provided the swimming and wading ratios are maintained.

APPENDIX II. IMMUNIZATIONS

Figure I1

Law

The Oklahoma Child Care Facilities Licensing Act, Section 411 of Title 10 of the Oklahoma Statutes (10 O.S. § 411), mandates children attending child care obtain, at the medically appropriate time, the Required Immunization Schedule vaccines.

Law Exemptions

Exemptions from the law are allowed for medical, religious, and personal reasons. Summaries are below, including procedures for obtaining exemptions and exclusions.

Medical. For exemptions based on medical reasons, Oklahoma State Department of Health (OSDH) Form ODH 216A, Certificate of Exemption, must be signed by a licensed physician and state the child's physical condition is such that a particular immunization would endanger the child's life or health. The parent is responsible for obtaining the signature of the licensed physician.

Religious. For exemptions based on religious reasons, an ODH 216A must be signed by a parent or religious leader or a written statement signed by a parent or religious leader may be attached to the Certificate of Exemption.

Personal. For exemptions based on personal beliefs, an ODH 216A must be signed by a parent and include a brief written statement summarizing his or her objections to immunizations.

Exemption Procedures. Programs willing to enroll an unimmunized child based on an exemption obtain Form ODH 216A from the OSDH Immunization Service, at Vaccines for School (oklahoma.gov). Parents complete the form, obtain the required signatures, and return it to the program. Programs review the form for proper completion and signatures, maintain a copy in place of an immunization record, and submit a copy to the OSDH Immunization Service for approval.

Exclusion of exempt children during outbreaks. If there is an outbreak of a vaccine-preventable disease, programs may be required to exclude unimmunized children based on exemptions or family emergencies. The exclusion may be a lengthy period of time. The Commissioner of Health makes this decision and the program would be contacted by a representative of OSDH. The program is responsible for informing the parent of this possibility at the time the Certificate of Exemption is accepted by the program.

Thirty-day exemptions. A program may allow a child to enter and remain for up to 30-calendar days, without an immunization record. In addition, the Federal Child Care and Development Fund requires a 30-calendar day exemption to provide immunization records for foster children and homeless families. The record must be provided at the earliest possible opportunity. If at the end of 30-calendar days an up-to-date record has not been provided, the program must exclude the child. No child may receive this waiver more than once.

Required Immunization Schedule

Figure I2

Due Immunizations are due according to this Required Immunization Schedule, unless there are late dose revisions (see next page).

Dose due that month. Dose due at the end of the age range, but may be given anytime during the age range.

E = Late Dose Exceptions (see next page)

Past Due Immunizations are past due the month following the age due.

	Birth	2 Mos.	4 Mos.	6 Mos.	12 Mos.	15 Mos.	18 Mos.	23 Mos.	***	4 – 6 Years
Hep B	<input type="checkbox"/>	<input type="radio"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
DTaP	<input type="checkbox"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hib*	<input type="checkbox"/>	<input type="radio"/>	<input type="radio"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
IPV	<input type="checkbox"/>	<input type="radio"/>	<input type="radio"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
MMR	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Varicella**	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PCV	<input type="checkbox"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hep A***	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

* Hib may be complete with three or four doses depending on the vaccine brand used

** Varicella vaccine is not required, if a parent or treating medical physician statement states the child had Chickenpox

*** Hep A dose 2 is due six to 18 months after dose one

Refer to the OSDH website for the immunization schedule for children seven years of age and older, who need to catch-up or start immunizations.

Late Doses = Revised Due Dates

When a dose is received late, the remaining doses may have a different due date than

Figure I3

shown on the Required Immunization Schedule.

All remaining doses are due one to two months after the previous dose, unless:

- the schedule allows more time; or
- if one of these exceptions (E) apply.

DTaP dose 4 is due six to 12 months after dose three

Hep A dose 2 is due six to 18 months after dose one

Late Doses = Revised Number of Doses

When a dose is received late, usually the same number of doses is required. However, fewer doses may be required once a child reaches a certain age if one of these exceptions (E) applies.

Hib

- If one dose is given at 15 months of age or older, regardless of the number of previous doses received, no more doses are required.
- If a child is 5 years of age or older, no doses are required.

PCV

- If two doses are given at 12 months of age or older, regardless of the number of previous doses received, no more doses are required.
- If one dose is given at 24 months of age or older, regardless of previous doses received, no more doses are required.
- If a child is 5 years of age or older, no doses are required.

Vaccine Names and Combination Vaccines

Use this chart to determine what vaccines have been received. Combination vaccines have two or more vaccines in one shot.

Vaccine	Disease	Vaccine Brand Names and Abbreviations
Hep B	Hepatitis B	Comvax, HBV, Hep B Pediatric, Engerix-B, Pediarix, Recombivax, Vaxelis
DTaP	Diphtheria, Tetanus, & Pertussis (Whooping Cough)	Daptacel, DT, DTP, Infanrix, Kinrix, Pediarix, Pentacel, TriHIBit, Vaxelis
Hib	Haemophilus Influenzae Type B	ActHIB (PRP-T), Comvax, HbCV, HbOC, Hib conjugate, Hiberix, Pedvax HIB (PRP-OMP), Pentacel, TriHIBit, Vaxelis
IPV	Polio	Kinrix, OPV, Pediarix, Pentacel, Vaxelis
MMR	Measles, Mumps, & Rubella	M-M-R II, MMRV, ProQuad
Varicella	Chickenpox	MMRV, ProQuad, VAR, Varivax
PCV	Pneumococcal	PCV 7 or 13, Pneumococcal Conjugate, Prevnar
Hep A	Hepatitis A	HAV, Havrix, Vaqta

APPENDIX JJ. EXCLUSION CRITERIA FOR CHILDREN WHO ARE ILL

Figure J1

All programs

Children diagnosed with these illnesses are excluded from all programs, including programs serving children who are ill.

1. Aseptic meningitis
2. Bacterial meningitis
3. E. coli 0157:H7, until diarrhea resolves and two stool cultures are negative
4. Untreated scabies
5. All reportable contagious diseases, until the period of communicability has elapsed as determined by a licensed physician or health department official

Programs serving only children who are well

Children with these illness symptoms are excluded from a program caring for only well children.

1. Fever, defined as axillary (armpit) temperature of 100 degrees or higher, or oral temperature of 101 degrees or higher, with another sign or symptom of illness
2. Diarrhea, defined as runny or watery stools with increased frequency of loose stools
3. Vomiting two or more times in a 24-hour period
4. Undiagnosed body rash or pox, except diaper rash, with fever
5. Draining skin wounds that cannot be kept completely covered by a bandage
6. Sore throat with fever and swollen glands
7. Eye discharge, defined as thick mucus or pus draining from the eye or Conjunctivitis (pink eye) without evidence of allergic reaction
8. Yellowish skin or eyes
9. Severe and/or persistent coughing, where a child gets red or blue in the face, makes a high-pitched whooping sound after coughing, or coughs to the point of vomiting
10. Appears to be severely ill from an unexplained cause, such as extreme lethargy, irritability, persistent crying, difficulty breathing, or any other unusual signs

Programs serving children who are ill

Children with these illness symptoms or illnesses are excluded from Level I programs. However, the children may be cared for in a Level II program when guidelines for separation and outside ventilation are followed.

1. Diarrhea and vomiting:
 - diarrhea, stools, or vomiting that:
 - contain blood or mucus; or
 - are accompanied by lethargy or signs of dehydration, such as no tears, dry mouth, fewer wet diapers, or decreased urination
 - diarrhea diagnosed as Giardia until asymptomatic (no diarrhea)
 - vomiting two or more times in the previous 24 hours
 - salmonella, until two negative stool cultures
 - shigella, until two negative stool cultures

Figure J2

2. Respiratory conditions:
 - asthmatic child with respiratory distress uncontrolled by current medication
 - difficult, rapid breathing or wheezing
 - respiratory conditions, when the primary symptom is coughing accompanied by repeated vomiting
 - diphtheria, until five days of the appropriate antibiotic therapy that is to be given a total of 14 days
 - pertussis, until five days after treatment with antibiotics
 - streptococcal pharyngitis, until child has been on treatment for 24 hours
 - tuberculosis, until the child's physician or the local health department states the child is not infectious
3. Rash illnesses:
 - undiagnosed rash, except diaper rash
 - varicella (chicken pox), until sixth day after onset of rash or sooner if all lesions have dried and crusted, unless cared for only with other children diagnosed with chicken pox
 - measles, until six days after onset of rash
 - rash accompanied by fever or behavioral change
 - rubella, until seven days after onset of rash
 - roseola
4. Skin conditions:
 - impetigo, until 24 hours after treatment started
 - ringworm, until treatment started
5. Miscellaneous:
 - conjunctivitis (pink eye), readmit with physician's statement or 24 hours after treatment initiated, unless cared for only with other children who have conjunctivitis
 - hepatitis A, until one week after onset of illness
 - mouth sores with drooling
 - mumps, until nine days after onset of parotid gland swelling
 - pinworms, until treatment started
 - post-operative convalescent care

APPENDIX KK. DIAPER CHANGING PROCEDURES

Figure K1

Never leave a child unattended

a. Organize supplies in diaper changing area

1. In reach of personnel but out of reach of all children
2. When using disposable covers, place on non-porous surface
3. When using disposable non-latex gloves, put them on

b. Place child on non-porous surface

1. Remove any wet or soiled clothing and place them out of the reach of all children

c. Clean the child

1. Unfasten diaper but leave it under child
2. When using pins, remove and close each pin and place them out of reach of all children
3. Gently clean child's genitalia and buttocks from front to back using disposable diaper wipes
4. Clean off visible soiling on non-porous surface with disposable diaper wipes or fold disposable cover so clean cover is under the child's buttocks

d. Remove wet or soiled items from non-porous surface

1. Avoid contaminating additional items
2. Discard* disposable items
3. Put wet or soiled cloth diapers and clothes in sealed, labeled, moisture-proof bag for parents, without rinsing
4. When using gloves, remove and discard*

e. Wipe your hands

1. Use a disposable diaper wipe to clean personnel's hands and discard*, except when gloves were used

f. Put on clean diaper

1. When using diaper cream, apply now
2. When using pins, place your hand between child and diaper when inserting pin

g. Wash child's hands and return child to supervised area

h. Clean and disinfect diaper changing-area and supplies

1. Clean off visible soiling using diaper wipes and discard*
2. Disinfect using approved disinfectant according to manufacturer's instructions

i. Wash your hands

j. Document diaper change

*Discard disposable items in trash container with tight fitting lid

APPENDIX LL. MEAL AND SNACK PATTERNS

Figure L1

Adapted from August 8, 2013 Child and Adult Care Food Program (CACFP) Minimum Meal Requirements¹

Food Components	1 - 2 year-olds	3 - 5 year-olds	6 - 12 year-olds
Breakfast			
1 Milk ² , fluid	½ cup	¾ cup	1 cup
1 Fruit and/or vegetable, whole or juice ³	¼ cup	½ cup	½ cup
1 Grain, bread, or cereal	Choose One		
Bread, whole-grain, enriched or fortified	½ slice	½ slice	1 slice
Cornbread, biscuit, roll, or muffin	½ serving	½ serving	1 serving
Cereal, cold, dry	¼ cup	⅓ cup	¾ cup
Cereal, hot, cooked	¼ cup	¼ cup	½ cup
Pasta, noodles, or grains	¼ cup	¼ cup	½ cup
Lunch or Supper			
1 Milk ² , fluid	½ cup	¾ cup	1 cup
2 Fruits and/or vegetables, whole or juice ³	¼ cup	½ cup	¾ cup
1 Grain, bread, and/or cereal	Choose One		
Bread, whole-grain, enriched or fortified	½ slice	½ slice	1 slice
Cornbread, biscuit, roll, or muffin	½ serving	½ serving	1 serving
Cereal, cold, dry	¼ cup	⅓ cup	¾ cup
Cereal, hot, cooked	¼ cup	¼ cup	½ cup
Pasta, noodles, or grains	¼ cup	¼ cup	½ cup
1 Protein, meat, and/or meat	Choose One		
Lean meat, poultry, fish, or meat alternate	1 ounce	1 ½ ounces	2 ounces
Cheese	1 ounce	1 ½ ounces	2 ounces
Egg, large	½ egg	¾ egg	1 egg
Beans or peas, cooked dry	¼ cup	⅓ cup	½ cup

Figure L2

Food Components	1 - 2 year-olds	3 - 5 year-olds	6 - 12 year-olds
Peanut butter or other nut/seed butters	2 tablespoons	3 tablespoons	4 tablespoons
Yogurt	4 ounces	6 ounces	8 ounces
	Combine with ½ serving of other protein		
Nuts and/or seeds	½ ounce	¾ ounce	1 ounce
Snack (Choose 2 of the 4 Food Components)			
1 Milk ² , fluid	½ cup	½ cup	1 cup
1 Fruit and/or vegetable, whole or juice ³	½ cup	½ cup	¾ cup
1 Grain, bread, and/or cereal	Choose One		
Bread, whole-grain, enriched or fortified	½ slice	½ slice	1 slice
Cornbread, biscuit, roll, or muffin	½ serving	½ serving	1 serving
Cereal, cold, dry	¼ cup	⅓ cup	¾ cup
Cereal, hot, cooked	¼ cup	¼ cup	½ cup
Pasta, noodles, or grains	¼ cup	¼ cup	½ cup
1 Protein, meat, and/or meat alternate	Choose One		
Lean meat, poultry, fish, or meat alternate	½ ounce	½ ounce	1 ounce
Cheese	½ ounce	½ ounce	1 ounce
Egg, large	½ egg	½ egg	½ egg
Beans or peas, cooked dry	⅛ cup	⅛ cup	¼ cup
Peanut butter or other nut/seed butters	1 tablespoon	1 tablespoon	2 tablespoons
Yogurt	2 ounces	2 ounces	4 ounces
	Combine with ½ serving of other protein		
Nuts and/or seeds	½ ounce	½ ounce	1 ounce

Footnotes

- ¹ The most current meal pattern can be found at <http://www.fns.usda.gov/cacfp/meals-and-snacks>.
- ² Milk for 2-year-olds and older is fat-free or low-fat (1%) unflavored or fat-free flavored.
- ³ Juice is full strength (100% and undiluted).

APPENDIX MM. EQUIPMENT

Figure M1

Required play equipment is within reach of the children and is available for use. Homemade and non-commercial made equipment may be counted, provided the equipment meets the requirements and is not a risk to children.

Outdoor Equipment

At least one item from five different categories is required, with no more than two of those items from (h) through (k).

- (a) Climbing apparatus;
- (b) Swinging apparatus;
- (c) Crawl-through apparatus;
- (d) Balance apparatus;
- (e) Wheeled or riding toys;
- (f) Balls, bean bags, Frisbees, flying discs;
- (g) Sand and water play with accessories;
- (h) Music equipment; (utilized for outdoor use only.)
- (i) Dramatic play and dress up; (utilized for outdoor use only.)
- (j) Blocks or other building materials; and (utilized for outdoor use only.)
- (k) Outdoor arts and crafts. (utilized for outdoor use only.)

Indoor Equipment

The required number of items is based on the licensed capacity and is proportionate to the number of children in each single-age or mixed-age group classroom.

- Play equipment:
 - is counted only one time. For example:
 - items counted for one classroom are not counted for another, although play equipment may be rotated between classrooms to maintain interest; and
 - an item may meet several developmental needs and potentially be counted in several categories; however, the item only counts in one category;
 - is varied; and
 - included in this appendix are varying examples only. Play equipment that meets the developmental intent of the category may be counted, though not listed. The examples are designed to offer a range of options that are age appropriate, diverse, and may be made, purchased, or donated.
- Manipulatives are play equipment that allow children to practice fine motor and problem solving skills and learn number sense, such as sorting, patterning, and ordering. Manipulative items include lacing beads, peg boards, pattern blocks, and interlocking materials.

Figure M2

Basic Equipment: Infants

- (a) crib or play yard, one per child;
- (b) mattress sheet, one per child;
- (c) extra mattress sheets;
- (d) diaper changing area;
- (e) adequate supply of:
 - (1) facial tissues, wash cloths, and bath towels;
 - (2) diapers and disposable wipes;
 - (3) moisture-proof bags for wet or soiled cloth diapers or clothing; and
 - (4) clothing in various sizes in case of accidents; and
- (f) adequate size trash container with tight-fitting lid for wet or soiled disposable items;
- (g) separate, individual space for personal belongings;
- (h) adult-height shelf;
- (i) adult-size chair, one per teaching personnel; and
- (j) audio player.

Play Equipment: Infants

Number of infants in the classroom	1	2	3	4	5	6	7	8
Motor Play								
Gross motor: set of large, soft, modular blocks (four minimum); crawl through space; pull-up apparatus; Johnny Jump Up; swing; small rocking toy; support pillows for sitting up; Exersaucer; activity gym or mat	2	2	2	2	4	4	4	4
Fine motor: nesting and stacking toys; items to empty and fill, push and pull; small vehicles; knobbed puzzle; infant blocks; washable dolls; balls of various sizes; plastic or rubber animals; large infant crayons with large sheets of paper	2	3	4	4	5	6	7	8
Exploratory Play								
Things to hear: rattle; musical toy; squeaky toy; wind chimes; wrist or ankle bells; wooden spoon and pan	3	3	3	4	5	6	7	8
Things to see: black and white pictures (newborns); mobiles; murals; colorful, single-object pictures; colorful fabric or banners; brightly colored sensory bottles	2	2	3	4	5	6	7	8
Shatterproof mirror	1	1	1	1	1	1	1	1
Things to touch: soft, washable toys and dolls; handkerchiefs; small dishpans or trays for water play; tactile toys and balls; textured items or fabric	2	2	3	4	5	6	7	8
Creative Play								
Music: CDs, tapes, or equivalent	2	2	2	2	4	4	4	4
Language Play								
Child items: washable fabric, cardboard and vinyl picture books; books that reflect the ethnicities of children and families	2	2	3	4	5	6	7	8
Teacher and child interaction items: picture books with large, single object pictures, simple story lines and repetitive phrases to be read by the teacher; photos of the child and his or her family; puppets	3	6	9	12	15	18	21	24

Figure M3

Basic Equipment: 1-year-olds

- (a) crib, play yard, mat or cot, one per child;
- (b) sheet and cover, one of each per child;
- (c) extra sheets and covers;
- (d) diaper changing area;
- (e) adequate supply of:
 - (1) facial tissues, wash cloths, and bath towels;
 - (2) diapers and disposable wipes;
 - (3) moisture-proof bags for wet or soiled cloth diapers or clothing; and
 - (4) clothing in various sizes in case of accidents; and
- (f) adequate size trash container with tight-fitting lid for wet or soiled disposable items;
- (g) separate, individual space for personal belongings;
- (h) adult-height shelf;
- (i) highchair or table space with a chair, one per child;
- (j) baskets or low, open shelves for play equipment storage; and
- (k) audio player.

Play Equipment: 1-year-olds

Number of 1-year-olds in the classroom	1-2	3-4	5	6	7	8-9	10-11	12
Motor Play								
Gross motor: set of large plastic or cardboard building blocks (12 minimum); interlocking panels; two-step slide; indoor riding toy without pedals; rocking toy; Sit N Spin; scarves, ribbons, or fabric for dancing	2	2	2	2	3	3	4	4
Large push and pull items- shopping cart, lawn mower, vacuum cleaner, doll stroller, wagon	2	2	2	2	3	3	3	3
Fine motor: nesting, stacking, and interlocking toys; cause and effect toys - tops, jack-in-the box; knobbed puzzles; toddler blocks; pounding toys; giant peg boards; waffle blocks; pop beads; large stringing beads; shape sorter	2	4	5	6	7	9	11	12
Small rubber or plastic animals	2	2	3	4	5	6	7	8
Balls of various sizes	2	2	3	4	5	6	7	8
Small cars, trucks, boats, trains, people	2	4	5	6	7	8	10	12
Exploratory Play								
Things to hear: rhythm instruments - shakers, drums, xylophones; interactive toys with sound	2	2	3	4	5	6	7	8
Things to see: mobiles; colorful, single-object pictures; banners; colorful pieces of fabric; brightly colored sensory bottles; windsock	2	2	3	4	5	6	7	8
Things to touch: textured surfaces; dishpans or water table with accessories; tactile toys and boxes; play dough; nature items - pinecones, shells, rocks	2	2	3	4	5	6	7	8

Figure M4

Number of 1-year-olds in the classroom	1-2	3-4	5	6	7	8-9	10-11	12
Creative Play								
Music: CDs, tapes, or equivalent	2	2	2	2	4	4	4	4
Art: toddler crayons, non-toxic paint and finger paint; large sheets of paper; glue sticks or flour and water mixture	2	3	4	4	5	5	6	6
Dramatic Play								
Animals and dolls: (soft and washable)	2	2	3	4	5	6	7	8
Everyday items used by the child and his or her family: pillows and blankets, dishes and utensils, pots and pans, purses, keys, pair of shoes, hats, tools, brief cases, phones	3	6	9	12	15	18	21	24
Shatterproof mirror	1	1	1	1	1	1	1	1
Language Play								
Child items: washable fabric, cardboard, and vinyl picture books; books that reflect the ethnicities of children and their family	2	4	5	6	7	9	11	12
Teacher and child interaction items: picture books with large, uncluttered pictures, simple story lines, and repetitive phrases to be read by the teacher; photos of the child and his or her family	6	12	15	18	21	27	33	36
Puppets	2	2	2	2	2	2	2	2

Basic Equipment: 2-year-olds

- (a) mat, cot, or bed, one per child;
- (b) sheet and cover, one of each per child;
- (c) extra sheets and covers;
- (d) adequate supply of:
 - (1) facial tissue, wash cloths, and bath towels;
 - (2) diapers and disposable wipes;
 - (3) moisture-proof bags for wet or soiled cloth diapers or clothing; and
 - (4) clothing in various sizes in case of accidents; and
- (e) adequate size trash container with tight-fitting lid for wet or soiled disposable items;
- (f) separate, individual space for personal belongings;
- (g) table space with a chair, one per child;
- (h) baskets or low, open shelves for play equipment storage;
- (i) a designated place to go for quiet time; and
- (j) audio player.

Figure M5

Play Equipment: 2-year-olds

Number of 2-year-olds in the classroom	1-2	3-4	5-6	7-8	9-10	11-12	13-14	15-16
Motor Play								
Gross motor: set of large plastic or cardboard building blocks; interlocking panels; two-step slide; rocking toy; indoor climbing apparatus; large floor push toy; crawl through space - tunnel or cardboard box; wheel toys with and without pedals (no more than two of the same item)	2	2	3	4	5	6	7	8
Large push and pull items - shopping cart, lawn mower, vacuum cleaner, wheelbarrow, doll stroller, wagon	2	2	2	2	3	3	4	4
Fine motor: nesting, stacking, and interlocking toys; cause and effect toys - tops, jack-in-the-box; single object puzzles; toddler blocks; toddler pounding toys; giant peg boards; waffle block; pop beads; large stringing beads; Duplo blocks; shape sorter; simple matching games	2	4	6	8	10	12	14	16
Balls of various sizes	2	2	3	3	4	4	5	5
Small cars, trucks, trains, planes, boats, people	2	3	5	6	8	9	10	12
Small plastic, rubber, or wooden animals	2	2	3	4	5	6	7	8
Exploratory Play								
Things to touch: texture boards; sensory table with accessories; tactile toys and boxes; play dough	2	2	3	4	5	6	7	8
Creative Play								
Music: CDs, tapes or equivalent	2	2	2	2	4	4	4	4
Rhythm instruments - drums, rain sticks, zithers, shakers, maracas, xylophones, autoharps	2	2	3	4	5	6	7	8
Interactive toys with sounds	2	2	2	3	3	3	4	5
Art: large, blank paper; chubby stumps or toddler crayons; glue sticks, glue, or flour and water mixture; non-toxic paints and paint brushes; rounded scissors	2	3	4	5	6	7	8	9
Dramatic Play								
Dolls	2	2	3	4	5	6	7	8
Dress-up items: clothes such as capes, aprons, hats, shoes, purses, scarves, ties, suits, vests, brief cases, uniforms of familiar community helpers, clothing that reflects the ethnicities of children and their family	2	2	3	4	5	6	7	8

Figure M6

Number of 2-year-olds in the classroom	1-2	3-4	5-6	7-8	9-10	11-12	13-14	15-16
Everyday items used by the child and their family: sets of pots, pans, dishes; plastic play foods; empty food containers; kitchen appliances - stoves, refrigerators, or sinks; ironing board and iron; set of clean-up toys - broom, dust pan, vacuum; tool kit; work bench; lawn and gardening items	2	4	6	8	10	12	14	16
Shatterproof mirror	1	1	1	1	1	1	1	1
Language Play								
Child items: Washable cardboard, cloth, and vinyl books; teacher-made books; books that reflect the ethnicities of children and their family	2	4	6	8	10	12	14	16
Teacher and child interaction items: picture books with large, uncluttered pictures, simple story lines, and repetitive phrases to be read by the teacher; photos of the child and his or her family	6	12	18	24	30	36	42	48
Puppets; finger puppets	2	2	2	2	3	3	4	4

Figure M7

Basic Equipment: 3-year-olds

- (a) mat, cot, or bed, one per child;
- (b) sheet and cover, one of each per child;
- (c) extra sheets and covers;
- (d) adequate supply of:
 - (1) facial tissue, wash cloths, and bath towels;
 - (2) moisture-proof bags for wet or soiled cloth diapers or clothing; and
 - (3) clothing, in various sizes in case of accidents; and
- (e) separate, individual space for personal belongings;
- (f) table space with a chair, one per child;
- (g) two linear feet of low, open shelves for play equipment storage, per child;
- (h) a designated place to go for quiet time; and
- (i) audio player.

Play Equipment: 3-year-olds

Number of 3-year-olds in the classroom	1-3	4-6	7-9	10-12	13-15	16-18	19-21	22-24
Motor Play								
Gross motor: building blocks with accessories (20 minimum) - unit blocks, tabletop hardwood blocks, window pane blocks, hollow wooden blocks, or card board boxes with planks, crates, or ladders	1	1	1	2	2	2	2	2
Rocking boat; interlocking panels; indoor climbing apparatus; balance beam; crawl-through space or tunnel; large floor push toy; wheel toys with or without pedals; creative movement materials - scarves, ribbons, fabric pieces; Lummi sticks; parachute (no more than two of the same item)	2	2	2	2	3	3	4	4
Exploratory Play								
Manipulatives: matching games; lottos; large stringing beads; pattern blocks; peg boards and pegs; lacing boards; self-help activities - lacing, buttoning, zipping, snapping; simple board games; sorting and counting items	3	3	6	6	9	9	12	12
Inlay puzzles: (10-20 pieces)	3	3	6	6	9	9	12	12
Interlocking manipulatives set - Legos, Tinker Toys, Lincoln Logs, bristle blocks, Connectos, magnet blocks, construction blocks	1	1	2	2	3	3	4	4
Small cars, trucks, airplanes, boats, animals, people	3	3	6	6	9	9	12	12
Science items: sensory table and accessories; magnifying glass; bug catcher; prisms; balance scale; nature items - plants, leaves, rocks; aquarium; light table and accessories	1	1	2	2	3	3	4	4

Number of 3-year-olds in the classroom	1-3	4-6	7-9	10-12	13-15	16-18	19-21	22-24
Creative Play								
Music: CDs, tapes, or equivalent	2	2	4	4	5	5	6	6
Rhythm instruments – drums, rain sticks, maracas, xylophones, zithers, autoharps	2	2	3	4	5	6	7	8
Art: large, blank paper; markers, crayons, chalk; glue or glue sticks; play dough or clay; non-toxic paints and brushes; textured collage materials - scraps of ribbon, yarn, buttons; rounded scissors	3	4	5	6	7	8	9	10
Easel surface	1	1	2	2	2	2	2	2
Dramatic Play								
Dolls with accessories: clothes, strollers, high chairs	2	2	4	4	6	6	8	8
Dress-up items: clothes such as hats, neckties, capes, purses, vests, aprons, shoes, suits; uniforms of community helpers -firefighters, doctors, painters; clothing that reflects the ethnicities of children and their family	2	4	6	8	10	10	12	12
Everyday items used by children and families: kitchen appliances - stove, sink, refrigerator, microwave; sets of dishes and utensils; sets of pots and pans; sets of clean-up toys - broom, dust pan, mop; doll bed or cradle; child-size rocking chair; lawn care equipment - lawn mower, wheelbarrow, gardening tools; prop boxes designed around themes reflecting a child's life experiences- doctor office, barber shop, veterinarian office, shoe store, donut shop; water play equipment	2	4	6	8	10	10	12	12
Shatterproof mirror	1	1	1	1	1	1	1	1
Creative play sets with accessories: farm; playhouse; garage; airport; doll house	1	1	2	2	3	3	4	4
Language Play								
Child items: Picture books from a variety of genres: alphabet, counting, informational, look and find, wordless, folk and fairy tales, nursery rhymes, fantasy fiction, rhyming stories, realistic fiction; books that reflect the ethnicities of children and their family	12	24	36	48	60	72	84	96
Story telling and retelling items - flannel or magnetic board with accessories; listening tapes	2	2	2	2	2	2	2	2
Puppets; finger puppets; puppet stage; marionettes	2	2	2	2	2	2	2	2

Figure M9

Basic Equipment: 4-year-olds and 5-year-olds

- (a) mat, cot, or bed, one for each child present during scheduled rest or quiet time or a child who is ill;
- (b) sheet and cover, one of each for each child present during scheduled rest or quiet time or a child who is ill;
- (c) extra sheets and covers;
- (d) adequate supply of:
 - (1) facial tissue, wash cloths, and bath towels;
 - (2) moisture-proof bags for wet or soiled clothing; and
 - (3) clothing, in various sizes in case of accidents; and
- (e) separate, individual space for personal belongings;
- (f) table space with a chair, stool, or bench that allows 18 inches per child;
- (g) two linear feet of low, open shelves for play equipment storage, per child;
- (h) a designated place to go for quiet time; and
- (i) audio player.

Play Equipment: 4-year-olds and 5-year-olds

APPENDIX NN. CLEANERS, SANITIZERS, AND DISINFECTANTS

Figure N1

Clean; then, sanitize or disinfect.

		Cleaners	Sanitizers	Disinfectants	
In general	Effective against	<ul style="list-style-type: none"> Dirt Debris 	<ul style="list-style-type: none"> Bacteria 	<ul style="list-style-type: none"> Bacteria Fungi Certain viruses 	
	Surfaces	<ul style="list-style-type: none"> All 	<ul style="list-style-type: none"> Food-contact items or surfaces* Mouth-contact items or surfaces* for example, play equipment 	<ul style="list-style-type: none"> Diaper changing areas Restrooms Tables and countertops Door and cabinet handles not Mouth- or food-contact items or surfaces 	
	Time required for effectiveness		30 seconds to 5 minutes	10 minutes or less	
Choose one	Household chlorine bleach (without EPA** registration number)	Sanitizer		Disinfectant	
		Bleach	Cool water	Bleach	Cool water
		1 tablespoon (1/2 ounce)	1 gallon	1/4 cup (2 ounces)	1 gallon
		2 teaspoons (1/4 ounce)	1/2 gallon	1/8 cup (1 ounce)	1/2 gallon
	1 teaspoon (1/8 ounce)	1 quart	1 tablespoon (1/2 ounce)	1 quart	
Sanitizer or disinfectant (with EPA** registration number)		<ul style="list-style-type: none"> Read label to determine: <ul style="list-style-type: none"> whether the product is a sanitizer or disinfectant how the product can be used (for example, non-porous surfaces) the length of time the object needs to remain wet with product whether diluting is needed whether rinsing is needed Follow, "Directions for use," on the label 			

*Not all sanitizers may be used on mouth- or food-contact items or surfaces. Read labels.

**Environmental Protection Agency

Figure N2

Bleach Guidelines

- **Spray**
 - Mix fresh solution daily in opaque bottle
 - Use heavy spray and completely wet object
- **Submerge**
 - General
 - Mix fresh solution when visibly dirty or when concentrations drop below the required level
 - Food-contact items
 - Submerge dishes and utensils for at least one minute
 - Mix fresh solution with each dishwashing and when concentration falls below 150 parts per million (ppm)
- **Dry - remain wet**
 - Let object remain wet for at least two minutes or air dry

340:125-3-47.6. Diagnosis and treatment [EXPIRED]

[Source: Added at 12 Ok Reg 103, eff 10-3-94 through 7-14-95 (emergency)¹]

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency action enacting a new Section, the Section is no longer effective. Therefore, on 7-15-95 (after the 7-14-95 expiration of the emergency action), Section 340:125-3-47.6 was no longer effective. For the official text of the emergency rule that was in effect from 10-3-94 through 7-14-95, see 12 Ok Reg 103.*

340:125-3-47.7. Vision services [EXPIRED]

[Source: Added at 12 Ok Reg 103, eff 10-3-94 through 7-14-95 (emergency)¹]

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency action enacting a new Section, the Section is no longer effective. Therefore, on 7-15-95 (after the 7-14-95 expiration of the emergency action), Section 340:125-3-47.7 was no longer effective. For the official text of the emergency rule that was in effect from 10-3-94 through 7-14-95, see 12 Ok Reg 103.*

340:125-3-47.8. Dental services [EXPIRED]

[Source: Added at 12 Ok Reg 103, eff 10-3-94 through 7-14-95 (emergency)¹]

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency action enacting a new Section, the Section is no longer effective. Therefore, on 7-15-95 (after the 7-14-95 expiration of the emergency action), Section 340:125-3-47.8 was no longer effective. For the official text of the emergency rule that was in effect from 10-3-94 through 7-14-95, see 12 Ok Reg 103.*

340:125-3-47.9. Hearing services [EXPIRED]

[Source: Added at 12 Ok Reg 103, eff 10-3-94 through 7-14-95 (emergency)¹]

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency action enacting a new Section, the Section is no longer effective. Therefore, on 7-15-95 (after the 7-14-95 expiration of the emergency action), Section 340:125-3-47.9 was no longer effective. For the official text of the emergency rule that was in effect from 10-3-94 through 7-14-95, see 12 Ok Reg 103.*

Editor's Note: ¹*This emergency action expired without being superseded by a permanent action. Upon expiration of an emergency action enacting a new Section, the Section is no longer effective. Therefore, on 7-15-95 (after the 7-14-95 expiration of the emergency action), Section 340:125-5-343 was no longer effective. For the official text of the emergency rule that was in effect from 10-14-94 through 7-14-95, see 12 Ok Reg 273.*
