SUBCHAPTER 1. GENERAL PROVISIONS

340:1-1-1. Purpose, legal basis, and Director of Human Services (Director)

- (a) **Purpose.** This Subchapter describes the Oklahoma Human Services (OKDHS) organizational structure and function and includes the legal basis and other rules governing OKDHS operations.
- (b) **Legal basis.** The Director's position and duties are authorized by and described in Section 162 of Title 56 of the Oklahoma Statutes. OKDHS responsibilities, and the Director's authority to ensure those responsibilities are carried out, is found in the Oklahoma Statutes.
- (c) **Director of Human Services.** The Director serves, at the pleasure of the Governor with Senate confirmation, as Oklahoma Human Services (OKDHS) chief executive and administrative officer. The Director is responsible for the daily direction of the activities necessary for OKDHS to accomplish its mission.
- (d) **Organizational chart.** OKDHS is organized as the Director deems appropriate to achieve the OKDHS mission. OKDHS Administrative Services provides organizational charts upon request.

340:1-1-20. Confidentiality

The Oklahoma Department of Human Services (OKDHS) complies with:

(1) all federal and state statutes, rules, and regulations regarding client confidentiality.

(A) Per Section 183 of Title 56 of the Oklahoma Statutes, information and records obtained by OKDHS concerning an applicant or recipient of OKDHS programs or services is confidential. This includes electronic data and records generated by OKDHS.

(i) OKDHS employees only examine applicant or recipient information in connection with the performance of their official duties.

(ii) OKDHS does not furnish or release information from client records for commercial or political purposes.

(B) All Child Welfare (CW) records and information are confidential pursuant to state and federal statutes and regulations. [10 O.S. § 7005-1.2 through 7005-1.4 and 7107; and 45 CFR Part 1340]

(C) All records, working papers, and reports related to an Adult Protective Services (APS) investigation are confidential under Section 10-110 of Title 43A of the Oklahoma Statutes.

(D) All files and records concerning the assistance or services provided under the Child Support Enforcement Program or concerning a putative father of a child born out of wedlock are confidential, except as otherwise authorized by law; [56 O.S. § 237]

(2) Sections 7213, 7213A, and 7431 of the Internal Revenue Code safeguarding federal tax information regarding an applicant or

recipient;
(3) the Open Records Act to ensure and assist the public's right to access, review, and copy governmental records, except where specifically required by federal or state law, rule, and regulation to be kept confidential; [51 O.S. § 24A.1 through 24A.22] and
(4) Part 160 and Subparts A and E of Part 164 of Title 45 of the Code of Federal Regulations constituting the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule, which provides protection for the privacy of health information.

340:1-7-7. Coordination with the Oklahoma Health Care Authority

Medicaid rates are established by the Oklahoma Health Care Authority (OHCA). These rates apply, unless otherwise indicated, for services paid by DHS on behalf of clients who are not Medicaid eligible or for services that are not compensable through Medicaid. DHS staff takes applications and determines eligibility for Medicaid. However, the Oklahoma Health Care Authority specifies the scope of medical services, contracts with health care providers, sets the Medicaid rates, and establishes eligibility criteria.

**SUBCHAPTER 11. CIVIL RIGHTS AND
NONDISCRIMINATION**

PART 1. ADMINISTRATION METHODS

340:1-11-1. Statement of compliance and practices prohibited

(a) Oklahoma Human Services (OKDHS) administers its programs and business, per:

- (1) Title VI and Title VII of the Civil Rights Acts of 1964;
- (2) Section 504 of the Rehabilitation Act of 1973;
- (3) the Age Discrimination Act of 1975;
- (4) the Age Discrimination in Employment Act;
- (5) the Americans With Disabilities Act of 1990;
- (6) the Americans With Disabilities Act Amendments Act;
- (7) the Equal Pay Act;
- (8) the Pregnancy Discrimination Act;
- (9) the Genetic Information Non-Discrimination Act; and
- (10) the Oklahoma Anti-Discrimination Act.

(b) The OKDHS Director does not discriminate and does not allow OKDHS staff, or OKDHS contractors, vendors, or sub-grantees to discriminate.

(c) The OKDHS Director does not issue and does not allow the issuance of rules, regulations, directives, or other public communications that have the effect of subjecting individuals to discrimination.

340:1-11-1.1. Definitions

The following words and terms when used in this Subchapter, shall have the following meanings unless the context clearly indicates otherwise:

"ADA" means the Americans With Disabilities Act of 1990, per Sections 12101-12117 of Title 42 of the United States Code (42 U.S.C. §§

12101-12117), (SUPP.V.1994) Public Law 101-336.

"Discrimination" means differential treatment, such as conduct, actions, or decisions, based on race, color, national origin, sex, religion, age, disability, genetic information, or political opinion or affiliation unless authorized by law.

"Essential job functions" means the fundamental job duties of an individual position. The term does not include marginal functions of the position. Evidence of the essential job functions are:

- (A) the employer's judgment of the essential job functions;
- (B) a written job description prepared before advertising or interviewing employees or applicants for the position;
- (C) the amount of time spent performing the job functions;
- and
- (D) identified as critical on the employee's performance evaluation.

"Harassment" means unwelcome or offensive behavior based on membership in a protected class that is so severe or pervasive in nature that it alters the conditions of the victim's working environment.

"Protected Activity" means:

- (A) filing a discrimination complaint or a request for reasonable accommodation;
- (B) participating in an investigation or administrative or court hearing regarding a complaint of discrimination; or
- (C) opposing an alleged discriminatory act in a lawful manner.

"Protected Class" means a group of people or an identifying characteristic of people prohibited by law from being used as a basis or motivation for employment actions or program or service delivery or eligibility. Protected classes include race, color, national origin, religion, sex, age, disability, political opinion or affiliation, and genetic information.

340:1-11-4. Administration responsibilities, administration of programs, dissemination of policy, and awareness training

(a) The Oklahoma Human Services (OKDHS) Director assumes full responsibility for compliance, per Oklahoma Administrative Code (OAC)

340:1-11-1.

(b) The OKDHS Director designates a staff member who is knowledgeable of civil rights laws.

(c) The OKDHS Director assigns full compliance responsibility to all OKDHS administrators, managers, and supervisors. The administrators, managers, and supervisors maintain essential records and files, per OAC 340:1-11-1.

(d) Administrators, managers, and supervisors avail themselves of the Office for Civil Rights (OCR) administrator's technical assistance and training. Administrators, managers, and supervisors comply with the Methods of Administration designed and prepared by the OCR administrator.

(e) The OCR administrator is responsible for:

(1) developing rules, regulations, and compliance programs, per OAC 340:1-11-1, and disseminating those requirements to:

(A) staff;

(B) clients;

(C) contractors, vendors, and sub-grantees;

(D) the general public; and

(E) customary referral services; and

(2) developing the Methods of Administration;

(3) keeping the OKDHS Director, administrators, managers, and supervisors informed of nondiscrimination requirements and responsibilities, per OAC 340:1-11-1;

(4) monitoring and evaluating OKDHS nondiscrimination activities, identifying the need for remedial action and appropriate follow-up review, and submitting reports, as required to the OKDHS Director, the Department of Health and Human Services-Office for Civil Rights (DHHS-OCR), and the Food and Nutrition Service (FNS);

(5) providing training and technical assistance, and serving as a resource for OKDHS staff regarding nondiscrimination responsibilities;

(6) assigning OCR personnel to perform compliance reviews and to investigate discrimination complaints;

(7) directing and coordinating Americans with Disabilities Amendments Act compliance inspections of OKDHS facilities and recommending remedial action as necessary when complaints are received;

(8) receiving Request Review Committee appeal decisions;

(9) overseeing investigations of discrimination complaints OCR receives;

(10) acting as the liaison between the OKDHS Director, DHHS-OCR, FNS, minority and community organizations, and groups advocating for persons with disabilities in all matters concerning nondiscrimination in the OKDHS delivery of services; and

(11) testifying in matters concerning civil rights before entities, such as boards, commissions, or legislative panels.

(f) Prior to implementation of any new programs or methods for providing existing services, the OCR administrator, upon request, conducts a study and prepares a report that shows the impact on

minority groups and persons with disabilities, and the accessibility of the services, as proposed, to minority clients or clients with disabilities, both present and prospective.

(g) OKDHS informs staff, clients, applicants, contractors, vendors, sub-grantees, and the general public that programs and services are provided on a nondiscriminatory basis.

(h) The OCR administrator ensures OKDHS staff is provided on-going training designed to ensure awareness of diversity issues and of appropriate responses to minorities and persons with disabilities.

Training includes:

- (1) legal interpretations of anti-discrimination laws;
- (2) compliance review objectives; and
- (3) cultural and disability awareness.

340:1-11-8. Data regarding race, ethnicity, conditions of disability, and limited English proficiency (LEP)

(a) The Department collects and maintains racial, ethnic, conditions of disability, and LEP data showing the extent to which members of these groups are beneficiaries of and participants in its programs.

(b) The data alerts the Department and the OCR administrator of suspect situations where there is a relatively low rate of minorities and disabled persons participating or where these groups do not appear to be receiving equal benefits and services. The OCR administrator uses this data to set investigative priorities.

340:1-11-9. Composition of planning and rulemaking bodies

(a) The Oklahoma Department of Human Services (DHS) provides minority groups and persons with disabilities membership opportunities

on its planning and advisory boards.

(b) DHS ensures contractors, vendors, and sub-grantees are aware of, and comply with the legal stipulations per federal regulations pertaining to the inclusion of minorities and persons with disabilities on planning and advisory boards.

(c) DHS provides interested persons, including persons with disabilities or organizations representing persons with disabilities the opportunity to assist in the self-evaluation of current rules and practices and their effect, per Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and the Americans with Disabilities Act Amendments Act.

340:1-11-10. Interpreter Services Program

(a) The purpose of this Section is to establish a uniform system for processing requests for interpreter services for clients, employees, applicants for services or employment, or children in Oklahoma Department of Human Services (DHS) custody. DHS provides at no charge, interpreter services for DHS clients, applicants, and employees with limited English proficiency (LEP), or who are deaf or hard of hearing to overcome language barriers and provide equal access and equal opportunity to participate in DHS services and employment.

(b) This Section is applicable to all DHS programs and offices.

(c) Arrangements for interpreters are made per (1) and (2).

(1) **LEP or bilingual interpreters.** Each local county office or facility maintains a list of employees and community members who are available to provide translation services. The list designates the translator's name, phone number, and the language spoken. Employees use contracted language translation providers when a local, suitable translator is not available. Friends or family members of clients, especially children, are not used for translating information related to eligibility for services, except in emergency situations. In areas where the client population served by a program is five percent or more non-English speaking, a formalized procedure for bilingual services and literature in the respective language must be provided by DHS.

(2) **Deaf or hard of hearing interpreters.** DHS provides, at no cost, oral or sign language interpreter services to anyone who is deaf and needs an oral or sign language interpreter to receive or continue to receive DHS services, or retain or maintain DHS employment. DHS uses contracted vendors to provide qualified interpreter services statewide for all deaf persons requesting American Sign Language, Manually Coded English, or oral interpretation, except when services are specifically authorized through the Interpreter Services Program of the Oklahoma Department of Rehabilitation Services. Clients or employees may contact local DHS offices to request services. DHS Pub. No. 05-

02, Sign Language Services, posters are placed prominently in DHS offices and facilities.

340:1-11-11. Execution of compliance reviews

(a) Upon request, the Office for Civil Rights administrator develops procedures to analyze and evaluate applications for new facilities with change of ownership and initial applications. The procedures include, but are not limited to:

- (1) initiating an original information packet;
- (2) orienting the facility per Oklahoma Administrative Code (OAC) 340:1-11-1;
- (3) analyzing and evaluating material upon receipt; and
- (4) determining compliance status.

(b) Upon request, the Oklahoma Department of Human Services (DHS) makes periodic compliance reviews to ensure practices being utilized conform with OAC 340:1-11-1 and DHS Methods of Administration and Statement of Compliance.

340:1-11-12. Complaint policy and procedures, retaliation, and confidentiality

(a) Any person or group who believes they were subjected to discrimination in an Oklahoma Human Services (OKDHS) program subject to Oklahoma Administrative Code (OAC) 340:1-11-1 may make a complaint of discrimination in person, by representation, by phone, or by written communication. The complainant has a right to file a complaint of the alleged discriminatory action(s) with OKDHS, the Food and Nutrition Service (FNS), or with the Department of Health and Human Services-Office for Civil Rights (DHHS-OCR).

(b) For Supplemental Nutrition Assistance Program or service-delivery complaints, refer to OAC 340:1-11-20.

(c) Employees or applicants for employment have the right to file a complaint of alleged discriminatory employment action(s) with any or all of the entities listed in (1) through(3) of this subsection. The complainant may file with:

- (1) OKDHS within 180-calendar days. When the complaint is filed directly with OKDHS, at the State Office, a local county office, or at a facility, representatives of that office or facility explain both the federal and state complaint systems and advise the complainant of his or her right to file in either, or both, systems;
- (2) the Oklahoma Attorney General's Office for Civil Rights Enforcement within 180-calendar days; or
- (3) the Equal Employment Opportunity Commission within 300-calendar days.

(d) Any person who expresses an interest in filing a complaint or files a complaint is protected from retaliation.

(e) OKDHS conducts a prompt and thorough complaint investigation. The Office for Civil Rights (OCR) administrator determines if discrimination occurred. When discrimination occurred, OKDHS takes all necessary action to correct the discriminatory practice(s). The complainant is timely advised of OKDHS findings regarding his or her complaint and is advised of the right to appeal to DHHS-OCR, or FNS, when not satisfied with the OKDHS decision. Records are maintained that include the nature of the complaint, the investigation details, and the OKDHS actions taken.

(f) When the complaint is initially filed with DHHS-OCR, that office may investigate the complaint utilizing its own resources.

(g) The complainant's identity is kept confidential, except to the extent necessary to conduct the investigation, hearing, or judicial proceeding. Violations of confidentiality are subject to corrective discipline.

(h) Any applicant or recipient who expresses an interest in filing a complaint or files a complaint may do so without fear of reprisal, intimidation, coercion, or threats. No person is adversely affected because they made a charge, testified, assisted, or participated in any manner in an investigation, review, proceeding, or hearing per this Section.

(i) Information concerning any complaint is only given to persons who have a need to know as determined by the Oklahoma Human Services OKDHS Director or the OCR administrator. Violations of confidentiality are subject to discipline per OKDHS: 2-1-7 Discipline.

340:1-11-13. Determination of site or location of facilities

Oklahoma Department of Human Services (DHS) offices or facilities or those of a DHS vendor contracted for the delivery of services must be physically accessible to all minority groups and persons with disabilities. DHS may withhold approval until requirements per Oklahoma Administrative Code 340:1-11-1 are met by applicants for grants, reimbursements, and provisions of services, based on the criteria in (1) - (4).

(1) The effect on the particular racial, ethnic, or disabled groups served by the facility prior to the proposed relocation is studied.

(2) Where a particular group has no other alternative services available, the contractual participant ensures services for minority and disabled persons.

(3) The relocating agency provides adequate assurance that it does provide services to disabled persons and minorities residing in the community, such as specialty hospitals or other unique service facilities.

(4) The relocating agency provides adequate assurance that the facilities or agencies remaining in the area originally serviced must provide adequate services to the concerned minorities or

disabled group.

340:1-11-14. Oklahoma Department of Human Services (DHS) responsibility to contractors, vendors, and sub-grantees

(a) DHS requires its contractors, vendors, and sub-grantees to comply per Oklahoma Administrative Code (OAC) 340:1-11-1. Contractors, vendors, and sub-grantees are informed that compliance with OAC 340:1-11-1 is a condition of the initial or continued participation in any part of the programs in which they are involved. In each DHS-written authorization for the purchase of services, a requirement is included stipulating the services are rendered without regard to race, color, religion, sex, national origin, or disability, age, or genetic information.

(b) DHS incorporates in its requirements for contractors, vendors, and sub-grantees, a condition of approval, and a written assurance to comply.

(c) DHS obtains from each contractor, vendor, and sub-grantee, written assurance to comply, per OAC 340:1-11-1. Periodically DHS reviews its contractors, vendors, and sub-grantees to determine that DHS requirements are fulfilled and that practices are nondiscriminatory. A complete report of the entire review is prepared and is included in the DHS files for Department of Health and Human Services Office of Civil Rights regional review.

PART 2. SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM DISCRIMINATION COMPLAINT AND NON-COMPLIANCE SYSTEM

340:1-11-20. Purpose and scope

(a) The purpose of this Section is to establish a uniform system for processing discrimination complaints from clients who participate in, or apply for the Supplemental Nutrition Assistance Program (SNAP).

(b) This policy is applicable to Oklahoma Human Services (OKDHS) employees and to any person who may require OKDHS assistance or services.

(1) A copy of the United States Department of Agriculture's "And Justice for All" poster AD-475B, is posted in a conspicuous place in the lobby of each OKDHS office where applications for SNAP may be received.

(2) Copies of Form 14CR001E, Discrimination Complaint Form-Client or Vendor, are available in each OKDHS office and facility for use by any person upon request.

(c) The Office for Civil Rights (OCR) is the delegated authority to accept, investigate, and seek resolution of complaints of discrimination to SNAP applicants or participants. All written or verbal complaints alleging discrimination are forwarded to OCR within five-business days by the OKDHS employee who received the complaint.

(d) Discrimination is prohibited in all aspects of the delivery of SNAP benefits. Prohibited actions include, but are not limited to:

- (1) denial or unreasonable delay of a household's application for any services or benefits based on protected class membership;
- (2) distinction in the quality, quantity, or manner in which the benefits are provided;
- (3) segregation or separate treatment of persons in any manner related to the receipt of program benefits; and
- (4) selection of the site for certification and issuance offices that have the effect of excluding persons.

(e) OKDHS does not condone rudeness or disrespectful behavior toward program applicants, recipients, or the general public.

(f) OKDHS conducts continuing civil rights training for employees involved with SNAP, including workers, hearing officials, performance reporting system reviewers, and receptionists. Training topics include (1) through (6) of this subsection.

- (1) Nondiscrimination requirements relating to eligibility criteria.
- (2) Certification procedures.
- (3) Household rights and responsibilities.
- (4) Complaint procedures.
- (5) Protected classes.
- (6) Theories of discrimination.

PART 3. THE AMERICANS WITH DISABILITIES ACT REQUEST AND COMPLAINT SYSTEM

340:1-11-40. Purpose and scope

(a) The purpose of this Section is to establish a uniform system for processing:

- (1) requests for reasonable accommodation per the Americans with Disabilities Act Amendments Act (ADAAA) from employees, job applicants, or clients; and
- (2) appeals from employees, applicants, or clients regarding a request for reasonable accommodation.

(b) Oklahoma Human Services (OKDHS) employees, OKDHS applicants for OKDHS employment, and clients served by OKDHS have the right to request a reasonable accommodation when a disability causes:

- (1) an employee to be unable to perform an essential function of the position;
- (2) an applicant for employment to need assistance to apply or interview; or
- (3) a client to be unable to access an OKDHS service or program.

(c) Discrimination, including retaliation, against persons exercising rights under the accommodation request procedure is prohibited. Form 14CR003, The Request for Reasonable Accommodation, is available online and in each office and facility upon request.

(d) Examples of reasonable accommodations are found at:
www.askJAN.org.

[Source: Added at 15 Ok Reg 2085, eff 5-20-98 (emergency); Added at 16 Ok Reg 1006, eff 4-26-99 ; Amended at 33 Ok Reg 1560, eff 9-15-16 ; Amended at 40 Ok Reg 917, eff 9-15-23]

340:1-11-41. Reasonable accommodations and undue hardship for Oklahoma Human Services (OKDHS) employees

(a) OKDHS employee requests for reasonable accommodations are resolved at the lowest level possible, on a case-by-case basis, after the Office for Civil Rights (OCR) accepts Form 14CR003E, Request for Reasonable Accommodation, and opens a case. OCR considers Americans with Disabilities Act (ADA) protocol for reasonable accommodation requests, when:

- (1) the employee has a disability;
- (2) the employee is qualified; and
- (3) an effective and reasonable accommodation is available and does not create an undue hardship.

(b) When feasible, an employee makes a request for a reasonable accommodation in writing by submitting Form 14CR003E to the local ADA coordinator. The employee attaches a definitive, narrative medical statement from a medical professional that confirms the employee is disabled per the Americans with Disabilities Act Amendments Act (ADAAA) and specifies the reasonable accommodation(s) needed to perform the essential functions of the position.

(c) The ADA coordinator in OKDHS local county offices is the Adult and Family Services field manager or the Child Welfare Services (CWS) district director in stand-alone CWS offices. In other offices and facilities the ADA coordinator is the person administratively responsible for that location. The local ADA coordinator is familiar with the information contained on the "Requests for Reasonable Accommodation" page located on the OCR page of the OKDHS InfoNet. The local ADA coordinator signs Form 14CR003E, retains a copy, and forwards the original and the medical documentation to the deputy director, division or program director, or designee, who signs the form and retains a copy. Original Form 14CR003E and the medical documentation are immediately forwarded to the OKDHS OCR to open a case and approve the medical statement. Signatures under this subsection of the form serve only to acknowledge the request and do not indicate agreement to provide the accommodation requested or any other accommodation.

(d) When the Form 14CR003E is fully-signed and is forwarded to OCR, and OCR approves the medical statement and opens a case, the local OKDHS office initiates the mandated interactive-process by meeting with the requesting employee one or more times in an attempt to clarify the need for accommodation and to determine what, if any, accommodation is provided. The interactive process may take up to 30-calendar days. At the end of the interactive process the employee is notified in writing of the decision, whether an accommodation is to be provided, and a copy of the notice is sent to OCR. When a decision is not made by the 30th day after OCR opens the case, OCR refers the request to the Request Review Committee (RRC) for a decision.

- (e) Upon receipt of the fully-signed Form 14CR003E and an approved, definitive, narrative medical statement, OCR opens a file and notifies the requesting employee that the local OKDHS office approves or denies the request and of his or her right to appeal the decision. OCR monitors the interactive process and serves as a resource to all parties.
- (f) Accommodations that would result in an undue hardship to OKDHS do not have to be provided. Before making such a determination OCR consults with the regional director, division or program director, or designee.
- (g) Appeals to the RRC are routed through the OKDHS OCR administrator.
- (h) Employees who request a reasonable accommodation have the right to file a written appeal with the RRC when:
- (1) his or her request is denied;
 - (2) a decision is not made by the 30th day of the interactive process; or
 - (3) the accommodation provided is not effective.
- (i) OKDHS is not required to provide a reasonable accommodation when doing so would place an undue hardship on OKDHS in terms of effort or expense.
- (1) For an employment-related accommodation the factors in (A) through (J) of this paragraph are considered with regard to employment.
 - (A) The nature and cost of the accommodation.
 - (B) The overall financial resources of the facility or facilities involved in providing the accommodation.
 - (C) The number of persons employed at the facility.
 - (D) The effect on expenses and resources, or the impact otherwise of the accommodation upon the facility's operation.
 - (E) OKDHS financial resources.
 - (F) The overall size of OKDHS with respect to the number of its employees.
 - (G) The number, type, and location of OKDHS facilities.
 - (H) The type of OKDHS operation or operations, including the composition, structure, and functions of the OKDHS work force.
 - (I) Geographic separateness.
 - (J) The administrative or fiscal relationship of the facility or facilities in question to OKDHS.
 - (2) For a program-related accommodation, the factors in (A) through (D) of this paragraph are considered.
 - (A) The OKDHS resources available for use in the funding and operation of the service, program, or activity.
 - (B) When the accommodation would fundamentally alter the nature of the service, program, or activity.
 - (C) If the accommodation is consistent with providing services in the most integrated setting appropriate to the needs of individuals with disabilities.
 - (D) If an alternative and accessible site is available for the provision of services.

340:1-11-43. Office for Civil Rights (OCR) responsibilities

(a) OCR, as designated by the Oklahoma Human Services (OKDHS) Director, is responsible for coordination, oversight, and implementation of the reasonable accommodation request and appeal process.

(1) OCR continuously evaluates each program, office, and facility to ensure compliance with all current rules, practices, and Americans with Disabilities Act Amendments Act procedures.

(2) OCR receives notification of all accommodation requests and dispositions. After opening a case, OCR monitors each request to ensure the requests are processed timely and contacts the responsible regional director, division or program director, or designee when an accommodation request is not resolved by the end of the 30-calendar day, interactive process.

(3) OCR maintains a record of all requests for reasonable accommodation, and summary information on the numbers, natures, and outcomes of requests filed separately and apart from individual employee personnel files and client case records.

(4) Statistical information concerning request activity is released or reported to interested persons. The Oklahoma Open Records Act governs access to individual records and only those persons with a right of access as provided in the Oklahoma Open Records Act may review an individual request file. OKDHS maintains open record requests per federal and state laws governing record retention and destruction.

(b) All OKDHS employees are responsible for assisting any client who may be in need of reasonable accommodation by referring the client to the local Americans with Disabilities coordinator.

(c) The local ADA coordinator may assist a client in completing Form 14CR003E, Request for Reasonable Accommodation, and then forwards the original form to OCR. The OCR coordinator determines if the request can be resolved locally, and if not, the request is forwarded to the regional director, division or program director, or designee for resolution.

340:1-11-45. Request for accommodation by a job applicant

(a) A job applicant may request a reasonable accommodation for assistance in applying or interviewing for a position by submitting Form 14CR003E, Request for Reasonable Accommodation, either to Oklahoma Department of Human Services (DHS) Human Resources Management (HRM), to the office that posted the opening, or by making a verbal request to either office. When requested, the applicant is responsible for providing medical documentation to confirm the need for the accommodation.

(b) HRM forwards the request and the medical documentation to the hiring division, program, or facility staff who copies the documents and forwards the original form and medical documentation to the Office for Civil Rights (OCR) for medical documentation approval and to open a case.

(c) The hiring division, program, or facility is responsible for determining if any and what accommodation is provided after OCR approves the medical statement and opens a case.

(d) The job applicant is notified in writing, of the decision and a copy of the notice is sent to OCR.

340:2-1-4. Political activity

(a) A state employee may not:

- (1) use his or her position for the purpose of interfering with an election to, or a nomination for, office or affecting the result thereof;
- (2) wear a campaign item, such as a button, hat, or badge during the hours he or she is officially in work status for the agency;
- (3) wear items, such as a uniform, badge, or anything that identifies him or her as a state employee while engaged in

political activity or while campaigning for himself or herself, or any candidate for office;

(4) disseminate, either directly or indirectly, any political commentary, discussion, or advertisement for non-work purposes during the hours he or she is officially in work status for the agency;

(5) campaign for, or on behalf of, any candidate or ballot or election question, during the hours the employee is officially in work status for the agency; or

(6) become a candidate for an elective public office in a partisan election or in which the office has direct or indirect oversight of the agency.

(b) A state employee not directly or indirectly coerce, attempt to coerce, command, or direct any state employee to pay, lend, or contribute any part of his or her salary or compensation, time, effort, or anything else of value to any party, committee, organization, agency, or person for political purposes. Any person convicted of willfully violating the provisions of Section 360 of Title 21 of the Oklahoma Statutes is guilty of a felony and is punished by the imposition of a fine of not more than \$10,000.00 or by imprisonment for not longer than two years, or by both said fine and imprisonment.

(c) Agency positions that are partially federally funded are also subject to provisions of the Hatch Act, Sections 1501 et. seq. of Title 5 of the United States Code. In addition to certain prohibitions listed above in subsection (a), the Hatch Act also prohibits state employees who are in 100 percent federally funded positions from running for election for a partisan office.

(d) Violations of any provision in this Section may result in disciplinary action including, but not limited to, written reprimand, demotion, or termination.

340:2-1-5. Employee benefits

(a) **Benefits.** Oklahoma Human Services (OKDHS) employee benefits include:

(1) a core benefit allowance for the employee's mandatory coverage of:

- (A) health insurance;
- (B) dental insurance;
- (C) basic life insurance; and
- (D) disability insurance;

(2) an increased benefit allowance for the employee's dependents' health, dental, and life insurance coverage;

(3) premium conversion for qualifying insurance benefits, when chosen;

(4) reimbursement accounts, when the employee chooses, for:

- (A) child care and dependent elder care expenses;
- (B) qualifying medical expenses; or
- (C) both; and

(5) retirement benefits through the Oklahoma Public Employees Retirement System (OPERS) or Pathfinders.

(b) Unemployment compensation. OKDHS employees may qualify for unemployment compensation under certain circumstances. When correspondence related to unemployment compensation is received in an OKDHS office, Human Resource Management (HRM) is immediately contacted. HRM serves as the official representative for the unemployment compensation process and, a written response from OKDHS must be postmarked, pursuant to timeframes established by the Oklahoma Employment Security Commission (OESC). When the written response is not submitted timely, OESC determines the eligibility for compensation only from the information provided by the claimant. OKDHS employees, as deemed necessary by HRM, cooperate in the unemployment compensation process to ensure valid benefit determinations.

(c) Eligibility for OKDHS program benefits. Benefits through OKDHS programs are available to OKDHS employees as well as legal dependents, who meet all conditions of eligibility for the specific program for which application is made. The application for benefits, the determination of original eligibility and continuing eligibility, and the delivery of services are handled in the same manner as for any other individual, except that an employee cannot certify himself or herself, relatives, or unrelated persons living in the employee's home.

(d) Other benefits. Other benefits, including deferred compensation, leave, and paid holidays are provided to employees, pursuant to the Oklahoma Personnel Act and OKDHS rules.

340:2-1-6. Investigation of employees accused of abuse or neglect

Oklahoma Human Services (OKDHS) is responsible for receiving and investigating complaints of abuse and neglect. When an OKDHS employee is alleged to have abused or neglected a vulnerable person, special procedures are followed to provide outside accountability and to ensure the employee that an unbiased investigation is completed. These procedures are outlined in Oklahoma Administrative Code 340:75-3-400 and 340:5-1-8(2).

[Source: Added at 22 Ok Reg 1173, eff 6-1-05 ; Revoked at 35 Ok Reg 1559, eff 9-17-18]

340:2-1-8. Employee ethics, duties, conduct and secondary employment

(a) **Employee duties and conduct, secondary employment, prohibition against use of position for personal gain, impartiality, and avoidance of conflicts of interest.** All Oklahoma Human Services (OKDHS) employees are subject to appropriate corrective or disciplinary action if the employee fails to comply with this provision, the Ethics Rules, per Title 74 of the Oklahoma Statutes, or any other statute or regulation regarding employee ethics, duties, and conduct, including but not limited to Section 840-2.8 of Title 74 of the Oklahoma Statutes (74 O.S. § 840-2.8), Oklahoma Administrative Code (OAC) 260:25-11-91, and OAC 260:130-19-50.

(b) **Work hours.** During work hours, every employee devotes full time and attention to OKDHS business. An employee may not use:

- (1) work hours for private gain, including but not limited to, activities involved in a business enterprise, secondary employment, or self-employment; nor
- (2) paid work time, state offices, phones, supplies, and or equipment to further the programs or activities of private, non-profit organizations, even when the private organization's objectives are compatible with those of OKDHS. Exceptions may occur as authorized by the division director and only for activities in which OKDHS can legitimately expend agency dollars, such as when OKDHS is a member of an organization or in situations where OKDHS has responsibility as a member of a board or commission by law or by appointment of the executive or legislative branch of government.

(c) **Conflicts of interest and impartiality.** An OKDHS employee avoids actual and perceived conflicts of interest. An OKDHS employee must inform his or her supervisors about, and be recused from, participation in any matter that would reasonably bring the employee's impartiality into question. Employees, specifically including local administrators or higher, and other decision makers, are strongly encouraged to consult with Legal Services for advice on determining any potential conflict of interest or impartiality concern. OKDHS has the sole authority to make conflicts of interest and impartiality determinations, and there is not a right to appeal or further contest such determinations.

(d) **Secondary employment.** An employee may accept other employment outside of his or her OKDHS regular work hours, provided such employment is approved in advance and does not create a conflict of interest, whether actual or perceived, regarding work for OKDHS.

(1) If the requested secondary employment does not create a conflict of interest, prior written approval is needed from both the immediate supervisor and local administrator or regional deputy director.

(2) If the requested secondary employment creates a conflict of interest, prior written approval is needed from all the following:

- (A) immediate supervisor;
- (B) local administrator or regional deputy director; and

(C) division director or higher senior administrator. The senior administrator is either the OKDHS Director or deputy director.

(3) An OKDHS employee may not be employed by another governmental agency or entity, any provider or vendor contracting with OKDHS, or any entity licensed or regulated by OKDHS without the prior written approval of the employee's division director or a senior administrator.

(e) **Related employees.** Placement in a position that results in relatives, members of the same household, or comparably situated persons occupying positions within the same division must be approved in writing by the OKDHS Director . OKDHS may make placements and work assignments of personnel as necessary to eliminate or prevent situations of this nature. Relative is defined as spouse, child, parent, stepparent, parent-in-law, grandchild, grandparent, brother, sister, stepchild, brother-in-law, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, first cousin, or foster relationship. OKDHS policy prohibits, unless waived by the OKDHS Director or designee, the employment of any person in a position that results in:

- (1) immediate supervision by a relative, a member of the employee's household, or a comparably situated person. ;
- (2) placement in a position, as a second level reviewing supervisor, within a relative's line of authority or chain of command; or
- (3) two or more relatives reporting to the same immediate supervisor.

(f) **Processing applications for OKDHS benefits or services for an employee's relatives, persons living in the employee's home, or any other person with whom the employee has a personal relationship.** Employees perform their duties in a manner that maintains impartiality, per subsection (c) of this Section.

- (1) An employee may not:
 - (A) process, certify, or approve an application for benefits, payments, or services for any:
 - (i) relative as defined in subsection (e) of this Section;
 - (ii) unrelated person living in the employee's household. This includes a relationship to a relative that is terminated by death, divorce, or other reasons; or
 - (iii) person with whom the employee has an existing off-duty personal relationship; nor
 - (B) act as an authorized representative for clients receiving OKDHS program benefits without the specific written approval of the local administrator after a determination is made that no one else is available to serve.

(2) In offices with limited staff, it may be necessary for an employee to take an application for a person(s) listed in subsection (f)(1) of this Section; however, he or she cannot certify the person(s) for benefits, payments, or services.

(g) **Client relationships.** OKDHS employees assist clients in developing independence and self-sufficiency while recognizing their rights. A client is defined as a program applicant, recipient, patient, and any other person receiving or making application for OKDHS services. Clients' rights include, but are not limited to:

- (1) privacy and the expectation that information obtained by OKDHS employees in the course of their duties is held confidential;
- (2) treatment that conveys dignity, respect, courtesy, fairness, and good faith;
- (3) expectation of high standards of personal conduct from OKDHS employees. OKDHS employees are prohibited from:
 - (A) using their positions to form personal relationships with clients;
 - (B) exploiting the trust and dependency of clients or engaging in any activity that is, or is perceived to be, an exploitation of the client relationship. Examples of prohibited activities include, but are not limited to:
 - (i) taking clients on overnight trips, unless such overnight outings are officially arranged and authorized by OKDHS supervisory or administrative staff;
 - (ii) extending or accepting social invitations to or from clients;
 - (iii) engaging in sexual intimacies with clients;
 - (iv) encouraging clients to engage in illegal activities, including use or possession of illicit drugs;
 - (v) giving or accepting gifts from clients, or exchanging or suggesting the exchange of any goods or services of value, unless specifically authorized by rules or appropriate supervisory personnel; or
 - (vi) making home visits or other client contacts outside the scope of employment and job duties;
- and
- (4) freedom from discrimination on the basis of race, gender, age, color, creed, national origin, religion, or disability;
- (5) freedom from harassment, including sexual harassment; and
- (6) freedom from interference by OKDHS employees regarding matters of individual belief or faith.

PART 4. ALCOHOL AND DRUG TESTING POLICY APPLICABLE TO OKLAHOMA HUMAN SERVICES APPLICANTS

340:2-1-40. Purpose

The purpose of this Section is to inform applicants on Oklahoma Human Services expectations regarding drugs or alcohol in the workplace.

[Source: Added at 18 Ok Reg 146, eff 11-2-00 (emergency); Added at 18 Ok Reg 1184, eff 5-11-01 ; Amended at 23 Ok Reg 2644, eff 9-1-06 ; Amended at 38 Ok Reg 2095, eff 9-15-21]

340:2-1-41. Drug and alcohol free workplace

(a) **Purpose.** Oklahoma Human Services (OKDHS) is a drug- and alcohol-free workplace. All OKDHS employees are prohibited from unlawfully manufacturing, distributing, dispensing, possessing, using, or being under the influence of a controlled substance or alcohol during scheduled work hours; while operating a state vehicle; on state property; or at his or her workplace.

(b) **Definitions.** The following words and terms when used in this Part shall have the following meaning unless the context clearly indicates otherwise:

(1) **"Alcohol"** means and includes hydrated oxide of ethyl, ethyl alcohol, ethanol, or spirits of wine, per Section 1-103 of Title 37A of the Oklahoma Statutes.

(2) **"Applicant"** means any person making application for initial hire, reinstatement, or transfer from a state agency for any position within OKDHS.

(3) **"Conditional offer of employment"** means an offer made to an applicant for employment with OKDHS, conditioned upon successful completion of a drug test prior to the start of employment.

(4) **"Controlled substance"** means substances listed in Schedule I through V of Section 812 of Title 21 of the United States Code, and as further defined by applicable federal and state regulations. Controlled substances include, but are not limited to, marijuana, including marijuana consumed or possessed with a medical marijuana license; cocaine; opiates; phencyclidine (PCP); and amphetamines.

(5) **"Drug"** means any controlled substance approved for hair or urine testing by the Oklahoma State Department of Health, including amphetamines, cannabinoids, cocaine, PCP, hallucinogens, methaqualone, opiates, barbiturates, benzodiazepines, synthetic narcotics, designer drugs, or a metabolite of any of these substances.

340:2-1-44. Alcohol and drug testing

(a) All Oklahoma Human Services (OKDHS) applicants for employment are subject to testing for alcohol or drug use. OKDHS may require an applicant to submit and pass a drug screening as a conditional offer of employment.

(b) OKDHS may utilize any testing facility licensed by the State Board of Health, per Section 557 of Title 40 of the Oklahoma Statutes (40 O.S. § 557). Refusal to undergo testing as a condition of employment or a positive test result may result in a rescission of the employment offer.

(c) A small number of applicants fall under United States Department of Transportation (U.S. DOT) regulations for alcohol and drug testing, specifically Controlled Substance Testing, per Section 391.81 et seq. of Title 49 of the Code of Federal Regulations (49 C.F.R. §§ 391.81 et seq.), Procedures for Transportation Workplace Drug Testing Programs (49 C.F.R. §§ 40.1 et seq.), and other applicable federal statutes and regulations. Applicants are tested according to the U.S. Department of Transportation regulations.

PART 5. ADMINISTRATIVE PROCEDURES

340:2-1-55. Individual personnel records

A local personnel file is set up in each office. Documentation in the file includes, but is not limited to, official communications, training records, performance evaluations, supervisory memoranda, and similar material relating to the employee. The divisions and units housed at Oklahoma Department of Human Services (DHS) State Office building may instead use the records maintained by Human Resource Management. The employee and any individual in the line of authority above the employee may review the employee's personnel file either in the local office or in the state office. Local administrators or selecting officials may review personnel files for employees who are seeking assignment within their offices. Other DHS officials may review an employee personnel file when there is an administrative need. Any other requests to review employee personnel files are handled per and are subject to the limitations of the Oklahoma Open Records Act and the Oklahoma Discovery Code. Section 840-2.11 of Title 74 of the Oklahoma Statutes prohibits public inspection or disclosure of state employees' home addresses, phone numbers, and Social Security numbers.

340:2-1-56. Criminal history background checks

(a) Criminal history background checks are completed for all employees prior to, and when necessary, during their employment when the scope of employment brings them into direct contact with any vulnerable population, per Section 162 of Title 56 of the Oklahoma Statutes (56 O.S. § 162). The job categories within Oklahoma Human Services (OKDHS) subject to background searches prior to employment are determined at the discretion of the OKDHS Director. Criminal history background checks can include, but are not limited to, a search of:

- (1) the Oklahoma State Courts Network, including Oklahoma District Court records;
- (2) the Restricted Registry maintained by OKDHS, per 10 O.S. § 405.3;
- (3) the Department of Corrections files maintained by OKDHS, per the Sex Offender Registration Act, 56 O.S. § 404.1 and 56 O.S. § 162(C)(1);
- (4) the Oklahoma Department of Corrections Violent Offender Registry, also known as the Mary Rippe Violent Crime Offender Registry;
- (5) DHS abuse and neglect records;
- (6) all applicable out-of-state child abuse and neglect registries when the subject of the search did not live in Oklahoma continuously for the past five years; and
- (7) the Community Services Worker Registry, per 56 O.S. § 1025.3.

(b) Applicants for positions requiring criminal history background checks are advised any offer of employment is conditional upon completion of a background check that reveals no disqualifying history.

340:2-1-58. Reduced services and temporary office or facility closures

(a) **Reduction of services due to hazardous weather conditions.**
Based on authorization received from the appropriate authority,

Oklahoma Human Services (OKDHS) may temporarily close or reduce services during hazardous weather conditions, per Oklahoma Administrative Code 260:25-15-70 and 260:25-15-71, as well as clarification from the Office of Management and Enterprise Services Human Capital Management Division (HCM) Memorandum 16-01.

(1) OKDHS is responsible for maintaining its essential functions regardless of weather conditions.

(2) Services provided by OKDHS hot lines, institutions, shelters, and other residential care facilities are not reduced during hazardous weather conditions.

(3) The Commissioner of Public Safety is the appropriate authority for agencies and offices within the seven-county region of the Oklahoma City metropolitan area, which consists of Canadian, Cleveland, Lincoln, Logan, McClain, Oklahoma, and Pottawatomie Counties.

(4) The OKDHS Director or designee is the appropriate authority for OKDHS offices outside the seven-county region of the Oklahoma City metropolitan area.

(b) Temporary office closings.

(1) An OKDHS office may be temporarily closed because of an imminent peril threatening public health, safety, or welfare.

(2) An OKDHS office may be temporarily closed because of staff's inability to perform the essential functions of their jobs.

(3) The OKDHS Director or designee is the appropriate authority for OKDHS temporary office closures.

340:2-1-59. Conducting background checks and utilizing Oklahoma Human Services (OKDHS) records of abuse, neglect, and exploitation for OKDHS investigations

(a) Authorization.

(1) Per Section 162 of Title 56 of the Oklahoma Statutes (56 O.S. §162(C)(1) and Section 162 of Title 56 of the Oklahoma Statutes (56 O.S. §162(C)(2), the Director has determined an individual seeking any position of employment or who is currently employed by Oklahoma Human Services (OKDHS) may be subjected to a background check. Any results of a background check are considered when determining an individual's pending or continued employment with OKDHS.

(2) Per 56 O.S. § 162(C)(2), the Director has determined a search of OKDHS records, as defined in subsection (d), may be conducted on any individual employed with or who may be potentially employed with the following programs:

(A) Child Welfare Services (CWS);

(B) Developmental Disabilities Services (DDS);

(C) Adult and Family Services;

(D) Community Living, Aging, and Protective Services (CAP);

- (E) Child Care Services;
- (F) Office of the Inspector General (OIG); or
- (G) Office of Client Advocacy.

(b) **Definitions.** The following words and terms, when used in this Section, have the following meanings, unless the context clearly indicates otherwise:

- (1) **"Background check"** means searching available public record databases for purposes of assessing whether to initiate or continue an individual's employment with OKDHS.
- (2) **"Investigation"** means reviews of both potential and current employees for any acts that are in violation of a statute, rule, or policy related to a vulnerable population or acts that could be associated with criminal activity or potentially disqualify an individual from becoming an OKDHS employee or continuing employment with OKDHS.
- (3) **"Record"** or **"records"** means any OKDHS record, whether or not containing confidential information, related to a determination by OKDHS, whether substantiated or unsubstantiated, that an employee or potential employee subjected any member of a vulnerable population to abuse, neglect, or exploitation.
- (4) **"Vulnerable population"** means any individual or group, whether comprised of children or adults, that OKDHS is responsible for protecting, ensuring the welfare of, guarding, or investigating allegations of abuse, neglect, or exploitation.

(c) **Background checks.** A background check includes, but is not limited to, searching and reviewing:

- (1) the Oklahoma State Courts Network and Oklahoma District Court records;
- (2) the Restricted Registry maintained by OKDHS;
- (3) the Department of Corrections files pursuant to the Sex Offender Registration Act and the Violent Offender Registry;
- (4) all applicable out-of-state child abuse and neglect registries if the potential or current employee has not lived continuously in Oklahoma for the past five years;
- (5) the Community Services Worker Registry maintained by OKDHS; and
- (6) a fingerprint-based national criminal history record check.

(d) **Access to, review of, and utilization of OKDHS records.**

- (1) Any record is to be accessed and used solely for the purpose of:
 - (A) assisting in the investigative efforts of the OKDHS OIG;
 - (B) assessing whether an employee is authorized or permitted to work or interact with a vulnerable population in the course and scope of their employment; or
 - (C) determining whether an individual begins or, for purposes of disciplinary action, continues employment with OKDHS.

- (2) Subject to an assessment of relevancy, any records involving the potential or current employee, including records associated with members of the potential or current employee's household or

immediate family, may be accessed, reviewed, and utilized pursuant to this Section.

(3) Any and all records, including any work product and other documentation created in the course and scope of an individual's employment with OKDHS, may be accessed, reviewed, and utilized pursuant to this Section.

(4) Records relating to any complaint about the potential or current employee's actions or inaction may be accessed, reviewed, and utilized pursuant to this Section.

(5) The relevancy of records is considered on a case-by-case basis and is jointly determined by both Human Resource Management (HRM) and the program responsible for maintaining the record with consultation, as needed, involving OIG and OKDHS Legal Services (LS).

(6) Relevant acts contained in any record include, but are not limited to:

(A) being the alleged perpetrator of abuse, neglect, or exploitation involving a vulnerable population, including complaints of failing to supervise or protect;

(B) failing to cooperate in an investigation conducted by OKDHS or other law enforcement agencies;

(C) failing to follow laws, rules, and regulations that pertain to the conduct of an investigation related to a vulnerable population; or

(D) failing to report suspected abuse, neglect, or exploitation of a vulnerable population.

(7) Dissemination of the records outside of the program responsible for maintaining the records is limited to only the individuals who are directly involved in conducting the investigation or background check, including any consultation with LS. Records do not need to be redacted for purposes of the investigation or background checks, but are, to the extent possible, labeled as confidential when disseminated outside of the program responsible for maintaining the records. Records are not saved in any personnel file and all copies sent to HRM for purposes of the employment investigation or background check are securely destroyed, per OKDHS:2-21-57.

(e) **Records remain confidential pursuant to applicable law.** The use of any records pursuant to this Section does not invalidate or in any way compromise other legal protection or regulation of those records including, but not limited to, the confidentiality of records involving CWS, CAP, or DDS.

PART 7. RECRUITMENT, SELECTION, AND PLACEMENT POLICY AND PROCEDURES

340:2-1-75. Equal opportunity employment

(a) The Oklahoma Department of Human Services (DHS) is an equal opportunity employer and has as its employment goal the recruitment, selection, and placement of persons most likely to become productive, motivated employees. To accomplish this goal, procedures designed to meet the hiring process objectives include:

- (1) recruiting qualified applicants with the general knowledge, skills, and abilities to perform the variety of work available in DHS;
- (2) selecting persons who meet minimum qualifications and can perform the essential functions and who are or will become successful employees of DHS;
- (3) placing employees in positions suited to their qualifications where they are successful in providing a variety of services to the citizens of Oklahoma;
- (4) ensuring all employment decisions are based on job-related qualifications and consistent with applicable laws, rules, policies, procedures, and regulations governing such actions; and
- (5) providing DHS employees opportunities for career development and advancement.

(b) DHS employment policies and practices do not discriminate against employees or applicants for employment because of race, creed, color, religion, sex, age, national origin, disability, or political affiliation or opinion. DHS takes affirmative action to ensure applicants and employees are treated in a non-discriminatory way. Such employment actions include, but are not limited to, hiring, promotion, demotion, transfer, recruitment, recruitment advertising, layoff, termination, rates of pay, or other forms of compensation, and selection for training.

(c) The rules in this Part apply throughout DHS, except where a separate rule is issued, or a pilot is being tested, per Oklahoma Administrative Code 340:2-1-76(9).

SUBCHAPTER 4. OFFICE OF THE PUBLIC GUARDIAN

340:2-4-1. Purpose, legal basis, and definitions

(a) **Purpose.** The Oklahoma Department of Human Services (DHS) Office of the Public Guardian provides guardianship services throughout Oklahoma to criminal defendants, who are deemed incompetent to stand trial due to intellectual disability, per Section 1408 of Title 10 of the Oklahoma Statutes (10 O.S. § 1408), and were found by the Court to be dangerous, per 22 O.S. § 1175.1. The DHS Office of the Public Guardian must place wards in the least restrictive placement, which ensure appropriate levels of supervision and supports, sufficient to keep the ward and public safe.

(b) **Legal basis.** Statutory authority for the DHS Office of the Public Guardian is derived from 22 O.S. § 1175.6b.

(c) The following words and terms, when used in this Subchapter shall have the following meanings unless the context clearly indicates otherwise:

(1) **"Court"** means the district court assigned to hear criminal matters in the jurisdiction where the crime was committed and the ward was charged.

(2) **"Public guardian"** means the attorney who is the DHS administrator of the Office of the Public Guardian.

(3) **"Ward"** means a person placed in the custody of the DHS Office of the Public Guardian by court order, per requisite statutory requirements.

[Source: Added at 37 Ok Reg 1743, eff 9-15-20]

340:2-4-3. Ward placement requirements

(a) **Placement requirements.** To place a ward into the Oklahoma Department of Human Services (DHS) Office of the Public Guardian, he or she must be:

(1) a defendant in a criminal matter, misdemeanor or felony, in any Oklahoma district court;

(2) found incompetent to stand trial in a criminal matter due to intellectual disability, per Section 1408 of Title 10 of the Oklahoma Statutes (10 O.S. § 1408); and

(3) deemed dangerous by the court, per 22 O.S. § 1175.1.

(b) **Ward placement procedure.** When a valid order placing an individual in the custody of the DHS Office of the Public Guardian is received by DHS Legal Services (LS), LS forwards the order and all information on him or her to the Office of the Public Guardian.

(1) When the Office of the Public Guardian receives the information from LS, Office of the Public Guardian staff meets with Developmental Disabilities Services (DDS) staff to begin the evaluation process to determine what level of DDS placement best meets his or her service and supervision needs. Office of the Public Guardian staff accompanies DDS intake staff for the initial

assessment, when possible.

(2) Ward placement is at the Office of the Public Guardian's sole discretion, per 22 O.S. 1175.6b(A)(2). All placements must be made within six months of the date of the order placing the ward in the custody of the Office of the Public Guardian.

(3) Any extension past the six months must be approved by the court.

(c) **Public guardian status reports.** The Office of the Public Guardian reports to the court of jurisdiction at least once every six months. The information for these reports are obtained from the individual's DDS case manager and include:

- (1) the placement type;
- (2) the services provided;
- (3) the supervision level;
- (4) his or her medical and psychological health;
- (5) if he or she would be dangerous if conditionally released into a non-secure environment;
- (6) the assistance and services that are required for such conditional release and if he or she has achieved competency; and
- (7) other information the Office of the Public Guardian deems important or pertinent.

(d) **Conditional Release.** When a criminal defendant is found incompetent to stand trial due to intellectual disability, per 10 O.S. § 1408, and is deemed not dangerous, per 22 O.S. § 1175.1, he or she may be referred to DHS for consideration of voluntary assistance or conditional release.

(e) **Procedure.** When a valid order for conditional release is entered and received by DHS LS, the order and information pertaining to the individual is forwarded to the Office of the Public Guardian.

(f) **Public guardian role.** When a conditional release individual is in a DDS placement or receives DDS services, the Office of the Public Guardian assists the individual's personal support team, when necessary, regarding the conditional release order or requests to modify orders.

(g) **Conditional release status reports.** The Office of the Public Guardian submits annual reports regarding an individual's compliance with the conditions of release and overall progress. When the individual receives DDS services, the information is obtained from the DDS case manager and, when he or she is in any other placement, the information is obtained from the person responsible for the individual's care. When there are major non-compliances between annual reports, the Office of the Public Guardian notifies the court of jurisdiction.

[Source: Added at 37 Ok Reg 1743, eff 9-15-20]

340:2-4-5. Ward removed from public guardianship

(a) **Regaining competency.** When the Office of the Public Guardian determines a ward has regained competency, the Office of the Public Guardian notifies the court of jurisdiction.

(b) **Conditional Release.** When the Office of the Public Guardian determines a ward is no longer dangerous and release to a private

guardian or other caretaker is appropriate, the Office of the Public Guardian notifies the court of jurisdiction.

(c) **Case dismissal by court.** When the court of jurisdiction dismisses the underlying charges, the Office of the Public Guardian no longer has jurisdiction or guardianship of the individual.

PART 3. FAIR HEARINGS FOR TITLE III OLDER AMERICANS ACT AND 16(B)2 INTERMODAL SURFACE TRANSPORTATION ACT PROGRAMS

340:2-5-40. General provisions

The Department provides an opportunity for a hearing to any prospective or existing Title III or 16(B)2 grantee when an application for funding is denied, when a grant is suspended or terminated prior to the end of an approved budget year, or when designation as a planning and service area or Area Agency on Aging has been denied. A request for hearing is a clearly written expression by the grantee/applicant (or authorized representative) of the grantee/applicant's desire to present testimony and evidence regarding any adverse action by the Department or Area Agency on Aging, and be informed through testimony and other evidence, of the basis for the action on the part of the Aging Services Division or Area Agency on Aging. All requests for hearing must be in writing and must be submitted to the Aging Services Division (ASD) within 30 days of notification of adverse action by the ASD, or within 30 days of notification of an adverse appeal decision by an Area Agency on Aging.

[Source: Added eff 12-14-93 (emergency); Added eff 6-13-94]

340:2-5-41. Purpose

The primary purposes of fair hearings are to:

- (1) Safeguard the rights and interests of the grantee/applicant;
- (2) Afford protection to the grantee/applicant against infractions on the part of the Department (Aging Services Division) or the Area Agency on Aging; and
- (3) Help identify the need for clarification or revision of the policy or practice of the Department (Aging Services Division) or the Area Agency on Aging.

[Source: Added at 11 Ok Reg 807, eff 12-14-93 (emergency); Added at 11 Ok Reg 2653, eff 6-13-94]

340:2-5-42. Definitions

The following words and terms, when used in this Part, shall have the following meaning, unless the context clearly indicates otherwise:

"Adverse action" means:

- (A) Denial of application for funding;
- (B) Suspension or termination of funding prior to the end of an approved budget year; or
- (C) Denial of designation as a planning and service area or Area Agency on Aging.

"Appeals Committee" means the following staff members, appointed by the State Director of Human Services:

- (A) General counsel;
- (B) Supervisor of the Appeals Unit; and
- (C) Programs Administrator of the Special Unit on Aging.

"Appeals Unit" means the unit established within the Department responsible for:

- (A) Scheduling the time and place of the hearing;
- (B) Conducting the hearing;
- (C) Electronically recording the hearing;
- (D) Preparing the Hearing Officer's Summary; and
- (E) Preparing the decision letter.

"Grantee/applicant complaint" means a grantee/applicant's expressed belief that proper consideration has not been given to circumstances surrounding grant/application process. A grantee or applicant's complaint can be expressed orally, in correspondence, or by authorizing another entity to advise the Department of the grievance. A complaint may be addressed to the grantee/applicant's satisfaction without resorting to the formal hearing process or it may result in the grantee or applicant's request for a hearing.

"Official report (record)" means the information that will be made available to the appellant, upon request, at a reasonable time and place and consists of:

- (A) The administrative hearing officer's summary which contains the substance of what transpired in the hearing unless oral proceedings are transcribed;
- (B) All written evidence filed in the hearing;
- (C) A verbatim recording of the hearing; and
- (D) The resulting decision of the appeals process.

340:2-5-43. Legal authority

Title 42 U.S.C. Section 3027(a)(5) provides for granting a hearing before the Department for Title III Older Americans Act grantees or applicants. In order for a grantee or applicant to be able to exercise this right, the State Agency (Aging Services Division) or the Area Agency on Aging, is responsible for informing, in writing, each grantee or applicant at the time of application for funding of the right to a hearing. This is done in conjunction with the Request for Proposal process at the State and Area Agency on Aging level.

[Source: Added at 11 Ok Reg 807, eff 12-14-93 (emergency); Added at 11 Ok Reg 2653, eff 6-13-94]

340:2-5-44. Procedures relating to grantee hearings

(a) **General provisions.** The rules in this Section apply to any hearing to be scheduled by the Appeals Unit, and voted on by the Appeals Committee. Once the grantee/applicant has requested a hearing before the Department, the hearing is not delayed or cancelled for any reason other than:

- (1) Withdrawal, in writing;
- (2) Abandonment of the request by the grantee; or
- (3) Evidence by the grantee of good cause for delay of the hearing (see (f)(1)(F) of this Section for good cause).

(b) **Request for a hearing.** The Aging Services Division or the Area Agency on Aging is responsible for assisting the grantee/applicant in completing OAC 340:2 Appendix G, Request for Fair Hearing, after the written request is received. The Appendix G is signed by the grantee/applicant. The Aging Services Division is responsible for transmitting the OAC 340:2 Appendix G to the Appeals Unit not later than the first working day following the date of the grantee/applicant's signature.

(c) **Hearing officers.** The professional staff member of the Appeals Unit who conducts a fair hearing is a person who has not had a part in the protested decision. This person is one who has been designated by the State Director to conduct the fair hearing and may either be an Administrative Hearing Officer (AHO) or an Administrative Law Judge (ALJ). The AHO or ALJ is responsible for preparing a written summary of the testimony and written evidence presented in the hearing for presentation to the Appeals Committee.

- (1) If the ALJ or AHO who conducts the hearing concludes that the Department (Aging Services Division) or the Area Agency on Aging acted correctly in taking the adverse action, a decision letter will be issued within 90 days of the appellant's written request for a hearing.
- (2) The following situations will be addressed by the ALJ or AHO:
 - (A) Requests for hearing will be dismissed if not submitted by the appellant within 30 days of the notice of adverse action.
 - (B) If the appellant or authorized representative fails to establish "good cause" for failure to appear (see (f)(1)(F) of this Section), the AHO/ALJ will issue a decision letter

dismissing appellant's request for hearing and upholding the original decision of the Aging Services Division or Area Agency on Aging.

(C) If the appellant or authorized representative files a request for a hearing and subsequently files a written withdrawal before a final decision is rendered, the request for hearing is dismissed.

(D) At the pre-hearing conference or hearing, the AHO/ALJ may determine that additional evidence is needed before a decision can be made. If so, the AHO/ALJ may continue the hearing or remand the case to the Aging Services Division or affected Area Agency on Aging for reconsideration or inclusion of additional evidence before proceeding with the hearing.

(d) Responsibilities of Aging Services Division or affected Area Agency on Aging.

The Aging Services Division or the affected Area Agency on Aging shall be responsible for assisting the appellant with whatever help is needed/wanted in requesting a fair hearing from the Department. Further, the Aging Services Division or the affected Area Agency on Aging shall:

(1) Prepare a written summary of the adverse action in question to include:

(A) Type of decision or action on the part of the Aging Services Division or the Area Agency on Aging;

(B) Nature of appellant's complaint;

(C) Point at issue - exactly what the grantee or applicant is appealing;

(D) Chronological summary of pertinent events and evidence leading to the action;

(E) Verbatim quotations from the State Title III Policies and Procedures Manual, the Area Agency on Aging Title III Policies and Procedures Manual, or the 16(B)2 Policies and Procedures Manual, as appropriate, regarding the policy on which the adverse action was based; and

(F) Evidence and pertinent documents supporting the action of the Department (Aging Services Division) or the Area Agency on Aging.

(2) Provide a copy of the summary to the appellant and the hearing officer at least eight days prior to the scheduled hearing; and

(3) Notify the appellant, in writing, of the following procedures relating to the hearing:

(A) That the request for hearing received by the Department (Aging Services Division) or the Area Agency on Aging will be sent to the Appeals Unit and that the Appeals Unit will mail a letter to the appellant outlining the date, time and place of the hearing;

(B) That prior to the scheduled hearing, the appellant will receive a copy of the Aging Services Division's or the Area Agency on Aging's written summary regarding the adverse action in question, as well as documents and records the

Department (Aging Services Division) or Area Agency on Aging will present at the hearing;

(C) That testimony given by the appellant, the appellant's witnesses, and the Department (Aging Services Division) or Area Agency on Aging will be taken by a hearing officer from the Appeals Unit of the Department;

(D) That a recording of the testimony will be made; and

(E) That the appellant will receive a written decision from the Appeals Unit.

(e) **Withdrawal of request for hearing.** If at any time following the formal request for a hearing, the appellant decides to withdraw the request for hearing, the Department (Aging Services Division) or the Area Agency on Aging shall advise the grantee or applicant of their responsibility to submit their withdrawal in writing to the Department (Aging Services Division) or the affected Area Agency on Aging, as appropriate. It will be the responsibility of the Department (Aging Services Division) or the Area Agency on Aging to receive the written withdrawal and to submit the withdrawal to the Appeals Unit of the Department within one working day of receipt. If the appellant refuses to submit the withdrawal of request for hearing in writing, the Aging Services Division or the Area Agency on Aging, as appropriate, shall prepare a memo outlining the reason(s) for the appellant's refusal to submit a written withdrawal and submit the memo to the Appeals Unit of the Department. In such instances, the Appeals Unit will advise the appellant by letter of the Department's action.

(f) **Scheduling of the hearing.** Upon receipt of OAC 340:2 Appendix G, Request for Fair Hearing, by the Appeals Unit, the request is registered and the Appeals Unit supervisor assigns the request to a hearing officer within the unit and sets a date for the hearing. The Unit then mails the appellant an appointment letter (Form H-S-6). Copies of this notification are routed to the Aging Services Division and the affected Area Agency on Aging, as appropriate. The notification is mailed not less than eight days prior to the date set for the hearing. The following procedures are followed related to the appellant's notification of the hearing:

(1) The letter to the appellant from the Appeals Unit includes:

(A) The name of the hearing officer who will conduct the hearing;

(B) The date, time, and location of the hearing;

(C) A request that the appellant have ready at the time of the hearing any evidence the appellant wishes to present;

(D) A statement of the appellant's right to have witnesses attend the hearing to give testimony;

(E) A statement of the appellant's (or the appellant's authorized representative) right to access all documents and records to be used by the agency at the hearing at a reasonable time prior to the date of the hearing, as well as during the hearing.

(F) A statement that failure to appear at the scheduled hearing without "good cause" will result in dismissal of the hearing request. Good cause may be established for any of the following reasons:

- (i) Death in the family of any individual considered by the appellant to be critical to the hearing process, e.g., the project director, board chairman, legal representative;
- (ii) Personal injury or illness of any individual critical to the hearing process which reasonably prevents such individual from attending the hearing;
- (iii) Court subpoena; or
- (iv) Sudden and unexpected emergencies.

(G) An explanation of how consideration of "good cause" can be requested; and

(H) An invitation for the individual to raise any questions regarding the information in the letter with the name, address, and telephone number of the Aging Services Division or the Area Agency on Aging responsible for the action being appealed.

(2) The Aging Services Division or affected Area Agency on Aging submits its written testimony to the Appeals Unit which is entered into the official record of the hearing;

(g) **Conduct of hearing.** All hearings scheduled by the Appeals Unit are conducted by one of the hearing officers assigned to that unit. The hearing is closed to the public. Persons permitted to attend the hearing in addition to the hearing officer, representatives of the appellant grantee/applicant, Aging Services Division staff and/or affected Area Agency on Aging staff, are those persons invited by these parties or authorized by the State Director as representatives or witnesses. The hearing proceedings include:

(1) A pre-hearing conference conducted by the hearing officer prior to the formal beginning of each hearing of record. The purpose of the pre-hearing conference is to organize the hearing process. It provides an opportunity for all parties to identify witnesses, identify all exhibits including those exhibits brought to the hearing. (All witnesses and exhibits introduced during the pre-hearing conference are to be specifically identified on the record during the actual hearing.)

(2) An oath administered by the hearing officer to the appellant, representatives of the appellant, the State Agency on Aging staff (or to Area Agency on Aging staff, as appropriate), and to witnesses. (The form used for the oath consists of: "Do you solemnly swear (or affirm) that the evidence you give in this case will be the truth, the whole truth, and nothing but the truth.")

(3) In hearings in which a party is assisted by an interpreter, an oath administered by the hearing officer to the interpreter. (The form used for the oath consists of: "Do you solemnly swear (or affirm) that you will truthfully translate from English into (state the other language) the questions about to be asked, and from (state the other language) into English the answers about to be given in the case to the best of your ability.")

(h) **Recording of the hearing proceedings.** The hearing officer is responsible for arranging for a verbatim record of the proceedings of the

hearing. The hearing officer's record of the hearing is the official record. However, a representative of the appellant can provide his/her own recording device for use during the hearing, if desired. Any party may request a copy of the tape recording of their administrative hearing. The record of the hearing shall include but shall not be limited to:

- (1) All pleadings, motions, and intermediate rulings;
- (2) Evidence received or considered;
- (3) Any decision, opinion, or report by the hearing officer presiding at the hearing; and
- (4) All staff memoranda or data submitted to the hearing officer or members of the agency regarding their consideration of the case.

(i) **Obtaining testimony.** As initial testimony, the hearing officer requests from the representative of the State Agency on Aging (or the affected Area Agency on Aging) and from the appellant, a brief statement of the reason(s) for the appeal. The hearing officer then makes a brief summary of these statements in order to define the point(s) at issue.

(1) The hearing officer is responsible, before taking further testimony, for explaining that any presentation by the appellant or representatives of the appellant, or representative(s) of the State Agency on Aging (or the affected Area Agency on Aging) must be related to the point(s) at issue.

(2) It is the responsibility of the hearing officer to aid in the development of the statement of facts relative to the point(s) at issue. When opinions of a subjective nature or expert opinions of a technical nature are relevant, the hearing officer elicits information which will indicate the competence of the persons making these statements.

(3) The hearing officer affords representatives of both the appellant and the State Agency on Aging (or the affected Area Agency on Aging) opportunity to establish all pertinent facts and circumstances, to advance any arguments without undue interference, to refute any testimony and evidence, and to confront, question, and cross examine any witnesses who furnished evidence upon which the decision to deny or terminate funding was made. Care is taken by the hearing officer to ensure accuracy and clarity of all materials used as testimony or exhibits.

(j) **Presentations by the appellant and the appellant's witnesses.** The appellant is provided the opportunity to present evidence in any way desired. Representatives or staff of the appellant may wish to present evidence or they may wish to bring witnesses to help establish pertinent facts, ask for substantiation or any statements made by other witnesses and present evidence in rebuttal. Legal counsel is unnecessary, but the appellant may be represented by legal counsel, if desired.

(k) **Presentations by the Department (Aging Services Division) or the affected Area Agency on Aging.** The individual representing the State Agency on Aging (or the affected Area Agency on Aging) is, whenever possible, the staff member who is familiar with and was involved in the protested decision. The evidence is presented in the form of a written summary prepared in advance and a copy provided to the appellant. The testimony presented by the Department (Aging Services

Division) or the Area Agency on Aging must contain a verbatim recording of the State or Area Agency on Aging Title III Older Americans Act policy or policies which relate to the point(s) at issue. The written summary must be supported by live testimony of witnesses with personal knowledge of the facts related to the protested decision.

(l) **Recessed hearings.** At any point during the taking of testimony that there is a clear need for allowing additional time before proceeding with the taking of testimony, the hearing officer may recess a hearing for a reasonable period of time. Since postponements are costly both in time and travel, this procedure is not used unless the information sought seems essential to a proper decision and cannot be obtained without a recess.

(m) **Closing statement by hearing officer.** After testimony is given by representatives of and on behalf of the appellant, by the representative of the Aging Services Division (or the affected Area Agency on Aging), and any cross examinations have been completed, the hearing officer inquires whether there is any additional testimony to be presented. If so, this information is elicited by the hearing officer. If the hearing is being recessed, the hearing officer explains the reason(s) for the recess and the responsibilities to be carried out by the appellant and the Aging Services Division (or the affected Area Agency on Aging) before the hearing is reconvened. The hearing officer will be responsible for setting the date on which the hearing will be resumed and for notifying the appellant and the Aging Services Division (or the Area Agency on Aging).

(1) If the hearing is not being recessed, as soon as all pertinent testimony has been presented, the hearing officer makes a closing statement in which he/she explains that:

- (A) Any one of several decisions might be reached (the hearing officer explains what these possible decisions are based upon the type of hearing);
- (B) The decision will be made within 90 days of the date the appellant requested the hearing;
- (C) A letter will be sent to the client from the Appeals Unit (with a copy to the Aging Services Division or the Area Agency on Aging, as appropriate) stating the decision made on the appeal and reasons for the decision; and
- (D) The Aging Services Division or the Area Agency on Aging is responsible for taking whatever action is required to carry out the decision made on the appeal.

(2) The hearing officer closes the hearing.

(n) **Hearing officer's summary.** As soon as practical after the hearing officer closes the hearing, a hearing officer's summary is prepared by the hearing officer. The summary consists of what transpired in the hearing including testimony and written evidence introduced into the record of the hearing.

(o) **Decision by the Department.** The administrative hearing officer is responsible for reviewing the evidence and applicable policy submitted during the hearing procedures. If the hearing officer concludes that the State Agency on Aging (or the Area Agency on Aging) acted correctly in taking the adverse action, a decision letter will be issued to the grantee/applicant advising that the adverse action will be upheld. The

decision letter, which represents the Department's final decision, is issued within 90 days from the date of the appellant's written request for a hearing. If the administrative hearing officer disagrees with the Aging Services Division or Area Agency on Aging action, the Division Administrator for Aging Services will be given five days to review the case, concur with the administrative hearing officer or request that the Appeals Committee be convened to decide the issue. The decision of the Appeals Committee is based only on testimony and exhibits introduced at the hearing, including the hearing officer's summary, and any supplemental material requested by the Appeals Committee. The decision is made on the situation as it was at the time the appealed action was taken by the State Agency on Aging (or the Area Agency on Aging):

(1) The Appeals Committee may make any one of the following decisions:

- (A) To sustain the grantee/applicant;
- (B) Not to sustain the grantee/applicant;
- (C) To dismiss the hearing or cancel by reason of appellant withdrawal or abandonment; or
- (D) To reopen for the taking of additional evidence.

(2) The decision of the Appeals Committee is final.

(p) **Abandonment of hearing.** The Appeals Committee may authorize the dismissal of a hearing under special circumstances which indicate that it is impossible to hold the hearing. If the appellant fails to appear at the time the hearing is scheduled and fails to submit evidence to establish "good cause," the hearing will be considered abandoned on the part of the appellant. A hearing may not be considered abandoned as long as the appellant has provided notification, up to time of hearing, that he/she is unable due to "good cause" to keep the appointment and that he/she still desires a hearing.

(q) **Reopened hearings.** When, in the judgement of a majority of the Appeals Committee, the evidence presented in the hearing is so inadequate that a decision cannot be rendered, the hearing is reopened and further information requested. When it is necessary to reopen a hearing, the Appeals Unit sends to the appellant and the State Agency on Aging (or the Area Agency on Aging) a statement of the points on which information is unclear or inadequate with instructions that further investigation of these points is to be made and by whom. The appellant is expected to cooperate in any way necessary to obtain the desired information and failure to do without "good cause" will result in the dismissal of the hearing.

(1) The hearing officer will request that the State Agency on Aging (or the Area Agency on Aging) obtain the needed information. When the additional facts are obtained, the representative of the State Agency on Aging (or the Area Agency on Aging) interviews the appellant or representative of the appellant and advises him/her of the facts secured, the sources of the facts and how the facts relate to the point(s) at issue.

(2) The appellant is given an opportunity to decide whether he/she prefers that all parties reconvene. The appellant is advised of the right to submit material directly to the Appeals Committee if the appellant desires to do so. If the appellant elects to have all

parties reconvene, the State Agency on Aging (or the Area Agency on Aging) notifies the Appeals Unit in writing and the unit schedules a date for reconvening all parties. Immediately following the interview with the appellant or representative of the appellant, the State Agency on Aging (or the Area Agency on Aging) prepares a written summary of the facts secured since the reopening of the hearing. A copy of this summary is forwarded to the appellant by the State Agency on Aging (or the Area Agency on Aging) within two working days after receipt of the copy of the Appeals Unit letter setting the date for continuation of the hearing. The summary is used as testimony presented by the State Agency on Aging (or the Area Agency on Aging) at the reconvened hearing. The same procedures are followed during the taking of testimony and subsequent to the taking of testimony as are used in relation to any other hearing.

340:2-5-45. Appeals Unit responsibility for notification of decision and assuring that decision is carried out

(a) **Notification of decision.** After the decision is reached in the appeals process, a written notification of decision is prepared by the hearing officer for the signature of the supervisor of the Appeals Unit. The decision letter must specify the reason for the decision and identify the supporting evidence. When applicable, the letter shall include statements specifying:

- (1) The month that the award of funds is to be made;
- (2) The amount of funding to be awarded; or
- (3) That although the grantee/applicant is not sustained, the grantee/applicant may reapply for funding during the next "request for proposals" process.

(b) **Assuring the decision is carried out.** It is the responsibility of the Appeals Unit to assure itself that decisions are carried out by maintaining a control on the date each decision is rendered and the date the Aging Services Division or Area Agency on Aging completes the action specified in each letter of decision.

- (1) When the applicant is sustained on the basis that a denial of the project was in error, award of grant is made in the regular manner. The grant shall begin the first fiscal quarter in which funds are available. The Notification of Grant Award shall have the word "Hearing" written at the top in red.
- (2) When the grantee is sustained on the basis that the project was suspended or terminated in error, the reinstatement is made in the usual manner except that the word "Hearing" is written in red at the top of the Notification of Grant Award. The effective date is the first day of the fiscal quarter after the Appeals Unit decision is rendered and may not be retroactive.
- (3) In all cases of sustained appeals, the Aging Services Division shall forward to the Appeals Unit a copy of the "Notification of Grant Award" with the word "Hearing" written in red at the top.

The Appeals Unit then makes an entry in its control to indicate that appropriate action has been taken.

PART 5. GENERAL PROVISIONS

340:2-5-50. Purpose

(a) The purpose of this Subchapter is to describe the Department of Human Services (DHS) administrative hearing process.

(b) Hearings are intended to:

(1) safeguard the rights and interests of individual clients by affording them due process;

(2) correct improper actions taken by DHS; and

(3) contribute to uniformity in the application of law and policy.

(c) The hearing process is not a substitute for proper and efficient program administration by DHS.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-51. Organization

This subchapter is divided into four parts.

(1) Part 5, OAC 340:2-5-50 to 340:2-5-51, applies to all hearings conducted by the Appeals Unit.

(2) Part 7, OAC 340:2-5-60 to 340:2-5-80, applies to hearings conducted by the Appeals Unit regarding:

(A) Children's Special Health Care Needs Program;

(B) Child Care Services;

(C) Services for persons with developmental disabilities;

(D) Food Stamp Program;

(E) Individual and Family Disaster Grant Program;

(F) Low Income Home Energy Assistance Program;

(G) Medical Assistance Program under Title XIX of the Social Security Act;

(H) Social Services under Title XX of the Social Security Act;

(I) State Supplemental Payment (SSP) for the Aged, Blind, and Disabled; and

(J) Temporary Assistance to Needy Families (TANF), including TANF Emergency Assistance.

(3) Part 9, OAC 340:2-5-90 to 340:2-5-105, applies to hearings conducted by the Appeals Unit regarding:

(A) foster homes; and

(B) adoption assistance.

(4) Part 11, OAC 340:2-5-110 to 340:2-5-124, applies to hearings conducted by the Appeals Unit regarding child care facility licensing.

(5) This Subchapter does not apply to hearings related to the Department of Human Services Child Support Enforcement

Division.

340:2-5-61. Client hearings conducted by the Appeals Unit

(a) **Children's Special Health Care Needs Program.** Circumstances that constitute a basis for a hearing are:

- (1) a denial of an individual's application for services;
 - (2) a decision regarding eligibility has not been reached within 45 days from the application date;
 - (3) the client disagrees with the date on which assistance begins;
- or
- (4) the client is dissatisfied with an action affecting eligibility for receipt of medical services or with the relevant policy as applied to his or her situation.

(b) **Child Care Subsidy Program.** A hearing may be granted if:

- (1) there is a delay in reaching a decision on an application for assistance of more than two working days of receiving all necessary verification to certify or deny the application;
- (2) the client disagrees with the date on which assistance begins;
- (3) the client disagrees with the amount of the family share co-payment; or
- (4) the client, family, or guardian is aggrieved because of Oklahoma Department of Human Services (DHS) actions to deny, terminate, or reduce services.

(c) **Services for persons with developmental disabilities.**

- (1) A hearing may be granted if:
 - (A) the application for services is denied;
 - (B) the DHS action regarding the application for state-funded services has not occurred within 180 days from the date DHS received the application and the client has exhausted the remedies afforded by the Office of Client Advocacy (OCA);
 - (C) when resources are sufficient for initiation of Home and Community Based Waivered Services and action is not taken within 45 days; or
 - (D) the client, family, or guardian is aggrieved because of the DHS action to suspend, terminate, or reduce services.

(2) All other complaints or grievances are made to OCA and are addressed per OCA policies and procedures.

(3) Nothing contained in this subsection is construed as a limitation of the rights of class members regarding the review and appeal procedures set forth in the Consent Decree in *Homeward Bound vs. The Hissom Memorial Center*.

(d) **Supplemental Nutrition Assistance Program (SNAP).** A hearing may be granted if:

- (1) the household's application is denied;
- (2) a decision regarding eligibility has not been reached within 30 days from the date of application;
- (3) a requested change in the amount of benefits has not been made within 10 days from the request;
- (4) a decision regarding loss of benefits occurred in the previous 90 days; or
- (5) the household is aggrieved by:
 - (A) reason of DHS interpretation and application of SNAP policy as applied to the household's situation during the certification period; or
 - (B) any other DHS action in its administration of the program that affects the household's participation.

(e) **Individual and Family Disaster Grant Program.** A hearing may be granted if:

- (1) the applicant's application is denied;
- (2) the applicant is dissatisfied with the amount of the grant award; or
- (3) there is an unreasonable delay relating to the application.

(f) **Low Income Home Energy Assistance Program and Energy Crisis Assistance Program.** A hearing may be granted if:

- (1) the applicant's application is denied;
- (2) there is a delay in reaching a decision regarding eligibility on an application for assistance of more than 10 calendar days;
- (3) the client disagrees with the date on which assistance begins; or
- (4) the applicant is dissatisfied with the amount of the payment.

(g) **Medical Assistance Program under Title XIX of the Social Security Act.**

(1) The Oklahoma Health Care Authority (OHCA) is the state agency authorized to operate Oklahoma's Medical Assistance Program pursuant to Title XIX of the Social Security Act. Through an interagency agreement with OHCA, DHS:

- (A) determines financial and non-financial eligibility for certain categories of eligibility for the Medical Assistance Program;
- (B) conducts hearings regarding:
 - (i) financial and non-financial eligibility for certain categories of eligibility for the Medical Assistance Program; and
 - (ii) the scope of services provided through the DHS Developmental Disabilities Services; and

(C) does not conduct hearings when the action being appealed is based on an OHCA decision, or the action relates to the Advantage Waiver Program.

(2) Circumstances that constitute a basis for a hearing are:

(A) the individual's application for medical services is denied;

(B) a decision regarding eligibility has not been reached within the specified time limit from the date of the application:

(i) 30 days for:

(I) Refugee Medical Assistance; and

(II) categorically related to Aid to the Aged;

(ii) 45 days for:

(I) Medical Assistance only, categorically related to Aid to the Disabled;

(II) a request for long-term care on an active State Supplement Payment (SSP) or Medical Assistance case; and

(III) Medical Assistance for optional tuberculosis (TB) coverage group;

(iii) 60 days for categorically related to Aid to the Blind or Disabled when disability must be established; and

(C) the client disagrees with the date on which assistance begins; or

(D) the client is dissatisfied with any other action affecting eligibility for Medical Assistance.

(3) Administrative hearings are not granted when either state or federal law requires automatic adjustments for classes of recipients unless the reason for an individual appeal is incorrect eligibility determination.

(h) Social services under Title XX of the Social Security Act. A hearing may be granted if:

(1) the client is aggrieved because of:

(A) denial of a request for, or exclusion from, a service program;

(B) failure to consider the individual's choice of service in assignment of program; or

(C) a decision requiring participation in a service program; or

(2) the recipient is aggrieved about the operation of the service program.

(i) SSP for the Aged, Blind, and Disabled and TANF, including TANF Emergency Assistance.

(1) A hearing is not granted in these programs when either state or federal law or regulation requires automatic grant adjustments for classes of recipients unless the reason for an individual appeal is incorrect grant computation.

(2) A hearing may be granted when:

(A) there is a delay in reaching a decision on an application for assistance of more than:

- (i) five business days for TANF Emergency Assistance;
- (ii) 30 days for:
 - (I) SSP for the Aged;
 - (II) TANF; or
 - (III) Refugee Cash Assistance;
- (iii) 45 days for SSP for the Blind; or
- (iv) 60 days for SSP for the Disabled;
- (B) there is a delay of more than 10 days in implementing a requested change regarding an assistance payment;
- (C) the client disagrees with the date on which assistance begins;
- (D) the assistance payment was discontinued or suspended;
- (E) the client is aggrieved regarding protective payments because:
 - (i) payment is made in the form of a protective payment; or
 - (ii) of any action with regard to the protective payment, such as the protective payee selected; or
- (F) the client is aggrieved about conditions of payment, including the requirements for work, medical treatment, or training, but only when the requirement complained of, if true, would constitute a violation of DHS policy.
- (j) **Assistance.** In any other program which constitutes assistance within the definition of Section 164 of Title 56 of the Oklahoma Statutes, a hearing may be requested if the client disagrees with:
 - (1) denial or termination of assistance;
 - (2) amount of assistance; or
 - (3) the conditions on receipt of benefits.
- (k) **Overpayments.** If a client is notified of an overpayment in any of the programs listed in this Section, the client may request a hearing regarding:
 - (1) the existence of the overpayment;
 - (2) the amount of the overpayment;
 - (3) when appropriate, whether the overpayment was caused due to DHS error, inadvertent client error, or willful misrepresentation by the client; and
 - (4) when appropriate, the client's liability to repay the overpayment.
- (l) Any action, not specified in subsections (a) through (k) of this Section, for which DHS is required to provide an administrative hearing by state or federal constitution, statute or regulation.

340:2-5-62. Definitions

The following words and terms, when used in this Part, shall have the following meanings, unless the context clearly indicates otherwise:

"Access to the entire case file" means the client and authorized representative have, with the exceptions described in this Section, the right to review the entire contents of the case file(s) that relates to the issue(s) appealed, and all documents and records to be used by the Oklahoma Department of Human Services (DHS) at the hearing.

(A) Certain documents and information within the case file are made confidential by state and federal laws and therefore are not available to the client or authorized representative, unless such information is to be used by DHS at the hearing. Confidential documents and information include:

- (i) child abuse or neglect reports including the names and information from complainants;
- (ii) psychological and medical reports, unless there are written releases from both the author and the patient;
- (iii) information from other family members unrelated to the appeal;
- (iv) information from references or witnesses, unless there is a written release of information; and
- (v) confidential Supplemental Nutrition Assistance Program (SNAP) information.

(B) The review may be made at a reasonable time before the date of the hearing as well as during the hearing.

- (i) When a request for file access is made, the local office must make arrangements for the client, authorized representative, or both to review the case file with as much privacy as possible.
- (ii) A supervisory staff member observes the review of the case file to ensure the contents of the case file are not removed from the record.
- (iii) The client and authorized representative are free to make written notes from the record or make copies of documents.
- (iv) A client or representative is not charged for copies of documents made for the purpose of hearing preparation or presentation.

"Administrative hearing officer (AHO)" means:

- (A) the DHS employee designated by the Appeals Unit supervisor to conduct an administrative hearing. The AHO may not have had a part in the action or failure to act, which is the subject of the appeal; or
- (B) a lawyer who has a contract with DHS to preside over administrative hearings that are the responsibility of the Appeals Unit, and designated by the Appeals Unit supervisor to preside over a particular case.

"Appeals Committee" means the committee that makes the hearing decision, consisting of:

- (A) the AHO who presided over a hearing;

(B) the division director of the affected program or the division director's designee. The designee must report directly to the division director; and
(C) the Appeals Unit supervisor. If the Appeals Unit supervisor made, or helped make the decision that led to the action that is the subject of a hearing, a lawyer employed by DHS Legal Services is designated by the supervisor to vote in his or her place. The DHS Director has the authority to alter the members as he or she deems appropriate.

"Appeals Unit" means the unit established within Legal Services responsible for conducting administrative hearings.

"Appeals Unit supervisor" means the person designated by the DHS general counsel to supervise the Appeals Unit.

"Authorized representative" means a person authorized by the client to represent him or her in the hearing process.

(A) Any party may be represented by a lawyer, or legal intern, licensed by the Supreme Court of Oklahoma.

(B) A party may be represented by a non-lawyer only when federal law requires that non-lawyer representatives are allowed. Appeals in which non-lawyer representatives may appear include, but are not limited to:

- (i) SNAP;
- (ii) Temporary Assistance for Needy Families (TANF);
- (iii) SoonerCare, Oklahoma's medical assistance program authorized per Section 1396, et seq. of Title 42 of the United States Code;
- (iv) State Supplement Payment for the Aged, Blind, and Disabled;
- (v) TANF Emergency Assistance;
- (vi) services for persons with developmental disabilities; and
- (vii) Low Income Home Energy Assistance Program.

(C) If the representative is not a lawyer, DHS must verify the authority of the person to represent the client through:

- (i) personal contact with the client;
- (ii) an original written authorization signed by the client; or
- (iii) in instances where the client is unable to give oral or written authorization, a non-lawyer may represent a client when the proposed representative is a:

(I) friend or relative, and circumstances show the proposed representative is knowledgeable about the issues involved in the case and will act in the client's best interest; or

(II) vendor of services relating to the issue in dispute and has no interests adverse to

the client; there is no friend or relative who is willing and able to adequately represent the client; circumstances show the vendor is knowledgeable about the issues involved in the case and will act in the client's best interest.

"Client" means:

- (A) an applicant for DHS services or payments in any of the programs per Oklahoma Administrative Code (OAC) 340:2-5-61; or
- (B) a recipient of DHS services or payments in any of the programs per OAC 340:2-5-61.

"DHS" means the Oklahoma Department of Human Services.

"Fair hearing" means an administrative hearing held pursuant to Section 168 of Title 56 of the Oklahoma Statutes.

"Hearing" means the process by which an AHO obtains evidence and makes a decision regarding the protested action, or failure to act, by DHS.

"Hearing request" means a clear expression by a client or authorized representative of the client's desire to contest an action, or failure to act, by DHS through the presentation of testimony and evidence to an AHO. Except for SNAP, a hearing request must be made in writing and contain the signature of the client or authorized representative.

"Hearing summary" means a document prepared by the local office stating the reasons for the local office action or inaction. It provides the client with information needed to prepare for the hearing. The six areas covered in the hearing summary are described per OAC 340:2-5-66.

"Local office" means any part of DHS which is responsible for the act, or failure to act, which is the subject of the hearing request.

"Local staff member" means the particular staff member who was responsible for the protested action, or failure to act, and who represents DHS in activities during the time period extending from the client's request for a hearing through implementation of the hearing decision.

"OAC" means the Oklahoma Administrative Code, which contains the regulations promulgated by each state agency.

"Official record" means a record consisting of:

- (A) all evidence offered for introduction at the hearing;
- (B) an electronic recording of the hearing; and
- (C) the hearing decision.

340:2-5-63. Time

In computing any period of time prescribed or allowed by this Part, the day of the act, or event, from which the designated period of time begins to run is not included. The last day of the period so computed is included, unless it is a weekend, or a legal holiday as defined by the Oklahoma Statutes. Unless otherwise noted, all time periods are calendar

days.

(1) Items received by the client from the Oklahoma Department of Human Services (DHS) for:

(A) mailed items:

- (i) time deadlines begin with the second day on which mail is delivered after the date of mailing to the client's last known address; and
- (ii) items are considered mailed on the date on the notice, determination, or decision unless otherwise indicated by the facts, such as the postmark on the envelope containing the item mailed; and

(B) items delivered in person:

- (i) time deadlines begin with the day after the date of delivery to the client; and
- (ii) items are considered delivered to the client on the date the item is:
 - (I) given to the client or authorized representative; or
 - (II) left at the client's last known address with a person who is 15 years of age or older.

(2) Items are considered received by DHS from the client if transmitted:

(A) via the United States Postal Service (USPS), on the date it is mailed. The mailing date is:

- (i) shown by the postmark;
 - (ii) in the absence of a postmark, the postage-meter mark on the envelope in which it is received; or
 - (iii) if not postmarked or postage-meter marked, or if the mark is illegible, the date received by DHS;
- or

(B) by means of the United Parcel Service, Inc. (UPS), FedEx, or a similar entity:

- (i) on the date shown on the package, or document attached by the delivering entity to the outside of the package, that the item was entrusted to the delivering entity; or
- (ii) in the absence of such date, on the date of receipt by DHS; or

(C) by any means not listed in paragraph (2) of this Section, on the date it is received by DHS.

(3) The submission by a client of any item beyond the specified time period is considered timely if the administrative hearing officer is satisfied that the delay is due to a cause that is beyond the control of the client.

340:2-5-64. Hearing request

(a) In the Supplemental Nutrition Assistance Program a hearing request is any indication by a client or authorized representative that the client wants to contest an Oklahoma Department of Human Services (DHS) action, or failure to act, through the hearing process.

(b) In all other cases within this Part, a hearing request is a written expression by a client or authorized representative that the client wants to contest a DHS action, or failure to act, through the hearing process.

(1) The writing must be signed by the client or authorized representative.

(2) An original document, as well as a facsimile of a written document, are both considered a writing.

(3) An email, or a document attached to an email from the client or authorized representative, is considered a writing signed by the client.

340:2-5-65. Explanations by the local office when a client or authorized representative indicates a hearing is desired

For any of the programs within this Part, at the time a client or authorized representative indicates that the client wants an administrative hearing, the local office must explain the information listed in (1) - (4) of this Section to the client or authorized representative.

(1) If the issue involves a proposed closure or reduction of State Supplemental Payment, Temporary Assistance for Needy Families (TANF), social services, medical assistance, Child Care Subsidy, or food benefits, known in Oklahoma as Supplemental Nutrition Assistance Program (SNAP), the client or authorized representative is advised:

(A) of the option of having benefits continued pending outcome of the hearing if, within 10 days of the notice being appealed, the client or authorized representative submits a written request for a hearing which is signed by the client or authorized representative;

(B) if he or she fails to indicate a preference in a written request for hearing made within 10 days following mailing of the notice, benefits are continued during the hearing process and if the hearing is not decided in his or her favor, a claim is made against him or her for all benefits received pending the hearing decision;

(C) if benefits are continued during the appeals process and the hearing is not decided in his or her favor, a claim is made against him or her for all benefits received pending the hearing decision; and

(D) if the client elects to not continue benefits during the pendency of the appeal, if the appeal is decided in his or her favor, the local office authorizes supplemental payment(s) for the period of time covered during the appeal.

(2) If the issue concerns a SNAP case, the household or authorized representative is advised:

(A) if necessary, he or she is entitled to receive a postponement of a scheduled hearing. The household is advised the postponement will not exceed 30 days and the time limit for action on the decision will be extended for as many days as the hearing is postponed; and

(B) if the client, such as a migrant farm worker, plans to move from the state before the end of the 60 days in which a hearing decision must be made, that processing of the hearing will be expedited in order that a decision may be rendered before he or she leaves the state.

(3) When a hearing is requested on a medical decision made by the Oklahoma Department of Human Services (DHS), the client or authorized representative is advised:

(A) of the right to introduce as evidence at the hearing the report of any examination he or she may have obtained, provided that the records are signed by the health care provider; and

(B) when the hearing involves medical issues, such as those concerning a diagnosis, if the administrative hearing officer (AHO) considers it necessary, DHS will obtain at the expense of DHS:

(i) an examining physician's report;

(ii) a medical review team's decision; or

(iii) a medical assessment other than that of the person or persons involved in making the original decision.

(4) In every case, the local office advises the client or authorized representative:

(A) that the request for hearing will be sent to the Appeals Unit and a letter will be sent from that office regarding the date, time, and place of the hearing;

(B) of the right to be represented by legal counsel if desired, but that DHS does not provide, or pay for, legal representation;

(C) that the client, authorized representative, or both, has access to the following at a reasonable time before the date of the hearing, as well as during the hearing:

(i) all documents to be introduced at the hearing by DHS; and

(ii) the case file, except for confidential documents;

(D) that the client may ask the AHO to require:

(i) individual DHS employees be present at the hearing; and

(ii) DHS produce specific records at the hearing;

(E) that before the hearing, the client will receive a copy of the hearing summary, documents, and records the local office will present at the hearing;

(F) that transportation equivalent to the rate for public transportation is paid for the client and witnesses, if any,

when essential for attendance at the hearing;
(G) that the testimony given by the client, witnesses, and the local office is taken by an AHO, who records the proceedings;
(H) that an opportunity is given at the time of the hearing to give all the evidence on the points at issue the client believes necessary and the evidence can be presented by anyone he or she desires;
(I) that if the client needs help in understanding how to present evidence, explanation is given regarding some of the ways in which this may be done, such as presenting evidence orally, in writing, or by having anyone the client chooses present the evidence for him or her; and
(J) that the client will receive the written decision of the AHO.

340:2-5-66. Hearing summary

- (a) As soon as a request for a hearing is received:
- (1) in cases involving services through Developmental Disabilities Services, a programs manager prepares Oklahoma Department of Human Services (DHS) Form 13MP002E, Hearing Summary; and
 - (2) in other cases, the local staff member responsible for the case prepares Form 13MP002E. The supervisor of the local staff member is responsible for review of the Form 13MP002E for completeness and for pertinence to the point(s) at issue.
- (b) The six areas covered in the hearing summary are:
- (1) the type of decision, action, or inaction on the part of the local office that is the subject of the hearing request;
 - (2) nature of client's complaint;
 - (3) point at issue, exactly what the client is appealing;
 - (4) chronological summary of pertinent events and evidence leading to the action or inaction;
 - (5) policy including:
 - (A) verbatim quotations from the manual regarding the policy on which the decision was based; or
 - (B) copies of applicable policy with the pertinent portions marked; and
 - (6) documents and other evidence that supports the decision being appealed and that the local office intends to introduce at the hearing.
- (c) A copy of Form 13MP002E is delivered to the client no later than the fifth business day before the hearing.

340:2-5-67. Appeals Unit action following hearing request receipt

- (a) Upon hearing request receipt in the Appeals Unit, a hearing number is assigned.

(b) The Appeals Unit supervisor assigns the case to an administrative hearing officer (AHO).

(c) The AHO determines if the hearing request was timely made.

(1) A hearing request is considered timely:

(A) in the Supplemental Nutrition Assistance Program (SNAP), when the client or authorized representative indicates, in any way, the desire to have a hearing within 90 days of the action, or failure to act that is being appealed;

(B) in all other cases:

(i) if the initial indication that the client wants a hearing is in writing, signed by the client or authorized representative, if the writing was received by the Oklahoma Department of Human Services (DHS) within 30 days of the action, or failure to act being appealed; or

(ii) if the initial indication that the client wants a hearing other than in writing, signed by the client or authorized representative:

(I) the indication to DHS was made to DHS within 30 days of the action, or failure to act, which is being appealed; and

(II) DHS receives a written hearing request, signed by the client or authorized representative within the later of 10 days from the date of the initial indication that the client wanted a hearing, or 30 days of the action, or failure to act being appealed.

(2) When the AHO or Appeals Unit supervisor determines the hearing request was not timely made, the AHO notifies the client and authorized representative that the hearing request is dismissed. This notice includes a statement of appeal rights.

(d) When a hearing request was timely made, the AHO determines whether the request relates to an appealable issue.

(e) When a hearing request is both timely and relates to an appealable issue, paragraph (1) or (2) of this subsection apply.

(1) When the client appeal relates to a delay in decision, or a delay in acting on a case change, the evidence is reviewed by an AHO.

(A) If the available information clearly shows there has been a delay, the AHO issues a decision, without holding a hearing.

(B) If the available information does not clearly show there has been a delay, the AHO schedules a hearing to determine whether there has been a delay.

(2) When the request for hearing does not involve delay, the Appeals Unit mails a notice of hearing to the client. Copies of this notification are sent to the local office, appropriate supervisory staff, and the authorized representative, if any. The notification is mailed prior to the date of hearing not less than:

- (A) 10 days for SNAP appeals, unless waived by the client;
- and
- (B) eight days in all other cases, unless waived by the client.

340:2-5-68. Communications with the administrative hearing officer (AHO)

Following a hearing request, there is no direct or indirect contact regarding the merits of the case between the AHO and a person with a direct or indirect interest in the case unless there is notice to all parties and an opportunity to participate in the communication, except the AHO may:

- (1) be contacted on matters of an informational or procedural nature; or
- (2) contact the local office in order to obtain information regarding:
 - (A) timeliness of the hearing request; or
 - (B) whether an appealable issue exists.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-69. Local office contact with client after hearing notice receipt

(a) At least five business days before the hearing, the local office representative contacts the client or authorized representative and gives him or her a copy of Oklahoma Department of Human Services Form 13MP002E, Hearing Summary.

(b) Form 13MP002E must be delivered at least five complete business days prior to the date scheduled for the hearing. If Form 13MP002E is not delivered timely, paragraph (1) or (2) of this subsection applies.

(1) When the local office shows good cause for failure to deliver Form 13MP002E timely, the administrative hearing officer (AHO) continues the hearing to another date if the client is not prepared to proceed as a result of receiving Form 13MP002E late.

(2) When the local office does not show good cause for failure to deliver Form 13MP002E timely, the AHO may prohibit the local office from presenting evidence at the hearing and decide the case based only on evidence presented by the client.

(c) Immediately upon receipt of the hearing notice, the local office submits a copy of Form 13MP002E to the Appeals Unit.

340:2-5-70. Hearing continuance, withdrawal, and dismissal

(a) Continuance of hearing.

(1) At any point after setting a case for hearing, the administrative hearing officer (AHO) may determine additional evidence is needed before a final decision can be made. If so, the

AHO may continue the hearing and direct the parties to take whatever action the AHO deems necessary. The AHO may set time limits for the actions.

(2) If the AHO is informed in advance of a hearing that the client, authorized representative, or local office representative cannot participate in the hearing at the scheduled time, the AHO continues the hearing when good cause exists for the person's absence. The AHO may require whatever proof of good cause that is deemed necessary.

(3) Clients who are appealing an action in the Supplemental Nutrition Assistance Program are entitled to one hearing continuance of up to 30 days, for which good cause need not be shown.

(b) Withdrawal of request for hearing. A client or authorized representative may withdraw a hearing request only by a signed writing. Any other indication of a desire to withdraw a hearing request is insufficient.

(c) Dismissal of hearing request. The AHO may dismiss a hearing request when, in the AHO's judgment:

- (1) the Oklahoma Department of Human Services (DHS), by written notice, withdraws the action appealed and restores the client's status which existed before the action appealed was taken. Continuation of benefits because a hearing request has been made does not constitute restoration of the client's status;
- (2) DHS implements action and issues a notice to correct a DHS error that resulted in the appeal; or
- (3) there are circumstances that indicate it is impossible to hold the hearing, such as the death of a client.

340:2-5-71. Presence of Oklahoma Department of Human Services (DHS) employees or DHS records at hearings

(a) An administrative hearing officer (AHO), at the request of a client, authorized representative, or on his or her own motion, may require the presence at a hearing of:

- (1) a DHS employee;
- (2) DHS records; and
- (3) other DHS evidence.

(b) A client's request for the presence of a DHS employee, DHS documents, or other evidence, is granted by the AHO only when the client shows that the presence of the DHS employee or evidence is:

- (1) relevant to the issues involved in the hearing;
- (2) necessary for determination of the issue; and
- (3) not otherwise obtainable by the client.

(c) When the AHO determines that a DHS employee, or DHS evidence, must be present at the hearing, the AHO gives notice to the DHS employee, or office where the evidence is located the:

- (1) date, time, and location of the hearing; and

(2) employee's name, records, or other evidence that must be present.

(d) When, without good cause, the DHS employee fails to appear or DHS fails to produce the needed records or evidence, the AHO may:

(1) decide the case as if the missing evidence was as the client asserted, if the client's assertion is reasonable; or

(2) continue the hearing so the missing testimony or evidence may be produced.

340:2-5-72. Hearing issue, standard of review, and burden of proof

(a) **Hearing issue.** The issue determined through the hearing process is whether the Oklahoma Department of Human Services (DHS) acted correctly in taking the action, or failed to act, which is the subject of the client's request for hearing.

(b) **Standard of review.** The administrative hearing officer (AHO) determines the relevant facts and applies the law to those facts. No presumptions are made for or against DHS concerning the validity of the factual or legal basis for the action, or inaction, which is the subject matter of the hearing.

(c) **Standard of proof.**

(1) The standard of proof necessary to prove a fact is governed by state and federal law and regulations applicable to the subject matter of the hearing.

(2) If such law and regulations are silent, the standard of proof is a preponderance of the evidence. A preponderance of the evidence is evidence that, in light of the record as a whole, leads the AHO to believe a fact is more likely true than not true.

(d) **Burden of proof.**

(1) The burden of proof is governed by state and federal law and regulations applicable to the subject matter of the hearing.

(2) When such law and regulations are silent, the party seeking to alter the status quo has the burden of proof.

(3) Examples of the burden of proof are shown in (A) and (B) of this paragraph.

(A) The burden of proof is on a client to show that:

(i) the applicant is eligible for Temporary Assistance for Needy Families (TANF), medical assistance, Supplemental Nutrition Assistance Program (SNAP), other DHS benefit programs, or the amount of benefits the applicant receives;

(ii) when seeking recertification for benefits, the recipient remains eligible for TANF, medical assistance, SNAP, or other DHS benefit programs;
or

(iii) an applicant is eligible for services through Developmental Disabilities Services (DDS).

(B) The burden of proof is on DHS to show that:

- (i) during a period of certification, the recipient's TANF, medical assistance, SNAP, or other DHS program benefits should be reduced or terminated;
- or
- (ii) during a DDS plan of care, services should be reduced or terminated.

340:2-5-73. Hearing procedures

(a) **Hearings.** All hearings scheduled by the Appeals Unit are conducted by an administrative hearing officer (AHO), who:

- (1) administers oaths;
- (2) regulates and conducts the hearing in an orderly manner;
- (3) ensures all relevant issues are considered;
- (4) rules on the admissibility of evidence;
- (5) at his or her discretion, requests written comments be submitted;
- (6) if necessary for a client's case to be adequately presented, assists a client to present his or her case; and
- (7) takes such action as the AHO deems necessary to reach a proper disposition of the case.

(b) **Hearing location.**

- (1) It is solely within the discretion of the AHO whether to hold the hearing in person or by telephone. When in person, it is solely within the discretion of the AHO to designate the location at which the hearing is held.
- (2) When the hearing is held in the local office and the AHO determines the space provided for the hearing by the local office is inadequate, the local office provides other space acceptable to the AHO.

(c) **Hearings are not open to the public.**

- (1) In order that the confidential nature of case material and the relationship between the client and the Oklahoma Department of Human Services (DHS) are maintained, hearings are not open to the public.
- (2) No one other than the client, the authorized representative, and the DHS representative are permitted to attend the hearing, without permission of the AHO and the client.

(d) **Failure to appear.**

- (1) When an appropriate representative from the local office fails to appear, and the local office fails to show good cause, the AHO proceeds with the hearing, taking evidence from the client, and issues a decision.
- (2) Client failure to appear in:
 - (A) Supplemental Nutrition Assistance Program (SNAP) disqualification hearings a hearing must be held and a decision issued; and
 - (B) in all other cases, if a client fails to show good cause, the AHO dismisses the hearing request.

(e) **Pre-hearing conference.**

(1) A conference may be conducted by the AHO immediately prior to the formal beginning of a hearing. The purpose of the pre-hearing conference is to reduce the actual amount of time spent in the hearing. In the pre-hearing conference the AHO identifies all:

- (A) witnesses;
- (B) exhibits;
- (C) issues to be covered in the hearing; and
- (D) does not record the conference.

(2) At the AHO's discretion, a pre-hearing conference may be held before the date of the hearing.

(A) The AHO notifies the parties of the date and time of the conference.

(B) The conference is not recorded.

(C) Based on the statements of the parties, the AHO determines the issues to address at the hearing.

(D) The AHO establishes dates for submission of the following:

(i) the DHS proposed exhibits, witness list, and Hearing Summary;

(ii) appealing party's proposed exhibits, witness list, and response to DHS Hearing Summary; and

(ii) the DHS reply to the appealing party's response.

(E) The AHO schedules a hearing date.

(F) The AHO issues a Scheduling Order.

(G) All documents must be mailed or emailed to the AHO with a copy to the opposing party. Documents must be received by the AHO and the opposing party on the date established by the AHO.

(f) **Recording the hearing.**

(1) The AHO is responsible for arranging for the hearing to be recorded. The hearing may be recorded electronically or by a certified court reporter.

(2) The AHO's recording of the hearing is the official recording. The client or authorized representative may provide his or her own recording device for use during the hearing if such recording is not disruptive. In no case is videotaping allowed.

(3) Upon written request to the Appeals Unit, DHS provides the client or authorized representative a copy of the recording of the hearing. A transcript of the recording is provided only when required by federal or state law.

(g) **Admonitions.**

(1) When the hearing involves assistance, as defined at Section 161(g) of Title 56 of the Oklahoma Statutes (56 O.S. § 161(g)), all persons presenting evidence are advised of the provisions of 56 O.S. § 182.

(2) When the hearing involves an applicant for or a recipient of the Medical Assistance Program, Children's Special Health Care Needs Services, State Supplemental Payment for the Aged, Blind,

and Disabled, Child Care Subsidy, or Temporary Assistance for Needy Families, all persons presenting evidence are advised by the AHO of the provisions of 56 O.S. § 185.

(3) When the hearing involves SNAP, all individuals appearing to give testimony are advised by the AHO of the provisions of 56 O.S. § 243.

(h) Oath for Witnesses.

(1) An oath is administered by the AHO to the client, witness(es), and the representative(s) of the local office. The following form is used for the oath, "Do you solemnly swear or affirm that the evidence you give in this case will be the truth, the whole truth, and nothing but the truth?"

(2) In hearings in which a client is assisted by an interpreter, the AHO also administers an oath to the interpreter. The following form is used for the oath, "Do you solemnly swear or affirm that you will truthfully translate from English into (state the other language) the questions about to be asked and from (state the other language) into English the answers about to be given in the case to the best of your ability?"

(i) Sequestration of witnesses. The AHO may require that any witness, other than the client, authorized representative, and the local office representative, absent himself or herself from the hearing room except when the witness is testifying.

(j) Presentation of the case.

(1) Presentation of the case includes:

- (A) participation in the pre-hearing conference;
- (B) opening statements;
- (C) calling witnesses;
- (D) questioning witnesses;
- (E) offering of non-testimonial evidence; and
- (F) closing statements.

(2) Case presentation.

(A) Presentation of the DHS case is made by the DHS employee most familiar with the issues.

(B) The client:

- (i) may elect to present the case himself or herself;
or
- (ii) have an authorized representative present the case.

(3) The AHO directs the order of presentation of evidence.

(A) The AHO may call and/or examine witnesses to develop the record and ensure all evidence favorable to an unrepresented client is presented.

(B) If during the hearing, the AHO determines a party can submit evidence after the hearing, without the necessity of reconvening the hearing, the AHO sets the time and manner in which the evidence is submitted.

(4) When presentation of the evidence is complete, the AHO allows closing statements, with the party bearing the burden of proof presenting last.

(k) Other AHO duties.

(1) When opinions of a subjective nature or expert opinions of a technical nature are relevant, the AHO elicits information that indicates the competence of the persons making these statements.

(2) When the AHO determines the client cannot adequately represent himself or herself, the AHO may continue the hearing and direct the local office to help the client obtain an authorized representative.

(l) AHO closing statement.

(1) When the hearing is continued, the AHO explains the reason(s) for the continuance and the responsibilities to be carried out by the client and local office before the hearing is reconvened. The AHO is responsible for setting the date on which the hearing will be resumed and for notifying the client and the local office.

(2) When the hearing is not continued, as soon as all pertinent evidence is presented, the parties are given an opportunity to make closing statements.

(3) Following closing statements by the parties, the AHO makes a closing statement in which he or she explains:

(A) the Appeals Committee will make a decision in the case;

(B) the possible decisions that may be reached;

(C) the decision is normally made within the following time periods, plus any delay caused by the client:

(i) 30 days for the Low Income Home Energy Assistance Program;

(ii) 60 days for SNAP; and

(iii) 90 days for all other cases;

(D) that a letter will be sent to the client, authorized representative, and local office by the AHO that constitutes the decision; and

(E) the local office is responsible for taking whatever action is required to carry out the decision made on the client's hearing.

(m) Closing the hearing. The AHO closes the hearing.

340:2-5-74. Evidence

(a) General.

(1) Formal rules of evidence are not observed.

(2) Evidence is admitted when it is the type of evidence upon which reasonable persons are accustomed to rely on in the conduct of serious affairs.

(3) Evidence reasonably construed as relevant and not otherwise unduly repetitious is admitted. Evidence that is irrelevant or unduly repetitious may be excluded.

(4) The fact that evidence is admitted does not limit the authority of an administrative hearing officer (AHO) in determining the

appropriate weight given such evidence.

(b) Specific evidentiary issues.

(1) Documentary evidence may be received in the form of copies or excerpts if the original is not readily available. Upon request, all parties are given an opportunity to compare the copy with the original.

(2) Information stored in electronic form may be printed and introduced as if the printed page was the original. Electronically stored information includes, but is not limited to:

(A) Oklahoma Department of Human Services (DHS) records;

(B) email; and

(C) Internet pages.

(3) When all parties stipulate to a fact, the AHO officer may make a finding of fact on the basis of the stipulation. Signed statements by the parties or on-the-record oral statements by the parties are sufficient as stipulations.

(4) Judicial notice.

(A) Law. Judicial notice is taken by the AHO of the common law, constitutions, statutes, and administrative regulations in force in every state, territory, and jurisdiction of the United States.

(B) Facts.

(i) A judicially noticed adjudicative fact is not subject to reasonable dispute. It is either:

(I) generally known within the state; or

(II) capable of accurate and ready determination by reference to sources whose accuracy cannot reasonably be questioned.

(ii) An AHO may take judicial notice of a fact:

(I) if requested by a party and supplied with the necessary information; or

(II) on his or her own motion.

(C) Propriety. In determining the propriety of taking judicial notice of a matter:

(i) the AHO may consult and use any source of pertinent information, whether or not furnished by a party;

(ii) a party is entitled, upon timely request, to an opportunity to be heard as to the propriety of taking judicial notice and the scope of the matter noticed; and

(iii) judicial notice may be taken at any stage of the proceeding.

(5) Hearsay.

(A) Hearsay is evidence regarding a statement made outside of the hearing by a person not present at the hearing and offered to prove the truth of the statement.

(B) Hearsay evidence is not excluded because of its hearsay nature, but is admitted or excluded based upon

the standards
for admissibility and weight of hearsay evidence explained
in (i) - (iii) of this subparagraph.

(i) Generally, evidence is admissible if it is the type
of evidence upon which reasonable persons are
accustomed to rely on in the conduct of serious
affairs.

(ii) Unlike judicial proceedings in which certain
classes of hearsay evidence are automatically
excluded due to concerns over the hearsay's
reliability, no class of hearsay evidence is
automatically excluded in administrative
proceedings.

(iii) Once hearsay evidence is admitted, it is
necessary for the AHO to decide what weight is
given to the evidence.

(D) When hearsay evidence is admitted and accorded
great weight, an administrative decision may not be based
solely on hearsay.

340:2-5-75. Reopened hearings

(a) If, following a hearing at which a decision was not pronounced, the
administrative hearing officer (AHO) determines the evidence presented
in the hearing was so inadequate that a decision cannot be made, the
hearing is reopened and further information requested.

(1) When it is necessary to reopen a hearing, the AHO sends the
client, authorized representative, and the local office a letter
clearly stating:

(A) what evidence is to be submitted;

(B) who submits the evidence;

(C) a deadline for submission;

(D) the manner in which the evidence is submitted; and

(E) the deadline for the opposing party to submit
comments regarding the evidence or to request the
hearing be reconvened.

(2) The client is expected to cooperate in any way necessary to
obtain the desired information and failure to do so without good
cause may result in the dismissal of the hearing request.

(b) When the hearing is reopened for the purpose of obtaining additional
medical information, the needed examination is arranged in the usual
manner.

(1) When the examination is authorized by a local office, the office
routes the original completed report to the Appeals Unit and the
client or authorized representative.

(2) When the examination is authorized by State Office, all copies
of the completed report are forwarded to the Appeals Unit by the
division or unit that authorized the examination. The Appeals Unit
sends a copy of the completed report to the local requesting office

and to the client.

(c) The AHO may make a referral to another unit or division, or request the local office obtain the needed information.

(d) Following receipt of additional information, the AHO informs the client, authorized representative, and local office in writing of:

- (1) the additional evidence obtained;
- (2) the source of the additional evidence;
- (3) how the evidence relates to the issues; and
- (4) that either party may ask the hearing be reconvened, but the AHO is not required to grant the request.

340:2-5-76. Hearing decision

(a) The Appeals Committee.

- (1) The Appeals Committee makes the hearing decision.
- (2) No member of the Appeals Committee may obtain information about the case from outside the hearing record.

(b) Legal and factual basis of the decision.

(1) The factual basis of the decision is the information available to the Oklahoma Department of Human Services (DHS) on the date of the decision and, if DHS failed to follow its own rules regarding the gathering of information, the information that would have been available to DHS at the time of the decision had the rules been followed. This information is obtained through:

- (A) hearing testimony;
- (B) exhibits introduced at the hearing; and
- (C) facts or law of which the AHO has taken judicial notice.

(2) The law applied to the case is described in (A) - (C) of this paragraph.

(A) The relevant Sections of the Oklahoma Administrative Code (OAC) are applied.

(B) Where the OAC is ambiguous or silent on a point critical to the decision, reference to other sources, including state and federal statutes, federal regulations, sub-regulatory material, and case law is appropriate.

(C) No Section of the OAC is declared invalid. However, if the validity of any Section of the OAC is raised as an issue, the AHO permits arguments concerning the issue so that it is preserved for subsequent review.

(c) Making the decision.

(1) Following the hearing, the AHO reviews the evidence and applicable law.

(2) If the AHO concludes DHS acted correctly, the AHO issues a written decision on behalf of the Appeals Committee.

(3) If the AHO concludes DHS acted incorrectly, the AHO refers the case to the other members of the Appeals Committee.

(A) The AHO prepares a vote sheet containing the AHO's vote and the reasoning supporting the vote.

()

(B) The AHO sends the vote sheet and Appeals Unit file to the member of the Appeals Committee from the affected division, who reviews the summary and Appeals Unit file prior to voting.

(C) If the vote from the division member is:

- (i) favorable to the client, the file is returned to the AHO to issue a decision; or
- (ii) unfavorable to the client, the file is sent to the Appeals Unit supervisor to review and vote.

(D) Following the vote by the Appeals Unit supervisor, the file is returned to the AHO to issue a decision in accord with the majority vote of the Appeals Committee.

(d) The Appeals Committee may make a decision:

- (1) completely favorable to the client;
- (2) partially favorable to the client;
- (3) completely unfavorable to the client;
- (4) dismissing the hearing request because of client withdrawal or abandonment;
- (5) dismissing the hearing request because the hearing request does not relate to an appealable issue;
- (6) to hold a supplemental hearing; or
- (7) direct one, or both parties to obtain and submit additional information.

(e) The Appeals Committee decision must contain:

- (1) a sufficient explanation of the issues, evidence, findings of fact, and law sufficient to inform the parties of the basis for the decision; and
- (2) appeal rights, the action required to appeal, and the time within which such action must be taken.

(f) The Appeals Committee decision is sent to:

- (1) the client;
- (2) the authorized representative, if any;
- (3) the local office;
- (4) the DHS State Office programs manager of the program most affected by the decision;
- (5) other DHS components necessary for implementation of the decision; and
- (6) other DHS components the AHO or Appeals Unit supervisor chooses to notify.

340:2-5-77. Action by local office following receipt of decision

Immediately following receipt of the copy of the Appeals Committee decision the local office takes whatever action is indicated in the decision. Appropriate action must be initiated within ten calendar days of receipt of the decision.

340:2-5-78. Administrative disqualification hearings

(a) **Administrative disqualification hearings.** An administrative disqualification hearing is initiated by the Oklahoma Department of Human Services (DHS) when the facts of the individual Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) case indicate an intentional program violation may have occurred.

(b) **Definition of intentional program violation.**

(1) SNAP. An intentional program violation consists of a client intentionally:

- (A) making a false or misleading statement;
- (B) misrepresenting, concealing, or withholding facts; or
- (C) committing any act that constitutes a violation of the Food Stamp Act; SNAP regulations; or Oklahoma laws or regulations relating to the use, presentation, transfer, acquisition, receipt, or possession of food stamp coupons, authorization to participate (ATP) document, or electronic benefit transfer (EBT) cards.

(2) TANF. An intentional program violation occurs when an individual, for the purpose of establishing or maintaining the household's eligibility for TANF or for increasing or preventing a reduction in the amount of the grant, intentionally:

- (A) makes a false or misleading statement or misrepresentation, concealment, or withholding of facts;
- (B) performs any act intended to mislead, misrepresent, or conceal;
- (C) withholds facts; or
- (D) offers or proposes a falsity.

(c) **Consolidation of administrative disqualification hearing with administrative hearing.** DHS may combine an administrative hearing and an administrative disqualification hearing into a single hearing when the factual issues arise out of the same, or related circumstances and the household receives prior notice the hearings will be combined. If the disqualification hearing and administrative hearing are combined:

- (1) DHS follows the time frame for conducting disqualification hearings; and
- (2) the household loses its right to an additional administrative hearing on the existence or amount of the overpayment when the combined hearing addressed the overpayment amount.

(d) **Advance notice of hearing.** DHS sends a written notice to the household member suspected of an intentional program violation by first class mail at least 30 days in advance of the scheduled date of a disqualification hearing. The household may waive the 30-day advance notice if an administrative hearing and disqualification hearing are combined.

(e) **Failure to appear at the hearing.**

- (1) If the household member suspected of an intentional program violation or its representative cannot be located or fails to appear at the DHS initiated hearing without good cause, the hearing is conducted without the household member present.

(2) Even though the household member suspected of an intentional program violation is not present, the administrative hearing officer (AHO) is required to carefully consider the evidence and determine if an intentional program violation was committed. In the event of an adverse decision against the client, the client may demonstrate to the AHO good cause for failure to appear. If good cause is shown, the adverse decision is rescinded and another hearing scheduled.

(f) **Waiver of hearing.** DHS provides the accused household member(s) the option of signing a waiver for an administrative disqualification hearing.

(g) **Postponement of hearing.**

(1) The household member or representative is entitled to a postponement of a scheduled SNAP hearing, provided the request for the postponement is made at least 10 days in advance of the scheduled hearing.

(2) The local office notifies the Appeals Unit, if a postponement is requested.

(h) **Right to refuse to answer questions.** At an administrative disqualification hearing, the AHO advises the household member(s) or representative they have the right to remain silent and that anything said, or signed, may be used against them in a court of law.

(i) **Criteria for determining intentional program violation.** The AHO bases the determination of intentional program violation on clear and convincing evidence that demonstrates the household member(s) committed an intentional program violation, as defined in this Section.

(j) **Time limit for decision.** Within 90 days of the date on the notice of hearing the household member is notified in writing of the decision. However, if the hearing has been postponed at the request of the household member suspected of an intentional program violation, the time limit is extended for as many days as the hearing was postponed.

(k) **Further appeal.**

(1) No further administrative appeal procedure exists after an individual waives his or her right to an administrative disqualification hearing or is determined by an AHO to have committed an intentional program violation.

(2) The disqualification penalty cannot be changed by a subsequent administrative hearing decision.

340:2-5-79. Telephonic hearings

(a) **Telephonic hearings.**

(1) The Appeals Unit supervisor or the administrative hearing officer (AHO) may designate a hearing be conducted by the AHO by telephone.

(2) When a hearing is conducted by an AHO in-person, the AHO may allow a witness, including the client or an Oklahoma Department of Human Services (OKDHS) employee, to testify by telephone, if the AHO determines:

(A) the person's testimony is needed and he or she is unable to testify in person; or

(B) requiring in-person testimony would be burdensome.

(b) Procedures relating to telephonic hearings.

(1) All procedures, forms, and policies regarding hearings apply to telephonic hearings, unless otherwise specified by the AHO.

(2) The notice of hearing includes instructions to the parties regarding:

(A) the submission of exhibits;

(B) the location of the client and OKDHS employee during the hearing; and

(C) any other instructions regarding pre-hearing and hearing procedures or requirements.

(c) AHO authority. The AHO has the authority to issue directions regarding any aspect of a hearing conducted by telephone, even if different than directions and procedures included in other subsections of this Section, if necessary to ensure that the hearing process is fair to the client and OKDHS.

340:2-5-80. Director review of administrative hearing officer (AHO) decision

With the exception of administrative disqualification hearings, the decision of the Appeals Committee is subject to review by the Director of Human Services (Director) or the Director's designee per Section 168 of Title 56 of the Oklahoma Statutes.

(1) Requests for review of an Appeals Committee decision may be made by a client or authorized representative when a written request for review is received by DHS within 30 days from the date of the Administrative Hearing Officer decision letter. Benefits are not continued or reinstated during the pendency of the review.

(2) Request for review of an Appeals Committee decision may be made by the director of the DHS division that completed the action appealed.

(A) The authority to request review may be delegated when the division director is unable to make the request due to absence or illness.

(B) The request must be made in writing and received by the Appeals Unit or Director within 10 business days of the date of the hearing decision.

(C) On receipt of a request for review by the Director, the Appeals Unit immediately notifies the client of the request for review, with a copy of the request attached. The notice includes:

(i) a statement that the client may submit documents and written comments within 10 business days;

(ii) the hearing decision is implemented immediately unless the client wishes to maintain the pre-hearing status quo until the Director issues a decision; and

(iii) when the hearing decision has already been implemented, implementation is not undone unless the client wants to maintain the pre-hearing status quo until the Director issues a decision.

(D) The decision of the Director, or designee is issued within 10 business days of the earlier of receipt of the client's comments or running of the deadline for client comments.

340:2-5-81. General authority of the appeals unit supervisor and administrative hearing officer

(a) An administrative hearing officer (AHO) has the authority to:

(1) alter any requirement or procedure set forth in Oklahoma Administrative Code (OAC) 340:2-5-60 through 340:2-5-80 when necessary to provide due process to a client or give the client and the Oklahoma Department of Human Services (DHS) an adequate opportunity to present evidence and argument regarding issues relevant to the action being appealed. However, the AHO may not take an action that violates state or federal constitutions, statutes, or regulations;

(2) take appropriate action regarding any situation not addressed in OAC 340:2-5-60 through 340:2-5-80; and

(3) take any action necessary to provide a fair process for resolution of an appeal. However, the AHO may not take an action that violates the state or federal constitutions, statutes, or regulations.

(b) The appeals unit supervisor has the authority to:

(1) in case of absence or unavailability of the assigned AHO, make decisions regarding administrative issues in a case including, but not limited to, the granting of a request for continuance of a hearing or the determination of timeliness of a hearing request; and

(2) make any decision necessary to provide a fair process for resolution of an appeal. This may include the direction of an AHO to take, or not take, a specific action. However, the appeals unit supervisor may not take an action that violates state or federal constitutions, statutes, or regulations.

(c) The appeals unit supervisor may not direct the AHO to take, or not take, action regarding the merits of a case.

PART 9. ADOPTION AND FOSTER CARE

340:2-5-90. Legal base

Section 7206.1 of Title 10 of the Oklahoma Statutes and Title IV-E of the Social Security Act provide an administrative hearing for a Department of Human Services (DHS) resource family aggrieved by a DHS action, or failure to act, in any of the programs listed in OAC 340:2-5-91.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-91. Fair hearings conducted by the Appeals Unit

(a) **Purpose.** The primary purpose of the fair hearing is to safeguard the rights of clients and provide recourse to address infractions of individual rights and interests. Administrative fair hearing may be granted to foster parents, adoptive parents, or kinship guardians.

(b) **Foster parents.** An administrative hearing is granted to foster parents when Oklahoma Department of Human Services (OKDHS):

- (1) denies the foster parent's claim for foster care maintenance payments;
- (2) pays foster care maintenance payments in an amount lower than the amount claimed;
- (3) does not pay the foster care maintenance payments to the foster parent in a timely manner;
- (4) closes the foster home unless the court ordered the child removed from the foster home or upheld a decision removing the child from the foster home;
- (5) does not return a child in OKDHS custody removed from the foster home due to a child abuse or neglect investigation, and the foster parent:
 - (A) was not provided notice of the foster parent's right to be heard during proceedings before the court; or
 - (B) received the notice, attempted to have the court hear the question but was denied a right to be heard by the court regarding the decision not to return the child during a hearing, and the court never heard the question about whether the child should be returned; or
- (6) notifies the foster parent of an overpayment the foster parent disputes.

(c) **Adoptive parents.** An administrative hearing is granted to adoptive parents when OKDHS:

- (1) denies the adoptive parent's application for adoption assistance;
- (2) approves the adoptive parent's application for adoption assistance in an amount less than requested;
- (3) modifies or terminates adoption assistance without the concurrence of the adoptive parents;
- (4) delays or denies an authorized adoptive placement with an out-of-state family; or
- (5) notifies the adoptive parent of an overpayment the adoptive parent disputes.

(d) **Kinship guardians.** An administrative fair hearing may be granted to kinship guardians when OKDHS:

- (1) denies a kinship guardianship assistance payment as indicated on Form 04AN011E, Request for Review of Denial;
- (2) approves the kinship guardianship payment in an amount less than requested;
- (3) delays or denies an authorized kinship guardian placement out-of-state with the kinship guardian; or
- (4) notifies the kinship guardian of an overpayment the kinship guardian disputes.

340:2-5-92. Definitions

The following words and terms, when used in this Part, shall have the following meanings, unless the context clearly indicates otherwise:

"Access to the case file" means that the resource family and their authorized representative have the right to review any information to be used by the Department of Human Services (DHS) in the hearing.

(A) The review may be made at a reasonable time before the date of the hearing.

(B) Access to the case file means access to the resource family file but does not include the Division of Children and Family Services (DCFS) records and any report to the district attorney unless ordered released by the administrative hearing officer (AHO). The order is based upon a request by the resource family and, after an in camera review by the AHO, a determination that a compelling reason exists and that disclosure is necessary for the protection of a public or private interest. Any child's name and the reporter's name is removed prior to submitting the information to the AHO.

(C) When a request for file access is made, the local office makes arrangements for the resource family, authorized representative, or both to review the resource file with as much privacy as possible. A supervisory staff member observes the review of the resource file to ensure that contents of the resource file are not removed from the record.

(D) The resource family and their authorized representative are free to make written notes from the record or obtain copies of available documents. A resource family or their authorized representative are not charged for copies of documents made for the purpose of the hearing preparation or presentation.

"Administrative hearing officer" (AHO) means:

(A) the professional staff member of the Appeals Unit who has been designated by the Appeals Unit supervisor to conduct an administrative hearing and issue a decision; or

(B) a lawyer who has a contract with DHS to preside over administrative hearings and issue a decision.

"Appeals Committee" means the committee which makes the hearing decision, consisting of the AHO who presided over a hearing, the division director of the affected program or designee, and the Appeals Unit supervisor. The Director of DHS has the authority to alter the members as he or she deems appropriate.

"Appeals Unit" means the unit established within the Legal Division which is responsible for conducting administrative hearings.

"Authorized representative" means a person authorized by the resource family to represent them in the hearing process.

(A) Any party may be represented by a lawyer, or legal intern, licensed to practice by the Supreme Court of Oklahoma.

(B) A party may be represented by a non-lawyer.

(C) If the representative is not a lawyer, DHS verifies the authority of the person to represent the resource family through verbal or written authorization of the resource family.

"DHS" means the Oklahoma Department of Human Services.

"Hearing" means the process by which the AHO obtains evidence and makes a decision regarding the protested action, or failure to act, by DHS.

"Hearing summary" is a document stating the reasons for DHS' action or inaction. It provides the resource family with information needed to prepare for the hearing.

"Local office" means any office in any division or unit of DHS which is responsible for the act, or failure to act, which is the subject of the hearing.

"Local staff member" means the particular staff member who was responsible for the protested action, or failure to act, and who represents DHS in activities during the time period extending from the resource family's request for a hearing through any needed action following the decision on the hearing.

"OAC" means the Oklahoma Administrative Code, which contains the regulations promulgated by each state agency.

"Official record" means records consisting of:

(A) all evidence offered for introduction at the hearing;

(B) an electronic recording of the hearing; and

(C) the hearing decision.

"Resource family" means an adoptive or foster home, including kinship.

"Substantial evidence" means evidence which shows that there is a substantial basis of facts to support the decision being appealed. Substantial evidence need not rise to the level of a preponderance of the evidence, but must be more than a scintilla of evidence.

340:2-5-93. Time

In computing any period of time prescribed or allowed by this Part, the day of the act, or event, from which the designated period of time begins to run is not included. The last day of the period so computed is included, unless it is a weekend, or a legal holiday as defined by the Oklahoma Statutes.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-94. Hearing request

A hearing request is a written expression by a resource family or authorized representative that the resource family wants to contest a Department of Human Services (DHS) action, or failure to act, through the hearing process. The request must be written on Form H-4, Resource Family Request for Fair Hearing, and signed by the resource family or authorized representative.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-95. Appeals Unit action following receipt of a hearing request

(a) Upon receipt of a hearing request, the Appeals Unit supervisor assigns the case to an administrative hearing officer (AHO) who determines if:

- (1) the hearing request was made timely. A hearing request is considered timely if the hearing request was in writing, signed by the resource family or authorized representative, and received by the Department of Human Services (DHS) within 30 days of the action, or failure to act, which is being appealed; and
- (2) the appeal relates to an appealable issue. Issues on which an appeal can be granted are described at OAC 340:2-5-91.

(b) If a hearing request is both timely and relates to an appealable issue, the Appeals Unit mails the notice of hearing to the resource family. Copies of this notification are sent to the local office or State Office, as appropriate, and the authorized representative, if any.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-96. Hearing summary

(a) As soon as a request for a hearing is received, the child welfare worker, Children and Family Services Division (CFSD) program staff responsible for the Adoption Assistance Program, or Developmental Disabilities Services Division programs manager, as applicable, prepares the hearing summary on Form H-1-A, Hearing Summary. The areas that are covered include:

- (1) the type of decision, action, or inaction on the part of the local office;
- (2) nature of resource family's complaint;
- (3) point at issue, exactly what the resource family is appealing;
- (4) chronological summary of pertinent events and evidence leading to the action or inaction;

- (5) policy including:
 - (A) verbatim quotations from the manual regarding the policy on which the decision was based; or
 - (B) copies of applicable policy with the pertinent portions marked;
- (6) evidence and pertinent documents supporting the action of the local office; and
- (7) any other items required by the Department of Human Services (DHS) regulations.

(b) A copy of Form H-1-A is mailed or hand-delivered to the resource family as soon as a copy of the notification of the hearing date is received from the Appeals Unit.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-97. Communications with the administrative hearing officer (AHO)

Following a hearing request, there is no contact regarding the merits of the case between the AHO and a person with an interest in the case unless there is notice to all parties and an opportunity to participate in the communications, except:

- (1) when necessary to the disposition of the case;
- (2) on matters of an informational or procedural nature; or
- (3) the AHO may contact the local office in order to obtain information regarding the timeliness of the hearing request or whether an appealable issue exists.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-98. Hearing continuance, withdrawal, and dismissal

(a) Continuance of hearing.

(1) **Additional evidence.** At the conclusion of a hearing, the administrative hearing officer (AHO) may determine that additional evidence is needed before a final decision can be made. If so, the AHO may continue the hearing and direct the parties to submit any additional evidence the AHO deems necessary. The AHO may set time limits for the submission.

(2) **Scheduling.** If the AHO is informed, in advance of a hearing, that the resource family, authorized representative, or Department of Human Services (DHS) needs a continuance, the AHO continues the hearing if good cause is shown.

(b) **Withdrawal of request for hearing.** A resource family or authorized representative may withdraw a hearing request in writing, signed by the resource family or authorized representative.

(c) **Dismissal of hearing request.** If the resource family or authorized representative fails to appear for the scheduled hearing and fails to submit sufficient evidence to establish good cause for failure to appear, the AHO issues a letter of decision dismissing the request for hearing.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-99. Presence of Department of Human Services (DHS) employees or DHS records at hearings

An administrative hearing officer (AHO) does not have the authority to issue subpoenas for the presence of witnesses or production of evidence at hearings.

- (1) An AHO, at the request of a resource family, authorized representative, or on his or her own motion, may require the presence or production at a hearing of:
 - (A) a particular DHS employee;
 - (B) DHS records; or
 - (C) other evidence in the possession of DHS.
- (2) A resource family's request for the presence of a DHS employee, DHS records, or other evidence, is granted by the AHO only if the resource family shows that the presence of the DHS employee or evidence is:
 - (A) relevant to the issues involved in the hearing;
 - (B) necessary for determination of the issues; and
 - (C) not confidential pursuant to state or federal law.
- (3) If the AHO determines that a DHS employee needs to be present, or the records or evidence in DHS possession are to be produced at the hearing, the AHO gives notice to the DHS employee or office where the evidence is located of the date, time, and location of the hearing.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-100. Standard of review and burden of proof

(a) **Standard of review.** The administrative hearing officer (AHO) determines whether the Department of Human Services (DHS) action is supported by substantial evidence and not contrary to the applicable law.
(b) **Burden of proof.** The party who seeks to alter the status quo has the burden of proof.

- (1) The burden of proof is on a resource family to show that adoption assistance or foster care payments should be granted or increased.
- (2) The burden of proof is on DHS to show that:
 - (A) a foster care home should be closed;
 - (B) a foster child should not be returned to the foster home after the conclusion of an investigation; or
 - (C) there has been an overpayment of adoption assistance or foster care payments.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-101. Hearing procedures

(a) **Hearings.** All hearings scheduled by the Appeals Unit are conducted by an administrative hearing officer (AHO), who:

- (1) designates the hearing location;
- (2) administers oaths;
- (3) conducts the hearing in an orderly manner;

- (4) ensures all relevant evidence is considered; and
- (5) rules on the admissibility of evidence.

(b) Hearings are not open to the public.

- (1) In order to protect the confidential nature of case material and the relationship between the resource family and the Department of Human Services (DHS) and in order to protect the identity of children and their privacy, hearings are not open to the public.
- (2) No one other than the resource family, the authorized representative, and the DHS representative are permitted to attend the hearing, without permission of the AHO.

(c) Pre-hearing conference.

- (1) A conference may be conducted by the AHO prior to the hearing. The purpose of the pre-hearing conference is to reduce the actual amount of time spent in the hearing. In the pre-hearing conference the AHO identifies all:

- (A) witnesses;
- (B) exhibits; and
- (C) issues to be covered in the hearing.

- (2) The AHO determines if the pre-hearing conference is to be recorded. The conference may be conducted by phone.

(d) Recording the hearing.

- (1) The AHO is responsible for arranging for the hearing to be recorded. The hearing may be recorded electronically or by a certified court reporter.
- (2) The AHO's recording of the hearing is the official recording. However, the resource family or authorized representative may provide his or her own recording device for use during the hearing unless such recording is disruptive. In no case is the hearing videotaped.
- (3) Upon written request to the Appeals Unit, DHS provides the resource family or authorized representative a copy of the:
 - (A) tape recording of the hearing. A transcript of the recording is provided only when required by federal or state law; or
 - (B) court reporter's transcript.

(e) Order of presentation.

- (1) The AHO directs the order of presentation of evidence.
- (2) When presentation of the evidence is complete, the AHO allows closing statements.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-102. Evidence

(a) In general.

- (1) The Rules of Evidence are not observed.
- (2) Evidence is admitted if it is the kind of evidence upon which reasonable persons are accustomed to rely on in the conduct of serious affairs.
- (3) Evidence which may reasonably be construed as relevant and which is not otherwise unduly repetitious is admitted.

(b) Specific evidentiary issues.

(1) Documentary evidence may be received in the form of copies or excerpts if the original is not readily available. Upon request, all parties are given an opportunity to compare the copy with the original.

(2) Evidence normally stored in electronic form may be printed and introduced as if the printed page was the original. Electronic evidence includes, but is not limited to:

(A) Department of Human Services (DHS) records;

(B) e-mail; and

(C) Internet pages.

(3) When all parties stipulate to a fact, the administrative hearing officer (AHO) may make a finding of fact on the basis of the stipulation.

(4) Judicial notice.

(A) Law. Judicial notice is taken by the AHO of the common law, constitutions, statutes, and administrative regulations in force in every state, territory, and jurisdiction of the United States.

(B) Facts.

(i) A judicially noticed adjudicative fact is not subject to reasonable dispute. It is either:

(I) generally known within the state; or

(II) capable of accurate and ready determination by reference to sources whose accuracy cannot reasonably be questioned.

(ii) An AHO may take judicial notice of a fact:

(I) if requested by a party and supplied with the necessary information; or

(II) on his or her own motion.

(C) Propriety. In determining the propriety of taking judicial notice of a matter:

(i) the AHO may consult and use any source of pertinent information, whether or not furnished by a party;

(ii) a party is entitled, upon timely request, to have an opportunity to be heard as to the propriety of taking judicial notice and the scope of the matter noticed. In the absence of prior notification, the request may be made after judicial notice has been taken; and

(iii) judicial notice may be taken at any stage of the proceeding.

(5) Hearsay.

(A) Hearsay is evidence regarding a statement made outside of the hearing by a person not present at the hearing and which is offered to prove the truth of the statement.

(B) Hearsay evidence is not excluded because of its hearsay nature but is admitted or excluded based upon the

standards listed in (C) and (D) of this paragraph.

(C) Admissibility and weight of hearsay evidence is explained in (i) - (iii) of this subparagraph.

(i) Generally, evidence is admissible if it is the kind of evidence upon which reasonable persons are accustomed to rely on in the conduct of serious affairs.

(ii) Unlike judicial proceedings in which certain classes of hearsay evidence are automatically excluded due to concerns over the hearsay's reliability, no class of hearsay evidence is automatically excluded in administrative proceedings.

(iii) Once hearsay evidence has been admitted, it is still necessary for the AHO to decide what weight should be given to the evidence.

(D) Even if hearsay evidence is admitted and accorded great weight, an administrative decision may not be based solely on hearsay.

340:2-5-103. Hearing decision

(a) The Appeals Committee.

(1) The Appeals Committee makes the hearing decision.

(2) Unless otherwise designated by the Director of the Department of Human Services (DHS), the Appeals Committee consists of the:

(A) administrative hearing officer (AHO) who presided over the hearing;

(B) director of the DHS division which administers the program which was the subject of the hearing. The division director may delegate this responsibility to someone in the division at the level of program administrator; and

(C) Appeals Unit supervisor.

(3) No member of the Appeals Committee may obtain information about the case from outside the hearing record.

(4) Any member of the Appeals Committee who was involved in making the decision which is the subject of appeal disqualifies himself or herself from participation.

(A) The division director or program administrator appoints an appropriate substitute from within the division or, if an appropriate substitute is not available within the division, a substitute is appointed by the Appeals Unit supervisor.

(B) The Appeals Unit supervisor appoints a substitute for himself or herself from the Legal Division.

(b) Legal and factual basis of the decision.

(1) The factual basis of the decision is the information that was available to DHS on the date of the decision and, if DHS failed to follow its own rules regarding the gathering of information, the information that would have been available to DHS at the time of the decision had the rules been followed. This information is obtained through:

- (A) hearing testimony;
- (B) exhibits introduced at the hearing; and
- (C) facts or law of which the AHO has taken judicial notice.

(2) The law applied to the case is described in (A) - (C) of this paragraph.

(A) The relevant sections of the Oklahoma Administrative Code (OAC).

(B) Where the OAC is ambiguous or silent on a point critical to the decision, reference to other sources, including state and federal statutes, federal regulations, sub-regulatory material, and case law is appropriate.

(C) No section of the OAC shall be declared invalid.

However, if the validity of any section of the OAC is raised as an issue, the AHO permits arguments concerning that issue so that the issue is preserved for subsequent review.

(c) Making the decision.

(1) Following the hearing, the AHO reviews the evidence and applicable law.

(2) If the AHO concludes that DHS acted correctly, the AHO issues a hearing decision letter on behalf of the Appeals Committee.

(3) If the AHO concludes that DHS acted incorrectly, the AHO refers the case to the Appeals Committee.

(A) The AHO prepares a:

(i) summary of the hearing, which includes the AHO's findings of fact. The findings of fact are binding on each member of the Appeals Committee; and

(ii) vote sheet, which contains the AHO's vote and the reasoning supporting the vote.

(B) The AHO sends the summary, vote sheet, and Appeals Unit file to the member of the Appeals Committee from the division, who reviews the summary and Appeals Unit file prior to voting.

(C) If the vote from the division member is:

(i) favorable to the client, the file is returned to the AHO to issue a decision; or

(ii) unfavorable to the client, the file is sent to the Appeals Unit supervisor to review and vote.

(D) Following the vote by the Appeals Unit supervisor, the file is returned to the AHO to issue a decision in accord with the majority vote of the Appeals Committee.

(d) The Appeals Committee may make a decision:

(1) completely favorable to the client;

- (2) partially favorable to the client;
- (3) completely unfavorable to the client;
- (4) dismissing the hearing request because of client withdrawal or abandonment; or
- (5) dismissing the hearing request because the hearing request does not relate to an appealable issue.

(e) **The Appeals Committee decision must contain:**

- (1) a sufficient explanation of the issues, evidence, findings of fact, and law which are sufficient to inform the parties of the basis for the decision; and
- (2) appeal rights, the action required to appeal, and the time within which such action must be taken.

(f) **The Appeals Committee decision is sent to:**

- (1) the client;
- (2) the authorized representative, if any;
- (3) the local office;
- (4) the DHS State Office programs manager of the program most affected by the decision;
- (5) any other component of DHS which is necessary for implementation of the decision; and
- (6) any other component of DHS which the AHO chooses to notify.

340:2-5-104. Action by local office following receipt of decision

Upon receipt of the Appeals Committee decision, the local office takes, within ten days, any action necessary to implement the decision. If the action necessary to implement the decision takes more than ten days to complete, the reason(s) is documented in the case record by the county director.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-105. Director review of administrative hearing officer (AHO) decision

The decision of the Appeals Committee is subject to review by the Director of the Department of Human Services (DHS). Requests for review of an Appeals Committee decision may be made by a client or authorized representative if a written request for review is received by DHS within 30 days from the date of the hearing decision letter. The decision of the Appeals Committee is not stayed pending the DHS Director's review.

PART 11. CHILD CARE FACILITY LICENSING

340:2-5-110. Legal basis

Sections 405.3, 407, and 408 of Title 10 of the Oklahoma Statutes provide for administrative hearings when the Oklahoma Department of Human Services (DHS):

- (1) denies an application for a license to operate a child care facility;
- (2) revokes a license to operate a child care facility;
- (3) issues an Emergency Order to a child care facility; and
- (4) records an individual on the Child Care Restricted Registry.

340:2-5-111. Hearings conducted by the Oklahoma Department of Human Services (DHS) Legal Services Appeals Unit

The DHS Legal Services Appeals Unit presides over hearings when an appealing party requests a hearing regarding:

- (1) denial of an application for a child care facility license;
- (2) revocation of a child care facility license;
- (3) an Emergency Order relating to a child care facility; and
- (4) recording an individual on the Child Care Restricted Registry.

340:2-5-112. Definitions

The following words and terms, when used in this Part, shall have the following meanings, unless the context clearly indicates otherwise:

"Access to the case file" means the appealing party has the right to review any information used by the Oklahoma Department of Human Services (DHS) in the hearing.

(A) The review may be made at a reasonable time before the date of the hearing.

(B) Access to the case file means access to the appealing party file but does not include the Child Welfare Services records and any report to the district attorney unless ordered released by the administrative hearing officer (AHO). The order is based on a request by the appealing party and, after an in camera review by the AHO, a determination that a compelling reason exists and that disclosure is necessary for the protection of a public or private interest. Any child's name and the reporter's name are removed prior to submitting the information to the AHO.

(C) When a request for file access is made, the local office makes arrangements for the appealing party to review the case file with as much privacy as possible. A supervisory staff member observes the review of the case file to ensure contents of the case file are not removed from the record.

(D) The appealing party is free to make written notes from the record or obtain copies of available documents. An appealing party is not charged for copies of documents made for the purpose of hearing preparation or

presentation.

"Administrative hearing officer (AHO)" means:

(A) the professional staff member of the DHS Legal Services Appeals Unit who is designated by the Appeals Unit supervisor to conduct an administrative hearing and issue a decision; or

(B) a lawyer who has a contract with DHS to preside over administrative hearings and issue decisions.

"Appealing party" means an applicant, licensee, potential registrant, and the authorized representative.

"Appeals Unit" means the unit established within DHS Legal Services, that is responsible for conducting administrative hearings.

"Appeals Unit supervisor" means the person designated by the DHS general counsel to supervise the Appeals Unit.

"Applicant or licensee" means:

(A) an applicant for a license to operate a child care facility; or

(B) the holder of a license to operate a child care facility that was revoked.

"Authorized representative" means a person authorized by the applicant or licensee to represent them in the hearing process.

(A) Any party may be represented by a lawyer or legal intern licensed to practice by the Supreme Court of Oklahoma.

(B) A party may be represented by a non-lawyer.

(C) If the representative is not a lawyer, DHS verifies the authority of the person to represent the appealing party through verbal or written authorization of the appealing party.

"Child Care Services (CCS)" means any office in any division or unit within CCS that is responsible for the act, or failure to act, which is the subject of the hearing request.

"Clear and convincing evidence" means the degree of proof that produced in the AHO a firm belief as to the truth of the allegation sought to be established.

"DHS" means the Oklahoma Department of Human Services.

"Hearing" means the process by which evidence is obtained and a decision is made regarding the DHS action protested.

"Hearings on licensing actions related to child care facilities and child -placing agencies" means:

(A) the process to review a DHS decision on denial or revocation of a license for a child care facility or child-placing agency; or

(B) hearings on Emergency Orders to cease operation of a child care facility.

"Hearing request" means a written expression by an appealing party of the desire to contest an action by DHS through the hearing process.

"OAC" means the Oklahoma Administrative Code, which contains the regulations promulgated by each state agency.

"Official record" means:

- (A) all evidence admitted as evidence at the hearing;
- (B) an electronic recording of the hearing, or a transcription of the hearing; and
- (C) the hearing decision.

"Registrant" means an individual recorded on the Child Care Restricted Registry.

340:2-5-113. Time

In computing any period of time prescribed or allowed by this Part, the day of the act, or event, from which the designated period of time begins to run is not included. The last day of the period so computed is included, unless it is a weekend, or a legal holiday as defined by the Oklahoma Statutes.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-114. Hearing request

- (a) A hearing request must be in writing and signed by the appealing party.
- (b) To be considered timely, a hearing request must be received by the Oklahoma Department of Human Services within:
 - (1) 30-calendar days of receipt of the notice of denial or revocation;
 - (2) 10-calendar days of receipt of an Emergency Order; or
 - (3) 30-calendar days of receipt of the notice of recording on the Child Care Restricted Registry.

340:2-5-115. Appeals Unit action following receipt of a hearing request

- (a) Upon receipt of a hearing request, a hearing number is assigned.
- (b) The Appeals Unit supervisor assigns the case to an administrative hearing officer (AHO). The AHO determines if the hearing request:
 - (1) was made timely; and
 - (2) involves an appealable issue. An issue is appealable only if the Oklahoma Department of Human Services notified the appealing party in writing that:
 - (A) an application for a child care facility license is denied;
 - (B) a child care facility license is revoked;
 - (C) an Emergency Order was issued; or
 - (D) an individual received notice of his or her name being recorded on the Child Care Restricted Registry.
- (c) When a hearing request is both timely and relates to an appealable issue the:
 - (1) AHO sets a hearing date. In appeals of Emergency Orders, the hearing must be held within 10-calendar days of receipt of the

appealing party's request for a hearing;
(2) Appeals Unit supervisor designates an AHO; and
(3) Appeals Unit mails the notice of hearing to the appealing party. Copies of this notification are sent to Child Care Services, appropriate supervisory staff, and the authorized representative, if any. The notice of hearing is mailed in cases involving:
(A) license denial or revocation, by certified mail not less than 14 calendar days prior to the hearing date, unless waived by the appealing party;
(B) appeals of Emergency Orders, notice is given as far in advance of the hearing date as possible; and
(C) recording on the Child Care Restricted Registry, by certified mail not less than 14 calendar days prior to the hearing date, unless waived by the registrant.

340:2-5-116. Communications with the administrative hearing officer (AHO)

Following a hearing request, there is no direct or indirect contact regarding the merits of the case between the AHO and a person with a direct or indirect interest in the case, unless there is notice to all parties and an opportunity to participate in the communication, except the AHO may:

- (1) be contacted on matters of an informational or procedural nature; or
- (2) contact Child Care Services in order to obtain information regarding:
 - (A) timeliness of the hearing request; or
 - (B) if an appealable issue exists.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02 ; Amended at 33 Ok Reg 1587, eff 9-15-16]

340:2-5-117. Hearing continuance, withdrawal, and dismissal

(a) Continuance of hearing.

(1) **Additional evidence.** At the conclusion of a hearing, the administrative hearing officer (AHO) may determine that additional evidence is needed before a final decision can be made. If so, the AHO may continue the hearing and direct the parties to submit any additional evidence deemed necessary. The AHO may set time limits for the submission.

(2) **Scheduling.** If the AHO is informed, in advance of a hearing, that the appealing party or the Oklahoma Department of Human Services needs a continuance, the AHO continues the hearing when good cause is shown.

(b) **Withdrawal of request for hearing.** An appealing party may withdraw a hearing request in writing, signed by the appealing party.

(c) **Dismissal of hearing request.** When the appealing party fails to appear for the scheduled hearing and fails to submit sufficient evidence to establish good cause for failure to appear at the appointed time, the

AHO issues a letter of decision. The letter advises the appealing party that the request for the hearing has been dismissed and Child Care Services will take action to implement the decision.

340:2-5-118. Presence of Oklahoma Department of Human Services (DHS) employees or DHS records at hearings

An administrative hearing officer (AHO) does not have the authority to issue subpoenas for the presence of people or production of evidence at hearings.

(1) An AHO, at the request of an appealing party or on his or her own motion, may require the presence at a hearing of:

- (A) a particular DHS employee;
- (B) DHS records; and
- (C) other DHS evidence.

(2) An appealing party request for the presence of a DHS employee, DHS documents, or other evidence, is granted by the AHO only when the appealing party shows that the presence of the DHS employee or evidence is:

- (A) relevant to the issues involved in the hearing;
- (B) necessary for determination of the issue;
- (C) not otherwise obtainable by the appealing party; and
- (D) not confidential pursuant to state or federal law.

(3) When the AHO determines that a DHS employee needs to be present, or the records or evidence in DHS possession are to be produced at the hearing, the AHO gives notice to the DHS employee or office where the evidence is located of the date, time, and location of the hearing.

340:2-5-119. Standard of review and burden of proof

(a) **Standard of review.** The administrative hearing officer (AHO) determines whether the Oklahoma Department of Human Services (DHS) action is supported by clear and convincing evidence and not contrary to the applicable law.

(b) **Burden of proof.** The party who seeks to alter the status quo has the burden of proof. The burden of proof is on:

- (1) an applicant to show that the applicant is eligible to receive a child care facility license;
- (2) DHS to show that a child care facility license should be revoked;
- (3) DHS to show that the issuance of an Emergency Order was necessary to protect the health, safety, or welfare of a child receiving child care; and
- (4) DHS to show that the person should be recorded on the Child Care Restricted Registry.

340:2-5-120. Hearing procedures

(a) **Hearings.** All hearings scheduled by the Appeals Unit are conducted by an administrative hearing officer (AHO), who:

- (1) designates the hearing location;
- (2) administers oaths;
- (3) conducts the hearing in an orderly manner;
- (4) rules on the admissibility of evidence; and
- (5) takes such action as the AHO deems necessary to reach a proper disposition of the case.

(b) **Hearings are not open to the public.**

(1) In order that the confidential nature of case material and the relationship between the appealing party and the Oklahoma Department of Human Services (DHS) is maintained, hearings are not open to the public.

(2) With approval of the AHO, in addition to the appealing party and the local office representative, persons permitted to attend the hearing are:

- (A) persons invited by the appealing party;
- (B) witnesses, subject to the AHO's direction that witnesses are excluded from the hearing prior to their testimony; and
- (C) any member of the Child Care Advisory Committee who wants to attend the hearing.

(c) **Pre-hearing conference.** A conference may be conducted by the AHO prior to the formal beginning of a hearing. The pre-hearing conference is not recorded.

(d) **Recording the hearing.**

(1) The AHO is responsible for arranging for the hearing to be recorded. The hearing may be recorded electronically or by a certified court reporter.

(2) The AHO's recording of the hearing is the official recording. The appealing party may provide his or her own recording device for use during the hearing if such recording is not disruptive. Videotaping is not allowed.

(3) Upon written request to the Appeals Unit, DHS provides the appealing party a copy of the:

- (A) tape recording of the hearing. A transcript of the recording is provided only when required by federal or state law; or
- (B) court reporter's transcript.

(e) **Sequestration of witnesses.** The AHO may require that any witness, other than the appealing party or the Child Care Services representative, absent himself or herself from the hearing room except when the witness is testifying.

(f) **Presentation of the case.**

(1) The AHO directs the order of presentation of the case.

(2) When presentation of the evidence is complete, the AHO allows closing statements.

(3) The AHO renders a decision immediately following closing statement.

340:2-5-121. Evidence

(a) In general.

- (1) Formal rules of evidence are not observed.
- (2) Evidence is admitted if it is the kind of evidence upon which reasonable persons are accustomed to rely on in the conduct of serious affairs.
- (3) Evidence which may reasonably be construed as relevant and which is not otherwise unduly repetitious is admitted. Evidence which is irrelevant or unduly repetitious may be excluded.

(b) Specific evidentiary issues.

- (1) Documentary evidence may be received in the form of copies or excerpts if the original is not readily available. Upon request all parties are given an opportunity to compare the copy with the original.
- (2) Evidence normally stored in electronic form may be printed and introduced as if the printed page was the original. Electronic evidence includes, but is not limited to:

- (A) Department of Human Services (DHS) records;
- (B) e-mail; and
- (C) Internet pages.

(3) When all parties stipulate to a fact, the administrative hearing officer (AHO) may make a finding of fact on the basis of the stipulation.

(4) Judicial notice.

(A) Law. Judicial notice is taken by the AHO of the common law, constitutions, statutes, and administrative regulations in force in every state, territory, and jurisdiction of the United States.

(B) Facts.

(i) A judicially noticed fact is not subject to reasonable dispute. It is either:

- (I) generally known within the state; or
- (II) capable of accurate and ready determination by reference to sources whose accuracy cannot reasonably be questioned.

(ii) An AHO may take judicial notice of a fact:

- (I) if requested by a party and supplied with the necessary information; or
- (II) on his or her own motion.

(C) Propriety. In determining the propriety of taking judicial notice of a matter:

- (i) the AHO may consult and use any source of pertinent information, whether or not furnished by a party;

- (ii) a party is entitled, upon timely request, to an opportunity to be heard as to the propriety of taking judicial notice and the scope of the matter noticed; and
- (iii) judicial notice may be taken at any stage of the proceeding.

(5) Hearsay.

- (A) Hearsay is evidence regarding a statement made outside of the hearing by a person not present at the hearing and which is offered to prove the truth of the statement.
- (B) Hearsay evidence is not excluded because of its hearsay nature but is admitted or excluded based upon the standards set forth below.
- (C) Admissibility and weight of hearsay evidence is explained in (i) - (iii) of this subparagraph.
 - (i) Generally, evidence is admissible if it is the kind of evidence upon which reasonable persons are accustomed to rely on in the conduct of serious affairs.
 - (ii) Unlike judicial proceedings in which certain classes of hearsay evidence are automatically excluded due to concerns over the hearsay's reliability, no class of hearsay evidence is automatically excluded in administrative proceedings.
 - (iii) Once hearsay evidence has been admitted, it is still necessary for the decision maker to decide what weight should be given to the evidence.
- (D) Even if hearsay evidence is admitted and accorded great weight, an administrative decision may not be based solely on hearsay.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-122. Hearing decision

- (a) The factual basis of the decision is information that was available to the Oklahoma Department of Human Services (DHS) on the date of the decision and, if DHS failed to follow its own rules regarding the gathering of information, the information that would have been available to DHS at the time of the decision had the rules been followed. This information is obtained through:
 - (1) hearing testimony;
 - (2) exhibits admitted as evidence at the hearing; or
 - (3) facts or law of which the administrative hearing officer (AHO) has taken judicial notice.
- (b) The law applied to the case is described in (1) - (3) of this subsection.
 - (1) The relevant sections of the Oklahoma Administrative Code (OAC) are applied.

(2) Where the OAC is ambiguous or silent on a point critical to the decision, reference to other sources, including state and federal statutes; federal regulations, sub-regulatory material, and case law is appropriate.

(3) The AHO does not declare any Section of the OAC invalid. However, if the validity of any Section of the OAC is raised as an issue, the AHO permits arguments concerning that issue so the issue is preserved for subsequent review.

(c) The AHO renders a decision at the conclusion of the presentation of the case and indicates the decision on the date of the hearing on a form that includes a statement of the applicant's, licensee's, or registrant's appeal rights.

(d) Immediately after pronouncing the decision, the AHO:

(1) requests the appealing party sign the statement on the decision form to acknowledge receipt of the decision; and

(2) provides a copy of the decision to:

(A) the applicant, licensee, or registrant;

(B) the authorized representative, if any;

(C) Child Care Services; and

(D) any other component of DHS that is necessary for implementation of the decision.

340:2-5-123. Action by local office following receipt of decision

The Division of Child Care takes action necessary to implement the decision of the administrative hearing officer. If the action necessary to implement the decision takes more than ten days to complete, the reason(s) is documented in the case record.

[Source: Added at 19 Ok Reg 2199, eff 6-27-02]

340:2-5-124. Appeals to district court

(a) **Revocation or denial.** When the decision of the Oklahoma Department of Human Services (DHS) to revoke or deny a license to operate a child care facility is upheld, the administrative hearing officer (AHO) informs the appealing party that an appeal to district court may be filed within 10-calendar days after the decision is rendered.

(b) **Emergency orders.** When the DHS decision is upheld, the AHO informs the appealing party that an appeal may be filed in the district court within 10-calendar days after the decision is rendered.

(c) **Recording on Child Care Restricted Registry.** When the DHS decision is to record an individual on the Child Care Restricted Registry, the AHO informs the registrant that an appeal to district court may be filed within 10-calendar days after the decision is rendered.

SUBCHAPTER 7. OFFICE OF INSPECTOR GENERAL

PART 1. RESPONSIBILITIES AND FUNCTIONS

340:2-7-1. Purpose, scope, and authority

(a) **Purpose and scope.** The purpose of this Subchapter is to outline the responsibilities and functions of the Office of Inspector General (OIG). OIG is charged with oversight and preservation of the integrity of Oklahoma Department of Human Services (OKDHS) programs and services through prevention, investigation, and detection of waste, fraud, and abuse. OIG also investigates other criminal activity against OKDHS or its programs that is not defined as fraud. OIG is responsible for auditing grant recipients and vendors, as well as OKDHS divisions and units for program compliance and performance.

(b) **Authority.** OIG was established in 1979 and functions under:

- (1) Part 235.100 of Title 45 of the Code of Federal Regulations (45 CFR 235.110);
- (2) 7 CFR 273.16;
- (3) 42 CFR 455.12-23; and
- (4) Section 162.4 of Title 56 of the Oklahoma Statutes (56 O.S. § 162.4).

340:2-7-2. Definitions

The following words and terms, when used in this Subchapter, shall have the following meanings, unless the text clearly indicates otherwise:

"Abuse" means to make excessive or improper use of a thing, or to employ it in a manner contrary to the material or legal rules for its use; to make an extravagant or excessive use, as to abuse one's authority. Abuse may also occur through expressive carelessness in following written instructions or policy or in failing to take proper action that results in improper payments for public assistance, food benefits, vendor payments, or claims processing. Abuse through expressive carelessness may occur in eligibility determination, supervision review, data processing, claims processing, or program interpretation.

"Fraud" means the willful use of a deceitful practice or willful device with the intent to deprive another of his or her rights or to do the individual injury in some manner. As distinguished from negligence, fraud is always intentional. Fraud applied to contracts is the cause of an error on a material part of the contract designed to obtain some unjust advantage to one party or cause an inconvenience or loss to the other. Fraud, in the sense of a court of equity, properly includes all acts, omissions, and concealments that involve a breach of legal or equitable duty, trust, or confidence justly reposed, and are injurious to another, or by which an undue and unscrupulous advantage is taken of another.

PART 3. AUDITS OF GRANT RECIPIENTS AND SUBRECIPIENTS

340:2-7-25. Purpose

The purpose of this Part is to describe the rules governing required audits of grant recipients and subrecipients contracted by the Oklahoma Department of Human Services (OKDHS) to perform services for OKDHS and its clients.

[Source: Added at 12 Ok Reg 3520, eff 6-16-95 (emergency); Added at 13 Ok Reg 2597, eff 6-28-96 ; Amended at 30 Ok Reg 620, eff 7-1-13]

340:2-7-26. Selection of auditors

When a grant recipient or subrecipient contracted by the Oklahoma Department of Human Services selects an independent auditor to perform a required audit, the auditor is required to be a certified public accountant, a registered municipal accountant, or a licensed public accountant licensed prior to December 31, 1970.

[Source: Added at 12 Ok Reg 3520, eff 6-16-95 (emergency); Added at 13 Ok Reg 2597, eff 6-28-96 ; Amended at 30 Ok Reg 620, eff 7-1-13]

340:2-7-27. Audit scope

(a) **Audit work requirements.** Required audits of grant recipients and subrecipients contracted by the Oklahoma Department of Human Services (OKDHS) must be organization-wide audits. Each OKDHS program area must ensure compliance with audit requirements and include audit requirements in its standard contract agreements. Audit work must meet:

- (1) applicable Government Auditing Standards established by the United States Government Accountability Office;

- (2) auditing directives specified in circulars issued by the United States Office of Management and Budget;
- (3) standards issued by the Financial Accounting Standards Board; and
- (4) standards issued by the American Institute of Certified Public Accountants.

(b) **Audit completion.** All audit work and report requirements must be completed no later than nine months from the fiscal year end of the recipient or subrecipient. An OKDHS division may require audit work and reporting requirements to be completed in a shorter time frame when stipulated by contract.

(c) **Audit working papers.** All audit working papers:

- (1) must be kept on file for three years or until all questioned items have been resolved;
- (2) must be available for inspection by the audited organization, the federal and state funding agency, and other authorized individuals; and
- (3) may be reviewed by the OKDHS Audit Oversight Committee.

340:2-7-28. Audit report (report) content

The audit report includes all reports required by the standards listed in Oklahoma Administrative Code 340:2-7-27(a) and any contractually specified requirements. The grant recipient or subrecipient submits the completed audit report to the Office of Inspector General within 30-calendar days of the report's issuance. The report may be emailed or sent by paper copy to the Internal Audit Administrator. When the grant recipient or subrecipient submits the report by paper copy, two copies of the report are sent to Internal Audit Administrator, Oklahoma Department of Human Services, Office of Inspector General, P.O. Box 25352, Oklahoma City, Oklahoma 73125. When noncompliance with grant agreement terms and conditions or with state and federal laws and regulations is reported, a plan for corrective action accompanies the audit report. The plan ensures corrective measures are completed within six months.

SUBCHAPTER 8. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) PRIVACY RULE

340:2-8-1. Legal basis, purpose, and hybrid designation

(a) Part 160, Sections 160.101 through 160.552, and Subparts A, Sections 164.102 through 164.106, and E, Sections 164.500 through 164.534 of Part 164 of Title 45 of the Code of Federal Regulations (C.F.R.) constitute the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule that provides protection for the privacy of health information.

(b) The purpose of this Subchapter is to describe the Oklahoma Department of Human Services (DHS) privacy policies contained in the HIPAA Privacy Rule. DHS privacy policies are intended to:

- (1) protect clients' medical records and other personal health information;
- (2) give clients more control over their protected health information (PHI);
- (3) set boundaries on the use and disclosure of PHI; and
- (4) hold violators accountable.

(c) Employees who violate DHS privacy policies are disciplined, per DHS:2-1-7(i)(2)(A) and may be subject to sanctions set forth by the Department of Health and Human Services.

(d) DHS is designated as a HIPAA hybrid entity.

(1) DHS is a single legal entity comprised of several components, some of which provide HIPAA-covered functions. Therefore, DHS is a hybrid entity that provides both HIPAA-covered and non-covered functions as part of its business operations.

(2) DHS Developmental Disabilities Services, the ADvantage Administration Unit, Office of Inspector General, and Adult and Family Services are designated by DHS as covered components of the hybrid entity, per Section 164.105(a)(2)(iii)(C) of Title 45 of the C.F.R. All other DHS components are not HIPAA-covered.

340:2-8-2. Definitions

The following words and terms, when used in this Subchapter shall have the following meanings, unless the context clearly indicates otherwise:

"Authorization" means, per Section 164.508(c) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 164.508(c)), a document that contains:

- (A) a description of the information to be used or disclosed that identifies the information in a specific and meaningful fashion;
- (B) the name or other specific identification of the person(s) or class of persons authorized to make the requested use or disclosure;

(C) the name or other specific identification of the person(s) or class of persons to whom the Oklahoma Department of Human Services DHS may make the requested use or disclosure;

(D) a description of each purpose of the requested use or disclosure. The statement "at the request of the individual" is a sufficient description of the purpose when an individual initiates the authorization and does not or, elects not to provide, a statement of the purpose;

(E) an expiration date or an expiration event that relates to the individual or the purpose of the use or disclosure. The statement "end of the research study," "none," or similar language is sufficient when the authorization is for a use or disclosure of protected health information (PHI) for research, including the creation and maintenance of a research database or research repository;

(F) the individual's signature and date. When the authorization is signed by the individual's personal representative, a description of the representative's authority to act for the individual must be provided; and

(G) the individual's right to revoke the authorization in writing.

"Covered function" means, per 45 C.F.R. § 164.103, a covered entity function of which the performance makes the entity a health plan, health care provider, or health care clearinghouse. Determination of SoonerCare (Medicaid) eligibility and coverage are DHS-covered functions.

"Disclosure" means, per 45 C.F.R. § 160.103, the PHI release to another entity or individual.

"Health care component" means, per 45 C.F.R. § 164.103, a component or combination of components of a hybrid entity designated by a hybrid entity, per 45 C.F.R. § 164.105(a)(2)(iii)(D).

"Health care operations" means, per 45 C.F.R. § 164.501, certain administrative, financial, legal, and quality improvement activities that are necessary to run and support an organization's core treatment and payment functions. Some common activities include quality assessment activities, case management, care coordination, and fraud and abuse investigations.

"Health information" means, per 45 C.F.R. § 160.103, any information including genetic information, whether verbalized or recorded in any form or medium that:

(A) is created or received by a health care plan, health care provider, health care clearinghouse, public health authority, employer, life insurer, or school or university; and

(B) relates to the past, present, or future:

(i) physical or mental health or condition of an individual;

(ii) provision of health care to an individual; or

(iii) payment for the provision of health care to an individual.

"Hybrid entity" means, per 45 C.F.R. § 164.103, a single legal entity:

- (A) that is a covered entity;
- (B) whose business activities include both covered- and non-covered functions; and
- (C) that designates health care components, per 45 C.F.R. § 164.105(a)(2)(iii)(D).

"Individually identifiable health information" means, per 45 C.F.R. § 160.103, information that is a subset of health information, including demographic information collected from an individual, and:

- (A) is created or received by a health plan, health care provider, health care clearinghouse, or employer;
- (B) relates to the past, present, or future:
 - (i) physical or mental health or condition of an individual;
 - (ii) provision of health care to an individual; or
 - (iii) payment for the provision of health care to an individual; and
- (C) identifies the individual or there is a reasonable basis to believe the information can be used to identify him or her.

"Payment" means, per 45 C.F.R. § 164.501, the activities undertaken by a:

- (A) health plan or health care provider to obtain or provide reimbursement for the provision of health care; or
- (B) health plan to obtain premiums or to determine or fulfill its responsibility for coverage and provision of benefits under the health plan, except as prohibited, per 45 C.F.R. § 164.502(a)(5)(i).

"Personal representative" means, per 45 C.F.R. § 164.502, an individual, who:

- (A) is a parent, legal guardian, or legal custodian appointed by a court;
- (B) has the authority to act on behalf of a deceased individual or his or her estate;
- (C) is given authority to act on behalf of an individual with regard to health care through a power of attorney, medical directive, or guardianship; or
- (D) is designated by an adult as his or her personal representative with regard to health care. A personal representative is treated the same as the client is treated.

"Privacy notice" means, per 45 C.F.R. § 164.520(b), a form that notifies an individual:

- (A) how DHS handles his or her health information; and
- (B) what his or her rights are regarding protected health information.

"Protected health information (PHI)" means, per 45 C.F.R. § 160.103, any health-related information that is used to individually identify a person by virtue of its containing one or more individual identifiers, such as name, Social Security number, phone number, case number, or postal Zip code, and applies to information transmitted or

maintained in any form or medium, including electronic, paper, or verbal.

"Treatment" means, per 45 C.F.R. § 164.501, the provision, coordination, or management of health care and related services. This includes consultation between health care providers regarding a client or the referral of a client from one health care provider to another.

"Use" means with respect to PHI, per 45 C.F.R. § 160.103, the sharing, employment, application, utilization, examination, or analysis of information within an entity that maintains such information.

340:2-8-4. Client rights to access personal health information (PHI)

(a) Oklahoma Department of Human Services (DHS) clients, per Section 164.524 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 164.524), have the right to:

(1) access, inspect, and obtain a copy of their own PHI in DHS files or records consistent with federal and state law, except for:

(A) psychotherapy notes that are not specifically released by the originator of the notes; and

(B) information compiled for use in civil, criminal, or administrative proceedings;

(2) rebut a denial of access to their PHI by requesting a review in writing to the DHS privacy officer. When a client requests a review, the DHS privacy officer promptly acts on his or her request and arranges for the review;

(3) receive an accounting of disclosures DHS made of their PHI for up to six years prior to the requesting date by completing Form 13HI004E, Request for Accounting of Disclosures. This does not include disclosures made for the purposes of treatment, payment, or health care operations activities or of PHI previously authorized by the client for use or disclosure. After receiving Form 13HI004E, DHS staff completes and sends Form 13HI005E, Accounting of Disclosures, to the client within 60-calendar days of receiving the request; and

(4) submit complaints if they believe or suspect that DHS improperly used or disclosed their PHI. When a client or his or her personal representative submits a complaint, per Oklahoma Administrative Code 340:2-8-9, DHS staff gives the client the DHS privacy officer's name and phone number. The privacy officer:

- (A) reviews the complaint;
 - (B) makes a decision regarding the complaint;
 - (C) documents the decision; and
 - (D) informs the client of the decision in writing.
- (b) Clients may ask DHS to take specific actions regarding the use or disclosure of their PHI, per 45 C.F.R. § 164.522, and DHS may approve or deny the request. Specifically, clients have the right to request that DHS:
- (1) restrict uses and disclosures of their PHI for treatment, payment, and operations;
 - (2) provide information by alternative means, such as email, fax, mail, or phone, or at alternative locations by completing Form 13HI006E, Request for Alternative Means of Communication. DHS terminates the agreement to communicate by alternative means, when:
 - (A) the client agrees to or requests termination; or
 - (B) DHS is unable to contact the client by the method requested or at the designated location; and
 - (3) amend their PHI, per 45 C.F.R. § 164.526 by completing Form 13HI007E, Request for Amendment of Protected Health Information.
 - (A) When DHS grants the amendment, DHS staff:
 - (i) makes the appropriate amendment to the client's PHI;
 - (ii) provides timely notice to the client that the amendment was accepted; and
 - (iii) seeks the client's agreement to notify other relevant persons or agencies with whom DHS has cause to share the amended information.
 - (B) DHS denies the client's request for amendment, when the information:
 - (i) did not originate from DHS, unless the client provides a reasonable basis to believe that the originator of such information is no longer available to act on the requested amendment; or
 - (ii) is accurate and complete.
 - (C) When DHS staff denies the amendment, a written denial is sent to the client explaining the reason for the denial within 60-calendar days of the request for an amendment. The denial explains the client's right to submit a written statement disagreeing with the denial and how to file the statement. When the client files a statement disagreeing with the denial, DHS staff has the right to complete a written rebuttal to the client's statement and sends a copy of the rebuttal to the client.
- (c) Clients have the right to receive Form 13HI001E, Privacy Notice.

340:2-8-5. Privacy officer

(a) The Oklahoma Department of Human Services (DHS) designated a privacy officer to perform the required functions, per Section 164.530 of Title 45 of the Code of Federal Regulations. The contact information is: Oklahoma Department of Human Services, Privacy Officer, PO Box 25352, Oklahoma City, Oklahoma 73125.

(b) The privacy officer is responsible for:

(1) developing and implementing DHS privacy policy;

(2) making decisions regarding the use and or disclosure of protected health information (PHI) when requested for the purpose of:

(A) judicial and administrative proceedings;

(B) law enforcement investigations;

(C) research; and

(D) marketing;

(3) reviewing a denial for a client's access to his or her own PHI for reasons indicated in Oklahoma Administrative Code 340:2-8-4(a)(1)(C), and taking appropriate action following the review;

(4) receiving complaints regarding the use or disclosure of PHI from external and internal sources, and taking the appropriate action following the review;

(5) ensuring proper business associate agreements contain the appropriate language and provisions as required by the Privacy Rule; and

(6) receiving complaints regarding business associate activities or practices, and taking appropriate action following the review.

340:2-8-6. Uses and disclosures without authorization

Unless prohibited or limited by federal or state laws, per Section 164.512 of Title 45 of the Code of Federal Regulations, Oklahoma Department of Human Services (DHS) staff may use or disclose protected health information (PHI) without written authorization, per (1) through (11) of this Section.

(1) **Individual access.** DHS staff may disclose information to individuals who request disclosure of their own PHI, per Oklahoma Administrative Code 340:2-8-4(a)(1).

(2) **Required by law.** DHS staff may use or disclose PHI without authorization when the law requires such disclosure and the use or disclosure complies with, and is limited to, the relevant requirements of such law.

(3) **Treatment, payment, or health care operations.** DHS staff may use or disclose PHI without authorization:

(A) for its own treatment, payment, or health care operations; or

(B) to another covered entity or health care provider for the payment activities of the entity that receives the PHI

(4) **Psychotherapy notes.** DHS staff may use or disclose psychotherapy notes generated by DHS:

- (A) in training programs where students, trainees, or practitioners in mental health services learn, under supervision, to practice or improve their skills;
- (B) when a health oversight agency uses or discloses in connection with oversight of the originator of the notes; or
- (C) to the extent authorized under state law to defend DHS in a legal action or other proceeding brought by an individual.

(5) **Public health activities.** DHS staff may disclose an individual's PHI to appropriate entities or persons for governmental public health activities and purposes including, but not limited to, a:

- (A) governmental, public-health authority authorized by law to collect or receive the PHI for the purpose of preventing or controlling disease, injury, or disability. This includes reporting vital events, such as:
 - (i) births and deaths; or
 - (ii) abuse or neglect of a vulnerable adult;
- (B) governmental, public health authority or other appropriate government authority authorized by law to receive child abuse or neglect reports; or
- (C) person who may have been exposed to a communicable disease or may be at risk of contracting or spreading a disease or condition, when DHS is authorized by law to notify such person as necessary in conducting a public health intervention or investigation.

(6) **Health oversight activities.** DHS staff may disclose PHI for health oversight activities authorized by law, including audits; civil, criminal, or administrative investigations, prosecutions, or actions; licensing or disciplinary actions; SoonerCare (Medicaid) fraud; or other activities necessary for oversight.

(7) **Judicial and administrative proceedings.** Unless prohibited by applicable federal and state law, DHS staff may disclose PHI for judicial or administrative proceedings as required by law, in response to a court order, a subpoena, a discovery request, or other lawful process.

(8) **Law enforcement purposes.** DHS staff discloses PHI only when required by federal or state laws.

(9) **Deceased persons.** DHS staff discloses PHI to a coroner or medical examiner only when required by federal or state laws.

(10) **Organ or tissue donation.** When a client is an organ donor, DHS staff may disclose PHI to an entity that participates in transplantation activities.

(11) **To avert a serious threat to health or safety.** DHS staff discloses PHI, when:

- (A) he or she believes in good faith that the PHI is necessary to prevent or lessen a serious or imminent threat to the health or safety of a person or the public; and
- (B) the report is disclosed to a person(s) reasonably able to prevent or lessen a serious or imminent threat to the health or safety of a person or the public, including the

target of the threat.

340:2-8-7. Authorization

- (a) A valid authorization is required to disclose protected health information (PHI) unless it is:
- (1) for the purposes of treatment, payment, or health care operations; or
 - (2) listed in Oklahoma Administrative Code (OAC) 340:2-8-6.
- (b) An authorization is considered valid, when:
- (1) it contains the elements described, per Section 164.508(c) of Title 45 of the Code of Federal Regulations and OAC 340:2-8-2;
 - (2) the expiration date has not passed; and
 - (3) the authorization is signed by the client, parent, guardian, or client's personal representative.
- (c) A client may only revoke an authorization in writing.

[Source: Added at 20 Ok Reg 2907, eff 8-21-03 (emergency); Added at 21 Ok Reg 784, eff 4-26-04 ; Amended at 36 Ok Reg 1777, eff 9-16-19]

340:2-8-8. Disclosures to friends and relatives

- (a) When the client is informed in advance and given the opportunity to agree or to refuse or restrict the disclosure of protected health information (PHI), Oklahoma Department of Human Services (DHS) staff may disclose PHI to the client's friends and relatives to the extent the client allows. The disclosure must only reveal PHI that directly relates to such person's involvement with the client's care or payment for such care.
- (b) When the client is not present, or the opportunity to object to the disclosure cannot practicably be provided due to the client's incapacity or an emergency situation DHS staff determines, using professional judgment, if the disclosure is in the client's best interest. When disclosure is in the client's best interest, the minimum necessary disclosure may be made. When disclosure is not in the client's best interest, no disclosure is made.
- (c) Verbal permission to disclose PHI to friends and relatives is not sufficient when the client is referred to or receiving substance abuse treatment, mental health, or vocational rehabilitation services. Written authorization is required under those circumstances.

[Source: Added at 20 Ok Reg 2907, eff 8-21-03 (emergency); Added at 21 Ok Reg 784, eff 4-26-04 ; Amended at 36 Ok Reg 1777, eff 9-16-19]

340:2-8-9. Personal representative

- (a) A personal representative must be authorized under state law or by the client to act in the client's behalf with respect to use or disclosure of protected health information (PHI).
- (1) Personal representatives may include:

- (A) an individual granted durable power of attorney for health care;
- (B) an individual appointed as a health care proxy;
- (C) a court appointed guardian who has authority over the care and management of the person, estate, or both;
- (D) a court appointed executor or administrator of a deceased individual's estate;
- (E) an Oklahoma Department of Human Services (DHS) Adult Protective Services employee investigating the abuse or neglect of an alleged vulnerable adult;
- (F) a DHS Child Welfare Services employee who is responsible for a child in DHS custody; or
- (G) a DHS Office of Client Advocacy employee.

(2) A parent, legal guardian, or legal custodian appointed by a court may act as a minor's personal representative except when the minor acts on his or her behalf, per (A) through (G) of this paragraph. A minor acts on his or her own behalf when he or she:

- (A) is married;
- (B) has a dependent child;
- (C) is emancipated;
- (D) is separated from his or her parents or legal guardian and is not supported by them;
- (E) is or was pregnant; or
- (F) is seeking confidential treatment, diagnosis, or prevention services for a communicable disease or drug or alcohol use or abuse.

(b) DHS treats a personal representative the same as the client is treated, unless:

- (1) there is reasonable belief that the client was or may be subjected to domestic violence, abuse, or neglect by the personal representative; or
- (2) by using professional judgment, it is determined that it is not in the client's best interest to treat the person as a personal representative.

340:2-8-10. Minimum necessary standards

The Oklahoma Department of Human Services (DHS) limits requests for, use of, and disclosure of protected health information (PHI) to that which is reasonably necessary to accomplish the intended purpose of the use, disclosure, or request, per Section 164.502(b) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 164.502(b)). This minimum necessary standard is not used to impede the essential activities of treatment, payment, or health care operations.

- (1) The minimum necessary standard applies to:
 - (A) the use of PHI within DHS. Employees who:
 - (i) do not need PHI to perform their job duties must not access PHI; and

- (ii) need PHI to perform their job duties must access PHI to the least extent necessary;
 - (B) disclosure of PHI to a third party in response to a request; and
 - (C) the request of PHI from another covered entity.
- (2) The minimum necessary standard does not apply to disclosures made:
- (A) to or requests by a health care provider for treatment;
 - (B) to the individual;
 - (C) with a valid authorization, per 45 C.F.R. § 164.508(c);
 - (D) to the United States Secretary of Health and Human Services for the purposes of compliance with the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule; or
 - (E) for uses required by law.

340:2-8-11. Safeguarding protected health information

- (a) When Oklahoma Department of Human Services (DHS) staff is familiar with the person or entity requesting protected health information (PHI), DHS verifies the authority of the person or entity to receive the information. When DHS staff is not familiar with the person or entity requesting PHI, DHS staff verifies the identity and authority of the person or entity to receive the information, per Section 164.514(h) of Title 45 of the Code of Federal Regulations.
- (b) DHS staff must exercise care to avoid incidental disclosures of PHI through verbal communications.
- (c) Appointment reminders may be left on answering machines and voice mail systems, unless the client completes Form 13HI006E, Request for Alternative Means of Communication, or provides a written statement requesting an alternate means of communication.
- (d) DHS staff may fax PHI when the PHI is sent with Form 13HI008E, Health Information Coversheet, and:
 - (1) only the minimum necessary PHI is sent;
 - (2) the information is not sensitive or, when sensitive, it is an emergency situation; and
 - (3) staff makes reasonable efforts to ensure the fax transmission is sent to the correct destination.
- (e) PHI is only photocopied when necessary for treatment, payment, or health care operations when authorized by the client or the client's personal representative or when required by law.
- (f) PHI placed in case records or other records must be filed and kept safe from unauthorized access.
- (g) Clients and visitors must be appropriately escorted in a secured area to ensure unauthorized PHI access does not occur.
- (h) Computer monitors must be positioned to prevent unauthorized PHI observation or access and unattended computers must be returned to a password protected screen saver.

(i) Correspondence, including email and fax that includes PHI is allowed when limited to the minimum necessary standard, per Oklahoma Administrative Code 340:2-8-10.

340:2-8-12. Business associate

(a) A business associate, per Section 160.103 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 160.103), is defined as an individual or entity who:

(1) performs on behalf of the Oklahoma Department of Human Services (DHS), any function or activity involving the use or disclosure of protected health information (PHI); and

(2) is not a member of the DHS workforce.

(b) The definition of "function or activity" includes:

(1) claims processing or administration;

(2) data analysis and data processing;

(3) utilization review;

(4) quality assurance; and

(5) billing, actuarial accounting, and other financial services.

(c) DHS discloses a client's PHI to a business associate, and allows a business associate to create or receive PHI on behalf of DHS.

(d) DHS enters into a contractual agreement with a business associate, per 45 C.F.R. § 164.504(e). The contract includes the appropriate language and provisions required by the federal Health Insurance Portability and Accountability Act Privacy Rule regarding the proper use and disclosure of PHI.

340:2-8-13. Uses and disclosures for research or marketing purposes

Per Section 164.508(a) of Title 45 of the Code of Federal Regulations, the Oklahoma Department of Human Services must obtain a valid authorization for any use or disclosure of protected health information (PHI) to outside entities for: research or marketing purposes.

[Source: Added at 20 Ok Reg 2907, eff 8-21-03 (emergency); Added at 21 Ok Reg 784, eff 4-26-04 ; Amended at 36 Ok Reg 1777, eff 9-16-19]

340:2-8-14. Privacy complaints

(a) A client or employee wishing to file a complaint regarding the use or disclosure of protected health information (PHI) is instructed to contact the Oklahoma Department of Human Services (DHS) privacy officer.

(b) A client or employee who requests an alternative means of filing a complaint regarding the use or disclosure of PHI is instructed to contact the United States Department of Health and Human Services.

(c) Per Section 160.316 of Title 45 of the Code of Federal Regulations, DHS must not intimidate, threaten, coerce, discriminate against, or take

other retaliatory action against any individual for:

- (1) filing a privacy violation complaint;
- (2) testifying, assisting, or participating in an investigation, compliance review, proceeding, or hearing conducted by a government enforcement agency; or
- (3) opposing any act or practice made unlawful by the Health Insurance Portability and Accountability Act Privacy Rule, provided the manner of opposition does not involve a PHI disclosure.

340:2-11-85. Collecting funds

(a) **Central collection point.** Financial Services (FS) is responsible for collecting and initially disposing remittances from all sources received by Oklahoma Human Services (OKDHS). All OKDHS remittances are directed to OKDHS, Attn: FS Revenue Processing, PO Box 53306, Oklahoma City, Oklahoma 73152.

(1) An employee may not endorse any remittance document on behalf of OKDHS without authorization from the chief financial officer (CFO).

(2) Each non-collectible remittance document, such as a check returned for insufficient funds, is held by FS until final disposition.

(b) **Client trust deposits.** Deposits typically arise from Social Security benefits, child support payments, and OKDHS-provided spending allowances. Client trust accounts are maintained, pursuant to Section 757 of Title 62 of the Oklahoma Statutes, to manage and account for financial deposits of clients who are in OKDHS custody.

(c) **Donated funds.** The CFO is authorized to accept gifts and bequests on behalf of OKDHS. OKDHS makes every effort to utilize gifts and bequests in accordance with donors'specific intents and makes the contents of donated fund accounts available for public inspection.

(d) **Accounts receivable.** FS manages and collects OKDHS accounts receivable.

(1) **Payments.** Payments to OKDHS are directed to FS. Payments must identify the OKDHS-issued applicable billing or invoice identification information. Failure to supply billing or invoice identification information may result in a debtor not being properly credited for payment.

(2) **Statements.** Monthly statements are generated and sent to each OKDHS debtor.

(A) Each statement indicates the previous balance, current charges, payments received, and current balance due.

(B) Payments are due within 90-calendar days of the invoice date on the statement.

(C) Each debtor who has not made payment or has not made other satisfactory payment arrangements within 90-calendar days is notified in writing that the account may be referred for legal resolution, when full payment is not made within five-calendar days of receipt of the notice.

340:2-11-86. State Treasury Revolving Funds 700 Series

(a) **Operations.** Financial Services (FS) processes deposits and provides accounting and claims processing functions for State Treasury Revolving Funds 700 Series in accordance with the Office of Management and Enterprise Services (OMES) Statewide Accounting Manual. State Treasury Revolving Funds 700 Series are primarily used to maintain, account for, and manage funds belonging to clients in the custody of Oklahoma Human Services (OKDHS) or residents in OKDHS-administered facilities. This account is also used to finance auxiliary activities at OKDHS facilities. A separate accounting is maintained for each client and each auxiliary activity.

(b) **Unexpended cash.** Unexpended cash from client trust fund withdrawals for shopping, meals, recreation, and other similar activities, are re-deposited to the respective client trust accounts within State Treasury Revolving Funds 700 Series. Each facility is responsible for the safety of, and accounting for, all client trust fund cash handled by staff, and for maintaining detailed documentation.

340:2-11-87. Investments

(a) **Scope.** All investments are:

- (1) made through, and with the approval of the State Treasurer; and
- (2) transacted to yield the highest return in the safest manner.

(b) **Authority.** Oklahoma Human Services (OKDHS) is directed to engage in investing activity through legislation, federal regulations, or as may be instructed by a donation or bequest.

- (1) A donation or bequest received by OKDHS is invested to achieve compliance with the benefactor's intent.
- (2) Section 203 of Title 62 of the Oklahoma Statutes establishes the Federal Disallowance Fund to pay potential federal disallowances and interest penalties.
- (3) Child Support Services funds are invested, with the federal government sharing in the interest earned, pursuant to Part 304.50 of Title 45 of the Code of Federal Regulations.

(c) **Investment objectives.** Investment objectives are:

- (1) principal safety;
- (2) a reasonable rate of return, as compared to current market conditions, with consideration of the prudent investor rule; and
- (3) sufficient liquidity to meet specific fund objectives.

(d) **Investment instruments.** Investment instruments authorized for purchase by OKDHS are:

- (1) obligations of the United States Government, known as Treasury Bills and Treasury Notes;
- (2) collateralized or insured certificates of deposit at Oklahoma banks, savings banks, savings and loan associations, and credit union;
- (3) overnight repurchase and reverse repurchase agreements; or
- (4) as instructed by a donation or bequest.

(A) Each claim or invoice submitted for payment must bear the vendor name, address, and the address to which payment is mailed. The vendor's federal identification number (FIN) must be on file before a claim is processed for payment.

(B) Before an invoice is paid, information regarding the purchase must be submitted to FS, including:

- (i) the invoice date;
- (ii) the service or delivery date; and
- (iii) an itemized list of:
 - (I) goods or services;
 - (II) quantities;
 - (III) descriptions;
 - (IV) prices; and
 - (V) contract numbers, when applicable.

(2) **Timely claim submissions.** Claims against appropriated funds, including vendor claims for goods or services, are submitted within 90-calendar days of service and cannot be paid after 30 months from the effective appropriation date of the fiscal appropriation to which the goods or services are charged.

(3) **Precluded payments.** OKDHS does not pay Oklahoma state sales tax, interest, or late charges except as pursuant to Section 41.4 of Title 62 of the Oklahoma Statutes.

340:2-11-119. Vehicle travel reimbursement

(a) **Vehicle selection.** Oklahoma Human Services (OKDHS) employees seek the least expensive travel option when planning work-related travel, per Section 85.451 of Title 74 of the Oklahoma Statutes. OKDHS employees are required to seek the use of OKDHS vehicles as a cost-saving measure when feasible.

(b) **Privately-owned vehicles.**

(1) An employee or non-employee is reimbursed for the use of a privately-owned vehicle at the authorized rate regardless of the number of persons transported.

(2) Privately-owned vehicle travel reimbursement must not exceed the Global Positioning System (GPS) mileage for work-related travel.

(A) Vicinity travel claimed on official business is based on actual odometer readings.

(B) Any non-business mileage is deducted prior to reimbursement.

(3) An employee or non-employee traveling on official business using a privately-owned vehicle is reimbursed for the actual number of miles traveled, from the official duty station to the first official call, subsequent official calls, and return to the official duty station.

(A) An employee or non-employee may claim reimbursement for transportation from his or her home to the first official call, subsequent official calls, and back to his or her home, based on actual miles traveled, not to exceed the mileage as calculated from his or her official duty station.

(B) An employee or non-employee returning to a destination, other than the original starting point, must have supervisory approval and provide justification.

(C) On-call staff may claim travel reimbursement from home, as his or her official duty station, to any official call and return home on weekends, holidays, or when an occurrence is other than his or her regularly scheduled work hours.

340:2-11-119.1. Lodging reimbursement

Reimbursement is made for lodging when an employee or non-employee, authorized to travel, is in overnight travel status.

Reimbursement for lodging is limited to the current authorized rate.

Reimbursement of the actual cost of lodging, is not limited to the current authorized rate, when the stay occurs at a pre-designated lodging facility.

(1) Overnight travel reimbursement requests when the distance traveled is less than 61-Global Positioning System (GPS) miles, but more than 30-GPS miles one way from the claimant's official duty station, must be approved by the appropriate chief officer. Claims for overnight travel, when distance is under 31-GPS miles, one way, from his or her official duty station must have prior approval from the Director.

(2) Reimbursement for lodging on approved out-of-state trips may not extend more than 24 hours before or after the work-related

event, unless additional pre- or post-travel time is beneficial to Oklahoma Human Services (OKDHS), as clarified by the Office of Management and Enterprise Services, Statewide Accounting Manual.

(3) Reimbursement for lodging at one of Oklahoma's state lodges may be billed directly to OKDHS, or an employee or non-employee may pay for the lodging and request reimbursement.

(4) An employee or non-employee staying with relatives or others while in overnight travel status may be reimbursed \$10 per night in lieu of lodging expenses.

340:2-11-119.2. Public transportation reimbursement

(a) Public transportation expenses, such as taxicab or rideshare charges, are reimbursed only upon justification regarding the necessity of use. Public transportation expenses less than twenty-five dollars do not require a receipt.

(b) Reimbursement for leased or rented vehicles used in-state may not exceed the current mileage rate.

(c) An employee or non-employee may be approved to lease or rent a vehicle to use on official business during out-of-state travel; with the Oklahoma Human Services (OKDHS) Director's or his or her designee's approval. An employee or non-employee who is approved to lease or rent a vehicle must maintain a mileage log to itemize official and unofficial travel. Reimbursement for leasing or renting a vehicle outside of Oklahoma is authorized at actual cost, plus a prorated fuel cost, based on the actual miles driven for official business, compared to the total miles driven.

(1) Employees or non-employees must obtain the lowest cost lease or rental vehicle available.

(2) Each reimbursement request for the official use of a leased or rented vehicle must be supported by a receipt indicating the number of miles traveled.

(3) Any supplemental or special insurance, such as collision or comprehensive, purchased by an employee or non-employee is at his or her expense.

(d) All air travel is arranged and coordinated through the Support Services, Departmental Services Unit (DSU), travel coordinator. Out-of-state travel other than by a airline:

(1) must have prior approval and be necessary to meet an OKDHS need; and

(2) may be approved when there is a need due to personal reasons.

(A) Total time in travel status may not exceed the expected travel time based on air travel.

(B) The total mileage reimbursement cannot exceed the maximum mileage rate for the total trip, for all employees or non-employees traveling together, or exceed the total projected cost if air travel was used.

(C) Travel expenses incurred, above the expected travel expenses for air travel, such as overnight lodging, are the employee's or non-employee's responsibility.

PART 13. ELECTRONIC BENEFIT DISBURSEMENT

340:2-11-150. Child care payments

(a) **Payments.** Payments are made on behalf of Oklahoma Human Services (OKDHS) clients to providers of child care services, per Oklahoma Administrative Code (OAC) 340:40-13-5. The services and payments are supported by provider contracts on file with the Adult and Family Services (AFS).

(b) **Overpayments.** Provider overpayments that occur as a result of agency or provider error are described in OAC 340:40-15-1. Any overpayment over \$500, when the child was not in care may result in felony fraud charges against the provider.

(c) **Collection of overpayments.** Financial Services Electronic Payment Systems (EPS) recoups all funds associated with overpayments in weekly installments, not less than 10 percent of the provider's gross payment, per week until the overpayment is satisfied, except when the viability of the child care facility is in question.

(1) Child care facilities whose continued viability is at risk due to overpayment collection is reviewed by Financial Services Electronic Payment Systems (EPS) for other repayment plans.

(2) Repayment plans do not exceed 12 months, except when the viability of the child care provider is in question.

(3) A child care provider whose contract is subsequently cancelled due to an OKDHS Office of Inspector General (OIG) investigation has all available funds withheld to satisfy any remaining overpayments.

(d) **Liquidated damages.**

(1) OKDHS may impose liquidated damages when certain rules in the contract are violated. Specifically, when the child care provider:

(A) is in possession of a client's Access Oklahoma electronic benefit transfer (EBT) card;

(B) swipes the EBT card through the point of service (POS) device; or

(C) knows the client's EBT personal identification number (PIN).

(2) The percentage of liquidated damages increases with each violation assessed, per Section 2-718 of Title 12A of the Oklahoma Statutes.

(3) When OIG determines an EBT card was in the possession of or swiped through the POS device by a child care provider, the:

(A) first violation results in liquidated damages of 10 percent of the total payment(s) during the month the violation occurred;

(B) second violation results in liquidated damages of 20 percent of the total payment(s) during the month the violation occurred; and

(C) third violation results in liquidated damages of 30 percent of the total payment(s) during the month the violation occurred; and recommendation to AFS for cancellation of the provider's contract.

(e) **Collection of liquidated damages.** EPS recoups all funds associated with liquidated damages as described in (1) and (2) of this subsection.

(1) The full amount of liquidated damages is applied against the first available payment and any sequent payments until the amount is collected.

(2) When the contract is subsequently cancelled due to an OIG investigation, all available funds are withheld to satisfy any remaining overpayments.

340:2-11-151. Retailer adjustments for food benefits

(a) Retailers may request an adjustment to debit a recipient's Electronic Benefit Transfer (EBT) account due to a system outage at the time of purchase. An adjustment is made within 15-calendar days of notice to Oklahoma Human Services and the recipient. Payment can be taken from future benefits when the recipient's account does not have enough credit to process the complete transaction, per Part 274.20(g)(2)(ii) of Title 7 of the Code of Federal Regulations.

(b) The recipient has the right to a fair hearing when the retailer adjustment is questioned.

SUBCHAPTER 17. STAFF DEVELOPMENT UNIT

340:2-17-1. Purpose

The purpose of this Subchapter is to describe the function and responsibilities of the Staff Development Unit.

340:2-17-2. Legal base and function

(a) **Legal base.** In accordance with 56 O.S. 1971, Section 177, and related statutes, the Human Services Commission has the authority to accept grants and to conform with requirements of any Federal agency or agencies which provide Federal monies to states. Many of the programs funded under the Federal Social Security Act and elsewhere require training and educational opportunities for employees of the Department, and the Staff Development Unit was established to assume this function.

(b) **Function.** An essential function of the Department is a continuing program of staff development for all employees without regard to race, sex, age, physical handicap, color, national origin or ancestry, creed, or political or religious opinions or affiliations. Staff Development Unit (SDU) personnel are assigned full-time responsibilities for staff training. Personnel in other units also have clearly identified and assigned responsibilities for on-going training and development of staff within their units.

340:2-17-3. Practicum placements

The Department recognizes the value of practicum placements in furthering the education of graduate and undergraduate students

interested in human services careers. Students selected for DHS practicum placements are supplied office space, stenographic staff, and travel reimbursement for visits from the office to assigned caseloads. College and universities with accredited human services curriculum and approved practicum plans may request practicum placement for qualified students. The school/student locates a practicum site and makes the initial contact with the DHS office and identifies a practicum instructor.

(1) When the DHS office and the school/student formulate agreed upon roles and responsibilities, a Practicum Request/Agreement, Form SD-4, will be completed. The school will submit the Practicum Request/Agreement form to the Staff Development Unit for approval from the appropriate division administrator.

(2) SDU should be contacted if the DHS office and the school/student are unable to formulate an agreement or if the school needs assistance with the availability of student practicum placement.

SUBCHAPTER 21. DEPARTMENTAL SERVICES UNIT

PART 1. OPEN RECORDS

340:2-21-12. Open records program purpose and authority

(a) **Purpose.** The Oklahoma Department of Human Services (OKDHS) maintains an open records program to:

- (1) meet public requests for accessible records with some uniformity;
- (2) provide assistance to OKDHS offices asked to supply records;

- (3) initiate requests for legal assistance in determining whether certain disputed records may be accessible to the public;
- (4) prepare responses to requests for access in cases where the record or portions of the record are considered confidential by OKDHS; and
- (5) determine whether the request warrants charging a fee, and ensure the fees are collected before release of the information.

(b) **Authority.** The authority for the open records program is the Open Records Act that ensures and assists the public's right to access, review, and copy governmental records, except where specifically required by federal or state law and regulation to be kept confidential. [51 O.S. § 24A.1 - 24A.26]

340:2-21-13. Release of information

(a) **Information subject to release.** Information available for release includes:

- (1) personnel information including:
 - (A) the application of a person who becomes a public official;
 - (B) gross receipt of public funds;
 - (C) dates of employment, title, or position; and
 - (D) any final disciplinary action resulting in loss of pay, suspension, demotion, or termination;
- (2) vendor and provider information not excluded by subsection (b)(4) through (6) of this Section and public funds paid to vendors and providers; and
- (3) subject to OAC 340:65-1-2, copies of documents from a client's public assistance record, upon request of that specific client, whether an applicant, recipient, or former recipient.

(b) **Information not subject to release.** Records kept confidential by federal and state law are not subject to release. Oklahoma Department of Human Services (OKDHS) rules provide confidentiality for specific program areas per OAC 340:1-1-20. Records kept confidential include, but are not limited to:

- (1) all applications, information, payments received, and records concerning any applicant or recipient of OKDHS programs or services;
- (2) records subject to confidential privilege such as attorney-client or physician-patient;
- (3) personal notes prepared for one's own use in making a decision or recommendation, except material related to budget requests prior to taking action;
- (4) position papers prepared to assist in OKDHS decision-making. Documents regarding fiscal or policy matters presented to the Oklahoma Commission for Human Services (Commission) prior to any public action may be released if the Commission takes public action regarding these matters;

(5) information from personnel records which is a clear invasion of personal privacy such as:

- (A) employee evaluations;
- (B) payroll deductions;
- (C) employment applications submitted by persons not hired by OKDHS;
- (D) internal personnel investigations including examination and selection material for employment, hiring, appointment, promotion, demotion, discipline, or resignation;
- (E) employees' home addresses, telephone numbers, and Social Security numbers; and
- (F) medical and employee assistance records;

(6) information that may give an unfair advantage to competitors or bidders;

(7) proprietary computer programs and software;

(8) adoption, foster care, and child welfare records;

(9) documents provided OKDHS by other governmental agencies deemed confidential by the sending agency. Requests for information or documents provided by another agency are referred to the sending agency; and

(10) records concerning child abuse.

(A) Disclosure of certain information may be provided regarding circumstances of a child's death due to abuse, neglect, or abandonment. [10 O.S. § 7005-1.4]

(B) Information released does not identify anyone filing a complaint or reporting child abuse or neglect, the child victim's siblings, parent(s), or other person responsible for the child, or any other member of the household except for the person criminally charged.

(c) **Access to records.** Access to records is not denied because another OKDHS division or public official is using or has taken possession of the records for investigatory purposes or has placed the records in a litigation or investigation file. When an employee's personnel file is requested, under the Open Records Act, the OKDHS Human Resources Management Division (HRMD) notifies the employee that the file has been requested and who requested it.

(d) **Penalties and appeals.** Any person denied access to a record may file an appeal in accordance with Section 24A.17 of Title 51 of the Oklahoma Statutes. The appeal must be filed within ten days of the denial. The appeal is requested by submitting a letter to the Director, Oklahoma Department of Human Services, Open Records Act Appeal, PO Box 25352, Oklahoma City, Oklahoma 73125.

(e) **Anonymity of persons requesting access to records.** A person requesting access to OKDHS records may request to have his or her identity kept anonymous. OKDHS cannot guarantee anonymity of the requestor, as it is not a condition of the law.

340:2-21-15. Requests for records

The Oklahoma Department of Human Services (OKDHS) maintains public records and makes them available for inspection.

(1) **Requirements for persons requesting records.** A person requesting information completes 23RM023E, Request to Review and/or Copy Records, to review, search, or copy OKDHS records. Use of any information concerning any public assistance applicant or recipient, for publication, commercial, or political purpose constitutes a felony. [56 O.S. §183]

(2) **Requests by attorneys.** Attorneys in formal litigation involving OKDHS must go through the OKDHS Legal Division for information. Prior to any official legal action involving OKDHS, an attorney may obtain records through the Open Records Act in the same manner as any other request.

(3) **Requests for employee income information.** All requests for employee income verification are referred to the OKDHS Finance Division, Payroll Unit.

(4) **Requests for OKDHS vendor or provider payment information.** All requests for OKDHS vendor or provider payment information are referred to the OKDHS Finance Division, Claims Auditing Unit.

340:2-21-16. Fees

(a) Fees for open records requests are not used to discourage requests for information or as obstacles to disclosure of requested information. A search fee is never charged for release of documents that are in the public interest, including, but not limited to, requests by news media, scholars, authors, and taxpayers determining whether government is competently performing their duties as public servants.

(1) Fees are outlined in (A) through (E) of this paragraph.

(A) There is no charge for 100 pages or less in a calendar year.

(B) For requests exceeding 100 pages in a calendar year, the fee is \$.25 per page.

(C) For certified documents, the fee is \$1 per page.

(D) Commercial requests, or those which would cause excessive disruption of office function, are charged \$25 per hour for staff time.

(E) For requests requiring computer programming, the fee is equal to labor costs and computer processing time.

(2) For a request by commercial users for computer runs, microfilming, or reproduction, other than photocopying, the

requester pays the Oklahoma Department of Human Services (OKDHS) cost for duplicating the information involved. If computer programming is necessary to isolate requested or confidential information, the fee equals the labor costs plus cost of computer processing time necessary to produce the record. The OKDHS Finance Division establishes the cost for computer processing at the time the work is performed.

(b) All fees are paid prior to delivering the copies. If the request is for search only, the fee is paid before the person is allowed to review the material. All fees are paid by check or money order payable to OKDHS. Cash is not accepted.

340:2-23-13. Purpose and legal basis

(a) **Purpose.** The purpose of this Subchapter is to describe the functions, procedures, and practices of the Office of Inspector General (OIG) Administrative Review Unit (ARU).

(b) **Legal basis.** Oklahoma Human Services (OKDHS) federal and state legal authority for providing a systematic quality control (QC) process and administrative operation to assure state accountability is found in Title 56 of the Oklahoma Statutes for the Child Care program and the federal Child Care Development Fund defines program requirements.

(c) **QC reviews for other OKDHS administered programs.** The OIG ARU is mandated to help assure OKDHS accountability for Child Care program funds. ARU reviews a prescribed number of providers and cases annually to help assure statewide conformity to OKDHS rules.

(d) **Datamatch reporting system.** Through a federal and state partnership administered by the United States Department of Health and Human Services and the Administration for Children and Families, OIG ARU reviews data matches semi-annually to improve program integrity and to detect or deter improper payments in administering public assistance programs. State enrollment data for Temporary Assistance for Needy Families, Supplemental Nutrition Assistance Program, child care, and health care coverage programs is matched with data from other participating states and from a selected group of federal databases.

(e) **Error reduction program participation.** ARU coordinates with OKDHS Adults and Family Services division for error reduction.

(f) **Survey and project participation.** ARU staff conducts surveys and study projects when requested.

340:2-23-19. Quality control (QC) review process

(a) **Case Selection.** The QC process begins when a case is selected from the random sample for review and ends when that case finding and data is transmitted, subjected to federal sub-sampling, and federally accepted.

(b) **QC review findings.** ARU records all verification obtained on the sampled person or household in the QC file. After thorough analysis of the information collected during the QC process, ARU makes a preliminary finding about the eligibility and payment..

[Source: Added at 15 Ok Reg 1271, eff 4-1-98 (emergency); Added at 16 Ok Reg 1008, eff 4-26-99 ; Amended at 39 Ok Reg 1678, eff 9-15-22]

340:2-23-21. Reports

(a) **Federal reports.** Child care reports are filed with Child Care related federal agencies. A Quality Control review findings report and summary is submitted to Adult Family Services Child Care section which then submits a final report to the Child Care Development Fund.

(b)

Other State reports. The Administrative Review Unit provides reports for non-federally mandated reviews, audits, or program evaluation and monitoring projects assigned by the Office of Inspector General.

340:2-23-22. Federal reviews

For Child Care programs, the Child Care Development Fund is mandated to subsample the reviewed and submitted Administrative Review Unit cases from Oklahoma Human Services' random sample. When a difference is noted by a federal agency, the agency is notified in writing and has the opportunity to present more information or to contest the finding.

SUBCHAPTER 25. LEGAL SERVICES

340:2-25-1. Purpose and legal authority

(a) The constitutional and statutory authority of the Oklahoma Department of Human Services (DHS) Director for hiring attorneys and establishing Legal Services (LS) is included in the Oklahoma Constitution

Article 25, and Section 236 of Title 56 of the Oklahoma Statutes (O.S. 56 § 236) and O.S. 74 §§ 18c and 20f(A).

(b) LS is composed of the General Counsel, deputy general counsel and assistant general counsels, legal assistants and secretaries, and support staff.

(c) LS provides consultation, legal opinions, representation, and other legal services to DHS, the DHS Director, and DHS employees.

(d) LS may represent present and former employees sued in their individual capacities in legal actions arising from conduct while in the scope of their DHS employment.

(e) LS may review legislation drafted by a program or division or draft legislation requested by a program or division.

340:2-25-11. Rulemaking

(a) **Legal authority.** Oklahoma Department of Human Services (DHS) rules are promulgated, per the Oklahoma Administrative Procedures Act (APA), Sections 250 through 323 of Title 75 of the Oklahoma Statutes (75 O.S. §§ 250 through 323) and O.S. 56 § 162.

(b) **Rulemaking petition.**

(1) **Submission.** Any individual may petition DHS in writing to request rule promulgation, amendment, or repeal. The rulemaking petition is submitted to DHS Legal Services (LS)

Policy by:

(A) mail, to PO Box 25352, Oklahoma City, Oklahoma 73125, Attention: Legal Services Policy; or

(B) delivery, to the Sequoyah Memorial Office Building, 2400 North Lincoln Boulevard, Oklahoma City, Oklahoma.

(2) **Form and content.** The rulemaking petition must, at a minimum, contain:

(A) a clear statement of the requested action and the petitioner's proposed desired relief or solution;

(B) the Title, Chapter, Subchapter, and Section, when known, or a copy of the existing rule proposed for promulgation, amendment, or repeal;

(C) a statement of supporting facts; including legal grounds including, but not limited to, federal or state statutes, and House of Representatives or Senate bills; and other relevant information or views on which the petitioner relies.

(i) A copy of references or sources cited in the statement is submitted with the rulemaking petition.

(ii) When a petition requests more than one rule revision, a single statement that supports and justifies each proposal meets the requirements of this paragraph;

(D) a description of the class or classes of persons, when known, who will most likely be affected by the proposed revision; and

(E) the petitioner's or authorized representative's printed name, address, phone numbers, and signature.

(c) **Consideration and disposition of rulemaking petition.**

(1) **Rulemaking petition denial.** A rulemaking petition is considered denied when DHS does not initiate rulemaking proceedings within 30-calendar days after the petition is submitted, per 75 O.S. § 305. The rulemaking petition is denied, in whole or in part, when the petition:

(A) requests promulgation of a rule that DHS is clearly without authority to promulgate;

(B) requests a promulgation, amendment, or revocation inconsistent with, or in violation of, any applicable constitutional or statutory authority;

(C) requests promulgation, amendment, or revocation of a rule that does not constitute a rule, per 75 O.S. § 250.3(17);

(D) is frivolous or not proposed in good faith; or

(E) proposes a new or amended rule that is not feasible based on available or anticipated DHS resources. When denial is based on feasibility, LS Policy notifies the petitioner of the denial.

(2) **Rulemaking petition approval.** DHS rulemaking proceedings are initiated when LS Policy submits the approved rulemaking petition to the leadership of any division that may be

impacted or affected by the proposed rule promulgation, amendment, or repeal.

(d) Rulemaking petitioner notification.

(1) **Rulemaking petition receipt.** LS Policy provides written notification of the petition receipt to the petitioner.

(2) **Rulemaking petition action.** After any action is taken related to the petition, LS Policy provides written notification to the petitioner of:

(A) rulemaking petition denial, in whole or in part; or

(B) initiation of DHS rulemaking proceedings including, but not limited to:

(i) the substance of comments received and any revisions made, including a copy of the revisions; and

(ii) any actions taken.

SUBCHAPTER 28. OFFICE OF ADMINISTRATIVE HEARINGS: CHILD SUPPORT

340:2-28-1. Purpose

The purpose of this Subchapter is to provide rules for all administrative hearings of child support and other matters under the jurisdiction of the Office of Administrative Hearings: Child Support, as defined in this Subchapter. This Subchapter complies with Section 237 of Title 56 of the Oklahoma Statutes to administer the Oklahoma

Department of Human Services statewide plan for child support enforcement under Title IV, Part D, of the Social Security Act, Sections 651 through 669B, of Title 42 of the United States Code, Chapter III of Title 45 of the Code of Federal Regulations, Sections 237 through 240.23 of Title 56 of the Oklahoma Statutes, applicable provisions of Titles 10, 43, and 68 of the Oklahoma Statutes, and all other relevant state and federal laws. Nothing in this Subchapter shall be construed to limit the rights of persons who are not represented by counsel to submit pleadings on their own behalf.

340:2-28-2. Definitions

The following words and terms, when used in this Subchapter, shall have the following meanings, unless the context clearly indicates otherwise:

"ALJ" means an administrative law judge in the Office of Administrative Hearings: Child Support.

"Authorized representative" means a person designated under law to act for another person or an entity, such as a guardian of a child or an executor of an estate.

"Child Support Enforcement Division" or **"CSED"** means the Child Support Enforcement Division of the Oklahoma Department of Human Services (OKDHS). District offices of CSED may be administered by OKDHS or through contract or cooperative agreements with district attorneys, Community Action Program (CAP) agencies, Native American tribal organizations, and others. As used in this Subchapter, CSED includes all of these district offices and their employees and agents.

"Custodian" means the person who has primary physical custody of the child(ren).

"Electronic filing" means the submission of documents to the Office of Administrative Hearings: Child Support through an electronic medium rather than the use of a paper document.

"In camera" means before the ALJ without spectators.

"In forma pauperis affidavit" means a sworn declaration or statement of facts made by an indigent person seeking waiver of transcription costs and fees.

"IV-D" means Title IV, Part D, of the Social Security Act generally relating to child support. Title IV appears in the United States Code as Sections 601 through 687, Subchapter IV, Chapter 7, Title 42.

"IV-D case" means a child support case receiving IV-D services.

"Natural person" means a human being as opposed to an entity created by law.

"Noncustodial parent" means a parent who does not have primary physical custody of the child(ren).

"OAH" means the Office of Administrative Hearings: Child Support within OKDHS Legal Services. [56 O.S. § 237.7]

"Obligor" means the person required to make payments under an order for support. [12 O.S. § 1170 and 56 O.S. § 237.7]

"Pleading" means a formal document that contains statements or allegations that constitute a cause of action or defense.

"Pro se" means without a lawyer.

"Writ of mandamus" means a written order issued by a court to compel a lower court or government officer to perform mandatory or ministerial duties correctly.

340:2-28-3. Scope of rules

The rules of procedure govern the practice for all matters presented to an administrative law judge (ALJ) in the Office of Administrative Hearings: Child Support (OAH). All matters presented to an ALJ are conducted in accordance with applicable law and the rules in this Subchapter.

[Source: Added at 9 Ok Reg 113, eff 10-17-91 (emergency); Added at 9 Ok Reg 2761, eff 7-13-92 ; Amended at 20 Ok Reg 2033, eff 7-1-03]

340:2-28-3.1. Waiver

Upon a finding by the Office of Administrative Hearings: Child Support (OAH) that any rule in this Subchapter works a manifest injustice, the same rule may be waived for that particular instance. An express finding of manifest injustice on the record is not required for such waiver. All parties and attorneys will be given notice and an opportunity to respond before a decision is made.

340:2-28-4. Office of Administrative Hearings: Child Support

The Office of Administrative Hearings: Child Support (OAH), conducts child support enforcement hearings pursuant to Section 237.7(3) of Title 56 of the Oklahoma Statutes. All hearings are conducted by administrative law judges assigned to OAH.

[Source: Added at 9 Ok Reg 113, eff 10-17-91 (emergency); Added at 9 Ok Reg 2761, eff 7-13-92 ; Amended at 20 Ok Reg 2033, eff 7-1-03]

340:2-28-4.1. Districts

The chief administrative law judge (ALJ) assigns ALJs to various child support districts within the state. Unless the assigned ALJ recuses or is otherwise unavailable, the assigned ALJ determines all actions in cases docketed by the child support districts to which that ALJ is assigned. However, if the assigned ALJ is not available for a docket or for an action in a case on the docket, the chief ALJ may assign another ALJ to the docket or to an action in a case, within the discretion of the chief ALJ, provided appropriate consideration is given to maintaining the ALJ's continuity in individual actions that he or she heard or partially-heard on the record. If an action was heard or partially-heard on the record by an ALJ who is later not immediately available, the chief ALJ or another ALJ, as designated by the chief ALJ, may continue the matter without hearing

to a date when the assigned ALJ is available. The chief ALJ may delegate to the court clerks, as appropriate, the ability to secure an available ALJ to conduct a hearing, when the assigned ALJ is unavailable and no part of the individual action in a case has been previously heard on the record.

340:2-28-4.2. Terms and location of Office of Administrative Hearings: Child Support

(a) The Office of Administrative Hearings: Child Support (OAH) is in session whenever there is a regularly- or specially-scheduled docket with participating district child support offices on days designated for administrative hearings. Pleadings, other documents, and orders may be filed on any business day at OAH located in the Sequoyah Building, 2400 North Lincoln Boulevard, Oklahoma City, Oklahoma. Filing may be accomplished through hand-delivery, postal or parcel delivery, and electronic transmission, if the available means are secure and compatible with OAH docketing and case management software. A document filed through email is a portable digital file or is a *.pdf formatted file and is submitted to: Legal.OAH.Staff@okdhs.org. The use of email to submit documents for filing is limited to parties and attorneys external to Oklahoma Human Services. Electronic transmission, in this context, does not include text messaging. The OAH mailing address is Oklahoma Department of Human Services, Attn: OAH, P.O. Box 25352, Oklahoma City, Oklahoma 73125-0352.

(b) Proceedings may not commence unless and until an administrative case is opened through Oklahoma Department of Human Services Child Support Services.

340:2-28-8. Qualifications and power of administrative law judge

(a) An administrative law judge (ALJ) must be admitted to the practice of law by the State of Oklahoma and be a member in good standing of the Oklahoma Bar Association. An ALJ must meet any other requirements prescribed by the Legal Division, Oklahoma Department of Human Services.

(b) All OAH ALJs, whether full-time or part-time, are subject to the requirements of the Code of Judicial Conduct.

(c) All OAH ALJs are authorized pursuant to state and federal laws referenced in OAC 340:2-28-1 and the rules in this Subchapter. The duties of the ALJ are to conduct fair hearings, avoid delays, maintain order, and make a record of all proceedings arising under the ALJ's jurisdiction. The ALJ has all powers necessary to accomplish these ends, which fall within the scope of judicial functions. The chief administrative law judge has all additional powers necessary to oversee OAH functions.

340:2-28-11. Disqualification or recusal of an administrative law judge (ALJ)

When an ALJ disqualifies or recuses from a case, the chief ALJ assigns a different ALJ. If the chief ALJ disqualifies or recuses from a case, a different ALJ is assigned by random lot, drawn by a docketing clerk.

(1) Any ALJ may disqualify or recuse on their own motion.
(2) A motion to disqualify an ALJ from a case may be filed with the Office of Administrative Hearings: Child Support (OAH), stating the basis for the request. The ALJ may recuse on their own motion; grant the motion without setting for hearing; or, in the ALJ's discretion, determine the motion after a hearing.

(A) When a motion to disqualify is denied, the Chief ALJ will reconsider the motion, upon the filing of a request for review. The request for review will be determined after hearing and when the Chief ALJ disqualifies the subject ALJ, the Chief ALJ assigns a different ALJ.

(B) When the subject of a motion to disqualify is the Chief ALJ, the request for review will be decided by a different ALJ assigned by random lot, drawn by a docketing clerk. The request for review will be determined after hearing and when the reviewing ALJ disqualifies the Chief ALJ, the reviewing judge will assign a different ALJ by random lot, not to include the reviewing ALJ.

(3) No further review is available within OAH or the agency.

340:2-28-11.1. Ex parte communication

Ex parte communications are governed by Rule 2.9, Appendix 4 of Title 5 of the Oklahoma Statutes. Communication with the Office of Administrative Hearings: Child Support (OAH) regarding scheduling and procedural matters is permitted and includes physical and/or technical requirements, preferences, or requested accommodations regarding the hearing setting and/or arrangement, per Rule 2.9. Child Support Services (CSS) and OAH are permitted to communicate regarding the creation/existence of a CSS family violence indicator in a particular case, per Rule 2.9.

340:2-28-16.1. Docketing cases

District child support offices docket their hearing notices and continuances through an approved Office of Administrative Hearings: Child Support (OAH) docketing system available to child support enforcement. Hearing notices and continuances must be docketed a minimum of 14 days prior to the docket date. Cases not approved for the docket may be heard at the discretion of the assigned administrative law judge. The second Friday of each month is reserved for Office of Administrative Hearings: Child Support staff meetings; there are no dockets or hearings set on that date.

340:2-28-16.2. Service of orders

- (a) Orders prepared by the administrative law judge (ALJ), in a specific case, must be mailed or hand-delivered to the parties within three business days, from the filing of the order, by the ALJ, unless the ALJ directs the mailing or delivering of an order by one party upon another. Copies of all orders must be mailed or hand-delivered to opposing parties by the preparer within three business days from the filing of the order.
- (b) Providing copies of the filed order, in a specific case, through an electronic means available to parties is an acceptable form of delivery. Electronic delivery of orders must be accomplished within three days of filing the order.
- (c) Administration orders concerning court operations authorized by the Chief ALJ are not required to be filed in individual cases; electronic copies of any administration order will be provided upon request.

340:2-28-17.1. Hearing room

(a) Unless all participants in a hearing are instructed to appear by video and/or telephonic means, each district child support officer the designated Oklahoma Human Services building hub for a district child support office must provide the administrative law judge (ALJ) with a hearing room designated for the exclusive use by the ALJ for the hearing. The room provided must be large enough to accommodate the ALJ and required computer equipment as well as a minimum of six additional people during the hearing.

(b) No person shall carry a firearm or other weapon into the hearing room, except for law enforcement officers or security personnel in their official capacity for the purpose of providing security in the hearing room or law enforcement officers having a prisoner in custody.

(c) Other than those items belonging to the ALJ, briefcases, boxes, bags, purses, and any and all containers of any type are not permitted in the hearing room without permission of the ALJ. The owners of those items are solely responsible for providing for the safekeeping of the items during the hearing.

(d) If all participants are instructed to appear for hearing by video and/or telephonic means, the district child support office may utilize a hearing room in compliance with those instructions but is not required to provide access to external participants.

340:2-28-17.2. Pleadings and motion practice

(a) Document signatures.

(1) **Signing pleadings.** Every pleading and motion filed with the Office of Administrative Hearings: Child Support (OAH) must be signed by an attorney of record, whose Oklahoma Bar Association (OBA) identification number must be stated, or when the party is not represented by an attorney, must be signed by the party. A pleading is any document that contains statements or allegations that constitute a cause of action or defense. Each pleading and motion must include the signer's address and phone number, if any. Pleadings need not be supported by affidavit except as provided for by rule or statute.

(2) **Signing other documents.** Other documents, such as legally-mandated administrative notices issued by Child Support Services (CSS) to notify obligors of proposed enforcement actions, do not require an attorney's signature.

(3) Signatures submitted through electronic means.

Electronic mediums that attach an electronic signature are acceptable to meet signature requirements. In addition to electronic transmittals of documents and electronic signatures, signatures on any document transmitted by electronic means including, but not limited to, scan or email have the same force and effect as an original, physical signature, per Section 237.9a of Title 56 of the Oklahoma Statutes. This provision does not authorize filing documents through text.

(b) Practice.

(1) Form, filing, and service.

(A) All documents, other than exhibits, are filed in the case prior to consideration by an administrative law judge (ALJ). OAH retains all originals filed in paper form and maintains electronic submissions per state record requirements. A pleading or motion is filed prior to any administrative proceeding.

(B) Paper form documents filed in OAH must be typewritten or legibly hand-written on white paper, size 8½ by 11 inches. All documents, other than exhibits, must contain a case style, which is a document heading containing the name of this administrative court, the parties' names, appropriate roles, and assigned case numbers. The party filing the initial request for action by OAH is generally designated as the petitioner or petitioner/plaintiff. The opposing party is usually named as the respondent or respondent/defendant. The custodian(s) must be listed, when not already included in the style as a party, under the case numbers. The case numbers listed in the style must include the OAH number and the Title IV-D, family group number (FGN), or CSS number. The associated district court case number is included, when available. Both conventional and "in re" styles are permitted. Parties are encouraged to maintain a consistent style, similar to one that may have been used in prior child support-related actions, between the same parties, provided the information is complete and accurate.

(i) When filed by an attorney, the name, OBA number, address, and preferred phone numbers must be shown on the document's signature page.

(ii) When filed by a party not represented by a lawyer, the party is considered a pro se party and must sign his or her name and type or legibly print his or her name, mailing address, Zip code, and preferred phone numbers on the signature page of the document.

(C) All documents in a proceeding, other than exhibits, must be served on all other parties. Proof of service must be filed with OAH and establish that requirements for service are satisfied. A notice or order setting hearing provides recipients with the hearing date and time and when persons are instructed to appear:

(i) at a hearing's physical location, the street address will be included; or

(ii) by video or telephone, contact information and options are included.

(D) OAH may limit participation in hearings to video or telephone in any notice or order setting hearing. OAH may also limit participation in hearings to video or telephone through an order containing instructions in specific cases

or through an administration order authorized by the Chief ALJ.

(E) A copy of all documents, other than exhibits, filed in OAH must be provided to all other pro se parties and attorneys of record. A certificate of mailing, delivery, or service must be filed with OAH.

(F) Upon failure to comply with the requirements in this Section, the ALJ may, among other sanctions, continue the cause of action until satisfactory compliance or deny the requested relief.

(G) Requests that do not comply with the requirements of (A) through (E) of this paragraph are considered only at the ALJ's discretion.

(H) Documents submitted through secure electronic means approved by OAH meet the requirement of original documents.

(2) Motions.

(A) This paragraph does not prohibit oral motions; however, written motions are preferred.

(B) All motions must state the legal basis supporting the relief or action requested, and whether the opposing party objects, when known.

(C) The ALJ determines if a hearing or oral argument is necessary on a motion and, if so, provides pro se parties and all attorneys of record with notice of the specific hearing date, time, and means.

(D) Initial and response briefs or responses that do not comply with this paragraph are considered only at the ALJ's discretion.

(3) Briefs.

(A) Reply and response briefs must be filed three-business days prior to any hearing. Each brief must be clearly styled to show:

- (i) if it is in support of a motion, in opposition of a motion, or a reply brief;
- (ii) the particular application or proceeding to which it relates; and
- (iii) the party or parties on whose behalf it is presented.

(B) Initial and response briefs, when required, must not exceed 20 pages in length without prior ALJ permission.

(C) Reply briefs must be limited to five pages in length without prior ALJ permission.

(D) No further briefs may be filed without ALJ permission.

(E) Briefs and responses that do not comply with this paragraph are considered only at the ALJ's discretion.

(4) Time extensions. Except at the ALJ's discretion, all requests for extensions of time must contain:

- (A) the original due date for the response;
- (B) the amount of additional time requested;
- (C) the reason for the request;

(D) the current status of the case, including the next hearing date, when a hearing is scheduled; and
(E) a statement that a good faith effort was made to contact the opposing pro se party or the opposing party's counsel regarding the extension to which:

- (i) opposing party consents;
- (ii) opposing party objects; or
- (iii) opposing party was unavailable.

(5) **Counsel withdrawal.** When submitting an application to withdraw and a proposed order allowing withdrawal, counsel must comply with the following:

(A) Every application to withdraw as counsel must contain:

- (i) a statement of grounds for withdrawal;
- (ii) the current case status, including the next hearing date, when a hearing is scheduled;
- (iii) if new or substitute counsel was obtained by the client and entered an appearance; and
- (iv) a certificate of mailing, delivery, or service to the client and to all other pro se parties and attorneys of record.

(B) Every proposed order allowing withdrawal must contain a statement of the case's current status, including the next hearing date, when a hearing is scheduled, and a certificate of mailing, delivery, or service to the movant's client, all other pro se parties, and attorneys of record.

(c) **Rejection for Non-Compliance.** The docketing clerks may reject documents for filing when this Section's requirements are not met or when there is no administrative case open through Oklahoma Human Services Child Support Services.

340:2-28-18. Discovery

(a) **Right to discovery.** Parties to an action before an administrative law judge (ALJ) of the Office of Administrative Hearings: Child Support, have the right to conduct discovery under the Oklahoma Discovery Code, Chapter 41 of Title 12 of the Oklahoma Statutes. ALJs may enter orders for discovery as necessary.

(b) **Discovery not filed.** Requests for the purpose of discovery must not be filed with OAH, unless the discovery document accompanies a pleading, motion, a response to a motion, or is ordered by the ALJ. Motions to compel discovery and/or for protective orders are permitted.

(1) It is the responsibility of the party submitting the documents to redact any sensitive material.

(2) Any discovery that contains personal identifiers, such as bank account, routing, taxpayer identification, or Social Security numbers, may be redacted by the party submitting the documents. When the numbers are relevant to the case, redacting all numbers except for the last four digits is acceptable. The party

submitting the redacted documents must not redact the originals; the redaction is made on copies of the originals, with the redacted copies submitted in substitution for the originals.

(c) **Disputed discovery motions.** A hearing on a discovery dispute may not be set unless the moving party advises the ALJ in the motion that the party has conferred or has attempted to confer, in good faith, about the dispute, with the non-movant and was unable to resolve the dispute.

340:2-28-19. Evidentiary purpose

(a) The hearing includes argument, factual evidence, including testimony, stipulations, and exhibits; and judicial notice of the law and of adjudicative facts, pursuant to the Oklahoma Evidence Code, 12 O.S. Section 2101 et seq; however, the technical rules of evidence do not apply to the hearing. Rules and principles designed to ensure production of the most credible evidence available and to subject testimony to test by cross-examination are applied by the ALJ where reasonably necessary. All documents and other evidence offered or taken for the record are open to examination by the parties, unless limited by redaction or a protection order.

(b) Exhibits intended to be offered must be exchanged prior to the hearing, except for exhibits to be offered in rebuttal and except for exhibits for which the opposing parties waive their right to inspect on the record. The ALJ may recess the hearing to allow for exchange of exhibits offered in rebuttal, as necessary and reasonable, or the exchange of exhibits initially offered at hearing, based upon an anticipated waiver of inspection which then does not occur on the record. The ALJ may require a proffer to determine the reasonableness and necessity of a recess for these purposes. All exhibits offered in electronic format are considered a substitution for the original. All exhibits submitted are pre-marked for identification. Any exhibit submitted to the court in anticipation of being offered, but which is not offered at the close of the record, will not be considered part of the court record and will not be maintained.

340:2-28-20. Entry of appearance

(a) All attorneys must execute an entry of appearance by filing, either on paper or through a secured electronic means approved by the Office of Administrative Hearings: Child Support (OAH), a:

- (1) formal entry of appearance with the OAH; or
- (2) signed pleading or motion with OAH that contains the attorney's name, Oklahoma Bar Association number, address, and telephone number.

(b) Every attorney of record must continue representation in the matter until final disposition by the administrative law judge (ALJ), unless permitted by the ALJ to withdraw for good cause shown. However,

attorneys representing the Child Support Enforcement Division (CSED) who enter appearances on behalf of the State of Oklahoma may be replaced as attorneys of record by other attorneys representing the CSED without permission of the ALJ.

340:2-28-22. Professional conduct and dress requirements

(a) Attorneys practicing before the Office of Administrative Hearings: Child Support (OAH) are expected to conduct themselves in accordance with the Model Rules of Professional Conduct of the American Bar Association, as adopted by the Oklahoma Supreme Court as the standard of conduct of all members of the Oklahoma Bar Association.

(b) Appropriate dress is required for all persons attending an OAH hearing or prehearing conference. Professional attire is required for all attorneys and the State's witnesses appearing before an administrative law judge.

340:2-28-22.1. Use of devices at hearings

(a) Audio or video recordings including photography, not made by an administrative law judge (ALJ) or court clerk, and broadcasting, of any type or means, during hearings is prohibited.

(b) The ALJ may:

- (1) allow the use of personal phones, wireless laptops, or other electronic communication devices at his or her discretion;
- (2) allow limited use of devices for a particular purpose;
- (3) allow the devices to remain within the hearing room only when turned off; or
- (4) prohibit such devices being physically present during a hearing.

(c) Persons violating this rule may be excused from the hearing or denied further participation in proceedings.

340:2-28-23. Official transcript

(a) The Office of Administrative Hearings: Child Support (OAH), prepares or directs the preparation of the official transcript by a licensed court reporter. The party seeking a copy of the transcript of the hearing must pay a reasonable deposit or adequate indemnity prior to the preparation of the transcript and prepay all costs of transcription. The transcript is not furnished prior to:

- (1) full payment of all transcription costs; or
- (2) issuance of an order from OAH finding that OAH is to bear the transcription costs.

(b) Upon application by means of an affidavit, for "in forma pauperis" status, the administrative law judge (ALJ) must determine whether to grant the application. Upon granting the application, OAH provides a transcript, at its own expense, to the applicant for the purpose of appeal.

(c) Upon notice to all parties, the ALJ may authorize corrections to the transcript. The official transcript of testimony must be filed in OAH.

(d) The official transcript is certified by the ALJ presiding at the hearing, the chief ALJ of OAH, or the clerk of OAH.

340:2-28-24. Case Record Management

(a) Audio or video recordings of hearings are the property of the Office of Administrative Hearings: Child Support (OAH) and are not available for copying, review, or transcription except as described in Oklahoma Administrative Code 340:2-28-23 or as otherwise authorized by law. OAH is not required to make or maintain video recordings of hearings even if hearings are conducted by electronic/digital video conferencing.

(b) OAH manages and disposes of case records according to the Oklahoma Statutes and all applicable Oklahoma Department of Human Services and Archives and Records Commission administrative rules and policy.

340:2-28-25. Record for appeal

The record for appeal prepared and sent by Office of Administrative Hearings: Child Support (OAH) to the appellate court is those documents included in the designation(s) and counter- designation(s) of record.

[Source: Added at 9 Ok Reg 113, eff 10-17-91 (emergency); Added at 9 Ok Reg 2761, eff 7-13-92 ; Amended at 20 Ok Reg 2033, eff 7-1-03 ; Amended at 24 Ok Reg 2176, eff 7-1-07 ; Amended at 37 Ok Reg 1747, eff 9-15-20]

340:2-28-25.1. Privacy and confidentiality

(a) **Filings under seal.** Although the Office of Administrative Hearings: Child Support (OAH) court records are public records, per Section 32.1 of Title 12 of the Oklahoma Statutes (12 O.S. § 32.1) and 51 O.S. § 24A.30, OAH may order any material in the record sealed, per 12 O.S. § 3226(C)(2) and 51 O.S. § 24A.29.

(1) Materials are not sealed when the administrative law judge (ALJ) determines that a reasonable redaction resolves the issue or that the request is overbroad, such as an attempt to seal a general category of materials. When the motion to seal is denied, OAH directs that the materials are stricken or unsealed, with or without redaction as directed by the ALJ.

(2) Any protective order that authorizes materials to be filed or admitted under seal identifies those materials. The protective order is accessible to the same extent as any other document in the OAH court record.

(3) When the motion to seal is granted, OAH retains authority to unseal the material or order the person who initially submitted the material to OAH to submit a redacted version into the record. This authority may be exercised either upon the court's own motion or pursuant to a party's written motion, served upon all non-moving pro se parties and attorneys of record, and subsequently approved after an ALJ hearing.

(b) Redaction. It is solely the responsibility of counsel and the parties to ensure that all filed pleadings, papers, exhibits, or other documents are redacted as permitted by these rules or the assigned ALJ. The party submitting the redacted documents must not redact the originals; the redaction is made on copies of the originals, with the redacted copies submitted in substitution for the originals. OAH personnel, including clerks and administrative law judges, do not review any document to verify redaction and have no duty to do so.

(1) The parties may refrain from including or may redact all but the last four digits, when inclusion is necessary, of the personal identifiers from any submission, such as Social Security, taxpayer identification, routing, or financial account numbers.

(2) When a filer includes personal information, such as Social Security numbers, tax identification numbers, routing numbers, financial account numbers, driver license numbers, dates of birth, addresses, or other sensitive information, in any document filed with OAH, electronically or otherwise, the document becomes a public record as filed.

(c) Filing errors.

(1) Filers make every effort to ensure they do not file a document other than the one intended to be filed, that it is filed in the correct case, and the document does not contain information that must be filed under seal or with redaction.

(2) When a document is filed into the wrong case, the OAH clerk is notified by submitting a "Notice of Erroneous Filing" in paper form into the correct case. The OAH clerk is authorized to move the document after inspection, without alteration; however, the OAH clerk may impose the correct OAH case number on the document in the upper right hand corner when necessary. The OAH clerk may move the document through electronic, mechanical, or a combination of the two means. The filer does not refile the document unless directed to do so. Alternatively, the OAH clerk, after inspection of the document, may decline to move the document when the "Notice of Erroneous Filing," itself, is in

error. The "Notice of Erroneous Filing" may be obtained from the OAH clerk or found on the Oklahoma Department of Human Services website. The filer is required to provide copies of the "Notice of Erroneous Filing" to all other parties and attorneys and to file a certificate of mailing, delivery, or service in OAH.

(3) When the OAH clerk determines the requesting party's "Notice of Erroneous Filing" is in error and declines to move the document, he or she notifies the requesting party by correspondence, with a copy of the correspondence filed in the same case as the "Notice of Erroneous Filing." The requesting party may be required to provide copies of such correspondence to the other pro se parties and attorneys of record and file a certificate of mailing, delivery, or service in OAH.

(4) When OAH discovers a filing error, the OAH clerk may enter a "Notice of Erroneous Filing," move the document, notify the original filer, and file a certificate of mailing, delivery, or service. The original filer may be required to provide copies to the other pro se parties and attorneys of record and file a certificate of mailing, delivery, or service in OAH.

(d) **Confidentiality.** Nothing in this rule impacts the confidentiality of juvenile records or any other records the Legislature determined are confidential.

340:2-28-25.2. Redaction of original paper documents

Any original paper document maintained in the Office of Administrative Hearings: Child Support redacted by nontransparent tape, ink, or other media or means is deemed permanently redacted.

[Source: Added at 37 Ok Reg 1747, eff 9-15-20]

340:2-28-26. Case numbering

(a) Every case heard or addressed by an administrative law judge (ALJ) with the Office of Administrative Hearings: Child Support (OAH) must be assigned an OAH case number prior to the case being placed on the docket. OAH numbers are generally assigned within one-business day after the request is submitted to OAH by the district child support office. The case is assigned a number starting with the year the case is opened with OAH and a chronological number of the case for that year within OAH.

(b) Documents are not accepted for filing by OAH unless the OAH number is clearly written on the document and the case number corresponds to the named parties assigned to the case according to OAH records.

340:2-28-30. Continuances

(a) A party seeking a continuance must request a continuance from the assigned administrative law judge (ALJ) and give notice to the non-movants. If the assigned ALJ is not available, the chief ALJ may decide the motion and/or the entire action or assign another ALJ to determine the motion and/or the entire action. If an action was heard or partially-heard on the record by an ALJ, who is later unavailable, the chief ALJ or another ALJ, as designated by the chief ALJ, may continue the matter without hearing.

(b) A party does not have the authority to continue a matter set on an ALJ's regularly- or specially-scheduled docket. Parties may agree to continue a docketed matter with the assigned ALJ's approval. Without an agreement, the motion is heard by the assigned ALJ.

(c) When an assigned ALJ is unavailable for a docket or for an action in a case, the chief ALJ may assign another ALJ or may direct that the unresolved matters be continued without a hearing.

(d) After one continuance is granted for each party, further motions for continuances, unless agreed by all parties, are heard by an ALJ assigned to the case and are not granted, except for good cause. If the assigned ALJ is not available, the chief ALJ may decide the motion and/or the entire action or assign another ALJ to determine the motion and/or the entire action. If an action was heard or partially-heard on the record by an ALJ, who is later unavailable, the chief ALJ or another ALJ, as designated by the chief ALJ, may continue the matter without hearing.

(e) All orders for continuance must set forth the basis for the continuance.

(f) In emergency situations including, but not limited to, severe weather threats and/or impact, the chief ALJ or the assigned ALJ, with the chief ALJ's approval, may continue all cases on a docket without a hearing.

(g) An assigned ALJ or the chief ALJ may continue any case on a docket *sua sponte* without a hearing.

340:2-28-33. Default and agreed judgments

- (a) A default judgment or administrative order may be entered, without formal motion or notice of taking of default, when:
- (1) after statutory requirements for service have been met, a party fails to:
 - (A) appear for a set hearing date;
 - (B) file a responsive pleading; or
 - (C) request a hearing within the statutory time allotted; or
 - (2) having requested a hearing, the obligor fails to make an appearance at the hearing.
- (b) Documents filed in support of the proposed default judgment are:
- (1) proof of service;
 - (2) Servicemember's affidavit in accordance with the Servicemember's Civil Relief Act of 2003 and Department of Defense Status Report;
 - (3) Proof of breach of payment, when basis of claim;
 - (4) Copy of underlying order(s), when basis of claim;
 - (5) Amount of debt, including principle and interest;
 - (6) proof of paternity/maternity, when available and when basis of claim; and
 - (7) any other item specifically requested by the assigned judge.
- (c) An agreed judgment or administrative order may be entered upon the basis of mutual intent of all parties in accord with the law, as evidenced by their signatures or by an authorized representation, on the document or in open court, that one or more parties has waived signature. The following documents are filed in support of the proposed agreed judgment:
- (1) Copy of underlying order(s), when basis of claim;
 - (2) proof of paternity/maternity, when available and when basis of claim; and
 - (3) any other item specifically requested by the assigned judge.

340:2-28-34. Matters taken under advisement

A decision must be rendered within 20 days after the date the hearing is concluded. [56 O.S. § 237.8] In the event the record is left open by order of the administrative law judge (ALJ) after a hearing is concluded, a decision must be rendered 20 days after the last evidence, brief, or memorandum of law is received into the record or the ALJ determines that the record is closed. If the decision is not rendered within this time, the chief ALJ may be advised by either party so that appropriate measures may be taken by the chief ALJ.

340:2-28-55. Appeal from administrative order

(a) Appeals from an administrative order are in accordance with Section 240.3 of Title 56 of the Oklahoma Statutes (56 O.S. § 240.3).

(b) Only final orders of the Office of Administrative Hearings: Child Support (OAH) may be appealed to the district court. OAH final orders are not stayed pending an appeal except by district court order.

(c) A copy of appellant's petition in error and designation of record, identical to the originals filed in district court to commence the appeal, is mailed by regular mail to OAH for filing. A copy of the appellee's counter-designation of record, identical to the original filed in district court, is mailed by regular mail to OAH for filing. No other form of service for a petition in error, a designation of record, counter-designation of record, or request for a transcript upon OAH is permitted, including hand-delivery or digital means.

(d) OAH prepares or directs preparation of the official transcript by a licensed court reporter, when a transcript is requested. A transcript may be obtained when the requesting party submits a written request to OAH by regular mail for the transcript(s) and pays the deposit. OAH responds by letter to the requesting party, specifying the amount of the required deposit and acceptable forms of payment.

- (e) After OAH receives the request and deposit, OAH prepares or directs preparation of the official transcript by a licensed court reporter.
- (f) OAH notifies the requesting party when the transcript is complete and of the balance due that must be paid in full before the certified copy is mailed to the district court or to the parties.

340:2-28-57. Certification of copies of administrative orders

(a) An administrative order or other document filed within the administrative court record may be certified as a true and correct copy of the original, whether the original is in paper, electronic, or digital format by:

- (1) the physical or electronic application of language to each copy, which states, in effect, that the copy to be certified is a true and correct copy of the original as it appears in the record of the administrative court; and
- (2) an administrative law judge (ALJ) or a clerk of the administrative court completes the certification by means of the respective physical or electronic/digital signature and date; and
- (3) the application of the administrative court seal by the clerk of the administrative court, an ALJ, or other individual as directed by an ALJ.

(b) In the alternative, an administrative order, that bears an ALJ's electronic/digital signature, is deemed certified.

(c) The use of electronic/digital signatures is authorized per Section 237.9a of Title 56 of the Oklahoma Statutes.

SUBCHAPTER 33. RATES AND STANDARDS

340:2-33-1. Rates and standards

(a) **Legal basis.** Section 85.1 et seq. of Title 74 of the Oklahoma Statutes (74 O.S. §§ 85.1 et seq.) is the legal basis for establishing fixed and uniform rates.

(1) 74 O.S. § 85.7 requires agencies desiring to have a service qualified for a fixed and uniform rate, or an established rate modified, submit a written request and all supporting documentation to the Office of Management and Enterprise Services Division of Capital Assets Management (OMES DCAM). When OMES DCAM qualifies such service for a fixed and uniform rate, the rate must be approved in a public hearing, before the Oklahoma Department of Human Services (DHS) can enter into a legal contract.

(2) Within two weeks after the Legislature convenes, each state agency provides the Speaker of the House of Representatives and the President Pro Tempore of the Senate a complete list of all services paid for by fixed and uniform rates and, the number of contracts in existence for each type of service.

(b) **Rate approval or disapproval.** The DHS Rates and Standards Committee (Committee) is comprised of DHS executive-level staff designated by the Director of Human Services (Director). The Committee conducts public hearings where the public, vendors, and DHS staff are afforded the opportunity to provide testimony and documented evidence regarding the rate recommendation. The Committee approves or disapproves the rate and makes a recommendation to the Director. The Director sets the rates for OKDHS administered programs.

SUBCHAPTER 35. VOLUNTEER SERVICES

340:2-35-1. Volunteer services

The Department of Human Services (DHS) utilizes volunteers to augment and enrich DHS programs in several divisions of the Agency. The material in this Subchapter provides basic guidelines for work with volunteers throughout DHS. Volunteers are a very useful resource for meeting a variety of client needs.

[Source: Added at 18 Ok Reg 2052, eff 6-11-01]

340:2-35-2. Volunteer job design

A number of specific areas in which individual volunteers may provide services are described in (1)-(9) of this subsection.

(1) **Visitor or companion.** Visitor or companion activities include:

- (A) visiting on a regular basis an elderly or homebound person, such as a person with multi-handicapping conditions;
- (B) providing companionship and social stimulation;
- (C) writing letters;
- (D) helping with errands;
- (E) accompanying clients to medical appointments;
- (F) sharing interests and being a friend; and
- (G) spending time at holidays, birthdays, and other important times, such as during illness, surgery or personal crisis.

(2) **Mom-to-mom.** Mom-to-mom activities include helping, motivating, and befriending a mother in various ways such as:

- (A) modeling parenting skills and encouraging young mothers in home management tasks;
- (B) budgeting and shopping; or
- (C) offering friendship, support, and acceptance.

(3) **Mentor or special friend.** Volunteer mentor or special friend activities include establishing a one-to-one ongoing friendship with a child, teenager, or an adult with special needs by:

- (A) sharing recreational outings, leisure activities, meals out;
- (B) serving as a role model;

- (C) helping a client prepare for independent living, or
- (D) being a dependable friend.
- (4) **Tutoring.** Tutoring activities include:
 - (A) helping a child to attain his or her education potential;
 - (B) teaching an adult to read; or
 - (C) helping an adult or child build confidence.
- (5) **Transportation.** Volunteer transportation activities may include driving clients to:
 - (A) medical or therapy appointments;
 - (B) court appearances;
 - (C) the grocery store; and
 - (D) the pharmacy.
- (6) **Share-a-trip.** Volunteers may provide opportunities for personal or educational enlightenment for children or persons with developmental disabilities or disabling conditions. Volunteers may plan activities such as outings to:
 - (A) the zoo;
 - (B) sporting events; or
 - (C) concerts;
- (7) **Share-a-skill.** A volunteer may share skills, such as:
 - (A) sewing;
 - (B) budgeting;
 - (C) playing a musical instrument;
 - (D) gardening; or
 - (E) basic house-cleaning.
- (8) **Resource development.** An individual or group of volunteers may sponsor a project to raise funds, develop resources, or solicit donations of needed goods. Volunteers may participate in a speakers' bureau to expand public awareness, influence legislation, or recruit other volunteers.
- (9) **Administrative.** Trained volunteers may perform many tasks of DHS employees. Administrative volunteer activities may include:
 - (A) gathering information to help determine eligibility for Agency programs;
 - (B) typing;
 - (C) processing claims; and
 - (D) filing.

[Source: Added at 18 Ok Reg 2052, eff 6-11-01]

340:2-35-3. Specialized volunteer placement

Certain volunteer placements require specialized training or certification.

- (1) **Respite care.** Respite care volunteers assist parents or primary care givers with the care or supervision of a child or a person with developmental disabilities by providing brief periods of respite so that care givers can attend to personal or family business.
- (2) **Legal assistant.** Legal assistant volunteers:

- (A) research legal data;
- (B) assist in the preparation of legal briefs and arguments and in the filing of court or administrative functions; and
- (C) check court records to obtain information for legal or administrative action.

[Source: Added at 18 Ok Reg 2052, eff 6-11-01]

340:2-35-4. Requirements for volunteers

(a) **General.** To protect the rights of clients and volunteers and to properly integrate volunteers into the Oklahoma Department of Human Services (OKDHS) service systems, volunteers are required to:

- (1) be at least 18 years of age and demonstrate an interest in and a concern for the needs of others;
- (2) attend an orientation and training session outlining the various OKDHS programs and services;
- (3) agree to the confidentiality requirement on all cases and agree to follow OKDHS rules;
- (4) carry Form VOL-1, Volunteer Identification Card, while on duty; and
- (5) have adequate automobile liability insurance and valid driver's license if transporting clients.

(b) **Individual volunteers.** An extensive screening process is required for prospective volunteers recruited for direct care services to OKDHS clients.

(1) This process includes entrance and placement interviews and the completion of Forms:

- (A) VOL-3, Volunteer Agreement;
- (B) VOL-5, Application for Volunteer Service;
- (C) VOL-7, Volunteer Reference Letter, as required; and
- (D) VOL-9, Volunteer Interview Report.

(2) Before placement, volunteers in direct care service must have a background check through the Child Abuse and Neglect Information System (CANIS), Oklahoma State Bureau of Investigation (OSBI), Department of Public Safety, and other applicable background checks.

(3) Screening requirements are less restrictive for volunteers who will not be placed in one-on-one relationships with OKDHS clients.

(4) Form VOL-1 is issued to the volunteer at the time of certification by the local office.

(c) **Volunteer groups.** In situations where a group of individuals volunteer their services for a group project such as Boy Scouts, a high school class, or military group, the minimum age requirement may be waived.

(1) The person responsible for supervising the group must be an approved volunteer.

(2) It is not necessary for each individual member of a volunteer group to complete Form VOL-5. The person responsible for the group signs Form VOL-2, Volunteer Group Agreement, and attests

for all the group members who participate.

(3) The group must be approved as a OKDHS volunteer group by the volunteer coordinator.

340:2-35-5. Administrative staff roles and responsibilities

(a) **Overview.** The volunteer program requires cooperation and commitment from paid staff at all levels. Volunteers are a vital part of the service network and are provided adequate training and supervision. Their work is evaluated with constructive feedback given on their performance. Volunteers who provide ongoing, direct care service to clients have access to the social worker with time scheduled for planning and goal setting.

(b) **Volunteer director.** The volunteer director in the Executive Office, State Office, is responsible for assisting the county offices to develop and implement volunteer programs to fit the needs and requirements of each county. The volunteer director is responsible for:

- (1) coordinating Agency-wide volunteer concerns;
- (2) overseeing the DHS Volunteer Budget;
- (3) providing technical and administrative support for DHS volunteer recognition activities; and
- (4) chairing the state DHS Volunteer Council (Council).

(c) **Council.** The Council is the governing board for volunteer rules and planning. Each participating program is represented on the Council. The Council includes volunteer program administrators and other volunteer management personnel. The Council:

- (1) plans and carries out promotional activities and fund raising projects to support recognition activities;
- (2) oversees the nomination process for area and state volunteer awards events; and
- (3) plans and hosts the annual state DHS Volunteer Award Ceremony.

(d) **Volunteer program administrators.** Volunteer program activities are directed and supervised on a statewide basis by administrators in Child Welfare, Developmental Disabilities Services Division, Child Support Enforcement Division, Office of Field Operations, and Family Support Services Division. The volunteer program administrators:

- (1) provide technical and administrative assistance to local volunteer managers;
- (2) monitor program activities;
- (3) make recommendations for service improvements;
- (4) offer training and educational opportunities in volunteer management for local staff and volunteers; and
- (5) develop training packets, posters, and handouts for use in promoting the volunteer program and recruiting volunteers.

(e) **Volunteer coordinator.** The volunteer coordinator is appointed by the district supervisor or county director to coordinate the local volunteer program. Activities of the volunteer coordinator include:

- (1) recruiting new volunteers;

- (2) screening volunteers;
- (3) assigning volunteers specific tasks;
- (4) ensuring that volunteer mileage claims are processed; and
- (5) updating the active volunteer files.

[Source: Added at 18 Ok Reg 2052, eff 6-11-01]

340:2-35-6. Reimbursement for mileage and necessary expenses

Reimbursement for mileage and necessary expenses may be made to volunteers who provide transportation to clients. Volunteers may not be a relative of the client. The SoonerRide transportation services through the Oklahoma Health Care Authority provides the majority of transportation needs for DHS clients. Clients not eligible for SoonerRide services, may be eligible for transportation by DHS volunteers.

[Source: Added at 18 Ok Reg 2052, eff 6-11-01]

340:2-35-7. Documentation of volunteer services

The volunteer services coordinator assists volunteers and social workers in recording and documenting volunteer services, service hours, and other voluntary contributions. Volunteer services are documented by completing Form VOL-4, Volunteer Report of Contact.

[Source: Added at 18 Ok Reg 2052, eff 6-11-01]

340:2-35-8. Recognition of volunteers

- (a) **Certificates of appreciation.** Certificates of appreciation used for special recognition and local award ceremonies are available upon request to the State Office, Executive Office, volunteer director.
- (b) **DHS volunteer awards ceremonies.** Each year DHS hosts area volunteer awards ceremonies to formally thank individuals and organizations whose voluntary efforts have had a positive impact on DHS clients. A statewide ceremony concludes the annual DHS volunteer recognition events.

SUBCHAPTER 37. COMMUNICATIONS

340:2-37-1. Purpose, authority, and scope

- (a) **Purpose.** The Office of Communications coordinates the dissemination of information about the Oklahoma Human Services (OKDHS).
- (b) **Authority.** The Office of Communications operates under the authority of the Director of Human Services.
- (c) **Scope.** The Office of Communications:
 - (1) communicates a clear vision of OKDHS;

- (2) conveys to large and varied audiences information about programs, services, operations, and actions undertaken by OKDHS and its agents;
- (3) monitors health and human services issues as reported by the media on state and national levels;
- (4) acts in an advisory role supporting all OKDHS programs, other state agencies, county and local governments, advocacy groups, community organizations, and trade and professional organizations;
- (5) provides support and leadership for OKDHS celebrations and employee quality recognition events;
- (6) monitors OKDHS communications-related activities and contracts;
- (7) coordinates and monitors OKDHS public service campaigns and provides support for public service and education projects;
- (8) serves as the central point of media contact and responds or arranges for a response to all inquiries from newspaper, magazine, radio, online and television media;
- (9) develops and disseminates OKDHS media releases;
- (10) provides communications training to OKDHS staff on media interviews, public relations, public speaking, and other communications matters;
- (11) publishes information and produces videos for internal employee communication;
- (12) oversees Internet, Intranet, and other technology-driven communications content to ensure the delivery of clear and accurate messages;
- (13) serves as a point of clearance on communication materials and tools;
- (14) monitors and ensures the appropriate use of OKDHS brands, logos, and other images uniquely associated with the OKDHS image; and
- (15) complies with the Open Records Act through rules governing the receipt and processing of open records requests from members of the media per Oklahoma Administrative Code 340:2-21-12 through 340:2-21-16.

340:2-37-2. Definitions

The words and terms in this Subchapter shall have the following meanings unless the context clearly indicates otherwise:

"Agent" means a person, group, partner, or entity not employed by the Oklahoma Human Services (OKDHS) that works with, or has a paying contract with OKDHS.

"Brand" means a name and, a visual or non-visual image, reflective of the OKDHS mission, vision, and values that:

- (A) creates a positive perception in the public mind;
- (B) establishes a market position; and

(C) is used to carry any message relevant to OKDHS through any medium.

"Technology-driven communications" means electronic communication tools, including email, audio and video programming, Internet and Intranet content, and public education and service announcements.

340:2-37-3. Confidentiality

(a) The Office of Communications complies with federal and state statutes and Oklahoma Human Services (OKDHS) rules regarding confidentiality of persons applying for or receiving services from OKDHS and their records, per Section 1-6-102 of Title 10A of the Oklahoma Statutes (10A O.S. § 1-6-102); 43A O.S. § 10-110; 51 O.S. § 24A.1 et seq.; 56 O.S. § 183; Oklahoma Administrative Code (OAC) 340:65-1-2; and OAC 340:2-21-13.

(b) Form 16AD013E, News Media and Media Production Release of Information, is completed when information about, or the likeness of, an OKDHS employee, applicant or recipient of OKDHS services, or person(s) volunteering to support the OKDHS mission are used to increase public awareness of OKDHS services, train OKDHS employees or volunteers, or educate persons with an interest in Oklahoma health and human services issues. The person does not receive a royalty or compensation for the use of the information.

340:2-37-5. Internet and Intranet communications

(a) **Purpose.** Oklahoma Human Services (OKDHS) is committed to using electronic technology efficiently and effectively to:

- (1) provide Oklahoma citizens and OKDHS employees, clients, and partners with current, accurate, and accessible information about OKDHS programs and services;
- (2) communicate with contracted service providers in a more efficient and cost-effective manner;
- (3) distribute information electronically to save money and production time; and
- (4) promote partnerships with organizations that share OKDHS interests.

- (b) **Applicability.** This rule applies to all:
- (1) OKDHS programs, and offices; and
 - (2) contractors and consultants, including those who operate or maintain websites for OKDHS entities.
- (c) **Scope.** The Office of Communications serves as the OKDHS web content manager.

SUBCHAPTER 39. INNOVATION SERVICES

PART 1. INNOVATION SERVICES

340:2-39-1. Innovation Services (IS)

- (a) **Purpose.** IS:
- (1) conducts data-driven research and statistical analysis of Oklahoma Department of Human Services (DHS) programs and services, including grant evaluation;
 - (2) collaborates with (DHS) divisions to communicate and disseminate information regarding (DHS) research, programs, and services;
 - (3) provides technical assistance in the design, development, implementation, and evaluation of projects, programs, and grants conducted or supported by DHS;
 - (4) serves as the official DHS clearinghouse for language translation, forms, and appendices;
 - (5) provides technical assistance in designing, developing, and implementing DHS strategic planning for;
 - (6) provides leadership for developing and implementing quality and performance improvement strategies and initiatives; and
 - (7) works to build a culture of continuous improvement.
- (b) **Reports.** IS assists with the preparation of the DHS:
- (1) Annual Report, required by Section 162 of Title 56 of the Oklahoma Statutes (56 O.S. § 162), each year to the Governor on or before November 1; and
 - (2) Strategic Plan, required by 62 O.S. § 45.3, every two years, per Oklahoma Administrative Code 340:1-1-18.

PART 3. OKLAHOMA DEPARTMENT OF HUMAN SERVICES INSTITUTIONAL REVIEW BOARD (DHSIRB)

340:2-39-5. Purpose, scope, and authority

(a) **Purpose.** The purpose of the Oklahoma Department of Human Services (DHS) Institutional Review Board (DHSIRB) is to:

- (1) protect the rights and welfare of DHS employees and DHS clients and/or patients, including individuals receiving DHS benefits or services provided at DHS- operated facilities, who participate in a research activity as a "research subject" or "human subject" as defined in this Part; and
- (2) assist the investigator and DHS in their mutual obligation to comply with all applicable federal, state, and local laws, rules, and regulations, including DHS internal policies, with respect to the research participants and investigators.

(b) **Scope.** DHSIRB operates, per Part 46 of Title 45 of the Code of Federal Regulations and applicable state laws. Unless the research meets the criteria for review exemption, per Oklahoma Administrative Code (OAC) 340:2-39-11(d), DHSIRB reviews research projects including program evaluation projects with a human subjects research component that involve:

- (1) direct interaction between the investigator and the research subject, including:
 - (A) experimentation, such as experimental medication or treatment, involving the research subject;
 - (B) surveys or interviews with research subjects;
 - (C) interaction with research subjects beyond normal service delivery; and
 - (D) performance of any procedures not performed for the sole benefit of the person involved, and any procedures in which either a primary or secondary purpose or objective is the collection of data for research analysis;
- (2) any research intended to contribute to generalized knowledge; and
- (3) the collection of protected information about research subjects from third parties for research analysis.

(A) Research involving human subjects is not limited to deliberate experimentation with human subjects. It also includes the performance of any procedures not performed for the sole benefit of the person involved and any procedures in which either a primary or secondary purpose or objective is the collection of data for research analysis.

(B) The scope of research involving human subjects covered by this Part not only involves physical, chemical, electrical, or psychological stimulation of responses within the human body, but also includes:

- (i) interviews;
- (ii) observation of behavior in which an investigator interacts with human subjects;
- (iii) test administration; or
- (iv) other measurement techniques.

(C) Some research involving human subjects may be exempt from on-going DHSIRB review. Authority for the decision on whether a research or evaluation project is

exempt resides with DHSIRB. Research involving human subjects is not intended to cover data obtained as part of the teaching or training of individuals in which the performance of therapeutic procedures is for the direct and sole benefit of the person involved, or for any area of investigation of individuals as part of the performance of professional services.

(D) All activities related to human subject research, regardless of funding source, is guided by the ethical principles in The Belmont Report.

(c) **Authority.**

(1) DHSIRB receives its authority from the DHS Director. DHSIRB is registered with the federal Department of Health and Human Services (DHHS) and has approved the Federalwide Assurance of Protection for Human Subjects submitted to DHHS.

(2) DHSIRB has the authority to review any research funded through DHS or that focuses on DHS staff or individuals receiving DHS benefits or services. In addition, DHSIRB has the authority to:

(A) approve, disapprove, or order research modification based upon consideration of the risks and benefits to the human subjects;

(B) oversee the conduct of the research and require periodic progress reports from research investigators;

(C) suspend or terminate prior approval of a research project;

(D) place restrictions on a research project;

(E) require research investigators to report breaches of confidentiality, within five-business days; and

(F) require research investigators to report within five-calendar days of discovery when any researcher or research participant is endangered physically or psychologically during the data collection period of the study.

340:2-39-6. Definitions

The following words and terms, when used in this Part, shall have the following meanings, unless the context clearly indicates otherwise:

"The Belmont Report" means a statement of basic ethical principles governing research involving human subjects issued by the National Commission for the Protection of Human Subjects in 1978.

"Child" means an individual, who has not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law of the jurisdiction in which the research is conducted. For research conducted in Oklahoma, where federal regulations and Oklahoma law both apply, an unmarried or unemancipated individual younger than 18 years of age meets the definition of "child." For research conducted outside of Oklahoma or in a jurisdiction where Oklahoma law

does not apply, individuals who meet the definition of a child are those individuals described under the applicable jurisdiction law where the research is conducted.

"Clinical trial" means a research study in which one or more human subjects are prospectively assigned to one or more interventions, which may include placebo or other control, to evaluate the effects of the interventions on biomedical or behavioral health-related outcomes, per Section 46.102(b) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 46.102(b)).

"Confidentiality" means the treatment of information an individual discloses in a relationship of trust with the expectation that it is not divulged to others or in ways inconsistent with the understanding of the original disclosure without his or her permission.

"Demonstration project" means a project, deliberately small in scale and limited in scope, usually with a short project cycle.

"Department of Human Services Institutional Review Board (DHSIRB)" means a specially constituted review body established or designated by the Oklahoma Department of Human Services (DHS) to protect the welfare of human subjects recruited to participate in research, per 45 C.F.R §§46.102(g), 46.108, and 46.109.

"Director" means the DHS Director, per Chapter 1 of this Title.

"Federalwide Assurance (FWA)" means a formal, written, binding commitment an institution submits to the United States (U.S.) Department of Health and Human Services (DHHS), U.S. Office for Human Research Protections (OHRP), in which it commits to DHHS compliance with the requirements set forth in the regulations for the protection of human subjects, per 45 C.F.R. § 46.

"Generalizable knowledge" means information where the intended use of the research findings can be applied to populations or situations beyond those being studied. In practice, generalizable knowledge refers to research results that are:

- (A) published, including research papers published as a thesis or dissertation;
- (B) presented to the public; or
- (C) developed for others to build upon. Generalizable knowledge may include theses, dissertations, and some oral histories.

"Human protections administrator (HPA)" means the person designated by the DHS Innovation Services director, who provides administrative support to the DHSIRB, serves as the OHRP primary institutional contact, and has the administrative responsibility for the program. The HPA:

- (A) has comprehensive knowledge of all aspects of the DHS system of protections for human subjects;
- (B) is familiar with the institution's commitments under FWA; and
- (C) plays a key role in ensuring the institution fulfills its responsibilities under FWA.

"Human subject" means a living individual about whom an investigator, whether professional or student, conducting research:

- (A) obtains information or biospecimens through intervention or interaction with the individual, and uses, studies, or analyzes the information or biospecimens; or
- (B) uses, studies, analyzes, or generates identifiable, private information or identifiable biospecimens.

"Identifiable biospecimen" means a biospecimen for which the identity of the subject is, or may readily be, ascertained by the investigator or associated with the biospecimen.

"Identifiable private information" means private information for which the identity of the subject is, or may readily be, ascertained by the investigator or associated with the information.

"Individual with impaired decision-making capacity" means an individual with a compromised ability to make decisions in his or her own best interest, such as individuals:

- (A) under the influence of, or dependent on, drugs or alcohol;
- (B) suffering from degenerative diseases affecting the brain;
- (C) terminally ill patients;
- (D) with severely disabling physical handicaps including, but not limited to:
 - (i) a psychiatric disorder, such as psychosis, neurosis, or personality or behavior disorders;
 - (ii) dementia; or
 - (iii) a developmental disorder, such as an intellectual disability affecting cognitive or emotional functions to the extent that capacity for judgment and reasoning is significantly diminished.

"Informed consent" means a person's voluntary agreement, based upon adequate knowledge and understanding of relevant information, to participate in research or to undergo a diagnostic, therapeutic, or preventive procedure. In giving informed consent, subjects may not waive or appear to waive any of their legal rights, or release or appear to release the investigator, the sponsor, the institution, or agents thereof from liability for negligence, per 45 C.F.R. § 46.116 and 21 C.F.R. §§ 50.20 and 50.25.

"Innovation Services (IS)" means the DHS office that provides technical assistance in the design, development, implementation, and evaluation of projects, programs, and grants conducted or supported by DHS. IS conducts data-driven research and statistical analysis of programs and services, and disseminates information and results.

"Institution" means DHS unless the context clearly indicates otherwise.

"Interaction" means communication or interpersonal contact between investigator and subject.

"Intervention" means physical procedures by which information or biospecimens are gathered, such as venipuncture because it is a physical procedure to gather a biospecimen, as well as manipulations of the subject or his or her environment that are performed for research purposes.

"Investigator" means a scientist or scholar, who may be a professional or a student, with primary responsibility for the design and conduct of research.

"Legally-authorized representative" means an individual, judicial entity, or other body authorized under applicable law to consent on behalf of a prospective subject to his or her participation in the procedure(s) involved in the research. When there is no applicable law addressing this issue, legally-authorized representative means an individual recognized by DHS policy as acceptable to provide consent in the non-research context on behalf of the prospective subject to his or her participation in the procedure(s) involved in the research.

"Minimal risk" means the probability and magnitude of harm or discomfort anticipated in the proposed research are not greater, in and of themselves, than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests, per 45 C.F.R. § 46.102(j). For example, the risk of drawing a small amount of blood from a healthy individual for research purposes is no greater than the risk of doing so as part of routine physical examination.

"Office of Human Research Protection (OHRP)" means a federal agency that provides leadership in the protection of the rights, welfare, and well-being of subjects involved in research conducted or supported by DHHS. OHRP ensures this by:

- (A) providing clarification and guidance;
- (B) developing educational programs and materials;
- (C) maintaining regulatory oversight; and
- (D) providing advice on ethical and regulatory issues in biomedical and social-behavioral research.

"Principal investigator (PI)" means the research investigator who is ultimately responsible for ensuring compliance with applicable federal, state, and local laws, rules, and regulations, and the conduct of the research.

"Privacy" means having control over the extent, timing, and circumstances of sharing one's self physically, behaviorally, or intellectually with others.

"Private information" means information, such as medical records, about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place. Information is provided for specific purposes, and he or she can reasonably expect the information is not made public.

"Research" means a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge, per 45 C.F.R. § 46.102(l).

"Research subject" means a DHS employee, client, and/or patient:

- (A) who is voluntarily participating as a human subject in a research project;
- (B) who is voluntarily participating in a survey or interview conducted as part of a research or program evaluation project; and/or
- (C) whose protected information is disclosed to, and used by, an investigator during a research or program

evaluation project. The words "subject" and "participant" are used interchangeably.

"Risk" means the probability of harm or injury whether physical, psychological, social, or economic occurring as a result of participation in research. Both the probability and magnitude of possible harm may vary from minimal to significant.

"Systematic investigation" means an activity that involves a prospective plan incorporating data collection, either quantitative or qualitative, and data analysis to answer a question, such as systematic investigations that include surveys and questionnaires, interviews and focus groups, analyses of existing data or biological specimens, epidemiological studies, evaluations of social or educational programs, cognitive and perceptual experiments, and medical chart review studies.

340:2-39-7. Principles and policies

(a) **Ethical principles.** The Oklahoma Department of Human Services Institutional Review Board (DHSIRB) is guided by the ethical principles regarding research involving human subjects set forth in the report of the National Commission for the Protection of Human Subjects of Biomedical and Behavioral Research entitled, "Ethical Principles and Guidelines for the Protection of Human Subjects of Research" or "The Belmont Report." The DHSIRB recognizes the principles of respect for persons; beneficence, including minimization of harms and maximization of benefits; and justice as stated in The Belmont Report and strives to apply these principles in all research covered by this Part. In addition, DHSIRB makes all reasonable efforts to comply with the requirements in Part 46 of Title 45 of the Code of Federal Regulations (45 C.F.R. Part 46) for all research subject to its review.

(b) **Institutional policies.**

- (1) DHSIRB acknowledges and accepts its responsibility for protecting the rights and welfare of human research subjects.
- (2) DHSIRB acknowledges that it, and its investigators, accept those responsibilities necessary for the performance of all research covered by this Part including compliance with applicable federal, state, and local laws.
- (3) DHSIRB works to ensure that, before subjects are involved in research, the requirements in (A) - (G) are met.

(A) Risks to participants are minimized by:

- (i) using procedures consistent with sound research design that do not unnecessarily expose participants to risks; and
- (ii) employing procedures already being performed on the participants for prevention, diagnostic, or treatment purposes, when appropriate.

(B) Risks to human subjects are reasonable relative to anticipated benefits, if any, to human subjects, and the importance of the knowledge that may reasonably be expected to result.

(C) Selection of human subjects is equitable.

(D) Human subjects, or their legally authorized representatives, provide voluntary informed consent for participating in research, unless otherwise exempted by state or federal law, per Oklahoma Administrative Code 340:2-39-11.1.

(E) There are adequate provisions for ensuring human subjects' safety.

(F) There are adequate provisions to protect human subjects' privacy and maintain data confidentiality.

(G) When necessary, appropriate additional safeguards are included in research involving subjects who are likely to be vulnerable to coercion or undue influence, such as children, including those who are wards of the state or any other agency, prisoners, individuals with impaired decision-making capacities, or economically or educationally disadvantaged persons.

(4) DHSIRB encourages and promotes constructive communication among its administrators, research supervisors, research investigators, and all other relevant parties as a means of maintaining a high level of awareness to safeguard the rights and welfare of research subjects.

(5) DHSIRB exercises appropriate administrative oversight to ensure its practices and procedures designed for the protection of the rights and welfare of human subjects are effectively applied.

(6) DHSIRB serves in a collaborative relationship with research investigators to ensure that research with human subjects is conducted in accordance with legal requirements and ethical principles of respect for persons, beneficence, and justice.

(7) DHSIRB provides each individual conducting or reviewing human subject research, such as research investigators, research supervisors, research reviewers, and division directors with a copy of this Section.

(8) Per 45 C.F.R. § 46.108(a)(3), DHSIRB is responsible for:

(A) conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and to appropriate Oklahoma Department of Human Services (DHS) managers, supervisors, and directors;

(B) determining which projects require review more often than annually and which projects need verification from sources other than the investigators when no material changes occurred since the previous DHSIRB review; and

(C) ensuring prompt reporting by investigators to DHSIRB of proposed changes in a research activity; and ensuring investigators conduct the research activity in accordance with DHSIRB terms of approval until any proposed changes are reviewed and approved by DHSIRB, except when necessary to eliminate apparent immediate hazards to the subject.

- (9) DHSIRB is responsible for ensuring prompt reporting by investigators to DHSIRB; appropriate DHS officials; the department or agency head; and the Office for Human Research Protections, the Department of Health and Human Services (DHHS), or any successor office, or the equivalent office within the appropriate federal department or agency of any:
- (A) unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the DHSIRB requirements or determinations; and
 - (B) DHSIRB suspension or termination of approval.

(c) Support for DHSIRB functions and operations.

- (1) In order to ensure that DHSIRB has the necessary resources to carry out its duties, DHS provides sufficient:
- (A) staff support, which includes at a minimum, the human protections administrator (HPA). The HPA provides administrative support to DHSIRB, serves as the Office of Human Research Protection's primary DHS contact, and has the administrative responsibility for DHSIRB functions and operations; and
 - (B) meeting space for the Board to convene.
- (2) Additional necessary resources, such as filing space, reproduction equipment, and computers for DHSIRB are provided by DHS through the Innovation Services (IS) division.

340:2-39-8. Membership

(a) Oklahoma Department of Human Services Institutional Review Board (DHSIRB) membership requirements.

- (1) The DHSIRB is comprised of at least seven members. Membership criteria includes, but is not limited to, consideration of earned degrees, representative capacity, and indications of experience, such as board certifications or licenses sufficient to describe each member's chief anticipated contributions to DHSIRB deliberations.
- (2) Prior to serving on the DHSIRB, all members submit certificates of completed Human Subject Assurance Training offered by the federal Office for Human Research Protections (OHRP).
- (3) Prior to serving on the DHSIRB, all members must sign an Acknowledgment of Receipt stating they have received and reviewed the DHSIRB rules.
- (4) To the greatest extent reasonably possible, the DHSIRB members have varying academic, professional, and personal backgrounds to promote complete and adequate review of research activities commonly conducted by the Oklahoma Department of Human Services (DHS) or at state-operated facilities. In addition to possessing the experience and expertise necessary to review specific research activities, the members are

expected to ascertain the acceptability of proposed research in terms of DHS commitments and rules and regulations, applicable law, and standards of professional conduct and practice.

(5) The DHSIRB similarly strives, through member experience, expertise, and diversity, including race, gender, cultural backgrounds, and sensitivity to issues, such as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects.

(A) **Scientific background.** The DHSIRB includes at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(B) **A member not affiliated with DHS.** The DHSIRB includes at least one member who is not otherwise affiliated with DHS and who is not an immediate family of a person who is affiliated with DHS.

(C) **Ad hoc members with special competence.** The DHSIRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues that require expertise beyond, or in addition to, that normally available to DHSIRB members. These individuals may not vote on any DHSIRB matter.

(6) DHSIRB membership consists of at least a member of DHS:

(A) Office of Client Advocacy (OCA);

(B) Legal Services;

(C) Child Welfare Services;

(D) Children's Services;

(E) Adult and Family Services;

(F) Adult Services;

(G) Information Security; and

(H) Innovation Services. The Innovation Services member serves on the DHSIRB representing scientific areas.

(7) The DHS Director approves the selection of DHSIRB members, including the Chair, Vice-Chair, and alternates, and is notified by the Chair of any studies that are disapproved by the DHSIRB.

(b) Alternate members.

(1) Primary DHSIRB members may designate an alternate member from his or her respective programs or divisions, who subject to Director approval, serves as a voting member in the event the primary member is not available to attend any regularly scheduled meeting. Alternate members complete any primary DHSIRB member required training, and may then vote on any new submission, when needed. Alternate members receive meeting documents, such as agendas, minutes, and protocols for review and are encouraged to attend all meetings.

(2) An alternate member-at-large is designated and approved by the Director to serve when both a voting member and his or her alternate are not available to attend a regularly scheduled meeting. The alternate member-at-large is approved based on the same criteria per (a)(5), of this Section.

(c) Ad hoc members.

(1) When the DHSIRB reviews research applications involving prospective research subjects who have impaired decision-making capacity or who otherwise are considered vulnerable to coercion or undue influence, consideration is given to including one or more individuals who are knowledgeable about, and experienced in, working with these prospective subjects.

(2) DHSIRB may, at its discretion, invite individuals with competence in specific areas to assist in the review of issues that require expertise beyond or in addition to that available on the DHSIRB.

(3) Ad hoc members are non-voting members.

(4) No person outside of the DHSIRB may override a not-approved vote.

(d) Roles and responsibilities.

(1) DHSIRB Chair:

(A) is appointed by the DHS Director;

(B) serves for a minimum of one year, with the possibility of reappointment;

(C) does not resign when the majority of the DHSIRB membership consists of new members who have served for less than one year;

(D) serves as a member of the DHSIRB in addition to his or her authority as Chair;

(E) prepares for, and convenes meetings with, the assistance of the human protections administrator (HPA);

(F) ensures meeting coverage by the Vice-Chair when not able to serve as chair;

(G) ensures a quorum is present for all meetings;

(H) carries out an initial assessment of submissions with the Vice-Chair and the OCA member;

(I) carries out an expedited review of submissions that qualify under such conditions by convening a DHSIRB subcommittee to complete the expedited review, per Oklahoma Administrative Code 340:2-39-12(d);

(J) distributes copies of the submissions to the appropriate DHSIRB members with HPA assistance;

(K) ensures adequate expertise for review and determinations;

(L) consults with investigators as necessary;

(M) assists the reviewers and other members with any concerns in preparing for the meeting;

(N) ensures assigned reviewers present a clear and concise review of research materials;

(O) votes on each DHSIRB action;

(P) is temporarily removed in the event of a conflict of interest;

(Q) is permanently removed in the event of termination of employment or at the Director's discretion; and

(R) notifies the Director of any disapproval.

(2) DHSIRB Vice-Chair:

(A) is appointed by the Director;

- (B) serves for a minimum of one year, with the possibility of reappointment;
- (C) serves as a member of the DHSIRB in addition to his or her DHSIRB authority as Vice-Chair;
- (D) assists or acts on behalf of the Chair in particular DHSIRB matters and at DHSIRB meetings;
- (E) carries out an initial assessment of submissions with the Chair and the OCA member;
- (F) carries out an expedited review of submissions that qualify under such conditions by participating on a DHSIRB subcommittee to complete the expedited review, per OAC 340:2-39-12(d);
- (G) is temporarily removed in the event of a conflict of interest;
- (H) is permanently removed in the event of termination of employment or at the Director's discretion.

(3) DHSIRB members:

- (A) are approved by the Director;
- (B) serve at least one year with the option of rotating with designated alternate;
- (C) do not resign from the DHSIRB, without good cause, when the majority of the members are in their first year of serving;
- (D) are responsible for reviewing research protocols submitted for full DHSIRB review;
- (E) are responsible for attending all scheduled meetings;
- (F) are removed from the DHSIRB when more than two consecutive meetings are missed without having the designated alternate attend;
- (G) are temporarily removed in the event of a conflict of interest; and
- (H) are permanently removed in the event of termination of employment or at the Director's discretion.

(4) DHSIRB Chair, Vice-Chair, and members:

- (A) ensure any required IRB training is completed and sufficient IRB training certification is submitted as necessary;
- (B) annually ensure DHSIRB primary members and designates submit signed acknowledgments affirming the DHSIRB procedures and that supporting documents were reviewed and submitted as necessary;
- (C) have access to the reference materials available through the DHSIRB HPA-maintained library;
- (D) receive no compensation for serving as members of the DHSIRB;
- (E) conduct reviews of submitted research proposals as delegated, mandated, or requested;
- (F) provide written responses to the research investigator and organization containing DHSIRB findings;
- (G) determine which research requires review more often than annually;

(H) determine which research needs verification that material changes have not occurred since previous DHSIRB review, from sources other than the investigators;

(I) advise research investigators to report changes to the approved research activities;

(J) advise research investigators that changes in approved research are not initiated without DHSIRB review and approval, except when necessary to eliminate apparent immediate hazards; and

(K) advise research investigators to promptly, within five-business days, report to DHSIRB and appropriate DHS officials of:

- (i) unanticipated problems involving risks to research participants, interviewers, or others;
 - (ii) serious or continuing noncompliance with DHSIRB requirements;
 - (iii) suspension or termination of DHSIRB approval;
- or
- (iv) disapproval of other DHSIRB submissions.

(5) Consultants may be invited to review submissions and attend meetings when a proposal contains information outside of the scope of DHSIRB members' collective knowledge. No individual with an interest or involvement in the research study application under DHSIRB consideration is utilized in any consultative capacity.

(e) **Conflict of Interest.** No DHSIRB member votes on a submission when there is an actual or potential conflict of interest with regard to member's professional or personal interests, including financial interests. Every DHSIRB member recuses himself or herself from consideration of any research study application in which that member or the member's immediate family has any involvement or interest in the study or its outcome.

(1) Based on a DHSIRB majority vote, any DHSIRB member may be excluded from participating in an initial or continuing review of any project in which the member has an actual, apparent, or potential conflicting interest.

(2) A conflict of interest exists when any DHSIRB member, including alternate members and ad hoc members, has an interest sufficient to influence, or appear to influence, the objective exercise of his or her official duties. A conflicting interest may:

- (A) be personal in nature or may result from divergent professional responsibilities;
- (B) arise when a DHSIRB member is involved with a research project as an investigator, a researcher, a director, an assistant, an advisor, or as another type of stakeholder;
- (C) arise when any DHSIRB member or the member's immediate family has a financial interest in the outcome of the research. Immediate family includes spouses/domestic partners, siblings, parents, and dependent minors and adult children; and

- (D) be recognized for any other reason that is considered to be an unacceptable conflict of interest by the member or by DHSIRB.
- (3) When a DHSIRB member has a conflict of interest, the member:
 - (A) discloses his or her conflict of interest; and
 - (B) recuses himself or herself from participation in the meeting while the submission is reviewed or discussed, and
 - (C) abstains from voting on the submission.
- (4) Recusal means the member with a conflict of interest:
 - (A) refrains from discussing any research project in which he or she has a conflict of interest;
 - (B) does not seek to influence other DHSIRB members prior to a vote; and
 - (C) removes himself/herself from the meeting room while the discussion and DHSIRB vote takes place, except to provide DHSIRB-requested information.
- (5) It is each DHSIRB member's duty to ensure participant protection, DHSIRB review integrity, and that research projects conducted are not jeopardized by an undisclosed, unidentified, or unmanaged conflict of interest.

340:2-39-9. Meetings

(a) Oklahoma Department of Human Services Institutional Review Board (DHSIRB) meetings general rules.

- (1) DHSIRB meetings are scheduled monthly.
 - (2) A DHSIB meeting can be held when there is a quorum of voting members and sufficient business to conduct a meeting. The decision to conduct a meeting is left to the discretion of a majority determination by the DHSIRB Chair, Vice-Chair, and an OCA member. A DHSIRB meeting may be cancelled when there is insufficient business, when a quorum is not available, or for other unforeseen reasons.
 - (3) DHSIRB meetings require a quorum of the voting members.
- (b) Quorum.** A quorum is 50 percent plus one of all DHSIRB voting members, including at least one member whose primary concerns are in nonscientific areas.

- (1) DHSIRB member refers to the primary members and alternate members who are approved by the Director and are eligible to vote.
- (2) If at any time during a meeting the members who are eligible to vote on a matter fail to constitute a quorum, then the matter is tabled for consideration until the next meeting.

- (A) Ad hoc members do not count toward the quorum requirement because they are not eligible to vote.
 - (B) A member who is recused from discussion and voting on any item is not counted toward the quorum requirement while the item is under consideration.
 - (3) The determination of a quorum sufficient to convene and conduct a meeting of the DHSIRB is left to the sole discretion of the DHSIRB Chair.
- (c) **Majority vote required.** For approval of a motion, a majority vote of those present and eligible to vote is required.
- (1) A member who is eligible to vote has a right to abstain and cannot be compelled to vote. An abstention does not count toward the majority required to approve a motion.
 - (2) DHSIRB does not recognize voting by proxy. All voting occurs in person at the time of the meeting by the member or his or her designated alternate.
- (d) **Prior to the meeting.** One week prior to the meeting, DHSIRB members and alternates receive:
- (1) a reminder of the upcoming meeting, including the date, location, and time;
 - (2) minutes from the previous meeting;
 - (3) an agenda for the upcoming meeting; and
 - (4) all new submissions for review at the upcoming meeting including:
 - (A) survey instruments;
 - (B) consent, assent, and permission forms, when applicable;
 - (C) letters from other Institutional Review Boards and agency directors, when applicable; and
 - (D) the assigned unique identifier DHSIRB number.
- (e) **Other requirements.** At a minimum:
- (1) the Chair convenes and conducts the meetings;
 - (2) the minutes of the prior meeting are approved by an open, recorded vote of the members;
 - (3) all actions taken require an open, recorded vote of the members following discussion and the making and seconding of a motion; and
 - (4) meeting minutes are recorded by the Human Protections Administrator or a designated individual.

340:2-39-10. Record requirements

- (a) The Oklahoma Department of Human Services Institutional Review Board (DHSIRB) prepares and maintains documentation of its activities, per Section 46.115 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 46.115) and 21 C.F.R. § 56.115, including:
- (1) a list of the DHSIRB members identified by:
 - (A) name;
 - (B) earned degrees;

- (C) representative capacity, including a brief statement of competence, scientific concerns, and affiliation;
 - (D) indications of experience, such as board certifications and licenses, sufficient to describe each member's anticipated contributions to DHSIRB deliberations; and
 - (E) any employment or other relationship between each member and the Oklahoma Department of Human Services (DHS), including whether the member is a full-time or part-time employee, member of a governing panel or board, or a paid or unpaid consultant;
- (2) copies of:
- (A) all research proposals reviewed;
 - (B) scientific evaluations, if any, that accompany the proposals;
 - (C) approved sample consent documents;
 - (D) progress reports submitted by investigators; and
 - (E) reports of injuries to subjects;
- (3) DHSIRB meeting minutes to document:
- (A) attendance;
 - (B) actions taken by the DHSIRB;
 - (C) the vote on actions including the number of members voting for, against, and abstaining;
 - (D) declarations of any DHSIRB member's conflict of interest with regard to any research projects;
 - (E) any recusal of a member with a brief explanation why recusal was necessary;
 - (F) the basis for requiring changes in or disapproving research; and
 - (G) a written summary of the discussion of controverted issues and their resolution;
- (4) records of continuing review activities, including the rationale for conducting continuing review of research that otherwise would not require continuing review, per 45 C.F.R. § 46.109(f)(1);
- (5) copies of all correspondence between the DHSIRB and investigators; and
- (6) records documenting DHSIRB activities, per Oklahoma Administrative Code 340:2-39-7(b)(8).
- (b) Records are retained:
- (1) for at least three years from the date of creation for general administrative record; and
 - (2) for at least three years after research completion.
- (c) All records are accessible for inspection and copying by authorized representatives of the United States Department of Health and Human Services (DHHS) or the Office of Human Research Protection (OHRP) at reasonable times and in a reasonable manner, per 45 C.F.R. § 46.115(b).
- (d) DHS or the DHSIRB may maintain the records in printed form or electronically.

340:2-39-11. Application procedures

(a) General requirements.

- (1) Investigators or researchers wanting to conduct research focused on Oklahoma Department of Human Services (DHS) employees or DHS clients must first secure written approval from the Department of Human Services Institutional Review Board (DHRIRB).
- (2) Investigators submit an application to the DHSIRB before initiating any part of a research project, including subject recruitment.
- (3) Permission requests may be made through the application procedures described in this rule.

(b) New research proposals.

- (1) The DHSIRB provides DHS Form 20AD085E, Application and Instructions, for investigators who want to submit a research proposal to DHSIRB.
- (2) The application and all required attachments must be submitted to DHSIRB. When received 14 or more calendar days prior to the next meeting, the application is reviewed at the next regularly scheduled DHSIRB meeting. When received 13 or fewer calendar days prior to the next meeting, the application is reviewed at the following regularly scheduled DHSIRB meeting. No application is considered for approval until it is fully completed and submitted along with any required attachments.
- (3) Information provided to the DHSIRB in Form 20AD085E includes, at a minimum:
 - (A) the professional qualifications of the principal investigator as well as co-investigators;
 - (B) a description of necessary support services and facilities;
 - (C) a description of the research protocol, including and addressing the:
 - (i) research title;
 - (ii) research purpose, including identifying any expected benefits as a consequence of doing the research;
 - (iii) research sponsor;
 - (iv) results of previous, related research;
 - (v) research participant inclusion or exclusion criteria;
 - (vi) justification for the use of special or vulnerable participant populations;
 - (vii) research design including appropriateness of research methods discussion;
 - (viii) description of procedures to be performed;
 - (ix) potential risks and a discussion of their relationship to potential participant benefits;
 - (x) circumstances surrounding consent procedure, including the:
 - (I) setting;

- (II) participant autonomy concerns;
- (III) language difficulties;
- (IV) reading level; and
- (V) particularly vulnerable subjects;
- (xi) procedures for documentation of informed consent, including any procedures for obtaining assent from minors, using witnesses, translators, and document storage;
- (xii) compensation to participants for their involvement;
- (xiii) compensation for injured research participants;
- (xiv) provisions for protection of subjects' privacy;
- (xv) extra costs to participants for their involvement in the research; and
- (xvi) extra costs to third-party payers because of participant's involvement;

(D) investigator's brochure, when one exists;

(E) informed consent document; and

(F) each application must include a description of how the investigator obtains human subject consent, including a copy of the investigator's proposed consent document. For further guidance, refer to Oklahoma Administrative Code (OAC) 340:2-39-11.1.

(4) The DHSIRB makes a determination on the request using procedures, per OAC 340:2-39-12.

(c) Requesting a determination that a proposed research project is not human subject research.

(1) The principal investigator is responsible for obtaining the DHSIRB determination on whether a proposed project does or does not qualify as human subject research. A determination includes, whether human subjects, as defined in OAC 340:2-39-6, are involved.

(2) To receive a determination that a research project does not constitute human subject research, the investigator must submit a request in writing to DHSIRB. The request must include:

(A) a completed Form 20AD085E, as described in (b) of this Section; and

(B) the proposed justification for determining the research does not constitute human subjects research.

(3) The DHSIRB makes a determination on the request using procedures, per OAC 340:2-39-12(b).

(d) Requesting a determination that a proposed research project is exempt from review.

(1) In some limited circumstances, per this Section and in federal regulations, per Title 45 of the Code of Federal Regulations, an investigator may request that DHSIRB recognizes his or her proposed research project as a project exempt from DHSIRB review and oversight.

(2) To receive a determination that a research project is exempt from review, the investigator must submit a request in writing to

DHSIRB. The request must include a completed Form 20AD085E, per (b) of this Section, and written justification why the investigator is seeking an exemption determination.

(3) The DHSIRB makes a determination on the request using the procedures, per OAC 340:2-39-12(c).

(e) Requesting an expedited review.

(1) An expedited review may be requested if the principal investigator submits to the DHSIRB that the proposed research project involves no more than minimal risk and:

(A) the proposed research falls within a category of research, as determined by the U.S. Secretary of Health and Human Services and is specifically identified in the DHSIRB application, that it is eligible for expedited review by the DHSIRB;

(B) minor changes in previously approved research during the period for which approval is authorized; or

(C) the proposed research for which limited DHSIRB review is sought qualifies as a condition of exemption, per Title 45 C.F.R. 46.104(d)(2)(iii), (d)(3)(i)(C), and (d)(7) and (8).

(2) The investigator must submit a request in writing to the DHSIRB to ask for an expedited review of his or her proposed research project. The request must include a completed Form 20AD085E, per (b) of this Section, and written justification why the investigator is seeking an expedited review.

(3) The DHSIRB makes a determination on the request, per OAC 340:2-39-12(d).

(f) Cooperative research projects.

(1) A cooperative research project is a research project that involves DHS and at least one other institutional review board, per 45 C.F.R. § 46.114.

(2) An investigator, in limited circumstances, may request the DHSIRB recognize his or her proposed research project as a cooperative research project, per 45 C.F.R. § 46.114.

(3) In the conduct of cooperative research projects, each institutional review board including the DHSIRB, is responsible for safeguarding the rights and welfare of human subjects.

(4) To receive recognition that a research project is a cooperative research project, the investigator must submit a request in writing to the DHSIRB. The request must include:

(A) a completed Form 20AD085E, per OAC 340-2-39-11(b) (1);

(B) identifying information about the other institution, including a reliable point of contact; and

(C) a description of the other institution's proposed role in the cooperative research project.

(5) The DHSIRB makes a determination on the request, per OAC 340:2-39-12(f).

340:2-39-11.1. Informed consent standards

(a) Informed consent general requirements.

(1) Research studies submitted for Oklahoma Department of Human Services Institutional Review Board (DHSIRB) consideration must adhere to those requirements necessary to obtain informed consent, per 45 C.F.R. § 46.116. Requirements include, but are not limited to:

(A) obtaining consent prior to involving a human subject in any research study;

(B) providing sufficient time that allows a human subject the opportunity to consider and discuss whether to participate;

(C) presenting sufficient information about the research study in an understandable and comprehensible format; and

(D) information that must begin with a concise and focused presentation of the key information that is most likely to assist a prospective subject or legally authorized representative in understanding the reasons why one might or might not want to participate in the research.

(i) The manner in which the key information is described and presented is reasonably determined by the complexity of the research project. Key information elements may include:

(I) a statement that the project is research and participation is voluntary;

(II) a summary of the purpose of the research, procedures, and duration of participation;

(III) reasonable, foreseeable risks or discomforts;

(IV) reasonable, expected benefits; and

(V) alternative procedures or course of treatment, if any.

(ii) The key information elements of the informed consent must be organized and presented in a way that facilitates comprehension.

(iii) Informed consent must present information in sufficient detail relating to the research, and must be organized and presented in a way that does not merely provide lists of isolated facts, but rather facilitates the prospective subject's or legally authorized representative's understanding of the reasons why one might or might not want to participate.

(2) Informed consent may not include any exculpatory language through which the subject or the legally authorized representative is made to waive or appear to waive the subject's legal rights or releases or appears to release the investigator or other party associated with the research study from liability for negligence.

- (3) Basic elements of informed consent include:
- (A) a statement that the study involves research, an explanation of the research purposes and the expected duration of the subject's participation; a description of the procedures to be followed; and identification of any procedures that are experimental;
 - (B) a description of any reasonably foreseeable risks of discomforts to the subject;
 - (C) a description of any benefits to the subject or to others that may reasonably be expected from the research;
 - (D) a disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;
 - (E) a statement describing the extent, if any, to which confidentiality of records identifying the subject are maintained;
 - (F) an explanation for research involving more than minimal risk, whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of or where further information may be obtained;
 - (G) an explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights and in the event of a research-related injury to the subject;
 - (H) a statement that participation is voluntary, refusal to participate involves no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled; and
 - (I) one of the following statements about any research that involves the collection of identifiable private information or identifiable biospecimens:
 - (i) a statement that identifiers might be removed from the identifiable private information or identifiable biospecimens and that, after such removal, the information or biospecimens could be used for future research studies or distributed to another investigator for future research studies without additional informed consent from the subject or the legally authorized representative, if this might be a possibility; or
 - (ii) a statement that the subject's information or biospecimens collected as part of the research, even when identifiers are removed, is not used or distributed for future research studies.
- (4) DHSIRB enforces the general requirements for informed consent, per 45 C.F.R. § 46.116.
- (5) Except as described in (b) and (c) of this Section, before involving a human subject in research covered by this Part, an

investigator obtains the subject's or the subject's legally authorized representative's legally effective informed consent. The minimum requirements of legally effective informed consent are given in the federal regulations at 45 C.F.R. § 46.116(a) through 45 C.F.R. § 46.116(d).

(A) Informed consent must begin with a concise and focused presentation of the key information that is most likely to assist a prospective subject or legally authorized representative in understanding the reasons why one might or might not want to participate in the research. This part of the informed consent must be organized and presented in a way that facilitates comprehension.

(B) Informed consent must present information in sufficient detail relating to the research, and must be organized and presented in a way that does not merely provide lists of isolated facts, but rather facilitates the prospective subject's or legally authorized representative's understanding of the reasons why one might or might not want to participate.

(C) An investigator seeks informed consent only under circumstances that provide the prospective subject or the legally authorized representative sufficient opportunity to discuss and consider whether to participate and that minimize the possibility of coercion or undue influence.

(D) The information that is given to the subject or the legally authorized representative is in language understandable to the subject or the legally authorized representative.

(E) The prospective subject or the legally authorized representative must be provided with the information that a reasonable person would want to have in order to make an informed decision about whether to participate, and an opportunity to discuss that information.

(6) On a case-by-case basis, the DHSIRB may determine that other information, in addition to that specifically mentioned in the federal regulation at 45 C.F.R. § 46.116, is given to the subjects when in the DHSIRB's judgment the additional information would meaningfully add to the subjects' protection of the rights and welfare.

(A) The DHSIRB makes this determination based on the nature of the research as well as the local research context.

(B) If the DHSIRB determines that additional elements are appropriate, this additional information is considered as essential as the basic elements of informed consent described in the federal Department of Health and Human Services (HHS) regulations at 45 C.F.R. § 46.116(b).

(b) **Broad consent in lieu of informed consent.** The DHSIRB may permit broad consent for the storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens, collected for either research studies other than the

proposed research or nonresearch purposes, when the:

- (1) application specifically declares it is seeking broad consent and contains an adequate description of the broad consent process; and
- (2) proposed research project satisfies the requirements of Title 45 C.F.R. § 46.116(d).

(c) **Waiver or alteration of consent.** When appropriate, an application for a proposed research study may seek a waiver from the requirements to obtain informed consent or it may seek permission to alter the informed consent requirements. Such a waiver or alteration may be permitted by the DHSIRB when the requirements of 45 C.F.R. § 46.116(e) & (f) are met.

(d) **Informed consent documentation.**

(1) **Use of a written informed consent form.** Except as provided in (3) of this subsection, informed consent is documented by the use of a written informed consent form, approved by the DHSIRB and signed, including in an electronic format, by the subject or the subject's legally authorized representative. A written copy is given to the person signing the informed consent form.

(2) **Written consent form options.** Except as provided in (3) of this subsection, the informed consent form may be either (A) or (B).

(A) A written informed consent form that meets the requirements of this Section. The investigator gives the subject or the subject's legally authorized representative adequate opportunity to read the informed consent form before it is signed; alternatively, this form may be read to the subject or the subject's legally authorized representative.

(B) A short written consent form stating the elements of informed consent required by this Section were presented orally to the subject or the subject's legally authorized representative, and that the key information required by 45 C.F.R. § 46.116(a)(5)(i) was presented first to the subject, before other information, if any, was provided.

(i) Informed consent must begin with a concise, organized, and focused presentation of the key information most likely to assist a prospective subject or legally authorized representative understand the reasons why one might, or might not, want to participate in the research. This portion of the informed consent process must be organized and presented in a way that facilitates comprehension.

(ii) The DHSIRB approves a written summary of what is said to the subject or the legally authorized representative. When the short form method is used, there must be a witness to the verbal presentation. Only the short form itself is signed by the subject or the subject's legally authorized

representative. The witness signs the short form and a copy of the summary, and the person obtaining consent signs a summary copy.

(iii) Summary and short form copies are given to the subject or the subject's legally authorized representative.

(3) Documentation waiver requirement.

(A) In certain defined circumstances, the DHSIRB may waive the requirement for the investigator to obtain a signed informed consent form for some or all subjects.

(i) The requirement may be waived if the DHSIRB makes a determination that the only record linking the subject and the research would be the informed consent form, and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject or legally authorized representative is asked if the subject wants documentation linking the subject with the research. The subject makes the decision.

(ii) The requirement may be waived if the DHSIRB makes a determination that the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context.

(iii) The requirement may be waived if the DHSIRB makes a determination that the subjects or legally authorized representatives are members of a distinct cultural group or community in which signing forms is not the norm. The DHSIRB must also determine that the research presents no more than minimal risk of harm to subjects, and there is an appropriate alternative mechanism for documenting that informed consent was obtained.

(B) In cases in which the documentation requirement is waived, the DHSIRB may require the investigator to provide subjects or legally authorized representatives with a written statement regarding the research.

340:2-39-12. Review and approval process

(a) Preliminary review and assessment.

(1) Upon receipt of a completed application for a proposed research project, a preliminary assessment of the application is performed by the Oklahoma Department of Human Services Institution Review Board (DHSIRB).

(2) The preliminary assessment is completed by the chair or the Chair's designee. The assessment determines if the applicant is seeking a full review, an expedited review, or an exemption from review and ensures the provided documentation complies with

the pertinent application, per Oklahoma Administrative Code (OAC) 340:2-39-11.

(3) When the application is incomplete in any way, the Chair or the Chair's designee notifies the applicant and explains any deficiencies. The applicant is invited to re-submit the application with deficiencies corrected.

(4) When the application is determined to be complete, the Chair or the Chair's designee assigns a unique identifier number to the proposed research project. This number is used in all future correspondence with the applicant and/or investigator.

(5) When the chair determines the application satisfactorily seeks an expedited review or exemption review, the application and its materials are presented to the Vice-Chair and the DHSIRB Office of Client Advocacy member for review.

(6) When the chair determines the application requires a full review, the application and its materials are presented to all DHSIRB members for review and consideration at the next DHSIRB meeting.

(7) When it is determined that additional information and/or clarification is needed for an application's review, the Chair or the Chair's designee notifies the applicant. The applicant has 90-calendar days to respond.

(A) When the applicant does not respond in a satisfactory manner to the request for additional information and/or clarification within 90-calendar days, the DHSIRB notifies the applicant that the application was administratively closed.

(B) An application that is administratively closed may not be re-opened; however, a new application may be submitted.

(b) Determination that a proposed research project is not human subjects research.

(1) When an investigator or researcher submits an application with a request for a determination of not human subjects research, the DHSIRB chair follows the procedures described in (A) and (B) of this paragraph.

(A) The Chair convenes a subcommittee consisting of the Chair, the Vice-Chair, and the Office of Client Advocacy member.

(B) The subcommittee reviews completed Form OAD085E and the principal investigator's justification why the proposed research does not qualify as human subjects research.

(i) Based on this review, if the subcommittee determines the proposed research project does not constitute human subjects research, the Chair or the Chair's designee informs the applicant, in writing, of the DHSIRB decision.

(ii) When the subcommittee determines that the proposed research project does constitute human subjects research, the Chair or the Chair's

designee informs the applicant, in writing, of the DHSIRB subcommittee decision. The applicant is directed to re-submit the application with a request for an exempt, expedited, or full board review.

(2) DHSIRB members are notified each time a research proposal is determined to not constitute human subjects research. The information is presented electronically or in hard copy format at the earliest possible DHSIRB regular meeting.

(3) If the investigator or researcher disagrees with the DHSIRB decision, a request for reconsideration may be submitted, per OAC 340:2-39-13(c).

(c) Applications with an exemption request.

(1) When an investigator or researcher submits an application with a request for recognition that his or her project is exempt from review, the DHSIRB chair follows the procedures in (A) and (B) in this paragraph.

(A) The chair convenes a subcommittee consisting of the Chair, the Vice-Chair, and the Office of Client Advocacy member.

(B) The subcommittee reviews the completed application and materials supporting the justification why the research project is exempt from review.

(i) Based on this review, if the subcommittee determines that the proposed research project is properly exempt from any review, the Chair or the Chair's designee informs the applicant, in writing, of the DHSIRB decision.

(ii) If the subcommittee determines that the proposed research project is conditionally exempt from DHSIRB review, the subcommittee must also conduct a limited review, per (g) of this Section.

(I) The subcommittee conducts a limited review when the proposed research is of a type described in the federal regulations at Title 45 C.F.R. § 46.104(d)(2)(iii), (d)(3)(i)(C), (d)(7) or (8).

(II) The subcommittee may conduct a limited review when the subcommittee believes a limited review is necessary in order to protect the privacy of subjects or to maintain the confidentiality of data or to ensure broad consent was properly obtained and documented.

(iii) If the subcommittee determines that the proposed research project is not exempt from a review, the subcommittee proceeds with an expedited review of the project using the procedures in (e) of this Section.

(2) Within 14-calendar days after the DHSIRB action on the exemption request, the Chair or Chair's designee sends a written notification informing the applicant of the determination. The

written notification includes:

- (A) the unique identifier DHSIRB number;
- (B) research name; and
- (C) reason(s) the exemption request was approved or denied.

(3) If the investigator or researcher disagrees with the DHSIRB decision, a request for reconsideration may be submitted, per OAC 340:2-39-13(c).

(4) The DHSIRB members are notified each time a research proposal is approved through exemption. The information is presented electronically or in hard copy format at the earliest possible DHSIRB regular meeting.

(d) Applications with a request for an expedited review.

(1) When an investigator or researcher submits an application with a request for an expedited review, the DHSIRB Chair follows the procedures described in this paragraph.

(A) The chair convenes a subcommittee consisting of the Chair, Vice-Chair, and Office of Client Advocacy member. The subcommittee reviews the completed application and assesses the proposed research project based upon the criteria for an expedited review, per OAC 340:2-39-11(e).

(i) Based on this review, if the subcommittee determines that the proposed research project satisfies the criteria for an expedited review, the subcommittee carries out the proposed project initial review.

(I) The subcommittee may exercise all DHSIRB authorities except disapproving research.

(II) When the subcommittee fails to accept the research project for an expedited review, then the proposed research project is reviewed in accordance with the non-expedited procedures described in (e) of this Section.

(III) A research project may be disapproved only after review in accordance with the non-expedited procedure.

(ii) If the subcommittee determines that the proposed research project does not meet the criteria for an expedited review, the Chair presents the application to the DHSIRB for a non-expedited review at the next scheduled meeting.

(B) The Director may restrict, suspend, terminate, or choose not to authorize the DHSIRB's use of this expedited review procedure.

(2) The DHSIRB members are notified each time a research proposal is approved through the use of this expedited process. Information about each expedited approval is given to the DHSIRB members in a written report of expedited actions. The report is presented in written or electronic form and disseminated

to all board members or at the earliest possible DHSIRB regular meeting. DHSIRB members are given an opportunity to review the report of expedited actions. The review must include an opportunity for members to ask questions or raise concerns about any expedited action. A motion to accept or approve the report may be entertained.

(e) Full review of new research projects, non-exempt, non-expedited.

(1) **Review at a convened meeting.** Except when an expedited review procedure is used, per (d), the DHSIRB performs an initial review of proposed new research projects at a convened meeting when a quorum is present. In order for the research to be approved, it must receive the approval of a majority of those members present at the meeting.

(2) **Reliance on the written application.** To complete its review, the DHSIRB may choose to rely solely on the written application, including attachments submitted by the applicant.

(3) **Optional review of other information.** In addition to its review of the written application, including attachments, the DHSIRB may also choose to invite:

(A) the primary investigator to provide additional information;

(B) subject matter experts to assist in the review; or

(C) experts and guests to attend the meeting when the review takes place.

(4) **Review criteria.** In order to approve new research covered by this subsection, the DHSIRB determines, per 45 C.F.R. § 46.111 that the requirements in (A) through (G) are satisfied.

(A) Risks to subjects are minimized by using procedures:

(i) consistent with sound research design and that do not unnecessarily expose subjects to risk; and

(ii) already performed on the subjects for diagnostic or treatment purposes, whenever appropriate.

(B) Risks are reasonable in relation to anticipated benefits to subjects, if any, and the importance of the knowledge that may be expected to be gained. In evaluating risks and benefits, DHSIRB considers only those risks and benefits that may result from the research as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research. Per 45 C.F.R. § 46.111(a)(2), DHSIRB does not consider possible long-range effects of applying the knowledge gained in the research.

(C) Selection of subjects is equitable. In making this assessment the DHSIRB takes into account the research purposes and the setting in which the research is conducted. Additionally, the DHSIRB is particularly cognizant of the special problems of research involving subjects who are likely to be vulnerable to coercion or undue influence, such as children, prisoners, economically

or educationally disadvantaged persons, or individuals with impaired decision-making capacities.

(D) The proposed research includes a plan to seek informed consent from each prospective participant or the subject's legally authorized representative, per OAC 340:2-39-11.1.

(E) Informed consent is appropriately documented or appropriately waived, per OAC 340:2-39-11.1.

(F) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the subjects' safety.

(G) When appropriate, there are adequate provisions to protect the subjects' privacy and maintain the confidentiality of data.

(5) **Additional requirements.** In order to approve new research projects covered by this subsection the DHSIRB reviews the investigator's qualifications to conduct and supervise the proposed research. This process may include:

(A) reviewing the investigators', sub-investigators', and other necessary research staffs' resumes, verifying professional associations and licenses and may include a review of the investigators' previous specific experience as demonstrated by recent presentations or publications;

(B) using previous DHSIRB experience with the investigators; and

(C) requesting additional information confirming the investigators' qualifications from an administrator of the investigators' institutions.

(f) **Review and approval of cooperative research projects.**

(1) Cooperative research projects are those projects that involve the Oklahoma Department of Human Services (DHS) as well as one or more additional institutions.

(A) In the conduct of cooperative research projects, DHSIRB and the other institution(s) are responsible for safeguarding the rights and welfare of human subjects.

(B) DHSIRB makes arrangements with the other institution(s) to avoid duplication of efforts.

(C) When a cooperative research project is sponsored by a federal department or agency that is supporting or conducting the research, DHSIRB relies on the federal department or agency to identify the reviewing Institution Review Board (IRB).

(D) Consistent with the federal regulations, per Title 45 C.F.R. § 46.114(b), DHSIRB recognizes that any institution located in the United States (U.S.) engaged in cooperative research must generally rely upon approval by a single IRB for the portion of the research conducted in the U.S., unless:

(i) more than a single IRB review is required by law, including tribal law passed by the official governing body of an American Indian or Alaska

- Native tribe;
- (ii) a federal department or agency supporting or conducting the research determines and documents that the use of a single IRB is not appropriate for the particular context; or
- (iii) the cooperative research project does not have a federal sponsor.

(2) When DHSIRB participates with another institution in a cooperative research project that does not have a federal sponsor, DHSIRB seeks to avoid duplication of effort by:

- (A) entering into a joint review agreement with the other institution;
- (B) relying on the review of the other institution's IRB; or
- (C) making similar arrangements for avoiding duplication of effort.

(g) Limited reviews.

(1) If the DHSIRB affirms that a research proposal meets the criteria for a conditional exemption from review, per OAC 340:2-39-12(c), the DHSIRB performs a limited review of the proposal.

(2) The scope of the limited review depends on the type of research proposal. The four types of research are in (A) through (D).

(A) Mildly obtrusive interactions research, per 45 C.F.R. § 46.104(d)(2)(iii), is defined as research with features in (i) and (ii) of this subparagraph.

(i) Mildly obtrusive interactions research only includes interactions involving:

- (I) educational tests, such as cognitive, diagnostic, aptitude, and achievement tests;
- (II) survey procedures;
- (III) interview procedures; or
- (IV) observation of public behavior, including visual or auditory recording; and

(ii) the information obtained is recorded by the investigator so the human subjects' identity can readily be ascertained, directly or through identifiers linked to the subjects.

(B) Benign behavioral interventions, per 45 C.F.R. § 46.104(d)(3)(i)(C), is defined as research with features in (i) and (ii) of this subparagraph.

(i) Benign behavioral interventions involves interventions in conjunction with the collection of information from an adult subject through verbal or written responses, including data entry, or audiovisual recording if the subject prospectively agrees to the intervention and information collection.

(ii) The information obtained is recorded by the investigator so the identity of the human subjects can readily be ascertained, directly or through identifiers linked to the subjects.

(C) Storage or maintenance for secondary research for which broad consent is required, per 45 C.F.R. § 46.104(d)(7), is defined as research involving the storage or maintenance of identifiable private information or identifiable biospecimens for potential secondary research use.

(D) Secondary research for which broad consent is required, per 45 C.F.R. § 46.104(d)(8), is defined as research involving the use of identifiable private information or identifiable biospecimens for secondary research use, when the conditions in (i) through (iii) are present.

(i) Broad consent for the storage, maintenance, and secondary research use of the identifiable private information or identifiable biospecimens was obtained.

(ii) Documentation of informed consent or waiver of documentation of consent was obtained, per OAC 340:2-39-11.1.

(iii) The investigator does not include returning individual research results to subjects as part of the study plan.

(3) For mildly obtrusive interactions research and for benign behavioral interventions, the DHSIRB review is limited to determining that there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(4) For storage or maintenance for secondary research for which broad consent is required, and for secondary research for which broad consent is required, the DHSIRB review is limited to determining that:

(A) broad consent for storage, maintenance, and secondary research use of identifiable private information or identifiable biospecimens is obtained, per OAC 340:2-39-11.1(b);

(B) broad consent is appropriately documented or waiver of documentation is appropriate, per OAC 340:2-39-11.1(d); and

(C) if there is a change made for research purposes in the way the identifiable private information or identifiable biospecimens are stored or maintained, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(h) Review and approval notification.

(1) **Approval categories.** As a result of the DHSIRB review, each research proposal is assigned to one of the categories in (A) through (E) of this paragraph.

(A) **Not human subjects research.** Proposal determined to not constitute human subjects research. Investigators whose proposals receive this determination may begin work immediately.

(B) **Approved.** Research is approved as submitted. Investigators whose proposals are approved may begin work immediately.

(C) **Conditionally approved.** Research is conditionally approved, but research may not begin until investigators comply with items identified by the DHSIRB for final approval.

(D) **Deferred.** DHSIRB does not have enough information to make a determination. Investigators whose proposals receive a deferral must resubmit the entire application to address the required changes.

(E) **Not approved.** The magnitude and/or number of concerns are such that conditional approval is not appropriate. Investigators whose work is disapproved may not conduct the research or resubmit their proposals.

(2) **Notification required.** The DHSIRB notifies investigators and appropriate managers, supervisors, and directors within DHS in writing of its decision regarding the proposed research activity, including any modifications or conditions required to secure DHSIRB approval of the research activity.

(A) **Approved applications.**

(i) At a minimum, the approval letter contains:

(I) the unique identifier DHSIRB number;

(II) the research name;

(III) the date of approval;

(IV) all reviewed and approved DHSIRB documents;

(V) the duration of the approval; and

(VI) circumstances, such as adverse events or closure of the research, for which DHSIRB must be contacted.

(ii) The approval date is the date when the application is approved.

(iii) Continuing review is not required except when there is a good reason for doing so, per OAC 340:2-39-12.2(c).

(B) **Conditionally approved applications.**

(i) A letter describing the concerns of the DHSIRB is sent to the investigator. The letter makes it clear the research may not begin until DHSIRB issues a letter of approval.

(ii) Investigators have 90-calendar days from the day they are notified about the conditionally approved research to respond. If a response is not received during this period, investigators must resubmit the entire application.

(iii) To review the investigator's response, the chair convenes a subcommittee consisting of the Chair, the Vice-Chair, and the Office of Client Advocacy member. The subcommittee reviews the investigator's response for appropriateness.

(iv) The subcommittee makes a determination as to whether the response adequately addresses the DHSIRB concerns.

(v) A DHSIRB final approval letter is sent to the investigator when the response is approved. At that time, the research may begin. The approval date is the date the investigator's response is approved. Continuing review is not required except when there is a good reason for doing so, per OAC 340:2-39-12.2(c).

(C) **Deferred.** A letter describing the determination is sent to the investigator.

(D) **Not approved.** A designation of not approved indicates the magnitude and/or number of concerns is such that conditional approval is not appropriate, as determined by the DHSIRB.

(i) A letter describing the DHSIRB decision and concerns is sent to the investigator. The investigator is notified of the opportunity to respond to the DHSIRB, in writing or in person, regarding the determination, per OAC 340:2-39-13.

(ii) The DHSIRB accomplishes any reconsideration in the same manner as the preliminary review and assessment described in (a) of this Section.

(iii) The investigator is not advised to resubmit disapproved research without consulting the DHSIRB.

(iv) In the event of a resubmission, the DHSIRB submission is given a new number and addressed as a completely new submission.

(3) In general, action on all proposals is taken within two months after submission. Investigators are notified, in writing, of the DHSIRB decisions within two weeks of board action.

(i) **Further reviews by DHS.** Research covered by this Part approved by the DHSIRB may be subject to further appropriate review and approval or disapproval by DHS officials. However, DHS officials may not approve the research if it was not approved by the DHSIRB.

340:2-39-12.1. Research project changes after Oklahoma Department of Human Services Institution Review Board (DHSIRB) approval

(a) After initial approval of a research project by the DHSIRB, the investigator conducts the research activity in accordance within the terms of the DHSIRB approval.

(b) The investigator may not make changes in an approved research activity until the proposed changes are submitted to the DHSIRB for review and approval, except when necessary to eliminate apparent immediate hazards to the subject.

(c) When the investigator encounters any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this Part or with DHSIRB requirements or determinations, those problems and difficulties must be immediately reported to the human protections administrator.

(d) An investigator may ask the DHSIRB to review and approve a proposed change by submitting a completed DHS Form 20AD085E, Oklahoma Department of Human Services Institutional Review Board (DHSIRB) Application and Instructions, per OAC 340:2-39-11(b).

(1) Form 20AD085E and all required attachments must be received by the DHSIRB. When Form 20AD085E and all required attachments are received 14 or more calendar days prior to the next meeting, the application is reviewed at the next regularly scheduled DHSIRB meeting. When Form 20AD085E and attachments are received 13 or fewer calendar days prior to the next meeting, the application is reviewed at the following regularly scheduled DHSIRB meeting.

(2) The investigator may request an expedited review for minor changes in a research activity.

[Source: Added at 37 Ok Reg 1752, eff 9-15-20]

340:2-39-12.2. Continuing review requirements

(a) Except as provided for in (b) of this Section, the DHSIRB conducts continuing review of any research study it approved at intervals appropriate to the degree of risk, but not less than once per year. Principal Investigators are responsible for submitting a continuing review application at annual intervals unless directed by the DHSIRB to submit more frequently.

(b) Unless the DHSIRB determines otherwise, continuing review of research is not required in the circumstances in (1) through (3). The:

(1) research was eligible for expedited review, per Oklahoma Administrative Code (OAC) 340:2-39-12(c);

(2) proposed research was reviewed by the DHSIRB using one of the limited review procedures, per OAC 340:2-39-12(g); or

(3) research progressed to the point that it involves only:

(A) data analysis, including analysis of identifiable private information or identifiable biospecimens; or

(B) accessing follow-up clinical data from procedures that subjects would undergo as part of clinical care.

(c) Notwithstanding the provisions of (b) of this Section, the DHSIRB may require a continuing review of any research when it determines there is a good reason for doing so. A determination to conduct a continuing review must be made in a DHSIRB-convened meeting, and a rationale for conducting continuing review of research must be stated. DHSIRB requires the investigator to submit a continuation request that must

include a:

- (1) specific request to continue the research project;
- (2) copy of all currently approved informed consent forms when subjects are still involved; and
- (3) brief status report on the research project including:
 - (A) the protocol's progress to date;
 - (B) the reasons for continuing the research;
 - (C) plans for the next approval period;
 - (D) a description of any adverse events or unanticipated problems involving risks to participants or others;
 - (E) a discussion of the number of refusals, withdrawal of participants from the research, or complaints about the research;
 - (F) a summary of any recent literature;
 - (G) findings obtained thus far; and
 - (H) modifications to the research.

(d) The continuing review by the convened DHSIRB may be supplemented by other review activities, as determined appropriate by the DHSIRB, such as:

- (1) progress report(s) submitted by the principal investigator; or
- (2) compliance report(s), if any, prepared by the human protections administrator or others, including:
 - (A) reports on observations of the consent process, per 45 C.F.R. § 46.109(g);
 - (B) reports on observations of the research, per 45 C.F.R. § 46.109(g);
 - (C) reports on any material changes that occurred in the research project since the previous DHSIRB review; per 45 C.F.R. § 46.108(a)(3)(ii);
 - (D) any complaints received from human subjects, legally authorized representatives, or others; and
 - (E) any findings of serious or continuing noncompliance with this Part or the DHSIRB requirements or determinations, per 45 C.F.R. § 46.108(a)(4)(i).

(e) As a result of its continuing review, the DHSIRB may suspend or terminate approval of research that is not conducted in accordance with the DHSIRB's requirements or that was associated with unexpected serious harm to subjects. Any suspension or termination of approval includes a statement of the reasons for the DHSIRB action and is reported promptly to the investigator, appropriate DHS officials, and others as appropriate, per 45 C.F.R. § 46.113.

(f) When the DHSIRB decides to suspend or terminate research activity approval, it includes, in its written notification, a statement of the reasons for its decision and gives the investigator an opportunity to respond in person or in writing, per 45 C.F.R. § 46.109(d).

[Source: Added at 37 Ok Reg 1752, eff 9-15-20]

340:2-39-13. Appeal process

(a) Oklahoma Department of Human Services officials may not approve research disapproved by the Oklahoma Department of Human Services Institutional Review Board (DHSIRB), per Section 46.112 of Title 45 of the Code of Federal Regulations.

(b) There is no mechanism for an appeal of DHSIRB decisions to other departmental components. DHSIRB is an autonomous entity and its decisions are binding.

(c) Principal investigators may request reconsideration of a DHSIRB decision regarding a research protocol. The request must be submitted in writing and must include any pertinent information relevant to the decision. The reconsideration is accomplished in the manner described for preliminary review and assessment, per Oklahoma Administrative Code 340:2-39-12(a). Upon reexamination and reconsideration of its actions, the subsequent DHSIRB decision is final.

SUBCHAPTER 46. OFFICE OF BACKGROUND INVESTIGATIONS

PART 1. GENERAL PROVISIONS

340:2-46-1. Purpose and legal basis

The purpose of the Oklahoma Human Services (OKDHS) Office of Background Investigations (OBI) is to conduct background checks and searches related to programs and services administered by OKDHS. The OKDHS OBI performs background checks for Child Care Services, per:

- (1) Section 901 et seq. of Chapter IX of Title 28 of the Code of Federal Regulations; and
- (2) the National Child Protection Act of 1993, Public Law (P.L.) 103-209, as amended by the Volunteers for Children Act, P.L. 105-251.

[Source: Added at 35 Ok Reg 449, eff 1-31-18 (emergency); Amended at 35 Ok Reg 1590, eff 9-17-18 ; Amended at 39 Ok Reg 1678, eff 9-15-22]

PART 2. CHILD CARE SERVICES

340:2-46-2. Authority [REVOKED]

[Source: Added at 35 Ok Reg 449, eff 1-31-18 (emergency); Amended at 35 Ok Reg 1590, eff 9-17-18 ; Revoked at 39 Ok Reg 1678, eff 9-15-22]

340:2-46-3. Definitions

The following words and terms when used in this Part shall have the following meaning unless the context clearly indicates otherwise:

"Background check" means a review of state and/or national criminal history records that may include fingerprint submissions, public docket searches, public registry searches, national sex offender registry searches, and child abuse and neglect searches.

"General administrative office" or **"GAO"** means an entity that receives background check results, including fingerprint results, and makes hiring decisions on behalf of one or more child care programs.

"Qualified entity" or **"QE"** means an entity that meets the criteria and complies with federal and state laws and policies. QE standards govern the security and confidentiality of national fingerprint results.

"Temporary hiring agency" or **"THA"** means an entity that employs temporary staff who may be utilized as substitutes in a child care program.

[Source: Added at 35 Ok Reg 449, eff 1-31-18 (emergency); Amended at 35 Ok Reg 1590, eff 9-17-18]

340:2-46-4. Confidentiality and dissemination of national criminal history records checks

(a) National criminal history records check reports:

(1) are confidential, per Section 50.12 of Title 28 of the Code of Federal Regulations; and

(2) may not be disseminated outside of the Oklahoma Department of Human Services or authorized entities.

(b) The security, confidentiality, and dissemination of national criminal history records checks for child care programs are governed by qualified entity standards.

[Source: Added at 35 Ok Reg 449, eff 1-31-18 (emergency); Amended at 35 Ok Reg 1590, eff 9-17-18]

340:2-46-5. Background investigations process for child care programs

(a) **Fingerprint process.**

(1) **Background check review packet.** Oklahoma Human Services (OKDHS) makes background check review packets available to individuals and child care programs.

(2) **Fingerprint rejections.** When low quality fingerprints, as determined by the Oklahoma State Bureau of Investigation (OSBI), the Federal Bureau of Investigation (FBI), or both make it impossible for the national crime information databases to provide results, a national name-based search may be authorized.

(3) **Fingerprint exceptions.** When OKDHS Office of Background Investigations (OBI) receives a written request for a fingerprint exception from an individual, who has a severe physical condition precluding the individual from being fingerprinted, a state name-based search may be authorized. Individuals that resided outside of Oklahoma within the past five years must provide a name-based search from the state where they resided.

(b) **Background check process.**

(1) **Background check review requests.**

(A) Upon receipt of completed Form 19MP006E, Background Check Review Request, or an electronic background check request, OBI conducts a background check review.

(B) Upon receipt of an incomplete Form 19MP006E, or an electronic background check request, OBI sends the program notification of an incomplete request.

(2) Background check review results.

(A) OBI processes background check requests :

(i) within the time allowed under federal regulations; or

(ii) next OKDHS-business day for new programs in application status.

(B) OBI disseminates the:

(i) background check results;

(ii) criminal history record information (CHRI), when applicable; and

(iii) dispute resolution documents, when applicable.

(c) Criminal history records dispute process.

(1) **Dispute rights.** When state and national CHRI are disseminated, OBI notifies individuals of the right to dispute the completeness and accuracy of the CHRI.

(2) **Reasonable time.** Individuals are given a reasonable time to dispute CHRI, prior to a final employment determination.

(d) Five-year reassessment. Programs must obtain a background check on required individuals every five years, per applicable Child Care Services (CCS) Licensing requirements.

(e) Record of Arrest and Prosecution (RAP) RAP Back process.

(1) **RAP Back notifications.** RAP Back is a notification from OSBI or FBI of subsequent arrests or prosecutions of individuals who have had the CCS fingerprint-based national criminal history checks. OBI submits a request to the state repository to stop sending RAP Back on individuals, who:

(A) are ineligible to be associated with any program; and

(B) have not been associated with a program for two or more years.

(2) **RAP Back criminal history review results.** Upon receipt of RAP Back, OBI reviews the notification to determine if the record reflects arrests or prosecutions. OBI simultaneously disseminates RAP Back results to the:

(A) programs with which the individual was last associated; and

(B) CCS, when criminal history restrictions and prohibitions are involved.

(3) **Public record information.** When OBI becomes aware of additional arrests, charges, or convictions, OBI validates the information through public records and processes a new background check result.

(f) Qualified entity (QE) standards.

(1) **Agreement compliance.** OBI maintains QE standards for OKDHS according to the user agreement with OSBI.

- (2) **QE status.** QE status may be achieved by a:
- (A) program;
 - (B) general administrative office (GAO) on behalf of one or more programs; and
 - (C) temporary hiring agency (THA) used for child care substitutes.
- (3) **Dissemination to a QE.** OBI only disseminates national CHRI to a program, GAO, or THA identified as a QE that has written consent from the fingerprinted individual.
- (4) **Audits.** OBI periodically audits QEs to verify compliance with standards.
- (5) **Violations.** When QE standards violations are:
- (A) identified during an audit, OBI follows the audit process; or
 - (B) reported by individuals, OBI conducts an investigation.
- (6) **QE status termination.** The QE status may be terminated, when the QE:
- (A) no longer meets QE criteria including following the QE agreement;
 - (B) does not cooperate with the audit process or an investigation; or
 - (C) does not correct QE standards violations within an agreed upon time and manner.
- (g) **Restricted Registry referrals.** When OBI determines an individual meets criteria for the Restricted Registry, per Oklahoma Administrative Code 340:110-1-10.1(b)(1) through (5), the information is forwarded to Restricted Registry staff.
- (h) **Out-of-state inquiries.** OBI coordinates background check inquiries when requested by an out-of-state agency.

CHAPTER 5. ADULT PROTECTIVE SERVICES

[**Authority:** 43A O.S., §§ 10-101 through 10-111 and 56 O.S., §§ 162 and 230.52]

[**Source:** Codified 6-1-03]

SUBCHAPTER 1. ADULT PROTECTIVE SERVICES REPORTS

340:5-1-1. Adult Protective Services (APS) authority, core principles, and mission

(a) APS was created to meet the requirements of the Protective Services for Vulnerable Adults Act, per Sections 10-101 et seq. of Title 43A of the Oklahoma Statutes.

(b) APS assists vulnerable adults who are unable to meet their own needs, or who are reported to be suffering from physical or verbal abuse, neglect, self-neglect, personal degradation, or exploitation.

(c) The vulnerable adult is the APS client. APS respects the client's right to self-determination and approaches service planning and intervention with sensitivity to the client's perception of his or her situation and needs. An objective assessment of the circumstances and need for involvement is made.

(d) APS intervention and service planning are client-centered. The vulnerable adult alleged to need protective services, is an Oklahoma Human Services client. While outcomes desired by the reporter, family members, or other caretakers are considered, APS intervention and service planning are client-centered.

(e) The APS specialist maintains professional objectivity when providing for or arranging services for vulnerable adults, whether services are paid for by the client or from private or public funds.

(f) Protective service plans are developed with the knowledge and approval of the client, when possible. When involuntary services are necessary to protect the life or estate of a client, guardianship is pursued with careful consideration of the effect on the client's psychological and emotional needs. Service planning focuses on services that meet the vulnerable adult's needs in the least intrusive and least restrictive manner possible.

(g) APS program goals are, to:

(1) reestablish and maintain a stable level of functioning approaching the client's maximum potential;

(2) reestablish and maintain the client's family and community relationships;

(3) assist the client to remain in the community as long as possible;

(4) ensure that the client who lacks capacity to consent, receives involuntary court-ordered services; and

(5) assist the client in obtaining appropriate institutional care, when less restrictive services are not available.

(h) APS is responsible for program planning, staff training, technical assistance, quality assurance, and policy development. APS district directors assist in this process by providing local support for APS staff.

340:5-1-4. Adult Protective Services (APS) ethical considerations

(a) Ethical principles guide all client-related contact.

(1) The APS specialist must obtain prior approval from the district director, program field representative, APS specialist IV, or designee to:

(A) handle the vulnerable adult's personal resources, such as bank accounts, cash, checks, notes, mortgages, trusts, deeds, sales contracts, stocks, bonds, certificates, or any other assets;

(B) obtain or initiate repairs, personal services, and other necessary actions to provide health care, food, or shelter for a vulnerable adult. Verbal approval is authorized in emergency situations where immediate action is required to protect the vulnerable adult from imminent harm or significant loss of property. The APS specialist must document all plans and the approval in the case record as soon as possible; and

(C) re-enter a client's residence that was secured, and may only enter when another person from outside of Oklahoma Human Service, such as law enforcement, is present. When a third party is unable to accompany APS staff, the district director may approve entry when another specialist is present.

(2) The APS specialist must not:

(A) solicit, charge, request, or accept a fee, gift, reward, or payment of any kind from individuals or staff for services rendered as a volunteer, intern, or employee;

(B) use contact with the vulnerable adult or any member of the vulnerable adult's support system for personal gain or personal relationships;

(C) after termination of any assignment, make personal contact with a former client or any member of the client's support system or use former contact with a client for personal gain;

(D) buy items from a vulnerable adult;

(E) engage in any employment or business interest that would constitute a conflict of interest or impair the APS specialist's ability to carry out duties in an impartial manner;

(F) give diagnostic medical or legal opinions;

(G) refer the vulnerable adult to just one physician, attorney, counselor, or other professional for services;

(H) have sexual contact with vulnerable adults, his or her relatives, next of kin, or support system members; and

(I) make after hours home visits unless specifically approved by the APS specialist IV or designee.

(b) **Response to aggression in the field.** If at any time, the APS specialist feels unsafe in the field or in a home, he or she has the authority to stop an interview and leave. The APS specialist contacts the APS specialist IV or designee immediately when the vulnerable adult or the APS specialist leaves the home or is threatened or injured in the course of the investigation.

340:5-1-5. Confidentiality

(a) All records related to Adult Protective Services (APS) cases are confidential, per Sections 10-110 and 10-110.1 of Title 43A of the Oklahoma Statutes (43A O.S. §§ 10-110 and 10-110.1), and may be disclosed only by court order except under the circumstances described in (b) through (h) of this Section. Representatives of the general public, news media, or agencies not meeting one of the exceptions in (c) of this Section who request details on a specific case are referred to APS Oklahoma Human Services (OKDHS) State Office staff or to the OKDHS Office of Communications for a detailed explanation of OKDHS confidentiality rules.

(b) When making contacts as part of the investigation or service planning process, the APS specialist may disclose information necessary to ensure that the vulnerable adult is protected and the vulnerable adult's needs are met.

(c) Certain persons acting in an official capacity with regard to the vulnerable adult may review or receive information from the entire case record, including the:

- (1) district attorney or district attorney staff;
- (2) attorney representing the person who is the subject of an involuntary services action;
- (3) attorney representing the vulnerable adult, who is not the subject of involuntary services;
- (4) staff from:
 - (A) an Oklahoma law enforcement agency;
 - (B) a law enforcement agency of another state;
 - (C) a state Medical Examiner's Office;
 - (D) a law enforcement agency of a federally recognized tribe in Oklahoma; or
 - (E) a federal law enforcement agency;
- (5) staff of another state's APS program;
- (6) physical or mental health care professionals involved in the evaluation or treatment of the vulnerable adult; and
- (7) OKDHS staff who use the information to provide services to the client.

(d) Any agency or person authorized by OKDHS to provide services to a vulnerable adult may receive a summary of information necessary to secure or provide appropriate care for the vulnerable adult.

(e) The vulnerable adult's caretaker, legal guardian, and next of kin may receive summaries of information from an APS case record.

(f) Some information from APS records may be released to employees or contractors of the State for research purposes, upon application to and approval by the OKDHS Institutional Research Board. While OKDHS offices may release statistical information, no specific case information is released for research purposes unless approval is received from APS State Office.

(g) When the person responsible for the care of a vulnerable adult has been charged by information or was indicted with committing a crime resulting in the death or near death of a vulnerable adult, there is a presumption that it is in the best interest of the public to disclose relevant information, per 43A O.S. § 10-110.1.

(h) When federal law specifically prohibits the disclosure of any of the information required by this subsection, that information is excluded from the disclosed information.

340:5-1-6. Definitions

The following words and terms, when used in this Subchapter shall have the following meaning, unless the context clearly indicates otherwise.

"Abandonment" means the withdrawal of support or the act of deserting a vulnerable adult by a caretaker or other person responsible for the vulnerable adult's care.

"Abuse" means causing or permitting the:

(A) infliction of physical pain, injury, sexual abuse, sexual exploitation, unreasonable restraint or confinement, mental anguish, personal degradation; or

(B) deprivation of nutrition, clothing, shelter, health care, or other care or services without which serious physical or mental injury is likely to occur to a vulnerable adult by a caretaker or other person providing services to a vulnerable adult.

"Activities of daily living (ADLs)" means basic self-care activities such as toileting, transferring, feeding, bathing, and dressing.

"Adult" means a person 18 years of age and older.

"Alleged victim" means a vulnerable adult who is suspected of being a victim of maltreatment or in need of services that are necessary to aid the individual to meet essential requirements for mental or physical health and safety.

"APS" means Adult Protective Services.

"APS specialist" means an Oklahoma Human Services (OKDHS) worker who successfully completed the Adult Protective Services (APS) New Worker Academy or is working under the oversight of an experienced APS specialist.

"APS specialist III" means the lead APS specialist who coaches and may be designated to act for the APS specialist IV.

"APS specialist IV" means OKDHS staff assigned or designated to act in an APS supervisory capacity.

"Caretaker" means a person who is responsible for the care of or financial management for a vulnerable adult as a result of family relationship or has assumed responsibility for care of a vulnerable adult voluntarily, by contract, or by friendship; or who serves as a legally appointed guardian, limited guardian, or conservator.

"Client" means a vulnerable adult in need of services.

"Conclusion" means a brief summary of the case including presenting issue, risk, need, and resolution that is completed in cases of self-neglect for which investigatory findings are not required to be sent to the district attorney. The conclusion is specific enough to distinguish the case, but does not reiterate the case record.

"Emergency" means a situation in which a vulnerable adult is likely to suffer death or serious physical harm without immediate intervention.

"Evidence" means all documentation, photographs, interviews, observations, objects, and other information collected, observed, or otherwise obtained during the course of an investigation.

"Executive function" means the brain's ability to absorb information, interpret this information, and make decisions based upon this information.

"Exploitation" means unjust or improper use of the person or resources of a vulnerable adult for the profit or advantage of another person through undue influence, coercion, harassment, duress, deception, false representation, or false pretense.

"Financial neglect" means repeated instances by a caretaker or other person who has assumed the role of financial management of failure to use the resources available to restore or maintain the health and physical well-being of a vulnerable adult, including but not limited to:

- (A) squandering or negligently mismanaging the money, property, or accounts of a vulnerable adult;
- (B) refusing to pay for necessities or utilities timely; or
- (C) providing substandard care to a vulnerable adult despite the availability of adequate financial resources.

"Finding" means substantiation, unsubstantiation, or an inconclusive finding of an allegation following an investigation of abuse, neglect, or exploitation that is sent to local district attorney for a decision whether to prosecute.

"Guardian" means one of the types of guardianship specified in the Oklahoma Guardianship and Conservatorship Act, Title 30 of the Oklahoma Statutes.

(A) **General guardian.** A general guardian is a person appointed by the court to serve as the guardian of an incapacitated person to ensure that the essential requirements for the health and safety of the person are met, to manage the estate of the person, or both.

(B) **Limited guardian.** A limited guardian is a person appointed by the court to serve as the guardian of a partially incapacitated person and is authorized by the

court to exercise only certain powers of a guardian over the person, or estate or financial resources of the person, or both.

(C) **Special guardian.** A special guardian is a person appointed by the court to exercise certain specified powers to alleviate a situation in which there is a threat of serious impairment to the health or safety of an incapacitated or partially incapacitated person, or a situation in which the financial resources of the person will be seriously damaged or dissipated unless immediate action is taken.

"Incapacitated adult" means a vulnerable adult whose ability to receive and evaluate information effectively or to make and to communicate responsible decisions is impaired to such an extent that the person lacks the capacity to manage his or her financial resources or to meet essential requirements for the person's mental or physical health or safety without assistance.

"Inconclusive" means there is insufficient information to either support or not support the allegation of maltreatment, but there is a reason to suspect maltreatment.

"Indecent exposure" means forcing or requiring a vulnerable adult to:

(A) look upon the body or private parts of another person or upon sexual acts performed in the presence of the vulnerable adult; or

(B) touch or feel the body or private parts of another person.

"Information and Referral (I & R)" means a referral that is referred to an appropriate responder because it does not contain an alleged vulnerable adult and at least one allegation of maltreatment, or a more appropriate responder is better suited to meet the client's needs and provide services.

"Instrumental activities of daily living (IADLs)" means abilities necessary for an adult to function independently in the community, such as preparing meals, using the phone, driving or arranging for transportation, shopping, and handling finances.

"Investigation" means a prompt and thorough fact-finding to determine if a vulnerable adult is the victim of maltreatment.

"Mandatory reporter" means any person who has reasonable cause to believe someone is suffering from abuse, neglect, or exploitation.

"Maltreatment" means abuse, neglect, self-neglect, financial exploitation, sexual exploitation, financial neglect, abandonment, verbal abuse, or personal degradation.

"Near death" means the vulnerable adult is in serious or critical condition, as certified by a physician, as a result of abuse or neglect.

"Neglect" means:

(A) failure to provide protection for a vulnerable adult who is unable to protect his or her own interest;

(B) failure to provide adequate shelter, nutrition, health care, or clothing for a vulnerable adult; or

(C) negligent acts or omissions that result in harm or unreasonable risk of harm to a vulnerable adult, or lack of supervision by a caretaker providing direct services.

"Next of kin" means the closest living relative by blood or marriage and includes any relative active in care or service planning.

"Personal degradation" means a willful act by a caretaker intended to shame, degrade, humiliate, or otherwise harm the personal dignity of a vulnerable adult, or where the caretaker knew or reasonably should have known the act would cause shame, degradation, humiliation, or harm to the personal dignity of a reasonable person. Personal degradation includes the taking, transmitting, or display of an electronic image of a vulnerable adult by a caretaker, where the caretaker's actions constitute a willful act intended to shame, degrade, humiliate, or otherwise harm the personal dignity of the dependent adult, or where the caretaker knew or reasonably should have known the act would cause shame, degradation, humiliation, or harm to the personal dignity of a reasonable person. Personal degradation does not include, the taking, transmission, or display of an electronic image of a vulnerable adult:

- (A) for the purpose of reporting vulnerable adult abuse to law enforcement, OKDHS, or other regulatory agency that oversees caretakers or enforces abuse or neglect laws or rules;
- (B) for the purpose of treatment or diagnosis; or
- (C) as part of an ongoing investigation.

"Power of attorney" means authority granted by a legal document authorizing a person or other entity to act for the principal, subject to the extent of the power authorized. The affidavit may be durable. When it is durable, the power of attorney becomes effective when the principal loses decision making abilities as defined by the document and instructions of the principal. The power is revoked upon:

- (A) written revocation of the principal;
- (B) incapacity of the principal unless it is a durable power of attorney;
- (C) death of the principal;
- (D) a termination date if specified in the document;
- (E) order of the court; or
- (F) the appointment of a guardian, in most cases.

"Referral" means any allegation of maltreatment received by APS.

"Report" means a referral that is assigned for investigation.

"Response type" means the assignment of an APS referral for investigation, service case, or information and referral.

"Self-neglect" means neglect brought about by a vulnerable adult's own actions or inactions that causes the vulnerable adult to fail to meet the essential requirements for physical or mental health and safety due to the vulnerable adult's lack of awareness, incompetence, or incapacity.

"Service Case" means a referral is assigned for prompt and thorough determination of risk, needs, a capacity decision, and service planning.

"Services that are necessary to aid an individual to meet essential requirements for mental or physical health and safety"

means services that include, but are not limited to, the:

- (A) identification of adults in need of protective services;
- (B) provision of medical care for physical or mental health needs; or
- (C) provision of assistance in personal hygiene, food, clothing, adequately heated and ventilated shelter, protection from health and safety hazards, protection from physical maltreatment, guardianship referral, outreach, and transportation necessary to secure any of such needs. This excludes taking the adult into physical custody without the adult's consent except through proper procedures for the provision of involuntary services.

"Sexual abuse" means:

- (A) oral, anal, or vaginal penetration of a vulnerable adult by, or through the union with, the sexual organ of a caretaker or other person providing services to the vulnerable adult, or the anal or vaginal penetration of a vulnerable adult with any other object by a caretaker or other person providing services to the vulnerable adult;
- (B) for the purpose of sexual gratification, the touching, feeling, or observation of the body or private parts of a vulnerable adult by a caretaker or other person providing services to the vulnerable adult; or
- (C) indecent exposure by a caretaker or other person providing services to the vulnerable adult.

"Sexual exploitation" means and includes, but is not limited to, a caretaker causing, allowing, permitting, or encouraging a vulnerable adult to engage in prostitution or in lewd, obscene, or pornographic photographing, filming, or depiction of the vulnerable adult as those acts are defined by Oklahoma law.

"Substantiated" means the greater weight of the evidence collected during an APS investigation determines that maltreatment occurred and the alleged victim meets the definition of a vulnerable adult.

"Temporary guardian" means a person or other entity appointed by the court under Title 43A of the Oklahoma Statutes with authority only to consent on behalf of an incapacitated adult to the provision of protective services determined necessary to remove conditions creating an emergency need and other services approved by the court. A temporary guardian serves in that capacity only until the guardianship is dismissed by the appointing court.

"Undue influence" means the substitution of one person's will for the true desires of another.

"Unsubstantiated" means evidence found during an APS investigation was insufficient to show that more likely than not maltreatment occurred.

"Verbal abuse" means the use of words, sounds, or other communication including, but not limited to, gestures, actions, or behaviors, by a caretaker or other person providing services to a vulnerable adult that are likely to cause a reasonable person to experience humiliation, intimidation, fear, shame, or degradation.

"Vulnerable adult" means an adult who, because of physical or mental disability or other impairment, may be subject to maltreatment and is substantially impaired in his or her ability to independently:

- (A) provide adequately for his or her own care or custody;
- (B) manage his or her property and financial affairs effectively;
- (C) meet essential requirements for mental or physical health or safety; or
- (D) protect himself or herself from maltreatment without assistance. This determination is not made based on a person's eligibility for disability benefits from any source or on the impairment being permanent, but solely on the adult's reported physical or mental condition at the time an APS referral is received and the APS specialist's assessment of that condition is made during service planning or investigation.

340:5-1-8. Complaints and concerns regarding Adult Protective Services (APS) or Long-Term Care investigations

Complaints regarding the provision of services or an investigation may be submitted to Oklahoma Human Services (OKDHS) by phone, email, or in written form. Complaints regarding:

- (1) APS policy and procedure are referred to the district director, or program supervisor, who performs a case review. The district director, or program supervisor, sends a written response to the complainant within 45-calendar days, stating the review's general findings. Confidential information is not included in the report. If the complainant is not satisfied with the findings, the complainant may within 30-calendar days of the date of the letter, submit a written appeal to APS State Office, at PO Box 25352, Oklahoma City, Oklahoma 73125. A committee composed of OKDHS staff reviews the appeal and sends the complainant the decision within 30-calendar days;
- (2) alleged misconduct by an APS specialist, or social service inspector is referred to the supervisor or designee in the specialist's chain of command;
- (3) alleged misconduct by an APS specialist IV is referred to the appropriate district director for action; and
- (4) involuntary services are brought before the district court that granted the temporary guardianship at issue.

SUBCHAPTER 3. MALTREATMENT ALLEGATIONS

340:5-3-1. Receiving maltreatment allegations

(a) **Mandatory reporters.** Any person having reasonable cause to believe that a vulnerable adult is suffering from abuse, neglect, or exploitation is mandated by law, per Section 10-104(A) of Title 43A of Oklahoma Statutes (43A O.S. § 10-104(A)), to notify Oklahoma Human Services (OKDHS) or law enforcement.

(1) State law provides that any person who knowingly and willfully fails to promptly report any abuse, neglect, or exploitation is, upon conviction, guilty of a misdemeanor.

(2) Any person who willfully or recklessly makes a false report or a report without a reasonable basis is liable in a civil suit for any actual damages suffered by any person named in the report and any punitive damages set by the court or jury.

(3) Any person exercising good faith and due care in making a report of alleged abuse, neglect, or exploitation has immunity from any civil or criminal liability that might otherwise be incurred.

(4) Every person in Oklahoma is a mandatory reporter and select groups who routinely have contact with vulnerable adults are specifically named in 43A O.S. § 10-104(A), including:

(A) social workers;

(B) physicians;

(C) emergency response vehicle operators;

(D) mental health professionals;

(E) law enforcement;

(F) domestic violence programs staff;

(G) long-term care facility personnel, including staff of:

(i) nursing facilities;

(ii) intermediate care facilities for persons with intellectual disabilities;

(iii) assisted living facilities;

(iv) residential care facilities; and

(v) Oklahoma veterans' centers;

(H) persons entering into transactions with a caretaker or other person who assumed the role of financial management for a vulnerable adult;

(I) staff of:

(i) residential care facilities;

(ii) group homes; and

(iii) employment settings for individuals with developmental disabilities;

(J) job coaches;

(K) community service workers;

- (L) personal care assistants;
- (M) other medical professionals; and
- (N) municipal employees.

(b) **Referral content.** A referral of alleged abuse, neglect, or exploitation of a vulnerable adult includes:

- (1) the vulnerable adult's name, address, or location;
- (2) the caretaker's name or address, when any; and
- (3) a description of the vulnerable adult's situation.

(c) **Obtaining the reporter's name.** The reporter's name, phone number, or address is not required, however such information is always helpful.

(d) **Submission of referrals for screening.** OKDHS staff immediately submits all referrals for screening. Abuse and Neglect Hotline staff enters the referral into the Adult Protective Services Computer System Intake Section.

340:5-3-4. Referrals under the jurisdiction of entities other than Adult Protective Services (APS)

Some referrals of alleged maltreatment of vulnerable adults are not investigated by APS staff.

- (1) **Robert M. Greer Center (Greer) resident or former Hissom Memorial Center resident referrals.** When the alleged victim is a current Greer resident, or a former Hissom Memorial Center resident, who suffered maltreatment by a facility employee or by a current caretaker, the referral is sent to Office of Client Advocacy (OCA).
- (2) **Reports of maltreatment by persons providing services to alleged victims receiving services from a community services worker, community services provider, SoonerCare (Medicaid) personal care services provider, or Medicaid personal care assistant (MPCA).** When the alleged victim

(1) Concurrent jurisdiction with Oklahoma State Department of Health (OSDH).

(A) Referrals alleging maltreatment of vulnerable adults are accepted and screened by APS and sent to OSDH, Protective Health Services, Medical Facilities Service, for residents of:

- (i) residential care facilities;
- (ii) assisted living facilities;
- (iii) adult day care facilities; and
- (iv) nursing facilities when the referral is self-neglect or maltreatment by a person the facility does not employ.

(B) The APS specialist sends a copy of the final investigative report to OSDH. Upon completion of an investigation involving an administrator named as the alleged perpetrator and, when findings are substantiated, the APS specialist IV or designee notifies the Oklahoma State Board of Examiners for Long-Term Care Administrators.

(2) Concurrent jurisdiction with law enforcement. Referrals alleging illegal activity or situations determined too dangerous for an APS response are referred to law enforcement.

(3) Joint response by APS and law enforcement. Law enforcement assistance is requested for home visits when warranted by safety protocol.

(4) Referrals involving substance use or abuse and persons with mental illness. Oklahoma law gives the Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS) primary responsibility for persons with mental illness and substance use or abuse dependency. ODMHSAS treats persons with mental illness on a voluntary basis. Community mental health centers administered by, or under contract to, ODMHSAS provide recommended aftercare services to patients who are discharged from state mental hospitals and who voluntarily request and accept mental health services.

(A) The APS specialist may assist law enforcement, when requested, by facilitating or completing a third party affidavit.

(B) When the vulnerable adult's primary problem is determined to be mental illness or substance use or abuse dependency, the Review, Evaluate, and Decide (RED) Unit specialist or designee determines if other issues exist within APS jurisdiction. When no other issues exist, the case is assigned as Information and Referral. The RED Unit specialist or designee directs the vulnerable adult or reporter to 988 for services.

(C) When other issues of alleged abuse, neglect, or exploitation exist, the case is assigned in the usual way.

(D) The APS specialist IV or designee contacts law enforcement or 988 to secure emergency detention when the person is a danger to self or others.

340:5-3-6. Screening and assigning referrals

(a) Time frame for screening Adult Protective Services (APS)

referrals. The Review, Evaluate, and Decide (RED) Unit specialists or designees are responsible for screening new referrals on the APS Computer System on a regular basis throughout the day to identify emergency situations and to ensure assignment to the correct county office. Emergencies are reported to 911.

(b) Responsibility for screening and assigning referrals. Abuse and Neglect Hotline (Hotline) specialists determine if an urgent response is indicated. The RED Unit specialists or designees :

- (1) screen referrals to facilitate the timely initiation of the investigation, per Oklahoma Administrative Code (OAC) 340:5-5-2;
- (2) assign the response type RED Unit specialists or designees ;
- and
- (3) determine which APS specialist is assigned the referral.

(c) Referrals involving domestic violence. When referrals allege maltreatment of a vulnerable adult by a spouse, other family, or household member, domestic violence resources are considered in service planning.

(d) Referrals involving Oklahoma Human Services (OKDHS) employees or their families. Specific procedures are followed when a referral of maltreatment is received that involves OKDHS employees.

(e) Service case assignments. Service case assignments allow staff to determine the need for services and offer or create a service plan to assist clients. Service case conclusions are written in a manner that documents and supports stability of the service plan, with or without follow-up, before case closure.

(f) Referrals involving Soonercare (Medicaid) paid caregiver.

Referrals involving paid, unlicensed caregivers, whose services are funded through Soonercare (Medicaid), are sent to Office of Client Advocacy . These workers are subject to the Community Services Worker Registry guidelines. The programs in (A) through (G) of this subsection contract with agencies using workers who are in this category.

- (A) ADvantage Waiver Services, including Consumer Directed Personal Assistance Services and Supports (CD-Pass).
- (B) State Plan Personal Care Program.
- (C) Developmental Disability Services.
- (D) Adult Day Services.
- (E) Program of All-inclusive Care for the Elderly (PACE).
- (F) Living Choice.

SUBCHAPTER 5. INESTIGATION OF ADULT PROTECTIVE SERVICES REPORTS

340:5-5-1. Statutory authority

Section 10-105(A) of Title 43A of the Oklahoma Statutes mandates the Oklahoma Department of Human Services to complete a prompt and thorough investigation of Adult Protective Services reports.

[Source: Added at 20 Ok Reg 840, eff 6-1-03 ; Amended at 35 Ok Reg 1592, eff 9-17-18]

340:5-5-2. Initiating investigations

An Adult Protective Services (APS) specialist initiates an investigation by a visit to the vulnerable adult who is the alleged victim (AV) at the adult's location or residence.

(1) Time frame for initiating investigations.

(A) The APS specialist initiates the maltreatment investigation as soon as possible within five-business days, not to exceed 120 hours from the time APS received the report, excluding weekends and official state holidays.

(B) In an urgent situation, when prompt action may be required, the APS specialist initiates the investigation within 24 hours of receipt.

(2) **Denial of access to the AV.** When the APS specialist is denied entry into the AV's residence or is denied a private interview with the AV, Oklahoma Human Services petitions the court for an order allowing entry or access.

340:5-5-3. Elements of an investigation

(a) Although the investigation process may vary depending on the initial allegations and other factors, all Adult Protective Services (APS) investigations include (1) through (10) of this subsection.

(1) **Law enforcement notification.** Law enforcement is notified of all APS investigations.

(2) **Efforts to locate and notify others.** APS specialists must make every reasonable effort to locate and notify the alleged victim's (AV) caretaker, guardian, and next of kin.

(3) **Visits and interviews with the vulnerable adult.** Per Section 10-105(C)(1)(a) of Title 43A of the Oklahoma Statutes (43A O.S. § 10-105(C)(1)(a)), each APS investigation includes at least one visit and private interview with the vulnerable adult.

(4) **Consultation with others.** The APS specialist interviews other people who have, or can reasonably be expected to have, pertinent knowledge about the AV's circumstances during the investigation, including any alleged perpetrator (AP) of

maltreatment. The AV's permission is not required for these contacts.

(5) **Photographs.** The APS specialist may take photographs or video recordings to document injuries to the vulnerable adult or conditions in the adult's residential environment that resulted in, or may result in, an injury or serious harm.

(6) **Other relevant data.** The APS specialist collects data relevant to the situation being investigated including records to arrive at a finding. When the APS specialist is denied access to pertinent records, documentation, or other information relevant to the investigation, Oklahoma Human Services (OKDHS) may petition the court for an order allowing access.

(7) **Determining decision-making capacity.** OKDHS is mandated by 43A O.S. § 10-106(C) to determine a vulnerable adult's risk and needs and the vulnerable adult's capacity to consent to receive services, especially with regard to the need for involuntary services. Each investigation includes an evaluation of the vulnerable adult's decision-making capabilities in personal, medical, and financial management.

(A) The APS specialist's assessment of a vulnerable adult's mental capacity to consent to protective services takes into account the vulnerable adult's awareness of the:

- (i) limitations and deficiencies in the physical environment;
- (ii) vulnerable adult's own physical or mental limitations;
- (iii) resources available to assist in meeting the vulnerable adult's needs; and
- (iv) consequences to the vulnerable adult if nothing is done to improve the situation.

(B) When a vulnerable adult lacks capacity and an imminent risk to health or estate exists, legal intervention may be appropriate.

(8) **Evaluation to determine the need for protective services.**

The evaluation consists of the APS specialist's analysis and consultation with the APS specialist IV, or designee, of all evidence gathered during the initial phases of the investigation. The evaluation includes consideration of whether the:

- (A) vulnerable adult needs protective services. When so, the need for protective services is documented to include the least restrictive services to meet the person's needs;
- (B) services that are identified as needed are available through OKDHS or in the community, and the sources and manner in which they can be provided. Options are explored with the vulnerable adult;
- (C) vulnerable adult is capable and willing to obtain services for himself or herself;
- (D) vulnerable adult can pay for needed services or is eligible for public assistance programs;
- (E) caretaker or guardian is willing to provide or agree to the provision of needed services; and

(F) vulnerable adult wants the services.

(9) **Completion of investigative report.** From the date an APS referral is received, the APS specialist completes the investigative report within 60-calendar days. To complete the investigation, the APS specialist:

- (A) completes necessary interviews and assessments including identification of any immediate service needs;
- (B) completes all final documentation;
- (C) submits a report to the local district attorney;
- (D) submits a report to the court of jurisdiction, when the alleged victim is currently under guardianship or conservatorship; and
- (E) makes a determination of substantiated, unsubstantiated, or inconclusive based on the definitions of terms in Oklahoma Administrative Code (OAC) 340:5-1-6.

(10) **Findings.** The APS specialist, in conjunction with the APS specialist IV or designee, makes a final determination of the investigative process on each allegation contained in the APS report. Each allegation is determined to be substantiated, unsubstantiated, or inconclusive and the investigation is documented, per OAC 340:5-5-5.

(11) **Follow-up.** The APS specialist, in consultation with the APS specialist IV or designee, determines needed follow-up in each case.

(A) On cases not requiring court-ordered involuntary services, follow-up needs are determined on a case-by-case basis.

(B) For reports that result in a vulnerable adult receiving involuntary services, OKDHS ensures basic needs for safety and security are met as required by the court. The APS specialist monitors the delivery of court-ordered protective services and continues to assess the need for additional services determined by the vulnerable adult's changing needs.

340:5-5-4. Special referral considerations

(a) Referrals regarding Indian tribal members.

(1) When a Memorandum of Understanding (MOU) exists between the State of Oklahoma and a sovereign Indian Nation the procedures outlined in the MOU are followed.

(2) When an MOU does not exist prior to entry on tribal land, the Indian Nation or United States Marshall Service is notified of the Adult Protective Services (APS) referral and APS procedures are followed in collaboration with the Indian Nation whenever possible.

(b) **Referrals involving two or more counties.** When a referral involves two or more counties, such as when the alleged victim (AV) lives in one county and the alleged perpetrator (AP) lives in another county or when the AV moves, temporarily or permanently to another county before the investigation is completed, APS staff from both county offices are involved in the investigation.

(c) **Referrals involving Soonercare (Medicaid) fraud.** When an APS investigation indicates fraud by a provider receiving Medicaid funds, APS staff immediately notifies the Office of the Oklahoma Attorney General Medicaid Fraud Control Unit (MFCU). APS cooperates with any MFCU investigation. When MFCU declines to investigate, APS staff completes the investigation and sends a summary report to MFCU.

(d) **Referrals involving provider agencies.** Providers subject to APS investigations include, but are not limited to, home health providers, adult day care centers, independent living centers, residential care facilities, and assisted living centers. These investigations include all elements of an APS investigation.

(e) **Referrals involving other licensed or certified persons.** APS staff sends findings to any state agency with concurrent jurisdiction over persons or issues identified in the investigation including, where appropriate, the Oklahoma State Department of Health (OSDH), the Oklahoma Board of Nursing, and other appropriate state licensure or certification boards, agencies, or registries.

(f) **Referrals alleging exploitation.** When referrals involve large amounts of funds, resources, or the need to access complex records regarding financial transactions, the APS specialist is authorized to request assistance from the OKDHS Office of Inspector General (OIG). When OIG declines to investigate, the APS specialist completes the investigation.

(g) **Persons referred to OKDHS by the courts.** Courts are not authorized to remand criminal defendants to OKDHS based on a finding of lack of competency to stand trial. Courts are authorized to refer the alleged incompetent defendant to OKDHS for consideration of voluntary assistance or conditionally release the incompetent defendant, per Section 1175.6 of Title 22 of the Oklahoma Statutes. In order to qualify for such disposition, the court must make findings described in (1) or (2) of this subsection.

(1) Referral for voluntary services or conditional release occurs when the court finds the person is incompetent for reasons other than the AV is a person requiring treatment, per 43A O.S., and is found not to be dangerous.

(2) When a court, the district attorney, or the attorney for a criminal defendant notifies the APS specialist that a referral for voluntary OKDHS services or conditional release is made, the APS specialist obtains a copy of the order from the person making the referral. When, after evaluation, it appears to the APS specialist that the AV may also have a developmental disability, the APS specialist immediately contacts the Developmental Disabilities Services (DDS) Area Intake office and requests their involvement in the process of determining, in consultation with OKDHS Legal Services if voluntary services are available and adequate, or

whether to propose a plan of services for conditional release. This is a joint effort between the APS specialist and the DDS case manager.

(h) **AV receiving services from DDS.** When an AV is receiving, or may be eligible for, services from DDS, the APS specialist contacts the appropriate DDS Area Intake office to coordinate activities to enhance the AV's safety.

340:5-5-5. Documentation of Adult Protective Services (APS) cases

The APS specialist documents the report or referral, interviews, record reviews, other evidence, and investigation findings, or conclusions in the APS case.

- (1) When an investigation is completed, the vulnerable adult's identified caretaker, legal guardian, and next of kin receive a letter from Oklahoma Human Services, per Section 10-105.1(C)(6) of Title 43A of the Oklahoma Statutes (43A O.S. § 10-105.1(C)(6)).
- (2) When the vulnerable adult has a court-appointed guardian, the APS specialist files a notice of the findings in the guardianship case and sends a copy of the findings to the court of jurisdiction, per 43A O.S. § 10-105.1(C)(6).

340:5-5-6. Provision of protective services to vulnerable adults

(a) **Voluntary protective services.** Voluntary services are arranged when a vulnerable adult consents to provision of services, requests services, and is willing to allow the Adult Protective Services (APS) specialist to provide or arrange for services, per Section 10-106 of Title 43A of the Oklahoma Statutes (43A O.S. § 10-106).

- (1) Payment for voluntary protective services. The cost of providing voluntary protective services is borne by the vulnerable adult when the APS specialist determines the person is financially able to make payment or by any private or public programs for which the vulnerable adult is eligible.
- (2) When a caretaker controls the person's funds and refuses to pay for necessary services, caretaker interference may be construed and is addressed in (c) of this subsection. An allegation of financial neglect may be considered, along with asset management remedies available through temporary guardianship, or an Order to Enjoin Caretaker.
- (3) When voluntary services are required to meet an urgent need and no other payment source is available, the APS specialist follows procedures in (b) of this subsection. In cases where the services do not meet an urgent need, the APS specialist arranges for voluntary services, that:

- (A) can be provided free of charge;
- (B) the vulnerable adult is able to, and agrees to pay for;
- or
- (C) can be paid for by a public or private assistance program.

(b) **Payment for emergency protective services.** Oklahoma Human Services (OKDHS) maintains a limited APS Emergency Fund that may be accessed only when specific criteria are met. This fund is used as a short-term measure for crisis situations until other arrangements are made.

(c) **Non-cooperation of caretaker.** When a vulnerable adult consents to receive protective services, but the caretaker refuses to allow the provision of services, OKDHS may petition the court for an injunction prohibiting caretaker interference with the provision of protective services.

(d) **Refusal to consent to protective services.** When a vulnerable adult does not consent to the provision of needed services or withdraws consent after it is given, the APS specialist documents the vulnerable adult's refusal in the service plan and on Adult Protective Services Report of Investigation. Service Case refusals are documented in the service plan and case conclusion. Services are terminated unless OKDHS determines the vulnerable adult lacks capacity to consent. In that case, the APS specialist considers action, per Oklahoma Administrative Code 340:5-1-4.

(e) **Religious beliefs.** A vulnerable adult has the right to depend on spiritual means for healing through prayer, within the practices of a recognized religious method in accordance with the tenets and practices of said place of worship, per 43A O.S. § 10-103(B).

(f) **Involuntary protective services.** Involuntary protective services are authorized, per 43A O.S. § 10-107. When a vulnerable adult is suffering from abuse, neglect, or exploitation that presents a substantial risk of death or immediate and serious physical harm to self; or significant and unexplained depletion of the adult's estate, but lacks the capacity to consent to receive protective services and consent cannot be obtained from anyone acting as caretaker, the services may be ordered by the court on an involuntary basis.

(1) **Authority.** Per 43A O.S. § 10-107(B)(1), the court authorizes provision of specific services the court finds least restrictive of rights and liberty while consistent with the welfare and safety of the vulnerable adult.

(2) **Payment for involuntary services.** Vulnerable adults are expected to pay for services. Payment for involuntary protective services is made from the vulnerable adult's funds upon court order.

(g) **Responsibilities for out-of-home placements.** When the service plan recommends out-of-home placement for safety, health, and care needs, the APS specialist discusses the plan with the vulnerable adult.

The vulnerable adult is provided with all of the information necessary to make an informed decision. This may include visits to a variety of placement options the APS specialist arranges or maintains. The vulnerable adult's family, when appropriate and approved by the

vulnerable adult, is included in planning. The vulnerable adult or his or her family is provided with all of the information available to the APS specialist regarding the quality of care provided by the identified and selected placement.

(h) **Continuation of involuntary services.** Continuation of services is authorized, per 43A O.S. § 10-108(L). The APS specialist obtains the required information and submits it to the court of jurisdiction. When the alleged victim's mental state is in question, the APS specialist may request that the court order a psychological or psychiatric evaluation.

(i) **APS specialist responsibilities as temporary guardian of the person, estate, or person and estate.** The APS specialist, as temporary guardian, ensures to the extent possible, protection of the vulnerable adult's residence, resources, and belongings.

(j) **Additional APS specialist responsibilities as temporary guardian of the estate.** The APS specialist, as temporary guardian of the estate:

- (1) opens a guardianship account in a local financial institution and regularly collects and deposits monies due to the vulnerable adult;
- (2) freezes existing accounts as necessary; and
- (3) works with the court, the vulnerable adult's attorney, the district attorney (DA), and OKDHS Legal Services to obtain a professional accountant to manage the estate.

(k) **Additional APS specialist responsibilities as temporary guardian of the person.** In cases where temporary guardianship of the person is granted to OKDHS, the APS specialist arranges or facilitates the protective services ordered by the court. This may include, but is not limited to:

- (1) placement in a medical facility for treatment of health related problems;
- (2) placement in a safe and anonymous location;
- (3) placement in a facility for short- or long-term care needs.

Long-term care facilities include:

- (A) residential care facilities;
 - (B) group homes;
 - (C) nursing homes;
 - (D) intermediate care facilities for persons with intellectual disabilities;
 - (E) assisted living centers;
 - (F) skilled nursing facilities; or
 - (G) other types of facilities licensed to provide 24-hour care or services for vulnerable adults;
- (4) making application or completing reviews for federal or state programs on behalf of the vulnerable adult for which he or she is or may be eligible to receive; or
 - (5) making arrangements for facilities to be paid from the vulnerable adult's funds or resources.

(l) **Dismissal of court orders for involuntary services.** When services are in place and the vulnerable adult is stable, or guardianship is no longer necessary to ensure the safety of the vulnerable adult, APS prepares and submits a motion to dismiss to OKDHS Legal Services or the local district attorney according to county practice.

340:5-5-7. Termination of adult protective services

Adult protective services are terminated when the situation that prompted the referral is remedied, the vulnerable adult's circumstances are stable, or the vulnerable adult refuses to accept services. Cases for vulnerable adults for whom Oklahoma Human Services has a current guardianship or remand are terminated only when the court order dismissing the temporary guardianship is filed. These cases remain active and follow-up activities are documented as required by Oklahoma Administrative Code 340:5-5-3(11), as long as the court order is in effect.

340:5-5-8. Case destruction

(a) The destruction of Adult Protective Services paper files is done, per the Oklahoma Department of Human Services Consolidated Records Disposition Schedule.

(b) Records of investigations conducted, per The Protective Services for Vulnerable Adults Act, Section 10-110 of Title 43A of the Oklahoma Statutes are not expunged except by court order.

SUBCHAPTER 7. LONG-TERM CARE INVESTIGATIONS

340:5-7-1. Referrals submitted to Long-Term Care Investigations

(a) Screening protocols, per Oklahoma Administrative Code 340:5-3-5, are followed for referrals submitted to Long-Term Care Investigations (LTCI).

(b) The Review, Evaluate, and Decide (RED) Unit specialist or designee screens referrals. Referrals are accepted for investigation, screened out when Adult Protective Services (APS) criteria is not met, or are referred to another entity. The RED Unit specialist or designee determines which Long-Term Care social service inspector is assigned the referral.

(c) All APS rules apply to LTCI, except those noted in this Subchapter.

340:5-7-5. Initiating Long-Term Care Investigations

A Long Term Care Investigation is initiated by visiting the vulnerable adult in the nursing facility.

(1) **Long-Term Care Investigation timeframes.** Maltreatment reports are initiated within 20-business days or sooner when circumstances indicate immediate action is needed.

(2) **Long-Term Care investigative report completion.**

(A) The long-term care investigator determines within 60-business days of the receipt of the report, if the evidence indicates the report is substantiated, unsubstantiated, or inconclusive, per Oklahoma Administrative Code (OAC) 340:5-1-6. The program manager may extend the case closure date when necessary.

(B) The findings are sent to state entities with concurrent jurisdiction over the persons or issues identified in the investigation, such as the Oklahoma State Department of Health, local district attorney, Long-Term Care Ombudsman in Aging Services, and appropriate state licensure or certification boards, agencies, or registries. The special considerations in OAC 340:5-5-4(d) and (e) apply to Long-Term Care Investigations.

SUBCHAPTER 1. GENERAL PROVISIONS

340:10-1-1. Purpose and legal basis

(a) **Purpose.** The purpose of this Chapter is to describe the rules governing Oklahoma Human Services (OKDHS) Temporary Assistance for Needy Families (TANF) Program and how the TANF Program interacts with other OKDHS programs.

(b) **Legal base.** The TANF Program legal basis is vested in Article XXV of the Constitution of the State of Oklahoma, Title IV, Part A of the federal Social Security Act, Sections 261.1 through 261.80 of Title 45 of the Code of Federal Regulations, and Sections 230.50 through 230.78 of Title 56 of the Oklahoma Statutes.

[**Source:** Amended at 17 Ok Reg 444, eff 11-1-99 (emergency); Amended at 17 Ok Reg 2075, eff 7-1-00 ; Amended at 38 Ok Reg 2179, eff 9-15-21]

340:10-1-2. Legal base [REVOKED]

[**Source:** Amended at 10 Ok Reg 527, eff 12-8-92 (emergency); Amended at 10 Ok Reg 2813, eff 6-25-93 ; Amended at 17 Ok Reg 444, eff 11-1-99 (emergency); Amended at 17 Ok Reg 2075, eff 7-1-00 ; Revoked at 38 Ok Reg 2179, eff 9-15-21]

340:10-1-3. General provisions

(a) **Right to apply.** A person has the right to:

- (1) apply for Temporary Assistance for Needy Families (TANF);
- (2) expect an eligibility investigation; and
- (3) receive a prompt decision regarding his or her application.

(b) **Appeal rights.** Persons who apply for, or receive, TANF cash assistance have the right to appeal any action taken that was related to receipt of TANF benefits. An applicant may also appeal a delay in processing an application timely, per Oklahoma Administrative Code (OAC) 340:65-3-5. Refer to OAC 340:2-5 for fair hearing procedures.

(c) **Safeguarding information.** Federal and state laws and Oklahoma Human Services (OKDHS) rules restrict the use or disclosure of information concerning TANF applicants or recipients to purposes directly connected with TANF program administration. Refer to OAC 340:65-3-2 rules regarding safeguarding case information and information that may be disclosed.

(d) **Assistance under only one program.** An eligible person must only be included in one cash assistance program; the State Supplemental Payment (SSP) or TANF.

(e) **Standards for determining eligibility and amount of payment.**

To promote uniformity and accuracy in determining eligibility, refer to rules included in this Chapter and OAC 340:65. OKDHS uses a flat grant, per OKDHS Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX, to meet families' basic needs for food, clothing, medications, personal items, shelter, utilities, and household equipment.

(f) **60-calendar month time limit.** Effective October 1, 1996, TANF cash assistance receipt is restricted to a lifetime limit of 60-calendar months, whether consecutive or not. The time limit may be extended when Adult and Family Services TANF Unit staff approves a hardship extension, per OAC 340:10-3-56(a)(2)(E).

(g) **Civil rights.** The TANF program is administered, per the provisions of Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1975, as amended; the Age Discrimination Act of 1975; the Americans with Disabilities Act of 1990; and Title IX of the Education Amendments of 1972, as amended.

(h) **Electronic benefit transfer (EBT) restrictions.** States are required to maintain policies and practices as necessary to prevent TANF cash assistance from being used in any EBT transaction in certain prohibited businesses, per Section 4004 of the Middle Class Tax Relief and Job Creation Act of 2012, Section 608(a)(12) of Title 42 of the United States Code (42 U.S.C. § 608(a)(12)). 56 O.S. § 241.4 also restricts the use of EBT transactions in these businesses and adds one additional prohibited business.

(1) Prohibited businesses include any:

(A) liquor store. The term liquor store means any establishment that sells exclusively or primarily intoxicating liquor. The term does not include a grocery store that sells both intoxicating liquor and groceries, including staple foods, per 7 U.S.C. § 2012;

(B) casino, gambling casino, or gaming establishment except for:

(i) a grocery store that sells groceries, including staple foods, per 7 U.S.C. § 2012, and also offers, or is located within the same building or complex as an establishment offering casino, gambling, or gaming activities; or

(ii) any other establishment offering casino, gambling, or gaming activities incidental to the principal purpose of the business;

(C) retail establishment that provides adult-oriented entertainment in which performers disrobe or perform in an unclothed state for entertainment; or

(D) retail establishment whose principal business is that of selling cigarettes, cigars, or tobacco products. This type of retail establishment is prohibited, per 56 O.S. § 241.4, but not by federal law.

(2) EBT transaction means the use of a credit or debit card service, automated teller machine, point-of-sale terminal, or access to an online system for the withdrawal of funds or the processing of a payment for merchandise or service.

(3) OKDHS informs applicants and recipients of this prohibition by including information about the prohibition in:

- (A) Form 08MP003E, Rights, Responsibilities, and Signature for Benefits, of the application;
- (B) posters displayed in county office lobbies;
- (C) the certification notice; and
- (D) a sign sent to identified prohibited businesses to educate staff and customers that the OKDHS-issued debit card is not accepted at their businesses.

(4) Refer to OAC 340:10-3-57(h) for recipient benefit reduction penalties when OKDHS determines a recipient used his or her debit card in a prohibited business.

(5) Refer to OAC 340:65-3-6 for debit card and direct deposit procedures, including information about accessing benefits, free services, and fees.

(i) **TANF State Plan.** The TANF State Plan is a separate document completed and submitted to the Administration for Children and Families every two years.

340:10-1-5. Non-assistance programs

(a) **Non-assistance programs.** Programs that do not constitute assistance programs, per Section 260.31(b) of Title 45 of the Code of Federal Regulations may be available to Temporary Assistance for Needy Families (TANF) recipients and other eligible Oklahoma families with minor child(ren) within a specified degree of relationship, per Oklahoma Administrative Code (OAC) 340:10-9-1. When eligibility for a program is based on the family's income, the maximum income level is specified, per (b) of this Section. Programs may vary due to geographic location and funding availability. Non-assistance programs may include:

- (1) non-recurring short-term (NRST) benefits that:
 - (A) are designed to deal with a specific crisis situation or episode of need;
 - (B) are not intended to meet recurrent or ongoing needs; and
 - (C) do not extend beyond four months;
- (2) payments to employers or third parties to help cover the cost of employee wages, benefits, supervision, or training;

- (3) supportive services, such as child care or transportation, provided to families who are employed;
- (4) refundable earned income tax credits;
- (5) contributions to, and distributions from Individual Development Accounts;
- (6) services that do not provide basic income support, such as:
 - (A) counseling;
 - (B) case management;
 - (C) peer support;
 - (D) child care information and referral;
 - (E) transitional services;
 - (F) job retention;
 - (G) job advancement; and
 - (H) other employment-related services; and
- (7) transportation benefits provided under a Job Access or Reverse Commute project, per Section 404(k) of the Social Security Act to a person who is not otherwise receiving assistance.

(b) **Program types.** Program types that may be available in Oklahoma are described in (1) through (5) of this subsection.

(1) **Family Violence Emergency Assistance (FVEA).** FVEA is intended to stabilize low-income families while addressing family violence issues and homelessness. FVEA provides one-time assistance up to \$3,000 for rent, utilities, deposits, and moving expenses to allow domestic violence victims to transition to safe and stable housing. FVEA may only be provided once in the applicant's lifetime. To qualify for the program, the applicant must:

- (A) submit an application and be interviewed, per OAC 340:65-3-1. FVEA applications cannot be submitted online;
- (B) be residing in a shelter operated by a domestic violence/sexual assault program certified by the Oklahoma Office of the Attorney General due to a domestic violence situation;
- (C) have a minor child(ren) within the specified degree of relationship, per OAC 340:10-9-1, living with him or her;
- (D) have income at or below 300 percent of federal poverty guidelines, per Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule XVIII;
- (E) have resources at or below the maximum standard, per OKDHS Appendix C-1, Schedule XVIII. Refer to OAC 340:10-3-4 through 340:10-3-5 for countable resource information;
- (F) meet citizenship and alienage requirements, per OAC 340:10-15-1;
- (G) provide a Social Security number (SSN) or proof of a pending SSN application for every assistance unit member, per OAC 340:10-12-1;
- (H) have explored and exhausted all other means of outside funding prior to utilizing FVEA;

(I) provide documentation that he or she has or is pursuing a victim protective order against the perpetrator when it is safe to do so. When it is not safe to do so, provide a statement from the domestic violence counselor working with the family about the safety issues; and

(J) agree to attend a required Within My Reach Prevention and Relationship Education Program (PREP) workshop or comparable approved curriculum after approval.

(2) **Family Strengthening Program (FSP).** FSP includes programs that are not means-tested, such as but not limited to:

(A) relationship education;

(B) parenting classes;

(C) financial literacy; and

(D) an intensive service program for child safety, per OAC 340:10-19-9;

(3) **Home-based services.** Home-based services may be provided to families by Oklahoma Human Services (OKDHS) Child Welfare Services or the Office of Juvenile Affairs when immediate action is required to avoid placement of a child in an out-of-home placement or to assist in reuniting a child with his or her family when in an out-of-home placement, per OAC 340:10-19-9.

Families' incomes may not exceed 300 percent of federal poverty guidelines, per OKDHS Appendix C-1, Schedule XVIII.

(4) **Subsidized Employment Program (SEP) for non-TANF participants.** When funding is available, SEP placements may be made available, per OAC 340:10-2-4(c)(1) to non-TANF participants who:

(A) are unemployed;

(B) reside in a county authorized by Adult and Family Services (AFS) TANF Unit staff for expanded SEP eligibility; and

(C) have a biological child receiving TANF, Supplemental Nutrition Assistance Program, Child Care Subsidy, or SoonerCare (Medicaid) benefits.

(5) **National or state emergency.** When a national or state emergency is declared by the President of United States or Governor of the State of Oklahoma that causes a hardship to TANF recipients and non-recipient families, refer to OAC 340:10-23-1 for information regarding NRST benefits and economic impact payments.

SUBCHAPTER 2. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) WORK PROGRAM

340:10-2-1. Work requirements

All parents or needy caretakers who apply for or receive Temporary Assistance for Needy Families (TANF) cash assistance from Oklahoma

are required to be engaged in a work activity. The parent(s) or needy caretaker must participate in work activities for at least the minimum number of hours necessary to move that person into employment and self-sufficiency, per (2) of this Section.

(1) **Work-eligible person.** A work-eligible person is defined as an adult or minor head-of-household included in the TANF assistance unit. Excluded from this definition is a parent providing care for a disabled family member living in the home, who does not attend school on a full-time basis, provided the need for such care is supported by medical documentation.

(2) **Minimum hours of TANF Work activities.**

(A) All parents or needy caretakers who meet the definition of a work-eligible person are required to participate in the minimum hours of work activities.

(i) A work-eligible person must participate in work activities an average of 30 hours per week, unless the person is a single custodial parent with a child under 6 years of age, who must participate in work activities an average of 20 hours per week.

(ii) In a two-parent family, when deprivation is based on incapacity, the non-incapacitated adult must participate in work activities an average of 30 hours per week unless he or she is:

(I) required in the home to provide care for the incapacitated work-eligible parent; or

(II) a custodial parent with a child under 6 years of age. In this instance the non-incapacitated adult must participate in work activities an average of 20 hours per week.

(iii) In a two-parent family, when deprivation is based on unemployment, one adult must participate in work activities an average of 35 hours per week and the other adult must participate an average of 30 hours per week. When one parent is an ineligible alien, the other parent must participate in work activities an average of 35 hours per week. When both parents are ineligible aliens, the family does not qualify as a two-parent family as the work requirement cannot be met.

(iv) To determine the average weekly countable work hours for a work-eligible person who is self-employed, the Adult and Family Services (AFS) worker:

(I) determines the person's monthly countable earned self-employment income per Oklahoma Administrative Code (OAC) 340:10-3-32;

(II) divides the income by the federal minimum wage; and

(III) divides that figure by 4.3 that equals weekly countable work hours.

(B) Hours missed due to holidays and excused absences count as hours of participation for any unpaid scheduled work activity per criteria in (i) through (iii) of this subparagraph.

(i) Federal law establishes public holidays and the Governor orders state holidays. When the facility the participant attends is open on a designated holiday, the day is not considered a holiday for participation purposes.

(ii) Excused absences are reasonable, short-term hours missed from a scheduled work activity. The participant may be granted a maximum of 80 hours of excused absences in any 12-month period with no more than 16 hours of excused absences per month counted as TANF Work participation hours. All excused absences must be approved by the AFS worker. An excused absence is defined as:

(I) unavailability of appropriate child care;

(II) illness or injury of the participant or a family member who lives in the household.

The family member must meet the definition of a relative per OAC 340:10-9-1;

(III) scheduled doctor appointments for the participant or a family member who lives in the household;

(IV) the participant's court-required appearance;

(V) the participant's required attendance at parent and teacher conferences;

(VI) the temporary unavailability of planned transportation when needed or inability to arrange for transportation;

(VII) an inclement weather occurrence that prevented the participant, and other persons similarly situated, from traveling to, or participating in, the prescribed activity;

(VIII) crisis intervention needed due to domestic violence issues;

(IX) a family crisis; or

(X) the participant's required attendance for a specific appointment by another governmental entity.

(iii) To count an excused absence or holiday as participation hours, the participant must have been scheduled to participate in an allowable work activity for the period of the absence. Participation allowances are paid for approved holidays and excused absences for a maximum of 16 hours per

month.

(3) **TANF Work activities.** TANF Work activities are defined as core and non-core and must be scheduled, structured, and supervised. TANF Work participants are placed in core work activities when appropriate.

(A) Core work activities are:

(i) full- or part-time unsubsidized employment in the public or private sector that is not subsidized by TANF or any other public program;

(ii) subsidized private sector employment in the private sector for which the employer receives a subsidy from TANF or other public funds to offset some or all of the wages and costs of employing a recipient;

(iii) subsidized public sector employment for which the employer receives a subsidy from TANF or other public funds to offset some or all of the wages and costs of employing a recipient;

(iv) Work Experience Program (WEP) placement that provides a participant with an opportunity to acquire general skills, training, knowledge, and work habits necessary to obtain employment;

(v) paid on-the-job training in the public or private sector a participant receives while engaged in productive work that provides knowledge and skills essential to the full and adequate performance of the job;

(vi) job search and job readiness activities. Job readiness activities prepare the participant to seek and obtain employment and includes life skills training, substance abuse treatment, mental health treatment, or rehabilitation activities for those who are otherwise employable;

(vii) vocational training, not to exceed 12 months, that is organized educational programs directly related to preparing participants for employment in current or emerging occupations requiring training. Countable vocational training may include up to 12 months toward a two year vocational training certificate, an associate's degree, a bachelor's degree, or an advanced degree program that qualifies a participant to obtain immediate employment in a specific field.

(I) When the institution of higher education has a TANF-funded contract, the participant must attend through the contracted provider.

(II) The participant is required to participate in a TANF Work activity the minimum number of hours per (2) of this Section or as mandated by the TANF-

contracted provider.

(III) The participant must maintain satisfactory academic progress with a minimum grade point average of 2.0 and verify progress at mid-term, when possible, and at the end of the semester. Progress may be verified by a grade report, transcript, or a statement from the contracted provider or other school official.

(IV) When satisfactory progress is not met, the AFS worker submits Form 08TW008E, Higher Education Probationary Approval Request, to AFS TANF program field representative staff to request a probationary approval period. When the probationary approval period is not approved, the participant is placed in another TANF Work activity; and

(viii) Community Partnership (CP) is a structured work activity in which TANF participants perform work for the direct benefit of the community that improves the employability of recipients not otherwise able to obtain employment.

(B) Non-core work activities are:

(i) job skills training directly related to employment that is training or education for job skills required by an employer that provides a participant with the ability to obtain employment or to advance or adapt to the changing demands of the workplace. Time spent in vocational training in excess of 12 months may be counted as job skills training, when the participant also participates in a different approved core activity for a minimum of 20 hours per week;

(ii) education directly related to employment when a participant has not received a high school equivalency, that is related to a specific occupation, job, or job offer; and

(iii) satisfactory school attendance at a secondary school or in a course of study leading to a high school equivalency certificate when a participant has not completed secondary school or received such a certificate.

(4) Limitations and special rules.

(A) A single custodial parent younger than 20 years of age, who has not completed high school is determined to be in a work activity when the participant maintains satisfactory attendance at a secondary school or equivalent during the month.

(B) A single custodial parent or the non-incapacitated adult in a family where deprivation is based on incapacity

who has a child under the age of 4 months is not required to participate in a work activity. The participant may use this rule for a lifetime limit not to exceed 12 months.

340:10-2-2. Sanction process

(a) **Applicability.** The sanction process provides for the determination of good cause and the use of penalties for individuals who refuse or fail to participate in assigned work activities.

(b) **Failure or refusal to participate.** It is the responsibility of the worker to make the determination that an individual has refused or failed to participate without good cause in an assigned work activity.

(1) Refusal to participate occurs when an applicant or recipient states orally or in writing that he or she will not participate or continue to participate in work activities. Refusal also occurs when an individual's action or inaction indicates the individual, without good cause for refusing, will not participate in the program.

(2) Failure to participate in the program includes failure to:

- (A) assist in the assessment and development of employability plans that includes screening for substance abuse and literacy;
- (B) attend orientation, scheduled meetings, or assessments;
- (C) maintain a minimum of required hours in scheduled activities;
- (D) accept or maintain appropriate employment;
- (E) report absences from the work activity to the worker, facility coordinator, or employer;
- (F) comply with a substance abuse treatment plan; or
- (G) follow the rules of the facility or employer.

(c) **Failure to participate without good cause.** The worker must contact the individual to determine good cause. If it is determined at this contact that good cause does exist, the worker assists the individual with either updating the employability plan or helping the individual resume the activity as soon as possible. If it is determined there is not good cause for failure to participate or no contact was completed, the worker closes or denies the cash assistance.

(d) **Determination of good cause.** All good cause situations are temporary in nature. An individual may have good cause for refusing or failing to participate in Temporary Assistance for Needy Families (TANF) Work. The worker determines whether or not good cause exists.

(e) **Procedure following denial of cash assistance.** When an application for cash assistance is denied for failure to participate in the work activity without good cause, a new application must be completed.

(f) Procedures following termination of cash assistance.

(1) When there has been no contact with the individual 30 calendar days after the effective date of closure, the worker makes a home visit to determine the family's circumstances and offers appropriate services, unless the worker's personal safety is in question.

(2) Individuals who agree to participate within 60 calendar days of the date of the benefit termination may have their benefit reopened on reconsideration of the administrative action after the individual participates in an agreed upon appropriate activity for a specified length of time. If an appropriate activity is not available due to the client's previous behavior, the case remains closed. The effective date of the reopen action is dependent upon the successful participation of the individual in an assigned work activity and the circumstances of the case.

(g) TANF hearing. An individual who responds to a written notice of denial or termination of cash assistance as a result of failure or refusal to participate in work activities, and the matter cannot be resolved locally, is assisted in requesting a hearing before a hearing officer in accordance with OAC 340:2-5.

(h) Grievances and appeals by employees of Work Experience Program (WEP), Subsidized Employment Program (SEP), and On-the-Job Training (OJT) facilities. Grievances may be filed by employees of facilities where TANF work participants are assigned to WEP, SEP, or OJT, when they believe they have been harmed by the violation of one of the assurances in paragraph (1) of this subsection.

(1) WEP, SEP, or OJT assignments must not result in the filling of any established vacancy which:

(A) results in the displacement of any currently employed worker or position, including partial displacement, such as a reduction in hours or non-overtime work, wages, or employment benefits;

(B) impairs existing contracts for services;

(C) results in the employment or assignment of a participant, or the filling of a position, when any other person is on lay-off from the same organizational unit, or when an employer has terminated any employee or otherwise reduced its work force with the effect of filling the vacancy created by hiring a participant whose wages are subsidized under this program; or

(D) infringes in any way upon promotional opportunities of any currently employed individual.

(2) If an employee or authorized representative wishes to file a grievance for any of the reasons stated in paragraph (1) of this subsection, the request is submitted in writing to the attention of the county director of the county in which the alleged violation occurred. The request:

(A) contains the date of the request, the date of the alleged violation, and a description of the alleged violation including the effect on the employee;

(B) is signed by the employee or authorized representative; and

(C) includes the mailing address and telephone number of the person signing the request.

(3) The worker contacts the individual making the request within ten calendar days from the date of receipt of the request in the local office, and attempts to resolve the grievance on an informal basis.

(A) When the grievance cannot be resolved on an informal basis within the ten calendar days, the case is referred to the county director for review and assistance in resolving the grievance.

(B) If the grievance is not resolved within ten calendar days from the date of referral to the county director, the worker notifies the employee in writing of the:

(i) point(s) still at issue in the grievance; and

(ii) right to request a fair hearing within 30 calendar days of the date of this decision.

(C) The 20-day period allowed for resolution of the grievance is part of the 90-day period allowed for disposition of the appeal if the employee appeals.

340:10-2-3. Employability planning

(a) **Scope and applicability.** The employability planning process begins at intake and continues as long as there are employment barriers or family circumstances that interfere with the participant obtaining and retaining employment. The worker and the participant initiate Form 08TW002E, TANF Work/Personal Responsibility Agreement. While completing Form 08TW002E, the participant provides information regarding his or her work history, education and training, employment interests, child care plan, and transportation and support services needs to help the worker develop an employability plan that addresses the participant's strengths and employment barriers.

(1) Literacy screening is mandatory and must be included as a required Temporary Assistance for Needy Families (TANF) Work activity for participants who have not obtained a high school diploma or high school equivalency certificate and demonstrate a lack of literacy skills.

(2) Per Section 250.52 of Title 56 of the Oklahoma Statutes (56 O.S. § 250.62) and Oklahoma Administrative Code (OAC) 340:10-4-1, TANF recipients undergo substance abuse screening. When a recipient tests positive for an illegal controlled substance, the employment plan includes substance abuse treatment or mental health counseling. The worker includes treatment or counseling until a substance abuse, mental health, or medical professional indicates these supports are no longer necessary.

(3) The participant's identified employment barriers must be addressed on Form 08TW002E. Barriers may include, but are not limited to:

- (A) English as a second language;
- (B) learning disabilities;
- (C) physical or mental health ;
- (D) domestic violence ;
- (E) lack of transportation;
- (F) literacy; or
- (G) substance abuse.

(b) **Interest and ability assessments.** Assessments determine the participant's skills, abilities, and barriers per Section 261.11 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 261.11). The worker includes completion of required interest and ability assessments as a required work activity on the participant's initial employability plan unless the client has a good cause reason not to participate in TANF Work activities.

(1) The use of assessments provides the worker, participant, assessment specialist, and/or community partners with:

- (A) an indication of learning disabilities and vision problems;
- (B) a measurement of the participant's skills, abilities, interests, and aptitude;
- (C) the participant's current academic achievement level; and
- (D) meaningful information to create a valid employability plan.

(2) Participants referred for testing are informed how test results are used. Test scores are confidential but may be shared with community partners. To refer the participant for testing, the worker completes and sends Form 08TW003E, Interagency Referral and Information, to the community partner. Participants referred for formal assessments are eligible for participant allowances and child care.

(c) **Employability planning.** The worker and the participant use the information from the assessment and other relevant information to develop a plan for securing employment per 45 C.F.R. § 261.12 and 56 O.S. § 230.52.

(1) The employability plan:

- (A) is a part of the social services plan for the entire family and includes establishing short and long term goals, including specific occupational goals, activities, and services necessary to achieve the goals;
- (B) must be realistic and within the participant's ability to achieve;
- (C) may include staffing with other community partners for assignment to specific work activities, collaboration with other agencies for services, such as job placement, training, and education, and the provision of social services;

(D) must identify specific needs and activities required to reach the occupational goal and estimated achievement dates; and

(E) may include more than one activity at a time based on the participant's specific needs and available hours.

(2) The worker informs the participant that the employability plan is updated as necessary to account for situational changes.

(3) The worker reviews the employability plan with the participant:

(A) at least every six months;

(B) as changes are made to the employability plan; and

(C) at the completion of any work activity.

(4) Employment plans for employed participants with income insufficient to close the TANF benefit must have a plan designed to upgrade employment. These plans must not interfere with current employment.

(d) **Work activities.** Participants are assigned to one or more activities and scheduled the required minimum number of hours. The participant signs Form 08TW002E, when a work activity is agreed upon and assigned.

(1) Assignments must be within the scope of the participant's employability plan.

(2) The assignment must be related to the participant's capability to perform the task on a regular basis.

(3) The daily commuting time to and from home to the assigned education, employment, or training site is normally less than two hours. Commuting time does not include the time required to transport a child to and from a child care facility. When longer travel time is normal in the community, the round trip commuting time may not exceed the general community standards.

(4) When the participant needs child care in order to participate in work activities:

(A) the participant chooses the child care provider;

(B) child care must be available during the hours the participant is engaged in any work activity, plus any additional commuting time; and

(C) the participant completes a Child Care Subsidy application and must meet child care eligibility rules per Oklahoma Administrative Code (OAC) 340:40 when subsidized child care is needed.

(5) Assignments that are discriminatory in terms of age, sex, race, color, national origin, disability, and in some cases religion or political beliefs are not permitted.

(6) The assignment site must not be in violation of established and applicable health and safety standards.

(7) The worker does not refer a participant to a work activity unless supportive services necessary for participation are available. The cessation or withdrawal of such services constitutes good cause for refusal to participate.

(8) When the agreed upon employability plan requires hours in excess of the minimum requirement, the participant must

participate the agreed upon number of hours.

340:10-2-4. Employment

(a) **Applicability.** Temporary Assistance for Needy Families (TANF) Work activities are designed to help participants obtain employment to achieve economic self-sufficiency, per Sections 261.2, 261.10, and 261.30 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 261.2, 261.10, and 261.30). Work allows participants to enhance their self-esteem and to become more independent. Every effort is made to assist participants in securing jobs that provide financial security and opportunities for advancement. The appropriate employment criteria for subsidized and unsubsidized employment are included in (1) through (5) of this subsection.

(1) Appropriate employment may be temporary, permanent, full-time, part-time, or seasonal work, as long as the daily and weekly hours of employment do not exceed those customary to the occupation.

(2) The wage must meet or exceed the federal or state minimum wage laws or the prevailing rate for similar employment, whichever is applicable. The state law applies when federal law does not cover the job.

(3) A participant is not required to accept employment when the position offered is vacant due to a strike, lockout, or other bona fide labor dispute.

(4) A participant is not required to work for an employer when it is contrary to the conditions of membership in the union governing that occupation. Employment not governed by the rules of the union to which the participant belongs may be appropriate.

(5) A participant is not required to accept employment that results in the net loss of income.

(b) **Unsubsidized employment.** The State Work Incentive Program and any employment for which the employer does not receive reimbursement for any portion of the wages paid are examples of unsubsidized employment.

(1) **State Work Incentive Program.** The State Work Incentive Program is designed to assist in employing TANF participants into entry level positions in all branches of state government. Oklahoma Human Services (OKDHS), in cooperation with other state agencies and the Office of Management and Enterprise Services Human Capital Management, coordinates job placements for TANF participants referred to the program on Form 08TW023E, State Work Incentive Referral.

(A) Employment of eligible participants may be considered for positions of unclassified status for a two-year period in

a full-time or part-time capacity. These positions are not included within any limitation on full-time equivalent employee positions for any agency.

(B) Participants hired under this program are eligible for leave and other benefits available to other state employees, subject to other eligibility requirements, and may be reassigned or promoted while in the program.

(C) Participants hired are exempt from probationary hiring procedures. They may be considered for conversion to permanent, classified status after two years of continuous program participation.

(D) Requirements for placing employees in permanent status include:

- (i) completing satisfactory performance ratings conducted during employment; and
- (ii) possessing the minimum requirements stated in the job specifications.

(2) **Other unsubsidized employment.** Unsubsidized employment includes any employment in which a participant is hired by a private or public employer and there is no reimbursement of any portion of the wages paid to the recipient.

(c) **Subsidized employment.** The Subsidized Employment Program (SEP) and on-the-job training (OJT) are examples of subsidized employment. The employment criteria in (a) of this Section apply.

(1) **SEP.** SEP is a subsidized employment program through which OKDHS reimburses employers hiring TANF participants and certain non-TANF participants into full-time employment for a portion of their wages for up to four months. Public agencies, nonprofit, private agencies, and private employers are eligible to participate. When a state agency expresses an interest in participating in the program, OKDHS staff informs agency personnel that the subsidized employment reimbursement must not be used by the state agency to claim matching federal funds. When, for any reason in any given month, a SEP participant is paid less than the amount of the cash assistance at the time of entry into the program, the SEP participant receives a supplemental TANF benefit. SEP participants are entitled to all benefits the employer makes available to other employees. Participants are assigned based on their employability plan and the availability of appropriate and willing employers.

(A) **Participant requirements.** TANF participants are:

- (i) included in the cash assistance unit; and
- (ii) available for immediate employment.

(B) **Non-TANF participant requirements.** When funding is available, SEP placements may be made available to non-TANF participants who:

- (i) are unemployed;
- (ii) reside in a county authorized by Adult and Family Services (AFS) TANF Unit staff for expanded SEP eligibility; and

(iii) have a biological child receiving TANF, Supplemental Nutrition Assistance Program (SNAP), Child Care Subsidy, or SoonerCare (Medicaid) benefits.

(C) **Position requirements.** Position requirements must include:

- (i) full-time employment for a minimum of 35 hours per week;
- (ii) the same wages, benefits, and working conditions as provided to other employees performing a substantially equivalent job;
- (iii) an employer agreement to conform to the Equal Employment Opportunity Commission and fair employment practices, such as nondiscrimination regarding age, race, sex, color, national origin, disability, and in some cases religious or political beliefs; and
- (iv) employer assurance the position does not:
 - (I) displace the employer's current employees, including any involved in a strike, lockout, or other labor dispute involving a work stoppage;
 - (II) involve commission sales when at least \$10 per hour is not guaranteed; or
 - (III) is not for casual, intermittent, or seasonal labor.

(D) **Employer recruitment.** Designated field staff or the career development specialist (CDS) recruits employers interested in SEP. The employer is asked to notify designated field staff or the CDS of potential positions with job specifications and qualifications to match the employer with an appropriate TANF participant referral. Designated field staff or the CDS give Form 08TW011E, Subsidized Employment Program (SEP) Referral, to the TANF participant to take to the employer specified on the form.

- (i) When explaining SEP to employers, designated field staff or the CDS emphasizes that employers are expected to retain the SEP participant in full-time employment unless there is good cause for the dismissal. Employers who fail to continue the successful SEP participant's employment without good cause are not granted subsequent contracts. Good cause reasons for dismissal occur, when:
 - (I) there is a lay-off due to economic reasons that results in a reduction-in-force;
 - (II) the employee is frequently absent from work or engages in disruptive or inappropriate behavior; or
 - (III) the employee is unable to perform at an acceptable skill level.

(ii) Before designated field staff or the CDS writes new or additional contracts with an employer, SEP employees or other employees in lay-off status must be recalled.

(iii) Designated field staff or the CDS has the responsibility for ensuring the employer is complying with the contract.

(E) **SEP placements.** Designated field staff or the CDS arranges interviews between participants and potential employers. SEP participants may begin employment any time during the month. The employer is informed that reimbursement begins after the participant completes the first 30-calendar days of employment.

(i) Following the employer's agreement to participate and selection of a TANF participant, designated field staff or the CDS negotiates the contract, Form 08TW017E, Subsidized Employment Program (SEP) Contract, with the employer. Negotiation includes the employee's beginning employment date, salary, and the planned number of employment hours per week.

(ii) Upon receipt of the contract, designated field staff or the CDS reviews it for completeness and, when approved, signs and dates the contract. Designated field staff or the CDS delivers the employer's copy of the contract and Form 08TW018E, Subsidized Employment Program (SEP) Invoice, to the employer. The employer uses Form 08TW018E to request reimbursement from OKDHS.

(iii) Designated field staff or the CDS contacts the participant to complete and sign Form 08TW006E, Subsidized Employment Program (SEP) Temporary Assistance for Needy Families (TANF) Participant Agreement.

(iv) When a contract is not approved, designated field staff or the CDS mails a letter to the employer explaining the disapproval reason. Designated field staff or the CDS notifies the participant by phone, email, or letter that the contract was not approved.

(F) **Program procedures.** The procedures for programs listed in (i) through (iv) of this subparagraph are used for TANF participants.

(i) **TANF cash assistance.** Under SEP, eligibility for TANF cash assistance is frozen and is not changed or determined ineligible during the participation period. The earned income disregard period runs concurrently with SEP, per Oklahoma Administrative Code (OAC) 340:10-3-31.1.

(ii) **Medical benefits.** SEP participants whose TANF cash assistance is frozen, continue to be

eligible for SoonerCare (Medicaid) benefits unless found ineligible for a reason other than earned income.

(iii) **Food benefits.** SEP participants whose TANF cash assistance is frozen and who are receiving Simplified Supplemental Nutrition Assistance Program (SSNAP) benefits, per OAC 340:50-11-20 continue to receive SSNAP benefits without consideration of the SEP income during the participation period as long as the household composition remains the same. When the SEP participation period ends and the TANF benefit closes, the household may be eligible for transitional food benefits, per OAC 340:50-11-27.

(iv) **Child care.** During the SEP participation period while the TANF cash assistance is frozen, the child remains predetermined eligible for child care subsidy benefits with a zero family share copayment, per OAC 340:40-7-1. When the SEP participation period ends and the TANF benefit closes, the worker determines if the participant's child care renewal is due, per OAC 340:40-9-1. When the child care renewal is due, the worker considers the participant's earnings and computes the family share copayment, per OKDHS Appendix C-4, Child Care Eligibility/Copayment Chart. When the child care renewal is not due, the participant's family share copayment does not increase until the renewal is due, per OAC 340:40-5-1(9).

(G) **Employer payment.** Employers are eligible for:

(i) 100 percent reimbursement of the employee's gross wages, capped at a maximum of 40 hours per week, at \$12 per hour, for the first 30-calendar days of employment:

(I) employers are eligible to apply for reimbursement 30-calendar days following the date of hire;

(II) employers file for reimbursement by submitting Form 08TW018E, with proof of the participant's earnings for the last six months attached, directly to AFS TANF Unit staff;

(III) when a business changes ownership, the SEP contract transfers with the business. When change of ownership occurs mid-month, the original owner maintains the right to file a claim for reimbursement for the transfer month. The new owner may claim for subsidized wages for the remaining months of the original SEP agreement; and

(ii) 50 percent reimbursement of the employee's gross wages, for the following three months, provided the employee remains employed a minimum of 35 hours per week and earning at least \$10 per hour. The reimbursement is capped at a maximum of 40 hours per week, at \$12 per hour; and
(iii) a bonus equal to 100 percent of the unsubsidized portion of wages up to 40 hours per week for the four month subsidized period, provided the SEP employee:

(I) remains employed a minimum of 35 hours per week;

(II) earns a minimum of \$10 per hour; and

(III) is retained for a minimum period of six months after the subsidized agreement ends.

(H) Supplemental payments to SEP participants. For TANF participants, AFS automatically issues supplemental payments for months in which income shown on Form 08TW018E is less than the amount of the SEP participant's cash assistance prior to entering the program.

(I) SEP contract period completions. At the end of the fourth month of subsidized employment, the worker reviews the participant's continued TANF eligibility.

(J) SEP contract terminations. If the SEP placement ends during the four months of subsidized employment, the worker reviews the participant's continued TANF eligibility.

(2) OJT. OJT is subsidized employment in which a private or public employer hires the participant and the participant, while engaged in productive work, receives training that provides knowledge or skills essential to the full performance of the job. During the OJT period, the employer receives reimbursement for a portion of the wages paid to the participating employee.

(A) Participants who successfully complete the Work Experience Program (WEP), have a recent history of employment, or complete a job readiness activity are the primary candidates for OJT referral.

(B) Income from OJT is considered as any other earned income.

(C) At the time of OJT entry, the worker explains to the participant the availability of transitional child care, per OAC 340:40-7-1, and continued medical benefits, per OAC 340:10-3-75.

(d) Work Opportunity Tax Credit (WOTC). The WOTC law permits for-profit employers to take a federal income tax credit when workers from certain target groups are hired. Workers in these target groups have faced significant barriers to employment. The WOTC is equal to between 25 percent and 40 percent of the first year wages, up to \$9,600, depending on the number of hours the employee works, and the

applicable target group for the person. The main objective of this program is to enable targeted employees to gradually move from economic dependency into self-sufficiency while earning a steady income and becoming contributing taxpayers, while the participating employers are compensated by reducing their federal income tax liability.

(1) WOTC is available to employers for workers hired from targeted groups. The targeted groups are:

(A) TANF recipients who received assistance for at least nine of the 18 months prior to the hiring date;

(B) qualified veterans. Qualified veterans are veterans who:

(i) received food benefits for at least three months during the first year of employment;

(ii) are unemployed for a period totaling at least four weeks but less than six months in the one-year period ending on the veteran's hiring date. The weeks unemployed do not have to be consecutive;

(iii) are unemployed for a period totaling at least six months in the one-year period ending on the veteran's hiring date. The months unemployed do not have to be consecutive;

(iv) are entitled to compensation for a service-connected disability and are unemployed for a period totaling at least six months in the one-year period ending on the hiring date. The months unemployed do not have to be consecutive; or

(v) are disabled veterans entitled to compensation for a service-connected disability hired not more than one year after being discharged or released from active duty in the United States (U.S.) Armed Forces;

(C) qualified ex-felons. Qualified ex-felons are persons hired within one year of being convicted of a felony or being released from prison for a felony;

(D) designated community residents. Designated community residents are persons who are at least 18 years of age, but not 40 years of age, on the hiring date, reside in a federally designated Empowerment Zone, Enterprise Community, or a Renewal Community, and continue to reside at the location after employment;

(E) vocational rehabilitation referral recipients. Vocational rehabilitation referral recipients are persons who have a physical or mental disability and were referred to the employer while receiving or upon completion of vocational rehabilitation from:

(i) a state plan approved under the Rehabilitation Act of 1973;

(ii) an Employment Network Plan under the Ticket to Work Program; or

(iii) a program carried out under the U.S. Department of Veteran Affairs;

(F) qualified summer youth employees. Qualified summer youth employees are persons who:

- (i) are at least 16 years of age, but not 18 years of age, on the hiring date or on May 1st, whichever is later;
- (ii) reside in an Empowerment Zone, Enterprise Community, or Renewal Community; and
- (iii) are only employed between May 1 and September 15;

(G) qualified food benefit recipients. Qualified food benefit recipients are persons, who, prior to their hiring date, are:

- (i) at least 18 years of age and under 40 years of age; and
- (ii) members of a household that received food benefits for:

- (I) the last six-consecutive months; or
- (II) at least three of the last five months;

(H) qualified recipients of Supplemental Security Income (SSI). Qualified recipients of SSI are persons who received SSI within 60-calendar days of their hire date;

(I) long-term TANF recipients. Long-term TANF recipients are members of families who:

- (i) received TANF assistance for at least the previous 18-consecutive months ending on the hiring date;
- (ii) received TANF assistance for any 18 months, whether consecutive or not, beginning after August 5, 1997, when hired within two years after the date the 18-month total is reached; or
- (iii) stopped being eligible for TANF assistance during the past two years because federal or state law limited the maximum time they could receive assistance; and

(J) qualified long-term unemployment recipients. Qualified long-term unemployment recipients are persons who have been unemployed for not less than 27-consecutive weeks at the hiring time and received unemployment compensation during some or all of the unemployment period.

(2) Through an agreement with the Oklahoma Employment Security Commission, OKDHS issues U.S. Department of Labor Form ETA-9062, Conditional Certification Work Opportunity Tax Credit, to TANF and food benefit recipients.

(3) The worker gives the participant Form ETA-9062 and a letter from the worker stating the number of months the participant received TANF, food benefits, or both to present to the employer, on or before, the first day of employment. The worker informs the participant about the purpose of the form and how the tax credit may help the participant get a job.

(e) **WEP.** The purpose of WEP is to provide job skills and work enhancement to TANF participants enabling them to move toward self-

sufficiency and obtain unsubsidized employment following completion of the placement.

(1) **Benefits.** Program benefits for participants include an opportunity to establish a work history and earn a recommendation from an employer. Participants also learn to balance the demands of home and work, gain confidence by performing in a job setting, enhance current job skills, learn marketable skills on-the-job, and determine interest and aptitude for a particular type of work by doing the job.

(2) **WEP assignments.** WEP assignments are approved for an initial period of 90- calendar days.

(A) No salary is paid.

(B) With respect to injuries incurred during WEP working hours, federal law requires medical coverage be offered under state workers' compensation law or by OKDHS.

Oklahoma workers' compensation law does not cover WEP participants. Medical coverage is provided by the SoonerCare (Medicaid) Program.

(3) **WEP referrals.** Participants are referred to WEP slots based on the employability plan. The worker coordinates assignment to a WEP position with the participant. Based on the employability plan, the worker:

(A) determines which facility best meets the participant's needs;

(B) arranges an interview between the facility and the participant; and

(C) notifies the participant of the place, time, and interviewer's name.

(4) **WEP facilities.** Facilities selected for WEP placements must be capable of providing employment and have an apparent intent to hire, or be able to provide quality job skills enhancement. WEP facilities are solicited by designated field staff, the CDS, or a contracted entity who agreed to assist with job development and placement, including WEP. Local job market conditions, opportunities for employment following completion of WEP participation, and the facility's ability to provide the necessary supervision and skills enhancement are criteria used when soliciting a facility.

(A) WEP slots are developed to meet participant employment needs as determined by the employability plan. When a facility agrees to participate in WEP, the facility representative is requested to provide:

(i) a written description of the type of activities in which the participant will be involved;

(ii) the number of participants the facility can accept;

(iii) the hours of participation; and

(iv) any special requirements, such as uniforms or special equipment.

(B) There are two types of WEP facilities, WEP Non-profit (WEP-NP) and WEP-For-Profit (WEP-FP).

(i) WEP-NP placement is approved for public and private non-profit organizations or businesses. When a participant requires additional skills enhancement, the worker may approve a 60-calendar day extension. Extensions are not granted when the primary purpose is to provide additional help to the facility. The criteria listed in (I) through (VII) of this unit are used as a guide in determining the appropriateness of requesting an extension beyond the initial three-month period.

(I) The participant needs additional time to acquire skills to meet minimum hiring requirements.

(II) The participant demonstrates a willingness to learn, but needs additional time to develop new skills, to compete in the labor market.

(III) The facility agrees to hire the participant, but does not have funds available or a job opening until a specific date.

(IV) The facility has an opening in a different area from where the participant was working and agrees to hire the participant when additional time is granted for additional development of job skills.

(V) The participant showed improvement in all areas, but needs additional socialization skills and improved behavior patterns in a work setting.

(VI) The participant missed more than two weeks due to illness or the illness of a household member.

(VII) There are extenuating circumstances that prevented the participant from receiving full benefit of the job skills enhancement.

(ii) WEP-FP is approved for businesses or entities that operate for profit. Only one WEP-FP placement is allowed per 25 full-time employees in a for-profit business or entity. The criteria in (I) through (II) of this unit must be in effect prior to a WEP-FP placement.

(I) The placement matches the participant's employability plan and the participant's chosen career path.

(II) The employer committed to hire the participant, on or before, the completion of the three-month placement.

(5) **WEP procedures.** Upon approval by the field manager, designated field staff, or the CDS, the worker contacts the WEP

facility to complete Form 08TW015E, Work Experience Program - Non-profit Training Agreement, or Form 08TW115E, Work Experience Program - For-Profit Training Agreement.

(A) The worker instructs the facility representative or supervisor on the purpose and use of Form 08TW013E, Time and Progress Report.

(B) It is the participant's responsibility to complete Form 08TW013E and submit it to the worker by the day of the month shown on the form.

(C) Approved WEP slots not used within a six-month period are reviewed for appropriateness. When the position is no longer feasible, designated field staff or the CDS sends a letter to the facility stating the WEP slot is no longer active and may be re-evaluated at the facility's request.

(6) **Non-cooperation by WEP facility.** When the worker obtains information the facility is violating the terms and conditions of Forms 08TW015E or 08TW115E, or participants are treated unfairly, the field manager is informed immediately. The nature of the allegations guides the necessary action that may include:

(A) suspension of subsequent assignments at the facility;

(B) immediate removal of current participants; or

(C) termination of the agreement.

(7) **Notification to participant and facility.** 10-calendar days prior to the anticipated WEP completion date, or at any time the participant becomes ineligible for WEP, the worker notifies the participant by letter, email, or phone call. The worker notifies the facility by letter or phone call five-calendar days prior to the termination.

(8) **Changes in placements and subsequent placements.**

When the facility, worker, and participant determine placement in a different facility is more beneficial, the worker locates a new facility and arranges an interview for the participant. When the participant fails to secure employment following successful completion of WEP, a conference is held with the participant, worker, and supervisor to determine if a second WEP placement might be beneficial. The worker reviews the employability plan prior to allowing a participant to re-enter WEP. Consideration is given to reassignment to job search or another appropriate work activity. In making this decision, consideration must be given to the:

(A) participant's ability to secure and maintain full-time employment;

(B) opportunities for employment in the new field and in the area in which the participant received job skills enhancement;

(C) participant's efforts to secure employment; and

(D) length of time between assignments.

(f) **Community Partnership (CP).** CP is unpaid employment in which TANF recipients perform work for the direct benefit of the community. A CP may be approved for both public and non-profit agencies and

organizations. A CP assignment is limited to projects that serve a useful community purpose and are designed to improve the employability of recipients not otherwise able to obtain employment. All CPs must be approved by AFS TANF Unit staff. Placements in CP require daily supervision. A recipient's training, experience, and skills are considered in making an appropriate CP assignment.

(1) **Benefits.** Participant program benefits include an opportunity to establish the basic skills necessary to obtain employment, such as daily attendance, appropriate attire, and proper behavior in a work environment. Participants also learn to balance the demands of home and work and gain confidence by performing in a job setting.

(2) **CP facilities.** CP facilities are solicited by designated field staff or the CDS. The ability of the CP to provide the necessary supervision and basic skills training are criteria used when soliciting a partnership.

(A) Training slots are developed to meet the participant's employment needs as determined by the employability plan.

(B) The worker emails the completed Form 08TW019E, Community Partnership (CP) Approval Request, to the worker's supervisor, and the supervisor emails AFS TANF Unit staff for training facility approval.

(C) When a CP agrees to participate, the facility representative is requested to provide:

- (i) a written description of the type of activities in which the participants will be involved;
- (ii) the number of participants the CP can accept;
- (iii) the hours of participation; and
- (iv) any special requirements, such as uniforms or special equipment.

(D) No salary is paid.

(E) When injuries occur during working hours in CP, federal law requires medical coverage be offered under either state workers' compensation law or by OKDHS. Oklahoma workers' compensation law does not cover CP participants. Medical coverage is provided by the SoonerCare (Medicaid) Program.

(3) **CP assignments.** CP assignments are approved for an initial period of no more than 60-calendar days. When a participant requires additional training, the worker may approve a 30-calendar day extension. Approval of extension requests made beyond the initial 60-calendar day period is determined by criteria listed in (A) through (F) of this paragraph. Criteria includes, but is not limited to whether the:

(A) participant needs additional time to acquire skills to meet minimum hiring requirements;

(B) participant demonstrates a willingness to learn, but needs additional time to develop basic job skills necessary to compete in the labor market;

- (C) CP has an opening in a different area from the one in which the participant was trained;
- (D) participant shows improvement in all areas, but needs additional socialization skills and improved behavior patterns in a work setting;
- (E) participant missed more than two weeks of training due to illness or the illness of a household member; or
- (F) extenuating circumstances prevented the participant from receiving the full benefit of the training.

(4) **CP referrals.** Participants are referred to CP slots based on their employability plan and the availability of CP positions. Assignment to a CP position is coordinated between the participant, worker, and the CP. Based on the employability plan, the participant and worker determine:

- (A) which CP best meets the participant's needs; and
- (B) the location, date, and time to report to the CP.

(5) **Procedures.** When AFS TANF Unit staff approves CP, the worker contacts the CP facility to complete Form 08TW020E, Community Partnership (CP) Agreement.

- (A) The worker instructs the facility representative or the training supervisor regarding the purpose and use of Form 08TW013E.
- (B) It is the participant's responsibility to complete Form 08TW013E and submit it to the worker by the day of the month shown on the form.

(6) **Non-cooperation by CP.** When the worker obtains information that the CP is violating the terms and conditions of Form 08TW020E or participants are treated unfairly, the worker informs the field manager, designated field staff, or the CDS immediately. The nature of the allegations guides the necessary action that may include:

- (A) suspension of subsequent CP assignments;
- (B) immediate removal of the current participants; or
- (C) termination of the agreement.

(7) **Changes in placements and subsequent placements.** Following successful completion of CP training, the worker and participant meet to determine if a second CP placement or other work activity might be beneficial. The worker reviews the employability plan prior to allowing a participant to enter the next work activity. When making this decision, consideration is given to:

- (A) the participant's ability to secure and maintain employment;
- (B) whether the participant needs additional training or placement opportunities to enhance employment skills; or
- (C) whether the participant needs any educational opportunities to enhance employment skills.

340:10-2-5. Job search activities

The primary objective of all job search activities is for applicants and recipients of Temporary Assistance for Needy Families (TANF) to obtain employment through personal contacts with employers. The worker and the participant jointly determine the number of employer contacts based on availability of child care, financial resources, jobs in the community, skills and abilities, and any other factors which affect or influence the participant's ability to obtain employment.

(1) An employer contact is defined as a face-to-face interview with an employer, the completion and return of any application to an employer, including an on-line application, or the completion of tests required for employment with the state, local, or federal government. The participant records employer contacts on Form 08TW010E, Employer Contact List.

(2) Job search is defined as the participant's job seeking efforts. Persons in job search activities are eligible for participant allowances and may be eligible for child care for the time they are actively looking for a job or in a group activity.

(A) The participant is given Form 08TW013E, TANF Time and Progress Report, to complete and return to the worker by the time frame shown on the form.

(i) Additional job search may be required as a part of another work activity when it would improve the participant's employment prospects.

(ii) The number of employer contacts to be made each week is included in the employability plan.

(B) When the participant has not obtained a job after a reasonable amount of time, the worker and the participant review the employability plan to determine if another activity is more appropriate.

(C) The maximum amount of time spent in job search activities cannot exceed 240 hours at 20 hours per week or 360 hours at 30 hours per week for the preceding 12-month period for any person.

340:10-2-6. Job readiness

Job readiness activities help prepare participants for work by ensuring that participants are familiar with general workplace expectations and exhibit work behavior and attitudes necessary to compete successfully in the labor market. The maximum amount of time spent in job readiness activities cannot exceed 240 hours at 20 hours per

week or 360 hours at 30 hours per week for the preceding 12-month period for any person.

(1) **Orientation.** Participants are referred to orientation as the need is identified on Form 08TW002E, TANF Work/Personal Responsibility Agreement. Orientation consists of individual or group meetings designed to present information about:

- (A) building self-esteem;
- (B) activities and services available through the Temporary Assistance for Needy Families (TANF) Program;
- (C) Oklahoma Human Service (OKDHS) policies; and
- (D) the employment process, including job applications, interviewing, goal-setting, and managing home and work.

(2) **Counseling or Substance abuse or mental health treatment.** The worker assists TANF applicants and participants by referring them for mental health or substance abuse treatment for alcohol or prescription drug abuse when these issues prevent them from obtaining or retaining a job. The worker meets with the participant and appropriate local partners to determine available resources to overcome those barriers. Treatment is a mandatory part of the participant's TANF Work plan when a provider recommends treatment and screening and assessment indicate a positive test for an illegal controlled substance, per Oklahoma Administrative Code 340:10-4-1.

340:10-2-6.1. Educational services

Educational services are made available to enhance the participant's potential for employment. Assignment is based on the criteria listed in (1) through (6) of this Section.

(1) Custodial parent participants under 20 years of age without a high school diploma are required to participate in educational activities directed toward the attainment of a high school diploma or its equivalent. Participants may be excused from high school attendance or courses designed to lead to a high school equivalency certificate when the employability plan includes an alternative, such as basic education or English as a second language (ESL).

(2) Participants 20 years of age and older that have not completed high school may participate in a basic or remedial education program.

(3) Assignment to remedial education services is appropriate for participants who read and write below high school level, even when they have a high school diploma or high school equivalency certificate. Basic and remedial education includes:

- (A) Adult Basic Education (ABE) classes;

- (B) high school equivalency classes;
 - (C) literacy classes;
 - (D) tutoring; or
 - (E) remedial reading classes.
- (4) Participants lacking proficiency in understanding, speaking, reading, or writing the English language are assigned to ESL classes.
- (5) Participants already in attendance at an institution of higher education are considered appropriately assigned when the participant cooperates in the assessment process and development of an appropriate employability plan.
- (A) When the institution of higher education has a Temporary Assistance for Needy Families (TANF)-funded contract, the participant must attend through the contracted provider.
 - (B) The participant is required to participate the minimum number of hours in an activity per Oklahoma Administrative Code (OAC) 340:10-2-1(2) or as mandated by the TANF-contracted provider.
 - (C) The participant must maintain satisfactory academic progress with a minimum grade point average of 2.0 and verify progress at mid-term, when possible, and at the end of the semester. Progress may be verified by a grade report, transcript, or a statement from the contracted provider or other school official.
 - (D) When satisfactory progress is not met, the worker submits Form 08TW008E, Higher Education Probationary Approval Request, to Adult and Family Services TANF program field representative staff to request a probationary approval period. When the probationary approval period is not approved, the participant is placed in another TANF Work activity.

340:10-2-7. Training

(a) **Scope.** Job skills training activities include vocational training and hands-on work experience to develop technical skills, knowledge, and abilities in specific occupational areas. All training programs must include qualitative measures, such as competency gains or proficiency levels, to evaluate a participant's progress and reasonable time limits for completion. Referrals are made to appropriate training facilities on Form 08TW003E, Interagency Referral and Information.

(b) **Assignments.** Any training to which the participant is assigned must meet the criteria in (1) through (4) of this subsection.

(1) The hours of any training activity are governed by the training facility but must not exceed 40 hours per week.

(2) The training is preparation for a job that meets the criteria for appropriate employment.

(3) The quality and type of training must meet local employers' requirements so participants are in a competitive position with the local labor market.

(4) Training is related to in-demand occupations that are likely to become available in Oklahoma, such as health care, geriatric care, and other career paths found at <https://oklahomaworks.gov/>.

(c) Job Corps non-resident training program (Job Corps II).

Oklahoma's four Job Corps centers provide a nonresident Job Corps program to Temporary Assistance for Needy Families (TANF) participants who can commute to their sites. Participants referred must be between 16 and 24 years of age. The Adult and Family Services (AFS) worker completes Form 08MP013E, Referral for Services to refer the TANF participant to Job Corp. It is the AFS worker's responsibility to coordinate with the Job Corps center to arrange for child care.

(1) By special agreement with the Job Corps centers, Job Corps II students are provided Job Corps participant training allowances designed to meet training costs not covered by the TANF cash assistance. These allowances are not considered as income.

(2) The worker coordinates with the centers and other designated agencies, such as the Oklahoma Employment Security Commission (OESC) and Workforce Innovation and Opportunity Act (WIOA) partners, to ensure Job Corps II students leaving the center are placed in an appropriate work activity. When a Job Corps II student leaves the center, the worker meets with the Job Corps II student to make immediate plans for further implementation of the employability plan.

(d) Vocational training. Up to 12 months of participation in a vocational certificate, associate's degree, bachelor's degree, or advanced degree program may count as vocational training when it qualifies a participant to obtain immediate employment in a specific field.

(1) When the institution of higher education has a TANF-funded contract, the participant must attend through the contracted provider.

(2) The participant is required to participate the minimum number of hours in a TANF activity, per Oklahoma Administrative Code 340:10-2-1(2) or as mandated by the TANF-contracted provider.

(3) The participant must maintain satisfactory academic progress with a minimum grade point average of 2.0 and verify progress at mid-term, when possible, and at the end of the semester. Progress may be verified by a grade report, transcript, or a statement from the contracted provider or other school official.

(4) When satisfactory progress is not met, the AFS worker submits Form 08TW008E, Higher Education Probationary Approval Request, to AFS TANF staff to request a probationary approval period. When the probationary approval period is not approved, the participant is placed in another TANF Work activity.

(5) Participants participating in a vocational certificate, associate's degree, bachelor's degree, or advanced degree program as part of the employability plan may count homework or study time up to one hour for each class hour, when the

participant provides, at the beginning of each new class or semester; a class syllabus or a statement from the instructor, professor, or advisor that states the additional time is:

- (A) a class requirement;
- (B) above and beyond work normally completed during class hours; and
- (C) not used to make up missed class hours.

(e) **Special programs and demonstration efforts with other agencies.** The Oklahoma Department of Human Services (DHS) may enter into special education, training, or employment efforts with federal, state, and local governments and with private for-profit and private not-for-profit organizations and agencies. When this occurs, involved county office staff is expected to comply with the terms of those agreements.

(f) **Job skills training.** Training directly related to job skills required by an employer or that provides a participant with the ability to obtain employment or to advance or adapt to the changing demands of the workplace.

(1) Time spent in vocational training in excess of 12 months that is an approved part of the participant's employability plan may be counted toward the required work activity hours, when the participant also participates in a different approved core activity for a minimum of 20 hours per week.

(2) Homework or study time may count up to one hour for each class hour, when the participant provides, at the beginning of each new class or semester; a class syllabus or a statement from the instructor, professor, or advisor that states the additional time is:

- (A) a class requirement;
- (B) above and beyond the work normally completed during class hours; and
- (C) not used to make up missed class hours

340:10-2-8. Temporary Assistance for Needy Families (TANF) Work support services

(a) **Scope.** The worker provides or arranges payments and services for the participant to ensure successful completion of the participant's employability plan to become self-supporting.

(1) Payments are authorized for items or services directly related to employment as an outcome.

(2) When support services are available and part of the employability plan, the participant's failure to cooperate in obtaining the support services constitutes a failure to participate in the TANF Work program.

(3) Items and services covered by the participant's medical card are not paid for by the support service fund.

(4) The only support services available to an applicant are the participant allowance and work activity payment.

(5) Payments are not authorized for reimbursement of expenses already paid by client or others.

(b) **Flexible funds.** The intent of flexible funds is to provide a participant with the necessary support services needed to accomplish his or her employment goals. Refer to Oklahoma Human Services (OKDHS) Appendix H-4, Flexible Accounts, for the list of flexible fund services.

(1) Flexible funds are not available to the applicant.

(2) To be eligible for flexible funds, the participant must:

(A) otherwise be ready to participate in a required work activity for the minimum number of hours;

(B) have a guaranteed offer of employment; or

(C) be employed.

(3) Payments for the services through flexible funds are not an automatic entitlement to the participant.

(4) Flexible funds are not used for fines, including traffic fines or any cost related to a criminal offense, such as legal fees or court costs.

(5) Designated county staff or the career development specialist has final authority to determine authorizations.

(6) One-time payments of specific services are not approved for reimbursement of expenses already paid by the participant or others.

(7) Ongoing maintenance payments are not allowed.

(8) The client's relatives are not eligible for payment. Refer to Oklahoma Administrative Code (OAC) 340:10-9-1 for degree of relationship.

(c) **Other support services.**

(1) **Work activity payments.** Work activity payments are issued to purchase specific items, such as a tank of gas, clothing, or personal items, when needed to participate in assigned work activities. Refer to OKDHS Appendix H-4-C, Support Service Payments, for the maximum amount that may be approved.

(2) **Participant allowances.** Daily cash allowances are made to participants in assigned scheduled, structured, and supervised work activities based on the number of activity hours. Refer to OKDHS Appendix H-4-C for the maximum payment amounts.

(A) Lunch hours and travel time are not included as actual attendance hours.

(B) For persons in Job Search, travel time between job interviews and job applications is included as actual attendance hours.

(C) The participant makes appropriate daily entries on Form 08TW013E, Time and Progress Report, to document actual attendance hours and submits it to the worker by the time frame shown on the form.

(D) TANF Work participant allowances are not paid for part-time or full-time employment or on-the-job training.

(3) Oklahoma State Bureau of Investigations (OSBI)

background checks. OSBI background checks may be requested for a participant who is placed in job skills training that requires an OSBI background check as a prerequisite for employment. The job skills training may include vocational training, hands-on work experience, or public or private sector work experience.

(4) Child care. Child care arrangements are made for each child in the home younger than 13 years of age or younger than 19 years of age when the child is mentally or physically incapable of self-care or under court supervision, per Oklahoma Administrative Code (OAC) 340:40-7-3. The worker includes the child care plan on Form 08TW002E, TANF Work/Personal Responsibility Agreement. When the person begins active participation in TANF Work activities, the worker and client complete a child care application based on the TANF Work plan, per OAC 340:40-3-1 and 340:40-7-8.

(5) Transportation contracts. Transportation contracts are initiated to provide transportation for TANF recipients who have no means of transportation to access required TANF Work training activities. To initiate a transportation contract, designated county office staff contact Adult and Family Services (AFS) TANF Unit staff.

(6) Disability Advocacy Program (DAP). DAP is available to assist a TANF Work participant or a child(ren) receiving a TANF benefit, who has an application for disability pending with the Social Security Administration (SSA) or who OKDHS determines has a potentially meritorious claim for such benefits.

(A) The worker makes a referral to the OKDHS-contracted law firm to assist the recipient(s) with the:

- (i) application;
- (ii) reconsideration;
- (iii) Administrative Law Judge hearing; and
- (iv) review by the SSA Appeals Council.

(B) The evaluation of merit determines if the appropriate SSA test for disability would be met if evidence was available to prove all conditions claimed by the TANF recipient. When the evaluation of merit determines there is:

(i) sufficient evidence, the law firm represents the TANF recipient.

(I) Statewide representation consists of assisting the recipient with the application through an unfavorable SSA Appeals Council decision.

(II) In counties in which representation by a lawyer or experienced non-lawyer advocate is not available without advance payment, the contracted law firm assists with the pending application for disability through an unfavorable decision by the SSA Appeals Council; or

(ii) insufficient evidence to prove conditions claimed by the TANF recipient, no further services are provided by DAP. Representation by the law firm ceases at any time the law firm determines there is insufficient evidence to support the TANF recipient's claim for disability benefits.

(7) **Achievement bonuses.** TANF recipients participating in TANF Work are eligible for bonuses related to achievement of certain goals when funding is available. TANF recipients may receive one bonus payment per achievement.

(A) Achievements are completion of a:

(i) high school diploma; or

(ii) high school equivalency certificate.

(B) Refer to OKDHS Appendix H-4-C for bonus payment amounts.

SUBCHAPTER 3. CONDITIONS OF ELIGIBILITY - NEED

PART 1. RESOURCES

340:10-3-1. Resources defined [REVOKED]

[Source: Amended at 10 Ok Reg 527, eff 12-8-92 (emergency); Amended at 10 Ok Reg 2813, eff 6-25-93 ; Amended at 17 Ok Reg 2271, eff 5-1-00 ; Amended at 37 Ok Reg 1776, eff 9-15-20 ; Revoked at 39 Ok Reg 1688, eff 9-15-22]

340:10-3-2. Resource general provisions

(a) **Resources defined.** For the purposes of the Temporary Assistance for Needy Families Program (TANF), resources means any form of real and personal property that has an available monetary value. All available resources, except those required to be disregarded by federal law or rules, per Oklahoma Administrative Code (OAC) 340:10-3-2 through 340:10-3-9 are considered.

(b) **Resource evaluation.** The worker evaluates and verifies the value of the assistance unit's countable available resources at application and

renewal.

(1) In determining eligibility based on resources, only resources available for current use or resources that the client or another assistance unit member owns, wholly or in part, are considered.

(2) A resource is considered unavailable when there is a legal impediment to overcome. When there is a legal impediment, the client must agree to pursue all reasonable steps to overcome the impediment and initiate legal action within 30-calendar days. While the legal action is in process, the resource is considered unavailable. When the cost of making a resource available exceeds the gain, the client is not required to pursue action to make it available.

(3) The assistance unit may change the form of resources as long as the resources do not exceed the maximum resource standard.

(4) When an adult or child receives Supplemental Security Income (SSI), his or her resources are not considered in determining TANF eligibility.

(5) When both parents are in the home and one parent receives SSI and a State Supplemental Payment (SSP) benefit and the other parent is included in the TANF benefit with the children, both parents' resources are not considered for TANF as they are considered in determining SSI eligibility.

(6) When a natural or adoptive parent or dependent child is not included in the assistance unit because of alien status, the worker considers his or her resources in determining resource eligibility for the TANF cash assistance members.

(c) **Maximum resource standard.** Refer to Oklahoma Human Services (OKDHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX.C for the maximum resources the assistance unit may hold in one or more countable resources and still be considered eligible for TANF based on need. The assistance unit is ineligible for TANF for any month its resources exceed the maximum resource standard. When the assistance unit's resources exceed the resource standard, the worker closes the TANF cash assistance for the next advance notice effective date, per OKDHS Appendix B-2, Deadlines for Case Actions.

(d) **Relative-payee resources.** A relative-payee may only be included in the TANF cash assistance benefit when the natural or adoptive parent is not in the home, the relative-payee meets the definition of a needy caretaker, per OAC 340:10-3-30, and inclusion of his or her resources does not exceed the maximum resource standard. A stepparent may be included in the cash assistance benefit when the natural or adoptive parent is incapacitated or not in the home.

(1) When a relative-payee is not eligible to be included in the TANF assistance unit, or is eligible but does not want to be included, the worker does not consider the relative-payee or his or her spouse's resources in determining a child's eligibility.

(2) Only one needy caretaker may be included in the TANF assistance unit when the child's parent(s) is not in the home. When the needy caretaker has a spouse who is not an SSI recipient, one-half of their combined resources are considered as

the needy caretaker's resources. When the needy caretaker's spouse is an SSI recipient, his or her resources are not considered.

340:10-3-3. Home property

The home and surrounding property necessary for the operation of the home is exempt regardless of the value. For purposes of the home resource exclusion, a home is defined as any shelter in which the individual has an ownership interest and which is used by the individual as his or her principal place of residence. The home may be either real or personal property, fixed or mobile.

(1) The home as described in this Section may be retained without affecting eligibility during periods when it is necessary to be absent for illness or other reason. The Oklahoma Department of Human Services (OKDHS) has not set a definite time limit to the individual's absence from the home.

(2) When it is determined the individual does not have a feasible plan for and is not expected to return to the home, the current market value of the property is considered in relation to the maximum resource standard. Once the property is determined a resource, the individual is responsible for converting it for use in meeting current needs. If the individual fails or is unwilling to take steps necessary to convert the resource, continuing eligibility cannot be established. The individual is advised as to the effective date of denial or closure and his or her right to receive cash assistance when the resources are within the maximum resource standard provided other conditions of eligibility continue to be met.

(3) When a recipient sells his or her home with the intention of purchasing another home or when an insurance payment for damage to the home is received, a reasonable period of time is given to use the money for the intended purpose. A reasonable period of time is 90 calendar days.

(4) At the point a recipient decides not to use the funds from the sale of his or her home to purchase another home, an evaluation is made in accordance with OKDHS Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX C. The amount considered available is the total payment received from the sale of the home. At the point a recipient decides not to use an insurance payment received to repair damage to the home, the lump sum rule applies.

(5) A home traded for another home of equal value does not affect the recipient's eligibility status. If the home is traded for a home of lesser value, the difference may be invested in improvement of the new home.

340:10-3-4. Real property other than home property

(a) **Scope and applicability.** Real property other than home property is defined as real estate which is not maintained for home residence, mineral rights, life estates, or any other property which is not personal

property. Real property owned by a client is considered exempt as a resource for up to six calendar months only if a good faith effort to sell is being made and Form C-6, Agreement to Repay, is signed by the client. A good faith effort is defined as any recognized listing, posting, or advertising for sale at a reasonable, market price appropriate to comparable property values and a reasonable offer has not been refused. Once a resource has been exempted based on good faith effort, further exemption is not allowed.

(1) The exemption period is terminated when the property is sold, at the end of six months, or at any point in the six-month period when it is determined that a good faith effort to sell is not being made. At the end of the six-month exemption period, either the net proceeds from the sale of the property or the equity value of the property is considered as a resource.

(2) The market value of real estate other than the home owned by the client is established on the basis of oral or written information which the client has at hand and counsel with persons who have specialized knowledge about this kind of resource.

(b) **Mineral rights.** Mineral rights not associated with the home property are considered a resource. Since evaluation and salability of mineral rights fluctuate, the establishment of the value of mineral rights must be based on actual offers of purchase rather than on the opinion of collateral sources alone. The feasibility of listing the mineral rights for sale must be considered. The value of mineral rights on the total home property is considered along with surface rights.

(c) **Land held by a member of an Indian tribe.** Land which is held by an enrolled member of an Indian tribe is excluded from resources if it cannot be sold or transferred without the permission of other individuals, the tribe, or a federal agency.

(d) **Life estates and homestead rights.**

(1) **Life estates.** A life estate conveys upon an individual(s) for his or her lifetime, certain rights in property. Its duration is measured by the lifetime of the tenant or of another person, or by the occurrence of some specific event, such as remarriage of the tenant. The owner of a life estate has the right of possession, the right to use the property, the right to obtain profits from the property, and the right to sell his or her life estate interest. The contract establishing the life estate may restrain one or more rights of the individual. The individual does not have title to the property nor the right to sell the property. He or she may not usually pass it on to his or her heirs in the form of an inheritance. When a life estate in property is not used as the client's home, it is necessary to establish the value.

(2) **Homestead rights.** Homestead rights held by a client in real estate provides shelter and income as long as the client resides on the property. If the client moves from the property, abandoning homestead rights, the property becomes subject to adjudication. Since a homestead right cannot be sold, it has no value.

340:10-3-5. Personal property

(a) This subsection describes personal property and how it is considered in determining eligibility for Temporary Assistance for Needy Families (TANF).

(1) **Household goods and equipment.** Items essential to day-to-day living, such as clothing, furniture, and other similarly essential items of limited value, are excluded as resources.

(2) **Livestock and equipment used in a business enterprise.**

A person's equity in livestock, equipment, or merchandise in a business enterprise is considered as a resource only when the person is not actively engaged in the business enterprise. Equity is not counted when the person actively participates in the business or is only temporarily inactive, such as when the person becomes incapacitated and reasonably expects and plans to resume the business enterprise upon recovery. Equity is established based on verbal or written information that the person has or by obtaining information from persons with specialized knowledge about the particular resources.

(3) **Livestock and home produce used for home consumption.** Any livestock or produce grown and used by the assistance unit for home consumption is excluded.

(4) **Cash savings and bank accounts.** Available cash and money in a financial institution is considered as a resource. The person's statement that he or she does not have cash on hand or in a financial institution is sufficient unless there are indications to the contrary. When there is information to the contrary or when the person does not have records to verify the amount on deposit, verification is obtained from bank records. Section 167.1 of Title 56 of the Oklahoma Statutes (O.S. 56 § 167.1) provides that financial records obtained for the purpose of establishing eligibility for assistance or services must be furnished without cost to the person or Oklahoma Human Services OKDHS.

(A) Checking accounts may or may not represent savings. Current bank statements are evaluated with the person to establish what, if any, portion of the account represents savings. Any income deposited during the current month is not considered savings.

(B) Jointly-owned accounts are considered available to the person unless it can be established what part of the account belongs to each of the owners, the money is separated, and the joint account is dissolved.

(C) Per Section 529A of Title 26 of the United States Code (26 U.S.C. § 529A) and 56 O.S. §§ 4001.1 through 4001.5, contributions deposited into or distributions withdrawn from an Oklahoma Achieving a Better Life Experience (ABLE) individual savings or trust account or an ABLE account in any other state owned by the designated beneficiary of the account and established to pay qualified disability expenses (QDE) is excluded from income or

resource consideration when determining the person's eligibility to receive, or the amount of, any assistance or benefits from local or state means-tested programs. A person may have only one ABLE account. The client must provide documents to verify that the account meets exemption criteria before the funds are excluded. Once the client verifies that the savings or trust account is a valid ABLE account, no further account information is required.

(i) A contribution to an ABLE account by another individual is excluded unless the contribution exceeds the annual federal gift tax exclusion, per 26 U.S.C. § 2503(b). Any money deposited in the account in a calendar year that is in excess of the annual federal gift tax exclusion is considered a countable resource in the month deposited.

(ii) A distribution from an ABLE account that is retained after the month of receipt is excluded in any month when spent on a QDE. Money withdrawn for reasons other than to pay a QDE is considered as a countable resource for the month of withdrawal.

(iii) A QDE is any expense related to the blindness or disability of the individual and made for the benefit of the individual. QDE's include, but are not limited to:

- (I) education;
- (II) housing;
- (III) transportation;
- (IV) employment, training, and support;
- (V) assistive technology;
- (VI) health;
- (VII) prevention and wellness;
- (VIII) financial management and administrative services;
- (IX) legal fees;
- (X) ABLE account oversight and monitoring;
- (XI) funeral and burial; and
- (XII) basic living.

(D) In certain instances, a client may receive and access funds from a charitable account in a TANF assistance unit member's name or in a third party's name.

(i) Charitable accounts are typically set up for a specific purpose, such as to help pay for medical expenses not covered by SoonerCare (Medicaid) or the person's insurance, funeral expenses, or living expenses while a person is unable to work. Medical expenses may include travel expenses to obtain treatment, such as fuel, meals, lodging, and incidentals.

(ii) The worker must verify:

- (I) the purpose of the account;
- (II) the name(s) on the account;
- (III) the person(s) who is authorized to withdraw funds from the account;
- (IV) the dates and amounts of any deposits into or withdrawals from the account within the most recent 12-month period; and
- (V) any limitations or restrictions placed on the access to account funds.

(iii) When the account is in the name of a TANF assistance unit member and there are no restrictions on accessing funds, the funds in the account are considered as a countable resource. When funds are periodically withdrawn from the account, the amount withdrawn is considered as unearned income in the month withdrawn.

(iv) When the account is in the name of an assistance unit member and funds are restricted for non-elective medical expenses or funeral expenses, the funds in the account are excluded from resource and income consideration. When the restricted funds can be released to the client for other purposes, such as living expenses, the funds are considered as unearned income in the month released.

(v) When the account is held and managed by a third party on the client's behalf and the client does not have direct access to the funds, the account is not considered as an available resource to the client. When the third party disburses funds from the account to:

- (I) vendors on the client's behalf, the released funds are not considered as countable income; or
- (II) the client for purposes other than non-elective medical bills or funeral expenses, the funds are considered as unearned income in the month received.

(vi) When charitable funds are collected and released to the client in a one-time payment for non-elective medical expenses or funeral expenses, the funds are excluded. When released for other purposes, the one-time payment is considered as a nonrecurring lump sum payment, per Oklahoma Administrative Code (OAC) 340:10-3-28.

(E) Economic impact payments received as a result of a national or state emergency are considered as a rebate or advance payment of a credit and are excluded as income; and from resource consideration for a period of 12 months from receipt date for the purpose of determining eligibility for benefits or assistance under any federal, state, or local

program financed, in whole or in part, with federal funds, per Section 103(d) of the American Taxpayer Relief Act, as amended, 26 U.S.C. § 6409.

(5) **Insurance policies and prepaid funeral benefits.**

(A) **Life insurance policies.** The cash surrender value (CSV) less any loans or unpaid interest of life insurance policies owned by members included in the TANF cash assistance is counted as a resource. Dividends that accrue and remain with the insurance company increase the amount of the resource. Dividends paid to a person are considered as income. Assignment of the face value of a life insurance policy to fund a prepaid burial contract is not counted as a resource. In this instance, the amount of the face value of the life insurance is evaluated according to (C) or, when applicable, (D) of this paragraph.

(B) **Burial spaces.** The value of a burial space for each family member whose needs are included in the cash assistance or whose income and resources are considered when computing the cash assistance is excluded from resources.

(C) **Burial funds.** Revocable burial funds not in excess of \$1500 for each person included in the assistance unit are excluded as a resource when the funds are specifically set aside for the burial arrangements of the person, per 56 O.S. § 165. Any amount in excess of \$1500 for each person included in the assistance unit is considered as a resource. Burial policies that require premium payments and do not accumulate cash value are not considered prepaid burial policies.

(i) The term burial funds means a prepaid burial contract or trust with a funeral home or burial association that is set aside to pay for the person's burial expenses.

(ii) The face value of a life insurance policy, when properly assigned by the owner to a funeral home or burial association, may be used for purchasing burial funds as described in (i) of this subparagraph.

(iii) The burial fund exclusion must be reduced by the face value of life insurance policies owned by the person and by the amounts in an irrevocable trust or other irrevocable arrangement.

(iv) Interest earned or appreciation on the value of any excluded burial funds is excluded when left to accumulate and become a part of the burial fund.

(v) When the person did not purchase the prepaid burial contract or trust, even when the person's money was used for the purchase, the person is not the owner and the prepaid burial funds are not considered a resource to the person.

(D) **Irrevocable burial contract.** Oklahoma law provides that a purchaser of a prepaid burial contract may elect to make the contract irrevocable. Irrevocability becomes effective 30-calendar days after the contract is signed.

(i) When the irrevocable election was made prior to July 1, 1986, and the person received assistance on July 1, 1986, the full amount of the irrevocable contract is excluded as a countable resource. This exclusion applies only when the person does not add to the amount of the contract. Interest accrued on the contract is not considered as adding to the contract. Any break in assistance requires that the contract be reevaluated at reapplication.

(ii) When the effective date for the irrevocable election or application for assistance is July 1, 1986, or later, the amount in any combination of an irrevocable contract, revocable prepaid burial contract or trust, and the cash value of unassigned life insurance policies cannot exceed \$10,000, per 56 O.S. § 165. Any amount in excess of \$10,000 is considered a countable resource. Accrued interest is not counted as a part of the \$10,000 limit, regardless of when it is accrued.

(iii) For an irrevocable contract to be valid, the election to make it irrevocable must be made by the purchaser or the purchaser's guardian or a person with power of attorney for the purchaser.

(E) **Medical insurance.** When a person has medical insurance, payments made to the medical provider or directly to the person and the payments are applied to the cost of medical services, they are excluded from resource consideration. Any amount remaining after payment for medical services is considered a resource.

(6) **Stocks, bonds, mortgages, and notes.** The person's equity in stocks, bonds, including United States Savings Bonds Series A through EE, mortgages, and notes are considered as resources.

(A) The current market value less encumbrances is the equity of stocks or bonds.

(B) The amount that can be realized from notes, mortgages, and similar instruments, when offered for immediate sale, constitutes a resource.

(7) **Non-negotiable resources.** Installment payments received on a note, mortgage, and similar instruments, for which a buyer cannot be found, are considered as monthly income.

(8) **Vehicles.** The market value of each vehicle owned by the person is established based on the average trade-in value listed in the National Automobile Dealers Association (NADA) books, other blue books, or one of the Internet websites that provide data on the market value of used vehicles at no cost to the user. When the person states the vehicle is worth less than the average trade-in value, the person secures written appraisals from two persons

familiar with current values. The appraisals must state the appraised value of the vehicle and why it is worth less than the average trade-in value. When there is a substantial unexplained difference between the appraisals or between the blue book value and one or more of the appraisals, the worker and the person jointly arrange for a third party familiar with current values and acceptable to both, to establish the true market value of the vehicle.

(A) **Exempt vehicles.** The equity value of up to \$5,000 in one vehicle is exempt from resource consideration. The amount of the equity in excess of \$5,000 is considered against the resource limit.

(B) **Other vehicles and personal property.** The equity in other vehicles and personal property including boats, travel trailers, motorcycles, motor homes, and campers is considered against the resource limit. The current market value less encumbrances is the equity. Only encumbrances that are verified are considered in computing equity.

(9) **Lump sum payments.** A lump sum settlement that compensates for the loss of a resource, such as an automobile, may be disregarded in the amount used to replace the loss.

(A) The person has up to 30-calendar days to replace the loss. Extension beyond 30-calendar days may be granted when completion of the transaction is beyond the person's control.

(B) Any amount remaining after the replacement of the loss is considered as income.

(C) Income tax refunds, except for the portion representing an earned income tax credit (EITC), must be treated as a resource and considered available to the person upon receipt. Per the Tax Relief, Unemployment Insurance Authorization, and Job Creation Act of 2010 Public Law 111-312, EITC payments received after December 31, 2009, as a result of filing a federal or state tax return are exempt as a resource for 12 months following receipt.

(D) Retirement benefits received as a lump sum payment at employment termination are considered a resource. These benefits are not treated as income because the retirement contribution was regarded as income in the month earned and withheld by the employer.

(10) **Individual Development Accounts (IDA).** IDAs are dedicated savings accounts that are used for a qualified purpose, such as purchasing a first home, education or job training expenses, capitalizing a small business, or other purposes designated by the IDA administrative entity.

(A) IDAs are managed by community organizations and accounts are held at local financial institutions.

(B) Cash deposits and interest accrued from the deposits made by a person in an IDA up to \$2,000 are not considered as income or resources in determining TANF

eligibility, per 56 O.S. § 230.54.

(C) The account deposits must be made from earned income, EITCs, or tax refunds.

(11) Saving For Education, Entrepreneurship, and Downpayment (SEED) Initiative accounts. SEED accounts are dedicated savings accounts for persons 13 through 18 years of age that are used for a qualified purpose, such as purchasing a first home, education or job training expenses, capitalizing a small business, or other purposes designated by the administrative entity. SEED accounts are managed by community organizations and accounts are held at local financial institutions. Cash deposits and interest accrued from the deposits made by a person in a SEED account up to \$2,000 are not considered as income or resources in determining TANF eligibility.

(b) Resources disregarded in determining need include:

(1) income disregarded, per OAC 340:10-3-40;

(2) trusts of a child(ren) included in a TANF benefit when the funds are used for educational purposes for a child(ren). Any court established trust must be examined to determine if the court restricted the trust for other purposes. The client must verify at application and renewal if funds were withdrawn. Withdrawn funds are treated as lump sum unearned income unless documentation shows the funds were used for the child(ren)'s educational purposes;

(3) any accounts, stocks, bonds, or other resources held under the control of a third party when the funds are:

(A) designated for educational purposes for a child(ren) receiving TANF, even when a child(ren)'s name is on the account and the third party holder is required to access the funds; or

(B) established to pay for non-elective medical expenses or funeral expenses for an assistance unit member;

(4) a migrant farm worker's out-of-state home property when the farm worker intends to return to the home after the temporary absence;

(5) a retroactive, nonrecurring lump sum Supplemental Security Income (SSI) payment, made to a TANF recipient, in the month paid and the next month. The amount remaining after the second month is a countable resource;

(6) funds in education accounts established, per Sections 529 and 530 of the Internal Revenue Code or exempted by O.S. 56 § 4000; and

(7) child support collected from a child support tax intercept for the month received. The amount remaining in the second month after the month of receipt is a countable resource.

340:10-3-6. Trust accounts

When a person applying for or receiving Temporary Assistance for Needy Families (TANF) has monies held in trust, a decision regarding the availability of the funds must be made. Funds held in trust are considered available when the applicant or recipient has a legal interest in a liquidated sum and has the legal ability to make such sum available for support and maintenance. Funds may also be held in trust and under the control of someone other than the TANF parent or caretaker relative, such as the courts, agencies, other individuals, or the Bureau of Indian Affairs (BIA). The availability of these funds is determined by using the procedures described in (1) through (3) of this Section.

(1) Funds held in trust by courts, agencies, or other individuals. The applicant or recipient must provide trust documents at application or when the worker becomes aware of the existence of a trust. Documents include a copy of the trust instrument, and a copy of all relevant court documents that may include a Journal Entry, Order, Settlement Agreement, and documentation as to date, amount, and purpose of any prior disbursements.

(A) Release of trust by written petition or written request. The availability of the trust can only be determined after the TANF payee sends a written petition to the court or a written request to the trustee when the trust is not in a court supervised account for the release of the total funds.

- (i) The worker sends a written notice to the TANF payee informing him or her to:
 - (I) file the written petition with the court or submit a written request to the trustee within 30-calendar days from the date of the notice;
 - (II) provide a copy to the worker; and
 - (III) failure to do so results in case denial or closure as benefit eligibility cannot be determined.
- (ii) Upon receipt of a copy of the petition or request, the trust account at issue is considered unavailable. The worker instructs the TANF payee to provide the worker with a copy of the court or trustee's response when received.
- (iii) When the TANF payee submits the petition or request timely but does not get a response from the court or trustee, the worker offers with the client's permission, to write a letter to the court or trustee.

(iv) When the court or trustee's response to the petition or request is explicit as to the availability of funds, the worker takes appropriate action. When the response is not explicit, the worker asks Adult and Family Services TANF staff to make a decision regarding the availability of funds. When necessary, AFS TANF Unit staff obtains a decision from Legal Services about the availability of the funds held in trust.

(v) A decision regarding trust availability is rendered in one of two ways. The trust monies are considered:

- (I) unavailable to the child(ren) and further review is not needed unless the trust instrument is amended; or
- (II) available as a resource in determining eligibility.

(B) **Periodic renewal.** Funds determined to be unavailable to the person are excluded until the next renewal or reapplication. At renewal, the worker obtains information from the court or trustee regarding any modification to the trust instrument and any disbursements. Disbursements are considered as income the month received. When modification or disbursements did not occur, the funds continue to be considered as unavailable until the next renewal is due.

(2) **Funds held in trust by BIA.** Interests of individual Indians in trust or restricted lands are not considered a resource in determining eligibility for assistance under the Social Security Act or any other federal or federally-assisted program.

(3) **Funds held in trust in an Achieving a Better Life Experience (ABLE) Program account.** Funds held in a trust account owned by the designated beneficiary of the account and established to pay qualified disability expenses (QDE) under the Oklahoma Achieving a Better Life Experience (ABLE) Program or an ABLE program in any other state are excluded for the purpose of determining eligibility to receive, or the amount of, any assistance or benefits from local or state means-tested programs, per Sections 4001.1 through 4001.5 of Title 56 of the Oklahoma Statutes and the Achieving a Better Life Experience Act of 2014, Section 529A of Title 26 of the United States Code (26 U.S.C. § 529A). The applicant or recipient must provide documents to verify that the trust account meets exemption criteria before the funds in the trust account are excluded from resource and income consideration. Once the client verifies that the savings or trust account is a valid ABLE account, no further account information is required.

(A) A contribution to an ABLE account by another individual is excluded unless the contribution exceeds the annual federal gift tax exclusion, per 26 U.S.C. § 2503(b). Any money deposited in the account in a calendar year in

excess of the annual federal gift tax exclusion is considered a countable resource in the month deposited;
or

(B) A distribution from an ABLE account that is retained after the month of receipt is excluded in any month when spent on a QDE. Money withdrawn for reasons other than to pay QDE is considered as a countable resource for the month of withdrawal.

(C) A QDE is any expense related to the blindness or disability of the individual and made for the benefit of the individual. QDE's include, but are not limited to:

- (i) education;
- (ii) housing;
- (iii) transportation;
- (iv) employment, training, and support;
- (v) assistive technology;
- (vi) health;
- (vii) prevention and wellness;
- (viii) financial management and administrative services;
- (ix) legal fees;
- (x) ABLE account oversight and monitoring;
- (xi) funeral and burial; and
- (xii) basic living.

340:10-3-9. Family relations as a resource

State law is specific on the mutual responsibility of spouses for each other and of a parent for his or her child(ren). When two persons are married and live together, income or resources available to one spouse is considered available to the other. When there is a break in the family relationship, and the spouses separate, but are not divorced or legally separated, they constitute a possible resource to each other and

must be explored to determine what, if any, income or resources may be made available.

(1) It is the legal responsibility of the natural or adoptive parent(s) to support his or her minor child(ren) to the extent that he or she is able to do so. For Temporary Assistance for Needy Families (TANF), a minor is defined as a child younger than 18 years of age, regardless of his or her marital status. A minor may also be considered a person younger than 19 years of age when he or she attends high school and is scheduled to graduate before his or her 19th birthday.

(2) This responsibility is not affected by any action of either parent affecting the marriage relationship of the parents or by a change in legal custody of the child(ren). A natural or adoptive parent living in the home is responsible for the support of his or her minor child(ren) even though the parent has remarried and the stepparent is in the home.

(3) When a minor with a child(ren) applies for TANF and lives in the same home with the minor's natural or adoptive parent(s), the income of the minor's parent(s) is considered available and computed the same as stepparent liability, per Oklahoma Administrative Code 340:10-3-57(e). When the minor parent's stepparent lives in the home, the stepparent's income is not considered.

(4) When a minor child(ren) lives in a relative's home separated from his or her parent(s), the parent(s) continues to be responsible for the minor child's support. The worker only considers financial support as income when it becomes available to the child(ren). When the parent(s) offers support only when the child(ren) moves back to the parent(s)' home, it is considered available only when such a move is in the child(ren)'s best interest.

(5) An adult child(ren) has a moral, but not a legal, obligation to support his or her parent(s) to the extent of his or her ability. The person's statement that he or she does not receive contributions from an adult child(ren) or other relatives not living with him or her is sufficient when it is consistent with other known facts. When the person states that he or she receives contributions, verbal or written statements from the persons providing the contributions regarding the frequency and amount of such contributions are required.

340:10-3-26. General provisions regarding income

Income is defined as gain, payment, or proceeds from labor, business, property, retirement, and other benefits. All available income, except that required to be disregarded by law or the Oklahoma Department of Human Services (DHS) policy, is taken into consideration in determining eligibility for Temporary Assistance for Needy Families (TANF) cash assistance. Income is considered available when actually received. When an individual's income is reduced due to recoupment of an overpayment or a garnishment, the gross amount before the recoupment or garnishment is counted as income. The individual is responsible for reporting all income, the source, amount, and regularity of receipt.

(1) Income received on behalf of a member of the assistance unit by another individual, such as, but not limited to, a guardian or conservator, is considered available to the assistance unit.

(2) Money received and used for the care and maintenance of a third party not included in the assistance unit is not counted as income when it is identified and verified as intended for third party use. The income of a stepparent or a person acting in the role of a spouse is considered per Oklahoma Administrative Code (OAC) 340:10-3-57(e).

(3) If it appears any member of the TANF assistance unit or an individual whose income and resources are considered per OAC 340:10-3-57(e) is eligible for any type of income or benefits, the worker uses Form 08AD092E, Client Contact and Information Request, to notify the assistance unit in writing. Form 08AD092E contains the information that failure to apply for and take all appropriate steps to obtain such benefits within 30-calendar days from the date of the notice results in a determination of ineligibility. Supplemental Security Income (SSI) does not fall under these types of benefits.

(4) When spouses live together or live apart, but there has not been a clear break in the family relationship, income received by either spouse and income received jointly is considered as family income.

(5) Income received by a member of the TANF cash assistance unit cannot be diverted to members receiving State Supplemental Payments or to meet the needs of a stepparent.

(6) Any family member receiving SSI is not included in a TANF benefit and the SSI income is not considered in computing the TANF benefit.

(7) When an applicant's net income, after applying applicable earned income exemptions per OAC 340:10-3-33, meets or exceeds the payment standard for that month, the application is denied.

(8) Refer to OAC 340:10-3-31.1 to determine whether the recipient is eligible for an earned income disregard prior to closing the TANF cash assistance payment because of earnings..

340:10-3-27. Monthly maximum gross income

The monthly maximum gross income for Temporary Assistance for Needy Families (TANF) eligibility is 185% of the State Standard of Need. The "monthly gross income" is the total earned and unearned income of all members whose income is considered in determining the TANF benefit prior to application of the exemptions. Any child support payments received in the State Office must be considered as part of the family income in determining the monthly maximum gross income. When the family's gross income meets or exceeds the monthly maximum gross income, the application is denied or the case is closed.

340:10-3-28. Lump sum payments

Lump sum payments received from any source are considered as income. Changing a resource from one form to another is not considered a lump sum payment.

(1) **Recurring lump sum payment.** A recurring lump sum payment is a payment received from any source on a regular basis. A recurring lump sum payment, including income from earnings, is averaged over the period it is intended to cover beginning with the month received.

(A) Examples of recurring lump sum payments include income from surface or mineral rights, oil and gas production, or cash winnings resulting from an established pattern of gambling.

(B) When, after averaging, the monthly income from the lump sum payment is in excess of the Temporary Assistance for Needy Families (TANF) cash assistance benefit, per Oklahoma Department of Human Services (DHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX, the worker denies the application or closes the TANF benefit for the next effective month, per DHS Appendix B-2, Deadlines for

Case Actions. The income is considered available for the period of time it is intended to cover, even when it is depleted in less time.

(C) When an applicant receives a recurring lump sum payment before applying for TANF, any amount remaining at application after income averaging is considered as a resource.

(2) **Nonrecurring lump sum payment.** A nonrecurring lump sum payment is any money the client receives one time or that he or she does not expect to receive regularly from that source. Retirement benefits received at time of retirement in a lump sum are considered as a resource in the month received. The worker calculates how receipt of a nonrecurring lump sum affects the recipient's continued eligibility for TANF per the lump sum rule at (5) of this Section.

(A) Examples of nonrecurring lump sum payments considered as income include, but are not limited to:

- (i) retroactive Veterans' (VA) or Social Security benefits or worker's compensation payments;
- (ii) insurance settlements or death benefits;
- (iii) personal injury awards or settlements;
- (iv) monetary inheritances or gifts;
- (v) cash winnings from gambling or the lottery that are not the result of an established pattern of gambling; and
- (vi) wage bonuses or one-time earnings.

(B) When a TANF recipient is approved for Supplemental Security Income (SSI) and receives a retroactive, lump sum SSI payment, it is not counted as income or a resource for the month received and the following month. The amount remaining in the second month after the month received is a countable resource.

(C) When a nonrecurring lump sum payment is from a disregarded income source per OAC 340:10-3-40, it is not counted as income.

(D) Refer to OAC 340:10-3-5(a)(9) for lump sum payments considered as resources.

(E) Refer to OAC 340:10-10-7 when DHS Child Support Services receives a lump sum child support payment.

(3) **Worker responsibilities.** The worker explains the information contained on Form 08TA006E, Important Notice About the Effect of Lump Sum Payments on TANF Benefits, to ensure he or she has knowledge of the effect of lump sum receipt on eligibility, asks the client to sign the form, and provides a copy to the client. When the worker:

(A) learns from a client or a third party that the assistance unit received or expects to receive a lump sum payment, the worker is responsible for informing the recipient of the lump sum rule per (5) of this Section within five-calendar days; and

(B) has sufficient information to compute the ineligibility period, the worker provides the client with Form 08TA007E, Lump Sum Termination or Denial Notice.

(4) **Allowable deductions.** Allowable deductions are expenses earmarked in the settlement or award to be used for a specific purpose. Examples include payment of a court judgment, including attorney fees and costs directly related to the lump sum settlement or paying medical or funeral expenses for an immediate family member. For earned income received in a lump sum, work related expenses and one-half of the remainder are allowed as deductions for each month the earned income accumulated per OAC 340:10-3-33.

(5) **Lump Sum Rule.** When a member of the TANF cash assistance unit receives a nonrecurring lump sum payment, it may cause the assistance unit to become ineligible for TANF for a number of future months. This is called the Lump Sum Rule. The effect the lump sum payment on the assistance unit's eligibility for TANF is calculated by:

(A) subtracting allowable deductions from the lump sum payment, per (4) of this Section;

(B) adding the remaining lump sum payment to all other countable monthly income. This includes any non-excluded child support payments received by Child Support Services per OAC 340:10-10-7(b)(2). It does not include the TANF benefit; and

(C) dividing the income by the monthly TANF need standard for the assistance unit's family size to determine the number of months the assistance unit is ineligible for TANF. Refer to Oklahoma Department of Human Services Appendix C-1, Schedule IX for the TANF need standard per family size.

(6) **When the Lump Sum Rule does not apply.** The Lump Sum Rule does not apply:

(A) to an applicant when the applicant:

(i) receives the lump sum payment prior to the application date. In this instance, any amount remaining on the application date is considered a resource; or

(ii) reports receipt of the lump sum payment within 10-calendar days of receipt and requests the TANF application be denied;

(B) to a recipient when:

(i) he or she anticipates receipt of the lump sum and requests the TANF benefit be closed prior to the anticipated lump sum receipt month;

(ii) he or she reports receiving the lump sum payment within 10-calendar days of receipt and repays the TANF cash assistance payment for the receipt month within 10-calendar days of timely reporting receipt of the lump sum payment;

(iii) the lump sum payment is less than the TANF cash assistance payment. In this instance, the lump sum payment is considered as income in the receipt month. The worker completes an overpayment referral per 340:65-9 unless the recipient repays the TANF payment in the amount received; or

(iv) the person who expects to receive a lump sum payment is not required to be included in the assistance unit per OAC 340:10-3-56 and has his or her needs removed prior to receiving the lump sum payment;

(C) when the lump sum was received and the ineligibility period was determined by another state prior to the person establishing residence in Oklahoma; or

(D) when the lump sum payment is received by a stepparent not included in the TANF cash assistance unit. When this occurs, the stepparent's countable income including the lump sum is computed per OAC 340:10-3-57(e)(1) for the receipt month. Any portion of the lump sum income retained after the receipt month represents a resource to the stepparent per OAC 340:10-3-57(e)(2).

(7) **Ineligibility period.** The worker closes the TANF benefit and starts the ineligibility period for the next advance notice effective date per DHS Appendix B-2, Deadlines for Case Actions, and sends the client Form 08TA007E. The ineligibility period applies to all persons included in the assistance unit at the time the lump sum is received. This includes those required to be included and those that may be included per OAC 340:10-3-56. The lump sum payment is considered whether depleted or not until the ineligibility period expires or is shortened per (8) of this Section. Any income remaining is treated as other income received in the first month following the ineligibility period.

(8) **Shortening the ineligibility period.** The ineligibility period may be recalculated and shortened when a member of the assistance unit verifies and informs the worker that one or more circumstances described in (A) through (D) of this subsection occurred. Circumstances may include when:

(A) the cash assistance unit's family size increases;

(B) the lump sum becomes unavailable due to circumstances beyond the person's control. Examples may include when:

(i) someone steals all or part of the lump sum;

(ii) a natural disaster occurs and the assistance unit uses all or part of the lump sum to replace items lost in the disaster;

(iii) the assistance unit uses the lump sum to pay overdue rent or late mortgage payments owed at the time the lump sum is received; or

(iv) the assistance unit uses the lump sum to pay overdue utility bills owed at the time the lump sum

is received;

(C) a member of the TANF assistance unit owes or becomes responsible for and pays for an immediate family member's medical or funeral expenses; or

(D) the person uses the lump sum to enhance employment.

Examples include:

(i) buying or repairing a car to keep or look for employment;

(ii) paying moving expenses to relocate for better job opportunities; or

(iii) buying necessary clothing for job search or employment.

340:10-3-30. When to consider the income of a relative-payee

(a) **Relative-payee definition.** A relative-payee is a relative who lives with the child(ren) and takes responsibility for their needs. A relative may only be considered the payee for the assistance unit when the:

(1) natural or adoptive parent or stepparent is not in the home; and

(2) relative meets the specified degree of relationship, per Oklahoma Administrative Code (OAC) 340:10-9-1.

(b) **Stepparent inclusion.** A stepparent may only be considered as the payee for the assistance unit when the natural or adoptive parent is not in the home. When the natural or adoptive parent is in the home, the stepparent may only be included in the Temporary Assistance for Needy Families (TANF) assistance unit payment when the natural or adoptive parent is considered incapacitated, per OAC 340:10-10-2.

(c) **Needy caretaker definition.** When a relative-payee requests to be included in the TANF assistance unit, he or she must meet the needy caretaker definition. Only one needy caretaker is eligible to be included in the TANF assistance unit.

(1) A relative-payee without a spouse meets the needy caretaker definition when, per Oklahoma Human Services Appendix C-1, Schedule IX the assistance unit's:

(A) gross monthly income does not exceed the monthly maximum gross income; and

(B) net income does not exceed the payment standard.

(2) When the relative payee is married and living with the spouse who is:

- (A) an Supplemental Security Income (SSI) or State Supplemental Payment (SSP) recipient, the spouse's income is not considered in determining if the relative-payee meets the needy caretaker definition; or
- (B) not an SSI or SSP recipient, the relative-payee meets the needy caretaker definition when the gross monthly income of the couple does not exceed the monthly maximum gross income for two persons.

(d) **Income consideration.** When the:

(1) stepparent is included in the TANF cash assistance benefit because the natural or adoptive parent is not in the home, his or her income is considered the same way as the natural or adoptive parent's income is considered. When the stepparent is not included in the TANF cash assistance benefit because the natural or adoptive parent is in the home, his or her income is considered, per OAC 340:10-3-57(e).

(2) relative-payee is not included in assistance payment, neither the relative-payee or his or her spouse's income is considered in determining the child(ren)'s TANF eligibility;

(3) relative-payee without a spouse meets the needy caretaker definition, per (c)(1) of this Section, he or she may be included in the assistance unit benefit. The relative-payee's income is considered the same way as a natural or adoptive parent. When the relative-payee has income, the relative-payee and the worker determine if including the relative-payee increases or decreases the TANF assistance benefit for the child(ren); or

(4) relative-payee with a spouse meets the needy caretaker definition, per (c)(2) of this Section and the spouse does not receive SSI or SSP, the spouse's income is computed the same as stepparent income, per OAC 340:10-3-57(e). The needy caretaker and the worker determine if including the needy caretaker and the spouse's income increases or decreases the TANF assistance benefit for the child(ren).

340:10-3-31. Earned income

(a) The term earned income refers to monies earned by an individual through the receipt of wages, salary, commission, or profit from activities in which the individual is engaged as self-employed or as an employee. A person is considered self-employed when:

- (1) he or she declares himself or herself to be self-employed;
- (2) there is an employer/employee relationship and the employer does not withhold income taxes or Federal Insurance Contributions Act (FICA), even if required by law to do so; or
- (3) the employer withholds taxes and the person provides proof he or she files taxes as self-employed.

(b) Payments made for accumulated annual leave, vacation leave, sick leave, or as severance pay are considered as earned income whether paid during employment or at termination of employment. Temporary disability insurance payment(s) and temporary worker's compensation payments are considered as earned income if payments are employer funded and the individual remains employed.

(c) Earned income received as a one-time nonrecurring payment is considered as a lump sum payment per OAC 340:10-3-28.

(d) Earned income includes in-kind benefits received by an employee from an employer in lieu of wages or in conjunction with wages. An exchange of labor or services, for example, barter, is considered as an in-kind benefit. Such benefits received in-kind are considered as earned income only when the employee and employer relationship has been established.

(1) The cash value of the in-kind benefits must be verified by the employer.

(2) Income from self-employment also includes in-kind benefits for a work activity or service for which the self-employed person ordinarily receives payment in the business enterprise.

(3) Medical insurance secured through the employer, whether purchased or as a benefit, is not considered in-kind income.

(e) Gross earned income is used to determine eligibility for assistance. Gross earned income is defined as the "true wage" prior to payroll deductions and withholdings. Income that is based on the number of hours worked as opposed to income based on regular monthly wages must be computed as irregular income.

(f) Countable earned income excludes income from:

(1) capital investments with respect to which the individual is not actively engaged. Dividends and interest on rental properties in the hands of a rental agent with the check forwarded to the recipient is excluded from "earned income;" and

(2) benefits not in the nature of wages, salary, or profit accruing as compensation or reward for services, or as compensation for lack of employment.

(g) The worker verifies income by the best available information such as pay stubs presented by the individual or an interview with the employer. The worker verifies medical insurance which may be available to the employed Temporary Assistance for Needy Families (TANF) recipient and any dependents at the same time that income is verified.

(1) Pay stubs may only be used for verification if they have the individual's name or social security number indicating that the pay stubs are in fact the individual's wages. The stubs must include the date(s) of the pay period and the amount of income before deductions. If this information is not included, employer verification is required.

(2) With new employment, it is necessary to verify the beginning date.

(3) When a member of the assistance unit accepts employment and has not received any wages, verification of the amount of income to be considered and the anticipated date of receipt must be obtained from the employer.

(4) Verified income expected to be received during a future month is considered available to the assistance unit and is counted in determining eligibility for that month.

340:10-3-31.1. Earned income disregard

(a) A Temporary Assistance for Needy Families (TANF) recipient may be eligible to receive an earned income disregard (EID) when conditions described in (1) through (3) of this subsection are met. When applied, the EID excludes all earned income from consideration against the cash assistance payment for up to three consecutive months. The recipient is eligible for one EID period per rolling 12-month period.

(1) Applicants and individuals not included in the cash assistance unit are not eligible for an EID.

(2) The combined monthly earned income of all TANF cash assistance unit members must not exceed \$2,064.

(3) Before applying the EID, the worker first subtracts all applicable earned income exemptions per Oklahoma Administrative Code (OAC) 340:10-3-33 from the payment standard to determine if the individual remains eligible for TANF.

(A) Refer to Schedule IX on the Oklahoma Department of Human Services (DHS) Appendix C-1, Schedule of Maximum Income, Resource, and Payment Standards for the TANF payment standard.

(B) When the recipient remains eligible, the assistance unit is not eligible for an EID period.

(C) When the client is eligible for an EID period, the worker and client update and sign Form 08TW002E, TANF Work/Personal Responsibility Agreement, to include the client's place of employment and scheduled hours.

(b) When child care is needed during the EID period, the child remains predetermined eligible with a zero family share copayment per OAC 340:40-7-1.

(c) When the client loses his or her job during the EID period, the worker removes the earned income and the EID for the next non-advance notice effective date per Appendix B-2, Deadlines for Case Actions.

(1) Unless the client begins new employment within 10-business days of losing the first job, he or she is not eligible for the remainder of the EID period.

(2) The worker and client update and sign Form 08TW002E indicating the client's agreed upon TANF work activities.

(3) When child care is open and the client begins participating in a TANF Work activity, the worker adjusts the child care plan hours to meet the needs of the new activity when increased plan hours are needed. Per OAC 340:40-5-1(3)(D), child care plan hours are not decreased until the child care renewal is due.

- (4) When child care is open and the client does not begin participating in a TANF Work activity, child care is extended for 90-calendar days per OAC 340:40-7-8 and 340:40-9-2(f)(4).
- (d) When the client remains employed for the entire EID period, an automated process closes the TANF benefit for the next negative action effective date per Appendix B-2.
- (1) When Supplemental Nutrition Assistance Program food benefits are open, refer to OAC 340:50-11-27 and DHS Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, to determine continued eligibility.
- (2) The client remains eligible for SoonerCare (Medicaid) per OAC 340:10-3-75.
- (3) When child care subsidy benefits are open the worker determines if the participant's child care renewal is due per OAC 340:40-9-1. When the child care renewal is:
- (A) due, the worker considers the participant's earnings in determining continued eligibility and family share copayment amount per DHS Appendix C-4, Child Care Eligibility/Copayment Chart; or
- (B) not due, the participant's family share copayment does not increase until the renewal is due per OAC 340:40-5-1(9).

340:10-3-32. Earned income determination

(a) **Self-employment income determination.** Self-employment income received by an assistance unit member from a self-employment business enterprise he or she owns solely or in part; or from an employer when the assistance unit member is considered self-employed, per Oklahoma Administrative Code (OAC) 340:10-3-31(a), is considered per the procedures listed in (b) of this Section. Other types of self-employment income are listed in (1) through (4) of this subsection.

(1) **Room or board.** When a person:

(A) rents a room in the client's home, the worker subtracts 25 percent of the gross earned income amount received as a business expense; or

(B) pays for room and board in the client's home, the worker subtracts 50 percent of the gross earned income as a business expense.

(2) **Rental property.** Income from rental property is considered earned self-employment income when an outside person or agency does not conduct any of the activities associated with renting the property. When the client does not manage the rental property, it is considered unearned self-employment income. When the client incurs business expenses, such as a mortgage payment, the worker subtracts 50 percent of the client's rental property income as a business expense.

(3) **Profit sharing.** Households who operate S corporations, general or limited partnerships, or limited liability companies

(LLC), may receive profit sharing that is reported on the household's personal income tax return.

(A) S corporation profit sharing is considered unearned profit-sharing income. Refer to (c)(3) of this Section and OAC 340:10-3-39(o) for information regarding S corporations.

(B) Partnerships are unincorporated businesses with two or more partners. When an assistance unit member is a partner in a business, he or she is considered self-employed and not an employee of the business. Each partner receives a profit share from the business. When a business is considered a:

- (i) general partnership or LLC with a member-manager, each partner's share of the business income is shown as self-employment income on his or her federal income tax form; or
- (ii) limited partnership or other LLC member, each partner's share of the business income is shown as self-employment income or unearned profit-sharing income on his or her federal income tax form.

(4) **Home produce.** Any home produce from garden, livestock, and poultry utilized by the client and his or her household for their consumption is not considered in determining the Temporary Assistance for Needy Families (TANF) benefit amount. Any home produce sold to others is considered as self-employment income.

(b) **Self-employment income procedures.** Self-employment income that represents the assistance unit member's annual support is prorated over a 12-month period, even when the income is received in a shorter time period. The worker uses the gross self-employment shown on the person's most recent federal tax return, when filed, or computes the member's gross self-employment income from the member's business or employer records. When the member claimed business expenses, the worker subtracts 50 percent of the member's gross self-employment income as business expenses and divides the remaining income by the number of months to be averaged to arrive at the member's net monthly self-employment income.

(1) **New income source.** When self-employment income is received for less than a year, the income must be averaged over the time period received and the monthly income projected for the coming year.

(2) **Averaged over time period received.** When there is insufficient data to make a reasonable income projection from this income source, the worker does not consider income from this source until the six-month renewal. At renewal, the worker averages the income over the number of months received until a full year's data information is available.

(3) **Substantial increase or decrease in income.** When the assistance unit member experiences a substantial increase or decrease in income, the worker does not use prior self-employment income, such as income tax returns, to calculate

anticipated self-employment income. Instead, the worker only uses the self-employment income that can reasonably be anticipated to project future earnings.

(c) **Earned income from sources other than self-employment.**

(1) **Earned income from wages, salary, or commission.** When the income is from wages, salary, commission, or contract employment, the earned income is the gross income prior to payroll deductions and withholdings. Money from the sale of whole blood or blood plasma is also considered as earned income.

(2) **Earned income from work and training programs.**

(A) **Workforce Innovation and Opportunity Act (WIOA) of 2014.** Per Section 181 of WIOA, earned income from WIOA is exempt.

(B) **On-the-job training (OJT).** Earned income from OJT is considered as any other earned income.

(3) **S corporations.** When an assistance unit member is a shareholder in an S corporation, he or she may receive profits from the business in three ways; as a salary, as a profit share of the business, or as salary and a profit share of the business. Salaries and profit share of the business are reported on the household member's personal income tax return. Salary income is considered as earned income and profit share income is considered as unearned income.

(d) **Earned income determination.** TANF cash assistance benefit amount is determined based on actual gross income received in the current or past month, when known, and the best estimate of anticipated gross income for future months.

(1) **Income verification.** When income verification is needed, the worker gives or sends Form 08AD092E, Client Contact and Information Request, to the client specifying the income verification needed and gives the client at least 10-calendar days to provide the verification.

(A) When an application includes a past month, the worker obtains actual income, when available, to determine income eligibility for the application month.

(B) Once the client provides acceptable verification, no further information is required unless a change occurs or the renewal is due.

(C) When the client reports new employment and has not received representative pay yet, the worker determines the best estimate from information provided by the client and the employer.

(2) **Varying income.** When the assistance unit member receives income in varying amounts, the worker averages the most recent 30-calendar days of income to anticipate income for future months unless the:

(A) member starts new employment and paystubs are not available. When pay stubs are not available, the worker contacts the employer to obtain the member's hourly wage, anticipated weekly hours, and pay frequency;

(B) hourly wage changes. The worker obtains a paystub(s) that shows the member's new hourly rate, uses the past 30-calendar days of paystubs to average the member's weekly hours, and multiplies the hours by the new pay rate to anticipate income. When a paystub showing the new hourly rate is not available, the worker contacts the employer to verify the new hourly rate;

(C) member's work hours change. When paystubs are not available, the worker contacts the employer to verify the increase or decrease in hours. The worker multiplies the new hours by the hourly wage to anticipate the member's new earnings;

(D) member obtains a second job. The worker averages the client's first 30-calendar days of paystubs from the second job, when available, or contacts the employer to obtain the member's hourly wage, anticipated weekly hours, and frequency of pay. The worker computes the monthly earnings from each job separately and then adds the earnings together for the total month's gross earnings;

or

(E) paystubs are not representative of the normal circumstances. In this instance, the worker only uses the representative paystubs to anticipate future income.

(3) **Income conversion to monthly amount.** When the assistance unit member receives income more often than monthly, the worker converts the income to a monthly amount as described in (A) - (D) of this paragraph. Income received:

(A) on a daily basis is converted to a weekly amount, then multiplied by 4.3;

(B) weekly is multiplied by 4.3;

(C) twice a month is multiplied by 2; or

(D) every two weeks is multiplied by 2.15.

(e) **Benefit changes.** The client is responsible for reporting income changes within 10-calendar days of when the change takes place. The worker is responsible for taking timely action within 10-calendar days of the date the client reports the change. All client notices must include the timely reporting requirement.

(1) The TANF cash assistance benefit may be closed based on actual or anticipated earnings when the assistance unit's net income is over the payment standard, per Oklahoma Human Services Appendix C-1, Schedule IX. To determine net income, the worker subtracts the earned income disregard, when applicable, per OAC 340:10-3-31.1 and the earned income exemptions, per OAC 340:10-3-33, from gross earned income.

(2) The TANF benefit may be reopened due to administrative error, per OAC 340:65-5-6, when the client reports within 30-calendar days of the effective closure date that the anticipated income was not received or was less than expected and did not cause ineligibility.

340:10-3-33. Individual earned income exemptions

Exemptions from each individual's earned income include a monthly standard work related expense and one-half of the remaining earned income. Exemptions are also allowed for child and adult dependent care expenses the individual is responsible for paying if expenses are not paid through other state and federal funds and the dependent care is in a licensed facility or home. Exempt income is income that by law is not considered in determining need for financial assistance in the Temporary Assistance for Needy Families (TANF) category. Income exempt for one individual is not taken into consideration in determining the need of any other individual for assistance in the State Supplemental Payment (SSP) for the aged, blind, and disabled and TANF.

(1) **Work related expenses.** The standard deduction for work related expenses such as income tax payment, Social Security taxes, and transportation to and from work, is automatically determined monthly for each full-time or part-time employed member of the assistance unit. The standard deduction for work related expenses is:

- (A) \$240 for an applicant or recipient employed a minimum of 30 hours per week;
- (B) \$120 for an applicant or recipient employed less than 30 hours per week; and
- (C) \$120 for an individual whose income is considered in determining the amount of the TANF cash assistance.

(2) **One-half remainder.** For all countable income earned by each member included in the assistance unit, as well as a stepparent who is not included in the assistance unit, one-half of the remaining earned income is exempted per OAC 340:10-3-57(e)(1). The one-half remainder exemption is not applied to earnings received by participants while in the Subsidized Employment Program (SEP).

(3) **Dependent care expenses.** Dependent care expenses are applied after all other earned income exemptions.

- (A) Dependent care expenses are not deducted from earnings of participants while in SEP. Dependent care expenses may be deducted when:
 - (i) suitable care for a child or incapacitated adult included in the TANF assistance unit is not available from responsible individuals living in the home or through other sources;

(ii) the employed TANF assistance unit member whose income is considered in computing the amount of the benefit must purchase care;

(iii) the gross earned income equals or exceeds the work related and dependent care expenses combined;

(iv) the child or incapacitated adult receives care in a properly licensed facility or from an approved in-home provider as required by Oklahoma law; and

(v) the stepparent of the child(ren) for whom TANF is requested is living in the home and has dependents not included in the assistance unit who are also living in the home per OAC 340:10-3-57(e) (1).

(B) Dependent care expenses must be verified. The actual amount paid per month is deducted up to a maximum of \$200 for a dependent under the age of two years or \$175 for a dependent two years of age and older or for an incapacitated adult. When considering the dependent care expense, only actual work hours and travel time between work and the care facility is allowed. Payment for dependent care is the individual's responsibility. The individual must immediately report any changes in the plan of care.

(C) Dependent care provided by another individual in the household who is not a member of the assistance unit may be considered an expense as long as the caregiver meets applicable state, local, or tribal laws.

340:10-3-39. Unearned income determination

(a) **Unearned income.** When the client has income from one or more of the income sources listed in (1) through (14) of this subsection, the income source and amount is verified and considered as unearned income.

(1) **Capital investments.** Proceeds from interest or dividends from capital investments that include savings accounts, bonds, other than United States (U.S.) Savings Bonds, notes, and mortgages received after certification constitute unearned income.

(2) **Real property held as a resource.** When the client has income from property held as a resource, the worker deducts actual business expenses before considering the remainder as unearned income.

(3) **Life estate and homestead rights.** When the client receives income from a life estate and homestead rights, it is counted as unearned income, per Oklahoma Administrative Code (OAC) 340:10-3-4(d).

(4) **Minerals.** When the client owns minerals, but not the surface rights, only actual income from minerals, delayed rentals, and production is considered. When the client does not have documentary evidence of the income amount, the worker or client obtains income verification from the firm or person who is making the payment.

(5) **Contributions.** Contributions the client recurrently receives are considered unearned income. Payments made to a vendor on the client's behalf are not considered countable contributions.

(6) **Child support.** Child support assigned and retained by Oklahoma Human Services (OKDHS) Child Support Services (CSS) is not considered as income to the client, per OAC 340:10-10-7.

(A) Child support payments an applicant receives prior to certification are considered unearned income for the month received.

(B) When CSS sends the client child support after certification because more is collected than is owed to OKDHS, it is considered as unearned income.

(C) When the Temporary Assistance for Needy Families (TANF) payee is a minor parent and lives with an adult relative who receives child support for the minor parent, the child support is considered as unearned income for the minor parent as CSS does not assign or retain it.

(7) Retirement, disability, and unemployment benefits.

Income received monthly from annuities, pensions, retirement, veterans' or disability benefits, workers' or unemployment compensation, survivors' or Social Security benefits are considered unearned income. When the client receives retirement income as a lump sum payment upon retirement, it is considered as a resource instead of income, per OAC 340:10-3-5(a)(9)(D). Supplemental Security Income (SSI) is not considered because the SSI recipient is not part of the TANF cash assistance unit, per OAC 340:10-3-57(b).

(8) Military benefits. Military benefits such as pensions, compensation, dependents' allowances, and similar benefits are considered as countable unearned income. When the client states that any member of the assistance unit, former spouse, or a non-custodial parent is or was in the military, the worker checks with state and federal veterans' agencies to determine if any benefits are available to the assistance unit.

(9) Financial aid from any agency or organization. Financial aid provided to students or financial aid provided by agencies or organizations that base their payment on the financial need of the household is only considered as countable unearned income when the purpose of the assistance duplicates the purpose of the TANF cash assistance.

(A) Financial aid given by other agencies or organizations because of a household's financial need does not constitute duplication when the financial aid is given for goods and services that are not included in the TANF need standard.

(B) TANF cash assistance's purpose is to provide for the assistance unit's basic needs; such as food, clothing, basic medications, personal items, shelter, utilities, and household equipment, per OAC 340:10-1-3(e).

(C) When educational assistance serves the same purpose as TANF cash assistance, such as when the client receives a stipend for living expenses, the stipend is countable income.

(D) When the assistance an agency or organization provides duplicates the purpose of TANF and:

(i) does not exceed the difference between the TANF payment and need standard by family size,

per OKDHS Appendix C-1, Maximum Income Resource, and Payment Standards, Schedule IX, it is not considered as income; or
(ii) exceeds the difference between the payment and need standard, it is considered as unearned income.

(10) **Casual and inconsequential gifts.** Monetary gifts, such as Christmas, birthday, or graduation gifts is counted as unearned income when the gift amounts per person exceed \$30 per calendar quarter.

(A) When a single gift exceeds \$30, the entire amount is counted as unearned lump sum income, per OAC 340:10-3-28.

(B) When the recipient claims the gift is intended for more than one person in the assistance unit, it can be divided among these persons. Gifts between assistance unit members are not counted.

(11) **Grants.** Grants that are not based on financial need are considered income to the extent the grant is available for current maintenance.

(A) Any portion of the grant that is expended, designated, or intended for items not included in current maintenance is excluded provided documentation is provided to justify the exclusion.

(B) The countable amount of a grant received for a period covering more than one month is prorated over the period it is intended to cover.

(12) **Funds held in trust by Bureau of Indian Affairs (BIA).** The BIA frequently puts a person's trust funds in an Individual Indian Money (IIM) account.

(A) When the BIA states that the funds are unavailable and are not disbursed, the funds are not considered in determining eligibility. When the BIA disburses any portion of the funds to the client, guardian, or conservator, such funds are considered as available unearned income unless the income is disregarded, per OAC 340:10-3-40.

When countable funds are disbursed:

- (i) on a monthly basis, the income is treated as unearned income in the month received;
- (ii) on a regular basis, less often than monthly, the income is averaged over the number of months it is intended to cover, per OAC 340:10-3-28(1); or
- (iii) in a one-time payment, the income is considered a nonrecurring lump sum payment in the month received, per OAC 340:10-3-28(2).

(B) When the BIA states the account is unavailable and does not have a monthly disbursement plan, but an account review reveals a recent disbursement history to the client, guardian, or conservator, this may indicate that all or a portion of the account is available. When this occurs, the funds are considered as unavailable because of

a legal impediment until the situation is resolved with the BIA.

(C) When the BIA makes disbursements to a third-party vendor in payment for goods or services, the disbursements are not considered as countable income.

(13) **Profit sharing.** When a household member is a shareholder in an S corporation or a partner in a limited partnership or limited liability company, he or she may receive a distribution or profit share of the business. This is considered unearned income.

(b) **Unearned income determination.** Unearned income is determined based on actual income received in the current or past month, when known, and the best estimate of anticipated income for future months. When the client receives unearned income in varying amounts, the worker may average the income over a six-month period to determine anticipated income when averaging income over a longer time period is more representative. The worker only uses representative income amounts.

(1) **Income conversion to monthly amount.** When the client receives income more often than monthly, the worker converts the income to a monthly amount as described in (A) - (D) of this paragraph. Income received:

(A) on a daily basis is converted to a weekly amount, then multiplied by 4.3;

(B) weekly is multiplied by 4.3;

(C) twice a month is multiplied by 2; or

(D) every two weeks is multiplied by 2.15.

(2) **Benefit changes.** The client is responsible for reporting income changes within 10-calendar days of when the change takes place. The worker is responsible for taking timely action within 10-calendar days of the date the client reports the change.

(A) When the anticipated unearned income change is over the payment standard, per OKDHS Appendix C-1, Schedule IX, the worker closes the TANF cash assistance benefit effective the next advanced notice date, per OKDHS Appendix B-2, Deadlines for Case Actions.

(B) The TANF benefit may be reopened due to administrative error, per OAC 340:65-5-6, when the client reports within 30-calendar days of the effective closure date that the anticipated income was not received or was less than expected and did not cause ineligibility.

340:10-3-40. Income disregards

Income that is disregarded in determining eligibility for Temporary Assistance for Needy Families (TANF) includes:

(1) the food benefit allotment under the Food and Nutrition Act of 2008;

(2) any payment received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;

(3) educational assistance, such as grants, work study, scholarships, fellowships, educational loans with deferred payment, and veterans education benefits. When the educational assistance is serving the same purpose as TANF cash assistance, such as when the client receives a stipend for living expenses, the stipend is countable income. The student's classification as a graduate or undergraduate is not a factor;

(4) loans, regardless of use, when a bona fide debt or obligation to pay can be established.

(A) Criteria to establish a loan as bona fide includes an acknowledgment of obligation to repay or evidence that the loan was from a person or financial institution in the loan business.

(B) When the loan was from a person(s) not in the loan business, the client's acknowledgment of obligation to repay, with or without interest, is required to indicate that the loan is bona fide.

(C) When the loan agreement is not written, the client and lender must complete and sign Form 08AD103E, Loan Verification, or a written statement, attesting that the loan is bona fide and verifying the date and amount of loan.

(D) When the client receives loans on a recurrent or regular basis from the same source to meet expenses, the client and lender must sign an affidavit that states the payments are loans that must be repaid or that payments will be made in accordance with an established repayment schedule;

(5) Indian payments, including judgment funds or funds held in trust, distributed per capita by the Secretary of the Interior, Bureau of Indian Affairs (BIA) or distributed by the tribe subject to the Secretary of the Interior's approval. For this paragraph's purposes, per capita is defined as each tribal member receiving an equal amount.

(A) Any interest or investment income accrued on such funds while held in trust or any purchases made with judgment funds, trust funds, interest, or investment income accrued on such funds is disregarded.

(B) Any income from mineral leases or from tribal business investments is disregarded as long as the payments are paid per capita.

(C) Any interest or income derived from the principal or produced by purchases made with the funds after distribution is considered as any other income;

(6) special allowance(s) from the student's trust funds for school expenses made available upon petition in writing;

(7) income from trusts of a child(ren) included in a TANF benefit when the worker determines that funds are to be used for

educational purposes for a child(ren). Any court established trust must be examined to determine if the court restricted the trust for other purposes. The worker must verify at application and renewal if funds were withdrawn. Any funds withdrawn are treated as lump sum unearned income unless it is documented the funds were used for a child(ren)'s educational purposes;

(8) income from accounts, stocks, and bonds held under the control of a third party when the funds are:

(A) designated for educational purposes for a child(ren) in a TANF benefit even when a child(ren)'s name is on the account and the third-party holder is required to access the funds; or

(B) established to pay for non-elective medical expenses or funeral expenses for an assistance unit member, per OAC 340:10-3-5(a)(4)(D);

(9) benefits from state and community programs on aging, per Title III and Title V of the Older Americans Act of 1965 as amended by Public Law (P.L.) 100-175, Older Americans Act Amendments of 1987, and P.L. 114-144, Older Americans Reauthorization Act of 2016. Each state and various organizations receive Title V funds. These organizations include:

(A) Experience Works;

(B) National Council on Aging;

(C) National Council of Senior Citizens;

(D) American Association of Retired Persons Foundation;

(E) United States (U.S.) Forest Service;

(F) National Association for Spanish Speaking Elderly;

(G) National Urban League;

(H) National Council on Black Aging;

(I) National Council on Indian Aging;

(T) Operation A.B.L.E. of Greater Boston, Inc.;

(U) Senior Service America, Inc.;

(V) SER-Jobs for Progress National, Inc.;

(W) Workplace, Inc.; and

(X) VANTAGE Aging;

(10) unearned income received by a child(ren) in a TANF benefit, such as a needs based payment, cash assistance, compensation in lieu of wages, or allowance from a program funded by the Workforce Innovation and Opportunity Act (WIOA) of 2014, including Job Corps income and earned income received as wages;

(11) payments for supportive services or reimbursement for out-of-pocket expenses made to individual volunteers serving as foster grandparents, senior health aides, or senior companions, and to persons serving in the Service Corps of Retired Executives and Active Corps of Executives;

(12) payments, allowances, or earnings to persons participating in the AmeriCorps State and National program or the AmeriCorps National Civilian Community Corps authorized by the National and Community Service Act of 1990, 42 U.S.C. § 12637(d); and other payments to volunteers authorized by the National and Community Service Trust Act of 1993, P. L. 103-82, 42 U.S.C. §§ 12571, et seq. and administered by the Corporation for National and Community Service;

(13) the value of supplemental food assistance received under the Child Nutrition Act or the special food service program for children under the National School Lunch Act;

(14) any portion of payments made under the Alaska Native Claims Settlement Act to an Alaska Native that are exempt from taxation under the Settlement Act;

(15) any income of an adult or a child(ren) in the family group living in the home and receiving Supplemental Security Income (SSI) is not considered in determining the TANF benefit. The Social Security Administration considers the individual's income in determining eligibility for SSI and includes any payment made by Developmental Disabilities Services through the Family Support Assistance Payment Program on behalf of a child(ren) receiving SSI and any other earned or unearned income of the person;

(16) Experimental Housing Allowance Program payments made under Annual Contributions Contracts entered into prior to January 1, 1975, under Section 23 of the US Housing Act of 1937, as amended;

(17) earnings of a child(ren) in a TANF benefit who is a full-time student;

(18) government rental or housing subsidies by governmental agencies, such as Housing and Urban Development received in-kind or in cash for rent, mortgage payments, or utilities;

(19) reimbursements from an employer, the Department of Labor, or the BIA, for out-of-pocket expenditures and allowances for travel, training, meals, or supplies including uniforms, to the extent the funds are used for expenses directly related to such travel, training, meals, or supplies;

(20) Low Income Home Energy Assistance Program payments for energy assistance and payments for emergency situations under Emergency Assistance to Needy Families with Children;

(21) federal or state Earned Income Tax Credit refunds received after December 31, 2009, as a result of filing a federal or state tax return are exempt as income for 12 months following receipt, per the Tax Relief, Unemployment Insurance Authorization, and Job Creation Act of 2010, P.L. 111-312;

(22) payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in the In Re Agent Orange product liability litigation, M.D.L. No. 381 (E.D.N.Y.);

(23) payments made from the Radiation Exposure Compensation Trust Fund as compensation for injuries or deaths resulting from the exposure to radiation from nuclear testing and uranium mining;

(24) federal major disaster and emergency assistance provided, per the Robert T. Stafford Disaster Relief and Emergency Assistance Act, P.L. 93-288 as amended, 42 U.S.C. § 5155(d) and comparable disaster assistance provided by states, local governments, and disaster assistance organizations;

(25) interests of individual Indians in trust or restricted lands;

(26) individual Indians' income up to \$2,000 per calendar year derived from leases or other uses of individually-owned trust or restricted lands. Any remaining disbursements from the trust or the restricted lands are considered unearned income;

(27) payments received under the Civil Liberties Act of 1988. These payments are made to persons of Japanese ancestry who were detained in internment camps during World War II;

(28) payments made to persons because of their status as victims of Nazi persecution;

(29) interest accrued from deposits made by a person into an Individual Development Account up to \$2,000;

(30) stipends paid to students participating in the Indian Vocational Education Program through the Carl D. Perkins Vocational and Applied Technology Education Act;

(31) payments made from the crime victims compensation program as amended in Section 1403 of the Victims of Crime Act of 1984, 42 U.S.C. § 10602;

(32) reimbursements made to a foster care parent(s) or a potential foster care parent(s);

(33) payments as described in 38 U.S.C. § 1823(c) provided to certain persons who are children of Vietnam War veterans;

(34) allowances, stipends, earnings, compensation in lieu of wages, or other payments made for participation in WIOA or other federally-funded grants and workforce training programs paid to persons of all ages and student status;

(35) child support judgments or arrearage payments received for a child(ren) no longer age-eligible for the TANF cash benefit;

(36) money deposited into or withdrawn from a qualified Oklahoma Achieving a Better Life Experience (ABLE) Program account, or an ABLE account in any other state, owned by the designated account beneficiary to pay for qualified disability expenses (QDE), is excluded from income or resource consideration, per Sections 4001.1 through 4001.5 of Title 56 of the Oklahoma Statutes and the ABLE Act of 2014, 26 U.S.C. § 529A. A person may have only one ABLE account.

(A) The client must provide documents to verify the account meets exemption criteria before the funds are

excluded. Once the client verifies that the savings or trust account is a valid ABLÉ account, no further account information is required.

(B) A contribution to an ABLÉ account by another individual is excluded unless the contribution exceeds the annual federal gift tax exclusion amount, per 26 U.S.C. § 2503(b). Any money deposited in the account in the calendar year that exceeds the annual federal gift tax exclusion amount is considered as a countable resource in the amount deposited.

(C) A distribution from an ABLÉ account that is retained after the month of receipt is excluded in any month when spent on a QDE. Money withdrawn for reasons other than to pay a QDE is considered as a countable resource for the month of withdrawal.

(D) A QDE is any expense related to the blindness or disability of the individual and made for the benefit of the individual. QDE's include, but are not limited to:

- (i) education;
- (ii) housing;
- (iii) transportation;
- (iv) employment, training, and support;
- (v) assistive technology;
- (vi) health;
- (vii) prevention and wellness;
- (viii) financial management and administrative services;
- (ix) legal fees;
- (x) ABLÉ account oversight and monitoring;
- (xi) funeral and burial; and
- (xii) basic living;

(37) income received by a member of the U.S. Armed Forces, per 37 U.S.C. Chapter 5 and Section 273.9(c)(20) of Title 7 of the Code of Federal Regulations that is:

(A) received in addition to the service member's basic pay during combat deployment;

(B) received as a result of the service member's deployment or service in an area designated as a combat zone as determined, per Executive Order or P.L.; and

(C) not received by the service member prior to the service member's deployment to or service in a federally designated combat zone;

(38) economic impact payments received as a result of a national or state emergency are considered as a rebate or advance payment of a credit and are excluded as income and from resource consideration for a period of 12 months from receipt date when determining eligibility for benefits or assistance under any federal program or under any state or local program financed in whole or in part with federal funds, per Section 103(d) of the American Taxpayer Relief Act, as amended, 26 U.S.C. § 6409;

(39) casual and inconsequential gifts, such as Christmas, birthday, or graduation gifts that do not exceed \$30 per calendar quarter for each person in the cash assistance unit. When the recipient claims that the gift is intended for more than one person in the assistance unit, it can be divided among these persons;

(40) financial aid provided to persons by agencies or organizations when the purpose of the assistance does not duplicate the purpose of the TANF assistance, per OAC 340:10-3-39(9);

(41) income received from the Oklahoma Department of Rehabilitation Services that is allocated for items not covered in the TANF standards, per OAC 340:10-1-3(e). Examples of disregarded assistance or services are car fare to a rehabilitation center, extra clothing, lunches, grooming needed for a training program, and any other such complementary payments.

340:10-3-56. Household composition

(a) **Household composition.** Household members who must be, may be, and must not be included in the Temporary Assistance for Needy Families (TANF) assistance unit are defined in this Section.

(1) Persons who must be included in the assistance unit, unless otherwise excluded per (3) of this subsection, are:

- (A) at least one TANF eligible child or a pregnant applicant or recipient who has no other children in the home;
- (B) the natural or adoptive parent(s); and
- (C) all blood-related minor siblings living in the home with the TANF eligible child(ren), including half-brothers and half-sisters, unless:
 - (i) eligibility for the half-brothers and half-sisters does not exist;

- (ii) a minor parent is the adult in the assistance unit and the minor parent's siblings live in the same home;
- (iii) a blood-related minor sibling receives Supplemental Security Income (SSI); or
- (iv) a blood-related minor sibling is an ineligible alien, per Oklahoma Administrative Code (OAC) 340:10-15-1.

(2) Persons whose needs may be included are:

(A) the stepparent when the natural or adoptive parent is incapacitated, per OAC 340:10-10-2 or absent, per OAC 340:10-10-4;

(B) a caretaker relative-payee meeting the definition of needy, per OAC 340:10-3-30(c), who lives with the child(ren), takes responsibility for their needs because the natural or adoptive parent is absent from the home, and is of the specified degree of relationship, per OAC 340:10-9-1.;

(C) the natural or adoptive parent or a caretaker relative when the only dependent child(ren) residing in the home:

(i) receives SSI; or

(ii) was removed from the home by a child protection action and the plan for the child(ren) is impending reunification, per OAC 340:10-3-57(i);

(D) the caretaker relative when the only child(ren) in the home receives federal or state foster care maintenance payments;

(E) the adoptive parent(s) when the only dependent child(ren) receives a Title IV-E or state adoption subsidy;

(F) a family that includes any head of household or a spouse of the head of household who received TANF benefits for a total of 60-cumulative months nationwide, whether consecutive or not, and a hardship extension is approved. All other TANF eligibility conditions must be met. The hardship extensions are:

(i) under-employment. This occurs when the parent or needy caretaker regularly works 30 hours or more per week, earns at least minimum wage or its equivalent, and the assistance unit's income is insufficient to close the TANF cash assistance;

(ii) chronically under-employed. This occurs when the parent or needy caretaker is under-employed over an extended time period because of documented barriers;

(iii) pending SSI or Social Security Administration (SSA) disability application. This extension is granted only when Adult and Family Services (AFS) TANF Unit staff determines the disability application has merit and the participant pursues all appeals through a decision by the SSA Appeals

Council. When the SSA Appeals Council issues an unfavorable decision after the parent or needy caretaker is approved for a hardship extension, the worker notifies AFS TANF Unit staff, and closes the TANF benefit for the next advance notice effective date, per Oklahoma Human Services Appendix B-2, Deadlines for Case Actions;

(iv) care of a disabled child(ren) or spouse. This extension is granted only when verification is provided to show the participant is needed in the home to care for this disabled person and alternative care is unavailable;

(v) a clinical diagnosis of mental illness. The participant is diagnosed with, and receiving treatment for, a mental disorder listed at Part 404, Subpart P, Appendix 1 of Title 20 of the Code of Federal Regulations. This mental illness must interfere with the participant maintaining or obtaining gainful employment. When appropriate, the participant participates in other work activities in conjunction with receiving treatment;

(vi) a substance abuse treatment plan, per OAC 340:10-2-6. The participant has a treatment plan requiring:

(I) intensive aftercare treatment for nine hours or more per week in conjunction with other appropriate work activities;

(II) outpatient treatment for nine hours or more per week in conjunction with other appropriate work activities; or

(III) is in full-time inpatient treatment;

(vii) a continuing training or educational activity. The participant, during the 60th month, is regularly attending an approved training or educational activity that will be completed in less than 12 months;

(G) a child(ren) of a minor in foster care when the minor's child is not included in a foster care payment; or

(H) a child(ren) living with a parent permanently deemed ineligible due to a fourth violation of using the TANF cash assistance in a prohibited location, per OAC 340:10-3-57(h)(2).

(3) Persons whose needs may not be included are:

(A) a person who received a State Supplemental Payment (SSP) for the same month;

(B) a person who received or is included in an SSI payment for the same month;

(C) the payee's spouse when the payee is not the natural or adoptive parent;

(D) a child(ren) included in a foster care payment;

(E) an adopted child(ren) receiving an adoption subsidy;

(F) an alien who is not legally admitted to the United States for permanent residence or does not meet alienage requirements;

(G) a caretaker other than a stepparent when the natural or adoptive parent is in the home;

(H) a person whose period of ineligibility due to receipt of a lump sum payment has not expired;

(I) a stepparent when the natural or adoptive parent is in the home and not incapacitated;

(J) a person in a household that is eligible to receive benefits under a tribal TANF program;

(K) a fugitive felon;

(L) a probation or parole violator;

(M) a person convicted of having fraudulently misrepresented residence in order to obtain assistance in more than one state. The person is ineligible for a 10-year period that begins on the conviction date;

(N) child(ren) in a family that includes any head of household or a spouse of the head of household who received TANF benefits for a total of 60-cumulative months, whether or not consecutive, and a hardship extension is not approved;

(O) a minor unmarried payee who has a dependent child(ren) in the minor's care and does not reside with a parent(s), legal guardian, or other adult relative 18 years of age or older.

(i) For the minor payee to be eligible for TANF benefits, the minor must live:

- (I) with the minor's natural or adoptive parent(s);
- (II) with a stepparent;
- (III) with a legal guardian;
- (IV) with another adult relative 18 years of age or older; or
- (V) in a foster home, maternity home, or other adult supervised supportive living arrangement. A supportive living arrangement is a privately maintained family setting and an adult assumes the responsibility for the care and control of the minor and the minor's dependent child(ren) or provides supportive services, such as counseling and guidance.

(ii) The minor payee may reside elsewhere and be eligible for TANF if good cause is established because the:

- (I) minor has no living parent or legal guardian whose whereabouts are known;
- (II) parent(s), legal guardian, or other adult relative does not allow the minor to live in the home;

(III) physical or emotional health or safety of the minor or the minor's dependent child(ren) is jeopardized when the minor or the minor's dependent child(ren) lives in the home with the parent(s), legal guardian, or other adult relative 18 years of age or older;

(IV) minor parent has lived apart from his or her parent(s), legal guardian, or other adult relative 18 years of age or older for at least one year before the birth of the child or before the minor applies for benefits; or

(V) minor parent is legally emancipated, per Chapter 4, Title 10 of the Oklahoma Statutes. A minor is legally emancipated when the district court granted the minor authority to act on his or her own behalf;

(P) an adult parent or needy caretaker permanently deemed ineligible due to a fourth violation of using TANF cash assistance in a prohibited location, per OAC 340:10-3-57(h)(1)(D).

(b) Temporary absence. In general, when a person included in a TANF assistance unit is temporarily absent from the home, he or she continues to be included for at least three months unless circumstances unrelated to the temporary absence occurs or a longer period of absence is permitted as indicated in this subsection. Persons temporarily absent from the home and included in the assistance unit are a:

(1) person receiving training or education for employment during the time the training or educational activities take place;

(2) child(ren), during the school term, attending:

(A) boarding school;

(B) the School for the Blind or the School for the Deaf;

(C) school, other than boarding school, when:

(i) the parent or needy caretaker maintains normal ties with the child;

(ii) the child(ren) continues under the payee's control and guidance during the absence; and

(iii) the payee is responsible for meeting the child(ren)'s expenses;

(3) child(ren) absent from the home to visit the non-custodial parent for a maximum of three months. This consideration applies only to visitation and does not apply if the non-custodial parent has physical and legal custody of the child(ren) during these three months;

(4) person absent from the home because of entrance into a private facility for treatment, rehabilitation, behavioral problems, or special training for up to four months. When an assessment indicates the person is expected to be absent more than four months, the person's needs are not included in the assistance unit;

- (5) person absent from the home for medical services, other than institutionalization for mental illness treatment, intellectual disability, or tuberculosis, for up to six months. Six-month extensions may be allowed when verification indicates the person may return to the home within the next six months;
- (6) person absent from the home to receive substance abuse treatment for up to four months when not subject to requirements, per OAC 340:10-4-1. A four-month extension may be allowed when verification indicates the person will return to the home within the next four months; or
- (7) person absent from the home to receive nursing care approved by the Oklahoma Health Care Authority, Level of Care Evaluation Unit. When it appears the person is disabled, an SSP application is taken, and a referral made to the SSA district office for an SSI application.

340:10-3-57. Special considerations

(a) Parent receiving or applying for State Supplemental Payment (SSP) for the aged, blind, or disabled. A person must not concurrently be included in a Temporary Assistance for Needy Families (TANF) assistance unit and SSP for the same month. The person may be included in the TANF assistance unit while an application is pending for SSP or Supplemental Security Income (SSI) when all eligibility requirements are met.

(1) When a parent lives in the home, receives SSP, and is not included in the TANF benefit , the worker does not consider the parent's income or resources as available to the TANF assistance unit.

(2) When a parent becomes ineligible for SSP and does not receive SSI, the worker considers the parent's income, resources, and deprivation status in determining TANF eligibility for the assistance unit and the parent.

(A) When adding the parent and his or her income causes the TANF assistance unit to be over income per Oklahoma Human Services (OKDHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX, the worker closes the TANF and medical benefit.

(B) When the parent's SSP benefit closed because of an overall Social Security increase and the parent cannot be added to the TANF benefit, the worker places the SSP

benefit in Special Medical Status.

(3) When a parent becomes ineligible to receive SSP but continues to receive SSI, the worker does not consider the parent's income or resources as available to the TANF assistance unit. The parent must complete a separate SoonerCare (Medicaid) application to continue receiving medical benefits.

(b) Concurrent receipt of TANF and SSI. A person must not concurrently be included in a TANF benefit and receive an SSI payment for the same month. When a person included in a TANF application or an active TANF benefit meets the eligibility conditions for TANF and SSI, the person may choose to have eligibility determined for TANF or SSI benefits. The payee must inform OKDHS Adult and Family Services (AFS) worker when any member of the assistance unit makes application for, or becomes eligible to receive, SSI. When the payee or a member of the assistance unit makes an application for SSI, the payee must inform the Social Security Administration (SSA) of TANF receipt.

(1) When the only dependent child(ren) receives SSI, the natural or adoptive parent(s) or needy caretaker relative may receive an adult-only TANF benefit when all other eligibility factors are met.

(2) When a TANF applicant is also an SSI applicant, he or she may be included in the TANF benefit, when eligible, until notified of SSI eligibility.

(3) When a TANF recipient is an SSI applicant, SSA notifies OKDHS of SSI eligibility to coordinate closure of the person's TANF benefit and approval of SSI and requests the amount of TANF benefits paid for each month of SSI eligibility. When the actual closure date is later than the date given orally to SSA, TANF payments to SSI recipients are TANF overpayments and must be recouped per Oklahoma Administrative Code (OAC) 340:65-9.

(4) When a TANF recipient is determined ineligible for SSI, the person may continue to be included in the TANF assistance unit when all other conditions of eligibility are met.

(5) When a TANF recipient is determined ineligible for SSI for reasons other than a disability determination, the person may be included in a SSP cash assistance benefit instead of TANF, when determined disabled by the Oklahoma Health Care Authority (OHCA) Level of Care Evaluation Unit (LOCEU) per OAC 317:35-5-4(1)(D).

(c) Concurrent receipt of state and tribal TANF. A person must not be concurrently included in a tribal TANF payment and a state approved TANF benefit in the same month. When the person meets the criteria of a tribal TANF service area and population, the entire assistance unit must be served by tribal TANF. When the household moves out of the tribe's service area, the worker coordinates certification of state TANF benefits.

(d) Concurrent receipt of TANF in more than one state. A person must not be included in a TANF benefit in Oklahoma and another state for the same month.

(e) Stepparent, needy caretaker's spouse, person acting in the role of a spouse, or parent(s) of a minor parent. The natural or adoptive

parent's income is available to the TANF assistance unit, and the worker does not divert income to meet the needs of the stepparent or other dependents in the home. The worker does not count any income when the stepparent, needy caretaker's spouse, person acting in the role of a spouse, parent(s) of a minor parent, or his or her dependent is an SSI recipient.

(1) **Stepparent or spouse of needy caretaker income.** When a stepparent or the needy caretaker's spouse lives in the home with the child(ren) applying for or receiving TANF, the worker counts a portion of his or her verified gross earned and unearned income, after all applicable TANF income disregards and work-related expenses are subtracted, as income available to the assistance unit. To determine the amount to consider, the worker:

(A) subtracts the work-related expense, one-half of the remaining gross earned income, and any dependent care expense from the stepparent's or spouse of a needy caretaker's earned income per OAC 340:10-3-33;

(B) adds the net earned income to the gross unearned income of the stepparent or the spouse of a needy caretaker;

(C) subtracts the need standard for the appropriate number of persons per OKDHS Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX.A. The need standard includes:

(i) the stepparent or needy caretaker's spouse ; and
(ii) any dependents not included in the assistance unit but who:

(I) live in the home; and

(II) can be claimed on the personal income taxes of the stepparent or needy caretaker's spouse ; and

(D) subtracts the verified alimony and child support payments to persons outside of the household to arrive at the stepparent's contribution to the assistance unit; and
(E) adds the contribution of the stepparent or spouse of a needy caretaker's to all other gross income of persons included in the TANF assistance unit to determine eligibility.

(2) **Stepparent or spouse of a needy caretaker resources.**

The worker does not consider resources owned exclusively by the stepparent or spouse of a needy caretaker to determine the assistance unit's resource eligibility but does consider the assistance unit's share of resources owned jointly with the stepparent or spouse of a needy caretaker.

(3) **Person acting in the role of a spouse.** The worker must count the income of a person acting in the role of a spouse who lives in the home with the natural or adoptive parent who does not receive a TANF benefit on another case.

(A) For the purpose of this rule, a person is acting in the role of a spouse when one or both of these factors exist:

(i) the parent and the person represent themselves to be a couple; or

(ii) have a physical relationship with each other.

(B) When the client states the conditions in (A) of this paragraph do not exist, factors that may indicate the person is acting in the role of a spouse include, when he or she:

(i) assists in parenting the child(ren), such as exercising responsibility for the child(ren), providing day-to-day care, physical care, and guidance for the child(ren);

(ii) provides financial support for the family beyond his or her own pro rata share of the household expenses;

(iii) shares joint bank accounts or real property ownership with the parent; or

(iv) files a joint tax return with the parent.

(C) The worker computes the income of this person the same as stepparent income, per (1) of this Subsection. The person acting in the role of spouse is not eligible to receive the exemption of one-half of the remainder or a dependent care expense deduction in determining this person's countable earned income.

(D) When the parent or the person acting in the role of a spouse fails to provide information necessary to determine income eligibility, the worker denies the application or closes the cash assistance. The income of non-relative adults may be excluded when the adults have separate living quarters and demonstrate no characteristics of a person acting in the role of spouse.

(4) **Parent(s) of a minor parent.** When a minor parent lives with his or her natural or adoptive parent(s) and the needs of the parent(s) are not included in the assistance unit, the:

(A) parent's income is available to the assistance unit and computed the same as stepparent income, per (1) of this Subsection. The parent of the minor parent may or may not be designated as the substitute payee for the assistance unit; and

(B) income of a minor parent's stepparent is not considered.

(f) **Allocating or diverting income.** When family members are not included in the assistance unit, the worker follows these rules to determine the income available to the assistance unit.

(1) Income received by a person included in the assistance unit is not allocated or diverted to persons who are not in the assistance unit. All countable unearned and earned income of the person is considered available to the assistance unit.

(2) The net income of an alien parent excluded from the benefit because the citizenship or alienage requirement is not met is considered the same as stepparent income, per (e)(1) of this Section. The income of disqualified alien siblings is not

considered when determining eligibility of an otherwise eligible child(ren).

(3) The net income of a fugitive felon excluded from the benefit is considered the same as stepparent income, per (e)(1) of this Section.

(g) Benefit reduction as a result of program violation. The TANF benefit is reduced by 25 percent of the payment standard when a determination of program violation is made. The 25 percent penalty is removed the next effective date when compliance is documented or the penalty time period ends. When multiple types of program violations occur, a 25 percent penalty of the payment standard is imposed for each type of violation. When the benefit reduction causes existing income to be in excess of the benefit amount, the case is closed using the reason for the benefit reduction. The amount of the payment standard reduction applies as Food Stamp Penalty Income (FSPI) in the Supplemental Nutrition Assistance Program (SNAP) per OAC 340:50-7-29(c)(1)(A).

Reasons for benefit reduction are:

- (1) refusal to cooperate in an effort to obtain child support per OAC 340:10-10-5(c);
- (2) failure to apply for or provide a Social Security number per OAC 340:10-12-1;
- (3) failure of a child(ren) in kindergarten to 18 years of age to attend school per OAC 340:10-13-1;
- (4) failure to provide verification of child(ren) immunizations per OAC 340:10-14-1; and
- (5) intentional program violations determined as fraud by court action or an administrative disqualification hearing or administrative hearing waiver per OAC 340:65-9-2(d) and 340:65-9-4.

(h) Benefit reduction penalty resulting from use of the TANF benefit in a prohibited business. Per Section 608(a)(12) of Title 42 of the United States Code and Section 241.4 of Title 56 of Oklahoma Statutes, TANF recipients must not use a debit or electronic benefit transfer (EBT) card containing TANF cash assistance in prohibited businesses. Refer to OAC 340:10-1-3(13) for a list of prohibited businesses and the definition of an EBT transaction.

(1) When the parent or caretaker has violated provisions per OAC 340:10-1-3(13), the worker reduces the TANF cash assistance payment standard by:

- (A) 25 percent for three months for the first violation;
- (B) 35 percent for six months for the second violation;
- (C) 50 percent for 12 months for the third violation; and
- (D) permanently by deeming the parent or needy caretaker ineligible for TANF benefits for subsequent violations.

(2) When the parent or needy caretaker is permanently deemed ineligible to receive TANF cash assistance for this reason and all other factors of eligibility are met, he or she may receive child-only benefits. The ineligible parent's earned and unearned income is considered in its entirety.

(3) The amount of the penalty reduction applies as FSPI for SNAP per OAC 340:50-7-29(c)(1)(A).

(i) TANF eligibility when the child(ren) is placed in out-of-home care. When Child Welfare Services (CWS) staff removes the child(ren) from the home and reasonably anticipates the child(ren) will return home within four months, the natural or adoptive parent or needy caretaker relative may continue to be eligible to receive an adult-only TANF benefit per OAC 340:10-3-56(a)(2)(B)(ii). The adult remains eligible when all other conditions of eligibility are met unless the child(ren) is placed with a relative requesting needy caretaker benefits. The child(ren) must be removed from the TANF benefit effective the next advance notice deadline date per Appendix B-2, Deadlines for Case Actions.

(1) A team consisting of the worker, CWS specialist, natural or adoptive parent or needy caretaker relative, and any other appropriate partner must meet to develop a mutually agreed upon plan of action. The plan must include the parent or needy caretaker's employability plan and strategies to correct the conditions that caused the child(ren) to be removed from the home.

(2) At the end of the four-month period when the child(ren) is not returned to the home, the adult-only TANF benefit is closed.

(j) Strikers. The assistance unit is not eligible for TANF for any month the natural or adoptive parent living in the home participates in a strike on the last day of that month. A caretaker relative is not included in the benefit for any month when that person is participating in a strike on the last day of the month.

340:10-3-59. Assistance benefits

(a) Availability of funds. The Oklahoma Human Services (OKDHS) Temporary Assistance for Needy Families (TANF) Cash Assistance Program is funded by a federal TANF block grant. In the event of insufficient block grant funds, the program may be terminated or benefits not paid during the insufficiency period.

(b) **Maximum benefits.** The maximum benefit a TANF assistance unit is eligible to receive cannot exceed a nine-person payment standard, per OKDHS Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX. A TANF eligible child(ren) who is not a blood-related sibling to the other TANF eligible child(ren) must receive benefits in a separate case, per Oklahoma Administrative Code (OAC) 340:10-3-56(a).

(c) **Minimum payments.** The minimum TANF benefit paid to a recipient is \$10 unless the payment is reduced to recoup an overpayment, per OAC 340:65-9-6. When the TANF cash assistance benefit would be less than \$10, a benefit does not issue. The TANF benefit remains in open status and, when applicable, per OAC 340:10-2, the parent or needy caretaker is subject to TANF Work participation rules. The assistance unit remains eligible for SoonerCare (Medicaid) and may continue to receive food benefits in this case, when eligible.

(d) **Payment to minors.** Minors may be the adult payee for TANF on behalf of others when the minor assumes the responsibilities of an adult and meets all conditions of eligibility for TANF. For rules regarding when a minor parent may not be considered part of the assistance unit, refer to OAC 340:10-3-56(a)(3)(O).

(e) **Pregnant recipients.** A pregnant TANF recipient who does not have any other children in the assistance unit qualifies as a one-person household, per Appendix C-1, Schedule IX.A, until the child's birth. After the birth, the worker adds the child to the assistance unit.

(f) **Overpayments.** When the recipient received assistance but did not meet all conditions of eligibility, refer to OAC 340:65-9 for overpayment procedures.

(g) **Flat grant system and use of benefits.** The flat grant system of budgeting was developed to determine the extent of need based on the number of eligible persons.

(1) A flat grant precludes any agreement on the part of OKDHS to pay or guarantee payment for goods or services provided to recipients by vendors in lieu of a monetary payment.

(2) OKDHS issues TANF cash assistance by debit card or direct deposit, per OAC 340:65-3-6.

(3) OKDHS does not restrict where the recipient uses the TANF benefit, except per OAC 340:10-1-3(13).

PART 7. TRANSITIONAL BENEFITS

340:10-3-75. Continued medical benefits (CMB)

(a) **Conditions for CMB.** The Temporary Assistance for Needy Families (TANF) assistance unit is eligible to receive CMB for the time period

described in (b) or (c) of this Section following TANF benefit closure due to child or spousal support receipt or new or increased earnings of the TANF payee provided the payee is included in the benefit, per Section 408 of the Social Security Act, Section 608 of Title 42 of the United States Code. The medical coverage for CMB recipients is the same as for TANF recipients. CMB eligibility begins effective the TANF benefit closure date or the effective date of closure had the income been reported timely. Only persons included in the assistance unit when the TANF benefit is closed are eligible for CMB. To be eligible for CMB the assistance unit must meet all of the requirements listed in (1) - (5) of this subsection.

(1) At least one member received TANF in at least three of the six months immediately preceding the month the TANF benefit closed.

(2) The payee must be included in the TANF benefit in the month of closure and remain as payee during CMB receipt.

(3) The assistance unit did not fraudulently receive TANF benefits in the six months preceding TANF closure. Refer to Oklahoma Administrative Code (OAC) 340:65-9-4 for fraudulent receipt rules.

(4) The assistance unit must include an eligible child.

(A) An eligible child is a child who is included in the TANF cash assistance benefit in the closure month and continues to meet age requirements, per OAC 340:10-5-1 and relationship requirements, per OAC 340:10-9-1 while receiving CMB.

(B) A child who is not included in the TANF cash assistance benefit because of Supplemental Security Income receipt is also considered an eligible child when he or she is the only child in the home meeting age and relationship requirements.

(C) The eligible child must have met deprivation requirements, per OAC 340:10-10-1 prior to TANF benefit closure but is not subject to deprivation requirements during the CMB eligibility period.

(5) The payee must comply with Soonercare (Medicaid) citizenship and identity verification rules, per OAC 317:35-5-25.

(b) Closure due to child support or spousal support. Medical benefits are continued for up to four months when the TANF closure is due to the receipt of new or increased child support or spousal support in the form of alimony.

(c) Closure due to new or increased earnings of payee. Medical benefits may be continued for up to 12 months when the closure is due to the payee's new or increased earnings. When the payee is the natural or adoptive parent and deprivation is due to the other parent's absence, he or she is required to cooperate with Oklahoma Child Support Services (CSS) while receiving CMB.

(1) **Eligibility.** The CMB eligibility period is divided into two, six-month periods with eligibility requirements and procedures for each period.

(A) **Initial six-month period.** The assistance unit is eligible for CMB when:

- (i) an eligible child remains in the home per (a)(4) of this Section;
- (ii) the payee remains the same; and
- (iii) the assistance unit remains in Oklahoma.

(B) **Additional six-month period.** Medical benefits are continued for the additional six month period when:

- (i) an eligible child remains in the home per (a)(4) of this Section;
- (ii) the payee remains the same;
- (iii) the assistance unit remains in Oklahoma;
- (iv) the assistance unit was eligible for and received CMB for each month of the initial six month period;
- (v) the assistance unit complied with reporting requirements in (4) of this subsection;
- (vi) the assistance unit's average monthly earned income does not exceed the income standard, per the Oklahoma Department of Human Services (DHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule I. The income standard is based on 185 percent of the federal poverty level; and
- (vii) the payee had earnings in each month of the three-month reporting period, unless the lack of earnings was due to an involuntary loss of employment, illness, or other good cause.

(C) **Income eligibility for additional six-month period.**

The worker determines income eligibility for the additional six-month period per rules in (i) through (iii) of this subparagraph.

- (i) The worker disregards the assistance unit's:
 - (I) unearned income;
 - (II) a child's earned income when the child is a full time student; and
 - (III) resources.
- (ii) The gross earnings of all assistance unit members minus the payee's child care expenses incurred for employment purposes must not exceed the income standard per household size on DHS Appendix C-1, Schedule I. To determine income eligibility over the three-month reporting period, the worker averages the:
 - (I) entire assistance unit's gross monthly earnings;
 - (II) family size when changes occurred per (D) of this subsection; and
 - (III) child care expenses. There is no maximum amount for this deduction.

(iii) The earnings of an additional family member are considered only when the member is a natural or adoptive parent. When the additional family member's earnings are considered, he or she is included in the household size for the income test.

(D) **Additional members.** After the CMB begins, the worker:

(i) does not add family members who move into the home to the CMB coverage. This includes siblings and a natural or adoptive parent(s). When the additional member needs medical services, the worker refers the payee to the Oklahoma Health Care Authority (OHCA) online enrollment system at www.mysoonercare.org to complete an application for the additional member. The payee may also complete an application at the local health department, Indian clinic, participating health care provider, or county office; and

(ii) adds a child younger than one year of age to the CMB coverage when the child is deprived of parental support, per OAC 340:10-10-1 and the child's mother is included in the CMB coverage.

(E) **Assistance unit member leaves home and returns.** When an assistance unit member included in the CMB leaves the home and then returns, he or she may be added back to the CMB coverage when all conditions of eligibility are met, provided the member is not the payee.

(F) **Third party liability.** The assistance unit remains eligible for CMB when it obtains health insurance coverage. However, the assistance unit is responsible for reporting all insurance coverage and any changes in the coverage as third party liability must be considered. The worker is responsible for explaining third-party liability and the necessity for filing medical claims with the private insurance before filing with OHCA.

(G) **CMB closure.** The worker closes the CMB any time the assistance unit fails to meet the eligibility requirements included in this Section. When the worker closes the CMB for the assistance unit or any member of the assistance unit, the worker informs the payee that the assistance unit or the member may complete an application for medical benefits under the regular SoonerCare (Medicaid) Program by accessing OHCA's online enrollment system at www.mysoonercare.org or completing an application at the local health department, Indian clinic, participating health care provider, or county office.

(2) **Notification.** DHS sends notices to the assistance unit when CMB is approved and throughout the CMB period. The notices are sent at specific times and inform the assistance unit of its rights and responsibilities. When a TANF benefit closes and the

assistance unit is eligible for CMB, the computer-generated closure notice includes notification of the continuation of medical benefits. DHS sends another computer-generated notice at the same time to inform the assistance unit of the reporting requirements and under what circumstances the medical benefits may be discontinued. Each notice listed in (A) through (C) of this paragraph includes specific information about the assistance unit's reporting responsibilities and serves as the required advance notification in the event benefits are closed because of the information furnished in response to these notices or because the payee does not respond to the notices.

(A) **Notice # 1.** PSNCM1 issues in the third month of the initial continued medical eligibility period. This notice informs the assistance unit of the additional six-month period of CMB, the eligibility conditions, reporting requirements, and appeal rights.

(B) **Notice # 2.** PSNCM2 issues in the sixth month of the continued medical eligibility period only when the assistance unit is eligible for the additional six-month period. This notice informs the assistance unit of the eligibility conditions, reporting requirements, and appeal rights.

(C) **Notice # 3.** PSNCM3 issues in the ninth month of the continued medical eligibility period, which is the third month of the additional six-month period. This notice informs the assistance unit of the eligibility conditions, the reporting requirements, appeal rights, and the expiration of CMB coverage.

(3) **Notices not received.** When the assistance unit does not receive all of the notices listed in (2)(A) through (C) of this subsection, the notices and report forms are not issued retroactively. When the payee notifies the worker he or she did not receive a notice or report form, the worker obtains required information necessary to establish the assistance unit's continued eligibility from the payee and informs him or her to provide earned income proof for the appropriate reporting period.

(4) **Reporting.** The assistance unit is required to periodically report specific information necessary to determine the assistance unit's continued eligibility for CMB. To assist the unit, computer-generated Form 08TA018E, Continued Medical Benefit Reply Form, is sent to the assistance unit with the notices generated during the CMB period. Though preferred, it is not mandatory that Form 08TA018E be returned. The payee may report the information by phone, in an office interview, or by letter. The payee must provide proof of all gross earnings for the three-month reporting period.

(A) The assistance unit must report:

- (i) the gross earned income of the entire assistance unit for the appropriate three-month period;
- (ii) employment-related child care expenses paid by the payee for the appropriate three-month period;

- (iii) any changes in the members of the assistance unit;
- (iv) any residency changes; and
- (v) insurance coverage information.

(B) The reporting requirement time frames are explained in this subparagraph.

(i) The payee must report required information in the third month and return earned income proof by the 12th day of the fourth month. The worker evaluates the information provided to determine the assistance unit's eligibility for the additional six-month period. Even though the payee is required to report required information in the fourth month, no negative action occurs during the initial six-month period for failure to report. When the:

(I) assistance unit returns required information and no longer meets eligibility conditions per (1) of this subsection, the worker closes CMB effective the first day of the seventh month; or

(II) payee fails to report required information and submit earned income proof, CMB automatically suspend effective the first day of the seventh month. When the worker does not reinstate CMB by the advance notice deadline of the suspension month, per DHS Appendix B-2, Deadlines for Case Actions, CMB automatically closes effective the next month.

(ii) The payee must report required information requested in the sixth month and return required earned income proof by the 12th day of the seventh month. When the:

(I) assistance unit returns required information and no longer meets eligibility conditions per (1) of this subsection, the worker closes CMB effective the first day of the eighth month; or

(II) payee fails to report required information and submit earned income proof, CMB automatically suspends effective the first day of the eighth month. When the worker does not reinstate CMB by advance notice deadline of the suspension month, per DHS Appendix B-2 CMB automatically closes effective the next month.

(iii) The payee must report required information requested in the ninth month and return required earned income proof by the 12th day of the tenth

month. When the:

(I) assistance unit returns required information and no longer meets eligibility conditions per (1) of this subsection, the worker closes CMB effective the first day of the eleventh month; or

(II) payee fails to report required information and return required earned income proof by the 12th day of the tenth month, CMB automatically suspends effective the first day of the eleventh month. When the worker does not reinstate CMB by advance notice deadline of the suspension month, per DHS Appendix B-2, CMB automatically closes effective the next month.

(5) **CMB reinstatement.** When the assistance unit subsequently reports the necessary information following suspension, the worker determines eligibility. When all eligibility factors are met during and after the suspension period, the worker reinstates the medical benefits effective the date of the suspension so the assistance unit has continuous medical coverage until the CMB period ends.

(d) **Receipt of medical benefits after CMB ends.** A computer-generated expiration notice is mailed to the assistance unit the month before the CMB period ends to explain how to apply for continued medical benefits. When the assistance unit applies and is determined eligible, medical benefits continue as regular SoonerCare (Medicaid) benefits, not CMB.

340:10-3-81. Adjustment period

(a) **Scope.** In an effort to promote marriage and provide a more secure and stable family situation, an adjustment period up to three months of the existing Temporary Assistance for Needy Families (TANF) benefit may be approved by the worker. The intent of the adjustment period is to assist the family in the payment of outstanding bills and to allow for the gradual assumption of financial responsibilities.

(1) When a TANF recipient marries and the income of the spouse will close the case, an adjustment period may be made available to the family.

(2) If deprivation ends for the child(ren) when the spouse returns home and he or she is not incapacitated or does not meet the unemployed parent policy, an adjustment period may be made available to the family.

(3) At the time the recipient reports his or her marriage or the return of the spouse, it is the responsibility of the worker to discuss the adjustment period with the family to determine possible eligibility.

(4) The marriage of the recipient or return of the spouse must be reported timely. If the TANF recipient fails to report the marriage or return of the absent spouse, the number of months of benefits approved is adjusted accordingly.

(5) The TANF recipient must be made aware the receipt of an adjustment period counts towards the 60-month lifetime limit of receipt of TANF.

(b) **Benefits.** The maximum adjustment period approved is three months. The benefit issued is the same as the existing TANF benefit issued prior to the recipient's marriage or the return of the spouse.

SUBCHAPTER 4. CONDITIONS OF ELIGIBILITY - MANDATORY DRUG SCREENING

340:10-4-1. Mandatory Drug Screening

(a) Per Section 230.52 of Title 56 of the Oklahoma Statutes, adult parents, or needy caretakers who apply for Temporary Assistance for Needy Families (TANF) cash assistance are screened for illegal use of a controlled substance. This screening is necessary to ensure that children are safe in their own homes by ensuring their adult parent(s) or needy caretaker is not using or is not under the influence of illegal substances. Minor parents under 18 years of age are exempt from the provisions in this Section.

(b) The minimum drug screening includes a Substance Abuse Subtle Screening Inventory (SASSI). Additional screening methods may be used based on the person's history with Oklahoma Human Services (OKDHS). When the SASSI screening results high probability, high defense, or invalid, or the client self-declares a substance abuse problem, the client completes a chemical drug screen.

(1) When drug screening results indicate low probability or are negative for the illegal use of a controlled substance, the worker does not include substance abuse treatment or mental health counseling as a part of the adult parent's or needy caretaker's employability plan.

(2) When the chemical drug screen shows a positive result for an illegal substance, the:

(A) adult parent or needy caretaker must participate in substance abuse treatment or mental health counseling as a part of the employability plan, per Oklahoma Administrative Code 340:10-2-3; and

(B) worker considers whether a referral to the Child Abuse and Neglect Hotline at 1-800-522-3511 is appropriate given the circumstances surrounding the positive result and the statutory requirements in Section 1-2-101 of Title 10A of the Oklahoma Statutes (10A O.S. §1-2-101), 10A O.S. § 1-1-105(23), and 10A § 1-1-105(49).

(c) When all other eligibility factors have been met, the OKDHS worker certifies the adult parent or needy caretaker's needs.

(d) At any point OKDHS has reasonable cause to believe the adult parent or needy caretaker currently receiving TANF cash assistance is engaged in the illegal use of a controlled substance, the adult parent or needy caretaker is required to be screened. OKDHS requests a chemical drug screen. Behaviors OKDHS or community resource partners observe and report that might indicate illegal use of a controlled substance include, but are not limited to:

- (1) slurred speech;
- (2) unsteady gait;
- (3) inability to focus;
- (4) lethargy;
- (5) excessive nervousness or agitation;
- (6) showing flat affect or no emotion;
- (7) inappropriate responses to questions;
- (8) inappropriate anger or hostility;
- (9) excessive worry;
- (10) facial tics or muscle spasms;
- (11) erratic attendance in TANF Work activities;

- (12) lack of follow through with agreed upon plans; or
 - (13) government or law enforcement documents indicating the person was engaged in the illegal possession or use of a controlled substance within the last 30-calendar days.
- (e) The TANF benefits are closed when the adult parent or needy caretaker refuses to comply or fails to follow through with the screening or employability plan.

SUBCHAPTER 5. CONDITIONS OF ELIGIBILITY - AGE

340:10-5-1. Age

(a) **Age requirement.** A child meets the age requirement to receive Temporary Assistance for Needy Families (TANF) from birth through the month he or she turns:

- (1) 18 years of age; or
- (2) 19 years of age when he or she attends school full time, per Oklahoma Administrative Code (OAC) 340:10-13-1 and expects to graduate during or before the month he or she turns 19 years of age.

(b) **Age verification.** The worker accepts the parent or guardian's statement to establish the child's age unless the information is inconsistent with other facts or there are observations that cause the worker to question the parent or guardian's statement. When questions exist, the parent or guardian must verify the information. Acceptable documents are listed in (1) through (2) of this subsection.

(1) An original or certified birth certificate, acceptable hospital certificate, or Form 08MA015E, Reporting of Newborn Child of SoonerCare Member, is conclusive evidence of birthdate, and the worker uses it as verification, when available. A hospital birth certificate is considered acceptable when it includes the:

- (A) child's name and birthdate;
- (B) name of the institution or geographical location of the birth;
- (C) name of the parent(s); and
- (D) signature of the attending physician or responsible hospital staff member such as the administrator, nurse, or records supervisor.

(2) When the parent or guardian provides other birth information from hospital records other than an acceptable hospital birth certificate, birth scrolls, and similar records, he or she must provide two other documents that show the same birthdate for the child, with no evidence to the contrary. Documents include:

- (A) baptismal, confirmation, or other church and parish records. These records may be in the possession of the family or on record at the church;

- (B) passports. Persons with visas may have documents in their possession showing the child's birthdate at the time the visa was issued;
- (C) court records;
- (D) insurance and burial policies when the date of birth at the time the policy was issued, is entered on the insurance policy;
- (E) any social agency records including Oklahoma Human Services records;
- (F) records from a public or private hospital, other type of institution, or home, giving the child's birthdate at the time of admission;
- (G) family records, such as an entry of a child's birthdate in a family Bible or other similar document when no changes were made to the entry by erasure or overwriting;
- (H) records from the child's school or school district office. These records are made from information given by the parent or guardian; or
- (I) United States Census records. When possible, data given for more than one year is reviewed for purposes of corroboration.

SUBCHAPTER 7. CONDITIONS OF ELIGIBILITY - RESIDENCE

340:10-7-1. Residence

(a) **Residency requirement.** A person must be an Oklahoma resident to receive Temporary Assistance for Needy Families (TANF). A person's statement that he or she is an Oklahoma resident and is not residing in Oklahoma for a temporary purpose is sufficient when consistent with other known facts. When the statement is inconsistent with other known facts, further substantiation is necessary.

(1) Once residency is established, a person does not lose Oklahoma residency status when he or she:

(A) is removed from Oklahoma against his or her will and held in another state, for example, when the person is sent to a federal prison; or

(B) goes out-of-state to look for a job or to attend school.

(2) When an applicant lived in another state or states at any time before applying for TANF in Oklahoma, the worker must contact the other state(s) to determine how many months, if any, the applicant received TANF and if cash assistance is currently open.

(A) When TANF is open in the other state, the closure date is coordinated between states to ensure the applicant does

not receive TANF cash assistance in Oklahoma and the other state for the same month.

(B) When the applicant already received 60 months of TANF cash assistance, TANF is not approved in Oklahoma unless a hardship extension is approved, per Oklahoma Administrative Code (OAC) 340:10-3-56(a)(2)(E).

(b) **Homeless persons.** A TANF applicant or recipient is not required to have a fixed address to be eligible for TANF. A TANF applicant or recipient who lacks a fixed or regular residence or lives in temporary accommodations is considered homeless. When a person is homeless and does not have a mailing address and cannot receive mail at another person's address, the county office address may be used.

(c) **Continuous residence.** Continuous residence is established when the case record and contact with the person show no evidence of absence from Oklahoma.

(d) **Temporary residence.** For TANF eligibility purposes, a person is considered an Oklahoma resident when he or she plans to reside in Oklahoma temporarily because of a job commitment or to seek employment, as long as the person does not receive cash assistance from another state. This includes migrant and itinerant workers who maintain a homestead in another state. A person traveling through the state or visiting relatives in this state is not considered a resident.

(e) **Out-of-state visits.** When a TANF assistance unit member(s) temporarily leaves the state for a purpose described in OAC 340:10-3-56(b) and intends to return to Oklahoma when the purpose of the absence is accomplished, it does not interrupt Oklahoma residence. The recipient is responsible for informing the worker which assistance unit member(s) plans to visit out-of-state, for what purpose, and the planned departure and return dates.

(1) When a TANF assistance unit member(s) is temporarily absent from the state, he or she may continue to be included in the assistance unit for at least three months unless circumstances unrelated to the temporary absence occur, the purpose of the absence is accomplished, or a longer period of absence is permitted, per OAC 340:10-3-56(b). The person is considered an Oklahoma resident until there is substantial factual evidence he or she chose to establish residence in another state.

(2) When the TANF Work participant is the person that temporarily leaves the state and does not participate in TANF Work activities during the absence, he or she may be sanctioned, per OAC 340:10-2-2, unless a good cause reason exists.

(3) When a recipient applies for cash assistance in another state and is determined eligible by that state, the closure effective date in Oklahoma is coordinated with the effective certification date in the other state, to ensure there is no interruption in the assistance payment or duplication of benefits.

SUBCHAPTER 9. CONDITIONS OF ELIGIBILITY - RELATIONSHIP OF PAYEE TO CHILD

340:10-9-1. Relationship of payee to child

(a) **Specified degree of relationship.** To be eligible to receive Temporary Assistance for Needy Families (TANF), in addition to other qualifications, a child must be living with a person having a specified degree of relationship in a place of residence maintained by one or more of such relatives as his or her own home. An otherwise eligible person is not denied assistance solely because the home is not a fixed address or does not have a mailing address. An individual is recognized as meeting the specified degree of relationship if the individual is related within the fifth degree of kinship. It is only when the child is living with a person of one of these degrees of relationship that there is an eligible payee for the TANF benefit.

(1) **Related by blood.** Blood lines remain intact in terms of legal responsibility except when parental rights are terminated or the child is legally adopted by someone else. Blood relatives, including half blood, are:

(A) parent(s) including a natural parent even if the child is legally adopted and deprivation is based on the absence of the adoptive parent(s);

(B) siblings;

(C) grandparent(s) including those denoted by prefixes of great, great-great, and great-great-great;

(D) aunt(s) and uncle(s) including those denoted by the prefixes of great and great-great;

(E) niece(s) and nephew(s) including those denoted by prefixes of grand and great-grand; and

(F) first cousin(s) and first cousin(s) once removed.

(2) **Related by marriage.** Use kinship as denoted under (1) of this Section, whether the marriage is common-law or ceremonial. Included are step-relations. Kinship by marriage is included even after the marriage is terminated by death or divorce.

(3) **Related by adoption.** Use kinship as denoted under (1) and (2) of this subsection.

(b) **Verification of relationship.** If the individual making the application for TANF is the child's mother, no further verification is required unless

the information is inconsistent with known facts or observations. If the individual making the application claims to be the natural father, no further verification is required unless information provided is inconsistent with known facts or observations. If the child's mother has alleged this person to be the natural father, relationship is not questionable. If the natural father's name is not on the birth certificate, the natural father is requested to sign a statement acknowledging paternity or provide medical evidence that substantiates the relationship. If the individual who claims to be the natural father refuses, relationship cannot be determined. If the individual making the application is someone other than the parent, the relationship to the child's parent must also be established as outlined in (a) of this Section. The individual's statement as to the relationship to the child's parent is accepted unless the information is inconsistent with known facts or observations.

SUBCHAPTER 10. CONDITIONS OF ELIGIBILITY - DEPRIVATION

340:10-10-1. Deprivation of parental support or care by a natural or adoptive parent

(a) A child is eligible for Temporary Assistance for Needy Families (TANF) if, in addition to meeting other conditions of eligibility, he or she is deprived of parental support or care of at least one natural or adoptive parent(s). The deprivation of parental support or care does not apply before the child's birth.

(1) When there is one parent in the home, deprivation of parental support is based on the:

(A) death of the other parent; or

(B) continued absence from the home and failure to provide maintenance, physical care, or guidance of the other parent.

(2) When both parents are in the home, deprivation of parental support is based on the:

(A) physical or mental incapacity of at least one of the parents; or

(B) unemployment of the principal wage earner.

(b) For the purpose of TANF eligibility a parent is defined as the:

(1) legal father or mother;

(2) legal adoptive father or mother; or

(3) natural father of a child born out of wedlock who acknowledges paternity or, whose paternity has been determined by court action, or established by documentation, or who is alleged by the mother to be the father of the children.

[Source: Added at 17 Ok Reg 444, eff 11-1-99 (emergency); Added at 17 Ok Reg 2075, eff 7-1-00 ; Amended at 27 Ok Reg 1173, eff 6-1-10 ; Amended at 41 Ok Reg, Number 23, effective 9-16-24]

340:10-10-2. Physical or mental incapacity of the natural or adoptive parent

(a) **Scope and applicability.** The physical or mental incapacity of a natural or adoptive parent exists when one parent has a physical or mental illness or impairment that substantially reduces or eliminates the parent's ability to support or care for his or her child(ren). To be considered incapacitated, the parent's illness or impairment must be expected to last for at least a 30-calendar day period. The physical or mental incapacity must be supported by competent medical and social evidence.

(1) Both parents may be included in the assistance unit when either parent is incapacitated regardless of whether the parent who is not incapacitated is employed or the incapacitated parent's usual function as a homemaker or wage earner.

(2) The reduction of the ability to provide support to an eligible child is not the same as the inability to perform work. A parent may be working or capable of work but still be incapacitated for the purposes of establishing eligibility for Temporary Assistance for Needy Families (TANF). The criterion is the reduced ability of the parent to provide support or care, not the parent's employability.

(b) **Determination of substantial reduction or elimination of ability to provide support or care.** The factors in (1) - (8) of this subsection are considered evidence of a substantial reduction or elimination of a parent's ability to provide support or care. One factor by itself does not automatically determine that a parent is incapacitated. These factors are indicators to the Oklahoma Health Care Authority, Level of Care Evaluation Unit (LOCEU) of the various ways a physical or mental impairment affects a parent's ability and the extent that such ability is affected. Any factor considered must exist as a result of the parent's physical or mental impairment and must be supported by specific medical information or social facts. Factors include the:

(1) parent's inability to perform any type of gainful employment;

(2) parent's ability to provide care for the child(ren) is substantially impaired without help from others;

(3) parent qualifies for placement in a job that is rehabilitative or therapeutic, or for work in a sheltered workshop that is not considered to be a competitive full-time job;

(4) number of hours the parent is able to work is substantially reduced;

(5) wages the parent is able to earn are substantially reduced;

(6) parent is unable to work in his or her customary occupation, but is able to work at employment that he or she is equipped by education, training, and experience to perform, but that pays substantially less than his or her customary employment;

(7) parent is incapable of accomplishing as much on the job as an unimpaired worker and is or would be paid on a reduced basis even though able to work full-time; or

(8) employer's refusal to hire the parent due to the nature of the parent's physical or mental impairment. This includes behavioral disorders and disabling conditions.

(c) **Determination of incapacity at the time of application.** When deprivation at application for TANF is based on the incapacity of a parent who receives Social Security Administration (SSA) disability benefits, Supplemental Security Income (SSI) due to disability or blindness, or State Supplemental Payment (SSP) for the blind or disabled, the determination of disability or blindness that established SSA, SSI, or SSP eligibility establishes incapacity for TANF. When disability or blindness was not predetermined by the previous criteria, a referral is sent to LOCEU to make an incapacity decision for TANF eligibility.

(1) The worker obtains medical information from the client or, with the client's permission, from the relevant health professional and sends the medical information and a completed Form 08MA022E, Medical Social Summary, to LOCEU for use in determining incapacity. The medical information must be less than 90-calendar days old in order for LOCEU to make an incapacity decision, per OAC 317:35-5-4(2)(C).

(2) When existing medical information cannot be obtained without cost to the client, payment may be authorized for existing medical information or one general physical examination by a medical or osteopathic physician of the parent's choice. The physician cannot be in an intern, residency, or fellowship program of the medical facility, or in the full-time employment of the Veterans Administration, Public Health Service, or other agency. Refer to OAC 317:35-3-2 for information regarding transportation and subsistence assistance.

(3) Form 08MA022E, completed with the client, along with medical documentation provides sufficient medical and social information to enable LOCEU staff to make a prompt and proper decision. Upon receipt of the medical documentation and Form 08MA022E, a medical review team within LOCEU is responsible for:

(A) making an incapacity decision;

(B) setting the incapacity eligibility effective date;

(C) requesting additional medical and social information when it is necessary for a decision;

(D) setting the date when a re-examination and medical social summary is needed or stating no further medical social summary is needed; and

(E) recommending a training plan, when advisable.

(d) **Incapacity not established.** LOCEU determines if incapacity is established based on the medical and social information provided. When incapacity cannot be established, LOCEU describes the specific factors relied on to make the decision. The worker denies the application or closes the TANF benefit as incapacity was not established.

(e) **Incapacity determination at renewal or other specified times after certification.** When the parent's initial incapacity was based on an SSA determination of blindness or disability or by LOCEU the steps outlined in (1) - (6) of this subsection are followed. When SSA or LOCEU no longer consider the parent incapacitated, the worker closes the TANF benefit.

(1) No further incapacity determination is required when the parent continues to receive SSI based on disability or blindness or SSA disability benefits.

(2) When the parent stops receiving SSA or SSI because SSA determines the parent no longer meets the disability or blindness definition and the parent states he or she is still incapacitated, an incapacity decision must be made by LOCEU. Form 08MA022E is completed and submitted to LOCEU for a determination of continuing incapacity for TANF, per (c) of this Section.

(3) When SSA discontinues disability benefits or SSI benefits for a reason other than failure to meet the definition of disability or blindness and the assistance unit meets all other conditions of TANF eligibility, continuing incapacity is determined by LOCEU per (c) of this Section.

(4) When the parent continues to receive SSP on the basis of an LOCEU decision, no further determination of incapacity is made as long as the parent continues to be eligible for SSP because of disability or blindness.

(5) When LOCEU determines the person no longer meets the definition of disability or blindness but the assistance unit meets all other conditions of TANF eligibility, the worker requests that LOCEU determine incapacity, per (c) of this Section.

(6) When LOCEU staff determined initial incapacity and includes a date when a new Form 08MA022E is due, the worker completes Form 08MA022E with the client and begins gathering new medical information per (c) of this Section the month before a new incapacity decision is due.

(f) **Incapacity determination at reapplication.** An incapacity determination is not needed at reapplication when TANF was previously denied or closed for reasons other than incapacity, the :

(1) parent's incapacity was established prior to denial or closure, and the incapacity approval date extends beyond the reapplication date; or

(2) parent receives SSP or SSI benefits based on disability or blindness or SSA disability benefits.

340:10-10-3. Unemployed parent

(a) **Applicability.** Deprivation for the child(ren) may be established when both natural or adoptive parents reside with the child(ren) and the parent determined to be the principal wage earner (PWE), per (b) of this Section, meets the conditions to qualify as unemployed, per (c) of this Section.

(b) **PWE designation.** The PWE is defined as the parent who earned the most gross income during the 24-month period ending with the month prior to the Temporary Assistance for Needy Families (TANF) application. The PWE designation is made regardless of when the parent's relationship began or when the parent(s) began residing with the child(ren). The employment or receipt of unemployment insurance benefits (UIB) of the parent not designated as the PWE is not a factor in determining deprivation.

(1) **Earnings documentation.** The assistance unit is responsible for verifying the source and gross amount of each parent's earnings and dates received for the prior 24-month period to the best of its ability. Acceptable documentation includes:

- (A) previously verified earnings documented in Oklahoma Human Services (OKDHS) case records;
- (B) employer verbal or written statements;
- (C) pay stubs;
- (D) Income Eligibility Verification System (IEVS), also referred to as data exchange information, Oklahoma Wage Link (OWL) or Oklahoma Wage (OWG);
- (E) federal or state tax returns;
- (F) employee W-2 forms; or
- (G) when self-employed, gross and net earnings from tax returns or business records.

(2) **PWE designation when earnings are equal.** When both parents' earnings are equal in the 24-month period, the PWE is the parent who earned the most income in the last six months of the 24-month period. When both parents' earnings are equal in the six-month period, the parents may choose which parent to designate as the PWE.

(3) **Permanent PWE designation.** Once the PWE is determined, the PWE designation is permanent and remains effective as long as deprivation is based on unemployment and the assistance unit remains eligible for and continues to receive TANF benefits. When the TANF benefit closes and a new application is filed at a later date, the PWE designation must be redetermined, per (b) of this Section.

(c) **Conditions the PWE must meet prior to certification.** The PWE must meet the conditions described in (1) - (6) of this subsection for deprivation to be established based on unemployment.

(1) **Mandatory drug screening.** Both parents are required to be screened for illegal use of a controlled substance or substances,

per OAC 340:10-4-1. When one or both parents refuse to comply or fails to follow through with the screening, the worker denies the TANF application.

(2) **TANF Work requirements.** Both parents are required to participate in TANF Work activities unless one of the parents is not eligible to be included in the TANF benefit because he or she is an ineligible alien . When both parents are ineligible to be included in the TANF cash assistance unit, deprivation cannot be based on unemployment because the parents cannot meet the work requirement .

(A) One parent participates in TANF Work activities an average of 35 hours per week, and the other parent participates an average of 30 hours per week. When one parent is not eligible to be included in the TANF benefit, the other parent must participate in TANF Work activities an average of 35 hours per week, per OAC 340:10-2-1(2)(A)(iii).

(B) Unless the PWE is not eligible to be included in the TANF benefit, he or she must participate in and comply with TANF Work activities. When the worker determines the PWE is unavailable to participate or is not complying with TANF Work requirements, the worker denies the application .

(C) The parent who is not the PWE may be exempted from the TANF Work requirement when he or she provides care for a child with disabilities who does not attend school on a full-time basis and requires 24/7 care or another relative who lives in the home and requires 24/7 care. The parent must provide a statement from a doctor or other health professional stating the person needs 24/7 care and the type of care needed before a good cause exemption is approved.

(3) **Qualifies as unemployed.** To qualify as unemployed, the PWE must not be employed, or when employed, the countable net earnings plus any other countable income must be less than the payment standard for the family size, per OKDHS Appendix C-1, Maximum Income, Resources, and Payment Standards, Schedule IX. The PWE's gross earnings are calculated and the applicable earned income exemptions are subtracted, per OAC 340:10-3-31 through 340:10-3-33. The PWE must qualify as unemployed during the application process and prior to the certification date.

(A) To qualify , the PWE must be unemployed for at least 30-calendar days prior to the TANF certification date. The assistance unit may be certified beginning the 31st day after employment ends when all other eligibility requirements are met.

(B) The PWE does not qualify as unemployed when he or she refuses a bona fide employment offer or quits a job, without good cause, within 30-calendar days of the date TANF benefits can be certified.

(i) A bona fide offer is an employment offer made directly by an employer or through a public or private employment agency to the PWE. The employment offer must be substantiated by a written or verbal statement from the potential employer or public employment agency that specifies the date the offer was made, the job duties, and the specified wage.

(ii) The worker must give the PWE the opportunity to explain why he or she did not accept a job or quit a job in order to determine if good cause exists. Acceptable good cause reasons include when the:

(I) wages offered or received are less than

the minimum wage requirement or less than customary for the community;

(II) employment is available because of a strike, lockout, or other labor dispute;

(III) PWE is unqualified or physically unable to perform the work;

(IV) work involves health or safety risks; or

(V) job lacks worker's compensation protection.

(4) Work history requirement. The PWE must have a verified work history. Undocumented employment cannot be used to establish quarters of work. The PWE meets the work history requirement when he or she meets one of the conditions in (A) through (C) of this paragraph.

(A) The PWE was employed for six or more calendar-quarters within a 13 consecutive calendar-quarter period. The 13 consecutive calendar-quarter period must end within 12 months prior to the TANF application date.

(i) Calendar-quarter means a period of three consecutive calendar months ending on March 31, June 30, September 30, or December 31.

(ii) To be considered employed, the PWE must have received gross earnings of at least \$50 in each calendar-quarter. When the PWE did not earn at least \$50 in each calendar-quarter but earned enough in another quarter of the same year to qualify for more than one covered quarter as defined by the Social Security Administration (SSA), he or she may be considered employed for the quarter he or she did not earn \$50.

(I) The SSA states a person qualifies for a quarter of coverage for any quarter the person earns the designated amount for that calendar year, per OKDHS Appendix C-1, Schedule XII.B.

(II) When the PWE has enough earnings in one quarter to equal or exceed a full year's

coverage, he or she is credited with four quarters of coverage for the year. Earnings received in the quarter the application is made are not considered.

(B) The PWE receives or received UIB within the 12-calendar months prior to the TANF application date.

When the PWE has a pending UIB application, the work history requirement is not met until the worker verifies the PWE meets the work history requirement, per (A) or (C) of this paragraph or the PWE is approved for UIB.

(C) The PWE would have qualified for UIB for one week or more during the 12-calendar month period prior to the TANF application date had the PWE made a UIB application based on earned wages, both covered and uncovered. Covered employment generally includes employment in construction, plants, stores, restaurants, offices, or other places of business that employ one or more persons. Uncovered employment generally includes employment from farm labor, odd jobs, and non-profit organizations.

(i) A PWE who had sufficient earnings to meet the UIB earnings requirement is deemed eligible for UIB even though all or a portion of the PWE's earnings were from uncovered employment. To be eligible or deemed eligible for UIB, the PWE must have earned at least the qualifying wages during the base period, per OKDHS Appendix C-1, Schedule XII.A. The base period consists of the first four of the last five completed quarters immediately preceding the quarter of the UIB application quarter.

(ii) The PWE must have earnings in more than one quarter or earn an amount equal to the total taxable wage in one quarter.

(I) When more than one quarter of earnings is required; the quarter with the highest earnings is the high quarter. The total gross earnings of the remaining three quarters must equal at least one-half of the high quarter earnings. When the earnings do not meet this test, the PWE is ineligible for UIB.

(II) When the PWE earned an amount equal to the total taxable wage base in one quarter of the base period, the PWE is deemed eligible for UIB based on that quarter alone.

(5) **UIB eligibility.** The PWE is required to apply for and accept UIB when the PWE is eligible or potentially eligible to receive the benefits unless he or she is an ineligible alien. After certification, the worker gives the PWE 30-calendar days to provide proof of a

UIB application.

(6) **Striker status.** The assistance unit is not eligible for TANF for any month in which the natural or adoptive parent is participating in a strike on the last day of the month.

(d) **Changes after certification.** After initial eligibility is determined, the two-parent family must continue to meet the conditions listed in (1) through (3) of this subsection to remain eligible as unemployed.

(1) **Drug screening.** The parents must not engage in the illegal use of a controlled substance or substances. When OKDHS has reasonable cause to believe either parent is engaged in the illegal use of a controlled substance or substances, the parent may be required to be screened, per OAC 340:10-4-1. When this occurs and the parent refuses to comply or fails to follow through with the screening or screens positive for the illegal use of a controlled substance or substances, the worker closes the TANF benefit.

(2) **TANF Work requirements.** Both parents must participate in TANF Work related activities, per (c)(2) of this Section. When either parent, unless exempt, fails to participate without good cause for the required number of hours, the worker closes the TANF benefit.

(A) When the PWE becomes unavailable for TANF Work due to illness or injury, good cause may be granted if the condition is expected to last less than 30-calendar days.

(B) When the PWE's condition is expected to last more than 30-calendar days, deprivation based on incapacity must be pursued and established, per OAC 340:10-10-2.

(3) **Income.** The assistance unit must continue to meet income standards, per OKDHS Appendix C-1. When the assistance unit's countable earned income plus any other income exceeds the payment standard for the family size, the worker closes the TANF benefit. Continued medical benefits are authorized for the assistance unit when all other factors of eligibility are met, per OAC 340:10-3-75.

340:10-10-4. Continued absence of the natural or adoptive parent(s) from the home

(a) **Determining absence.** Continued absence of the natural or adoptive parent(s) from the home constitutes a reason for deprivation of parental care.

(1) The applicant or recipient must be the primary caretaker of the child(ren) to be eligible due to the absence of the other parent. A single parent of an unborn child does meet this requirement.

(2) When both parents exercise responsibility for the child(ren), provide day-to-day care, share maintenance, physical care, and guidance for the child(ren), deprivation does not exist. When one

of these conditions is not met, the child(ren) is deprived of parental care.

(3) The absence of the parent must interrupt or stop the parent's functioning as a provider of maintenance, physical care, or guidance for the child(ren). The amount of time the parent has been absent is not considered when determining deprivation based on absence.

(4) A child is not considered deprived due to absence when the parent is out of the home due solely to employment, looking for employment, education, or active duty in the United States uniformed services.

(5) A parent(s) who is a convicted offender but is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday is considered absent from the home.

(b) Identifying information. A TANF applicant or recipient must provide the name of the person(s) alleged as responsible for the support of a child(ren), including the legal and natural father when they are not the same, and provide identifying information, such as name, address, and the employer of the person(s), when known. The applicant or recipient completes and signs Form 08TA001E, Absent Parent (AP) Information Sheet.

(1) Absence is verified through an evaluation of the information recorded.

(2) When contact information is available, the worker interviews or attempt to interview the absent parent to determine whether deprivation exists and child support is being paid at application and subsequent renewals.

(c) Establishing need. To establish the need for TANF, the worker must determine whether child support is currently paid and, when paid, the amount, how often it is paid, and the method of payment.

(1) Parents have a legal obligation to provide financial support for their child(ren), whether or not they were married to each other.

(2) An unmarried mother is legally the sole parent until paternity is established.

(3) The termination of parental rights does not stop the obligation of either parent to provide financial support for his or her minor child(ren) unless the child(ren) has been subsequently adopted.

(4) An adoptive parent's legal obligation continues even when a child(ren) is returned to the care of the natural parent.

(d) Acknowledgment of paternity. When the worker is able to contact the alleged father, the worker asks whether he is willing to acknowledge paternity. When the alleged father agrees to acknowledge paternity, the worker gives or sends him Form 03PA209E, Acknowledgement of Paternity, to review. The worker advises him to contact Child Support Services at the telephone number on the back of the form if he is willing to sign the form.

(1) When the alleged father lives in the home and acknowledges paternity orally, deprivation does not exist.

(2) When the alleged father in the home denies paternity, but the mother continues to maintain he is the father, deprivation does

not exist pending legal establishment of paternity.

340:10-10-5. Requirement for assignment of support rights and cooperation

(a) **Assignment of support rights.** When the reason for deprivation is absence, each applicant or recipient of Temporary Assistance for Needy Families (TANF) must assign to Oklahoma Human Services (OKDHS) any support rights, including cash medical, that is pending or continuing for any family member included in the assistance unit as a condition of eligibility. This assignment **excludes** amounts ordered for past due or judgment amounts for persons who never received TANF prior to this application. For persons who previously received TANF, the assignment **includes** past due or judgment amounts previously assigned to OKDHS for the time period the applicant received TANF. Failure to assign support rights makes the assistance unit ineligible for TANF.

(b) **Cooperation in obtaining support.** As a condition of TANF eligibility, each applicant or recipient, who is the natural or adoptive parent of the child(ren) included in the assistance unit, must cooperate with OKDHS in obtaining support for each child, per Section 608 of Title 42 of the United States Code (42 U.S.C. § 608). Failure of the applicant or recipient to cooperate without good cause may be indicated during the application interview or at any time further action by the recipient is necessary.

(c) **Non-cooperation indicators.** Oklahoma Child Support Services (CSS) determines when an applicant or recipient is not cooperating in establishing paternity or in establishing, modifying, or enforcing a support order, per 42 U.S.C. § 654 and Section 264.30 of Title 45 of the Code of Federal Regulations. Per Oklahoma Administrative Code 340:25-5-114, non-cooperation is indicated when the applicant or recipient:

- (1) fails to participate in a scheduled CSS conference or meeting;
- (2) refuses to complete and sign documents necessary to take legal action against the non-custodial parent(s) when requested to do so by CSS;
- (3) fails to comply with an order to submit oneself or the child(ren) to genetic testing to determine paternity;
- (4) fails to appear as a witness at an administrative or district court hearing or other proceeding;
- (5) fails to provide information, or attest to lack of information, under penalty of perjury;
- (6) fails to forward to CSS all child support payments received from the non-custodial parent(s) or other entities other than the Centralized Support Registry after receiving the initial TANF benefit;
- (7)
() pursues private legal action affecting paternity, child support, medical support, or child care or authorizes payments made other

than through the Centralized Support Registry without giving CSS notice, and fails to keep CSS informed of the case status; and (8) engages in ongoing conduct detrimental to CSS enforcement efforts.

(d) **Penalty for failure to cooperate.** When the applicant or recipient is the natural or adoptive parent and fails or refuses to cooperate with OKDHS without good cause, the TANF benefit is reduced by 25 percent of the payment standard shown on OKDHS Appendix C-1, Maximum Income, Resource and Payment Standards, Schedule IX, per 42 U.S.C. § 608(a)(2), for the next advance notice effective date, per OKDHS Appendix B-2, Deadlines for Case Actions.

(e) **Penalty removal.** When CSS determines the recipient is cooperating, Adult and Family Services is notified and the 25 percent penalty is removed for the next effective date.

340:10-10-6. Good cause

(a) **Cooperation.** When deprivation is based on absence, the custodial parent is required to cooperate in pursuing child support, per Oklahoma Administrative Code (OAC) 340:10-10-5, unless there is a good cause reason not to cooperate. When the client claims good cause, it is expected that a good cause determination be made with the same degree of promptness as the determination of Temporary Assistance for Needy Families (TANF) eligibility unless there are difficulties in gathering needed information.

(b) **Basis for client to claim good cause.** To claim good cause for not cooperating with child support, the client must provide or Oklahoma Human Services (OKDHS) must obtain documentary evidence when available, per (d) of this Section that shows it is not in the best interest of the child or the applicant or recipient to pursue support.

(1) It is clear that the physical safety and well-being of the custodial parent or caretaker relative are relevant to the child's best interest determination when an adverse impact on the custodial parent or caretaker relative will have an adverse impact upon the child. When cooperation by the mother in establishing paternity or securing support could subject her to physical or emotional harm, such cooperation is against the child's best interest when harm to the mother is sufficiently severe to affect her ability to care for the child adequately.

(2) OKDHS determines that the client has good cause for refusing to cooperate only when:

- (A) there is possible physical or emotional harm to the child;
- (B) or the parent or caretaker relative-payee;
- (C) the child was conceived as a result of incest or forcible rape;
- (D) legal proceedings for adoption of the child are pending before a court; or

(E) the client is currently being assisted by an attorney or a public or licensed private social agency to decide whether to keep the child or relinquish the child for adoption.

(c) **Assignment and degree of promptness.** The good cause exception applies only to excuse the cooperation requirement. The requirement that the applicant or recipient assign support rights to OKDHS as a condition for TANF eligibility is independent from the cooperation requirement and cannot be waived or excused based on a good cause determination per OAC 340:10-10-5.

(d) **Notice of right to request a decision.** The client has the right to claim good cause for failure to cooperate in obtaining child support.

(1) When deprivation is based on absence, the applicant for or recipient of TANF must sign Form 08TA012E, Cooperation Agreement and Request for Good Cause, to acknowledge he or she understands the good cause information on the form and indicate his or her cooperation decision:

- (A) at application;
- (B) at each benefit renewal;
- (C) when an additional child request is made; or
- (D) when the recipient wants to request for good cause after certification.

(2) The worker does not deny, delay, or discontinue assistance pending a good cause determination for refusal to cooperate when the client furnishes evidence or information supporting the good cause claim.

(e) **Client responsibility.** When the client makes a good cause claim, he or she must complete and sign Form 08TA009E, Good Cause Report, indicating the basis for the good cause claim and supply evidence to establish the claim or to furnish sufficient information to permit OKDHS to investigate the good cause circumstances.

(1) When available, acceptable documentary evidence may include:

- (A) birth certificate or medical or law enforcement records that indicate the child was conceived as a result of incest or forcible rape;
- (B) court documents or other records that indicate legal adoption proceedings are pending before a court of competent jurisdiction;
- (C) court, medical, child protective services, social services, psychological, or law enforcement records that indicate the alleged or non-custodial parent might inflict physical or emotional harm on the child or caretaker relative;
- (D) a written statement from an attorney or a public or licensed private social agency that states the applicant or recipient is being assisted by OKDHS to resolve the issue of deciding whether to keep the child or place the child for adoption; and

(E) statements from persons other than the client with knowledge of the circumstances that provide the basis for the good cause claim, except in the case of adoption.

(2) Upon request, the worker assists the client in obtaining evidence that is not reasonably obtainable. This requirement is limited to the specific documentary evidence listed in (1)(A) through (E) of this subsection. The client must specify the type of document or record needed, as well as provide sufficient identifying information to make it possible to be obtained.

(f) Good cause decision. Based on the documentary evidence and information provided, Adult and Family Services (AFS) TANF Unit staff makes the good cause decision.

(1) When AFS approves good cause, the applicant or recipient is not required to cooperate in pursuing child support unless circumstances change.

(2) When all other eligibility requirements are met at application, but the applicant fails to provide information to support his or her good cause claim, the worker informs the client that he or she must sign a new Form 08TA012E agreeing to cooperate in pursuing child support or the application will be denied.

(3) When the client provides good cause information and AFS TANF Unit staff determines good cause does not exist after certification, the worker informs the client that good cause was not approved and he or she is expected to cooperate in pursuing child support unless more documentary evidence can be provided.

When the client:

(A) agrees to cooperate, he or she signs a new Form 08TA012E agreeing to cooperate and provides all known information about the non-custodial parent; or

(B) continues to refuse to cooperate after certification, the non-cooperation penalty is applied.

340:10-10-7. Oklahoma Department of Human Services (DHS) responsibilities in relation to support payments

(a) Referral to Child Support Services (CSS). Federal regulations require Adult and Family Services (AFS) staff to send referrals based on absence to CSS within two business days of Temporary Assistance for Needy Families (TANF) benefit issuance. The AFS referral is computer-generated upon TANF approval. At any time AFS staff receives additional information regarding the absent parent, AFS staff sends the additional information to CSS.

(b) Receipt of child or spousal support. For purposes of this Subchapter, child or spousal support is defined as voluntary monetary contributions or court-ordered obligations. When a child support order contains an order for spousal support, which may be referred to as alimony or support alimony in Oklahoma, the obligation for spousal support is also assigned to DHS. At the application or renewal interview,

the applicant or recipient is informed of the responsibility to forward to the Oklahoma Centralized Support Registry (OCSR) any child or spousal support payments received from the absent parent(s) after TANF certification.

(1) **Payments received during application period.** All child and spousal support payments reported by an applicant prior to certification are considered income. Support anticipated to be received after certification is not considered as the client agreed by signing the application to submit any future payments to OCSR.

(2) **Payments received after certification.** AFS staff forwards any support payments brought to the county office by the client after certification to OCSR. Payments are not sent in the form of cash. CSS may send child support in excess of the monthly court ordered amount to the client. When the client receives excess child support from CSS, it is considered as unearned income.

(3) **Retained support payments.** The worker informs CSS when he or she becomes aware the client retained assigned support payments.

(A) When the CSS district office determines the client is not cooperating, the TANF cash assistance payment is reduced by 25 percent of the TANF payment standard. The worker considers the retained support as income unless the client forwards the child support to OCSR.

(B) When CSS determines the client has resumed cooperation, the 25 percent penalty is removed and the worker no longer considers the support as income. The cash assistance is increased the next effective date.

(4) **Child support and other income exceeds cash assistance.** When CSS receives a support payment that is greater than, or equal to, that month's TANF cash assistance, the worker receives notification the month following receipt.

(A) The worker evaluates the support payment history to determine whether the support is intended for members of the assistance unit and if it is current support that is expected to continue.

(B) The worker closes the TANF cash assistance the next effective date and continues medical benefits per OAC 340:10-3-75 when, after review, the current support is intended for members of the cash assistance unit and expected to continue.

(C) When the TANF cash assistance is not closed timely, CSS retains any child support payment received during that month or subsequent months for reimbursement of TANF payments made for those months or any preceding months.

(5) **Federal and/or state tax intercept payments.** CSS uses federal and/or state tax intercept to collect current and past due child support payments, including interest owed.

(A) Joint tax intercept payments collected prior to the client's current receipt of TANF may be held for six

months. When CSS distributes all or part of the tax intercept payment to the client, the worker considers the payment as a resource the month following the month of receipt.

(B) Tax intercept payments collected for interest owed on past due child support may be forwarded to the client when the principle amount of past due child support is paid in full.

(c) **Child support services after TANF closure.** At the time the TANF benefit closes, the closure notice informs the client child support services will continue unless the client notifies CSS in writing that he or she no longer wants the service or the client becomes ineligible for the service.

SUBCHAPTER 12. CONDITIONS OF ELIGIBILITY - SOCIAL SECURITY NUMBERS

340:10-12-1. Social Security number (SSN)

Federal regulations require a SSN or application for a SSN for each individual determined eligible for Temporary Assistance for Needy Families (TANF). The individual's needs are included in the TANF benefit with a 25% penalty reduction of the payment standard until a SSN is applied for or provided for that individual(s). The 25% penalty is removed effective the date the SSN is applied for or provided.

SUBCHAPTER 13. CONDITIONS OF ELIGIBILITY - SCHOOL ATTENDANCE

340:10-13-1. School attendance

(a) **School attendance requirement.** Regular school attendance is a Temporary Assistance for Needy Families (TANF) eligibility condition for each child eligible for kindergarten through 18 years of age unless the child is home educated, per the Oklahoma constitution and Section 230.66 of Title 56 of the Oklahoma State Statutes (56 O.S. § 230.66). High school equivalency (HSE), alternative high schools, or virtual schools meet this requirement.

(1) When the worker determines that a school age child receiving TANF is not attending school regularly, the TANF cash assistance must be reduced by 25 percent of the payment standard, per Section 604(i) of Title 42 of the United States Code, 56 O.S. § 230.52(c)(3), and Oklahoma Administrative Code 340:10-3-57(g).

(2) The 25 percent penalty is removed the next effective date after the parent or caretaker relative provides verification the child is attending school. At application and at each renewal, the worker verifies regular school attendance for each child in the family.

(b) **Requirement for children who are 18 years of age.**

(1) An otherwise eligible child who is 18 years of age is included in the assistance unit if he or she is a full time secondary school student, attending HSE classes, an alternative high school, or a virtual school and expects to graduate before or during the month he or she turns 19 years of age.

(2) A child turning 18 years of age who is not expected to graduate during, or before the month the child turns 19 years of age, is eligible only through the month he or she reaches 18 years of age.

SUBCHAPTER 14. CONDITIONS OF ELIGIBILITY - IMMUNIZATIONS

340:10-14-1. Immunizations

(a) **Scope.** Sections 230.52, 230.56, and 230.65 of Title 56 of the Oklahoma Statutes and Section 608 of Title 42 of the United States Code address Temporary Assistance for Needy Families (TANF) recipients' responsibility to immunize their children. Immunization of minor children two months of age and older is a variable condition of eligibility that must be addressed before certification and at renewal. The parent or caretaker relative must provide proof that each child is current on age-appropriate immunizations within 90-calendar days of certification and when additional immunizations become due in the future unless he or she requests and, is approved for a good cause exemption, per (b) of this Section. Refer to the Oklahoma State Department of Health (OSDH) website at www.ok.gov/health/ for current immunization schedules and vaccination information. Proof of immunization includes providing a copy of the vaccination record issued by the local health official or a licensed physician.

(1) When the minor child attends a licensed child care center or home or a parochial, private, or public school, proof of current immunization is not required as each of these entities require proof of immunization or a signed OSDH Form 216-A, Certificate of Exemption, on file with OSDH as a condition of attendance.

(2) When the child does not attend a facility, per (a)(1) of this Section and the client fails to provide proof of current immunization within 90-calendar days without good cause, the worker reduces the TANF cash assistance by 25 percent of the payment standard, per Oklahoma Administrative Code 340:10-3-57(g). The worker removes the 25 percent penalty the next effective date after the client provides proof of current immunization.

(b) **Good cause.** The client may claim a good cause exemption because of the child's medical condition, the immunizations are contrary to the child's religion, or the client's personal objection. To claim a good cause exemption, the client must return a completed Form 08TA017E, Immunization Certificate of Exemption, signed by:

- (1) a physician, certifying that there is a medical contraindication;
- (2) a religious leader, parent, or caretaker relative, certifying that immunizations are contrary to the teachings of the child's religion; or
- (3) the parent or caretaker relative, certifying that immunizations are contrary to the parent's or care relative's beliefs.

SUBCHAPTER 15. CONDITIONS OF ELIGIBILITY - CITIZENSHIP AND ALIENAGE

340:10-15-1. Citizenship and alien status

(a) A person eligible to be included in a Temporary Assistance for Needy Families (TANF) benefit, must be:

(1) a citizen or a national of the United States (U.S.), including the 50 states, District of Columbia, commonwealth of Puerto Rico, Virgin Islands, Guam, American Samoa, and Northern Mariana Islands. A person may be a citizen of the U.S. by being born in the U.S. or by being born in some other country but moving to the U.S. and being granted U.S. citizenship through the U.S.

Citizenship and Immigration Services (USCIS) a bureau of the U.S. Department of Homeland Security; or

(2) a qualified alien described as:

(A) an alien who is lawfully admitted for permanent residence under the Immigration and Nationality Act (INA);

(B) an alien who is paroled into the U.S., per Section 212(d)(5) of INA for a period of at least one year;

(C) an alien who is granted conditional entry, per Section 203(a)(7) of INA as in effect prior to April 1, 1980;

(D) an alien who is granted asylum, per Section 208 of INA;

(E) a refugee who is admitted to the U.S., per Section 207 of INA;

(F) an alien whose deportation is withheld, per Section 241(b)(3) of INA;

(G) an alien who is a Cuban or Haitian entrant as defined, per Section 501(e) of the Refugee Education Assistance Act of 1980;

(H) battered aliens and their children or parents as defined, per Section 431(c) of the Personal Responsibility and Work Opportunity Reconciliation Act as amended, Section 1641(c) of Title 8 of the United States Code (8 U.S.C. § 1641(c));

(I) an alien and his or her eligible relatives who are victims of a severe form of trafficking, per Section 107(b) of the Trafficking Victims Protection Act of 2000 that was reauthorized and amended by the Trafficking Victims Protection Reauthorization Act of 2013;

(J) an Iraqi admitted in special immigrant status as defined in Section 101(a)(27) of the INA, 8 U.S.C. § 1101(a)(27), and Section 1059, Public Law (P.L.) 109-163, the National Defense Authorization Act for Fiscal Year 2006, and Section 1244 of P.L. 110-181, the National Defense Authorization Act for Fiscal Year 2008, per Section 525 of

Division G of P.L. 110-161, the Consolidated Appropriations Act of 2008, Section 1244 of P.L. 110-181, the National Defense Authorization Act for Fiscal Year 2008, and Section 8120 of P.L. 111-118. The person must be treated as a refugee;

(K) an Afghan admitted in special immigrant status as defined, per Section 101(a)(27) of the INA, 8 U.S.C. § 1101(a)(27) and Section 1059, P.L. 109-163, the National Defense Authorization Act for Fiscal Year 2006, Section 602, Division F, P.L. 111-08, the Omnibus Appropriations Act, 2009, pursuant to Section 525 of Division G of P.L. 110-161 of the Consolidated Appropriations Act, 2009, and Section 8120 of P.L. 111-118. The person must be treated as a refugee;

(L) an Afghan non-special immigrant parolee, known as a humanitarian parolee, per the Afghanistan Supplemental Appropriations Act 2022 enacted on September 30, 2021, Section 2502 of P.L. 117-43, as modified by the Section 106(3) and 149(a) of the Continuing Appropriations and Ukraine Supplemental Appropriations Act, 2023, P. L. 117-180, paroled into the U.S. between July 31, 2021 and December 16, 2022, who meets all other factors of eligibility from October 1, 2021 until March 31, 2023, or the term of parole, whichever is longer; or

(M) a Ukrainian citizen or national or person who last habitually resided in Ukraine and received parole per Section 401 of the Additional Ukraine Supplemental Appropriations Act of 2022, P.L. 117-128. The parole must occur between February 24, 2022, and September 30, 2023; if after September 30, 2023, the parolee must be the child, spouse, parent, legal guardian, or primary caretaker of a Ukrainian parolee who was paroled between February 24, 2022 and September 30, 2023.

(b) A qualified alien who enters the U.S. on or after August 22, 1996, is not eligible for TANF benefits for a five year period beginning on the date of the alien's entry into the U.S. with a qualified alien status unless the alien is:

- (1) admitted to the U.S. as a refugee, per (a)(2)(E) of this Section;
- (2) granted asylum, per (a)(2)(D) of this Section;
- (3) one whose deportation is being withheld, per (a)(2)(F) of this Section;
- (4) a Cuban or Haitian entrant, per (a)(2)(G) of this Section;
- (5) admitted to the U.S. as an Amerasian immigrant;
- (6) lawfully residing in the state and is a veteran of the U.S. armed forces, on active duty, or is that person's spouse or unmarried dependent child;
- (7) a victim of a severe form of trafficking, per (a)(2)(I) of this Section;
- (8) an Afghan citizen or national paroled into the U.S. as a humanitarian parolee between July 31, 2021 and September 30, 2022; or

(9) a Ukrainian citizen, national, or person who last habitually resided in Ukraine paroled, per (a)(2)(M) of this Section.

(c) The applicant or recipient must declare the citizenship or alien status for all adults and children included in the TANF assistance unit when completing and signing the application or renewal. Refer to Oklahoma Administrative Code 340:65-3-1(g) for additional citizenship requirements for persons 14 years of age and older, per Section 71 of Title 56 and Section 20j of Title 74 of the Oklahoma Statutes.

(d) Declaration on behalf of a newborn child may be delayed provided the delay does not exceed the date of the assistance unit's next eligibility renewal.

(e) Persons declaring qualified alien status must provide documentation of their alien status and have their status verified through the Systematic Alien Verification for Entitlements (SAVE) program's Alien Status Verification Index. When secondary verification must be pursued through USCIS, the worker must not delay, deny, close, or reduce benefits to an alien pending a response from USCIS.

(f) All persons born in the U.S. are, with rare exceptions, U.S. citizens. Documents of citizenship or national status of persons from certain U.S. territories or possessions listed in (a)(1) of this Section may not be in their possession nor available. Their status may usually be determined by a birth certificate, passport, or other official document.

340:10-15-3. Sponsored aliens

Certain aliens, unless specifically exempted or covered by one of two exceptions as identified at Section 1631(e)(f) of Chapter 14 of United States Code (USC) 8, whose entry into the U.S. required sponsorship, must have the income and resources of the sponsor considered in determining eligibility and benefit amount for Temporary Assistance for Needy Families (TANF). Aliens who are exempted from this requirement are parolees, political asylees, Cuban or Haitian entrants, and refugees admitted under Section 207(a)(7) and Section 207(c) of the Immigration and Nationality Act. The deeming rules do not apply to a sponsored immigrant and his or her child(ren) who are victims of domestic violence or extreme cruelty. If a sponsored immigrant is unable to obtain food and shelter without government assistance, then only the amount of income and resources actually provided by the sponsor or the sponsor's spouse is

deemed to the immigrant. A sponsor is defined as an individual(s) or an organization who executed an affidavit of support or similar agreement on behalf of the alien, who is not an individual sponsor's child. Such affidavit or agreement must be verified before application of this rule.

(1) **Organizational sponsor.** Aliens who have a support affidavit from an organizational sponsor are ineligible for a period of three years from the date of entry into the U.S. unless the sponsoring agency has ceased to exist or is unable to meet the alien's financial need. The case record must contain documentation of the reason the organization is not meeting the need.

(2) **Individual sponsor.** To determine eligibility and benefit amount, an alien who was sponsored must provide any information and documentation necessary to determine the income and resources of the sponsor and obtain the necessary sponsor's cooperation. The income and resources of a sponsor and his or her spouse, if living with the sponsor, are considered as the unearned income and resources of an alien unless the sponsor is receiving TANF or Supplemental Security Income (SSI).

(A) The amount of the sponsor's income considered is determined:

- (i) as total monthly gross earned income minus 20%, not to exceed \$175, plus total monthly unearned income;
- (ii) by subtracting the need standard for the sponsor and his or her dependents living in the home shown on Oklahoma Department of Human Services (OKDHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX.A;
- (iii) by subtracting amounts actually paid by the sponsor to dependents outside of the home who are claimed by the sponsor as dependents, to determine his or her federal personal income tax liability; and
- (iv) by subtracting actual payments of alimony or child support to individuals not living in the household.

(B) Resources considered available to the alien from the sponsor are the total amount of the resources of the sponsor determined as if he or she were applying for TANF, less \$1,500.

(C) When the person is the sponsor of two or more aliens in the same home, the income and resources of the sponsor and his or her spouse, if living with the sponsor, are divided equally among the aliens.

(D) Income and resources considered available to a sponsored alien are not considered in determining the need of unsponsored members of the alien's family unless actually available.

(E) The sponsor and the alien are held jointly liable for any overpayment of benefits due to failure to provide correct

information.

(F) The income and resources of the sponsors of aliens who have United States Citizenship and Immigration Services (USCIS) Form I-864, Affidavit of Support, continue to be deemed to the alien until:

- (i) the alien achieves U.S. citizenship through naturalization pursuant to Chapter 2 of Title III of the Immigration and Nationality Act;
- (ii) the alien has worked 40 qualifying quarters of coverage as defined under Title II of the Social Security Act or can be credited with 40 qualifying quarters as provided under Section 435 of this Title; and in the case of any qualifying quarter credited for any period beginning after December 31, 1996, the alien did not receive any federal means-tested public benefit, as provided under Section 403, during such period; or
- (iii) the sponsor dies.

(G) The income and resources of the sponsors of aliens who have affidavits of support other than USCIS Form I-864 continues to be deemed to the alien for a period of three years from the date of entry of the alien into the U.S. **Subchapter 17. SUBCHAPTER 18. CONDITIONS OF ELIGIBILITY FOR CHILDREN'S SUPPORT SERVICE FUNDS

340:10-18-1. Conditions of eligibility for children's support service funds

(a) **Scope.** Support service funds may be provided to families receiving Temporary Assistance for Needy Families to promote family stability and assist in the prevention of Child Welfare Services involvement when funds are not available through other sources. Refer to Oklahoma Human

Services (OKDHS) Appendix H-4-A, Support Services Funds, and Appendix H-4-C, Child Incentives, for a list of services and the maximum amount that may be spent per service.

(b) **Support service funds.** Payments for the services through support service funds are not an automatic entitlement to the child(ren). The worker determines on a case-by-case basis, whether to authorize payments and services. The field manager or designee is responsible for periodically monitoring expenditures from the support service account.

(1) The worker does not approve support service funds for:

- (A) fines, including traffic fines or any cost related to a criminal offense, such as legal fees or court costs;
- (B) items and services covered by SoonerCare (Medicaid);
- (C) ongoing household expenses, such as, but not limited to, rent, utilities, and car payments; or
- (D) payments to reimburse the client or another person for the cost of services already paid.

(2) Before authorizing payment for support service funds, the worker:

- (A) determines if the service is available through any other resource. Resources may include other OKDHS programs, local churches, and civic groups; and
- (B) negotiates for goods and services for the child(ren) for the least possible cost. The negotiated amounts must not include state or local sales taxes.

(3) Payments of specific services are allowed only after the service is rendered.

(c) **Child incentive funds.** Child incentives are available for children pre-K through grade 12 based on funding availability. Payments for the child incentives are not an automatic entitlement to the child(ren). The worker determines on a case-by-case basis whether to authorize payments. The field manager or designee is responsible for periodically monitoring expenditures from the child incentive account.

SUBCHAPTER 19. ELIGIBILITY REQUIREMENTS FOR EMERGENCY ASSISTANCE TO NEEDY FAMILIES WITH CHILDREN

340:10-19-1. Legal base

The legal base for the Emergency Assistance to Needy Families with Children program is vested under Title IV, Part A, of the Social Security Act. It is financed from federal and state funds.

[Source: Amended at 10 Ok Reg 3961, eff 6-25-93 (emergency); Amended at 11 Ok Reg 1639, eff 5-12-94]

340:10-19-2. Emergency assistance to needy families with children

The Emergency Assistance Program consists of Emergency Family Services (EFS) administered by the Children and Family Services Division (CFSD), Office of Juvenile Affairs (OJA), and Temporary Assistance for Needy Families (TANF) Emergency Assistance (TANF-EA) administered by the Family Support Services Division (FSSD).

(1) **EFS.** EFS are services to families in which immediate action is necessary to avoid placement of a child(ren) in out-of-home care or to assist in reuniting a child(ren) with the family when in out-of-home placement and thereby prevent destitution of a child(ren) or family.

(2) **TANF-EA.** TANF-EA is administered by FSSD. TANF-EA is available to or on behalf of a needy child(ren) if the assistance is necessary to avoid destitution of the child(ren). TANF-EA payments are state disaster relief funds to families for food, medicine, shelter, utilities, clothing, and personal items. These payments are authorized **only** after all other resources such as emergency funds from the Social Security Administration (SSA), Bureau of Indian Affairs (BIA), Veterans' Administration (VA), other federal, or state, county, city agencies, and community organizations have been determined unavailable.

(A) **Persons who might be eligible for TANF-EA.** The assistance unit for TANF-EA is defined as containing the natural or adoptive parent(s) if residing with the child(ren) or if the parent(s) is absent from the home, the applicant who is of the specified degree of relationship, the applicant's spouse and any dependent child(ren) in the home who meet the age and relationship requirements. The applicant must be responsible for meeting the emergency need(s) of the child(ren) and unable to meet such need(s). The assistance unit must have suffered a major loss to their home as a result of a natural disaster and whose interest was not protected by insurance. In this instance, income and resources may be disregarded if they are not available or are insufficient to meet the emergency need. Partial insurance coverage must be considered when determining the amount to be disregarded.

(B) **TANF-EA emergency benefits.** Emergency benefits for persons eligible for TANF-EA are:

(i) food which is not available through the Supplemental Nutrition Assistance Program (SNAP) Program;

(ii) medicines or medical supplies not otherwise covered under the SoonerCare (Medicaid) Program;

(iii) shelter or emergency repairs on the home. If the client owns the home or is responsible for repairs, benefits can be provided for emergency repairs required to make the home livable.

Verification of the repair cost must be documented

in the case record. If the request is for new shelter, the worker contacts the prospective landlord, either in person or by telephone, to document details regarding the new shelter plan;

(iv) utilities when services have been discontinued. A written notice is required from the supplier that services or fuel cannot be provided or utilities turned on until a payment is received. The notice must be other than routinely printed on the regular bill and must include client's name, address, amount of bill, and account number; and

(v) clothing and personal items lost or destroyed.

340:10-19-3. Eligibility conditions for Temporary Assistance for Needy Families-Emergency Assistance (TANF-EA)

(a) **Need.** The household's income and resources must be evaluated in determining the availability of liquid resources to meet the emergency need. The evaluation must include a determination that:

- (1) other resources are not available through the Bureau of Indian Affairs, Social Security Administration, Veterans' Administration, other federal, state, county, city agencies, and community organizations, to meet an acute need; and
- (2) the household does not have sufficient cash resources or insurance to cover loss sustained to the home.

(b) **Limitations.** Recipients of Supplemental Security Income (SSI) are not included in the assistance unit. Persons who are residing in an institution are not eligible for TANF-EA.

(c) **Capital resources.** The liquid and non-liquid resources, exclusive of the home, owned by all non-SSI household members including those members who are not included in the assistance unit, are evaluated in determining availability of resources to meet the emergency need. Resources of an SSI recipient are not considered available to meet the emergency need of the assistance unit. If the total liquid resources exceed the emergency need, the assistance unit is ineligible because an emergency does not exist.

(d) **Income.** The income of all non-SSI household members including those members who are not included in the assistance unit is evaluated in determining availability of income to meet the emergency need. Income of an SSI recipient is not considered in determining whether an emergency situation exists. Income of household members who are not included in the assistance unit is not included in the monthly income standard test. In order to be eligible for TANF-EA, the income of all non-SSI household members must be unavailable to meet the emergency need.

(e) **Age.** Only families with a dependent child(ren) under the age of 19 living with the assistance unit are eligible for TANF-EA. An otherwise

eligible child(ren) 18 years of age is included in the assistance plan if he or she is a full-time secondary school student or equivalent level of vocational or technical training and is expected to complete school before reaching age 19. If the child(ren) completes school in the month age 19 is attained, the child(ren) is eligible for assistance that month even if the date of completing school is after the child's birthdate. This refers to the "completion of program" of the secondary school, not the formal graduation. Any other child(ren) who is going to be age 18 but is not expected to complete school before turning age 19 is eligible for the month during which age 18 is reached.

(f) **Residence.** Applicants for TANF-EA must be residing in the State of Oklahoma at the time of request for TANF-EA. There is no durational residence requirement.

(g) **Relationship.** The child(ren) must either be currently living with or must, within six months preceding the date of the request for assistance, have been living with a relative of the specified degree of relationship. The specified degree of relationship includes persons who are related by blood, marriage, or adoption in accordance with the TANF rules on relationship.

(h) **Citizenship and alienage.** The TANF rules on citizenship and alienage must be met.

340:10-19-4. Substantiation of eligibility for Temporary Assistance for Needy Families-Emergency Assistance (TANF-EA)

The statements of the applicant, or person acting in behalf of the client, are recorded on the application and signed by the applicant. When this information is complete, consistent, and required verification is provided, eligibility can be established. When the applicant, or person acting in behalf of the client, is unable to give information or when such information is incomplete, contradictory, or inconclusive, facts to substantiate eligibility are established immediately by collateral contacts, home visits, or other verification procedures.

340:10-19-5. Application and disposition of Temporary Assistance for Needy Families-Emergency Assistance (TANF-EA)

When a natural disaster occurs, the county office telephones Office Support Services (OSSD) Risk Management Unit with pertinent information as to the type and location of the disaster and the approximate number of families who may require TANF-EA. Applications are taken but not processed until Family Support Services Division (FSSD) is notified that the emergency funds have been approved. The

FSSD notifies the local office when applications are to be processed. Form FSS-1, Comprehensive Application and Review, is completed for every request for TANF-EA. Processing of the application must be completed as soon as possible, but cannot exceed 15 working days. The applicant is notified of certification or denial by computer-generated notices.

340:10-19-6. Payments for Temporary Assistance for Needy Families-Emergency Assistance (TANF-EA)

(a) **Method of payment.** Payment is made in the form of a warrant(s) issued by the Office of Finance. The warrant(s) is made payable to the client in the event that a specific vendor is unknown or if payment is for food and similar items. When the vendor is known, the warrant(s) is made payable to either both client and vendor, such as a landlord, utility company, or vendor only. The two-party warrant(s) is mailed to either the client's or vendor's address, based on which method best meets the emergency need of the family. When more than one vendor is approved, separate warrants are issued with each vendor's name and information.

(b) **Amount and period of payment.** Payment(s) to meet emergency needs covers a period of no more than 30 days within 12 consecutive months. If one or more payments are authorized, the 30-day period is counted from the day the computer input form is signed authorizing the first payment. If an additional payment is authorized during this 30-day period, a new application is not required. Only one period of approval can be authorized within a 12-month period. The amount of payment is the amount required to meet the emergency need but may not exceed the monthly maximum Emergency Assistance, "Z" payment standard for the number of eligible persons in the family according to DHS Appendix C-1, Schedule of Maximum Income, Resource and Payment Standards, Schedule IX. Applicants and recipients have a right to request and obtain a fair hearing.

340:10-19-8. Temporary Assistance for Needy Families-Emergency Assistance (TANF-EA) non-conditioning of payments

The DHS does not restrict in any way the use which the client makes of an assistance payment which is not designated for a vendor. This also precludes any agreement on the part of the Department to pay

or guarantee payment for goods or services provided to clients by vendors in lieu of money payment.

340:10-19-9. Title IV-A/EA Emergency Family Services (EFS)

(a) EFS are services to families provided by the Division of Children and Family Services or the Office of Juvenile Affairs in which immediate action is necessary to avoid placement of a child in out-of-home care or to assist in reuniting a child with his or her family when in an out-of-home placement. These services are allowed under prior law in Section 404(a)(2) of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193). Situations which can determine a need for emergency assistance are:

- (1) abuse, neglect, or abandonment of a child(ren);
- (2) parents' inability to provide adequate care;
- (3) delinquent or In Need of Supervision referral;
- (4) a juvenile petition; or
- (5) reunification. The child(ren) is currently in custody with a case plan to return home within six months.

(b) EFS include:

- (1) home-based services;
- (2) day treatment;
- (3) wrap-around services;
- (4) substance abuse services;
- (5) education and vocational services;
- (6) independent living services;
- (7) information and referral;
- (8) counseling;
- (9) foster care;
- (10) emergency shelter;
- (11) child care;
- (12) legal services;
- (13) parenting education and training, in-home or out-of-home;
- (14) medical services;
- (15) respite care;
- (16) clothing;
- (17) diagnostic and evaluation services; or
- (18) cash assistance necessary to meet or prevent the emergency crisis.

340:10-19-10. Eligibility requirements for Emergency Family Services (EFS)

(a) **Presumptive eligibility.** When the Office of Field Operations, child welfare services case manager determines that the child(ren) is at imminent risk of removal from the home, the social services specialist

presumes the child(ren) and family to be eligible pending approval of eligibility and may authorize EFS as determined appropriate and necessary. Title IV-A funding is contingent upon a subsequent approval of eligibility.

(b) **Eligibility criteria.** The social services specialist determines eligibility based on verification and documentation that:

- (1) an emergency exists involving a child(ren) because of:
 - (A) abuse;
 - (B) neglect;
 - (C) abandonment;
 - (D) delinquency or the need for supervised behavior;
 - (E) the need to remove a child(ren) from the child's home;
 - (F) the imminent threat of (A) - (E); or
 - (G) the lack of a proper caretaker which deprives or would deprive a child(ren) of proper living arrangements or cause destitution.
- (2) the family has not received authorization for Title IV-A Temporary Assistance for Needy Families-Emergency Assistance (TANF-EA) or EFS within the last 12 months;
- (3) the child(ren) has resided with one or both parents or a specified relative within the last six months prior to the emergency;
- (4) the child(ren) is without resources immediately accessible to meet the needs; and
- (5) an adult family member's refusal without good cause of a job or training did not cause the emergency.

SUBCHAPTER 20. DIVERSION ASSISTANCE

340:10-20-1. Diversion Assistance (DA)

(a) **Scope.** Applicants with a minor child(ren) may apply for a onetime DA payment instead of Temporary Assistance for Needy Families (TANF). There must be an immediate crisis need prohibiting the parent(s) or caretaker(s) from accepting a valid employment offer or endangering the parent's or caretaker's current employment. DA is based on funding availability.

- (1) DA does not pay fines, traffic fines, or any cost related to a criminal offense, such as legal fees, court costs, or reinstatement of a driver license due to driving under the influence or other criminal traffic violations.
- (2) DA is not to reimburse expenses already paid by the family or others.
- (3) Before approving DA, the worker must determine if a DA payment will allow the family to be self-sufficient for the next 12 months. An applicant may only receive DA once in the applicant's lifetime after February 1, 2022, and when approved, the family

may not receive a TANF cash assistance payment for 12 months.

(A) A DA payment does not count toward the family's 60-month time limit for receiving a TANF cash assistance benefit.

(B) Any family that includes an adult who already reached the 60-month time limit is not eligible for DA.

(4) Regardless of a change in caretaker, a child may only receive DA once during their childhood. If a child begins living with another caretaker after receiving DA, the child is excluded from DA eligibility with any other caretaker.

(5) OKDHS does not include families approved for DA in the number of persons reported for TANF federal participation rates.

(b) Application filing. Applicants must sign and submit an application and be interviewed, per Oklahoma Administrative Code (OAC) 340:65-3-1(b) through (d) to apply for DA. .

(1) In signing the application, an applicant agrees to not apply for TANF for at least one year from the DA application date. In two-parent families, both parents must sign the application.

(2) A stepparent may be included in the benefit when the couple is legally married.

(3) To be timely, the worker must process a DA application within seven-business days.

(c) Eligibility criteria. The family must meet the eligibility criteria described in (1) through (7) of this subsection to qualify for DA.

(1) The applicant must verify that the applicant is employed or has a bona fide offer of employment.

(2) There must be a financial need that, if not met, could cause the applicant to lose employment or not be able to accept an employment offer.

(3) An adult(s) must be included in the DA application and must meet the specified degree of relationship to the minor child(ren) included in the application, per OAC 340:10-9-1.

(4) The family's monthly gross income may not exceed the gross income maximum, per Oklahoma Human Services (OKDHS) Appendix C-1, Maximum Income, Resource, and Payments Standards, Schedule XVI, for the appropriate family size.

(5) The family's resources may not exceed the resource limits, per OKDHS Appendix C-1, Schedule XVI.

(6) The applicant must furnish or apply for a Social Security number, per OAC 340:65-3-1(f).

(7) The family must meet citizenship and alienage requirements, per OAC 340:10-15 and OAC 340:65-3-1(g).

(d) DA payment amount. The maximum DA payment is equal to four months of the payment standard, per OKDHS Appendix C-1, Schedule XVI, for the appropriate family size based on the family's financial need. DA payments may be issued in more than one authorization to purchase or other approved method when the request for additional funds is made within 120-calendar days of the initial application date, and the total payments do not exceed four times the monthly payment standard for the family size.

SUBCHAPTER 22. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) SUPPORTED PERMANENCY PROGRAM

340:10-22-1. Temporary Assistance for Needy Families (TANF) Supported Permanency Program (SPP)

(a) **Scope.** The TANF SPP was developed to promote permanency for a child(ren) who is in the custody of the Oklahoma Department of Human Services (DHS) and placed with a relative(s) residing in Oklahoma, who is a paid kinship relative foster home. The SPP is considered appropriate when the:

- (1) child meets age requirements described on Schedule XVII of DHS Appendix C-1, Maximum Income, Resource, and Payment Standards, or has a sibling residing in the same relative foster home who meets age requirements;
- (2) child(ren) in DHS custody is placed in a paid kinship foster home with a relative(s), who resides in Oklahoma and meets the specified degree of relationship, per Oklahoma Administrative Code (OAC) 340:10-9-1;
- (3) court finds that guardianship is the permanency plan for the child(ren);
- (4) child(ren) currently resides with the relative(s) in Oklahoma and resided with the relative(s) four of the last six months;
- (5) relative(s) completed all requirements to be approved as a DHS foster care home;
- (6) relative(s) is willing to assume legal responsibility for the child(ren); and
- (7) court and, when appropriate, the child(ren), are in agreement with the plan for the relative(s) to obtain legal responsibility for the child(ren).

(b) **Eligibility.** Once the Child Welfare Services (CWS) specialist determines that a referral to the TANF SPP is appropriate, per (a)(1) of this Section and the transfer of legal responsibility is approved by the court, the CWS specialist refers the relative to apply for TANF SPP at the local county office within five-business days of the relative obtaining legal responsibility for the child(ren) using Form 04PP006E, Supported Permanency Referral. When the child(ren) is approved for the TANF SPP benefit, he or she is eligible for SoonerCare (Medicaid) and child care benefits, when appropriate.

- (1) The child(ren)'s income is considered the same as it is for any other TANF eligible child.
- (2) Food benefit eligibility is dependent on the eligibility of the household.
- (3) The Adult and Family Services (AFS) worker reduces the TANF SPP benefit when the child(ren) fails to meet the school attendance requirement, per OAC 340:10-13-1 or the immunization requirement, per OAC 340:10-14-1.
- (4) When the child(ren) leaves the home to reside elsewhere, the AFS worker closes the TANF SPP benefit for the child(ren).
- (5) When, following closure, the child(ren) returns to the relative's home, the child(ren) may be eligible for TANF cash assistance but not for the TANF SPP benefit.

SUBCHAPTER 23. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) NATIONAL OR STATE EMERGENCY

340:10-23-1. National or state emergency

(a) **National or state emergency.** In the event of a national or state emergency declaration by The President of United States or Governor of the State of Oklahoma resulting in a hardship for Temporary Assistance for Needy Families (TANF) recipients, the State may opt to provide additional services using non-recurring short term benefits (NRST). The State may, at its discretion, implement one or more of the NRST benefits, per (b) of this Section. The Oklahoma Human Services Director issues, by memo, activation of this policy and lists the approved NRST benefits to be implemented during the designated emergency. The approved NRST benefits may not exceed four months and are based on availability of funding.

(b) **NRST benefits.** NRST benefits may include:

- (1) TANF Child Care eligibility rules relaxed to an amount up to, but not exceeding, 300 percent of the federal poverty level \$0 copay to allow families not receiving cash assistance four months of child care at no cost.
- (2) providing an additional Emergency TANF (ETANF) cash assistance payment to current TANF recipients to offset disaster or emergency expenses in an amount to be determined per emergency;
- (3) housing search and placement services;
- (4) clothing allowances;
- (5) short-term rental or mortgage assistance;
- (6) utility or energy assistance;
- (7) legal services for TANF recipients who are pursuing Supplemental Security benefits from pre-filing through the administrative appeals process or to help resolve personal or family legal problems when such problems are a threat to family stability or undermine employment;
- (8) family support services to deal with stressful events;
- (9) financial and credit counseling; or
- (10) Diversion Assistance.

(c) **TANF application process.** TANF applications may be submitted online or, with applicant permission, the worker may submit the online application by proxy for the applicant. The in-person face-to-face interview requirement may be waived and the interview may be conducted by phone or video conferencing technology. The TANF cash assistance benefit may be certified after all eligibility factors are determined to be met during the emergency.

(d) TANF eligibility requirements waived during emergency declaration. Depending on the nature of the national or state emergency, certain TANF eligibility requirements may be waived.

(1) The substance abuse screening requirement, per Oklahoma Administrative Code (OAC) 340:10-4-1 and education assessments, per OAC 340:10-2-3, may be waived when assessment providers are unable to provide assessment testing due to the emergency. TANF recipients are required to complete all required assessments when testing resumes. If the TANF recipient tests positive for the illegal use of a controlled substance or substances, the worker follows normal procedures, per OAC 340:10-4-1.

(2) When TANF recipients are unable to participate in assigned TANF Work activities, per OAC 340:10-2-1, due to no fault of their own, such as when a medical pandemic occurs or another disaster causes all businesses and school campuses to close or residents to receive shelter in place orders, the recipient is granted good cause.

(3) When a person's TANF cash assistance benefit closed for non-compliance with his or her assigned TANF Work activity within 30-calendar days of the date an emergency was declared, and he or she was unable to participate in a TANF Work activity due to the emergency, the worker may reopen the TANF cash assistance benefit during the crisis. When this occurs, the TANF recipient is expected to resume TANF Work participation when the national or state emergency ends.

(e) TANF supplement. When TANF recipients experience a job loss or reduction in wages and incur an income loss due to the national or state emergency, the worker supplements the TANF cash assistance benefit up to the maximum payment standard for the household's size, per Oklahoma Human Services Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule IX, effective the month the emergency is declared.

(f) Economic impact payments. Economic impact payments received as a result of a national or state emergency are:

- (1) considered as a rebate or advance payment of a credit; and
- (2) excluded as income and from resource consideration for a period of 12 months from the receipt date for the purpose of determining eligibility for benefits or assistance under any federal program or under any state or local program, financed in whole or in part with federal funds, per Section 103(d) of the American Taxpayer Relief Act, as amended in Section 6409 of Title 26 of the United States Code.

SUBCHAPTER 1. STATE SUPPLEMENTAL PAYMENT

340:15-1-1. Purpose and legal basis

(a) **Purpose.** The purpose of the Oklahoma Human Services State Supplemental Payment (SSP) Program is to supplement the income of persons with disabilities, who are blind, or who are 65 years of age and older based on the eligibility rules contained in this Chapter.

(b) **Legal basis.** The legal basis for the SSP Program is vested in Article XXV of the State of Oklahoma Constitution and Section 161 et seq. of Title 56 of the Oklahoma Statutes.

[**Source:** Amended at 21 Ok Reg 2370, eff 7-1-04 ; Amended at 39 Ok Reg 1704, eff 9-15-22]

340:15-1-2. Definitions

The following words and terms, when used in this Chapter, have the following meanings, unless the context clearly indicates otherwise.

"Countable income" means the total unearned income plus the net earned income. The net earned income is gross earned income minus the \$20 general income exclusion, \$65 work exclusion, and one-half of the remainder. For individuals who are blind, refer to Oklahoma Administrative Code (OAC) 317:35-5-42(g)(3)(5), (9), and (10), for additional exemptions.

"Disabled individual" means a person who meets the same definition, per Section 1382c(a)(3) of Title 42 of the United States Code that the Social Security Administration uses in determining eligibility for Supplemental Security Income disability benefits.

"Earned income" means income the person receives from wages, salaries, commissions, or profits from activities he or she is engaged in, as a self-employed individual or as an employee.

"Eligible couple" means two persons married to each other who are both 65 years of age and older, blind, or disabled and meet the income and resource standard for a money payment, per Oklahoma Human Services (OKDHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedules VIII.A and D.

"Eligible individual" means a person who is 65 years of age and older, blind, or disabled and meets the income and resource standard for SSP, per OKDHS Appendix C-1, Schedules VIII.A and D.

"Eligible individual with essential spouse" means an eligible individual living with a spouse who is not 65 years of age and older, blind, or disabled but has been continuously included in the case prior to 1974. The couple must meet the income and resource standards, per OKDHS

Appendix C-1, Schedule VIII.A and D.

"Eligible individual with ineligible spouse" means an eligible individual living with a spouse who is not 65 years of age and older, blind, or disabled and does not meet the definition of an essential spouse. The couple must meet the income and resource standard, per OKDHS Appendix C-1, Schedule VIII.A and D.

"Eligible individual with ineligible spouse and dependent child(ren)" means a married couple who meets the definition of an eligible individual with an ineligible spouse that have a child(ren) younger than 18 years of age with the proper degree of relationship residing in the home full-time. The couple must meet the income and resources standard, per OKDHS Appendix C-1, Schedule VIII.A and D.

"Ineligible child" means a child younger than 18 years of age who is not blind or disabled.

"Minor eligible child who is blind or disabled" means a child younger than 18 years of age, who is blind or disabled and meets the income and resource standards for SSP, per OKDHS Appendix C-1, Schedules VIII.A and D.

340:15-1-4. State Supplemental Payment (SSP) plan

The SSP plan encompasses the requirements listed in (1) through (11) of this Section.

(1) **State-wide operation.** The SSP plan is a state-administered program in effect in all Oklahoma counties.

(2) **Financing.** The State of Oklahoma provides all funding for the SSP Program.

(3) **Single-state agency.** The SSP Program is administered by Oklahoma Human Services (OKDHS) Adult and Family Services, in offices throughout the state.

(4) **Fair hearings.** An SSP applicant or recipient adversely affected by an OKDHS decision is provided an opportunity for a fair hearing, per Section 168 of Title 56 of the Oklahoma Statutes (56 O.S § 168). Adverse effects may include, when the applicant or recipient:

- (A) is denied benefits or the application is not acted upon within 30-calendar days for persons categorically related to Aid to the Aged, or 60-calendar days for persons categorically related to Aid to the Blind or Disabled;
- (B) disagrees with the approved payment amount; or
- (C) disagrees with any action taken regarding his or her payment.

(5) **Proper and efficient administration.** OKDHS operates under the State Merit System that establishes and maintains personnel standards on a merit basis for certain state agencies, including OKDHS, per 56 O.S § 26.17.

(6) **Safeguarding information.** Per 56 O.S § 183 and Oklahoma Administrative Code (OAC) 340:1-1-20 and 340:65-1-2, OKDHS restricts the use or disclosure of information concerning SSP applicants and recipients to purposes directly connected with SSP program administration.

(7) **Right to apply.** A person has the right to:

- (A) apply for SSP and any other benefit he or she chooses;
- (B) expect an eligibility investigation; and
- (C) expect a decision regarding the SSP application within 30-calendar days for persons categorically related to Aid to the Aged or 60-calendar days for persons categorically related to Aid to the Blind or Disabled.

(8) **Assistance under only one program.** An eligible person's needs may be included in only one cash assistance benefit, either SSP or Temporary Assistance for Needy Families.

(9) **Standards for determining eligibility and payment amount.** Refer to OAC 340 Chapters 15 and 65 for SSP eligibility determination rules and OKDHS Appendix C-1, Maximum Income, Resource, and Payment Standards for SSP payment amounts.

(A) SSP standards are based on the mandatory "Pass-Along Provision" of Section 1618 of the Social Security Act (Section 1382g of Title 42 of the United States Code) that requires states to pass along cost of living adjustments (COLA) in Supplemental Security Income (SSI) benefits. OKDHS adjusts payment amounts during the calendar year, as needed, to maintain total SSP expenditures for SSP in a calendar year at the same level as the total expenditures in the previous year.

(B) Maximum income and resource standards for persons who are 65 years of age and older, blind, or disabled are based on the federal benefit rates (FBR), per OKDHS Appendix C-1, Schedule VIII.

(i) Countable income for SSP must be less than 100 percent of the FBR, plus the maximum SSP amount.

(ii) Countable income must be equal to, or less than 300 percent of the FBR for certain persons who, since December, 1973:

(I) were approved for care and continuously living in a licensed Title XIX nursing care facility, intermediate care facility (ICF), or ICF for individuals with intellectual disabilities (ICF-IID);

(II) have continuously received Home and Community-Based Waiver Services for the intellectually disabled; or

(III) were 65 years of age and older and have continuously resided in a mental hospital.

(iii) Countable deemed income to a minor child with disabilities or who is blind must be less than 100 percent of the FBR.

(iv) Maximum resources must be equal to, or less than 100 percent, of the SSI resource standards.

(10) **Income and resources.** When determining need for an SSP, OKDHS considers the person's countable income and resources, per OAC 317:35-5-41 and 317:35-5-42, and federal and state law.

(A) To determine income eligibility at application, the worker calculates the person's actual earned and unearned income received or expected to be received during the application month and compares it to the maximum income standard, per OKDHS Appendix C-1, Schedule VIII.A.

(B) The worker only verifies an SSI recipient's income and resources when the recipient reports a change or the worker receives information indicating the person has income or resources not considered by the Social Security Administration at SSI approval or the most recent SSI review.

(C) As an SSI Criteria state, Oklahoma is required to passively or auto renew the SSP and SoonerCare (Medicaid) eligibility of SSI recipients every 12 months without requiring them to provide any information when their case records contain reliable information or more current information is available to OKDHS, per Section 435.916 of Title 42 of the Code of Federal Regulations.

(11) **Civil rights.** The SSP Program is administered, per provisions of Title VI of the Civil Rights Act.

340:15-1-5. State Supplemental Payment (SSP)

(a) **Eligibility for payment.** Per Section 164 of Title 56 of the Oklahoma Statutes (O.S. 56 § 164), an individual is eligible for a SSP when he or she is, or would be, eligible for Supplemental Security Income (SSI) because of age or disability, is not ineligible per (b) of this Section, and meets all other eligibility conditions.

(1) Required eligibility conditions include:

(A) having countable income, including SSI, that is less than the SSP need standard, per Oklahoma Human Services (OKDHS) Appendix C-1, Maximum Income, Resource, and Payment Standards, Schedule VIII.A;

(B) meeting resource standards, per OKDHS Appendix C-1, Schedule D; and

(C) taking all appropriate steps to obtain other benefits within 30-calendar days after he or she is notified of his or her potential eligibility.

(2) The individual may:

(A) be ineligible for SSI based on income; but have income less than the SSP maximum, per OKDHS Appendix C-1, Schedule VIII.A;

(B) remain approved for care in a licensed Title XIX nursing care facility since December, 1973, and retain eligibility for a mandatory SSP. Refer to Appendix C-1, Schedule VIII.B., for the mandatory supplement standard; or

(C) be a resident in the Oklahoma School for the Blind or the Oklahoma School for the Deaf.

(b) Ineligible for payment. An individual is not eligible for SSP when he or she:

(1) is a resident of a public facility operated by a government entity, such as a correctional, mental health, nursing care, or juvenile facility;

(2) is a patient in a psychiatric facility or a psychiatric unit of an acute care hospital for more than 30-calendar days;

(3) has countable income in excess of the SSP need standard, per OKDHS Appendix C-1, Schedule VIII.A;

(4) has countable resources in excess of the SSP resource standard, per OKDHS Appendix C-1, Schedule VIII.D;

(5) does not receive SSI because the applicant or the spouse disposed of resources for less than fair market value within 36 months of the application date, per Section 1382b(c) of Title 42 of the United States Code;

(6) is not an Oklahoma resident;

(7) does not meet citizenship or alien status requirements, per Oklahoma Administrative Code (OAC) 317:35-5-25 and 56 O.S. §71;

(8) does not take all appropriate steps to obtain other benefits with 30-calendar days after being notified of his or her potential eligibility; or

(9) is a child in OKDHS custody placed in out-of-home care paid for by OKDHS.

(c) SSP payment amount. The SSP payment amount varies depending on the amount of other income the individual(s) receives. The maximum payment must not exceed the maximum payment shown on OKDHS Appendix C-1, Schedule VIII.A. for an individual. Payment may be authorized retroactively based on an appeal decision or to correct an administrative error. Payment may not be authorized retroactively when the client fails to report information affecting eligibility within 10-calendar days of the date the change occurs. Refer to OAC 340:65-3-6 for payment methods and issuance dates.

(1) **Eligible couple.** Income eligibility is determined by comparing the couple's total countable income with the SSP standard for an eligible couple. When the couple's income is:

(A) equal to or greater than the standard, the worker denies the application or closes the SSP benefit; or
(B) less than the standard, the worker deducts the couple's income from the standard to compute the payment amount. The SSP for each member of the couple is one-half of the remainder. When the SSP cannot be divided equally, one member of the couple receives a higher SSP, subject to the maximum payment, per OKDHS Appendix C-1, Schedule VIII.A.

(2) **Eligible individual.** The worker determines an individual's income eligibility by comparing his or her total countable income with the SSP standard for an eligible individual. When the individual's countable income is:

(A) equal to or greater than the SSP standard, the worker denies the application or closes the SSP benefit; or
(B) less than the SSP standard, the worker deducts the individual's total countable income from the standard to compute the payment amount, subject to the maximum payment, per OKDHS Appendix C-1, Schedule VIII.A.

(3) **Eligible individual with essential spouse.** The worker determines the income eligibility for an individual with an essential spouse by comparing the total countable income of the couple with the SSP standard for the eligible individual with an essential or ineligible spouse. When the couple's countable income is:

(A) equal to or greater than the standard, the worker denies the application or closes the SSP benefit; or
(B) less than the standard, the worker deducts the couple's total countable income from the standard to compute the payment amount, subject to the maximum payment, per OKDHS Appendix C-1, Schedule VIII.A.

(4) **Eligible individual with ineligible spouse.** The worker determines income eligibility for an individual with an ineligible spouse by comparing the total countable income of the individual with the SSP standard for the eligible individual. When the individual's countable income is:

(A) equal to or greater than the SSP standard for the eligible individual, the worker denies the application or closes the SSP benefit; or
(B) less than the SSP standard for the individual, the worker compares the total countable income of the couple with the SSP standard for an eligible individual with an essential or ineligible spouse. When the couple's total countable income is:

(i) equal to or greater than the standard, the worker denies the application or closes the SSP benefit; or
(ii) less than the standard, the worker deducts the total countable income of the couple from the SSP standard for an eligible individual with an essential or ineligible spouse to compute the payment

amount, subject to the maximum payment, per OKDHS Appendix C-1, Schedule VIII.A. Exception: When the ineligible spouse is included in a Temporary Assistance for Needy Families (TANF) benefit, the worker deducts the individual's countable income from the SSP standard for the eligible individual and does not consider the spouse's income.

(5) Eligible individual with ineligible spouse and dependent child(ren). The worker determines income eligibility for an individual with an ineligible spouse and dependent child(ren) by comparing the individual's total countable income with the SSP standard for an eligible individual.

(A) When the individual's countable income is equal to or greater than the standard, the worker denies the application or closes the SSP benefit.

(B) When the individual's countable income is less than the SSP standard for an eligible individual, the worker determines the spouse's countable income by following (i) through (v) of this paragraph.

(i) When the spouse and dependent child(ren) are included in a TANF benefit, their income is considered for the TANF benefit and none is deemed to the eligible individual. The worker deducts the individual's total countable income from the SSP standard to compute the SSP benefit amount, subject to the maximum payment, per OKDHS Appendix C-1, Schedule VIII.A.

(ii) When the spouse's needs are not included in the TANF benefit with the child(ren), the portion of the spouse's income considered in determining the child(ren)'s TANF benefit is not considered for the SSP benefit.

(iii) When the dependent child(ren) does not receive TANF, the worker deducts the child(ren)'s allocation, minus the child(ren)'s income, from the spouse's income before determining the amount of the spouse's income to consider for the SSP benefit. Refer to OKDHS Appendix C-1, Schedule VIII.C for the child(ren)'s allocation amount.

(iv) The individual's total countable income and the spouse's countable income after subtracting the amount considered for the dependent child(ren), is compared with the SSP standard for an eligible individual with an essential or ineligible spouse, per OKDHS Appendix C-1, Schedule VIII.A. When the countable income is:

(I) equal to or greater than the SSP standard, the worker denies the application or closes the SSP benefit; or

(II) less than the SSP standard, the worker deducts the countable income from the standard to compute the payment amount, subject to the maximum payment, per (OKDHS) Appendix C-1, Schedule VIII.A.

(v) The dependent child(ren)'s income is never deemed to the adult.

(6) **Minor who is blind or disabled.** The worker determines a minor's income eligibility by adding the child's income to the amount deemed from the child's parents and compares the total to the SSP standard for an eligible individual. When the countable income is:

(A) equal to or greater than the standard, the worker denies the application or closes the SSP benefit; or

(B) less than the standard, the worker deducts the total countable income from the SSP standard to compute the payment amount, subject to the maximum payment, per OKDHS Appendix C-1, Schedule VIII.A.

(d) **Concurrent receipt of more than one cash assistance payment.** An individual must not be included in more than one SSP or TANF benefit for the same time period.

(1) An individual meeting SSP eligibility requirements may receive SSP and be the payee for a TANF benefit when his or her needs are not included in the TANF cash assistance.

(2) When a TANF recipient is transferred from TANF to SSP or an SSP recipient is transferred from Aid to the Disabled to Aid to the Aged or Blind, the effective date must be the same for the removal from one category and the beginning of payment from the other category.

(e) **Non-conditioning of payment.** OKDHS does not restrict in any way how the client uses the assistance payment.

(f) **Application and renewal processing.** Refer to OAC 340:65-3-1 for application processing rules and OAC 340:65-3-8 for renewal processing rules.

340:15-1-6. Special requirements

(a) **Alms solicitation.** Per Section 164 of Title 56 of the Oklahoma Statutes, a recipient of a State Supplemental Payment (SSP) for the blind must not solicit alms while receiving SSP. Soliciting alms means collecting donations for one's personal benefit, selling minor articles when selling is merely a subterfuge for collecting donations, and any similar activities. It does not include house-to-house sale of articles carried on as a regular established occupation. The client's statement regarding alms solicitation is sufficient verification when there are no facts to the contrary.

(b) **Minor child who is blind or disabled.** To determine SSP eligibility for a child who is blind or disabled, the income and resources of the parent(s) with whom the child is living is considered unless the parent(s) is included in a SSP or Temporary Assistance for Needy Families (TANF) application or benefit.

(1) **Income deeming.** When determining SSP eligibility for a child younger than 18 years of age who is blind or disabled, a natural or adoptive parent(s)', or step-parent's income must be deemed to the child. An ineligible child's income is not deemed to the eligible child who is blind or disabled. The parent(s)' income is not deemed when the eligible child resides in a nursing care facility. Refer to Oklahoma Administrative Code (OAC) 317:35-5-42(n) and (o) for deeming computation procedures.

(2) **Resource deeming.** When a minor child, who is blind or disabled lives with his or her parent(s), the parent(s)' resources in excess of the resource standard, per Oklahoma Human Services OKDHS Appendix C-1, Schedule VIII.D, are deemed to the child unless the parent(s) receives Supplemental Security Income (SSI), SSP, or is included in a TANF cash assistance payment or the child resides in a nursing care facility. When there is more than one eligible child in the home, the parent(s)' excess resource amount is prorated between the eligible children.

(3) **When the child is ineligible for SSP.** When a child with intellectual disabilities is ineligible for SSP due to deeming his or her parent(s)' income and/or resources, the child may be approved for SoonerCare (Medicaid) benefits under the Home and Community-Based Waiver (HCBW) Services, per OAC 317:35-9. When the child is not eligible for HCBW, the child may be eligible for SoonerCare (Medicaid) benefits under the Tax Equity and Fiscal Responsibility Act of 1982 (Public Law 97-248), known as TEFRA, per OAC 317:35-5-4 and 317:35-7-36.

(c) **Age.**

(1) **SSP age requirement for the aged.** A person must be 65 years of age and older to meet the age requirement for SSP for Aid to the Aged. Eligibility is verified by the Social Security Administration or other records, such as a birth certificate, insurance policies, family records, or census records.

(2) **SSP age requirement for the blind.** There is no age requirement to receive SSP for the blind. When a child who is blind is younger than 16 years of age, his or her age must be verified in order to establish the need for designating a parent or guardian as payee.

(3) **SSP age requirement for persons with disabilities.** To be eligible for a SSP for the disabled, an applicant or recipient must be younger than 65 years of age. A parent or guardian must be designated as payee when a child who is disabled is younger than 16 years of age.

(d) **Fleeing felon.** A fleeing felon is not eligible for a SSP. Per Section 1382(e)(4) of Title 42 of the United States Code, a fleeing felon is defined as a person who:

- (1) is fleeing to avoid prosecution, custody, or confinement after conviction, under the laws of the place from which the person flees, for a crime, or an attempt to commit a crime, which is a felony under the laws of the place from which the person flees, or in jurisdictions that do not define crimes as felonies, is punishable by death or imprisonment for a term exceeding one year regardless of the actual sentence imposed;
- (2) is violating a condition of probation or parole imposed under federal or state law; or
- (3) lost SSI benefits due to being a fleeing felon.

(e) **Overpayments.** A client may incur an SSP overpayment for any month in which he or she receives an SSP after SSI benefits close and the client's income is above the SSP standard, per OKDHS Appendix C-1, Schedule VIII.A, or the client received a larger SSP than he or she was eligible to receive. The overpayment amount includes any premiums for Health Insurance Benefits paid by the Oklahoma Health Care Authority on behalf of an ineligible client. The Adult and Family Services Benefit Integrity and Recovery Unit establishes and collects overpayment claims, per OAC 340:65-9.

SUBCHAPTER 3. SUPPLEMENTAL SECURITY INCOME-DISABLED CHILDREN'S PROGRAM

340:15-3-1. Eligibility and available services

(a) **Supplemental Security Income-Disabled Children's Program (SSI-DCP).** SSI-DCP is established, per Sections 504 and 1615 of the Social Security Act, Sections 704 and 1382d of Title 42 of the United States Code. SSI-DCP is a federally-funded social services program for children with special health care needs, and is supported by the Maternal and Child Health Services Title V Block Grant. Pursuant to Section 175.5 of Title 10 of the Oklahoma Statutes, Oklahoma Human Services (OKDHS) administers the Children with Special Health Care Needs Program, and Adult and Family Services (AFS) oversees SSI-DCP.

- (1) AFS Health Related and Medical Services (HR&MS) staff pre-approves SSI-DCP services and equipment except supplemental formula. AFS HR&MS staff considers many factors in deciding which services or equipment to approve including, but not limited to:
 - (A) the child's needs;
 - (B) the availability of other resources;
 - (C) whether the child is in a stable or temporary living situation;

- (D) the cost of the service or equipment; and
- (E) the availability of funding.

(2) A third party service provider accepts the service request, determines eligibility, and provides supplemental formula. AFS HR&MS oversees this provider through the contracting process.

(b) **Eligibility.** Any child from birth to 18 years of age may be eligible for SSI-DCP services when the child receives an SSI payment. SSA establishes financial and medical eligibility for the SSI disability payment. When the child becomes 18 years of age, he or she is no longer eligible for SSI-DCP services.

(c) **Child in OKDHS custody.** When a child is in OKDHS custody and OKDHS retains the child's SSI, the child's SSI is used to pay for needed services and equipment prior to accessing SSI-DCP funds.

(d) **Service plan.** Except for supplemental formula and when the child does not have a current service plan with another program within OKDHS or another agency, the AFS worker completes a service plan prior to providing SSI-DCP services to the child.

(1) The AFS worker interviews the parent, guardian, or caretaker by phone, in the office, or during a scheduled home visit to complete Form 08MA017E, SSI-DCP Service Plan. The service plan is reviewed yearly. When the child receives State Supplemental Payment, the AFS worker completes Form 08MA017E in conjunction with the eligibility renewal.

(2) When the child receives services from another agency that requires a current social service plan, such as early intervention services through SoonerStart or special education services through the local public school, the SSI-DCP service plan is not necessary.

(3) Within OKDHS, the child may receive services from Child Welfare Services (CWS), Developmental Disabilities Services (DDS), or Aging Services (AS) for State Plan Personal Care. When applicable, the AFS worker collaborates with CWS or DDS to:

- (A) address the child's current and future social service needs; and
- (B) avoid duplication in providing services.

(e) **Services.** SSI-DCP provides funding for the services described in (1) and (2) of this subsection. The parent, guardian, or caretaker requests interaction and integration services through an AFS worker. A third party service provider handles supplemental formula requests. When a service provider is responsible for providing the service and the parent, guardian, or caretaker contacts an AFS worker, the worker provides the provider's contact information.

(1) **Formula.** A health care professional provides a prescription naming the brand of formula the child needs for oral consumption. The parent, guardian, or caretaker must provide an updated prescription each year.

(2) **Interaction and integration services.** Non-medical services aimed at strengthening the child physically or mentally; providing opportunities for social interaction; or assisting with mobility may be approved when recommended by an education or health care professional and the recommendation clearly defines the goals

and objectives for the child. Examples of such services include, but are not limited to, swimming or horseback riding lessons, sports activities, or a health club membership. Due to budget constraints, services are available as a temporary supplement on a short-term basis.

(f) **Equipment.** Equipment approved through SSI-DCP is used to aid the child in accessibility or mobility. Equipment available through SSI-DCP is pre-approved by AFS HR&MS staff. Available equipment that may be approved is described in (1) and (2) of this subsection. The parent, guardian, or caretaker provides a written recommendation from an education or health care professional with knowledge concerning the child's equipment needs. HR&MS staff does not approve requests for equipment the child can obtain through other sources, such as SoonerCare (Medicaid) or through the child's school.

(1) **Developmental aid.** A developmental aid is any device or equipment adapted to meet the needs of a child with disabilities. An education or healthcare professional provides a written explanation concerning the goals and objectives this developmental aid meets before it is approved. Educational or classroom devices, equipment, or supplies not adapted for the child's needs are not in the scope of the program.

(2) **Van lifts.** Van lifts are devices used for vehicular transportation of wheelchairs. Van lifts may be approved when needed to transport a child in a wheelchair. A van lift is not approved for a child in OKDHS or tribal custody or in the DDS Home and Community-Based Waiver Program. Modifications to the van are not approved.

(A) The parent, guardian, or caretaker must own the van as verified by title registration and license verification, and the van must be in operating condition.

(B) The family provides estimates from two van lift dealers who employ certified van lift installation technicians.

(C) When the request is approved, HR&MS staff contacts the family and approved vendor to arrange van lift installation.

(D) Only a certified van lift specialist is approved to install the van lift and the van lift must have factory and dealership warranties equal to the private purchase warranty.

(E) HR&MS staff does not approve replacement of a van lift within 10 years of the purchase date.

(F) SSI-DCP staff does not pay for van or van lift repairs not purchased with SSI-DCP funds.

(g) **Exclusions.** Items or supplies not in the scope of SSI-DCP are not approved. Examples of excluded items or supplies include, but are not limited to:

- (1) learning programs;
- (2) psychological programs;
- (3) books;
- (4) video or audio tapes;
- (5) paper, pencils, or art supplies;

- (6) computers, tablet computers, or computer software;
- (7) televisions; and
- (8) video games.

(h) **Purchasing procedures.** SSI-DCP orders are processed through AFS HR&MS. Purchased equipment is shipped to the local OKDHS office.

(i) **SSI-DCP notices.** When an SSI-DCP request is denied, AFS HR&MS staff sends Form 08MP038E, Client Notice of Action Taken, to inform the child's parent, guardian, or caretaker the item is not approved for purchase through SSI-DCP funding. The family may request a fair hearing by completing Form 13MP001E, Request for a Fair Hearing, within 30-calendar days from the issuance date of Form 08MP038E.

(j) **Respite Voucher Program.** The Respite Voucher Program provides financial assistance in the form of vouchers to families to pay for respite care. When the family appears eligible for the Respite Voucher Program, the worker gives the client Form 08RV001E, Respite Voucher Application for Children With Special Health Care Needs, to complete. When funding is not available through HR&MS, the worker advises the family to call a designated number to request a respite voucher application from Sooner SUCCESS for the Lifespan Respite Grant Voucher Program. SSI-DCP, other OKDHS programs, and certain public and private agencies provide funding to the Respite Voucher Program.

(1) The caregiver is the person who provides ongoing care for the child. He or she may be a parent, grandparent, other relative, or non-relative.

(2) When respite care is approved the respite provider must be at least 18 years of age. Respite care is not:

- (A) designed to pay for ongoing care, such as child care, therapy, in-home assistance, housekeeping, or home health services; and
- (B) provided by a member of the child's household.

SUBCHAPTER 1. LOW INCOME HOME ENERGY ASSISTANCE PROGRAM

340:20-1-1. Purpose, legal basis, and nondiscrimination provisions

(a) **Purpose.** The purpose of this Chapter is to outline the rules governing Oklahoma Human Services (OKDHS) Low Income Home Energy Assistance Program (LIHEAP). The program provides assistance to low-income households, particularly those with the lowest incomes, that pay a high proportion of their household income to meet their home energy needs. The households most affected by high energy costs are the elderly, disabled, homebound, children 5 years of age and younger, migrants, and those who are isolated from service programs by geographical conditions or language barriers.

(b) **Legal basis.** The legal base for LIHEAP is vested in Title XXVI of Public Law 97-35, Section 8621 through 8629 of Title 42 of the United States Code (42 U.S.C. §§ 8621 through 8629), and the Omnibus Budget Reconciliation Act. The program is financed from federal funds.

(c) **Non-discrimination provisions.** LIHEAP does not subject persons to discrimination or exclude them from participating in, or deny the benefits of any program or activity funded in whole or in part with LIHEAP funds on the basis of race, color, national origin, or sex, per 42 U.S.C. § 8625. Persons are not subjected to discrimination based on age, per the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.) or based on a disability, per 29 U.S.C. § 794.

340:20-1-3. Program operation, components, and priorities

(a) **Program operation.** The operation of the Low Income Home Energy Assistance Program (LIHEAP) is contingent upon the receipt of federal funds. Delay in federal funding may cause changes in planned time frames for the program.

(b) **Components.** LIHEAP consists of four components each year federal funds are issued, per Section 8624 of Title 42 of the United States Code (42 U.S.C. § 8624):

- (1) winter heating assistance, during the winter heating application period;
- (2) Energy Crisis Assistance Program (ECAP), which has intermittent application periods each year and any time there is a medical crisis;
- (3) summer cooling assistance during the summer cooling application period; and
- (4) weatherization assistance administered year round by the Oklahoma Department of Commerce (ODOC) with LIHEAP funds allocated to them by Oklahoma Human Services (OKDHS) from federal LIHEAP funding. ODOC distributes weatherization funds to local Community Action agencies to provide weatherization services.

(c) **Priorities.** OKDHS prioritizes facilitating the LIHEAP application process for persons who are 60 years of age and older or disabled, per 42 U.S.C. § 8624. During the open enrollment period, persons may complete LIHEAP applications online at www.okdhslive.org or by calling an OKDHS county office for assistance in submitting an online application. When a household lacks transportation, is physically or mentally unable to come to an OKDHS office, or does not have phone or Internet access, staff mails Form 08LH002E, Low Income Home Energy Assistance Program (LIHEAP) Application to the home. A spouse, natural guardian, legal guardian, or another person may complete a LIHEAP application on behalf of the household.

340:20-1-4. Coordination and outreach

(a) **Coordination with Indian tribes.** Some, but not all, Oklahoma Indian tribes receive federal funds to operate their own Low Income Home Energy Assistance Program (LIHEAP), per Section 8623 of Title 42 of the United States Code (42 U.S.C. § 8623). Tribes may choose to use their funds for one assistance payment per household or through multiple application periods throughout the federal fiscal year that runs from October through September each year.

- (1) Oklahoma Human Services (OKDHS) and participating tribes share information regarding tribal member's receipt of LIHEAP to prevent assistance duplication.
- (2) Tribal members are not eligible to receive energy assistance from their tribe and OKDHS for the same federal fiscal year.
- (3) When a tribal member applies for LIHEAP through OKDHS, LIHEAP staff treats the person's eligibility in the same manner as any other household when the person is a member of a tribe that:

- (A) does not operate its own LIHEAP; or
- (B) operates its own LIHEAP, but the person has not applied to the tribe for energy assistance.

(4) When a tribal member applies for OKDHS LIHEAP and it is determined that a household member received energy assistance from a tribal LIHEAP program for the same federal fiscal year, LIHEAP staff denies the application.

(5) When a tribal member approved for OKDHS LIHEAP later applies for tribal LIHEAP for the same federal fiscal year, the tribe denies its application unless the tribal member requests that OKDHS cancel its certification before payment is made.

(b) Coordination with utility suppliers. OKDHS LIHEAP Unit staff are responsible for familiarizing utility suppliers with LIHEAP regulations, per 42 U.S.C. § 8624. During the Energy Crisis Assistance Program, centralized LIHEAP staff must coordinate with utility suppliers to pledge payment and ensure fuel is delivered in a timely manner to settle the energy crisis.

(c) Coordination with other OKDHS programs. LIHEAP payments are disregarded in all OKDHS programs. LIHEAP coordinates with other Adult and Family Services income support programs, such as Temporary Assistance for Needy Families (TANF), TANF flex funds, and State Supplemental Payment. When the household's need is for primary home energy, it is met through LIHEAP when LIHEAP funds are available. TANF flex funds are used for emergency needs that LIHEAP does not cover.

(d) Outreach. OKDHS provides information and presentations regarding LIHEAP to interested persons and community agencies, per 42 U.S.C. § 8624. OKDHS collaborates with local Community Action agencies to offer energy efficient workshops and coordinate energy assessments on LIHEAP households' homes to evaluate what may be done to lower energy costs. Some utility suppliers enroll LIHEAP clients in discount rates for their main heating and cooling energy sources.

340:20-1-10. Program factors

(a) **Home energy.** For the Low Income Home Energy Assistance Program (LIHEAP), home energy means a household's source of energy used to heat or cool a residential dwelling, per Section 8622(6) of Title 42 of the United States Code (42 U.S.C. § 8622(6)).

(b) **Main energy source.**

(1) The main energy source used to heat the home is approved during the winter heating application period. The main energy source may be electricity, natural gas, propane, kerosene, firewood, coal, butane, or heating oil. When the household uses a generator to heat the home, the generator may use natural gas, propane, or gasoline.

(2) The main energy source used to cool the home is approved during the summer cooling application period. In most instances, the main cooling source is electricity. When the household uses a generator to cool the home, the generator may use natural gas, propane, or gasoline.

(3) During an Energy Crisis Assistance Program (ECAP) application period, the household must choose the heating or cooling energy source that resolves the energy crisis.

(c) **Household.** Household means any person or group of persons who are living together as one economic unit and for whom residential energy is customarily purchased in common, or who make undesignated payments for energy in the form of rent, per 42 U.S.C. § 8622(5).

(1) The income and resources of all household members is considered, per Oklahoma Administrative Code (OAC) 340:20-1-11 procedures, even when one or more household members is not eligible to be included in the benefit, per (d) or (h)(5) of this Section.

(2) Refer to OAC 340:20-1-4 when one or more household members is a member of a tribe operating its own LIHEAP.

(3) A roomer is a person who rents a room in another person's house. A boarder is a person who lives in temporary housing, such as halfway house or group home, a commercial boarding house, or with another household who furnishes lodging and meals to the person in exchange for a reasonable monthly payment for board. When the household states there is a roomer or boarder living in the home, the person may be considered as a separate household only when:

(A) he or she is not related to the household; and

(B) there is a written lease or roommate agreement that contains a clause stating he or she is responsible for a specific portion of the utility bills.

(4) There is one authorization per household for each heating or cooling application assistance period.

(d) **Citizenship and alien status.** Per Section 71 of Title 56 and Section 20j of Title 74 of the Oklahoma Statutes, all persons 14 years of age and older must declare if they are residing in the United States (U.S.) lawfully and may be required to sign Form 08MP005E, Citizenship Affidavit, per OAC 340:65-3-1(g). To be eligible for LIHEAP benefits, a person must be:

(1) a U.S. citizen;

(2) a U.S. non-citizen national;

(3) an alien who is both qualified and eligible, per OAC 340:50-67; or

(4) an alien not required to meet qualified alien status.

(e) **Vulnerability.** A household is vulnerable when it is totally or partially responsible for home energy costs. A household whose primary energy source is temporarily discontinued is also considered vulnerable. A roomer or boarder may be considered vulnerable when:

(1) he or she is not related to a household member with whom he or she lives; and

(2) there is a written lease or roommate agreement that contains a clause stating he or she is responsible for a specific portion of the utility bills.

(f) **Non-vulnerability.** Non-vulnerable households are those that do not bear any home energy expense. Examples of non-vulnerable living arrangements include:

(1) congregate or domiciliary facilities, such as a nursing facility, assisted living or long term care facility when utilities are paid through a corporate or business account, college or university dormitory, or fraternity or sorority housing;

(2) households whose primary energy source is totally paid by someone other than a household member; or

(3) subsidized households whose heating or cooling costs are included in the rent. Subsidized households assessed an energy surcharge during the operation of LIHEAP may be eligible for assistance when they provide verification of the surcharge.

Acceptable surcharge verification may be established by an itemized statement from the landlord, a legally-binding lease agreement showing the surcharge, or a rent receipt designating

the fuel cost is separate from the total shelter payment.

(g) **Subsidized household.** Subsidized households are households that receive a utility allowance to cover all or part of their energy cost or receive assistance in paying their rent or house payment on a regular basis. Subsidized households are not vulnerable when an agency or person pays the entire utility bill every month, even when the utility bill is in the name of a household member or the payment is a loan.

(1) Assistance may be from a government agency, such as a local housing authority, or a private person, usually a relative or friend, who helps the household pay their utility bills, rent or house payment, or allows the household to live rent free.

(2) When apartment rental rates in college or university-owned apartment complexes are set lower than other apartments in the community to help the student, the household is considered a subsidized household.

(3) Eligible subsidized households with out-of-pocket utility expenses receive the same assistance benefit as unsubsidized households.

(h) **Eligible household criteria.** All eligible households must verify that they meet criteria in (1) through (5) of this subsection, per OAC 340:20-1-13, or the application is denied.

(1) Households must be totally or partially responsible for the cost of home energy and provide accurate utility information.

(2) Households must not exceed the gross income and resource standards, per Oklahoma Human Services (OKDHS) Appendix C-7, Low Income Home Energy Assistance Program Income and Resource Level by Household Size.

(3) Households must include at least one U.S. citizen or eligible alien. An undocumented or ineligible alien may be present in the home, but is not included in household size when determining the household's financial eligibility or the benefit amount. The undocumented or ineligible alien's income is considered, per OAC 340:20-1-11(a)(4).

(4) The applicant must provide proof of his or her identity, per OAC 340:20-1-13(4).

(5) Each household member included in household size for income and benefit determination must provide his or her Social Security number (SSN), per OAC 340:20-1-13(3) and 340:65-3-1(f). When the household does not provide a SSN for a household member, the person's income is counted but he or she is not included in household size when determining the household's financial eligibility, per OKDHS Appendix C-7, or benefit amount, per OKDHS Appendix C-7-A, Estimated Low Income Home Energy Assistance Program (LIHEAP) Benefit Level for all Households.

(i) **Benefit amount.** LIHEAP funding is contingent on the receipt of federal funds and authorized amounts vary from year-to-year. Benefit amounts are estimated and reserved for winter heating, summer cooling, and ECAP on a yearly basis after the funding amount for the federal fiscal year is known. OKDHS Appendix C-7-A provides estimated benefit amounts for each program component. Adjustments may be made to the estimated benefit amount during the federal fiscal year because of

changes in available funding or anticipated need. The household benefit amount for:

- (1) winter heating is based upon household size, net income, primary energy source, and if the household pays the energy supplier or the utility cost is included in the rent payment;
- (2) summer cooling is based upon household size and net income; and
- (3) ECAP is based on the amount needed to resolve the energy crisis up to the maximum amount shown, per OKDHS Appendix C-7-A.

340:20-1-11. Income and liquid resources

(a) **Income.** All gross earned and unearned income that the household receives, except for income exclusions per (b) of this Section, is considered in determining financial eligibility, per Section 8624 of Title 42 of the United States Code (42 U.S.C. § 8624). Income received more than once per month from the same source is converted to a monthly amount and rounded to the nearest dollar. When a household member's income is reduced due to an overpayment recoupment or a garnishment, the gross amount before the recoupment or garnishment is considered.

(1) **Gross income standard.** Eligible households' income must not exceed the gross income standard, per Oklahoma Human Services (OKDHS) Appendix C-7, Low Income Home Energy Assistance Program Income and Resource Level by Household Size.

(A) When the household includes one or more ineligible alien(s), part of the ineligible alien(s)' income is considered in determining gross income for the other household members. Refer to (4) of this subsection to determine the ineligible alien(s)' countable income portion. The ineligible alien(s) is not considered in household size when determining the gross income standard for the other household members.

(B) When all household members and their income are included in Supplemental Nutrition Assistance Program (SNAP) food benefits, Temporary Assistance for Needy Families (TANF), State Supplemental Payment (SSP) cash assistance, or Child Care Subsidy benefits, the gross income used to establish eligibility for the other program is used to determine eligibility for Low Income Home Energy Assistance Program (LIHEAP) benefits unless the household reports new or terminated income. When the

household reports income from a new source, or does not report income currently considered for another benefit on the LIHEAP application, the household must verify the income from the new source or verify that previous income is terminated, per (2) and (3) of this subsection.

(C) When some, but not all, household members are included in other benefits, the gross income of the household member(s) whose income was not verified must be determined for the application month, per (2) and (3) of this subsection.

(D) When the household does not receive other benefits, the household's gross income for the application month is verified and calculated to determine income eligibility, per (2) and (3) of this subsection.

(2) **Earned income.** Earned income is income a household member receives in the form of wages, commission, self-employment, or training allowances, and for which he or she puts forth labor. When all household members' earned income is not established for another program, and a household member works for an employer, gross earned income is calculated for the application month. When a household member is self-employed or a contract employee, the household member's income is averaged over 12 months to determine the average gross monthly income.

(A) When the household member receives an hourly wage, has not received all earned income for the month by the application date, and his or her income fluctuates, the last 30-calendar days of income is used to anticipate income for the pay periods not yet received. When the household member:

- (i) receives an extra paycheck in the application month due to a third or fifth week and the income is ongoing, the last 30-calendar days of income is used to determine countable monthly income instead of counting the extra paycheck; or
- (ii) starts a new job and the amount of the first paycheck is not known, the earnings are not considered.

(B) When the household member's income does not fluctuate, income received during the month prior to the application month may be used.

(C) When the household member derives his or her annual income by contract or self-employment in a time period shorter than one year or receives an annual salary, the income is divided over a 12-month period to determine countable monthly income.

(D) To arrive at the monthly gross earned income when the household member is self-employed and:

- (i) filed an income tax return on the self-employment income for the most recent tax year, the gross self-employment income, including capital gains, shown on the income tax return is

divided by 12. When the business operated less than 12 months, the self-employment income is divided by the number of months the business operated; or

(ii) did not file an income tax return for the most recent tax year, the gross self-employment income, including capital gains, shown on the household member's business records is divided by 12 or the number of months the business was in operation when the business operated less than 12 months.

(3) **Unearned income.** Unearned income is income a household receives that is not in the form of wages, self-employment, or training allowances, and for which a person does not put forth labor. Unearned income received or expected to be received during the month of application is considered unless it is excluded per (b) of this Section.

(4) **Income calculation for an ineligible alien.** An ineligible alien is a person who does not meet the eligibility criteria, per Oklahoma Administrative Code (OAC) 340:20-1-10(d). When an ineligible alien is part of an eligible household, the ineligible alien's earned and unearned gross income and that of his or her ineligible dependents is calculated in the same manner as it is for other household members. The ineligible alien's countable income portion is computed per (A) through (E) of this paragraph and added to household income for the eligible members before determining if the household meets the gross income standard per OKDHS Appendix C-7.

(A) Subtract the earned income deduction, per OKDHS Appendix C-7 for each employed ineligible alien.

(B) Add the ineligible alien's unearned income.

(C) Subtract the need standard, per OKDHS Appendix C-1, Maximum Income, Resource, and Payment Standards Schedule IX, for the ineligible alien and his or her ineligible alien dependents who:

(i) are claimable for federal personal income taxes;

(ii) live in the same household; and

(iii) are not included in the household size when determining the gross income standard or the LIHEAP benefit level for the eligible household members.

(D) Subtract all applicable deductions per (c) of this Section for the ineligible alien(s).

(E) The remaining amount is added to the countable income of the household members eligible for LIHEAP.

(b) **Income exclusions.** Exclude from countable income any income that is excluded by SNAP, TANF, SSP, or Child Care Subsidy rules that include, but may not be limited to:

(1) the food benefit amount under the Food and Nutrition Act of 2008;

(2) any payment received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;

(3) educational assistance including grants, work study, scholarships, fellowships, educational loans on which payment is deferred, veteran's education benefits, and the like;

(4) loans, regardless of use, when a bona fide debt or obligation to pay can be established.

(A) Criteria to establish a loan as bona fide includes an acknowledgment of obligation to repay or evidence that the loan is from a person or financial institution in the loan business.

(B) When the loan is from a person(s) not in the loan business, the borrower's acknowledgment of obligation to repay, with or without interest, is required to indicate the loan is bona fide;

(5) Indian per capita payments distributed from judgment awards or trust funds made, per Section 2 of Public Law (P.L.) 98-64, (25 U.S.C. § 117b) and 25 U.S.C. § 1407.

(A) Exclude any interest or investment income accrued on such funds while held in trust or any purchases made with judgment funds, trust funds, interest, or investment income accrued on such funds.

(B) Exclude per capita payments, such as Osage tribe headrights, income from mineral leases, or other tribal business ventures, when they meet the distribution requirements stated in this paragraph.

(C) Consider interest, income derived from the principal, or income produced by purchases made with the funds after distribution as countable income.

(D) The per capita exclusion applies per person rather than per family;

(6) special allowance for school expenses made available upon written petition from trust funds of the student;

(7) benefits from state and community programs on aging from Title III and Title V. Title III and Title V are under the Older Americans Act (OAA) of 1965, amended by P.L. 100-175 to become the OAA, as amended in 2000. Each state and various organizations receive Title V funds. These organizations include:

(A) Experience Works;

(B) National Council on Aging;

(C) National Council of Senior Citizens;

(D) American Association of Retired Persons (AARP);

(E) United States (U.S.) Forest Service;

(F) National Association for Spanish Speaking Elderly;

(G) National Urban League;

(H) National Council on Black Aging; and

(I) National Council on Indian Aging;

(8) allowances, stipends, earnings, compensation in lieu of wages, grants, and other payments made for participation in a Workforce Innovation and Opportunity Act program or other federally-funded workforce training program, with the exception of income paid to persons 19 years of age and older for on-the-job training. This income is treated as any other earned income;

(9) payments for supportive services or reimbursement for out-of-pocket expenses made to individual volunteers serving as foster grandparents, senior health aides, or senior companions, and to persons serving in the Service Corps of Retired Executives (SCORE) and Active Corps of Executives (ACE);

(10) payments, allowances, or earnings made to persons participating in programs under Titles I and II of the Domestic Volunteer Services Act of 1973, Section 404 of P.L. 93-113 as amended (42 U.S.C. §§ 5044(f)(1) and 5058), such as the:

(A) Senior Companion Program;

(B) AmeriCorps Volunteers in Service to America (VISTA);

(C) Special Volunteer Programs;

(D) Foster Grandparent Program; and

(E) Retired and Senior Volunteer Program;

(11) the value of supplemental food assistance received under the Child Nutrition Act or the special food service program for children under the National School Lunch Act;

(12) any portion of payments, made under the Alaska Native Claims Settlement Act, Section 21(a) of P.L. 92-203, to an Alaska native, which are exempt from taxation under the Settlement Act;

(13) Experimental Housing Allowance Program payments made under Annual Contributions Contracts entered into prior to January 1, 1975, under Section 23 of the U.S. Housing Act of 1937, as amended;

(14) a minor dependent child's earnings when he or she is a full-time student;

(15) rental or housing subsidies by governmental agencies, such as the U.S. Department of Housing and Urban Development (HUD), received in-kind or in cash for rent, mortgage payments, or utilities;

(16) reimbursements from an employer for out-of-pocket expenditures and allowances for travel or training to the extent the funds are used for expenses directly related to such travel or training.

(A) Uniform allowances are excluded when the uniform is uniquely identified with the company name or logo.

(B) Any amount the employer adds to the employee's gross income as a benefit allowance to pay for a reimbursable expense, such as insurance or dependent care, is excluded.

(C) When the monthly benefit allowance exceeds the monthly expense and the employer includes the excess in the employee's pay each month, the worker counts the excess benefit allowance as earned income;

(17) advance payments of Earned Income Tax Credit (EITC) received as part of a paycheck or EITC refunds as a result of filing a federal income tax return, per P.L. 100-435;

(18) state EITC refunds as a result of filing a state income tax return;

(19) payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in the In Re

Agent Orange Product Liability Litigation, M.D.L. No. 381 (E.D.N.Y.);

(20) TANF Work support services payments, such as flexible funds and participant allowances, per OAC 340:10-2-8;

(21) payments made directly to the household's creditors, or to a person or organization providing a service on the household's behalf, when the payment is made by a person or organization outside of the household. When funds owed to the household are diverted to pay a third party for a household expense, they are counted as income;

(22) in-kind benefits that are not in the form of money directly payable to the household. This includes meals, clothing, housing, or benefits that an employee receives from an employer in lieu of wages or in conjunction with wages;

(23) payments made under the Radiation Exposure Compensation Act (P.L. 101-426) enacted October 15, 1990;

(24) funds distributed by Federal Emergency Management Assistance (FEMA) due to a disaster or emergency and to persons directly affected by the event, per the Robert T. Stafford Disaster Relief and Emergency Assistance Act, P.L. 93-288, as amended (42 U.S.C. § 5155(d)). This exclusion also applies to all federally-funded disaster assistance and comparable disaster assistance provided by states, local governments, and disaster assistance organizations. For payments to be excluded, the disaster or emergency must be declared by the U.S. President;

(25) interests of individual Native Americans in trust or restricted lands;

(26) income up to \$2,000 per calendar year received by individual Native Americans that is derived from leases or other uses of an individually-owned trust or restricted lands. Any remaining disbursements from the trust or the restricted lands are considered as unearned income;

(27) payments made to persons because of their status as victims of Nazi persecution;

(28) monetary allowances, per 38 U.S.C. § 1823(c) provided to certain persons who are children of Vietnam War veterans;

(29) Family Support Assistance Payment Program payments paid to persons by OKDHS Developmental Disabilities Services;

(30) money deposited into or withdrawn from a qualified Oklahoma Achieving a Better Life Experience (ABLE) Program account, or an ABLE account in any other state, owned by the account's designated beneficiary and established to pay for qualified disability expenses (QDE) is excluded from income or resource consideration, per Sections 4001.1 through 4001.5 of Title 56 of the Oklahoma Statutes and the ABLE Act of 2014, 26 U.S.C. § 529A. A person may have only one ABLE account. The client must provide documents to verify the account meets exemption criteria before the funds are excluded. Once the client verifies that the savings or trust account is a valid ABLE account, no further account information is required.

(A) Another individual's contribution to an ABLE account is excluded unless the contribution exceeds the annual federal gift tax exclusion amount, per 26 U.S.C. § 2503(b). Any money deposited in the account in the calendar year that is in excess of the annual federal gift tax exclusion amount is considered as a countable resource in the amount deposited.

(B) A distribution from an ABLE account that is retained after the month of receipt is excluded in any month when spent on a QDE. Money withdrawn for reasons other than to pay a QDE is considered as a countable resource for the withdrawal month.

(C) A QDE is any expense related to the blindness or disability of the individual and made for the benefit of the individual. QDE's include, but are not limited to:

- (i) education;
- (ii) housing;
- (iii) transportation;
- (iv) employment, training, and support;
- (v) assistive technology and personal support services;
- (vi) health;
- (vii) prevention and wellness;
- (viii) financial management and administrative services;
- (ix) legal fees;
- (x) ABLE account oversight and monitoring;
- (xi) funeral and burial; and
- (xii) basic living;

(31) income received by a member of the U.S. Armed Forces, per 37 U.S.C. Chapter 5 and Section 273.9(c)(20) of Title 7 of the Code of Federal Regulations that is:

(A) received in addition to the service member's basic pay during combat deployment;

(B) received as a result of the service member's deployment or service in an area designated as a combat zone as determined pursuant to an Executive Order or P.L.; and

(C) not received by the service member prior to the service member's deployment to or service in a federally-designated combat zone;

(32) payments, allowances, or earnings to persons participating in the AmeriCorps State and National program or the AmeriCorps National Civilian Community Corps authorized by the National and Community Service Act of 1990 (42 U.S.C. § 12637(d)) and other payments to volunteers authorized by the National and Community Service Trust Act of 1993, P. L. 103-82 (42 U.S.C. §§ 12571, et seq.) and administered by the Corporation for National and Community Service;

(33) payments received under the Civil Liberties Act of 1988. These payments are made to persons of Japanese ancestry whose

ancestors were detained in internment camps during World War II;

(34) payments received by a Supplemental Security Income recipient necessary for the fulfillment of a Plan for Achieving Self-Support approved under Title XVI Section 1612(b)(4)(A)(iii) or 1612(b)(4)(B)(iv) of the Social Security Act;

(35) money the household receives and uses for the care and maintenance of a third-party beneficiary who is not a household member;

(36) income that is received too infrequently or irregularly to be reasonably anticipated when it is \$30 or less per quarter;

(37) non-recurring lump sum payments including, but not limited to:

(A) income tax refunds, rebates, or credits;

(B) retroactive lump sums from Social Security, SSI, public assistance, Railroad Retirement pensions benefits, or other payments;

(C) retroactive lump sum insurance settlements; or

(D) refunds of security deposits on rental property or utilities; and

(38) up to \$2,000 in cash deposited and interest accrued in an individual development account operated under the Assets for Independence Act.

(c) **Income deductions.** The household must meet the gross income standard for its household size, per OKDHS Appendix C-7 before allowing applicable income deductions, per (1) through (5) of this subsection except for self-employment business expenses. After allowing income deductions, the net income is used to determine the benefit amount, per (d) of this Section. Deductible expenses may include:

(1) verified non-reimbursed medical expenses paid by persons 60 years of age and older or persons considered disabled, per OAC 340:50-5-4;

(2) legally binding child support paid by a household member to, or for a non-household member when verified, including payments made to a third party on behalf of the non-household member;

(3) the earned income deduction, per OKDHS Appendix C-7 for each employed household member;

(4) when self-employed, 50 percent of the household member's gross self-employment income for incurred business expenses. Self-employed business expenses are subtracted before determining if the household meets gross income standards, per OKDHS Appendix C-7. When the household member did not incur business expenses, he or she is not eligible for a business expense deduction. The household member is also eligible for the earned income deduction per (3) of this subsection when he or she does not take out a salary from the business; and

(5) child care copayment when the household receives Child Care Subsidy benefits through OKDHS.

(d) **Benefit amount.** Refer to OKDHS Appendix C-7-A, Estimated Low Income Home Energy Assistance Program (LIHEAP) Benefit Level for all Households, to determine the LIHEAP benefit amount. The LIHEAP

benefit amount is based on household size, excluding ineligible aliens, the household's net income after applicable deductions are subtracted per (c) of this Section, and the main energy source.

(e) **Resources.** Liquid resources, such as, but not limited to, cash on hand, checking or savings accounts, certificates of deposits, stocks or bonds, bitcoin, or other cryptocurrency, cannot exceed the allowable resource level, per OKDHS Appendix C-7. The applicant's statement is accepted as verification unless the information is inconsistent or questionable.

340:20-1-12. Applications

Households apply for the Low Income Home Energy Assistance Program (LIHEAP) by submitting an online application at www.okdhslive.org, calling an Oklahoma Human Services (OKDHS) county office to assist with submitting the online application, or calling the phone number on the www.okdhslive.org website to request Form 08LH002E, Low Income Home Energy Assistance Program (LIHEAP) Application, be mailed to them. When Form 08LH002E is mailed to the household with a postage paid envelope, the application is completed and returned by email, faxed to the number on the form, or mailed to the return address.

(1) Households may be pre-authorized for the LIHEAP winter heating or summer cooling component without filing an application, but are not pre-authorized for both in the same federal fiscal year, October through September. Households pre-authorized for LIHEAP are households that received Child Care Subsidy, State Supplemental Payment (SSP), Temporary Assistance for Needy Families (TANF), or Supplemental Nutrition Assistance Program (SNAP) benefits all 12 months of the previous federal fiscal year and met criteria in (A) through (D) of this paragraph. The household:

- (A) received LIHEAP winter heating or summer cooling the previous federal fiscal year;
- (B) address remains the same;
- (C) income did not change or exceed eligibility guidelines for household size during the previous federal fiscal year; and
- (D) members remain the same from the previous federal fiscal year.

(2) A computer-generated notice is normally mailed the month before the winter heating or summer cooling application period

starts. The notice is sent to households not selected for preauthorization that receive SNAP benefits, TANF, and or SSP. The notice informs the household how to apply for LIHEAP.

(3) When an application is denied, households may request a fair hearing when they do not agree with the decision or submit a new application to reapply.

(4) When a household moves after applying for LIHEAP, a new application is not necessary. However, the household must report the change of "service" address to an OKDHS county office within 10-calendar days of moving.

(5) When submitting an application, the household must provide the correct account name, account number, and energy supplier to ensure payments are made to the correct energy supplier. All households applying for the Energy Crisis Assistance Program must have a verified energy crisis, per Oklahoma Administrative Code 340:20-1-17(f)(2).

340:20-1-13. Verification

Prior to approving a household for the Low Income Home Energy Assistance Program (LIHEAP), program factors in (1) through (5) of this Section must be verified. When the applicant does not submit the verification with the application, the household is sent Form 08AD092E, Client Contact and Information Request, listing required verification, and is given 10-calendar days to provide it. When the household fails to provide all or part of the required verification, the application is denied.

(1) **Income and resources eligibility.** Income and liquid resources are verified using the procedures, per Oklahoma Administrative Code (OAC) 340:20-1-11.

(A) When all household members are included in Temporary Assistance for Needy Families, State Supplemental Payment, Child Care Subsidy benefits, SoonerCare (Medicaid) for the aged, blind, or disabled, or Supplemental Nutrition Assistance Payment food benefits, the most recent income and resource verification included in the case record for each household member is used unless the household reports new or terminated income. Reported income sources that are different than those verified at the last benefit renewal must be verified and considered for the LIHEAP application.

(B) When some, but not all household members are included in other benefits, the household member(s) not included in other benefits must provide current verification of gross income and liquid resources.

(C) All other households must verify the current month's income and liquid resources for all household members.

(D) Acceptable income verification may include, but is not limited to:

- (i) income verification available in an active case record;
- (ii) pay stubs or employer statements;
- (iii) the most recent federal income tax form or business records when self-employed;
- (iv) data exchange screens, per OAC 340:65-3-4;
- (v) award letters; and
- (vi) court orders.

(2) **Vulnerability determination.** To determine vulnerability, a household must verify it is subject to home energy expenses.

When a:

(A) household pays energy costs directly to suppliers, vulnerability is established by billing information on the utility statement;

(B) household's energy cost is included in the shelter payment and the household pays a surcharge for the utilities, vulnerability may be established by an itemized statement from the landlord, a legally-binding lease agreement showing the surcharge, or a rent receipt designating that the fuel cost is separate from the total shelter payment;

(C) subsidized household's heating or cooling costs are included in the shelter payment, the household is considered partially vulnerable when the household is assessed an energy surcharge and provides documentation of the assessed surcharge; or

(D) roomer or boarder states he or she is responsible for a specific portion of the utility bills, he or she may be considered partially vulnerable when:

- (i) the person or household with whom the roomer or boarder lives is not related to him or her; and
- (ii) there is a written lease or roommate agreement that contains a clause stating he or she is responsible for a specific portion of utility bill.

(3) **Social Security numbers (SSN).** Each household member included in the benefit must provide a SSN or provide verification of a pending SSN application from the Social Security Administration (SSA) office for SSN enumeration, per OAC 340:65-3-1(f). Household members who do not provide a SSN are not included in household size when determining the household's financial eligibility and benefit amount, but their gross income and resources are considered.

(4) **Identity.** The identity of the person making application must be verified. Identity may be verified through readily available documentary evidence or when evidence is unavailable, through a collateral contact. Any documents that reasonably establish the applicant's identity must be accepted and no requirement for a

specific type of document, such as a birth certificate, may be imposed. Examples of acceptable documentary evidence the applicant may provide include, but are not limited to:

- (A) a driver license;
- (B) a work or school identification (ID);
- (C) an ID for health benefits, other assistance, or social service program;
- (D) a voter registration card;
- (E) pay checks; or
- (F) a birth certificate.

(5) **Energy supplier information.** The household must designate its main heating or cooling source and provide the name of its energy supplier and utility information on the application or note that utilities are included in the household's rent. Oklahoma Human Services pays the energy supplier instead of the household unless the energy supplier is a non-LIHEAP participant supplier.

340:20-1-14. Actions, method of payment, and notifications

Contingent upon the receipt of federal funding, submitted Low Income Home Energy Assistance Program (LIHEAP) applications are approved or denied, payments are issued, and households are notified of their eligibility during winter heating, summer cooling, and Energy Crisis Assistance Program (ECAP) application periods.

(1) **Households pre-authorized for LIHEAP.** Selected households may be pre-authorized for winter heating or summer cooling and sent a pre-authorization notice prior to an open application period.

(A) Households are pre-approved for LIHEAP per criteria in Oklahoma Administrative Code (OAC) 340:20-1-19 for winter heating and OAC 340:20-1-20 for summer cooling.

(B) The pre-authorization notice informs the household:

- (i) of the utility supplier and the account name and number Oklahoma Human Services (OKDHS) intends to pay based on the prior year's certification; and
- (ii) to report correct information to OKDHS within 10-calendar days of the pre-authorization notice date, when the utility supplier or account name or number is different. When the household reports correct information after this date, the household must apply during the open enrollment period as pre-authorization information may no longer be corrected.

(C) When the household reports that the pre-authorization information on the notice is incorrect within 10-calendar days of the pre-authorization notice date, the household provides correct information to determine if the household meets preauthorization criteria.

(i) When the household reports that the utility supplier changed to a supplier that does not participate in LIHEAP, staff explains that OKDHS may not pay the supplier based on pre-authorization information and encourages the household to file an application during the open enrollment period.

(ii) When the household reports a different account number with the same utility provider, staff asks for the address and the account name and number on the utility bill.

(I) When the address is the same as the OKDHS address of record and the account holder is a household member, pre-authorization information is updated.

(II) When the address is different, the household must provide a document that verifies the household lives at the new address, such as a lease agreement or other document showing a household member's name and the new address, within 10-calendar days of the date on the notice.

(III) When the account number changed because the account name changed to another household member who is included in another Adult and Family Services (AFS) benefit using the same case number, the preauthorization information is updated.

(IV) When the account name is different and the person is not included as a household member in another AFS benefit using the same case number, the household must verify the account holder has a separate address or provide income or resource information for the account holder before preauthorization information is changed. When the person lives in the home, the pre-authorization is closed and the household must apply during the open enrollment period.

(D) Households are not pre-authorized for ECAP.

(E) If there are unencumbered funds after meeting the LIHEAP and ECAP requirements, OKDHS may obligate these funds by issuing a supplemental payment as necessary. OKDHS directs supplements to energy providers and does not directly pay households with these

funds. If the energy provider invalidates and returns the payment, OKDHS does not reissue the payment to the household. In selecting households for a supplement, OKDHS prioritizes households that include household members who are aged, blind, or disabled or children younger than five years of age. Households do not submit applications for these funds. To qualify for a supplement, the household must:

- (i) have received at least one LIHEAP program benefit in the current fiscal year;
- (ii) receive State Supplemental Payment, Temporary Assistance for Needy Families, or Supplemental Nutrition Assistance Program; and
- (iii) meet any additional criteria required for a specific supplement.

(2) **Changes that occur after application submission.** When changes occur in the household's circumstances prior to certification, such as, but not limited to, moving or income changes, the household reports the change within 10-calendar days of the change occurring. When a change is reported, new utility information or income verification may need to be provided prior to the application being processed.

(3) **Approvals.** Households may be approved for LIHEAP during each of the threedesignated application periods per fiscal year.

(A) Certain households may be approved for ECAP outside of a designated application period when there is a life-threatening emergency, per OAC 340:20-1-17(g).

(B) Households are approved for LIHEAP when they:

- (i) submit a signed and completed application during the designated application period, per OAC 340:20-1-12;
- (ii) provide required verification, per OAC 340:20-1-13; and
- (iii) meet program factors, per OAC 340:20-1-10.

(4) **Denials.** An application is denied when the household:

(A) submits the application outside of a designated application period;

(B) submits an incomplete application. Reasons an application is considered incomplete include submitting an unsigned application or not providing utility information. When the household does not sign the application or fails to provide utility information, the application is immediately denied and the household must reapply;

(C) fails to verify program factors, per OAC 340:20-1-10.

Prior to application denial, the household must be given or sent Form 08AD092E, Client Contact and Information Request, indicating what verification must be provided and given at least 10-calendar days to provide the needed verification; or

(D) does not meet program factors, per OAC 340:20-1-10.

(5) **Timeliness.** Applications are considered timely processed when approved or denied within:

- (A) 60-calendar days of the application date for winter heating and summer cooling; or
- (B) no later than 18 hours from the application date for an ECAP application involving a life-threatening medical situation or 48 hours for all other ECAP applications.

(6) **LIHEAP payments.** LIHEAP payment amounts are estimated and reserved for each application period based on available funding and may be adjusted as needed. Refer to OKDHS Appendix C-7-A, Estimated Low Income Home Energy Assistance Program (LIHEAP) Benefit Level for all Households, for maximum payment amounts.

- (A) Payment amounts are determined based on the household's size, income, and primary energy source.
- (B) One payment is made per approved application directly to:

- (i) designated energy suppliers on behalf of approved households responsible for their utilities; or
- (ii) the household when the:
 - (I) utilities are included in the rent; or
 - (II) energy supplier is not designated to receive direct payments from OKDHS.

(C) When payment is made to the household instead of an energy supplier, approved payment may be made directly to the household on a debit card or, when the household receives Temporary Assistance for Needy Families or State Supplemental Payment cash assistance by direct deposit, payment may be made through direct deposit in the same bank account, per OAC 340:65-3-6.

(D) Payments are made weekly as applications are approved.

(7) **Closures.** The LIHEAP authorization automatically closes after the LIHEAP payment issues. Authorizations are closed when it is discovered that an ineligible household was certified in error before a LIHEAP payment is made.

(8) **Refunds.** The household has 30-calendar days from the date on the PSNEN37D, Heating Notice of Payment, PSNEN37M, Energy Crisis Assistance Program Notice of Payment, and PSNEN37O, Cooling Notice of Payment, to report errors and receive a refund. OKDHS does not reissue payments unless the:

- (A) household reports the error to OKDHS or the Energy Assistance Contact Center within 30-calendar days of the Notice of Payment;
- (B) reported information indicates the household remains qualified for the payment;
- (C) energy supplier returns the payment; and
- (D) funds are made available for OKDHS to make a correction.

(9) **Computer-generated notices.** Computer-generated notices are mailed to the applicant or recipient showing actions taken.

(A) PSNEN37D is mailed to the household as notification that payment was made to the utility supplier on his or her behalf for winter heating.

(B) PSNEN37E, Notice of Denial, is mailed to the household when an application is denied.

(C) PSNEN37F, Notice of Closure, is mailed to the household when the utility supplier reports the recipient's account is inactive, no longer in service, incorrect, or final with no amount due.

(D) PSNEN37K, Utility Account Verification and Pre-Approval Notice, is mailed to households pre-authorized for LIHEAP winter heating.

(E) PSNEN37M is mailed to the recipient as notification that payment was made to the supplier for ECAP.

(F) PSNEN37O is mailed to the recipient as notification that payment was made to the energy supplier on his or her behalf for summer cooling.

(G) PSNEN37P, Notice of Direct Payment for Heating, is mailed to the recipient as notification that payment was made directly to the household for winter heating.

(H) PSNEN37Q, Notice of Direct Payment for Cooling, is mailed to the recipient as notification that payment was made directly to the household for summer cooling.

(I) PSNEN37R, Notice of Direct Payment for ECAP, is mailed to the recipient as notification that payment was made directly to the household for ECAP.

(J) PSNEN37T, Utility Account Verification and Pre-Approval Notice, is mailed to households pre-authorized for LIHEAP summer cooling.

(10) **Employee-generated notice.** Form 08LH003E, Notice of Eligibility for Energy Assistance, is sent to the energy supplier or given to the recipient to take to the energy supplier as notification that the household meets eligibility requirements for crisis assistance, per OAC 340:20-1-17. Issuance of Form 08LH003E is not necessary when the supplier's business system is set up to receive a daily OKDHS approval file.

340:20-1-15. Weatherization assistance and other procedures

(a) **Referral for low income weatherization assistance.** Homeowner households who are eligible for Low Income Home Energy Assistance Program (LIHEAP) may be eligible for low income weatherization

assistance through funds the Oklahoma Department of Human Services (DHS) allocates to the Oklahoma Department of Commerce (ODOC) for the weatherization assistance program per Section 8623 of Title 42 of the United States Code. Weatherization services are provided locally through Community Action Agencies per ODOC approval. Renters are not eligible for LIHEAP weatherization services.

(1) DHS Adult and Family Services LIHEAP program field representative staff provides ODOC with a list of clients approved for LIHEAP. ODOC staff transmit the list to local Community Action Agencies for use in identifying homeowner households eligible for LIHEAP weatherization assistance.

(2) Local AFS county office staff responds to direct inquiries from the local Community Action Agency or local weatherization contractor concerning the LIHEAP eligibility of households not appearing on the list.

(b) **Fair hearing.** Fair hearing rules per Oklahoma Administrative Code (OAC) 340:2-5 that apply to the Temporary Assistance for Needy Families (TANF) Program also apply to LIHEAP, except that immediate adverse action may be taken on open LIHEAP benefits without an advance notice. Because of the emergency situation that may exist, a LIHEAP fair hearing request is expedited.

(c) **Overpayments.** When an overpayment occurs, centralized AFS LIHEAP staff submits a memo to AFS LIHEAP program field representative staff explaining the overpayment circumstances, including the date, amount, and reason the overpayment occurred.

(d) **Referral for vendor fraud.** When centralized AFS LIHEAP or county staff becomes aware that a vendor accepted DHS payment on behalf of a household, but failed to provide service, either wholly or in part, as legally required, staff informs AFS LIHEAP program field representative staff. AFS LIHEAP program field representative staff determines whether to make a referral to the DHS Office of Inspector General for investigation.

(e) **Transfers.** Transferred cases do not normally need to be closed.

340:20-1-17. Energy Crisis Assistance Program (ECAP)

(a) **ECAP funds.** Based upon previous years' program experience, Oklahoma Human Services (OKDHS) reserves reasonable funds each year for ECAP to resolve energy crisis situations, per Section 8623(c) of Title 42 of the United States Code (42 U.S.C. § 8623(c)), to:

- (1) prevent disconnect of service when the household has a verified, active cut-off order;
- (2) restore or start service; or
- (3) provide a minimum delivery of propane or other heating fuel.

(b) **ECAP components.** ECAP consists of three components:

- (1) a regularly scheduled application period in March each year;
- (2) year round assistance available to households experiencing an energy crisis that involves a life-threatening medical situation on a case-by-case basis; and
- (3) disaster Low Income Home Energy Assistance Program (LIHEAP) when a federally declared disaster occurs and disaster LIHEAP is authorized by the Administration for Children and Families (ACF) Office of Community Services (OCS). When this occurs OKDHS follows ACF OCS program instructions issued for the disaster. The instructions may differ from ECAP requirements contained in this Section.

(c) **Maximum benefit amount.** When the household applies for ECAP more than once in the same fiscal year, the maximum benefit amount approved for all applications combined cannot exceed the amount allowed per fiscal year for ECAP on OKDHS Appendix C-7-A, Estimated Low Income Home Energy Assistance Program (LIHEAP) Benefit Level For All Households. An additional benefit amount may be approved when additional funds are authorized during a federally-declared disaster.

(d) **ECAP application methods.** Households apply for ECAP by submitting an online application at www.okdhslive.org, calling an OKDHS county office to request assistance in submitting an online application, or calling the phone number on the www.okdhslive.org website to request Form 08LH002E, Low Income Home Energy Assistance Program (LIHEAP) Application, be mailed to them. Centralized LIHEAP staff includes a postage paid envelope with a mailed Form 08LH002E.

(1) When there is a life-threatening medical situation, centralized LIHEAP staff gathers eligibility information by phone and an application is not required.

(2) When the household chooses to complete Form 08LH002E, they must complete and return the application by email, by fax to the number on the form, or by mail to the return address shown on Form 08LH002E and the postage paid envelope.

(3) Centralized LIHEAP staff approve or deny ECAP applications.

(e) **Main energy source.** Households may choose heating or cooling as the main energy source for ECAP when the household's main energy source meets criteria per (f)(2) of this Section. When a life-threatening medical situation is involved, the household must choose the energy source that resolves the energy crisis and prevents a life-threatening medical situation. When the household chooses:

(1) heating, the main heating energy source used to heat the home is approved. This may be electricity, natural gas, propane, kerosene, firewood, coal, butane, or heating oil. When the household uses a generator to heat the home, the generator may use natural gas, propane, or gasoline; or

(2) cooling, the main cooling energy source used to cool the home is approved. In most instances, the main cooling source is

electricity. When the household uses a generator to cool the home, the generator may use natural gas, propane, or gasoline.

(f) **Eligibility criteria.** ECAP eligibility criteria are detailed in (1) through (5) of this subsection.

(1) Households with an energy crisis must not exceed the income and liquid resource standards, per OKDHS Appendix C-7, Low Income Home Energy Assistance Program Income and Resource Level by Household Size. Households must meet the same income and resource criteria for ECAP as for heating and cooling assistance, per Oklahoma Administrative Code (OAC) 340:20-1-11.

(2) Households must have a verified energy crisis. An energy crisis exists when the household:

- (A) service is disconnected by the energy supplier;
- (B) has a verified, active cut-off order. In the event of limited funding, centralized LIHEAP staff prioritizes applications with cut-off notices scheduled within 72 hours and applications that contain at least one household member who is 60 years of age and older, blind, disabled, or a child under five years of age;
- (C) receives a refusal notice to provide additional energy needs from the energy supplier and the household's fuel tank indicator is at or below 10 percent during the regularly-scheduled ECAP period, or at 25 percent or less for households with a life-threatening medical situation;
- (D) provides information regarding a new connection fee;
- (E) has a cash only, cash advance, or pre-paid account and has less than a \$25 minimum balance in the account. The household's utility bill shows that it is a cash only, cash advance, or pre-paid account and the balance amount; or
- (F) enters into a payment plan with the energy supplier to prevent a service cut-off. When the household enters into a payment plan to prevent service cut-off, centralized LIHEAP staff verifies the payment plan and the minimum amount needed to resolve the energy crisis for at least one month with the energy supplier.

(3) The household must have experienced a precipitating factor that caused the household to choose between paying the energy bill and another vital household need.

(A) Acceptable factors include, but are not limited to, temporary or short-term situations that caused the household to make a choice between paying the energy bill and:

- (i) purchasing sufficient food for the household;
- (ii) paying for emergency situations, such as medical expenses or disaster recovery; or
- (iii) providing clothing for children in the household.

(B) When the household was approved for the maximum ECAP payment during the most recent fiscal year, no further ECAP payments are made during the same fiscal

year unless additional funds are authorized during a federally-declared disaster.

(C) Households approved for less than the maximum ECAP payment may be approved for another ECAP payment during the same fiscal year, provided the total approved for all payments does not exceed the maximum ECAP payment, per OKDHS Appendix C-7-A. Per 42 U.S.C. § 8624(b)(16), an additional ECAP payment is not approved for the same fiscal year when the household:

- (i) refuses to participate in budget counseling and home energy conservation workshops provided by Community Action agencies;
- (ii) does not show any progress in improving its situation; or
- (iii) does not make an effort to maintain current utility bills.

(4) The household must explain why the energy crisis need cannot be met by available income and liquid resources, even when income and liquid resources are equal to or below the standard, per OKDHS Appendix C-7.

(5) When the ECAP benefit amount is insufficient to establish, restore, or prevent the cut-off of the household's energy source, ECAP is authorized only when other resources can be combined with the ECAP payment to resolve the energy crisis. When other resources cannot be developed to help resolve the energy crisis, the ECAP application is denied.

(g) ECAP payment requirements. ECAP payment requirements are included in (1) through (4) of this subsection.

(1) The authorized ECAP benefit is limited to the minimum amount necessary to connect, restore, or maintain energy service to the household, up to the established maximum for the program year, per OKDHS Appendix C-7-A. The payment must resolve the energy crisis for at least one month. ECAP funds are not used to pay utility charges carried over from a previous utility account or that is in debt collection, unless the client moved to a new location because of a domestic violence situation and provides proof of the domestic violence, such as a police report.

(2) OKDHS makes payments for crisis assistance directly to energy suppliers unless the energy supplier is not designated to receive direct payments from OKDHS. When direct payment cannot be made to the energy supplier, OKDHS makes the payment to the household by debit card or direct deposit, per OAC 340:65-3-6.

(3) The authorized benefit cannot include the propane or butane tank delivery cost.

(4) When other utilities are included with the heating or cooling bill, such as water, sewer, or trash, the authorized benefit cannot include the other utility charges. In this situation, the client must provide a utility bill that itemizes the charges for each utility, or this information is obtained from the energy supplier. When the client is unable to pay the other utility costs and the energy

supplier is unwilling to continue heating or cooling service, the application is denied until the client provides verification that the other utilities were or can be paid.

(h) **Timeliness requirement.** Per 42 U.S.C. § 8623(c), an ECAP application is considered timely processed when it is approved or denied within:

(1) 18 hours of the household requesting ECAP when the energy crisis involves a life-threatening medical situation.

(A) To be considered a life-threatening medical situation, the energy crisis must involve the energy source required:

(i) for life-saving medical equipment to be operational. The medical equipment must be prescribed by a licensed health care professional and require electricity to operate. When the medical equipment has an available battery backup in case of an electricity outage, the medical situation is not considered life-threatening. The client must provide a licensed health care professional's statement dated within the last 60-calendar day period or the most recent six months of medical records verifying that the medical equipment is prescribed and a battery backup is not available. Examples of life-saving medical equipment include, but are not limited to:

(I) a kidney dialysis machine;

(II) an iron lung;

(III) an oxygen concentrator or other type of oxygen machine; or

(IV) a cardiac monitor; or

(ii) power heating or air conditioning equipment when the temperature is predicted to be hot or cold enough to create a life-threatening medical situation for a person with a pre-existing medical condition if the energy source is not functioning. To be considered a life-threatening medical situation, the temperature on the disconnection date must be predicted to be:

(I) a heat index of at least 101 degrees in summer months; or

(II) 32 degrees or lower during day-time hours, 20 degrees or lower during night time hours in winter months, or both.

(B) Authority for designating a medical situation as life-threatening is limited to a:

(i) licensed health care professional; or

(ii) public health official; and

(2) 48 hours of receipt of a complete application when the energy crisis does not involve a life-threatening medical situation. A complete application means the application is signed and submitted and all verification is provided.

340:20-1-19. Winter heating

(a) Selected households approved for other benefits administered by Oklahoma Human Services (OKDHS) Adult and Family Services are normally pre-authorized for winter heating each year without filing an application. Households pre-approved for the Low Income Home Energy Assistance Program (LIHEAP) are those who received Child Care Subsidy, State Supplemental Payment (SSP), Temporary Assistance for Needy Families (TANF), or Supplemental Nutrition Assistance Program (SNAP) benefits all 12 months of the previous federal fiscal year and met all the criteria in (1) through (4) of this subsection. The household:

- (1) received LIHEAP winter heating the previous federal fiscal year;
- (2) address remains the same;
- (3) income did not exceed the gross income standard for its household size during the previous federal fiscal year, per OKDHS Appendix C-7, Low Income Home Energy Assistance Program Income and Resource Level by Household Size; and
- (4) members remain the same from the previous federal fiscal year.

(b) Households are not pre-authorized for winter heating and summer cooling in the same federal fiscal year; October through September. When households were pre-authorized for summer cooling for the same federal fiscal year, they must complete an application for winter heating and be approved, per Oklahoma Administrative Code (OAC) 340:20-1-12.

(c) A designated LIHEAP winter heating application period is opened each year federal LIHEAP funds are issued. Applications are taken until allocated funds are expended, per Section 8624 of Title 42 of the United States Code.

(d) Refer to OKDHS Appendix C-7-A, Estimated Low Income Home Energy Assistance Program, for estimated benefit amounts. The benefit amount is based on the household's net income, household size, heating source, and if the heating bill is included in the rent amount or paid separately.

- (1) Payments for unsubsidized renters, roomers, and boarders who pay a surcharge for utilities included in their rent are made

directly to approved households, per (g) of this Section.

(2) Acceptable verification of the surcharge may be established by an itemized statement from the landlord, a legally-binding lease agreement showing the surcharge, or a rent receipt designating that the fuel cost is separate from the total shelter payment.

When a roomer or boarder lives with another household, he or she may only qualify as a separate household when he or she:

(A) is not related to the household; and

(B) provides a written lease or roommate agreement that contains a clause stating he or she is responsible for a specific portion of utility bills.

(e) Main home energy sources for heating include natural gas, electricity, propane, firewood, kerosene, coal, or butane. When the household uses a generator to heat the home, the generator may use natural gas, propane, or gasoline.

(1) LIHEAP payments are made for utility expenses, deposits, and reconnect charges applicable to the household's main source of home energy. When the utility supplier receives payment from the household and OKDHS for reconnect charges or deposits, the utility supplier must reimburse the client for those charges.

(2) When other utilities, such as water, sewer, or trash, are included with the fuel bill, the authorized benefit cannot include the other utility charges. In this situation, the applicant must provide a utility bill that itemizes the charges for each utility or this information must be obtained from the energy supplier.

(f) Payments are not made for:

(1) blankets;

(2) emergency home repair;

(3) new or additional heating equipment or heating appliances;

(4) propane tank rental, hook-up, inspection, delivery, or other service charges; or

(5) utility charges carried over from a previous utility account or that is in debt collection due to non-payment, unless the client moved to a new location because of a domestic violence situation and provides proof of the domestic violence, such as a police report.

(g) Refer to OAC 340:20-1-14(5) for ways LIHEAP payments are made.

When direct payment is made to the household instead of an energy supplier, it is made on a debit card or by direct deposit, per OAC 340:65-3-6 procedures.

340:20-1-20. Summer cooling

(a) Selected households already approved for other benefits administered by Oklahoma Human Services (OKDHS) Adult and Family Services are normally pre-authorized for summer cooling each year without filling out an application. Households pre-approved for the Low Income Home Energy Assistance Program (LIHEAP) are those who received Child Care Subsidy, Supplemental Payment (SSP), Temporary Assistance for Needy

Families (TANF), or Supplemental Nutrition Assistance Program (SNAP) benefits all 12 months of the previous federal fiscal year and met all the criteria in (1) through (4) of this subsection. The household:

- (1) received LIHEAP summer cooling the previous federal fiscal year;
- (2) address remains the same;
- (3) income did not exceed the gross income standard for its household size during the previous federal fiscal year, per OKDHS Appendix C-7, Low Income Home Energy Assistance Program Income and Resource Level by Household Size; and
- (4) members remain the same from the previous federal fiscal year.

(b) Households are not pre-authorized for summer cooling and winter heating in the same federal fiscal year; October through September. When households were pre-authorized for winter heating for the same fiscal year, they must complete an application for summer cooling and be approved, per Oklahoma Administrative Code (OAC) 340:20-1-12.

(c) A designated LIHEAP summer cooling application period is opened each year federal LIHEAP funds are issued. Applications are taken until allocated funds are expended, per Section 8624 of Title 42 of the United States Code.

(d) Refer to OKDHS Appendix C-7-A, Estimated Low Income Home Energy Assistance Program, for estimated benefit amounts. The benefit amount is based on the household's net income and household size.

(1) The same benefit amount is approved for unsubsidized renters, roomers, and boarders with utilities included in their rent as for households that pay their cooling costs to an energy supplier. Payments for unsubsidized renters, roomers, and boarders who pay a utility surcharge included in the rent are made directly to approved households, per (g) of this Section.

(2) Acceptable verification of the surcharge may be established by an itemized statement from the landlord, a legally-binding lease agreement showing the surcharge, or a rent receipt designating that the fuel cost is separate from the total shelter payment.

When a roomer or boarder lives with another household, he or she may only qualify as a separate household when he or she:

- (A) is not related to the household; and
- (B) provides a written lease or roommate agreement that contains a clause stating he or she is responsible for a specific portion of utility bills.

(e) In most instances, the main home energy source for cooling is electricity. When the household uses a generator to cool the home, the generator may use natural gas, propane, or gasoline.

(1) LIHEAP payments are made for utility expenses, deposits, and reconnect charges applicable to the household's primary home energy source. When the utility supplier receives payment from the client and OKDHS for reconnect charges or deposits, the utility supplier must reimburse the client for those charges.

(2) When other utilities are included with the fuel bill, such as water, sewer, or trash, the authorized benefit cannot include the other utility charges. In this situation, the applicant must provide

a utility bill that itemizes the charges for each utility or this information must be obtained from the energy supplier.

(f) Payments may be made to the household to reimburse it for purchasing cooling equipment, such as fans and window air conditioning units, or to repair existing cooling equipment up to the maximum payment allowed, per Appendix C-7-A, Estimated Low Income Home Energy Assistance Program (LIHEAP) Benefit Level for all Households, when the household provides proof that the purchase or repair was made within 30-calendar days of the start of the cooling application period. When the household chooses this option, it is not eligible to receive help paying its energy bill.

(g) Refer to OAC 340:20-1-14(5) for ways LIHEAP payments are made. When direct payment is made to the household instead of an energy supplier, it is made on a debit card or by direct deposit, per OAC 340:65-3-6 procedures.

SUBCHAPTER 1. SCOPE AND APPLICABILITY

340:25-1-1. Purpose and legal basis

(a) The purpose of the rules in this Chapter is to explain the Oklahoma Human Services (OKDHS) Child Support Services (CSS) program as it pertains to the public it serves. Unless the context clearly indicates otherwise, the rules in this Chapter only pertain to IV-D programs and services.

(b) All entities and personnel of the CSS program of OKDHS and all entities and personnel of entities that contract with OKDHS to administer and operate any portion of the child support program are bound by the provisions of this Chapter.

(c) **Federal law.** Sections 651 through 669b of Title 42 of the United States Code (42 U.S.C. §§ 651 through 669b) are the primary basis in federal law for Oklahoma's child support program. The program is also governed by Chapter III of Title 45 of the Code of Federal Regulations. The Servicemembers Civil Relief Act, codified in 50 U.S.C. §§ 3901 through 4043, applies to servicemembers. Other federal laws and regulations are followed to the extent they apply to Oklahoma's child support program.

(d) **State law.** Oklahoma Statutes covering child support issues include, but are not limited to:

- (1) Sections 80, 83, 90.4, 90.5, and 7700-101 through 7800 of Title 10 (10 O.S. §§ 80, 83, 90.4, 90.5, and 7700-101 through 7800);
- (2) 12 O.S. §§ 1170 and 1171.2 through 1171.4;
- (3) 21 O.S. §§ 566, 567, and 852;
- (4) 43 O.S. §§ 109.2 through 110, 112, 112A, 114 through 120, 135 through 139.1, 410 through 413, and 601-100 through 601-903;
- (5) 56 O.S. §§ 166.1, 183, 230.60, and 231 through 240.24;
- (6) 63 O.S. §§ 1-311.2 and 1-311.3; and
- (7) 68 O.S. § 205.2.

(e) **Applicability.** CSS uses federal or state statutes, as appropriate, in specific situations to establish paternity and child support and enforce child support orders. CSS follows applicable federal and state laws in carrying out its responsibilities and providing services regardless of whether a statute, regulation, final order, or other legal obligation is specifically referenced in this Chapter.

340:25-1-1.2. Structure and service

(a) Structure.

(1) Under Part A of Subchapter IV of Chapter 7 of Title 42 of the United States Code, every state must designate a single state agency to administer a statewide plan for child support services. Oklahoma Human Services is the designated agency in Oklahoma. Oklahoma Child Support Services (CSS) administers the plan.

(2) CSS provides services through a state office and offices throughout the state that may be administered through service agreements or contracts with district attorneys and other entities, such as Community Action Program agencies to provide legal child support services.

(3) The primary function of CSS is to provide child support services in all Title IV-A Temporary Assistance for Needy Families (TANF), Title IV-E foster care, and non-TANF SoonerCare (Medicaid) cases where eligibility is due to the absence of one or both parents, and in other cases for persons who have applied for services. CSS also provides these services in cases forwarded by:

- (A) Title IV-D agencies of other states;
- (B) Native American tribes; and
- (C) foreign jurisdictions, as appropriate.

(4) CSS is committed to the right of all parties to have access to the justice system for the purpose of enhancing understanding and ownership of the case. In addition to the child support services CSS provides as described in this Chapter, when parties want to be heard on child support issues, regardless of whether the party's positions are contrary to the state's position and may be subject to legal defenses. CSS:

(A) provides available pro se self-help forms to request a hearing before either the Office of Administrative Hearings: Child Support (OAH) under Oklahoma Administrative Code 340:228-17.2 or the district court. OAH or the district court determine whether a hearing is granted;

(B) assists pro se customers in completing available CSS self-help forms upon request; and

(C) refers parties to community resources including, but not limited to:

(i) lawyer referral services;

(ii) community legal services;

(iii) other available self-help legal forms; and

(iv) other available informational and community resource materials.

(5) CSS complies with the standards for an effective program and the organization and staffing requirements, per Part 303 of Title 45 of the Code of Federal Regulations (45 C.F.R. Part 303).

(b) **Services.** CSS services include, but are not limited to:

(1) establishment of paternity, child support obligations, ongoing medical support, and ongoing child care obligations through administrative and court actions;

(2) enforcement of:

(A) child support;

(B) health insurance;

(C) fixed sums and judgments for medical support including birthing costs;

(D) fixed ongoing child care costs and judgments for child care costs; and

(E) certain spousal support obligations when due in conjunction with child support;

(3) location of noncustodial parents and their assets by establishing intrastate and interstate links with local, state, and federal agencies, private sources, and international central authorities;

(4) case reviews for modification of support orders as appropriate;

(5) collection and distribution of support payments per federal and state law; and

(6) establishment and maintenance of accounting and other records per federal and state law.

(c) **Excluded services.** CSS services do not include:

(1) establishment or modification of spousal support, visitation, or custody;

- (2) establishment of judgment for unreimbursed medical expenses or child care costs that are not included in the fixed monthly child support obligation;
- (3) enforcement of alimony in lieu of property division; and
- (4) enforcement or collection of private attorney fee judgments.

(d) **Limited services.** CSS provides limited services :

- (1) at the request of an initiating interstate Title IV-D agency or an international central authority, per Sections 601101 through 901 of Title 43 of the Oklahoma Statutes and 45 C.F.R. § 303.7. CSS provides limited services, when appropriate, even when the noncustodial parent or custodial person does not reside in Oklahoma. The CSS director or appointed designee approves requests for intergovernmental limited services not listed in 45 C.F.R. 303.7 ; or
- (2) upon application for the establishment of paternity when the noncustodial parent is deceased.

340:25-1-2.1. Location for information

- (a) **Mailing address.** The Oklahoma Child Support Services (OCSS) state office mailing address is: Oklahoma Child Support Services, Capitol Station Box 248822, Oklahoma City, Oklahoma 73124-8822.
- (b) **OCSS telephone information.** District child support office addresses throughout Oklahoma and other information may be requested by telephoning 405-522-2273 in the Oklahoma City calling area, 918-295-3500 in the Tulsa calling area, or toll-free at 1-800-522-2922. The Relay Oklahoma Teletypewriter (TTY) number for the hearing impaired is 711, or 1-800-722-0353 toll-free.
- (c) **Interpreter services.** The Oklahoma Department of Human Services (OKDHS) provides at no cost, oral or sign language or foreign language interpretation services.
- (d) **Oklahoma Employer Services Center.** The Oklahoma Employer Services Center (OKESC) processes incoming employer questionnaires regarding employment verification and insurance availability, and answers employer questions regarding new hire reporting, income withholding, and medical support. Employer and insurance plan administrator inquiries regarding child support cases may be made by telephoning 405-325-9190 in the Oklahoma City calling area, or toll-free at 1-866-553-2368. The OKESC fax number is 405-325-8210 and the mailing address is: Oklahoma Employer Services Center, PO Box 248805, Oklahoma City, Oklahoma 73124-8805.

(e) **Internet access.** Information about OCSS is available from the OCSS Internet page at <http://www.okdhs.org>.

(1) A customer who has an active child support case(s) and OKDHS customer identification number may use the Internet to access information about the customer's case(s).

(2) A customer may contact OCSS as described in this Section to request a child support customer personal identification number (PIN) and instructions for accessing case information on the Internet.

340:25-1-3.1. Designation of an authorized representative

(a) A custodial person, noncustodial parent, or biological parent may designate a person as an authorized representative to:

(1) obtain child support case information and documents from Oklahoma Department of Human Services (DHS) Child Support Services (CSS) on his or her behalf; or

(2) provide information and documents to CSS on his or her behalf.

(b) CSS does not honor requests to designate a person who has a conflict of interest that would result in the release of information he or she is otherwise not entitled to receive as an authorized representative.

(c) An authorized representative may obtain information and documents limited to those items the person represented may obtain per Oklahoma Administrative Code 340:25-5-67.

(d) This Section does not allow an authorized representative to appear before the DHS Office of Administrative Hearings: Child Support or the district court on behalf of the person represented unless specifically allowed by law. Further, nothing in this Section prevents CSS from requesting the court to enter a default order based on the person's failure to appear, even when the person's authorized representative is present.

(e) The authorized representative does not have to be an attorney.

(f) A person must complete and submit Form 03EN010E, Authorized Representative Designation, to CSS before the representative may act or receive information orally or in writing on behalf of the person represented. A person may have only one authorized representative at any time.

(g) When CSS receives Form 03EN010E, CSS verifies the identity of the individual completing Form 03EN010E. CSS considers the designation in effect until CSS receives:

- (1) a new Form 03EN010E designating another person as the authorized representative;
 - (2) written notice that the designation of an authorized representative is revoked; or
 - (3) written notice that the designator is deceased.
- (h) CSS reserves the right to refuse to honor a designation of authorized representative.

340:25-1-5.1. Administrative complaint procedure

(a) Purpose and scope.

- (1) The administrative complaint procedure is for Oklahoma Department of Human Services (OKDHS), Oklahoma Child Support Services (OCSS) IV-D customers. OCSS:
 - (A) represents the state's economic interest in children;
 - (B) does not represent parents, custodial persons, or children. Parents and custodial persons may apply for OCSS services, and OCSS enforces the duties of parents to support their children; and
 - (C) considers parents and custodial persons as customers, and treats them with dignity and respect.
- (2) The administrative complaint procedure is established under Section 303.35 of Title 45 of the Code of Federal Regulations and is available to Oklahoma customers and those from other states. The purpose is to provide:
 - (A) OCSS customers an opportunity to raise concerns about services or treatment received, request an administrative review, and take appropriate action when there is evidence that an error occurred, or an action should have been taken on their case;
 - (B) customers a fast and effective procedure for reviewing issues that have no other review process. The intent of the complaint procedure is to provide customers a process to have their cases reviewed and not to require formal administrative hearing processes or adjudication of complaints; and

(C) an informal rather than a formal hearing process. It does not replace or extend other child support enforcement processes, such as court processes, that are established by federal or state statutes, rules, or regulations. The complaint process is intended to remedy errors, not to allow individuals to dictate action in a case.

(b) Procedure.

(1) **Step 1.** OCSS encourages any customer with a complaint about an OCSS district office or state office center to address the complaint orally or by letter, fax, or email to the OCSS district or state office for resolution. Interstate customers express their concerns to the IV-D agency in the state where they applied or were referred for services.

(2) **Step 2.**

(A) If the customer receives no response or is dissatisfied with the response from the OCSS district or state office, the customer may contact Oklahoma Child Support Services, Attention: Center for Customer Services (CCS), P.O. Box 248822, Oklahoma City, Oklahoma 73124-8822 by mail, fax to 405-522-3685, email OCSS.Contact.CustomerOutreach@okdhs.org, or telephone 405-522-5871. The customer may describe the complaint on Form 03EN012E, Child Support Comments, available upon request by telephone, at a district office, or on the OKDHS website, that elicits the information listed in (i) through (ix), or by letter, fax, or email, including:

- (i) first and last name;
- (ii) standing of the person submitting the complaint, for example, the noncustodial parent, custodial person, biological parent, or an attorney of record or authorized representative on behalf of the noncustodial parent, custodial person, or biological parent;
- (iii) the first and last names, mailing address, and telephone number of the attorney of record or authorized representative, if any;
- (iv) Social Security number;
- (v) child support case number;
- (vi) mailing address;
- (vii) telephone number;
- (viii) an explanation, including names of people and locations, dates, and times of incidents; and
- (ix) a description of the desired action to resolve the complaint.

(B) The CCS refers complaints about cases to the OCSS district office or state office center for administrative review. The district office or state office center conducts the administrative review and notifies the customer of the review's results and any actions taken within five days after CCS sends the written complaint. The method of notification is requested by the customer. If contact in the

manner requested by the customer is unsuccessful, written notification is mailed.

(3) **Step 3.** If the customer is dissatisfied with the response, the customer may ask for further review by submitting a request to the CCS. This request for review may be made by telephone, letter, fax, or email.

(A) The division director or a designee reviews the complaint, the administrative review of the complaint, and any action taken.

(B) Within five days after CCS receives the written request for further review, OCSS notifies the customer and the district office or state office center of the results and any actions taken. The method of notification is requested by the customer. If contact in the manner requested by the customer is unsuccessful, written notification is mailed. The result of this review is the final decision of OCSS.

PART 7. THE CASE RECORD - COMPUTER FILE RECORDS AND CASE FOLDERS

340:25-5-55. Case records

(a) Oklahoma Human Services (OKDHS) Child Support Services (CSS) establishes, maintains, and closes case records per:

- (1) Sections 652, 653, 654a, and 666 of Title 42 of the United States Code; and
- (2) Sections 302.15, 303.2, 303.11, and 307.11 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 75.361 302.15, 303.2, 303.11, and 307.11).

(b) CSS manages and disposes of records according to Oklahoma Statutes as interpreted in OKDHS:2-21-50 through OKDHS:2-21-66. CSS maintains all records for cases closed per 45 C.F.R. §§ 75.361 and 303.11 for a minimum of three years.

(c) CSS maintains information in case records through a combined use of the statewide automated data processing , information retrieval system and paper documents. The information in case records includes, but is not limited to:

- (1) names and addresses of custodial persons (CP), biological parents (BP), alleged fathers, noncustodial parents (NCP), and children;
- (2) names and addresses of employers of CPs, BPs, alleged fathers, and NCPs;
- (3) Social Security numbers of CPs, BPs, alleged fathers, NCPs, and children;
- (4) paternity records and related information;
- (5) records of legal and collection actions on cases;
- (6) records of accruals, payments, distribution and disbursement of payments;
- (7) location, asset, employment, insurance, and financial information for CPs, BPs, NCPs and children; and
- (8) case log, correspondence, personal notes, work products, records of contacts, communications, and other actions and information concerning the case.

(d) When a case participant requests a name change, CSS staff updates an existing, open CSS case record when the participant submits Form 03GN543E, Name Change Request, with documentation of the participant's new legal name.

340:25-5-67. Information disclosure

(a) **Legal authority.** Federal and state laws and the rules adopted by Oklahoma Human Services (OKDHS) restrict the use and disclosure of information. Information from child support program records is released per:

- (1) Oklahoma Administrative Code (OAC) 340:2-21-12 through 340:2-21-16, 340:25-5-340.1 and 340:75-1-44;
- (2) Section 112A and 413 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 112A and 413), 51 O.S. §§ 24A.1 through 24A.26, and 56 O.S. §§ 183 and 231 through 240.23;
- (3) Section 285.3 of Title 31 of the Code of Federal Regulations (31 C.F.R. § 285.3) 45 C.F.R. §§ 303.15, 303.21, 303.70, and 307.13; and
- (4) Sections 653, 654, 654a, and 663 of Title 42 of the United States Code (42 U.S.C. §§ 653, 654, 654a, and 663).

(b) **Confidentiality.** *All applications, information and records concerning any applicant or recipient obtained pursuant to law or as authorized by law by the Department of Human Services or any other public or private entity shall be confidential per 56 O.S. § 183.*

- (1) All files and records concerning the assistance or services provided under the child support program or concerning an alleged father of a child born out of wedlock are confidential per 56 O.S. § 237, except as otherwise authorized by law.

(2) Any information OKDHS Child Support Services (CSS) obtains from federal or state agencies is subject to limitations on disclosure imposed by laws governing the information received from those agencies. CSS complies with the limitations imposed by federal laws and regulations per 42 U.S.C. § 653, 31 C.F.R. § 285.3, and Internal Revenue Service Publication 1075.

(3) Nothing in this Section authorizes disclosure of the location or information that may lead to discovery of the location of a case participant with a Family Violence Indicator per OAC 340:25-5-67.1.

(4) CSS redacts personal information, including Social Security and driver license numbers, from court documents prior to filing them, pursuant to Rule 31 of the Rules for District Courts of Oklahoma.

(c) Authorized disclosure.

(1) Information requested may be shared with:

(A) persons duly authorized by the United States in connection with the performance of their official duties per 56 O.S. § 183 including, but not limited to:

(i) exchange of information to the extent necessary to carry out the state agency Title IV-D program responsibilities directly and through statewide automated data processing and information retrieval networks within OKDHS, with authorized representatives of OKDHS programs and other state agencies, other states and countries, and federal and tribal agencies;

(ii) exchange of information directly and through statewide automated data processing and information retrieval networks with OKDHS representatives and other state agencies administering programs under Titles IV-A through IV-E, XIX, and XXI of Chapter 7 of Title 42 of the U.S.C., and the Supplemental Nutrition Assistance Program (SNAP) to the extent necessary to carry out the responsibilities of those agencies;

(iii) release of information received from the Federal Parent Locator Service, through the State Parent Locator Service, to an authorized person for an authorized purpose, per 42 U.S.C. § 663 representing:

(I) agencies administering or enforcing programs under Titles IV-B and IV-E of Subchapter IV of Chapter 7 of Title 42 of the U.S.C. to the extent necessary to carry out state agency Titles IV-B and IV-E responsibilities; and

(II) the United States or Oklahoma for purposes of enforcing or prosecuting any federal or state law with respect to the unlawful taking or restraint of a child, or

any court or agent of such court having jurisdiction to make or enforce a child custody or visitation determination; and
(iv) release of Social Security numbers for child support purposes, such as:

- (I) locating the parents;
- (II) submitting cases for federal administrative and income tax refund offset;
- (III) state income tax refund offset;
- (IV) financial institution data match;
- (V) enrolling children as beneficiaries of health insurance coverage; and
- (VI) processing interstate child support services; and

(B) parties to a child support case, their attorneys, interpreters, and authorized representatives, who may only access:

- (i) income information, records of payment, and balances;
- (ii) documents, exhibits, worksheets, and supporting documents filed with the court and any administrative documents that are part of the order, such as guideline worksheets and financial affidavits;
- (iii) specific case activity in the course of providing child support enforcement services, such as the number and dates of locate attempts, and establishment and enforcement of child support or medical support orders;
- (iv) information required by 43 O.S. § 56 disclosed for the purpose of enforcing, reviewing, establishing, or modifying a support order or judgment;
- (v) information necessary to enroll children as beneficiaries of court-ordered health insurance coverage;
- (vi) information necessary to access court-ordered health care coverage and obtain health care for the children; and
- (vii) address of record for service of process per 43 O.S. § 112A. The address of record must only be released per OAC 340:25-5-340.1;

(C) employers and plan administrators, who may only access information necessary to enroll children as beneficiaries of court-ordered health insurance coverage;

(D) persons as directed by court order or by a subpoena approved by a CSS state's attorney; and

(E) persons with written authorization from a child support case member to release information.

(2) Any person requesting case information must specify the information needed and for what purpose the information is being

requested. The person must verify his or her identity. CSS determines:

- (A) when the person requesting the case information is authorized to receive per paragraph (1) of this subsection;
- (B) when the requested information may be released; and
- (C) the appropriate method of release.

340:25-5-67.1. Family violence

- (a) Oklahoma Department of Human Services (DHS) Child Support Services (CSS) establishes and maintains records regarding family violence per Sections 303.21 and 307.11 of Title 45 of the Code of Federal Regulations and Sections 653 and 654 of Title 42 of the United States Code (42 U.S.C. §§ 653 and 654).
- (b) CSS is committed to promoting the safety and well-being of its customers and staff.
- (c) A family violence indicator is a designation placed on a participant in a Title IV-D or non-Title IV-D case by CSS indicating the risk of child abuse or domestic violence. The family violence indicator is used to restrict disclosure of the location of a participant who is reported to CSS as being at risk of family violence.
- (d) CSS considers as reasonable evidence of family violence and enters a family violence indicator on appropriate individuals, when:
 - (1) a parent or custodian states that he or she or the child(ren) is at risk of emotional or physical harm from another individual in the same child support case; or
 - (2) DHS has knowledge of a court-ordered protective order or other information that family violence exists.
- (e) CSS makes available to custodial persons (CP) and noncustodial parents (NCP) Form 03EN008E, Family Violence - Address of Record Statement, to collect address of record (AOR) information and explain how the information is used. The CP or noncustodial parent NCP may use Form 03EN008E to:
 - (1) request that his or her home address or location information not be released to another parent or party in a child support case because release could result in family violence to the requesting individual or his or her children; or
 - (2) designate an AOR per OAC 340:25-5-340. CSS may release the AOR per OAC 340:25-5-340.1.
- (f) The presence or absence of a family violence indicator on a case does not guarantee anyone's safety. CSS is not liable for harm arising from the use or non-use of a family violence indicator.
- (g) CSS may remove a family violence indicator from a case participant when CSS receives:

- (1) a written request from the participant;
 - (2) information that the family violence indicator was entered in error; or
 - (3) a court order to remove the family violence indicator.
- (h) Upon order of a court having the authority to make or enforce child custody or visitation determinations per 42 U.S.C. § 663, CSS may:
- (1) request the federal Office of Child Support Enforcement to override a family violence indicator in a single instance; and
 - (2) authorize release of the person's home address or location to the court.
- (i) Interstate cases follow OAC 340:25-5-270.
- (j) When an NCP submits an application for Title IV-D services in a case previously closed for good cause, CSS follows OAC 340:25-5-117.

PART 11. CSS SYSTEM SECURITY

340:25-5-75. Computer system authority and responsibility

(a) **Scope and Legal Authority.** Oklahoma Human Services (OKDHS) Child Support Services (CSS) operates a single statewide automated data processing and information retrieval system that meets the requirements of:

- (1) Sections 652, 654, 654a, and 655 of Title 42 of the United States Code (42 U.S.C. §§ 652, 654, 654a & 655), 26 U.S.C. §

6103 ;

(2) Section 302.85 and Part 307 of Title 45 of the Code of Federal Regulations;

(3) Section 150.9 and 150.9.1 of Title 74 of the Oklahoma Statutes (74 O.S. §150.9 & 150.9.1); and

(4) Internal Revenue Service (IRS) Publication 1075.

(b) Background Investigations.

(1) National criminal history background checks are completed for all employees, contractors, and subcontractors prior to and during employment as required in IRS Publication 1075 and 26 U.S.C. § 6103. An individual seeking employment with CSS, CSS employees, contractors and sub-contractors complete a national criminal history background check, including fingerprinting, per 74 O.S. § 150.9.1. The national criminal history background check is required in order to have access to the OKDHS and CSS networks, that results in having access to federal tax information and data, as defined in IRS Publication 1075 and 26 U.S.C. § 6103.

(2) Applicants for positions requiring national criminal history background checks are advised any employment offer is conditional upon completion of a background check that reveals no disqualifying history as outlined in the CSS Favorability Standards.

(3) All employees authorized to access and review national criminal history records check information submit to a national criminal history background check including fingerprinting to obtain access and review status.

PART 15. CASE INITIATION, CASE MANAGEMENT, AND CASE CLOSURE

340:25-5-110. Scope and applicability

The Oklahoma Department of Human Services, through its Child Support Enforcement Division (CSED), opens, or initiates, and closes child support enforcement cases to provide appropriate IV-D services. In initiating and closing cases, CSED is governed by Sections 302.33, 303.2, and 303.11 of Title 45 of the Code of Federal Regulations; Title IV, Part D, of Subchapter IV of Chapter 7 of Title 42 of the United States Code; and Section 237 of Title 56 of the Oklahoma Statutes.

[Source: Added at 9 Ok Reg 3275, eff 6-26-92 (emergency); Added at 10 Ok Reg 1813, eff 5-13-93 ; Amended at 17 Ok Reg 2426, eff 7-1-00 ; Amended at 22 Ok Reg 1221, eff 7-1-05 ; Amended at 23 Ok Reg 1842, eff 7-1-06 ; Amended at 24 Ok Reg 1301, eff 7-1-07]

340:25-5-110.1. Applications

(a) The Oklahoma Department of Human Services (DHS) Child Support Services (CSS) initiates child support cases, per Title IV, Part D, of Subchapter IV of Chapter 7 of Title 42 of the United States Code, Sections 302.33 and 303.2 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.33 and 303.2), and Section 237 of Title 56 of the Oklahoma Statutes (56 O.S. § 237).

(b) To apply for child support services, a person must submit a completed and signed application form to the address on the form. A one cent application fee is paid by CSS for each application received. An application for child support services is submitted in every circumstance, including applications from:

- (1) former Temporary Assistance for Needy Families (TANF), Aid to Families with Dependent Children (AFDC), or non-TANF SoonerCare (Medicaid) DHS recipients;
- (2) former participants in Title IV-D cases;
- (3) noncustodial parents (NCP) listed on existing medical enforcement only cases, when the NCP is requesting a review and adjustment, or to open a new case, per Oklahoma Administrative Code (OAC) 340:25-5-198.1; or
- (4) persons receiving child support payments from the Centralized Support Registry, who are not currently receiving CSS child support services.

(c) Application forms are obtained at any child support or other DHS office or by writing or phoning CSS at the address and phone numbers

provided in OAC 340:25-1-2.1. Printable application forms are available from the CSS website at <http://www.okdhs.org>.

(d) An applicant who is a custodial person (CP) must give DHS authority to endorse and negotiate payments related to child support and to spousal support on behalf of the CP and child(ren).

(e) CSS accepts an application from a CP, parent, or person alleging his or her parentage and opens a case when:

(1) the child is a minor or is still entitled to current support, per 43 O.S. § 112;

(2) the application is to enforce a child support order for an adult with disabilities, per 43 O.S. § 112.1A;

(3) parentage must be established for a minor child against a deceased NCP, per OAC 340:25-5-176; or

(4) the former CP's parental rights were terminated, then the child was adopted, and the application to collect past-due support owed to the former CP was received before the adoption.

(f) CSS does not accept applications for collection of past-due support when:

(1) all children on the application have reached the age of majority and none is an adult with disabilities, with an established child support order;

(2) the child is deceased; or

(3) the child is a minor, who no longer resides with the CP.

(g) CSS accepts applications for locate only services, per OAC 340:25-5-155.

(h) CSS does not accept an application and does not open a case when the case was previously closed and the circumstances that led to the closure have not changed.

340:25-5-114. Procedures for determining and processing noncooperation

(a) **Authority for cooperation of custodial persons (CP).** The CP must cooperate with the Oklahoma Human Services (OKDHS) Child Support Services (CSS) program in establishing paternity or in establishing, modifying, or enforcing a support order per Section 654 of Title 42 of the United States Code (42 U.S.C. § 654) and Sections 264.30 and 303.11 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 264.30 and 303.11). A CP:

- (1) receiving Temporary Assistance for Needy Families (TANF) must assign rights to support to OKDHS per 42 U.S.C. § 608;
- (2) receiving non-TANF SoonerCare (Medicaid) benefits for minor child(ren) must assign medical support rights to the Oklahoma Health Care Authority (OHCA) per 42 C.F.R. § 433.146; or
- (3) not receiving public assistance is subject to case closure

(b) **Noncooperation of CP.** When a CP fails to cooperate, CSS reviews the case to determine noncooperation. When CSS determines noncooperation in a TANF case, CSS notifies Adult and Family Services (AFS) staff in the appropriate OKDHS county office. AFS staff updates the computer document for noncooperation with CSS and a computer-generated notice per Oklahoma Administrative Code (OAC) 340:65-5-1 is sent advising the recipient of any decrease in benefits due to noncooperation.

(1) For CSS to make a noncooperation determination the cooperation must be essential for the next step in providing child support services.

(2) Noncooperation is indicated when the CP:

- (A) fails to participate in a scheduled CSS conference or meeting.;
- (B) refuses to complete and sign documents necessary to take legal action against the noncustodial parent(s) (NCP) when requested to do so by CSS;
- (C) fails to comply with an order to submit oneself or the child(ren) to genetic testing to determine paternity;
- (D) fails to appear as a witness at an administrative, district court hearing, or other proceeding;
- (E) fails to provide information or attest to lack of information under penalty of perjury;
- (F) fails to forward to CSS all child support payments received from the NCPs or those received from entities other than the Centralized Support Registry;
- (G) pursues private legal action affecting paternity, child support, medical support, or child care or authorizes payments made other than through the Centralized Support Registry without giving CSS notice, and fails to keep CSS informed of the case status; or
- (H) engages in ongoing conduct detrimental to CSS enforcement efforts.

(3) OKDHS AFS staff determines in TANF cases when good cause for noncooperation with CSS exists per OAC 340:10-10-6.

(c) Noncooperation of CP on non-TANF SoonerCare (Medicaid) cases. When CSS receives an OHCA referral on a non-TANF or existing case update with a pending good cause indicator, CSS centralized good cause staff determines when good cause exists for noncooperation per OAC 317:35-5-7.

(d) Noncooperation in private cases. When CSS determines noncooperation in a non-TANF case, CSS closes the case per 45 C.F.R. § 303.11.

(e) Services after noncooperation closure. CSS requires a new application to reopen a case closed for noncooperation. The applicant for services must agree to cooperate with CSS.

340:25-5-117. Initiation of Title IV-D cases

(a) Title IV-A, Title IV-E foster care, and non-Temporary Assistance for Needy Families (TANF) SoonerCare (Medicaid).

(1) Oklahoma Human Services Child Support Services (CSS) automatically initiates child support cases without additional application for certified Title IV-A, Title IV-E foster care, and TANF SoonerCare (Medicaid).

(2) A referral from the assistance programs listed in (1) of this subsection, means receipt of data that includes verified information with no errors or duplications, sufficient and appropriate for CSS to initiate a child support case.

(3) When either the custodial person (CP) or non-custodial parent (NCP) applies for non-TANF SoonerCare (Medicaid) for themselves and their child(ren), he or she must assign medical support rights to the state, per Section 1396k of Title 42 of the United States Code (42 U.S.C. § 1396k).

(A) These CPs must cooperate in establishing paternity and obtaining medical support unless an exception exists, per 42 U.S.C. §§ 1396a(l)(1)(A), 1396k, or 1396r-6.

(B) CSS must open a Title IV-D medical enforcement only case, per Oklahoma Administrative Code (OAC) 340:25-5-

169. CSS may open a full-service case to provide all appropriate Title IV-D services, per OAC 340:25-1-1.2, at the CP's request.

(4) When CSS receives a non-TANF SoonerCare (Medicaid) referral from the Oklahoma Health Care Authority (OHCA) in which the CP has assigned court-ordered child support or cash medical support, CSS determines when it is appropriate to open a full-service case, per OAC 340:25-5-169.

(5) CPs who apply for non-TANF SoonerCare (Medicaid) on behalf of their child(ren) only are not required to cooperate in establishing paternity and obtaining medical support. Therefore, except when (4) of this subsection applies, CSS does not provide child support services unless the CP made a request for a full-service case or the case is for medical enforcement only.

(b) Termination of Title IV-A, Title IV-E foster care, and non-TANF SoonerCare (Medicaid) benefits. When a family is no longer eligible for assistance under Titles IV-A, Title IV-E foster care, or non-TANF SoonerCare (Medicaid) programs, all appropriate Title IV-D services continue without application, per Section 302.33 of Title 45 of the Code of Federal Regulations. Non-TANF SoonerCare (Medicaid) cases previously limited to medical support continue as full-service cases. When a CP refuses continued Title IV-D services and subsequently requests services, the CP must submit a completed and signed Form 03EN001E, Application for Child Support Services, even when CSS has an active case because of unreimbursed assistance owed to the state.

(c) Referrals from other jurisdictions. CSS accepts cases referred:

- (1) by any state or tribal Title IV-D agency and from other countries when the NCP resides in Oklahoma. CSS does not require an application for cases referred from another Title IV-D agency;
- (2) by interstate referrals for judgment only collections when the case was opened in the initiating state during the minority of any child on the case; or
- (3) when Oklahoma is an appropriate jurisdiction to establish, enforce, modify, or determine the controlling order, per the Uniform Interstate Family Support Act in Sections 601-101 through 601-903 of Title 43 of the Oklahoma Statutes, whether or not the NCP resides in Oklahoma.

(d) Responses from NCPs who sign an acknowledgment of paternity form. CSS opens full-service cases for NCPs who filed Form 03PA209E, Acknowledgment of Paternity, with the Oklahoma State Department of Health, Division of Vital Records and requested child support services by completing and signing Form 03EN001E, Application for Child Support Services.

(e) Other Title IV-D cases. Except as provided in (a), (c), and (d) of this Section, an applicant must submit a completed and signed Form 03EN001E to receive all appropriate child support services or locate only services.

(f) Building case balances.

- (1) CSS builds case balances on new and reopened cases, per OAC 340:25-5-140.

(2) When CSS opens a case and has information the NCP made payments in excess of the court-ordered child support order, CSS only collects the excess payment when a court has determined the amount of the excess payment and ordered that it be satisfied by offset against the monthly current child support obligation.

(g) **Good cause.** When the NCP submits an application for child support services in a case previously closed for good cause for noncooperation, CSS:

(1) opens the case when good cause no longer exists;

(2) opens the case when family violence may still exist and the CP gives permission; or

(3) declines to reopen when good cause still exists.

(h) CSS does not open a case when the case was previously closed and the circumstances that led to the closure have not changed.

340:25-5-123. Case closure system

- (a) Oklahoma Human Services OKDHS Child Support Services (CSS) closes cases eligible for closure per Section 303.11 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 303.11).
- (b) A child support case may not be closed when there is a pending paternity, establishment, or modification action CSS filed with the court and the non-applicant has been served, unless the pending action is withdrawn or dismissed at the discretion of the CSS state's attorney.
- (c) A child support case may be closed when any of the criteria in (1) and (2) of this subsection applies.
- (1) There is no current support order and arrears are unenforceable. Arrears are determined to be unenforceable when:
 - (A) there has been no collection during the past year; and
 - (B) the noncustodial parent (NCP) has no known or prospective income or assets.
 - (2) The NCP's sole income is from Supplemental Security Income (SSI) or a combination of SSI and Social Security Disability Insurance, or Social Security Retirement.
- (d) A child support case may be closed when the:
- (1) case was referred to CSS by an assistance program, per Oklahoma Administrative Code (OAC) 340:25-5-117 and the:
 - (A) referral is inappropriate to establish or enforce a child support order; and
 - (B) custodial person (CP) or NCP has not applied for services with CSS;
 - (2) CP receives non-TANF Sooner Care (Medicaid) child only benefits and the case is received from the Oklahoma Health Care Authority as a referral, but CSS learns the CP desires to decline child support services and no service of process is initiated on a legal action filed by CSS to establish or enforce the child support order, including the medical support portion; or
 - (3) CP:
 - (A) cannot be located per 45 C.F.R. § 303.11(b)(15); or
 - (B) fails to cooperate and an action by the CP is essential for the next step in providing child support services per 45 C.F.R. § 303.11(b)(16).
- (e) The case applicant requests that a child support case be closed by submitting CSS Form 03GN542E, Case Closure Application - Child Support Services. When a case closure application is received, CSS staff determines if the case meets federal case closure criteria per 45 C.F.R. § 303.11.
- (f) When CSS staff closes a case, CSS:
- (1) terminates the Order/Notice to Withhold Income for Child Support with the employer per OAC 340:25-5-201.1;
 - (2) resolves enforcement actions filed and CSS processes that are specific to the case being closed;
 - (3) reviews the Family Violence Indicator per OAC 340:25-5-67.1;
 - (4) removes case balances; and
 - (5) documents the date and amounts removed on the Oklahoma Support Information System Case Log (CSLOG) screen.
- (g) Per 45 C.F.R. § 302.33 when Title IV-A Temporary Assistance for Needy Families (TANF), Title IV-E foster care, and non-TANF SoonerCare

(Medicaid) services are discontinued, CSS notifies the recipient that CSS maintains a full-service child support case, unless the CP declines services in writing. When the CP declines services in writing, CSS closes the case. When the CP fails to respond, CSS maintains a full-service child support case.

340:25-5-124. Assignment and transfer of cases to child support offices

(a) **General assignment and transfer.** In assigning cases to child support offices, Oklahoma Human Services Child Support Services (CSS) considers whether the case is eligible for assignment to one of the tribal programs, per Oklahoma Administrative Code (OAC) 340:25-5-286. CSS treats an order registered in Oklahoma, per Sections 601-601 through 601-614 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 601-601 through 601-614) as an Oklahoma order for purposes of OAC 340:25-5-124(1) and (2). If the case is not assigned to one of the tribal programs, CSS assigns cases under this Section.

(1) Oklahoma child support cases are assigned to a district office serving the county where a prior Family and Domestic district court case exists involving the parents and child, regardless of the case style of the order or whether or not a child support order was entered as to either parent.

(2) When a guardianship order is in effect, the case is assigned to the district office serving the county in which the guardianship action was filed. The district office proceeds to petition the guardianship court to:

(A) defer jurisdiction of child support to CSS. The case then follows regular case assignment rules;

(B) defer jurisdiction of child support to a pre-existing Family and Domestic court case involving the parents and child to enforce an existing child support order or establish a child support order. The case is then assigned to the district office serving the county with the existing Family and Domestic court order; or

(C) establish or modify a child support order. The case remains assigned to the district office serving the county of the guardianship.

(3) Cases with intergovernmental child support orders are assigned to a district office serving the county in which the order is registered per 43 O.S. §§ 601-601 through 601-614.

(A) When there are multiple Oklahoma support orders, cases are assigned to a district office serving the county where the presumed controlling order for current child support was entered or docketed in district court.

(B) When there is an Oklahoma support order and an intergovernmental support order, the case is assigned to the district office serving the county where the Oklahoma support order is entered or filed.

(4) Cases are assigned to a district office serving the county where the custodial person (CP) resides when there is:

- (A) no Oklahoma child support order and there is no prior Family and Domestic district court case on file;
- (B) a federal or tribal child support order; or
- (C) a child support order from another state.

(5) When the applicant for child support services is the noncustodial parent (NCP), the location of the CP and child is unknown, and there is no prior paternity or child support order established, cases are assigned to the office responsible for the county in which the NCP resides until the CP and child are located.

(6) Except in cases where a child support order is registered in Oklahoma, when the CP does not reside in Oklahoma, cases are assigned to the district office serving the county where the NCP or alleged father resides.

(7) When there is no Oklahoma order and no party resides in Oklahoma, cases are assigned to the district office serving the county with significant contacts with the case. When more than one county has significant contacts with the case, the case is assigned to the district office having the most recent significant contact.

(8) CSS does not transfer cases docketed or registered, per 43 O.S. §§ 601-601 through 601-614 in district court because the CP or NCP moves to a county outside of the original district office's service area.

(9) CSS does not transfer cases because the CP files a contempt action in a county outside of the original district office's service area.

(10) CSS reassigns a case to another district office to avoid a conflict of interest, per OAC 340:2-1-8.

(11) When there is an existing Office of Administrative hearings: Child Support (OAH) order that was not docketed in the appropriate district court per 340:25-5-185.1, the case is assigned to the district office that obtained the OAH order.

(b) Administrative establishment case transfer.

(1) A district office transfers an administrative establishment case to another office according to (2) of this Section if the:

- (A) case is assigned to the wrong child support office; or
- (B) CP moves to a county outside the original office's service area.

(2) The original office immediately transfers, rather than dismisses, an administrative establishment court action to the new district office if the original office has not obtained service of process on the NCP. When service has been obtained, the original office completes any administrative case litigation before transferring the case to the new district office.

340:25-5-124.3. Assignment and management of deprived cases

(a) When a case includes a child(ren) in a deprived court action, Oklahoma Human Services Child Support Services (CSS) assigns cases per this Section.

(1) **No existing child support order.** When there is no existing child support order and an open Family Group Number, the district office serving the deprived action coordinates with the assigned district office to determine which office establishes the paternity and child support order. When there is no deferral, the case is assigned to a district office serving the county in which the district court has jurisdiction over the deprived action.

(2) **Existing district court case.** When there is a prior Family and Domestic district court case involving the parent(s) and child(ren), the case is assigned to a district office serving the county of the deprived action.

(3) **Split jurisdiction.** When the case involves multiple deprived actions in different counties for different children of the same parents, the district offices coordinate paternity and child support order establishment and child support order enforcement procedures with the district courts.

(b) Per Section 1-4-702 of Title 10A of the Oklahoma Statutes, CSS requests the deprived court establish a paternity and child support order or requests the deprived court defer jurisdiction. When jurisdiction is deferred, CSS enforces the existing child support order or establishes a paternity and child support order in district court or Office of Administrative Hearings: Child Support.

340:25-5-124.4. Multiple case processing

(a) **Definitions.** The following words and terms when used in this Section shall have the following meanings unless the context clearly indicates otherwise:

(1) **"Multiple case action"** means a noncustodial parent (NCP) has multiple cases that are worked together for the primary purpose of right-sizing the NCP's child support orders. A multiple case action includes either an establishment action, modification action, or both. Child Support Services (CSS) presents multiple case actions to the Office of Administrative Hearings: Child Support (OAH) or district court as appropriate. When appropriate, CSS may pursue enforcement action in addition to completing the other action(s). CSS follows Oklahoma Administrative Code (OAC) 340:25-5-200.3 when multiple case processing involves enforcement actions only.

(2) **"Right-sizing"** means establishing and modifying child support orders and setting judgment payments that reflect current circumstances and actual income, unless the evidence supports imputing, to encourage NCP compliance and consistent, reliable support collections for the child(ren) involved.

(b) **Determination of multiple case actions.** CSS determines whether there is evidence to justify a modification per OAC 340:25-5-198.2 and Section 237 of Title 56 of the Oklahoma Statutes (56 O.S. § 237). When determining whether it is appropriate to conduct a multiple case action, CSS considers:

- (1) the NCP's income;
- (2) the NCP's ability to pay all child support orders each month, in full;
- (3) if the NCP is paying on all cases; and
- (4) the monthly child support amount per 43 O.S. §§ 118-118I.

(c) **Interstate multiple case actions.** Multiple case actions involving non-Oklahoma orders are worked per this subsection.

(1) When Oklahoma has continuing exclusive jurisdiction, a case is included in a multiple case action.

(2) When Oklahoma does not have continuing exclusive jurisdiction and:

(A) current support is still due, a case may be included in a multiple case action when all necessary parties consent for Oklahoma to exercise jurisdiction to modify the support order per 43 O.S. § 601-611; or

(B) consent is not received for Oklahoma to exercise jurisdiction to modify, the interstate case is included only for determination of the judgment payment plan.

(d) **Initial transfer of cases.** When CSS initiates a multiple case action, CSS transfers cases as necessary to the office completing the multiple case action.

(e) **Initial notice.** CSS provides notice to the custodial persons and the NCP, explaining their case:

- (1) is involved in a multiple case action;
- (2) was temporarily transferred, as appropriate, to another office for the multiple case action; and
- (3) will be returned to its original office after completion of the multiple case action.

(f) **Child support computation preparation.** In multiple case actions, CSS prepares:

- (1) individual child support computation forms for each case, including medical support and child care costs for the family group; and
- (2) one combination child support computation form that treats the NCP's children as one family, allowing a child support amount based on a pro rata share. The combined child support computation form uses the NCP's income and an average of all the cases' biological parents' (BP) income and does not include medical support or child care costs.

(g) **Filing.** CSS files multiple case actions in OAH or district court and requests the court:

- (1) consider all of the NCP's cases at the same time;
- (2) deviate from the individual guidelines child support amount due to extreme economic hardship and to more equitably distribute the resources available, as supported by 43 O.S. § 118H and OAC 340:25-5-178;
- (3) order a pro rata child support amount calculated by averaging the BPs' incomes and dividing the NCP's total child support amount evenly among all children; and
- (4) add medical support and child care costs from the individual child support computation form to the pro rata child support amount.

(h) **Conclusion of multiple case action.** After a multiple case action is concluded, the multiple case processing office transfers each case back to the original office.

**340:25-5-133. Current child support follows the child when
physical custody changes**

(a) When the legal custodial person (CP) relinquishes physical custody of a child(ren) to another CP, Oklahoma Department of Human Services (OKDHS), Oklahoma Child Support Services (OCSS) redirects current child support payments to the new CP per Sections 109.5 of Title 43 and 237 of Title 56 of the Oklahoma Statutes.

(1) A CP who relinquishes physical custody of a child(ren) to another CP must notify OCSS of the change. The new CP must submit an application for child support services if an application is required per OAC 340:25-5-117.

(2) The person with physical custody on the first day of the month is entitled to the support obligation for that month.

(b) When the legal CP of a child(ren) dies and another CP, who is not the obligor, assumes custody of the child(ren), OCSS establishes a new support order with the new CP as the obligee.

(1) The new CP must submit an application for child support services when an application is required per OAC 340:25-5-117.

(2) OCSS redirects current child support payments to the new CP pending receipt of an application if required and establishment of the new support order. OCSS distributes any past support payments already collected prior to the CP's death per OAC 340:25-5-140.

(c) When a new CP assumes custody of a child(ren), OCSS directs past-due support payments per OAC 340:25-5-140.

340:25-5-134. Default orders

(a) **Legal basis.** The Oklahoma Department of Human Services, Child Support Services (CSS) requests default orders and processes requests for vacation or modification of default orders, per Sections 1031, 1031.1, 1038, and 2004 of Title 12 of the Oklahoma Statutes.

(b) **Service of process.** Before a default order is requested, CSS ensures all parties whose rights will be affected are served, in accordance with Section 2004 of Title 12 of the Oklahoma Statutes, unless there are statutorily recognized substitutes for service.

(c) **Entry of default orders.** CSS reviews service of the pleadings and files a proper return of service prior to requesting entry of a default.

(d) **Default order reviews.** When a default order is entered and either party contacts CSS in writing within 30-calendar days of entry of the default order, CSS treats the request as a motion to rehear, vacate, or modify. CSS takes necessary steps to bring the action before the court for resolution.

(e) **Default orders in parentage action.** When any party whose rights will be affected has been served and is non-cooperative in establishing parentage, CSS may request a default order of parentage, unless the non-defaulting party objects. When the non-defaulting party objects, CSS determines whether to set the case for hearing or dismiss without prejudice.

PART 17. PAST SUPPORT

340:25-5-140. Past support

(a) **Legal authority.** Oklahoma Human Services, Child Support Services (CSS) takes appropriate action to collect support and secure compliance with support orders.

(1) When a support order does not specify an effective date, a payment is due on the first day of the month following the child support order's entry and on the first day of each month thereafter except when another state's law governs the due date.

(2) Current monthly child support is due for the entire month when the effective date is later than the first of the month. CSS

does not pro rate the monthly amount based on the effective or ending date, unless the court orders otherwise.

(3) CSS determines past-due support and support for a prior period based on information in available records from courts, Title IV-D and other public and private agencies, the custodial persons (CPs), the noncustodial parents (NCPs), and others.

(4) CSS may require sworn written statements and supporting documents from CPs, NCPs, and others pertaining to support payments. The primary legal foundations for determination and collection of past-due support and support for a prior period are applicable provisions of:

(A) Part D of Subchapter IV of Chapter 7 of Title 42 of the United States Code;

(B) Section 1738B of Title 28 of the United States Code (28 U.S.C. § 1738B);

(C) Chapters 302 and 303 of Title 45 of the Code of Federal Regulations; and

(D) Sections 83 and 7700-636 of Title 10 of the Oklahoma Statutes (10 O.S. §§ 83 and 7700-636), Chapters 3 and 21 of Title 12, Title 43, and 56 O.S. §§ 231 through 240.23.

(b) **Definitions.** The following words and terms, when used in this Section shall have the following meanings unless the context clearly indicates otherwise:

(1) "**Abate**" means, per 43 O.S. Section 118I, an NCP does not owe the child support obligation when incarcerated for 180-consecutive days. Upon eligibility, child support is no longer owed effective the first day of the month following the entry date into the correctional facility or jail and does not accrue for the duration of the incarceration.

(2) "**Incarceration**" means, per 43 O.S. Section 118I, *an obligor is in custody on a fulltime basis in a local, state or federal correctional facility. Incarceration shall not include probation, parole, work release or any other detention alternative program that allows the obligor to be gainfully employed.*

(c) **Judgment payment.** Per 43 O.S. § 137, the monthly payment schedule on past support may not exceed three years unless specific findings of fact supporting the action are made. CSS considers a three-year payment schedule to be unjust, unreasonable, inequitable, or inappropriate when CSS has evidence that the NCP cannot comply with a three-year payment plan. CSS requests a monthly payment schedule that may exceed three years in accordance with the best evidence available, including the NCP's earning records, past job history, earning ability based on education and training, and mental or physical incapacities. CSS also considers an NCP's other child support obligations and total arrears. The payment plan applies to the judgment determined in the order and any subsequent judgments by operation of law unless the payment plan has been modified by administrative or district court action.

(d) **Enforcement.**

(1) CSS takes action to enforce past-due support and support for a prior period, per Oklahoma Administrative Code (OAC) 340:25-5,

Part 23.

(2) CSS collects amounts from the original child support order date, including any judgments for support for a prior period, and does not limit collection of past-due child support to amounts accruing from the time a case is opened or reopened.

(3) When CSS receives a new case with an existing order, or when a previously closed case reopens and has an existing order, CSS does not calculate a past-due support balance, or take action to enforce past-due support, until 30-calendar days from the mailing date of the notice of case letter and affidavit of payments document to the NCP. This does not preclude initiating an income assignment to collect current support.

(4) Past-due child support remains due to the CP with whom a child resided during the month the past support was due.

(5) When CSS takes action to enforce past-due support and support for a prior period for a Servicemember's child, CSS applies the provisions of the Servicemembers Civil Relief Act, codified in 50 U.S.C. §§ 3901 through 4043.

(e) Settlement of past support.

(1) Settlements of past support may include:

- (A) an NCP's lump sum partial payment or a series of payments made toward the total amount of past support;
- (B) an agreement for the NCP to pay a specified number of current child support payments in the future; or
- (C) acceptance of in-kind goods or services in exchange for waiving a certain amount of past child support.

(2) Settlements of past support must be memorialized in a court order and the CP must sign the court order when the past support is owed to the CP.

(3) Per 43 O.S. § 112, CSS:

- (A) acknowledges the rights of the CP and NCP to mutually agree to waive with approval of the court, all or a portion of the past child support due to the CP; or
- (B) may negotiate the right to collect all or part of past support owed to Oklahoma.

(f) Annual notice. CSS uses the annual notice to the NCP parent, per 56 O.S. § 237A to confirm the amount of past-due support and remaining balances on previously confirmed judgments. Past-due support and remaining balances on judgments for support for a prior period may also be confirmed during other enforcement actions, per OAC 340:25-5, Part 23.

(g) Death of CP.

(1) When the CP dies, CSS issues child support payments for past due support to:

- (A) the decedent's estate, when the estate's administrator notifies CSS in writing; or
- (B) any state owed past due support, per OAC 340:25-5-351.

(2) Except as provided in (1) of this subsection, CSS refunds payments to the:

- (A) payor, when the payor's address is known; or

(B) NCP when the payor's address is unknown, or payments are returned due to the inability to distribute.

(3) CSS does not file a forced probate court action to determine heirs and distribute past support to heirs.

(h) **Jurisdiction.** When an Oklahoma tribunal has personal and subject matter jurisdiction and can obtain service of process on the NCP, CSS uses the annual notice, notice of support debt, contempt, or other appropriate proceedings to determine past support and interest before requesting another state's tribunal to enforce the child support orders.

(i) **Incarcerated NCP.** Per 43 O.S. § 118I, beginning November 1, 2021, there is a rebuttable presumption that an NCP who is incarcerated for a period of 180-consecutive days is unable to pay child support. When a payment is made during incarceration, the presumed ability to pay child support may be rebutted for that payment period. CSS makes a final determination whether the order is abated. 2021, there is a rebuttable presumption that an NCP who is incarcerated for a period of 180-consecutive days is unable to pay child support. When a payment is made during incarceration, the presumed ability to pay child support may be rebutted for that payment period. CSS makes a final determination whether the order is abated.

340:25-5-140.1. Interest

(a) **Legal authority.** Oklahoma Human Services Child Support Services (CSS) collects and enforces interest on past-due Oklahoma court-ordered child support payments, per Section 114 of Title 43 of the Oklahoma Statutes (43 O.S. § 114).

(b) **Support for a prior period.** CSS collects interest on support for a prior period, per Oklahoma Administrative Code (OAC) 340:25-5-179.1, and is calculated at a rate, per 43 O.S. § 114.

(c) **Accrual date.**

(1) Interest accrues on any unpaid portion of the monthly current child support obligation on the first day of the month following the:

(A) due date specified in the court order; or

(B) entry date of the child support order when a support order does not specify a due date.

(2) Interest accrues on a lump sum judgment for support for a prior period, accrued child care costs, or accrued fixed medical, from the first day of the month after the judgment is entered, per 43 O.S. § 114.

(d) **Grace period and accrual.** CSS has a grace period when interest is not charged. Interest begins to accrue from the first day of the month following the date the arrears are in excess of one month's current support.

(e) **Interest on cash medical support.** CSS does not calculate or collect interest on unpaid cash medical support.

(f) **Servicemember relief.**

(1) Upon a servicemember's written request, an interest rate cap of six percent applies to child support arrearages of members of the military service incurred prior to the start of military service, per Section 3937 of Title 50 of the United States Code.

(2) The servicemember must provide a written request for reduced interest and a copy of the military orders calling the servicemember to service and any orders further extending military service to CSS no later than 180-calendar days after the date of the servicemember's termination or release from military service.

(3) Upon receipt of these documents, CSS applies the six percent interest rate to child support arrearages existing as of the date when the servicemember is called to military service and throughout the active military service.

(4) CSS may initiate a court action to challenge the claim that the servicemember's military duty materially affected his ability to pay an interest rate over six percent.

(g) **Interest rate.**

(1) CSS calculates simple interest, per 43 O.S. § 114.

(2) For orders established in other states, the law of the state entering the order determines the amount and rate of interest due until a determination of controlling order is made.

(3) For orders established in Oklahoma, Oklahoma law determines the amount and rate of interest due.

(4) When there are multiple child support orders and Oklahoma is determining the controlling order, CSS determines the rate of interest charged, per 43 O.S. § 601-604.

(h) **Order silent as to interest.** When an order that settles or determines a past-due child support amount is silent as to interest, the party with the right to collect has not waived the interest.

(i) **Enforcement.** Accrued interest is considered child support. Interest is included in enforcement remedies.

(j) **Incoming interstate cases.** In the absence of an Oklahoma order, CSS collects interest on incoming interstate cases when an initiating state calculates the interest owed and requests that CSS collect it.

(k) **Outgoing interstate cases.** Before requesting a responding state to enforce a child support order(s) entered in a state other than the responding state, CSS calculates the arrears including the accrued interest claimed.

(l) **Application of payments to interest.** CSS applies payments to interest, per OAC 340:25-5-351.

(m) **Waiver of interest.** CSS acknowledges the rights of the custodial person (CP) and noncustodial parent (NCP) to mutually waive, with approval of the court, all or a portion of the interest due to the CP.

(1) CSS may negotiate the right to collect all or part of the interest owed to Oklahoma.

(2) Settlements of interest must be memorialized in a court order and may include:

(A) an NCP's lump sum partial payment or a series of payments; or

(B) an agreement for the NCP to pay:

(i) a specified number of current child support payments in the future; or

(ii) non-cash support.

(n) **Reopening closed cases.** CSS does not reopen closed child support cases at the request of a customer for the purpose of collecting interest.

(o) **Interest on spousal support.** CSS does not calculate or collect interest on spousal support.

PART 19. LOCATE SERVICES

340:25-5-155. Locate services

(a) **Scope of Services.** Oklahoma Department of Human Services (DHS) Child Support Services (CSS) follows the provisions of Sections 653, 654, 654a, 663, and 666 of Title 42 of the United States Code (42 U.S.C. §§ 653, 654, 654a, 663, and 666) and Sections 302.35, 303.3, 303.7, and 303.15 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.35, 303.3, 303.7, and 303.15) in locating parents and their assets for the purposes of:

- (1) establishing paternity;
- (2) establishing, setting the amount of, modifying, or enforcing child support obligations;
- (3) making or enforcing a child custody determination; or
- (4) assisting in cases of parental kidnapping.

(b) **Locate only services.** When authorized persons apply for locate only services, Form 03EN007E, Locate Only Rights and Responsibilities, must be completed and submitted with an application for child support services.

(c) **Most Wanted Missing Parent program (MWMP).**

- (1) Per Section 240.24 of Title 56 of the Oklahoma Statutes, CSS maintains publicly accessible lists of Oklahoma's CSS most wanted and missing parents to find parents, who:
 - (A) are in arrears in court-ordered child support obligations;
 - (B) are sought for the purpose of establishing a child support order; or

- (C) have a valid child support arrest warrant issued at the time of the MWMP listing.
- (2) At CSS's discretion the list may include the names of parents who were referred for inclusion according to CSS established criteria.

PART 20. MEDICAL SUPPORT

340:25-5-168. Establishment of medical support

(a) **Scope and applicability.** Oklahoma Human Services (OKDHS) Child Support Services (CSS) refers to federal and state law for establishment of a medical support order, per:

(1) Section 666 of Title 42 of the United States Code (42 U.S.C. § 666) and 25 U.S.C. § 1603(12);

(2) Sections 302.33, 302.56, 303.7, 303.30, and 303.31 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.33, 302.56, 303.7, 303.30 & 303.31); and 42 C.F.R. § 433.152; and

(3) Section 6058A of Title 36 of the Oklahoma Statutes (36 O.S. § 6058A), and 43 O.S. §§ 112, 118-118I, 118.2 and 119, and 56 O.S. § 237.

(b) **Medical support provision of child support order.** A child support order CSS requests the court to establish must contain a medical support provision.

(c) **Calculating the cost of medical support.** To calculate the actual premium cost of health insurance, CSS:

(1) deducts from the total insurance premium, the cost of coverage for the parent;

(2) deducts from the total insurance premium, the cost of coverage for any other adults in the household, when that cost information is available;

(3) divides the remainder by the number of dependent children covered; and

(4) multiplies the amount per child by the number of children in the child support case under consideration.

(d) **Standards for medical support provision.** When choosing a medical support provision, CSS requests the court to apply the standards in (1) through (3) of this subsection.

(1) Health insurance must be reasonable in cost, meaning that the pro rata share of the actual out-of-pocket premium cost paid for the child(ren) by the insured does not exceed five percent of the gross income of the parent ordered to provide health insurance.

(2) Health insurance must be accessible, meaning the health care providers must be available to meet the child(ren)'s individual health care needs, and must be located no more than 60 miles one-way from the primary residence of the child(ren).

(3) Health insurance must provide coverage for both routine and major medical expenses including, but not limited to: preventive care, office visits, hospitalization, and medication coverage in compliance with the Oklahoma Insurance Department, per Oklahoma Administrative Code (OAC) 365:10-5-3(14) and OAC 365:10-5-5(f). Limited Insurance Coverage, per OAC 365:10-5-5(k) does not satisfy this requirement. Annual deductibles must be reasonable and relate to the medical circumstances of the child(ren).

(e) **Exceptions to standards for medical support provision.** When the parents agree or it is otherwise appropriate, CSS requests the court make an exception to the standards for health coverage when the:

(1) reasonable cost of health insurance exceeds five percent of the gross income of the parent ordered to provide health insurance; or

(2) closest insurance provider exceeds 60 miles one-way from the primary residence of the child(ren).

(f) **Selection of health care coverage.** CSS requests the court consider the cost, quality, and accessibility of health care coverage available to the parties when entering a medical support order.

(g) **Health coverage preference.** When health coverage meeting standards in (d) of this Section is available to both parents, CSS requests the court give priority to the preference of the custodial person (CP).

(h) **Applicability of cash medical support.** CSS requests a cash medical order by the obligor, when:

(1) the court determines an order for health insurance is inappropriate due to family violence concerns;

(2) the only health care plan available for the child is a governmental medical assistance program or health plan, such as SoonerCare (Medicaid); or

(3) there is no health care plan available for the child(ren).

(i) **Cash medical support.**

(1) When cash medical support is applicable, CSS requests the court order the obligor to pay cash medical support , until the obligor enrolls the child(ren) in accessible insurance coverage and provides proof of enrollment to CSS and the CP.

(2) CSS refers to the Cash Medical Income Guidelines Table as found in the child support computation form prescribed by CSS and published by the Administrative Office of the Courts on the Oklahoma State Courts Network site, per 43 O.S. § 120 to determine the cash medical support amount.

(3) CSS computes a cash medical order by applying the Cash Medical Income Guidelines Table, using the gross income for the noncustodial (NCP) of the child in the case under consideration and the number of children in the instant case.

(A) When the NCP's gross income is at or below the income amount for the number of children in the case, CSS requests the court order a cash medical order at \$0 per month.

(B) When the NCP's gross income exceeds the income amount for the number of children in the case, CSS computes the requested cash medical order by:

(i) multiplying the amount of \$115, representing the average monthly cost of health care for an uninsured child(ren), by the number of children in the case not covered by insurance; and

(ii) prorating the result by the percentage of income for each parent.

(C) The NCP's share of the cash medical amount is added to the child support obligation.

(D) CSS does not request the court set cash medical support against a parent who has at least 182 overnights.

(4) Unless the parties agree or the court orders a greater amount, the prorated cash medical support amount must not exceed five percent of the gross income of the parent who is ordered to pay cash medical support.

(5) CSS seeks cash medical support only as part of a prospective order for child support. CSS does not include a cash medical support amount in a judgment for support for a prior period, per OAC 340:25-5-179.1.

(6) In a child support modification action, CSS requests a cash medical support order be effective the first day of the month following the entry of the order.

(7) In a multiple case action, when the monthly child support amount in the combination child support computation form exceeds 20 percent of the NCP's gross income, CSS may request a deviation to set cash medical support at \$0 per month in the individual computation forms as applicable.

(j) Medical support for OKDHS adopted children. CSS does not request health insurance or cash medical support for children who are adopted through OKDHS Adoption Services. CSS requests a medical support order reflecting that the child(ren) receive SoonerCare (Medicaid) through the adoption plan. The parties may agree to cover

the child(ren) on health insurance.

(k) Termination of cash medical support.

(1) When CSS receives notice the parent ordered to pay cash medical support enrolled the child(ren) in health insurance, CSS sends a Notice of Proposed Termination of Cash Medical Support to all parties in the case by regular mail. When a party believes the child(ren) is not covered by accessible health insurance, a party may request a review of the termination of cash medical support within 10-calendar days from the date of mailing of the notice.

(2) When a party requests a review to contest the Notice of Proposed Termination of Cash Medical Support, CSS reviews the case within 10-calendar days of receipt of the request and determines if termination of cash medical support is proper based on information the contesting party provides. CSS notifies the parties of the review decision.

(3) When the parties disagree with the review decision, the parties have 15-calendar days from the date of mailing the review decision to request a hearing on the termination of cash medical support.

(4) CSS files a Notice of Termination of Cash Medical Support with the proper court when no party requests a:

(A) review within the 10-calendar day time period; or

(B) hearing after CSS notifies them of the review decision.

(5) CSS does not proceed with a separate termination of cash medical support when the child support and medical support order is modified within 30-calendar days of notification that the child(ren) is enrolled in health insurance.

(6) When a cash medical support order is terminated within a modification action, CSS requests the termination become effective the date of filing of the Motion to Modify or the date, if later when the child was actually enrolled in the insurance.

(l) Reinstatement of cash medical support.

(1) CSS seeks reinstatement of the cash medical order when:

(A) a child support court order previously ordered the NCP to pay cash medical support until insurance was available;

(B) insurance became available;

(C) the cash medical support was terminated; and

(D) the insurance subsequently lapsed.

(2) CSS uses one of the processes listed in (A) or (B) of this paragraph to seek reinstatement of the cash medical order.

(A) **Modification.** CSS seeks modification of the child support order and reinstatement of cash medical support, per OAC 340:25-5-198.1 and OAC 340:25-5-198.2 when:

(i) the child support order that provided for cash medical support was modified to include credit for insurance premium costs; or

(ii) there is another material change of circumstance in addition to the lapse of health coverage.

(B) **Expedited Process.** When (A) of this paragraph does not apply, CSS uses an expedited process to reinstate the cash medical support. CSS uses the expedited process when there is an address of record for the obligor.

(3) CSS initiates a reinstatement of cash medical support when it receives notice the parent whose cash medical support was terminated due to the enrollment of the child(ren) in health insurance has allowed the coverage to lapse. CSS sends a Notice of Proposed Reinstatement of Cash Medical Support to all parties in the case by regular mail. When a party believes the child(ren) is covered by health insurance, a party may request a review of the reinstatement within 10-calendar days of the date the notice was mailed.

(4) A party may file a written objection to the reinstatement of cash medical support and submit it to CSS with supporting health care coverage documentation. CSS reviews the case within 10-calendar days of receipt of the objection and determines if reinstatement of cash medical support is proper based on the information the contesting party provides. CSS provides the CP and the NCP with written notice of the review decision.

(5) When the parties disagree with the review decision, they have 15-calendar days from the date of the review decision to request a hearing.

(6) CSS files a Notice of Reinstatement of Cash Medical Support with the proper court when no party requests a:

(A) review within the 10-calendar day time period; or

(B) hearing after CSS notifies them of the review decision.

(m) **Fixed medical costs.** When the parties agree or the court orders, CSS includes the total monthly fixed medical costs in the child support guidelines computation. When the obligor's share of fixed medical costs exceeds five percent of the obligor's gross income and the parties do not agree to exceed the five percent standard, CSS requests the court determine the monthly amount of fixed medical costs included in the current child support order.

(n) **Indian Health Services (IHS).**

(1) When a child support order that provides for the enrollment of a child(ren) in IHS does not meet the standards in (d) of this Section, CSS seeks an order for either or both parents to secure another type of health care coverage besides IHS for the minor child(ren)

(2) CSS does not request cash medical support when a child(ren) is receiving IHS.

(o) **Notification requirements.** The NCP and the CP must notify CSS in writing within 30-calendar days after:

(1) health insurance becomes available;

(2) the cost of existing health insurance changes; or

(3) other provisions of existing health insurance change.

(p) **Modification request.** When a child support order exists, CSS considers a request to establish a medical support order as a request for modification of the order, per 43 O.S. § 118.1. CSS seeks a medical support order in a tribunal that has jurisdiction to modify the child

support order.

340:25-5-169. Medical enforcement only cases

(a) **Legal authority.** Oklahoma Human Services Child Support Services (CSS) follows Sections 302.33, 302.56, 303.30, and 303.31 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.33, 302.56, 303.30, and 303.31); Section 6058A of Title 36 of the Oklahoma Statutes (36 O.S. § 6058A); 43 O.S. §§ 112, 118F, 118.2, and 119; and 56 O.S. § 237.

(b) **Medical enforcement only (MEO) status.** When a person receiving non-Temporary Assistance for Needy Families (TANF) SoonerCare (Medicaid) notifies CSS that only Title IV-D services related to securing medical support are requested, CSS updates the case as an MEO case and does not provide full child support services per Oklahoma Administrative Code (OAC) 340:25-1-1.2.

(c) **Services provided on MEO cases.**

(1) CSS establishes paternity, when necessary, and a child support order. The child support order must include a provision for:

(A) current child support per OAC 340:25-5-178;

(B) support for a prior period per OAC 340:25-5-179.1, when appropriate; and

(C) medical support per OAC 340:25-5-168.

(2) CSS conducts a review of the order per OAC 340:25-5-198.1 and seeks a modified order including a provision for medical support when:

(A) the existing child support order does not include a medical support provision;

(B) insurance is not available for the child(ren); or

(C) a parent or custodial person (CP) claims the available health insurance is not accessible or reasonable in cost.

(d) **Exception to MEO status.** CSS opens a full-service case on all the CP's child support cases when CSS receives a non-TANF SoonerCare (Medicaid) referral per OAC 340:25-5-117 from the Oklahoma Health Care Authority and:

(1) assigned court-ordered child support is owed per OAC 340:25-5-117;

(2) the child(ren) is in a deprived or delinquent juvenile court action; or

(3) assigned cash medical support is owed per OAC 340:25-5-117.

(e) **Enforcement of MEO cases.** When a person receiving non-TANF Medicaid requests MEO services, CSS enforces only the health insurance portion of the child support order through the use of the National Medical Support Notice per OAC 340:25-5-171. CSS does not enforce the payment of child support or fixed medical support through the Order/Notice to Withhold Income for Child Support or any other

enforcement remedy in an MEO case.

340:25-5-171. Enforcement of a medical support order

(a) When a parent has been ordered to provide health insurance for the child(ren) and has failed to voluntarily enroll the child(ren), Oklahoma Child Support Services (OCSS), uses the National Medical Support Notice (NMSN) to aid in enrolling the child(ren) in the group health plans for which a parent is eligible. OCSS sends the NMSN to the parent's employer as required by Section 666 of Title 42 of the United States Code, Section 609 of the Employee Retirement Income Security Act of 1974, Section 303.32 of Title 45 of the Code of Federal Regulations, and Section 6058A of Title 36 and Section 118.2 of Title 43 of the Oklahoma Statutes.

(b) In addition to issuing a NMSN, when a parent is ordered to provide medical support for the minor child(ren) and is not complying with the order, OCSS may either:

(1) enforce the medical support order by a license revocation action under Section 139.1 of Title 43 of the Oklahoma Statutes, or by an indirect contempt of court action under Section 566.1 of Title 21 of the Oklahoma Statutes; or

(2) seek a modification of the order under OAC 340:25-5-198.2.

(c) When a child is eligible for enrollment in the United States Department of Defense's managed health care program, TRICARE, (a) of this Section does not apply. OCSS notifies the custodial person to contact the Defense Manpower Data Center Support Office at 1-800-538-9552 to enroll the child, using the Defense Enrollment Eligibility Reporting System registration process.

(d) If the employer response to the NMSN indicates that enrollment cannot be completed because the cost of coverage exceeds the limits of earnings subject to income assignment under Section 1171.2 of Title 12 of the Oklahoma Statutes, OCSS applies OAC 340:25-5-168 to determine if other coverage is available at reasonable cost or if a cash medical order is appropriate. OCSS conducts a review of the order under OAC 340:25-5-198.1 and seeks a modified order if the review indicates that modification would result in an enforceable medical support order or that the child support order should be adjusted.

(e) OCSS issues a non-compliance letter to the employer when the employer:

(1) has not returned the NMSN within 20 business days after the date of the NMSN notifying OCSS that:

- (A) the employer does not offer group dependent health coverage;
- (B) the employee is among a class of employees that is not eligible for family coverage under the employer's plans;
- (C) the employee is not employed by the employer; or
- (D) state or federal withholding limitations or prioritization of withholding prevent the required employee contribution to obtain coverage;

(2) has not forwarded the NMSN to the insurer within 20 business days after the date of the NMSN; or

(3) is the insurer and has not returned the NMSN within 20 business days after the date of the NMSN indicating that either the child(ren) has been enrolled in the plan and the effective date of coverage or there is more than one option available and one must be selected.

(f) OCSS issues a non-compliance letter to the insurer when the insurer has not returned the NMSN within 40 business days after the date of the NMSN indicating that either the child(ren) has been enrolled in the plan and the effective date of coverage or there is more than one option available and one must be selected.

(g) OCSS may initiate legal proceedings to request the court fine employers and insurers when there is no response indicating full compliance with the requirements of the NMSN within 10 business days after the date of the non-compliance letter. Fines may be imposed by the court for up to \$200 a month per child for each failure to comply with the requirements of the NMSN under Section 6058A of Title 36 and Section 118.2 of Title 43 of the Oklahoma Statutes.

(h) If the employer or insurer complies with the requirements of the NMSN, OCSS may dismiss the case against the employer or insurer.

(i) Employers and insurers must send any fine(s) imposed by the court, under Section 235 of Title 56 of the Oklahoma Statutes, by check or money order to OCSS, Attention: Finance, P.O. Box 248822, Oklahoma City, Oklahoma 73124-8822.

(j) When a parent has been ordered to provide health insurance for the child(ren) and the other parent or custodial person has failed or refused to provide information necessary to enroll the child(ren) in the health insurance plan, OCSS:

(1) releases the information as appropriate per OAC 340:25-5-67 when family violence is not an issue;

(2) determines noncooperation and begins the case closure process per OAC 340:25-5-114, 340:25-5-118, and 340:25-5-123 when the parent refusing to provide the information is the applicant for services;

(3) obtains the necessary information from the parent by a license revocation action per Section 139.1 of Title 43 of the Oklahoma Statutes, or by an indirect contempt of court action per Section 566.1 of Title 21 of the Oklahoma Statutes; or

(4) seeks a modification of the order per OAC 340:25-5-198.2.

340:25-5-176. Establishment of parentage

(a) **Legal authorities.** Oklahoma Department of Human Services Child Support Services (CSS) establishes parentage and provides genetic testing when appropriate based on the facts of the case, per:

- (1) Sections 653, 654, and 666 of Title 42 of the United States Code (42 U.S.C. §§ 653, 654, & 666);
- (2) Parts 302 and 303 of Title 45 of the Code of Federal Regulations; and
- (3) Sections 83, 90.4, and 7700-101 - 7700-902 of Title 10 of the Oklahoma Statutes (10 O.S. §§ 83, 90.4, and 7700-101 - 7700-902), 43 O.S. §§ 601-201, 601-401, & 601-701, 56 O.S. §§ 230.60, 231 - 240.23, and 63 O.S. §§ 1-311 and 1-321.

(b) **Legal parents.** CSS applies the presumptions in 10 O.S. § 7700-204(A)(1) through (4) to an individual when the individual and the woman who gave birth to the child are married. CSS applies the presumption in 10 O.S. § 7700-204(A)(5) to an individual regardless of gender. CSS requests the court confirm parentage in cases where the individual is a presumed parent.

(c) **Acknowledgment of Paternity.** Form 03PA209E, Acknowledgment of Paternity, can only be completed by the biological mother and biological father of the child, per 10 O.S. § 7700-301. CSS provides Form 03PA209E for voluntary acknowledgment of paternity, per 10 O.S. § 7700-312 and 63 O.S. §§ 1-311 and 1-311.3. CSS also provides companion forms that include instructions for completion, described (1) through (4) of this subsection. Signed and witnessed forms must be filed with the Oklahoma State Department of Health (OSDH), Division of Vital Records.

(1) When parents of an adult child, 18 years of age and older, complete Form 03PA209E, the adult child must give consent to add the natural father's name to the birth certificate. The child indicates consent by signing Form 03PA212E, Adult Child's (18 Years or Older) Consent.

(2) Form 03PA210E, Denial of Parentage, must accompany Form 03PA209E when the mother of a child is married to someone other than the natural father and the child is born within 300-calendar days after the marriage is terminated, per 10 O.S. § 7700-204.

(3) CSS provides Form 03PA211E, Rescission of Acknowledgment of Paternity, to rescind the legal finding of parentage created by having previously signed Form 03PA209E, per 10 O.S. §§ 7700-307 and 7700-312. This form must be completed, signed, and filed with the OSDH Division of Vital Records within 60-calendar days after the date of the last signature on Form 03PA209E.

(A) When a person submits Form 03PA211E within 60-calendar days after the date of the last signature on Form 03PA209E, CSS sends notice of the rescission to all other signatories on Forms 03PA209E and 03PA210E. Notice is given by mailing a copy of the rescission to the address of the signatories as shown on Forms 03PA209E and 03PA210E and to the last-known address of the signatories, if different.

(B) When rescissions are submitted to CSS past the 60-calendar day time period, CSS sends a letter to the person who submitted Form 03PA211E informing him or her that the rescission is invalid because it was not timely submitted.

(4) CSS provides Form 03PA213E, Rescission of Denial of Parentage, to rescind the legal finding of parentage created by having previously signed Form 03PA210E, per 10 O.S. §§ 7700-307 and 7700-312. Form 03PA213E must be completed, signed, and filed with the OSDH Division of Vital Records within 60-calendar days after the date of the last signature on Forms 03PA209E and 03PA210E.

(A) When a person submits Form 03PA213E to CSS within 60-calendar days after the date of the last signatures on Forms 03PA209E and 03PA210E, CSS sends notice to all other signatories of Forms 03PA209E and 03PA210E. Notice is given by mailing a copy of Form 03PA213E, to the address of the signatories as shown on Forms 03PA209E and 03PA210E and to the last known addresses of the signatories, if different.

(B) When Form 03PA213E is submitted to CSS past the 60-calendar day time period, CSS sends a letter to the person who submitted Form 03PA213E informing him or her that the rescission of denial of parentage is invalid because it was not timely submitted.

(d) **Servicemembers.** When CSS establishes parentage and either parent is a servicemember, CSS applies the provisions of the Servicemembers Civil Relief Act, codified in 50 U.S.C. §§ 3901 through 4043.

(e) **Genetic testing of relatives.** When CSS has the cooperation of a deceased alleged biological father's relatives, CSS establishes parentage of the child(ren) through genetic testing of the relatives as necessary according to the standards and provisions of the Uniform Parentage Act, 10 O. S. §§ 7700-501-7700-511.

(f) **Supplemental Security Income (SSI).** CSS establishes parentage against a parent who is disabled and receiving monthly SSI before reviewing the case for possible closure, per Oklahoma Administrative

Code (OAC) 340:25-5-123.

(g) **Defaults.**

(1) CSS pursues all alleged **biological** fathers before requesting the court enter a default parentage order.

(A) CSS requests a default order when genetic testing shows one alleged father is the biological father or all other alleged fathers are excluded by genetic testing. CSS uses other legal processes to compel genetic testing, such as license revocation or contempt of court proceedings.

(B) CSS requests the court determine parentage when unable to obtain genetic testing on two or more alleged biological fathers.

(2) CSS does not request a default parentage order when the alleged biological father is the case applicant and the CP objects to the alleged biological father being found the father without genetic testing. When a default parentage order is entered and either party contacts CSS in writing within 30-calendar days of entry of the default order, CSS treats the request as a motion to rehear, vacate, or modify, per 12 O.S. § 1031.1. CSS takes necessary steps to bring the action before the court for resolution.

(3) When requesting a default parentage order CSS follows OAC 340:25-5-134.

(h) **Genetic testing costs.** Costs incurred in parentage establishment cases are paid per (1) through (4) of this subsection.

(1) CSS advances the costs for genetic testing and recovers the genetic test costs from the noncustodial parent or as ordered by the court.

(2) When CSS genetic test results are contested, CSS requests payment in advance of a second genetic test by the requesting party.

(3) When a court orders CSS to provide genetic testing and CSS does not have a case open for services, CSS requires a party to complete an application for services.

(4) In interstate cases, CSS follows OAC 340:25-5-270.

(i) **Genetic testing services.**

(1) When parentage is not established, CSS performs genetic testing when appropriate before establishing parentage and child support orders. CSS only performs genetic testing in open, full-service cases.

(2) The case applicant may apply for case closure, per OAC 340:25-5-123 after parentage and child support are established.

(3) CSS does not provide genetic testing only services.

340:25-5-176.1. Challenges to establishment of parentage

(a) Oklahoma Department of Human Services Child Support Services (CSS) objects to a parentage challenge proceeding, when:

- (1) a party challenges an acknowledgment of paternity (AOP) outside of the rescission time periods per Section 7700-307 of Title 10 of the Oklahoma Statutes (10 O.S. § 7700-307), unless the challenge is filed within the two-year time limit for challenges per 10 O.S. § 7700-308. When a party challenges an AOP within the statutory time limit, the state's attorney reviews the facts of the case to determine whether an objection is appropriate under the circumstances. CSS may object to the proceedings and request the court require the challenging party to prove fraud, duress, or material mistake of fact by clear and convincing evidence;
- (2) the child has a presumed parent and a party initiates a challenge more than two years after the child's birth, unless the parties meet the jurisdictional requirements per 10 O.S. § 7700-607(B) or 7700-607(C); or
- (3) parentage was established by a district or administrative court order per 10 O.S. § 7700-636 and the challenging party is filing outside the 30-calendar day time period to vacate a judgment per 12 O.S. § 1031.1(A).

(b) CSS does not object to a parentage challenge proceeding when the:

- (1) time requirement to rescind an acknowledgment of paternity has not passed;
- (2) parties neither cohabited nor engaged in sexual intercourse and the spouse never held out the child as his or her own, per 10 O.S. § 7700-607(B); or
- (3) mother, legal parent, and biological father agree to adjudicate parentage, per 10 O.S. § 7700-607(C).

(c) When a parentage challenge proceeding is brought by a child per 10 O.S. § 7700-637, the state's attorney reviews the facts of the case and determines whether an objection is appropriate under the circumstances.

(d) When one or both parties timely objects, orally or in writing, to the entry of an order for a child with a presumed parent or alleged father, CSS takes necessary steps to bring the parentage challenge before the appropriate court for resolution.

(e) CSS may initiate a parentage challenge when appropriate.

(f) In any parentage proceeding, CSS requests the court comply with the applicable provisions of the Uniform Parentage Act, including:

- (1) the appointment of a guardian ad litem, when appropriate, per 10 O.S. § 7700-608(C);
- (2) a best interest of the child hearing, per 10 O.S. § 7700-608(A) and (B); and
- (3) genetic testing under 10 O.S. §§ 7700-631 and 621.

340:25-5-178. Calculating new and modified child support obligations

(a) **Legal authority.** Oklahoma Human Services Child Support Services (CSS) establishes current child support, per:

- (1) Sections 654, 656, and 666 of Title 42 of the United States Code (42 U.S.C. §§ 654, 656, and 666);
- (2) Parts 302 and 303 of Title 45 of the Code of Federal Regulations; and
- (3) Section 83 of Title 10 of the Oklahoma Statutes (10 O.S. § 83); Title 43; and 56 O.S. §§ 231 through 240.23.

(b) **Child support guidelines.** CSS uses the child support guidelines in 43 O.S. §§ 118-118I and 119 to:

- (1) establish current child support amount; and
- (2) prepare a child support computation form CSS prescribes and the Administrative Office of the Courts publishes on the Oklahoma State Courts Network website, per 43 O.S. § 120.

(c) **Child support computation.** CSS uses the best evidence available to determine a parent's monthly gross income for the child support computation form, including written earning records, past job history, and earning ability based on education and training, with a continued emphasis on setting fair and equitable child support orders, per 43 O.S. §§ 118-118I. When requesting the court enter or modify child support orders in a noncustodial parent's (NCP) multiple cases, CSS may request the court deviate from the child support guidelines amounts, per 43 O.S. § 118H.

(d) **Gross income.** When determining gross income for the child support computation, CSS follows 43 O.S. § 118B.

(e) **Child care.** To establish the current child support amount, CSS considers "actual" child care expenses to be the amount the parent(s) or custodial person (CP) pays to the child care provider. CSS considers a child care subsidy recipient's copay to be the actual child care expenses. CSS determines prospective annual child care costs and allocates this amount between the parents in the same proportion as their adjusted gross income. The amount allocated to the NCP becomes part of the fixed monthly child support obligation.

(f) **Juvenile Court cases.**

(1) **Deprived cases.** When a case is referred, CSS establishes child support orders in deprived court actions, per 10A O.S. § 1-4-702, and prepares the child support order on the standard child support order form CSS prescribes and the Administrative Office of the Courts publishes on the Oklahoma State Courts Network website.

(2) **Delinquent cases.** When a case is referred, CSS establishes a child support order against each parent of a child in the custody

of the Oklahoma Office of Juvenile Affairs, per 43 O.S. §§ 118 through 118I.

(g) **Intergovernmental majority age.** CSS establishes child support orders for a child(ren) for whom child support is impossible under applicable law.

(h) **Minor parents.** When a parent is a minor, CSS establishes paternity, per Oklahoma Administrative Code 340:25-5-176, when necessary, and establishes a child support order.

(1) When a minor NCP or a CP is younger than 16 years of age, CSS does not impute gross income for the minor parent in the child support computation and only uses actual income.

(2) When a minor NCP or CP is between 16 and 18 years of age and regularly and continuously attending high school, unless otherwise inappropriate, CSS uses either the minor parent(s) imputed gross income based on minimum wage at 20 hours per week or actual income.

(i) **Adult disabled child.** CSS enforces child support orders for adults with disabilities, per 43 O.S. § 112.1A. CSS establishes or modifies child support orders to continue after the child reaches the age of majority, per 43 O.S. § 112.1A, when the application or referral for Title IV-D services is received during the period when child support is due, per 43 O.S. § 112.

(j) **Incarcerated NCP.**

(1) Per 43 O.S. §§ 118B and 118I, when an NCP is incarcerated for more than 180 consecutive days, CSS requests the court enter a child support and medical support order using actual income of \$0, unless:

(A) there is evidence of income or assets independent of incarceration;

(B) incarceration is a result of indirect contempt of court for failure to pay child support;

(C) incarceration is a result of a crime of omission to provide child support; or

(D) the incarceration is a result of an offense in which the CP dependent child or the CP was a victim.

(2) When an NCP is released from incarceration, and:

(A) an existing child support order is abated, the monthly child support obligation reverts back to the pre-incarceration order amount beginning the first day of the month following a lapse of 90-calendar days upon release from incarceration, per 43 O.S. §§ 118B and 118I; or

(B) there is no existing child support order, CSS requests the court order state that upon release from incarceration, the monthly child support amount is set based on 43 O.S. §§ 118B and 118I.

(k) **Military.** When CSS establishes a child support order for a Servicemember's child, CSS applies the provisions of the Servicemembers Civil Relief Act, codified in 50 U.S.C. §§ 3901 through 4043.

(l) **Disability benefits.** CSS does not impute gross income to a person the Social Security Administration determines disabled.

(m) **Default orders.** When a default order for child support is ordered and either party contacts CSS in writing within 30-calendar days of the entry of the default order and provides information to calculate an accurate child support obligation, CSS treats the request as a motion to vacate or modify, and requests the court enter a new order consistent with the evidence presented.

340:25-5-179.1. Establishment of support for a prior period

(a) In parentage cases, Oklahoma Human Services Child Support Services (CSS) establishes current support and support for a prior period per Sections 83 and 7700-636 of Title 10 of the Oklahoma Statutes (10 O.S. §§ 83 and 7700-636), 43 O.S. §§ 118-118I and 119, and 56 O.S. §238.6B. CSS seeks a zero dollar support amount for prior periods the noncustodial parent (NCP) resided with the custodial person and provided support for the child. When establishing support for a prior period CSS goes back to the lesser of:

- (1) two years prior to the filing of the petition; or
- (2) the birth month of the child.

(b) When a child support order is entered against a minor NCP, CSS establishes support for a prior period under the criteria for establishing current child support, per Oklahoma Administrative Code (OAC) 340:25-5-178.

(c) CSS does not establish an order for support for a prior period on an incarcerated NCP.

(d) When CSS establishes an order for support for a prior period for a child of an NCP or a custodial person who is a servicemember, CSS applies the provisions of the Servicemembers Civil Relief Act, codified in Sections 3901 through 4043 of Title 50 of the United States Code.

(e) When the NCP is a current Temporary Assistance for Needy Families (TANF) or Supplemental Security Income (SSI) recipient and CSS:

- (1) has information that the NCP had no obligation based on the child support guidelines for the prior period, CSS requests the court set the judgment at \$0; or
- (2) determines a debt may be owed for a prior period, CSS requests the court reserve the issue of support for a prior period

until the NCP is no longer receiving TANF or SSI.
(f) CSS sets a monthly payment schedule per OAC 340:25-5-140.

Prompt docketing gives notice of the existence of the administrative order so other issues will be filed in the

same district court case number.

340:25-5-190. Service of process

(a) **Authority.** Oklahoma Human Services Child Support Services (CSS) follows the provisions of Section 2004 of Title 12 of the Oklahoma Statutes (12 O.S. § 2004) for service of process. CSS uses the most cost effective and efficient method of service of process depending on what is most appropriate under the facts of the case.

(b) **Service by regular mail to address of record (AOR).** Service to the AOR by regular mail may be appropriate when an AOR is on file with the Central Case Registry for a party in the case per Oklahoma Administrative Code 340:25-5-340. When the party has provided to CSS an email address, CSS sends the pleadings and acknowledgement and waiver of service documents to that email address at the same time as mailing to the AOR by regular mail. Service to the AOR is not appropriate when the:

- (1) remedy sought may result in the obligor's incarceration including, but not limited to, indirect civil contempt actions; or
- (2) court may require a higher level of notice to the affected party including, but not limited to, actions to determine paternity.

(c) **Service by acknowledgment.** CSS delivers the documents directly to a party and requests the party accepts and acknowledges service, as appropriate. The Acknowledgment of Service is filed in the court case.

(d) **Service by certified mail.** Service by mail is made by certified mail, return receipt requested, and delivery restricted to the addressee. CSS uses service by certified mail when service to the AOR or by

Acknowledgment of Service is not appropriate or successful. CSS staff is not required to attempt service by certified mail before attempting personal service when the case history indicates a low probability of acceptance or the court requires personal service.

(e) **Service by personal delivery.** Service by personal delivery is completed by a sheriff, deputy sheriff, individual licensed to make service of process in civil cases, or an individual specially appointed for that purpose per 12 O.S. § 2004. CSS uses service by personal delivery when:

- (1) an individual has not accepted service by certified mail;
- (2) service to the AOR or by acknowledgment is not available or appropriate;
- (3) case history indicates a low probability of acceptance of service by certified mail; or
- (4) the court requires service by personal delivery.

(f) **Service by electronic means.**

(1) After service of the initial pleadings, CSS serves subsequent documents to the party electronically when the party or party's attorney:

- (A) consents in writing to receive service in a particular case by electronic means and
- (B) designates an email address for sending the electronic service.

(2) The required written consent and electronic service instructions may be made in:

- (A) the entry of appearance filed by the party or party's attorney per 12 O.S. § 2005.2; or
- (B) another document filed by the party or party's attorney in the court case.

(3) CSS may consent to electronic service per 12 O.S. § 2005.2 at the discretion of the state's attorney.

(g) **Diligent efforts.** When CSS contracts with vendors for service of process, the vendor must make diligent efforts to complete service and provide timely documentation to CSS. Diligent efforts means at least three-repeated attempts to serve the individual at different times of day or on different days of the week, before declaring inability to serve. CSS:

- (1) attempts to serve process in the manner, at the time, and place most reasonably calculated to complete service of process in the most efficient and cost effective manner;
- (2) makes diligent efforts to serve process utilizing all information:

- (A) CSS staff provides;
- (B) documented in the case record; or
- (C) gathered from other locate resources;

(3) provides address and employer information to the process server;

(4) attempts to serve the person at:

- (A) work;
- (B) home; or
- (C) other locations based on information gathered on his or her lifestyle; and

(5) documents all facts about attempts to serve process in the case record.

(h) **Minor parent.** CSS serves a minor parent who is:

(1) 15 years of age and older per 12 O.S. § 2004; or

(2) younger than 15 years of age, through a parent, guardian, or other appropriate adult as the next friend of the minor parent.

(i) **Subsequent Electronic Service.** A party or party's attorney completes a Notice of Consent to Electronic Service or recognized substitute must be completed by a party or party's attorney and filed with the court in accordance with 12 O.S. § 2005(B) and applies to an individual court action. Pleadings asserting new or additional claims require a new consent of electronic service.

PART 22. REVIEW AND MODIFICATION

340:25-5-198. Review and modification of support orders

In reviewing and modifying support orders as described in this Part, the Oklahoma Department of Human Services Child Support Services follows applicable provisions of:

- (1) Title 43 and Sections 231 through 240.23 of Title 56 of the Oklahoma Statutes;
- (2) Section 303.8 of Title 45 of the Code of Federal Regulations;
- and
- (3) Section 666 of Title 42, Sections 3901 through 4043 of Title 50, and Section 1738B of Title 28 of the United States Code.

[Source: Added at 17 Ok Reg 2426, eff 7-1-00 ; Amended at 19 Ok Reg 1746, eff 7-1-02 ; Amended at 23 Ok Reg 1842, eff 7-1-06 ; Amended at 36 Ok Reg 1794, eff 9-16-19]

340:25-5-198.1. Review of a child support order

(a) **Purpose.** The purpose of the review process is to determine whether a child support order should be modified to ensure substantial compliance with the child support guidelines in Sections 118-118I through 119 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 118-118I & 119) and Oklahoma Administrative Code (OAC) 340:25-5-178.

(b) **Notification requirements.** At least once every three years after a child support order is established, reviewed, or modified, Oklahoma Human Services (OKDHS) Child Support Services (CSS) notifies all parties in a full-service case of the right to request a review of the child support order and the process for requesting a review.

(c) **Authority for review.** CSS conducts a review every three years in cases with a Temporary Assistance for Needy Families (TANF) assignment. CSS determines the tribunal with jurisdiction under subsection (e) of the Full Faith and Credit for Child Support Orders Act, codified in Section 1738B(e) of Title 28 of the United State Code (28 U.S.C. § 1738B(e)) and the Uniform Interstate Family Support Act (UIFSA) in 43 O.S. §§ 601-101 through 601-903 to modify the order. When another tribunal has jurisdiction to modify the child support order, CSS follows the provisions in (j) of this Section. When Oklahoma has jurisdiction to modify the child support order, CSS follows the provisions of this subsection. CSS completes the review and modification process within 180-calendar days after a request is received or the non-requesting party is located, whichever is later.

(d) **Initiation of review.**

(1) CSS reviews an order upon written request by a customer or on its own initiative:

- (A) when there is a material change in circumstances per 43 O.S. § 118I;
- (B) per 56 O.S. § 237 when the evidence in the case justifies a modification , per OAC 340:25-5-198.2, regardless of whether there is a change of circumstances;
- or

(C) per Section 303.8 of Title 45 of the Code of Federal Regulations and OAC 340:25-5-178(k), when the noncustodial parent (NCP) is incarcerated.

(2) CSS notifies the parties of the review with instructions for submitting financial and other information required for the review.

(3) CSS does not initiate a review upon customer request when:

(A) the non-initiating party is not located;

(B) it has been less than 12 months since the child support order was established, reviewed, or modified unless there is a material change of circumstances;

(C) the preliminary information indicates the change of circumstances does not significantly impact the child support amount or the change of circumstances is temporary; or

(D) there is evidence the monthly child support amount or judgment payment is based on a NCP's ability to pay and the NCP is working in a job consistent with the NCP's education and training.

(4) When CSS determines the customer review request does not meet the provisions in (1) of this subsection, CSS provides available pro se self-help modification forms to the customer.

(5) CSS does not seek an upward modification of a child support order or a judgment payment upon request when an NCP is:

(A) employed full-time in an occupation consistent with the NCP's education and training;

(B) ordered to pay more than 20 percent of the NCP's gross income; and

(C) is not paying the full court-ordered monthly child support amount.

(e) Medical enforcement only (MEO) cases.

(1) When either the custodial person or the noncustodial parent requests a review, CSS changes the services offered from an MEO to a full-service case. CSS notifies the parties of the change in services provided.

(2) When the non-applicant requests the review, the non-applicant must complete Form 03EN001E, Application for Child Support Services, per OAC 340:25-5-110.

(f) Initial review. Within 15-calendar days after receiving a request for a review, CSS determines if the criteria described in (d)(1) of this Section are met. CSS notifies the requesting person when the criteria for review are not met. If the criteria are met, CSS may:

(1) request further information as necessary from the parties; or

(2) proceed with the review process when CSS considers it has information sufficient to complete the process.

(g) Final review. Within 30-calendar days after the deadline for the parties to submit requested financial and other information to CSS, per (d) of this Section, CSS completes the review process and notifies parties of its determination as to whether the support order should be modified.

(h) Modification after review. CSS staff follows OAC 340:25-5-198.2 to determine if the child support order is modified after the review process

is complete.

(i) Termination of the review process.

(1) The person requesting a review may withdraw the request after the review process begins, upon CSS approval. CSS does not accept requests to withdraw the review after making a determination that the child support order be modified.

(2) When the requesting person fails to supply information requested by CSS as instructed, CSS may terminate the review process, unless CSS or the non-requesting party requests the process continue.

(3) When CSS initiates the review, failure of the parties to return requested information does not stop the review process. CSS proceeds, using the best information available.

(j) Interstate cases.

(1) When a tribunal other than an Oklahoma district or administrative court has jurisdiction under UIFSA to modify an order, CSS obtains the information necessary for the review.

(A) CSS transmits the documents to the Title IV-D agency in the other state within 20-calendar days after receipt of the request to modify the order and of the completed documents from the person requesting the modification.

(B) CSS issues and enforces a subpoena to compel compliance with the request for documents if the non-requesting party fails to return the required documents or CSS is unable to obtain the necessary information to proceed and an Oklahoma tribunal has personal jurisdiction over the non-requesting party.

(C) CSS may terminate the review process in an interstate case per (i) of this Section and 43 O.S. §§ 601-611 and 601-615.

(2) When Oklahoma has jurisdiction to modify the order of another state or foreign country per 43 O.S. § 601-102, the order is registered in Oklahoma for modification per 28 U.S.C. § 1738B(i) and 43 O.S. §§ 601-609 through 601-616.

340:25-5-198.2. Modification

(a) Authority for modification. Oklahoma Human Services Child Support Services (CSS) may initiate modification of a child support order per Section 303.8 of Title 45 of the Code of Federal Regulations (45 C.F.R. §303.8), Sections 112, 118-118I, 118.1, 119, 601-611, 601-613, and 601-615 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 112, 118-118I, 118.1, 119, 601-611, 601-613, and 601-615), and 56 O.S. § 237. CSS initiates a modification in the appropriate tribunal when facts indicate modification is warranted under applicable state or federal law or

regulation.

(b) **Modification of child support order.** CSS seeks a modification when:

(1) there is a material change in circumstances per 43 O.S. § 118I. For this purpose, a material change in circumstances occurs when the child support obligation would increase or decrease by 20 percent but not less than \$30. Changes in circumstances include but are not limited to:

- (A) a change in either parent's gross income ;
- (B) a change in child care ;
- (C) a change in medical;
- (D) a child reaching the age of majority per 43 O.S. § 112;
- (E) when there is a change in physical custody verified, per Oklahoma Administrative Code (OAC) 340:25-5-201.1;
- (F) when the noncustodial parent (NCP) is incarcerated for more than 180-consecutive days per 45 C.F.R. § 303.8 and OAC 340:25-5-178(k); or
- (G) when the Social Security Administration determines one of the parents is disabled and the parent is receiving Supplemental Security Income or Social Security Disability Income; or

(2) per 56 O.S. § 237 , the evidence in the case justifies a modification regardless of whether there has been a change of circumstances including, but not limited to, when:

- (A) the original order fails to set child support according to the guidelines;
- (B) an adjustment is needed to maximize a NCP's available income to meet the current child support obligation in each of the NCP's cases; or
- (C) a parent provides proof the child support obligation is being satisfied in full or in part by an apportionment of the veteran's disability compensation.

(c) **Modification of medical support order.**

(1) CSS seeks a modification of a medical support order, when:

- (A) there is no existing order for either parent to provide dependent health care coverage. CSS initiates a modification of a support order to require either or both parents to provide dependent health care coverage when CSS obtains information the child(ren) is not covered under an existing health care plan, regardless if coverage is currently available to either parent;
- (B) the availability of medical insurance changes;
- (C) there is an order for the custodial person to provide medical support for the minor child(ren) and enforcement of the order is not appropriate per 43 O.S. § 139.1 or 21 O.S. § 566;
- (D) an order for the NCP to provide medical insurance and the release of information necessary for enrollment of the child is inappropriate due to family violence and a cash medical order is appropriate per OAC 340:25-5-198; or

(E) there is an order for a parent to provide medical insurance, the applicant for child support services did not request services against that parent, and the ordered parent is not actually providing medical insurance for the child.

(2) When CSS participates in the modification of a child support order filed by a party, CSS requests the court order contain a provision for medical support consistent with OAC 340:25-5-168.

(3) When a child support order exists, CSS considers a request to establish a medical support order as a request for modification of the order per 43 O.S. § 118.1. CSS seeks a medical support order in a tribunal with jurisdiction to modify the child support order and follows procedures per OAC 340:25-5-198.1.

(4) When cash medical support is ordered as part of a modification action, CSS requests a cash medical support order be effective the first day of the month following the entry of the order.

PART 23. ENFORCEMENT

340:25-5-200. Enforcement

(a) **Scope and applicability.** Oklahoma Human Services Child Support Services (CSS) follows Part D of Subchapter IV of Chapter 7 of Title 42 and Section 1738B of Title 28 of the United States Code (28 U.S.C. § 1738B) Section 303.6 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 303.6), and Section 240.1 of Title 56 of the Oklahoma Statutes (56 O.S. § 240.1) in initiating enforcement proceedings.

(1) Orders for current and past child and spousal support, health care coverage, fixed amounts of medical support, judgments, and delinquencies may be enforced through expedited and judicial processes, or through other collection efforts.

(2) Past-due child support is a judgment by operation of law and may be enforced in the same manner as any other money judgment, per 43 O.S. § 137.

(3) Post-judgment remedies do not require an adjudicated judgment by a district or administrative court.

(4) Each missed support payment is a judgment; thus, a judgment increases with each missed payment. This total judgment becomes a lien on the noncustodial parent's (NCP) real and personal property.

(b) **Non-Oklahoma support order.** CSS registers a support order from another state, Native American tribe, territory, or foreign country, per subsection (b) of the Full Faith and Credit for Child Support Orders Act

codified in 28 U.S.C. § 1738B(b) and 43 O.S. § 601-101(21) when enforcement of the order is sought.

(c) **Multiple support orders.** When multiple child support orders are entered in the same or different tribunals involving the same NCP and child, CSS seeks a determination of controlling order, per 43 O.S. §§ 601-207, 601-307, and 601-601 through 601-603 and Oklahoma Administrative Code (OAC) 340:25-5-270.

(d) **Legal remedies.** CSS determines appropriate enforcement actions and may use any legal remedy to enforce support obligations. CSS chooses remedies designed to obtain compliance with an obligor's support obligations and does not use any remedy for the purpose of punishment. When an NCP is participating in the CSS problem-solving court program or complying with a seek work order, CSS considers the NCP's participation and compliance, per OAC 340:25-5-200.3, when choosing enforcement remedies. Remedies CSS may use include, but are not limited to:

- (1) annual notice to NCP, per 56 O.S. § 237A and OAC 340:25-5-213;
- (2) income assignment, garnishment, and levy, per Chapter 21 of Title 12 Oklahoma Statutes, 43 O.S. §§ 115 and 601-501 through 601-507, 56 O.S. §§ 237, 240.2, and 240.23, and 42 U.S.C. § 666;
- (3) hearing on assets, per 12 O.S. § 842;
- (4) intercept of federal tax refunds, per 42 U.S.C. § 664, 31 C.F.R. § 285.3, and 45 C.F.R. § 303.72, OAC 340:25-5, Part 25;
- (5) Intercept of state tax refunds, per 45 C.F.R. § 303.102, 68 O.S. § 205.2, and OAC 340:25-5, Part 27;
- (6) administrative offsets per 31 U.S.C. § 3716, 31 C.F.R. § 285.1, and Executive Order 13019;
- (7) denial, revocation, or suspension of United States passports, per 56 O.S. § 240.1 and 42 U.S.C. §§ 652 and 654;
- (8) revocation, suspension, non-renewal, and non-issuance of various licenses,, per, 47 O.S. §§ 1-153, 6-201, and 6-211, and 56 O.S. §§ 237.1 and 240.15 through 240.21A;
- (9) imposing liens and executing and levying on personal and real property, including, but not limited to, workers' compensation benefits, personal injury, wrongful death, and probate actions, per 43 O.S. § 135, 56 O.S. §§ 237B and 240.23, and Titles 12 and 58 of the Oklahoma Statutes;
- (10) registration of foreign support orders and judgments, per the Uniform Interstate Family Support Act per 43 O.S. §§ 601-100 through 601-903 and the Uniform Enforcement of Foreign Judgments Act, 12 O.S. §§ 719 through 726;
- (11) credit bureau referrals, per 42 U.S.C. § 666 and 15 U.S.C. § 1681b, 56 O.S. § 240.7, and OAC 340:25-5, Part 31;
- (12) financial institution data match, per 42 U.S.C. §§ 666 and 669A, 56 O.S. §§ 240.22 through 240.22G, and OAC 340:25-5-212;
- (13) seek work orders, per 56 O.S. § 240.10;
- (14) indirect civil contempt of court, per 21 O.S. §§ 566 and 567, 43 O.S. § 137, and 56 O.S. § 234. CSS does not use contempt as a penal sanction and does not recommend incarceration to the district court at sentencing in an indirect civil contempt

proceeding unless there is evidence or information available that the can purge the contempt. CSS asks the court to set a reasonable purge fee, per Rule 8.3 of the Rules of the District Court;

(15) when a debtor transfers income or property to avoid child support payments, action to void the transfer or obtain favorable settlement per the Uniform Fraudulent Transfer Act, 24 O.S. §§ 112 through 123 and 42 U.S.C. § 666;

(16) criminal actions brought per 21 O.S. § 852;

(17) civil actions brought per 42 U.S.C. § 660;

(18) transfer of child support obligation to another custodian, per 56 O.S. § 237;

(19) referral to the United States Attorney for federal prosecution, per 18 U.S.C. § 228;

(20) full collection services by the Secretary of the Treasury, per 6305 of the Internal Revenue Code of 1954; and

(21) attachment of lottery prize winnings from the Oklahoma Lottery Commission, per 3A O.S. § 724.1.

(e) **Servicemember.** When CSS initiates proceedings to enforce a child support order for a child of an NCP or a custodial person who is a servicemember, CSS applies the provisions of the Servicemembers Civil Relief Act, per 50 U.S.C. §§ 3901 through 4043.

(f) **Incarcerated NCP.** When an NCP is incarcerated for 180-consecutive days, CSS follows 43 O.S. §118I and OAC 340:25-5-140 regarding abatement of child support orders.

(g) **Spousal Support.** CSS enforces a spousal support obligation for a spouse or former spouse per 42 U.S.C. § 654 and 45 C.F.R. § 302.31 when CSS is enforcing that spouse's or former spouse's current child support obligation.

340:25-5-200.1. Administrative review process

(a) When the opportunity for administrative review is specifically provided by statute, federal regulation, or administrative rule, and a procedure for administrative review is not otherwise prescribed, Child Support Services (CSS) uses the procedure described in this Section.

(b) CSS notifies parties of the opportunity to request an administrative review of the action by regular mail. Notices include the date of mailing, a description of the grounds for requesting administrative review, and instructions for the time and manner to request the review in writing.

(c) Upon timely receipt of a written request for an administrative review, the CSS office conducts a review within 30-calendar days or within a shorter period when otherwise required. Reviews are usually desk reviews completed by CSS staff using available information from the parties and electronic resources. When a meeting or phone conference is

necessary, CSS notifies the parties.

(d) The review is conducted by a CSS representative. The representative may contact any of the parties when additional information or clarification is required.

(e) After completion of the review, the CSS office issues a notice of administrative review decision regarding the disputed action. CSS mails the notice of the administrative review decision to the parties by regular mail.

(f) When the parties disagree with the notice of administrative review decision, the parties have 20-calendar days from the date of mailing the review decision to request a hearing.

340:25-5-201.1. Termination or amendment of income withholding

Oklahoma Child Support Services (OCSS) amends or terminates the Order/Notice to Withhold Income for Child Support, as appropriate, to stop:

- (1) withholding only current support when a noncustodial parent obtains physical custody of all children who are the subject of the support order, or when the parties to the case reunite. OCSS does not amend the Order/Notice to Withhold Income for Child Support if there is any indication of parental kidnapping or involuntary relinquishment;
- (2) all withholding when the applicant for services requests closure of a non-public assistance case; or
- (3) all withholding when the case is updated as medical enforcement only.

340:25-5-203. Intercepts

(a) **Unemployment compensation intercept.** Oklahoma Human Services, Child Support Services (CSS) withholds past-due and current child support from unemployment insurance benefit amounts , per Section 654 of Title 42 of the United States Code, Section 302.65 of Title 45 of the Code of Federal Regulations, and Section 2-801 of Title 40 of the Oklahoma Statutes (40 O.S. § 2-801).

(b) **Lottery winnings intercept.**

(1) CSS files claims with the Oklahoma Lottery Commission against lottery prize winnings, per 3A O.S. § 724.1, to collect:

(A) child support arrearages, child support judgments and interest thereon, past-due alimony, and judgments for child care costs and medical expenses; and

(B) overpayments CSS establishes, per Oklahoma Administrative Code (OAC) 340:25-5-305 and 340:25-5-312.

(2) CSS files a claim for cases in which at least \$150 in past-due support or overpayment is owed.

(3) Within five-business days after filing a claim with the Oklahoma Lottery Commission, CSS sends a notice by regular mail to the noncustodial parent (NCP). The notice includes:

(A) that a claim has been filed with the Oklahoma Lottery Commission;

(B) the basis for the claim;

(C) that the NCP has the right to contest the claim by requesting an administrative review in writing within ten-business days of the date on the notice from CSS; and

(D) that the administrative review is granted only when:

(i) there is a mistake of identity; or

(ii) the amount of arrearage or judgment is incorrect.

(4) After the administrative review, CSS issues a notice of administrative review decision and information about requesting an administrative hearing. The NCP may request a hearing in writing within 20-calendar days after the date of the administrative review decision.

(5) Upon timely receipt of a written request for an administrative hearing, CSS schedules the matter for an administrative hearing before the Office of Administrative Hearings: Child Support (OAH). OAH conducts a hearing and enters an order determining the contested issues.

(6) If the NCP settles the arrearage or judgment with CSS before expiration of the 30-calendar day administrative review period, as per OAC 340:25-5-200.1, CSS notifies the Oklahoma Lottery Commission in writing or by electronic media that the claim has been released.

(c) **Insurance Intercepts.**

(1) CSS maintains an insurance intercept match process to identify NCP assets and issue liens and levies on claims against NCPs who are in noncompliance with an order for support, per 56 O.S. § 237B.

(2) The following words and terms, when used in this Section, shall have the following meanings:

(A) "**Claimant**" means *either a first party claimant, a third party claimant, or both, and includes such claimant's designated legal representatives and includes a member of the claimant's immediate family designated by the claimant.* (36 O.S. §1250.2)

(B) "**Third party claimant**" means *any individual, corporation, association, partnership, or other legal entity asserting a claim against any individual, corporation, association, partnership, or other legal entity insured under an insurance policy or insurance contract.* (36 O.S. §1250.2)

(3) Insurance companies subject to the requirements of 56 O.S. § 237B are not required to check for matches of any claimant's claims where the claimant is 13 years of age or younger.

(4) CSS accepts either a claimant's Social Security number or name and date of birth as match verification criteria for compliance with 56 O.S. § 237B.

340:25-5-211.1. License revocation and reinstatement for failure to comply with child support order

(a) **Legal basis.** Oklahoma Department of Human Services Child Support Services (CSS) follows Sections 139 and 139.1 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 139 and 139.1), 47 O.S. §§ 1-153, 6-201, 6-201.1, and 6-211, and 56 O.S. §§ 237.1, 240.15 through 240.17, and 240.19 through 240.21A in processing enforcement actions to order the revocation, suspension, non-issuance, nonrenewal, or probation of a license for a noncustodial parent (NCP) who is not in compliance with an order for child support.

(b) License Reinstatement Process.

(1) **Request for license reinstatement; desk review.** When CSS receives a written request to reinstate a license, CSS conducts a desk review of the case file within 15-calendar days after receipt of a written request for reinstatement.

(2) **Compliance with payment plan.** When CSS determines an NCP is complying with a court-ordered payment plan and other terms of a support order, and the reinstatement provisions of 43 O.S. § 139.1 or 56 O.S. § 240.17, CSS requests a reinstatement of the license from the tribunal that revoked the license.

(3) **Alternative compliance.** CSS may request a reinstatement of the license when:

(A) the NCP is actively participating in the CSS problem-solving court program per Oklahoma Administrative Code 340:25-5-200.3 and 43 O.S. § 140 or complying with a seek

work order per 56 O.S. § 240.10; and
(B) a CSS state's attorney determines reinstating the NCP's license will increase the NCP's likelihood to pay support.

(4) Noncompliance with payment plan.

(A) When CSS determines an NCP is not complying with a court-ordered payment plan, other terms of a support order, or the reinstatement provisions per 43 O.S. § 139.1, CSS sends a notice to the NCP that the request for reinstatement of a license is denied. The notice advises the NCP that he or she has 15-calendar days to request a reinstatement hearing in writing. Upon timely receipt of a written request for a hearing, CSS schedules the matter for a hearing before the tribunal that ordered the license revocation.

(B) CSS provides notice of the hearing to the custodial person per 12 O.S. § 2005 or 43 O.S. § 112A.

(C) When a license was reinstated per (b) of this Section and the NCP subsequently is in noncompliance with a payment plan, CSS requests the court immediately revoke the NCP's license(s).

340:25-5-212. Financial institution data match reporting system

(a) **Legal basis.** Oklahoma Department of Human Services Child Support Services (CSS) maintains a financial institution data match reporting system to identify noncustodial parents' (NCP) assets and issue levies on accounts of NCPs who are in noncompliance with an order for support. In maintaining the system, CSS follows Part A of Subchapter IV of Chapter 7 of Title 42 of the United States Code, associated federal regulations, and state statutes. This Section establishes provisions necessary to implement Sections 666(a)(17) and 669A of Title 42 of the United States Code, Section 307.11 of Title 45 of the Code of Federal Regulations, and Sections 240.22 through 240.22G of Title 56 of the Oklahoma Statutes (56 O.S. §§ 240.22-240.22G). The definitions in 56 O.S. § 240.22A apply to the terms used in this Section.

(b) Financial institutions.

(1) All data supplied to CSS by financial institutions doing business in Oklahoma must be in accordance with the Financial Institution Data Match Specifications Handbook published by the federal Office of Child Support Enforcement.

(2) A financial institution may charge an account levied on by CSS a fee of \$20, per 56 O.S. § 240.22E(E), which is deducted from the account before the financial institution remits funds to CSS. If the levied funds are subsequently refunded by CSS because there is a mistake of identity or the obligor did not owe three months of child support at the time of the levy, CSS refunds any fee charged

to the appropriate account holder.

(c) **Levies.** Levies are for the total amount of past-due support per 56 O.S. § 237.7. Per 56 O.S. § 240.22G, CSS automatically issues a levy for each matched account unless the NCP has made voluntary payments of at least 75 percent of the court-ordered payment plan payments due over the last three full calendar months prior to the date of the levy. CSS considers a manual levy appropriate when there is evidence the NCP has funds subject to levy not previously considered by CSS in establishing the monthly court-ordered payment plan. CSS requests the financial institution not remit funds in an amount less than \$50, unless otherwise ordered by the court.

(d) **Notice of levy and administrative review.**

(1) CSS sends a notice of levy to an NCP within three calendar days after sending the levy to the financial institution per 56 O.S. § 240.22G. The notice of levy includes:

- (A) instructions for the NCP or a non-obligated joint account holder to request an administrative review in writing;
- (B) a description of the grounds for requesting an administrative review;
- (C) a description of the review process; and
- (D) notice that failure to submit a timely request for review in writing means the levy is final.

(2) It is the responsibility of the NCP to notify any joint account holder(s) of the levy.

(3) Either the NCP or a non-obligated joint account holder may request an administrative review of the levy in writing after the date on the notice of levy per 56 O.S. § 240.22G.

(4) A non-obligated joint account holder may request an administrative review in writing when the levied funds are not owned by the NCP.

(5) Upon receipt of a request for an administrative review, CSS:

- (A) contacts the requesting party within three business days to:
 - (i) notify the party the review has begun; and
 - (ii) request further information as necessary;
- (B) completes the review as soon as possible, not to exceed three business days from receiving all necessary information; and
- (C) completes the review using the best information available when the party requesting a review does not provide the information requested by CSS within five business days of the request.

(6) The purpose of the administrative review is to quickly resolve any obvious factual errors.

(7) After the administrative review, CSS issues a notice of administrative review decision and information about requesting an administrative hearing.

(e) **Administrative hearing.** Either the NCP or a non-obligated joint account holder may request a hearing before the Oklahoma Department of Human Services Office of Administrative Hearings: Child Support

(OAH), by the date specified in the notice of administrative review decision. A request for an OAH hearing must be submitted in writing to the district office.

(f) Release of funds from levy.

(1) CSS releases funds from levy when the person requesting review of the levy submits sufficient and credible evidence at the administrative review that the source of the funds is:

(A) Supplemental Security Income (SSI) or concurrent SSI and Social Security Disability Insurance (SSDI) benefits;

(B) State Supplemental Payments (SSP) for Aged, Blind and the Disabled;

(C) Temporary Assistance for Needy Families (TANF) benefits;

(D) child support payments, when the obligor is the custodial person of a minor child(ren) and is receiving the payments as required by a court order; or

(E) the property of the non-obligated account holder.

(2) When the account contains funds from sources listed in (1) of this subsection as well as funds from other sources, CSS can levy the funds that are not from a source included in the list in (1) of this subsection.

(3) Funds from a levy may be released, in full or in part, at the discretion of the state's attorney.

340:25-5-213. Annual notice

(a) Oklahoma Department of Human Services Child Support Services (CSS) sends a notice, referred to as the Notice and Order of Child Support Lien or annual notice, per Section 237A of Title 56 of the Oklahoma Statutes (56 O.S. § 237A) to noncustodial parents (NCP) and custodial persons (CP) in Title IV-D cases at least once every 12 months, *unless the amount of past due support has been determined in a court proceeding within the past twelve months.*

(b) The annual notice includes directions for the NCP to make specified monthly payments to satisfy past-due support. The annual notice requests two separate monthly payments on past due support: one temporary payment and one permanent payment.

(1) The temporary monthly payment on past due support is a payment that is effective when the annual notice is issued and is included on an Income Withholding Order (IWO).

(2) The permanent monthly payment on past due support is a payment that is effective after the time period for administrative review has passed. After the time period for administrative review has passed, CSS issues an amended IWO that includes the permanent monthly payment on past due support.

(3) To promote healthy families, CSS sets a temporary and permanent monthly payment on past due support appropriate to

the obligor's circumstances, according to the best evidence available per Oklahoma Administrative Code 340:25-5-140. The temporary monthly payment on past due support does not exceed 25 percent of the last order addressing current support.

(c) The initial notice is served on the NCP per 12 O.S. § 2005. When there is an address of record (AOR) on file with the Central Case Registry per 43 O.S. § 112A, the notice may be served by regular mail at the AOR. Subsequent notices may be served by regular mail with a certificate of mailing to the last AOR. The initial notice and subsequent annual notices are sent to the CP by regular mail with a certificate of mailing.

(d) The annual notice sent to the NCP must not include the CP's address or employer's name and address. The annual notice sent to the CP must not include the NCP's address or employer's name and address.

(e) The NCP or CP may timely request in writing, an administrative review of the annual notice per 56 O.S. § 237A. When all disputed issues are not settled at the administrative review, CSS sets the matter for hearing.

340:25-5-214. Passport denial, revocation, restriction, or limitation

(a) Section 652 of Title 42 of the United States Code (42 U.S.C. 652) provides for the United States Secretary of State to refuse to issue a passport to a person certified as owing child support debt. It also provides for action to revoke, restrict, or limit a passport already issued. If the amount of arrears owed by a person exceeds the threshold amount for certification set by federal law or regulation, Oklahoma Department of Human Services, Child Support Services (CSS) may certify the person under 42 U.S.C. 654 and Section 240.1 of Title 56 of the Oklahoma Statutes (56 O.S. 240.1).

(b) Before issuing a certification as described in (a) of this Section, CSS provides notice to the noncustodial parent (NCP) of CSS determination that the NCP owes child support debt, the consequences of the determination, and the opportunity to contest the determination through either:

- (1) the annual notice process as established in 56 O.S. § 237A and Oklahoma Administrative Code (OAC) 340:25-5-213; or
- (2) notice of federal offset under Section 303.72 of Title 45 of the Code of Federal Regulations and OAC 340:25-5, Part 25.

(c) If CSS finds a request for certification was submitted in error, or in a life or death situation, CSS requests immediate release of an NCP's passport from the process described in (a) of this Section.

(d) CSS may request release of an NCP's passport from the process described in (a) of this Section if the NCP pays the entire child support debt or:

- (1) pays the entire child support debt down to the threshold amount;

- (2) enters into a repayment agreement or order to retire the remaining child support debt in not more than 36 equal monthly payments; and
- (3) provides CSS with a verified source of future income for which an income assignment may be issued for payment of all current support and arrears.

(e) A passport may be released from the passport referral process at the discretion of the CSS director. The district office may request a director's exception when it is determined the passport denial, revocation, restriction, or limitation negatively impacts a reliable source of child support.

(f) After requesting release of a case from the passport referral process, CSS may at any time recertify the case as described in (a) of this Section.

PART 25. FEDERAL OFFSET PROGRAMS

340:25-5-215. Collection of past-due support from federal tax offset

(a) Oklahoma Child Support Services (OCSS), requests collection of child support debts from federal income tax refunds. This program is governed by:

- (1) Section 664 of Title 42 of the United States Code; and
- (2) Section 285.3 of Title 31, and Sections 302.60 and 303.72 of Title 45 of the Code of Federal Regulations.

(b) A custodial person receiving a payment under this program must return the payment if the Internal Revenue Service (IRS) makes an adjustment within six years following the end of the tax year for which the refund was paid. Any adjusted amount not returned by the custodial person is an overpayment and subject to recovery under Part 37 of this Subchapter.

(c) If an offset is made to satisfy non-TANF past-due support from a refund based on a joint return, OCSS delays issuance of the funds for a period of time not to exceed six months from the notice of deposit.

(d) Collections received by a IV-D agency as a result of a federal income tax refund intercept must be distributed as past-due support per Section 657 of Title 42 of the United States Code.

340:25-5-215.1. Collection of past-due support from federal administrative offsets

The Oklahoma Department of Human Services Child Support Enforcement Division may collect child support debts through administrative offsets of federal benefit programs unless a payment is

exempt from offset by federal law or by action of the Secretary of the Treasury. Administrative offsets are governed by:

- (1) the Debt Collection Improvement Act of 1996, Public Law 104-134;
- (2) Executive Order 13019, Supporting Families: Collecting Delinquent Child Support Obligations; and
- (3) Section 285.1 of Title 31 of the Code of Federal Regulations.

340:25-5-225. Formal and informal review procedures for federal offset programs

(a) Procedures for requesting and conducting formal and informal reviews of federal tax and administrative offsets are governed by the provisions of Section 303.72 of Title 45 of the Code of Federal Regulations. If the initial annual notice process under Section 237A of Title 56 of the Oklahoma Statutes and OAC 340:25-5-213 has been completed, the Child Support Enforcement Division (CSED) refers the noncustodial parent for federal tax offset or administrative offset without additional notice. Subsections (b) through (h) of this Section describe procedures for reviews in Oklahoma when the initial annual notice process has not been completed.

(b) A noncustodial parent whose payments are referred for offset may request a review as instructed in the notice. The review must be requested within the time specified in the notice of offset.

(c) The noncustodial parent may contest the referral for offset based on a mistake of identity or a mistake of fact.

(d) The informal review process is an administrative review conducted under Section OAC 340:25-5-200.1.

(e) The notice of the administrative review decision includes instructions for requesting a formal review, administrative hearing.

(f) Unless CSED receives a request for administrative hearing within 15 days after the date on the notice of administrative review decision, the administrative review decision becomes the final agency decision.

(g) Upon timely receipt of a request for an administrative hearing, CSED schedules the matter for an administrative hearing before the Office of Administrative Hearings: Child Support (OAH). OAH conducts a hearing and enters an order determining the contested issues.

(h) The administrative order may be appealed to the district court within 30 days by any aggrieved party.

PART 27. STATE TAX REFUND OFFSET PROGRAM

340:25-5-235. State tax refund offset

(a) **State tax refund collection legal basis.** Oklahoma Human Services Child Support Services (CSS) requests collection of overpayments and past child support, including interest, and spousal support from state tax refund offset. The state tax offset program is governed by:

- (1) Section 303.102 of Title 45 of the Code of Federal Regulations;
- (2) Section 205.2 of Title 68 of the Oklahoma Statutes; and
- (3) Sections 11-6 through 11-11 of Chapter 50 of Title 710 of the Oklahoma Administrative Code.

(b) **Issuance delays.** When an offset is made to satisfy non-Temporary Assistance for Needy Families past-due support from a state tax refund, CSS delays issuance of the funds for a period of forty-five calendar days from the notice of deposit.

(c) **Review procedures.** CSS follows the provisions of this Section when reviewing state tax offsets.

(1) CSS may release or refund the offset in whole or in part to the custodial person, noncustodial parent (NCP), or debtor if CSS finds there has been a mistake of fact or identity.

(2) A non-obligated spouse may request a refund of the offset within the time specified in the notice of offset. The non-obligated spouse requesting a refund must submit copies of federal and state tax forms and all attachments to CSS. If the non-obligated spouse reports income on the tax return, CSS may release or refund the offset in whole or in part to the non-obligated spouse, prorated based on the income of the NCP and the non-obligated spouse.

(3) CSS sends a notice to the affected taxpayer whenever a state tax refund is offset for past due support or an overpayment. When CSS receives a written request for a hearing within 30-calendar days from the date of mailing of the notice of tax offset, CSS schedules the matter for an administrative hearing before the Office of Administrative Hearings: Child Support (OAH). OAH conducts a hearing and enters an order determining the contested issues.

(4) The administrative order may be appealed to the district court within 30-calendar days by any aggrieved party.

**PART 31. CONSUMER REPORTING AGENCIES -
CREDIT BUREAUS**

**340:25-5-265. Release and access of arrearage information to
consumer reporting agencies - credit bureaus**

(a) Oklahoma Human Services, Child Support Services (CSS) periodically releases child support arrearage information to certain consumer reporting agencies - credit bureaus. Release of this information is governed by:

(1) Section 240.7 of Title 56 of the Oklahoma Statutes (56 O.S. § 240.7); and

(2) Sections 1681b and 1681f of Title 15 and Section 666 of Title 42 of the United States Code (15 U.S.C. §§ 1681b & 1681f; 42 U.S.C. § 666).

(b) CSS reports to consumer reporting agencies the names and amounts of child support arrearages of noncustodial parents (NCP). CSS applies a:

(1) 15-calendar day grace period to account for payment receipt date discrepancies due to early or late employer reporting if an NCP is making child support payments through income assignment; and

(2) two-month grace period to account for the delays in the start of the income assignment process for an NCP who is a servicemember called to active duty under the provisions of the Servicemembers Civil Relief Act, codified in 50 U.S.C. § 3901 through 4043.

(c) If the annual notice process under 56 O.S. § 237A has been completed, CSS releases arrearage information to credit bureaus without additional notice.

(d) When the initial annual notice process under 56 O.S. § 237A and Oklahoma Administrative Code (OAC) 340:25-5-213 has not been completed, CSS issues a written notice by regular mail to the person obligated to pay the support. The notice includes:

(1) a statement of the information to be released to credit bureaus; and

(2) instructions for disputing the accuracy of the information to be released under OAC 340:25-5-200.1.

(e) CSS periodically accesses credit information available through consumer reporting agencies - credit bureaus. Access of this information

is governed by 15 U.S.C §§ 1681b and 1681f.

(1) Each time CSS requests a full credit bureau report on an NCP for use in establishment or modification of a support order, CSS sends the NCP advance notice to confirm that the report requested belongs to the correct person. The NCP is not required to authorize release of the report.

(2) CSS does not send an NCP advance notice when CSS requests a credit bureau report for locate or enforcement purposes.

PART 33. INTERGOVERNMENTAL CASES

340:25-5-270. Intergovernmental cases

(a) **Legal basis.** When referring and processing intergovernmental Title IV-D cases, the Oklahoma Human Services Child Support Services (CSS) is governed by:

(1) Section 1738B of Title 28 of the United States Code (28 U.S.C. § 1738B) and 42 U.S.C. §§ 654, 659A, and 666;

(2) Sections 302.36 and 303.7 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.36 and 303.7); and

(3) the Uniform Interstate Family Support Act, per Sections 601-100 through 601-903 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 601-100 through 601-903) and 56 O.S. § 240.9.

(b) **Definition.** For purposes of this Section, forum state means the state where the hearing is held or where the responding court proceeding is filed to establish or enforce a support order.

(c) **Intergovernmental central registry.** CSS operates an intergovernmental central registry, per 45 C.F.R. §§ 302.36 and 303.7.

(d) **Forms.** CSS uses forms issued by the Secretary of the United States Department of Health and Human Services, per 42 U.S.C. § 652 as applicable for processing intergovernmental cases.

(e) **Communication.** When:

(1) Oklahoma is the initiating state, CSS obtains information from the other Title IV-D agency and communicates with the custodial person (CP) in Oklahoma.

(2) Oklahoma is the responding state, CSS communicates to the initiating state with which CSS has established a case.

(3) CSS receives written communication from a party or a party's attorney, CSS sends copies to the appropriate agency or person within two-business days of receipt, per 43 O.S. § 601-307.

(f) **Family violence and nondisclosure.** When Oklahoma is the initiating state and a party claims family violence, CSS does not release the party's physical address without a court order. CSS:

(1) enters the address of record, when designated, or the district office's address instead of the physical address of the party requesting nondisclosure on the Child Support Enforcement Transmittal # 1, Initial Request, Nondisclosure Finding Affidavit, and on the General Testimony, when applicable;

(2) does not file the interstate transmittal forms with the tribunal;

(3) does not release a copy of the interstate transmittal form to the other party, per Oklahoma Administrative Code (OAC) 340:25-5-67; and

(4) seeks an order from the appropriate tribunal regarding release of the information when the initiating state, responding state, or a party requests release of specific identifying information, per 43 O.S. § 601-312.

(g) **Services provided.** Except as provided in (1) through (4) of this subsection, CSS processes intergovernmental cases in the same manner as intrastate cases, per OAC 340:25-1-1.2.

(1) **Evidence.** If one of the parties is a nonresident of the forum state, CSS arranges for testimony over the phone at the request of the nonresident party or a Title IV-D agency, and requests the court to admit evidence, per 43 O.S. § 601-316.

(2) **One-state processing.** In the absence of an order to establish paternity or support, CSS uses a one-state process to establish an order if personal and subject matter jurisdiction may be exercised over a nonresident party, per 45 C.F.R. § 303.7 and 43 O.S. § 601-201.

(3) **Determination of controlling order.** When there are multiple orders for current support for the same child, CSS seeks a determination of controlling order (DCO) or a new order from the appropriate tribunal, per 43 O.S. § 601-207 and 43 O.S. §§ 601-602 through 601-615.

(A) When making the arrears calculation for the DCO proceeding, CSS applies the law of the respective issuing states in determining the arrears under each order.

(B) Once the court issues a DCO, CSS applies the law of the controlling order state to the consolidated arrears, even when the support orders of other states contributed a portion to those arrears.

(4) **Redirection of payments.** Per 43 O.S. §§ 601-307 and 601-319:

(A) CSS issues a notice to redirect payments to the Title IV-D agency in the state where the CP resides and issues an Order/Notice to Withhold Income for Child Support to implement the order when:

- (i) Oklahoma is the state that issued the child support or income assignment order;
- (ii) neither the noncustodial parent (NCP), CP, or any child lives in Oklahoma; and
- (iii) CSS or another Title IV-D agency makes the request.

(B) CSS issues a notice to redirect payments to the Title IV-D agency in the state of residence of the CP when:

- (i) a child support or income assignment order was issued;
- (ii) neither the NCP, CP, or any child lives in the issuing state; and
- (iii) Oklahoma provides child support services.

(C) CSS furnishes a certified record of payments to a requesting party or tribunal when CSS receives redirected payments, per 43 O.S. § 601-319.

(5) **Limited services.** CSS provides limited services only at the request of an initiating interstate Title IV-D agency or an international central authority, per 43 O.S. §§ 601-101 through 901 and 45 C.F.R. § 303.7. CSS provides limited services, when appropriate, even when an individual NCP or CP does not reside in Oklahoma. The CSS director or appointed designee approves requests for limited services not listed in 45 C.F.R. § 303.7.

(h) **Determination of arrears.** When Oklahoma has personal and subject matter jurisdiction and can obtain service of process on the NCP, CSS uses the annual notice, notice of support debt, contempt, or other appropriate proceedings to determine past support and interest before requesting a tribunal of another state to enforce.

(i) **Choice of law.** The applicable law for support duration determination and other choice of law issues is controlled by subsection (h) of the Full Faith and Credit for Child Support Orders Act, per 28 U.S.C. § 1738B(h) and 43 O.S. §§ 601-604 through 601-611. The law of the initial controlling order state governs the support duration even after another state modifies the order.

(j) **Genetic testing.** When genetic testing is required in intergovernmental cases, the responding state is responsible for paying the cost of testing, per 45 C.F.R. § 303.7 and OAC 340:25-5-176.

340:25-5-285. International cases

(a) **Legal basis.** Oklahoma Department of Human Services Child Support Services (CSS) follows the provisions of Oklahoma Administrative Code (OAC) 340:25-5-270 when Oklahoma is providing child support services on international cases, except for time frames specified per Section 303.7 of Title 45 of the Code of Federal Regulations.

(b) **Foreign reciprocating countries.** CSS initiates or responds to proceedings with foreign reciprocating countries per Section 659A of Title 42 of the United States Code.

(c) **Conversion of child support orders to foreign currency.**

(1) Upon request of a foreign responding tribunal, CSS converts the child support order amount into foreign currency and prepares certificates or other documents to be issued by the Oklahoma tribunal per Section 601-304 of Title 43 of the Oklahoma Statutes (43 O.S. § 601-304).

(2) Upon request of a foreign initiating tribunal to enforce an order specified in foreign currency, CSS converts the child support order amount into United States dollars and requests an Oklahoma tribunal to make a finding of the converted child support amount.

(d) **Modification of international orders.**

(1) When modification of an order of a foreign country is requested and that country cannot or will not modify its order, CSS seeks a modification of the foreign order in an Oklahoma tribunal when Oklahoma has personal jurisdiction over both parties, as provided per 43 O.S. § 601-616.

(2) When CSS determines another state has jurisdiction over both parties, CSS forwards a Child Support Enforcement Transmittal # 1 to the state with jurisdiction over the parties requesting that state to register and modify the foreign order.

340:25-5-286. Tribal case referrals and transfers

(a) **Legal basis.** When referring to or processing cases from a comprehensive tribal Title IV-D agency (tribal program), Oklahoma Department of Human Services Child Support Services (CSS) is governed by:

- (1) Section 1738B of Title 28 of the United State Code (28 U.S.C. § 1738B) and 42 U.S.C. §§ 654, 659A, and 666;
- (2) Part 302.36 of Title 45 of the Code of Federal Regulations (45 C.F.R. § 302.36) and 45 C.F.R. § 303.7;
- (3) the Uniform Interstate Family Support Act per Sections 601-101 through 601-903 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 601-101 through 601-903); and
- (4) 56 O.S. § 240.9.

(b) **Scope.** Tribal programs provide child support services under applicable federal law and are governed by relevant tribal law as to their administrative processes and the jurisdiction of the tribal courts.

(c) **Intergovernmental case referrals.** CSS and tribal programs request assistance from each other by referring cases for full or limited services.

(1) **Outgoing referrals.** CSS may initiate an outgoing intergovernmental referral to a tribal program when CSS determines the noncustodial parent is within the tribal program's jurisdiction and it is not appropriate for CSS to use its one-state remedies to establish paternity or establish, modify, or enforce a support order in accordance with 45 C.F.R. 303.7 (c)(3 & 4). A separate case is maintained by CSS when an outgoing intergovernmental referral is sent to a tribal program.

(2) **Incoming referrals.** CSS accepts a referral from a tribal program in accordance with 45 C.F.R. § 303.7.

(d) **Program of choice and case transfer.** When an applicant on an existing CSS case completes a tribal program application that includes a request that CSS close its case, CSS may accept that as a request for transfer of its case to the tribal program and for closure of the CSS case. CSS refers the case for limited services and does not close its case, when:

- (1) state services are being provided or if there is unpaid assigned support;
- (2) there is an active deprived or delinquent state juvenile court case; or
- (3) there is a pending paternity, establishment, or modification action filed with the court by CSS and the non-applicant was served, unless the pending action is withdrawn or dismissed.

(e) **Registration of tribal child support orders.** CSS registers tribal child support orders in state courts per 28 U.S.C. § 1738B.

PART 37. RECOVERY

340:25-5-305. Overpayment and recovery policies

(a) **Legal authority.** Oklahoma Human Services (OKDHS), Child Support Services (CSS) recovers CSS overpayments per Title IV, Part A of Subchapter IV of Chapter 7 of Title 42 of the United States Code; Section 109.5 of Title 43 of the Oklahoma Statutes (43 O.S. § 109.5); and 56 O.S. §§ 171, 185, and 231 through 244.

(b) **Purpose.** The rules in this Part:

- (1) establish CSS policies and procedures used to recover CSS overpayments to custodial persons (CP), noncustodial parents (NCP), and other entities; and
- (2) resolve payment disputes arising from overpayments.

(c) **Overpayment recipient and categories.** An overpayment means a CSS payment to a CP, NCP, or other entity to which the entity or person is not entitled. The recipient of the overpayment owes the amount to CSS, acting on behalf of the state of Oklahoma. Categories of overpayments are described in (1) through (3) of this subsection.

- (1) Retained support occurs when the CP kept support payment(s) in violation of the assignment of support rights.
- (2) Erroneous payment occurs when CSS incorrectly paid money to a CP, NCP, or other entity, or failed to retain money assigned to Oklahoma because of an administrative error.
- (3) Bad debt occurs when:
 - (A) the funding for a payment CSS makes to a CP or NCP is subsequently withdrawn when a tax intercept or other collection is revoked;
 - (B) a check or other payment instrument CSS receives from an NCP or other payor on behalf of the NCP is dishonored after a payment is made to the CP; or
 - (C) CSS issues a payment to a CP based on an incorrect arrearage balance or an incorrect allocation of a payment.

(d) **Overpayment recovery.**

- (1) CSS may use any legal remedy to recover overpayments including, but not limited to:
 - (A) voluntary payments;
 - (B) state income tax refund intercepts per 68 O.S. § 205.2; and
 - (C) lottery prize claims, per 3A O.S. § 724.1.
- (2) When an overpayment resulted in whole or in part from false or misleading statements, concealed information, willful misrepresentation, or when fraud is otherwise suspected, CSS reports the information to the OKDHS Office of Inspector General

for appropriate action. Action may include, but is not limited to, investigation and criminal prosecution.

(3) In active Temporary Assistance for Needy Families (TANF) cases, when a TANF recipient retains child support receipts, CSS may make a noncooperation referral to Title IV-A staff. CSS recovers overpayments from TANF customers through voluntary payments, state income tax refund intercepts, and lottery prize claims.

(e) Recovery amount.

(1) To recover child support overpayments, CSS retains 25 percent of monthly current support payments collected for the recipient and retains the total amount of any arrearage payments collected at any time until the overpayment is recovered in full. The percent retained can be changed:

(A) at the CSS director's discretion; or

(B) when the CSS Center for Finance and Budget determines the overpayment is a result of CP fraud.

(2) When the CP receives his or her full monthly support payment in the same month as an overpayment, CSS retains the full amount of any subsequent payments for that month up to the overpayment amount. CSS satisfies any remaining overpayment as set forth in (1) of this subsection.

(f) Notice and administrative review.

(1) CSS sends an overpayment and recovery notice to the overpayment recipient. The notice includes the overpayment amount, payment withholding and collection remedies, and instructions for requesting an administrative review and hearing, per Oklahoma Administrative Code 340:25-5-200.1.

(2) The administrative review provides an opportunity for the overpayment recipient to offer new or additional information regarding the overpayment amount. After the review, CSS issues a notice of administrative review decision.

(3) When an agency, agent, or entity of the state of Oklahoma or another state owes the overpayment, CSS may collect the amount of overpayment without notice or providing the opportunity to object.

(g) Limits to overpayment recovery.

(1) CSS Center for Finance and Budget completes a case review on the balances owed to a CP prior to disbursing an overpayment.

(2) CSS is not responsible for creating or recovering overpayments for:

(A) non-Title IV-D time periods when non-Title IV-D cases convert to Title IV-D cases;

(B) time periods when:

(i) CSS collects under a court order that was later vacated or after the case is dismissed;

(ii) the parties fail to provide CSS with verification of a change in the child's physical custody;

(iii) CSS collects under a court order that is later modified; or

(iv) CSS collects under a court order and the child is adopted;

(C) time periods when cash medical support is distributed to a CP and the Oklahoma Health Care Authority retroactively certifies medical assistance; or

(D) ongoing regular payments during the period an NCP incarcerated.

(3) When a child support modification order is effective back to the date the motion to modify was filed and the modified support amount is less than the amount previously ordered and paid, CSS satisfies the amount due when the NCP owes past-due child support by offsetting the arrears amount, up to the balances currently owed.

(4) CSS does not charge, collect, or pay interest on overpayments.

(h) Issuing refunded amounts. When an NCP makes an overpayment, amounts less than \$3 are not refunded unless issued on an Electronic Benefits Transfer (EBT) card. Amounts less than \$3 and not issued on an EBT card are remitted to the OKDHS General Revenue Fund Treasury.

(i) Returning excess support amounts. When CSS receives a payment that exceeds the NCP's total arrears balance, CSS returns the excess amount to the payor within 45-calendar days after discovering the over collection.

(j) Payments made in error. When CSS receives an erroneous payment from the payor that is not disbursed, CSS returns it to the payor within 45-calendar days after discovery. CSS is not required to correct, redirect, or recover the payment unless it is retained;

(k) Payments that cannot be disbursed to a party.

(1) CSS applies support collections to other applicable balances associated with the NCP, such as assigned state balances or balances owed to another CP, when the:

(A) CP's address is unknown;

(B) CP fails to activate the debit card; or

(C) debit card is returned to the vendor.

(2) CSS remits a payment to the OKDHS General Revenue Fund Treasury, when the payment cannot be:

(A) disbursed to a CP;

(B) applied to assigned state balances associated with an NCP;

(C) disbursed to the NCP, when the:

(i) address is unknown;

(ii) debit card is not activated; or

(iii) debit card is returned to the vendor; or

(D) returned to the payor.

(l) Inactive status and closure of overpayment recovery cases.

(1) CSS may place an overpayment recovery case in inactive status when the whereabouts of the recipient of the overpayment are unknown. When the recipient is located, CSS returns the case to active status.

(2) CSS may close an overpayment recovery case when:

(A) the overpayment has been satisfied by payment in full;

- (B) the recipient dies and leaves no resources from which the overpayment may be paid; or
- (C) CSS determines that the overpayment is uncollectible.

340:25-5-339. Central Case Registry

(a) Oklahoma Human Services, Child Support Services (CSS) maintains a Central Case Registry (CCR) under Section 112A of Title 43 of the Oklahoma Statutes (43 O.S. § 112A). The mailing address of the CCR is: Oklahoma Child Support Services, Central Case Registry, P.O. Box 248843, Oklahoma City, Oklahoma 73124-8843. These rules apply to both IV-D and non-IV-D child support cases unless the context indicates otherwise.

(b) In a non-IV-D child support case, per 43 O.S. § 120, the attorney of record, the noncustodial parent (NCP), or custodial person (CP) who is not represented by an attorney, must prepare a Summary of Support Order, present it to the judge with the support order, and mail it to the CCR.

(c) CCR staff records the support order amount and other information on the statewide automated data processing and information retrieval system so that Oklahoma's Centralized Support Registry can issue support payments to the correct CP.

(1) Per 43 O.S. § 413, non-IV-D payments are properly identified and distributed to the CP via Oklahoma's Centralized Support Registry.

(2) Non-IV-D payments are distributed per Oklahoma Administrative Code (OAC) 340:25-5-350.3.

(d) CSS refers non-IV-D support payment inquiries from NCPs, attorneys, employers, and payors to the Customer Assistance Response Effort (CARE) at the telephone numbers provided in OAC 340:25-1-2.1.

340:25-5-340. Collection and maintenance of addresses of record

(a) **Scope and authority.** Section 112A of Title 43 of the Oklahoma Statutes (43 O.S. § 112A) provides the basis for Oklahoma Human Services (OKDHS) Child Support Services (CSS) to collect and maintain an address of record (AOR) for:

(1) parties and custodial persons (CP) subject to paternity orders or child support orders entered in Oklahoma;

(2) noncustodial parents (NCP) per 56 O.S. § 237A and Oklahoma Administrative Code 340:25-5-213 (OAC 340:25-5-213);

(3) parties and CPs subject to paternity orders or child support orders entered in other jurisdictions; and

(4) parties and CPs when voluntarily submitted.

(b) **Establishment of AOR.**

(1) CPs and NCPs establish the initial AOR through:

(A) completion of Form 03EN008E, Child Support Services - Address of Record and/or Family Violence Statement;

(B) designation in Form 03EN001E, Application for Child Support Services;

(C) a court order; or

(D) a support order summary form when services are not provided under the OKDHS state Title IV-D plan per 56

O.S. § 237.

(2) When an AOR is established, it remains in effect until it is updated per (c) of this Section.

(c) Updating an AOR.

(1) A person responsible for maintaining an AOR, on file with CSS per 43 O.S. § 112A or 56 O.S. § 237A must notify CSS of any change in the AOR within 30-calendar days. The person may send changes to CSS, Central Case Registry, PO Box 248843, Oklahoma City, Oklahoma 73124-8843 or to a district child support office. CSS may require proof of a person's identity before establishing or changing a person's name or the AOR and may attempt to verify or confirm the correctness of the AOR.

(2) A CP updates an AOR:

(A) by submitting a new AOR in writing;

(B) by calling CSS customer service at 405-522-2273 in the Oklahoma City calling area, 918-295-3500 in the Tulsa calling area, or toll-free at 1-800-522-2922. CSS updates the mailing address by phone. CSS sends Form 03EN008E, Address of Record and/or Family Violence Statement, in confirmation of the mailing address update and for the CP to complete and return an updated AOR or claim family violence; or

(C) through a court order.

(3) An NCP updates an AOR:

(A) by submitting a new AOR in writing; or

(B) through a court order.

(d) Disclosure of an AOR.

(1) A CP seeking disclosure of another party's or CP's AOR from CSS CCR must submit Form 03EN009E, Request for Address of Record, that:

(A) elicits information about the requester and the reasons for the request; and

(B) includes information about statutory limitations on the AOR release.

(2) CSS may:

(A) refuse to release an AOR per 43 O.S. §§ 112A & 413, OAC 340:25-5-67.1, or other applicable law; and

(B) release an AOR per OAC 340:25-5, Part 9.

(3) When the AOR is not included in a public record document, the AOR of a party or CP may be released by CCR staff or a CSS state's attorney after verifying that the sole purpose of providing the AOR is for service of process in support, visitation, or custody actions. The AOR release by a state's attorney is at the state's attorney's discretion per OAC 340:25-5-67.1 and 43 O.S. § 112A.

(4) When an AOR is established per OAC 340:25-5-340, CSS staff lists the AOR in the certificate of service for all court documents.

340:25-5-345.1. Accounting and fiscal policies and procedures

(a) In its accounting and fiscal policies and procedures related to collections, distribution, and reporting, Oklahoma Department of Human Services Child Support Services (CSS) follows standard accounting procedures and the applicable provisions of:

- (1) Section 1396k and Part A of Subchapter IV of Chapter 7 of Title 42 of the United States Code;
- (2) Parts 302 and 303 of Title 45 of the Code of Federal Regulations;
- (3) Sections 235 and 237 of Title 56, and Title 62 of the Oklahoma Statutes;
- (4) Oklahoma Administrative Code 340:2-11; and
- (5) directions and instructions from the Office of Management and Enterprise Services.

(b) CSS maintains an accounting system and supporting records adequate to ensure claims for federal funds meet applicable federal requirements per Part 75 of Title 45 of the Code of Federal Regulations.

(c) CSS maintains methods of administration designed to ensure separation of cash handling and accounting functions per (per 45 C.F.R. § 302.20).

(d) Employees and agents within the program are bonded against loss to meet the requirements in 45 C.F.R. § 302.19.

340:25-5-345.2. Definitions

The following words and terms, when used in this Part, shall have the following meanings unless the context clearly indicates otherwise:

"Allocation" is the process used to divide receipts among the eligible obligations of an obligor. Eligible refers to active and enforceable obligations that meet the criteria to be paid by the collection being allocated.

"Case type" means a payee, including, but not limited to:

- (A) custodial person (CP);

(B) support owed to another state; or

(C) reimbursement for:

(i) Temporary Assistance for Needy Families program;

(ii) Foster Care program; or

(iii) Office of Juvenile Affairs program.

"Cashier's check" means *a draft with respect to which the drawer and drawee are the same bank or branches of the same bank* per Section 3-104 of Title 12A of the Oklahoma Statutes (12A O.S. § 3-104).

"Certified check" means *a check accepted by the bank on which it is drawn* per 12A O.S. § 3-409.

"Check" means a draft payable on demand and drawn on a bank. A negotiable instrument may be a check even though it is described on its face by another term such as "money order" per 12A O.S. § 3-104.

"Disbursement" means when funds have been issued to the CP, another entity, or refunded to a noncustodial parent.

"Distributed payments" means funds have been logged to the case and the resulting issuance, if any, occurred.

"Distribution" is the federally mandated process for applying receipts after they are allocated.

"Forgery" means a fraudulently endorsed and subsequently cashed warrant.

"Monthly payment plan" means the plan approved by the court or a voluntary income assignment or acknowledgment executed by the obligor to ensure compliance with a support order, including current child support, cash medical, spousal support, and monthly payment on past-due support.

"Negotiable instrument" means *an unconditional promise or order to pay a fixed amount of money, with or without interest or other charges described in the promise or order*, if it meets the criteria outlined in 12A O.S. § 3-104.

"Obligation" means the monthly amount due for current support, past-due support, or both, along with total arrears for an obligor.

"Payee" means the person or entity to whom the check is written.

"Pended payments" means funds that are distributed to case balances but the payee has not yet received the money. Pended payments include, but are not limited to, cancelled by statute and stop pay issuances.

(A) **"Cancelled by statute"** means a warrant was issued but was not cashed by the payee within 90 calendar days.

(B) **"Stop pay"** means an Oklahoma Child Support Services (OCSS) warrant was issued but the payee requested the check not be approved for payment. The payee must complete Form 10AD044E, Affidavit of Lost or Destroyed Warrant, in order to initiate the stop payment process. Upon receipt of Form 10AD044E, OCSS notifies the Oklahoma State Treasurer and issues a replacement warrant.

"Unauthorized signature" means *a signature made without actual, implied or apparent authority. The term includes a forgery* per 12A O.S. § 1-201.

"Undistributed payments" means funds received but not yet distributed to a case balance.

"Warrant" means an unconditional written order by which one person or entity authorizes another person or entity to pay a sum certain of money to a third person or entity. A warrant is also known as a check or bank draft.

340:25-5-350.2. Unreimbursed public assistance

(a) Support rights assigned to the State constitute an obligation owed to the State by the person responsible for providing such support under Section 302.50 of Title 45 of the Code of Federal Regulations.

(b) In collecting unreimbursed public assistance, the Oklahoma Department of Human Services Child Support Enforcement Division (CSED) is governed by:

(1) Sections 608 and 657 of Title 42 of the United States Code;

- (2) Parts 302 and 303 of Title 45 of the Code of Federal Regulations; and
- (3) Section 238 of Title 56 of the Oklahoma Statutes.

[Source: Added at 17 Ok Reg 2426, eff 7-1-00 ; Amended at 23 Ok Reg 1842, eff 7-1-06]

340:25-5-350.3. Payment of support through Centralized Support Registry

(a) **Centralized Support Registry.** Oklahoma Department of Human Services (DHS) Child Support Services (CSS) operates a Centralized Support Registry (Registry), also known as the State Disbursement Unit, for the receipt, recording, allocation, distribution, and disbursement of support payments. CSS operates the Registry, per Sections 410 and 413 of Title 43 of the Oklahoma Statutes (43 O.S. §§ 410 and 413), Sections 302.51 and 303.100 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.51 and 303.100), and Sections 654b and 657 of Title 42 of the United States Code (42 U.S.C. §§ 654b and 657).

(1) This Section applies to both Title IV-D and non-Title IV-D cases, unless the context clearly indicates otherwise.

(2) When a non-Title IV-D child support case has an income assignment in place, the Registry processes child support payments received from unemployment compensation benefits as income assignments per federal and state law.

(b) **Support payments.**

(1) Support payments must be paid as instructed in writing by CSS to the Registry.

(2) CSS offices may accept support payments when a payment is made:

(A) in connection with a court action; or

(B) as part of a settlement agreement on a lien or levy.

(c) **Method of payment.** CSS may require payors and persons to provide information needed to identify and properly allocate and distribute payments and to submit payments to the Registry, per 43 O.S. § 413.

(1) Support payment amounts are converted from a foreign country's order amount to a United States (U.S.) dollar amount at the time of the referral or application and that exchange rate remains in place until the child support order is modified or the arrears are confirmed.

(2) CSS:

(A) allocates and distributes support payments, per Oklahoma Administrative Code (OAC) 340:25-5-351;

(B) modifies or enforces international orders, per OAC 340:25-5-285;

(C) safeguards case information and records received from payors and persons. Information and records concerning Title IV-D and non-Title IV-D recipients of services through the Registry are confidential, per 56 O.S. § 183 except as provided in OAC 340:25-5-67;

(D) sends custodial persons (CPs) a quarterly written notice of the amount of current support, arrears, and

interest collected, and the amount of collections paid to the CP. CPs may also obtain this information over the Internet or by phoning CSS, per OAC 340:25-1-2.1; (E) reserves the right to refuse to accept a personal or business check or direct debit after receiving a dishonored personal or business check, direct debit, electronic funds transfer (EFT), or other negotiable instrument from the same payor or on the same case; and (F) considers the date of collection to be the date payments are received by the Registry and applies payments to existing case balances as of that date. When a payment collected represents the current support amount for future months, the amount is applied to such future months when there are no past due balances on any of the noncustodial parent's (NCP's) cases, per 45 C.F.R. § 302.51.

(3) When CSS refuses to accept a personal or business check, direct debit, EFT, or other negotiable instrument from a payor per (2)(E) of this subsection, the payor:

- (A) must submit the payment by cashier's check, certified check, money order, or cash at a CSS verified payment location as identified on the CSS page at <http://www.okdhs.org>;
- (B) is added to the CSS Returned Payments List;
- (C) remains on the Returned Payments List until CSS receives the equivalent of 12 months of payments unless:
 - (i) the payment is returned due to missing endorsement;
 - (ii) the payor provides prior notification that payment will be returned and remits a replacement payment within 10-calendar days of notification in the manner required by CSS;
 - (iii) the returned payment is insufficient funds caused by a CSS Financial Institution Data Match levy; or
 - (iv) CSS deems the reason for returned payment is out of payor's control; or
- (D) must request removal from the Returned Payments List by contacting CSS, per OAC 340:25-1-2.1.

(4) CSS notifies the payor by mail:

- (A) of the reason for the returned payment;
- (B) that the payor was placed on the Returned Payments List;
- (C) that the payor must submit payments as outlined in (3) (A) of this subsection; and
- (D) how the payor can be removed from the Returned Payments List.

(5) When CSS removes the payor from the Returned Payments List and subsequently has another payment returned, the payor is added back to the Returned Payments List and remains there indefinitely.

(d) **EFT support payments.** NCPs, employers, and other payors may register to make electronic payments through the CSS online child support payment system (e-Pay), available through <http://www.okdhs.org/services/ocss/pages/paymentoptions.aspx>.

(1) To transfer child support payments electronically, NCPs, employers, and other payors must:

- (A) call CSS at the phone numbers provided in OAC 340:25-1-2.1 to set up the EFT process;
- (B) have a valid email account;
- (C) have Internet access;
- (D) be a legal owner of a:
 - (i) bank account held at a financial institution within the U.S.; or
 - (ii) VISA or MasterCard credit or debit card held at a financial institution within the U.S.; and
- (E) register to use e-Pay.

(2) E-Pay payments do not replace federally mandated income withholding and will not stop or cancel income-withholding orders for NCPs.

(3) CSS may adjust and release payroll deductions that were electronically transferred from an NCP's wages. When an adjustment cannot be processed in time to effect the change on the next scheduled electronic funds transfer, employers do not refund money to the employee, make adjustments to subsequent EFT payments, or take other action to correct the amount deducted.

(4) CSS reserves the right to:

- (A) close an e-Pay account and impose fees and charges when a scheduled payment transaction is returned for any reason;
- (B) add the payor to Returned Payments List, per (c)(3) of this Section; and
- (C) specify what payment formats are used to conduct the electronic funds transfer between businesses to state child support entities.

(e) **Payment issuance.**

(1) Per 42 U.S.C. § 654 and 45 C.F.R. § 302.38, CSS issues payments to the CP only by transferring funds electronically, also known as direct deposit, or through debit cards.

(2) In interstate cases, CSS issues payments to the initiating state Title IV-D agency by electronic funds transfer and only issues payments by paper warrant to initiating states that do not have an electronic funds transfer system.

(3) Payments issued by debit card.

- (A) When a DHS customer has a debit card, at the point of CSS initial child support payment issuance for a CP, a letter is mailed explaining that child support funds are added to the existing debit card account.
- (B) When a DHS customer was not issued an Oklahoma debit card at the point of CSS initial child support payment issuance, a letter is mailed explaining the debit card

activation process and that the debit card should be expected within 10- business days. The CP must activate the debit card within 90-calendar days of issuance.

(i) When a card is not activated, CSS mails a second letter to the CP after 45- calendar days and a third letter after 90-calendar days. The letters explain the importance of activating the debit card and that when the card is not activated within 90-calendar days the payment is no longer available on the debit card.

(ii) Payments issued to a CP who has not activated the debit card are returned to CSS after 90-calendar days. When payments are returned to CSS, payments are applied, per OAC 340:25-5-350.4. When the payments were distributed to other case balances or returned to the NCP, the payments are not redistributed to the CP.

(4) Payments issued by direct deposit. After receiving a debit card, the CP may enroll in direct deposit by calling the toll-free customer service phone number located on the back of the debit card. There are no charges or fees for receiving child support payments by direct deposit. A CP must have a bank account held at a financial institution within the U.S. to receive direct deposit child support payments and normal banking charges may apply.

(f) Forged endorsement on warrants.

(1) When a CP reports that a warrant has been fraudulently cashed, CSS compares the payee's signature against the endorsement on the warrant and verifies that the signatures do not match.

(2) CSS sends the following completed and signed documentation by the payee to the Oklahoma State Treasurer's Office (OST):

(A) Form 10AD044E, Affidavit of Lost or Destroyed Warrant;

(B) Form 10AD045E, Affidavit of Forged Endorsement; and

(C) Form 10AD046E, Investigation Questionnaire.

(3) CSS issues a replacement warrant to the payee after CSS receives the return of funds from OST and the OST mandatory 60-calendar day holding period closes.

(g) Overcollected support amounts. CSS returns overcollected support amounts, per OAC 340:25-5-350.1.

(h) Payment errors. When payments were disbursed, CSS manages payment errors as described in this subsection.

(1) When a payor makes a payment error, CSS is not required to correct, redirect, or recover the distributed payment, unless it was retained by DHS.

(2) When CSS errs, CSS recovers overpayments to parties or CPs in Title IV-D and non-Title IV-D cases, per OAC 340:25-5, Part 37.

(i) Suspicious payment activity. CSS restricts use of payment methods by imposing limits, hold times, or other measures when CSS believes that suspicious activity occurred or may occur on a payor's account.

340:25-5-350.4. Undistributed and pended issuance payments

(a) **Undistributed payments.** When a payment cannot be distributed to a case balance, Oklahoma Child Support Services (OCSS) temporarily suspends the application of the payment.

(b) **Pended payments.** A payment is pended when it is distributed to a case balance but the issuance of the payment is temporarily suspended. Reasons why a payment has not been issued may include, but are not limited to:

- (1) federal income tax refund intercept under OAC 340:25-5-215;
- (2) forgery under OAC 340:25-5-350.3;
- (3) inactivated debit card;
- (4) warrant cancelled by statute; and
- (5) warrant with a stop pay.

(c) **Payment resolution.** OCSS researches the reason for the undistributed or pended status in the automated Oklahoma Support Information System (OSIS), resolves and processes the payment by:

- (1) adjusting the case balance to distribute to the custodial person or other balances;
- (2) applying to balances on other cases; or
- (3) refunding to the payor.

[Source: Added at 26 Ok Reg 1245, eff 7-1-09]

340:25-5-351. Allocation and distribution of collections

(a) **Authority.** Oklahoma Human Services Child Support Services (CSS) allocates and distributes support collections, per Section 657 of Title 42 of the United States Code (42 U.S.C. § 657) and Sections 302.32, 302.51, and 302.52 of Title 45 of the Code of Federal Regulations (45 C.F.R. §§ 302.32, 302.51, and 302.52). CSS collects fees, per 42 U.S.C. § 654, 45 C.F.R. § 302.33, and Section 237 of Title 56 of the Oklahoma Statutes (56 O.S. § 237).

(b) **Fees.** CSS collects fees, per 42 U.S.C. § 654, 45 C.F.R. § 302.33, and 56 O.S. § 237. A case is exempt from fees when the custodial person (CP) is currently receiving Temporary Assistance for Needy Families (TANF). Fees are withheld prior to child support distribution to the CP. CSS collects:

- (1) an annual fee on eligible cases, per 45 C.F.R. § 302.33. When there is more than one Title IV-D child support program involved, CSS collects the annual fee on cases when Oklahoma is the initiating state; and
- (2) a three percent service fee for each payment distributed to the CP, up to a \$10.00 per month maximum except when the CP is currently receiving SoonerCare (Medicaid).

(c) **Allocation.**

(1) **General allocation.** Allocation refers to how a payment is divided among eligible obligations. Some obligors have more than one child support case and the allocation rules determine which case receives all or a portion of the collection received. A collection is allocated based on the source of the collection and the type of legal action resulting in a collection.

(2) **Allocation models.** CSS divides collections among the obligor's eligible obligations based on the following models.

(A) **Standard.** All payments not made by income withholding order or federal income tax refund offset are allocated to eligible obligations in (i) through (iii):

(i) prorated to the current child support, cash medical support, and spousal support;

(ii) prorated to the monthly payment plan on past support; and

(iii) amounts remaining from the initial collection or additional collections received during the same month will allocate based on a prorated share of total arrears owed on all eligible obligations. The allocated amounts cannot exceed the total arrears due on the cases.

(B) **Income Withholding Order (IWO).** Periodic payments from an IWO are allocated to eligible obligations in (i) through (iii):

(i) prorated to the current child support, cash medical support, and spousal support;

(ii) prorated to the monthly payment plan on past support and other judgment(s), such as judgments for genetic testing costs; and

(iii) the steps in (1) and (2) of this subsection are repeated for amounts remaining from the initial collection or additional collections received during the same month, until the entire collection is allocated.

(C) **Internal Revenue Service (IRS).** Collections received from the offset of federal income tax refunds are allocated according to the existing federal hierarchy, per 42 U.S.C. § 657 and 45 C.F.R. § 303.72. CSS allocates only to balances certified to the IRS. CSS applies these collections to each eligible obligation:

(i) first to balances certified to the IRS as public assistance; and

(ii) then to any CP's certified balances.

(3) **Specific enforcement actions.** Collections received from case-specific enforcement actions are not allocated across all cases, but are allocated to the case(s) in which the action is taken.

(4) **Non-Title IV-D cases.** In non-Title IV-D cases, CSS allocates payments as follows:

(A) payments received from an IWO are allocated using the IWO model. Collections are allocated to non-Title IV-D

cases based on the amounts listed in the non-Title IV-D IWO; and

(B) all other payments are allocated using the Standard model. When CSS receives information on processing a specific payment, CSS may allocate the payment based on that information.

(5) Intergovernmental cases.

(A) **Incoming.** In cases where CSS is collecting support for a CP who is receiving services from another jurisdiction's child support agency, past-due payments are allocated based on information the initiating state provides.

(B) **Outgoing.** Collections received from other jurisdictions resulting from an outgoing referral are allocated to that case.

(d) Distribution.

(1) CSS distributes collections based on the federal distribution hierarchy, per 42 U.S.C. § 657 and 45 C.F.R. §§ 302.32 and 302.51.

(2) CSS initially distributes collections to current support and current cash medical support obligations due each month. When collections are less than the amount of all current support and current cash medical support due, CSS distributes collections between the current child support and the current cash medical support obligations in proportionate shares.

(3) After the current child support and current cash medical support obligations are met, CSS distributes collections to current spousal support due.

(4) After current child support, current cash medical support, and current spousal support obligations are satisfied, remaining collections for the month are distributed to past-due balances.

(5) CSS distributes payments to interest owed after current child support and principal arrears balances are paid in full to each obligation.

(6) When a payment collected represents current support for future months, the amount is applied to such. When past support balances exist on any of the noncustodial parent's cases, payments are not applied to the next month's current support, per 45 C.F.R. § 302.51.

(e) Distributed payment adjustments. When CSS determines a payment adjustment is required, CSS makes the necessary corrections to the statewide automated data processing and information retrieval system.

SUBCHAPTER 1. GENERAL PROVISIONS

340:40-1-1. Purpose, legal basis, and State Plan

(a) **Purpose.** The purpose of this Chapter is to describe the rules governing the Oklahoma Human Services (OKDHS) Child Care Subsidy Program.

(b) **Legal basis.** The legal basis for the Child Care Subsidy Program is granted under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law (P.L.) 104-193, the Child Care and Development Block Grant Act of 2014, P.L. 113-186, the Balanced Budget Act of 1997, P. L. 105-33, and Parts 98 and 99 of Title 45 of the Code of Federal Regulations. The Child Care Subsidy Program also receives funding from Title XX of the Social Security Act.

(c) **State Plan.** OKDHS administers the Child Care Subsidy State Plan. OKDHS Child Care Services is responsible for directly administering and implementing all programs funded by the Child Care and Development Fund in collaboration with Adult and Family Services, Financial Services, and the Office of the Inspector General.

340:40-1-4. Complaints and information disclosure

(a) **Complaints.** All household complaints or complaints made by others on a household's behalf about program rules application are handled, per Oklahoma Administrative Code (OAC) 340:2-5, which describes hearing procedures. The Oklahoma Human Services (OKDHS) Office of the Inspector General, Investigations Unit investigates alleged program abuses using procedures, per OAC 340:2-7. Complaints alleging lack of adequate child care by a child care provider are referred to the local

licensing representative responsible for the facility in question.

(b) **Information disclosure.** The use or disclosure of information concerning applicants or recipients of Child Care Subsidy program benefits is restricted to purposes directly connected with program administration, per federal and state laws and OKDHS rules and regulations.

340:40-1-6. Philosophy and goals of the child care program

(a) **Strengthen the family and promote early childhood development.** Subsidized child care is a benefit provided for children as a means to strengthen the family and promote early childhood development. Providing safe and affordable child care benefits for low income families:

- (1) enables parents or caretakers to participate in employment, training, or education-related activities to become more self-supporting;
- (2) promotes early childhood development and school readiness through rules that support continuity of care and stability of child care placement; and
- (3) helps prevent neglect, abuse, or exploitation of children in certain critical situations.

(b) **Promote choice.** Parents or caretakers can choose between a licensed and contracted child care center or family child care home, or a contracted in-home child care provider when deciding on the type of child care that best meets the family's needs.

(c) **Provide consumer education.** The Child Care Subsidy Program encourages parents and caretakers to become educated on choosing a provider that best suits the needs of their families through online resources at www.okdhs.org and through the local Child Care Resource and Referral agency.

(d) **Achieve independence.** Affordable, quality child care is a necessary work support to help move families receiving Temporary Assistance to Needy Families (TANF) families cash assistance to self-support through employment or TANF Work activities.

(e) **Encourage collaboration.** The Child Care Subsidy Program encourages collaboration with all agencies and programs that help to strengthen families and increase resources available to them.

SUBCHAPTER 3. INITIAL APPLICATION

340:40-3-1. Application process

(a) **Application process.** The application process for subsidized child care benefits begins with a request for benefits and ends with an eligibility determination. Application approval is subject to available funding. Subsidized child care benefits are synchronized with the applicant's food benefits or SoonerCare (Medicaid) benefits, per Oklahoma Administrative Code (OAC) 340:40-9-1(f). Child Welfare Services or Adult and Family Services (AFS) staff processes the application.

(1) **When an application is required.** An application is required when:

- (A) an applicant initially applies for subsidized child care benefits. Refer to (c)(2) of this Section when an application is denied;
- (B) the client's subsidized child care benefits are closed for more than 30-calendar days;
- (C) the payee for the subsidized child care benefits changes; or
- (D) the family income was not considered, per OAC 340:40-7-12(6), and one or more of the affected adopted children turns 6 years of age, unless the child can be added to an open income eligible case, per OAC 340:40-9-2(d).

(2) **Who may apply.** An applicant or the applicant's authorized representative may apply for subsidized child care benefits. When an authorized representative applies on an applicant's behalf, the representative must bring Form 08MP008E, Authorized Representative Request or a statement the applicant signs giving the representative permission to act on the applicant's behalf, unless the applicant designated the person as the authorized representative on the signed application.

- (A) When the natural or adoptive parent or stepparent lives with the child, the parent is the applicant, and Oklahoma Human Services (OKDHS) bases eligibility on the parent's situation regardless of whether the parent has custody of the child.
- (B) When both the natural and adoptive parent of the child live in the same household and the adoption is final, the adoptive parent is the applicant, and OKDHS bases eligibility on the adoptive parent's situation.
- (C) When the natural or adoptive parent or stepparent is not in the home, the person acting in the role of the parent, referred to as the caretaker, is the applicant. The caretaker may or may not be related to the child.
- (D) When the child's parent is a minor, either the minor parent or the responsible adult the minor lives with may be considered the applicant for the subsidized child care

benefits. Eligibility is based on the minor parent's situation.

(E) When the natural or adoptive parent lives in the home but is too incapacitated to apply, another person living in the home may apply on the parent's behalf when the person provides proof of the parent's inability to apply.

(3) **Application.** An applicant or the applicant's authorized representative completes and signs an application to apply for subsidized child care benefits. When the applicant requests child care for a child with disabilities, the worker gives Form 08AD006E, Certification for Special Needs Rate for Licensed Child Care Homes and Centers, to the applicant.

(4) **Request date.** The request date, known as the application date for other AFS programs, is the date the applicant requests subsidized child care benefits verbally or in writing.

(5) **Certification date.** The certification date is the date the applicant or the applicant's authorized representative completes the child care interview and provides all necessary verification to the county office, including the name of the child care provider the client chooses to use.

(A) The provider must have a valid OKDHS child care provider contract.

(B) Refer to OAC 340:40-5-1(7) for reasons an applicant may not choose certain child care providers.

(C) For applicants choosing an in-home provider, refer to OAC 340:40-13-1 and 340:40-13-2.

(6) **Child care interview.** Child care interviews may be completed face-to-face or over the phone with the applicant or authorized representative.

(7) **Explanation of eligibility factors.** At the time of an initial interview, the worker informs the applicant or authorized representative of:

(A) the rights and responsibilities;

(B) all eligibility factors, including the requirement that the chosen child care provider be contracted with OKDHS;

(C) the child care plan and reason child care may be approved based on the applicant's statements at interview;

(D) the applicant's electronic benefit transfer (EBT) responsibilities including viewing the client training video;

(E) the earliest date child care may be approved;

(F) the requirement to cooperate with the OKDHS Office of Inspector General during any audit or investigation of the applicant or the provider the applicant uses for child care; and

(G) the requirement to report within 10-calendar days when household income exceeds the income eligibility threshold per OKDHS Appendix C-4, Child Care Eligibility/Copayment Chart. At certification and renewal, a computer-generated notice issues to inform the client of the current income eligibility threshold for family size.

(8) **Timeliness.** To be timely, the worker must determine eligibility within two-business days of receiving all necessary verification to certify or deny the application.

(A) When the applicant does not provide requested verification, the worker denies the request within 30-calendar days of the request date.

(B) When eligibility is not determined within 30-calendar days, the worker sends Form 08MP038E, Client Notice of Action Taken, explaining the reason for delay.

(9) **Right to appeal.** The applicant has the right to appeal an application processing delay or eligibility decision, per OAC 340:2-5-60 through 340:2-5-81.

(b) **Presumptive eligibility processing.** The worker may presumptively approve a maximum of 30-calendar days of child care prior to making a complete eligibility determination when a reason described in (1) of this subsection applies.

(1) Reasons include when the applicant:

(A) is in danger of losing a job or cannot start a new job unless child care is immediately approved. In this circumstance, it must be out of the applicant's control to provide required verification and the applicant does not have the money to pay toward the cost of child care;

(B) is employed but has not received pay from the job and is not guaranteed a wage because the applicant is self-employed or works on a commission-only basis. Further care is not approved until the applicant provides proof of the applicant's earnings from the job; or

(C) requests protective or preventive child care, per OAC 340:40-7-8(f).

(2) The worker gives or sends the applicant Form 08AD092E, Client Contact and Information Request, to inform the applicant what the applicant needs to provide before further care is approved.

(c) **Eligibility determination.** The worker determines the applicant's eligibility to receive child care subsidy benefits based on eligibility conditions, per OAC 340:40-7. The applicant must meet a need factor within 30-calendar days of the request date. After calculating family income, the worker uses OKDHS Appendix C-4, Child Care Eligibility/Copayment Chart, to determine if the household meets the income eligibility threshold. Refer to OAC 340:40-5-1(8) and 340:40-7-10 through 340:40-7-13 for information regarding income determination.

(1) **Applicant determined eligible.** The earliest date the worker approves subsidized child care benefits is the date the applicant completes the child care interview and provides all necessary verification to determine eligibility. The worker certifies the applicant for a 12-month eligibility period, per Section 98.21 of Title 45 of the Code of Federal Regulations. The applicant is responsible for child care used before the certification date.

(A) The applicant or recipient records attendance with his or her EBT card through a point-of-service machine or through the mobile app at the child care facility.

(B) OKDHS does not pay for care for any day the child attends child care when the client fails to record attendance, unless extenuating circumstances exist beyond the client's or provider's control.

(C) When the applicant or recipient fails to record attendance, the applicant is responsible for any care provided that day and may be responsible for any missed absent-day payment the child care provider would have received if all days the child attended were recorded.

(2) **Applicant determined ineligible.** The worker denies the child care request or application when the applicant completes the application process and is determined ineligible, does not provide needed verification, or fails to cooperate in determining eligibility.

(A) When the applicant is determined ineligible after completing the application process and providing necessary verification, a new application is required regardless of the original request date.

(B) When the worker denies the child care request because the applicant did not provide required verification, including choice of provider, a new application is not needed when the applicant completes the application process and provides necessary verification within 60-calendar days of the original request date.

(C) When the worker denies the child care request because the applicant fails to cooperate in determining eligibility, a new application is not required if the applicant cooperates within 30-calendar days of the original request date.

SUBCHAPTER 5. CHILD CARE PLAN

340:40-5-1. Child care plan

Providing child care is part of an overall service plan designed to help eligible parents or caretakers to achieve their maximum self-support potential. Quality child care services ensure that eligible parents or caretakers have access to adequate care that affords their children developmental and learning experiences while they are engaged in self-

support activities. The child care plan consists of many components that link to form a goal-directed child care plan as described in (1) through (11) of this Section.

(1) **Child characteristics.** The worker gathers information about the child who needs child care, including his or her name, age, grade level, and if the child has a disability.

(2) **Need for child care.** The worker determines if the parent or caretaker meets a need factor, per Oklahoma Administrative Code (OAC) 340:40-7-7 and 340:40-7-8.

(3) **Plan hours.** To document the need factor, the worker gathers information from the parent or caretaker about the days and hours he or she qualifies for child care, including travel time.

(A) When there are two parents or caretakers in the home, the worker only approves subsidized child care benefits when both parents or caretakers meet a need factor during the same hours, per OAC 340:40-7-7 and 340:40-7-8.

(B) Based on the days and hours the child requires care, the worker approves a full-time daily, part-time daily, a combination of full-time and part-time daily, weekly, or a blended unit type.

(C) Refer to OAC 340:40-7-7(e) for plan hours concerning a child attending an Early Head Start-Child Care Partnership (EHS-CCP) grant program or an Oklahoma Early Childhood Program (OECPP).

(D) The worker does not decrease the child care plan hours because the client no longer meets a need factor or has a decreased need for child care between renewal periods, per Section 98.21(a) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 98.21) and OAC 340:40-9-2(b).

(4) **Alternative to subsidized child care benefits.** The worker and client explore whether there is an appropriate, feasible alternative to Oklahoma Human Services (OKDHS) subsidized child care benefits.

(A) When the alternative is a spouse or the child's natural or adoptive parent who lives in the home, the client must use the alternative rather than subsidized child care benefits.

(B) When the alternative is someone other than a spouse or the child's parent or caretaker, the client may choose whether to use the alternative.

(5) **Plan to increase income.** At each application or renewal, the client and worker explore ways the client may become more self-supporting by increasing household income. Increasing household income may include pursuing a work promotion, searching for a higher paying job, or increasing job skills. The client is also instructed to pursue any identified potential income, per OAC 340:40-7-9.

(6) **Back up plan.** The worker and client discuss and develop a backup plan for child care when the child cannot go to the usual

provider because of illness, school holidays, or other emergencies. The backup plan includes the name and address of a person the client feels he or she can rely on when the normal child care plan cannot be used.

(7) **Provider Choice.** The worker documents the provider choice on the application or renewal form.

(A) When the client does not choose a provider at the time of request, the worker provides the client with information to help in making the choice.

(B) The client may choose a family child care home regardless of star status.

(C) The client may choose a Community Hope Center that is not subject to the Stars quality rating system.

(D) The client may not choose a child care:

(i) program that does not have a valid contract with OKDHS;

(ii) program in which the client or his or her spouse, including the child's parent or stepparent, has an ownership interest;

(iii) home in which the child resides;

(iv) home in which the client also works during the hours his or her child is in care;

(v) provider who does not allow parental access during the hours the provider is caring for children;

(vi) program receiving state or federal funds, such as Head Start, Early Head Start, or public schools, and not charging all parents for the hours subsidy payment is requested. EHS-CCP grant programs and OECPs are exempt from this rule;

(vii) provider caring for a school-age child during the regular school day when the student could be attending a public or private school during those hours;

(viii) center, when it is a one-star facility, unless there are no centers with a higher star status in the community or special exception criteria are met. Special exception criteria are:

(I) the child was approved for care prior to the provider's star status being reduced to one star. The child may remain at the facility unless the child stops attending there for more than 30-calendar days. The child may be approved at the same facility again when the only reason the child did not attend for more than 30-calendar days was because of a school break or circumstances beyond the family's control, such as the child's illness;

(II) care is requested for a child living in the same home as a child already approved for

care, per (7)(C)(viii)(I) of this subsection for the same one star child care provider; or (III) the parent or caretaker demonstrates there is no other child care option that meets the family's needs; or

(ix) in-home provider who is not related to the child. Per OAC 340:40-13-2, related means an aunt, uncle, grandparent, great grandparent, or sibling not living in the home.

(8) **Income determination.** Per OAC 340:40-7, the worker determines who is considered part of the household for income determination and what income is countable or excluded. The household's countable income must not exceed the income eligibility threshold, per OKDHS Appendix C-4, Child Care Eligibility/Copayment Chart.

(9) **Family share copayment.** The worker refers to OKDHS Appendix C-4 to determine the family share copayment for each family. The family share copayment is applied before OKDHS pays a child care subsidy. 17 The family's copayment cost varies based on family size and income.

(A) The family share copayment is determined at approval and may not be increased until renewal, per 45 C.F.R. § 98.21(a)(3). When the worker anticipates changes in household income at approval, such as when the client starts a new job and does not receive a full month's pay for the application month, the worker increases household income and the family share copayment for the next month in the certification action. All family share copayment changes made at certification are included in the approval notice(s).

(B) When household income decreases during the eligibility period, the worker decreases the family share copayment, when applicable, per OAC 340:40-9-2(c). Following a decrease, the copayment is not increased until renewal unless the household income exceeds the income eligibility threshold, per OKDHS Appendix C-4.

(C) At renewal, when the family's income exceeds the income eligibility threshold, per OKDHS Appendix C-4, the worker closes the child care benefits.

(10) **Social services requests.** When a client requests help in meeting the social services needs listed on the application or renewal, the worker provides all available information to aid a client in meeting these needs.

(11) **Client rights and responsibilities.** The worker informs the client of his or her rights and responsibilities per (A) through (G) of this paragraph.

(A) A child care request is only approved back to the request date when the interview is conducted and verification is provided on the request date.

(B) The client has the right to ask for a fair hearing when the client disagrees with an action taken on his or her

case, per OAC 340:2-5.

(C) The provider may charge the client for special fees, such as enrollment or transportation fees, provided these fees are posted and also charged to families attending the facility who do not receive subsidized child care.

(D) The provider may charge the client for care provided in excess of the OKDHS-approved child care plan when the client chooses to leave the child in care longer. When the provider requires all children in the facility to begin care by a certain time of day and the client's child care plan hours start later, the provider must not charge the client for the additional hours. The client records attendance based on the child care plan hours.

(E) The provider may charge the client for any days OKDHS refuses to pay for care because the:

- (i) client did not record attendance for the correct days and times his or her child attended child care;
- (ii) payment for attendance was denied and the client did not resolve the problem within 10-calendar days; or
- (iii) provider lost the absent-day payment for a child approved for a weekly unit type because the client did not record correct attendance for every day the child attended that month.

(F) The provider may not charge the client for days:

- (i) and hours covered in the child care plan when all attendance was correctly recorded, even when the hours are more than customary for a full-time day; and
- (ii) the child is not in attendance.

(G) The client is required to cooperate with the OKDHS Office of Inspector General in any audit or investigation of possible overpayments by the client or the client's chosen provider.

SUBCHAPTER 7. ELIGIBILITY

340:40-7-1. Categories of eligibility

A person may be predetermined eligible for a child care benefit, determined income eligible based on the gross income of the household,

or have dual eligibility with his or her tribe.

(1) **Predetermined eligible.** A person is predetermined eligible for a child care benefit with a zero copayment when he or she is a recipient of public assistance or Supplemental Security Income (SSI). Public assistance is defined as a State Supplemental Payment (SSP), Temporary Assistance for Needy Families (TANF) that includes Supported Permanency, or Refugee Resettlement Program (RRP) cash assistance.

(A) TANF recipients who work and are eligible for a child care benefit may choose to receive a child care benefit through the Oklahoma Department of Human Services (DHS) or pay for the child care themselves. When they choose to pay for the child care cost, it is considered as an earned income exemption for the TANF benefit per Oklahoma Administrative Code 340:10-3-33.

(B) A person receiving public assistance or SSI is not predetermined eligible for a zero copayment when the recipient is a child and the parent or guardian requesting the benefit for the child is not the payee on the public assistance or SSI payment.

(2) **Income eligible.** Households not predetermined eligible for a child care benefit must meet the income eligibility threshold for their family size, per DHS Appendix C-4, Child Care Eligibility/Copayment Chart, to receive assistance with child care costs.

(3) **Transitional child care.** Per Section 230.61 of Title 56 of the Oklahoma Statutes, a TANF recipient who becomes employed is eligible for transitional child care benefits for 24 months following the date of employment as long as he or she meets the income eligibility threshold, per DHS Appendix C-4, for his or her family size unless the:

(A) employer provides child care benefits; or

(B) recipient's gross monthly earned income exceeds the monthly allowance of assistance pursuant to the TANF program plus the cost of child care and medical insurance to which the recipient would be entitled.

(4) **Dual eligibility.** A person may have dual eligibility to receive child care assistance through the DHS Child Care Subsidy Program and his or her tribe. However, the child care provider may not receive payment for the same service from both programs simultaneously.

340:40-7-3. Age requirements

(a) A child is eligible for subsidized child care benefits through the day before he or she turns 13 years of age. When a child turns 13 years of age during an eligibility period, the child remains eligible until the next renewal.

(b) A child with disabilities may be eligible to receive subsidized child care benefits through the day before he or she turns 19 years of age. When a child with disabilities turns 19 years of age during an eligibility period, the child remains eligible until the next renewal.

(1) A child with disabilities is defined at Oklahoma Administrative Code (OAC) 340:40-7-3.1.

(2) When a child with disabilities is 13 years of age or older, the client must provide a statement from a licensed health care professional verifying the child is physically or mentally incapable of self-care as age appropriate before care is approved and annually at review. If the licensed health care professional states that the child is capable of self-care as age appropriate, care is not approved.

(c) A child under court supervision may be eligible to receive subsidized child care benefits through the day before the child turns 19 years of age. When a child under court supervision turns 19 years of age during an eligibility period, the child remains eligible until the next renewal. When the child is 13 years of age or older, the client must provide a copy of the court order, a statement from the child welfare specialist, or the Office of Juvenile Affairs (OJA) worker verifying this before care is approved and annually at renewal.

340:40-7-3.1. Child with disabilities and special needs rate approval process

(a) **Child with disabilities.** A child with disabilities is defined as a child who receives Supplemental Security Income (SSI), SoonerStart early intervention services documented on an Individualized Family Service Plan (IFSP), or special education services documented on an Individualized Education Program (IEP), by the child's local school district. This definition also includes a child whose SSI payment stops because of financial reasons, but who still meets the medical definition of disability as determined by the Social Security Administration (SSA).

(1) When a child with disabilities is 13 through 18 years of age, the client must provide a statement from a licensed health care professional verifying the child is physically or mentally incapable of self-care as age appropriate before care is approved and annually thereafter.

(2) When the licensed health care professional states the child is capable of self-care as age appropriate, subsidized child care benefits are not approved.

(b) Special needs rate approval process. The special needs rate, if approved, is paid in addition to the rate paid for a typical child. When a child does not meet the definition of a child with disabilities, the child is not approved for a special needs rate. A child with disabilities may be approved for a moderate or severe special needs rate unit type after the special needs rate approval process is completed. When the worker determines the child is eligible for subsidized child care benefits before the special needs rate approval process is completed, the worker approves the child for a typical child unit type. The special needs process includes steps described in (1) through (5) of this subsection.

(1) The parent or caretaker must provide proof the child meets the definition of a child with disabilities and information about the child's care needs. Proof is required prior to approval of the special needs rate and annually thereafter.

(A) For a child under 3 years of age, the parent or caretaker submits the child's current IFSP. The IFSP verifies the child receives SoonerStart services and documents the child's care needs.

(B) For a child over 3 years of age, the parent or caretaker submits the child's current IEP. The IEP verifies the child receives special education services and documents the child's care needs.

(C) When the child receives SSI, the parent or caretaker submits the child's award letter or other proof from SSA that verifies SSI receipt. When the child does not receive SoonerStart or special education services, the parent or caretaker submits a statement from a health professional describing the child's care needs.

(2) The parent or guardian, child care provider, Child Care Services (CCS) licensing staff, and the Adult and Family Services (AFS) Child Care Subsidy staff completes the appropriate sections of Form 08AD006E, Certification for Special Needs Rate for Licensed Child Care Homes and Centers. Determination of special needs certification requirements are made by the:

(A) AFS Child Care Subsidy staff for the child; and

(B) the CCS licensing specialist for the provider.

(3) AFS Child Care Subsidy staff uses Form 08AD007E, Scoring Sheet for Special Needs Rate Determination, to score the 08AD006E. The child's care needs must be within the scoring range shown on Form 08AD007E for moderate or high need to qualify for a special needs rate.

(4) When the child and the provider meet certification requirements for the special needs rate, the rate is effective the first of the month following the month AFS Child Care Subsidy staff signs Form 08AD006E. When the child does not start child care until after the special needs rate is approved, the rate is effective the first date care is approved.

(5) Once the child is approved for one of the special need rates, a new Form 08AD006E is required when:

- (A) the child's needs change;
- (B) the child moves to a different child care facility;
- (C) the child stops attending the facility that was approved for the special needs rate unit type for more than six months; or
- (D) CCS licensing staff withdraws the provider's special needs certification per Oklahoma Administrative Code (OAC) 340:110-1-9.1 and the provider subsequently demonstrates compliance.

(c) Supplemental Security Income-Disabled Children's Program (SSI-DCP). A child between birth to 18 years of age receiving SSI may be eligible for additional services per OAC 340:70-8-1 and enrichment child care per OAC 340:40-7-8(f).

340:40-7-4. Identity and Social Security number

(a) **Identity.** The identity of the person making application for child care services must be verified. When an authorized representative applies on behalf of a household, the worker verifies the identity of both the authorized representative and the applicant. Identity may be verified through readily available documentary evidence, or if evidence is unavailable, through a collateral contact. Any documents that reasonably establish the applicant's identity must be accepted, and no requirement for a specific type of document, such as a birth certificate, may be imposed. Examples of acceptable documentary evidence that the applicant may provide include, but are not limited to:

- (1) a driver license;
- (2) a work or school identification (ID);
- (3) an ID for health benefits or for other assistance or social service program;
- (4) a voter registration card;
- (5) wage stubs; or
- (6) a birth certificate.

(b) **Social Security number (SSN).** The client is not required to provide a SSN for any member of the household in order to receive subsidized child care benefits.

340:40-7-5. Resources, residence, and citizenship

(a) Household resources must not exceed \$1,000,000 for subsidized child care, per Section 658P(4) of the Child Care and Development Block Grant Act of 2014, Public Law 113-186 (P.L. 113-186). Resources include, but are not limited to:

- (1) liquid resources, such as cash;

- (2) financial institution account balances;
- (3) certificates of deposit;
- (4) stocks;
- (5) bonds; and
- (6) real property other than home property.

(b) A parent or caretaker's statement that he or she lives in Oklahoma meets the residence requirement for child care.

(c) Only the child for whom child care is requested must meet the citizenship and alienage requirements.

- (1) A child eligible to be included in a child care benefit must be a:

(A) citizen or a national of the United States (U.S.), including the 50 states, District of Columbia, Commonwealth of Puerto Rico, Virgin Islands, Guam, American Samoa, and Northern Mariana Islands. The child may be a citizen of the U.S. by being born in the U.S. or by being born in some other country but moving to the U.S. and being granted U.S. citizenship through the U.S. Citizenship and Immigration Services (USCIS), a bureau of the Department of Homeland Security; or

(B) qualified alien:

- (i) who is lawfully admitted for permanent residence under the Immigration and Nationality Act (INA);
- (ii) who is paroled into the U.S., per Section 212(d) (5) of INA, 8 United States Code (U.S.C.) 1182, for a period of at least one year;
- (iii) who is granted conditional entry, per Section 203(a)(7) of INA, 8 U.S.C. 1153, as in effect prior to April 1, 1980;
- (iv) who is granted asylum, per Section 208 of INA;
- (v) who is admitted to the U.S. as a refugee, per Section 207 of INA, 8 U.S.C. 1157;
- (vi) whose deportation is withheld, per Section 241(b)(3) of INA;
- (vii) who is a Cuban or Haitian entrant, per Section 501(e) of the Refugee Education Assistance Act of 1980;
- (viii) who was battered or whose parent or caretaker was battered, per Section 431(c) of the Personal Responsibility and Work Opportunity Reconciliation Act as amended, per 8 U.S.C.1641(c);
- (ix) who was a victim or whose parent or caretaker was a victim of a severe form of trafficking, per Section 107(b) of the Trafficking Victims Protection Act of 2000 that was reauthorized and amended, per Trafficking Victim's Protection Reauthorization Act of 2003;
- (x) who is an Afghan non-special immigrant parolee, known as a humanitarian parolee, per the

Afghanistan Supplemental Appropriations Act 2022 enacted on September 30, 2021, Section 2502 of P.L. 117-43, as modified by Section 106(3) and 149(a) of the Continuing Appropriations and

Ukraine Supplemental Appropriations Act, 2023, P. L. 117-180, paroled into the U.S. between July 31, 2021 and December 16, 2022, and meets all other factors of eligibility from October 1, 2021 until March 31, 2023, or the term of parole, whichever is longer; or
(xi) who is a Ukrainian citizen or national or person who last habitually resided in Ukraine and received parole per Section 401 of the Additional Ukraine Supplemental Appropriations Act of 2022, P.L. 117-128. The parole must occur between February 24, 2022, and September 30, 2023; if after September 30, 2023, the parolee must be the child of a Ukrainian parolee who was paroled between February 24, 2022 and September 30, 2023.

(2) A declaration of citizenship and alien status is required for all children included in the child care benefit. This requirement is met when an adult member of the household completes and signs the application or renewal attesting to the citizenship and alien status for all children included in the benefit. Refer to Oklahoma Administrative Code (OAC) 340:65-3-1(g) for additional citizenship requirements for persons 14 years of age and older, per Section 71 of Title 56 and Section 20j of Title 74 of the Oklahoma Statutes.

(3) The worker must verify the alien status of an alien child through the United States Citizenship and Immigration Services (USCIS) Systematic Alien Verification for Entitlements (SAVE). When SAVE indicates that the child's alien status documents must be submitted to the USCIS, the worker must not delay, deny, close, or reduce benefits to an alien pending USCIS verification of submitted documentation.

340:40-7-6. Household composition and income consideration

(a) **Definition of household composition terms.** The worker uses the definitions of household composition terms listed in (1) through (8) of this subsection when determining who is part of the household for income consideration.

(1) An adult is an emancipated minor or person 18 years of age and older. A child who is a parent is an adult.

(2) A spouse is a person married by ceremony or common-law to another person. They may live together or separately. When they

live separately, they are not part of the household unless the separation is temporary or involuntary.

(3) A stepparent is a person who is or was a spouse to the child's parent.

(4) A caretaker is an adult who lives with, and acts in the role of a parent to the child applying for or receiving subsidized child care benefits. The caretaker may or may not be:

(A) related to the child by blood, adoption, or marriage; or

(B) legally and financially responsible for the child.

(5) The term legally and financially responsible adult is defined as a parent or stepparent of the child who needs child care. The term also includes other caretaker adults who are court-ordered to be legally and financially responsible for the child. This rule does not apply to permanent guardianships established through Oklahoma Human Services (OKDHS) Child Welfare Services.

(6) A child is any unmarried, non-emancipated, non-parental person younger than 18 years of age.

(7) A child who marries or voluntarily leaves the parental home for any reason other than to attend school or receive medical care, and establishes independent living arrangements is emancipated and treated as an adult. When a child is emancipated, the emancipation is permanent.

(8) A sibling is a minor child who has at least one parent in common with another child in the same household. A sibling may also include a step-brother or step-sister.

(b) Household composition and income consideration. To establish a child's eligibility for subsidized child care benefits, it is necessary to define who is part of household composition for income consideration. All persons whose income is counted in determining the income eligibility threshold and family share copayment amount are included in family size on the OKDHS Appendix C-4, Child Care Eligibility/Copayment Chart.

Persons whose income is considered in determining eligibility are the:

(1) natural, adoptive, or stepparent living in the home with the child who needs child care;

(2) caretaker(s) of the minor child needing child care when the caretaker is legally and financially responsible for the child; and

(3) child needing child care and the child's siblings younger than 18 years of age living in the home.

(c) Temporary absence of a household member.

(1) When a household member is out of the home due to a temporary absence and intends to return to the home, the person is included in the household composition for income consideration. Any parent or caretaker who remains in the home must meet a need factor, per Oklahoma Administrative Code (OAC) 340:40-7-8. Temporary absences may include, but are not limited to:

(A) hospitalization for physical or mental health reasons;

(B) incarceration;

(C) attending school;

(D) military service;

(E) working or training away from home;

(F) looking for a job away from home; and
(G) vacation time for a child. When a child goes to stay with:

- (i) someone other than a natural or adoptive parent for a vacation, household composition, income, and need is based on the usual home situation. The person the child is staying with must also meet the need factor for child care; or
- (ii) a non-custodial natural or adoptive parent, the non-custodial parent must apply and qualify for subsidized child care benefits based on the non-custodial parent's own household's eligibility for the visitation time frame.

(2) When a child lives with each parent for part of the month, refer to (d) of this Section.

(3) When a child lives with a parent for part of the month and a caretaker for the rest of the month, the child's eligibility is based on the parent meeting the eligibility factors, per OAC 340:40-7. The caretaker must also meet a need factor during the time the caretaker has physical custody of the child, per OAC 340:40-7-7.

(d) Joint or shared custody. When parents separate or divorce and have joint or shared custody of their child and one or both need child care, each parent applies separately for subsidized child care benefits.

(1) Joint or shared custody may be voluntary or court-ordered.

(2) The worker determines each parent's eligibility separately. This includes a separate income and need for child care determination.

(3) When only one parent qualifies for subsidized child care benefits, the worker only approves child care for the days the qualifying parent meets a need factor for child care and has physical custody of the child.

(4) When both parents qualify for subsidized child care benefits, the worker approves each parent only for the days and hours the parent meets a need factor for child care and has physical custody of the child.

340:40-7-7. Establishing the need factor for child care

(a) Establishing the need factor. In order for children to be cared for in a safe environment while the parent or caretaker participates in an approved activity or for protective or preventive reasons, Oklahoma Human Services (OKDHS) provides subsidized child care benefits.

(1) The worker arranges to obtain need factor documentation from the client or collateral sources.

(2) The worker and client negotiate the amount of travel time allowed for an activity based on what is a reasonable length of time.

(3) The worker does not approve child care for the hours the child attends public or private school, Head Start, or an Early Head Start program. An Early Head Start-Child Care Partnership (EHS-CCP) grant program and an Oklahoma Early Childhood Program (OECPP) is exempt from this rule.

(b) Need factor for single parent or caretaker families. The need for subsidized child care is met when the:

(1) parent or caretaker is employed, per Oklahoma Administrative Code (OAC) 340:40-7-8(a);

(2) parent or caretaker needs sleep time during the day after working night hours when a feasible alternative is used at no cost to OKDHS during the night working hours, per OAC 340:40-7-8(a) (5);

(3) parent or caretaker attends a training or formal education program designed to lead to employment, per OAC 340:40-7-8(b) and (c);

(4) parent or caretaker attends high school, high school equivalency classes, literacy, adult basic education (ABE), or English as a Second Language (ESL) classes, per OAC 340:40-7-8(c);

(5) parent or caretaker participates in Supplemental Nutrition Assistance Program (SNAP) Education and Training (E&T) activities, per OAC 340-7-8(d);

(6) parent or caretaker participates in an approved Temporary Assistance for Needy Families (TANF) Work activity, per OAC 340:10-2-1;

(7) child needs care or supervision for part of the day as a protective or preventive service, per OAC 340:40-7-8(f);

(8) child receives Supplemental Security Income (SSI) and needs care for enrichment purposes, per OAC 340:40-7-8(g); or

(9) parent or caretaker needs child care to search for employment, per OAC 340:40-7-8(a)(6).

(c) Need factor for two-parent or two-caretaker families. Two-parent or two-caretaker families include two natural or adoptive parents, the natural parent and a stepparent, two grandparents, other relative married couples, or other non-relative married couples. When an unmarried couple applies, only the natural or adoptive parent must meet a need factor. The need for subsidized child care is met when:

(1) both parents or caretakers work during the same hours they request child care, per OAC 340:40-7-8(a);

(2) one or both parents or caretakers need sleep time during the day after working night hours when a feasible alternative is used at no cost to OKDHS during the night working hours, per OAC 340:40-7-8(a)(5). When both parents do not work night hours, one parent must work during the other parent's sleep time hours;

(3) one parent or caretaker attends a formal education or training program, per OAC 340:40-7-8(b) or (c) during the same hours the other parent or caretaker works, per OAC 340:40-7-8(a);

- (4) both parents or caretakers attend high school, per OAC 340:40-7-8(c);
- (5) one parent or caretaker attends high school during the same hours the other parent or caretaker works or attends a formal education or post high school training program, per OAC 340:40-7-8(a) through (c);
- (6) one parent or caretaker attends high school equivalency classes, literacy, ABE, or ESL classes, per OAC 340:40-7-8(c)(2) or (3) during the same hours the other parent or caretaker works, per OAC 340:40-7-8(a);
- (7) one or both parents or caretakers participates in SNAP E&T activities per OAC 340-7-8(d). When one parent or caretaker is not participating in SNAP E&T activities, he or she must meet a need factor during the same hours, per OAC 340:40-7-8;
- (8) one or both parents or caretakers participate in approved TANF Work activities, per OAC 340:10-2-1. When one parent or caretaker is not participating in TANF Work activities, that parent must meet a need factor, per OAC 340:40-7-8 during the same hours;
- (9) the child needs care or supervision for part of the day as a protective or preventive service, per OAC 340:40-7-8(f);
- (10) the child receives SSI and needs care for enrichment purposes, per OAC 340:40-7-8(g);
- (11) one parent or caretaker is incarcerated and the other parent remains in the home. In this instance, the parent remaining in the home is treated as a single parent; or
- (12) one or both parents or caretakers need child care to search for employment, per OAC 340:40-7-8(a)(6).

(d) **Need factor in joint custody cases.** When parents are separated or divorced and share custody of their child, voluntarily or through a court order, each parent's income and need for child care is considered separately.

(e) **Need factor for a child attending an EHS-CCP grant program or an OECP.** A child attending an EHS-CC Partnership grant program or an OECP may be approved for a weekly unit type when the parent or caretaker qualifies for Child Care Subsidy and meets a need factor, per (b) or (c) of this Section for some of the EHS-CC Partnership grant program or OECP care hours.

(f) **Activities that do not meet the need factor for child care.** The need factor for child care is not met and child care must not be approved for:

- (1) job search for more than one three-month period every 12 months, per OAC 340:40-7-8(a)(6), unless the parent(s) or caretaker(s) is participating in TANF Work activities, per OAC 340:10-2-1;
- (2) online Internet based or televised education or training courses when an instructor is not conducting a live broadcast and attendance is not required while the program is being broadcast, per OAC 340:40-7-8(b) and (c);
- (3) undergraduate classes or other training not expected to lead to a degree or certificate of completion, per OAC 340:40-7-8(b)

- and (c);
- (4) post graduate education, such as master's and doctoral programs;
- (5) two-parent or two-caretaker families when both attend a formal education or training program during the same days and hours;
- (6) transportation only;
- (7) volunteer hours or jury duty;
- (8) hours a school-age child could attend a public or private school, but the parent or caretaker chooses to home school the child at night; and
- (9) children in Child Welfare Services foster care, when one or both foster parents do not meet child care eligibility rules, per OAC 340:75-7-65.

340:40-7-8. Defining the need factor for child care benefits

(a) **Employment.** Employment means the parent or caretaker earns wages for work performed or meets criteria, per (5) or (6) of this subsection.

(1) The client must provide proof of his or her work hours. When the client has the flexibility to set his or her own work hours, the client and worker jointly determine if the client can reduce the number of hours the child needs care by rearranging the client's work schedule. This is especially important in two-parent or two-caretaker families.

(2) The worker limits child care approval to the number of days and hours the client is working plus reasonable travel time. In two-parent or two-caretaker working families, the worker limits child care approval to the days and hours they work the same hours plus reasonable travel time.

(3) To meet the employment need factor, the client must make at least minimum wage for the hours he or she works unless the client qualifies for an exception, per (D) or (E) of this paragraph. (A) through (C) of this paragraph specifies the criteria for determining minimum wage.

(A) The federal government determines minimum wage.

(B) The worker reviews the pay information provided by the client to determine whether the client makes at least minimum wage.

(i) When the paycheck or employer statement shows the hourly pay rate, the worker compares it to the federal minimum wage.

(ii) When the pay information provided does not show the client's hourly pay rate, the worker

divides the number of hours the client works by the gross pay per pay period to determine the client's hourly pay rate.

(iii) When the client is considered self-employed, per Oklahoma Administrative Code (OAC) 340:40-7-11(b)(2)(A), the worker divides the number of hours the client works by the net pay, after applicable business expenses, to determine the client's hourly pay rate. When the client and spouse are self-employed in the same business, the worker combines their work hours and divides the work hours by the net pay to determine their hourly pay rate.

(C) When the client works for an employer who pays a set wage that is less than minimum wage, and the employer refuses to begin paying at least minimum wage, the worker denies child care benefits or, when at renewal, does not approve further care.

(D) When the client is self-employed or works for an employer who pays wages based on commission or other performance measures instead of a set wage, does not make at least minimum wage, and the client has performed this work:

(i) less than one year, the worker counsels with the client to develop a plan to increase his or her income to at least minimum wage before the renewal is due. When the client is not making at least minimum wage at renewal, further care is not approved.

(ii) at least one year without any substantial change, the worker denies the child care subsidy benefit.

(E) When the client is an adoptive parent who meets criteria, per OAC 340:40-7-12(6), or is a caretaker who is not legally and financially responsible for the child, per OAC 340:40-7-6(a)(5), he or she is not required to make at least minimum wage for the number of hours worked.

(4) A client employed and working from his or her own home may be approved for subsidized child care benefits in an out-of-home child care home or center when he or she is unable to work while the child is in the home. When the client has flexible work hours and can work while the child is in school, care is not approved. When the client operates a licensed child care home, care is only approved in another licensed child care home or center when the client's own child places him or her over maximum licensed capacity;

(5) Subsidized child care benefits may be approved for sleep time during the day when a parent or caretaker works night hours and a feasible alternative is used during the night working hours at no cost to Oklahoma Human Services. Night working hours are defined as the hours between 11:00 p.m. and 7:00 a.m.

(A) The maximum amount of time the worker may approve child care allows the client eight hours of sleep plus travel time to and from the provider.

(B) In two-parent or two-caretaker families, care may only be approved for this reason when both parents or caretakers have night time jobs or when one parent or caretaker has a night-time job and the other parent or caretaker works during the day while the other parent or caretaker is sleeping.

(6) Subsidized child care benefits may be approved for the parent(s) or caretaker(s) to job search for one three-month period every 12 months, when needed.

(b) Training. A training program is defined as a course of study that, when completed, qualifies a person to meet requirements for a job the client could not obtain without the certificate of completion, accreditation, or licensure. Child care may be approved for one parent or caretaker to attend a training program. In two-parent or two-caretaker families, the other parent or caretaker must work during the same hours.

(1) The training program must qualify to receive federal financial aid from the United States Department of Education (USDE) or other federal or state education funds.

(2) Prior to initial approval for child care and at renewal, the client must provide proof of enrollment, the days and hours the client will be attending, and when he or she is expected to complete the program.

(3) The program must require classroom attendance on a school campus with an instructor present. Child care is only approved for an online Internet based course or televised course when it is a live broadcast conducted by an instructor and attendance is required while the program is being broadcast. When the program is self-paced and the client may choose his or her own school hours, care is not approved.

(4) The client must provide proof of progress at renewal. When the client is not making satisfactory progress, the worker does not approve further child care for this reason.

(5) Once the client completes a training program, further child care is not approved for training or education. The client is expected to look for jobs that require his or her training credentials.

(6) In certain circumstances, the worker may approve child care benefits for a client to attend a second training program. The client must have been employed in a job requiring the training credentials he or she has for at least 12 months. Possible circumstances include when:

(A) the client can no longer perform the job he or she is trained to do because of physical or mental health reasons. In this instance, the client must provide a statement from a doctor, mental health professional, or a vocational rehabilitation professional verifying the reason. The professional must also state that after completing the second training program, the client is capable of

performing jobs related to that training program;
(B) there is no longer a demand for the type of work the client is trained to do. The client must provide a statement from a professional working with the client to obtain employment stating there is no demand. The professional must be employed by the Workforce Oklahoma Center, a Workforce Innovation and Opportunity Act (WIOA) contracted entity, the Oklahoma Employment Security Commission (OESC), or the Oklahoma Department of Rehabilitation Services (DRS); or
(C) the client can establish receipt of the additional training will increase his or her earning potential. The client must provide proof the training credentials the client wants to obtain will result in a starting salary higher than what he or she currently earns.

(c) **Education program.** An education program may include:

(1) **High school.** Child care may be approved for one or both parents or caretakers to attend high school. It is not approved for a parent or caretaker to receive homebound instruction. Prior to approval, the client must provide proof that he or she is enrolled, the days and hours he or she attends, and when he or she is expected to graduate.

(2) **High school equivalency, literacy, or adult basic education (ABE) classes.** The program must require classroom attendance with an instructor present. Child care may be approved for one parent or caretaker to attend high school equivalency, literacy, or ABE classes. However, in two-parent or two-caretaker families, the other parent or caretaker must be employed during the same hours.

(A) The client must provide proof of enrollment, the days and hours the client is attending, and the end date of the class prior to care approval. When the class has open enrollment and no established end date, the client must provide proof of progress and how it is measured.

(B) The worker reviews the client's progress at renewal prior to approving further child care for this reason. At renewal, the client must provide a statement from the school that includes:

- (i) whether the client attends regularly;
- (ii) whether the client is making satisfactory progress;
- (iii) an estimated end date to complete the program; and
- (iv) the days and hours the client currently attends classes.

(C) When the client is not attending regularly or making satisfactory progress, further child care for this reason is not approved at renewal.

(3) **English as a Second Language (ESL) classes.** The program must require classroom attendance with an instructor present. Child care may be approved for one parent or caretaker to attend

ESL classes when the client lacks proficiency in understanding, speaking, reading, or writing the English language. In two-parent or two-caretaker families, the other parent or caretaker must be employed during the same hours.

(A) The client must provide proof of enrollment, the days and hours the client attends, and the end date of the class prior to care being approved. When the class has open enrollment and no established end date, the client must provide proof of how often progress is measured.

(B) The worker reviews the client's progress at renewal before approving further care for this reason. At renewal, the client must provide a statement from the school that includes:

- (i) whether the client attends regularly;
- (ii) whether the client is making satisfactory progress;
- (iii) an estimated length of time needed to complete the program; and
- (iv) the days and hours the client currently attends.

(C) When the client is not attending regularly or making satisfactory progress at renewal, the worker does not approve further child care for this reason.

(4) **Formal education program.** A formal education program is defined as a course of study that leads to attaining an associate or bachelor's degree. Child care may be approved for one parent or caretaker to attend a formal education program and participate in activities required to maintain a scholarship. Only required scholarship activities for scholarships disbursed through the school's financial aid office qualify for child care. In two-parent or two-caretaker families, the other parent or caretaker must work during the same hours.

(A) The formal education program must qualify to receive federal financial aid from USDE or other federal or state education funds.

(B) Prior to initial approval for child care and at renewal, the client must provide:

- (i) proof of enrollment;
- (ii) the days and hours the client attends school or participates in activities required to maintain a scholarship; and
- (iii) when the client expects to complete the degree.

(C) The degree program must require classroom attendance on the school campus with an instructor present. Child care is only approved for an online Internet based course or a televised course when it is a live broadcast conducted by an instructor and attendance is required while the program is being broadcast. When the program is self-paced and may be completed whenever the client chooses, child care is not approved.

(D) The worker must request proof of progress at renewal when the class schedule does not show the client is progressing from freshman level classes to sophomore, junior, and senior level classes. When the client is not making satisfactory progress at renewal, the worker does not approve further child care for this reason.

(E) Once the client completes a bachelor's degree, further care is not approved for training or education. The client is expected to look for jobs that require a degree.

(F) In certain circumstances, the worker may approve subsidized child care benefits for a client to obtain a different bachelor's degree. The client must first have been employed in a job that required the degree he or she already has for at least 12 months. Possible circumstances include when:

(i) the client can no longer perform the job he or she is trained to do because of physical or mental health reasons. In this instance, the client must provide a statement from a doctor, mental health professional, or a vocational rehabilitation professional that verifies the reason. The professional must also state that after completing the second degree program, the client is capable of performing jobs related to that degree program;

(ii) there is no longer a demand for the type of work the person is trained to do. The client must provide a statement from a professional working with the client to obtain employment stating there is no demand. The professional must be employed by the Workforce Oklahoma Center, a WIOA contracted entity, OESC, or DRS; or

(iii) the client can establish receipt of the second degree will increase his or her earning potential. The client must provide proof that the second degree the client wants to obtain will result in a starting salary higher than what he or she currently earns.

(d) Oklahoma Supplemental Nutrition Assistance Program Works (OK SNAP Works) related child care. Subsidized child care benefits may be provided for OK SNAP Works component assignments and activities, per OAC 340:50-5-106.

(1) Prior to approval, the OK SNAP Works coordinator confirms with the contracted service provider the:

(A) component assignment or activity is part of OK SNAP Works;

(B) assigned start date; and

(C) the activity's scheduled days and hours.

(2) When a parent or caretaker stops participating in OK SNAP Works component assignments or activities for reasons other than employment, child care is continued for an additional 90-calendar days from the date the client stops participating.

(e) Temporary Assistance for Needy Families (TANF) related child care.

(1) TANF related subsidized child care benefits may be provided for:

(A) any TANF Work activity outlined on the client's Form 08TW002E, TANF Work/Personal Responsibility Agreement, per OAC 340:10-2-1, including when the person is sanctioned, per OAC 340:10-2-2, and participating in TANF Work activities;

(B) substance abuse treatment when the parent of a child receiving TANF is ineligible for TANF due to the illegal use of a controlled substance or substances, per OAC 340:10-4-1. Prior to approval, the parent must provide proof of the substance abuse treatment plan from the treatment provider; or

(C) a child receiving a child only TANF benefit when the parent or caretaker relative meets a need factor included in this Section.

(2) When the parent or caretaker relative receiving TANF-related subsidized child care stops meeting a need factor, the worker continues subsidized child care benefits for 90-calendar days.

(f) Protective or preventive child care. Subsidized protective or preventive child care benefits may be used as an early intervention strategy in certain critical situations to help prevent a child's neglect, abuse, or exploitation. The worker may approve child care in these situations to help stabilize the family or enhance family functioning. In most instances, Child Welfare Services (CWS) staff completes protective or preventive child care requests when they are working with the family and recommending protective or preventive child care. Subsidized protective or preventive child care benefits are approved on a temporary basis. The worker helps the family develop a plan to reduce or eliminate the need for such child care beginning with the initial contact.

(1) Reasons protective or preventive child care may be approved include, but are not limited to, when:

(A) an outside agency contracting with CWS to provide Comprehensive Home-Based Services (CHBS) for a non-court involved family recommends child care be provided on a temporary basis;

(B) the parent or caretaker requests child care because of a medical condition that prevents the parent or caretaker from properly caring for the child;

(C) a homeless family requests child care while working to stabilize the family. Homeless means the family lacks a fixed, regular, and adequate night time residence, and includes families who:

(i) temporarily share housing with other persons due to loss of housing, economic hardship, or a similar reason;

(ii) temporarily live in motels, hotels, trailer parks, or camping grounds due to the lack of alternative accommodations;

(iii) live in emergency or transitional shelters; or
(iv) live in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings not designed for, or ordinarily used, as a regular sleeping accommodation for human beings; or

(D) a family affected by a natural disaster requests child care to deal with the natural disaster's effects, such as home damage or loss following a fire, flood, or tornado.

(2) The worker may approve subsidized protective or preventive child care benefits for a maximum of 30-calendar days.

(3) When the family requests more than 30-calendar days of subsidized protective or preventive child care benefits, the worker must obtain approval from Adult and Family Services Child Care Subsidy Unit staff before authorizing more care. Prior to requesting an extension, the client must provide a written recommendation from a professional working with the family stating:

(A) the names and ages of the children for whom child care is recommended;

(B) the reason child care is recommended;

(C) the days and hours child care is needed;

(D) how placing the child in a child care facility helps to prevent neglect, abuse, or exploitation of the child; and

(E) the length of time the professional expects care to be needed.

(4) A family receiving CHBS services is not responsible for paying a copayment. Depending on other families' unique circumstances, the worker may.

(5) In certain circumstances, families who are financially ineligible for subsidized child care benefits may be approved for protective or preventive child care benefits when the child is in danger of neglect, abuse, or exploitation. The client must provide evidence the family is so burdened by debt the additional financial pressure of paying for child care may result in further deterioration of family stability and functioning. The client must also provide a plan for reducing his or her debt.

(g) **Enrichment.** The purpose of subsidized enrichment child care benefits is to assist a child receiving Supplemental Security Income (SSI) to develop socialization skills and transition into a group setting, such as a classroom. Children who do not receive SSI benefits are not eligible for subsidized enrichment child care benefits.

(1) The need for subsidized enrichment child care benefits is based solely on the child's delay or disability needs instead of the parent's or caretaker's activities.

(2) Enrichment child care is limited to a maximum of two days per week not to exceed 10 full-time or part-time days per month.

(3) The parent or caretaker must provide a written recommendation from a professional working directly with the child that states how child care would be beneficial to the child. The professional could be the child's doctor, occupational

therapist, physical therapist, or special education teacher.

(4) Enrichment child care is only approved for a child who has not started school, Head Start, Early Head Start, or an Oklahoma Early Childhood Program unless, due to the child's disabilities, the child receives teacher instruction in his or her home.

(5) When subsidized enrichment child care benefits are approved, care must be provided outside of the child's home and at least one other child must attend during the same hours.

(6) The worker obtains approval from AFS Child Care Subsidy Unit staff prior to authorizing care for this need factor.

340:40-7-9. Exploration and development of potential income

The worker explores potential sources of income, such as Social Security benefits, Supplemental Security Income (SSI), child support, unemployment benefits, veteran's benefits, and increased wages with the client at the time of application and each renewal for all members of the household whose income must be considered, per Oklahoma Administrative Code (OAC) 340:40-7-6. The client must apply for, or continue to pursue, all potential sources of income for which it appears likely he or she may be eligible, except for SSI and child support, before the next child care renewal is due. The client is encouraged, but not required, to apply for SSI when the client indicates a household member has a disability. Similarly, the client is encouraged, but not required, to pursue child support when a parent is absent from the home.

(1) When the client refuses to pursue available income at the time of request, the worker denies the child care request.

(2) When the client agrees to pursue all potential income and fails to do so within the 12-month eligibility period, further care is not approved at renewal.

(3) When the client is approved for the potential income or offered a pay raise within the 12-month eligibility period and refuses to accept it, further care is not approved at renewal.

(4) When the client's rate of pay or number of hours worked decreases, the worker explores why the decrease occurred. When the client requested the decrease to avoid a family share copayment increase or to maintain eligibility, the worker closes the subsidized child care benefits at renewal.

(5) At each renewal, the worker determines whether the client continues to pursue potential income.

(A) When the client begins receiving previously identified potential income, the worker adds the income to the case

although the system does not decrease the benefit until renewal.

(B) When the client was not approved for the income, the client must verify this. The worker records in the case record the verification provided and stops exploring this potential income with the client.

(C) When the client stops pursuing potential income and was not determined ineligible for the income, further care is not approved at renewal.

(6) When the client's subsidized child care benefits close at renewal because of failure to pursue potential income, the client must verify receipt or pursuit of such income or that such income is no longer potentially available before child care may be approved.

(A) When the client verifies cooperation within 30-calendar days of the closure of subsidized child care benefits, the worker may reopen the benefits back to the date they were closed without imposing a penalty.

(B) When the client does not cooperate or waits to verify cooperation for more than 30-calendar days from the date the subsidized child care benefits close, the client must complete a new application before care is approved. The earliest date subsidized child care benefits may be approved is the date the client completes a child care interview and provides all necessary verification, per OAC 340:40-3-1.

340:40-7-10. General provisions regarding income

(a) **Income considered.** Available and anticipated income, except that required to be disregarded by law or Oklahoma Department of Human Services (DHS) policy, per Oklahoma Administrative Code (OAC) 340:40-7-12, is considered when determining a client's eligibility for child care subsidy benefits per this Section and OAC 340:40-7-11.

(b) **Reporting requirement.** The client must report all sources of income at application and as changes occur, per (e) of this Section and OAC 340:40-9-2.

(c) **Income from a new source.** Income from a new source is only considered for the approval month when a full check is received on or prior to the certification date. Income is anticipated and considered for the next month when a full check from the new source is expected to be received by the first of the month. When a full check is not received by the first of the next month, it is anticipated and considered for the third month before income is set for the remainder of the eligibility period.

(d) **Past income.** Past income is not used to anticipate future income for any month in which an income change occurred or employment ended.

(e) **Increased income between eligibility determinations.** Between eligibility determinations, per Section 98.21(e)(1) of Title 45 of the Code of Federal Regulations, the client is only required to report income changes within 10-calendar days of the date the change occurs, when the household's gross income exceeds the income eligibility threshold for the family size, per DHS Appendix C-4, Child Care Eligibility/Copayment Chart.

(1) A computer-generated notice issues at certification and renewal informing the client of the current income eligibility threshold for his or her family size and instructs the client to report when the household income exceeds this amount.

(2) When income exceeds the income eligibility threshold, the worker closes the child care benefit for the next advance-notice effective date per OAC 340:40-9-2(f).

(f) **Decreased income after approval.** When income decreases after approval, the worker makes the change for the current month, when appropriate, or by the next non-advance notice effective date per Oklahoma Department of Human Services (DHS) Appendix B-2, Deadlines for Case Actions. Once income decreases, it is not increased until the renewal month per (e) of this Section.

(g) **Garnished income.** When a person's income is reduced due to garnishment, the gross amount before the garnishment is counted as income.

(h) **Withheld or returned payments not considered as income.**

Payments not considered as income are:

(1) monies withheld from any income source to repay a prior overpayment received from that same source;

(2) monies voluntarily or involuntarily returned to repay a prior overpayment received from that same income source; or

(3) child support payments received by Temporary Assistance for Needy Families (TANF) recipients that must be sent to DHS Child Support Services to maintain TANF eligibility.

(i) **Withheld or returned payments considered as income.** Monies withheld or returned to repay overpayments in federal, state, or local means tested assistance programs are not excluded when they are withheld or returned to repay overpayments resulting from intentional program violation as established by the agency administering the program.

340:40-7-11. Income sources considered

(a) **Income sources considered.** Income may be received periodically or at irregular intervals. All income, unless specifically excluded, per Oklahoma Administrative Code (OAC) 340:40-7-12, is considered in determining monthly gross income. Income is classified as earned or

unearned income.

(b) **Earned income.** Earned income is the total money a person receives from wages, salary, commission, or profit from activities he or she engages in as a self-employed person or as an employee.

(1) **Wages.** Wages include total money earned for work performed as an employee including armed forces pay, commissions, tips, piece-rate payments, longevity payments, and cash bonuses before deductions, such as taxes, bonds, pensions, union dues, credit union payments, or cafeteria plans are subtracted.

(A) Countable military personnel wages include any allowance included on the earnings statement, except the Basic Allowance for Housing (BAH).

(B) Only the portion of the cafeteria plan the client controls, including any excess benefit allowance payments, is counted as income.

(C) Reimbursements for expenses, such as a uniform allowance or transportation costs, other than daily commuting, are subtracted from the gross income.

(D) Payments made for annual leave, sick leave, or severance pay are considered earned income during the month such income is received, whether paid during employment or at employment termination.

(E) Wages that are garnished or diverted and paid to a third party are also counted as income.

(2) **S corporations.** When a household member is a shareholder in an S corporation, he or she may receive profits from the business in three ways; as a salary, as a profit share of the business, or both. Both types of income are reported on the household member's personal income tax return. Salary income is considered as earned income and profit share income is considered as unearned income, per (c)(11) of this Section.

(3) **Self-employment.** Self-employment income is calculated based on procedures listed in (A) through (H) of this subsection.

(A) **Persons considered self-employed.** A person is considered self-employed when:

(i) he or she declares himself or herself to be self-employed;

(ii) there is an employer/employee relationship and the employer does not withhold income taxes or Federal Insurance Contributions Act, even when required to do so by law; or

(iii) the employer withholds taxes and the person provides proof he or she files taxes as self-employed.

(B) **Records used and income calculation.** The worker uses the records described in (i) through (iii) of this subparagraph to calculate income. When the person reports a loss instead of a profit on the business, the worker does not deduct the loss from other household income.

(i) When the person filed a federal income tax return for self-employment income for the most recent year, whether the person's income is derived from his or her own business or from working for an employer, the worker uses the gross self-employment income shown on the person's federal income tax return. The worker subtracts 50 percent of the income for claimed business expenses, and divides the income by 12 or, when the self-employment income was received for less than the full calendar year, by the number of months the business has existed or the number of months since the person started working for the employer. The worker verifies the person's start date with the employer when the person states he or she has not worked for the employer for at least 12 months.

(ii) When the person did not file an income tax return for the most recent tax year for his or her own business, the worker calculates self-employment income by using the person's business records for the last 12 months or the number of months the business has existed when less than 12 months. When the client declares business expenses, the worker subtracts 50 percent of the gross self-employment income to arrive at the net profit.

(iii) When the person works for an employer, did not file a federal tax return as self-employed, and receives earnings from an employer, the person must provide proof of the last 12 months of income from the employer. The worker divides the gross income by 12 or the number of months the person worked for the employer to determine monthly income. When the person declares business expenses, the worker subtracts 50 percent of the gross self-employment income before dividing the income by the applicable number of months to determine monthly income.

(C) Profit sharing. Households who operate S corporations, general or limited partnerships, or limited liability companies (LLC) may receive profit sharing that is reported on the household's personal income tax return.

(i) S corporation profit sharing is considered unearned profit-sharing income. Refer to OAC 340:40-7-11(b)(2) and (c)(11) for information regarding S corporations.

(ii) Partnerships are unincorporated businesses with two or more partners. When a household member is a partner in a business, he or she is considered self-employed and not one of the

business's employees. Each partner receives a profit share from the business. When a business is considered a:

- (I) general partnership or LLC with a member-manager, each partner's share of the business income is shown as self-employment income on his or her federal income tax form; or
- (II) limited partnership or other LLC member, each partner's share of the business income is shown as self-employment income or unearned profit-sharing income on his or her federal income tax form.

(D) **Monthly self-employment income.** Self-employment income received on a monthly basis is normally averaged over a 12-month period. When the averaged amount does not accurately reflect the household's actual monthly circumstances because the household experienced a substantial increase or decrease in income, the worker calculates the self-employment income based on anticipated earnings.

(E) **Seasonal self-employment.** Self-employment income intended to meet the household's needs for only part of the year is averaged over the time period it is intended to cover.

(F) **Annualized self-employment income.** Self-employment income that represents a household's annual support is averaged and annualized over a 12-month period, even when the income is received in a short time period.

(i) When the average annualized amount does not accurately reflect the person's actual monthly circumstances because the person experienced a substantial increase or decrease in income, the worker calculates the self-employment income on anticipated earnings.

(ii) The worker does not calculate self-employment income on the basis of prior earnings, such as income tax returns, when an increase or decrease of business has occurred.

(iii) When the person received the self-employment income for less than 12 months, the worker averages the income over the applicable number of months and projects the monthly amount for the coming year.

(G) **Rental property income.** Rental property is considered self-employment income.

(H) **Room and board income.** Payments from roomers or boarders are considered self-employment when the roomer or boarder pays a reasonable amount.

(4) **On-the-job training (OJT).** OJT income from regular employment is considered earned income. This includes OJT provided, per Section 3(44) of the Workforce Innovation and Opportunity Act (WIOA), for persons 19 years of age and older. This does not include classroom or institutional training or WIOA-sponsored intern assignments, even when an hourly amount is paid for such training, per OAC 340:40-7-12(25)(G).

(5) **Title I payments of Domestic Volunteer Services Act (DVSA).** Payments under Title I of the DVSA of 1973 as amended, per Public Law 93-113, are considered earned income unless excluded, per OAC 340:40-7-12.

(6) **Children's earnings.** A minor parent's earned income is treated as adult earned income. Earnings of other children 17 years of age and younger who are under an adult household member's parental control are excluded, per OAC 340:40-7-12.

(7) **Sale of whole blood or plasma.** The sale of whole blood or blood plasma is considered as earned income.

(8) **Training allowances.** Training allowances from vocational or rehabilitative programs recognized by federal, state, or local governments, such as the work incentive program, are considered as earned income to the extent they are not a reimbursement.

Training allowances received under WIOA are excluded.

(c) **Unearned income.** Unearned income is income a person receives for which the person does not put forth any daily, physical labor. Types of income listed in (1) through (11) of this subsection are considered unearned income.

(1) **Assistance payments.** Assistance payments include state means-tested programs, such as Temporary Assistance for Needy Families (TANF), including Supported Permanency benefits, State Supplemental Payment (SSP) to the aged, blind, or disabled, and Refugee Resettlement Program (RRP) cash assistance.

(2) **Pensions, disability, and Social Security benefits.**

Annuities, pensions, retirement benefits, disability benefits from either government or private sources, or Social Security survivor benefits are considered unearned income.

(A) When a minor child receiving Social Security benefits no longer lives with the payee receiving the Social Security benefits, only the portion of the child's Social Security benefit used to meet the minor child's needs is considered income. This may include cash given directly to the minor child or money paid to a third party for the minor child's room and board.

(B) The parent or caretaker or, when appropriate, the minor child must take action to become the payee within the 12-month eligibility period, per OAC 340:40-7-9(d).

When the parent, caretaker, or minor child does not take action by renewal, the worker counts the total Social Security benefit as income.

(3) **Supplemental Security Income (SSI).** SSI is considered unearned income.

(4) **Unemployment and workers' compensation.** Income from unemployment insurance benefits or workers' compensation is counted as unearned income.

(5) **Child support, court-ordered or third party paid child care, and alimony.** Child support, child care payments, and alimony payments, whether court-ordered or voluntary, made directly to the household from non-household members are counted as unearned income.

(A) Child care payments paid directly to the child care provider are not considered countable child support income.

(B) When the non-custodial parent reports he or she pays a portion of the client's family share copayment to the child care provider, it is not considered countable child support income.

(C) When the non-custodial parent or another third party, such as an employer, makes a payment to the child care provider in addition to the client's copayment, it is considered an additional copayment. Oklahoma Human Services (OKDHS) subtracts the additional copayment from the subsidy payment OKDHS owes to the child care provider.

(D) Any other payment made to a third party for a household expense is considered as countable child support income when a court order directs the payment be made to the household. Payments for medical support are excluded.

(6) **Veterans' compensation, pensions, or military allotments.** Disability compensation, military allotments, servicemen dependent allowances, and similar payments are considered unearned income.

(7) **Contributions.** Appreciable cash contributions recurrently received are considered unearned income except when the contribution is not made directly to the client. To be appreciable, a contribution must exceed \$30 per calendar quarter per person.

(8) **Dividends, interest, minerals, and royalties.** Dividends, interest income, income from minerals, royalties, and similar sources are considered unearned income. When income from these sources is received irregularly or in varied amounts, it is averaged over 12 months. Income from royalties is treated as unearned, self-employment income, subject to (b)(2) of this Section.

(9) **Lump sum payments.** Recurring lump sum payments, including income from earnings, are averaged over the period they are intended to cover.

(10) **Irregular income.** Income received irregularly that exceeds \$30 per calendar quarter is considered income unless it is from an excluded income source specifically mentioned at OAC 340:40-7-12. Countable irregular income is averaged over 12 months.

(11) **Profit sharing.** When a household member is a shareholder in an S corporation or a partner in a limited partnership or an

LLC, he or she may receive a distribution or profit share of the business. This is considered as unearned income.

340:40-7-12. Excluded income sources

Only the income listed in this Section is excluded in determining a household's eligibility for a child care benefit. No other income is excluded.

(1) **Lump sum payments.** One-time lump sum payments are excluded as income. Recurring lump sum payments are excluded as a countable income source unless specifically mentioned, per Oklahoma Administrative Code (OAC) 340:40-7-11.

(2) **In-kind income.** In-kind income is excluded as income. In-kind income is defined as any gain or benefit that is not in the form of money paid directly to the household. This includes non-monetary or in-kind benefits, such as meals, clothing, public housing, or produce from a garden.

(3) **Money received from the sale of property.** Money received from the sale of property, such as stocks, bonds, or a house or car is excluded. This exclusion does not apply when the person is engaged in the business of selling such property.

(4) **Bank or trust account withdrawals.** Money withdrawn from a bank or trust account is excluded as income even when used to meet current living expenses.

(5) **Capital gains.** The proceeds from the sale of capital goods or equipment are excluded.

(6) **Household income for certain children adopted through Oklahoma Human Services (OKDHS).** All household member's income is exempt for the adopted child only when conditions in (A) through (F) are met. The:

(A) parent applying for benefits adopted the child through OKDHS or a federally-recognized Indian tribe, as defined by the Federal and Oklahoma Indian Child Welfare Acts;

(B) adoptive parent applying for benefits must provide:

(i) a fully executed Form 04AN002E, Adoption Assistance Agreement, listing child care as an adoption assistance benefit for the child;

(ii) Form 04AN033E, Post Adoption Child Care Referral;

(iii) the Final Decree of Adoption; and

(iv) a form of identity;

(C) adoptive parent and child are Oklahoma residents;

(D) child is 5 years of age and younger. When a child turns 6 years of age during the 12-month eligibility period, household income remains exempt until the next renewal;

(E) child is 6 years of age and older and meets the definition of a child with disabilities, per OAC 340:40-7.3.1. When the child continues to require child care after he or she turns 13 years of age, the client must provide a statement from a licensed health care professional verifying the child is physically or mentally incapable of self-care, as age appropriate, before further care is approved, per OAC 340:40-7-3. An updated medical statement is required annually at renewal. When a child with disabilities turns 19 years of age during an eligibility period, the child remains eligible until the next renewal date; and

(F) adoptive parent meets an allowable need factor and provides proof, per OAC 340:40-7-7 and OAC 340:40-7-8. In a two-parent family, both parents must meet an allowable need factor.

(7) Household income when at least one child attends an Early Head Start-Child Care Partnership (EHS-CCP) grant program or an Oklahoma Early Childhood Program (OECF).

The household income is exempt for all children in child care when at least one child attends an EHS-CCP grant program or an OECF and the household meets the income threshold, per OKDHS Appendix C-4, Child Care Eligibility/Copayment Chart.

(8) Children's earnings. The earnings of a person 17 years of age and younger who is considered a child in the case are excluded as long as the child attends school regularly. The exclusion continues to apply during temporary interruptions in school attendance due to semester or vacation breaks, provided the child's enrollment resumes following the break. When the child is a minor parent and the payee, the minor parent's earnings are treated as adult income.

(9) Irregular income. Any income received too infrequently or irregularly to be reasonably anticipated is not counted unless it exceeds \$30 per calendar quarter.

(10) Reimbursements. Reimbursements for past or future expenses not exceeding actual expenses are excluded.

(11) Tax refunds. Exclude federal or state income tax refunds including Earned Income Tax Credit (EITC) payments.

(12) Money received for third parties. Money received and used for the care and maintenance of a third party who is not a household member is excluded.

(13) Loans. All loans, including loans from private as well as and commercial institutions, are excluded as income. When the household states someone is loaning the household money to meet expenses, both parties are required to sign a statement indicating the payment is a loan and must be repaid. When the household states it receives loans on a recurrent or regular basis from the same source, the lender must sign an affidavit stating

the payments are loans that must be repaid or that payments will be made in accordance with an established repayment schedule.

(14) **Grants.** Grants obtained and used under conditions that preclude their use for current living costs are excluded.

(15) **Educational assistance.** Educational assistance is excluded as income and includes, but is not limited to:

(A) work study;

(B) scholarships;

(C) fellowships;

(D) educational loans when payment is deferred; and

(E) veterans' education benefits.

(16) **Stipends.** Stipends paid to students participating in the Indian Vocational Education Program through the Carl D. Perkins Vocational and Applied Technology Education Act are excluded as income.

(17) **Service Corps of Retired Executives (SCORE) and Active Corps of Executives (ACE).** Payment for supportive services or reimbursement for out-of-pocket expenses made to volunteers serving as foster grandparents, senior health aides, senior companions, and to persons serving in SCORE and ACE is excluded as income.

(18) **Government rent or housing subsidies.** Rent or housing subsidies provided by government agencies that are received in-kind or in cash for rent, mortgage payments, or utilities are excluded as income.

(19) **Foster care payments.** Foster care payments received for a foster child in state or tribal custody are excluded as income.

(20) **Title IV E of the Social Security Act or State Adoption Subsidy.** Federal- or state-funded adoption subsidy payments made to adoptive parents are excluded as income.

(21) **Victims of Crime Act of 1984.** Payments made from the crime victims' compensation program as amended in Section 1402 of the Victims of Crime Act of 1984 and Section 10602 of Title 42 of the United States Code (42 U.S.C § 10602) are excluded as income.

(22) **Family Support Assistance Payment Program.** Family Support Assistance Payment Program payments paid to persons by OKDHS Developmental Disabilities Services are excluded as income.

(23) **Vendor payments.** Vendor payments made directly to the household's creditors, a person, or an organization providing a service to the household, are excluded as income unless a court order or other legally binding agreement specifies the money is to be paid directly to the client.

(24) **Money received by another household for a household member.**

(A) When a child with countable income spends part of the month in two separate households, the worker only considers the portion of the child's income received by the household applying for or receiving a child care benefit as countable income and excludes the remainder.

(B) When a minor parent is the payee and lives with a parent or caretaker, child support received for the minor parent is considered income for the parent or caretaker and not considered for the minor parent's child care benefit.

(25) Money deposited into or withdrawn from a qualified Oklahoma Achieving a Better Life Experience (ABLE) Program account. Money deposited into or withdrawn from a qualified ABLE Program account, in Oklahoma or in any other state, owned by the account's designated beneficiary and established to pay for qualified disability expenses (QDE), is excluded from income or resource consideration, per Sections 4001.1 through 4001.5 of Title 56 of the Oklahoma Statutes and the ABLE Act of 2014 (26 U.S.C. § 529A). A person may have only one ABLE account.

(A) The client must provide documents to verify the account meets exemption criteria before the funds are excluded. Once the client verifies that the savings or trust account is a valid ABLE account, no further account information is required.

(B) Another individual's contribution to an ABLE account is excluded unless the contribution exceeds the annual federal gift tax exclusion amount, per 26 U.S.C. § 2503(b). Any money deposited in the account in the calendar year that is in excess of the annual federal gift tax exclusion amount is considered as a countable resource in the amount deposited.

(C) An ABLE account distribution retained after the month of receipt is excluded in any month when spent on a QDE. Money withdrawn for reasons other than to pay a QDE is considered as a countable resource for the withdrawal month.

(D) A QDE is any expense related to the individual's blindness or disability and made for his or her benefit. A QDE includes, but is not limited to:

- (i) education;
- (ii) housing;
- (iii) transportation;
- (iv) employment, training, and support;
- (v) assistive technology;
- (vi) health;
- (vii) prevention and wellness;
- (viii) financial management and administrative services;
- (ix) legal fees;
- (x) ABLE account oversight and monitoring;
- (xi) funeral and burial; and
- (xii) basic living.

(26) Income excluded by federal law. Income excluded by federal law is defined as:

(A) payments received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970;

(B) payments received:

(i) under the Alaska Native Claims Settlement Act, Public Law (P. L.) 92-203, § 21(a);

(ii) under the Sac and Fox Indian Claims Agreement, P.L. 94-189;

(iii) from the disposition of funds to the Grand River Band of Ottawa Indians, per P.L. 94-540;

(iv) from the Indian Claims Commission to the Confederated Tribes and Bands of the Yakima Indian Nation or the Apache Tribe of the Mescalero Reservation, per P.L. 95-433;

(v) under the Maine Indian Claims Settlement Act of 1980 to members of the Passamaquoddy and the Penobscot Nation, P.L. 96-420;

(vi) by an individual as a lump sum or a periodic payment via the Cobell Settlement, per the Claims Resolution Act of 2010, P.L. 111-291; or

(vii) by members of the Navajo and Hopi Tribes for relocation assistance, per P.L. 93-531;

(C) any payment to volunteers under Title II, Retired and Senior Volunteer Program, Foster Grandparents and others, of the Domestic Volunteer Services Act of 1973, P.L. 93-113 as amended. Payments under Title I of that Act, Volunteers in Service To America, University Year for Action, and Urban Crime Prevention Program, to volunteers are excluded only when the monthly amount, converted to an hourly rate, is less than the Oklahoma minimum wage;

(D) income derived from submarginal land of the United States held in trust for certain Indian tribes, per P.L. 94-114, Section 6;

(E) Indian per capita payments distributed from judgment awards and trust funds made, per Section 2 of P.L. 98-64, 25 U.S.C. §§ 117b and 1407. For this paragraph's purposes, per capita is defined as each tribal member receiving an equal amount. Interest or investment income accrued on such funds while held in trust, or any purchases made with judgment funds, trust funds, interest, or investment income accrued on such funds, is excluded. Any per capita payments, headrights of the Osage tribe, income from mineral leases, or other tribal business ventures are excluded as long as the payments are paid per capita. Any interest or income derived from the funds after distribution is considered as any other income. The per capita exclusion applies per person rather than per family;

(F) income individual Indians receive up to \$2,000 per year that is derived from leases or other uses of

individually-owned trust or restricted lands, is not counted as income. The income exclusion applies to calendar years beginning January 1, 1994. Any remaining disbursements from the trust or restricted lands are considered income; (G) allowances, stipends, earnings, compensation in lieu of wages, grants, and other payments made for participation in the Workforce Innovation and Opportunity Act (WIOA) or other federally-funded workforce training program to persons of all ages and student status. On-the-job training income paid to persons 19 years of age and older is considered as countable earned income, per OAC 340:40-7-11(b)(4);

(H) payments, allowances, or earnings to persons participating in the AmeriCorps State and National program, the AmeriCorps National Civilian Community Corps program authorized under the National and Community Service Act, 1990 42 U.S.C. § 12637(d), and other payments to volunteers authorized by the National and Community Service Trust Act of 1993, P. L. 103-82, 42 U.S.C. §§ 12571, et seq., and administered by the Corporation for National and Community Service;

(I) payments or allowances made under any federal law for the purpose of energy assistance, Low Income Home Energy Assistance Program (LIHEAP), and utility payments and reimbursements made by the Department of Housing and Urban Development (HUD) and the Farmers Home Administration (FmHA);

(J) the mandatory salary reduction amount for military service personnel used to fund the G.I. Bill;

(K) benefits from State and Community Programs on Aging, per Title III and Title V of the Older Americans Act of 1965 as amended by P.L. 114-144, Older Americans Act Reauthorization Act of 2016. Each state and various organizations receive Title V funds. These organizations include:

- (i) Experience Works;
- (ii) National Council on Aging;
- (iii) National Council of Senior Citizens;
- (iv) American Association of Retired Persons Foundation;
- (v) United States (U.S.) Forest Service;
- (vi) National Association for Spanish Speaking Elderly;
- (vii) National Urban League;
- (viii) National Council on Black Aging; and
- (ix) National Council on Indian Aging;
- (x) Asociación Nacional Pro Personas Mayores;
- (xi) Associates for Training and Development, Inc.;
- (xii) American Samoa;
- (xiii) Easter Seals, Inc.;
- (xiv) Goodwill Industries International, Inc.;

- (xv) Institute for Indian Development;
- (xvi) National Able Network;
- (xvii) National Asian Pacific Center on Aging;
- (xviii) National Caucus and Center on Black Aged, Inc.;
- (xix) National Older Worker Career Center;
- (xx) Operation A.B.L.E. of Greater Boston, Inc.;
- (xxi) Senior Service America, Inc.;
- (xxii) SER-Jobs for Progress National, Inc.;
- (xxiii) Workplace, Inc.; and
- (xxiv) VANTAGE Aging;

(L) payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement In Re Agent Orange Product Liability Litigation, M.D.L. No. 381 (E.D.N.Y.);

(M) payments received under the Civil Liberties Act of 1988. These payments are made to persons of Japanese ancestry who were detained in internment camps during World War II;

(N) payments made from the Radiation Exposure Compensation Trust Fund as compensation for injuries or deaths resulting from exposure to radiation from nuclear testing and uranium mining;

(O) payments a Supplemental Security Income recipient receives that are necessary for the fulfillment of a Plan for Achieving Self-Support approved under Section 1612(b)(4)(A)(iii) or 1612(b)(4)(B)(iv) of the Social Security Act;

(P) payments made to persons because of their status as victims of Nazi persecution under P.L. 103-286;

(Q) payments made for the Experimental Housing Allowance Program under Annual Contributions Contracts entered into prior to January 1, 1975, per Section 23 of the U.S. Housing Act of 1937 as amended;

(R) monetary allowances provided to certain children of Vietnam War veterans, per Chapter 18 of Title 38 of the United States Code;

(S) federal funds distributed by Federal Emergency Management Assistance (FEMA) due to a disaster or emergency to persons directly affected by the event, per the Robert T. Stafford Disaster Relief and Emergency Assistance Act, P.L. 93-288 as amended, 42 U.S.C. § 5155(d). This exclusion also applies to comparable disaster assistance provided by states, local governments, and disaster assistance organizations. For payments to be excluded, the disaster or emergency must be declared by the President of the United States;

(T) the food benefit allotment value under the Food and Nutrition Act of 2008;

(U) the supplemental food assistance value under the Child Nutrition Act of 1966 and the special food services program for children under the National School Lunch Act

of 1970, both as amended, per Omnibus Budget Reconciliation Act of 1981; and
(V) income a member of the United States Armed Forces receives, per 37 U.S.C. Chapter 5 and, per 273.9(c)(20) of Title 7 of the Code of Federal Regulations that is:

- (i) received in addition to the service member's basic pay during combat deployment;
- (ii) received as a result of the service member's deployment or service in an area designated as a combat zone as determined per Executive Order or P.L.; and
- (iii) not received by the service member prior to the service member's deployment to or service in a federally designated combat zone.

340:40-7-13. Computation of income

(a) **Ongoing income.** Income from an ongoing source received regularly but in amounts that vary, or income received irregularly, is averaged over a minimum of 30-calendar days unless the client has not received at least 30-calendar days of representative income. This includes overtime pay, irregular child support, and other occasional increases or decreases in monthly gross income. When income is received more often than once per month, the income is converted to a monthly amount.

(b) **Income verification.** The worker verifies the household's income using the best available information.

(1) When at application or renewal the person received at least 30-calendar days of income, the best available information is normally the person's pay stubs or an employer statement. When neither source is available, the worker uses whatever records are available that best establish the income already received and expected for future months.

(2) When the client's ongoing employment income changed and the last 30-calendar days of income is not indicative of future earnings, the best available information may be an employer statement. When work hours remain the same but the client received a pay raise, the worker averages the person's work hours over the last 30-calendar days and multiplies the averaged hours by the new pay rate.

(3) For earned income, pay stubs are used for verification only when the client's name or Social Security number, date(s) of the pay period, and amount of income before deductions are shown on the pay stub. When this information is not shown on the pay

stub, or pay stubs are not available, phone contact with the employer or an employer statement is required.

(4) When a household member starts a new job, the worker verifies the person's start date, date the first full paycheck is expected to be received, hourly rate, and anticipated number of hours per week.

(c) **Income calculations at initial certification.** For an initial certification, the worker calculates income using procedures in (1) through (4).

(1) When household income is ongoing, the worker uses actual income received for the approval month, except when:

- (A) all income for the month has not been received and verified. When this occurs, the worker uses any full representative paychecks to anticipate income not yet received for the approval month and future months; or
- (B) the person received an additional check in the approval month due to a third or fifth week. When this occurs, the worker averages the last 30-calendar days of income for the approval month and future months.

(2) When income is ongoing and actual income is used for the approval month, the worker averages the last 30-calendar days of representative income and converts it to a monthly amount for the following month.

(3) When income is from a new source and the person did not receive any income as of the approval date, the worker does not consider income for the approval month per Oklahoma Administrative Code (OAC) 340:40-7-10.

(A) Income expected to be received in the month following the approval month is anticipated and considered when a full check is expected to be received on or before the first of the month following the approval month.

(B) When only partial earnings are expected to be received in the month following the approval month, earnings are not considered until the next month.

(4) The worker adds together all countable earned and unearned income to arrive at the household's gross income.

(d) **Income calculation at renewal.** To calculate income at renewal, the worker determines eligibility based on circumstances anticipated for future months using the best information available.

(1) The worker adds together all countable earned and unearned income to arrive at the household's gross income.

(2) When the household reports earned income from a new source at renewal, the worker considers the earned income effective the first month a full check is expected to be received by the first of that month.

(e) **Income deduction.** After computing gross income, the worker subtracts any verified, legally-binding child support payments paid by a household member to or for a non-household member, including child support and child care support payments made to a third party on behalf of the non-household member.

(f) **Income eligibility threshold.** The worker uses Oklahoma Department of Human Services Appendix C-4, Child Care Eligibility/Copayment Chart to determine if the household meets the income threshold, per Section 98.20(a)(2) of Title 45 of the Code of Federal Regulations.

SUBCHAPTER 9. PROCEDURES RELATING TO CASE CHANGES

340:40-9-1. Renewal of child care eligibility

(a) **Child care renewal.** The client must complete the child care renewal at the end of the 12-month eligibility period to continue receiving benefits per Section 98.21(a) of Title 45 of the Code of Federal Regulations. Refer to Oklahoma Administrative Code 340:40-9-2(f) for reasons child care is closed prior to the renewal. At renewal, the client is sent a computer-generated notice informing the client:

- (1) the renewal is due;
- (2) the methods the client may use to complete the renewal;
- (3) types of verification that may be required; and
- (4) when benefits close if the renewal is not completed.

(b) **Renewal time frame.** A child care renewal is due no earlier than 12 months from the approval date or the last renewal unless the client receives Supplemental Nutrition Assistance Program food benefits and benefits must be synchronized per (f) of this Section.

(c) **Signature requirement.** The client or the client's authorized representative must sign the renewal.

(d) **Interview requirement.** An interview is not required at renewal for the Child Care Subsidy Program.

(e) **Eligibility determination.** An eligibility determination is made once the renewal is signed and all required verification is provided and evaluated.

- (1) The eligibility determination results in:
 - (A) completing the renewal without changes;
 - (B) completing the renewal with changes; or
 - (C) closing the child care benefits.
- (2) Benefits, when closed, may be reopened when the client provides required information within 30-calendar days of closure.

(f) **Synchronization of benefits.** When the client receives other Adult and Family Services benefits in addition to the subsidized child care benefits, certification and renewal dates must be coordinated with the other programs.

340:40-9-2. Case changes

(a) **Change reporting.** The household reports income changes that exceed the income eligibility threshold for the family size, per Oklahoma Human Services (OKDHS) Appendix C-4, Child Care Eligibility/Copayment Chart, within 10-calendar days of the change occurring, per Section 98.21(e)(1) of Title 45 of the Code of Federal Regulations (45 C.F.R. § 98.21(e)(1)).

(1) A computer-generated notice issues at certification and renewal to inform the client of the current income eligibility threshold for the client's family size and instructs the client to report when the household income exceeds this amount.

(2) When the client fails to report an income increase timely that, if reported, would have resulted in benefit closure, the worker makes an overpayment referral to Adult and Family Services Benefit Integrity and Recovery Unit, per Oklahoma Administrative Code (OAC) 340:40-15-1.

(b) **Action taken on reported changes.** The worker acts on all changes the household reports between renewal periods. Benefits do not decrease unless the client requests a decrease to avoid or reduce an overpayment or the reported change results in the child care benefit closing, per (f) of this Section.

(c) **Changes that increase subsidized child care benefits.** When the client reports a change within 10-calendar days of the change that increases the amount of child care approved or decreases the family share copayment, the client and the worker jointly plan the change's effective date. When the client does not report the change within 10-calendar days of the change, the earliest date the worker increases the subsidized child care benefits is the first day of the month in which the client reports the change.

(d) **Additional child request.** When an additional child requires subsidized child care benefits, the worker completes the request within two-business days of the client providing all necessary verification to determine eligibility. When eligible, the child may be approved for subsidized child care benefits beginning on the request date.

(e) **Change in provider.** When a client reports a change in provider, the change is effective the date the change in provider occurs, regardless of whether the client reports the change timely. The worker completes provider changes within two-business days of the date the client reports the change.

(f) **Child care benefits closure.** When the client is no longer eligible for subsidized child care benefits, the closure date varies depending on circumstances. Refer to OKDHS Appendix B-2, Deadlines for Case Actions, for advance-notice deadline dates.

- (1) The worker closes the subsidized child care benefits effective 10-calendar days from the date action is taken, when the:
 - (A) payee for the child care benefit changes. When this occurs, a new application is needed, per OAC 340:40-3-1(a)(1)(C);
 - (B) only child(ren) approved for subsidized child care leaves the home;
 - (C) client already received income in excess of the income threshold, per OKDHS Appendix C-4;
 - (D) client moves out-of-state; or
 - (E) client was approved for child care in error.
- (2) The worker closes the child care benefit effective the last calendar day of the current calendar month when the client's anticipated income for the next month is expected to exceed the income eligibility threshold, per 45 C.F.R. § 98.21(e)(1) and OKDHS Appendix C-4.
- (3) The worker closes the child care benefit effective the last calendar day of the renewal month when:
 - (A) the client does not meet a need factor;
 - (B) the client is not pursuing potential income, per OAC 340:40-7-9;
 - (C) the child reached the maximum age limit, per OAC 340:40-7-3; or
 - (D) an adopted child turns 6 years of age and the family income must now be considered, per OAC 340:40-7-12. In this circumstance, a new application is required, per OAC 340:40-3-1(a)(1)(D).
- (4) The worker closes the child care benefit effective three months from the approval date for job search child care, per OAC 340:40-7-8(a)(6).
- (5) When the client receives Temporary Assistance for Needy Families related subsidized child care, per OAC 340:40-7-8(e) and stops meeting a need factor, the worker closes the child care benefit effective 90-calendar days from the date the client stops participating.
- (6) When a client stops participating in Oklahoma Supplemental Nutrition Assistance Program Works component assignments and activities, per OAC 340:40-7-8(d) and does not meet another need factor, the worker closes the child care benefit effective 90-calendar days from the date the client stops participating.
- (7) When the client requests the child care benefit be closed, the earliest date the worker closes the child care is the date action is taken.
- (8) When the client does not complete the benefit renewal timely, the system closes the child care benefit effective the last calendar day of the renewal month.

(g) **Reopen action.** When a client's subsidized child care benefits close, benefits may be reopened within 30-calendar days of the closure effective date using current eligibility information unless the client must complete a new application, per OAC 340:40-3-1(a)(1). Child care benefits are not decreased unless the renewal is due, per 45 C.F.R. § 98.21(a).

340:40-9-3. Notices regarding child care eligibility

(a) **Computer-generated notice required.** A computer-generated notice is sent to inform the client of any:

- (1) initial eligibility decision;
- (2) decision regarding continued eligibility if a change occurs that increases or decreases the level of subsidized child care benefits;
- (3) decision to terminate subsidized child care benefits; and
- (4) decision to reopen subsidized child care benefits.

(b) **Form 08MP038E, Client Notice of Action Taken, required.**

worker must send Form 08MP038E when the system does not provide a notice. The worker also sends Form 08MP038E to notify the client and provider when any additional co-payment is being paid by someone other than the client directly to the provider or is being discounted by the child care provider for an employee.

(c) **Notice not required.** A written notice is not required for information and referral services.

(d) **Returned notices.** When a notice of a proposed case action is returned, the worker makes at least one attempt to locate the client.

(e) **Advanced notice required.** Advanced notice is required on case actions that decrease or terminate the level of child care benefits when such services are still needed by the client.

(f) **Advance notice not required.** Advance notice is not required on case actions that increase the level of child care benefits or when child care benefits are no longer being used.

SUBCHAPTER 10. ELECTRONIC BENEFIT TRANSFER (EBT) SYSTEM FOR CHILD CARE

340:40-10-1. Electronic benefit transfer (EBT) system for child care

(a) The EBT system used for child care tracks time and attendance for a child receiving subsidized child care and processes child care provider payments. This system involves a client or authorized representative using an EBT card to document attendance by swiping the card through a point-of-service (POS) machine or recording attendance using the ECC

Connect mobile app at the child care facility. The client or authorized representative records real-time attendance or enters previous in and out times for up to 10-calendar days, the current day and nine previous days. The system works best when the client or authorized representative records attendance real time.

(b) The county EBT specialist issues an EBT card to a child care applicant at the time he or she applies for a child care benefit and views an EBT training video.

(c) Only two EBT cards are issued per Adult and Family Services child care case; one card for the parent or caretaker and one for an authorized representative. The authorized representative can be the other parent or someone else who helps the client take the child to, or pick the child up from, the child care facility. The client is responsible for all attendance by the authorized representative records. The client is prohibited from choosing the child care provider or anyone the child care provider employs as the authorized representative.

(d) Two EBT cards can be issued per child in a Child Welfare case when each child in the case resides with different foster parents.

340:40-10-2. Client, worker, and provider electronic benefit transfer (EBT) responsibilities

(a) **Client EBT responsibilities.** Client EBT responsibilities include:

- (1) viewing the client training video;
- (2) recording correct attendance days and times with his or her EBT card through the provider's point-of-service (POS) machine or using the ECC Connect mobile app within 10-calendar days, current day and previous nine days;
- (3) checking the message on the POS machine or the ECC Connect mobile app after each attendance entry to see if it is approved, denied, pending, or pending different provider. When the message shows denied or pending different provider, the client is responsible for reporting the problem to the worker right away;
- (4) not recording attendance for any day the child does not attend child care;
- (5) not giving the EBT card or personal identification number (PIN) to anyone else, including the child care provider; and
- (6) paying for care Oklahoma Human Services (OKDHS) does not pay because:
 - (A) the client did not record attendance timely for days and times his or her child attended child care;
 - (B) attendance entries were denied and the client did not correct attendance within 10-calendar days; or
 - (C) the provider loses the absent day payment for a weekly authorization because the client did not record correct attendance for every day that the child attended care for a given month.

(b) **Worker EBT responsibilities.** Worker EBT responsibilities include:

- (1) ensuring that clients read and state they understand the EBT responsibilities shown on the application;
- (2) arranging for clients to receive their EBT cards and view the training video as soon as possible after the child care request is submitted;
- (3) arranging for authorized representatives to receive their EBT cards and view the training video as soon as possible;
- (4) acting on attendance errors as soon as the client reports them;
- (5) acting on EBT card misuse reports as soon as they are reported, per Oklahoma Administrative Code 340:40-10-3.

(c) **Child care provider EBT responsibilities.** Child care provider responsibilities include:

- (1) never possessing a client's EBT card or recording a child's attendance using the POS machine or the ECC Connect mobile app;
- (2) never moving the POS machine to another location or submitting electronic child care claims from another location without receiving prior approval from OKDHS Adult and Family Services Child Care Subsidy Unit staff;
- (3) requiring clients to record attendance as child care is used;
- (4) never asking or requiring a client to record attendance for a day the child does not attend; and
- (5) ensuring claimed attendance submitted via the EBT system is correct and voiding any incorrect transactions within the 10-calendar day swipe limit, current day and previous nine days.

340:40-10-3. Misuse of the electronic benefit transfer (EBT) card

- (a) When the worker becomes aware that the client or the authorized representative of the client is misusing his or her EBT card, the worker cancels that EBT card.
- (b) Misuse can occur when the client or authorized representative gives his or her EBT card to another person, such as the child care provider, to record attendance or when the client knowingly records incorrect attendance dates and times.
- (c) Before the EBT specialist issues a new EBT card, the client or authorized representative must view the EBT training video regarding proper use of the EBT card again.

[Source: Added at 22 Ok Reg 1238, eff 6-1-05 ; Amended at 28 Ok Reg 831, eff 6-1-11 ; Amended at 37 Ok Reg 1813, eff 9-15-20 ; Amended at 39 Ok Reg 1733, eff 9-15-22]

340:40-10-4. Child care electronic benefit transfer (EBT) payment process

- (a) **Child care payments.** Oklahoma Human Services (OKDHS) makes payments for child care services to providers electronically using the electronic benefit transfer (EBT) system unless the provider is an in-home child care provider. In-home child care providers are paid manually via the EBT system after submitting Form 10AD121E, Child Care Claim.

(b) **Point-of-service (POS) machines.** Contracted child care providers are issued a POS machine within 10-calendar days of the date the child care provider notifies the OKDHS contractor that the provider started caring for a child authorized for OKDHS subsidized child care and submits all necessary forms to the contractor.

(c) **Recording attendance.** Clients and authorized representatives use the POS machine or the mobile app to record actual times their child attends child care. Child care providers may charge clients for care provided on days they fail to record attendance or when a denied error message is received. When the client pays for child care that is later approved for that date(s), the child care provider must reimburse the client for any care paid above the family share copayment amount.

(1) Child care providers monitor the POS machine or mobile app to ensure correct attendance times are recorded. When incorrect times are recorded, the provider may void the incorrect transaction and ask the client to start over.

(2) When clients or authorized representatives forget to record attendance for a day their child attends care, record incorrect times that the provider voids, or receive a denied error message, the system allows the client or authorized representative to record previous in and out times for the current day and the previous nine days.

(3) Based on attendance recorded and the level of care authorized, electronic settlements to child care providers are made weekly.

(d) **EBT payment week.** The EBT payment week begins every Sunday at 12:01 a.m. and ends every Saturday at midnight. Electronic settlements are made each week in the child care provider's designated financial institution account on Tuesday morning for services provided two weeks prior to the current week. When the financial institution is closed on Monday or Tuesday, or Monday is a holiday, the electronic settlement is deposited on Wednesday morning.

(e) **Manual claims process.** When the child care provider reports a payment error, the provider may submit Form 10AD121E to the OKDHS Financial Services Electronic Payment Services (EPS) Unit for a manual adjustment. Manual claims must be submitted within 90-calendar days of the error. EPS staff evaluates whether to adjust the payment to the provider based on the reason care was not paid electronically.

(1) When the client or authorized representative does not attempt to record attendance electronically, OKDHS does not pay the child care provider for those days unless extenuating circumstances beyond the client's, authorized representative's, or provider's control exist. These extenuating circumstances must be documented on Form 10AD121E.

(2) EPS staff makes manual adjustments when the:

(A) client records correct attendance times that are denied in error;

(B) EBT system applies an incorrect family share copayment; or

(C) provider is paid the wrong rate because:

(i) the child care plan is incorrectly coded;

- (ii) an incorrect birth date is entered for a child; or
- (iii) an incorrect star status is paid.

(f) Absent-day payments. Child care providers may receive an absent-day payment for a child who misses some scheduled attendance days. To be eligible, the child must qualify for a weekly unit type and attend the minimum number of full-time days, per OKDHS Appendix C-4-B, Child Care Provider Rate Schedule, for that month. The provider is not eligible for an absent-day payment when the child did not attend the minimum number of full-time days for that calendar month or attended the maximum days paid, per OKDHS Appendix C-4-B. The EBT system deposits an absent-day payment in the provider's account in their weekly settlement. The provider receives the settlement after the 10th day of the month following the month the child was absent from care.

SUBCHAPTER 13. CHILD CARE RATES AND PROVIDER ISSUES

340:40-13-1. Child care arrangements

(a) **Out-of-home child care arrangements.** Out-of-home child care is provided outside of the child's home for less than 24 hours per day. The Oklahoma Department of Human Services (DHS) purchases out-of-home child care services only from licensed or permitted child care centers and family child care homes. A list of licensed, contracted out-of-home providers is available upon request.

(b) **In-home child care arrangements.** DHS only approves in-home providers related to the child. Related to means an aunt, uncle, grandparent, great grandparent, or sibling not living in the home per Section 98.41(a)(1) of Title 45 of the Code of Federal Regulations. A parent may choose an in-home provider when an out-of home provider is available. In no instance is housekeeping service approved. The approval is for the child care plan and the person providing care. Refer to Oklahoma Administrative Code 340:40-13-2 for guidelines regarding use and approval of in-home child care.

340:40-13-2. Approving in-home child care

(a) **Purpose.** In-home child care is care given to a child by a relative coming into the child's own home. A parent may choose an in-home provider even when an out-of-home provider is available. The purpose of

standards for in-home care is to help ensure the safety of children cared for in their own home when the usual, responsible adult is temporarily absent due to employment, training, illness, or other valid reason.

(b) **Qualifications of caregiver.** The caregiver:

- (1) must be related to the child. Related to means an aunt, uncle, grandparent, great grandparent, or sibling not living in the home;
- (2) must be at least 18 years of age;
- (3) demonstrates the vitality and flexibility needed to care for children and the ability to exercise good judgment and appropriate authority;
- (4) may not be a member of the child's household;
- (5) may only care for the child of one family at a time. The provider may provide care to more than one family as long as the hours do not overlap, and the child of each family is cared for in his or her own home; and
- (6) must not be under the effects of alcohol, illegal drugs, or medication that impairs functioning when caring for children.

(c) **Requirements prior to approval of the caregiver for subsidy payment.** After a parent or caretaker selects a caregiver, requirements in (1) through (3) of this subsection must be met before the caregiver may be approved as an in-home provider.

(1) The client and caregiver must complete and sign forms described in (A) through (C) of this paragraph.

(A) Form 08CC003E, In-Home Mutual Agreement and Notification to Provide Child Care Services, notifies the caregiver of the eligibility and child care plan for the child requiring care and the intent of the parent or caretaker to receive care from the caregiver. Once approved, it also serves as the in-home provider's authorization to bill Oklahoma Human Services (OKDHS) for services provided on or after approval.

(B) Form 08CC004E, Mutual Agreement Regarding the Plan of Care, serves as a basis for discussion between the parent or caretaker and the in-home provider of the plan of care for the child, duties of the in-home provider, how to handle emergencies, and the family rules.

(C) Form 08CC005E, In-Home Provider Health and Safety Checklist, serves as a basis for discussion between the parent or caretaker and the in-home provider of adequate safety precautions and possible safety hazards in the child's home. The parent or caretaker is also responsible for informing the provider of known risks of a contagious condition of one or more persons in the household. The disclosure allows for training in the universal precautions against exposure.

(2) The caregiver must provide a copy of the caregiver's photo identification and Social Security card.

(3) The caregiver must provide proof of the results of an Oklahoma State Bureau of Investigation (OSBI) criminal history investigation as described in (A) of this paragraph and not be guilty of crimes or enter a plea of guilty or nolo contendere, no

contest, to crimes described in (B) of this paragraph.

(A) Criminal history investigations:

- (i) are required and must be provided by each caregiver and substitute caregiver prior to caring for children;
- (ii) are not required for persons who have documentation of a criminal history investigation within the last 12 months;
- (iii) must be obtained from:
 - (I) OSBI; and
 - (II) the authorized agency in the previous state of residence when the individual has resided in Oklahoma less than one year;
- (iv) must include a search of the Oklahoma Department of Corrections files maintained by OSBI per the Sex Offenders Registration Act; and
- (v) must include a computer check the worker completes using the potential caregiver's Social Security number. When a Child Welfare Services (CWS) case number appears, the worker consults with CWS staff to determine if concerns exist about the potential in-home provider's ability to care for children.

(B) When a caregiver's criminal history report includes a conviction of fiscal mismanagement, such as embezzlement or fraud, or repeated convictions that indicate a pattern of criminal activity, the in-home provider is not approved. Persons who are convicted of or enter a plea of guilty or nolo contendere, no contest, to certain crimes are not approved to care for children or be substitute caregivers. These crimes include:

- (i) violence against a person;
- (ii) child abuse or neglect;
- (iii) possession, sale, or distribution of illegal drugs;
- (iv) sexual misconduct; or
- (v) gross irresponsibility or disregard for the safety of others.

(4) After requirements described in (1) through (3) of this subsection are met, the worker scans the supporting documentation into imaging and consults a supervisor. The supervisor sends an email to Adult and Family Services (AFS) Child Care Subsidy Unit staff requesting approval.

(A) When the chosen caregiver is approved as an in-home provider, the approval is valid for a maximum of one year from the date AFS Child Care Subsidy Unit staff signs Form 08CC003E. This form must be renewed annually. When approved, AFS Child Care Subsidy Unit staff mails the in-home provider a copy of Form 08CC003E advising the in-home provider of the assigned contract number.

(B) When the chosen caregiver is not approved as an in-home provider, AFS Child Care Subsidy Unit staff sends a letter to the caregiver advising of the denial. The worker sends Form 08MP038E, Client Notice of Action Taken, to inform the client of the denial of benefits and need to choose another caregiver.

(5) The caregiver must be currently certified in first aid and infant and child cardiopulmonary resuscitation (CPR) from an OKDHS-approved source.

(d) **Duties of the caregiver.** The caregiver:

(1) provides adequate care and supervision of children at all times, including frequent observations of children in cribs or playpens. The caregiver must arrange to have a competent adult provide consistent supervision during the caregiver's absence from the home;

(2) is responsible only for children specified on Form 08CC003E;

(3) is aware of adequate safety precautions and takes action to correct hazards to children's safety, both indoors and outdoors;

(4) provides opportunities for learning, indoor and outdoor play, rest periods, and meals. The caregiver ensures the use of television is age-appropriate and suitable for children;

(5) gives understanding, consistent, and loving guidance.

Discipline is constructive, educational in nature, and appropriate to the child's age and circumstances. Loud, profane, and abusive language, corporal punishment, or any technique that is either humiliating or frightening to children is not used. Discipline is not associated with rest, toilet training, or loss of food;

(6) seeks emergency medical attention in case of sudden illness or accident. The parent or guardian stipulates who to call in case of an emergency by entering this information on Form 07LC038E, Child Information. The caregiver has emergency phone numbers readily available at all times. Emergency phone numbers include 911, the fire department, police department, ambulance service, and physician or clinic;

(7) prepares and serves food. The child's family provides the food used to prepare snacks and meals. The caregiver consults with the child's parent(s) or guardian to ensure a balanced diet suitable to the age and physical development of the child is provided; and

(8) ensures the child's school attendance in accordance with the requirements of the Oklahoma State Department of Education.

(e) **In-home provider training requirements.** The in-home provider must read "The Good Health Handbook - A Guide For Those Caring For Children" within 90-calendar days of the approval date of the in-home provider shown on Form 08CC003E. The in-home provider signs and completes Form 08CC008E, In-Home Child Care Provider Training Declaration of Completion, and returns it to the AFS Child Care Subsidy Unit staff. The signature and completion of Form 08CC008E meets the in-home provider training requirement for the first year of approval.

(1) After the first year of approval, the in-home provider must annually receive and declare six clock-hours of training. The

provider may meet the training requirement by attending workshops, formal training programs, viewing videos, or through individual job-related readings. The declaration is valid for one year from the date the provider signs the document.

(2) Training hours earned by the in-home provider may transfer from one family to another during the year the declaration is in force.

(f) **Requirement to renew the in-home provider agreement.** Form 08CC003E is completed annually.

(g) **Requirements prior to approval for a special needs child care rate for a child with disabilities.** When an in-home child care provider cares for a child with disabilities, the provider may be approved for the special needs rate in addition to the applicable daily rate. Prior to receiving this additional rate, the:

(1) client, provider, and worker must complete Form 08CC006E, In-home Child Care Certification for Special Needs, per Oklahoma Administrative Code 340:40-7-3.1;

(2) provider must receive on-site consultation regarding the nature of the child's disability and the development of the child care plan including how to operate equipment the child needs and any specialized training needs. The consultant provides available resource materials that may aid the provider for the child. This consultation may be provided by a:

(A) health care professional;

(B) child guidance specialist;

(C) SoonerStart provider when the child is younger than 3 years of age;

(D) public school teacher who is familiar with the child; or

(E) consultant through the Center for Early Childhood Professional Development; and

(3) provider must agree to obtain six additional hours of training in areas that address the care of children with disabilities within six months of approval. This training is documented on Form 08CC008E.

(A) First aid, CPR, or informal training is not counted to meet the special training requirement.

(B) Countable formal training must be from an OKDHS-approved sponsor.

340:40-13-3. Child care payments and rates

(a) Oklahoma Human Services (OKDHS) contracts to purchase out-of-home child care services for children only with licensed providers who:

(1) post rates and fees;

(2) sign and comply with all the terms of Form 08CC001E, Child Care Provider Contract;

(3) participated in mandatory contract training; and

- (4) have access to an account at a financial institution for electronic benefit transfer (EBT) purposes.
- (b) Per Section 85.44B of Title 74 of the Oklahoma Statutes, OKDHS may not make advance payments to child care providers.
- (c) The rates OKDHS pays are described on OKDHS Appendix C-4-B, Child Care Provider Rate Schedule, and determined by:
- (1) the child's age;
 - (2) the settings in which the care is provided that include:
 - (A) the child's own home;
 - (B) a child care center; or
 - (C) a child care home; and
 - (3) whether the child has disabilities and the provider is approved for the special needs rate unit type. The special needs rate is added to the applicable rate a child care provider receives for a typical child of the same age after the Form 08AD006E, Certification for Special Needs Child Care Rate, Certification for Special Needs Child Care Rate for Licensed Child Care Homes and Centers, approval process is followed;
 - (4) whether the care is provided full-time, over four hours per day, or part-time, four hours or fewer per day;
 - (5) whether the worker approves a full-time daily, part-time daily, a combination of full-time and part-time daily, blended, or a weekly unit; and
 - (6) whether the facility qualifies for a quality rate.
- (d) The in-home child care rate is paid for children cared for in their own homes. The in-home rate is shown on OKDHS Appendix C-4-B for the child's age. When a child is eligible for the severe or moderate special needs rate, this additional amount is added to the applicable in-home rate for that child.
- (e) When the child is cared for in an out-of-home child care center or home, the allowable rate is the amount shown on OKDHS Appendix C-4-B.
- (f) Care may only be authorized at one facility per day per child. When the client uses care at two different providers for the same day for the same child, OKDHS staff approves care at only one of the facilities. The parent or caretaker may use care at two different providers for the same child when care is needed on different days of the week.
- (g) Charges are authorized and payment is made only when the care provided is in accordance with the jointly developed child care plan between the client and OKDHS.
- (h) Age-driven rate changes are effective the first of the month following the child's birth date.
- (i) A change to add the higher special needs rate to the applicable daily rate is effective the first of the month following the month eligibility for this rate is determined.
- (j) A child care provider may be approved for a quality rate when the provider meets the required criteria. This rate is approved effective the first of the month following the month Oklahoma Child Care Services licensing staff approves the provider for the rate. The rate is designated on OKDHS Appendix C-4-B by its star status.

340:40-13-5. Child care provider contracts

(a) **Criteria.** A child care program owner and the Oklahoma Human Services (OKDHS) Director or designee signs Form 08CC001E, Child Care Provider Contract, before OKDHS pays for out-of-home child care services. By signing the contract, the child care provider agrees to not take into account a person's race, color, religion, sex, national origin, or disability in deciding which children to accept in the child care program or in how to provide services. Age may be a factor only to the extent that certain services are designed for a particular age group.

(1) Written complaints that a child care provider is not complying with assurances in (a) of this Section are made to the OKDHS Director or to the Secretary of Health and Human Services, Washington, D.C., 20201.

(2) Local Child Care Services (CCS) licensing staff provides initial contract information for child care programs. The child care provider contacts CCS, Child Care Subsidy Unit staff to request a contract.

(3) Child care contracts are valid for a maximum of one year. Contracts may be renewed at the sole option of OKDHS for successive one-year terms per (g) of this Section.

(b) **License and star status for child care centers and homes.** OKDHS does not contract with out-of-state child care providers. Child care providers only obtain an OKDHS contract after they are licensed or permitted.

(1) A child care center provider requesting a contract is required to have a license or permit and a two-star or higher star status. Community Hope Centers are exempt from participation in the Stars quality rating system.

(2) A child care home provider requesting a contract is required to have a license or a permit.

(A) When licensed, the child care home provider may have a one star or higher status.

(B) When on permit, the child care home provider must have a two-star or higher status.

(c) **Procedure for obtaining child care contracts.** The procedures in (1) through (5) of this subsection are used to obtain child care contracts.

(1) CSS licensing staff gives the child care provider OKDHS Publication 07-12, "Steps For Child Care Providers Interested In A Subsidy Contract" and instructs the provider to contact CCS Child Care Subsidy Unit staff to obtain an OKDHS child care contract.

(2) When a child care program owner or another person authorized to sign the contract contacts CCS Child Care Subsidy Unit staff, staff explains the owner or responsible person must provide documents listed in (A) through (D) of this paragraph before signing a contract. Documents include a copy of:

- (A) a document that verifies the identity of the owner or responsible person authorized to sign the contract;
- (B) a document from the Internal Revenue Service verifying the employer identification number. A home child care provider who is a sole proprietor may provide a copy of the employer's Social Security card in lieu of an employer identification number;
- (C) the certificate of completion for the required online "Orientation to Child Care Subsidy Contracts" training; and
- (D) ownership verification.

(3) When the owner provides the required documents, CCS Child Care Subsidy Unit staff sends Form 08CC001E to the child care provider and explains that the earliest date a contract is valid is the date the OKDHS Director or designee approves the contract.

(4) The owner or person authorized to sign the contract signs and returns the contract to the CCS Child Care Subsidy Unit.

(5) CCS Child Care Subsidy Unit staff processes the contract request for approval or denial.

(A) When approved, CCS Child Care Subsidy Unit staff assigns a contract number and sends a copy of the signed contract to the child care provider.

(B) When denied, CCS Child Care Subsidy Unit staff sends a letter to the child care provider.

(d) Changes the provider reports. Form 08CC001E informs child care providers of changes they must report to the CCS Child Care Subsidy Unit no less than 30-calendar days prior to the effective date of any changes. When the provider fails to report the anticipated change timely and a new contract is needed, a gap may occur in the child care subsidy payment to the provider. Changes that are reported include:

- (1) collaborations or agreements;
- (2) ownership change;
- (3) legal business entity change;
- (4) change in facility status;
- (5) legal name change of the business;
- (6) plan to stop caring for children;
- (7) star status reduction;
- (8) changes in the responsible person authorized to sign the contract or in that person's legal name;
- (9) disqualification, suspension, or debarment from the Child and Adult Food Care Program or any other federal program;

(10) when an owner or employee of a child care provider is convicted of a criminal offense; and

(11) provider address change.

(e) **Changes that require a new contract.** A new contract is required when changes listed in (1) through (3) of this subsection occur.

(1) **Change in ownership.** An ownership change occurs when the owner of a child care program changes.

(2) **Change of legal business entity.** A change of legal business entity is a change from one legal business entity type to another. Refer to OKDHS Appendix L-7, Ownership Proof Chart, for a list of legal business entity types.

(3) **Change in facility status.** A change in facility status occurs when a child care home changes to a child care center or a child care center changes to a child care home.

(f) **Providing care at a different site than is authorized.** When the child care provider signs the child care contract, the provider agrees to provide care only at the physical address designated in the contract.

(1) After obtaining prior approval from CCS Child Care Subsidy Unit staff, a child care center provider owning more than one child care center may be authorized to move children receiving subsidized child care benefits to an alternate center for a designated time period. A child care center provider may not move a point-of-service (POS) machine or submit electronic claims for care at another location until the provider receives approval from CCS Child Care Subsidy Unit staff.

(2) CCS Child Care Subsidy Unit staff provides written approval when (A) through (E) of this paragraph are met.

(A) The same owner or legal business entity operates the alternate site.

(B) The alternate site is licensed and contracted at the same star level and the child care provider has adequate licensed capacity at the alternate site.

(C) There is a legitimate business reason for providing care in another location.

(D) The provider advises CCS Child Care Subsidy Unit staff how the provider is ensuring parents are aware their children are being cared for at a different location.

(E) The provider advises CCS Child Care Subsidy Unit staff of the date of expected return to the contracted site.

(g) **Child care contract renewal.** Child care contracts may be renewed at the sole option of OKDHS for successive one-year terms, under the same terms and conditions, unless OKDHS makes changes to Form 08CC001E. The child care contract is not renewed when:

(1) the child care provider or OKDHS gives written notice of its intent not to renew to the other party at least 30-calendar days prior to the previous contract term's expiration; or

(2) during the contract renewal period, the provider fails to:

(A) complete all required contract training; or

(B) provide any other information or documents requested.

(h) **Contract violations.** By signing the child care provider contract, Form 08CC001E, the child care provider agrees to abide by the

contract's terms. When OKDHS staff becomes aware a child care provider is violating contract terms, the staff person emails the circumstances to CCS Child Care Subsidy Unit staff. Staff may also complete Form 19MP001E, Referral Form, to report the violation to the Office of Inspector General. Examples of contract violations include, but are not limited to:

- (1) discriminating against persons seeking services by charging a discriminatory rate or violating a person's rights as listed in the Civil Rights Act of 1964 as amended, the Rehabilitation Act of 1973 as amended, or the Americans with Disabilities Act of 1990, as amended;
- (2) failing to maintain a drug-free workplace;
- (3) operating over licensed capacity;
- (4) possessing a client's electronic benefit transfer (EBT) card or recording attendance for a child using the POS machine or the mobile app;
- (5) knowing a client's EBT personal identification number;
- (6) refusing a parent or caretaker unlimited access to the facility areas used for child care during operation hours;
- (7) failing to ensure the parent or caretaker records accurate time and attendance information using the POS machine or the mobile app. When a child is approved for a blended unit type or part-time care, the parent or caretaker is only required to record attendance one time per day because the number or hours the child attends does not affect the child care provider payment amount;
- (8) charging a client receiving subsidized child care more than the OKDHS rate for days and hours OKDHS authorizes;
- (9) charging a client receiving subsidized child care an allowable fee when not charged to non-OKDHS participants;
- (10) failing to post all the facility's rates and fees;
- (11) charging or requiring a client to record attendance for days and hours outside of client's child care plan when those days and hours are a requirement the care provider imposes and are not the client's choice;
- (12) failing to advise and provide OKDHS a completed copy of any collaboration or agreement the child care provider enters into within 30-calendar days of signing the collaboration or agreement. This includes agreements with Head Start, Early Head Start, public schools, or other programs receiving federal or state funding;
- (13) claiming or receiving payment from OKDHS for any care hours the provider is not charging all parents because the provider receives federal or state funds for those hours. Refer to Oklahoma Administrative Code (OAC) 340:40-5-1(7) regarding collaborations;
- (14) claiming child care payment for care given for any hours in an unlicensed collaborative classroom;
- (15) moving the children from the agreed upon location shown in the contract and claiming for services at the other location without prior approval from CCS Child Care Subsidy Unit staff;

- (16) moving the POS machine or submitting electronic claims without receiving prior approval from CCS Child Care Subsidy Unit staff, per subsection (f) of this Section;
- (17) failing to inform OKDHS of a change in facility status, legal business entity, business ownership, or the responsible person at least 30-calendar days in advance of the change;
- (18) failing to inform OKDHS in writing within 10-calendar days of any person who has an ownership or controlling interest in, or is an agent or managing employee of, the child care business, who was convicted of a criminal offense related to such person's involvement under Titles XVIII, XIX, or XX of the Social Security Act;
- (19) failing to allow full access to the facility's premises and personnel to investigate a complaint;
- (20) failing to report the new child care business income within 10-calendar days of first receipt to the child care provider's Adult and Family Services (AFS) worker when the provider receives OKDHS benefits;
- (21) a home child care provider claiming payment for child care provided for an employee's child. Refer to OAC 340:40-5-1(7);
- (22) a child care provider receiving subsidized child care benefits for a child and claiming payment for that child to attend a child care program in which the provider or the provider's spouse have an ownership interest. Refer to OAC 340:40-5-1(7);
- (23) subcontracting services to another provider; or
- (24) breaching the contract the child care provider signs with the OKDHS EBT contractor.

(i) Child care provider contract cancellation. CCS Child Care Subsidy Unit staff issues a notice to the child care provider to initiate child care contract cancellation. When CCS cancels a contract, all open child care authorizations for that provider close automatically. Contracts may be cancelled:

- (1) with cause. The effective cancellation date is 10-calendar days after CCS Child Care Subsidy Unit staff sends the notice. The notice contains a reference to the grounds for cancellation including the specific contract provision(s) violated; or
- (2) without cause. The effective cancellation date is 30-calendar days after CCS Child Care Subsidy Unit staff sends the notice.

SUBCHAPTER 15. OVERPAYMENTS

340:40-15-1. Overpayments

(a) **Overpayment claim definition.** A client or child care provider overpayment claim may occur as a result of agency, client, or provider error when a household received more child care benefits than it is entitled to receive or a provider was paid in error per (b)(1)(B) or (3) of this Section.

(b) **Overpayment referral.** Oklahoma Department of Human Services (DHS) staff including, but not limited to, Adult and Family Services (AFS) or Child Welfare Services (CWS) staff, Office of Inspector General (OIG) auditors or investigators, or Financial Services (FS) Electronic Payment Systems (EPS) staff may identify a possible overpayment. When DHS staff suspects an overpayment occurred, he or she sends a client overpayment referral to AFS Benefit Integrity and Recovery (BIR) and a provider overpayment referral to FS EPS for an overpayment determination and claim establishment.

(c) **Overpayment determination and claim establishment.** AFS BIR staff determines if a client overpayment occurred, when it occurred, and if it is due to an agency or client error. When the overpayment is due to a client error, AFS BIR staff establishes the overpayment as an inadvertent client error, willful misrepresentation, or fraud. FS EPS staff determine and establish provider overpayments. An overpayment claim is considered established on the date AFS BIR staff sends the overpayment notice to the household or FS EPS staff sends a letter to the child care provider.

(1) **Agency error overpayment claim.** An agency error overpayment claim may be established against the client or the child care provider depending on the circumstances. An agency error overpayment occurs when DHS staff did not exercise due diligence.

(A) When AFS staff incorrectly calculates countable income and/or deductions resulting in an incorrect family share copayment or complete ineligibility, or AFS or CWS staff approves more care than the household is entitled to receive, AFS BIR staff establishes the agency error overpayment against the client.

(B) FS EPS staff establishes agency error overpayments against the provider for child care plan errors when DHS pays an incorrect rate.

(2) **Client error overpayment claim.** AFS BIR staff establishes an overpayment claim against the client when the client:

(A) provides incorrect information at the time of application or renewal;

(B) fails to report any change that affects eligibility per Oklahoma Administrative Code (OAC) 340:40-9-2; or

(C) uses child care for days and hours the client is not eligible for child care.

(3) **Provider error overpayment claim.** FS EPS establishes an overpayment claim against the provider when the provider:

(A) submits incorrect claims;

- (B) fails to timely void inaccurate attendance entered in the point-of-service (POS) machine by the client;
- (C) receives payment for care the provider did not provide and is not entitled to receive. This can occur when the provider has possession of the client's electronic benefit transfer (EBT) card and swipes attendance for a day a child did not attend or facility staff requests that a parent do so;
- (D) receives payment for care from DHS that was provided after the date his or her child care license was revoked or contract was cancelled; or
- (E) moves a POS machine to a different location prior to obtaining written approval from AFS Child Care Subsidy staff and payment was made for care during that period.

(4) **Liquidated damages.** Per OAC 340:2-11-150, FS EPS staff may assess liquidated damages in addition to a provider overpayment when the provider:

- (A) is in possession of the client's EBT card;
- (B) swipes the card through the POS machine; or
- (C) knows the client's personal identification number (PIN).

(d) **Overpayment notice.** Following claim establishment, AFS BIR staff sends the client an overpayment notice and FS EPS staff sends an overpayment notice to the provider.

(e) **Appeal rights.** Only a client has the right to appeal all or part of any overpayment claim established against him or her.

(f) **Repayment of an overpayment claim.** DHS requires repayment of all established overpayments.

(1) AFS BIR staff sends the client Form 08OP011E, Repayment Agreement, with the overpayment notice and begins sending a monthly account statement the following month that reflects all payment and account information.

(2) FS EPS staff sends a letter to the provider that explains the repayment process for vendor overpayments. When the provider:

- (A) receives subsidy payments, a portion of his or her weekly payments are retained to repay the overpayment;
- or
- (B) does not receive subsidy payments, he or she must set up a repayment plan with FS EPS staff.

340:40-15-2. Fraud

(a) **Fraud definition.** Fraud may be indicated in a client or provider overpayment. Per Section 185 of Title 56 of the Oklahoma Statutes (56 O.S. § 185), fraud in obtaining public assistance occurs when a person:

- (1) obtains or attempts to obtain, or aids, abets, or assists any person to obtain, by means of a false statement or representation,

by false impersonation, by a fictitious transfer, conveyance or encumbrance of property or income, by a knowing and willful failure to report to Oklahoma Human Services (OKDHS) income, personal property, real property, household members, or other material eligibility factors at the time of application or during the receipt of assistance, or by other fraudulent device, assistance to which an applicant is not entitled or assistance greater than that to which an applicant is justly entitled; or
(2) by sale, barter, purchase, theft, acquisition, possession or use of any electronic benefits or debit card, or any other device authorizing participation in the Temporary Assistance for Needy Families (TANF) or other OKDHS program, knowingly obtains, aids, abets, or assists any person to obtain or attempt to obtain assistance to which a person is not entitled.

(b) **Fraud penalty.** The penalty for fraud is set forth in 56 O.S. § 185. Per statutes, only courts can determine guilt and impose a legal penalty for fraud.

SUBCHAPTER 16. IMPROPER PAYMENTS ERROR RATE REVIEW PROCESS

340:40-16-1. Improper payments error rate review process

The improper payments error rate review process is a federally mandated review of randomly selected child care subsidy cases to determine if an error existed on the case during the sample month. The review occurs every three years. The Office of Inspector General Administrative Review Unit conducts the reviews and maintains the files as required by federal law.

SUBCHAPTER 1. GENERAL PROVISIONS

340:50-1-1. Purpose, legal base, and responsibilities

(a) **Purpose.** The purpose of this Chapter is to describe the operation of Oklahoma Human Services (OKDHS) Supplemental Nutrition Assistance Program (SNAP). The purpose of SNAP is to utilize, as efficiently as possible, the nation's food abundance to raise the nutritional levels and improve the general health of the nation's low-income households.

(b) **Legal basis.** The legal basis for SNAP is vested in the Food and Nutrition Act of 2008 (Public Law 110-246) as amended by the Agriculture Improvement Act of 2018, commonly known as the 2018 Farm Bill and Sections 241 through 244 of Title 56 of the Oklahoma Statutes.

(c) **OKDHS responsibilities.** Per Section 271.4 of Title 7 of the Code of Federal Regulations, OKDHS is responsible for:

- (1) certifying eligible applicant households for SNAP food benefits;
- (2) the issuance, control, and accountability of SNAP food benefits;
- (3) developing and maintaining complaint procedures;
- (4) developing, conducting, and evaluating training;
- (5) conducting performance reporting reviews;
- (6) keeping records necessary to determine that OKDHS is complying with federal regulations in its operation of SNAP; and
- (7) submitting accurate and timely financial and program reports.

(d) **Program informational activities.** DHS has total and direct responsibility for initiating and monitoring program informational activities for SNAP in Oklahoma.

- (1) SNAP informational activities consist of comprehensive and ongoing activities to convey information about the program, including household rights and responsibilities, to applicant and recipient households through such means as publications, media, posters, and face-to-face contacts.
- (2) Nutrition education information is available to instruct and emphasize basic nutritional concepts and consumer practices for SNAP applicants and recipients.

(e) **Nutrition education.** Nutrition education and program informational pamphlets and posters are available to order by local county offices. County staff are responsible for informing applicants and recipients of the availability of these materials at the time of initial application and certification renewal.

340:50-1-3. Utilization of benefits

(a) **Scope and applicability.** Under the Supplemental Nutrition Assistance Program (SNAP), households receive food benefits based on their level of need. Participating households may use their benefits to purchase eligible food at retail stores that Food and Nutrition Services (FNS) has authorized to accept SNAP food benefits. State or local sales tax cannot be charged on eligible food purchases paid for with benefits. In specified instances, persons may use their benefits to purchase prepared meals. Benefits may be used only by the household, or other persons the household selects to purchase eligible food for the household, per Section 274.7 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 274.7).

(b) **Eligible food.** Per 7 C.F.R. § 271.2, eligible food means:

- (1) any food or food product intended for human consumption except alcoholic beverages, tobacco, hot foods, and hot food products prepared for immediate consumption;
- (2) seeds and plants to grow foods for eligible households' personal consumption;
- (3) meals prepared and delivered by an authorized meal delivery service to households eligible to use SNAP food benefits to purchase delivered meals;
- (4) meals served by an authorized communal dining facility for the elderly or Supplemental Security Income (SSI) recipients to households eligible to use SNAP food benefits for communal dining;
- (5) meals prepared and served by a drug addiction or alcoholic treatment and rehabilitation center to eligible residents and children of residents who live with their parents;
- (6) meals prepared and served by a group living arrangement facility to residents who are blind or disabled, per Oklahoma Administrative Code 340:50-5-4;
- (7) meals prepared and served by a shelter for battered women and children to its eligible residents;
- (8) meals prepared for and served by an authorized public or private, non-profit establishment, such as a soup kitchen or temporary shelter, approved by an appropriate state or local agency that feeds homeless persons; and
- (9) meals prepared by a restaurant that contracts with an appropriate state agency to serve meals to homeless persons at low or reduced prices.

(c) **Prior payment prohibition.** Participating households must not use their SNAP food benefits to pay for any eligible food purchased prior to the time they present their electronic benefit (EBT) cards to authorized retailers or meal services, per 7 C.F.R. § 274.7. Households must also not use their SNAP food benefits to pay for any eligible food before receiving the food, except when prior payment is made to purchase food from a nonprofit cooperative food purchasing venture.

(d) **Container deposit fees.** SNAP food benefits may not be used to pay for deposit fees in excess of the amount of the State fee reimbursement required to purchase any food or food product contained in a returnable bottle or can, regardless of whether the fee is included in the shelf price posted for item, per 7 C.F.R. § 274.7. The returnable container type and

fee must be included in State law in order for participating households to pay for the upfront deposit with their SNAP benefits. When a SNAP eligible product has a State deposit fee associated with it, the product remains eligible for purchase with SNAP benefits, and the State deposit fee may be paid with SNAP as well; however, any fee in excess of the State deposit fee must be paid in cash or other payment form other than with SNAP benefits.

(e) **Communal dining and meal delivery services.** The criteria in (1) through (2) of this subsection is used to determine if household members qualify to use their food benefits at communal dining facilities or for meal delivery services.

(1) **Communal dining facility.** A communal dining facility may accept SNAP food benefits only after FNS approval. Communal dining facility means a:

(A) public or non-profit private establishments that prepare and serve meals for elderly persons, or Supplemental Security Income (SSI) recipients, and their spouses. Elderly persons are persons 60 years of age and older;

(B) public or non-profit establishments that feed elderly persons, SSI recipients, and their spouses;

(C) federally subsidized housing for the elderly where meals are prepared for and serviced to the residents; and

(D) private establishments under contract with a state or local agency to offer meals at low or reduced prices to elderly persons, or SSI recipients, and their spouses.

(2) **Meal delivery service.** A meal delivery service means a political subdivision, a private non-profit organization, or a private establishment that contracts with a state or local agency to prepare and deliver meals at low or reduced prices to elderly persons and their spouses, and to physically, mentally, or otherwise disabled persons, and their spouses to the extent that they are unable to adequately prepare all of their meals.

(f) **Homeless meal providers.** FNS authorizes homeless meal providers as retail food stores after they apply and qualify to accept food benefits from homeless SNAP food benefit recipients, per 7 C.F.R. § 278.1.

(1) Homeless meal providers must:

(A) be public or private, non-profit organizations as defined by the Internal Revenue Service, per Section 501(c)(3) of Title 26 of the United States Code;

(B) serve meals that include food purchased by the provider;

(C) meet requirements, per 7 C.F.R. § 278.1(a) and (b); and

(D) provide evidence to Oklahoma Human Services (OKDHS) that they serve meals to the homeless to obtain OKDHS approval prior to seeking FNS approval.

(2) Homeless meal providers may not act as authorized representatives for homeless SNAP food benefit recipients, per C.F.R. § 272.3(n)(4).

(g) **Homeless restaurant meals.** FNS may approve as retail food stores, restaurants that contract with OKDHS to sell meals to homeless SNAP

households in exchange for SNAP food benefits, per 7 C.F.R. § 272.9 and 7 C.F.R. § 278.1(i). The restaurant must provide a copy of the contract to FNS when it applies for approval to accept SNAP food benefits. The contract requires the restaurant to offer the meals at low or reduced prices and specify the approximate price or the amount and type of price reduction. Examples of reduced prices include, but are not limited to:

- (1) a percentage reduction;
- (2) a set dollar amount reduction;
- (3) a daily special meal; or
- (4) an offer of a free food item or beverage, excluding alcoholic beverages.

(h) **Social services.** The worker is responsible for providing or referring families for social services that the family needs and requests, when available. OKDHS staff are required to make mandatory referrals to OKDHS Child Welfare Services when child abuse is suspected.

(i) **Volunteers.** Volunteers may assist in activities, such as outreach, prescreening, helping clients complete and submit SNAP food benefit applications, and securing needed verification. Only authorized OKDHS staff may interview clients to determine SNAP food benefit eligibility and certify households, per 7 C.F.R. § 272.4.

[Source: Revoked at 38 Ok Reg 2245, eff 9-15-21]

340:50-1-5. Program and civil rights complaints and responsibilities

(a) **Non-discrimination statement.** Oklahoma Human Services (OKDHS) processes Supplemental Nutrition Assistance Program (SNAP) applications, certification renewals, and mid-certification renewals in a non-discriminatory manner without regard to age, race, color, sex, disability, religious creed, political beliefs, national origin, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by the United States Department of Agriculture (USDA) per Section 272.6 of Title 7 of the Code of Federal Regulations.

(b) **Public notification.** OKDHS must have a public notification system to inform potentially eligible persons, applicants, and participants of the availability of SNAP food benefits, program rights and responsibilities, non-discrimination policy, and the procedure for filing a discrimination complaint. This includes, but is not limited to:

- (1) informing applicants and participants during an application or certification renewal interview of the right to file a civil rights complaint, how to file a complaint, and complaint procedures per (c) of this Section;
- (2) displaying the USDA "And Justice for All" poster in a prominent location, such as the lobby, in all OKDHS offices;

- (3) displaying the non-discrimination statement on forms and public notification materials; and
- (4) informing potentially eligible persons, applicants, participants, and grassroots organizations of programs and program changes. This includes information pertaining to eligibility, benefits, services, the location of local county offices or service delivery points, and hours of service.

(c) **Program complaints.** All complaints made by households or others on behalf of households about application of SNAP rules are handled by the OKDHS Legal Services Appeals Unit, per Oklahoma Administrative Code (OAC) 340:2, Subchapter 5. Complaints received alleging program abuse are referred to the OKDHS Office of the Inspector General, Investigations Unit using procedures, per OAC 340:2, Subchapter 7.

(d) **Explanation of civil rights complaint process.** When a person makes a discrimination allegation to an OKDHS employee, the employee to whom the allegation is made is responsible for explaining the civil rights complaint process to the person. The proper procedure includes:

- (1) providing Form 14CR001E, Discrimination Complaint - Client or Vendor, to any person alleging discrimination based on a protected class.

- (A) The employee offers to help the person complete Form 14CR001E and asks if the complainant wants the employee to submit the complaint for the complainant.

- (B) The complainant may choose to submit a written statement instead of using Form 14CR001E. When this occurs, the employee informs the person what information is needed to facilitate the complaint investigation and provides the addresses for USDA and the OKDHS Office for Civil Rights (OCR).

- (C) When a person makes a verbal discrimination allegation and is unable or unwilling to put the allegation in writing, the employee to whom the allegation is made completes Form 14CR001E based on the information provided by the complainant and asks the complainant to sign the form, when available;

- (2) explaining to the complainant that he or she has the right to file the complaint with the OKDHS OCR or with the USDA Office of Civil Rights, or both;

- (3) informing the complainant:

- (A) he or she has the right to file a written complaint within 180-calendar days of the alleged discriminatory action and, if accepted for investigation, the investigation is completed within 90-calendar days of receipt;

- (B) the complaint is confidential and protected by the Privacy Act of 1974;

- (C) the complaint will not affect receipt of benefits; and

- (D) OKDHS is prohibited from retaliating against the person for filing a complaint;

- (4) asking the complainant if he or she would like to talk to a supervisor to try to resolve the matter.

(d) Alternative means of communication. Persons with disabilities who require alternative means of communication for program information are advised to contact the USDA's TARGET Center at (202) 720-2600 for voice and telecommunications device for the deaf or TDD.

340:50-1-6. Disclosure of household and public information

(a) When household information may be disclosed. Per Section 272.1 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 272.1), use or disclosure of information regarding Supplemental Nutrition Assistance Program (SNAP) applicant households is restricted to:

- (1) persons directly connected with the administration or enforcement of the provisions of the Food and Nutrition Act of 2008, as amended by the Agriculture Improvement Act of 2018, or federal regulations, other federal assistance programs, or federally assisted state programs that provide assistance to low income persons on a means tested basis;
- (2) persons directly connected with the administration or enforcement of programs required to participate in the state income and eligibility verification system (IEVS), per 7 C.F.R. § 272.8(a)(2), to the extent the SNAP information is useful in establishing or verifying eligibility or benefit amounts under those programs;
- (3) persons directly connected with the verification of immigration status of aliens applying for SNAP benefits, through the Systematic Alien Verification for Entitlements (SAVE) Program, to the extent the information is necessary to identify the person for verification purposes;
- (4) persons directly connected with the administration of the Child Support Program under Part D, Title IV of the Social Security Act, in order to assist in the administration of that program, and employees of the Secretary of Health and Human Services as necessary to assist in establishing or verifying eligibility or benefits under Titles II and XVI of the Social Security Act;
- (5) employees of the Comptroller General's Office of the United States for audit examination authorized by any other provisions of law;
- (6) local, state, or federal law enforcement officials, upon their written request, for the purpose of investigating an alleged violation of the Food and Nutrition Act of 2008, or regulation. The written request must include the:
 - (A) identity of the person requesting the information;
 - (B) person's authority to request the information;
 - (C) violation being investigated; and
 - (D) identity of the person for whom the information is requested;

(7) local, state, or federal law enforcement officials acting in their official capacity, upon their written request.

(A) The written request must include:

- (i) the name of the household member being sought;
- (ii) the purpose of the request is to obtain the address, Social Security number (SSN) and, when available, a photograph of the food benefit recipient; and
- (iii) if the member is fleeing to avoid prosecution or custody for a crime, or an attempt to commit a crime, that would be classified as a felony, or a high misdemeanor in New Jersey, or is in violation of a condition of parole or probation imposed under a federal or state law.

(B) Oklahoma Human Services (OKDHS) must accept any document that reasonably establishes the identity of the household member being sought by law enforcement authorities.

(C) With the proper written request, OKDHS staff only discloses enough information to comply with the specific written request, such as the household member's address, SSN, and photograph, when available; and

(8) local educational agencies administering the National School Lunch Program established under the Richard B. Russell National School Lunch Act, or the School Breakfast Program established under the Child Nutrition Act of 1966, for the purpose of directly certifying the eligibility of school-aged children for receipt of free meals under the School Lunch and School Breakfast programs based on their receipt of SNAP benefits.

(b) **Protection of released information.** Recipients of information released under (a) of this Section must adequately protect the information against unauthorized disclosure to persons or for purposes not specified in this Section. In addition, information received through IEVS must be protected from unauthorized disclosure as required by regulations established by the information provider. Information released to OKDHS, per Section 6103(l) of the Internal Revenue Code of 1954, is subject to the safeguards established by the Secretary of the Treasury in Section 6103(l) of the Internal Revenue Code; and implemented by the Internal Revenue Service in its publication, Tax Information and Security Guidelines.

(c) **Case review request by household.** When OKDHS receives a written request to review information contained in the case record by a responsible household member, the currently authorized representative of the household, or a person acting on the household's behalf, the information is then made available for inspection during regular OKDHS business hours. OKDHS withholds confidential information, including the:

- (1) names of persons who disclosed information about the household without the household's knowledge; or
- (2) nature or status of pending criminal prosecutions.

(d) **Availability of public information.** SNAP rules and the Adult and Family Services Handbook are available online at www.okdhs.org and are made available for inspection upon request by the public during regular business hours in each county office and in the State Office. Federal regulations, federal procedures in Food and Nutrition Service (FNS) notices and policy memos, State Plans of Operation, and corrective action plans are available upon request for inspection by the public during regular business hours at the State Office and at FNS regional and national offices, per 7 C.F.R. § 272.1. County staff ensures that participants and other low-income households have access to information regarding non-discrimination statutes and policies, complaint procedures, and the rights of participants within 10-calendar days of the request date.

340:50-1-8. Reporting racial/ethnic groups

The Oklahoma Department of Human Services is required to obtain ethnic and racial data on household members participating in the Supplemental Nutrition Assistance Program in the manner described by the Food and Nutrition Service per Section 272.6(g) of Title 7 of the Code of Federal Regulations.

(1) **Self-identification.** The applicant is asked to self-identify ethnic and racial information regarding all participating household members on the application and, when necessary, during the interview.

(A) The application must clearly indicate that the:

- (i) provision of ethnic and racial data is voluntary and will not affect the eligibility or benefit level of food benefits; and
- (ii) information is needed to ensure that food benefits are distributed without regard to race, color, or national origin.

(B) When the applicant does not self-identify ethnic and racial information on the application prior to the interview, the worker asks the applicant to provide ethnic and racial information during the interview and explains:

- (i) provision of ethnic and racial data is voluntary and will not affect the eligibility or benefit level of food benefits; and
- (ii) information is needed to ensure that food benefits are distributed without regard to race, color, or national origin.

(2) **Worker identification.** When the applicant chooses not to provide ethnic and race information, the applicant is informed

that when possible, the worker makes a visual identification of the applicant's ethnicity and race, and records the data in the system.

(3) **Race and Ethnic Categories.** To provide flexibility and ensure data quality, separate categories are used to collect and report ethnicity and race information.

(A) The applicant is asked to provide ethnicity information first. The ethnicity question is "Are you Hispanic or Latino?" The term "Spanish origin" may be used in addition to "Hispanic" or "Latino." Hispanic or Latino refers to a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

(B) The applicant is then offered the option of selecting one or more racial designations. Racial designations include:

(i) American Indian or Alaskan Native referring to a person with origins in the original peoples of North or South America, including Central America, and who maintains tribal affiliation or community attachment;

(ii) Asian referring to a person with origins in the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, or Vietnam;

(iii) Black or African American referring to a person with origins of the black racial groups of Africa. Terms, such as "Haitian" or "Negro" may be used in addition to "Black" or "African American;"

(iv) Native Hawaiian or Other Pacific Islander referring to a person with origins in the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

(v) White, referring to a person with origins in any of the original peoples of Europe, the Middle East, or North Africa.

340:50-1-9. Rights and responsibilities

(a) An applicant or recipient for the Supplemental Nutrition Assistance Program (SNAP) has the right to:

- (1) make application on the same day he or she initially contacts the Oklahoma Department of Human Services (DHS) in person, by phone, by mail, or through okdhslive.org;
- (2) designate an authorized representative;
- (3) be provided information about SNAP;
- (4) a face-to-face interview when requested;

- (5) have access to free interpreter services when the applicant or recipient is limited English proficient and alternative means of communication for persons with disabilities;
- (6) a prompt decision in writing on his or her application and, when eligible, to receive food benefits within 30-calendar days following application;
- (7) retroactive or lost benefits when the application is incorrectly delayed, denied, or closed;
- (8) the correct amount of food benefits based upon current budgetary standards;
- (9) equal treatment. The applicant has the right to be treated the same as all other food benefit recipients. On the basis of race, color, religious creed, national origin, political beliefs, age, sex, or disability, a person applying for SNAP is not:
 - (A) excluded from participation;
 - (B) denied benefits; or
 - (C) subjected to discrimination;
- (10) a fair hearing when dissatisfied with any DHS decision or lack of action in regard to his or her food benefit application. The applicant or recipient also has the right to examine his or her case record and all files and documents to be used at a fair hearing;
- (11) withdraw his or her application at any time prior to the eligibility determination. After eligibility is determined, the applicant or recipient has the right to request closure of his or her food benefits; and
- (12) examine the case record upon written request from a responsible member of the household or its authorized representative. DHS may withhold confidential information per Oklahoma Administrative Code (OAC) 340:50-1-6.

(b) The applicant or recipient has the responsibility to:

- (1) submit an application containing a legible name, address, and signature when he or she wants to participate in SNAP;
- (2) participate in an interview per OAC 340:50-3-2;
- (3) supply information essential to a SNAP eligibility determination;
- (4) be accountable for all information given by the authorized representative that includes any overissuance of benefits resulting from erroneous information given by an authorized representative;
- (5) report certain changes. The applicant has the responsibility to report all changes that occur between the application date and the certification interview. The recipient has the responsibility to report changes in circumstances per OAC 340:50-9-5;
- (6) register for work, unless otherwise exempt, at the time of the initial application and at each certification renewal per OAC 340:50-5-85 and 340:50-5-86; and
- (7) provide a Social Security number (SSN) for each household member that wants to participate in SNAP per OAC 340:50-5-68.

(c) DHS has the responsibility to:

- (1) accept an identifiable application when submitted. An identifiable application is an application containing a legible name, address, and a signature;
- (2) inform the applicant or recipient of his or her rights and responsibilities;
- (3) take prompt action on all applications by approving or denying the application within 30-calendar days from the date the application is submitted;
- (4) take prompt action on all changes to determine if the change affects the household's eligibility or entitlement;
- (5) notify the recipient when mid-certification and certification renewals are due per the time frames specified in OAC 340:50-9-5 and 340:50-9-6;
- (6) renew eligible households timely so there is not a break in the benefits the recipient is eligible to receive;
- (7) restore lost benefits when the food benefits were incorrectly denied, delayed, or closed;
- (8) give adequate and/or timely notice of action when appropriate; and
- (9) provide services. The local county office ensures that operating hours meet the needs of recipients or applicants who work. Each office is annually reviewed to ensure such needs are met. The results of these reviews are retained by Adult and Family Services SNAP staff for review by Food and Nutrition Services.

SUBCHAPTER 3. APPLICATION PROCESS

340:50-3-1. The application process

(a) **General.** The Supplemental Nutrition Assistance Program (SNAP) application process begins with a request for benefits and ends when the household's eligibility is determined and the household is notified of the decision.

- (1) The application must be processed no later than 30-calendar days after the signed application is submitted to Oklahoma Human Services (OKDHS).
- (2) Expedited services must be made available to households in immediate need. Refer to Oklahoma Administrative Code (OAC) 340:50-11-1 through 340:50-11-6 for expedited service criteria and procedures.
- (3) Persons having lawful alien status must have their status verified through Systematic Alien Verification for Entitlements (SAVE), per OAC 340:65-3-4.
- (4) Benefits must be provided retroactively to the application date for households who complete the application process and are determined eligible for the application month.

(b) Filing applications. Each household wishing to participate in SNAP must file a separate application. Refer to OAC 340:50-5-1 for household definition. The designated head of household is not required to make the food benefit application. Applications may be made by a responsible household member or authorized representative. A responsible household member or authorized representative completes an authorization for release of information at the time of application, when necessary. Applications may be submitted in person, online, or by fax, mail, or email.

(1) **Right to same day filing.** Because the time limit for providing benefits starts on the date OKDHS receives the application in the county office or online, the worker informs the household at first contact of its right to submit an application on the contact date and encourages the household to do so. The worker also informs the household it does not have to be interviewed before filing the application and that the household may file an incomplete application. At a minimum, an incomplete application must contain the applicant's name, address, an adult household member's signature or the household's authorized representative's signature.

(A) Form 08MP001E, Request for Benefits, is made readily accessible to potentially eligible households, groups, and organizations that assist persons in completing applications for food benefits.

(B) When the household requests food benefits:

(i) by phone, the worker first offers to submit an online application on behalf of the household (by proxy). When the household does not have time to submit the application by proxy, the worker informs the household it may submit an application online at www.okdhslive.org or www.okbenefits.org, or the worker can email or mail Form 08MP001E to the household the same day; or

(ii) in writing and provides a phone number, the worker attempts to call the household to proxy the application. When the household did not provide a phone number or the worker is unable to reach the household, he or she mails Form 08MP001E to the household on the same day the written request is received.

(C) To facilitate SNAP participation for households in which all members are applying for a State Supplemental Payment (SSP) or Temporary Assistance for Needy Families (TANF), these households must be allowed to apply for food benefits at the same time they apply for financial assistance. The household's eligibility and benefit level are based on food benefit eligibility criteria and the household is certified per SNAP rules. Refer to OAC 340:50-11-20 through 340:50-11-27 when processing food benefit applications for households approved for SSP and/or TANF.

(D) Immediately upon receipt in an OKDHS office, all applications are screened to determine if the household is entitled to expedited services. All initial applicant households that qualify, per OAC 340:50-11-1 must receive expedited processing when certified for food benefits whether requested by the household or not.

(2) **Head of household.** A household may select, as head of household, an adult parent of children of any age living in the food benefit household, or an adult who has parental control over children 17 years of age and younger living in the food benefit household, provided all adult household members agree to the selection.

(A) Households select their head of household at each certification action or when there is a change in household composition.

(B) When all adult members do not agree to the selection or decline to select an adult head of household, the household may select another head of household or the worker may designate a head of household.

(C) In no event does the failure to select an adult who has parental control of children delay the certification or result in the denial of benefits for an otherwise eligible household.

(3) **Authorized representative.** Per Section 273.2(n)(1) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.2(n)(1)), an authorized representative is an adult non-household member who can act on behalf of the SNAP household. The authorized representative may complete the application process, report changes, obtain benefits, and/or purchase food for the household.

(A) The authorized representative designation must be made in writing and be signed by the head of household, spouse, or other responsible household member. The written designation must clearly state what actions the household wants the authorized representative to perform for it. The worker only allows the authorized representative access to the household's food benefits, when the written statement clearly grants such access. A household may allow any SNAP household member or non-household member, when authorized, to purchase food or meals for the SNAP household with the electronic benefits transfer (EBT) card, per 7 C.F.R. § 273.2(n)(3).

(B) A non-household member may be designated as an authorized representative for the application process provided the person is an adult who is knowledgeable of the relevant household circumstances. In the event the only adult member of the household is classified as a non-household member, per OAC 340:50-5-5, he or she may be designated as the authorized representative for minor household members.

(C) When a household member designates an authorized representative in writing to apply for SNAP benefits on the

household's behalf, the worker informs the household it will be held liable for any over-issuance that results from erroneous information given by the authorized representative. When possible, the head of the household or spouse prepares or reviews the application, even though the authorized representative actually files the application and is interviewed.

(4) Restrictions on authorized representatives. The worker ensures an authorized representative is properly designated and has not been disqualified for an intentional program violation, per OAC 340:50-5-10.1 and 340:50-15-25 or is not restricted from serving as an authorized representative, per 7 C.F.R. § 273.2(n)(4) and information included in (A) through (E) of this subsection.

(A) Limits are not placed on the number of households an authorized representative may represent. The worker takes care to ensure the household:

- (i) freely requested the authorized representative's assistance;
- (ii) circumstances are correctly reported; and
- (iii) receives the correct amount of benefits.

(B) OKDHS employees involved in certification or issuance processes and retailers authorized to accept food benefits may not act as authorized representatives without the specific written approval of the county director and only after the county director determines no one else is available to serve as the authorized representative.

(C) A person disqualified for an intentional program violation may not act as an authorized representative during the disqualification period unless the person disqualified is the only adult member of the household able to act on its behalf and the worker determines there is no one else available to serve as an authorized representative. The worker must separately determine if the person is needed to apply for or to obtain benefit on behalf of the household.

(D) An authorized representative is disqualified from serving as an authorized representative in SNAP for up to one year when evidence demonstrates he or she misrepresented a household's circumstances, knowingly provided false information pertaining to the household, or made improper use of benefits.

(i) Information indicating that a person should be disqualified as an authorized representative is forwarded to Adult and Family Services (AFS) SNAP, for a decision. The worker is notified in writing of the decision.

(ii) When the person is disqualified, appropriate notification is mailed to the household by AFS SNAP staff.

(iii) This provision does not apply to persons serving as authorized representatives for group

homes or drug and alcoholic treatment centers. However, authorized representatives for group homes or drug and alcohol treatment centers who intentionally misrepresent household circumstances may be prosecuted under applicable federal and state statutes for their acts.

(E) Homeless meal providers, such as soup kitchens, temporary shelters, or contracted restaurants, are known as authorized or private, non-profit establishments. These authorized or private, non-profit establishments may not act as authorized representatives for homeless food benefit recipients.

(c) **Processing initial applications.** The application date for online submissions is the date the household submits the application to the OKDHSLive website at www.okdhslive.org or www.okbenefits.org. When the county office receives an application that contains the applicant's name and address, and is signed by a responsible member of the household or the household's authorized representative, the household's application date is the date it is received and stamped into the county office except as stipulated, per OAC 340:50-9-1(c) and 340:50-9-6(e). When the application is signed by the responsible person or authorized representative for a household also applying for SSP or TANF, the application is processed, per OAC 340:50-11.

(1) **Normal processing standard for initial applications.** The worker must provide eligible households who complete the initial application process with food benefits within 30-calendar days following the date the initial application is submitted.

(2) **Withdrawing application.** A household may voluntarily withdraw its application at any time prior to the eligibility determination.

(d) **Second 30-calendar day period.** A new application is not needed when a household completes the application interview within 30-calendar days, is denied for failing to provide verification, and then provides the required verification within 60-calendar days. When the household waits until the second 30-calendar day period to provide the verification, there is a break in benefits and the worker changes the application and certification dates to the date the verification is provided. Refer to OAC 340:50-11-5 when the verification is postponed for an expedited certification.

340:50-3-2. Interview process

(a) **Interview requirement.** All households initially applying for food benefits or completing a certification renewal must have a face-to-face or phone interview with a worker prior to certification, per Section 273.2(e)

of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.2(e)) unless the household meets criteria in (a)(2) of this Section. Staff may conduct 100 percent of all Supplemental Nutrition Assistance Program (SNAP) initial and certification renewal application interviews by phone.

(1) A face-to-face interview must be conducted when the household or its authorized representative requests a face-to-face interview.

(2) Certification renewal interviews may be waived for households when all adult members are elderly or disabled and have no earned income.

(b) Who must be interviewed. The person interviewed may be the head of the household, spouse, any other responsible member of the household, or an authorized representative who knows the household's circumstances. When the household chooses to be interviewed face-to-face, the person interviewed may bring any person to the interview.

(c) On-demand interviews. Oklahoma Human Services (OKDHS) offers all SNAP applicants the right to interview at any time during operating hours. When an interview does not occur during the application process, the household must contact OKDHS via telephone or in person unless the household qualifies for the interview waiver per (a) (2) of this Section.

(1) A worker only schedules an interview when a person who must be interviewed per (b) of this Section declines the immediate interview options and requests a scheduled interview.

The worker uses Form 08AD092E, Client Contact and Information Request, to schedule an interview if necessary.

(2) When an interview does not occur during the application process within two-calendar days of the application date, the worker calls the household to conduct an on-demand interview.

When the household:

(A) answers, the worker offers to complete the interview;
or

(B) does not answer, refuses to interview, or does not list a telephone number, OKDHS sends Form 08AD091E, Interview Notice, to inform the household of the interview requirement and schedules the case for follow up 10-calendar days later.

(3) When the household does not interview within 10-calendar days of the application date, the worker calls the household to conduct the on-demand interview. When the household:

(A) answers, the worker offers to complete the interview.

(B) does not answer, refuses to interview, or did not list a telephone number, the worker places case in FDENY reason "59." This process mails the household a Notice of Missed Interview and denies the application 30-calendar days after the application date, per Oklahoma Administrative Code (OAC) 340:65-3-2.1.

(4) The worker does not deny the household's application prior to the 30th-calendar day. When the household contacts the worker within the 30-day application processing period, the worker offers to complete the interview.

(d) **Worker responsibilities during the interview.** During the interview, the worker:

- (1) reviews the information on the application with the household and resolves unclear and incomplete information;
- (2) inquires if changes occurred in the household's income, deductions, or other circumstances since the application was filed;
- (3) informs the household of its rights and responsibilities, including:

- (A) work registration responsibilities, per OAC 340:50-5-85;
- (B) able-bodied adult without dependents work responsibilities, per OAC 340:50-5-100;
- (C) reporting requirements, per OAC 340:50-9-5;
- (D) the appropriate application processing standard, per OAC 340:50-3-1(c) and 340:50-11-4;
- (E) responsibility to cooperate with SNAP Quality Control (QC) when asked to do so, per (f) of this Section; and
- (F) an explanation of the civil rights complaint process, per OAC 340:50-1-5; and

(4) conducts the interview as an official and confidential discussion of household circumstances limited to facts related to food benefit eligibility factors;

(5) gives Form 08MP006E, Information for Benefit Renewal, to the household and explains benefit renewal procedures;

(6) ensures the household's right to privacy is protected;

(7) provides a paper or electronic copy of the completed application in the format the household requests, when requested; and

(8) attempts to verify any necessary eligibility requirements during the interview. The worker gives or sends the household Form 08AD092E to request any verification that could not be verified during the interview. When the household informs the worker it is unable to furnish the required verification, the worker offers to help the applicant obtain the verification.

(A) The worker's assistance may involve explaining how or where to obtain proof when the applicant is unable to do so.

(B) The worker is not required to obtain proof for an applicant who is unwilling to do so.

(e) **Household cooperation with eligibility determination.** To determine eligibility, the household or authorized representative must complete and sign the application or certification renewal, be interviewed, and provide required information. When the household does not cooperate with the worker in determining:

- (1) initial eligibility, the worker denies the application; or
- (2) continuing eligibility at mid-certification renewal or certification renewal, the worker closes food benefits.

(f) **Household cooperation with a QC review.** When the household is selected for a QC review, the household must cooperate with the QC reviewer, per 7 C.F.R. § 273.2(d)(2). When the household refuses to

cooperate, the SNAP QC administrator informs SNAP program field representative staff of the non-cooperation and SNAP program field representative staff closes the food benefit for refusal to cooperate.

(1) To determine the household refuses to cooperate, the household must be able to cooperate and clearly demonstrate that it will not take the necessary actions required to complete the QC review process.

(2) The household may reapply following food benefit closure, but may not be determined eligible until it cooperates with the QC review unless (3) of this subsection applies.

(3) When food benefits were closed for refusal to cooperate with the QC reviewer and the household waits to reapply until after 125-calendar days from the end of the QC review period, October 1 through September 30, the household must provide verification of eligibility factors for the new application only.

340:50-3-3. Verification

(a) **General verification standards.** Verification is the use of documents or third party information to confirm the accuracy of statements made on the application. Refer to Oklahoma Administrative Code (OAC) 340:50-5, for non-financial verification criteria and OAC 340:50-7 for financial eligibility verification criteria. When the household must provide documentation to verify eligibility before receiving or continuing to receive benefits, the worker provides the household with Form 08AD092E, Client Contact and Information Request, that lists required verification and gives the household at least 10-calendar days to provide the verification.

(b) **Mandatory verification.** The worker must verify the eligibility factors in (1) through (11) of this Subsection before certifying a household initially applying for Supplemental Nutrition Assistance Program (SNAP) food benefits for a normal certification period, per Section 273.2(f)(1) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.2(f)(1)). When the household is eligible for expedited service processing, the worker may postpone verifying eligibility factors, other than identity, when they cannot be verified within the seven-calendar day period, per OAC 340:50-11-5.

(1) **Able-bodied adults without dependents (ABAWD) subject to the time limit.** When there is an ABAWD subject to the food benefit time limit living in the home, the household must verify the hours the ABAWD works or participates in a work program and, if there is an indication that the ABAWD received food benefits in another state, the number of countable months received there, per 7 C.F.R. § 273.24 and OAC 340:50-5-100.

(2) **Citizenship and alien status.** The household must verify the citizenship or alien status of household members, per OAC 340:50-5-67.

(3) **Disability.** A household member's disability must be verified, per OAC 340:50-5-4 when it affects SNAP eligibility.

(4) **Gross nonexempt income.** The gross nonexempt income of all household members must be verified, per OAC 340:50-7-29 and OAC 340:50-7-30. However, when attempts by the household and the worker to verify the income are unsuccessful because the person or organization that provided the income fails to cooperate and other sources of verification are unavailable, the worker uses the best available information to determine household income.

(5) **Household composition.** The household must verify household composition, when questionable, per OAC 340:50-5-1 through 340:50-5-3.

(6) **Identity.** The identity of the person submitting the SNAP application must be verified, per OAC 340:50-5-65.

(7) **Legal obligation to pay child support.** Prior to allowing a deduction for legally-binding child support payments, the legal order and payment amounts must be verified, per OAC 340:50-7-31(a)(5).

(8) **Medical expenses.** A medical expense deduction is only allowed for household members meeting the definition of elderly or disabled, per OAC 340:50-5-4. Before allowing a medical expense deduction, the household must verify medical expenses exceeding \$35 per month, per OAC 340:50-7-31(a)(3).

(9) **Residency.** The household is required to verify it resides in Oklahoma, per OAC 340:50-5-66.

(10) **Social Security number (SSN).** Each household member must provide his or her SSN to participate in SNAP, per OAC 340:50-6-68.

(11) **Students.** When a household member claims to be physically or mentally unfit for purposes of the student exemption, per OAC 340:50-5-45, and the unfitness is not evident to the worker, verification may be required. Appropriate verification may consist of receipt of temporary or permanent disability benefits issued by governmental or private sources, or of a statement from a physician or licensed or certified psychologist.

(c) **Sources of verification.** Sources of verification that may be used to establish eligibility include, but are not limited to, (1) through (8) in this subsection, per 7 C.F.R. § 273.2(f)(4).

(1) **Documentary evidence.** The worker uses documents, whenever possible, as the primary source of verification for all items except residency and household size. Documentary evidence consists of a written confirmation of a household's circumstances. Examples of documentary evidence include wage stubs, rent receipts, and utility bills.

(A) Although documentary evidence is the primary source of verification, the worker cannot limit the type of verification to a single document. The verification may be obtained from the household or another source.

(B) When information from another source contradicts statements made by the household, the household is immediately afforded the opportunity to resolve the discrepancy.

(C) When documentary evidence cannot be obtained or is insufficient to make an eligibility determination or benefit level, the worker uses alternate verification sources, such as collateral contacts and home visits.

(2) **Collateral contacts.** The worker has the responsibility to verify all factors of eligibility for food benefits that may require one or more collateral contacts. The client's signature on the food benefit application, mid-certification renewal, or Form 08AD060E, Request for Release of Information, grants the necessary authorization for securing required information or verification.

(A) A collateral contact is a verbal confirmation of a household's circumstances by a person outside the household. The collateral contact may be made in person or by phone.

(B) The acceptability of a collateral contact is not restricted to a particular person, but may be anyone able to provide an accurate third party verification of the household's statement. Examples of acceptable collateral contacts are:

- (i) employers;
- (ii) community action groups;
- (iii) migrant service agencies;
- (iv) neighbors of the household;
- (v) landlords;
- (vi) social services agencies; or
- (vii) other persons outside of the household.

(C) When the collateral source is one that requires written authorization before supplying information to Oklahoma Human Services (OKDHS) and the applicant or recipient's signature on the application or mid-certification renewal does not suffice, the worker obtains the appropriate household member's signature on Form 08AD060E, Request for Release of Information.

(3) **Home visits.** A home visit may be used as verification on a case-by-case basis only when documentary evidence is insufficient or cannot be obtained from other sources and the visit is scheduled in advance with the household.

(4) **Discrepancies.** When the worker receives unverified information from a source other than the household that contradicts the household's statements, the worker gives the household a reasonable opportunity to resolve the discrepancy prior to determining eligibility or benefits. The worker may choose to verify the information directly and contact the household only when verification efforts are unsuccessful.

(5) **Use of State Data Exchange (SDX) and Beneficiary and Earnings Data Exchange (BENDEX).** The worker may verify

Supplemental Security Income benefits (SSI) through SDX and Retirement, Survivors, and Disability Insurance (RSDI) benefits through BENDEX or through verification provided by the household. The worker may also use SDX and BENDEX data to verify other SNAP eligibility criteria except date of death. When the SSI or RSDI income reported by the household differs from the amount shown on SDX or BENDEX or is unavailable, the worker gives the household the opportunity to verify the income from another source.

(6) Mandatory use of Income and Eligibility Verification System (IEVS). OKDHS must obtain information through IEVS, per procedures specified in 7 C.F.R. § 272.8 and (A) through (C) of this paragraph to help verify the household's eligibility and benefit level.

(A) OKDHS must obtain:

- (i) wage and unemployment insurance benefits information from the Oklahoma Employment Security Commission;
- (ii) SSI, RSDI, federal retirement, and net earnings from self-employment, wages, and retirement income payments from the Social Security Administration; and
- (iii) unearned income information from the Internal Revenue Service.

(B) OKDHS may exchange information with agencies in other states that administer Temporary Assistance for Needy Families, Medicaid, food benefits, unemployment compensation, or a state program administered under a plan approved under Title I, X, or XIV, or XVI of the Social Security Act.

(C) The worker takes action to close, deny, or reduce benefits based on information obtained through IEVS that is considered verified upon receipt, per (e) of this Section, unless the information is questionable for a particular household. When IEVS information is questionable or not verified upon receipt, the worker obtains additional verification from the household or from the income or benefit source before taking action, per (f) of this Section for applications or OAC 340:50-9-5(i) during the certification period.

(7) Mandatory use of the Systematic Alien Verification for Entitlement (SAVE). Households are required to submit documentation for every alien applying for SNAP benefits so OKDHS can verify their immigration status through the Alien Status Verification Index (ASVI). SAVE is maintained by the United States Citizenship and Immigration Services (USCIS).

(A) When immigration status verification is required, the worker gives or sends Form 08AD092E, Client Contact and Information Request, to the household to provide an acceptable document within 10-calendar days. When the worker:

(i) gives the household at least 10-calendar days to provide the documentation before the 30th day of the application period and the household fails to do so, the worker:

(I) denies the application when immigration status documentation is required for all household members; or

(II) certifies SNAP food benefits for all eligible members and denies benefits for the members whose immigration status has not been verified; or

(ii) does not give the household at least 10-calendar days to provide the verification before the 30th day of the application period and the household is otherwise eligible, the worker must certify SNAP food benefits by the 30th day for the household, including the alien whose status is not verified.

(B) When the household provides alien documentation, but SAVE does not confirm the validity of an alien's documents or there is a significant discrepancy between the data provided by SAVE and the information provided by the household, OKDHS submits Form USCIS G-845, Verification Request, and a photocopy of the alien's document to USCIS for further verification. The worker does not delay, deny, reduce or close the alien's food benefits pending a response from USCIS when the alien is otherwise eligible for benefits.

(C) SAVE may also be used to confirm if an alien has a sponsor who signed a legally binding affidavit of support, per OAC 340:50-5-67.

(8) **Food stamp disqualification (FSD).** OKDHS uses the FSD transaction to determine if a household member is disqualified for SNAP food benefits due to fraud at application, certification renewal, and when adding a household member to the SNAP benefit. When a household member is disqualified in Oklahoma or another state, the FSD transaction shows the date the disqualification began and the length of the disqualification.

(d) **Responsibility for providing verification.**

(1) **Household responsibility.** The household has primary responsibility for providing documentary evidence to support statements made on the application or certification renewal and to resolve questionable information. Households may supply documentary evidence in person, by mail, fax, or email, or through an authorized representative.

(2) **Worker responsibility.** The worker assists the household in obtaining this verification provided the household cooperates with the worker. The worker's assistance may range from explaining how or where to obtain proof to obtaining proof when the applicant is unable to do so.

(A) The worker accepts reasonable documentary evidence provided by the household and is primarily concerned with how adequately the verification confirms statements on the application.

(B) The household is not required to provide multiple sources of verification when the household provided information that adequately supports the statements on the application. However, the worker may require the household to provide additional verification when the existing verification is incomplete or questionable.

(C) Whenever documentary evidence is insufficient to make an eligibility decision or cannot be obtained, the worker may phone a collateral contact or make a home visit, per (b)(2) or (3) of this Section.

(D) An application is never denied solely because a person outside of the food benefit household fails to cooperate in providing information, verification, or other help needed to process an application. Disqualified or ineligible persons are considered members of the food benefit household for this provision.

(e) **Information considered verified upon receipt.** Information considered verified upon receipt is information that is not questionable or unclear and the provider is the primary source of the information. For example, RSDI and SSI income verified with the Social Security Administration (SSA) or unemployment benefits verified by the Oklahoma Employment Security Commission (OESC) through data exchange are considered verified upon receipt because SSA and OESC are primary sources.

(f) **Questionable information.** Prior to certification, the worker must verify questionable factors of eligibility, including all factors affecting household composition, only when they affect a household's eligibility and benefit level, per 7 C.F.R. § 273.2(f)(2). For example, the worker may determine that additional verification is required when the household reports its expenses exceed its income prior to deductions.

(1) **Questionable information.** To be considered questionable, the information on the application must be inconsistent with:

- (A) statements made by the applicant;
- (B) other information in the case record; or
- (C) other information received by OKDHS.

(2) **Documentation.** There must be documentation as to:

- (A) the reason the information was considered questionable;
- (B) what documentation was used to resolve the questionable information; and
- (C) the reason an alternate source of documentation, such as a collateral contact or home visit, was made.

(3) **Determination.** When determining if information is questionable, the worker bases the decision on each household's individual circumstances.

(g) **Documentation.** Case records must be documented in detail to support eligibility, ineligibility, and benefit level determinations.

(h) Verification required during the certification period. Refer to OAC 340:50-9-5 for information regarding required verification when changes occur during a certification period.

(i) Verification required at certification renewal. At certification renewal, the household must verify:

(1) income when the income source changed or the income amount changed by more than \$50. The worker does not verify income when the source or amount of income has not changed or changed by \$50 or less, unless the information provided is incomplete, inaccurate, inconsistent or outdated;

(2) new or previously unreported medical expenses when a household member(s) is eligible for the medical expense deduction, per OAC 340:50-7-31. The worker also verifies recurring medical expenses that changed more than \$25 since certification or the most recent certification renewal. The worker does not verify total medical expenses when the amount claimed by the household has not changed or changed by \$25 or less, unless the information provided is incomplete, inaccurate, inconsistent, or outdated;

(3) any changes in a household member's legal obligation to pay child support, the obligated amount, or the legally-obligated child support amount paid by a household member to or for a non-household member, including payments made to a third party on behalf of the non-household member.

(A) The worker verifies the household's child support obligation and payment information through Child Support Services (CSS) when possible, unless the household disagrees with the amount provided by CSS.

(B) When child support payment information is not available through CSS or the household disagrees with the amount shown, it must provide other verification to verify any changes in the legal obligation to pay child support, the obligated amount, and the amount paid to a non-household member before this deduction may be given.

(C) When the child support obligation and payment amount has not changed, the worker verifies child support information only when the information provided is incomplete, inaccurate, inconsistent or outdated;

(4) newly obtained social security numbers;

(5) a household member's work hours when he or she is subject to work requirements, per 7 C.F.R. § 273.24 and OAC 340:50-5-100; and

(6) any other information that changed since initial certification or the most recent certification renewal when it affects eligibility.

SUBCHAPTER 5. NON-FINANCIAL ELIGIBILITY CRITERIA

PART 1. HOUSEHOLD DEFINITION

340:50-5-1. Food benefit household composition

(a) **Household definition.** A food benefit household is composed of one of the persons or groups of persons listed in (1) through (3) of this subsection, unless otherwise specified in this Section. Per Section 273.1 of Title 7 of the Code of Federal Regulations, a food benefit household is a:

- (1) person who lives alone;
- (2) person or group of persons who lives with others, but customarily purchases food and prepares meals for home consumption separate and apart from the others; or
- (3) group of persons who lives together and customarily purchases food and prepares meals for home consumption.

(b) **Required household combinations.** Separate food benefit household status may not be granted to persons described in (1) through (4) of this subsection even if they customarily purchase food and prepare meals for home consumption separate and apart from the others. Persons living together that must be included in the food benefit household include:

- (1) a ceremonial or common law spouse of a household member;
- (2) children 21 years of age and younger who live with their natural or adoptive parent(s) or stepparent(s);
- (3) children who are 17 years of age and younger and live with, and are under the parental control of, a household member other than their natural or adoptive parent(s) or stepparent(s).

(A) The worker considers a child to be under parental control for purposes of this provision if the child is financially or otherwise dependent on a food benefit household member and is not defined as an adult. A minor is considered emancipated when the district court confers upon the minor the rights of majority, per Chapter 4 of Title 10 of the Oklahoma Statutes.

(B) This provision does not apply to foster children or children placed in the home by Developmental Disabilities Services; or

- (4) persons who live together and customarily purchase and prepare meals together except per (c) of this Section.

(c) **Elderly and disabled persons.** An otherwise eligible household member who is 60 years of age and older and is unable to purchase and prepare meals because the member suffers from a disability considered permanent under the Social Security Act, or a non-disease related, severe, permanent disability, may be considered, together with the member's spouse, a separate household from the rest of the household.

(1) Oklahoma Human Services (OKDHS) workers must not grant separate household status when the gross income of the others with whom the member and the member's spouse live exceeds 165 percent of the federal poverty level, per OKDHS Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, Table III.

(2) When it is not obvious a member suffers from a non-disease related, severe, permanent disability or the member is unable to purchase and prepare meals, the worker requests a physician's statement explaining the disability or inability to purchase and prepare meals.

(3) Refer to Oklahoma Administrative Code (OAC) 340:50-5-4 to determine if a person is disabled under the Social Security Act when the person does not receive disability payments.

(d) **Periods of absence.** No person may participate as a part of a Supplemental Nutrition Assistance Program (SNAP) household unless the person returns to the home at least one day each month and shares a meal with the household. This rule includes persons who are away for extended periods during the month working, attending school, or similar situations.

(1) A student who attends a boarding school, including the state schools for the deaf and blind, is not institutionalized when the student lives in the home on the weekend and holidays.

(2) A child who lives with a parent at least one day per month and eats with the household may be a part of the parent's food benefit household as long as the child is not included in another active food benefit household. In instances where both the child's parents participate in SNAP during the same month, the parent who has the child the majority of the time includes the child in that parent's SNAP household. When the child lives in each parent's home the same amount of time, the parent who adds the child to SNAP first includes the child.

(3) When a foster family elects not to include a child in OKDHS custody per OAC 340:50-5-5 and the child is in a trial reunification, the child's parent may claim the child as a part of the household. To include the child, the trial reunification must occur at the parent's home, and the child must share a meal with the parent.

(e) **Persons ineligible for SNAP food benefits.** Persons who are ineligible to receive SNAP food benefits as separate households or as a member of any household include:

(1) certain non-household members, per OAC 340:50-5-5;

(2) households or household members participating in a food distribution program operated by Indian tribal organizations, per OAC 340:50-5-7;

(3) residents of institutions, per OAC 340:50-5-7.1; and

(4) persons considered disqualified or ineligible, per OAC 340:50-5-10.1.

340:50-5-4. Definition of elderly or disabled household member

(a) **Definition of elderly or disabled.** Per 271.2 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 271.2), an elderly or disabled household member is defined as a person who:

- (1) is 60 years of age and older;
- (2) receives Supplemental Security Income (SSI) under Title XVI of the Social Security Act or disability or blindness payments under Titles I, II, XIV, or XVI of the Social Security Act;
- (3) receives federal- or state-administered supplemental benefits under Section 1616(a) of the Social Security Act based upon the disability or blindness criteria used under Title XVI of the Social Security Act;
- (4) receives federal- or state-administered supplemental benefits under Section 212(a) of Public Law 93-66;
- (5) receives disability retirement benefits from a government agency because of a disability considered permanent under Section 221(i) of the Social Security Act;
- (6) is a veteran with a service-connected or non-service-connected disability rated by the United States Department of Veteran's Affairs (VA) as total or paid as total by the VA under Title 38 of the United States Code. Benefits may be considered compensation or pension;
- (7) is a veteran considered by the VA to be in need of regular aid and attendance or permanently housebound under Title 38 of the United States Code;
- (8) is a surviving spouse of a veteran who VA considers in need of regular aid and attendance or permanently housebound or is a surviving child of a veteran and considered by the VA to be permanently incapable of self-support under Title 38 of the United States Code (U.S.C.);
- (9) is a surviving spouse or surviving child of a veteran and VA considers to be entitled to compensation for a service-connected death or pension benefits for a non-service-connected death under Title 38 of the U.S.C and has a disability considered permanent under Section 221(i) of the Social Security Act."Entitled" as used

in this definition refers to those veterans' surviving spouses and children who are receiving VA compensation or pension benefits, or who were approved for the payments but are not receiving them yet;

(10) receives an annuity payment under Section 2(a)(1)(iv) of the Railroad Retirement Act of 1974 and, is determined to be eligible to receive Medicare by the Railroad Retirement Board or Section 2(a)(1)(v) of the Railroad Retirement Act of 1974, and is determined to be disabled based upon the criteria under Title XVI of the Social Security Act; or

(11) receives interim assistance benefits pending the receipt of SSI or is a recipient of disability related medical assistance under Title XIX of the Social Security Act, provided that the eligibility to receive these benefits is based upon disability or blindness criteria that are at least as stringent as those used under Title XVI of the Social Security Act, as set forth at 20 C.F.R. Part 416, Subpart I, Determining Disability and Blindness as defined in Title XVI.

(b) Required verification. Per 7 C.F.R. § 273.2(f)(1)(viii), the household must verify that the household member meets one of the disability definitions, per (a)(2) through (11) of this Section before certifying the person as disabled when it affects the eligibility determination. For a household member to meet the disability definition, per:

(1) (a)(2) through (a)(4) of this Section, the household must provide proof that the household member receives benefits under Titles I, II, X, XIV, or XVI of the Social Security Act;

(2) (a)(6) of this Section, the household must provide a statement from the VA that clearly indicates the disabled household member receives VA disability benefits for a service-connected or non-service-connected disability and that the disability is rated as total or paid at the total rate by VA;

(3) (a)(7) and (8) of this Section, proof that the household member receives VA disability benefits is sufficient verification of disability;

(4) (a)(5) and (9) of this Section, the household member must have a condition(s) that keeps him or her from pursuing a substantial, gainful activity for 12 months despite adherence to prescribed treatment. Refer to the Social Security Administration's (SSA) current list of disabilities considered permanent, per 20 C.F.R. § 416.925 and 20 C.F.R. Appendix 1 to Subpart P of Part 404. When it is:

(A) obvious to the worker that the person has one of the listed disabilities, the household is considered to have verified the household member's disability; or

(B) not obvious to the worker, the household must provide a statement from a physician or licensed or certified psychologist certifying that person has one of the nonobvious disabilities listed;

(5) (a)(10) of this Section, the household must provide proof the household member receives a Railroad Retirement disability annuity from the Railroad Retirement Board and was determined

to qualify for Medicare; or

(6) (a)(11) of this Section, the household must provide proof that the individual receives interim assistance benefits pending SSI receipt or SoonerCare (Medicaid) benefits based on categorical relationship to disability.

(c) **Disability related to purchasing and preparing meals.** A household member who is 60 years of age and older and his or her spouse may be considered a separate household, per §273.1(b)(2) and Oklahoma Administrative Code 340:50-5-1 when the person suffers from a disability considered permanent by SSA, per 20 C.F.R. § 416.925 and 20 C.F.R. Appendix 1 to Subpart P of Part 404, or a non-disease-related, severe, permanent disability and is unable to purchase and prepare meals. When it is:

(1) obvious that the person is unable to purchase and prepare meals because he or she suffers from a severe physical or mental disability, the person is considered disabled for this provision even when the disability is not listed on the SSA list; or

(2) not obvious, the household must provide a statement from a physician or licensed or certified psychologist certifying that the person is unable to purchase and prepare meals because he or she suffers from one of the nonobvious disabilities mentioned in the SSA list or some other severe, permanent physical or mental disease or non-disease-related disability.

340:50-5-5. Non-household members

(a) **Non-household members.** Persons residing with a household who cannot be considered members of the food benefit household are non-household members. Oklahoma Human Services (OKDHS) does not consider non-household members when determining the household's eligibility or food benefit allotment. Non-household members are described in (1) through (6) of this subsection. Except for ineligible students, persons who cannot be a separate food benefit household, per Section 273.1(b)(1) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.1(b)(1)) and Oklahoma Administrative Code (OAC) 340:50-5-1(b), are not considered non-household members.

(1) **Roomers.** Roomers are persons to whom the household provides lodging for compensation, but not meals. They may participate in the Supplemental Nutrition Assistance Program (SNAP) as separate households.

(2) **Boarders.** Boarders are residents of a commercial boarding house or persons to whom the household provides lodging and meals and who pay a reasonable monthly payment for board, per 7 C.F.R. § 273.1(b)(3).

(A) A commercial boarding house is an establishment that offers meals and lodging for compensation with the intention of making a profit, regardless of the number of residents. Boarders who live in a commercial boarding house are not eligible to participate in SNAP.

(B) All other persons or groups of persons that pay a reasonable amount for meals or meals and lodging are considered boarders and are only eligible to participate in SNAP when included in the same food benefit household that provides the board. The household providing the board has the option of applying and receiving SNAP food benefits, when eligible, independent of the boarder(s), or the household providing the board may choose to include the boarder(s) in its food benefit household.

(C) To be considered a reasonable monthly payment for board, a boarder whose arrangement is for:

- (i) more than two meals per day must pay an amount that equals or exceeds the maximum food benefit allotment amount for the appropriate boarder household size as shown on OKDHS Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions; or
- (ii) two meals or less per day must pay an amount that equals or exceeds two-thirds of the food benefit allotment for the appropriate boarder household size as shown on (OKDHS) Appendix C-3.

(D) A person(s) paying less than a reasonable monthly payment for board is not considered a boarder and must be included as a member of the household providing the board.

(3) Children in foster care or children placed by OKDHS Developmental Disabilities Services (DDS). Children in foster care or children placed by DDS with extended family care providers must be considered boarders unless the household providing foster care services requests the children be included as food benefit household members. The children cannot participate in SNAP independently of the household providing the foster care or DDS services.

(A) Foster care payments and DDS room and board reimbursements are considered as income to the children and are:

- (i) not included as income to the household caring for the children when the children are not included in the food benefit household; and
- (ii) counted as income to the household when the host household chooses to include the children as members of the food benefit household.

(B) The income paid to the extended family care provider by DDS for care rendered is counted as earned income to the provider, per OAC 340:50-7-29(b)(8).

(4) Live-in attendants. Live-in attendants are persons who reside in a household to provide medical, housekeeping, child care, or other similar services. They may participate as a separate household in SNAP unless OAC 340:50-5-1(b) applies.

(5) **Students.** Students are persons enrolled in an institution of higher education who are ineligible because they fail to meet the eligibility criteria, per OAC 340:50-5-45(a).

(6) **Others.** Others are persons who share living quarters with the household but who do not customarily purchase food or prepare meals with the household.

(b) **Non-household members' income.** Non-household members' income is not counted in determining the food benefit household's income eligibility, per 7 § C.F.R. 273.11(d). Refer to OAC 340:50-7-29(d) to determine how to consider disqualified or ineligible household members' income. When an eligible household member's earned income and a non-household member's earned income is combined into one wage, the worker determines the income for the eligible household members by:

(1) counting the portion due to eligible household members, when it is possible to identify the household's share; or

(2) prorating the earned income equally among the persons the earnings are intended to cover and counting the prorated portion due to the eligible household members, when it is not possible to identify the household's share.

(c) **Deductible expenses.** When the household shares deductible expenses with a non-household member, except for utility expenses per (1) of this subsection, the worker only deducts the amount the food benefit household actually paid or contributed as a household expense, per 7 § C.F.R. 273.11(d)(1).

(1) When the food benefit household pays part of the utility expenses, the household is allowed the full utility standard deduction that it qualifies for based on criteria, per 7 § C.F.R. 273.9(d)(6)(iii)(F) and OAC 340:50-7-31.

(2) When the payments or contributions cannot be differentiated, the worker prorates the expenses evenly among persons actually paying or contributing to the expenses and deducts only the household's pro rata share.

340:50-5-7. Households or household members participating in a food distribution program (FDP) operated by Indian tribal organizations (ITO)

There are several ITOs operating FDPs in Oklahoma. Households or any member of a household participating in a FDP are not eligible to participate in the Oklahoma Department of Human Services (DHS) Supplemental Nutrition Assistance Program (SNAP) for the same month.

- (1) A household may elect to participate in the FDP instead of SNAP when the household:
 - (A) includes at least one adult household member of any Indian tribe; and
 - (B) lives within the boundaries of an ITO location in a rural area or in a town with a population of less than 10,000 persons.
- (2) A household may switch between the FDP and SNAP as long as there is no dual participation for any member for the same month.
- (3) To ensure dual participation does not occur, exchange of client benefit information between ITO and DHS is needed.
 - (A) The worker is responsible for calling the appropriate ITO when there are indications an applicant or recipient meets FDP eligibility criteria, before approving or renewing food benefits.
 - (i) ITOs in Oklahoma are listed on DHS Appendix D-4-C, Indian Food Distribution Programs.
 - (ii) When calling, the worker verifies if the household currently receives FDP and if the household was certified since the date of the last inquiry.
 - (iii) When an FDP case is open, the worker must verify, by phone call to or written notice from the FDP office, that FDP benefits are closed before certifying a household for food benefits.
 - (B) The FDP office contacts the county office to determine if the household receives food benefits before approving the household for a FDP. The worker provides the ITO with information pertinent to participation in, or eligibility for SNAP food benefits.
- (4) When the worker discovers the household received FDP benefits and SNAP food benefits for the same month or months, the household is responsible for repaying the overpayment to DHS or the ITO. When the household was receiving FDP benefits at the time of SNAP certification, it is a SNAP food benefit overpayment.
- (5) When a client is disqualified from FDP or SNAP, he or she is prohibited from receiving benefits from the other program per Section 273.11(k) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.11(k)).

340:50-5-7.1. Residents of institutions

Persons are considered residents of an institution when the institution provides them with over 50 percent of three meals daily as part of the institution's normal services. Per Section 273.1(b)(7)(vi) of

Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.1(b)(7)(vi)), residents of institutions are not eligible for participation in the Supplemental Nutrition Assistance Program unless they are:

- (1) residents of federally subsidized housing for the elderly, built either under Section 202 of the Housing Act of 1959 or Section 236 of the National Housing Act;
- (2) residents of a drug addiction or alcoholic treatment and rehabilitation program, meeting criteria per Oklahoma Administrative Code (OAC) 340:50-5-26;
- (3) residents of group homes who are considered blind or disabled per OAC 340:50-5-4 when the group home meets criteria per OAC 340:50-5-27. Group home means a private or public non-profit, residential setting serving no more than 16 residents certified by the Oklahoma State Department of Health per Section 1616(e) of the Social Security Act;
- (4) victims of domestic violence and their children temporarily residing in a domestic violence shelter meeting criteria, per OAC 340:50-5-28. A domestic violence shelter means a public or private non-profit, residential facility serving victims and their children. When the facility also serves other persons, a portion of the facility must be set aside on a long-term basis to serve only victims of domestic violence and their children; or
- (5) residents of public or private non-profit shelters for homeless persons when the shelter meets criteria per OAC 340:50-5-30.

340:50-5-10.1. Excluded household members

(a) **Excluded household members.** Excluded household members may not participate as a separate food benefit household. When excluded

members live with the food benefit household, they are excluded from the household's size when determining benefits and comparing the household's monthly income with the income eligibility standards. Depending on the reason they are excluded, all or a portion of their income is included as countable income for the food benefit household and deductible expenses may be prorated, per Section 273.11(c) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.11(c)). Refer to Oklahoma Administrative Code (OAC) 340:50-7-29(d), to determine how the income and expenses of excluded household members is counted.

(b) Disqualified household members. A household member may be disqualified for Supplemental Nutrition Assistance Program (SNAP) food benefits, per 7 C.F.R. § 273.1(b)(7) for:

(1) committing an intentional program violation or fraud, per OAC 340:50-15-25;

(2) failing to meet work registration requirements, per OAC 340:50-5-85 through OAC 340:50-5-89;

(3) being a fleeing felon. Per 7 C.F.R. § 273.11(n)(1), for a person to be considered a fleeing felon, the worker must verify:

(A) there is an outstanding arrest warrant for the person issued for his or her arrest by a federal, state, or local law enforcement agency or court and, the underlying cause for the warrant is for committing or attempting to commit a crime that is a felony under the law of the place from which the person is fleeing, or a high misdemeanor under the law of New Jersey;

(B) the person is aware of, or should have reasonably expected that a felony warrant was, or would have been, issued;

(C) the person took some action with intent to avoid being arrested or jailed; and

(D) a federal, state, or local law enforcement agency is actively seeking the person. "Actively seeking" is when a federal, state, or local law enforcement agency:

(i) informs Oklahoma Human Services (OKDHS) that it intends to enforce an outstanding felony warrant, as described in (b)(3)(A) of this Section, within 20-calendar days of submitting a request for information about the person to OKDHS;

(ii) presents a felony arrest warrant to OKDHS that conforms to one of the National Crime Information Center uniform offense classification codes, to obtain information on the location of and other information about the person named in the warrant. National Crime Information Center uniform offense classification codes are:

(I) escape, code 4901;

(II) flight to avoid prosecution, confinement, and such, code 4902; or

(III) flight-escape, code 4999; or

(iii) states it intends to enforce an outstanding felony warrant within 30-calendar days of the date

- of the request from OKDHS about a specific outstanding felony warrant; or
- (4) being a probation or parole violator meeting criteria of this paragraph. Per 7 C.F.R. § 273.11(n)(2), to be considered a probation or parole violator, the Adult and Family Services director's designee must determine that:
- (A) the person violated a condition of his or her probation or parole imposed under federal or state law; and
 - (B) federal, state, or local law enforcement authorities are actively seeking the person to enforce the conditions of the person's probation or parole. "Actively seeking" is when a federal, state, or local law enforcement agency:
 - (i) informs OKDHS that it intends to arrest a person for a probation or parole violation within 20-calendar days of submitting an information request about the person to OKDHS; or
 - (ii) states that it intends to arrest the person for a probation or parole violation within 30-calendar days of the request date from OKDHS about a specific outstanding felony warrant or parole violation.

(c) **Ineligible household members.** Ineligible household members are persons living in the household that do not meet a program requirement, such as:

- (1) failure to obtain, or refusal to provide a Social Security number, per OAC 340:50-5-68;
- (2) being an ineligible alien, per OAC 340:50-5-67;
- (3) being an able-bodied adult without dependents and not meeting work requirements, per OAC 340:50-5-100; or
- (4) failure to cooperate with providing requested verification when information is unclear, per OAC 340:50-9-5(i)(4).

340:50-5-26. Drug addiction or alcoholic treatment centers

Residents of drug addiction or alcoholic treatment centers are certified for program participation through the use of an authorized representative who is an employee of, and designated by the publicly-operated, community mental health center or the private, non-profit organization or institution administering the treatment and rehabilitation program. The organization or institution receives and spends the food benefit allotment for food prepared by or served to a person who is drug or alcohol addicted.

(1) **Persons addicted to drugs or alcohol in treatment programs.** Persons addicted to drugs or alcohol who regularly participate in publicly operated or private non-profit drug or alcoholic treatment and rehabilitative programs on a resident basis may voluntarily apply for the Supplemental Nutrition Assistance Program. The child of a resident who lives with his or her parents in the treatment center may also qualify to participate. Residents have eligibility determined as a one person household or, when applicable, as a family unit. They may use all or part of the food benefits issued to them in the treatment center to purchase food prepared for them during the treatment program.

(A) Residents of treatment centers are certified using the same provisions that apply to all other applicant households except certification is completed through use of authorized representatives.

(B) Participants in a drug addict or alcoholic treatment and rehabilitative program are exempt from the work registration requirement. Participation must be verified through the organization or institution operating the program before granting the exemption if the information is inconsistent with other information on the application, previous application, or other documented information.

(2) **Approved centers.** The drug or alcohol treatment and rehabilitative center must be approved by the Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS), or by Food and Nutrition Services (FNS) as a retailer.

(3) **Center responsibility.** All treatment and rehabilitative centers must provide the local human services center (HSC) with a list of currently participating residents on a monthly basis. This list must include a statement signed by a responsible center official attesting to the validity of the list.

(4) **When participant leaves the center.** When a participant leaves a treatment center, the center:

(A) notifies the departing resident household they may have food benefits left in their Electronic Benefit Transfer (EBT) account.

(i) The departing household receives its full food benefit if no food benefits have been spent on behalf of that person's household. These

procedures are applicable any time during the month.

(ii) The center accesses only half of the food benefits in the resident's EBT account prior to the 15th of the month.

(iii) If the resident remains in the facility after the 15th day of the month, the remaining food benefits may be accessed on behalf of the resident.

(iv) If the household leaves after the 16th day of the month and the food benefits have already been issued and used, the household does not receive any further food benefits for that month;

(B) is no longer allowed to act as that person's authorized representative;

(C) provides, if possible, the person with Form 08FB038E, Changes in Household Circumstances, and advises the person to complete the form showing his or her new circumstances and to return the form to the local HSC within ten calendar days;

(D) informs the departing household they must go to the local HSC to secure their own Access Oklahoma card;

(E) deactivates immediately the Access Oklahoma card by calling the phone number shown on the back of the card; and

(F) notifies the HSC the participant left the treatment center.

(5) **Reporting changes.** The treatment center must notify the HSC of changes in the household income or other household circumstances required to be reported as outlined in OAC 340:50-9-5.

(6) **Treatment center liability.** The organization or institution is responsible for any misrepresentation or fraud it knowingly commits in the certification of treatment center residents.

(A) As an authorized representative, the organization or institution must be knowledgeable about the households' circumstances and carefully review these circumstances with residents prior to applying on their behalf.

(B) The organization or institution is strictly liable for all losses or misuse of food benefits held on behalf of resident households and for all over issuances which occur while the households are residents of the treatment center.

340:50-5-27. Disabled or blind residents of group homes

Residents of group homes may be certified for food benefits through the use of an authorized representative who is designated by and is an employee of the group home. The group home may either receive

and spend the food benefits for food prepared by or served to the eligible resident or allow the eligible resident to use all or any portion of the food benefit allotment on his or her own behalf.

(1) **Residents in group homes.**

(A) Residents of group homes who are disabled or blind as defined in OAC 340:50-5-4 may voluntarily apply for food benefits. The resident may apply and be certified:

- (i) through an authorized representative employed and designated by the group home;
- (ii) on his or her own behalf; or
- (iii) through an authorized representative of his or her own choice.

(B) The group home determines what method the resident uses to make application based on the resident's mental and physical ability to handle his or her own affairs. The group home consults with other agencies providing services to the resident in making this determination.

(C) If the resident applies through the use of the group home's authorized representative, eligibility is determined for a single person household. The household must meet all conditions of eligibility.

(D) If the resident applies on his or her own behalf or through an authorized representative of his or her own choice, household size is determined in accordance with the definition in OAC 340:50-5-1.

(i) The food benefits may either be turned over to the facility to be used to purchase food for meals served communally or individually to eligible residents, used by the eligible resident to purchase and prepare his or her own food, or to purchase meals prepared and served by the group.

(ii) The resident is responsible for reporting changes in circumstances.

(2) **Approved group homes.** The group home must be approved by the Developmental Disabilities Services Division (DDSD) or by Food and Nutrition Services (FNS) as a retailer.

(3) **Group home's responsibility.** Each group home must provide the local human services center (HSC) with a list of currently participating residents on a monthly basis. Included on this list is a statement signed by a responsible official of the group home attesting to the validity of the list.

(A) When the group home is acting in the capacity of authorized representative, it is responsible for notifying the HSC of changes in income or other household circumstances required to be reported. [OAC 340:50-9-5]

(B) The group home has no responsibility to report changes for residents certified on their own behalf or through an authorized representative of their own choice.

(4) **When participant leaves the group home.**

(A) When a participant leaves the group home, the group home acting as an authorized representative or retaining

use of the resident's food benefits must:

(i) notify the departing resident there may be benefits remaining in his or her Electronic Benefit Transfer (EBT) account.

(I) The departing household receives its full food benefit if no food benefits have been spent on behalf of that individual household. These procedures are applicable any time during the month.

(II) The group home accesses only half of the food benefits in the resident's EBT account prior to the 15th of the month.

(III) If the resident remains in the facility after the 15th day of the month, the remaining food benefits may be accessed on behalf of the resident.

(IV) When the household leaves after the 16th of the month and the food benefits have already been issued and used, the household does not receive any further food benefits for that month;

(ii) no longer act as authorized representative for that person;

(iii) inform the departing household they must go to the local Oklahoma Department of Human Services (OKDHS) HSC office to secure their own Access Oklahoma card;

(iv) deactivate immediately the Access Oklahoma card by calling the phone number shown on the back of the card when the resident leaves the group home; and

(v) notify the HSC office the person left the group home.

(B) Residents who applied on their own behalf and retained use of their own food benefits are entitled to keep the food benefits when they leave.

(C) The group home, if possible, provides the household leaving the facility with a Form 08FB038E, Changes in Household Circumstances, and advises the person to complete the form showing his or her new circumstances and to return the form to the local OKDHS HSC within ten calendar days.

(5) **Group home liability.** When the group home is acting as an authorized representative, the organization is responsible for any misrepresentation or fraud it knowingly commits in the certification of residents.

(A) As an authorized representative, the organization must be knowledgeable about the household's circumstances and carefully review these circumstances with residents prior to applying on their behalf.

(B) The organization is strictly liable for all losses or misuse of food benefits held on behalf of resident households and for all over issuances which occur while the households are residents of the group home.

(C) The group home is not liable for over issuances for residents certified on their own behalf or through an authorized representative of their own choice.

340:50-5-28. Shelter for victims of domestic violence and their children

Residents of shelters for victims of domestic violence and their children may apply and be certified for food benefits on their own behalf using program requirements applicable to any other household, per Section 271.2 and 273.11(g) of Title 7 of the Code of Federal Regulations. Shelter residents may name a shelter staff member or other person to act as an authorized representative for application and certification purposes; however, the residents are expected to control their own food benefits.

(1) **Verification for shelter status.** Oklahoma Department of Human Services (DHS) staff are responsible for verifying the shelters meet the definition for domestic violence shelters, per Oklahoma Administrative Code (OAC) 340:50-5-7.1(4).

(A) Non-profit status verification is accomplished by seeing Internal Revenue Service (IRS) correspondence, stipulating the organization is tax-exempt as a charitable or educational entity, per Section 501(c)(3) of the IRS code.

(B) When IRS documentation is not available, the worker sends a copy of the shelter's by-laws to Adult and Family Services Supplemental Nutrition Assistance Program (SNAP) to determine non-profit status.

(C) SNAP staff notifies the worker of the non-profit status determination.

(D) The county director is responsible for keeping a list and, the supporting documentation, of domestic violence shelters in the county whose status is verified.

(2) **Separate households.** A shelter resident included in another active household may participate as a separate household when the active household includes the person who abused the resident. The resident may receive an additional allotment as a separate household once a month. The worker takes prompt action to remove shelter residents from the active household's composition and allotment.

(3) **Income and expenses.** The worker certifies a resident applying as a separate household based on the resident's current income and expenses. When the shelter charges a room payment, it is considered a shelter expense for the resident. The worker

excludes the income and expenses of the resident's former household. The worker expedites processing the application when the resident meets expedited services criteria, per OAC 340:50-11-1.

340:50-5-29. Homeless households

(a) A household is not required to have a fixed residence in order to receive food benefits. A homeless household may include one or more homeless persons.

(b) Per 271.2 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 271.2), homeless person means a person who lacks a fixed and regular nighttime residence or a person whose primary nighttime residence is a:

- (1) supervised shelter designed to provide temporary accommodations;
- (2) half-way house or similar institution providing temporary residence for persons intended to be institutionalized;
- (3) temporary accommodation in the residence of another person of not more than 90-calendar days from the application date. The worker applies the 90-calendar day time frame to each subsequent temporary accommodation in a different household and location; or
- (4) place not designed for, or ordinarily used, as a regular sleeping accommodation for human beings, such as a hallway, bus station, lobby, car, or similar places.

(c) Per 7 C.F.R. § 273.2(f)(4)(v) and Oklahoma Administrative Code 340:50-7-31, when a homeless household incurs or expects to incur a shelter cost during the month, the household is eligible for the standard homeless shelter deduction, per Oklahoma Department of Human Services Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, or the excess shelter deduction, whichever results in the most food benefits for the household. Homeless shelter costs may include a monthly vehicle payment when the household lives in the vehicle, payments to friends or neighbors for sleeping accommodations, camping fees, or hotel or motel charges.

340:50-5-45. Students

(a) **Supplemental Nutrition Assistance Program (SNAP) eligibility.**

A student enrolled in an institution of higher education at least half-time per (b) of this Section may not receive Supplemental Nutrition Assistance Program (SNAP) benefits unless the student meets an exemption per (c). Students who are not enrolled at least half-time in an institution of higher education per (b) of this Section may participate in SNAP when they meet all other eligibility criteria.

(b) **Student classification.** Section 273.5 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.5) requires students to meet an exemption when they are enrolled at least half-time in an institution of higher education.

(1) An institution of higher education includes a:

(A) business, technical, trade, or vocational school that normally requires a high school diploma or equivalency certificate to enroll in the curriculum. Schools or courses that do not require a high school diploma or equivalency certificate are not considered an institution of higher education; or

(B) college or university that offers degree programs even when a high school diploma or equivalency certificate is not required to enroll. A college includes a junior, community, two-year, or four-year college, or university.

(i) Students enrolled at least half time in the regular curriculum are enrolled in higher education.

(ii) Students enrolled in a special program at a college or university, such as English as a second language course or other courses that are not part of a regular degree program are not enrolled in higher education.

(2) Student status begins on the first day of the school term for students who have:

(A) not attended an institution of higher education previously; or

(B) had a break of more than a semester since they last attended.

(3) Persons are students during normal periods of class attendance, vacation, and other breaks unless the student:

(A) graduates;

(B) is expelled or suspended;

(C) drops out; or

(D) does not intend to register for the next normal school term, excluding summer school.

(c) **Student exemptions.** The students described in this subsection may participate in SNAP when they meet all other eligibility criteria. The student is either:

(1) younger than 18 years of age or 50 years of age and older;

(2) physically or mentally unfit.

(A) When the student claims mental or physical unfitness and the unfitness is not evident to the worker, verification may be required.

(B) Appropriate verification may consist of:

- (i) receipt of temporary or permanent disability benefits issued by governmental or private sources;
- (ii) participation in a state vocational rehabilitation program; or
- (iii) a statement from a physician or licensed or certified psychologist; or

(3) participating in an on-the-job training (OJT) program. Students are participating in OJT programs only during the period of time the students are being trained by the employer;

(4) employed for an average of 20 hours per week or 80 hours per month and paid for that employment. Earning wages equal to the federal minimum wage times 20 does not qualify the person for this exemption;

(5) self-employed for an average of 20 hours per week or 80 hours per month and receives weekly earnings at least equal to the federal minimum wage times 20;

(6) participating in a state or federally financed work study program during the regular school year.

(A) To qualify under this provision, the student must be approved for work study at the time of application for food benefits.

(i) The work study must be approved for the school term, and the student must anticipate actually working during the school term.

(ii) The exemption begins with the month the school term begins or the month work study is approved, whichever is later.

(iii) Once begun, the exemption continues until the end of the month the school term ends or it becomes known the student refused an assignment.

(B) The exemption does not continue between terms when there is a break of a full month or longer unless the student participates in a work study program during the break; or

(7) responsible for the care of a dependent household member under six years of age. Only one person may be responsible for a dependent child. The caretaker need not be the person providing for the child's support;

(8) responsible for the care of a dependent household member, six through 11 years of age, and the worker determines that adequate child care is not available to enable the student to attend class and work an average of 20 hours per week or participate in a state or federally financed work study program.

(A) The reasons for lack of adequate child care include, but are not limited to, the lack of an available licensed and contracted child care facility within a reasonable distance

from the student's home or school or the availability of funds to pay child care expenses. Determination of availability of adequate child care is made on a case-by-case basis.

(B) Only one person may be responsible for the care of a dependent child. The caretaker need not be the person providing for the child's support; or

(9) a single parent enrolled in an institution of higher education on a full-time basis, as determined by the institution, and responsible for the care of a dependent child younger than 12 years of age, regardless of the availability of child care.

(A) This provision applies in those situations where only one natural, adoptive, or stepparent, regardless of marital status, is in the same food benefit household as the child.

(B) When no natural, adoptive, or stepparent is in the same food benefit household as the child, another full-time student in the same food benefit household as the child may qualify for this exemption when the student has parental control over the child and does not live with the student's spouse;

(10) a Temporary Assistance for Needy Families (TANF) recipient;

(11) assigned to or placed in an institution of higher education through or in compliance with the requirements of one of the employment and training programs identified in (A) through (D) of this paragraph. Employment and training programs include:

(A) the Workforce Innovation and Opportunity Act Program;

(B) a food benefit employment and training program, such as OK SNAP Works, per 7 C.F.R. § 273.7, subject to the condition that the course or program of study, as determined by Adult and Family Services (AFS) SNAP staff, is:

(i) part of a career and technical education program, per Section 3 of the Carl D. Perkins Career and Technical Education Act of 2006; and Section 2302 of Title 20 of the United States Code (20 U.S.C. § 2302), designed to be completed in not more than four years at an institution of higher education, per Section 102 of the 1998 Amendments to the Higher Education Act of 1965, 20 U.S.C. § 1002; or

(ii) limited to remedial courses, basic adult education, literacy, or English as a second language;

(C) a program under Section 236 of the Trade Act of 1974 currently known as The Trade Adjustment Assistance Program and administered by the Oklahoma Employment Security Commission; or

(D) a state or local government-operated employment or training program for low-income households where one or more components of the program is at least equivalent to

an acceptable SNAP employment and training program as specified, per 7 C.F.R. § 273.7(e)(1) and as determined by AFS SNAP staff; or

(12) enrolled as a result of participation in the Job Opportunities and Basic Skills program under Title IV of the Social Security Act or its successor program.

(d) Income and deductible expenses of an ineligible student. When the student is not eligible to receive food benefits per this Section, the student is a non-household member, and OKDHS does not count the student's income and prorates the household's expenses, per Oklahoma Administrative Code (OAC) 340:50-5-5.

340:50-5-46. Strikers

(a) Definition. A striker is defined as anyone involved in a strike or concerted work stoppage by employees, including a stoppage by reason of the expiration of a collective-bargaining agreement, and any concerted slowdown or other concerted interruption of operations by employees, per Section 273.1 of Title 7 of the Code of Federal Regulations.

Households with one or more members on strike are ineligible for Supplemental Nutrition Assistance Program (SNAP) food benefits unless the household received or was eligible to receive SNAP food benefits the day prior to the strike, per (c) of this Section.

(b) Persons not considered strikers. Persons who are not considered strikers include employees:

- (1) affected by a lockout. A lockout occurs when an employer closes the workplace or otherwise bars employees from working in order to resist employee demands;
- (2) unable to work as a result of striking employees;
- (3) who are not part of the bargaining unit and do not want to cross a picket line due to fear of personal injury or death; or
- (4) who are exempt from the work registration requirement, per Oklahoma Administrative Code (OAC) 340:50-5-86, the day before the strike for reasons other than employment.

(c) Income determination. When a household applies for SNAP food benefits after a household member goes on strike, eligibility at application is determined by comparing the striking member's income the day before the strike to the striker's current income. The worker considers the higher of the two as countable income for the striking member, adds the income to the non-striking members' current income, and allows the usual deductions, per OAC 340:50-7-31, to determine eligibility. When a household receives SNAP food benefits the day prior to the strike and reports a loss of income due to the strike, the worker does not increase the food benefit because of this income loss.

340:50-5-48. Migrant farm laborers

Migrant farm laborers usually have little or no income upon arriving at a work area and must be assessed for expedited services per Section 273.10(e)(3) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.10(e)(3)) and Oklahoma Administrative Code (OAC) 340:50-11-1.

(1) **Income.** In addition to income declared by the household, the worker explores the possibility that out-of-state real property is being rented or is producing income. When the household has income producing home or other real property, the worker adds the income to all other household income to determine eligibility and food benefit allotment.

(2) **Exempt income of children in migrant households.** When migrant households receive one payment for work performed by all household members, the worker excludes the earned income of a student 17 years of age and younger. To exclude the income, the worker prorates the income equally among all working household members and subtracts the student's portion.

(3) **Income deductions.** When the migrant household is responsible for deductible expenses per OAC 340:50-7-31, the worker deducts the expenses from the household's income.

(4) **Work registration.** Employable members of migrant households who are not employed at least 30 hours per week or receiving weekly earnings equal to the federal minimum wage times 30 hours must register for and accept suitable employment the same as for other persons. Per 7 C.F.R. § 273.7(b)(vii), migrant and seasonal farm workers under contract or similar agreement with an employer or crew chief to begin employment with 30-calendar days are exempt from work registration due to employment.

340:50-5-49. Sponsored aliens

(a) **Sponsored alien definition.** A sponsored alien is an eligible and qualified alien, per Oklahoma Administrative Code (OAC) 340:50-5-67, whose sponsor executed an affidavit of support, United States Citizenship and Immigration Services (USCIS) Form I-864, Affidavit of Support Under Section 213A of the Immigration and Nationality Act (INA), or Form I-864A, Contract Between Sponsor and Household Member, on

behalf of the alien, per Section 213A of the INA and Section 273.4(c) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.4(c)). A sponsored alien is subject to deeming requirements, per (d) of this Section, unless he or she meets an exemption criteria, per (b) of this Section.

(b) Sponsored aliens exempt from deeming. Sponsored aliens exempt from income and resource deeming requirements include:

(1) aliens who are a battered spouse, parent of a battered child, or child of a battered person when they live in a separate residence from the person responsible for the battery and, the battering is substantially connected to the need for benefits. The worker grants the exemption for a 12-month period. After the 12-month exemption period expires, Oklahoma Human Services (OKDHS) continues to not deem the batterer's income or resources to the sponsored alien, when:

(A) the battery is recognized by a court or the USCIS;

(B) OKDHS determines that the battery has a substantial connection to the need for benefits; and

(C) the sponsored alien does not live with the batterer;

(2) aliens who are members of their sponsor's Supplemental Nutrition Assistance Program (SNAP) food benefit household as the sponsor's income already counts. When the sponsor receives food benefits in another household, the sponsor's income and resources must be deemed;

(3) aliens who are not required to have a sponsor under the INA, such as refugees, parolees, asylees, and Cuban or Haitian entrants;

(4) sponsored alien children or a sponsored alien's citizen children, who are younger than 18 years of age;

(5) aliens sponsored by an organization or group instead of a person; or

(6) indigent aliens. An indigent alien is an alien that OKDHS determines is unable to obtain food and shelter after taking into account his or her own income plus any cash, food, housing, or other assistance provided by the sponsor or other persons.

(A) The "unable to obtain food and shelter" phrase means that the sum of the sponsored alien's household's own income and the cash and in-kind assistance provided by the sponsor or others does not exceed 130 percent of the poverty level income guidelines by household size, per OKDHS Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions. When determining indigence, the worker considers the sponsored alien's income and other assistance provided in the month of application.

(B) Before making an indigent determination, the worker must:

(i) explain the purpose of the determination to the sponsored alien or his or her authorized representative, including the requirement to send a written notice of the determination to the United

States (U.S.) Attorney General; and

(ii) give the person the opportunity to refuse the determination.

(C) When the sponsored alien refuses to have an indigence determination made because of the U.S. Attorney General reporting requirement, the worker informs the alien that he or she may:

(i) refuse food benefits for himself or herself without withdrawing the entire household's application. When the alien chooses this option, he or she is considered an ineligible alien and his or her income is prorated among all household members, per OAC 340:50-7-29(d)(2), without consideration of the sponsor's or sponsor's spouse's income; or

(ii) have his or her eligibility and benefits determined based on the deeming formula, per (d) of this Section.

(D) When the alien consents to the indigent determination and reporting requirement and is considered indigent, per (A) of this paragraph, the worker only deems the amount of assistance actually provided, beginning with the determination date and ending 12 months after this date. Each indigence determination may be renewed for additional 12-month periods. OKDHS notifies the U.S. Attorney General of each indigence determination and the sponsor's and sponsored alien's names.

(c) Eligible sponsored alien responsibilities. When the sponsored alien is subject to deeming, he or she is responsible for:

(1) providing OKDHS with information and documentation necessary to determine eligibility, per OAC 340:50-3-3, and calculate income and resources, per (d) of this Section at application and certification renewal;

(2) providing documents showing the INA under which the alien was admitted, his or her entry date into the U.S., birthdate, birthplace, and alien registration number;

(3) providing the sponsor's and sponsor's spouse's names, address, phone numbers, and the number of dependents claimed on the sponsored alien's tax return;

(4) providing the names and other identifying factors regarding any other aliens for whom the sponsor signed an affidavit of support, per (a) of this Section; and

(5) reporting required changes that occur during the certification period, per OAC 340:50-9-5, which may include:

(A) information about a new sponsor and the sponsor's spouse when the sponsored alien obtains a new sponsor during the certification period;

(B) a change in income if the sponsor or sponsor's spouse changes or loses employment; or

(C) the death of the sponsor or sponsor's spouse.

(d) **Deeming requirements.** When the sponsored alien is not exempt from deeming requirements, in addition to his or her own income and resources, the worker counts the income and resources of the sponsor and his or her spouse as the unearned income and resources of the sponsored alien. The worker counts the income of the sponsor's spouse even when the marriage occurred after the sponsor signed an agreement to support the sponsored alien.

(1) The total monthly earned and unearned income of the sponsor and the sponsor's spouse must be deemed to the sponsored alien minus:

- (A) income exclusions, per OAC 340:50-7-22;
- (B) the earned income deduction for the earned income portion of the sponsor's and sponsor's spouse's income, per OAC 340:50-7-31(a)(2); and
- (C) an amount equal to the monthly gross income eligibility limit, per OKDHS Appendix C-3, for a household size equal to the sponsor, the sponsor's spouse, and any other person claimed, or who could be claimed as a dependent for federal income tax purposes.

(2) Any money the sponsor pays the sponsored alien is also countable when it exceeds the amount deemed per (1) of this subsection.

(3) When the sponsored alien already reported the gross income and resources of the sponsor and the sponsor's spouse for another Adult and Family Services administered assistance program, that income amount may be used for SNAP food benefit purposes. The only allowable income reductions are those allowed, per (c)(1) of this Section.

(4) The total countable resources of the sponsor and sponsor's spouse less \$1,500 are deemed to the sponsored alien. Refer to OAC 340:50-7-6 to determine the countable and excluded resources for the sponsored alien and his or her sponsor and sponsor's spouse and OKDHS Appendix C-3 for the maximum resource standard.

(5) When the sponsored alien verifies that his or her sponsor is the sponsor of other aliens, the worker divides the income and resources deemed, per (1) and (4) of this subsection by the number of such sponsored aliens. The worker uses this same procedure to determine the amount of deemed income and resources to exclude when a sponsored alien or a sponsored alien's citizen child is exempt from deeming per (b) of this Section.

(e) **Pending verification.** Until the sponsored alien provides necessary information or verification regarding his or her sponsor's income and resources and the number of aliens he or she sponsors, the sponsored alien is not eligible to be included in the SNAP food benefits. The worker must determine the eligibility of any remaining unsponsored household members while the sponsor's information is pending. The sponsored alien's income, minus any consideration of the sponsor's income, is considered available to the rest of the household, per OAC 340:50-7-29(d)(2).

(f) **When deeming stops.** Sponsor-to-alien deeming stops when the sponsored:

- (1) alien becomes a naturalized citizen;
- (2) alien can be credited with 40 quarters of work, per OAC 340:50-5-67; or
- (3) alien's sponsor dies.

340:50-5-64.1. Work Opportunity Tax Credit (WOTC)

The Work Opportunity Tax Credit (WOTC) law permits for-profit employers to take a credit on their federal income tax when workers from certain target groups are hired. Workers in these target groups have faced significant barriers to employment. The WOTC is equal to between 25 percent to 40 percent of the first year wages up to \$9,600 depending on the number of hours the employee works and the applicable target group for that person. The main objective of this program is to enable the targeted employees to gradually move from economic dependency into self-sufficiency as they earn a steady income and become contributing taxpayers, while the participating employers are compensated by being able to reduce their federal income tax liability.

(1) WOTC is available to employers for workers hired from targeted food benefit recipient groups in (A) through (J) of this subsection.

(A) **Qualified veteran.** A qualified veteran is a veteran who is:

- (i) a member of a household receiving Supplemental Nutrition Assistance Program (SNAP) food benefits for at least three months during the first year of employment;
- (ii) unemployed for a period totaling at least four weeks, but less than six months, in the one-year

period ending on the veteran's hiring date. The weeks unemployed do not have to be consecutive;

(iii) unemployed for a period totaling at least six months in the one-year period ending on the veteran's hiring date. The months unemployed do not have to be consecutive;

(iv) entitled to compensation for a service-connected disability and is unemployed for a period totaling at least six months in the one-year period ending on the hiring date. The months unemployed do not have to be consecutive; or

(v) a disabled veteran entitled to compensation for a service-connected disability hired not more than one year after being discharged or released from active duty in the United States (U.S.) Armed Forces.

(B) Qualified SNAP food benefit recipient. A qualified food benefit recipient is a person who on the hire date is:

- (i) at least 18 years of age and younger than 40 years of age; and
- (ii) a member of a household that received SNAP food benefits for:
 - (I) the previous six consecutive months; or
 - (II) at least three months of the last five months.

(C) Qualified Title IV-A recipient. A qualified Title IV-A recipient is a person who is a member of a family receiving assistance under a state plan approved under Part A of Title IV of the Social Security Act relating to Temporary Assistance for Needy Families (TANF). The person must have received the assistance for any nine-month period during the 18-month period ending on the hiring date.

(D) Long-term TANF recipient. A long-term TANF recipient is a person who at the hiring time is a member of a family that:

- (i) received TANF cash assistance for at least the previous 18-consecutive months;
- (ii) received TANF cash assistance for any 18 months beginning after August 5, 1997, and it has not been more than two years since the end of the earliest of such 18-month period; or
- (iii) stopped being eligible for TANF cash assistance during the past two years because federal or state law limited the maximum time cash assistance could be made.

(E) Designated community resident. A designated community resident is a person who, on the hiring date:

- (i) is at least 18 years of age and younger than 40 years of age;
- (ii) resides in a federally designated Empowerment Zone (EZ), Enterprise Community (EC), or a

Renewal Community (RC), and
(iii) continues to reside at the location after
employment.

(F) **Qualified Summer Youth employee.** A qualified
Summer Youth employee is one who is:

- (i) at least 16 years old, but younger than 18 years
of age on the hire date or on May 1st, whichever is
later;
- (ii) only employed between May 1 and September
15; and
- (iii) resides in an EZ, EC, or RC.

(G) **Vocational rehabilitation referral.** A vocational
rehabilitation referral is a person who has a physical or
mental disability and was referred to the employer while
receiving, or upon completion of, rehabilitative services
from:

- (i) a state plan approved under the Rehabilitation
Act of 1973;
- (ii) an Employment Network Plan under the Ticket
to Work Program; or
- (iii) a program carried out under the U.S.
Department of Veteran Affairs.

(H) **Qualified ex-felon.** A qualified ex-felon is a person
hired within one year of being convicted of a felony or
being released from prison for a felony.

(I) **Qualified Supplemental Security Income (SSI)
recipient.** A qualified SSI recipient is a person who
received SSI benefits within 60-calendar days of the
person's hire date.

(J) **Qualified long-term unemployment recipient.** A
qualified long-term, unemployment recipient is a person
who has been unemployed for not less than 27-consecutive
weeks at the hiring time and received unemployment
compensation during some or all of the unemployment
period.

(2) Through an agreement with the Oklahoma Employment
Security Commission, Oklahoma Human Services staff issues the
U.S. Department of Labor Form ETA-9062, Conditional
Certification Work Opportunity Tax Credit, to food benefit and
TANF recipients.

(3) The worker gives the person Form ETA-9062 and a letter from
the worker stating the number of months he or she received food
benefits or TANF cash assistance to present to the employer on,
or before, the first day of employment. The worker informs the
person about the purpose of the form and that the tax credit may
help him or her get a job.

340:50-5-65. Identity

(a) **Identity.** The identity of the person making the Supplemental Nutrition Assistance Program (SNAP) application must be verified, per Section 273.2(f)(1)(vii) of Title 7 of the Code of Federal Regulations. When an authorized representative applies on behalf of a household, the identity of the authorized representative and the head of household is verified. The household may select as head of household an adult parent of a child of any age living in the SNAP food benefit household or an adult who has parental control over a child who is 17 years of age and younger living in the food benefit household, provided all adult household members agree to the selection, per Oklahoma Administrative Code 340:50-3-1(b)(2).

(b) **Identity verification.** Identity may be verified through readily available documentary evidence, or when unavailable, through a collateral contact. Any documents that reasonably establish the applicant's identity must be accepted and no requirement for a specific type of document, such as a birth certificate, may be imposed. Examples of acceptable documentary evidence include, but are not limited to;

- (1) a driver license;
- (2) a work or school identification card;
- (3) an identification card for health benefits or other assistance or social service program;
- (4) a voter registration card;
- (5) wage stubs; or
- (6) a birth certificate.

340:50-5-66. Residence

Residency requirements must be verified, except in unusual cases such as migrant farm worker households newly arrived in an area, where verification of residency cannot reasonably be accomplished. Verification of residency is accomplished to the extent such as, but not limited to, utility expenses or identity. If verification cannot be accomplished in conjunction with the verification of other information, then the worker uses a collateral contact or other readily available documentary evidence. Documents used to verify other factors of eligibility should normally suffice to verify residence as well. Any document or collateral contact which reasonably establishes the applicant's residency must be accepted and no requirement for a specific type of verification may be imposed. No durational residency requirement may be established.

- (1) No individual may participate as a member of more than one household or in more than one county in any month unless an individual is a resident of a shelter for battered women and children and was a member of a household containing the abusive person.
- (2) Residency is not dependent on an intent to permanently reside in the state or county. Moreover, the county cannot impose any durational residency requirements. A fixed residence is not required. For example, migrant camp sites verify the residency requirements; however, persons in a county solely for vacations

will not be considered residents. If it is questionable that the household resides at the address or finding location given on the application, verification must be accomplished in accordance with Subchapter 3 of this Chapter, covering verification of questionable information.

(3) It will not be possible to verify residency for homeless households, however, the case record should contain as much information as possible about the household's situation.

340:50-5-67. Citizenship and alien status

(a) Per Section 273.4 of Title 7 of the Code of Federal Regulations (7 § C.F.R. 273.4), to be eligible for food benefits a person must be:

- (1) a United States (U.S.) citizen;
- (2) a U.S. non-citizen national;
- (3) an alien who is both qualified and eligible; or
- (4) an alien not required to meet qualified alien status.

(b) Pursuant to Section 71 of Title 56 and Section 20j of Title 74 of the Oklahoma Statutes, all persons 14 years of age and older must declare whether they are residing in the U.S. lawfully and may be required to sign Form 08MP005E, Citizenship Affidavit, per OAC 340:65-3-1(g).

(c) Ineligible or illegal aliens are not eligible to receive Supplemental Nutrition Assistance Program (SNAP) food benefits. An ineligible alien is an alien who does not meet eligible alien status, per (a)(3) or (4) of this Section or is determined to be an ineligible sponsored alien, per Oklahoma Administrative Code (OAC) 340:50-5-49.

(1) When a household is unwilling or unable to provide alien status documentation for any household member, the alien is considered an ineligible alien and is not eligible for food benefits. No further efforts to obtain documentation are made.

(2) The worker prorates the income of the ineligible or illegal aliens among all household members, per 7 § C.F.R. 273.11(c)(3) and OAC 340:50-7-29(d)(2).

(3) Oklahoma Human Services is responsible for reporting to the U.S. Citizenship and Immigration Services (USCIS) any alien it "knows" is not lawfully present in the U.S., per 7 C.F.R. § 273.4(b). OKDHS only "knows" an alien is not present legally when the alien applies for SNAP benefits and it is determined as a finding of fact or a conclusion of law that the alien is present in violation of the Immigration and Nationality Act. OKDHS must support this determination with a formal determination by USCIS or the Executive Office of Immigration Review, such as a Final Order of Deportation.

340:50-5-68. Social Security numbers

(a) Each household member must provide his or her Social Security number (SSN) when applying for participation in the Supplemental Nutrition Assistance Program (SNAP). The worker explains to the applicant that refusal to provide SSNs will result in disqualification of the person for whom a SSN is not provided.

(1) If an applicant cannot provide a SSN, proof of application is required prior to certification for each household member except a newborn.

(2) The household must provide the SSN or proof of application for the newborn at its next recertification or within six months following the month the baby is born, whichever is later.

(b) If the worker determines a household member has refused or failed to make all efforts to apply for or provide a SSN for a household member, that person is ineligible to participate in SNAP.

(1) The disqualification applies to the person for whom the SSN is not provided and not to the entire household.

(2) The income of persons disqualified for failure to provide a SSN are considered in determining food benefit eligibility.

(3) Disqualification ends when the SSN is provided or the SSN application is made and verified.

PART 9. WORK REGISTRATION

340:50-5-85. Work registration

(a) Per Section 273.7(a)(1) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.7(a)(1)), to be eligible to receive Supplemental Nutrition Assistance Program (SNAP) food benefits, each household member not exempt per Oklahoma Administrative Code (OAC) 340:50-5-86 must comply with applicable work registration requirements included in (1) through (5) of this subsection. It is the worker's responsibility to explain to the applicant the work registration statement and each household member's work registration status and responsibility as stated in (1) through (5) of this subsection. Form 08MP003E, Responsibilities and Signature for Benefits, includes a work registration statement that upon signature, registers all household members 16 through 59 years of age required to comply with work registration.

(1) A required work registrant must register for work or be registered at the time of application and every 12 months after initial registration.

(2) A required work registrant must provide the Oklahoma Department of Human Services with sufficient information regarding his or her employment status or availability for work.

(3) A required work registrant must accept a bona fide offer of suitable employment.

(4) A required work registrant must agree to not voluntarily and, without good cause, quit a job of 30 hours or more per week or reduce his or her work effort to less than 30 hours per week.

(5) When a household member is exempt from work registration because he or she is subject to and complying with unemployment compensation or Temporary Assistance for Needy Families work requirements per OAC 340:50-5-86(3) or (7), he or she must continue to comply or be subject to failure to comply requirements per OAC 340:50-5-87.

(b) Good cause for failure or refusal to comply with work

registration requirements. Per 7 C.F.R. § 273.7(i), a required work registrant has good cause for failing or refusing to comply with work registration requirements when there are circumstances beyond his or her control, such as, but not limited to:

- (1) illness;
- (2) illness of another household member requiring the presence of the registrant;
- (3) a household emergency;
- (4) unavailability of transportation; or
- (5) lack of adequate child care for children 6 through 11 years of age.

(c) Suitable work. Any employment offered is considered suitable:

- (1) when the wage offered is at least the highest of the applicable federal minimum wage, the applicable state minimum wage, or 80 percent of the federal minimum wage, when neither the federal nor state minimum wage applies;
- (2) when the employment offered is on a piece-rate basis and the average hourly wage the employee can reasonably expect is at least equal to the applicable hourly wages specified;
- (3) when the registrant, in order to be hired or to continue working, is not required to join, resign from, or refrain from joining any legitimate labor organization;
- (4) when the work offered is not at a site subject to a strike or lockout at the time of the offer unless the strike has been enjoined under the Labor Management Relations Act (Taft-Hartley) or an injunction has been issued under Section 10 of the Railway Labor Act; or
- (5) unless the registrant demonstrates or the worker determines the:

- (A) risk to health and safety is unreasonable;
- (B) registrant is physically or mentally unfit to perform the employment, as documented by medical evidence or other reliable information;
- (C) employment offered within the first 30-calendar days of registration is not in the registrant's major field of experience;
- (D) distance from the registrant's home to the place of employment is unreasonable based on the expected wage and the time and cost of daily commuting. Commuting time cannot exceed two hours daily; or

(E) working hours or nature of the employment interferes with the registrant's religious observations, convictions, or beliefs.

340:50-5-86. Persons exempt from work registration

Per Section 273.7(b) of Title 7 of the Code of Federal Regulations, work registration exemptions are included in (1) through (9) of this Section.

(1) **Age limit.** A person younger than 16 years of age or a person 60 years of age and older is exempt. When a person:

(A) is 16 or 17 years of age and is not the head of household or is attending school or enrolled in an employment training program on at least a half-time basis, is also exempt; or

(B) turns 16 or 18 years of age during a certification period, the worker must register the person for work as part of the next certification renewal, unless he or she qualifies for an exemption.

(2) **Caretakers.** A caretaker is a parent or other household member responsible for the care of a dependent child younger than 6 years of age or an incapacitated person. When the dependent child reaches 6 years of age within a certification period, the person responsible for the care of the child must register for work at the next certification renewal, unless he or she is otherwise exempt.

(3) **Applicants for or recipients of unemployment compensation.** A person who applied for unemployment insurance benefits (UIB) is exempt from the work registration requirement during the application process. This is verified by seeing the work registration card. Recipients of UIB are exempt from registration while receiving compensation. When the person is disqualified from participation in UIB because he or she refused or failed to meet UIB work requirements without good cause, he or she is subject to failure to comply disqualification requirements per OAC 340:50-5-87.

(4) **Physically or mentally incapacitated.** Persons who are physically or mentally incapable of gainful employment on a permanent or temporary basis and food benefit applicants participating in federal or state programs based on disability are considered exempt. Other persons claiming exemption as unfit for employment must, in the absence of physical evidence, obtain documented evidence from medically qualified sources to substantiate a disability.

(5) **Addicts and alcoholics.** A regular participant in a drug addiction or alcohol treatment and rehabilitative program, on a resident or non-resident basis is exempt. This may be verified through organizations or institutions operating the program.

(6) **Students.** A student is defined as a person enrolled at least half-time in any recognized school, training program, or institution of higher education. Students must meet the criteria per Oklahoma Administrative Code (OAC) 340:50-5-45 to participate in the Supplemental Nutrition Assistance Program (SNAP). This includes refugees participating in a refugee-specific training program approved, funded, or operated by the Office of Refugee Resettlement. Students are exempt from work registration requirements and retain student classification during school vacation or breaks providing they plan to return to school the next term, excluding summer school. Persons who do not qualify as students include, persons:

(A) not enrolled at least half-time or who experience a break in enrollment status due to graduation, expulsion, suspension, or who drop-out or do not intend to return to school; and

(B) enrolled in correspondence courses.

(7) **Temporary Assistance for Needy Families (TANF) Work Program participants.** A TANF recipient who is exempt from, registered for, or participating in the TANF Work Program per OAC 340:10-2-1 through 340:10-2-8 is exempt from SNAP work registration requirements. When the TANF recipient is sanctioned because he or she refused or failed to participate in the TANF Work Program without good cause per OAC 340:10-2-2, he or she is subject to failure to comply disqualification requirements per OAC 340:50-5-87.

(8) **Employed persons.** Persons who are employed and working a minimum of 30 hours weekly or receiving weekly earnings equal to the federal minimum wage multiplied by 30 hours are exempt.

(A) The employment may be paid, in-kind, unpaid, or volunteer work with religious or community organizations.

(B) Migrant and seasonal farm workers who are under contract or similar agreement with an employer or crew chief to begin employment within 30-calendar days are exempt as employed persons.

(9) **Self-employed persons.** Persons who are self-employed working a minimum of 30 hours weekly or receiving weekly earnings equal to federal minimum wage multiplied by 30 hours are exempt.

(A) Verification of the amount of income from self-employment is sufficient to establish this exemption, provided the amount of income appears to be consistent with a conclusion of full-time employment, 30 hours per week.

(B) When the income is not sufficient to conclude full-time employment, the client must cooperate with the worker in establishing the income received is at least sufficient to be considered gainful employment and the volume of work the client is doing justifies a determination the self-employment enterprise is a full-time job for the purpose of this exemption.

340:50-5-87. Work registration procedures

When changes occur in a person's work registration status after certification, the worker must determine if the person failed or refused to comply with work registration requirements without good cause per Oklahoma Administrative Code (OAC) 340:50-5-85 or meets exemption criteria per OAC 340:50-5-86.

(1) **Exemption status loss.** Per Section 273.7(b)(2) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.7(b)(2)):

(A) Persons who lose their work registration exemption due to a change in circumstances that is:

(i) not subject to the reporting requirements, per OAC 340:50-9-5(g), must register for work registration at the next certification renewal; or

(ii) subject to the reporting requirements, per OAC 340:50-9-5(g), must register when the change is reported; and

(B) when a household member is exempt from work registration because he or she is subject to, and in compliance with unemployment compensation or Temporary Assistance for Needy Families work requirements, and stops complying without good cause, the household member is disqualified unless he or she meets another exemption.

(2) **Communication requirement.** Per 7 C.F.R. § 273.7(c)(ii), a written notice is generated by the system and the worker must attempt to contact the household to orally explain the work registration responsibilities, per OAC 340:50-5-85 when:

(A) a new household member joins the household; or

(B) a household member who is exempt from work registration loses the exemption.

(3) **Failure to comply.** A registered household member who fails to comply with work registration requirements without good cause, per OAC 340:50-5-85, is disqualified, per 7 C.F.R. § 273.7(f) and OAC 340:50-5-10.1.

(4) **Disqualification period.** When a household member is disqualified because he or she failed to comply with work registration requirements, the disqualification period is:

(A) one month for the first violation;

(B) three months for the second violation; or

(C) six months for the third or subsequent violation.

(5) **Shortening the disqualification period.** The disqualification period may be shortened when the household member becomes exempt from work registration per 7 C.F.R. § 273.7(g).

340:50-5-89. Voluntary quit and reduction of work effort

(a) Per Section 273.7(j) of Title 7 of the Code of Federal Regulations, any applicant or participating adult household member who is not exempt from work registration requirements per Oklahoma Administrative Code (OAC) 340:50-5-86 is not eligible to receive Supplemental Nutrition Assistance Program food benefits when, within 60-calendar days of the application or any time thereafter, the person voluntarily and without good cause:

- (1) quits a job of 30 hours or more per week or a job that provided weekly earnings equaling at least the equivalent of the federal minimum wage multiplied by 30; or
- (2) reduces his or her work effort. The reduction in work effort is:
 - (A) considered a voluntary quit when the person worked 30 hours or more per week prior to the reduction; and
 - (B) not considered a voluntary quit when after the reduction, he or she continues to earn weekly wages that exceed the federal minimum wage multiplied by 30 hours.

(b) When a household files an application or a participating household reports loss of income, the worker determines if the voluntary quit sanction applies. When information provided by the household is questionable, the worker may request or obtain verification of the household's statement.

(c) Changes in employment status that result from terminating a self-employment enterprise or resigning from a job at the demand of the employer are not considered as a voluntary quit.

(d) When the household member who voluntarily quit subsequently secures new employment of at least 30 hours per week or weekly earnings equivalent to the federal minimum wage multiplied by 30 hours, the voluntary quit provision does not apply. When the household member is then laid off or through no fault of his or her own loses the new job, the earlier voluntary quit does not form the basis for a disqualification.

(e) A federal, state, or local government employee who participates in a strike against such government and is dismissed from his or her job because of participation in the strike, is considered to have voluntarily quit the job.

340:50-5-92. Good cause determination for voluntary quit or reduction in work effort

When the worker determines a non-exempt adult household member voluntarily quit his or her employment or reduced his or her work effort, the worker must determine if he or she had good cause for doing so. The worker uses information provided by the household member and the employer to determine if the voluntary quit or reduction in work effort is with good cause. Per Section 273.7(i) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.7(i)), good cause for leaving employment or reducing work effort includes:

- (1) discrimination by an employer based on age, race, sex, color, disability, religious beliefs, national origin, or political beliefs;
- (2) work demands or conditions that render continued employment unreasonable, such as working without being paid on schedule;
- (3) an adult household member's acceptance of other employment or enrollment at least half-time in any recognized school, training program, or institution of higher education, that requires the household member to leave employment;
- (4) any other household member's acceptance of other employment or enrollment at least half-time in any recognized school, training program, or institution of higher education in another county or area that requires the household to move and thereby requires another adult household member to leave employment;
- (5) resignations by persons under 60 years of age that are recognized by the employer as retirement;
- (6) employment that becomes unsuitable after the acceptance of such employment because it no longer meets the criteria of suitable employment per 7 C.F.R. § 273.7(h) and Oklahoma Administrative Code 340:50-5-85(c);
- (7) leaving employment after accepting a bona fide employment offer of more than 30 hours a week or in which the weekly earnings are equivalent to the federal minimum wage multiplied by 30 hours because the agreed upon work hours or weekly earnings do not materialize;

(8) leaving a job in connection with employment patterns in which workers frequently move from one employer to another, such as migrant farm labor or construction work. There may be some circumstances where households apply for food benefits between jobs, particularly in cases where work may not yet be available at the new job site. When employment at the new job site has not started, the voluntary quit is considered with good cause when it is part of this employment pattern; or
(9) circumstances beyond the person's control, such as, but not limited to:

- (A) illness;
- (B) illness of another household member requiring the registrant's presence;
- (C) unavailability of transportation;
- (D) lack of adequate child care for children who are between 6 and 12 years of age; or
- (E) a household emergency.

340:50-5-94. Penalty for voluntary quit

When an adult household member quits a job of at least 30 hours a week or the equivalent of the federal minimum wage multiplied by 30 hours or reduces his or her work effort, per Oklahoma Administrative Code (OAC) 340:50-5-89 without good cause, the actions described in this Section are taken, per Section 273.7(j) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.7(j)).

(1) **Applicant household.** When a household member of an applicant household is subject to the voluntary quit provision, the worker does not include the person in the food benefits. The person is disqualified from food benefits for a period of 90-calendar days effective from the date the remaining household members are approved for food benefits, per 7 C.F.R. § 273(j)(3) (vi). When the person subject to voluntary quit is the only member of the applicant household, the worker denies the food benefit application. The person's disqualification period starts effective the date the denial notice issues.

(2) **Participating household.** When the worker determines that a member of a participating household voluntarily quit a job or reduced his or her work effort without good cause after certification, the worker removes the household member from the food benefit or closes a one-person household's food benefits effective the first day of the month following the next advance-

notice effective date, per Appendix B-2, Deadlines for Case Actions, and issues a 10-calendar day advance-notice. The disqualification period runs continuously for three months beginning with the month the adverse action is effective unless the household requests a fair hearing, per (4) of this Section or eligibility is reestablished, per (5) of this Section.

(3) **Households with special circumstances.**

(A) **Voluntary quit or reduction in work effort occurs or is discovered in the last month of certification.**

When a voluntary quit or reduction in work effort occurs or is discovered in the last month of a certification period, the household reapplies for food benefits, and the person subject to a voluntary quit penalty is:

- (i) a one-person household, the worker denies the certification renewal. The person is disqualified for three months beginning the day after the last certification period ends or until eligibility is reestablished, per (5) of this Section; or
- (ii) a member of the household containing other household members, the worker disqualifies the person subject to voluntary quit for three months or until eligibility is reestablished, per (5) of this Section.

(B) **Disqualified person changes households.** Persons disqualified for quitting a job or reducing their work effort carry their disqualification with them when they join a new household.

(C) **Application filed in third month of**

disqualification period. When a one-person household files an application in the third-calendar month of the 90-calendar day or three-month disqualification period and all eligibility criteria are met, the worker denies food benefits for the application month and certifies the household beginning the first day after the disqualification period ends. When a household containing more than one household member files a certification renewal and the new certification period is effective the first day of the last month of the disqualified person's disqualification period, the worker does not include the disqualified person until the disqualification period ends.

(4) **Fair hearings.** Each household has a right to request a fair hearing to appeal a benefit denial, closure, or reduction in food benefits due to a voluntary quit determination. When the participating household's benefits are continued pending a fair hearing and the hearing decision upholds the voluntary quit determination, the disqualification period begins the first month after the hearing decision is rendered.

(5) **Ending a voluntary quit disqualification.** Eligibility may be reestablished during a disqualification period and the household member, when otherwise eligible, may resume participation when the member, who caused the disqualification becomes exempt

from the work registration requirements, per OAC 340:50-5-86.

PART 10. ABLE-BODIED ADULTS WITHOUT DEPENDENTS

340:50-5-100. Able-bodied adult without dependents (ABAWD) work requirements and time limits

(a) **ABAWD work requirements.** Per Section 273.24(a) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.24(a)), an ABAWD meets work requirements when he or she:

(1) works continuously 20 hours or more per week, averaged monthly. Averaged monthly means 80 hours per month. The employment may be paid, in-kind, unpaid, or volunteer work with religious or community organizations;

(2) participates in and complies with the requirements of a work program 20 hours or more per week, averaged monthly. Work programs include:

(A) a program assignment under Title 1 of the Workforce Innovation and Opportunity Act (WIOA), Public Law (P.L.) 113-128;

(B) a program under Section 236 of the Trade Act of 1974, Section 2296 of Title 19 of the United States Code (19 U.S.C. § 2296);

(C) an Oklahoma Supplemental Nutrition Assistance Program Works (OK SNAP Works) assignment, not including job search, supervised job search, or job search training activities. However, job search, supervised job search, or job search training activities, when offered as

part of other program components, are acceptable if those activities comprise less than half the total required time spent in the components; or

(D) any employment and training program that serves veterans operated by the Department of Labor or the Department of Veterans Affairs; or

(3) works and participates in a work program for a total of 20 or more hours per week, averaged monthly; or

(4) meets an exemption from the work requirements per (d) of this Section.

(b) **General rule.** An ABAWD who is a member of an eligible household receiving Supplemental Nutrition Assistance Program (SNAP) food benefits must comply with work requirements per (a) of this Section or be exempt from work requirements per (d) of this Section to be eligible to participate as a member of any food benefit household for more than three countable months, consecutive or otherwise, during any 36-month or three-year period. When the ABAWD meets work requirements per (a) or an exemption per (d) of this Section, he or she is eligible to participate with no time limits. An ABAWD subject to the three-month time limit may also regain eligibility per (e) of this Section.

(1) **Countable months.** Countable months are months when an ABAWD receives SNAP benefits for the full benefit month while not:

(A) exempt from ABAWD work requirements per (d) of this Section;

(B) fulfilling the work requirement per (a) of this Section;

or

(C) receiving benefits that are prorated.

(2) **Countable months in another state.** When there is an indication an ABAWD subject to the time limits received SNAP food benefits in another state in the last 12 months, the worker must verify the number of countable months the person used in the other state per 7 C.F.R. § 273.2(f)(1)(xiv)(B).

(3) **Measuring the three-year or 36-month time period.** Per 7 C.F.R. § 273.24(b)(3), Oklahoma Human Services (OKDHS) uses a 'fixed-individual clock' for each ABAWD subject to time limits. This means the ABAWD clock starts at the initial application for SNAP benefits when the person is not meeting ABAWD work requirements per (a) of this Section. When the person meets ABAWD work requirements at initial application, the clock starts the month the person uses the first countable month per (b)(1) of this Section.

(4) **Worker responsibilities.** It is the worker's responsibility to:

(A) determine the ABAWD status of each household member:

(i) at application, mid-certification renewal, and certification renewal;

(ii) when a new person joins the household during the certification period; and (iii) when reported information indicates a household member lost an exemption or no longer meets the work

requirement;

(B) orally explain the ABAWD rights and responsibilities of each household member during the SNAP application and certification renewal interview, when a new person joins the household during the certification period, and when a household member loses an exemption. The system also generates a written notice to the household. The explanation includes:

- (i) ABAWD work requirements, the household members subject to these requirements, and the ways to fulfill these requirements;
- (ii) exemption and good cause criteria and how to claim an exemption or good cause;
- (iii) the ABAWD's limited benefit eligibility when he or she does not fulfill work requirements;
- (iv) how to maintain eligibility under the ABAWD work requirements, including what the household needs to provide at certification and renewal and what happens when an household member loses an exemption or a person joins the household; and
- (v) how to regain eligibility, per (e) of this Section; and

(C) update the ABAWD status of an adult household member any time he or she loses an exemption or no longer meets the work requirements. The worker must 'look-back' to determine when the ABAWD lost the exemption or stopped meeting the work requirement. The worker closes food benefits for the person when he or she already used his or her countable months for the 36-month period or corrects the ABAWD status to start the ABAWD's clock per (3) of this subsection.

(5) **ABAWD responsibilities.** It is the ABAWD's responsibility to:

(A) verify his or her work or participation hours, a combination of work and participation hours, or exemption status at application, mid-certification renewal, and certification renewal per 7 C.F.R. § 273.2(f)(1) and (f)(8); and

(B) report when his or her work or participation hours or a combination of work and participation hours drop below 20 hours per week or 80 hours per month within 10-calendar days of the month the hours dropped.

(i) When the ABAWD reports his or her work or participation hours or a combination of work and participation hours dropped below 20 hours per week, the worker determines if the ABAWD is eligible for three countable months. When the ABAWD is:

(I) eligible for three countable months, the worker tracks the months to determine when to close benefits for the ABAWD if he

or she does not regain eligibility per (e) of this Section; or
(II) not eligible because he or she received three countable months within the three-year period, the worker closes food benefits for the ABAWD.

(ii) When an ABAWD subject to time limits received SNAP food benefits in error within the most recent three-year period, the benefits are considered as countable months unless the ABAWD pays the benefits back in full per 7 C.F.R. § 273.24(b)(5).

(c) Good cause for failure to meet the ABAWD work requirement.

When an ABAWD would have fulfilled the work requirement, per (a) of this Section, but missed some hours for good cause, the ABAWD meets the work requirement if the absence is temporary. Per 7 C.F.R. § 273.24(b)(2), good cause includes circumstances beyond the person's control, such as, but not limited to:

- (1) illness;
- (2) illness of another household member requiring the presence of the ABAWD;
- (3) unavailability of transportation; or
- (4) a household emergency.

(d) Exemptions from the ABAWD work requirement. Per 7 C.F.R. § 273.24(c), a person is exempt from ABAWD work requirement and eligible to participate without time limits, when the person is:

- (1) younger than 18 years of age or:
 - (A) 50 years of age and older before September 1, 2023;
 - (B) 51 years of age and older from September 1, 2023, through September 30, 2023;
 - (C) 53 years of age or older on or after October 1, 2023; or
 - (D) 55 years of age or older on or after October 1, 2024.
- (2) medically-certified as physically or mentally unfit for employment. A person is medically-certified as physically or mentally unfit for employment when he or she:
 - (A) receives permanent or temporary disability benefits issued by governmental or private sources;
 - (B) is obviously mentally or physically unfit for employment. When it is not obvious that he or she is unfit, the person must provide documented evidence from medically-qualified sources to substantiate the medical exemption.

(i) Medically-qualified sources may include, but are not limited to, a:

- (I) licensed or certified psychologist, therapist, counselor, or social worker;
- (II) physician or physician's assistant;
- (III) nurse or nurse practitioner; or
- (IV) designated representatives of a physician's office.

(ii) The documented evidence must indicate the person has a physical or mental condition that

limits the person's ability to work.

(iii) When the medical exemption is temporary, the person is required to comply with work requirements when released by a medically qualified source to return to work;

(3) homeless, per 7 C.F.R. § 271.2 and Oklahoma Administrative Code (OAC) 340:50-5-29(b);

(4) pregnant;

(5) a veteran, per Section 5126(f)(13)(F) of the James M. Inhofe National Authorization Act of 2023, P.L. 117-263. This definition includes a person who:

(A) served in the United States Armed Forces, such as Army, Air Force, Coast Guard, Marine Corps, National Guard, and Navy;

(B) served in an active duty or reserve component; and

(C) was discharged or released regardless of the conditions of the discharge or release. The discharge may be honorable, general, other than honorable, bad conduct, dishonorable, office, medical, or entry-level separation; and

(6) a parent, natural, adoptive, or step, of a household member younger than 18 years of age, even when the minor child is not eligible for food benefits;

(7) an adult residing in a household with a household member younger than 18 years of age and included in the food benefit household, even when the minor child is not eligible for food benefits;

(8) a person 24 years of age or younger who was in foster care program run by a state, district, territory, or Indian tribal organization when the person turned 18, or a higher age the state has chosen, per 42 U.S.C. § 675(8)(B)(iii); or

(9) otherwise exempt from work requirements per 7 C.F.R. § 273.7(b) and OAC 340:50-5-86.

(e) **Persons who regain eligibility.** Persons whose food benefits were denied or closed because they received three countable months of food benefits may regain eligibility by meeting work requirements per (a) of this Section for 30-consecutive days.

(1) **Regained eligibility by meeting work requirements.**

When a person regains eligibility, he or she maintains food benefit eligibility without time limits provided he or she continues to meet work requirements per (a) of this Section. Per 7 C.F.R. § 273.24(d)(3), there is no limit to how many times a person may regain eligibility by meeting work requirements. The person's food benefits are prorated from the application date. When the person applies before meeting work requirements for 30-consecutive days, the application is denied.

(2) **Regained eligibility and then stopped meeting work requirements.**

When a person regains eligibility and then stops meeting work requirements, he or she is eligible for SNAP food benefits for three-consecutive countable months only. The person may only receive the additional three-countable months once

during the 36-month period. After receiving these three-consecutive months, the person is not eligible for SNAP food benefits in his or her 36-month time period unless he or she regains eligibility by meeting the work rule or becomes exempt per (d) of this Section.

(f) **ABAWD work requirement waiver prohibition.** Per 7 C.F.R. § 273.24(f), states are allowed to request an ABAWD work requirement waiver in certain instances. Effective October 1, 2013, Section 241.3 of Title 56 of the Oklahoma Statutes prohibits OKDHS from requesting an ABAWD work requirement waiver from the United States Department of Agriculture.

340:50-5-101. Exemption to Able-Bodied Adult Without Dependents (ABAWD) Work Requirements

Per Section 273.24(g) of Title 7 of the Code of Federal Regulations , Oklahoma Human Services (OKDHS) may provide an exemption from the three-countable months during any 36-month period rule for ABAWDs, per Oklahoma Administrative Code (OAC) 340:50-5-100(b), for up to eight percent of eligible ABAWDs per federal fiscal year.

(1) **Eligible ABAWD.** An eligible ABAWD is a food benefit recipient or applicant denied eligibility solely because he or she received three-countable months during the current 36-month period. This includes an ABAWD, who is not:

(A) exempt from ABAWD work requirements, per OAC 340:50-5-100(d);

(B) fulfilling work requirements, per OAC 340:50-5-100(a);
or

(C) receiving Supplemental Nutrition Assistance Program food benefits because he or she regained eligibility for three-consecutive months, per OAC 340:50-5-100(e)(2).

(2) **Tracking.** OKDHS tracks the number of exemptions used each month and reports the information to the United States Department of Agriculture Food and Nutrition Services regional office on a quarterly basis.

(3) **Eight percent exemption.** OKDHS uses the allowable eight percent exemptions to extend food benefit eligibility to all ABAWDs whose eligibility OKDHS extended more than three-countable months in error. Each exemption covers one month issued in error.

PART 11. OKLAHOMA SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM WORKS (OK SNAP WORKS)

340:50-5-106. Oklahoma Supplemental Nutrition Assistance Program Works (OK SNAP WORKS)

Oklahoma Human Services (OKDHS) operates a voluntary employment and training program, OK SNAP Works, per Section 273.7(e)(5) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.7(e)(5)).

OK SNAP Works assists food benefit recipients, especially able-bodied adults without dependents (ABAWD), become involved in meaningful, work-related activities that lead to paid employment and enable them to achieve or maintain economic self-support.

(1) **Participant information.** OK SNAP Works is available to ABAWD and non-ABAWD participants age 16 or older who receive SNAP benefits, do not receive Temporary Assistance for Needy Families, and live in an area served by an OKDHS contracted service provider.

(2) **Worker responsibilities for OK SNAP Works information, screening and referral.** It is the worker's responsibility to:

- (A) inform the applicant or recipient that participation in OK SNAP Works is voluntary;
- (B) ask if any household member age 16 or older wants to voluntarily participate in OK SNAP Works regardless of ABAWD status;
- (C) screen and, if appropriate, refer:
 - (i) non-exempt ABAWDs who are not complying with ABAWD work requirements, per Oklahoma Administrative Code (OAC) 340:50-5-100; and
 - (ii) other SNAP recipients who express an interest in participating in OK SNAP Works.

(3) **Intake and case management services.** The OK SNAP Works coordinator sends a referral to the contracted service provider to initiate the intake process and case management services.

- (A) Case management services and activities must be provided to all participants and must directly support their participation in OK SNAP Works. Case management services may include, but are not limited to:
 - (i) comprehensive intake assessments;
 - (ii) individualized service plans;
 - (iii) progress monitoring; and
 - (iv) coordination with service providers.
- (B) After receiving a referral, the provider's staff schedules referred participants for an orientation and comprehensive assessment.
- (C) Following orientation and assessment, each participant has an assessment interview to explore the participant's:
 - (i) employment and training needs and barriers;
 - (ii) communication and employment-related skills;
 - (iii) education and employment history; and
 - (iv) career interests.
- (D) The provider enrolls each participant in at least one component, per (4) of this Section, and continues to

provide case management services to address employment barriers.

(4) **OK SNAP Works component assignments.** OK SNAP Works components include supervised job search, job search training, educational services, vocational training, Workfare for non-exempt ABAWDs only, work experience, and job retention services.

(A) **Supervised job search component.** Supervised job search is a component that provides structured activities to help participants seek and obtain suitable employment. These activities occur at approved locations where the participant is supervised and timeliness is tracked, per 7 C.F.R. § 273.7(e)(2)(i).

(B) **Job search training component.** Job search training is a component that enhances the participant's job readiness and may include employability assessment, training in techniques to increase employability, job placement services, or other direct training or support activities, per 7 C.F.R. § 273.7(e)(2)(ii).

(C) **Educational services component.** A participant is placed in an educational services component when the participant:

- (i) does not have a high school diploma or equivalency certificate;
- (ii) has literacy issues; or
- (iii) needs to learn or improve English language skills.

(D) **Vocational training component.** Participants may receive vocational training when assessments indicate training is needed to enhance employability or when industry-specific training is needed as part of a job placement program.

(E) **Workfare component.** Workfare is a work component only available to non-exempt ABAWDs. Participants work in a public service or a private, non-profit agency to obtain skills necessary to enhance employability or develop skills required for job placement.

(F) **Work experience.** The work experience component is designed to improve participant employability through actual work experience and training. The goal of work experience is to enable participants to move into regular employment. Work experience is a planned, structured learning experience that takes place in a workplace for a limited time period. A work experience program may include a work activity or a work-based learning program.

- (i) A work activity gives the participant the opportunity to acquire the general skills, knowledge, and work habits necessary to obtain employment.
- (ii) A work-based learning program may include internships, pre-apprenticeships, apprenticeships,

customized training, transitional jobs, incumbent worker training, and on-the job training as defined by the Workforce Innovation and Opportunity Act.

(G) Job retention component. The job retention component helps participants who secured employment after or while receiving OK SNAP Works services to achieve satisfactory performance, retain employment, and increase earnings over time. A participant may receive case management, job coaching, dependent care assistance, and transportation assistance, per 7 C.F.R. § 273.7(e)(2)(viii). This component must last for at least 30-calendar days but no more than 90-calendar days. There is no limit to the number of times a person may receive job retention services as long as the person re-engages with OK SNAP Works prior to obtaining new employment.

(5) Supportive services. Supportive services are provided to a participant when necessary and directly related to the participant's ability to participate in the assigned OK SNAP Works component. OKDHS authorizes payments for supportive services that may include, but are not limited to, covering the cost of:

(A) child care under special circumstances. When child care is needed after assessment, the contracted service provider assists the client in completing a child care application. The application is sent to the OK SNAP Works coordinator to determine eligibility, per OAC 340:40;

(B) clothing;

(C) uniforms;

(D) tools;

(E) personal safety items;

(F) books or training manuals;

(G) transportation, such as bus tickets, public transportation passes, taxi cabs, sharing rides, or gas vouchers; or

(H) other equipment deemed necessary for participation.

(6) Contracted service provider responsibility. The contracted service provider tracks participation and informs the OK SNAP Works coordinator of all potential participants' participation status, outcome performance measures, and when the provider determines that an assigned component is ill-suited for potential participant.

(A) When a potential participant fails to participate in OK SNAP Works following a referral or the provider determines that a potential participant is ill-suited for a component, contracted staff notifies the OK SNAP Works coordinator within 10-calendar days of the non-participation or the provider determination. In a provider determination notification, the contracted provider must include the former participant's name, case number, and reason for the provider determination and may offer input on the most appropriate next step for the participant.

(B) When the contracted provider finds a component is ill-suited for a participant, but determines the participant may be suitable for another component the provider offers, the provider may switch the participant to the suitable component. The provider informs the OK SNAP Works coordinator of the new component without the need for the coordinator to act further on the provider determination.

(7) **OK SNAP Works coordinator responsibilities.** The OK SNAP Works coordinator:

- (A) monitors the contracted service provider's performance in operating the OK SNAP Works Program;
- (B) initiates provider referrals;
- (C) determines participants' child care subsidy eligibility;
- (D) at the household or worker's request, OK SNAP coordinator provides verification of a participant's monthly hours spent in the program ; and
- (E) upon receipt of a provider determination, reviews the reason for, and notifies field staff about, the provider's determination.

(8) **Worker responsibilities for provider determinations.** A provider determination occurs when a service provider concludes the assigned component is ill-suited for a participant.

(A) Within 10-calendar days of when the contracted service provider notifies OKDHS, the worker must inform the former OK SNAP Works participant of (i) through (vii) of this subparagraph and document the exchange in case notes.

- (i) A provider determination concluded the component is ill-suited for the assigned OK SNAP Works participant.
- (ii) The former participant's OK SNAP Works assignment has ended.
- (iii) The former participant may immediately pursue the options in (B) of this paragraph.
- (iv) OKDHS will pursue the steps in (B) of this paragraph at the certification renewal when the former participant declines to pursue these options immediately.
- (v) When the former participant is an ABAWD, per OAC 340:50-5-100, the former participant starts accruing countable months towards the three-month participation time limit. The countable months begin with the next full month following the notification month, unless the participant:
 - (I) fulfills the work requirement, per OAC 340:50-5-100(a);
 - (II) has good cause, per OAC 340:50-5-100(c); or
 - (III) is otherwise exempt from the ABAWD requirements, per OAC 340:50-5-100(d).

- (vi) The worker provides contact information the former participant may use to reach OKDHS.
- (vii) The provider determination does not cause an OK SNAP Works sanction.

(B) In response to a provider determination, the worker takes the most suitable action from options (i) through (iii) of this subparagraph as soon as possible when the former participant requests, but no later than the next certification renewal. The worker:

- (i) reassesses whether the former participant is physically and mentally capable of participating, per OAC 340:50-5-86(4);
- (ii) refers the former participant back to OK SNAP Works, per (C) of paragraph (1) as long as the former participant is physically and mentally capable, per OAC 340:50-5-86(4); or
- (iii) identifies work opportunities or assistance for the participant by coordinating with other federal, state, and local workforce or assistance programs.

SUBCHAPTER 7. FINANCIAL ELIGIBILITY CRITERIA

PART 1. RESOURCES

340:50-7-1. Resources considered

(a) **Resources.** Resources are excluded in determining eligibility for the Supplemental Nutrition Assistance Program (SNAP) for categorically eligible households, per Section 273.2(j)(2) of Title 7 of the Code of Federal Regulations (7 § C.F.R. 273.2(j)(2)) and Oklahoma Administrative Code (OAC) 340:50-11-111 through 340:50-11-115. Resources must be considered in determining SNAP eligibility for households that:

- (1) contain one or more sponsored aliens whose sponsor's resources must be deemed to the sponsored alien, per OAC 340:50-5-49; or
- (2) cannot be classified as a categorically eligible household, per OAC 340:50-7-6 and 340:50-11-111(d). This includes households whose SNAP benefit closed due to substantial lottery or gambling winnings, per (b) of this Section, the first time they reapply.

(b) **Substantial lottery or gambling winners.** Per 7 C.F.R. § 273.11(r), substantial lottery or gambling winnings are defined as a cash prize won in a single game, before taxes or other amounts are withheld, that is equal to, or greater than, the SNAP disqualification resource standard for lottery or gambling winners, per Oklahoma Human Services (OKDHS) Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions.

(1) When multiple persons shared in the purchase of a ticket, hand, or similar bet, only the portion of the winnings allocated to the SNAP household member is counted in determining resource eligibility.

(2) A household that participates in SNAP in the month it receives substantial lottery or gambling winnings must provide verification of the winnings from the appropriate lottery commission or gaming facility, when available, within 10-calendar days of being given or sent Form 08AD092E, Client Contact and Information Request. When the household fails to provide proof of the amount of the winnings and date received, the worker closes the SNAP food benefit for the next advance notice effective date, per OKDHS Appendix B-2, Deadlines for Case Actions.

(3) When the household's winnings exceed the SNAP disqualification resource standard for lottery or gambling winners, the household is disqualified and the worker closes the SNAP food benefit for the next advance notice effective date, per OKDHS Appendix B-2. Refer to OAC 340:50-9-5(j) for more information on required actions.

(4) To regain resource eligibility, the household must reapply, meet non-categorical resource requirements, per 7 C.F.R. § 273.8 and OAC 340:50-7-6, and verify the winnings are spent down below the appropriate resource standard, per Appendix C-3. Once the household meets non-categorical resource requirements and is certified, it regains categorical eligibility for future applications and renewals unless (a)(1) or (2) of this Section applies.

(c) **Sponsored aliens.** A household containing a sponsored alien must verify the value of liquid and non-liquid resources for their household and the alien's sponsor and sponsor's spouse, per OAC 340:50-5-49 and OAC 340:50-7-6. After subtracting \$1,500 from countable resources, the household's countable resources must not exceed the appropriate resource standard for sponsored aliens, per Appendix C-3.

(d) **Expedited services.** When the household applies for food benefits, it must declare the value of liquid resources available to the household. The worker accepts the household's statement regarding the value of liquid resources to determine expedited services eligibility, per OAC 340:50-11-1. Liquid resources include:

- (1) cash on hand;
- (2) checking or savings account balances;
- (3) the cash value of savings certificates; and
- (4) the cash value of stocks or bonds.

340:50-7-6. Sponsored alien and non-categorically eligible resource requirements

(a) **Resource consideration.** Resources must be considered in determining Supplemental Nutrition Assistance Program (SNAP) food benefit eligibility for households that:

- (1) contain one or more sponsored aliens whose sponsor's resources must be deemed to the sponsored alien, per Section 274.3(c) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.4(c)) and Oklahoma Administrative Code (OAC) 340:50-5-49; and
- (2) cannot be classified as a categorically eligible household, per 7 C.F.R. § 273.2(j)(2)(vii) and OAC 340:50-11-111(d). Non-categorically eligible households include households:
 - (A) that reapply for SNAP food benefits the first time following closure due to substantial lottery or gambling winnings, per OAC 340:50-7-1;
 - (B) that include a member who is disqualified for an intentional program violation, per 7 C.F.R. § 273.16 and OAC 340:50-15-25;
 - (C) that include a member who is ineligible for being a fleeing felon or probation violator, per 7 C.F.R. § 273.11(n) and OAC 340:50-5-10.1;
 - (D) that include a household member who is disqualified for being convicted of certain crimes as an adult after February 7, 2014, and is not in compliance with the terms of the sentence or the restrictions under 7 C.F.R. § 273.11(n), per 7 C.F.R. § 273.11(s); or

(E) whose head of household is disqualified for failing to comply with work requirements, per OAC 340:50-5-85 through 340:50-5-89. Refer to OAC 340:50-3-1(b)(2) for head of household information.

(b) Countable resources. When a household meets one of the criteria, per (a) of this Section, it must verify the value of non-excluded resources owned by a household member(s) and meet the appropriate non-categorically eligible resource standard, per Oklahoma Department of Human Services (OKDHS) Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions. Countable resources include liquid and non-liquid resources per (1) and (2) of this subsection.

(1) Liquid resources include, but are not limited to:

- (A) cash on hand;
- (B) money in checking or savings accounts;
- (C) savings certificates;
- (D) stocks or bonds; and
- (E) lump sum payments, such as lottery or gambling winnings.

(2) The equity value of non-liquid resources is considered unless the resource is excluded per (c) of this Section or is a licensed vehicle excluded from the equity test per (E) of this paragraph. The equity value is the fair market value less encumbrances. Non-liquid resources include, but are not limited to:

- (A) personal property;
- (B) boats;
- (C) buildings, land, or other property that are not excluded, per (c) of this Section;
- (D) mobile homes other than home property; and
- (E) licensed and unlicensed vehicles that are not excluded, per (c)(3) of this Section and 7 C.F.R. § 273.8(e)(3) and (f) (2). For non-excluded licensed vehicles, the fair market value over \$4,650, regardless of any encumbrances on the vehicle, counts as a resource.

(i) Vehicles excluded from the equity test but not the fair market value test include one licensed vehicle per adult household member, ineligible alien, or disqualified household member, and any other vehicle used by a household member younger than 18 years of age to drive to work, school, training, or to look for work.

(ii) The worker determines the equity value of non-excluded unlicensed and licensed vehicles, unless exempted from the equity test, per (i) of this paragraph.

(iii) When the vehicle has a fair market value of over \$4,650 and an equity value, the worker counts the greater of the two amounts as a resource.

(c) Resource exclusions. Resource exclusions include:

- (1) the home and surrounding property that is not separated from the home by intervening property owned by others;

- (2) household goods, personal effects, the cash value of life insurance policies, one burial plot and the value of one funeral agreement per household member, and the cash value of pension or retirement plans or funds;
- (3) licensed vehicles that:
 - (A) are used for income-producing purposes, such as a taxi, fishing boat, or delivery vehicle or are required by the terms of employment;
 - (B) annually produce income consistent with their fair market value;
 - (C) are needed for long-distance travel for work, other than daily commuting;
 - (D) are used as the household's home;
 - (E) are necessary to transport a physically disabled household member or disqualified member regardless of the transportation's purpose;
 - (F) are needed to carry most of the household's fuel for heating or water for home use; or
 - (G) would sell for less than \$1,500;
- (4) property that annually produces income consistent with its fair market value, such as rental homes or vacation homes;
- (5) property that is essential to the employment or self-employment of a household member, such as farm land or work-related equipment;
- (6) installment contracts for the sale of land or buildings when the contract or agreement produces income consistent with its fair market value;
- (7) government payments designated to restore a home damaged in a disaster;
- (8) resources with a cash value that is not accessible to the household, such as irrevocable trust funds, security deposits on rental property, property in probate, and real property that the household is making a good faith effort to sell;
- (9) resources that are prorated as income, such as for self-employed persons;
- (10) Indian lands held jointly by the tribe or land that can only be sold with the Bureau of Indian Affairs approval;
- (11) resources excluded by federal statute;
- (12) federal, state, or local earned income tax credits received by any household member are excluded for 12 months, provided the household received SNAP benefits at the time of receipt and continuously received SNAP food benefits during the 12-month period. When the household was not receiving SNAP benefits during the month the federal earned income tax credit was received, it is excluded for the month of receipt and the following month;
- (13) where a resource exclusion applies for a household member, it also applies for an ineligible alien or disqualified person whose resources are counted as part of the household's resources;
- (14) energy assistance payments or allowances excluded as income;

- (15) non-liquid assets against which a lien is placed for a business loan when the household is prohibited from selling the assets;
- (16) property, real or personal, to the extent it is directly related to the maintenance or use of a vehicle excluded per (C) of this subsection;
- (17) resources of a household member who receives Supplemental Security Income, State Supplemental Payment, or Temporary Assistance for Needy Families; and
- (18) funds in a qualified tuition program, per Section 529 of the Internal Revenue Code; a Coverdell education savings account, per Section 530 of the Internal Revenue Code; and any other education savings account Food and Nutrition Services determines to be excludable.

(d) **Transfer of resources.** At application, the worker asks the household if a household member, an ineligible alien, or a disqualified person whose resources are considered available to the household transferred non-exempt resources within the three-month period immediately preceding the application date. Households that transfer resources for the purpose of qualifying or attempting to qualify for SNAP food benefits are disqualified from SNAP participation for up to one year from the discovery of the transfer. This includes when the household transfers all or some of its substantial lottery or gambling winnings to a non-household member for this purpose. The length of the disqualification period is determined based on the amount by which the transferred resources, when added to other countable resources, exceeds the allowable non-categorical resource standard per Appendix C-3. When the amount of transferred resources equals:

- (1) \$0 to 249.99, the disqualification period is one month;
 - (2) \$250 to 999.99, the disqualification period is three months;
 - (3) \$1,000 to 2999.99, the disqualification period is six months;
 - (4) \$3,000 to 4,999.99, the disqualification period is nine months;
- or
- (5) \$5,000 or more, the disqualification period is 12 months.

(e) **Substantial lottery and gambling winners.** A household whose SNAP benefits closed due to substantial lottery or gambling winnings is only required to meet the resource requirements of this Section the first time it reapplies for SNAP and is certified. When the household reapplies, it must verify the substantial lottery or gambling winnings are spent down and its countable resources are below the appropriate resource standard, per OKDHS Appendix C-3. Once the household meets non-categorical resource requirements and is certified, it regains categorical eligibility for future applications and renewals unless (a)(1) or (2)(B) through (E) of this Section applies.

(f) **Sponsored alien resources.** When a sponsor's resources must be considered, the worker subtracts \$1,500 from the sponsored alien's countable resources before determining if the countable resources exceed the resource standard for sponsored alien households, per Oklahoma Human Services Appendix C-3.

340:50-7-22. Income exclusions

The worker excludes income listed in this Section from the household's countable income, from income of disqualified members whose income is counted, and from the income of ineligible aliens who would otherwise be household members, per Section 273.9 of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.9). No other income is excluded.

(1) **In-kind income.** In-kind income is any gain or benefit that is not in the form of money payable directly to the household, including meals, clothing, housing, or produce from a garden.

(2) **Vendor payments.** Vendor payments are money payments made on behalf of a household by a person or organization outside of the household directly to the household's creditors or to a person or organization providing a service to the household. When funds owed to the household are diverted to pay to a third party for a household expense, they are counted as income.

(3) **Educational assistance.** Educational assistance including grants, work-study, scholarships, fellowships, educational loans on which payment is deferred, veteran's education benefits, and the like are exempt.

(4) **Family Support Assistance Payment Program.** Family Support Assistance Payment Program payments provided by Oklahoma Human Services (OKDHS) Developmental Disabilities Services (DDS) are excluded.

(5) **Income excluded by law.** Any income that is specifically excluded by law from consideration as income for the purpose of determining Supplemental Nutrition Assistance Program (SNAP) eligibility is excluded. This includes, but may not be limited to:

(A) reimbursements from the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Public Law (P.L.) 91-646, § 216. Such payments are:

- (i) payments to persons displaced due to the acquisition of real property;
- (ii) relocation payments to a displaced home owner toward the purchase of a replacement dwelling when the owner purchased and occupied the dwelling within one year following displacement;

and

(iii) replacement housing payments to displaced persons not eligible for a home owner's payment;

(B) payments received:

(i) under the Alaska Native Claims Settlement Act, P.L. 92-203 § 21(a);

(ii) under the Sac and Fox Indian Claims Agreement, P.L. 94-189;

(iii) from the disposition of funds to the Grand River Band of Ottawa Indians, P.L. 94-540;

(iv) from the Indian Claims Commission to the Confederated Tribes and Bands of the Yakima Indian Nation or the Apache Tribe of the Mescalero Reservation, P.L. 95-433;

(v) under the Maine Indian Claims Settlement Act of 1980 to members of the Passamaquoddy and the Penobscot Nation, P.L. 96-420 § 5;

(vi) by an individual as a lump sum or a periodic payment via the Cobell settlement, per the Claims Resolution Act of 2010, P.L. 111-291 § 101(f)(2); or

(vii) by members of the Navajo and Hopi Tribes for relocation assistance, per P.L. 93-531;

(C) any payment to volunteers under:

(i) Title I of the Domestic Volunteer Services Act (DVSA) of 1973, Section 404 of Public Law 93-113 as amended, (42 U.S.C. § 5044(f)(1)), for participation in programs, such as AmeriCorps Volunteers in Service to America (VISTA) or Special Volunteer Programs when the person receives SNAP or public assistance benefits at the time they join the Title I program. Temporary interruptions in SNAP participation do not alter the exclusion.

When the person joined the Title I program and started receiving volunteer payments before applying for SNAP or public assistance, the volunteer payments are counted as earned income; or

(ii) Title II of the DVSA, 42 U.S.C. § 5058, for participation in programs, such as the Retired and Senior Volunteer Program, the Foster Grandparent Program, and the Senior Companion Program;

(D) income derived from certain submarginal land of the United States (U.S.) held in trust for certain Indian tribes, per P.L. 94-114 § 6;

(E) Indian per capita payments distributed from judgment awards and trust funds made, per Section 2 of P.L. 98-64, 25 U.S.C. § 117b and 25 U.S.C. § 1407. For purposes of this paragraph, per capita is defined as each tribal member receiving an equal amount. Also excluded is any interest or investment income accrued on such funds while held in trust or any purchases made with judgment funds, trust

funds, interest, or investment income accrued on such funds. Any interest or income derived from the funds after distribution is considered as other income. The per capita exclusion applies per person rather than per family;

(F) income up to \$2,000 per calendar year received by individual Indians, derived from leases or other uses of individually-owned trust or restricted lands. The income exclusion applies to calendar years beginning January 1, 1994. Remaining disbursements from the trust or restricted lands are considered income;

(G) allowances, stipends, earnings, compensation in lieu of wages, grants, and other payments made for participation in the Workforce Innovation and Opportunity Act (WIOA) of 2014, or other federally-funded workforce training program to persons of all ages and student status with the exception of income paid to persons 19 years of age and older for on-the-job training, per Oklahoma Administrative Code (OAC) 340:50-7-29(b)(5). This income is treated as any other earned income;

(H) payments, allowances, or earnings to persons participating in the AmeriCorps State and National program or the AmeriCorps National Civilian Community Corps authorized by the National and Community Service Act of 1990, 42 U.S.C. § 12637(d), and other payments to volunteers authorized by the National and Community Service Trust Act of 1993, P. L. 103-82, Section 12571 et seq. of Title 42 of the United States Code, and administered by the Corporation for National and Community Service;

(I) payments or allowances made under any federal law other than Part A of Title IV of the Social Security Act, 42 U.S.C. §§ 601 et seq., for the purpose of providing energy assistance, including utility reimbursements made by the Department of Housing and Urban Development (HUD) and the Rural Housing Service. Also a one-time payment or allowance made under a federal or state law for the costs of weatherization or emergency repair or replacement of an unsafe or inoperative furnace or other heating or cooling device;

(J) the amount of the mandatory salary reduction of military service personnel used to fund the G.I. Bill;

(K) benefits from State and Community Programs on Aging, per Title III and Title V of the Older Americans Act of 1965, as amended, by P.L. 114-144, Older Americans Act Reauthorization Act of 2016. Each state and various organizations receive Title V funds. These organizations include:

- (i) Experience Works;
- (ii) National Council on Aging;
- (iii) National Council of Senior Citizens;

- (iv) American Association of Retired Persons (AARP) Foundation;
- (v) U.S. Forest Service;
- (vi) National Association for Spanish Speaking Elderly;
- (vii) National Urban League;
- (viii) National Council on Black Aging;
- (ix) National Council on Indian Aging;
- (x) Asociación Nacional Pro Personas Mayores;
- (xi) Associates for Training and Development, Inc.;
- (xii) American Samoa;
- (xiii) Easter Seals, Inc.;
- (xiv) Goodwill Industries International, Inc.;
- (xv) Institute for Indian Development;
- (xvi) National Able Network;
- (xvii) National Asian Pacific Center on Aging;
- (xviii) National Caucus and Center on Black Aged, Inc.;
- (xix) National Older Worker Career Center;
- (xx) Operation A.B.L.E. of Greater Boston, Inc.;
- (xxi) Senior Service America, Inc.;
- (xxii) SER-Jobs for Progress National, Inc.;
- (xxiii) Workplace, Inc.; and
- (xxiv) VANTAGE Aging;

(L) Earned Income Tax Credit (EITC) payments received as part of a tax refund and also EITC advance payments received as part of a paycheck, per P.L. 100-435 and refunds of the state EITC as a result of filing a state income tax return;

(M) any payment made to an Oklahoma Supplemental Nutrition Assistance Program Works participant, per OAC 340:50-5-106, in order to participate in the program;

(N) payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in the In Re Agent Orange product liability litigation, M.D.L. No. 381 (E.D.N.Y.);

(O) payments received under the Civil Liberties Act of 1988. These payments are made to persons of Japanese ancestry whose ancestors were detained in internment camps during World War II;

(P) payments made from the Radiation Exposure Compensation Trust Fund as compensation for injuries or deaths resulting from the exposure to radiation from nuclear testing and uranium mining under P.L. 101-426;

(Q) payments received by an SSI recipient necessary for the fulfillment of a Plan for Achieving Self-Support (PASS) approved under Section 1612(b)(4)(A)(iii) or 1612(b)(4)(B)(iv) of the Social Security Act;

(R) payments made to persons who were victims of Nazi persecution under P.L. 103-286;

(S) funds distributed by the Federal Emergency Management Agency (FEMA) due to a disaster or an emergency to persons directly affected by the event, per the Robert T. Stafford Disaster Relief and Emergency Assistance Act, P.L. 93-288 as amended, 42 U.S.C. § 5155(d). This exclusion also applies to comparable disaster assistance provided by states, local governments, and disaster assistance organizations. For payments to be excluded, the disaster or emergency must be declared by the U.S. President;

(T) monetary allowances, 38 U.S.C. § 1823(c), provided to certain persons who are children of Vietnam War veterans;

(U) Disaster Unemployment Assistance paid to persons unemployed as a result of a major disaster under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, P.L. 93-288 as amended, 42 U.S.C. § 5177;

(V) benefits paid to certain veterans and the spouses of veterans who served in the military of the Government of the Commonwealth of the Philippines during World War II by the Filipino Veterans Equity Compensation Fund under Section 1002(g) of PL 111-5;

(W) money deposited into or withdrawn from a qualified Oklahoma Achieving a Better Life Experience (ABLE) Program account or an ABLE account in any other state owned by the designated beneficiary of the account and established to pay for qualified disability expenses (QDE) is excluded from income or resource consideration, per Sections 4001.1 through 4001.5 of Title 56 of the Oklahoma Statutes and the ABLE Act of 2014, 26 U.S.C. § 529A. A person may have only one ABLE account.

(i) The client must provide documents to verify the account meets exemption criteria before the funds are excluded. Once the client verifies that the savings or trust account is a valid ABLE account, no further account information is required.

(ii) A contribution to an ABLE account by another individual is excluded unless the contribution exceeds the annual federal gift tax exclusion amount, per 26 U.S.C. § 2503(b). Any money deposited in the account in the calendar year in excess of the annual federal gift tax exclusion amount is considered as a resource in the amount deposited.

(iii) A distribution from an ABLE account that is retained after the month of receipt is excluded in any month when spent on a QDE. Money withdrawn for reasons other than to pay a QDE is considered as a resource for the month of withdrawal.

(iv) A QDE is any expense related to the blindness or disability of the individual and made for the

benefit of the individual. QDE's include, but are not limited to:

- (I) education;
- (II) housing;
- (III) transportation;
- (IV) employment, training, and support;
- (V) assistive technology;
- (VI) health;
- (VII) prevention and wellness;
- (VIII) financial management and administrative services;
- (IX) legal fees;
- (X) expenses for ABLE account oversight and monitoring;
- (XI) funeral and burial; and
- (XII) basic living expenses; and

(X) is income received by a member of the U.S. Armed Forces, per 37 U.S.C. Chapter 5 and, per 7 C.F.R. § 273.9(c)(20), that is:

- (i) received in addition to the service member's basic pay during combat deployment;
- (ii) received as a result of the service member's deployment or service in an area designated as a combat zone as determined pursuant to Executive Order or P.L.; and
- (iii) not received by the service member prior to the service member's deployment to or service in a federally designated combat zone.

(6) Payments not considered income.

(A) The payments in (i) through (iii) of this subparagraph are not considered as income.

- (i) Monies withheld from any income source to repay a prior overpayment from that same source.
- (ii) Monies voluntarily or involuntarily returned to repay a prior overpayment received from that same income source.
- (iii) Child support payments received by Temporary Assistance for Needy Families (TANF) recipients and sent to Child Support Services to maintain TANF eligibility.

(B) Monies withheld or returned to repay overpayments in federal, state, or local means-tested assistance programs are counted when they are withheld or returned to repay overpayments resulting from an intentional program violation as established by the agency administering the program.

- (i) SNAP uses the term intentional program violation.
- (ii) The State Supplemental Payment to the Aged, Blind, and Disabled and TANF programs define intentional program violation using the terms

restitution, fraud, and willful misrepresentation.
(iii) The Social Security Administration (SSA) and Veterans Benefits Administration programs define intentional program violation as fraud.
Supplemental Security Income (SSI) is a means-tested program within SSA.

(7) Reimbursements.

(A) Reimbursements for past or future expenses to the extent they do not exceed actual expenses and do not represent a gain or benefit to the household are not considered. Examples of excluded reimbursements may include:

- (i) job or training-related expenses, such as travel, per diem, uniforms, and transportation to and from job or training sites;
- (ii) out-of-pocket expenses incurred by volunteers in the course of work;
- (iii) medical or dependent care;
- (iv) services provided by Title XX of the Social Security Act;
- (v) an allowance provided by a state agency for children's clothing to enter or return to school when it is provided no more frequently than annually; and
- (vi) expenses necessary to participate in an education program under an employment and training program.

(B) Reimbursements for normal living expenses, such as rent or mortgage, personal clothing, or food eaten at home are a gain or benefit and are not excluded. To be excluded, payments must be provided for an identified expense, other than normal living expenses, and used for the intended purpose.

(C) When a reimbursement including a flat allowance, covers multiple expenses, each expense does not have to be separately identified as long as none of the reimbursement covers normal living expenses. The reimbursement amount that exceeds the actual incurred expenses is counted as income. A reimbursement is not considered to exceed actual expenses unless the provider or household indicates the amount is excessive.

(D) The worker excludes any amount the employer adds to the employee's gross income as a benefit allowance to pay for a reimbursable expense, such as insurance or dependent care. When the monthly benefit allowance exceeds the monthly expense and the employer:

- (i) includes the excess in the employee's pay each month, the worker counts the excess benefit allowance as earned income; or
- (ii) retains any excess until the end of the year and then provides a yearly refund to the employee, the

worker excludes the refund as income as it is considered a non-recurring lump sum payment per (10)(C) of this Section.

(8) Money received for third parties. The worker excludes money the household receives and uses for the care and maintenance of a third-party beneficiary who is not a household member.

(A) When the intended beneficiaries of a single payment include household and non-household members, any identifiable portion of the payment intended and used for the care and maintenance of the non-household member is excluded.

(B) When the non-household member's portion cannot be readily identified, as in TANF cash assistance payments, the payment is evenly prorated among intended beneficiaries. The exclusion is applied to the non-household member's pro rata share or the amount actually used for the non-household member's care and maintenance, whichever is less.

(9) Child's earnings. When a child is head of his or her own household, his or her earned income is counted. The earned income of an elementary or high school student 17 years of age and younger, under parental control of an adult household member is excluded. This exclusion continues to apply during temporary interruptions in school attendance due to semester or vacation breaks, provided the child's enrollment resumes following the break. When the child's earnings cannot be differentiated from those of other household members, the total earnings are prorated equally among the working members, and the child's prorated share is excluded.

(10) Other types of excluded income.

(A) **Loans.** All loans, including loans from private individuals and commercial institutions, are excluded as income. When the household states someone is loaning the household money to meet expenses, a statement signed by both parties is required indicating the payment is a loan and must be repaid. When the household states it receives loans on a recurrent or regular basis from the same source, the lender must sign an affidavit stating the payments are loans that must be repaid or that payments will be made in accordance with an established repayment schedule.

(B) **Irregular Income.** Exclude any income in the certification period that is received too infrequently or irregularly to be reasonably anticipated when it is \$30 or less per quarter.

(C) **Non-recurring lump sum payments.** Exclude money received in the form of non-recurring lump sum payments including, but not limited to:

(i) income tax refunds, rebates, or credits;

- (ii) retroactive lump sums from SSA, SSI, public assistance, Railroad Retirement benefits, or other payments;
- (iii) retroactive lump sum insurance settlements; or
- (iv) refunds of security deposits on rental property or utilities.

(D) **Cost of self-employment.** Exclude the cost of producing self-employment income, per OAC 340:50-7-30.

(E) **Income of non-household members.** The income of non-household members who are not considered disqualified or ineligible household members, per OAC 340:50-5-10.1, is not considered available to the household. Non-household members include roomers, boarders, children in foster care or children placed by DDS with extended family care providers who are not included in the food benefit household, live in attendants, students, and persons who share living quarters with the household but who do not customarily purchase food or prepare meals with the household, per OAC 340:50-5-5.

(F) **Charitable contributions.** Exclude cash contributions based on need to a household from one or more private non-profit charitable organizations, not to exceed \$300 in a federal fiscal year quarter. For the purposes of this provision a quarter includes these specific months:

- (i) October, November, December;
- (ii) January, February, March;
- (iii) April, May, June; and
- (iv) July, August, September.

(G) **Department of Housing and Urban Development's (HUD) Family Self-sufficiency Program (FSS) escrow accounts.** Families participating in the HUD FSS program may withdraw money from escrow accounts prior to completion of the program. This money is excluded as income.

(H) **Individual Development Account (IDA).** Up to \$2,000 in cash deposited and the interest accrued in an IDA operated under the Assets for Independence Act, as amended, per P. L. 106-554, P. L. 107-110 and P. L. 114-95, is excluded as income.

340:50-7-29. Income inclusions

(a) **Sources of income considered.** The worker considers all household income, unless specifically excluded, per Section 273.9(c) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.9(c)) and Oklahoma Administrative Code (OAC) 340:50-7-22, in determining monthly gross income. Income is classified as earned or unearned. When one or more household members are absent from the home, before deciding whether to consider the absent household member's income, the worker determines if the person returns to the home for part of the month.

(1) The worker does not include the absent member in the benefit amount and only counts the portion of his or her income that he or she makes available to the rest of the household when the household member does not return for part of the month, per OAC 340:50-5-2.

(2) When the household member returns for part of each month, the worker includes him or her in the benefit amount and counts all of his or her income unless excluded, per OAC 340:50-7-22.

(b) **Earned income.** Per 7 C.F.R. § 273.9(b)(1), earned income is income a household receives in the form of wages, commission, self-employment,

or training allowances, and for which a person puts forth physical labor.

(1) **Wages.** Wages and salaries include sick pay the employer pays to an employee who plans to return to work when recovered, excess benefit allowance payments, and wages garnished or diverted to pay a third party for a household's expenses. Countable wages for military personnel include any allowance included on the earnings statement, such as the Basic Allowance for Housing (BAH) and the Basic Allowance for Subsistence (BAS).

(2) **S corporations.** When a household member is a shareholder in an S corporation, he or she may receive profits from the business in two ways; as a salary or as a profit share of the business. Both types of income are reported on the household member's personal income tax return. Salary income is considered as earned income and profit share income is considered as unearned income per (c)(8) of this Section.

(3) **Self-employment.** Refer to OAC 340:50-7-30 for self-employment income procedures.

(4) **Title I payments of the Domestic Volunteer Services Act (DVSA).** Volunteer payments made to a household member under Title I of the DVSA of 1973, as amended, per Section 404 of Public Law (P.L.) 93-113, Section 5044(f)(1) of Title 42 of the United States Code and 7 C.F.R. § 273.9(c)(10)(iii), are counted as earned income when the household member started receiving the payments prior to applying for Supplemental Nutrition Assistance Program (SNAP) or public assistance. When the person receives SNAP or public assistance benefits at the time of joining the Title I program, the volunteer payments are not counted. Title I programs include AmeriCorps Volunteers in Service to America (VISTA) and Special Volunteer Programs.

(5) **On-the-job training (OJT).** The worker counts income from OJT positions as earned income. This includes OJT provided, per Section 3(44) of the Workforce Innovation and Opportunity Act (WIOA) of 2014, P.L. 113-128 for persons 19 years of age or older and monies paid by an employer.

(6) **Training allowances.** Training allowances from vocational or rehabilitative programs federal, state, or local governments recognize, such as the work incentive program, to the extent they are not a reimbursement. Training allowances received under WIOA are excluded.

(7) **Sale of whole blood or plasma.** The sale of whole blood or blood plasma is considered as earned income.

(8) **Developmental Disabilities Services (DDS) payment.** When the household receives a DDS payment as an extended family care provider for services provided in addition to the child's room and board payment, it is considered as earned income.

(c) **Unearned income.** In general, unearned income is income a household receives and is not in the form of wages, self-employment, or training allowances, and for which a person does not put forth physical labor. The income listed in (1) through (11) of this subsection, while not

all inclusive, are considered unearned, per 7 C.F.R. § 273.9(b)(2).

(1) **Assistance payments.** The worker counts payments from a federally aided public assistance program, such as Supplemental Security Income (SSI), Temporary Assistance for Needy Families (TANF), or assistance programs based on need, such as State Supplemental Payments, as unearned income. When such payments are received by a third party, they are counted as income for the person to whom it is legally owed.

(A) A household's food benefit amount does not increase when the public assistance benefit the household receives under a federal, state, or local means-tested public assistance program is reduced, suspended, or closed because the public assistance program imposed a penalty due to an intentional program violation determined as fraud or a household member's failure to comply with a requirement of that program.

(i) To impose a food benefit sanction, the person must be certified for SNAP benefits at the time of the failure to comply and receiving regular benefits from the other program at the time fraud occurred or the household failed to comply with a substantive program requirement.

(ii) Examples of means-tested public assistance programs include SSI and TANF.

(iii) Substantive requirements are behavioral requirements of that program designed to improve the well-being of the household. For TANF, this includes:

(I) complying with TANF Work

requirements, per OAC 340:10-2. OAC

340:10-2-2 explains the TANF penalty considered for SNAP when the household fails to comply with TANF Work activities;

(II) cooperating to obtain child support, per OAC 340:10-10-5;

(III) providing a Social Security number, per OAC 340:10-12-1;

(IV) ensuring school-age children regularly attend school, per OAC 340:10-13-1;

(V) verifying children meet immunization requirements, per OAC 340:10-14-1; and

(VI) not using the TANF benefit in a prohibited business, per OAC 340:10-1-3.

(iv) Procedural requirements that do not trigger a penalty include failing to:

(I) provide verification;

(II) complete an interview; or

(III) complete a benefit renewal.

(v) When a worker is not able to obtain the necessary information and cooperation from another federal, state, or local means-tested

welfare, or public assistance program to comply with the provision in (A) of this paragraph, Oklahoma Human Services (OKDHS) is not held responsible. The worker must make a good faith effort to get the needed information and record the details and results of this effort in the case file.

(vi) The worker does not reduce, suspend, or close the household's current food benefit amount when the benefits under another assistance program are decreased.

(vii) When the worker adds eligible members to the food benefit, the benefit must be adjusted regardless of whether the household is prohibited from receiving benefits for the additional member under another federal, state, local welfare, or public assistance means-tested program.

(viii) Changes in household circumstances not related to the penalty imposed by another federal, state, local welfare, or public means-tested assistance program are not affected by the provision in (A) of this paragraph.

(ix) The application of the provision in (A) of this paragraph applies for the duration of the imposed penalty or until OKDHS cannot determine the amount of the penalty.

(x) SNAP sanctions extending beyond one year are reviewed at least annually to determine if the sanction continues to apply.

(B) The provision in (A) of this paragraph does not apply to persons or households subject to disqualification from SNAP for noncompliance with a comparable work requirement, per Title IV of the Social Security Act or an unemployment compensation work requirement.

(2) Annuity, pension, retirement, and Social Security payments. Annuities, pensions, retirement, and Social Security benefits are considered as unearned income. When a third party receives Social Security benefits it is counted as income for the person to whom it is legally owed.

(3) Veterans', disability, worker's or unemployment compensation payments, and striker's benefits. Veterans', disability, worker's or unemployment compensation payments, and striker's benefits are considered as unearned income.

(4) Support and alimony. Support and alimony payments paid directly to the household from non-household members are considered as unearned income. Money deducted or diverted to a third party to pay a household expense is unearned income when the court order directs the payment be made to the household. When the court order states the payment must be paid to a third party, it is not income.

(5) Grants, dividends, royalty, and interest payments. Payments from government sponsored programs, such as

Agricultural Stabilization and Conservation Service Programs, grants, dividends, royalties, interest, and all other direct money payments from any source construed to be a gain or profit are considered as unearned income. The household must provide proof of income from these sources, so the worker may average income to determine monthly countable income.

(6) **Monies withdrawn or dividends that are or could be received by a household from trust funds.** Monies withdrawn or dividends from a trust the household has the option of receiving as income or reinvesting in trust funds considered to be excludable resources are considered income in the month they become available to the household unless otherwise exempt, per OAC 340:50-7-22.

(7) **Department of Veteran's Affairs (VA) Aid and Attendance.** When a person receives VA Aid and Attendance income and does not pay someone outside of the food benefit household to care for him or her, this is considered as countable income. Any portion of the VA Aid and Attendance paid to someone outside of the food benefit household for care is excluded.

(8) **Profit sharing.** When a household member is a shareholder in an S corporation or a partner who is not self-employed, per OAC 340:50-7-30(a)(4), the household member may receive a distribution or profit share from the business. This is considered as unearned income.

(9) **Foster care and DDS room and board payments.** The household has the option of including a child receiving a foster care payment that includes a kinship care payment or a DDS room and board payment in the food benefit household. When the household chooses not to include the child, his or her income is not considered, per OAC 340:50-5-5. Foster care payments for children or adults included as household members are considered an unearned income.

(10) **Adoption subsidy and guardianship payments.** When a member of the household receives an adoption subsidy or guardianship payment from OKDHS, it is counted as unearned income. The child for whom the payment is received must be included in the SNAP food benefit.

(11) **Sponsor's income.** When a household contains a sponsored alien, refer to OAC 340:50-5-49 to determine if the income of the sponsor and the sponsor's spouse must be deemed to the sponsored alien.

(d) **Income of excluded household members.** Per OAC 340:50-5-10.1, excluded household members are termed as disqualified or ineligible. The worker does not consider the needs of a disqualified or ineligible household member when determining the household's size for purposes of assigning a benefit level to the household or comparing the household's monthly income with the income eligibility standard, per 7 C.F.R. § 273.11(c)(2)(iv).

(1) **Disqualified household members.** The worker counts the disqualified household member's income in its entirety as

available to the remaining household members, per 7 C.F.R. § 273.11(c)(1)(i). The worker does not prorate utility, medical, dependent care, child support expenses, or excess shelter deductions. Per OAC 340:50-5-10.1, disqualified household members are those excluded for:

- (A) committing an intentional program violation;
- (B) failing to meet work registration requirements;
- (C) meeting fleeing felon criteria; or
- (D) being a probation or parole violator.

(2) **Ineligible household members.** The worker prorates the income of ineligible household members among all household members, per 7 C.F.R. § 273.11(c)(2)(ii) and (3).

(A) Per OAC 340:50-5-10.1, ineligible household members are those excluded because they do not meet a program requirement, such as:

- (i) failure to obtain or refusal to provide a Social Security number;
- (ii) being an ineligible alien;
- (iii) being an able-bodied adult without dependents and not meeting work requirements; or
- (iv) failure to cooperate with providing requested verification regarding unclear information.

(B) The worker counts a pro rata share of the ineligible household member's income as income available to the remaining members by first subtracting the allowable income exclusions, per OAC 340:50-7-22, from the ineligible member's income and dividing the income evenly among the eligible household members and the ineligible member.

(C) The worker counts all but the ineligible member's share as income available to the remaining household members. The earned income deduction, per OAC 340:50-7-31(a)(2), and OKDHS Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, applies to the prorated income attributed to the household when it was earned by the ineligible member.

(D) The portion of the household's allowable shelter, child support, and dependent care expenses paid by or billed to the ineligible member is divided evenly among the household members, including the ineligible member. All but the ineligible member's share is considered a deductible shelter expense for the remaining household members, with the exception of utility expenses, per 7 C.F.R. § 273.9(d)(6)(iii)(F), or the standard homeless shelter deduction, per 7 C.F.R. § 273.9(d)(6)(i). When the:

- (i) household is responsible for utility expenses, the household is allowed the full utility standard for which it qualifies, per OAC 340:50-7-31; or
- (ii) homeless household is responsible for shelter costs, the household is allowed the full standard

homeless shelter deduction, per OKDHS Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions, or the prorated excess shelter deduction the household incurs, whichever results in the most benefits for the household, per OAC 340:50-7-31(a)(6)(A)(v).

340:50-7-30. Self-employed households

(a) **Person considered self-employed.** A person is considered self-employed when:

- (1) he or she claims self-employed status;
- (2) he or she works as a sole proprietor or an independent contractor;
- (3) he or she is in business for oneself, including a part-time business or gig work;
- (4) he or she earns self-employment income from a partnership according to United States Internal Revenue tax forms;
- (5) there is an employer/employee relationship and the employer does not withhold income taxes or Federal Insurance Contributions Act (FICA), even when required by law to do so; or
- (6) the employer withholds taxes and the person provides proof he or she files taxes as self-employed.

(b) **Self-employment income.** Self-employment income received by household members whose income is derived from a self-employment enterprise owned solely or in part by the household member or when the household member works for an employer, but is considered self-employed per (a) of this Section, is treated per (1) through (10) of this subsection.

- (1) **Capital gains.** The worker counts as income the proceeds from the sale of capital goods or equipment and calculates it in the same manner as a capital gain for federal income tax purposes. Even though a percentage of the proceeds from the sale of capital goods or equipment are taxed for federal income tax purposes, the worker counts the full amount of capital gain as income.
- (2) **Profit sharing.** Households who operate S corporations, general or limited partnerships, or limited liability companies (LLC) may receive profit sharing that is reported on the household's personal income tax return.

(A) S corporation profit sharing is considered unearned profit-sharing income. Refer to Oklahoma Administrative Code (OAC) 340: 50-7-29(b)(2) and (c)(7) for information regarding S corporations.

(B) Partnerships are unincorporated businesses with two or more partners. Each partner may receive a profit share from the business. When the partner's Schedule K-1 (Form 1065), Partner's Share of Income, includes self-employment income, the worker considers the partner's profit share as self-employment income.

(3) **Self-employed farm income.** To be considered a self-employed farmer, the farmer must receive or anticipate receiving annual gross proceeds of \$1,000 or more from the farming enterprise.

(A) Farming is defined as cultivating or operating a farm for profit either as owner or tenant.

(B) A farm includes stock, dairy, poultry, fish, fruit, truck farms, or plantations, ranches, ranges, or orchards.

(i) A fish farm is an area where fish are grown or raised, artificially fed, protected, and cared for, and does not include an area where they are only caught or harvested.

(ii) A plant nursery is a farm for purposes of this definition.

(C) Per Section 273.11(a)(2)(ii) of Title 7 of the Code of Federal Regulations (7 C.F.R. § 273.11(a)(2)(ii)), when the cost of producing self-employment farm income exceeds the income received, the worker offsets the losses against other countable household income by:

(i) first offsetting the losses against other self-employment income; and

(ii) then offsetting any remaining farm self-employment losses against the total amount of earned and unearned income received by the household after applying the earned income deduction, per OAC 340:50-7-31(a)(2).

(D) When the household's self-employment farm income exceeds the cost of producing the farm income and there are no losses to offset, the worker calculates the self-employment farm income as regular self-employment income per (b)(7) of this Section.

(4) **Monthly self-employment income.** Self-employment income received on a monthly basis that represents a household's annual support, is normally averaged over a 12-month period. When the averaged amount does not accurately reflect the household's actual monthly circumstances because the household experienced a substantial increase or decrease in business, the worker calculates the self-employment income based on anticipated earnings.

(5) **Seasonal self-employment income.** Self-employment income intended to meet the household's needs for only part of

the year is averaged over the period of time it is intended to cover. For example, the income of self-employed vendors who work only in the summer and supplement their income from other sources during the balance of the year is averaged over the summer months rather than a 12-month period.

(6) Annualized self-employment income. Self-employment income that represents a household's annual support is annualized over a 12-month period, even when the income is received in a shorter period of time. For example, self-employment income crop farmers receive is averaged over a 12-month period when the income represents the farmer's annual support.

(A) When the household's self-employment income has been received for less than a year, the income is averaged over the period of time received and the monthly amount projected for the coming year.

(B) When the household's self-employment income has been received for a short time and there is insufficient data to make a reasonable income projection, the worker does not consider income from this source until the benefit renewal or certification renewal month. At benefit renewal or certification renewal, the worker averages the income over the number of months received until a full year's information is available.

(7) Determining net monthly annualized self-employment income. When the household has business expenses associated with its self-employment income, the business expenses are deducted before determining if the household meets the maximum gross income standards, per Oklahoma Human Services (OKDHS) Appendix C-3, Maximum Food Benefit Allotments and Standards for Income and Deductions. When the household does not have business expenses, the gross self-employment income is used.

(A) When the household filed an income tax return on its self-employment income for the most recent year, the worker uses the gross self-employment income shown on the income tax return, subtracts 50 percent of the income for claimed business expenses, and divides the net self-employment income by the number of months to be averaged, per 7 C.F.R. § 273.11(b)(3)(iv).

(B) When the household did not file an income tax return on its self-employment income for the most recent year, the worker uses (i) through (iii) of this subparagraph to determine the net monthly self-employment income.

(i) The worker computes gross self-employment income, including capital gains, using the household's self-employment business records or employer records, when applicable.

(ii) When the household declares incurred business expenses, the worker subtracts 50 percent of the gross self-employment income as business

expenses, per 7 C.F.R. § 273.11(b)(3)(iv). When the household did not incur business expenses, a business expense deduction is not given.

(iii) The worker then divides the net self-employment income by the number of months to be averaged.

(C) The worker adds monthly net self-employment income to all other earned income the household receives. When the household reports a loss instead of a profit on the business, the worker does not deduct the loss from other household income.

(i) The worker adds the total monthly earned income, less the earned income deduction per OKDHS Appendix C-3 to all other monthly income the household receives.

(ii) The worker subtracts the standard deduction, dependent care, and shelter costs as for any other household, per OAC 340:50-7-31, to determine the monthly net income of the household.
